One of the easiest things in the world to meet is expenses. You run into them every place you go.

BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, APRIL 5, 1951

NUMBER 37

City Election Called Apr. 27

Hill and George W. Counter, Jr. Places on City Commission

In the election Tuesday, two City Commissioners reached a high for the year. A total of 1,750 chickens were polled during the day. Mrs. Evelyn Felty, Mrs. Evelyn Felty, Miss Bess McGinnis held the vote with 1,750 chickens. One reason for the high was the Water Department Bond election held last week. The vote for each candidate was as follows:

Brookshier	128
Hill	218
Counter, Jr.	170
Presley	116

Counter, Jr. is an incumbent. Counter is a new member of the Commission. Brookshier is a retiring member.

1951 Rodeo Adv. Campaign Ready

Advertising material for the 1951 Rodeo Celebration is ready to be distributed in Burkburnett and area towns. The Show has been moved up more than a month, the dates being June 12th through 15th. The material consists of small hat stickers for windshields, large counter hats, banners and assortments of Counter Cards. A new item this year will be phosphorus-like bumper signs which stick to bumpers or other flat surfaces.

Assembly of God Holding Revival

Announcement is made of a revival now in progress at the Assembly of God Church, located at the corner of E. College and Ave. B. Rev. Sydney Martin of Fort Worth is the evangelist. You will enjoy the dynamic preaching of Bro. Martin. Services each evening at 7:30. Everyone is invited. Come and bring a friend. Rev. H. E. Allen, Pastor.

Postal Receipts Up First Quarter

Postmaster A. H. Lohfener announces postal receipts for the first quarter of 1951 are up nearly \$800 above the corresponding period for 1950. Box rent receipts are also up and postage stamp sales are at an all time high for this office.

Local Man Returns From Korean War

Cecil Allen Jennings, son of Mr. and Mrs. M. A. Jennings, of Harwell St., Burkburnett, returned to the United States today after seven months combat duty in Korean waters. He is a seaman aboard the USS Henrico, an attack transport of the Pacific Fleet Amphibious Force, which docked here today.

Jennings' ship left the West Coast July 7, 1950, and has participated in all of the major amphibious operations in Korea. Units of the First Marine Division were transported from the West Coast to the Pusan beachhead aboard the Henrico last August, and, in later engagements, the ship landed troops in the invasion of Inchon and Wonsan. The Henrico also participated in the evacuation operations at Hungnam and Wonsan.

The attack transport will remain in San Diego a short time before going to a West Coast port to undergo routine shipyard overhaul.

Mr. and Mrs. Wayne Jones of Dallas visited this week in the home of their aunt and uncle, Mr. and Mrs. C. A. Moreman.

City Manager P. A. Wiggins Resigned April 3

P. A. Wiggins, City Manager, tendered his resignation to Mayor Ralph O. Brookshier Tuesday morning, April 3rd, effective as of that date. Mr. Wiggins has been City Manager 5 years, 9 months, taking office July 1, 1945. He replaced Loy Nichols, who resigned to accept a position in Wichita Falls. Wiggins was a member of the City Commission in 1945, and resigned from that body to accept the City Managership on a temporary basis, until another City Manager could be found. Mr. Wiggins says he believes five years is long enough in a temporary position, and that it is time to get out and let someone else take the wheel.

Carl Campbell Auto Supply Moves to Burk

Carl Campbell has bought the Magee building on Main Street and is moving his Auto Supply business here from Vernon. The job of moving started last Saturday and will require about two weeks, according to Mr. Campbell. Mr. and Mrs. Campbell, both former residents of Burkburnett, and their two daughters will move here as soon as they can find a house.

Attend Fort Worth Dental Meeting

Dr. Rudolph Robinson, Mrs. Cecil Todd and Dr. C. J. Morrison attended the Fort Worth District Dental Society meeting at Fort Worth Monday, April 3rd. They attended sessions on Monday afternoon and night and heard lectures and viewed colored movies on immediate denture construction. Featured as speaker was Dr. Emmett Beckley of Kansas City.

Burk Students to Participate In Iowa Park Meet

The following students will represent Burkburnett in the Interscholastic League meet to be held at Iowa Park Friday, April 6th for Literary events and Saturday, April 7th for track events.

Declamation
Senior Girls—Joyce Stewart,
Junior Girls—Barbara Vaughn
Senior Boys—George Kelsey
Junior Boys—Fred Bohner
Typewriting
Wilda Millar, Sue Douglas,
and Judy Willingham.
Spelling
Jill Berneathy and George Powell.

Ready Writers
Patsy Morgan.
Shorthand
Judy Willingham and Dorothy Whigham.

The following boys will represent Burkburnett in Track and Field events:
Hugh Fewin, James Kelley, Edwin Draper, Martin Leimer, Wendell Hale, Duane Adams, Arnold Oliver, Donald Chambers, Donald Gee, Ronnie Mullins, Norman Dodson, Bowden Maben, Bill Bean, Jackie Reed, Walter Lacy, Carlyle Howard, and Jon Bear.

Mrs. W. E. Tyler returned home recently from the S. A. F. B. Hospital where she spent 10 days under the care of Lt. Reilly, Orthopedic doctor. Mrs. Tyler and children are waiting further orders to go to Guam where S/Sgt. Tyler is stationed with the 4th Army. He has been on Guam for 10 months.

Burk FFA Chapter Wins District Livestock Judging Contest at Vernon

Future Farmers of the Burkburnett High School took first place honors in the District Livestock Judging contest held in Vernon March 28th. Several classes of Livestock were judged by the 22 participating chapters. These classes included a class of breeding gilts, class of barrows, class of Hereford steers, Angus steers, and a class of fat lambs. The Burkburnett Chapter was first place winner by a margin of 12 points.

Those on the winning team were James Roderick, Raymond Schroeder, and Don Blackwell. This team will participate in the Annual Livestock Judging Contest to be held at Midwestern University Saturday, April 14. Following this they will go to the area contest at Lubbock on Saturday, April 28th. The Burk Chapter Dairy Judging team at Vernon that made a high score consisted of Tom McNeill, Glenn Moody and Wayne Chambers.

These teams were coached by Thomas Bell, local instructor.

Registration of Vehicles Reaches All Time High

1951 Registrations for Vehicles reached the highest total since the tax substitution office was established here. Ray Hill, Manager of the Chamber of Commerce, and Mrs. Marjorie Hofack experienced quite a rush the last few days just before the deadline. Last Saturday the waiting line extended to the street in front of the Chamber of Commerce office.

Registrations for all vehicles totaled 2,659, broken down as follows: Passengers, 2189; Commercial Trucks, 240; Farm Trucks, 140; Truck Tractors, 10; Trailers, 45; Dealers, 10; House Trailers, 15; Motor Scooters 10.

Hill Thankful for Vote of Confidence

A. R. Hill, successful candidate for City Commissioner, authorizes the Star to make the following statement: "I wish to thank the voters of Burkburnett for the splendid vote of confidence received in Tuesday's election. I have always worked on the City Commission for what I believed was the best interests of all the people, and I shall continue to work toward that goal. I appreciate the spirit of co-operation shown in the past and ask that the good people of Burkburnett continue to work with their elected representatives."

Rotary Club

President Ted Harwell was in charge of the meeting last Tuesday noon. T. M. Jensen gave the invocation.

Four members absent from the meeting were Tom Britton, John Durham, George McClarty and Don Short. Clyde Reeves introduced the following visiting Rotarians and guests: Boyd Kelley and his guests, Bill Guelshan from New York City, T. C. Foley, Arch Freeman, H. J. Naylor, E. L. Newman, Herb Story, Tom Wilkes, Jr., and his guest, Roy McEachern of Lubbock; George Counter, guest of Louis Littlefair, Harry Dodson, guest of H. D. Smith and Don Kaiser, guest of Arthur Ramming.

Dow Estes, program chairman, introduced Oral Jones of Wichita Falls, who gave a most interesting talk on this section of the country, its resources and opportunities.

Next week I. C. Evans will bring the program.

Mrs. Ida Reynolds spent last week with her daughter, Mrs. O. H. Buzbee and family.

Father Reunited With Daughter After 12 Years

At 6:15 p. m. Easter Sunday, attractive sixteen year old Suzanne Sheriff stepped out of a Continental airliner to be reunited with her daddy, Dan Sheriff, whom she had not seen in twelve years. After separating from the girl's mother in New York the contact was lost. During the war Sheriff was sent overseas with the Chief of Engineers. During that time he never gave up. Letters, wires and hopeless leads were followed, only ending in disappointments, missing them by only a few days or weeks. Then on Good Friday the letter came from Suzanne. It had taken thirty days for it to reach him. Having been addressed to the Air Force Engineers in Washington, it was forwarded to Norfolk, Va., and then to Dallas and on to Sheppard Air Force Base where he is chief engineer of the air installation office.

Sheriff immediately sent a wire, and the next day reached the child by phone. The next day, Easter Sunday, she landed aboard the Continental plane. With him to welcome and become acquainted with his daughter, was his wife "Ginny." They spent the rest of Sunday and Monday getting to know each other, their likes and dislikes. Much to Mrs. Sheriff's delight, she found Sue greatly interested in art, which is her favorite hobby and past-time.

Tuesday morning, the trio went to Dallas where they visited Herb and Ann Mingo, and Lt. and Mrs. Jack Franks, and Margaret, all friends formerly from Burkburnett.

Coming back to Burk, the next few days followed a series of entertainments and introductions. On Friday night, Mrs. Sheriff held open house at their home in Rose Lawn to present Suzanne to Burk's younger set. Approximately seventy teen agers called to make Sue feel at home in Burk.

Mr. Sheriff also took his daughter to the field where to his pleasure he found she was interested in engineering, architectural engineering.

Suzanne left Monday by plane to go back to Albuquerque to resume her studies. But she will be back when school is out to spend the summer in Burk. She is especially looking forward to the Boom Town celebration, and to riding in the parade. In fact, she has already hinted to her Daddy and Ginny for a horse to ride. My guess is that it will be waiting.

Mrs. Daulton Dies Here Saturday

Mrs. Maggie Daulton, 79, succumbed here early Saturday at the home of her daughter, Mrs. W. J. Tyler.

Funeral services were held at 3:00 p. m. Sunday from Owens and Brunley Funeral Home chapel here with Rev. Ray C. Morrow, pastor of Calvary Baptist Church officiating. Interment was at Burkburnett Cemetery.

Mrs. Daulton was a native of Tennessee. She came to Burkburnett with her husband in 1920. She had been in ill health since last July. Her husband died about a year ago.

Survivors include the daughter and one son, W. G. Daulton, both of Burkburnett; four brothers, W. G., John, Jess and Herbert Shipp, all of Cresson, Texas; two sisters, Mrs. Livie Chapman of Granbury, Texas, and Mrs. Mary Hudnall of Cresson; 10 grandchildren and six great-grandchildren.

Voters to Decide On Sale Of Municipal Light Plant

New TSCW Prexy To Be Installed

Inauguration ceremonies for Dr. John A. Guinn, new president of Texas State College for Women will take place at Denton April 27th.

Casey Logan K-F Motors

Casey Logan, owner of the local K-F dealership, announces the name of his place of business has been changed. Formerly the Logan Battery and Electric, in the future the firm will be known as Casey Logan K-F Motors.

In addition to new car sales of Kaisers and Frazers, Mr. Logan maintains a complete service department, car washing and lubrication, and a large stock of parts for all makes of cars and trucks.

This growing concern is located on Ave. C just south of the Post Office.

E. P. Halladay Dies Tuesday

Mr. E. P. Halladay, 79, long time resident of Burkburnett, died in a Wichita Falls hospital at 4:45 Tuesday, April 3rd, following a three week's illness.

Halladay, who came to Burk in 1920 was very active in oil field work until bad health forced his retirement some years ago. He was well known in this section of the country.

Services will be held at 2 p. m. Thursday from the First Methodist Church, with Rev. T. M. Jensen, pastor, officiating. Burial will be made in the Elmer, Okla. Cemetery under direction of the Benton Funeral Home in Tipton.

Survivors include the widow; 1 brother, Walter Halladay of Fort Supply, Okla.; 1 step-son, R. P. Long of Burk; 1 step-daughter, Mrs. A. L. Barnes of Fort Worth; 1 niece, Mrs. Ross Fitzgerald of Tipton, and several nephews.

Local Fireboys Order Uniforms

This week members of the Burkburnett Volunteer Fire Department placed an order for new uniforms and caps. The color is light blue for pants and shirts, with caps to match. It is hoped the new suits will be here in time for delegates who will attend the district convention at Seymour May 1st.

Mrs. Jack Daniels and Freddie of El Paso are visiting Mr. and Mrs. Fred Bunge and Mrs. Daniels.

Texas Electric Service Company Proposed Buyer

Voters Are Asked to Study Contract and Reach Own Decisions

At the regular meeting Monday night, City Commissioners were unanimous in their vote to call an election Friday, April 27, 1951, when voters will decide whether or not they will sell the Municipal Light Plant. A committee had been working for some time on a contract which was presented to Texas Electric Service Company last week, when the final draft was made and agreed upon by representatives of the Electric Company and the City.

Rumors had been making the rounds for two years that negotiations to sell the plant were underway, however the actual negotiations were begun only recently.

Every instrument considered Monday night by the Council is printed in the Star this week. The contract, in its entirety, is published for all to read. All the cards are on the table—nothing withheld. It is the desire of the Commissioners, and also of the Electric Company that every citizen be fully acquainted with the proposal, and that they know the obligations of each as provided in the contract. Extra copies of the contract are available at the City Hall for any voter who wishes one.

Briefly, the contract sets out that the Texas Electric Service Company lease the Light Plant for a period of six years, with option to buy outright at the end of that time. The lease payments would be made annually, in advance. If option to buy were exercised, a cash lump sum would be paid the City by the Electric Company.

The amounts of the annual lease, and the final cash settlement if option to buy were exercised are clearly set out in the contract. Read it.

Next week this newspaper will publish, within reason as space permits, arguments for both sides of the case. Keep articles short as possible and every article must bear a signature.

Co-operation Is Appreciated By R. O. Brookshier

R. O. Brookshier, retiring City Commissioner and Mayor of Burkburnett, asks the Star to express his appreciation to the people of this City for their co-operation and helpfulness while he was on the Commission.

Mr. Brookshier, an employee of the Texas Company, is a long-time resident of Burk and says his intentions are to stay here for many more years with the people he knows and loves.

W. Main Paving Is Under Way

Residents on West Main, as well as the entire citizenship, are glad actual construction work of paving that street was started this week. Work on the bridge near Bell Oil and Gas office is progressing, and it is understood paving will start on the West end of the street in a day or two.

Mr. and Mrs. Horace Hinkle and son of Texhoma visited in Burk last week.

YOUR "HEART-POWER"

We give you from "Your Blood Pressure and Your Arteries," a Public Affairs pamphlet: The heart is a hollow, muscular organ about the size of a grapefruit but infinitely tougher. Compared with mechanical motors, the heart seems weak: it is rated as only one two-hundred fortieth horsepower. But the average heart pumps nine or ten tons of blood every day, handling the body's entire stock of blood about once a minute. If the heart's labor over 48 years could be concentrated in a single moment, it would be enough to lift both the Queen Elizabeth and the Queen Mary out of the water.

CONTINUED DIGGING

Washington probers are digging into big deals in U. S. surplus material abroad, while the Kefauver group corners racketeers and the Fulbright committee protests the lending policies and practices of the Reconstruction Finance Corporation. The influence peddlers, the "five percenters" of old, have given cause for an investigation. The disposal of surplus war material abroad involves as much as \$100 million in these "influenced" transactions. Having an "in" has built many a fortune for individuals who buy, lease and sell government surplus. Honest citizens want these names and facts publicised.

WE'LL TAKE RABBIT

A mink is a species of animal between a weasel and an otter. It is said to have a very disagreeable smell. The investigation into the how come concerning the \$9,540 mink coat given a White House stenographer by her husband, is probably going to have an odor connected with it, also. The Senate Investigating committee is wondering about this coat since the husband is a former examiner of loan applications for the Reconstruction Finance Corporation and since a furrier applied for an RFC loan. The tie-in may cause the fur to fly. But considering the price of the coat, probably the hides used were from proper, distinctive, well-bred mink, and will probably be cleared of any charges. Lucky mink!

LET US GO ON FROM HERE

The big story of crime, the presentation to a vast audience of hoodlums and mugs of the underworld, has aroused the American people to fever pitch, during the Kefauver committee's investigation. The tying-in of mobsters with local politicians and officers, the far-reaching effects of these criminals, has astounded and disgusted the country. It is a lesson to remember, that illicit money corrupts. Such may bring power but this kind of power is shabby and will not last long. Salary boosts for city officers through "hush" money, money to further political aspirations from gamblers, murderers, thieves, leaves a stench that permeates the entire nation. The end is not in sight for further odiferous revelations are to come.

There are some among us who say "they will never do anything with these crooks." There are others who believe this investigation is going to cause citizens to lose respect for their local government officials, to question any one who aspires for public office. Perhaps we need such a jolt. It may do no more than cause the voter to be more cautious, more discriminating, more inquisitive about candidates from here on out, whether local, county, state or national. But, is not this alone a good thing? We believe that the government crime committee is not playing a game of "cops and robbers," that they are sincere and will benefit the nation through their investigation.

NOT AS CHILDREN, AS MEN

Indiana University isn't the only college where fraternities are turning from the senseless, juvenile custom of hazing of pledges, but we would like to give you a few of the many ways the men of this university are working for community service. Instead of hazing, pledges of one fraternity painted a community building of working mothers. Another supplied a family of 14 with bedding, repaired the roof of the home, repaired a used stove and installed it. Another painted the city band shell, mowed park lawns, landscaped city property. Pledges have shovelled snow, cut wood, carried water and coal for the assistance of the needy. They have colored 400 dozen eggs for their Easter party for the city's young, have had Halloween and Christmas parties for undernourished children, adopted a war orphan. They have built tables, benches, swings, a picnic fireplace for a nursery school in a trailer court for married students. Have arisen at 5 a. m. to shovel leaves on trucks to remove a fire hazard over the city, since the city itself had neither the manpower or machinery available. There is more and more, all humanitarian work, training men for community service. It is far wiser than hazing of pledges and teaches true brotherhood, which is fraternity.

JUST AN OVERLOOKING

Eat the gift and break the dish lest it remind you of the obligation, the Ancient Arabs said. We too frequently practice lack of appreciation. "Gratitude is frequently the hopeful expectation of more favors to come." It is a human frailty that our sense of obligation is not as highly developed as our acceptance of gifts from the giver. We might continue "to eat" but should cherish the dish that it be not broken before we return it bearing our own token of gratitude.

A BLOW BY BLOW ACCOUNTING

The "big freeze" hasn't frozen, stabilization hasn't stabilized. Money is living up to only half of its past reputation of 100 cents to a dollar. Attempts are made to stretch the dollar by using cheaper cuts of meat, meat substitutes, more home sewing and "making over", cutting auto costs by driving less, making home repairs, carrying lunches, planting larger gardens. Many families have their various methods of reducing living costs to wage their war on inflation. It is a stand for strength.

IT BELONGS TO YOU

Numerous people are under the impression that it is wrong to fly the American flag before dawn or after sunset. According to the U. S. Flag Association, this is wrong. You may fly the flag day or night, as long as you do so with respect. The United States Army raises and lowers its flags before dawn and after sunset, to indicate the beginning and end of the Army's normal working day. But, as the association reminds, "it's your flag—not the property of any branch of the government—yours to fly when you desire." So this is going to settle many arguments on the sunrise and sunset question.

Burk Burnett . . . History

Revealed By Star
Files 10 Years Ago...

Alvin Hill and Frank Kelley, present City Commissioners, defeated Ralph Brookshier and Neal Allen in the City election held here last Tuesday.

Billy Loring, three and one-half year old son of Mr. and Mrs. L. J. Loring, sustained a broken arm late Wednesday afternoon when he ran in front of a car near his home on East Main.

Dick Lindsey, District Manager of the United Gas Co. of Wichita Falls, was a guest of the local Rotary Club Tuesday noon and made a talk on "Natural Gas" which is his classification in Rotary.

Bill Walker, son of Mr. and Mrs. W. H. Walker and a student at Baylor University, played the part of William Herndon in "Abe Lincoln in Illinois" presented in Waco this week by the Baylor Civic Theatre.

Crowning the new band queen, Miss Dorothy Warren, will be the feature attraction of the annual band concert to be held this Friday night in the High School auditorium.

Mesdames J. M. Pogue, F. E. Cruce, T. D. Oxley, J. L. Caffee, D. C. Dodson and Tom Boyd attended the Flower Show in Dallas Wednesday.

You'll have oil!

The oil industry is better prepared than ever before in history to supply the country's needs for petroleum products. Continuous exploration and development have established the necessary reserves, refining capacity has been increased, transportation facilities have been improved and extended.

Operating competitively in free America, the oil companies have brought U. S. oil resources to a state of readiness not equalled in any other country.

In the past year, the daily needs of the American people plus the extra needs of national defense increased the demand for oil by about

a half-million barrels daily. It was produced at once. Cars and trucks continued to roll, farmers' equipment stayed in the fields, industries powered by oil continued to operate; not an airplane was grounded, not a ship stayed in port, for lack of fuel.

Nevertheless, the industry recognizes that all-out defense preparations will pose many new problems; that some petroleum products may be reduced in quality; that some sacrifices may become necessary.

But the oil is here; it's available. You'll have oil.

Rex Allen Aids Western Boystown In Latest, "Redwood Forest Trail"

Rex Allen, the Arizona cowboy, latest recruit to the ranks of Hollywood's Western heroes, comes to the screen of the Burk Theatre Friday and Saturday in his latest Republic film, "Redwood Forest Trail." Allen proves himself an exciting, addition to the cowboy star aggregation, fighting hard, riding fast and shooting straight, in the best sager tradition.

"Redwood Forest Trail" gets off to an exciting start with the murder of a lumberman owner of a mountain forest community for underprivileged boys. Suspicion is thrown upon the boys of the community by a bunch of crooks.

Julie, played by Jeff Donnell, daughter of the murdered man, is misled by the crooks into blaming the boys and is determined to see an end to the project.

Rex Allen, with the help of his sidekick, Carl "Alfalfa" Switzer, gradually brings Julie around to a sympathetic attitude toward the boystown.

Warner Bros. "SUGARFOOT" In Technicolor Coming Sun.-Mon.

A territory that originated the "when men were men" line, Arizona was the goal of many ex-soldiers seeking further adventure after the Civil War. And to this roaring pioneer territory came a former Confederate officer who started a rugged private war of his own.

So begins the story of "Sugarfoot," Warner Bros.' epic western drama in color by Technicolor, which begins its local engagement at the Palace Theatre on Sunday and Monday.

The title role of the film is handled by Randolph Scott, last seen in "Colt 45," whose collection of fan letters from all over the world is proof enough that he is tops among Hollywood's two-fisted cowboy stars.

Adele Jergens, rising young actress who performed in many swank New York night clubs before moving west, supplies the romance while Raymond Massey and S. Z. Sakall, masters of menace and mirth, respectively, are also featured.

Fowl Cholera Is One of Deadliest Of Poultry Diseases

Fowl cholera, one of the deadliest of poultry diseases, occurs in all domestic fowls and many free-flying birds. It is most prevalent during the fall and winter among flocks of laying age.

You may suspect cholera when birds suddenly die in their nests or on the roosts, without previously displaying symptoms of any kind. Sometimes the disease kills so quickly that the first indication that cholera has broken out comes when the poultry raiser finds up to 2 per cent of his flock dead when he enters the laying house in the morning.

Symptoms
Birds which linger for a few days after becoming infected by cholera organisms will display these symptoms: sudden listlessness, ruffled feathers, loss of appetite, green or yellow diarrhea, and a dark purple or blue color in the comb, wattles, faces and throat.

Cholera also appears as a chronic infection which may localize to form abscesses in various body parts, inflammation

Randolph Scott

and swelling of the joints, infection of the middle ear, edema of the wattles, or infection of the nasal cavities. In the chronic form, affected birds lose flesh gradually and become thin and poor before dying.

These symptoms all are suggestive of fowl cholera, but to get a positive diagnosis, the poultry-raiser should consult a poultry specialist who is qualified to identify the disease by microscopic examination.

Specific Medication
Against the ravages of acute fowl cholera, specific medication plays an important role. One of the newest drug compounds of value in treating this disease is sulfiquinoxaline. When this agent is administered, either through the feed or the drinking water, immediate losses from mortality are usually checked in a short time.

Sanitation is also important in controlling cholera in the flock. Move affected birds to clean ground or a clean house. Many poultrymen vaccinate against cholera with a killed-culture bacterin. This step may be taken anytime and may be repeated as often as necessary.

Chester Roberts of Oklahoma City visited his parents, Mr. and Mrs. W. A. Roberts last week end.

Mrs. R. P. Thaxton visited her brother, A. F. Myers in Dallas last Friday.

Mrs. T. M. May has been returned home from the Bethania Hospital.

Cub Scout News

Cub Scout leaders and parents of the Central Christian Church Cub Scout Pack 32, are invited to go to Wichita Falls, Friday, April 6th, to attend a monthly Pack meeting. Mr. John Tevis, Cub Scout Master of the Wichita Unit, and well known in this community for his Scout work, will be in charge of the meeting.

The meeting will be held in the basement of the First Christian Church in Wichita at 7:30 p. m. All interested parents and leaders from the local pack are cordially invited to go.

Board Announces Rates and Rules For Inland Risks

Additional charges and new rules for waiving the \$100 deductible clause for windstorm and extended coverage in the 226-county inland territory in Texas were announced this week by the Texas Board of Insurance Commissioners thru Paul H. Brown, fire insurance commissioner. The changes will become effective April 1.

In brief, the new rules provide for an "initial waiving charge" of \$15 for a one-year policy, \$37.50 for a three-year policy and \$60 for a five-year policy. Concurrently an "additional waiving charge" is provided applicable to the amount of insurance, since the "initial" charge is a flat fee. The "additional" charges are 15 cents, 37 cents and 60 cents respectively, for the one-, three- and five-year terms.

For farm business the "initial waiving charge" on the \$50 windstorm, hurricane and hail deductible is \$7.50 for one year, \$18.75 for three years, and \$30 for five years, and the "additional" charge are 13 cents, 32 cents and 52 cents respectively.

Rate-wise on dwellings, the new rules reduce the rate from 37 cents to 30 cents with the deductible. But to eliminate the deductible, and so carry full coverage, the new charges in effect increase premiums charges an even 100 per cent on policies and less than 100 per cent on larger policies on a graduated scale.

Two quick reference charts dealing with the new charges and rules have been released by the Texas Insurance Checking Office, one dealing with farm property and the other with urban and non-farm properties. The explanation applies when insurance is written in one policy.

For non-farm property the chart for the guidance of agents is as follows:

1. Apply Initial Waiving Charge for each building or structure as follows: For 1 year —\$15; For 3 years—\$37.50; For 5 years—\$60. (Only one initial waiving charge applies to a dwelling and its outbuildings as defined in Form 200).

EXAMPLE A.
\$3,000 insurance on a building or structure written for one year, all in one policy.
Initial waiving charge — \$15.00
Additional waiving charge 4.50

Total waiving charge — \$19.50

EXAMPLE B.
\$5,000 insurance on a building or structure written for three years, all in one policy.
Initial waiving charge — \$37.50
Additional waiving charge 18.50

Total waiving charge — \$56.00

Oklahoma Couple Celebrate Birthday

Mr. and Mrs. W. D. Day of the Valley View Community in Oklahoma, celebrated their 84th birthday Sunday, April 1st. A large number of friends and relatives gathered to wish this wonderful couple a happy day.

Among the 55 signing the register were 5 children, 7 grandchildren, and 11 great grandchildren.

Attending were: Mrs. Mary Scott, Mrs. Edna Rogers, Miss Lenora Rogers and Miss Juanita Robinette, of Ardmore, Okla.; Mr. and Mrs. P. H. Page, Mr. and Mrs. George D. Page and Mr. Earl Page of Temple; Mr. and Mrs. Charles Bowles, Mrs. G. L. Pfeifer, and Mrs. J. B. Griffin of Randlett; Mr. and Mrs. J. T. Day and grandson, Terry, Mr. and Mrs. W. R. Pannel and Mr. and Mrs. H. M. Warren of Devol; Mrs. S. D. Shaddock, Mr. and Mrs. J. W. Day, Mrs. Nettie Woods, Mrs. Ed Elliott and four children, Mr. and Mrs. L. M. Coleman and two children, Mr. and Mrs. E. W. Hobbs and children, Mrs. Herman Green and children, Mr. and Mrs. O. P. Nolen and children of Burkburnett; Mrs. Evelyn White and Mrs. Vera Oelschlagler of Wichita Falls, Mrs. Bobby Dunn of Breckenridge, Mr. Henry Day of San Antonio, Miss Laura Hahn of Brawley, Calif., Mr. and Mrs. Joe Beck of Bryson, Mr. and Mrs. Alton Ellis and children of Marlow, Mr. and Mrs. J. W. Jackson of Walters, and Rev. Jimmie Jaggers of Thrift.

Mr. and Mrs. Paul Browning and Mr. and Mrs. J. N. Anthony spent the week end in Dallas visiting Rev. and Mrs. T. Herbert Minga.

A trip to Sheppard Air Base has been cancelled due to a new regulation at the field.

PEASE RIVER BATTLEFIELD

AFTER BEING CAPTURED BY COMANCHE INDIANS ON MAY 19, 1836 IN WHAT IS NOW LIMESTONE COUNTY, CYNTHIA ANN PARKER WAS RECAPTURED HERE BY TEXAS RANGERS UNDER CAPTAIN L. S. ROSS ON DECEMBER 16, 1860

Erected by the State of Texas

"The Saga of Peta Nocona," a 30-minute musical position, will be based on this marker situated between Crowell and Thalia, Texas. Now a peaceful countryside, it was once the scene of the fierce battle in which Peta Nocona, legendary Comanche chief, was killed and his wife, Cynthia Ann Parker captured. The story will be recreated in music in Wichita Falls with the Oklahoma State Symphony a 200-voice choir. The composer is Eitel A. N. Wichita Falls.

Card of Thanks

The family of the late Frank Gilbow takes this means of thanking and expressing their heartfelt gratitude to every person who was so kind to call in person and by phone, by bringing and serving food, by your expressions of sympathy in the many beautiful cards and flowers. We wish to express our gratitude to the many who helped make the service so beautiful with their music and songs. To Rev. George Lawler for his inspiring message and to Burkburnett Masonic Lodge 1027, for the service rendered us. May

your lives be richly blessed having been so kind.

Reader's Digest Story Tells How Chlorophyll Quickly Stops Bad Breath and Body Odors

THE REMARKABLE STORY of Chlorophyll, Nature's breath and Body Deodorant that acts internally, was revealed in Reader's Digest. Amazing as any fairy tale are the interesting facts about the discovery of its powerful deodorizing properties. Scientific tests have proved that this mysterious element of nature acts almost like magic in ridding the body of offensive odors—bad breath and body odors—effectively, quickly and with absolute safety.
To stop Body Odors, including Underarm and Foot Odors, as well as Odors Associated with Women's Personal Hygiene, one or two Chlorophyll Tablets, taken internally like a vitamin, provide safe, quick and long-lasting results. Absolutely safe and harmless to take, they also promptly kill Bad Breath (Halitosis). Even the strong odors of Onions or Garlic, Smoker's Breath or Alcoholic Breath, disappear in a matter of minutes. Insist on getting Willard's Chlorophyll Tablets because they are full strength. Each tablet contains 100 milligrams (100,000 micrograms) of Chlorophyll, the highest quality obtainable. Thirty-six tablets cost only \$1.00 at any of the drug stores named below. Your money back unless thoroughly satisfied! Be sure to ask for Willard's Chlorophyll Tablets at

"Happy Hank's" Heroes Home

Seaman first class Cecil A. Jennings, son of Mr. and Mrs. M. A. Jennings, is home on a twenty-five days leave.
The attack transport Henrico, veteran of every major amphibious operation in Korea, docked at North Island, California on March 22nd. Home for the first time since she sailed last sum-

mer to rush Marine troops overseas.

"Happy Hank" brought back from Korea 519 passengers in addition to the 400 officers and men of the ship's crew. Capt. John H. Fradd said, "All men aboard USS Henrico won the commendations from the highest command for everything they did."

The Navy said many men have been recommended for awards for their heroism in the Hungnam, Wonsan and Inchon invasions.

USS Henrico-45 took off two loads of passengers in the Hungnam evacuation, departing the last time Christmas Eve.

When Jennings' leave here is up he will return to Bremerton, Washington, where his ship is in dry dock for overhaul, then back overseas.

Have a good time Cecil. Burkburnett is proud of you and happy to have you home again.

Mother of Two Praises Hadacol

HADACOL Supplies Deficient Systems With Vitamins B1, B2, Niacin and Iron

Mrs. Elmer Hisel, 3225 2nd Ave., Council Bluffs, Iowa, is a good mother, and like all good mothers she keeps a careful watch for the welfare of her two young children. And when little four-year-old Lucille Hisel wasn't feeling as her mother knew she should...

Lucille Hisel she decided to do something about it. Mrs. Hisel gave Lucille HADACOL because she had heard how much it was helping children who had poor appetites and stomach distress caused by deficiencies of Vitamins B1, B2, Iron and Niacin. It helped her so much that now Mrs. Hisel gives HADACOL to both of her children.
Here is what Mrs. Hisel says: "My daughter has taken two bottles of HADACOL and she has been eating more than before and also sleeps better. I think HADACOL is the best thing for children who do not have an appetite. My daughter is four years old. Before taking HADACOL my daughter complained of her stomach hurting her, and I got her a bottle of HADACOL and she says her stomach doesn't bother her any more. I think HADACOL is wonderful. I am also giving HADACOL to my three-year-old daughter."

HADACOL Is So Effective
An important thing about HADACOL is that you get Vitamins B1, B2, Niacin and Iron in liquid form, which means that they are quickly absorbed and dispatched to the blood stream, ready to go right to work. HADACOL helps build up the hemoglobin content of the blood (when Iron is needed) to carry these precious Vitamins and Minerals to every part of your body.

EXHIBIT II

Ordinance No. 307

AN ORDINANCE GRANTING TO TEXAS ELECTRIC SERVICE COMPANY, ITS SUCCESSORS AND ASSIGNS, THE RIGHT TO CONSTRUCT, OPERATE AND MAINTAIN AN ELECTRIC LIGHT AND POWER PLANT IN THE CITY OF BURKBURNETT, TEXAS.

SECTION 1. Subject to the conditions and limitations hereinafter set forth, there is hereby granted to Texas Electric Service Company, its successors and assigns, hereinafter called the "Grantee," the right, privilege and franchise, until the 1st day of April, A. D. 2001, to construct, maintain and operate in the present and future streets, alleys and public places in the City of Burkburnett, hereinafter called "City," electric light and power lines with all the necessary and desirable appurtenances, including underground conduits, poles, towers, wires, transmission lines and telegraph and telephone wires for its own use, for the purpose of supplying electricity to said City, the inhabitants thereof, and persons, firms or corporations beyond the limits thereof, for light, heat, power and other purposes.

SECTION 2. In consideration of the granting of such franchise by the City, Grantee hereby agrees that on the 15th day of March, 1952, and annually thereafter on the 15th day of March of each year during the life of said grant, Grantee, its successors and assigns, so long as it or they shall continue the use and occupancy of the streets, alleys, highways and other public places within the City under the grant of such franchise, and so long as it or they shall continue to serve the City with electric energy for its street lighting, water pumping and other municipal purposes to the extent of its requirements for such service, will pay to the City an amount equivalent to two percent (2%) of the gross revenues received by Grantee, its successors or assigns, during the preceding year from sales of electricity within the corporate limits of said City, exclusive of sales to industrial and other customers excluded from taxation under the provisions of the Regulations of the Treasury Department of the United States, Article 40, Regulation 42, as amended by T. D. 4393, September 20, 1933; T. D. 4570, July 24, 1935; and T. D. 4751, July 21, 1937. Said payment shall be made by Grantee and accepted by City as full payment for the privilege of using and occupying the streets, alleys, highways, easements, parks and other public places within the City and other charges connected with such use as rentals, supervision and inspection charges or otherwise, and in lieu of any and all occupation taxes, easement and franchise taxes (whether levied as an ad valorem, special or other character of tax), and in lieu of license and inspection fees, street taxes, street or alley rentals, and all other taxes, charges, levies, fees and rentals of whatsoever kind and character which the City may impose or hereafter be authorized or empowered by law to levy and collect, excepting only the usual general or special ad valorem taxes which the City is authorized to levy and impose upon real and personal property.

SECTION 3. The rights, privileges and franchise herein granted shall not be exclusive and the City of Burkburnett reserves the right to grant similar privileges and franchises for like purposes to any other person, firm or corporation. Such other grant, however, shall not interfere with the proper exercise of the rights, privileges and franchises herein granted; provided, however, that should the City of Burkburnett hereafter grant similar privileges and authority for like purposes to any other person, firm or corporation on more favorable terms than such privileges and authority are herein conferred upon the Grantee, then the City of Burkburnett will by proper ordinance so modify the terms and conditions of this grant as to equalize such privileges and authority and so as to relieve the Grantee herein, its successors and assigns, from any such resulting discrimination.

SECTION 4. The grant of privileges hereunder is expressly made subject to the provisions of the Charter of the City of Burkburnett, and the Grantee shall have and hold all the rights, privileges and franchises herein granted subject to the provisions of said Charter relating thereto and reserved therein, and as provided by Sections 1 to 17, inclusive, of Article VIII thereof.

SECTION 5. This grant is expressly made subject to the right of the City of Burkburnett to terminate this grant and acquire the property Grantee by ordinance in the manner and at the times hereinafter specified. In the event the City elects to terminate this grant as herein provided and acquire the properties of Grantee as hereinafter provided, or upon the termination of this grant by operation of time, unless renewed or extended, the City shall acquire all of such properties of Grantee, but not a part thereof. Upon such a determination on the part of the City to terminate this grant and acquire all of the properties of Grantee within said City, the Board of Commissioners shall pass and deliver to the owner and holder hereof an ordinance terminating this grant and expressing its intention to acquire said properties, and the right of acquisition shall be exercised as herein provided; provided, however, that no proceedings or other action shall be taken in respect to the termination of this grant unless the City shall, by the enactment of an ordinance delivered to Grantee, give notice of its intention to proceed hereunder as herein provided at least one (1) year prior thereto, and until and unless the question of whether or not the City should acquire Grantee's business and properties shall have been submitted to a referendum vote by the qualified voters of the City within a period of sixty (60) days prior to any such action on the part of the Board of Commissioners of the City.

SECTION 6. The right of acquisition on the part of the City of Burkburnett shall be exercised only by action taken by the Board of Commissioners of the City during the thirty (30) day period preceding the 1st day of October in each tenth year after the expiration of fifteen (15) years from the granting of this franchise until the expiration hereof.

SECTION 7. The franchise heretofore granted Grantee shall remain in force and effect as provided in a certain contract between City and Grantee dated 2nd day of April, 1951.

SECTION 8. The exercise of the right of acquisition by the City of Burkburnett to acquire all of the property and business of the Grantee shall be governed by the following:

(a) Within thirty days following the effective date of the ordinance terminating the grant, the Board of Commissioners of the City shall by resolution appoint two (2) persons and Grantee shall within the same period of time appoint two (2) persons to act as a Board of Commissioners to determine the price to be paid for said business and properties by the City to Grantee, and the four persons so appointed shall within ten (10) days after their appointment appoint a disinterested person who, together with the number appointed by the City and by Grantee, shall determine such price. One of those selected by the City shall be a graduate engineer learned in the general nature of the business of Grantee and one shall be a certified public accountant, and said engineer and public accountant may but need not be citizens and residents of the County of Wichita, Texas. Such Board of Commissioners shall have the right to employ such other engineers and accountants as may be necessary in the premises, and the cost of employing any such engineers and accountants shall be borne as hereinafter provided.

(b) The Board of Commissioners shall promptly set a time for a hearing of the parties, namely the City and Grantee, and the day appointed for the beginning of said hearing shall not be less than twenty days after the notice of such hearing shall have been issued and served upon Grantee.

(c) Grantee hereunder shall be adequately compensated for the fair value of all of the property, both real and personal, property rights and assets of every description, belonging to Grantee and located in the City of Burkburnett. The compensation to be paid Grantee shall also include an amount representing the reasonable value of the damages sustained by Grantee by virtue of having its properties located within said City severed from its properties located without such City. For the purpose of this franchise, the term "fair value" shall be deemed to mean a sum equal to the cost of constructing or providing for, as of the date of acquisition, the properties being acquired less depreciation as of that date.

(d) After the election on the part of the City to acquire Grantee's property and business becomes effective, and pending determination and payment of purchase price, Grantee shall continue to make all additions to its facilities necessary to maintain adequate service to its customers, and shall complete all construction work under way at that time. The City shall pay to Grantee the cost price of all such additions to facilities and completed construction work. After the date when the election on the part of the City to acquire Grantee's property and business becomes effective, Grantee shall not make or be required to make any major additions to its property located within the City, except with the consent in writing of both Grantee and the City.

(e) All of the books, records, documents, assets and properties of whatsoever nature kept or owned by Grantee shall be subject to examination by one or more of said Commissioners or their duly authorized agents and employees upon demand therefor.

(f) As the basis of their appraisal, the Commissioners shall make or have made a complete and reasonably detailed list and inventory of all of Grantee's properties, property rights and assets to be acquired. When the Commissioners have assessed the value of Grantee's property and business, they shall reduce their decision to writing, stating therein the total value of said property and business, the amount of severance damages, if any, the amounts of all liens and encumbrances against such property and business, and to whom payable, and all the costs which have accrued as a result of such hearing, the examination and investigation, and shall date and sign such decision and file it, together with a copy of the aforesaid list and inventory of Grantee's property rights and assets located in the City and all other papers connected with the matter, with the District Clerk of the District Court of Wichita County, Texas, and shall also deliver a copy thereof to the City of Burkburnett and to Grantee. The decision of the Commissioners upon any matter shall be by a majority of said Commissioners.

(g) If either party, that is to say, Grantee or the City of Burkburnett, be dissatisfied with the value placed upon the properties and business of Grantee, such party may, within twenty days after the same has been filed with the Clerk of the District Court, file its objection thereto in writing, setting forth the grounds of its objections; thereupon the adverse party shall be cited to appear therein, and the cause shall be tried and determined as in other civil causes in the District Court. If no objection to such valuation is filed within twenty days, such decision shall thereupon become binding upon both the City of Burkburnett and Grantee, and the same may be enforced in any court of competent jurisdiction.

(h) If the value fixed for the property and business of Grantee by the court on appeal shall be the same or greater than the value fixed by the Commissioners, the cost of the proceedings upon appeal shall be assessed against the City. If the value of the property and business of Grantee shall be fixed by the Court on appeal at a less sum than fixed by the Commissioners, the costs of court on appeal shall be assessed against Grantee. If the value of the property and business of Grantee shall be fixed by the Court on appeal at the same sum as that fixed by the Commissioners, the court costs on appeal shall be assessed against the party appellant.

(i) Grantee shall retain the possession and use of its properties until a final judgment of a court of competent jurisdiction has been entered and until payment to Grantee of the value fixed therefor by said final judgment. Full payment of the value of property and business of Grantee shall be made or tendered in accordance with the final judgment of said court within six months from the date said judgment becomes final; provided, however, that if such full payment is not made or tendered within such six months period, then and in that event the City shall forfeit its right to acquire Grantee's properties until the expiration of the then current ten year period hereunder, and the City shall reimburse Grantee for all costs and expenses reasonably incurred by Grantee as a consequence of, or arising out of any such unconsummated acquisition proceedings.

(j) Upon receipt by it of the purchase price of its property and business, Grantee shall deliver to the City all books, records, maps, drawings, memor-

anda and other papers relating to the operation of its property and business in the City of Burkburnett; provided, however, that Grantee shall not be required to deliver to the City any of such books, records, maps, drawings, memoranda or other papers as pertain, in whole or in part, to portions of Grantee's property and business located without the City.

SECTION 9. The right of termination on the part of the City of Burkburnett to terminate this grant as herein provided and to acquire the properties of Grantee as herein provided shall be an exclusive remedy, and the City of Burkburnett shall not engage in the construction or operation of an electric light and power plant for the purpose of serving said City and the inhabitants thereof until and unless it exercises the right of termination and of acquisition as herein provided.

SECTION 10. Nothing in this franchise contract shall be construed to limit or abate the exercise of judicial power in adjudging the adequate compensation to be paid for the property and business of Grantee or to limit the courts of this State in their determination of the elements of value, the weight to be given thereto, or the consequential damage which shall be included as adequate compensation for the property and business of Grantee sought to be acquired in the manner herein provided.

SECTION 11. This grant shall not become effective unless and until Grantee shall file its written acceptance thereof within thirty (30) days from the passage and approval in the event that this franchise is rejected at the polls by a referendum vote of the electors of the City of Burkburnett, the franchise heretofore granted to W. H. PAINTER and his assigns on the 19th day of April, 1915, and which is now owned by Grantee, shall remain in full force and effect, and shall not be deemed to have been repealed, rescinded, surrendered or in any wise modified because of the prior enactment or acceptance of this ordinance.

SECTION 12. In passing this ordinance the Board of Commissioners of the City of Burkburnett finds that all of the conditions precedent to its adoption and passage as provided in the Charter of the City of Burkburnett have been complied with.

SECTION 13. If any provision hereof or the application of such provision to any person or circumstance shall be held invalid, the remainder hereof and the application of such provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby; and provided further that if any part of this ordinance is hereafter declared to be invalid, or if any section of the City Charter of the City of Burkburnett, Texas, upon which such part or parts is predicated is declared to be invalid, then and in such event and notwithstanding the acceptance hereof by Grantee, and notwithstanding any other provision herein contained, such part or parts or section or sections shall not thereafter be binding upon Grantee.

All ordinances in conflict herewith are hereby expressly repealed.

DEVOL NEWS

Mrs. Clara Stofer

Back on the job since first week of January, I wish to express my appreciation to Mrs. Angie Randall for her keeping up the DEVOL column during my three month absence from home. Mrs. Randall is one who has a variety of community duties on hand so I consider it especially kind of her to add this one to her others. Thank you, Angie.

Mr. Stofer and I would also say thanks to the many friends who remembered us with cards, flowers and visits during his illness. Perhaps one does not realize just how much each of these attentions mean until illness overtakes them. Our appreciation goes also to our clubs and lodges for their many kindnesses to us. All helped to brighten the days and shorten the tedious hours of illness.

Mr. and Mrs. Horace Hinkle and son of Texhoma, Texas, spent the week end with Mr. and Mrs. Bob Hinkle.

Mr. and Mrs. J. C. Dillow returned home Monday after a visit with their grandson, Mr. Paton Keown and family in Fort Worth, and Mrs. Dillow's brother, Mr. Lee Borah at Grand Prairie, Tex.

Mrs. Ed Traylor of Iowa Park spent the week end with Mrs. Ross Wright and Mrs. W. W. Manley, and other friends.

The Tillman County Conference of the Baptist Church was held in Devol Tuesday. An all-day meeting was held. Dinner was served at noon in the new recreation building with 95 present.

Visiting in the John Coker home were their son, Sgt. John Coker, Jr. of Randolph Field, Texas, Mr. and Mrs. J. D. Eubanks and son Wayne of Duncan, Okla., Mrs. Pauline Watkins of Fort Worth, Mr. and Mrs. Don Coker and children of Post, Texas, and granddaughter, Mrs. David Delaune and Mr. Delaune of Fort Worth.

Mr. and Mrs. Robert Lee Wyatt and children spent Sunday with Mrs. Wyatt's mother, Mrs. E. M. Greene of Burkburnett.

Mr. and Mrs. John Helms and daughter, Jonnette, of Walters, were Sunday visitors in the Vernon Lagrone home.

A robbery was staged in Devol last Thursday night when the Hawhee filling station and the Oles Stofer store were entered. Quite an assortment of merchandise was taken from each place.

Mr. T. E. Stanford, Supt. of Devol school has resigned to accept a position as history instructor at Sheppard Field. Mr. Pierce who has served as principal to date will serve as superintendent for the remaining part of the term. Mr. Stanford has been with Devol school the past two years and he leaves many friends and well wishers as he goes to his new position.

The Revival services being conducted at the local Baptist Church by Rev. Will Miller of Glenwood, Ark. is being well attended and interest is good. Mr. Miller was formerly pastor here, leaving in 1923. He and Mrs. Miller were honored last Sunday with a get-together of old timers dinner at the Baptist Recreation room. Old friends who had moved from the community present were Mr. and Mrs. Ben Jackson, Estelle, Tex.; Mr. and Mrs. Bud McKennon, Fort Worth; Mr. and Mrs. Will Wright, Burkburnett; Mr. and Mrs. Frank Hewell, Mrs. Woodrow Elrod and sons, Mr. and Mrs. J. C. Hinkle and family all of Burkburnett; Mrs. John Fender and her mother, Mrs. Ann Hall of Wichita Falls, and Mr. and Mrs. Horace Hinkle of Texhoma, Tex.

Card of Thanks

We wish to express our thanks and appreciation to our good and kind neighbors and friends, members and pastor of the Calvary Baptist Church, for their kindness and consideration given our mother, sister and grandmother, Mrs. Maggie Daulton, during her illness, and their kindness to us at the time of her death.

Mr. and Mrs. W. J. Tyler and children Mrs. Tom Horak, Schuyler, Nebraska Mr. and Mrs. D. G. Salinas and children Mrs. Chapman and children of Cresson, Tex. Shippo Brothers, Cresson, Texas.

Texas as a major technological institution and raised the level of the faculty and entrance requirements for students college level was Dr. David Franklin Houston, president of Texas A. and M. from 1902 until 1905.

Members of the Garden Club met in the home of Mrs. I. E. Harrell, day, March 28th. The beautifully decorated table and other features were Mrs. P. A. Wiggins, president.

Dr. Boren Speaks To Farm Group

Ralph R. Swinford of near Wichita Falls was winner of a pair of Westex boots last night when the Wichita County Farm Bureau membership report meeting was held at the Iowa Park high school. Mrs. T. H. Eckelkamp of Electra favored the group by playing several numbers on the accordion.

Mrs. I. E. Harrell Entertains Garden Club on Wednesday

Mrs. O. E. Metcalf, chairman, conducted a plant exchange. Mrs. E. J. Archer brought an antique clock to the talk on conservation. Mrs. Tom Ertel has recently finished a school of instruction ranging, gave a most interesting talk on Color, or using color arranging, using grown flowers.

Clarkston-Davis Marriage Announced

Announcement has been received here of the marriage of Mrs. Jewel Davis to Mr. Clarkston of Elk City, Oklahoma. Mr. and Mrs. Clarkston make their home in Devol where both are employed. Mrs. Clarkston is the sister of Mrs. E. L. Wiggins, a former resident of Burkburnett.

First Baptist Church

The church with an open Bible invites you to Bible Study this Sunday at 9:45 a. m. We have classes for—all ages with good class rooms for every class. New members and visitors are coming every Sunday. If you are not attending anywhere, join the crowd and "come thou with us and we will do thee good."

Jolly Time Bluebirds Have Good Conduct Party on Friday

As a result of the Good Conduct Candle not having to be blown out during any meeting for inattention or other misconduct, the Jolly Time Bluebirds held a party Friday from 3:00 until 5:00 o'clock at the home of Mrs. Walter Riley. No business session was held. Outdoor games and contests were played. Ice cream, cookies and cake were served by the group hostesses, Tanita Kaneen, Suzett McLean to Sharon Foley, Shirley Hodges, Carolyn Howard, Charlott Johnson, Irma Ned Riley, Martha Van Loh, Cathy Slaughbough, and Betty Worner and to two prospective members, Sherrie McKinnis and Linda Lou Smith. Mrs. Vic Van Loh assisted Mrs. Riley with the games.

Note of Appreciation

To any of our friends whom we have failed to express our appreciation of your kindness, we wish to convey the thought that in our great need you have helped with your thoughtful consideration. To the ladies of the Church of Christ, Rebekah Lodge and Order of the Eastern Star as well as our many friends and neighbors, we deeply appreciate your thoughtfulness in bringing food and sitting up through these long hours of suffering. May God's richest blessings be with each of you.

Mr. and Mrs. C. E. Holmes 37-p

S Sgt. and Mrs. Galen Gene Manley left Thursday morning for a ten day trip through the southern states. They plan to visit Sgt. Manley's twin brother, Gaylor Dean, who is a paratrooper at Camp Campbell, Ky.

Lt. and Mrs. George Welborn have returned to Vacaville, Cal. after spending several weeks at Burk.

Housekeeping Made Easier By New Materials, Designs

Modern materials and architectural designs going into remodeling projects and new home construction are taking much of the work out of housekeeping.

Streamlined kitchens, equipped with easy-to-clean cabinets and counters, provide adequate storage and working space while reducing steps to a minimum. Materials used for interior finish and decoration are more attractive, and require less attention to stay neat and clean.

A strong exponent of the woman's viewpoint in home planning is Sonia Jean Albert, a young New York architect. While a student at Yale, Miss Albert was runner-up in a national prize home competition. A graduate of the school of Architecture at Yale, she incorporates many "wife-saver" ideas in her designs. Miss Albert specifies plywood dry-wall construction in house plans because of its stability and economy of application. Sturdy plywood panels, faced with hand-somely-grained hardwood veneer in either light or dark woods to blend with furnishings of the home, also are easy to take care of. The architect explains her choice of wood for interiors in these words: "Paneled walls of richly-grained hardwood plywood give an appealing warmth. And decoratively speaking, they go well with the beautiful new furniture in hardwood veneer, whether it be modern or traditional."

Both Economical, Practical

Miss Albert points out that use of hardwood plywood and wood veneer is economical and practical both in remodeling and new construction. Hardwoods do not mar easily, and the construction of the panels protects them against cracking and splitting.

The young architect prepared the plans for the recent remodeling of her parents' home at Danbury, Conn., actually supervising the work on the dwelling, an old farm house, which was transformed into a modern home. A brick fireplace was the starting point for a solid brick wall across one side of the living room. Bookcases, cabinets and wall paneling of hardwood plywood were installed, together with a built-in television cabinet of hardwood veneer.

Cabinets and counters of hardwood plywood provide ample storage and working space in the modern kitchen, while doors of similar material enclose wardrobes in each of the bedrooms. Flush-type doors, which have a smooth, attractively-figured hardwood veneer surface and eliminate dust-catching moldings, are used throughout the home.

Mr. and Mrs. Norman Roberts had as their guests during the Easter holidays, Mr. and Mrs. Quentin Roberts and Mrs. J. O. Roberts of Houston.

Mr. and Mrs. W. B. Morgan and children, Brad and Mark of Dallas are visiting in the home of their parents, Rev. and Mrs. T. M. Jensen.

Colored Baptist Church Entertains Mary Hardin Circle

The Mary Hardin Circle of the First Baptist Church met at the church Tuesday night, March 27, at 7:30 p. m. Mrs. Mae Welborn opened the meeting with a prayer. The chairman, Mrs. Jo Anna Presley, presided over a brief business meeting. Mrs. Hattaway program chairman introduced Mrs. Henderson, the president of the WMU of the Colored Baptist Church, who introduced the program. The choir from the colored church sang several songs and Brother Hale led in prayer. Mesdames Hicks, Willis and Freeman read and discussed several scriptures. Other numbers such as male quartets, solos, and piano solos were enjoyed by everyone.

Refreshments were served to the following: Messrs. and Mesdames Jerome Renfro, J. V. Simpson, Albert Dowdy, Elvie Welborn, John Norwood, Quinton Howard; Mesdames Jo Anna Presley, Ruth Hattaway, Shirley Malone, Pauline Murdock, Olive Carter, Clyde Duke, Helen Grizzle, Mamie Mason and 18 members from the colored church.

Mrs. A. A. McKinnis Entertains Art Group On Thursday

The Burk Burnett Art Group met Thursday evening, March 22nd in the home of Mrs. A. A. McKinnis. Mrs. McKinnis gave the lecture for the evening on the coloring of snapshots. She also gave a demonstration in which all members took part.

Next meeting will be held at the home of Mrs. Margaret McCabe, 602 Magnolia, at which time Jim Hillis of Wichita Falls will give the lecture. All members are urged to be present at this meeting to hear Mr. Hillis.

Members present at the meeting were Mesdames Elma Kelley, Josephine Haynes, Margaret McCabe, Dan Sheriff and the hostess, Mrs. McKinnis.

P. T. A. Supper Will Feature Floor Shows

The public is invited to come out Friday, April 6th and enjoy the Chicken Spaghetti supper sponsored by the P. T. A. and to be held in the Grade School Cafeteria. Tickets are 75c for adults and 35c for all school children.

The three floor shows will be on at 30-minute intervals during the evening and will feature a variety of acts chosen from local talent. The very popular Love Brothers will be a highlight attraction on each of the shows.

The delicious chicken spaghetti dinner with all the trimmings, dessert and drink will be served promptly at 5:30 and the floor show for those eating at that time will be staged at 6:00 o'clock. Those having their meal after 6:15 can remain for the 6:45 show and the final program will be given at 7:30 for those served at 7:00 o'clock.

O. E. S. Study Club to Meet

The O. E. S. Study Club will meet at the home of Mrs. Pauline Evans, Thursday night, April 5th at 7:30 o'clock. All members are urged to be present.

Notice Of Election

THE STATE OF TEXAS
COUNTY OF WICHITA
WHEREAS the City of Burk Burnett, Texas, entered into a contract with Texas Electric Service Company, a corporation duly organized under the laws of the State of Texas, on the 2nd day of April, A. D. 1951, providing for the lease of the City's electric generating plant and distribution system for a period of six (6) years; and

WHEREAS said contract provides further for the giving and granting to Texas Electric Service Company of an option to purchase said generating plant and distribution system at the end of said lease period; and

WHEREAS the City has granted to Texas Electric Service Company a franchise for a period of fifty- (50) years; and

WHEREAS said lease contract; said option; and said franchise are under the terms of said contract expressly subject to the majority approval of the qualified voters voting at an election called for said purpose:

1. NOW, THEREFORE, the Board of Commissioners of the City of Burk Burnett, Texas, acting by and through its Mayor does hereby call and order a special election to be held on the 27th day of April, 1951, for the purpose of submitting to the qualified voters of the City of Burk Burnett, Texas, the approval or disapproval of: (1) a certain contract dated the 2nd day of April, 1951, by and between the City of Burk Burnett, Texas, a municipal corporation, and Texas Electric Service Company, a corporation duly organized under the laws of the State of Texas, a copy of which is attached hereto, marked Exhibit I and made a part of their notice and call; (2) Section 4 of said contract wherein the City of Burk Burnett, Texas has given and granted to Texas Electric Service Company an option to purchase certain properties described in said contract upon payment of Two Hundred Thousand Dollars (\$200,000.00) in cash to the City; and (3) a certain franchise, marked Exhibit 2 and made a part hereof, granted by City to Texas Electric Service Company, its successors and assigns, to construct, maintain and operate in the present and future streets, alleys and public places in the City of Burk Burnett, Texas, electric light and power lines with all necessary and desirable appurtenances, including underground conduits, poles, towers, wires, transmission lines and telegraph and telephone wires for its own use for the purpose of supplying electricity to said City, the inhabitants thereof and persons, firms or corporations beyond the limits thereof for light, heat, power and other purposes for a period of fifty (50) years.

2. Said election shall be held at The City Hall in The City of Burk Burnett between the hours of 7:00 a. m. and 7:00 p. m.

3. Francis Felty and Mrs. Evelyn Felty and Miss Bess McGinnis are hereby appointed judges and clerks to hold such an election.

4. The official ballot shall be as follows:

I. For the approval in its entirety of a contract dated the 2nd day of April, 1951, between the City of Burk Burnett, Texas, and Texas Electric Service Company.

Against the approval in its entirety of a contract dated the 2nd day of April, 1951, between the City of Burk Burnett, Texas, and Texas Electric Service Company.

II. For the giving to Texas Electric Service Company of an option to purchase the electric generating plant and distribution system belonging to said City at the expiration of the lease period of Six years.

Against the giving to Texas Electric Service Company of an option to purchase the electric generating plant and distribution system belonging to said City at the expiration of the lease period of Six years.

III. For the approval of the franchise granted to Texas Electric Service Company.

to be printed in full in The Burk Burnett Star once each week for three (3) consecutive weeks and to cause a sufficient number of copies thereof to be typewritten or printed so that any qualified voter desiring a copy of same may obtain it.

6. The expenses of said election and the expenses of publishing said contract and said ordinance are to be borne by Texas Electric Service Company as provided by the City Charter of the City of Burk Burnett, Texas.

EXHIBIT I CONTRACT

THE STATE OF TEXAS
COUNTY OF WICHITA
THIS CONTRACT AND AGREEMENT made this 2nd day of April, A. D. 1951, by and between the City of Burk Burnett, Texas, a municipal corporation, hereinafter called "City," and Texas Electric Service Company, a corporation duly organized under the laws of the State of Texas, hereinafter called "Company,"

WITNESSETH:
WHEREAS, City owns and operates an electric generating plant and distribution system within the territorial limits of City; and

WHEREAS, it is deemed best for the financial interest of the City and its inhabitants to lease said property to Company for a period of six (6) years and to give and grant to Company an option to purchase said facilities at the end of said lease period, and to give and grant to Company a franchise to operate said facilities within said City in the event it elects to exercise said option;

NOW, THEREFORE, it is agreed between the parties hereto as follows:

1. City demises and leases to company its electric generating plant and its electric distribution system and street lighting equipment as described and set out in Exhibit 1 attached hereto and made a part hereof for a period of six (6) years. Company agrees to purchase from City at the time of the beginning of said lease all materials and supplies on hand at cost price to City. In event Company does not elect to purchase said property as hereinafter provided, company agrees to sell City all materials and supplies on hand at Burk Burnett at the end of the lease period at cost to Company.

2. Company agrees to pay City annually in advance the following sums as rental for such facilities: The first year \$40,000.00; the second year \$41,000.00; the third year \$42,000.00; the fourth year \$43,000.00; the fifth year \$44,000.00; the sixth year \$45,000.00. City agrees that Company may remove any of said properties, may add to and make additions to any of said properties, and may operate said properties during the term of this lease in conformity with standard practices and custom and in any way which Company may deem necessary and proper to furnish an adequate and continuous electric service to City and its inhabitants. Company agrees to operate and maintain said property and facilities and upon the expiration of the term of this lease to return said property, or its equivalent in kind and value, to City in the same condition as the same were in upon the date of the beginning of said lease, reasonable wear, tear and deterioration excepted.

3. Within sixty (60) days after the effective date of this lease, Company will cause an inventory of said properties to be prepared by engineers acceptable to City, and said inventory and map will be evidence of the nature, the condition and the location of said leased properties and shall be conclusive in connection with the return of said property and facilities to City at the termination of this lease. Copies of said inventory and said map shall be delivered to City upon completion.

4. In further consideration of the payment of \$5,000.00 in cash, the receipt of which is hereby acknowledged, City gives and grants to Company an option to purchase said properties at the end of said lease period by the payment of \$200,000.00 in cash to City. In the event of the exercise of said option, said payment shall be applied on the purchase price. In the event Company does not exercise said option, said payment shall be returned by City. Notice on the part of Company to exercise said option shall be given City in writing on or before six (6) months prior to the expiration

of said lease period. In the event Company does not elect to exercise said option within the prescribed time, Company agrees to pay City the sum of \$20,000.00 in full payment for City's expense in re-attaching customers to its lines. During the existence of this lease City covenants that it will not authorize or suffer the placing of any lien or encumbrance of any nature upon the properties hereby leased. In the event Company does not exercise its right to purchase said properties, and City is unable by reason of lack of generating capacity to supply its customers, Company agrees during such emergency for a period of not more than one (1) year to sell the City its requirements of electric power and energy at the Company's rate in effect at the time for such character of service. In this connection City agrees to utilize to the fullest extent possible its own generating facilities.

In the event Company does exercise its right to purchase said property as herein provided, City agrees to convey the same to Company by proper instrument of conveyance free and clear of any and all liens or encumbrances of every nature and character.

In further consideration of the premises City agrees in the event Company exercises its option to purchase said facilities that it will not engage directly or indirectly in the operation of an electric light and power distribution or transmission system within said City for a period of not less than ten (10) years from and after the date of the termination of this lease.

5. City agrees to give and grant to Company a franchise for a period of fifty (50) years in the form attached hereto and marked Exhibit 3 for identification. In the event Company does not elect to purchase said properties, said fifty-year franchise shall be of no further force and effect and Company shall have only such rights as are set out in its present existing franchise.

6. Company agrees that during the period of its operation of said facilities under said lease and thereafter, it will place in effect its regular rates and charges which are charged to cities and towns similarly situated. In this connection City agrees to repeal Ordinance No. 184 from and after the date of the approval of this contract as hereinafter provided (Minimum Rate Ordinance).

7. In the event any dispute arises between City and Company with reference to any of the provisions hereof, the same shall be settled by arbitration. City shall select one arbitrator and Company shall select another and the two thus selected shall select a third arbitrator. In the event the representatives of City and Company can not agree upon the selection of a third arbitrator, then the then Judge of the District Court of Wichita County, Texas 30 Judicial District, shall appoint said third arbitrator. Within a period of ten (10) days after the selection of said Board of Arbitration the matters in dispute shall be submitted to said Board, and within thirty (30) days thereafter said Board of Arbitration shall hand down its decision with respect thereto and the decision of a majority of said Board shall be binding upon both City and Company.

8. This contract and agreement is expressly subject to the approval of the qualified voters of City at an election called for that purpose, said approval to be evidenced by a majority of those voting at said election. Said election shall be called within thirty (30) days after the execution of this instrument by City and Company. Said approval shall include not only the approval of this lease contract but also the right and authority of the City to give the option herein provided for and to consummate the sale of said properties and facilities in the event Company elects to exercise such right, and shall approve the granting of a franchise to the Company as here provided. The expense of such election shall be borne by Company.

It is the intention of the parties hereto to fully and in all respects comply with the provisions of Section 2 of Article IIIB, Revised Civil Statutes of Texas. In the event this contract is approved no further action with respect to the conveyance of said properties to Company in the event it exercises its option shall be deemed to be necessary, except the execution of deeds to the real property.

What a "Job-Rated" truck means to you

A Dodge "Job-Rated" truck is engineered at the factory to fit a specific job... save you money... last longer.

Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires, and others—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle, and others—is engineered right to meet a particular operating condition.

NOW! ANOTHER DODGE EXCLUSIVE!
gyrol **FLUID DRIVE** Available on 1/2-, 3/4- and 1-ton models—for smoother starts... easier handling... lower upkeep costs... longer truck life. Ask for free Fluid Drive booklet.

NEW! More power
Power increases as high as 29% in eight high-efficiency truck engines—94 to 154 horsepower. They're the most powerful Dodge "Job-Rated" trucks ever built!

NEW! Bigger payloads
Increased Gross Vehicle Weights and Gross Combination Weights on many models, because of scientific weight distribution and increased rear axle capacity.

NEW! Better economy
Higher compression ratio (7.8:1 on models through 1 ton, for top efficiency with less power. Here's economy with standing performance.

NEW! Easier handling
Shorter turning diameters than ever—and extra-easy steering with new worm-and-roller gears on most models. Short wheelbase, cross-steering, wide front tread for easier maneuvering.

NEW! Greater safety
Molded Cyclebond Tapered brake linings on hydraulic-brake models 1 ton and up. Brand-new! Extra quiet! Other features include independent hand brake, extra-big windshield.

NEW! Better economy
"Oriflow" absorbers standard on 1/2-, 3/4- and 1-ton models. New design, new adjusting! New plus lower hood for improved visibility.

PLUS ALL THESE TIME-PROVED FEATURES DODGE TRUCKS HAVE HAD FOR YEARS

Steering column gearshift standard on 1/2-, 3/4- and 1-ton models with 3-speed transmission. Chrome-plated top piston ring for longer ring life, better sealing. Synchro-shift transmissions (3-, 4-, or 5-speed) rugged, precision engineered. Dodge Custom cabs (with rear window) available on 1-ton models. And many other Dodge dependability features!

Come in today for a good deal on **A TRUCK THAT FITS YOUR... A DODGE "Job-Rated" TRUCK**

WASHINGTON NEWS LETTER

By Congressman Ed Gossett

WASHINGTON, D. C., March 31, 1951—I have just returned from having a cup of coffee with Honorable Marvin Jones, in the House Cafeteria. Mr. Jones, who served in Congress for 20-odd years, is now Chief Justice of the Federal Court of Claims. Coming out to the Capitol on Saturday morning, for coffee at the Cafeteria round-table has long been one of his customs.

The House has been taking an Easter recess this week, but it reconvenes on Monday. The main order of business in the House on Monday will be a speech by the President of France, the Honorable Jules Vincent Auriol. Washington papers report that 4000 so-called dignitaries attended a big reception at the French Embassy last evening in honor of the French Presidential party. Having an aversion to white tie and tails, and also to crowds of such kind and proportions, Mrs. Gossett and I declined the invitation to attend this big affair.

Aside from personal letters, a Congressman receives from 25 to a 100 other pieces of mail daily. Among such mail on my desk this morning, I note the following: Copy of a note from the Ambassador of Israel to our Secretary of State asking for an additional loan of 150 million dollars; a 20 page booklet from the Guaranty Trust Company of New York, on price controls, government finances, foreign trade, and business in general with charts and statistics; the usual CIO releases at taching speeches by President Philip Murray and Secretary-Treasurer James B. Carey. These speeches are filled with platitudinous professions of patriotic fervor and of organized labors' claims for more power in our defense setup, and a particular attack upon Defense Mobilizer Charles E. Wilson. Evidently the labor czars are determined to dominate or destroy the country's economy. Many intelligent Americans feel that their domination would mean eventual destruction of the Nation's economy.

Another item is a brochure from the American Tariff League. An interesting statistic in this treatise shows United

States exports in 1938 to have been 3.1 billions of dollars while 1950 shows exports were 10.3 billions. Imports in 1938 were 2.0 billions while imports in 1950 were 8.8 billions.

A letter from Il Progresso Italo-Americano attaches a vitriolic essay, entitled "Infering Racial Hatred." This essay is an attack upon Senator Charles W. Tobey for reading a telegram during the Kefauver Committee hearings which is alleged to reflect upon Italians generally as furnishing an undue proportion of our leading gangsters. Another leaflet is from the National Small Businessmen's Association, with the headline "Letters May Stop Spending Orgy."

We could write several pages listing these various items.

Yesterday, I attended a dinner in the Vandenberg Room of the Capitol given by the Association of Attorneys General. Attorney generals from some 15 different States were represented. In conversation, I learned that many States do not elect their attorney generals. In Maine the Attorney General is selected by the State Legislature. In Tennessee the Attorney General is appointed for an 8-year term by the State Supreme Court. The Association of Attorneys General is actively supporting the States in the matter of tidelands legislation. We are hopeful of getting something moving on tidelands with the reconvening of the Congress.

Yesterday's papers report Red losses in Korea to be 760,300 and American casualties in Korea to have been 57,120. This is no cause for undue elation. If we should trade one American for a dozen Chinese or Reds, we are still being cheated in the bargain. Americans generally are demanding that we find some way to resolve this undeclared war and to minimize our losses in lives, as well as in treasure. With Reds generally, both life and money are cheaper than with us, and in the contest of spending money and sacrificing lives, they apparently have the advantage.

All Congressmen are getting numerous letters now, urging the continuance of the Kefauver Crime Investigation Committee. There are hundreds of investigations that Congress could make that would benefit the country. For example; Congress ought to have an investigating committee on military waste. 85 per cent of our spending now is by the Armed Services and Defense agencies. If substantial savings are to be made, and if the budget is to be balanced, we must have economy and efficiency in defense spending. The Senate has a so-called "Watchdog" Committee, headed by our very able Junior Senator from Texas, the Honorable Lyndon Johnson. However, their time and facilities are extremely limited. There simply aren't enough members of congress with time enough to do all of these investigating jobs.

A Chevrolet truck engine was found in operating condition recently after eight and one-half years at the bottom of the Darwin, Australia, harbor. The truck was recovered from the wreck of a United States transport sunk during the war. The salvage company reported only a replacement of spark plug wiring was necessary to put the engine in shape.

Shield Expert Here

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the KEMP HOTEL, Wichita Falls, Sunday and Monday only, April 15 and 16 from 9 A. M. to 4 P. M.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge 6509 N. Artesian Ave., Chicago 45. Large incisional hernia or rupture following surgical operation especially solicited.

New TSCW Prexy to Be Inaugurated

DENTON, TEX. — Inauguration ceremonies for Dr. John A. Guinn, new president of Texas State College for Women, will take place April 27.

The program, according to the Board of Regents, will be modest in keeping with the recent inauguration of Governor Allan Shivers.

Doak S. Campbell, president of Florida State University, in Tallahassee, Florida, will deliver the main address at the inaugural ceremonies.

Following a luncheon in Hubbard Hall, Dr. Guinn will be hooded in Stoddard Hall by members of the senior class. The line of march will then proceed to the Main Auditorium with guests occupying a special section.

Over 2500 special invitations have been sent to Texas educators, civic leaders and nationally-known educators.

January 29 is the birthday of one of the revered Presidents of this country, William McKinley. Pres. McKinley knew and practiced the habit of thrift. He realized that it was thrift which helped build this country. He advocated an early start in savings in the following words: "The little savings bank in the home means more for the future of the children of a family, almost than all of the advice of the world. It gives them the right start." Your right start is to sign up today for the Payroll Savings Plan for the purchase of U. S. Savings Bonds. U. S. Treasury Department

Calvary Baptist Church

Avenue B & College

Radio program from 8:15 to 9 a. m. over station KELT, in Electra, 1050 on your dial. Tune in. Please notice that the program begins at 8:15 instead of 8:30. Also Bro. Morrow will be speaking over this same station each Thursday evening beginning April 12th. Watch next week's paper for time of evening of the broadcast.

Sunday School at 10 a. m. with all classes studying I Cor. Chapter two. There is a class for you in this Bible school.

Preaching service is at 11 a. m. with the pastor speaking. Young people meet at 7 p. m. with Virgil Jones directing. Evening preaching service is at 7:45. Good singing with the pastor bringing a message on world conditions and God's answer. We welcome our neighbors to any and all of the services of this friendly church with an open Bible for all people with open minds and hearts. Come as you are and hear the Word as it is.

Wood Display To Feature Tree Growth

An educational exhibit now being prepared at the famous Museum of Science and Industry in Chicago will dramatically portray the role of hardwoods in modern living.

The biology of wood will comprise an important phase of the exhibit, while other sections will show how choice woods are transported from far-flung forests of the world to the mills and processed into lumber, plywood and hardwood veneer.

More than two million persons annually are expected to visit the exhibit, planned as a permanent fixture. Of this number, at least one-third will be students with tours of high school and college groups to be a feature of the program.

To Show Every Step
The hardwood exhibit, to be unveiled in mid-year, will show step by step, the progress of the wood from its growth as a tree to its final processing as lumber, plywood and veneer. An animated tree in the Biology Section will demonstrate the chemical action which occurs in the growing process. Cell and leaf structure will be shown, together with the various stages in the growth of trees, component ingredients of all other aspects of the physical makeup of wood.

Animated scale-model plants will demonstrate lumber, veneer and plywood production. Every step will be illustrated, from the sawmill, through a lumber yard, a veneer mill and plywood mill.

Logging and forestry methods will be seen in another section of the exhibit. Featured will be an eight-foot globe showing the parts of the world from which various wood species are obtained.

The display also will feature a vast array of "end products" made from hardwoods, including various types of period and modern furniture. Pieces of virtually every style in all the popular handsomely-grained woods will be shown.

Arrington Rites Held Here April 4

Funeral services for W. A. Arrington, 87, resident of Burk for the past 26 years, were conducted here at 2 p. m. Wednesday from the First Methodist Church.

Arrington, who had been ill for the past month, suffered a heart attack at his home around 2 p. m. Monday. He died five hours later. He was a native of Fayetteville, Tenn. For a number of years he operated a grocery store and filling station here. His wife died in 1938.

Survivors include 3 daughters, Mrs. Anna Ruyle of Clinton, Okla., Mrs. F. L. Rockett of Burkburnett and Mrs. Dora Towery of Waxahachie, 17 grandchildren and 24 great-grandchildren.

Rev. T. M. Jenson conducted the services. Burial was made in Burkburnett Cemetery under direction of Owens & Brumley.

Card of Thanks

I am now at home and would like to thank my friends for their kindness during my illness. For the cards, visits and beautiful flowers I am truly grateful. Your thoughtful consideration will always be remembered and appreciated.

Mrs. Winford Henry 37-c

Card of Thanks

Words cannot express my appreciation for all the beautiful flowers and cards I received during my six weeks stay in the hospital. I appreciate so many visiting me and all their kindness. I especially appreciate Rev. T. M. Jenson's visits and his wonderful prayers. God bless those who gave their blood for transfusions, and also bless the nurses who were so sweet and kind to me. I sincerely thank Dr. Carpenter for saving my life. May God's richest blessings rest upon each and everyone of you.

Mrs. H. J. Brown 37-p

Mr. and Mrs. Tom Harms and Mr. and Mrs. O. H. Buzbee visited near Bowie Sunday with Mr. and Mrs. Buzbee.

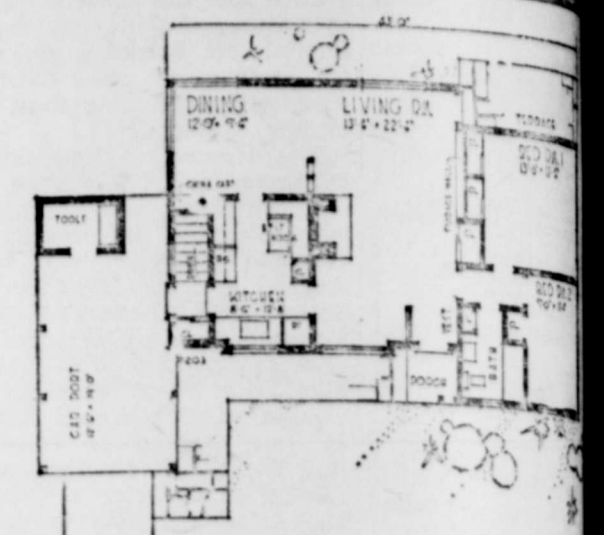

Dr. C. J. Morrison, Dr. Rudolph Robinson and Mrs. Cecil Todd attended a Dental meeting in Dallas last week.

Mr. and Mrs. Frank Greer and Mr. and Mrs. S. L. Johnson visited friends and relatives in Oklahoma City Sunday.

Rev. and Mrs. T. Herbert Minga of Dallas visited friends here last week.

Pfc. Charles E. Martin was on leave last week visiting his parents, Mr. and Mrs. C. E. Martin. He is stationed at Fort Hood.

House Roomy, Economical

Generously proportioned rooms feature this house, designed with an awareness of current building costs. It is Plan No. 203 of Walter T. Anicka, architect, of 617 Forest Ave., Ann Arbor, Michigan.

The combination living and dining room affords flexible living area with a view of the garden. Hardwood plywood paneling faced with richly-grained hardwood veneer is specified by the architect for stability and permanence and to create an atmosphere of warmth and comfort. A modern glazed partition, screening the entrance and storage wall, may include a built-in radio or television screen.

Bedrooms and bath form a separate unit. All of the wardrobe-type closets have sliding doors of hardwood veneer—affording ease of maintenance which is a feature of all hardwood veneer surfaces. The kitchen contains ample storage space and provides direct

access to the service with its convenient and stairway to the built-in breakfast room provided. Total floor space is 990 square feet, a unit arriving at local building cost of \$10.00 per sq. ft. Protected by a low-pitched roof of colorful, fire-resistant shingles, this modern blend into the color palette of the neighborhood. It is a lot, or will look equally when individually or for an open country exterior is designed in shingle or clapboard contrast with the main asphalt roof, with an optional port giving added detail.

(Detailed building this house are available at Walter T. Anicka, 617 Forest Ave., Ann Arbor, Michigan. Plan No. 203.)

A picture in the March 30th issue of the Dallas Morning News, showed Benny Jack Turner, son of Mr. and Mrs. B. L. Turner receiving the 50,000th cup of coffee served by the Salvation Army Service Men's Center at the Love Field Induction Station. Since the center opened in August they have used 666 lbs. of coffee and also have served 27,000 doughnuts. The center is sponsored by the Community Chest and serves coffee and doughnuts to men reporting for physical examinations.

Mrs. G. E. Kress and daughter, Phyllis and Joan visited during Easter with her parents, Mr. and Mrs. O. H. Buzbee of Iowa Park.

Mrs. Virgil Inman underwent surgery in the Clinic Hospital at Wichita Falls last week.

Mrs. Bill Williams is a patient in the Wichita Falls Clinic.

Mr. and Mrs. W. C. Gage plan to leave this week for a visit with relatives in San Antonio.
