BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, MARCH 8, 1951

NUMBER 33

Voters to Decide On \$45,000.00 Water Improvement Revenue Bonds

ANGELIST TO SHOW MOTION PICTURE OF WORLD-WIDE TOUR

Rudolph Harvey, who is preaching in a re-nance this week at the First Church, will show the picture of films, recently taken on a world-wide tour, at 8:00 P. M. on Friday night. These films will cover a journey to the Holy Lands following the steps of the Saviour in adherence to the Bible. The church or place of the church and Mary took two in Egypt and the famous...

Easter Style and Variety Show to Be Staged Mar. 23

Easter Parade, March 23rd, at 8:00 P. M. at the Palace Theatre, sponsored by the Junior Mothers' Club. Directed and produced by Miss Blanche Butler and Mrs. Fred Fein with a cast of fifty Bunny Hosts. Anita Netherlain, and Tom Karalits will invite you down the Bunny Trail where you'll visit with lovely Musical Ladies, Tiny Tot models and their escorts, the Hugabes and their escorts, a Young Man's Fancy, Spring-time, Enchanted Evening, Tap, Ballet and acrobatic dances, specialties in songs, musical readings and stunts.

Red Cross Drive Not Completed

Cliff Wampler, chairman, reports the drive for Red Cross funds here has not been completed. Anyone who has not turned in their contribution, or any worker who has not made a report is urged to get in touch with the chairman so he can make his final report.

Large Neon Sign To Light Up United Grocery

Work is underway this week to install a large neon sign across the front of the United Super Market on Main Street. According to Bob Heiney, Manager of the store, the large letters, thirty inches high, should add quite a bit to lightening up the town.

C. of C. to Place Chicks This Year

The Chamber of Commerce is ordering baby chicks again this year to be placed in the hands of worthy boys and girls, who will raise and enter the chicks in the Fall C. of C. Poultry Show. Fifty chicks will be given to each eligible applicant. If you have not already made application, you may do so to Ray Hill at the C. of C. office Saturday, March 10, from 1 to 5 P. M. Boys and girls of grade school and high school age may make application. Those from Oklahoma are especially urged to come in Saturday. The Texas quota is almost filled.

Odd Fellows Hold Regular Meeting

On Tuesday, March 6th, Odd Fellow Lodge number 747 was called to order by O. B. Wofford, N. G. and other officers filling their respective Chairs; O. M. Schrifels, V. G.; Devon T. Smith, Secretary; Luther Hatch, Fin. Sec'y; and L. O. Landers, Treasurer. Visitors were welcomed and the sick reported on. J. H. Cecil, Team Captain, assisted by a number from the home lodge and five from Lodge number 105, Wichita Falls, conferred the initiatory degree on a candidate. Refreshments were served to seventeen members and six visitors.

Mrs. Opal Wheeler and daughter of Waco are visiting in the F. E. Scroggs home this week.

Geo. T. Roberts, Jr., and family of Mineral Wells and Guy Joe Roberts of Sherman visited over the week end with Mr. and Mrs. G. T. Roberts.

Don D. Mansur On Lions Program

Two new Lions, L. D. Holman and Floyd Martin were welcomed to the club Tuesday night. With Buddy Byars and B. H. Preston furnishing the program, Byars introduced Don D. Mansur, minister of the Church of Christ, who brought a short but inspirational talk on "A Perfect Day." At the close of his talk he sang "The End of A Perfect Day," and "Tramp, Tramp, Tramp," in a very pleasing manner. He was accompanied at the piano by Mrs. Maxine Creel.

Next Tuesday night will be Ladies' Night, when Lions will bring their wives and other guests. Decorating committee for this occasion will be Homer Gilbert, Harry Felgar, Bernard Buck and Jimmy Foyce. Food committee is composed of Dick Chambers, Preston Thaxton and W. W. Chambers.

20 Per Cent Good Fire Record Credit

Fire Chief Burk Burnett, Texas. We are pleased to give you premiums and losses for your city for the year 1950, as follows:

Premiums	\$26,698.27
Losses	3,633.00

As you know, your city will receive a 20 per cent good fire record credit. We shall thank you to pass this information on to your local Fire Marshal.

Sincerely yours, PAUL H. BROWN, Fire Insurance Commissioner By EUGENE SANDERS, Fire Prevention Chief

Card of Thanks

To my many friends of Burk Burnett, Wichita Falls and Electra, I wish to thank each and everyone for all the visits, lovely get-well cards and beautiful flowers. They were all greatly appreciated. 33-1TC MRS. MINNIE TODD

Nine hundred is only about one-fifth the population of Burk Burnett and is one hundred less than a thousand yet that is the goal for Sunday School attendance at The First Baptist Church this Sunday at 9:45 A. M. The Lord would be pleased to see that number of people coming for the study of His Blessed Word. Follow the crowd to Sunday School this Lord's Day.

Mr. and Mrs. Butler Westfield of Waco visited Saturday in the home of Mr. and Mrs. Paul Browning.

Mr. and Mrs. Burl Matthews left Sunday for San Diego to visit their son, Burl Ray, who is finishing Boot Training at the Navy Training Center.

Mrs. Luther Hatch has been visiting in Dallas with her niece, Mrs. J. M. Southworth and friends.

Mrs. Charles Goins is visiting her parents, Mr. and Mrs. Ivan Frieids in Eunice, New Mexico.

Burk Colored Choir Heard On K E L T

The Negro Choir of the Providence Baptist Church may be heard on an all request program over K E L T, Electra, every Sunday from 5 to 5:30 P. M. Send your requests to Herman Jones, Burk Burnett.

L. D. Holman Acting Manager Acme Chevrolet

Announcement is made this week that L. D. Holman has been promoted from Parts Manager to Acting Manager of the Acme Chevrolet Co. Mr. Holman has taken up the duties of J. C. Boyd, Jr., who was given a leave of absence when he was called back into the service. Mr. Boyd and his wife are vacationing briefly in Mexico City, prior to his reporting for duty in the service March 23rd.

School to Welcome Visitors March 9th

The Burk Burnett Public Schools in cooperation with the Governor and Legislature will observe Texas Public School Week March 5 through March 9 with emphasis being placed on the observances Friday, March 9 at which time the Public Schools invite the public to come and see the school in action.

No attempt will be made for a special program, but parents and friends will be invited to visit any class room in the public schools.

R. M. Davis Superintendent of Schools

Canasta-Bridge To Be Sponsored By Senior Mothers

The Mothers of the 1951 Seniors are sponsoring a "42", Canasta and Bridge at the Town Hall March 30th at 7:30 p. m. Funds will be used for the Senior Trip. The party is open to the public and everyone is cordially invited to get your ticket from a Senior Mother.

Sheriff Ham Vance Talks to Jaycees

Did you know that there were over 45,000 people killed last year in the United States? Excessive speed was the main cause of this. School children and thousands of people, rich and poor, death spares no one. Innocent people like you and me are carried to their graves each year as a result of these accidents. I don't want to die and I don't think you do. When passing on a hill or curve let's think twice before we do it. I may save your life and maybe somebody else's. Alcohol, now there is another menace on the highway. Let's stay away from the wheel of that automobile when we are drinking. Safety starts in the home, so let's start practicing it today. IT'S BETTER TO BE SAFE THAN SORRY!

The Burk Burnett Junior Chamber of Commerce had a guest on Monday night, March 5th, Sheriff Hammett (Ham) Vance of Wichita Falls. Sheriff Vance gave a very timely talk on Safety.

The airmen ride shed which was put up by the Jaycees will soon be completed. Byron Presley will start slapping on the paint some time this week and there will be some signs added as soon as all the bids are completed.

There was a total of thirteen members present at this meeting. F. R. Kline, a new member of the Jaycees, was given charge of the program for the next meeting. All members of the Jaycees are urged to attend these meetings as much as possible. We can't make them all but we can try and make some of them. If there is any person interested in joining the club you can do so by getting in touch with any of the members.

PRESTON'S DAIRY TO USE MODERN MILK CONTAINER

Preston Dairy of Burk Burnett has reached another milestone of progress in its sanitary distribution of dairy products to the people of this area. Mr. Hugh Preston, owner, proudly announces his dairy's acquisition of a new, completely automatic, Pure-Pak milk packaging machine. This machine is a marvel of modern engineering accomplishment. It brings to the people of Burk Burnett the very latest development in the sanitary distribution of milk. The new Preston Pure-Pak milk container is the last word in convenience, sanitation and safety. The Pure-Pak container is really a personal milk container because it is used only once and then simply discarded like a paper cup or cereal box. This means that every purchaser of Preston milk in Pure-Pak gets his or her milk in a brand new container every time. There are not bottle deposits of course and no bottles to wash and return. This new container is made of strong fire-board and yet is so light it weighs approximately one-tenth of the common glass bottle. The standard quart size container occupies only about half the space required by a glass bottle.

Preston's new Pure-Pak machine hums along automatically while it forms the container, sterilizes it inside and out with hot molten paraffin, chills the container, fills it with cool fresh milk and hermetically seals it all in a few seconds. . . and without the touch of human hands! Mr. Preston states, "the Pure-Pak milk container is guaranteed by Good Housekeeping and is now in use in 45 States as well as in many foreign countries. We are proud indeed to offer our quality milk to the people of Burk Burnett in this nationally advertised container. The advantages of our new Pure-Pak milk container are just another example of our desire to better serve the people of Burk Burnett."

Quarterback Club To Meet March 12

According to Roy Magers, the initial Quarterback Club meeting scheduled from March 9th, has been moved up to Monday night, March 12th, due to conflicting date with other previously scheduled meetings.

Anyone who wishes to join the Burk Quarterback Club may do so by being at the City Hall Monday night, March 12th, at 7:30 o'clock.

Don't forget—The Sunday School goal for attendance this Sunday at The First Baptist Church is 900. That is the largest goal we have ever attempted yet we believe it will be well pleasing to our Blessed Lord. God will bless as we study His Word. The greater the number attending the more will receive the blessings of the Lord in Bible study.

Singing Notice

The Wichita County Singing Convention will meet Saturday night from 8 'till 10 p. m., and all day Sunday at the Temple Baptist Church in Wichita Falls. The Burk Burnett Community singers and friends are invited to attend. The ladies may take a cake or pie. There will be no singing here Sunday afternoon.

Mrs. Ross Beezley was returned home today from the Wichita Falls Clinic where she has been a patient for the past month. Her home is on the Knauth Road.

Mr. and Mrs. Howard Bentley and children, Sonny and Karan Ann, spent several days last week in Levelland, Texas visiting in the home of Mr. and Mrs. Hoyt Hammill and Mr. and Mrs. Jack Stamper. While there Mr. Bentley and Mr. Hammill made to business trip to Albuquerque, New Mexico.

Local Camp Fire Girls to Join In 41st Celebration

Burkburnett Camp Fire Girls have big plans for celebrating Camp Fire Girls 41st Birthday next week. Following the Dad-Daughter Sweetheart Box-Supper Thursday, March 8, the Burk Burnett District Council will have their one-day Finance Drive Friday, March 9, to raise funds for their part of the operating budget of the North Central Texas Area Council of Camp Fire Girls. These plans were announced by Walter Riley, Burk Burnett District Council president. He also announced the appointment of Tom Britton as finance chairman.

This Box-Supper and Finance Drive will climax a very active year for Camp Fire Girls in Burk Burnett. Seven groups meet regularly in the 2 Camp Fire rooms in the basement of the bank. These groups are under the leadership of Mesdames James Woroner, Max Stanaland, Harry Elliott, Glen Lynsky, Lowell Woods, Tom Britton, Don Mills, and their assistants and sponsors.

Trent Turpin On SMU Squad

Trent Turpin, former Burk High School foot ball player, is now going out for foot ball on the SMU squad. In a recent article in the Dallas News, Turpin, a freshman, was given prominent mention for his pass protection in spring training. As the training season progresses, more will be heard from this boy Turpin at SMU.

Mrs. Bessie Waldrop was admitted to the Wichita General Hospital Tuesday. A report Thursday stated she was doing well.

Notice of Election

It is hereby ordered by the board of commissioners of the City of Burk Burnett, that a Water Dept. Improvement Revenue Bond election be held on the first Tuesday in April, 1951, same being the 3rd of April, 1951, for the purpose of voting \$45,000.00 in Revenue Bonds for Improvements to the Water Department.

The said election shall be held in the City Hall in the said City and F. T. Felty is hereby made presiding judge of said election and said election shall be held in accordance with the General Election Laws of the State of Texas.

It is further ordered that a copy of this order shall be published in the Burk Burnett Star full thirty (30) days prior to the date of election and the same shall be sufficient notice and a copy of same issued to the presiding officer above named is hereby made and shall be sufficient writ of election. Passed and approved this the 18th day of February, 1951. P. A. Wiggins, Secretary R. O. Brookshier, Mayor 33-4TC

Continued Growth Depends Upon Expansion

Burkburnett is facing a certain water shortage if immediate steps are not taken to relieve the situation. That is putting the truth in a rather blunt manner, but the cold facts are staring us in the face. If there should be a dry summer, the daily demand could easily be one million gallons.

Demand Doubled Four years ago the summer daily demand was around three hundred thousand gallons. Two years ago a peak of 600,000 gallons was reached. Last summer, but for the fact that it was one of the wettest in local history, Burk Burnett water users might have been without half the time. This year's demands are expected to reach an all-time high.

City Commissioners have been working on the problem since early 1950. They knew the situation and were trying to remedy it. The rains came and saved the day last summer—we cannot hope for any such relief this year. That's pressing luck too far.

After surveys by engineers were carefully studied, City Commissioners on February 18th approved a proposal to be submitted to the voters for meeting the water problem. The surveys showed that \$45,000 would do the job.

Revenue Bonds

How could this \$45,000 be raised? Revenue Bonds seemed the only way. Burk Burnett is already in debt to the tune of some \$260,000—money that was borrowed some 25-30 years ago and only in recent years has the City been able to pay all the interest yearly. For years and years the principal was not reduced even one dollar. In recent years the debt has been lowered some \$45,000 and the interest is paid on time. It probably would be hard to sell bonds with a record like that. But, short time revenue bonds will sell easily. By making the minimum on water meters \$2.00 per month instead of \$1.50, the proposed \$45,000 Revenue Bonds could be retired in less than eight years. (The water minimum was formerly \$2.00 until a few years ago).

What Happens to Tax Money?

The question of what goes with tax collections is sure to be asked. EVERY CENT of tax money collected is pledged to pay on the bonded indebtedness. That was necessary a few years ago in order to get the bonds refinanced and the interest rate cut down. Now the City has a chance to get out of debt. Before the bonds were refinanced there wasn't a hope.

What Will \$45,000 Buy?

City Commissioners, working with City Manager P. A. Wiggins, have had tests made on the Prescott farm east of the present water station. There is every reason to believe that the new location will yield more water than the wells at the old water station, which is lots of water. For a consideration of \$7,500 the Prescott pump station, gathering reservoirs, water and gas lines can be purchased.

Here's where the remainder of the \$45,000 would go: New 800 gallon per minute pump and motor at the old pump station. (Present pump 400 gpm.) 200 gpm pump and motor for the Prescott station. 8,000 ft. 6 inch line from the Dodson farm to present water station. (4 in. comes from station to Dodson farm).

Two 1,000 barrel storage tanks for water station. (Would about double storage there and in town for immediate use).

Repair six inch gathering system at present source of supply.

With the money made available at the election April 3rd, the new system would be in operation by June of this year, in plenty of time for the heavy summer demand.

Space this week does not permit going into all details, but if you have questions, ask any Commissioner, P. A. Wiggins of the Burk Burnett Star. Further discussion will be taken up in next week's Star. Harry Dodson

WOE UNTO US

Continued increase of living cost with excess purchasing power causes the "stew" called inflation to boil. More government bonds and money go into national banks with the Federal Reserve System to buy enough to keep them up to par on the market. This money end these bonds will go for more and more loans to increase business or to finance holdings of inventories and stockpiles. Prices rise, with money or credit more accessible but with goods reduced. The flames under the inflation pot are fanned, some critics say, by the public's lack of self-discipline, others that the government has not made a tough enough federal credit policy or a stiff enough pay-as-we-go tax program.

The housewife who expected to find a roll-back in prices of food was disappointed. And, it is acknowledged by most of those "in the know", that prices will go higher before the line can hold. Wage control measured, firm price controls aren't enough. When purchasing power is there when goods and services are not, it is hard to hold the lid on the pot.

The rainy-day savings plan for individuals might do some good, but some individuals feel that the money they put by loses its purchasing power and cynically question thrift.

The worker whose salary is not within the contract of increased pay for increased cost of living, who has not had a salary raise to meet the past year's climb of prices, certainly hasn't enough tears to put out the fire under that pot of boiling inflation.

MAN'S VESTED INTERESTS

It is time again to protest the tendency of the female to usurp the rights of man. Let us consider the case of the vanished waist-coat or vest that, at one time, was a necessary piece of wearing apparel, essential in a male's wardrobe. The vest was weighed down in importance, acting as a filing case for business cards, holding tooth-picks, watch, small change, pencils, pen, glasses, paper clips, nail file, address book and sundry. It covered the suspenders, the roll of weight around the middle and protected the body from chills. No wonder a man complained because losing the vest and its pigeon holes has cramped his style. Where is the vest, he asks? Ask the women, we say. With the fad for "separates", the ladies are wearing skirts and blouses with an addition—you guessed it—a vest, which they cunningly try to disguise by calling it a weskit. This may be dealing you a body blow, brother, but that is where, oh where, your little vest's gone!

HOW SICK CAN YOU GET?

The recent epidemic among railroad employees who were so "sick" they tied up mail delivery, freight, express and passenger service, felt that a wage increase would put them back on their feet again. It was a sick mind in a reluctant body, avoiding the true issue by calling it illness instead of "strike." We are not commenting upon whether the worker had a justification for his excuse, but on the action affecting the public welfare, but principally concerning the well-being of American soldiers in Korea. Anything that would halt supplies to aid them, mail from home to cheer them, we are against. Let this not happen again.

Burkburnett History

Revealed By Star Files 10 Years Ago...

Bill Walker, son of Mr. and Mrs. W. L. Walker of this city, a student at Baylor University, this week accepted a position with Mutual Broadcasting Company to act as announcer over Station WACO.

Engineers started work Monday on a topographical survey of the proposed site of the army air corp technical training school at Kell Field, midway between Burk Burnett and Wichita Falls.

Ronald Gresham, 3 year old son of Mr. and Mrs. Clark Gresham, was taken to his home Monday after receiving emergency treatment at the Burk Burnett Clinic for injuries sustained when he fell off the porch at his home.

The building formerly housing the Burk Burnett recreation Club, is being completely remodeled and repainted and when finished will house the Smith and Hatch Hardware and Lumber Co.

Mrs. A. C. Houser and Mrs. C. B. Beldon attended a Workers' Conference in Wichita Falls on Tuesday.

J. N. "Bud" Hicks was a business visitor in Naples, Texas Wednesday and Thursday of this week.

Farm Bureau News

By Mrs. John Wesley

Wymore Downing, president of the Wichita County Farm Bureau today called on members of the local organization to contact Representatives Deno A. Tufares and Vernon McDaniel in Austin and register their views on action of the State legislature in referring the Graham Bill, H. B. 226 from the Committee on Highways and Roads to the State Affairs Committee. Last week, Downing said, Farm Bureau representatives and county judges and commissioners from all over Texas appeared in Austin before the Committee on Highways and Roads in opposition to the Graham Bill, which would take thousands of dollars out of the counties, heretofore used for rural road building purposes. The bill was killed in Committee by a vote of 15 to 3, Downing said. Unknown to the opponents of the bill, a member of the legislature appeared before the Committee in opposition to H. B. 226 and attacked Mr. Graham's integrity and made caustic remarks against his character.

In retaliation for the attack by one member of the House against another, the House as a whole the following morning suspended all rules and reported Graham's Bill out of the Highways and Roads Committee to the State Affairs Committee of which Mr. Graham is chairman. This means that another hearing will be necessary Downing said, unless the House recommits the bill back to the Highways and Roads Committee, which may be done by a simple majority vote.

The Graham Bill was considered on its merits and reported out of the Highways and Roads Committee unfavorable Downing declared. Now in re-

tialiation against one member of the House for attacking another, the House takes action which could not in any way be considered as punishment to the guilty party, but would result only in penalizing all of the people in Texas who are interested in a rural road program. The Bill as reported by the Committee should not be altered because of personal remarks as between members of the legislature Downing charged, and is requesting that all members of the Wichita County Farm Bureau contact their representatives requesting that he use his vote and influence to have H. B. 226 referred back to the Committee on Highways and Roads.

Garland Eubanks, Co-chairman of Red Cross for farmers and ranchers explained how each farmer and rancher would be contacted March 5, 6 and 7. Serving with Eubanks is Wymore Downing and John Williamson. Eubanks also urged everyone to take First Aid and Home Nursing courses which are being given by Red Cross workers.

Recent photograph of a Texas primary highway

\$115,282,344

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated over them than it does for the smaller trucks and automobiles.

Latest records show \$115,282,344 was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes

- (1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and
- (2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and loads, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in the event of an all-out war," according to T. J. Kauer, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

Farm Bureau members voted to set their dues at \$10 and change By-laws to that effect. Mr. L. E. Brooks then showed some 200 colored slides which he made on the WFAA Agricultural Tour of the Pacific Northwest which were thoroughly enjoyed by some 40 or 50 who attended.

Car Loadings Of M-K-T Lines

\$29,989 for '50 distributed by Prudential

STON—A total of \$2,998,989 was distributed by the Prudential Insurance Company of America to its Texas policyholders and beneficiaries during the year reported today by the Company's Western Home Office.

This figure compared with \$1,943,818 disbursed in Texas during 1949.

Although the bulk of the payments in Texas represented death claims, matured endowments, annuities, disability payments and the proceeds of surrendered policies, the total also included \$565,203 in dividends.

On a Company basis, the Prudential's 1950 payments aggregated \$646,292,000 of which \$20,322,000 was distributed to Canadian policyholders and beneficiaries. This was an increase of nine per cent over the 1949

level and an all-time record for the Company.

Rotary Club

Each Tuesday at Town Hall
12:05 o'clock

Harold VanLoh was in charge of the meeting last Tuesday due to the absence of President, Ted Harwell. Virgil Brookshear led the members in singing the first verse of America. T. M. Jenson gave the invocation.

Woody Carter, program chairman, introduced his guest, Jack Stewart, from the office of the United Gas Corporation in Wichita Falls, who showed a very interesting film titled "By Jupiter."

Visiting Rotarians introduced by W. P. Boydston included: Don Goldfeder from Vernon, Oral Jones, John Barbour, Jr., C. G. Kirby and Ralph DeShong from the Wichita Falls

Club. Truman Garland had as his guest, Bob Griffith of Oklahoma City.

Campbell-Ewald Co. Celebrates 40th Anniversary

DETROIT—Facing a future of changing times with confidence and enthusiasm, the Campbell-Ewald Co., Detroit's oldest and largest advertising agency, celebrates its fortieth anniversary in February.

Campbell-Ewald has grown with the automobile industry, from a small agency with six employees to its present stature as one of the biggest in the country, with more than 350 employees, billings in eight figures annually, and offices in six cities. It is one of the few agen-

cies to have retained its corporate identity under the same directing head throughout its life.

"We are going to keep right on growing," said Henry T. Ewald, co-founder and president. "Instead of settling down to middle age at 40, we are seeking new horizons."

As an example of these new horizons, Campbell-Ewald has been handling the advertising of the Du Mont Laboratories, one of the pioneers in television. Campbell-Ewald's 40 years of accumulated skills are at work carving out a future in this exciting new industry just as the agency did in the automotive industry.

"Throughout its experience in automobile advertising, Campbell-Ewald has believed firmly that newspaper advertising is the master key of any successful campaign," said Ewald. "It opens the locked-up purchasing power in local markets, and is a great force for selling goods. Recent surveys show that newspaper advertising, especially in the smaller cities and towns, is still predominant, regardless of other new media. I believe this will continue. Advertising—and the newspapers themselves—constitute today a terrific force in our national defense program."

The Campbell-Ewald firm was founded in 1911 by Ewald and Frank J. Campbell, who retired six years later. The first account was that of the Hyatt Roller Bearing Co., and that company, now a division of the General Motors Corporation, is still a client.

Campbell-Ewald was the first advertising agency for the lusty Chevrolet division of General Motors in 1922 and it has been Chevrolet's only agency for 28 years. Ever since Chevrolet first started advertising on a national scale, all Chevrolet advertising in every medium has been created and placed through this agency. Today it is considered the largest single advertising account in all industry.

Although Campbell-Ewald has been closely associated with the growth of the automobile industry, and played a vital role in making America automobile conscious, its business is widely diversified. Its staff prepares advertisements for adding machines (Burroughs), printing paper (Champion), car rentals (Hertz), utilities (Detroit Edison), steel (National Steel and Great Lakes Steel), banks, foods and commercial motion pictures.

During its entire life, Ewald proudly states, the agency has never missed a cash discount in the payment of publication or other bills, nor has it ever missed a payroll, even during the 1933 national bank holiday.

Campbell - Ewald provides completely staffed services for its clients, from the creative preparation of advertisements to accounting, research and merchandising services. It is all in line with Ewald's policy that an agency, to render proper service, must do anything and everything to sell more of the client's products.

Mrs. J. M. Bryan is on the sick list.

UN PEACE TOY

ERIE, PENN.—Youngsters and parents everywhere find the new international peace toy as intriguing as Patsy Derus, the 3½-year-old miss shown above admiring the new symbol of world peace. It is a model of a jet fighter plane used by United Nations Forces in the Korean conflict. From the soft needle nose to the authentic wing tanks, the plastic Jetgo accents modernism in every detail. Parents acclaim Jetgo's educational package with United Nations flags in full color and two stanzas of "America." Manufactured here, it is a feature of the 1951 toy show.

Ralph Davis will bring the program next Tuesday.

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B₁, B₂, Niacin
and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B₁, B₂, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jimenez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B₁, B₂, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jimenez says she is always going to have HADACOL on hand for Floyd.

recovering from a siege of a bad cold. He was very run-down, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could notice an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Here is Mrs. Jimenez's statement:
"My son Floyd was very subject to colds. He's eleven years old, and he was run-down, didn't seem to have an appetite at all, and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just

Men, women and children of all ages are praising HADACOL for supplying Vitamins B₁, B₂, Niacin and Iron which their systems lacked. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you, too, if you suffer such deficiencies.
Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, \$1.25; large family economy size, \$3.50.

Burkburnett Girls Attend FHA Meet

Four local Future Homemakers of America, who attended an area meeting of the organization at Levelland recently, were recognized as the delegates traveling the greatest distance to attend.

They were Mary Lou Payne, Frances Spenser, Dorothy Gilbert and the sponsor, Miss Moore.

A total of 1,040 homemaking students registered at the meeting from 63 West Texas high schools.

New Football Star Toby James Tyler Arrives Tuesday

Toby James Tyler, 8 lbs. and 7 oz. Football Star, arrived early Tuesday morning at the Bethania Hospital in Wichita Falls. The latest addition to the Bulldog squad is the young son of Coach and Mrs. Joe Bob Tyler.

Mrs. Paul Browning Entertains Burk Garden Club

Mrs. Paul Browning was hostess to members of the Burk Burnett Garden Club recently. The party rooms were beautiful in spring flowers and growing plants.

Mrs. P. A. Wiggins, President, presided over the business meeting. Mrs. O. E. Melton, program chairman, presented the lesson for the day, "Round table discussion on Perennials." Mrs. J. C. Adams gave a talk on Annuals, bringing the high points on the 1951 National award winners.

In the absence of one number on the program, "Bulb Planting" by Mrs. Joe Majors, Mrs. Adams brought a short story, "Aren't Gardeners Queer?", which was very fitting for most members.

Mrs. Browning served a lovely spring plate of tiny sandwiches, cake and coffee to: Messdames J. C. Adams, Glen Bear, Tom Boyd, J. L. Caffee, B. N. Cauthorn, D. C. Dodson, I. E. Harwell, Loy Helvey, O. E. Melton, Carl Morrison, J. M. Pogue, F. L. Pilkenton, Ross Reagon, R. C. Tevis, P. A. Wiggins, J. M. Willingham and visitors, Mrs. Beulah Hall and Laura Lu Tevis.

Mrs. Jamieson Entertains Club

Members of the Burkburnett Study Club met Monday night in the home of Mrs. F. A. Jamieson. LaRene Davis led the group in prayer.

After a short business session, Virginia Allen presented Mrs. Carl Morrison who told of the "Azalea Trail." Mrs. Madolyn Hill then introduced Mrs. Josephine Haynes who gave a most interesting Travelogue on Austria.

Absent from the meeting John Durham, Ted Harwell, George McClarty, Don Short, and Louis Littlefair.

J. D. Grizzle, Sr. is critically ill in a Wichita Falls hospital. Mrs. John Roach was returned to the Clinic Hospital in Wichita Falls Monday.

Mrs. W. Browning Entertains Circle

The Baker Circle met in the home of Mrs. W. Browning, March 5 at 2:30 p. m. with the president, Mrs. J. A. Johnson presiding.

After singing, "Work for the Night Is Coming," Mrs. C. S. Polson led in prayer. Mrs. Hattie Buchanan gave the Devotional service and a Stewardship talk.

The members will start piecing another quilt at the next circle meeting, March 26th in the home of Mrs. V. C. Skipworth.

Sentence prayers were offered for the Revival meeting. Seven members were present.

Mrs. H. W. Fowler, Sec. Mrs. J. L. Smith, Reporter

Camp Fire Leaders Meet Tuesday 5th

The Burkburnett Camp Fire Leaders Association held a called meeting Tuesday, March 5 at the home of Mrs. Lynskey. Leaders were reminded that the annual Dad and Daughter Sweetheart Box Supper will be Thursday, March 8 at the Town Hall. About 200 Dads and daughters are expected to attend.

Plans were made for the annual Finance Drive and the annual Candy sale. Both Blue Birds and Camp Fire Girls will take part in the candy sale. They are offering a box of assorted flavored hard candies. The candy sells for \$1 per box. These are not like the candy mints sold last year. Mrs. Harry Elliott will have charge of the distribution of the candy to the leaders. The sale will begin Wednesday, March 21st.

Mrs. Don Mills was appointed secretary to complete the term of Mrs. Ralph Brookshier, Jr., who resigned last month. The meeting was dismissed with the reminder that there will not be a regular meeting the 13th, however Miss Tipps will be in town that day.

Masons Notice

The Master's Degree will be given at the Masonic Hall Friday night, March 16th at 7:30 o'clock. This is Past Masters night. All Master Masons are urged to attend.

Let's do the unusual—Reach 900 in Sunday School this Sunday at The First Baptist Church at 9:45 A. M. That is the highest goal ever attempted and surely the Lord rejoices in this mighty effort to get the largest number of people possible for Bible Study. We urge our members to be present and cordially invite all visitors and new members to be in attendance. You will receive a blessing. "Come thou with us and we will do thee good."

Mr. and Mrs. B. A. Landers, Joyce Stewart and Marjorie Nell Landers visited Sunday in Fort Worth. Mrs. W. C. Stewart returned home with them for a visit.

Mrs. R. E. Maloy of Oklahoma City is visiting Mr. and Mrs. Joe Bob Tyler.

Mrs. George Counter, Jr. and Mr. and Mrs. C. P. VanLoh attended funeral services for Mrs. J. M. Morrison in Electra last week.

Mr. and Mrs. Harry Mayes and Carolyn visited relatives in Anson Sunday.

Dorace Hageman has been visiting his parents, Mr. and Mrs. Jess Hageman.

Miss Helen Vogel of Fort Worth visited Mrs. Ann Vogel Sunday.

Mrs. Helen Hamner of Dallas was visiting here Saturday.

Mrs. Jimmy Roy Morris and children of Abilene are visiting the Ralph Whites and the J. H. Fergusons.

Miss Sydney Gamblin, Bill McClarty and Earl Wayne Mills were guests of Mike Harms at a Western Dance at N.T.S.T.C. Denton Friday evening. Mary Evelyn Sites and Hal Dean Mabry accompanied them home to spend the week end with their parents.

Mr. and Mrs. Jim Whitaker plan to spend the week end in Norman, Oklahoma as guests of Mr. and Mrs. B. J. Limes.

Mrs. Hugh Jones is leaving this week for Auburn, Miss.

Pete Jeffers, student at Texas Tech, Lubbock, spent the week end with his parents, Mr. and Mrs. Dick Jeffers.

Don Wilson Calls From San Francisco

Mr. and Mrs. Roy Wilson received a phone call from their son, Don Wilson, SA from San Francisco, Calif. Monday night. Don, who is on the SS General Breenkridge, landed in San Francisco Monday. Aboard the ship were 400 convalescent wounded Marines, returning from the fighting in Korea. Don told his folks the only one on board from Burkburnett he had seen was Adrain Shoefstall, but did not say if he was among the ones wounded.

Tea Held In Primary Department Of Methodist Church

The Primary Department of the First Methodist Church was the scene for a tea held Sunday afternoon at 3:30 o'clock. The party rooms were decorated with arrangements emphasizing the Easter motif. The refreshment table was covered with a lace cloth over pink rayon with a centerpiece of greenery and pastel colored Easter eggs. Mrs. Tom Boyd presided at the guest book.

Miss Cherie Lee Adams poured tea from a silver service as-

sisted by Misses Pat Kay Enlow, Judy Hofacket and Janice Hilton. The little misses wore pastel colored tea aprons.

Mrs. A. A. McKinnis presented Janice Hilton in a piano solo and Miss Paula Garland of the Junior Department in a very special reading.

Miss Barbara Sue Jones, accompanied a trio consisting of Judy Hofacket, Pat Kay Enlow, Cherie Lee Adams in Peter Cotton Tail with Lucky D'abbin acting as Bunny. Mrs. McKinnis then presented Lucky in a piano solo.

The officers, teachers and mothers made plans for working

together to between the church school the Tea.

"Tablecloths cost money, son!"

Yes, sometimes the things we take for granted represent long hours of work and many dollars of investment. Take natural gas service, for example. More than 26,000 stockholders—people like you and your neighbors—have invested their savings in gas wells, pipe lines, compressor stations and many other properties so that we can provide dependable natural gas service to our customers. That's the way the American business system works—to make life better and easier for all of us.

Grace Lutheran Church

ANNOUNCEMENTS 3rd at Avenue E R. L. YOUNG, Pastor

Divine worship is conducted each Sunday morning at 11 a. m. and Sunday School and Adult Bible Classes begin at 10. If you have no church home in Burkburnett or its environs, we cordially invite you to attend our Bible Classes and divine worship.

Next, Wednesday evening, March 14th, we are conducting the sixth in the series of Mid-week Lenten hours of worship. The service begins at 7:30 p. m. We will not have a Wednesday evening service the week of March 18th. We will, however, have an hour of worship on Maundy Thursday, March 22nd, beginning at the regular time. Maundy Thursday evening is the evening on which Christ was arrested in the Garden of Gethsemane and the night when He instituted The Lord's Supper. In conjunction with our Maundy Thursday evening service, our church will celebrate

Holy Communion. The Ladies' Missionary Society meets the second Thursday of each month and our men's club meets the first Wednesday of each month. The Sunday School teachers regularly meet each Thursday evening in the pastor's study, but during the Lenten season the teachers have their meeting immediately following the Wednesday evening hours of worship.

School Census In Progress

Annual school enumeration census for all school children living in the Burkburnett Independent School District got under way last Thursday through the home room teachers.

It is urgent that the parents co-operate in the enumeration census because school funds are allotted to this district on the basis of school population.

All school children between the ages of 6 and 18 as of September 1, 1951, are to be listed.

The Gilmer-Aiken law passed two years ago made average daily attendance the basis for all aid above the minimum, which was a great boon to the Burkburnett Public Schools, but minimum aid still is based on the scholastic population as determined by the enumeration census and, for this reason, it is important that every child within the age limit be counted in the census.

During the latter part of March, faculty members will make a house to house canvass for any students not reached through the regular home room teacher.

Any parent having a beginning child next year that is not reached by a census taker, please call 157 and a census enumerator will be sent.

M. E. Myers is a patient in the Wichita Falls Clinic where he underwent surgery Monday.

Nazarenes Will Hold Meetings At Town Hall

Members of the Church of the Nazarene will be worshipping in the Town Hall for the next two or three weeks while improvements are being made on their church.

We plan to lay a new hardwood floor along with other improvements and build some Sunday School rooms. We invite our friends who are not going elsewhere to come and worship with us. These are good days with us as we recently closed one of the best revivals in the history of our church, and soon we will have a more inviting place to worship.

Counties Win Plaques

County has been winner of the General 4-H Farm and Home plaque award for the consecutive year, announced by the State Club Office. Hall was again selected for outstanding work in the 4-H Farm and Home Elect. Similar honors were given in 1947-48-49.

The most effective phase of the program was the 4-H Farm Safety Bulletin, edited by 4-H members. Widespread dis-

tribution of the bulletin did a lot to increase interest in farm safety, according to D. F. Bredthauer, Refugio County Agricultural Agent. A total of 192 boys and girls took part in the program. One result was a safety driving course adopted in one of the schools. Club members conducted a rat extermination campaign, removed obstructing weeds from cross-road, and took part in 23 community meetings. Nearly 200 safety surveys also were made, and many hazards removed. Bessie L. Vogt, County Home Demonstration Agent and Mr. Bredthauer directed the program.

Club members participated 100 per cent in the 4-H Electric program, stated W. M. Hooser, Hall County Extension

Agent. Demonstrations were given in the repair of electric appliances, cords, motors, electric farm machinery, and how to replace a blown fuse. A survey of energized farm houses was made, and compared to 1949, an increase of 230 electrified houses and 100 miles in energized lines was reported. As a result of the survey and study of electricity, many non-users became definitely interested in getting service.

Helping to make both the safety and electric programs a success were the local Chambers of Commerce, Rotary and Lions Clubs, REA, schools and 4-H Club leaders. The activities are under the supervision of the Cooperative Extension Service.

settled; 318,000,200 checks reconciled; 12,400 decisions rendered to departments, agencies, claimants, and others; inspections made of 945 different Government offices; 34 comprehensive audits submitted to Congress (for the first time since the Government Corporation Control Act of 1945 audits of Government corporations were up-to-date); 685 reports made to Congress and its committees; and 3,500 replies made to inquiries from individual members of Congress.

Many of us are about to despair of the Administration's efforts to control inflation. Apparently the labor bosses will continue to push the Government around. Seemingly the Administration is going to control everything except inflation.

Last Tuesday night, I made a speech to a Methodist Brotherhood meeting in Arlington County, Virginia. To give it local color, I cited from statements of many renowned Virginians of past generations, finally reminding the audience that one of their famous early-day native sons, the Honorable Patrick Henry was revered because he cried "give me liberty or give me death" while his present-day descendants simply cry "gimme."

Mr. and Mrs. A. R. Bunstine, Mr. and Mrs. B. N. Cauthorn and Mrs. Neal Hall attended the funeral service for Mrs. J. M. Morrison in Electra Thursday. They accompanied the family to Gotebo for interment.

Mr. and Mrs. Henry Carroll of New York were Burk visitors last week.

WASHINGTON NEWS LETTER

Washington, D. C., March 3, 1951—The District of Columbia is governed by Commissioners appointed by the President and confirmed by the Senate. Both House and Senate have District Committee to recommend laws for the government of the District of Columbia. In other words, the District of Columbia is in effect governed by the Congress. Each session certain organizations within the District of Columbia urge upon Congress the enactment of so-called Home Rule legislation. During the last session of Congress, such a bill was passed in the Senate but was not passed in the House. This week the Senate has again started hearings on such a bill. The Washington Board of Trade, similar to a chamber of commerce, and made up of hundreds of leading business men of the city of Washington, oppose Home Rule. They realize that they now get better government at smaller cost than any other major city in America. A great many people in Washington are happy not to be plagued by the election of a Mayor, City Commissioners, and other municipal politics. Another thing that complicates the Home Rule picture in some of our minds is the growing negro population in the city of Washington. Ten years ago, roughly, 27% of Washington's population was negro. Now the percentage is approximately 38. More than half the children in the Washington public schools are negro children.

At a conference of the National Civil Liberties Clearing House held here recently, Irving M. Engel, executive secretary of the American Jewish Committee, told the meeting that "to a large extent there is no equality in the District of Columbia" and that "segregation would largely disappear" if the District had Home Rule.

For the last several years a big controversy has been going on between the officials and the people of Arizona and the officials and the people of the State of California over a proposed Central Arizona project. The Central Arizona project would require the building of a dam and power plant 120 miles above the Hoover Dam, installation of a pump or lift to take irrigation water from Colorado river, lift it 985 feet and run it through a 300 mile installation of canals, pipes and tunnels for the purpose of irrigating some 200,000 acres of arid land in Arizona. California opponents say this would cost the Government \$1838.00 per acre to irrigate. The Secretary of the Interior estimates the total cost of the project to be \$2,075,729,000.00. California opponents say that not only would this gigantic project take water away from California but that it would never pay for itself and that it is fantastically uneconomical.

Mr. Lindsay Warren, a former Congressman from North Carolina and for the last 10 years Comptroller General of the United States, recently made a very fine report to the Congress. Two paragraphs from Mr. Warren's report are as follows: "During recent years, when it seems the Government has been expanding beyond all reasonable comprehension, the G. A. O. (General Accounting Office) has proved that it is possible to reduce employees. In April 1946, the number of employees reached a peak of 14,904. There were 7,063 employees on January 1, 1951, a reduction of 7,841 in the last five years, of whom 779 were transferred to the Post Office Department. This has been accomplished through constant surveys of our work and the elimination of procedures which serve no useful purpose under present conditions."

"A few statistics on our work in the last year: 25,300,000 vouchers audited; 492,000 claims
