## End Revival at First Church

Mrs. Bob Brosius

Revival at First Church ended Sunday with the 1st and 2nd services through Sunday.

A non-denominational service was held in the interest of the community. Mr. Brown is sponsoring a Bible Study, which anyone wishing to attend may join.

A great preacher, a great soul winner. The Rev. Mr. Brown is cordially invited to attend the special singing service.

Mrs. Jack Elridge are parents of a new baby Saturday, March 26th at the hospital. The baby is a boy and is named Mary Elizabeth.

A husband's word is kind that never seems faded.

People in Burkburnett are observing the following:

Your dog vaccinated. Observe these suggestions to save a life and protect your dog.

Police department have taken the position that running loose strays are a nuisance.

Dogs may be vaccinated at the City Hall. Do not let your dog loose. It might be mistaken and destroyed.

Note excerpts from the City Ordinance No. 182 as follows:

The owners and keepers of all dogs, either male or female, in the City of Burkburnett, Texas, are hereby required to have such dogs vaccinated against rabies each year.

Starting Monday there will be morning and evening services. Morning services will begin at 10 A. M. and the evening services will begin at 7:30 P. M.

We wish to extend to each and every person a most cordial invitation to attend all our services.

T. M. Jenson, Pastor

It shall be unlawful for any person to own or keep a dog in this City unless it has been vaccinated and registered, as provided.

Any dog found at large within the City of Burkburnett, whether accompanied by its owner or otherwise, shall be liable to be impounded by any policeman without notice to the owner.

It shall be unlawful for any person to own or keep a dog in this City unless it has been vaccinated and registered, as provided.

## More Information On First Dog With Rabies

March 28, 1955

Dear Sir: Your paper of March 24th contained an article with incorrect information. We owned the puppy which was bitten and later died with rabies.

Our dog, being a young puppy, seldom strayed from our own yard, but we have no way of knowing just how many dogs could have strayed into our yard and been infected by him.

Our puppy's head was sent to Austin at our own expense, and the report sent back was a positive diagnosis of rabies. Dr. Barrington merely prepared the dog's head for shipment and made NO diagnosis.

We feel that it would be to the good of the welfare of the people of Burkburnett to have correct information on a subject as vital as this.

Yours truly,

Mrs. Lloyd Fox

Ed's Note: We heartily agree that a situation as serious as the above needs as much light shed on it as possible by giving correct information. We feel certain that the information given the paper was done so in a helpful attitude and we published it in the same spirit. We appreciate people setting us right when we are in error such as this thoughtful lady has done.

## Easter Follies at The Palace Theatre Friday, April 8th

The Senior class of Burkburnett High School will present an entertaining show Easter Follies of '55 starring an all-male cast on Friday night, April 8th at 8:00 P. M. at the Palace Theatre.

The cast is made up of local business men and the show will feature several numbers including an Easter parade, crowning of the queen and a style show featuring the latest Dior creations for women.

This show will be featured in addition to the regular scheduled movie.

Admission: Adults 75c, Children 25c.

## Easter Revival at Methodist Church

Our Easter Revival at the Methodist Church begins Thursday evening, March 31, at 7:30, with Rev. Jenson preaching the services.

Saturday evening from 6:30 until 9:30 there will be a prayer service.

Starting Monday there will be morning and evening services. Morning services will begin at 10 A. M. and the evening services will begin at 7:30 P. M.

We wish to extend to each and every person a most cordial invitation to attend all our services.

T. M. Jenson, Pastor

## Mrs. Johnny Crane Honored At Shower

Mrs. Johnny Crane was the honoree at a lovely pink and blue shower given Friday, March 25th in the home of Mrs. M. A. Mills.

Games were played by the fourteen guests and Mrs. Mary Joy Hagstrom read an appropriate poem.

## Methodist Committee at Work on Building Fund Campaign

The Steering Committee of the Methodist Fund Raising Campaign is composed of T. M. Jenson, Cliff Wampler, Carl Morrison, P. A. Carpenter, Jack Mathis, Virgil Brookshear, Carl Campbell, Mrs. Maud Morrison, Mrs. Evelyn Nichols, typist.

Various committees are well under way on the preliminary stages of the Methodist Fund Raising Campaign. The goal is \$50,000.00, for an educational addition to the church building. It is planned to have in this new building a commodious and modern nursery and ample quarters for all the departments of the Children's Division, and also needed room for other departments of the Church School.

The educational phase of the Campaign will get under way this coming Sunday.

## Rangerettes Honored Mrs. Bessie Perry With Party Monday

The Burkburnett Rangerettes surprised Mrs. Bessie Perry with a birthday party at the Town Hall Monday night. After cake and coffee, the girls worked out a couple of new drills under the direction of Audrey Rankin.

Those present were Messrs. and Mesdames Jim Maag, and Alva, C. J. Elliott, Jim Holly and Jimmy, Joe B. Griffin, C. B. Raley and Shirley, Bill Oaten and girls, Aubrey Rankin, Mrs. Ruth Davis and children, Mrs. Billy Joe Bradley, Jerry and Terry, Mrs. Jean Dolan.

The next club meeting and practice is scheduled for Friday.

## Game Night At Lions Club Enjoyed

Game Night Tuesday at Town Hall was enjoyed by all those in attendance. Approximately 55 came out for the games of 42, canasta and dominoes.

Light refreshments were served. Herman Miller, president of the club expresses his thanks to all those who attended.

Proceeds from the affair will be used in connection with the Youth Summer Recreation program.

## Marjorie Landers Honored March 25 With Bridal Shower

A group of hostesses honored Miss Marjorie Nell Landers, bride-elect of Robert Louise Booker of Wichita Falls, with a lovely bridal shower Friday night March 25 in the Mary Martha room of the First Baptist church.

The center of interest in the party room was the refreshment table beautifully appointed with a white cutwork cloth over blue with fern and Dutch Iris encircling the crystal punch bowl.

The various hostesses assisted in the serving of the refreshments. Another point of interest, was the large table displaying the bride's selection of china, crystal, and silver along with the hostesses' gifts of Franciscan pottery.

Mrs. Bill Earl Askins rendered beautiful vocal selections of "With All my Love I thee Endow and Always." She was accompanied by Mrs. Vernon Duke, Mrs. Duke and Mrs. Russell Landers provided background music.

The opening of the gifts was initiated by Mrs. Duke with the reading of a clever poem.

Mrs. Charles Miller of Iowa Park presided at the bride's book for guest registration, and other out of town guests were Mrs. Russell Landers, Ardmore, Okla., and Mrs. Clyde Reeves of Dallas, Texas.

The young couple plan to marry on April 8th, at the home of the bride-elect's parents, Mr. and Mrs. B. A. Landers.

## NOTICE

There will be an important meeting of the Clara-Fairview Community Organization at the Clara Lutheran Church Tuesday, April 5th at 7 o'clock. Everyone is urged to attend.

## ROTARY CLUB

Each Tuesday Noon Town Hall

President Cliff Wampler presided at the noon luncheon of the Rotary club. Mr. Wampler gave a short report from our District Governor. The local club still remains in the top ten in attendance, this being the fifth consecutive time.

Dr. Earl Hoggard of Wichita Falls gave the invocation and Bryan Farris introduced the guests.

Truman Garland was responsible for the program and presented Mr. R. B. Peterson of Southwestern Bell Telephone Co. Wichita Falls who showed movies of "Speeding Speech" and strides made in long distance communications which was thoroughly enjoyed by all.

Forty-two members and guests were present.

## Leslie Boyle Injured In Scooter Accident Monday

Leslie Boyle, son of Mrs. and Mrs. Nelson E. Boyle, received a broken leg in a car-motor scooter accident Monday afternoon at the corner of Ave D. and 1st St. Tony Aulds, son of Mr. and Mrs. A. C. Aulds, a passenger on the motor scooter with Boyle, was uninjured.

The accident occurred as Mrs. Holly of Grandfield, Okla., was starting to make a right turn onto first street from Ave D.

Pete Bryan, Burkburnett police man, investigated the accident.

## Cancer Drive Here Tuesday, April 5th

A moments pause for silent meditation as church bells toll will open the American Cancer Society's 1955 crusade in Wichita Falls. This same procedure will also be followed in Burkburnett according to Mrs. Madell Ellis, campaign chairman for Burkburnett.

That ceremony is to be a part of a nationwide event geared to highlight the serious nature of the cancer problem, it is explained.

Bells will begin tolling at 12:00 o'clock noon on Friday, April 1st the beginning of "Cancer Control Month" as proclaimed by President Eisenhower.

From the nation's capitol in Washington, an eminent national figure will formally announce the opening of Cancer Control Month.

The appeal for meditation will keynote the opening address which is to be carried by television and radio networks. Audiences will be asked during a ten second pause to bow heads in memory of those lost to cancer. The city's church bells, like others thruout the country will toll for three minutes.

Mrs. Ellis expressed the hope that all activity in Burkburnett will cease at the moment the national speaker from Washington calls for ten seconds of silent meditation.

In Texas, April 1st has also been proclaimed V-Day (Volunteer day.) Wichita Falls has been selected The Model City by the state division and will be used as the focal point for a meeting celebrating this occasion at 8:00 p. m. in the main auditorium of Midwestern University. An entertaining and enlightening program has been arranged.

This meeting will serve as the kickoff for Wichita County's crusade. The general public is invited.

Mrs. Ellis and her group divisional chairman; Mrs. Max Stansalung south side, B. O. Willis, West side, Mrs. Maude Bohner, Northwest field area, Mrs. Truett Majors, northside, and Anna Freeman, colored district, will attend this meeting.

Another highlight of this years crusade will be a house to house canvass Tuesday night, April 5, between 6:00 and 7:00 p. m. Door to door callers are being assigned to their individual areas. School bus drivers will make a canvass of the rural areas on the same day as the house to house drive.

An educational 12 minute film will be shown at our local theatre on April 2nd and 3rd in connection with the Cancer crusade.

## Burk FFA Placed In District Judging

The Burkburnett FFA attended the Wichita District judging contests in Wichita Falls last Saturday.

The grass team composed of Dennis Kaspar, Otis Waddell and Billy Mize won first place. The land team, Norman Morgan, Guy Bilyeu and Joe Musgrave placed third in competition.

The livestock team, Alden Smith, John Bavousette and Leslie Kaspar finished in fifth place.

The dairy team, Henry Vaughn, J. D. Hart and Ronnie Cantrell gave a good account of themselves.

## Burk Pentecostal Church of God Now In Revival

An old fashioned revival is now in progress at the Pentecostal Church of God at 100 E. Third St. in the Blankenship building.

Rev. Myrel R. Lawson, Evangelist, formerly of Temple, Okla. is doing the preaching.

Services nightly at 7:30 p. m. Plenty of music and special singing. Bring your musical instruments and enjoy the blessing of the Lord with us.

Salvation messages. Prayer for the sick.

Everybody welcome.

E. C. Thompson, Pastor

## Good Cooperation By Dog Owners In Rabies Fight

We wish to thank all the people who are co-operating with us on the dog situation. About 95% of all the dog owners are keeping their dogs up and have had them vaccinated.

There are still too many dogs running loose. There have been three or four children bitten within the last week by dogs which had not been vaccinated and were running loose. This means that those children will probably have to take the series of rabies shots. The cost of these shots runs about \$65.00. Few of us can afford an unnecessary expense like this.

Effective immediately there will be \$1.00 charge for getting any dog out of the pound which is picked up running loose. Also any dog that is loose without a collar or tag will be shot as a stray.

We are hoping that we will be through with the stray dog drive within three weeks and then your dogs can enjoy their freedom again.

Dogs running loose without a collar and tag showing they have been vaccinated poses a problem, in that we can't determine if they are strays or not, especially when they are in groups.

LAVERNE DAVIS, Chief of Police

## Card of Thanks

I am sincerely grateful to friends and neighbors for the many cards, flowers and visits I received and for the many prayers offered in my behalf during my stay in the hospital. Your thoughtfulness is greatly appreciated.

## Celebrating Eightieth Birthday

—Photo By Charles L. Lasley

J. S. (Sloan) Mills, charter member of the Burkburnett Lions Club, is shown cutting the birthday cake when Lions surprised him with a birthday celebration party Tuesday, March 15th. Mr. Mills was 80 years old on that day. Sloan, as he is affectionately called, has 33 years' perfect attendance at the Lions Club. For more than 20 years he attended his own club every week without missing a week. The past few years, because of illness, or because he was out of town, Sloan missed a few home meetings, but he always makes up his attendance at another club some time during the same week.

## Red Cross Funds Below Expectations

Cold, disagreeable weather hampered the Red Cross Drive staged here last Friday night. Jack Mathis, chairman of the drive, announces that between \$700.00 and \$800.00 has been collected in this community to date.

He wishes to thank the people for their contributions and especially thanks the ones who volunteered their services in the drive.

## GRASS ROOTS OPINION

**PAMPA, Tex., Daily News:** "About 1500 B. C. Joseph as the first Secretary of Agriculture on record, contrived a 20 percent tax on all produce raised in the land of Egypt. And when the famine came (as is inevitable with the government gobbling up a fifth of everything that is produced) Joseph and the Pharaoh managed to filch all the wealth from all the people until complete state socialism was the accepted order."

**HAGERSTOWN, Maryland, HERALD:** "All of us, of course, want to know that we are receiving the best possible medical care when we are ill. But medical care isn't a smorgasbord where you can try a little of every dish on the table. There often is more than one way of treating a particular ailment. Fortunately for all of us, the doctor can choose the method or combination of methods best suited to the individual."

**TOPANGA, Calif., JOURNAL:** "We reprint here the historic declaration of the 1955 Indiana general assembly: 'Indiana needs no guardian and intends to have none. We Hoosiers — like the people of our sister States — were fooled for quite a spell by the magicians' trick that a dollar taxed out of our pockets and sent to Washington will be bigger when it comes back to us. We found that it lost weight in its journey to Washington and back. The political brokerage of the bureaucrats has been deducted. We have decided that there is no wealth to tax that is not already within the boundaries of the 48 states.' Indiana has lived up to that philosophy. It is estimated that since 1951 the State has passed up \$25 million in federal handouts."

## A PRECIOUS RIGHT

A short time ago the Utah legislature passed a right-to-work-bill, under which no one can be compelled to join a labor union or any other type of organization in order to work at his trade or profession. In signing the measure Governor Lee observed that no one should be forced to join any organization and pay dues for its support in order to gain employment or keep a job."

The unions claim these laws will hamper the union movement. That is a frail argument indeed. For the laws protect the right of a man to join if he chooses as well as not join. Certainly, if any union can show that it is performing a valuable service, it will have no trouble maintaining and increasing its membership.

All the right-to-work laws do is to make membership in any organization voluntary, not compulsory. That is as precious a right as a free people can enjoy.

## INVEST IN AMERICA WEEK

"Money in motion is the miracle of the high standard of living in the United States, its unparalleled production and its freedom," says the Oregon Voter.

During the April 25-May 1 period Invest in America Week will be observed. Its purpose is to acquaint more people with that miracle of which the Voter spoke. And that is certainly a worthwhile goal. It takes from \$8,000 to \$12,000 of investment to create just one job in American industry. As more and more people invest a part of their savings in enterprise, the more jobs we have — and the stronger the nation becomes in every way.

## THE LIFE OF A PIG

A pig originally rustled for his food and shelter in the wilds. Then he was seduced with "free" meals to fatten him, and his life and freedom were forfeited for board and room. The wild pig had a future, but only one end awaited his cared for brother.

Man has a brain to choose freedom, but history is a sad record of results under socialism to which he has often succumbed. This course has led to servitude and subjugation. Man found lost freedom the price of false security.

There is no shortcut to a fruitful life. Man can delegate a few duties to government, but to maintain his liberty he must not submit to government for subsistence.

### Lawns Need Fertilized

soil to a depth of at least six inches when the grass takes on a sheen or wilt. Light frequent sprinklings produce shallow roots and encourage weeds. Shallow roots also are unable to utilize available moisture and plant food. Improper mowing is responsible for the deterioration of many lawns, says the specialist, who advises against clipping more than one-half inch of growth at any single mowing. Keep the grass at a height of one and one-half to two inches, depending upon the turf thickness. Close mowing will thin the turf, lowering its resistance to drought. Finally Trew says a sharp, well adjusted mower that clips off, not crushes off, the tips will give lawns a final "well-groomed" look.

### The Busiest Place

Ordinarily, when we think of the busiest place in town we think of the bank, the market, or the city hall. But you know something? Perhaps the busiest place of all is the school.

We often take the school for granted, forgetting that school business is our business. At school we are busy raising the town's next citizens.

Your school is part of our great democracy and we might just as well realize that it is perhaps the busiest place in town.

In its classrooms are your next policemen, your son-in-law, your secretary, your doctor, a worker at the plant, or perhaps the young couple who will buy the house next door.

It is up to the school to make sure that he is a good policeman, that he's a responsible son-in-law that she's an efficient secretary, that he's a reliable worker, that he succeeds as a doctor, and that the folks next door are good neighbors.

And you and your community usually put the responsibility for the education of these future citizens where it belongs, in the hands of the teachers. We know that a child learns more quickly with a good teacher, because the good teacher is the key person who

Oh, where did he go? What's happening? Well, I'll tell you literally thousands of well trained and qualified teachers are finding other lines of endeavor more lucrative and attractive. Consequently, the number of sub standard emergency type teachers is on the increase. Every time a competent, well qualified and trained teacher leaves an American classroom to obtain the necessities of life in another profession, the people of America lose. We simply cannot tolerate this sort of thing for long. One of the most alarming statements found in the Teacher Supply and Demand Report for last year is that there were only 867 persons prepared to teach chemistry and physics and this is only a specific example; there are shortages in other lines, too.

What can we do to halt this exodus of competent personnel from our profession? To be sure, salary improvement is basic, and could perhaps do more to alleviate the situation than any other single factor. However, there are other ways. There are certain fringe benefits, the absence of which are causing teachers some concern. For example, whatever can be done to improve the Teacher's Retirement provisions and

### Wilbarger-Wichita Soil Conservation District News

Farmers and ranchers are now taking advantage of the low amounts of runoff that has left shallow farm ponds dry or with small amounts of water.

In servicing such requests, the Soil Conservation Service advises with the farmer as to practicability of enlargement or selecting a new site. F. D. Miller, District Cooperator farming north of City View has such a pond that is being enlarged. Sufficient size dam to provide for 19 or more feet of depth.

Edward E. Bowlin, seven miles north west of Iowa Park has a pond that is almost dry but a new location was selected as a new site would more nearly meet the conservation purpose of the practice and fit in to the Bowlin District Conservation Plan.

C. E. Graham, district cooperator farming north of City View had SCS technicians assist in a site selection and layout for a damless pond for his farm.

A waterway on the Albert Brockriede farm of the Barwise Community, shaped during 1954 and seeded to Austrian Winter peas, is to be seeded to K. R. Bluestem and buffalograss. SCS technicians and district cooperators are finding this combination of grasses do the best job of waterway protection.

L. L. Deaton of Wichita Falls and farming 10 miles west of Wichita Falls has had SCS assist him in locating places for 13 checks in irrigation ditch laterals.

Frank Lentz, of Wichita Falls, who has a pasture 7 miles north west of Iowa Park will spray mesquite for control, rest from grazing and construct a farm pond for his conservation program for 1955.

other security benefits should certainly be done.

Our Legislative Committee recognizes certain weak spots in our Retirement system. It certainly is not a bad retirement system, but there are certain improvements that need to be made in it.

We have now completed an actuarial study to determine what might be done to improve the retirement benefits of Texas teachers. Specific plans based upon these findings have now been presented in the Legislature for the improvement of our Retirement System, and it is hoped that the people of Texas will give serious thought to this as one important avenue of making teaching more attractive to those already in the profession as well as to young graduates of our colleges. As matters stand now, the demand for teachers is very high, while the supply of teachers is dangerously low.

Yes, if we are to have reliable policemen, responsible son-in-laws, intelligent employees and congenial neighbors, you must depend a great deal upon the quality of your teachers and the quality of your teachers depends upon your support of "the busiest place in your town," the public school.

### Over 8 Million Texas Tourists

Tourists traveling in Texas during 1954 spent 15 per cent more money than they did in 1953, it was announced in Austin today, by D. C. Greer, State Highway Engineer. Figures compiled in the Department's annual Tourist Industry Report disclose that \$409 million was spent in 1954 compared to \$356 million in 1953. The number of tourists also increased from 7,573,500 in 1953 to 8,673,860 in 1954.

Last year 3.3 million cars entered the state, each carrying an average of 2.6 persons. These visitors stayed an average of 5.5 days and spent an average of \$7.80 per person per day, Greer said. As in 1953 California topped all other states by sending 537,112 vehicles and 1,396,491 visitors. It is also interesting to note, Greer pointed out, that approximately 208,000 visitors

were from Canada, Mexico, and other countries.

Texas witnessed the greatest influx of motorists during the period from March through Oct., and it has also been established that Texas enjoys a large repeat business from out of state. Department statistics show that 37 per cent of the visitors in 1954 were in Texas for the first time while the remaining tourists had traveled in Texas in previous years.

Figures used to compile this annual survey are obtained from survey cards distributed to tourists at the seven Highway Travel Information Bureaus located on major highways entering the state, Greer said. Figures from these survey cards supplemented with data from other sources produce a report that is believed to be one of the more accurate of its kind conducted in the United States, he stated. Over 121 thousand inquiries were received through the mail requesting travel information material, and nearly 400 thousand visitors stopped at the travel bureaus for curb service information and de-

scriptive material, Greer stated. In an effort to assist and stimulate travel in Texas, the Department published and distributed over 500 thousand Official Travel Maps in 1954, and in addition, published a Road Condition Bulletin, Calendar of Vacation Events, and other tourist material.

Mrs. O. C. Willis and Mrs. Jean Brock of Wichita Falls visited Mrs. J. C. Adams here last Friday.

## Natural Gas Cost More

Natural Gas Company's 700,000 customers in Texas and Oklahoma are threatened with increased costs of gas if the announced plan by the Natural Gas Pipeline Company of America to take large quantities from Jack and Wise counties, Texas, to Chicago, Ill., is approved. Lone Star Gas Company president said today.

The Federal Power Commission has granted our petition for leave to intervene (in opposition) in the hearing before the Commission on Natural Gas Pipeline Company of America's application to construct and operate a 350-mile pipeline extending from Wise County, Texas, through Oklahoma to the Texas Panhandle to deliver gas to Natural Gas Pipeline Company's pipe line system serving the people of Chicago.

Lone Star is not alone in opposition to this threatening proposal. Other gas service companies operating in this part of the country have taken positive steps in opposition. These companies are Oklahoma Natural Gas Company, serving a large area in Oklahoma; Consolidated Gas Utilities Corporation, serving part of Oklahoma and Southern Kansas; State Fuel Supply Company, also serving a portion of Oklahoma; and Upham Gas Company, serving a number of towns in North Texas, including Mineral Wells and Weatherford. The problem of these companies and their customers in this connection are obviously the same as Lone Star's.

It may be, Mr. Hulcy further stated, that some producers will criticize Lone Star for taking this action of opposition to Natural Gas Pipeline Company's proposal. In this case, and in all cases, Lone Star must and does consider the long range best interest of its customers and of its producers, as well. Both groups are essential to the business of offering a complete gas service from the producer to the consumer. Any producer who criticizes our action in this case is placing himself in the position of supporting a large increase in the cost of gas service to our 700,000 customers which they unquestionably would think unwarranted.

Lone Star has always been, and now expects to be in the future, a strong partisan of the true and realistic interests of the producer. Lone Star has proved this over the years by its purchasing of oil well gas when no one else would; by its laying of millions of dollars worth of gathering line to provide a market to all gas producers along its system; and by paying reasonable field prices. During the last few years prices in this territory have skyrocketed. Lone Star's field prices have skyrocketed, too, though not to the heights proposed by Natural Gas Pipeline Company of America.

Lone Star's field prices must have been encouraging to the

regulatory authorities, as well, have the right to expect this to be done. We are, therefore, opposing Natural Gas Pipeline Company of America's proposal with every facility at our command.

The Federal Power Commission has granted our petition for leave to intervene (in opposition) in the hearing before the Commission on Natural Gas Pipeline Company of America's application to construct and operate a 350-mile pipeline extending from Wise County, Texas, through Oklahoma to the Texas Panhandle to deliver gas to Natural Gas Pipeline Company's pipe line system serving the people of Chicago.

During the last few years prices in this territory have skyrocketed. Lone Star's field prices have skyrocketed, too, though not to the heights proposed by Natural Gas Pipeline Company of America.

Lone Star's field prices must have been encouraging to the

producer because he has developed in this territory and Lone Star has been able to connect such volumes of gas that it is now better supplied than ever before. In fact, the development has been so great that Lone Star present customers cannot use the volumes of gas which would permit Lone Star to adequately market the current production from its connected sources.

This condition has led Lone Star to propose selling gas in large volumes to other pipe lines, such as Natural Gas Pipeline Company of America. By this means Lone Star could serve its present sources and could put itself in position to serve other new sources as they are developed. In no other way can Lone Star best assure a dynamic supply condition on its system over a long period of years. Also, this action by Lone Star would provide the answer to Natural Gas Pipeline Company's problem, if they desired to avail themselves of the offer Lone Star has made to supply gas to them and would eliminate the threatened burden on Lone Star's customers.

## Merriman-Bryant Repeat Vows At Thrift Memorial

Miss Barbara Jeanette Merriman, daughter of Mr. and Mrs. John H. Merriman, of Wichita Falls, became the bride of Henry David Bryant Saturday evening in a ceremony conducted by Rev. Leavel Merriott, pastor in the Thrift Memorial Baptist church in Burkburnett. Parents of the groom are Mr. and Mrs. Bill Bryant of Burk.

Sprays of white carnations and candelabra set the scene, and the bride's father presented her in marriage. The former Miss Merriman was attired in a white Ballerina length dress of nylon organdy. Her shoulder-length veil was attached to a white hat. A blue carnation corsage completed her ensemble.

Miss Sherry Satterwhite of Wichita Falls, maid of honor, wore a blue and white checked dress with white accessories. Her corsage was of white carnations. The bride's brother, Eugene Merriman, served as best man,

and Cecil Dorsey of Burk was usher.

Following the wedding, a reception was held in the church annex.

After spending a week in Galveston, the couple will establish a home in Burkburnett. The bride chose a navy linen suit with white trim for the trip. Her accessories were white.

Mrs. Bryant, a junior at Wichita Falls High School, will continue her education there. She is vice president of the "Y" Teens club and a member of the Girls Club.

The groom, a junior at Burkburnett High School, will also continue attending school. He will become a partner in his father's business, a used car lot and a repair garage. Bryant is a member of the high school band.

Mr. and Mrs. F. W. Farley and Mrs. Myrtle Ellis attended the opening exercises of the new Church of Christ building in Duncan, Okla., Sunday, March 27th. They enjoyed the luncheon and visiting with many old friends and neighbors in that community.

## Joe H. Musgraves Goes To Marines

# United States Policy in Indochina Back to Vandenberg Resolution

By Walter Sheard  
Washington Newspaper Service

The second in a series of four articles on the Indochina war is published in this issue. The first article was published in the issue of March 24.

United States policy in Indochina has been a matter of controversy since the resolution of June of 1954. Basically it is the Vandenberg resolution, sponsored by the late Arthur Vandenberg. It is the policy which guarantees our assistance to guarantee that our nations may develop on a basis of collective security, but these conditions are a system of collective security.

Under the terms of the Vandenberg resolution that our Secretary of State, John Dulles in 1951 went to the Philippines to represent our then Secretary of State Acheson, attempt to set up such a system of collective security.

The Vandenberg resolution was partly successful only. He failed in forming separate treaties with the Philippines, with a third with Australia and New Zealand, the so-called "Five Big" pact.

At present it was the colonialism of Indochina in the French which made us suspect. Indochina wanted its freedom. We wanted its freedom. We moved fast enough in giving independence to the Indochinese.

Secretary Dulles recently put it in a defense of colonialism. We are only going to go in for defense of liberty and independence. We don't go in alone. We where other nations which recognize the peril as we do."

Secretary Dulles recently put it in a defense of colonialism. We are only going to go in for defense of liberty and independence. We don't go in alone. We where other nations which recognize the peril as we do."

we have poured billions of dollars into Indochina for military aid and material to help the French, hard-pressed both militarily and economically, against the communists. We have given aid to the Indochinese themselves for rehabilitation, public health improvement, projects and other means to increase the welfare of the people. We have conducted exchange of persons program bringing students, teachers, leaders to this country for study and advanced training in engineering, agriculture, public roads, mass education.

When the French returned to Indochina after World War II in 1945, the Japanese, who had overrun the entire peninsula, had reduced the people and the country to a state of abject poverty. It took years for the French to rebuild, and at the same time fight a war which lasted over seven years. This was one of the factors which prevented the independence which had been promised in 1949. French investments run into millions of dollars in rubber plantations, mines, what few roads and railroads were left had to be rebuilt. Even today the rivers are the chief highways and lines of communication in the terrain of mountains, vast jungles, fertile deltas and virgin timberlands. Only two ports serve the country, Haiphong at the mouth of the Red River in the north, now in Communist hands, and the twin cities of Saigon and Cholon in the delta of the Mekong.

To sell our friendship to the Indochinese leaders themselves has been an uphill job, despite our known attitude toward giving freedom to smaller nations, such as our action in the Philippines. We are pictured by the wily Communists as the occupying masters in Japan, and because of our alliance with France our proffer of aid was held up as just mere colonial rule. All

despite the fact that the United States has recognized Vietnam, Laos and Cambodia as sovereign nations, Britain and 32 other free nations also recognize their sovereign status, but only two Asian countries so recognize them . . . Korea and Thailand.

Vietnam maintains a diplomatic mission in Washington, and in London, Rome, and Bangkok. Laos has a mission in Bangkok and Washington. There is conclusive evidence during the past several months that this distrust of the United States has been gradually disappearing, particularly among the top leaders in the associated states. Bao Dai, chief of state, and the Vietnamese president Nguyen van Tam have managed to set up a fairly stable government and, with U. S. help, both in money and training, largely increased the national army under a defense ministry, with the nucleus of a general staff started under General Nguyen van Hinh, who served as a pilot in the European theatre of operations during world war II.

However, since the great appeasement at Geneva, whether this new found trust will deteriorate or not is a matter for conjecture.

Commenting on the Geneva settlement, Secretary Dulles said that while we do not like the outcome, we were not a party to the conference and that in accordance with the U. N. charter we would not seek to overthrow the settlement.

"The important thing, from now on," Mr. Dulles said, "is not to mourn the past, but to seize the future opportunity to prevent the loss in northern Vietnam from leading to the extension of communism throughout southeast Asia and the Southwest Pacific. In this effort all the free nations should profit by the lessons of the past."

(Editor's note: The next article will discuss why Indochina is considered so important to the United States.)

## Upholstering Class Held In Electra All Last Week

Three home demonstration clubs were represented in the upholstery class held in Electra, Texas, the week of March 21st under the proficient guidance of Miss Cathryn Sands, County Home Demonstration Agent. These women, desirous of restoring their old furniture, turned out some lovely work.

Prices of materials vary and it was up to the individuals as to what their upholstery cost, but according to the general survey of the actual expenses, each article was re-upholstered for less than one-fourth of its original cost.

Mrs. C. F. Bohner of Burk Burnett was one of the class that not only upholstered a chair but remodeled it making a straight back armless platform rocker out of an old swooped back reclining armed style of a few years ago.

Those attending the class which was held in a vacant 3 room house in Electra were: Mesdames Floyd Rogers, Roy Smith, O. B. Bradbury, Ed Bingham of the County Line Home Demonstration Club of Electra; Mrs. C. F. (Maude) Bohner of the Hardin Club of Burk Burnett; Mesdames Adams and Daughtry of South Electra Club and Mrs. Mary Flippen, a guest of the Enterprise Club. Mrs. Flippen sponsored a tour of Electra, exhibiting her recent accomplishments in upholstery.

Hot coffee, home made doughnuts and cookies were on hand, buffet style during the entire week.

The Home Demonstration Clubs are primarily for home makers and any woman will derive useful, profitable information through its membership. Attendance only is required for membership.

## Funeral Services Monday For C. L. Rogers, Jr.

Funeral rites for Charles Luther Rogers, Jr., 21, were held in Wichita Falls Monday at 2:00 p. m. from Beverly Drive Assembly of God church. Burial was in Crestview Memorial Park under direction of Owen and Brumley Funeral home.

Rev. Lee F. Stokes, pastor, officiated, assisted by Rev. H. M. Savage, Fairview Assembly of God church, Wichita Falls; Rev. Phinnis Lewis, First Assembly of God Church, Wichita Falls and Rev. S. W. Williams, Assembly of God church, Grand Prairie, Texas.

Rogers, who resided at 450 E. Rogers, died Friday afternoon, following a long illness. He attended Midwestern University and Draughon's Business College. He was a former Burk Burnett resident.

Survivors are his parents, Mr. and Mrs. C. L. Rogers; two sisters, Mrs. Leon Price and Miss Barbara Rogers, both of Wichita Falls, two brothers, Glenn Leon Rogers, stationed in Germany with the US Air Force and James A. Rogers of Wichita Falls and a grandmother, Mrs. Mamie Poe of Burk Burnett.

## "What's Cookin' Week" In Burk Next Mon.-Tues.

Cooking thru a silk scarf without damage to the delicate fabric will be one of the dramatic demonstrations to be presented during "What's Cookin' Week" in Burk Burnett.

This demonstration of the controlled heat feature of the electric range and other demonstrations will be presented Monday and Tuesday from 8 a. m. to 5 p. m. in the Texas Electric Service Company office by Mrs. Amy Walker, home service advisor. The silk scarf will be placed between a surface heating unit and the pan to show that a double boiler isn't needed on an electric range to provide low, diffused heat.

Other demonstrations will show how the controlled heat of the electric surface units make cooking easier, and will emphasize the cleanliness of electric cooking.

A complete selection of modern electric ranges of various makes will be displayed at the electric company office thru the cooperation of electric range dealers where those interested may ask questions and may compare the different ranges sold locally.

## The Snapshot Guild

Double or triple exposures are fun to make—all you need is a dark background and a few simple props.

It's Fun to Make Mistakes on Purpose

Evening seem to us to be a good time for trying something new and different, for experimenting and finding new ideas. And today we've got a camera to pass along—trick photography.

To think for a minute that photography's something for experts—the box camera can have their fun with it as a matter of fact, much of the pleasure in making mistakes on purpose is the easiest and most effective varieties of trick photography is based on that familiar annoying gremlin, the double exposure. Most of us know all too well how to do this when we don't want to, but now we'll tell you how to do it for fun.

First of all, you have to put your camera on a tripod or other solid support, because these have to be time exposures. Camera movement would spoil the trick in this case.

To take a picture like the one we've used to illustrate today's column, set up your table where you can have a plain dark background. One way to achieve this is to put it in front of a door which is opened into a darkened room. Place your subject in the first position. Snap the picture. Then, without winding the film, move her to the next position and snap another picture, and so on, if you want her in the picture a third time. Be careful not to move the table. It has to be in the same position for each exposure.

—John Van Guilder

## WCS Met March 28 For Bible Study

WCS met Monday, March 28 at the Methodist church for bible study "The Master calleth for Thee."

Mrs. R. H. Henry at the piano the group sang "Jesus Call us."

Mrs. Reger, study leader, opened the meeting and presented Mary Veach who spoke on "The fabric of society." There is a whole section of Matthew's gospel in which he tells us what the Master said and did with regard to the family as the framework of society.

Mrs. L. Davis brought "Christ the bridegroom." It is not surprising that Jesus has been likened to a bridegroom, John 3: 28-29. This name was first given him by John the Baptist, but he also used it for himself, Mark 2: 19-20 Luke 5:34. His disciples were his attendants and helpers. Our master is thus a man of joy as well of sorrows.

Mrs. B. N. Cauthorn's subject "Mothers." She quoted Matt. 18: 1-6, the children's charter. Christ adds, who shall offend one of these little ones which believe me, it were better for him that a millstone were hanged about his neck and that he were drowned in the depth of the sea, Matt. 18: 6.

Some remarks about the wives were given by Mrs. Reger. Anne, Luke 2: 36; Elizabeth, Luke 1: 5-8; Joanna, Luke 8: 3; 25; 10; Pilates wife, Matt. 27: 19; Lot's wife, Luke 17: 20-37.

Then Mrs. R. L. Gragg brought the fifth chapter "Unchastity." She told about the sermon on the mount, How Jesus warns us, men and women, against the very beginnings of sin. Those who look with lust upon forbidden fruit have committed it already in their heart and the relation of murder to hate is similar, Matt. 5: 21-22.

Mrs. Reger quoted scriptures from Jer. 19th chapter and silent prayer closed the meeting.

Those present were Mesdames R. H. Henry, S. S. Reger, W. H. Holt, B. Browning, A. W. Newman, B. N. Cauthorn, T. M. Jensen, R. L. Gragg, R. A. Neal, J. H. Rigby, A. R. Bustine, B. Flanagan, Hugh Veach, L. Davis, Jessies Jones, D. M. Lowery, M. McDonald.

Mr. and Mrs. Johnny Crane are the parents of a new baby girl born Sunday morning, March 27th. The baby has been named Sherry Louise.

## Burk Garden Club Meeting Mar. 23rd

Mrs. J. L. Caffee entertained the Burk Burnett Garden club Wednesday, March 23rd.

Mrs. Glen Bear, president, conducted the business session and welcomed Mrs. Philip Carpenter as a new member.

Our garden club pilgrimage is scheduled for the last part of April. Each member will take a basket lunch.

The Santa Rosa show is scheduled for April 16th. We would like to have flower arrangements from our members entered in this show.

Our club voted to co-operate with the council in sponsoring flower shows in our city. Mrs. Tom Britton will go to Corpus Christi to the Texas State Garden club as our delegate.

Mrs. Archer introduced the program for the day. Mrs. Carl Morrison in her timely garden suggestions quoted "It is time to remove faded blooms from bulbs to prevent the formation of seed as that depletes the strength of the bulbs and will cause it to produce a smaller bloom next spring."

Mrs. O. E. Melton spoke on the value of design which provides year round beauty. She stated that it is helpful to understand a few of the simple underlying principles of design. Unity gives the feeling that everything belongs together. Balance focuses attention on a center of interest. Proportion adds restfulness and variety prevents monotony. Color usually is the first thought of the gardener.

The proper use of garden accessories was given by Mrs. B. Danforth. Sixteen basic garden tools for the year round schedule of activities is a necessity. She also stated that there are hundreds of gadgets that can make your gardening more interesting.

One of the most beautiful ring installations was presided over by president Mrs. Bear, to the incoming officers. A ring with sweetheart rose buds on it was presented to the executive officers. The ring represented the members as they stood holding hands in a circle pledging their support to these new officers. Mrs. Bear presented each officer with a beautiful corsage.

Mrs. Caffee served a nice refreshment plate to the following Mesdames Wiggins, Pilkenton, Cauthorn, Pogue, Dodson, Bustine, Bear, Caffee, Melton, P. Browning, Morrison, Danforth, Archer, J. B. Riley, Britton, Carpenter, W. Riley, Tevis, Laura Louise Tevis.

The next meeting will be April 27th with Mrs. Pogue.

Mr. and Mrs. A. B. Sharp and Gary Lee and Mr. and Mrs. Willis Sharp attended funeral services in Decatur Wednesday for Mrs. Roland Nicholson, Mrs. Sharps' niece who was killed in a car wreck in Louisiana while enroute to Virginia.

## Mrs. C. O. Walling Hostess For Circle Meeting Monday

The Kathleen Jones circle met Monday afternoon in the home of Mr. and Mrs. C. O. Walling at 2:00 p. m.

The meeting opened with prayers by Mrs. H. S. VanCleave, Sr. and Mr. C. S. Polson.

Mrs. F. M. McMurtry led in the devotional service and Mrs. VanCleave gave a stewardship talk.

Seven members and two visitors, Mr. C. O. Walling and Mr. C. S. Polson, were present. Members answering roll call with scriptures verses were Mesdames W. B. Short, Ralph White, F. M. McMurtry, C. S. Polson, C. O. Walling, H. S. VanCleave and Oma.

Mrs. Ralph White was program chairman for the day.

A collection of \$1.63 was taken. Refreshments were served.

### Texas State Dept. of Health

Dr. Henry A. Holle, M. D.

Environmental sanitation is the public health term for clean safe housekeeping whether it applies to a private home and its surroundings or to towns and cities. Among other things, it insures safe drinking water proper garbage and sewage disposal, the safe service of wholesome food including milk, rat and insect control, and general cleanliness of the premises. However, for environment sanitation to be effective, it is essential that not only public health officials but the citizens living in their respective homes or operating establishments serving the public cooperate wholeheartedly, declared Dr. Henry A. Holle, State Health Officer.

Consider, for example, the seasonal housefly hazard. It has been determined that 120 eggs are laid by a single female at one time and that a generation is produced every ten days at summer temperature. Thus, the possibility of reproduction during the warm months of a single fly runs into many millions. While the housefly does not bite, it is dangerous because it breeds and feeds upon filth and food. Again, rats are the source of several diseases of man including plague, typhus fever, infectious jaundice and trichinosis, to mention some of the more important ones. Homes can be made comparatively ratproof by removing rubbish and garbage accumulations, and by closing avenues of access. Approved poisons and traps should be employed when a real problem presents itself.

Removal of containers of stagnant water such as tin cans and barrels will do much to eliminate the mosquitos for householders. The householder needs to devote more seasonal attention to mosquitos eradication than he is today if this is to be properly controlled.

In general, good and thorough housekeeping, inside and out, is the personal and civic duty of every home dweller. It not only removes disease hazards, but adds to the pleasure of living and increases the appearance of one surroundings.

### Army Personnel Seeing The World

Today, just as 180 years ago, travel and adventure are luring thousands of young men away from home to enlist in the U. S. Army, according to M-Sgt. Paul R. Calvary, of the U. S. Army Recruiting Station. The only difference, explained Sgt. Calvary, is that unlike during the Revolutionary War period where travel was limited to the New England area, travel in today's Regular Army might mean an assignment to any part of the globe, from Korea and Japan in the Far East to Berlin, Paris or Vienna in the west, or to tropical Panama in the south to America's northern most outposts in Alaska or Greenland. Such specialized assignments to

Military Advisor Groups and the Military Attache System plant career men of the Regular Army in almost every friendly country in the world.

A total of six overseas commands, two each in the Far East and Europe and one each in the Caribbean and Alaska, plus scattered outposts all over the world, such as Hawaii, give America's young men plenty of opportunity to scratch those itchy feet, the Sargeant continued.

In many cases a young man can enlist for three years in the Regular Army and serve in the overseas command of his choice under such a special project as Operation Gyroscope, which authorizes direct enlistment into units scheduled to be sent to specific overseas commands. Such a unit is the 10th Infantry Division,

now stationed at Ft. Riley, Kans., which is scheduled to move to Europe this summer.

## Dramatizations Of The Crucifixion And The Resurrection On "Greatest Story"

"The Greatest Story Ever Told," radio's most honored program, will again present "The Crucifixion" on Palm Sunday, April 3, and "The Resurrection" on Easter Sunday, April 10. These two Easter programs have become traditional radio fare for the American public, this being the ninth year of its presentation.

The broadcasts, heard each Sunday at 8:30 p. m. (EST), over the ABC network, are most unusual in many respects. There is no commercial announcement, except for sponsor identification required by law. No credit for actors, director, writer, or music are announced, giving this public service program the sincere and reverent feeling that its theme requires.

## Texas Safety Association

"Why is it that citizens who obey other laws often show great contempt for traffic laws?" This question was asked by Mr. R. P. Rooper, Chief Safety Engineer, Humble Oil and Refining Company, Houston, and President, Texas Safety Association today as he commented on the importance of the Texas Safety Association and the Texas Department of Public Safety's know and obey traffic laws program. This program is being conducted in Texas during March in cooperation with the National Safety Council.

"Mr. Rooper said, 'People who would be critical of sharp practices in business, who are strictly honest in their personal relationships and who are highly respected in the community, will frequently brag about 'getting away' with some infraction of traffic laws.'"

This attitude is difficult to understand when you consider the seriousness of our traffic problem, he said. National Safety Council records show there were 38,300 people killed in motor vehicle accidents in 1953. It is significant that council records also show 82 percent of the fatal traffic accidents involved violations of traffic laws by one or more drivers. The conclusion is obvious, violations of traffic laws lead to traffic accidents.

Mr. Rooper declared that, in the face of these facts, no person can consider himself a responsible citizen if he doesn't have the same respect for traffic laws as he has for laws prohib-

ing such crimes as robbery and murder.

The fatal traffic accident victim loses his life as surely as a murder victim loses his," Mr. Rooper said, and the deliberate traffic violator who causes the accident is responsible for his death.

He urged all drivers to accept their responsibility for their own safety and the safety of others and to make it a point to observe traffic laws at all times.

## Veterans Administration Questions & Answers

### Vic Vet says

VETERANS GETTING GI LOANS MAY PAY ONLY THOSE FEES AND CHARGES APPROVED BY VA. IT IS ILLEGAL TO CHARGE VETERANS ANY DISCOUNT OR OTHER SUCH FEES

For full information contact your nearest VETERANS ADMINISTRATION office

Q—I have had to take a physical examination to reinstate my GI insurance policy, which had lapsed. Is there any time limit for submitting the examination report to VA?

A—The report, along with your reinstatement application, should be sent to VA as soon as possible. If you delay submitting them from five to 31 days after the examination, you must also include a statement to the effect that you are in as good a health as you were at the time of the examination. If you wait longer than 31 days, you will need a new physical examination.

Q—I am going to school under the Korean GI Bill. As a member of the organized reserves, I am called to active training duty for brief periods of time. Will my GI allowance stop when I interrupt my schooling for training duty?

A—Your allowance will not be discontinued so long as it is the practice of your school to grant exemptions for these periods without requiring formal interruption of your training.

Q—A friend of mine, paralyzed during Korean military service, is eligible for a "wheelchair housing" grant from VA. If he gets this grant, will he also be entitled to a GI home loan to finance the remainder of the cost?

A—Yes. His "wheelchair housing" grant will not deprive him of his right to apply for a GI loan to finance as much of the remainder of the cost as can be financed in that manner.

Q—I am attending a three-year trade school course under the Korean GI Bill. I am allowed up to 30 days absence a year. If I'm not absent at all the first year, can I carry over the 30 days to my second year?

A—Unused absence may not be carried over from one year to the next.

Q—I entered the armed forces after January 31, 1955, the end of the period for building up wartime benefits. Will I, as a peacetime veteran, be entitled to GI insurance, even though I didn't serve during the wartime benefits period?

A—You may be entitled to GI insurance after separation from service. This benefit was not affected by the proclamation establishing January 31, as the cut-off for wartime benefits.

Q—I am a disabled World War II veteran. I could have entered Public Law 16 training earlier than this, but I never got around to it. If I apply now, would I be able to get four years of training?

A—No. Under the law, you would be permitted to take a course that you could complete by July 25, 1956, the end of the Public Law 16 program as the law now stands.

# THIS IS ABOUT YOU AND YOUR TELEPHONE SERVICE

People talk more than ever over improved facilities . . . rural service improved

Just released, the telephone company's annual report for 1954 tells the story of 58,000 Southwestern Bell people working together as a team to bring you faster service, expanded service, courteous service. Here are some of the things they did to improve your telephone service.

**ON THE "GROWTH" FRONT**  
 Millions of miles of wire were built into the system, most of it in the form of stormproof aerial or underground cable. Telephones in 85 communities were changed to dial operation. More service, improved service was brought to rural areas.

At the year's end, 200,000 more telephones were in service than in 1953. More requests for private and two-party lines were filled than ever before.

**DOLLARS AT WORK**  
 Growth like this costs money — \$173½ million in 1954. Added to telephone payroll dollars spent locally and the taxes paid by the company, these "growth" dollars contributed much to the prosperity of each of the communities in Arkansas, Kansas, Missouri, Oklahoma and Texas served by Southwestern Bell.

**INVESTMENT, EXPENSES UP**  
 The company took in more money — but paid out \$15 million more than in 1953 for the expenses of providing good service. This is to be expected. As more money is invested in new telephone facilities, the day-to-day costs of operating a larger system grow.

The balance of expenses against income is watched closely because only a financially sound telephone company can keep service growing to meet the needs of this and hundreds of other communities in the progressive Southwest.

**BRIGHT PROSPECTS FOR '55**  
 This year promises to be another good year for telephone customers. Further improvements in your service are planned. Still more homes and businesses will be added to the growing circle within reach of your telephone . . . making your telephone even more valuable.

**SOUTHWESTERN BELL TELEPHONE CO.**

BACKGROUND: ASIA

Years of Colonial Rule Made Indochina Easy Propaganda Mark, Set Up Communist Victory

By WALTER SHEAR, Washington Correspondent, National Weekly Newspaper Service.

TO GET at the real crux of what happened and what is happening in Indochina...

The civil war against the French which started in Vietnam in 1946 was a manifestation of the general unrest among the peoples of South Asia...

French Indochina is made up of the two independent kingdoms of Laos and Cambodia, which date back centuries, and Vietnam which is a federation of the states of Tonkin in the north, of Annam, a former kingdom in the center and the former French colony of Cochinchina in the south...

family patterns. Centuries of infiltration have left the population, however, a tangle of influence, mostly Chinese. In Laos and Cambodia, their culture and traditions are symbolized in magnificent temples and the ruins of Angkor, dating back to Indian inspiration.

The truth of the matter is, that as a result of so many centuries of colonial rule these peoples in south Asia, who seek to revive and reassert their own cultural and historic traditions have been easy prey to the propaganda, the promises of agrarian reform and the help of Russian Communism...

Despite the fact that in 1949 France, which has held complete sway over Indochina since 1886, and parts of it since 1858, promised independence to Vietnam, it was comparatively easy for the Moscow trained Red Chinese leader Ho Chi Minh to sway the nationalist leaders of the rebellious Vietnamese into accepting aid from Red China...

Of these three states, Vietnam is the more important with a population of some 23 million. Laos contains 1 1/2 million with about 3 1/2 million in Cambodia. A million or so Chinese live in Vietnam, most of them around Cholon and Saigon in Cochinchina. A large number of Thai and Mol and other tribal people live in the mountains of the central regions...

from winning by erosion more territory in that part of the world. It means that approximately 13 million more people in north and central Vietnam are today behind the iron curtain, as a result of the ratification at the Geneva conference in which our country, together with Britain, France, Russia and Red China participated.

The question now arises, will the Chinese Reds and their Moscow allies be content and permit the rest of Indochina to work out their independence from the French? The answer of course, is a well known "No."

Secretary of State John Foster Dulles early this year pointed out the danger of any successful communist coup in Indochina. He said: "The tragedy would not stop there. If the communist forces won uncontested control over Indochina or any substantial part thereof, they would surely resume the same pattern of aggression against other free peoples in the area."

Mrs. Guy Hutson and Raymond and Mrs. Willie Cozby were visitors in Cleburne, Tex., Friday and Saturday.

Mrs. M. O. McKinney left Monday for Dallas, to help care for a new granddaughter born Friday to Mr. and Mrs. Robert McKinney of Dallas. This is the McKinney's first grandchild.

Forum Study Club Shamrock Tea

An Irish scene was created through the use of large green shamrocks, hats, and Irish roses covering an archway, when the Forum Study Club entertained with a Shamrock Tea at the Town Hall, March 17th.

President Mrs. Wallace Landrum welcomed the guest representatives from the Junior University Study Club, Current Literature Club, Contemporary Study Club, University Study Club, Burkburnett Study Club, Burkburnett Garden Club, Fashion Rose Garden Club, Bluebonnet Garden Club, Unity Garden Club, and the Gay Ladies Garden Club.

Mrs. Landrum then introduced the special guest, Mrs. Lloyd McCloud of Bryson, who is District President of the Texas Federated Womens Clubs.

Members of the Forum Study Club sharing the hostess duties were Mesdames Wallace Landrum, Winston Freeman, Charles Goins, Ellis Gragg, Lonnie Taylor, Tom Burnett, Frank Greer, B. H. Preston, Jr., Jack Northcott, Hugh Cole Preston, Jr., A. G. Crosby, Edward Bankhead, and Bruce Ford.

Gleaners' Class Met Last Thursday

The Gleaner's Sunday School class of the First Baptist church met in the home of Mrs. Charles Begeman, Thursday night, March 24th for their monthly social with Mrs. Jack Alexander and Mrs. G. E. Lynskey as co-hostesses.

The guest of honor was Mrs. L. B. Horr, the new class teacher. Mrs. Carlos Ramsey, class president, presided over the business session and then presented Mrs. L. H. Gilbert, who gave an inspiring devotional on "Fishers of Men."

Mrs. Gilbert stressed the importance of "being Fishers of Men, especially right now, just before our revival. And how much rejoicing there was over even one lost soul being won to Christ. We are to carry the Word of God with us always, if not with our Bible, then with our hearts."

Mrs. Herman Miller had charge of the entertainment and presented several games as well as baby pictures of several of the class which everyone tried to recognize without much success.

Delicious refreshments were served to the following, Mesdames, Harold Preston, Leon Pace, Carlos Ramsey, Herman Miller, L. H. Gilbert, A. L. Patterson, L. B. Horr, J. D. Grizzle, T. B. Middleton, J. C. Hinkle, Avon Fields, Kennedy, Judy Pace, Pat Grizzle and the hostesses, Chas. Begeman, G. E. Lynskey and Jack Alexander.

## High School News

Twenty homemaking III students of Burk Burnett High school visited the Lone Star Gas Company Tuesday, March 22. Shown thru the building by Mrs. Helen Banks, they examined the features of the new gas ranges and refrigerators, inspected two model kitchens complete with dishwashers and latest equipment, and were instructed in the use of a gas clothes dryer. Students making the trip were Etta Lee Brandon, Velma Shaw, Peggy Terry, Gloria Wortham, Reba Shipman, Marilyn English, Margaret McDonald, Charlotte Simon, Marilyn Morris, Patsy Shields, Valerie Cook, Karon Prechel, Janice Henry, Wanda Redman, Marilyn Penn, Ronnie Bryan, Dana Riddle, Carol Hegeman, Marie Kinnett and Rosemary Roark.

Burk Burnett High School feels proud of their Dramatic class for winning two awards from the Interscholastic League One act play contest. Their play, "The Last Page," took third place with Crowell and Chillicothe taking first and second honors, and Rosemary Roark took second place in the individual actress rating. The Interscholastic League Literary contest will be held in Burk Burnett, April 15. Many students are going out in the different divisions: Reading, Writing, Extemporaneous Speaking, Debate, Spelling, Declamation, Poetry Reading, Typing, Shorthand, Number Sense and Slide rule.

Our high school was visited Thursday, March 24 by four representatives of the Gideon's, a nation organization of Christian businessmen who give of their time furthering Christianity. They gave New Testaments to all those desiring them.

Friberg-Cooper Community Park Dedicated March 20

The Friberg-Cooper Organization brought the years work to a climax Sunday, March 20th with the dedication of the community park.

Making the dedicatory address was Rev. Chief Warden of Arlington, Texas, former minister at the Friberg-Cooper Methodist church. He is now a Methodist student worker.

The park is a two acre hillside that contains besides the church, a picnic pavillion and play equipment for children.

Following church services, some 150 residents gathered in the afternoon for the services. They ate a covered dish luncheon and heard the dedication services under the picnic pavillion roof.

In his address taken from Nehemiah in the bible, Rev. Warden said the park had been built "because people had a mind to work."

"The people of this community should be proud of their accomplishment in transforming an eyesore into a place of beauty."

Rev. Warden was pastor of the church when the movement began to organize and improve the community. Since that time the community has won much favorable comment from over the state of Texas for community improvement programs.

The services opened with singing "America The Beautiful." A prayer was given by Rev. Gene Sorley, present minister at Friberg. A history of the community park movement was given by Mrs. Rex Kolter.

The committee in charge of the program consisted of Mrs. W. M. Morton, Mrs. Herbert and Mrs. Vernie Lamb. Adams, Mrs. Ralph Swinford and Mrs. Vernie Lamb, chairman. Special numbers were given by Rev. Dave Caddell of Thornberry and Mrs. Jenks Maness.

The officers of the community organization are Mrs. Rex Kolter, president; Ralph Swinford, vice-president; Mrs. Sam Spencer, secretary; Mrs. George Emmert, treasurer. Committee chairmen are Olen Bailey, increasing and managing family income; Mrs. Sylvia Ramming, improving health conditions and service; W. M. Morton, improving the home and farm; Mrs. George Emmert, encouraging social participation.

Members of the organization have worked with a committee consisting of Bill Jenne, W. M. Morton, Mrs. Fred Vollmer and Mrs. Ralph Swinford, chairman, in landscaping and improving the park grounds. They have constructed an 18x28 ft. concrete slab near the fireplace, building a roof over the slab to provide shade for picnickers and also constructed four picnic tables with benches. They have set out 55 shade trees, 14 evergreens, 55 shrubs and 150 blubs. They planted cane as a screen for the fence at the back of the park and plan to seed the hillside with bluebonnets.

The group is bringing to a close the second year of its organization.

VETERANS Administration Questions and Answers

Q—I am a World War II veteran in school under the GI Bill. When I get my AB degree, would it be possible for me to go on and obtain by Master's degree in the same field? I have plenty of GI entitlement.

A—Yes, it will be possible for you to go ahead and study for your MA degree, so long as it will help you reach your education or vocation objective.

Q—I had an appointment for VA outpatient treatment that I failed to keep because I forgot all about it. Will breaking this one appointment deprive me of future outpatient care?

A—No. Breaking one appointment, without notice, will not deprive you of further outpatient treatment. But breaking two or more appointments, without a reasonable excuse, could result in bringing your outpatient care to an end. Always give at least 24 hours' notice if you must break medical appointments.

Q—if I get a GI loan to buy a farm, is it necessary for me to live on that farm?

A—It is not necessary that you actually live on the farm. But you must at least supervise the farming operations.

Q—I am a disabled Korean veteran. May I take vocational training under Public Law 894 on a part-time basis, and get a part time job for the rest of the time.

A—No. Under the law, vocational training for disabled veterans must be on a full-time basis, unless the veteran's physical condition would not allow for full time training.

First Baptist Church

7. LYNN STEWART, Pastor

The Church in Bible Study, 9:45 A. M. God's word is taught to every age for there is a place for the entire family. God is blessing this school of the church. Every enrollee of the Sunday School is urged to be present this Lord's Day. New members and visitors are cordially invited to attend.

March 25th With Mrs. Walker Hostess To Caudill Circle

The Caudill circle of the First Baptist church met in the home of Mrs. Grady Walker Monday, March 28th.

Mrs. Renfro presided over the business meeting. Roll call was answered with a scripture verse. Mrs. Grizzle brought a very inspiring devotional service from Phil. 3: 13-14. She also led in prayer.

Mrs. Renfro brought a talk on more soul winning for Christ. Mrs. Welborn dismissed in prayer.

Lovely refreshments were served to Mesdames Skipwith, Smith Teal, Carswell, Welborn, Renfro, and the hostess, Mrs. Walker.

Boy Scout Camporee

Plans are complete for the Comanche District Boy Scout Camporee to be held this weekend, April 1 and 2 on the Ban-tam Ranch near Kadane Corner according to Tandy Jackson of Kamay, Camping and Activities Committee chairman.

The annual event is for all Troops of Valley View, Kamay, Electra, and Burkburnett which make up the Comanche District of the Northwest Texas Council, Boy Scouts of America. Purpose of the event is to rate each of the Patrols within the Troop against a top standard of achievement in camping and scoutcraft skills. These include such things as pitching camp, cooking, good handling, menus, leadership, Scout conduct, fire building, water boiling contest, signaling, and compass.

Scouts and their leaders will check in after school on Friday, pitch camp, prepare supper, and participate in a stunt night camp fire. On Saturday, the skill contest will be held in both morning and afternoon, with the closing and presentation of awards about 5:00 p. m. Each Patrol will receive a ribbon designating their rating as Excellent (blue ribbon), Standard (red ribbon), or Participating (white ribbon.)

Laura Chitwood Hostess to The Fashion Rose Club

The Fashion Rose Garden Club met in the home of Mrs. Laura Chitwood for the regular March meeting. The meeting was called to order by each member reciting a garden poem.

Mrs. Laura Chitwood demonstrated to the club how to make corsages. Each member was given material and tried to make her own corsage. Everyone enjoyed the experience very much.

The club decided to make a donation of cash and used clothing to the Fowler Home for Easter.

After the business meeting, lovely refreshments were served to Mesdames Irma Brocker, Norma Schuette, Georgia Logan, Mary Ruth Westbrook, Frances Sprague, Dorothy Faulk, Anita Bangs, Esther Youngblood and the hostess, Mrs. Chitwood and one guest, Mrs. Chitwood's mother.

Linda Charles of Wichita Falls and Mr. and Mrs. Baines McBay of Quanah, Texas, visited Mr. and Mrs. A. J. Harris over the week end.
