W. T. Holman Seeks Re-election Com. Precinct 2

I am announcing for re-election as your county commissioner of Precinct 2.

I first want to express my deepest appreciation to my friends and voters of precinct 2 for the privilege of serving you these past 14 years as your commissioner, for the honor and confidence you have manifested in me and for your hearty co-operation given me in the discharging of my duties.

It will soon be time for you to choose your commissioner for the next two years. I sincerely submit to you my application for re-election as commissioner of Precinct 2 upon my past record sincerely rendered. I have a long range program to get all school bus and mail routes asphalted just as soon as I can without voting any road bonds. We have sufficient funds to asphalt some 8-10 miles per year and I am against voting any more taxes for the people of precinct 2. We have just completed 11 miles of new asphalt roads.

It is impossible for me to contact everyone in this precinct, so I am taking this means of asking you for your vote and influence. I want to thank my employees for their co-operation in helping me to perform the duties you have bestowed upon me.

In conclusion, I say if you want continued efficient administration and approve my past record of service as your commissioner, I will be deeply grateful for you to re-elect me to serve you and I will work hard to serve you to the best of my ability.

Sincerely Yours, W. T. (Slim) Holman Your County Commissioner

Social Security Representative To Be In Burk

Bruce Hopkins Funeral July 16

Funeral services were held Friday at 2:30 p. m. from the Randlett Baptist church for Bruce Hopkins, 46, farmer and resident of Devol for 20 years. Burial was at Davidson cemetery with Pearson Funeral Home of Walters in charge.

Hopkins died Wednesday in a Wichita Falls hospital where he had been under treatment following a stroke last month while working at his farm. After his stroke, neighbors helped plow his 130 acre farm finishing the job within 4 hours.

Survivors include the widow; one son, Bobby Hopkins, Devol; a daughter, Mrs. Dora Lindsey; his mother, Mrs. Rose Hopkins, Devol; one sister, Mrs. Helen Robbins, Devol and three brothers, Ed and Robert Hopkins of Devol and Herb Hopkins of Kingham, Ariz.

Former Resident Elected Principal Of Electra School

Mr. James L. Pearson, Jr., has been elected principal of the First Ward School in Electra, Texas. He was a member of the Junior High School faculty last year and has completed work on his Master's degree this summer.

Mr. Pearson is a former Burk resident and graduated from Burk Burnett High School.

Colored Baseball Game Saturday

The Burk Burnett Eagles (Colored) baseball team will be playing the Frederick Clippers at Morgan Stadium Saturday, July 31st, at 8:00 P. M. Recently the Eagles have acquired several new players, so this game should prove to be exciting, plus the fact that it is so hot that one cannot sleep until late in the night. The Clippers have two outstanding players, who were recently members of a professional team.

The Eagles have acquired a face lifting, by obtaining five new players to account for a few weak spots.

NOTICE

Wortham's Tin and Radiator Shop will be CLOSED JULY 26th to AUGUST 9th. O. D. WORTHAM

Mr. and Mrs. R. J. Billingsley and children Robert and Charles and George Reeves of Balparaiso, Florida, are visiting in the home of Mrs. Chas. Kirsh. George Reeves' home is in Wichita Falls, but he has been visiting the Billingsleys in Florida this summer. He will remain with Mrs. Kirsh for the remainder of the summer, or until his parents return from Europe.

Mr. and Mrs. B. O. Willis and Mr. and Mrs. J. W. Allen left Wednesday morning for an extended trip to Pittsburg, Pa., Washington, D. C., and other points of interest.

Mrs. Nellie McGinnis and son H. W. McGinnis of Kennedy, Texas were here last week end for a visit with friends. They are former Burk Burnett residents.

Dr. and Mrs. R. M. Brum- age of Dallas spent a week end with Mr. and Mrs. O. H. Buz- bee recently.

Boomers to Play Windthorst Team For Championship

The Boomers won 3 more games since last week's issue. Their record for the season is 23 games won and only 3 losses.

The Boomers beat Iowa Park here last Thursday night in an Oil Belt League game. The score was 11 to 0, with Jim Price pitching a two-hit game for the local boys.

They walloped Midway at Midway Sunday, 79 to 4, with Wendell McCulley the winning pitcher.

Frederick, Oklahoma, was the next to fall before the boys from Burk Burnett, 11 to 0. Al Richardson allowed only five hits in this game Tuesday night.

For the season, the Boomers have scored 243 runs to their opponents' 62 in 26 games played.

Windthorst Next Windthorst will be hosts to the Boomers there Sunday afternoon at 2:30. If Burk wins this game they will be Oil Belt League champions.

Next Tuesday night, July 27, the Boomers are going to Duncan, Oklahoma to play the strong team there who has already beaten the Boomers in an earlier game this season. A large group of fans from here is making plans to attend the Duncan game. Manager Country Owen is expected to start Lefty Jim Price on the mound at Duncan.

The strong team from Chichasha, Oklahoma, will be here on Thursday night, the 29th.

Old - Fashioned Box Supper At Youth Center 29th

Thursday, July 29th, at 8:00 P. M., an old fashioned box supper will be held at the Youth Center. All maids and matrons are urged to bring boxes of goodies and the misters are to bring their pocket books. There will be cold drinks furnished for each box sold.

The game equipment at the Youth Center is badly in need of repair and new games such as puzzles, dominoes and checkers are needed. The Center will be closed for the month of August and it will be cleaned and waxed and the repairs made if we can raise enough money.

Young people and adults are cordially invited to attend the box supper.

NOTICE BAND STUDENTS

The Burk Burnett High School Band will have new uniforms this coming year and the students will be required to wear white oxfords. It would be to your advantage to get your shoes before summer stocks are depleted.

In some marriages, problems are all relative.

Seventy Boys Out Wednesday For Play Period

Albert Richardson, supervisor of the Boys' Summer Recreation Program, reported seventy Little League boys out for the ball games Wednesday morning. This is almost double the number participating only one week ago.

The Little League boys, up to ten years of age, were out this week selling baseball buttons to raise money to purchase T-shirts and caps. The total sales Wednesday noon amounted to \$167.90.

All the boys up to ten years of age will go to Electra today (Thursday) for baseball games at 3:15 P. M. Several games will be played. Two weeks from today Richardson will take the same bunch to Lawton, Oklahoma, for games.

One new team was organized this week. They will be known as The Texans. All boys in town are invited to join this happy group for good clean fun and recreation.

Burk Cubs, Scouts Attended Swim Meet At Electra Monday

Fire Department Requests Citizens To Use Care In Burning Trash

The Volunteer Fire Department asks citizens to be more cautious and careful when burning trash. Recently several runs have been made to put out grass fires which showed somebody was terribly neglectful in letting the fire get out of control.

Before burning trash, be sure there are no weeds or grass near the barrel.

Keep the barrel covered with fine mesh wire to keep sparks from setting your house or your neighbor's on fire.

Have a water hose handy and connected to a hydrant—just in case.

Before leaving a trash fire, check and make doubly sure that all fire and coals are out.

Your house or your garage is worth more than your time—if you don't have time to watch the fire—DON'T START IT!

GRASS ROOTS OPINION

ELMER, N. J. Times: "One way of judging what the future may bring is to look at the record of the past. The story of American achievement under the individual enterprise system is clear and undisputed."

BELLINGHAM, WASH., Herald: "The National Editorial Association, has protested at its Baltimore convention against what it calls a 'flagrant' regulation, that which makes the mailman a delivery boy for handbills. A ruling permits local post offices to deliver pieces of mail addressed simply 'Boxholder, Route —.' Everyone on the route receives a copy. As a result, mail boxes are jammed with unwanted advertising letters and pamphlets."

MANSFIELD, Pa., Advertiser: "Just as people are able to do better by reviving their past and avoiding some of the errors they have made, so can we as a self-governing people profit by reviewing the history of our nation."

DAWSON, Minn., Sentinel: "We can't reduce taxes unless we reduce expenditures, and we cannot reduce expenditures as long as politicians can get votes by promising more government benefits."

MANSFIELD, Ohio, News-Journal: "The citizens, including the farmer, pays to keep food prices high, to buy surplus foods and to keep them in storage."

THE DESTROYER OF LIBERTY

If you think the menace of super-government is new in the world, read this: "The way to have good and safe government is not to trust it all to one, but to divide it among the many. What has destroyed liberty and the rights of man under every government which has ever existed under the sun? The generalizing and concentrating all cares and power into one body, no matter whether of the autocrats of Russia or France or of the aristocrats of a Venetian senate."

That was written in the early days of this Republic, by one of our greatest statesmen, Thomas Jefferson. What Jefferson fought and argued for was true liberalism, as contrasted with the phoney "liberalism" of today which urges all powerful government, the kind of government that has brutalized and enslaved hundreds of millions of people in the last 30 years.

WATCHING THE PENNIES

In a recent forecast of business conditions to come Roger Babson wrote: "With purchasing power holding well, demand for food products and soft goods will remain at a brisk pace. The public, however, have learned something about watching their pennies. They have become more price-conscious." Mr. Babson then predicted that the best sales records during the last half of this year will be made by the low cost mass distributors, including the food and variety chain systems.

The recent experience of retailers as a whole has been interesting and significant. Dollar volume has been somewhat down, as compared with equivalent periods a year before. But the physical volume of goods moved has been heavy, and in some fields has shown an increase. This is a tribute to the aggressiveness and adaptability of retailers. They have fully recognized the obvious fact that competition is much tougher now than at any time since the last world war. And they have offered the choosy consumer more attractions and inducements in many forms, lower price, better quality, more varied stocks, new items, and so on.

Over the months and years to come, the state of the nation's economic health will be determined in large part by what goes on in retailing. The factories wouldn't maintain their production and employment long if the goods didn't flow across store counters into the hands of the ultimate consumer. It is pleasant to report that almost all the economists, like Mr. Babson, are optimistic as to retailing's future prospects.

SOLUTION

It appears that former President Herbert Hoover, as chairman of the Commission on the Executive Branch of the Government, rather than Senate Joe McCarthy, is to investigate the hush-hush Central Intelligence Agency. More specifically, a task force of the Commission, headed by Gen Mark W. Clark, former Far Eastern commander, and now president of the Citadel, will undertake the job Senator McCarthy, who has charged that the Agency was infiltrated with Communists, says he will turn over his data to the General. CIA Director Allen W. Dulles, brother of the Secretary of State, has denied the charges and at the same time resisted Congressional investigation on the ground that publicity would injure this highly secret operation that is vital to the safety of the nation.

There is much to support Mr. Dulles' apparent obstinacy, and we suspect the Senator knows this and is glad to get off the hook. He may also share our confidence that, under Gen. Clark, the probe will be no white wash.

T. Guy (Pappy) Willis, Inspector of Animals and Brands of Wichita County is asking for re-election in the Democratic election, July 24th, and will appreciate your vote for the man best suited for the job. He promises to serve you with the best of his knowledge and ability.

Foncannon-Durham Recite Wedding Vows Sun. July 18

Miss Barbara Foncannon, daughter of Mr. and Mrs. R. E. Hickey of Burkburnett and Mr. Ralph Durham, son of Mr. and Mrs. B. H. Durham of Wichita Falls, were united in marriage at 12:00 o'clock noon, Sunday, July 18th at the Bible Baptist church in Wichita Falls in a double ring ceremony with only close friends and relatives attending.
 Miss Leona McDonald and Mr. Max Durham of Wichita Falls were the couples only attendants.
 The bride was attired in a light blue street length dress with white accessories and was wearing a white orchid.
 Barbara graduated from Burkburnett High School in 1953 and is now employed by the Southwestern Bell Telephone Co. in Wichita Falls.
 Mr. Durham was graduated from Wichita Falls High School and just returned in May from serving four years in the Navy. He is now employed by a construction company in Wichita Falls.
 The couple will establish residence in Wichita Falls.

Thomas C. Rushing Serving In Korea With First Marines

Marine Pfc. Thomas C. Rushing, son of Mr. and Mrs. E. L. Johnson of 609 E. First Street, Burkburnett, Texas, recently arrived at Inchon Harbor aboard the transport Gen. John Pope to join the 1st Marine Division in Korea.
 The division has been in Korea since shortly after the outbreak of the conflict. From that time until the truce, Marines served almost continuously on the front lines.
 The 1st Marine Division was awarded two Presidential Unit Citations for outstanding combat efficiency during the Inchon landing and the Chosin Reservoir action.
 Mr. and Mrs. O. G. Walpole and girls of Chicago, Ill., are here visiting this week and renewing old friendships. They are former residents of Burk.

VETERANS Administration Questions and Answers

Q— I am a disabled Korean veteran, and I am planning to take vocational training under Public Law 16. Will I have to finish my training by July 23, 1956?
 A— The 1956 deadline applies only to disabled World War II veterans in training under Public Law 16. The training program for veterans disabled since Korea comes to an end nine years after the termination of the present emergency.
 Q— I bought a house with a GI loan back when the top VA guarantee was \$4,000. I'd like to sell my house and buy a larger one. Would I have any additional GI loan entitlement coming to me?
 A— Yes. Your new GI loan could be guaranteed for \$3,500 the difference between the \$4,000 you already used and the current maximum of \$7,500 guarantee.
 Q— I'm getting a pension each month from VA. Is this money subject to Federal tax?
 A— No. VA benefit payments such as pensions, are not subject to Federal taxation.
 Q— I'm planning to take on-the-job training under the Korean GI Bill. The firm where I want to train has applied to the State for GI approval. Could I start training now, before approval comes through, and receive my GI allowances?
 A— No. The payments may not begin until after the firm has received its State approval to train veterans.
 By 1960 it is estimated, the U. S. will have 16 million persons over 65 drawing ten billion dollars a year in retirement funds.

Rotary Club Each Tuesday Noon

Mr. Cliff Wampler presided during the regular noon luncheon of Rotary club Tuesday.
 The first verse of America was led by Clark Gresham. Invocation by Virgil Brookshear. Burn Alexander had charge of the program for the day.
 Mr. Brookshear introduced the guest speaker, Assistant District Attorney Don Short, for him. Mr. Short gave a very interesting and educational talk on segregation.
 Boys of the kid's baseball club sold badges for their club and money derived from this sale will be used to pay for caps and jerseys for their ball club.
 President Wampler stated that Rotary attendance was very good for the past year and stressed the fact that all should put forth an effort to encourage new members for our club.
 Mr. Brookshear announced that a steak supper would be served at his residence Thursday and all Rotarians were invited to come and partake of the barbecued steaks.
 Thirty-five Rotarians and guests were present.
 Those from Wichita Falls club and their guests included: W. P. Howle, Dr. James H. Landes, Joe W. Lauck, Jr., Rufus King, Scotty Scott, Ray Hands, J. H. Sommerill, M. W. McCall, John Estes, J. K. Estes, Andy Andrews, Titus T. Mitchell.
 Mr. C. H. Ware left Monday for Mississippi where he will join his wife and children who have been there for the past six weeks. Mrs. Ware has been visiting with her parents and taking a six weeks course at the University. They will all return home next week.

Air Conditioners Should Be In Shade

A washed air cooler works best when enough windows and doors are open to exhaust its breeze properly and when it is in the shade, Associate Professor John R. Watt of the University of Texas asserts.
 Watt is testing evaporative coolers this summer to determine their best possible performances.
 "When washed air flows thru an area, it absorbs heat from the ceiling, walls, windows, furnishings and people," Watt said "Unless that heat is carried out of the area, it just makes things seem hotter and clammy because of increased humidity."
 Place an evaporative unit where prevailing breezes strike it if possible but keep it out of direct sunlight, Watt advises.

RANDLETT NEWS

By Mollie Ruth Elliott

The WMU met Monday afternoon at the church. Meeting opened with the group singing "What a Friend We Have In

Jesus". Prayer by Mrs. W. L. Trice. The lesson was on Bible study led by Mrs. Joe McCluskey. Members present were Mesdames W. L. Trice, Joe McCluskey, T. L. Wileman, W. R. Baldwin, A. S. Nason and J. W. Penick. Minutes of the previous meeting were read and approved. Roll call was answered with a Bible verse. Mrs. W. R.

Baldwin dismissed with prayer. Word was received here Saturday of the death of Mr. Jim Cornstubble who died at his home in Dallas. He was a resident here in Randlett for a number of years.

Oscar Orles and Cat Parrick of Burkburnett visited Mr. and Mrs. J. W. Penick Sunday afternoon.

Mr. and Mrs. A. J. Shaw accompanied by Mr. and Mrs. C. C. Watkins of Henrietta, Texas, visited Mrs. Kenneth Price and sons of Dallas last Sunday. They also visited Mrs. Jim Cornstubble in Dallas.

Mr. and Mrs. C. E. Knowlton accompanied by Mr. and Mrs. W. H. Black of Abilene, Texas visited Mr. and Mrs. B. O. Kink of Walters recently.

Mr. and Mrs. Smitty Walker and Mr. and Mrs. S. B. Walker of Wichita Falls visited Mr.

and Mrs. Charley Morris Sunday.

Mr. and Mrs. D. L. Alexander and children and Mrs. Louis Alexander are visiting Mrs. D. L. Alexander's relatives in California at the present time.

Mr. and Mrs. J. M. Braden and children spent a week end at Sulphur, Okla., recently.

Mrs. Omie Fisher of Oklahoma City has been visiting her sister and mother, Mrs. Clarence Watson and Mrs. Bell Hawkins.

Mrs. Fronie Burton was here recently visiting relatives and friends.

Mr. and Mrs. A. J. Shaw received word recently that they are the grandparents of a baby girl born to A. I. C. and Mrs. Ross A. Shaw who are in England. Mr. Shaw is known by his many friends as Smoky.

Mr. and Mrs. J. W. Penick visited Mr. and Mrs. J. E. Griffin of the Union Valley community last Friday night.

Mr. and Mrs. Ed Perryman and children accompanied by Mr. and Mrs. Clifford Rhoads of Waurika spent the week end at Sulphur fishing and swimming.

Mrs. Dewey Cornstubble and boys of Devoil visited Mrs. Zada Bryant and Mrs. Inez Hendricks of Devoil and Mrs. Johnny Bryant and children of Burkburnett last Thursday.

Mr. and Mrs. L. E. Ellis of Burkburnett visited Mr. H. C. Rhoads and children Sunday afternoon.

Mrs. Hattie Reeves spent from Friday until Sunday with Mr. and Mrs. C. E. Williams, Mr. and Mrs. Roy Williams, accompanied by Mrs. Mary Cagle and Mrs. Ruby Stockstill visited Mrs. Pearl Johnston, formerly Pearl Williams, of Hale, Mo., who was critically ill. They returned home Monday of last week and received word she had passed away on Tuesday. Those attending the funeral from here were her brothers, Roy, Clarence, and Louis Williams, her sister Ruby Stockstill and her niece, Ruby Williams.

Mr. and Mrs. Glen Soloman and son of Wichita Falls vis-

ited Mrs. Zada Bryant and Mrs. Inez Hendricks Sunday. Bill and Douglas returned to their home after spending the past week with the Solomons.

Mrs. Laura Hopkins and son Bobby and David Martin are spending a few days with Mr. and Mrs. Joe Lindsey at Lawton.

Jimmy Kinnard, son of Mr. and Mrs. T. A. Kinnard, and Miss Willa Dean Stovall were united in marriage July 11th at the Church of Christ in Duncan, Okla. They will make their home South of Randlett. Jimmy has been with the Marine Corps for the past two years.

Mrs. Maud Smith passed away last Saturday. She is a sister of Mrs. Bernice Dice. Mrs. Smith had been ill for the past several years. She had been making her home with Mrs. Dice.

Mr. Rucker James Elliott suffered a stroke at his home Northwest of Randlett July 11. He was taken to the Walters hospital where he passed away July 14th, at the age of 82. He was born Oct. 29, 1871 in North Carolina. Survivors include his wife, Sallie, and one son, Glenn of Randlett; 9 grandchildren; 8 great grandchildren. One son preceded him in death in April 1953. Mr. Elliott was one of the oldest settlers here. He came here during the opening of the Big Pasture in 1906 and homesteaded 2 1-2 miles Northwest of Randlett where he lived until his death.

Out of town relatives attending the funeral were: Mr. and Mrs. M. C. Green of Chickasha, Okla. Mrs. C. G. McGee of Ft. Bragg, N. Carolina; Mrs. W. G. Ried of Lawton.

Funeral services were held Saturday, July 17th, at the Randlett Baptist Church with Rev. W. L. Trice officiating.

Mr. and Mrs. G. E. Lynskey sincerely wish to invite their friends to visit them at the news stand. They will make every effort to supply them with their favorite papers and magazines.

FIRST I want to thank one and all for the honor and privilege of serving you as

ASSESSOR AND COLLECTOR OF TAXES

SECOND I want to take the liberty to give you a history of my stewardship.

When I was first elected the County valuation was \$40,000,000.00. It is now \$94,297,107.00. The population was 40,000; now reported to be 110,000.

The car license department has increased two-fold. Also, the issuing of car titles and collecting sales tax on cars has been added.

With all this added responsibility, I have only had to add two more deputies to handle this increase. We handle about 150,000 items and \$2,000,000.00 in money annually.

I believe I have as good a corps of Deputies as can be found.

We offer you courteous, economical and efficient service the year around. Service to all alike is our motto. I consider my deputies and myself your hired hands and have always endeavored to serve you as such.

On my past record I will appreciate your vote and influence on Saturday, July 24th.

route will be high on the priority for improvement. I will give every problem, large or small, careful consideration, and will do my best to act upon them in a manner becoming the office. Thanking you for every consideration in my behalf, I am yours truly,

OSCAR McBRIDE

The following questions were asked by The League of Women Voters of Wichita Falls, Texas, and answered by Oscar McBride:

COUNTY COMMISSIONER, PRECINCT 2
OSCAR McBRIDE—DEMOCRATIC PARTY
Occupation: Building Contractor.

Qualifications: including education, business and professional experience, and participation in civic groups:

My education was limited to High School. I feel a definite responsibility to my Churches and Lodges.

What do you plan to do to secure greater efficiency in the office which you seek?

To cut out all waste in my own precinct, ignoring the patronage system now in effect, adopting modern methods and demanding the same approach by my employees.

How would you favor solving the mounting deficit expense bills presented monthly to the city and county for the operation of our Wichita General Hospital and would you work for more rigid economies in the operation of that Institution?

By stopping graft and wasteful high salaries to non-essential employes and seeing that each employe produce a service his salary reflects or eliminate him from the pay roll. This alone represents a large per cent of the total budget.

Do you know how much money per year its costs to run the County Farm? Do you think that excessive?

Yes, I believe with proper management it could be made more self-sustaining.

Do you favor re-allocation of County Funds?

I can't see the wisdom of borrowing money when other funds are not in use. Yes.

Would you favor a tax survey of all taxing jurisdictions to determine the equity of tax distribution burden as between resident and non-resident tax payers particularly exploring the benefits being received by non-resident property owners at the expense of tax payers?

Yes.

How much experience have you had in handling large sums of money such as county funds?

I have never held a public office, but my success as a private citizen is average and whether large or small I am qualified to give it an honest, sane approach. Relying on the endowment God gave me to work details in humility before him and faithfulness to my fellow man.

vention of Reservoirs Problems

Interest in water in Texas is at an all-time high. H. N. Smith, State Conservation Service, at Temple, Texas, said that at the present rate of erosion, and soil movement in the watershed the sediment pools of the four reservoirs would be filled with sediment in 27 to 36 years.

Mr. Smith estimated that at the present rate of erosion, and soil movement in the watershed the sediment pools of the four reservoirs would be filled with sediment in 27 to 36 years. "But this doesn't need to happen," he said. "If the needed soil conservation measures and practices were being used throughout the watershed of Grapevine reservoir—as an example—the life of the sediment pool would be increased to 50 years and the storage capacity of the reservoir maintained correspondingly. And if the proposed system of upstream flood prevention dams, which has been planned by the Soil Conservation Service about Grapevine reservoir, were built immediately, the sediment pool life would be lengthened to 116 years because of the sediment deposition would be prevented."

"The Trinity River watershed isn't the only place in Texas where rapid filling of reservoirs by sediment is occurring," Mr. Smith continued. "The same thing is happening in other parts of the state, and people are becoming concerned at seeing mud replace water. We have had requests from many cities and towns for help in finding out the rate of sedimentation in their water supply reservoirs, and what can be done to protect them."

"During recent years we have co-operated with the cities of Corpus Christi, San Angelo, Waco and Abilene in making sedimentation surveys of their water supply reservoirs," said Smith, "and with the Bexar-Medina-Atascosa Water Improvement District in a survey of Medina Lake. We are right now co-operating with the cities of Garza-Little Elm, which are being by the Corps of Engineers Dallas and Fort Worth reservoirs," he said. "We will give flood protection and districts and farmland river below them. This also will serve the important purposes of storage for municipal and industrial recreation, navigation, Trinity, and stream-flow. Foreseeing even more water in the Texas develops, we

need to do everything that can be done to protect and increase the useful life of these reservoirs."

Smith pointed out that good sites for reservoirs are scarce, and the best ones already have been used. "When replacement dams have to be built at other locations it is going to cost a lot of money," he said. "That's why we must do everything we can to make our reservoirs last as long as possible."

of Graham and Throckmorton in surveys of their reservoirs."

"Slow Down and Live" Campaign Hi-way Patrol Goal

Capt. K. B. Hallmark, Jr., Commanding the Wichita Falls district of the Texas Highway Patrol, has announced the recent signing of joint declaration of war on traffic deaths by the governors of 24 northeastern and southern states, including Gov. Allan Shivers of Texas. Designed to curb the normal summertime rise in highway fatalities brought on by greatly increased vacation travel, as a "Slow Down and Live" campaign, started on Memorial Day and will extend through the Labor Day Weekend.

The joint declaration, which was signed by Gov. Shivers and the other state heads from Maine to Texas, says in part: "We are convinced that the many courteous, cautious drivers suffer at the hands of those who are obsessed with the 'in-a-hurry' complex. This state of mind manifests itself in excessive speed, in speed too fast for conditions, in following too closely, in failing to yield the right of way and in improper passing."

Capt. Hallmark said that the sole purpose of the program is the saving of lives on the highway. "We are determined," he stated, "to achieve this end through stepped up enforcement of the traffic laws which have been designed and enacted for just that purpose."

"Residents and visiting drivers alike," Hallmark said, "have

been put on notice that the states participating in this program intend to make highways safer for all who use them during this vacation season. It remains for the individual driver to change his own bad driving habits and to make 'Slow Down and Live' the 1954 watchwords of the highways."

Hallmark further says, "In carrying out the above order in the 12 North Texas counties comprising District 16 of the Texas Highway Patrol, the patrolmen in this district in June filed 25 percent more speeding cases than in May and warned 21 percent more speeders than in May of this year. I have called on these patrolmen for even more effort towards curbing speeders during the remainder of the Summer Months."

"The traffic situation and our attempts to control traffic and prevent deaths is no game to any member of the Highway Patrol and speeders cannot expect us to show ourselves and give them a chance to slow down. We believe that the speeder on our highways today is a potential killer and we will gauge our attempts to apprehend this, 'Traffic Criminal' accordingly. I have instructed my men to use every rule they know to attempt to apprehend those people who are potential killers and if one of my patrolmen can go to court and prove that the driver of a car was speeding that speeder can get no sympathy from me by claiming that the method used to catch him was 'unfair.' As far as I am concerned nothing is unfair to catch a speeder as long as the officer stays within his legal bounds apprehending him."

We have very few men in this district (all to few) to attempt to stop speeding, but we are going to continue to try to make speeding unpopular and unprofitable to those whom we apprehend. Yes 'Slow Down and Live and Save Money.'

Texas Safety Association

"Traffic control begins at your wheel."

Col. E. B. Tilley of Houston, President of the Texas Safety Association, and Services Advisor for the Gulf Oil Corp. explained in these words today the importance of the individual driver in maintaining safety on the nation's streets and highways.

Col. Tilley, who was speaking in connection with the July traffic safety program being sponsored by the Texas Safety Association, the Texas Department of Public Safety and the National Safety Council, said that laws and official highway signs can be effective aids to traffic safety only if drivers heed them. The theme of this July safety effort, 'vacation driving,' is especially appropriate to the month when so many motorists will be taking holiday trips, he said. With increased travel on the roads, it becomes increasingly important to drive with caution and courtesy.

Experience of past years, he said, has shown that more traffic accidents occur during July and August, when travel is great, than in the earlier months of the year.

One tangible way that drivers can contribute to safety, and help keep down the accident rate, is to know the 'signs of life' and obey them, Col. Tilley said.

"These 'signs of life,' he explained, are traffic signs that state the law and warn motorists of potential dangers on the road ahead."

"The five basic sign shapes

used for 'signs of life' are extremely helpful to drivers," he said, "for each shape bears one distinctive type of message, making recognition easy."

Another important safety job for vacationing motorists he said, is to learn the traffic laws of areas through which they expect to travel.

Laws vary from state to state and from region to region, he said. Driving in these areas without proper knowledge of the law can cost a vacationist his life.

He advised travelers, before they leave home, to check with police or motor clubs to get information on vacation land traffic laws.

A third vital factor in safe vacation motoring is the practice of courtesy behind the wheel, Col. Tilley said. He urged all drivers to follow the July slogan of the Texas Safety Association, the Texas Department of Public Safety, and the National Safety Council, "Vacation Time — Make Courtesy Your Code of the Road," and also to recognize the courteous highway acts of others.

By observing traffic signs and signals, leaving traffic

laws and practicing courtesy," he said, motorists will go a long way toward making our streets and highways safer for vacationists and all other drivers and pedestrians."

Mr. and Mrs. J. H. Rigby were visitors in the home of Mr. and Mrs. J. H. Rigby, Jr., Friday in Dallas, Texas. Two of their grandchildren, Jimmy Dale and Sheryl Ann, returned home with them for a two weeks visit.
