## Sen. Kerr to Speak For Stevenson At Wichita Falls

Mr. W. R. Hill,  
Burkburnett, Texas  
Dear Mr. Hill:

I am extending to you an in-  
vitation, and through you, the  
citizens of your community, to  
come to Wichita Falls to hear  
Senator Kerr's speech in behalf  
of the candidacy of Stevenson  
and Sparkman, the Democratic  
nominees. He will speak at the  
Municipal Auditorium, Monday  
night, October 27th, and I can  
assure you that you and all  
who come will enjoy his ad-  
dress.

We would appreciate it if you  
would put a notice of this rally  
in your local paper for this  
week.

Yours very truly,  
W. E. Fitzgerald,  
Chairman Wichita County  
Democratic Committee

## City Council Met Monday Nite

The City Council met Mon-  
day night at the City Hall in  
a regular meeting.

Bid for the purchase of a  
pickup for the Water Dept. was  
accepted from Burkburnett  
Motors.

The Ordinance granting a  
25 year franchise to Lone Star  
Gas Co., was passed on the 3rd  
reading.

The Council also authorized  
the sale of a Fulton engine at  
the Light Plant to Arnold Mull-  
er.

The sale and removal of this  
engine will make room for a  
new engine which will arrive  
in the next few months.

## Burk FFA Judging Team Wins First In Poultry Judging

The Burkburnett FFA poultry  
judging team won first place at  
the North Texas Poultry Show  
held at Electra on Saturday,  
October 18th. They were award-  
ed a banner for this honor.

There were 1320 points scored  
by the team which consisted of  
Donnis Kasper, Herbert Law-  
son, Joe Musgraves and Donald  
Young. Donnis Kasper was high  
individual with 494 points and  
Joe Musgraves was third high  
individual with 467 points.

A-EC Johnnie H. Cecil from  
the Amarillo Air Force Base

Mrs. J. H. Cecil over the week  
end.

ried to Burk's 45 yard line. The  
Bulldog line tightened up and  
held for three downs and Burk  
took over on the Burk 45.

On the first play, fleet Jerry  
McClure skirted his left end be-  
hind good blocking and raced  
55 yards for a touch down. The  
extra point try was no good.  
Burk 33, Noona 7.

Noona received on the 30 and  
made four yards return. A five-  
yard penalty against Burk  
and a line play or two put the  
ball on Noona's 48. Mike New-  
by went around his left end 53  
yards for a touchdown. The try  
for point by kick was also made  
by Newby. Burk 33, Noona 14.

Big tail end Donald Gee took  
the kick after touch down on  
his twenty yard line and went  
all the long 80 yards for an-  
other Burk score. He was trap-  
ped around the 50 yard line but  
by sheer strength fought his  
way clear and kept his forward  
motion. Maben's educated toe  
sent the fourth extra point be-  
tween the goal posts, making  
Burk 40 with Noona 14.

Noona took the kick and the  
10 and worked back to the 25  
in three tries. McClure inter-  
cepted a pass on the 32 and one  
yard was made through the  
center as the final whistle blew.

Much of the joy of winning  
from Noona was taken away  
from Burk fans when they  
learned that the services of big  
Wendell Hale will be lost for  
the remainder of the season. He  
got a broken leg early in the  
game.

This week the Bulldogs rest.  
Friday night week, a strong 11  
from Quannah will come to play  
on the local gridiron. The win-  
ner of this game will probably  
be district champs.

## Football Tickets For Quannah Game Still Available

Seats for the Quannah-Burk-  
burnett football game, Friday  
night week, are still available at  
the High School tax office. Mr.  
Davis, Supt., reports a few sin-  
gle reserved seat tickets are  
left, at \$1.25 each.

General admission tickets for  
the game may be purchased at  
the Bank on the day of the  
game, or at the tax office, or  
at the gate the night of the  
game.

Quannah will have all of Section  
D. The single seats left are  
in Sections B and C.

## Rotary Governor To Visit In Burk

Ernest H. Hereford

Dr. Ernest H. Hereford, gov-  
ernor of Rotary District 136,  
will make his annual visit to  
the Burkburnett Rotary Club  
Tuesday, October 28th. He will  
confer with President B. A. Lan-  
ders and other Burkburnett  
club officers on Rotary adminis-  
tration and service activities.

Dr. Hereford, who is presi-  
dent of Arlington State College,  
is one of 207 district governors  
who are supervising the activities  
of 7,600 Rotary Clubs in  
83 countries throughout the  
world. Total Rotary membership  
is now estimated at 360,000.

In his address to the Burk-  
burnett club the district gov-  
ernor is expected to emphasize  
Rotary's program of student  
fellowships which enables out-  
standing college graduates to  
study for one year in countries  
other than their own as am-  
bassadors of good will. Rotary  
recently has spent more than  
\$1,000,000 on the scholarship  
program.

## Ruby Wheat G. A. Held Meeting

Janelle Sanders called the  
meeting to order. Dee Ann Wel-  
born called the roll. We had  
21 present with one visitor, Ann  
Long. We have 10 tithers. We  
had a stewardship lesson and  
studied on our forward steps.

After refreshments, we were  
dismissed.

## Funeral Tuesday For Bill Wright

Funeral services were held at  
the Baptist Church Tuesday  
afternoon for W. T. (Bill)  
Wright, with Rev. A. E. Harris-  
son, former pastor of the  
church, officiating.

Mr. Wright, who was a well  
known Burkburnett resident,  
died Sunday night from self-  
inflicted wounds. He was 35  
years of age and had made his  
home here in Burk for several  
years, being a farmer and  
rancher.

Survivors include his wife,  
Sybil; his parents, Mr. and Mrs.  
J. B. Wright; two brothers,  
Woodrow and Weldon, all of  
Burkburnett; and one sister,  
Mrs. Mildred Howard of Thorn-  
berry.

Palbearers were Jack Dick-  
son, Elvie Welborn, Andy Sum-  
mers, Jack Alexander, J. C.  
Hinkle, and Alvie Burgess. Hon-  
orary palbearers were members  
of his Sunday School class.  
Interment was in the Burk-  
burnett Cemetery.

## Hill Bros. Circus Coming to Burk

Hill Bros. Circus will be in  
Burkburnett for three nights,  
October 29th and 30th, and No-  
vember 1st. The circus is being  
sponsored by the Boom Town  
Rodeo Club, and proceeds will  
apply on the building fund for  
the new Morgan Boom Town  
Stadium.

With the circus will be Will  
Hill in person, with his dancing  
elephants, Canine Cuties and  
his troupe of Shetland stallions.  
Also included will be beautiful  
girls, all-star circus acts and  
funny clowns.

## Revival Meeting At Randlett, Okla. Assembly of God

A revival meeting, which be-  
gan Sunday, October 19th, is  
now in progress at the Randlett,  
Oklahoma Assembly of God  
Church.

James Harmon is the Evange-  
list. Services begin each evening  
at 7:15 o'clock.

H. R. Knightstep is pastor of  
the church. A cordial invitation  
is extended to all who will  
attend these services.

## Brother of Gilberts Buried In Dallas

Leon Gilbert, 63, brother of  
Homer and Caesar Gilbert of  
Burkburnett, died of a heart  
attack last Sunday in Dallas.

Funeral services were held in  
Dallas Tuesday. Caesar attended  
the services, but Homer was un-  
able to get away.

## BOYS IN GERMANY LIKE THE BURK STAR

Bennie Turner and Bert  
Broome, who are both stationed  
in Germany, receive the Burk  
Star and enjoy it immensely, ac-  
cording to a letter from them to  
Mrs. B. L. Turner. The boys  
told of the very cold weather  
in Germany now with lots of  
rain and snow. They were dig-  
ging fox holes in this miserable  
weather. Their many friends  
here in Burk will be happy to  
learn they are both well and of  
course are looking forward to  
coming home.

## Engagement of Dr. Carpenter and Virginia Allen Told

Mrs. Glen Bear and Mrs. Carl  
Morrison were hostesses at a  
luncheon given at the Wichita  
Falls Country Club, Wednesday  
at 1 P. M. announcing the en-  
gagement and approaching mar-  
riage of Miss Virginia Allen and  
Dr. Philip Carpenter.

The color scheme of pink and  
white was used throughout and  
announcement was made in the  
form of tiny white cupids hold-  
ing white satin ribbon with the  
names "Virginia and Phil" writ-  
ten in pink. The table, covered  
with a pink cloth, was centered  
with pink and white snapdrag-  
ons with lemon leaves.

T. Herbert Minga of Dallas,  
Texas gave the invocation.

The guest list of 31 included  
the following from out of town:  
Mrs. A. D. Carpenter and Mrs.  
Wayne Canault from Ft. Worth,  
Mrs. Tex Allen and Sherry  
Lynn from Abernathy, Mrs. T.  
Herbert Minga from Dallas, and  
Mrs. Virgil Wallace from Gaines-  
ville.

## Mrs. Lincoln Announces Second Recital of Year

Mrs. Eugenia O. Lincoln an-  
nounces the second piano recital  
of the season to be held in the  
Young People's Department of  
the Baptist Church on Monday  
evening, October 27th at 8:00  
P. M.

Both rhythm bands will pre-  
sent numbers and there will be  
piano solos, but the main fea-  
ture will be pupil and parent  
combinations in duets. This is  
to stimulate music as a family  
interest.

The public is cordially invited  
to attend.

## Dry Meeting At Randlett, Okla.

Mr. Fred Hardin, Field Di-  
rector, United Dry Association of  
Oklahoma will speak in  
Randlett, Okla., on Sunday,  
October 26th at the 11 A. M.  
service in the Randlett Baptist  
Church.

Mr. Hardin is one of the  
foremost speakers in the Tem-  
perance Education field today.  
A veteran of World War II, and  
one of the winners in the State  
Better Speakers contest, he has  
spoken to enthusiastic audienc-  
es throughout Oklahoma. His  
unanswerable logic, witty re-  
marks, and expert presentation  
of the greed, corruption, and  
ruin fostered by the liquor traf-  
fic is a vivid, dynamic, and  
completely down-to-earth pre-  
sentation that will thrill those  
present.

Fred Hardin, with his experi-  
ence as a Junior High school  
teacher, knows how to reach  
the young people. He is twenty-  
five years old, married, has two  
children, and is a native Okla-  
homan. Educated at Tulsa Uni-  
versity and Oklahoma Baptist  
University, Mr. Hardin repre-  
sents a step forward by the  
United Dry Association in meet-  
ing the need throughout Okla-  
homa for vital, positive, educa-  
tion in total abstinence, and the  
need for complete prohibition in  
our great state.

## Soil Conservation Meet Here Nov. 6th

All land owners in Subdivi-  
sion Three of the Wilbarger-  
Wichita Soil Conservation Dis-  
trict are invited to a meeting at  
Town Hall, Burkburnett, Texas,  
at 8:00 P. M., Thursday, Novem-  
ber 6th.

A convention type election is  
to be held to elect a supervisor  
to succeed Mr. Arthur W. Ram-  
ming, deceased.

This is an important meeting.  
A good program has been plan-  
ned with Mr. J. C. Porter, Agri-  
cultural Advisor of the First  
National Bank, Wichita Falls,  
as principal speaker.  
Refreshments will be served.  
BE THERE!

## Classified Ads Cash in Advance

All classified ads are  
cash in advance, with  
the exception of regu-  
lar advertisers who  
carry regular weekly  
accounts.

Ads will be accepted  
up until Wednesday  
noon for Thursday's  
paper, but they will  
not be set in type or  
appear in the paper  
unless paid for by 5:00  
o'clock Wednesday.

It costs more to set  
up a charge account  
for a new customer  
than the average price  
of a classified ad. It  
is a losing proposition  
for the paper, hence  
the new policy.

## Local Boys Doing Well In Medical College

According to word received  
here, G. H. Brister and Russell  
Brookshier, who are both at-  
tending the Medical Branch at  
Texas University at Galveston,  
are doing well in their studies.  
These two lads were surprised  
when they turned out to be as-  
signed as lab partners and in  
several of the same classes at  
the university. Neither of them  
knew the other was attending  
until they met by coincidence.  
It seems to always make things  
more pleasant when you share  
them with some one from home.

## Guests In Dodson Home

Visiting this week in the home  
of Mr. and Mrs. Harry Dodson  
and Jeanne, are Mr. Dodson's  
three sisters, Mrs. W. D. Goyer  
of Tyler, Texas; Mrs. Seeley  
Kilpatrick and daughter Fran-  
ces, and Mrs. Gayle Frazier, of  
Lexington, Kentucky.

## Art Show Declared A Big Success

Another milestone has passed  
—another year of planning and  
work. All the headaches that  
accompany such a project have  
been worthwhile. Following are  
a few quotes of the many kind  
remarks made about the Burk  
Sidewalk Art Show.

"The show is wonderful. The  
talent exceptional. Shows I've  
seen in larger cities by profes-  
sionals can't compare to the  
talent here."—Mrs. R. H. Lo-  
gan, Wichita Falls.

"The Art Show is an asset to  
Burkburnett. We should have  
one every year."—Mrs. Glen  
Bear, Burkburnett.

"A nice show. Congratula-  
tions."—Mrs. J. D. Stegall, of  
Burkburnett.

"This is certainly a remark-  
able show of cultural advance-  
ment."—Chas. Clarkson, San  
Francisco, California.

"Think the quality of exhibits  
is much better than last year.  
Ceramics outstanding."—Mrs.  
Walter Riley, Burkburnett.

So go on a number more of  
written comments.

A warm and rewarding feel-  
ing to those who have worked  
and will continue to advance the  
art culture.

A special thanks to Mr. Car-  
ver, City Manager, and his  
helpers who made the show  
more convenient by placing  
tables to display the arts and  
crafts.

Our thanks to Mrs. Laura  
Hedrick, Junior High school art  
director, for her fine help in  
aiding the advancement of art.  
This particular division was of  
unusual interest, because of the  
decidedly better quality of tal-  
ent this year.

Gary Woodward, who was in  
charge of the Junior High art,  
during the street show gave his  
service uncomplainingly, al-  
though the Texas breeze nearly  
blew his display to the four  
winds. Thanks Gary, your work  
was surely appreciated.

A round of thanks to Mrs.  
Margaret McCabe, who always  
gives a fine demonstration of  
finger painting.

Mary Jane Flack is to be  
commended for her interesting  
demonstration of copper work  
and her earnest endeavor to sell  
the articles donated for the  
Youth Center.

An unusual first was added to  
the colorful activities of Mrs.  
Rex Kolter, who demonstrated  
the use of tube type textile  
painting.

We were indeed appreciative  
to the Midwestern University  
for bringing Mrs. Nita Parker  
Johnson and her loom. This was  
one of the most outstanding at-  
tractions of our show. A very  
talented lady—Mrs. Johnson.

This year we were fortunate  
to secure as our judges, Mrs.  
Mary Frances Schutz, Mrs. Ruth  
Thompson, Mrs. Lois Gose, all  
from Wichita Falls, and Mrs.  
Clara Donald of Bowie, Texas.

The judges and out of town  
participants were entertained by  
the Art Group at a luncheon  
prepared by Tom's Coffee Shop.

The following decisions were  
filed as to the winners. The  
winners are listed first, second  
and third, etc.

Grade School, David Reeves,  
crayolas. No other entries in  
this division.

## Mr. and Mrs. Billy Ashlock Here for Visit

Mr. and Mrs. Billy Ashlock  
from Salem, New Jersey, are in  
the city this week visiting with  
Mr. and Mrs. Morris Bookbind-  
er.

Bill and his mother, Mrs.  
Bookbinder, are celebrating  
their birthdays while he is here.  
They plan to return to their  
home in New Jersey on Sunday.

Mr. Ashlock, who works for  
TWA Airlines, will make a trip  
to Tele-Avive, Jerusalem, upon  
his return home.

## Rotary Club

Each Tuesday Noon At  
Town Hall

The Rotary Club met at 12:15  
with B. A. Landers in charge  
Tuesday noon. Clark Gresham  
gave the invocation.

Bill Milam introduced the  
following Rotarians, all from  
Wichita Falls: Frank Schram,  
J. M. Isbell, Jno. Mauser, S. M.  
Gose, Dick Gose, T. C. Scott,  
Kendell Paulk, Carl Anderson,  
K. B. Peterson, Manyard Stev-  
ens and Mr. and Mrs. Hill, with  
the Hill Bros. Circus as guests  
of Virgil Brookshear.

In the absence of Clyde Mc-  
Donnell, Virgil Brookshear in-  
troduced Jno. and Pete Estes  
and Gene Stevens of the Wichita  
Falls Rotary Club, who gave an  
illustrated version of a trip into  
space and the establishment of  
a space ship that would act as  
earth satellite. This was a very  
interesting program, thoroughly  
enjoyed by all.

## Announcement

The Red Cross Chapter will  
hold Open House at Wichita  
Falls on Sunday, October 24th,  
from 4 to 7 P. M. in observance  
of the 5th anniversary of the  
opening of the Blood Bank.

The Red Cross Chapter house  
has been recently remodeled and  
redecorated and merits the at-  
tention of the public.

Mr. J. O. Dotson would es-  
pecially like to extend a cor-  
dial invitation to all citizens of  
Burkburnett to attend this Open  
House to see their Red Cross  
Chapter's improvements.

## OUTSMARTING OURSELVES

Efforts of the Air Force to secure ultra-modern radar fire-control equipment for the guns of its 600-mile-an-hour B-47 stratojets has ended in failure, the loss of undisclosed millions of dollars and more than a year's defense-time Undersecretary Roswell L. Gilpatrick has admitted.

Five contracts, dating back as far as 1946, have now been abandoned since the contractor has been unable to produce the Goldbergerian devices on which he bid. At a result, the same company is now producing an "interim" gun control, though, as yet we do not have a single completely equipped stratojet wing in the Strategic Air Command.

This little incident suggests that the delays in our whole arms program may be largely due to insistence on equipment that is still theoretical. While no officer wants to authorize armament that may be considered obsolete by the time it's delivered, we do believe they still teach the boys at West Point that you can't shoot a gun you haven't got.

## TRULY A "SERVICE" CENTER

We Americans are using more oil in more ways than all of the rest of the world combined. At the same time, we Americans are enjoying the highest standard of living in the world. No one can doubt that there is a healthy relationship between the amount of oil we are consuming and the amount of progress we are making. Significantly, the growth and development of the petroleum industry parallels that of the United States—and vice versa.

The oil men who most of us know are those who run the service stations. There are more than 200,000 of them, 19 out of 20 who are independent business men. They are active citizens of their respective home towns.

The service station has grown into a typically American institution. Actually the proprietor or manager or attendant runs a sort of branch office of the local Chamber of Commerce. It is impossible to keep track of the number of times he is asked to recommend hotels, motels, stores, cafes—sometimes, where there is good fishing or hunting.

Also, he conducts a sort of travel bureau. Not only does he provide millions of road maps, but neighborhood folks as well as transient customers depend upon him for information about highway construction, detours, washouts and shortcuts. And your service station man, with an assist from the local and state police, is usually right up-to-date with the facts.

It's true that the aggressive and progressive oil industry works in many ways, it wonders to perform, and certainly one of its most pleasant contributions to the American scene is the service station and the men who attend it.

## TIME FOR WHAT CHANGES?

The following editorial is reprinted from Farm Journal) "More than half a century ago, Americans were alarmed at the monopolies of economic power which were being achieved by ruthless business groups. Through great economic power these groups attained great political influence. The interests of all the people were being hurt.

"The danger was recognized by the party then in power. The Interstate Commerce Commission was set up to police the railroads, and the Sherman Anti-Trust Law was passed to restrain the industrial combinations. Other measures followed, until no business, industrial, or financial group had within its reach the means to exploit the people.

"Now monopoly of another and equally objectionable character has grown to undue power. The decree of a single union leader this spring stopped steel making in the U. S. for nearly two months. He was able not only to stop production, but to compel the White House and the agencies of government to back him up. His complete mastery prevented the administration from using the law passed by Congress which could have given his union members a chance to decide for themselves whether they wished to strike or to return to work. The suspension of production for so many weeks set back the defense program, caused unemployment in other lines, and interfered ruthlessly with the nation's normal activities . . . It is monopoly whenever one man or a few men can stop many thousands from working and can shut off necessary materials with no regard for the welfare of the whole country.

"A change is needed to rescue the nation from these new monopolies."

## Dodge Announces All-New 1953 Car At Burk Motors

The most dramatic changes in the 38-year history of the Dodge passenger car will be unveiled here Thursday, October 23rd, when Dodge Division of Chrysler Corporation introduces its sensational 1953 "action car."

The new, completely restyled Dodge with a powerful 140-horsepower Red Ram V-Eight engine goes on display in the showroom of BURKBURNETT MOTORS.

Sweeping changes in both styling and chassis features plus the unprecedented efficiency of the new engine were announced by Wylie Browning of the Burk Burnett Motors.

New beauty and a smooth flowing effect were achieved, Mr. Browning revealed, by flavoring the lower, softer lines and increased glass area with a touch of continental design. These attractive styling changes are being offered in the entire 1953 Dodge line which consists of 10 different models, Mr. Browning said.

The 140-horsepower Red Ram V-Eight engine is featured in the Coronet series, while popular and dependable six cylinder engine is retained in the Meadowbrook and Meadowbrook Special series. The Wayfarer is not included in the 1953 Dodge lineup.

The highly-touted new Dodge Red Ram V-Eight engine is compact in size and light in weight. It produces more horsepower per cubic inch of displacement than any other automobile engine in volume production today.

Dodge's efficient new power plant is based on design principles used in high-output aircraft engines. Its horsepower is 140 at 4,400 r.p.m. Displacement is 241.1 cubic inches. It develops this high power output on regular grades of fuel despite its high compression ratio of 7.1 to 1.

"Body beautification and the Red Ram engine are definitely highlights of the all-new 1953 Dodge," Wylie Browning declared. "But there are many other significant features such as the wide choice of transmissions. And there is a new steering ease and maneuverability achieved by a more compact chassis design, a new suspension system and an improved steering mechanism."

Mr. Browning stated four dif-

ferent types of drive were being offered. They are the new Gyro-Torque drive, which is teamed with the Red Ram V-Eight engine to provide lightning response without shifting; Gyro-Matic drive, which offers smooth and easy no-shift driving; automatic overdrive, which provides a fourth "cruising" gear for greater gasoline economy; and standard drive, for

those preferring to do their own shifting.

"For greater ease in handling, especially to meet increased traffic and parking problems, the chassis has been redesigned with a new compactness and still manages to increase further the amount of passenger headroom and hiproom." Mr. Browning pointed out. "The 1953 Dodge also is improved in riding and handling qualities due to innovations in suspension and steering," he stated.

Mr. Browning pointed to the "action appearance" and beauty of the 1953 Dodge which is marked by lower, longer and more smoothly flowing lines than any previous model. The long, low-fender line is continuous from front to rear and is accented by a softly-blended "kick-up" on the rear fender.

In keeping with the trend toward sports cars, Dodge will offer wire wheels and a continental-type rear tire mounting on the Diplomat hardtop at extra cost.

A wide range of bright, new colors and two-tone combinations are available to complement the beauty of the 1953 Dodge.

Mr. and Mrs. S. S. Reger have returned from a three weeks vacation in Kentucky and West Virginia. They visited their daughter, Mrs. Ted Crosthwait and family at Louisville, Kentucky and Mr. Reger's brothers at Parkersburg and Clarksburg, West Virginia.

Mr. and Mrs. E. L. Copeland of Wayside, Kansas, were week end visitors in the home of Mr. and Mrs. S. S. Reger.

MAGICIAN

No real program is complete without surprises to enliven and give it spice, and there is no form of entertainment more sincerely appreciated than a finished exhibition of the ever-fascinating art of magic.

Duncan's magic, in his own unique style, it is of an entirely different character than any you have ever seen. He does his magic program with the idea that there should never be a dull moment from the time the curtains part showing the stage set with many of his own ideas originating since he began his magic career. On two different occasions he has won first prize in the originality contests at the world convention of the International Brotherhood of Magicians. Although a comparatively young man, he is a veteran performer with over 25 years' experience, having presented his first magic show when only eight years of age.

During his wartime service in the Army, he was a member of a show which traveled by air to various outposts of the Pacific, performing for service audiences.

### Farmer Wants Ike For President

Lancaster, Texas, Oct. 20th—A Texas cattle and dirt farmer, Frank Hamm, demanded Monday in Dallas County that control of the federal farm program be turned over to the farmers, themselves.

"I'm sick of farm laws written by big city lawyers. I don't like the way things have been going on the farm front down here in Texas, especially the way they've been going since Truman was elected," he said.

"And they're going to keep on in the same old way if Mr. Stevenson is elected president, because he is pledged to continuing Mr. Truman's policies."

Hamm, 49, is a beef Short-horn breeder and a legume and grain grower whose 630 acre chalk top hill farm has become a model of soil and water conservation practices for his region.

His blast at the present farm administration came during a private interview after he had made a noon speech over the Texas Quality Network on behalf of the Eisenhower campaign.

"Mr. Eisenhower is pledged to decentralize the farm program. He says that control must be left at the state, district and county levels," Hamm said.

"That's all the farmers in this nation need. When he does that we'll do the rest."

GASOLINE—4,800 GVW to 90,000 GVW  
DIESEL—19,500 GVW to 100,000 GVW

HERE'S the new gasoline-powered GMC Model 472-30A—the tractor that will haul more payload within the 45,000 GVW limit than any ever built, by as much as 1,200 EXTRA pounds of cargo in some cases!

Fueled and ready for the road, this revolutionary new highway tractor weighs a trim 8,000 pounds—the result of new engineering techniques, developed by GMC, which eliminate load-robbing "dead weight" from truck design.

A good example is this GMC's revolutionary new "302" valve-in-head engine—pound for pound the mightiest in truck history. It achieves a record-breaking 7.2 to 1 high-compression ratio from regular fuel, produces 145 horsepower—yet weighs as much as 500 pounds less than competitive engines!

It has all the features you want in a great truck. Standard equipment includes full air brakes and husky rear axle rated to accommodate 10,000/20 tires. Available in conventional and cab-over-engine models in a variety of wheelbases.

It's waiting—ready to haul a bigger payload than you've ever been able to put behind your tractor before!

**ORDINANCE No. 313**  
An Ordinance granting consent to the Lone Star Gas Company, its successors and assigns, to use the streets, alleys and public thoroughfares of the City of Burkburnett, Texas, for the purpose of laying, maintaining,

using and operating therein, thereon and thereunder pipe lines to handle and sell gas to domestic, commercial and industrial customers located in said city; directing how permits may be granted for lines to be extended, relayed, repaired, lowered and relocated; providing for a rental, fee or charge for the granting of this franchise and the use of the streets, alleys and public thoroughfares; providing that the city shall be held harmless from any damages caused by the construction and maintenance of such lines; providing for compliance with the City Charter; and providing for the acceptance of the same.

BE IT ORDAINED BY THE BOARD OF CITY COMMISSIONERS OF THE CITY OF BURKBURNETT, TEXAS:

SECTION 1. That the City of Burkburnett, Texas, called "City", hereby grants its consent to the use of its present and future streets, alleys and public thoroughfares by Lone Star Gas Company, its successors and assigns, herein called "Company", for the purpose of laying, maintaining, using and operating thereon the pipe lines and appurtenant equipment necessary to deliver gas to domestic, commercial and industrial customers located within the City's corporate limits, said consent being granted for a term of twenty-five (25) years from the date this ordinance is adopted and approved.

SECTION 2. Company shall lay, maintain and operate its lines and equipment so as to interfere as little as possible with traffic and shall promptly restore all thoroughfares and other surfaces which it may disturb to their original condition. Before Company shall be authorized or required to extend, repair or relay its existing gas mains or street service lines, there shall be filed with the City Secretary a written statement showing the nature and character of the extensions proposed to be made. Company shall lower, relocate or relay existing gas mains or street service lines where necessary due to the lowering of street grades by the City at its own cost and expense.

SECTION 3. Company's property and operations in the City shall be subject to such regulation by the City as may be reasonably necessary for the protection of the general public.

SECTION 4. Company shall hold the City harmless from all expense or liability for any act or neglect of the Company hereunder.

SECTION 5. Nothing herein contained shall ever be held or construed to confer upon Company exclusive rights or privileges of any nature whatsoever.

SECTION 6. At the end of five (5) years from the effective date of this permit or at the end of any five (5) year period thereafter, City may, upon giving Company six (6) months' notice in writing, determine to acquire the property of Company necessarily used in or conveniently useful for the operation thereof in the City of Burkburnett. The purchase price of said property shall be the reproduction cost new thereof, less the observed depreciation therein and shall include an amount for any severance damages which may be caused by the purchase, as determined by a committee of three (3) engineers, one appointed by City, one appointed by Company and the third selected by the first two (2) thus appointed.

The decision of a majority of said committee of engineers shall be sufficient to make the

determination. Such decision shall be in writing, supported by the fact findings rendered after reasonable notice and hearing. If either City or Company be dissatisfied with the determination made by said Committee of three (3) engineers, then either one, or both, shall have the right, within thirty (30) days from the date said committee of engineers has made its determination, to institute a suit in a court of competent jurisdiction in Wichita County, Texas, to set aside or enjoin the enforcement of said decision on the grounds that the said determination is a result of fraud or misconduct, or that the determination of the reproduction cost new or and the amount of observed depreciation in said property is arbitrary, erroneous or contrary to the facts. The court trying any such suit shall not be bound by the award of said committee of engineers but shall try the issue according to the law and rules obtaining in ordinary civil suits. If such a suit is not instituted within the time aforesaid, then the decision of the said committee of engineers shall be final and binding upon both City and Company.

SECTION 7. This franchise grant shall be subject to the applicable valid provisions of Article VIII of the City Charter voted by the people of the City of Burkburnett on May 8, 1923.

SECTION 8. Company, its successors and assigns, agrees to pay and City agrees to accept, on or before the 1st day of July, 1953, and on or before the same day of each succeeding year during the life of this franchise, up to and including the year 1978, a sum of money which shall be equivalent to two per cent (2%) of the gross receipts to be collected by Company from the sale of gas delivered to domestic and commercial consumers within the city limits of said City (expressly excluding receipts derived from sales to industrial consumers in said City) for the preceding calendar year, which annual payment shall be for the rights and privileges herein granted to Company, including, without limitation, the granting of this franchise ordinance and the right to use the streets, alleys and public ways of said City. And it is also expressly agreed that the aforesaid annual payment shall be in lieu of any and all other and additional taxes, easements, rentals, or charges of whatsoever kind and character which City may impose or hereafter be authorized to levy and collect, excepting only the usual general or special ad valorem taxes, which City is authorized to levy and impose upon real and personal property.

In order to determine the gross receipts received by Company from the sale of gas (expressly excluding the sales of gas to industrial consumers) within the corporate limits of City, Company agrees that on the same date that payments are made as provided in the preceding paragraph of this Section 8, it will file with the City Clerk a sworn report showing the gross receipts received from the sale of gas to its domestic and commercial consumers within said city limits for the calendar year preceding the date of payment. City may, if it sees fit, have the books and records of Company examined by a representative of said City to ascertain the correctness of the sworn reports agreed to be filed herein.

SECTION 9. Company shall file its written acceptance of this franchise ordinance within sixty (60) days after its final passage and approval by said City.

PASSED AND APPROVED on this the 20th day of October, A. D., 1952.

Also during the business session, boxes were to be packed and ready for mailing for the members of the Friberg church that are serving in the armed forces. Five boxes were packed.

**Week of Prayer**

Week of Prayer will be observed at the Friberg church on October 30th at 10 A. M. Mrs. W. L. Doyle, chairman of Spiritual Life, will be in charge. The program will be Quiet Meditation, prayer, and devo-

tional services by Mrs. Doyle, special song by the WSCS quartet, four institutions receiving contributions, Mrs. R. C. Moser, and another four institutions by Mrs. J. H. Meyers.

The final session of the WSCS study will be conducted at 2:00 P. M. the 30th by Mrs. R. R. Kolter.

**25th Anniversary Party**

The members of the Friberg Methodist Church gave Rev. and Mrs. J. H. Snarr a surprise party for their 25th wedding anniversary at the church annex on Friday night. Rev. Snarr is a retired Methodist minister.

Mr. Bill Kolter was master of ceremonies, with Rev. C. A. Warden playing the record, It's In The Book. Jeanette Turner and Jerry Lamb sang Let Me Call You Sweetheart.

Life membership WSCS pin was presented to Mrs. Snarr by Mrs. Rex Kolter, vice-pres. of the WSCS. Mrs. V. C. Lamb presented Rev. and Mrs. Snarr a table of gifts.

Miss Peggy Lamb, Mary Kathryn Turner presided at the beautifully decorated lace covered table bearing the anniversary cake, coffee and tea. Miss Peggy Turner served from the silver service.

**Friberg P-T A**

The Parents and Teachers of the Friberg Public School organized for the first time in six years, a P-T A organization.

The officers elected were: Mrs. Louis Hansard, pres.; Mrs. Bill Davidson, vice-pres.; Mrs. W. E. Parker, sec'y.; and Mrs. E. O. Holman, treasurer.

During the business session, the P-T A passed on joining the County Council and sending a delegate.

The P-T A will meet each Wednesday at 2:30 P. M. at the school.

Also plans were made for a Halloween party for the students of the school and in addition to the party there will be a bake sale of home made pies and cakes. The public is invited. If at all possible, be present to help build up the treasury for the P-T A in order to get this new organization off to a good start. The bake sale starts at 7:30 P. M. on October 31st.

**Barbara Spivey and Loyd Oilbeck United in Marriage**

Wedding vows were read on Friday, October 17, in Grandfield, Oklahoma, uniting Barbara Spivey and Loyd Oilbeck in marriage. The justice of the peace officiated.

The bride was attired in a street length dress of navy blue with matching bolero. She wore navy accessories and a white carnation corsage. She also carried out the tradition of "something old, something new, and a six pence in her shoe."

The couple's only attendants were the bride's mother, Mrs. W. R. Spivey and the groom's mother, Mrs. Myrtle Oilbeck.

The bride was a graduate of Burkburnett High school with the class of 1951.

After the ceremony, the young couple left for California where they will make their future home.

Mrs. Roman Scruggs was hostess to the Christian Women's Fellowship on Wednesday, Oct. fifteenth.

Mrs. Scruggs had the front of her lovely home skillfully decorated up in the gay but spooky theme of Hallowe'en.

Mrs. Sid Gamblin, leader, brought the Human Rights program telling of the work of All People's Church in Los Angeles, Jarvis Christian College at Hawkins, Texas, and the Mexican Christian Institute in San Antonio. It was very interesting.

The worship program, Keep the Vision Clear, as developed by Mrs. D. F. Douglas, was inspiring.

The membership planned a food shower for the Bashams. Rev. Donald Basham and family occupy the parsonage on week ends while he is serving the church as minister.

Those present to enjoy the hospitality and delicious refreshments of the gracious hostess were: Mesdames L. E. Fowler, Neal Hall, Jack Warden, J. M. Kelley, Sid Gamblin, R. C. Tevis, Lloyd Ifland, W. K. Clayton, Shields, G. D. Scruggs Sr., James Haley, Sue Boyd, Ollie Wells, G. D. Scruggs, Jr., and Misses Lillie Roark, and Sharon Scruggs and Master Jackie Warden.

The regular weekly meeting of the group was held in the home of their leader, Mrs. Walter Riley, Monday afternoon, October 20th.

Loretta Brocker presided over the business session, due to the absence of Linda Lee Baley, group president. After roll call by Irma Ned Riley, a sing-song was held. The meeting was then turned over to Mrs. Riley for the work session.

Instructions were given the girls on stringing their puppets. After the work period, the girls held a show, with each girl handling her puppet.

At the next meeting, fifteen minutes will be set aside for another show, which the members are to work up.

It was decided by discussion that a vote will be held next week to choose where the Hallowe'en party will be held, as several of the girls have asked to have it at their home.

Refreshments were served to seven members. Two were absent at the meeting.

**Grace Missionary Society Meeting**

The Grace Missionary Society of the Grace Lutheran Church met for the regular monthly meeting in the Parish Hall with Mrs. Paul Schroeder acting as hostess.

After singing "Beautiful Savior" Miss Clara Schultz led in prayer.

Following the business discussion, the program chairman, Mrs. Arthur Evert, presented Mrs. Clarence Koenig, who gave a short news item entitled How Old Is Your Pastor? As usual, she stimulated a lively discussion on her subject. Mrs. U. S. Hill then gave the main paper, which was entitled How to Help Children Prepare a Sunday School Lesson. She very ably presented this topic and brought out the thought that Bible Study with the child makes for a close feeling with God and family. Following this a very short parliamentary drill was conducted.

The meeting adjourned with prayer and then the group honored Mrs. Lee Keen with a pink and blue shower.

Those in attendance were: Mesdames Paul Schroeder, Clarence Schroeder, Earl Rinefeldt, George Schroeder, U. S. Hill, Arthur Evert, Clarence Koenig, Bud Lasley, Oscar Frieling, H. A. Mills, Arthur Ramming, Miss Clara Schultz and two guests, Mrs. Milton Mills and Mrs. Lee Keen.

W. S. C. S. Meets At Church Monday

The WSCS of the Methodist Church met in the Wesley room on October 20th at 2 P. M. The meeting was opened by the president, Mrs. Veach, with the group singing Jesus Calls Us. Mrs. Veach also led the prayer. The president then presented Mrs. C. A. Jackson, from the Scotland Methodist Church in Wichita Falls, who is our district secretary of Missionary Education. She gave the opening chapters of our study on Africa. Mrs. Jackson was assisted by Mrs. J. Frank Blackburn, conference vice-pres. These women brought us a more clear understanding of Africa, its people, climate and vocation and there is a great opportunity for America in the missionary fields in Africa. Seventeen members and visitors enjoyed this education meeting which was closed with the WSCS benediction. Lovely refreshments were served to the group.

Busy Blue Birds Have Meeting

The group was called to order by the vice-pres., Carol Ann Ratliff. The secretary, Janelle English, called the roll, collected the dues and read the minutes for the treasurer, Linda Lilly, who was absent. Since the president, Mary Nickens, will not be in the group any longer, a new president was elected. Ada Whitney is the new president. After the business session, the song leader then conducted the group in singing several songs. Ruth Ann Elrod and her mother served refreshments to the following: Ada Whitney, Jovell Riley, Sharyn Straek, Camilla Reel, Janelle Hinkle, Marilyn Vaughn, Carol Ann Ratliff, Lottie Champion, and the leaders, Mrs. J. C. Hinkle, and Mrs. O. W. Ratliff. After serving of refreshments, the monitors, Jovell Riley and Sharyn Straek, passed out the materials for making Indian drums. We hope to complete this phase of the project at the next meeting. Mrs. Elrod assisted the leaders and members in this activity.

Bright Blue Birds Met Last Friday

The Bright Blue Birds had a regular meeting on October 17th in the home of their leader, Mrs. J. W. Parsons, who was assisted by Mrs. John Durham. Mrs. Durham and her daughter, Mary Helen, were hostesses for that day. The group had a singing session, after a short business meeting, presided over by the president, Susie Parsons. Those present were Pamela Duke, Mary Helen Durham, Leslie Fowler, Reba Jane Fields, Glenda McNeerlin, Patricia Morris, Mary Elizabeth Nickens, Susie Parsons, Kathryn Siber and Patty Van Horn.

Legion Notes

From the Commander Frye-Vaughn Post No. 264 The American Legion

Last Thursday, October 16th, three members of the Sheppard Air Force Base Rhythm Masters entertained at the Legion Hall. The boys make a lot of music and were well received. This is one time when those of you who missed this Legion feature will have a second chance, as we intend to have a return engagement.

When they return the band will be larger and, maybe, better. But it was worth a pretty fair admission fee to hear Dusty Stewart tickle the steel guitar. Paul Raines can fairly make the electric guitar sit up and talk. Strumming a regular guitar, acting as master of ceremonies and handling most of the vocals was another Dusty, Dusty De Certo.

Dusty Stewart was introduced as one of the seven best men on a steel guitar in the country. Few, if any, of those who heard him were inclined to dispute the claim.

Entertainment night will come again the third week in November—Thursday, Nov. 20th. We are extending an invitation now for all veterans in this area, whether or not they are members of the Legion, to bring their families and come out on this night.

Initiation, originally planned for tonight, has been postponed for one week. Bad colds and touches of flu have hit the Initiation team pretty hard. So next Thursday, Oct. 30, one night before the black cats howl and the witches brew their magic potions, we will brew up another magic potion at the Legion Hall.

We were sorry to learn that comrade C. F. (Adj) Johnson, is in the Veterans Hospital at Bonham, Texas. We are sure that he would appreciate hearing from his many friends. It is hoped that Adj will come home in first class condition.

Past Commander Don Short has been a proud papa for a couple of weeks now. Our best wishes to Deborah Jean.

Count on me for '53! Join the Legion now.

Plans are going forward for the Armistice Day breakfast. We are sure that with the change in population in Burkburnett our list of Gold Star parents must be incomplete. It would be appreciated if the Gold Star parents in this area, or those knowing of Gold Star parents, would call us at 403.

Tonight there will be a special meeting to discuss the breakfast and make other plans for the future.

We are pleased to note that comrade James T. Brady, Jr.,

is to be Scoutmaster of the new Scout troop in Burk. We are quite certain that he will carry through from the point to which comrade Leo Boyd Evans, Cubmaster, takes the boys.

The first Thursday in November will be family night. Get set for a lot of fun. Lewis W. Brocker

Calvary Baptist Church

College and Avenue B

Sunday School at 10 A. M. The lesson is Hebrews, chapter eleven, "The Faith Chapter." We study the Bible only, and don't use man's literature—not even the so-called New Bible. Yeah, you guessed it, we're studying an old-time God, according to an old-time Bible, in an old-time way.

The eleven A. M. message by the pastor, will be "The Devil's Attempt to Destroy God's Word." You'll find out in this message what we think of the New Bible. Young People meet at 6:45 P. M. All Youth welcome.

Night preaching service is at 7:30. The pastor will bring another message on this general theme, "What's in the Future According to God's Word?" God has said it; you ought to hear it. Welcome, neighbor, to this friendly church with the open Bible for all people with open hearts and minds. Ray C. Morrow, Pastor

Robert L. Millar Visits Here

Robert L. Millar, AB1, who has been serving in the Far East on the USS Boxer, CV21 for the past nine months, has been visiting his father and mother, Mr. and Mrs. Paul Millar of Burkburnett and his wife, who lives in Grandfield, Oklahoma. Robert and his wife left for Key West, Florida, where they will live and where Robert will take up his Navy duty.

Three Honored at Birthday Party

Mr. and Mrs. Robert Worley entertained with a party given in honor of Mrs. W. J. Tyler, Mrs. D. G. Salinas and Lorene Tyler, who all three celebrated birthdays the same week.

The birthday cake was cut and served to Mr. and Mrs. D. G. Salinas, Mr. and Mrs. W. J. Tyler, Mrs. Marcella Tyler, Lorene Tyler, Patsy Tyler, Earl Surratt, Junior Tyler, Roy Salinas, Louise Tyler, Bobby, Juanita and Ernest Salinas, Mr. and Mrs. T. W. Tyler, Lulla Saddler and the host and hostess, Mr. and Mrs. Robert Worley.

An enjoyable afternoon was spent making pictures.

Mr. and Mrs. A. H. Lohoefer have returned to their home here after spending two weeks in Hot Springs, Arkansas. They report they had a wonderful time and enjoyed the baths there.

Creative Blue Birds Hold Weekly Meeting Tuesday

The Creative Blue Birds met Tuesday at the home of Mrs. Ralph Brookshier, Jr.

After the usual business meeting, Hallowe'en things were made and a Hallowe'en party was planned for the following week. It will be at Mrs. Brookshier's, also.

Refreshments were served to Pamela Stanaland, Wiana Kay Brookshier, Wendolyn Goins, Francine Johnson, Ietha Her-ring, Brenda Beaver and Carolyn Sue Howard. Reporter Carolyn Sue Howard.

Mrs. O. E. Melton and Mrs. Lloyd Tucker of Bowie, Texas were called to Dallas, Sunday afternoon, to be with their sister, Mrs. L. M. Gilbert, who's husband died suddenly Sunday at 4 P. M. They returned to their homes on Monday night.

From where I sit... by Joe Marsh

Wonder How Miss Gilbert Is in "History"?

By now I guess you've heard about the spelling errors in the kids' report cards this week.

A typical card looked like this:  
Arithmetic.....B  
Geography.....B-  
Spelling.....C  
Grammar.....B

I don't know if Miss Gilbert, the principal, actually wrote those cards, but she took full responsibility. This morning I hear she got up in the Assembly Hall—before all the students—and started writing GRAMMAR with two "a's" on the blackboard 100 times!

From where I sit, I'll bet this makes her even more popular with the students. It's nice to see an expert admit she occasionally makes a mistake. Too many so-called "experts" claim they're never wrong on such subjects as what you or I ought to eat... what we should wear... whether we should enjoy beer or butter-milk. A really wise person never claims to "know all the answers" all the time.

### First Baptist Church

T. LYNN STEWART, Pastor

The Church in Bible Study, 9:45 A. M. This is an hour for the faithful and earnest study of God's Blessed Word by all ages. The Lord blessed with 539 in the school of the church last Sunday morning. We had 45 visitors and many new members. We are urging our members to be present this Sunday. Help us to reach a much higher number on this Lord's Day. We extend a most hearty invitation

to visitors and new members. We believe you will like this Sunday School.

10:55 A. M. Morning Worship Service. Sermon: "Be Not Deceived." Plain Bible preaching and good Gospel singing.

6:15 P. M. The Church in Training. Training Unions are provided for every age.

7:30 P. M. Evening Worship. Sermon: "Wilt Thou Be Made Whole?" Youth Choir will sing. The Young People start singing at 7:20 P. M.

Wednesday 7:25 P. M. Officers and Teachers meet to study next Sunday's lesson. Prayer Service at 7:35 P. M.

Many parents rejoice in the service rendered by our Babyland. Capable attendants are on hand to take care of the precious babies. We had one baby last Sunday who was less than three weeks old. Numbers of babies are in the Babyland every Sunday morning and night. The pastor and members invite you to attend all services of this friendly, spiritual New Testament church.

You'll Find it in the Star!

### Grade School News

The Hardin Grade School is cooperating this year in United States Saving Stamps program. This gives the children an opportunity to buy stamps each week and makes saving easy and what is hoped to be habitual.

Understanding of arithmetic and budgeting can be effectively taught and understood by participation in the Stamp program. The program of saving can be made understandable to the child through his participation. It is one thing to talk about saving, but very different to the child when he can see the stamps grow in actual value and the value has much more meaning when they grow into a Defense Bond.

Each child that is participating in the Stamp program is growing in civic responsibility. He is helping to share in Democracy.

The sale of stamps is running about \$50.00 per week. This would average about 10¢ per child per week. At this same rate of purchase would result in more than 50 of the \$25 bonds bought in stamp value per year. Over a period of five years this would lead to a very nice saving account for the grade school boys and girls participating in the stamp purchases.

Mrs. Elsie Crosley, Mrs. B. L. Turner, Mrs. Bessie Scruggs, Mrs. J. B. Ady, and Mrs. Lou Ethel Boyd attended the meeting of the Eastern Star in Devol, Oklahoma on Monday night. They report they enjoyed the friendliness and hospitality that they received there very much.

**Gas Co. Loan**

The Gas Company has a \$10 million loan from the new loan program, and the new loan will finance a continuing program, and working capital until the system-wide rate increase is realized. The new loan is for \$10 million, and the remaining \$10 million will be used to bring working capital up to required levels in addition to increased revenues which are expected to be realized from new rates which are being "ear-

Oklahoma.

The financial transaction with Prudential was described as one of the largest ever "closed" in Texas. Announcement was authorized by Lone Star President, D. A. Hulcy of Dallas shortly after 10 A. M. on October 15 when formal "closing" ceremonies were held in the board room of the Republic National Bank of Dallas.

The new loan bears an annual interest rate of 3 1/2 per cent and has a term of 25 years beginning October 1, 1952. Negotiations for the loan were conducted by D. A. Hulcy, President of Lone Star, who dealt mainly with Charles Fleetwood of Houston, Vice-president in charge of the Southwestern Home Office of The Prudential Insurance Company of America.

Mr. Hulcy stated that the new funds from Prudential will be used to bring working capital up to required levels in addition to increased revenues which are expected to be realized from new rates which are being "ear-

nestly sought" throughout Lone Star's operating territory in which Lone Star serves more than 600,000 customers in 387 cities and towns in Texas and Oklahoma. He pointed out that the rate increases—"which are greatly needed"—have been recently approved and are currently in effect in "quite a number of cities and towns."

Mr. Hulcy stated that the "loan reflects great growth and development by Lone Star and, while adequate rates are now being requested are needed, it is good evidence that strong financial institutions believe in the future of our company and have faith in the vast territory we serve in Texas and Oklahoma."

**Junior High News**

Burkburnett Junior High School took an active part in Fire Prevention Week. On Wednesday an interesting program was presented to all grade and junior high pupils. This program was presented by Mr. J. H. Speed and the other inspectors of the North Texas Division Field Club. Later there was an inspection of the school building and a fire drill. Both were found to be satisfactory.

Report cards were carried home by pupils on last Wednesday, and work was begun on the second six weeks.

The buying of Savings Stamps is still being stressed, and many pupils are developing the habit of purchasing them each Wednesday.

**Necchi Acquires Distributorship for Swiss Machine**

The Necchi Sewing Machine Sales Corporation has acquired sole distributorship rights in the United States for the Swiss made light-weight Elna portable sewing machine, it was announced today by Leon Jolson, president of Necchi.

Mr. Jolson said that a new corporation has been formed to handle the distribution of the Swiss made precision machine. The new company will be known as the Elna Corporation of America, Inc.

The local franchise for the Elna has been awarded to BOYD BROS., Burkburnett, Texas, the local Necchi dealer.

The Necchi president said that he expects to import more than 50,000 machines with a gross retail value of \$10,000,000 within the next year. He added that the Necchi company will gross a record \$25,000,000 at retail this year, and with the increased Necchi production in 1953, the combined gross retail sales of both companies is expected to go well over the \$40,000,000 mark in 1953.

In taking on the new line, Necchi becomes one of America's largest importers of foreign manufactured products.

Mr. Jolson emphasized the fact that the Elna portable is being brought to the country to supplement the Necchi line and not to replace any Necchi models. "To put it another way, it's like an automobile company which makes quality automobiles, and decided to add a sports model to its line to meet demand," Mr. Jolson explained. He declared that the Elna machine will in no way conflict with the sale of Necchi machines. "We will still continue to promote the full line of Necchi machines and cabinets in much the same manner that we have in the past," he asserted.

Unity Garden Club  
Met Last Thursday  
With Mrs. Riley

Mesdames J. B. Riley, B. H. Alexander and Roy Magers were hostesses to the Unity Garden Club in the lovely home of Mrs. Riley on Thursday, Oct. sixteenth.

As it was Founder's Day, Mrs. Magers brought a brief history of the club, telling what it had meant to her. She was the first president. Mrs. Jim Alexander and Mrs. W. H. Cross are the other charter members, still in the club, which was organized October 22, 1941 with 15 members and the yearly dues were 50c. An outstanding work was done with the Red Cross that first year. They made 167 garments, giving 829 hours of work, which was more than any other organization in Wichita County. Mrs. Cross and Mrs. Alexander led in the number of hours work given. Since then many spots around town have been beautified, blood has been donated, and many needy children have been helped by the efforts of the club.

Mrs. Neal-Hall, in telling of The Lure of the Lilies, gave their history and development, their many fascinating types, how to care for them, and how

**Bulldogs Take This Week Off**

By Donald Blackwell

The Burkburnett Bulldogs will have an open date this week. Bulldog mentor Joe Bob Tyler will be drilling the squad for the Quannah Indian game which will be played Friday week.

The Bulldogs played against the Nocona Indians last Friday without the services of their two starting tackles, Byron Key and Wendell Hale. Key missed the game due to an injury received when the Bulldogs played Temple, Oklahoma. Hale received a broken leg early in the first quarter of the Nocona game. Hale will be out for the rest of the season, and Key will be a doubtful starter against Quannah. Hale was all-district last year.

The Bulldogs coasted to their sixth straight win of the season as they downed the Nocona Indians, previously undefeated, by the score of 49-14. The Bulldogs recovered five costly Nocona fumbles in the first half to set up three touchdowns. Bulldog wingback Jerry McClure scored three times in leading the Bulldogs to victory. Fullback Donald Knox scored twice and end Donald Gee ran back a kickoff for 80 yards and paid dirt. Bowden Mabon showed his skill in kicking extra points as he kicked four out of six attempts. This proved to be a costly win for the Bulldogs as it will lower their chances of downing Quannah without the services of Hale. Reserve tackle Jack Sites will take over the spot made vacant by Hale.
