Largest Football Crowd Attended Game Here Friday

Bulldogs Whipped Olney 20 to 13

(Ed's. Note: We are indebted to the Wichita Falls Record News for much of the following statistical information. Their sports reporter, Bud Worsham, did an exceptionally good job of covering this game).

One of the largest crowds ever to assemble at Bulldog Stadium witnessed the Burk Burnett-Olney conference football game here last Friday night.

Two long touchdown passes—one for 59 yards and the second for 43 yards—by Tailback Gerry McCabe shot Coach Joe Bob Tyler's Bulldogs into their first half lead.

The extra point kick which would have put Olney ahead was partially blocked, and the fired-up Bulldogs took the ensuing kickoff and charged 66 yards in 10 plays for the winning touchdown, climaxed by Fullback Don Joe Prescott's one yard plunge on a fourth down try.

The Bulldogs played without the services of Kenneth Richardson most of the game. He was possibly injured on the first play of the game, but remained with his teammates until the latter part of the first quarter. Richardson suffered a fractured collarbone and will be out of uniform for some two or three weeks.

Olney lost its great leader, Quarterback Philip Slater, early in the second quarter due to a nose injury and the Cubs were near-helpless until he reappeared at the start of the third period.

McCabe and Prescott sparked Burkburnett to its second conference victory and the Bulldogs' fifth straight triumph. Olney, which upset Childress 18 to 14 the previous week, dropped its first District 2A-3 contest.

The line play was furious throughout the game. Jack Sites, E. C. Mann, Dale Boren and Gary Bean were outstanding for Burkburnett.

McCabe passed to Dale Boren for Burk's first touchdown, and to Joe Randal Bryant for the second, just before the half ended. Don Joe Prescott crashed the line for the third score.

To Wellington This Week This week the Bulldogs go to Wellington for another conference game. Next week Electra comes to Burkburnett, and the following week Burk goes to Childress. It is some 130 miles to Wellington, so leave early, drive carefully and arrive safely.

Burkburnett Study Club Enjoys Steak Supper October 12

Members of the Burkburnett Study club gathered in the backyard of the home of Mrs. Grace McIlheren Oct. 12 for a steak supper. Delicious steaks with all the trimmings were served to the following: Mr. and Mrs. Alvin Hill, Mr. and Mrs. F. C. Royce, Dr. and Mrs. P. A. Carpenter, Mr. and Mrs. F. A. Jamison, Mr. and Mrs. Roy Mitchell, Mrs. Howard Henderson, Marian Ragsdale, Martha Parr, Mr. Gary Warren and the hostess, Mrs. Grace McIlheren.

A very enjoyable evening was had by all.

Mr. and Mrs. H. C. Thompson of Burkburnett and son Eldon Thompson and family of Iowa Park, Texas were week end guests in the home of Carter Thompson in Ft. Worth. They all attended the Dallas Fair.

Mr. and Mrs. J. C. Adams and J. C. Adams, Jr., entertained Miss Margaret Mathews of San Antonio, with a dinner in Wichita Falls Monday.

Burk Jaycees Honored by State Jaycee President

Members of the Burkburnett Jaycees will meet at 8:00 P. M. tonight (Oct. 22) at Town Hall where they will hear the president of the Texas Junior Chamber of Commerce, Tommy E. Cook of Baytown, outline and discuss plans and programs which are sponsored by other Jaycee groups throughout the state and which could be adopted by the Burkburnett Jaycees.

President Cook is asking all young men, age 21 through 35, to be in attendance. Membership in the Jaycees is not necessary. Selection of officers for the ensuing year will be an item of business to be discussed.

The Burkburnett Jaycees were responsible for the building of Burkburnett's Youth Center, which is now being enjoyed by youth and various groups throughout this area. In the process of accomplishing this mission they accrued a considerable debt and other obligations. At this time, however, almost all of this indebtedness has been retired and the local club is ready to launch on other civic projects.

The State President and other members of the State Office staff were in Burkburnett recently to make arrangements for this special meeting tonight.

Sponsored by Burk Council of Garden Clubs

Public Invited

An Autumn atmosphere will predominate at the Fall Flower Show Thursday, October 29th, 2:30 to 8:00 P. M., at the Town Hall, sponsored by the Burkburnett Council of Garden Clubs.

Committee chairmen are having final meetings this week to complete plans for the show.

Mrs. Walter Riley, Junior chairman, entertained her committee with a coffee Monday morning urging all members to be at Town Hall Wednesday, October 28th at 8:30 A. M. to help with the staging.

Mrs. P. A. Wiggins held a meeting at her home Tuesday morning to finish plans for the hospitality committee who will serve a brunch at her home to the nationally accredited judges who will judge the show. This committee will be in charge of hostesses during the show and a tea plate will be served the visiting guests and club members. Mrs. Walter Bohner will be in charge of decorating the tea table. The Fashion Rose Garden Club members will assist with hostess duties at the tea table.

Mrs. Carl Morrison entertained the entries and classification committee at her home on Tuesday afternoon giving instructions in receiving and classifying entries. The entries will be received on Thursday, October 29th, from 8:00 to 10:00 A. M.

Mrs. Jude Willingham, staging chairman and her committee will meet at Town Hall Wednesday, October 28th, at 8:30 to complete the staging for the show.

The publicity committee has placed the beautiful hand made posters in the business store windows advertising Autumn Glory Flower Show. The posters were made by the Burkburnett Art Club.

The public is most cordially invited to enter exhibits and attend the show.

Grade School News

We have had the excitement of taking our report cards home for the first time this school year. We had to explain some as to why the teachers did not give as high a grade in some subject as had been earned, but finally secured the necessary signature and deposited the meritorious card back in custody of the teacher.

Spooks are beginning to appear on Bulletin boards of the various rooms. Some of the spooks seem to be somewhat out of shape but any way the purpose has been served.

WHY ADVERTISE?

The following is reprinted from the Wynne, Arkansas Progress:

"The late William Wrigley was once riding with a friend in a crack express train from New York to Chicago. His companion was curious to know why the magnate continued to spend so much money on advertising.

"Your gum is known all over the world," he said. "Why don't you save the millions you are spending on advertising?"

"Wrigley pondered a second and then asked, 'How fast is this train going?'

"About 60 miles per hour," replied the other.

"Then," asked Wrigley, "why doesn't the railway company remove the engine and let the train travel on its own momentum?"

A GALLON OF GASOLINE

A top officer of one of our principal oil companies recently made a speech entitled "A Gallon of Gasoline." And what he had to say about that universally-used product typifies the vast progress oil has made in every phase of its operations.

Back in 1912 and for some 10 years thereafter, gasolines had an octane rating of 40 to 60. Today most of the premium gasolines we motorists use exceeds 90 on the octane scale, and special purpose fuels go as high as 130. The result is that two gallons now does as much work as three did in the past—which is not only a real economy for consumer, but an important factor in oil conservation.

This is the result of research, of endless trial and error search for ways and means to make each gallon of crude produce both a greater variety of products and more efficient products. A modern refinery is a miracle of chemistry, and the products which flow out of it in an endless stream reflect that miracle.

In the matter of price, the consumer has been well served too. In 1912, for instance, gasoline sold at retail in typical cities for about 18 cents a gallon and a loaf of bread cost six cents. Now gas, exclusive of the taxes over which the industry has no control, sells for around 22.5 cents and the loaf of bread costs 16. In other words, in terms of bread, a gallon of gasoline without sales tax is now only about half as expensive as it was then. And what is true in the case of bread is also true in varying with most other commodities in general use.

OVER-DRIVE NEEDED

Postmaster General Summerfield is going to have to hurry to get those new commemorative stamps out on time. We refer to the one that is to honor the trucking industry and is scheduled for its first-day sale at Los Angeles on October 27 when the American Trucking Associations meet there in annual convention.

Truck experts (including General Summerfield, a seasoned Chevrolet dealer) will have turned thumbs down on the drawings. The truck in the proposed design looks too real! Now the artist has to draw a truck that ain't — which will be a composite of many different makes.

Even so, a lot of people are going to bet each other it's a This or a That. But the stamp, which shows the None-such Truck on its way from the country to the city with a load of limphuds or noopnedides, will nevertheless memorize the fiftieth anniversary of the victory of h. p. over h.

That is, if they can get a picture that looks like a truck—but not too much.

The Danger In Price Support

A late issue of the Saturday Evening Post carried a vivid article by Lewis Nordyke entitled "The Big Cattle Bust of '53". That is no exaggeration. The savage drought hit the plains country at a time when cattle values were high and the cattle population was very large. The post-war boom had brought men into the cattle business who,

in Mr. Nordyke's phrase, "knew no more about a cow than a steer does about biology." Many of the people were deep in debt when the day of reckoning came. Between May, 1952 and this fall the value of the cattle on America's ranches and farms dropped by the incredible figure of \$7,000,000,000.

To make a bad matter worse, government price support kept the price of livestock feeds at levels which, to the hardpressed cattlemen, were practically out of sight.

Inevitably, some producers demand that cattle prices be supported as well. But this was not the universal attitude of the cattlemen a long shot. For the most part, the experienced old timers in the business holding to their traditional attitude that they'll solve their own problems by themselves in one way or another. Mr. Nordyke quotes one leading Texas rancher as saying, "Price support on beef cattle would mean government control of production. It would mean the government would run the cattle business. It would also mean high beef prices for the consumer. The potato subsidy did not help the potato growers in the long run. Look at the dairy business. The butter subsidy has practically killed the market for butter."

Every producer of livestock, on a large or small scale, should ponder that. Government aid inevitably results in government domination.

GRASS ROOTS OPINION

FRANKLINVILLE, N. J. Sentinel: "The death of nine children in one day, recently in discarded refrigerators, provided shocking evidence that the danger—is still a very real one. Despite the fact that every death in a discarded refrigerator is inexcusable, they continue to occur because of the irresponsibility of adults."

BABYLON, New York Eagle: "It is axiomatic that when people support the government, they control the government. This is what we as a free nation have always demanded and glorified in. Now, the exact opposite axiomatic, is spreading, and has been for 20 years: When government supports the people it will control them. That's the last thing we want to see happen because it leads to dictatorship and tyranny."

HAGERSTOWN, Md., Morning Herald: "All we can say is that if a large debt is a national blessing we seem to be on the road toward eternal bliss in this country. We wish we could believe it."

FREEPORT, Pa., Journal: "We must face reality—and not expect our government to play Santa to all wants and needs."

"Bigger pies, not smaller slices"

We ran across a new word the other day... "demographer." That's a research man who studies statistics on births, deaths, populations.

Well, it seems the United States will have 20 million more people aboard by 1960, or thereabouts. Logical enough. We gained 20 million people in the forties.

Bigger pies are the order of the day. In the electrical industry, for instance, men with sharp pencils have figured that demand for electric power will have doubled during the decade ending in 1960. More power equipment is therefore needed. More electrical machinery for industry.

And better pies. Americans insist on better products, year by year. Somebody has to pioneer things. Looking ahead for five, ten, fifteen years—creating new and better products and improving old ones—that is the business of General Electric. For seventy-five years progress has been our most important product.

The babies who come into the world today won't want smaller slices of the world's goods and opportunities. Or even the same slice. They'll want more. Wait and see. Nothing less is worth planning for by the people who must organize for the future. It's no job for pessimists.

Philbert Performs For S-W Bell At The Dallas Fair

Philbert, the smartest mouse this side of Hollywood, will be the star performer in the Telephone Exhibit at the Texas state Fair in Dallas, and one of the hits of the exposition, predicts Manager J. H. Spence of Southwestern Bell Telephone company here.

The educated electronic mouse will make his first public appearance in the Southwest at the Fair. He can find his way through a large carity of complicated mazes to a piece of "cheese" at the end, and then remember and retrace his path through the winding passage.

Philbert is carved from wood, has copper whiskers, and is activated by telephone relays, or switches, the same as are used to furnish telephone service, Spence said. The antics of the little rodent are comical when he is searching his way through the maze, but he is strictly business when he goes over the path the second time from memory without any hesitation and without veering to the right or left.

Rivaling the long-remembered mouse in interest at the exhibit will be a demonstration of the transistor, which has been called the most important electronic discovery since the invention of the vacuum tube, according to the manager. An invention of telephone scientists, the tiny transistor is expected to replace vacuum tubes in many communications jobs. This little gadget, about the size of a .22 calibre cartridge, may make wireless telephones and even peraps

"Dick Tracy" wrist radios possible. One of the transistor-powered devices shown at the exhibit will be a short wave radio transmitter about the size of two packages of king-sized cigarettes.

In Memory Of Mrs. Josie Spence

Mrs. Josie Spence, 84, passed away Oct. 8 at the home of her daughter, Mrs. M. F. Wright in Nocona, due to a heart attack. Our grandma passed away when mother was 2 years old. From that early age, she started the life of self sacrifice. She was saved at an early age and a member of the Presbyterian church. She was born, raised and received her education in the state of Kentucky. She also taught school in Kentucky. She was married to J. N. Spence and to them were born 3 sons and 4 daughters. They lived together 59 years before he passed away on July, 1950. Two children also preceded her in death.

We thank you for the flowers, but the most precious flower is the never fading nor wilting flower that you gave her while she lived in Burkburnett. It's petals are your visits to her in my home, your hand shake, your how do you do, the welcome you gave her in my Sunday school class and church and also the Methodist church. The stem of this flower is made up of the times you people took her to your home and gave a meal, refreshments or just a chair to sit a while. I see a green leaf waving in the pure air of your prayers, love and sympathy. To me this leaf is the Sunday school teacher who taught her and who when the storms of life was very dark said: Mary, put you hand in the nail scarred hand. God will never put more on you than you can bear.

May God Bless all of you. The family of Mrs. Josie Spence.

John and S. H. Spence, Mrs. Janie Allison, Mrs. Jimmie Wright and Mrs. Mary Wood

A Word to the Wise

With everyone from wind-watchers in Michigan and amateur naturalists in Ohio predicting a cold, cold winter, smart motorists will take the tip offered by lovely Nancy Woodruff—"Miss Anti-Freeze." Have your car made safe for winter driving NOW, says Nancy, and avoid the jam-up usually found in service stations at the time of the first freeze. Make sure your car's radiator is protected with a top-quality anti-freeze, such as the permanent type "Zerex" or the standard quality "Zerone"—both made by DuPont. Then you can drive your car without worry, no matter how low the temperature.

Trinity Lutheran To Observe Mission Sunday

The members of Trinity Lutheran church at Clara will celebrate their annual Mission Festival, Sunday, October 25, with two services, at 10:45 a. m. with Chaplain Arthur W. Wingo of Sheppard Field, preaching, and the Rev. J. H. Kollmeyer of Grace Lutheran church in Burkburnett, delivering the message at 2:30 in the afternoon.

The purpose of these special services is to encourage Christians to bring the Gospel of Christ to the unchurched, to proclaim to all who know it not, at home and abroad, either personally or by proxy, that "God was in Christ, reconciling the world unto Himself, not imputing their trespasses unto them. For He hath made Him to be sin for us, who knew no sin, that we might be made the righteousness of God in Him." Cor. 5:19-21

VETERANS Administration 603 B Main Street Dallas, Texas

Questions and Answers

Q—I have an ordinary life policy under National Service Life Insurance. I want to change to a 20 payment endowment policy. I am not a disabled veteran. How can I go about making the change?

A—You should apply to the VA district Office that handles your account. In order to make the change, you will be required to pay the difference between the reserve value of the new policy and the reserve on the old policy.

Q—My daughter, who is past 18, is attending school. She has been receiving compensation payments from VA, based on the death of my husband, a World War I veteran. She plans to drop out of school for several months during which time, I understand payments will stop. Will the

payments start again once she resumes school?

A—They will, provided she sends VA evidence that she has resumed school. If VA gets the evidence within one year, the renewed payments will be effective as of the date she started class. Otherwise, the effective date will be the date VA receives the evidence.

Q—I've been taking on the job training under the Korean GI Bill for eight months in automobile mechanics, but I want to change to a different job training course in television repair. When I change, will I receive the full beginning rate of GI allowance, or a reduced rate?

A—You will receive the full beginning rate of allowance in your new course, even though you have been training long enough in your old course for the rate to be reduced. Your first reduction in your new course will be made four months after you start it.

Q—I trained for 48 months under the World War II GI Bill, and then I went back on active duty. Am I eligible for additional training under the Korean GI Bill, now that I've been released from service?

A—No, Under the law, veterans with 48 months of training under the World War II GI Bill may not be eligible for additional training under the new Korean GI Bill. Those with less than 48 months of World War II training, however, may be entitled to training under the new law.

Gleaners Sunday School Class Enjoys Party

Members of the Gleaners class met in the home of Mrs. Helen Grizzle, Oct. 15 for their monthly business and social meeting. Those sharing hostess duties with Mrs. Grizzle were Mrs. Effie Garret and Mrs. Stella Pace. The meeting was opened with prayer by Mrs. W. R. Carswell. Visitors were greeted after which the president, Mrs. Ruth Ramsey, conducted the business session. Mrs. Alene Friedls brought the devotional. Mrs. Leona Miller, social chairman, conducted a very mysterious evening of entertainment in keeping with Halloween.

Delicious refreshments were served to 17 members and 5 visitors.

Garden Club Met Wed., October 14th

The Fashion Rose Garden club met in the home of Mrs. J. L. Reagan, Jr., Wednesday, Oct. 14th at 2:30 p. m.

The meeting was called to order by the president, Mrs. Harley Evans. This was a called meeting to elect a new secretary and to select our colors and flowers. The colors chosen were green and white and the flower will be the Fashion Rose for which our club is named.

Mrs. Ralph White was our guest speaker for the afternoon. She showed us slides of the Garden and colonial homes on her trip through Miss. and Ala. It was very interesting and we thank Mrs. White very much.

We had a discussion on general gardening in Oct. by one of the members.

Hostess, Mrs. J. L. Reagan, Jr. and co-hostess Mrs. J. R. Sprague Jr. served delicious coffee and cake to the members and guest.

Jay Felty underwent surgery in the Baylor hospital in Dallas last Friday. The operation was a complete success and Jay hopes to be home in about two weeks.

Why Go Back One Year?

The very moment you drive a 1953 series car out it immediately becomes one year old in model.

You may get what you consider an over allowance on your present car on the purchase of a 1953 model, but you will lose the over allowance when the 1953 model is traded back to a dealer.

If you buy a 1954 Dodge or Plymouth now you will be driving a current model car for 12 months.

Come in and inspect the elegant, new 1954 Dodge and Plymouth and you will agree that these are the most beautiful cars that we have had the opportunity of presenting.

Circle 2 of WSCS Met In Home Of Mrs. A. R. Bunstine

Circle 2 of the WSCS of the First Methodist church met on Monday, Oct. 12th in the home of Mrs. A. R. Bunstine with Mrs. D. M. Lowery as co-hostess. After a short business session conducted by Mrs. G. D. Scruggs, the meeting was turned over to Mrs. T. M. Jenson who brought the devotional "Christ the Sower". Scripture was taken from the book of matthews. Mrs. Wiggins brought the article "Colegio Gertrude Hauks" by Elizabeth M. Lee. Mrs. Otis Evans brought "Good Border neighbor by Eunice Jones Strickland."

Mrs. Jenson dismissed with prayer.

Lovely refreshments were served to Mesdames J. B. Grace W. H. Holt, R. D. Revier, Homer Gilbert, D. M. Morris, P. A. Wiggins, G. D. Scruggs, J. P. Lawler, T. M. Jenson, Otis Evans, Blake Browning and the hostesses Mrs. A. R. Bunstine and Mrs. D. M. Lowery.

Mr. and Mrs. Cliff Harris of Amarillo, Texas visited in the home of Mr. and Mrs. N. H. Harris over the weekend. Cliff is a son of Mr. and Mrs. Harris.

Mr. and Mrs. Jack Duke spent the weekend in Dallas in the home of Mr. and Mrs. Noel Duke. They all attended the Dallas Fair.

Do Not Delay Car Inspection

Automobile inspection stations in this area are going to jammed unless motorists begin having their vehicles inspected within the next few weeks.

This warning was issued today in Austin by G. C. Morris, executive director of the Highway Safety Council. He said a cross-section survey of inspection stations, including those in this area, indicated only four cars of every hundred had been inspected.

The inspection period, under the new law, began Sept. 15 and will end April 15.

There are more than 3,000,000 vehicles to be inspected, and the first 30 days of the seven-months period only a fraction of that number, roughly 125,000 have been checked, Morris said. The proportion of cars inspected in this area is about the same as statewide, he said.

"There is almost certain to be a last minute rush unless there is a speed-up in inspections," he said, urging motorists in this section to avoid the rush by having their cars examined now.

Morris said there was also the safety precaution to be considered.

"Most cars have not been inspected in more than a year and may have developed some mechanical defect," he said.

"You may be gambling with your life if you are operating a mechanically unsound vehicle. Accident figures show that one traffic death in every ten in Texas is caused by faulty mech-

anism."

The new law, Morris said, calls for the inspection of brakes, lighting equipment, horns, rear view mirror and windshield wipers.

He urged motorists, however, to request steering parts be also included in this inspection.

Safety experts agree that automobiles should be inspected at least once a year as insurance against mechanical defects, Morris said that if motorists wait until near the spring deadline to have their cars examined, it will mean that many cars will not have been inspected for 18 months, three times longer than practical.

Home Christmas Decorations Theme Horticulture Talk

"Christmas decorations inside and outside the house" was the theme of a lecture and demonstration given by Dorothy Biddle of Pleasantville, N. Y., before members of the nine county Santa Rosa Horticulture Society and their guests Tuesday afternoon in the main banquet room of Wilbarger Memorial Auditorium. Miss Biddle, who calls herself "not a perfectionist but an impressionist", made door decorations and gave suggestions for other outside decorations. Covering all phases of Christmas decorating. Miss Biddle made arrangements suitable for use on tables, mantles and other places in the home.

Preceding the lecture, Vernon members of the Society were hostesses for a luncheon meeting. Colorful arrangements of fruits and flowers were used to highlight the tables. The February meeting of the organization will be held in Burkburnett and a film on soil conditions, produced by the Monsanto Chemical Co., will be shown. Approximately 25 women from Burkburnett attended the meeting.

The regular meeting of the girls 4-H club was held Oct 21 at 2:00 p. m. in room 16. We did not have a leader, but we went on without one. We sang some songs. There were 33 members present. The club dismissed until the next regular meeting.

Happi Time Blue Birds Meet With Mrs. T. H. Holman

The Happi Time bluebirds met Friday, Oct. 16 in the home of their leader, Mrs. T. H. Holman. After the business meeting, Halloween masks were made. We are planning to participate in the coming flower show and want all the mothers to be present at our next meeting, Oct 23. We will have a visitor to demonstrate something we might enter.

Jr. RA's Of First Baptist Church Met October 19th

The Jr. RA's of the First Baptist church met Monday, Oct. 19 in the JOC class room. Carlos Ramsey opened the meeting with the RA commission and decoration followed by sentence prayer. Richard Hinkle began and Brian Teal ended them. Today was rank day. We had 4 squires and 6 pages. We were served refreshments and dismissed with prayer.

WMU Holds Meeting October 20th

The WMU of the First Baptist church met Monday, Oct 20 at the church for Bible study. Mrs. O. L. Clark is the teacher. There were 27 in attendance. Mesdames Ralph White, A. L. Gilbow, R. C. Gilbow, Thomas Campbell and Neal Hall of the Unity Garden club went to McKinney Thursday, Oct. 15 for a district 2 board meeting of Texas garden clubs Inc.

Wednesday GUNN BROS. Double Stamp Day

Calvary Baptist Church

College & Ave B

These are days when the greatest sin against God is neglect and forsaking God and His Word. Every church today has to put on little children contests (for Adults), beg and plead apologize and pet, call and write, visit and phone, pump and prime, and about everything else in order to keep so-called Christians attending the services of the church. Yes, they all do it, and some even go so far as to put on special entertainment to keep people coming. What a dirty shame and disgrace when supposedly intelligent people let God play second fiddle to the world. And some of you "So and

so's will sit off to one side and find everything you can to criticize trying to justify your own onerousness in not doing what you ought to do. The greatest heritage you have, is that Christ left in His Word and in His church. What are you going to do about it? Let kin-folks, television, fishing parties, etc, keep you out of your place? I would like to encourage you to be real men and women for Christ. Put selfishness aside. Go to church Sunday. We invite you to Calvary Baptist if you are not affiliated elsewhere.

Sunday School at ten a. m. All classes will be studying the 5th chapter of Genesis. This will be a special study of the ten names in the genealogy of Noah, which study is a gold mine of spiritual wealth. Welcome to one of our classes. We study the Bible only as literature.

Preaching service at eleven a. m. The pastor will bring the message on the subject, "The Iron That Floated," if the Lord directs.

Young people meet at 6:45 for interesting Bible study and fellowship.

Night preaching service at 7:30 After a good song service, the

pastor will bring the message. If it pleases the Lord, the subject will be, "The Mighty Man Samson, Where Did he Get His Power?"

Welcome, neighbors to this friendly old-fashioned, missionary Baptist church. The church independent of all denominational organization, but strictly depending on the direction of God in His Word. We invite you to come as you are and hear God's Word as it is. You will be no stranger at Calvary Baptist.

Mrs. Paul Kaiser Hostess to Missionary Society

Grace Lutheran Missionary Society held their regular monthly meeting with the presiding officer, Mrs. Clarence Schroeder. The opening hymn "Savior I Follow On" was sung by the group accompanied by Mrs. Arthur Ramming. The chairman appointed different committees for the Mission Festival which will be held Sunday. The nominating committee consists of Mesdames Arthur Ramming, Earl Rinefeldt and Fred Bunges. The year book committee, Mrs. Arthur Ramming and Mrs. Oscar Frieling.

It was announced that the Sunday school classes will be selling Christmas cards. The fall rally will be held at Clara on Nov. 12 and it was urged every member go if possible. The new adopted constitution was read by the secretary, Mrs. Paul Schroeder.

Mrs. Arthur Ramming introduced Mrs. Clarence Koeing for the news item which was very interesting on "The Town that Needs No Jail". Mrs. Clarence Koeing introduced Mrs. Paul Kaiser who gave a very interesting paper on "What So Ever of Prayer."

A very attractive plate was served to 16 members and the pastor, Mrs. Kollmeyer invited the society to meet with her in November.

Circle No. 1 WSCS Met In Home of Mrs. S. S. Reger

Circle No. 1 of the WSCS of the First Methodist church met on Tuesday in the home of Mrs. S. S. Reger with Mrs. M. C. Tucker acting as co-hostess. Mrs. B. N. Cauthorn, chairman of the circle, called the meeting to order and presented Mrs. John Rigby who had charge of the program for the afternoon. She in turn presented a play entitled "The Solution." After singing "We've A Story to Tell the Nations", she called our attention to the beautiful worship setting on the buffet, explaining the empty plate close to a loaf of sliced bread. The slices leaning toward the plate symbolized the sharing of the staff of life with the empty plate of the world. Behind this illuminated by a spot light wrapped in silver foil, was a Solomons head of Christ, reminding us of his presence as we shared with a hungry world. The characters of the play were "Mrs. New member" played by Mrs. Rigby, "Mrs. Circle leader" by Mrs. Cauthorn, "Mrs. secretary of literature" Mrs. Pilkenton, "Mrs. Methodist women" Mrs. Melton, and Mrs. Harms played "Mrs. World out look." Mrs. Pilkenton had her dress covered with the backs from all the literature our women society uses. Mrs. Melton and Mrs. Harms had the front and back covers of the magazines they represented pinned on their dresses. It was a clever program and the meditation Mrs. Rigby had woven around it made it very impressive.

During the business session the circle voted to give a donation to the study and action committee to send to missions after the completion of our book "The life and task of the church around the world." About 100 women took part in this study. We also chose prayer partners to pray for our home and foreign missionaries.

Delicious refreshments of individual pumpkin pies topped with whipped cream, olives, coffee and candy mints were served to the following: Mesdames J. S. Gore, Hugh Jones, J. M. Patterson, W. H. Holt, T. M. Jensen, F. L. Pilkenton, Tom Harms Bill Cauthorn, W. C. Gage, John Rigby, B. H. Alexander, O. E. Melton and one guest, Mrs. W. K. Clayton.

Last Week End For State Fair

The last big weekend of the greatest fair of them all — the 1953 State Fair of Texas — will dish up a full course feast of fun.

Friday will be High School Day and thousands of teen-agers will flock to the fair. There'll be a high school talent contest on the Midway stage in the afternoon with finals at 6 p. m. A junior high school football game will precede the Adamson South Oak Cliff high school grid match in the Cotton Bowl at 8 p. m.

A cooking contest for cakes and pies, candies and candied fruits is set for the Women's Building Friday also.

Fort Worth Day at the fair is Saturday, and this is also the day of the second annual State Baton-Twirling Championships which go on all day on the Midway stage. Sunset play North Dallas in a high school football game at 8 p. m. and the Saturday Nite shindig caters to country and western music fans in the handshell.

Palomino horse and Shetland pony halter and performance classes are scheduled for judging Friday and Saturday with performance classes Sunday afternoon for both the silver-maned Palominos and the dainty Shetlands.

There will be judging of silver-maned Palomino and dainty Shetland ponies Friday, Saturday and Sunday. The All-Variety Utility Pigeon Show is scheduled on the same days.

The Junior Livestock Auction Sale of steers and lambs will take place Friday morning.

The Ethel Merman Show has performances Friday night, with both matinee and night shows Saturday and Sunday. Ice Cycles of 1954 has the same schedule. The Aut Swenson Thrillcade has shows Friday and Saturday

nights and matinees Friday, Saturday and Sunday.

The fair ends its current run Sunday evening, Oct. 25, with a solemn Religious Festival in the Cotton Bowl, featuring a 700-voice massed choir, an inspirational address by Dr. Edward L. R. Elson, President Eisenhower's pastor, and special music by the Baylor University, a capella choir.

The gate admission charge to the fairgrounds will be removed at 6 p. m. Sunday. More than 40,000 worshippers are expected to attend the inspiring festival to swell total attendance at the 1953 fair to well over two and a quarter million.

Mr. and Mrs. Bill N. Cauthorn and Mr. and Mrs. L. B. Horr spent two days last week in the beautiful new ranch home of Mr. and Mrs. Y. C. Paschall nine miles out of Brownwood.

The 400 Angora goats were indeed a picture as they came for their evening meal just at sun set, also the large herd of white face cattle munching hay from the long feeding mangers. The catfish, ham, barbecued antelope squirrel and turkey will not be forgotten on the menu.

Mesdames Cliff Cannon, Alvin Hill, Dan Sheriff and Gene McCabe attended the art crafts school in Duncan, Okla. Saturday.

Sleep Necessary Says Health Officer

Sleep is a necessity of life and health, according to Dr. Geo. W. Cox, State Health Officer, and habitual loss of sleep will tend to retard the body's recovery from the fatigue of the day's activities.

"We may be able to go without sleep for a night or two, but too little sleep for a prolonged length of time will undermine the health of a rugged person and turn a cheerful individual into a cross, irritable one," Dr. Cox said. "When good health can be maintained to such a large degree by merely sleeping and thus allowing overtaxed bodies and minds to regain a proper balance, it is hard to understand why so many persons are heedless of this necessary requirement of a balanced program of life."

Some individuals need more sleep than others, the Doctors said, and the most valuable ex-

periment in this line are the ones each person makes on himself. We must take into consideration in this experiment, however, that how well we sleep is as important as how long we sleep. A "good night's rest" means a sufficient number of hours spent in sleep to enable each individual to feel well to do efficient work, and to keep in a cheerful humor the next day.

"Some exercise out of doors each day will help us to sleep soundly at night. We must also have fresh air in our sleeping quarters. Give as much consideration as possible to the comfort of your bed clothes and bed. Do not mull over your problems and ideas after you have gone to bed. Make your plans early in the evening for a good night's rest by slowing down from the physical and mental work of your daily life. When you arise each morning rested and with a feeling of general well-being, you will be amply repaid for your thought in planning a 'good night's sleep.'"

Mrs. R. A. Simson has been in Wichita Falls for the past week under the care of the doctors. She is reported some what improved.

It's quite safe to kiss the bride after the ceremony, but not ten years after.

Philbert, the brainy electronic mouse featured in the Telephone Exhibit at the State Fair of Texas in Dallas this month, causes mock alarm from two Southwestern Bell Telephone Company lovelies, Mrs. Wilma Ogletree and Mrs. Daisy Reilly. They really aren't afraid of Philbert, for he is only a piece of carved wood and metal, and they have a great deal of respect for the educated rodent who can solve a variety of complicated mazes to reach a piece of "cheese" and can remember the way and retrace his steps through the winding passage.

Social Science Conference Series Held At MU

The First meeting will be held at 9:30 a. m. on Saturday, October 24, in the Indian Room of the University Center on the campus of Midwestern. The topic for this session is "The Historical Development of States' Rights vs. Centralization." The case for States' Rights will be presented by Dr. John Cravens, and the case for Centralization

will be presented by Prof. A. F. Edwards.

The series is sponsored by the Department of History, Political Science, and Sociology, under the chairmanship of Dr. V. M. Smith.

The public is cordially invited and urged to attend. Following the presentation by the speakers, the floor will be opened to questions from the audience.

There will be no admission charge.

Jack Jordan of Loving, Texas is in a serious condition in a Dallas hospital. Mr. Jordan formerly lived in Burkburnett for many years.

Turkey Show Winners Named

The kids showed off their birds Saturday in the first annual Jaycee-sponsored Turkey and Brioler Show held on the courthouse lawn.

With a crowd of passersby and proud parents looking on, judges selected the champions and pinned ribbons on the cages.

Leonard Luckett and Ralph Swinford, students at Burk High school, veterans Four-H clubbers, took grand and reserve championships with turkey toms, and James Whitaker and Phil Stout, promising new members, won grand and reserve ribbons with hens.

The broiler show was dominated by 11-year Lyndon Stodghill and 13-year old Frank Martin. They copped the grand and reserve, with pullet hens.

Following the show, the grand champion hen was purchased from young Stodghill by Jack Martin of the Center Frozen Food Locker. The top turkey tom was bought by Lester Hickory Inn, and the top hen by Giliard's Restaurant.

The show was conducted by County agent B. T. Haws and Bob Frank, chairman of the Junior Chamber of Commerce agriculture committee.

Judges were George Stodghill poultry supervisor at the State hospital; L. G. Davis of Ray's Hatchery; and Bill Gann of Nutrena Mills.

Purpose of the show was to interest Wichita County Four-H Clubbers in the economical production of good quality poultry, according to Jaycee officials

New Telephones From Old

NOTHING IS WASTED in the telephone business. No stone is left unturned in our efforts to hold down the price of good telephone service. Telephone instruments, for example, are used and re-used. When a telephone is removed from a home or office it is checked. If anything is wrong, it is repaired, cleaned, refinished before it is re-issued, every bit as good as new. Economies like this help us keep your telephone service high in value — low in cost. SOUTHWESTERN BELL ... A TEAM OF 27,600 TEXAS TELEPHONE PEOPLE ... AT YOUR SERVICE.

Hardin Club Holds Regular Meeting Wed., October 14th

The Hardin club met Oct. 14 for their regular meeting at 2:00 p. m. in the Town Hall. The group sang a song followed by prayer by Mrs. Hewell. After roll call was answered by 15 members, we had the reports from the committees and a report on the fair by Mrs. Bohner. It was also planned to serve coffee and cookies at the USO on Thanksgiving. The HD club is invited to attend the garden club at the town hall Oct. 21.
There will be an auction sale at our next meeting which will be at Mrs. Williamson's home on Smith St. Oct. 28. The club adjourned at 3:30 p. m.

Third Grade Class Holds Fair

Pupils in Mrs. Hoggard's third grade held a fair in their room last week. Clocks were made by the pupils for classroom study, were displayed at the Texas-Oklahoma Fair at Iowa Park. Interest in a classroom fair grew out of the school exhibit at Iowa Park.
Many interesting exhibits were displayed. Ribbons were presented to the winners of the following division: Articles made by the children: Boys — First, bird house, Gary Tarkington, second, flat boat, Allen Neal, third sail boat, Gary Anderson, Girls — First, doll dress, Pamela Duke, second, apron, Janelle Hinkle, third, embroidery, Linda Lilley. Old articles and antiques: coffee mill, 65 years old, Jimmy Moser U. S. Penny, 97 years old Reba Fields, toy dishes, 100 years old, Linda Lilley, old china, 70 years old, Lottie Champion, Foreign Articles, largest collection Gary Lee Stevens.
Articles made by the children included, doll clothes, dish towels, pot holders, fruit baskets, cannister set and waste paper baskets.
Some of the old articles that fascinated the children were high silk hats, spats, coins, a bible and books.
Articles from Japan, Russia, Arabia, Germany, Mexico and the Philippine Islands were displayed. Special interest centered around the robes, Japanese Kimono, Indian head dress, Arabian curd bowl, Russian somar and Arabian sari.
Several visitors attended our fair.
Mr. and Mrs. Sherman Hill of Munday, Texas, visited in the home of Mr. and Mrs. Ray Hill Wednesday.
Miss Margaret Mathews of Austin, Texas is visiting her sister, Mrs. Ralph White, here this week.
Mrs. Woodrow Elkins and children of Waurika, Okla., visited over the weekend in the home of Mr. and Mrs. W. R. Elkins.

Achievement Day of HD Clubs In Wichita County To Be Held

It was announced that the Home Demonstration clubs of Wichita County are sponsoring an achievement day scheduled for Thursday, Oct. 29. A caravan of cars will meet at the Bank in Electra, Texas at 9:00 a. m. on that day and they will tour some of the outstanding homes in this county. The places they stop will be properly landscaped and each place will feature a different kind of bread that the clubs have baked during the year.
Everybody is most cordially invited to take a part in this tour. You are asked to bring a paper sack lunch as this is an all day affair.
The clubs participating in achievement day are South Electra, Midway, Barwise, Kadane Corner, Park Area, City View, Cooper, Eastland and Gilcrest.
