Welfare Worker Will Be Away Next Wednesday

Mrs. Gertrude Dorsey, Field Worker for the State Department of Public Welfare, who is in Burkburnett at the Town Hall each Wednesday, will be absent next week, due to a conference in Dallas. She will, however, be back in Burkburnett Wednesday, March 12th to assist you.

Mr. and Mrs. N. H. Harris had as their guests last week, their daughter and husband, Mr. and Mrs. S. E. Lee, and their granddaughter and husband, Mr. and Mrs. Laurie Rice of Billings, Montana.

Mrs. W. H. Lewis is convalescing from a major operation at her home here.

Dr. J. B. Ohern Moving Office to 201 Avenue D

Dr. J. B. Ohern, Chiropractor, who has had his office at 418 Avenue C, across from the Star office for the past two and one-half years, is moving into the Sam Lax home on Avenue D.

The entire house will be used for the Clinic, which will provide more room for his practice. The house is being entirely done over and promises to be a very attractive clinic, one of which Burkburnett can be proud.

Moving into the new location will get underway after the first of the month, but the formal opening however will not be held until March 10th at which time everyone is most cordially invited to stop by to inspect the Clinic.

Boys In Korea Enjoy Movies Every Week

NOTE: The following is a liberal quotation from the letter of Cpl. William F. Fox, Hdq. Co., 555th Field Artillery Battalion, as he wrote it from "about 52 miles north of the 38th Parallel".

"We have been a front line outfit since August and never under the worst of circumstances have we had to go without at least five movies a week. Imagine that, doesn't it stir your blood a little? We are just one battalion, there are thousands of battalions and the same story fits all of them.

"When darkness sets in thousands of movies start to roll, in tents, ground dugouts, on a hillside, in hand constructed buildings, in bombed out buildings, in rice paddies and in many other places. I have stood on top of a high hill at night and looked down in a valley and have seen nine movies going at once. From every mountain you can see the same scene. From one section you can hear hot jazz music from 'The Strip' and from another you can hear Lana Turner, and another a mystery thriller and on and on.

"These three hundred thousand American men are movie fans. These movies are their touch of home. The movies, and I have heard many a high officer say it, are the morale of the troops in Korea.

"These men sit at these movies with loaded weapons at all times, at least the front line outfits. Guards patrol the areas where they are being shown. In my own case, I and my buddies have sat watching the movies with 105 and 155 artillery rounds going over our heads toward the enemy. In at least two cases, we had incoming rounds within 200 yards and there was not one guy that would leave the movie.

"Tired, fatigued, and sometimes completely exhausted, the young soldiers stop to see a movie, and then as if by a miracle they become less tired, less fatigued, and their exhaustion seems to pass by the couple of hours relaxation given to them through a movie.

"It takes hundreds of young projectionists to show these movies and the Army takes great care in training these inexperienced young men for this job. Other hundreds of young men learn to handle the moving of the film prints. Each division has a film print center and they are busy 24 hours a day. Right here in Korea we have a whole movie industry.

"Well, these are the things that I wanted to pass on to you. Just possibly they might be of some use in some way. They can never be exaggerated enough, believe me."

Mrs. Jodie Metz is in Houston where she plans to spend several weeks with Mr. and Mrs. Bob Laney.

Mr. and Mrs. James Metz and children visited in Stamford over the week end.

For Improvements To Municipal Light And Water Depts.

Voters Tuesday voted to authorize \$350,000.00 in Revenue Bonds to be spent in Burkburnett improving Municipal Light and Water Departments.

Unofficial returns of the voting are:

For Water Improvements 247.
Against 80
For Light Improvements 196
Against 121

A total of approximately 327 went to the polls Tuesday.

Proposals are to spend \$210,000.00 on the Electric System and \$140,000.00 on the Water System.

If no contest against the election appears within a thirty day period, present plans call for immediate work to improve the systems. A contract has already been signed to sell the bonds for an average interest rate of 3.37.

Crowell Hostess To Horticulture Society

Mr. C. O. Smith, Jr., of the Smith Landscape Nursery of Wichita Falls, was guest speaker at the Crowell meeting of the Santa Rosa Horticulture Society February 20th. He gave a very interesting and informative lecture on the selection of Roses, variety best for our section of the country; Soils, growth, insect control and the beauty in gardens and arrangements.

Mrs. D. R. Eakin, Electra president, was in charge of the business meeting. Mrs. George Beavers, Vernon, chairman of the Flower Show schedule, presented the schedule for the third annual Flower Show to be at the Santa Rosa Ranch Home of Mr. and Mrs. E. Paul Waggoner at Vernon, May 3rd and 4th. The theme will again be "North Texas Gardens on Parade." The show will include four main divisions, Education, Conservation, Horticulture, and Artistic arrangements, with classes for Juniors, Beginners and Experts, and a special invitation class for those living out side the seven county membership area.

Anyone interested in the Society and living in the seven county area is invited to be a member of the Santa Rosa Horticulture Society. Counties participating in the Society are: Foard, Hardeman, Wilbarger, Wichita, Baylor, Knox and Archer. The next lecture will be at the Town Hall in Burkburnett on Wednesday, March 19th. The three garden clubs, Burkburnett, Unity and Blue Bonnet are co-hostesses for arrangements. The lecture will be on flower arrangements and demonstration, with a guest speaker to be announced later. Everyone is invited to attend this lecture.

Those attending the Crowell meeting were: Mesdames J. Troy Miller, Walter Riley, Roy T. Magers, A. L. Gilbow and Ralph White.

E. E. Clack Advised To Join Korean Army

E. E. Clack has returned from Temple, where he went through the Scott and White Clinic.

When Mr. Clack was called in for the final report of the examinations, the old doctor looked at him and said: "Mr. Clack, do you know what I'd do if I were in your condition?" "N-o-o" said Mr. Clack, expecting the worst. "I'd join the army and go to Korea. I find absolutely nothing wrong with you!"

Mrs. W. Frank Armstrong and niece, Hiedi VanCleave of Fort Worth visited in the home of Mrs. H. S. VanCleave and Oma recently.

There's Still Manna From Heaven

We live today in a world of hunger. For millions in other lands, it is hunger for food, hunger for freedom. In America, most favored of all, it is hunger for faith, for something to believe in. So, it is little wonder that in this country our best seller is the Holy Bible, and that, for the past six years, our greatest radio program, by most any standard of measurement has been the dramatization of the life of Christ, "The Greatest Story Ever Told." It has received every honor that the radio industry could bestow, plus citations and commendations from all sorts of organizations. And it should be noted, to the everlasting credit of our much maligned "commercialism" that this noteworthy program, presented without a commercial message of any sort, without credits to writers, players, technicians or any one else, has been sponsored week after week by a business concern that is very much interested in selling its products to all of us the other six days of the week.

In addition to the regular radio presentation each Sunday evening, this distinguished production now appears on television over the coast to coast TV stations of the ABC network. "Blessed Are They That Mourn," one of the Beatitudes of the Sermon on the Mount, will be both seen and heard at seven P. M. E.S.T., February 24th. Another television screening, "The Story of Lazarus," will be presented on March 23rd.

This is one more good reason for the Federal Communications Commission to end its three-year freeze on television and license as quickly as possible the thousands of new stations that are technically feasible . . . and hungrily awaited by the greater part of grass-roots America.

HOME SWEET HOME

President Truman is pretty sure he will be in the remodeled White House by November 4th, Election Day, he told six national officers of the Future Farmers of America, who visited him in his office this week. "But I don't mean for permanent residence," he added.

The boys were there to ask him to authorize a special Future Farmers stamp for 1953, and he said he would talk to the Postmaster General about it. Heading the delegation was President Donald Staheli, of Hurricane, Utah, who presented his vice-presidents, Gerald Reynolds, of Corfu, N. Y.; Billy Howard of Plains, Ga.; Dallas High of Ohio City, Ohio; Duane Drushella of Scio, Oregon, and Secretary Charles Ocker of Cameron, Mo.

Chances are the renovated home-of-the-presidents will be ready for the chief executive and his family early in April, when a great many people in Washington, who like it here real well, will be anxious to know how much unpacking the Trumans do.

HOW TO MAKE MONEY

The House Appropriations Committee learned a lot of new coin tricks this week in a hearing on the Treasury Department budget for fiscal 1952. Director of the Mint, Mrs. Nellie Tayloe Ross, for instance, explained very patiently to Rep. Alfred D. Sieminski (Dem.) of New Jersey, why his suggestion of adding a seven-cent nickel and a fifteen cent dime to U. S. coinage might not be so good. Such coins, she said, were not divisible into a dollar, would not work in vending machines, would require more compartments in cash drawers. Bankers, she said, were agin' it, the people wouldn't care for the idea, and she didn't think much of it herself. So, we'll probably have to get along with the same old two-and-a-half cent nickels and five-cent dimes.

Leland Howard, assistant director of the mint, explained how the government is making money by making money. This is due to "seigniorage", which sounds like a polite name for high-jacking somehow. A pound of copper-zinc alloy will make 145 pennies, Mr. Howard said. The metal costs 24 cents, manufacturing costs 17 cents, so the profit is \$1.45 less \$.41, or \$1.04. But they do still better on nickels, he said. One pound of copper-nickel alloy, costing 31 cents is punched out at a cost of 27 cents into 90 nickels, or \$4.50 worth, of which \$3.92 is velvet.

It appeared also that those "bad luck" two-dollar bills are going to be with us for a long time. There are 33,742,133 presently in circulation, and more coming off the press at the rate of 16 million a year. Nobody asked why, or what the profit is on folding money, now that there's no gold back of it any more.

THE PUBLIC SCHOOL

The Public School is a distinctive educational development of the United States. In no other country in the world are so many offered so great an opportunity to obtain an education that will enable them to reap the full heritage of their life.

Historians of American education have noted a striking parallel between the development of the United States free system of public education and the expansion and maintenance of fundamental human rights in the United States.

It is possible that the Democracy of this nation has been, to a large degree, inspired by the fruits of this system of education and the benefits won through the years have been preserved because the citizens have been taught to think, to weigh the values of political philosophies, in the nation's public schools.

It is with this thought in mind that participation in the events of the annual Public School Week is urged. The schools will hold "open house" and all are invited to inspect first hand the activities of the schools; activities, incidentally, which are financed by your tax dollar.

It is only by continual interest in the educational system that "Texas Public Schools—Democracy in Action" can be preserved and kept strong.

How to get what you want and need in a truck

"Dodge 'Job-Rated' Trucks are the best we've ever used!"

...says PAUL CRUCE, Cruce Butane Co., Tulsa, Okla.

"We do a lot of driving on narrow roads, in and out of driveways, in small yards and other tight spots. We need trucks that are easy to handle, so we switched to Dodge. They'll turn on a dime!"

"We service oil wells, too, and that's the toughest off-the-road hauling there is. We need plenty of pulling power. For mud and heavy pulling, Dodge 'Job-Rated' trucks are dependable and economical to operate."

SUPPOSE you need a 1½- or 2-ton truck. Now you'll want one that costs less to run. You've been engineered to last for years and years, and all, you'll want one that fits your job to a T.

That calls for a truck in which every moving part is engineered to meet most severe conditions—and every unit that supports the engine is engineered to provide the strength and needed. What's more, load-moving and load-carrying units must be engineered to work together.

The way to get such a truck is to see us at Dodge "Job-Rated" truck—one that's factored for your kind of work!

Yes . . . when it comes to your hauling job find everything you want and need in a Dodge "Job-Rated" truck. Come in today.

Power with economy. The big high-compression engine of a Dodge "Job-Rated" 1½- or 2-ton operates with outstanding economy. You get saving values like chrome-plated top pistons and exhaust valve seat inserts.

Time-saving performance. Low loading height, 1½- and 2-ton models and hinged center section stake bed make loading and unloading a 5-speed transmission available on most models more pulling power, better speeds.

Easy handling. Exceptional handling and ease is made possible by wide front tread and wheelbase. Thanks to shorter turning diameter, can turn sharper either right or left—back tight places easier.

Salvation Army Exercise Longhorn Due In March

The Salvation Army of Texas is marshalling its forces to provide off-duty morale services to the 150,000 U. S. Army troops which will take part in "Exercise Longhorn," in March, Lt. Col. John A. Morrison, Texas Divisional Commander, announced today.

Colonel Morrison said that the Salvation Army is readying 12 mobile canteens to serve the group which is now building up at Fort Hood for the forthcoming maneuvers. The Salvation Army will be ready for action March 6th.

The maneuver area will extend from San Angelo to Tyler, and from Fort Worth to San Antonio.

"The Special Services division of the U. S. Army is taking care of the entertainment of the men while they are on duty," Colonel Morrison said, "but we have a great job to perform in looking after some of the needs of the men while they are off duty—particularly since about 70 per cent of the enlisted men are selectees between the ages of 18 and 20."

Captain F. M. Gaugh has been assigned to direct the Salvation Army's operations in the big maneuver area. Captain Gaugh said he would call upon more than twenty Salvation Army officers to help in carrying out the project, which not only will make use of existing services but will employ the twelve mobile canteen units.

The Salvation Army will provide coffee and doughnuts, sandwiches, book matches, prepaid postcards, writing materials, and mailing services to the soldiers who come to the canteens, Captain Gaugh said.

Among the cities and towns affected are Lampasas, San Saba, Brady, Gatesville, Lometa, Temple, Waco, Austin, Adamsville, Evant, Hamilton, Goldthwaite, Brownwood, Copperas Cove and Belton.

Junior High 4-H Girls View Machine Demonstration

Miss Marva Thompson, assistant home demonstration agent for Wichita County, demonstrated the use of the sewing machine and some of its helpful attachments for members of the Junior High 4-H club at their regular meeting Thursday afternoon. In addition to showing the parts of the machine and their uses, Miss Thompson gave helpful hints for beginners.

Carol Anne Hageman, club president, presided at the meeting which was held in the Junior High Library.

Youth Center Adult And Student Board Of Directors Meet

The student and adult board of directors of the Burk Burnett Youth Center met Wednesday night, February 20th at the Junior High library. A few interested parents also met with the directors. The directors are always glad to have anyone interested in the Youth Center to meet with them.

Rules and regulations was the main topic of discussion. The student board are making their own rules with advice from the adult board.

The board also interviewed a student from Midwestern University for the director's job. Several applications for the director's job are under consideration but as yet a definite choice has not been made.

The board of directors have been meeting once a week for several weeks and almost have their plans complete for the opening of the Youth Center. The building should be completed in the next two or three weeks and a big opening is planned for the very near future.

J. R. Wood returned last week from Petty (Lamar County) Texas where he attended funeral services for his sister, Mrs. Mattie Crawford, who died quite suddenly at her home Sunday at the age of 82.

Ruby Wheat G. A.'s

The Ruby Wheat G. A.'s met at the First Baptist Church Monday afternoon, February 25th with the president, Covie Price in charge. The secretary called the roll and read the minutes.

Mrs. McMurtry continued the story of the "Traded Twins." We enjoyed the story very much and in order to show our appreciation, the girls presented a gift to Mrs. McMurtry.

Following the serving of refreshments, the meeting was dismissed.

Billie Sanders, Reporter

Mr. and Mrs. H. W. Beasley spent last week visiting relatives in Glen Rose, Cleburne, Hillsboro, Milford and Fort Worth. Mr. Beasley stated there had been a lot of rain in that country and the fields were wet and muddy.

BOYS-GIRLS!

GO FLY A KITE - BUT FLY IT SAFELY!

- Don't fly kites near electric lines.
- Don't use wire or metallic kite string.
- Don't use wire or metal in the kite frame.
- Don't fly kites in the rain.
- Don't attempt to remove kites entangled in electric wires.

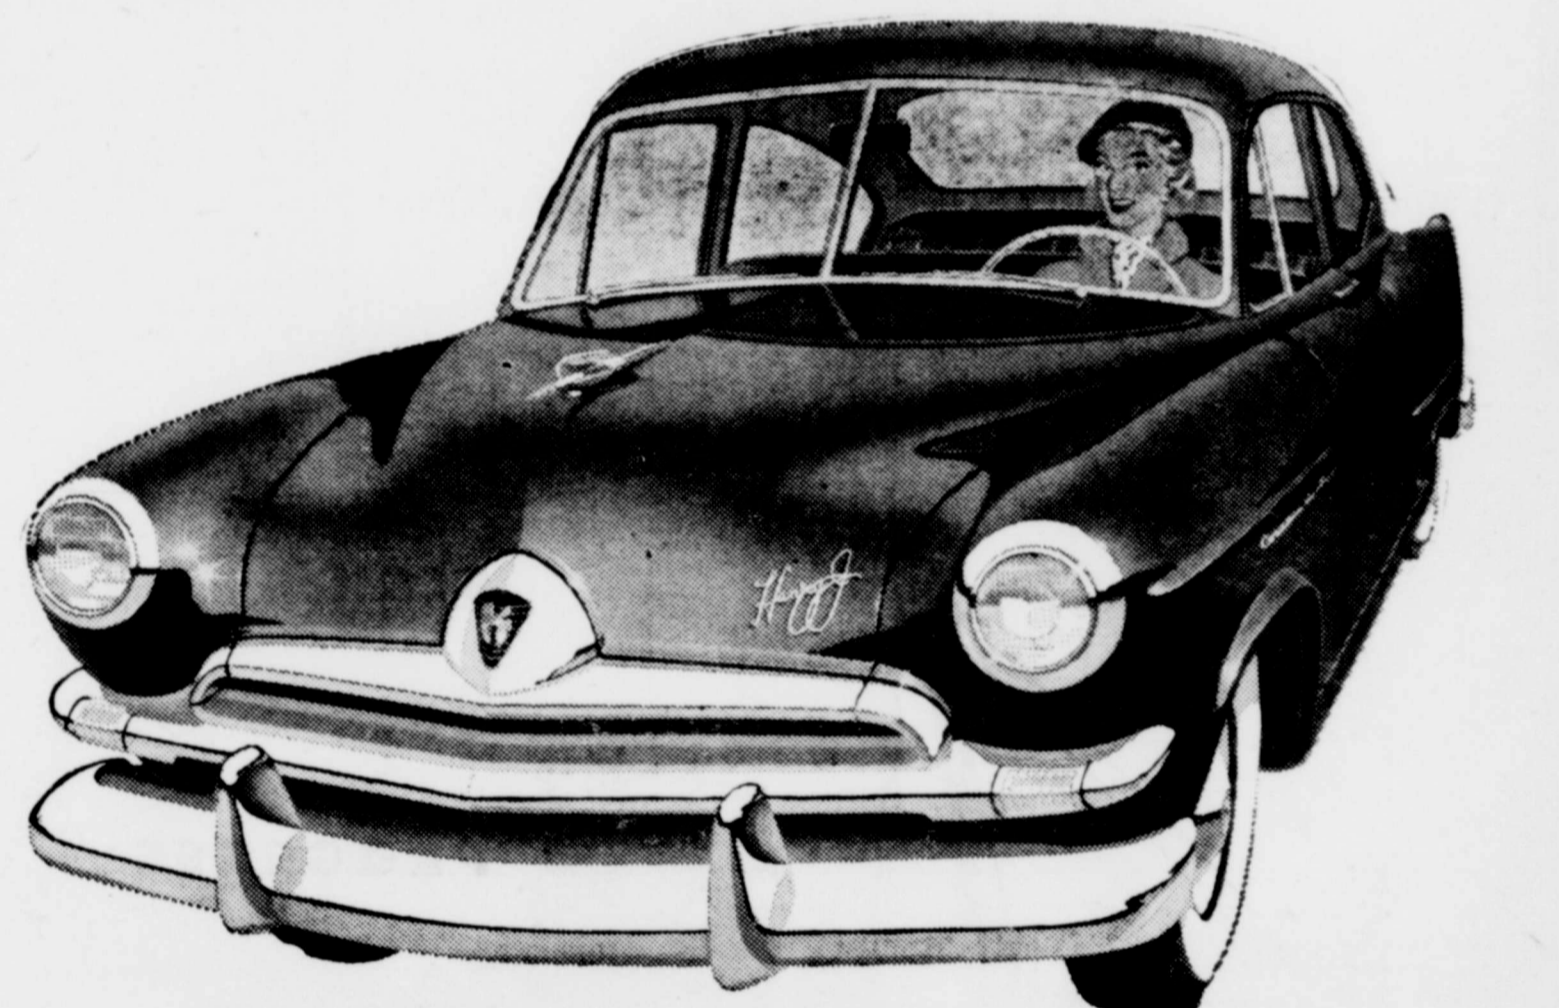

...and here's a message to parents:

For safety's sake, ask your kite flyers to fly their kites AWAY from all wires - and ask them not to try to dislodge kites that do become entangled in wires.

ANYONE who sees a kite in our lines should promptly call our office. Linemen will remove the kite - undamaged, if at all possible.

Let's all cooperate in making kite flying SAFE this spring.

Central Christian Church

Church attendance has been steadily growing. Kenneth Newton, pastor, is preaching a series of sermons on Sunday evenings on the parables of Jesus. These are most interesting. The public is invited to worship with us and hear our very capable minister preach God's Word.

Parents with babies are especially urged not to stay away because of their children. Bring them. Our nursery is now equipped. Some capable person will care for the little ones at each and every service if it is desired.

The members are looking forward to Decision Day, April 8, when 50 or more members will be added to the church. They are also looking forward to the following week when Dr. George A. Davis of the First Christian Church of Wichita Falls will conduct evangelistic services.

The Christian Women's Fellowship met Wednesday, Febru-

ary 19th in the home of Mrs. J. H. Cecil for their study and worship program. Mrs. Haley was the leader of the study program which was on our work in South America and most interesting. Mrs. Henry Maloney led the devotional service. A delicious refreshment plate was served to those present.

The bad weather Sunday morning kept us from breaking our Sunday School record. As a result, plans are that the number by which it is broken next Sunday will more than make up for that failure.

A class for high school boys and girls was organized Sunday morning with 5 members. Sgt. Jack Warden is the teacher of the fine group. High school boys and girls, not attending Sunday School, have a most cordial invitation to visit or become a member of this class.

The men of the Central Christian Church had a supper at the parsonage Friday night, February 22nd. The affair was completely stag with several non-members attending. The meal was prepared and served by

Jim Haley and R. C. Tevis. Their reputation as cooks is still good.

A game of darts was enjoyed after the supper. Everyone had such a good time that another supper was planned. D. F. Douglas, Roy Woodward and John English will be the hosts and cooks next time.

O.E.S. - Masonic Banquet Feb. 21st

Thursday night, February 21, the O. E. S. Chapter No. 655 and Masonic Lodge No. 1027 held a combined banquet-entertainment at the Town Hall with about 250 guests attending. The Hall was unusually beautiful in its patriotic dress of red, white and blue; highlighted with baskets of cherry blossoms. The head table was centerpeaced with a 1952, flanked on each side by a Masonic emblem and Eastern Star.

Rev. T. M. Jenson gave the invocation.

A most delicious dinner had been prepared by the ladies and served by the Home Economics girls and supervised by Miss Moore. Mr. Gerald Tyler, Master of Ceremonies, welcomed the guests and introduced Mrs. Ruth McBride, Worthy Matron and Mr. A. A. McKinnis, Worthy Patron OES Chapter 655, Mr. John Shields W. M. of Lodge 1027, Mr. R. E. Ballue, District Deputy G. M. of Texas, Mrs. Esther Baldwin, PGM; Mrs. Virginia Phillip, DGM of Grand Chapter of Texas.

Miss Alice Millikin sang "The World is Waiting for the Sunrise," accompanied by Mrs. Maxine Creel. Mrs. Joe Bob Tyler played a medley of lovely songs on her accordion. The Sheppard Blues, a barber shop quartet from SAFB, entertained with several clever numbers.

"May the Good Lord Bless and Keep Thee," a musical benediction was sung by Miss Pat Morgan, accompanied by Miss Nathalie Foster.

Church Women to Observe World Day of Prayer Feb. 29th

From the moment that the dawn of Friday, February 29th breaks across the Fiji Islands until dusk of the day settles on the arctic St. Lawrence, women of 104 countries will unite in the same service of praise, penitence and dedication.

Women of the various churches of Burkburnett will lead the observance of "World Day of

Prayer" in this city. The service here will be held in the sanctuary of the Central Christian Church at 2:30 P. M. on the chosen date. International theme for this year's day of prayer is "Christ, Our Hope."

The observance originated in 1887 when a call was issued to all Presbyterian women in the United States to gather in their own communities on a specified date to pray for home missions. Response was so great that a day was set apart annually.

In the early nineties, under the leadership of Baptist women, a day was designated for united prayer for foreign missions. For many years home and foreign mission groups observed days of prayer separately; but in 1919, they united. It was in 1920 that the women of Canada became a part of the movement when the first Friday in Lent was chosen as the day of prayer for missions, home and foreign. As missionaries spread the idea of the observance in other lands, it became "World Day of Prayer" in 1927, and has been designated as such since that year.

Mr. and Mrs. Buddy Morris are visiting relatives in Las Vegas, New Mexico.

H. D. Lewis of Dumas spent Sunday with his mother, Mrs. W. H. Lewis.

UNITED INVESTS MANY MILLIONS TO PROVIDE GAS SERVICE

Anything that helps
build the Gulf South...helps YOU

Every time you light a burner on your gas range, remember that dependable natural gas service doesn't "just happen." Our company alone has invested some 290 millions of dollars in wells, pipe lines and other equipment in the last ten years to provide dependable, low-cost natural gas service. That is three times the amount we invested for this purpose in the ten preceding years.

But we have more than money invested in the Gulf South. We have our faith in the future... our hopes for finer and greater accomplishments... our desire to share in the progress of this area.

Our interests are the same as those of all good citizens, and our rewards are the same as yours.

Homecoming Day At Calvary Baptist Church Sunday

This is the big Sunday at Calvary Baptist Church. It is HOME COMING DAY, and folks are expected from all around. Several preachers who have gone out from the church, and are pastoring churches, will be here and speak. Special singing by duets, quartets, etc., will feature the program of the day, with old-time fellowship and renewing of acquaintances. Testimonies from old and young Christians alike will thrill our hearts. Everyone who has a word for God will be heard.

Sunday School teachers and group leaders will have a place on the program. Services all day.

Lunch will be served at the noon hour by our local ladies. If you have ever attended Calvary Baptist, we want you to be sure and come back to be with

us this Sunday. If you have never attended this church, this would be a good time to come and get acquainted and enjoy the blessings of God. Everyone is welcome. No one is a stranger. You are always welcome to this friendly church with an open Bible for all people with open hearts and minds. Come as you are and hear God's Word as it is.

Ray C. Morrow, Pastor

Card of Thanks

We want our dear friends and neighbors to know that we are deeply grateful for their kindness to us at the time of the death and funeral of our daughter. We are thankful for your friendship and loyalty to us during this sad time. We appreciate every act of kindness and each word of sympathy and the beautiful floral offerings. We are very grateful to the ladies who supplied the delicious food.

Local School Census to Start Monday, March 3

Annual school census enumeration for all school children living in the Burkburnett Independent School District will get under way Monday, March 3rd, through the home room teachers.

It is urgent that the parents co-operate in the census because school funds are allotted to this district on the basis of school population.

All school children between the ages of 6 and 18 as of September 1, 1952, are to be listed.

The Gilmer-Akin law passed two years ago made average daily attendance the basis for all aid above the minimum, which was a great boon to the Burkburnett Public Schools, but minimum aid still is based on the scholastic population as determined by the enumeration census for this reason; it is important that every child within the age limit be counted in the census.

During the latter part of March, faculty members will make a house to house canvass for any students not reached through the regular home room teacher.

Any parent having a beginning child next year that is not reached by a census taker, please call 157 and a census enumerator will be sent.

Martha Washington Tea Staged By Study Club Members

One of the most beautiful parties of the winter season was the one on February 20th when members of the University Study Club entertained with a Martha Washington Tea and Antique Show.

The ladies wore beautiful colonial afternoon dresses and a receiving line composed of the officers of the club very graciously greeted guests from the Current Literature Club, Burkburnett Study Club, Junior University Club, Blue Bonnet Garden Club, Unity Garden Club, Burkburnett Garden Club, and the Home Demonstration Club and a host of guests.

Masses of cut flowers featuring the vivid hues of early spring were effectively arranged to decorate the Town Hall. Mrs. S. S. Reger, in her Alice blue gown, presided at the register. Mrs. T. M. Jensen and Mrs. R. H. Henry were at the antique table, where a large

assortment of miscellaneous antiques dating back to 1830 were on display. Some of the very interesting ones were the daguerrotypes, the old Blue-back speller. There were coverlets, shawls, laces, linens, lamps and dishes, silverware and jewelry. These momentoes took us back to the Martha Washington era.

The tea table was laid with a beautiful cut-work cloth, and centered with a delightful and charming arrangement of red and white carnations, red hearts and gaily decorated cookies. The president, Mrs. Bill Cauthorn and in-coming president, Mrs. Ray Hill, poured tea from a rich silver tea service.

The program was in keeping with the olden days; minutes by Bach and Humoresque, The Old Refrain and dozens of other numbers were ably rendered on the piano by Mrs. J. T. Roegan, one of the new artists in our town. Dorothy Duke and Maxine Creel. The last half hour, five beautiful girls, dressed in Martha Washington hooped dresses, sang Long Long Ago and Auld Lang Syne, accom-

panied by Donna... with Shirley... Billijane Smith... JoAnne Thomas... and Kenya... Clarty concluded... ing and beautiful... a saxophone solo.

YOU SEE MORE because YOU GET MORE

NO doubt about the fact you see more GMC trucks on the roads today than ever before—and the reason's no mystery.

This popularity must mean that GMC owners are getting more of the kind of performance they appreciate in a truck. Like what?

Like more horsepower. Not more than you need, but all that you need to meet exacting schedules—without relying on excessive speeds to make up the time many trucks lose when the going is rough.

Like more hub-to-hub, bumper light stamina. Plenty of bump right places—yet a GMC is a truck engineered so that it doesn't pay load with dead weight.

Whether your hauling involves Diesel power—light, maximum loads—why not see a new GMC? See why you

Former Burk Pastor Presented Slaton Citizenship Plaque

Pierce J. Burns, pastor of the Slaton First Christian Church, and a former pastor of the Central Christian Church here, was presented the city's Citizenship Plaque for outstanding service at the Chamber of Commerce banquet there January 26th. P. G. Meading, manager of the Chamber of Commerce, in presenting the award, praised Burns for his efforts in community projects throughout the year, especially with the youth of the city and area.

Burns has been pastor in Slaton four years and has had 67 additions to the church during his pastorate.

Former Burk Boy Wins Distinction In Feature Writing

The following article appeared in The Christian Advocate, dated February 21st:

IRVIN DeVORE, son of Rev. and Mrs. Boyd I. DeVore, Wesley Church, Dallas, won first place in both individual high school and city-wide contests of feature story writing. The Republic National Bank sponsored the contest. Irvin was licensed to preach at the Dallas district conference January 9, 1952. He is editor of the Adamson high school paper and will graduate in June.

Irvin is 17 years old. His father was pastor of the Burkburnett Methodist Church from 1941 to 1945.

Ruby Wheat G. A.'s

The Ruby Wheat G. A.'s met Monday, February 18 at the First Baptist Church, with the president, Covie Price, in charge of the meeting. The secretary called the roll and read the minutes. Mrs. Welborn taught us some new songs, while some of the girls accompanied Mrs. Price to an adjoining room to prepare the program on "Key to Christian Living."

After refreshments, the meeting was dismissed.

W.S.C.S. Met February 18th

Members of the Woman's Society of Christian Service met Monday, February 18. The president called the meeting to order, and the opening song, "Savior Like a Shepherd Lead Us" was sung by the group.

Rev. Jenson brought the lesson on the remainder of the book of Acts, which was very inspiring. At the close of the lesson, reports from various officers were heard. Seventeen members were present.

R. A. Boys' Meeting

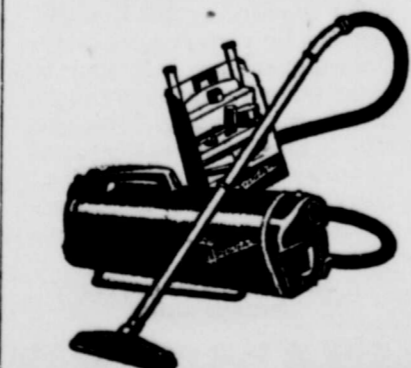

The R. A. boys of the First Baptist Church held their regular meeting at the church Monday. For their meeting next week, the program will consist of two Missionary stories. All boys between the ages of 9 and 13 are invited to attend at the church next Monday at 4:00 P. M.
