Baseball Program 13 - Aug. 5th

Summer Softball program will get under way on Monday, June 13th and run thru the 13th week, final plans for the program were drawn up at a meeting of the board of directors held at the home of Howard Clement Smith, chairman of the program. Other members of the board are: C. M. Archer, Newton C. Evans, J. E. Larimer, and A. H. Richardson, superintendent.

All boys in mornings will play in the field from 8:00 to 10:00. The larger group will be at the baseball park from 4:00 to 6:00 P. M.

Transportation furnished for those who need transportation from the ball park each evening. Schedules will be posted later.

Willis Bartley, Jr. Back From Korea

Willis Bartley, Jr., Radar Technician, I-C, arrived home in Burk Burnett at 9:00 Wednesday night from Inchon, Korea. He left there April 27th on a ship named Marine Lynx and arrived in Seattle, Wash., on May 7th. From there he went to Ft. Bliss for separation from the service on May 12th.

He is the son of County Deputy Sheriff and Mrs. Willis Bartley. When young Bartley boarded ship he said it looked like the grub would not be too good, so he went below deck, grabbed a paint brush and started helping the crew paint. From then on he had three excellent meals a day with crew members.

Gary Bean to Play In All Star Game

Gary Bean, son of Mr. and Mrs. Bill Bean, has accepted an invitation to play in the Greenbelt Bowl All Star football game to be held in Childress August 12th.

Gary has finished an outstanding high school career as shown by his record and the recent selection to play on the East All Star team.

A letterman four years, Gary was a regular three of those years on the A team. His freshman year was spent on the B team which won the B championship in District 4-AA. As a sophomore in 1952, Gary was a regular defensive guard and offensive tackle on a team that won 8 games and lost 2; he was co-winner of the Hardest Worker award. In 1953, he was co-winner of the Hardest Fighter award on the District 3-AA co-champions.

Last season, being one of only two returning double duty regulars, Gary immediately established himself as a leader. He was chosen as co-captain by his team mates and did a fine job as his team finished with an even .500 record. When the season closed, Gary had won the Hardest Fighter award, the Best Blocker award and was chosen as a guard on the coaches' 3-AA all district team.

Editor Elected T-B Vice-Pres.

Mrs. Joella Butler was re-elected president of the Wichita County Tuberculosis Association during a board meeting Tuesday at the YMCA in Wichita Falls.

Other officers elected were Harry Dodson, Editor of the Burk Burnett Star; Mrs. J. L. Clayton, Electra; and Keith D. Swim, Iowa Park, vice-presidents; Miss Maude Moller, secretary and Oral Jones, executive secretary of the association, submitted the annual report for the fiscal year ending March 31, 1955.

Miss Marilyn Felty In Piano Recital At Midwestern

Miss Marilyn Felty, local piano student, was presented in recital Sunday, May 15th, at 6:00 P. M., at Midwestern University Auditorium in Wichita Falls. She is a pupil of Susan Hsueh of the University Department of Music.

With poise, gracefulness, and an interpretation and technique befitting one many years her senior in experience, Miss Felty played numbers from Bach, Mozart, Debussy, Brahms and Schuman. Her shy manner and humility plus her ability at the keyboard won the admiration of all those present.

NOTICE

The Band Parents club will meet Monday, May 23rd 7:30 p. m. at Band hall at High school. Installation of officers will be held and plans made for the band calendar sale. Your presence is requested.

Father of Burk Man Died Tues. At Parsons, Kan.

Mr. J. S. Foster of Parsons, Kansas, died at 6:30 A. M. Tuesday morning in a hospital there after suffering a broken leg and fractured ribs in a fall several weeks ago. Funeral arrangements are incomplete.

Survivors include the widow, Mrs. Foster; one daughter and one son, Leo Foster of Burk Burnett.

Leo left early Tuesday for Kansas.

ROTARY CLUB Each Tuesday Noon Town Hall

Truman Garland introduced the visiting Rotarians. Virgil Brookshear gave the invocation and George McClarty led the group in the first verse of America.

Ted McCasling was responsible for the program. Assisted by Supt. Ralph Davis and Principal I. C. Evans, film was shown commemorating fifty years of Rotary from a humble beginning to the present day, which proved very interesting.

Paul Browning announced the United States postage stamps with the Rotary wheel emblem appear in local post offices throughout the nation.

President Wampler passed along the challenge of the local Lions Club to a ball game with the Rotary Club possibly the second week in June. Proceeds will go to the Kids baseball fund program for the summer months.

Services Wed. for V. A. Cearley, 79

Vinson A. Cearley, 79 a retired farmer, died at his residence at 1909 North Fourth St. in Wichita Falls Tuesday morning.

Services were held at 4 P. M. Wednesday at Calvary Baptist Church in Burk Burnett with the Rev. Ray C. Morrow, pastor, officiating.

Burial was in Burk Burnett Cemetery, under direction of Owens-Brumley Funeral Home.

The body was taken to the church at 2:30 P. M. Wednesday to lie in state until time for the service.

Cearley was born in Parker County, Texas, on May 16, 1876. Survivors are his wife, Mrs. Fannie Cearley of Wichita Falls; two sons, George E. and Henry L. Cearley, both of Wichita Falls; one daughter, Mrs. W. D. Dockery of Wichita Falls; one brother, Wilson Cearley of Celeste, Texas; 15 grandchildren, and five great-grandchildren.

Services Today for Virginia Woodard

Funeral services for Mrs. Virginia Ann Woodward, 25, 1630 Best, Wichita Falls, will be held Thursday (today) at 2:00 P. M. from Owens-Brumley Funeral Home here, with Rev. T. H. Masters, pastor of the Bible Baptist Church in Wichita Falls, officiating.

Mrs. Woodard died late Monday evening. She had been suffering from a heart condition, but was in apparent good health until she collapsed unexpectedly Monday night at her home.

Pallbearers will be Paul Malow, Roy Childers, L. O. Nelson, W. Hastings, A. L. Sauls and Bill Dawson.

A native of Saint Jo, Texas, she was born Oct. 9, 1929, and had attended schools at Burk Burnett before moving to Wichita Falls six years ago. She was employed by the L. O. Nelson Office Supply Company in Wichita Falls.

Survivors include her husband, Dale Woodard, a switchman for the Fort Worth & Denver Railway; two sons, Dwan and Evan, both of Wichita Falls; her mother, Mrs. E. C. McDonald of Grannis, Ark.; and 3 brothers, Crayton Awtry of the U. S. Air Force, Ronnie Lee Awtry of Wichita Falls, and Jimmie Awtry of Grannis, Ark.

Burial will be in the Burk Burnett Cemetery.

The body was brought from Wichita Falls to the Owens and Brumley Chapel here at 5 P. M. Wednesday and will remain there until service time.

C. A. Morgan Thanks Stadium Painters

C. A. Morgan, general chairman of the Rodeo committee, wishes to thank all volunteer workers who helped paint the rodeo stadium seats and walkways. That part of the job has been finished.

George Byerly, George McClarty and Harry Dodson, seat number specialists, plan to get the seats numbered between now and June 21st!

Ted. R. McCasling Decides to Remain As City Manager

T. R. McCasling City Manager of Burk Burnett since November 15, 1953, had offered his resignation effective June 1st, to accept a like position at Henryetta, Oklahoma. However, after reconsidering, Mr. McCasling has decided to remain in Burk Burnett.

In talking with a Star representative, Mr. McCasling said that one of the biggest reasons for his deciding to continue as City Manager of Burk Burnett was the wonderful spirit of cooperation he had received from everyone since coming here. He said it was the best he had ever experienced, anywhere.

Progress Made
The City has enjoyed wonderful progress under the able leadership of Ted R. McCasling. Since he took over the management of the City, 13 new water wells have been completed and put on production. These wells added 466,000 extra gallons of water per day to the supply.

The City has retired \$46,000.00 worth of bonds, paid all interest on other outstanding bonds, and will be able to take up other bonds as they become callable. On Nov. 15, 1953, the City had \$213,000 worth of outstanding bonds. The total outstanding now is \$187,000.

Thirty-one blocks of streets have been drained and graded, and some of them black-topped. Ten blocks have been revealed to protect them from wet weather.

The Light Department has added 119 new customers, rendering an additional revenue of around \$10,000. In the meantime, numerous extensions have been made to the distribution system, and the small Cooper-Bessemer engine has been completely overhauled and is now in A-1 shape.

New air tanks, of 48 cu. ft. capacity each, have been added at the light plant for starting and operating the big engines.

Twenty-nine new electric transformers have been installed to handle the increased load and give better service.

The water situation, the biggest problem facing Burk Burnett, has had constant study by Mr. McCasling, and the ultimate solution of that problem seems much closer now than at any time.

Soft Ball Game Set for Today

A soft ball game between the Burk Soft Ball Club and a team from SAFB has been set for this afternoon (Thursday) beginning at 5:30 at the Lions Club Park.

There will be no admission charge. Henry Hodges is manager of the Burk team.

Merchants to Give Ford Car Away

The merchants of Burk Burnett will give away a new 1955 Ford Tudor Sedan Saturday, June 25. For particulars ask any Burk Burnett merchant, or any member of the clubs selling rodeo tickets.

GRASS ROOTS OPINION

LIBERAL, Kans., Southwest Daily Times: "Proof that industry is moving to less populated centers for various reasons, is evidenced plainly in the case of the chemical industry. Of this industry's recent list of 480 construction projects, only nine, or less than two percent are in major metropolitan centers. The trend of industrial expansion is away from the larger cities."

SALEM, Indiana, Leader: "A recitation of government aid on hospitals, welfare, housing, and what have you sounds splendid until we stop to consider that these funds are nothing but our own money taken to Washington discounted a half or more thru various bureaus, and the remainder sent back."

PARK FALLS, Wis., Herald: "One of the silliest ideas to be proposed by organized labor in all its history is being pushed by the automobile workers this year and will probably result in a nation-wide strike in the auto industry before the summer is out. We refer to the 'guaranteed wage.' In our free enterprise system of business how in the world can a manufacturer guarantee his workers an annual salary? No one guarantees the automobile manufacturer that he will sell his products and make a profit so that he can pay a 'guaranteed salary.'"

Officers Need Public Support

Never has there been a time in Cochran County history when the law enforcement officers were more in need of support from the people.

The public has a right to place whatever respect they feel on their law enforcement agency. If they have little respect, the time and place to show it is at the polls during election time. Or, if necessary, thru a complaint filed with the proper authorities.

But when the public overwhelmingly endorses the Sheriff Department and its efforts, by electing the Sheriff by a large margin to another term of office, it should bear out that respect by upholding the officers in court.

This does not mean nor does it even hint that innocent men should be convicted. When evidence is not conclusive, the jury not only has a right, it has a duty to turn the defendant loose.

But when a decision depends upon the word of a defendant or of an ambitious lawyer, versus the word of a group of officers who made the arrest, it seems rather foolish to publicly slap the officer in the face by indicating they are lying.

Last week a local jury heard a man admit to having been drinking, admit to having suggested to a companion that he'd better throw beer and whiskey out of the car because law officers were following him. He asserted a local law officer stuck a gun in his stomach and that another swore at him. Not only is neither one substantiated but the man who reportedly swore at him is known not to use that kind of language, even in the most trying moments. That can be substantiated by those who do business with him.

It was clearly an effort of mudslinging and it paid off. The man was freed.

This isn't the only experience of this kind. Local officers have had trouble in making the merest traffic violations stick. The officer writes a ticket for speeding and all the defendant has to do is say, "I'm Not Guilty." If the officer can't produce a dozen bona fide witnesses who say the man was speeding, they turn him loose.

The matter is relatively unimportant to most persons. They maintain it really makes no difference. But here's where the difference comes in.

The officer soon tires of being publicly insulted and he stops writing tickets or arresting drunk drivers. The law enforcement department soon becomes worthless to us, the taxpaying citizens. Nothing results until someone is killed or maimed thru a violation. Then, it is too late to start thinking about law enforcement or safety regulations.

It's time we made a decision. The people who sat on that jury last week were good citizens. They just evidently didn't believe in their officers enough, to bring a guilty verdict.

The next two steps are up to the people. The first step should belong to the City Commission and the Mayor of Morton, who was foreman of that jury.

If they have no confidence in the present marshal they'd better get another. We'd hate to see him go and so would the sheriff's office. The present marshal has posted an excellent record of cooperation with the sheriff's office. That sort of cooperation is badly needed. There is no point in the city and county law enforcement having to operate separately. Together they can accomplish a lot more.

Nevertheless, step one, if the Commission doesn't have confidence in the marshal, they'd better get another.

Step two is up to you. If you're not satisfied with the sheriff's office then get a new one when election time comes. But if you continue to vote for the present officers, it's about time you supported them.

From the March 3, 1955 issue of the MORTON TRIBUNE, which is published in that county seat town of Cochran County

MERCURY COSTS LESS THAN YOU THINK. This big Mercury Custom 6-passenger Sedan, shown above, costs less than 13 models in the "low-price" field.

No other car offers you 3 bigger reasons for buying it

- 1. EXCLUSIVE STYLING SHARED BY NO OTHER CAR.** There's no mistaking a Mercury—it's distinctive from every angle. The unified bumper and grille assembly, the original use of color and chrome, the massive tail-lights . . . all say "Mercury."
Mercury offers 11 models in 3 series. You'll find a Mercury that's just right for your needs. Regardless of the one you select, you get the distinctive styling that makes Mercury America's most advanced new car.
- 2. NEW SUPER-TORQUE V-8 POWER AT EVERY SPEED.** Mercury puts high horsepower to work in a new way—not just for high speeds but for everyday driving. You get far more pickup at every speed, from start to superhighway limits—reserve power for safer passing, hill climbing.
"High-price" car features in Mercury at no extra cost—4-barrel carburetor, high-compression anti-fouling spark plugs, ball-joint front wheel suspension, and dual exhausts on 8 of 11 models.
- 3. CONSISTENTLY HIGHEST TRADE-IN VALUE IN FIELD.** Mercury is champion of its class for resale value, according to independent market reports of used-car prices. Year after year, Mercury has consistently held that distinction because it's styled to be years ahead in beauty . . . powered to be years ahead in performance. You command a better trade-in price.
You're ahead when you drive a Mercury, too, because of Mercury's traditional low operating cost.

FILM ON "MARTIN LUTHER" TO OPEN PALACE THEATRE, TUES.-WED., 24-25

"Martin Luther," the widely acclaimed Louis de Rochemont production which astounded the motion picture world with the great success of its "roadshow" presentation last year, will begin its first showing at popular box office prices at the Palace Theatre on Tuesday and Wednesday, May 24th and 25th.

The film, dealing with the 16th century Reformation leader who defied excommunication and the stake in his demand for religious reform, was presented at advanced admissions during the past year. The picture was produced by Louis de Rochemont Associates, who have the knack of making "provocative pictures" an exciting experience for the man in the street. "Lost Boundaries", "Walk East on Beacon."

The title role is played by Niall MacGinnis, British actor, who heads a cast and crew of 500 drawn together for the production from the U. S., France, Ireland, England, Scotland, Germany and Austria.

Lothar Wolff, de Rochemont veteran of The March of Time series and ECA films, produced the film on location in the towns castles and church of west Germany. Irving Pichel of Hollywood directed and played one of the key roles.

The script prepared by Allan Sloane and Wolff, is based upon Catholic and Protestant sources and leans heavily on historic documents for its dialogue.

Craftsmen of both faiths enlisted the support of museums in Berlin, Mainz, Wiesbaden and Brettan for authentic costuming and reconstruction of scenes such as the Diet of Worms and the Diet of Augsburg. Music was furnished by the Munich Philharmonic Orchestra with an original score by Mark Lothar of the Bavaria State Theatre.

WHAT'S MOM!

Ever wonder how Mom does it . . . how she
keeps the family so well fed, so well dressed . . .
how she has the "extra cash" when a crisis comes up?
It's because she's a shrewd shopper . . . and a
systematic saver. Puts money away regularly in a

Grade School News

We have been busy the last few days taking some tests. We enjoy taking tests and trying to find out how we maybe able to improve in our work.

We are getting ready for the close of school activities for this school year. It only seems a very short time since the first day of school this past year, but there has been a lot of events that have happened since the doors of the school house first opened last fall. There is just not enough time left during the day during the last month of school for us to get in all of the activities. The days become rather crowded until its a matter of choosing activities, but it will not be but a few days until we will miss being around all of the boys and girls.

A mortgage may be necessary at times, but one's conscience should be kept unencumbered.

Nowadays, getting up in the morning isn't any harder than getting to bed at night.

Installation WSCS
Monday, May 16th

The Woman's Society of Christian Service met at 3:00 P. M. May 16th with twenty-one members present.

The opening song was Jesus Calls Us, with Mrs. O. E. Melton at the piano. Mrs. J. H. Rigby led in prayer.

Mrs. W. H. Holt, president, presented her daughter, Mrs. L. S. Munkres of Wichita Falls. Mrs. Munkres, district vice-president, installed officers for the new year in a beautiful and inspiring service. Time was the theme, with each officer representing a component part of a clock. It was illustrated how we could receive full value of our time by each doing her part. After the installation, Mrs. Munkres led in singing Take Time to Be Holy, and finished the service with a prayer.

Mrs. Holt presided over a brief business session.

Mrs. T. M. Jenson gave a devotional service on True Greatness using the story of the Shunammite woman from 2nd Kings 4:8-10. After offering a prayer for greatness, Mrs. Jenson led in singing I Would Be True.

Following the benediction, everyone enjoyed a social hour. Mrs. A. R. Bunstine and Mrs. Blake Browning served delicious refreshments from a lovely table.

Card of Thanks

I would like to express my heartfelt thanks for the many flowers, cards, phone calls, etc., that I received during my recent illness. Your thoughtfulness has meant much to me.

Former Burk Boy Married In Houston

Miss Milicent Mason, daughter of Mr. and Mrs. Richard Mason of Houston, Tex., was married to Jack Paul Westerfield Saturday evening in River Oaks Baptist church, Houston.

Westerfield is the son of former Burk and Wichita Falls residents, Mr. and Mrs. Butler Westerfield, 3716 Hubby Avenue, Waco.

Miss Marilyn Miller was maid of honor and Miss Monte Sue Martin acted as bridesmaid.

The groom's father served as best man.

After the ceremony, a reception was held on the church patio.

Among other out-of-town guests were Mr. and Mrs. Terry, Wichita Falls; Paul Browning, Godfather of the groom, and Mrs. Browning from Burkburnett.

The bride is a graduate of the University of Texas in Austin, where she was a member of Kappa Alpha Theta sorority. The groom is a graduate of Baylor University in Waco, where he was a member of the Tryon Coterie club. He is employed with Internal Revenue Service in Houston.

Mr. and Mrs. Westerfield will make their home in Houston.

WSCS Held Regular Meeting May 10th

Circle 2 of the Methodist WSCS met Tuesday afternoon, May 10th, at 2:30 P. M. in the home of Mrs. Hugh Jones.

The meeting opened with the singing of Near the Cross. During a brief business meeting, a report was given about the lunch fund for an underprivileged child which the circle is providing, also the sick that were absent.

The program for the day opened with a devotional given by Mrs. Bill Cauthorn on the subject Be Ye Doers of the Word. The lesson for the day was Mrs. A. W. Newman. She told us how large a number there is in our WSCS.

Mrs. A. R. Buntine gave some of the duties of our WSCS. Mrs. W. H. Holt told about our medical work such as training medical workers, etc.

Mrs. T. M. Jensen told of the shortage of medical workers, especially in India. Mrs. Blake Browning told how the WSCS tries to help all races of people.

Mrs. Cauthorn, circle leader, reminded us that this was the end of our WSCS year and summarized the work done by Circle 2.

Mrs. Holt, president of the whole WSCS, announced that Monday, May 16th was the installation of new officers for next year and urged everyone to come and bring someone with them.

The meeting was dismissed with prayer by Mrs. Cauthorn. Delicious refreshments were served to 13 members.

Mrs. Jessie Preston Hostess to Luncheon Bluebonnet Club

Members of the Bluebonnet Garden club were entertained with a luncheon in the lovely home of Mrs. Jessie Preston, on May 10th. Mrs. Bertha Johnson, Hettie Gilbert and Grace Markum assisted with hostess duties. Spring flower arrangements of red roses decorated the party rooms.

The president, Mrs. Maude Teal, presided during the business session. Various chairmen and committees were appointed and projects for the coming year were discussed. The club decided to cooperate with other organizations of the town for the Rodeo in June. It was voted to have a float for the parade. Mrs. Velma Bohner was appointed as chairman of the Rodeo committee. The program director, Mrs. Roy Magers, presented Mrs. Gladys Carswell who gave a very complete club history. Mrs. Bertha Johnson displayed the club scrapbook for the year. Flower arrangements entitled Spring Magic were designed by Mrs. Louise Ratliff and Mrs. Johnnie Hageman. Judges for the arrangements were Mrs. E. R. Burns, Mrs. Carswell and Mrs. Kennedy. Every member of the club answered roll call with vacation plans. The club was honored to have two visitors, Mrs. Jack Mathis, Sr., and Mrs. Lela Jones.

Members were adjourned until September which will be the first meeting of a new year for the club.

it's Karo for me, the best-tasting waffle syrup of 'em all!

Yes, indeed . . . biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night . . . it tops anything!

News From The County Agent

There are many more sheep in Wichita County, a cattle raiser reports, than the average period would expect.

Sheep are being included in small farms, especially in the sections, because of the income they give.

The Local Sheep Growers Association is doing a lot to improve the area. Mr. Gale Lowrance is president of the association.

Work on the improvement of the sheep, the county agent says, is being done by Mr. Billy B. Haws, county agent, and Mr. Kidd recently spent

several days visiting and culling flocks in this area.

He culled a total of 1304 sheep including 342 for Mr. Earl Lehman, Iowa Park; 787 for F. B. Richard, Kamay; 90 for Gale Lowrance, Iowa Park and 85 for Sylvester Wolf, Archer County.

All cooperators plan to keep accurate records on wool production to be a guide in culling sheep in the future, according to B. T. Haws, county agent.

W. M. Morton of the Friberg-Community has been practicing rotation grazing and is really sold on its value to the beef cattle producer.

"Cattle feeding continuously on a pasture can trample a lot of good grazing into the ground," B. T. Haws, county agent says.

"Grazing efficiency studies show that often only 50 percent of the grazing produced is eaten by livestock."

Pasture rotation "rations out" the grazing and forces livestock to remove all the growth from a small area in a short time. Under rotation, plants may be grazed when most palatable and are given opportunity for regrowth and rest between grazings.

Since rotation grazing calls for cross-fencing, the use of inexpensive portable electric fences is recommended.

Many stockmen who practice rotation will have more grass from now until about July 1 than they can use, Haws says. If the supply outstrips demand, bale or ensile the excess for feed insurance.

Mowing is important to proper pasture management for two reasons: to control weeds and to revert plants into new growth. Mowing during the growing season keeps plants in a vegetative nutritious condition.

Other investments of time and labor which go into improved pastures are wasted, however, unless there is ample fertility in the soil. A soil test tells the right kind and amounts of fertilizer you need.

Animals grazing lush, fast growing pasture will need some dry hay, Haws adds. Many stockmen met this requirement by mowing several strips across their pastures. This way, cattle pick up the dry grass as needed.

David Seigler, Wichita Valley Farms, has been hired by the Commissioners' Court as wolf trapper for Wichita County. Mr. Seigler went to work May 1.

Wolves have been doing lots of damage for the sheep producers in the county.

Anyone needing the services of Mr. Seigler is asked to contact or call B. T. Haws, county agent, telephone number 2 0721.

Three Wichita County rural communities entered the Pasture Improvement Contest sponsored by Radio Station WFAA, Dallas and the Texas Extension Service. The three communities recently completed their pasture records and submitted their annual reports to the District Extension Office in Vernon.

The records were judged on a district basis and the Clara-Fair-

view community won first place, with the Valley View community placing second. The Friberg-Cooper Rural Neighborhood was entered in a state basis in the sweepstakes and was one of the top five communities in the state of Texas. The pasture contest is designed to promote the more efficient use of pasture in the North Texas area, and to help farmers become acquainted with the possibilities of increasing their income thru the use of permanent and temporary pastures.

The Rural Neighborhood Progress Contest sponsored jointly by the Farmer-Stockmen Magazine and the Extension Service also had three neighborhoods entered from Wichita County. First place went to Friberg-Cooper; Clara-Fairview was second, and Valley View was scored third in the district elimination.

The Wichita County farmers can be justly proud of the showing made by the rural neighborhoods in the county. This program is administered by locally elected officers in the community with the help of the county and home agents.

Sudan Grass Is Best Bet For Summer Grazing

Sudan grass is an old standby but still the livestockman's best bet for temporary summer grazing.

Seeded now, sudan will provide green grazing in six to eight weeks, says B. T. Haws, county agent, and by staggering your plantings at three to four week intervals the season of temporary grazing can be greatly extended. Different plantings should be fenced separately and grazed in rotation.

Moisture conditions are generally favorable for planting su-

dan. In addition to providing lush summer grazing for livestock, temporary pastures give permanent type pastures a much needed rest.

Haws suggests planting one acre of sudan for each animal unit on the farm.

Research shows that now planting of sudan, 36-42 inch rows, produce the best grazing. Use 7 to 10 pounds to an acre. The same studies show that broadcast or close drilled sudan, seeded at rates: 20 to 25 pounds per acre, yields the most hay if harvested only once. No advantage was gained by planting cowpeas with sudan.

Common and Sweet are the popular varieties of sudan for Texas. In tests at the Beeville Experiment Station, steers gained an average of 1.54 pounds each daily on common and 1.55 pounds daily when fed Sweet. Steers fed Tigt, another variety sometimes used, registered 1.45 pounds of daily gain.

The sorghums, mainly hegari, also are used for temporary pasture. The quality of sorghum grazing, however, often is inferior to sudan, and there is danger of prussic acid poisoning under certain conditions.

VETERANS Administration Questions and Answers

Q—I hold a permanent GI insurance policy. Since it has been in force for more than one year, I have the right to borrow money on it. How much can I borrow?

A—You may borrow an amount that does not exceed 94 percent of the reserve of your permanent GI policy.

Q—Where may I obtain the forms required to apply for a GI home loan?

A—You should be able to obtain the necessary forms from your lender. Lenders who do not have the forms may get them from the nearest regional office.

MATURE REVERSES ROLES IN CINEMASCOPE EPICS

Victor Mature, thru his recent successes as Demetrius in "The Robe" and its sequel, "Demetrius and the Gladiators," has reached a new peak in his twelve-year career in motion pictures, reversing the theory he expounded in both of these great CinemaScope productions.

The reference is to his current role, as Horemheb, a famed general in the days of the great Pharaohs, in Twentieth Century-Fox's multi-million dollar epic, "The Egyptian." As Horemheb, Mature is a warrior who puts country above God. In his role as the Greek slave in Rome during the time of Christ, Mature was a man who put God above his country and ruler.

Mature's assignment to the great cast which includes such stars as Jean Simmons, Gene Tierney, Michael Wilding, Bella Darvi, Peter Ustinov and Edmund Purdon in the title role, was also the beginning point of a new seven-year contract which Darryl F. Zanuck, studio production chief, presented to him with the script of the screen adaptation of Mika Waltari's famed best seller, "The Egyptian" showing Sunday-Monday and Tuesday, May 22-23-24 at the

Palace Theatre, is Zanuck's personal production for the year.

Best Cotton For This Area Listed

Paymaster 54, Hi-bred, Lockett Stormproof No. 1 and Deltapine TPSA have made the highest yields in five-year regional cotton variety tests at Iowa Park in the Wichita Valley.

During 1954, only Paymaster 54 among these varieties ranked in the top-yielding group. Sixteen varieties were grown last year at the Iowa Park substation of the Texas Agricultural Experiment Station.

Average annual production of the top yielders from 1949 thru 1954 included Paymaster 54 545 pounds of lint cotton to the acre, Hi-bred 493, Lockett Stormproof No. 1, 475 and Deltapine TPSA 465 pounds per acre.

Farmers in Wichita County are busy preparing their land for the planting of cotton. Most of the cotton will be planted in May and early June. Farmers are urged by B. T. Haws, county agent, to plant the best adapted varieties of cotton for their locality.

7:00 a.m. My daughter called me to ask if I would be home so the children could come for lunch. I said, naturally, I'd love to have them.

8:15 a.m. I called the grocer, as I do most mornings, to order food for the children's lunch. Wanted it delivered before noon.

12:15 p.m. My grandson called his mother from our house to tell her everything went fine at school and he had finished all his lunch.

3:30 p.m. My son-in-law called me to say he would be a little late in picking up the children on his way home from work.

4:30 p.m. I called a friend who had wanted my husband and me to come for the evening. I told her we would be a little late as we were keeping the children right up to dinnertime.

"TELEPHONE IS THE CENTER OF OUR FAMILY CIRCLE"

These are the words of Mrs. Colin Stewart, one of a group of Southwestern Bell customers who recently kept a day-to-day record of telephone calls made and received during one week.

Until she kept this record of calls, Mrs. Stewart says she never really realized how important a part the telephone plays in her family life.

You see, Mrs. Stewart's husband is retired now, and though they spend more time together, she still likes to keep in touch with all of her family—a daughter, son-in-law and four grandchildren.

Above are just a few of the telephone calls Mrs. Stewart listed during one day. They show why she says that the telephone is the center of her family circle.

The telephone in your home is only the beginning of the greater telephone convenience you may enjoy. For information on how you can have modern, complete home telephone service, please call the telephone business office.

Electric Cooking IS COOL

.....an electric oven is insulated on SIX sides to keep heat out of your kitchen

Once you've tried cooking electrically, you'll agree that an electric range makes a delightful difference in kitchen temperatures during hot weather.

The reason is that an electric range cooks with less heat being wasted into your kitchen. Your electric oven is insulated — top, bottom and sides — to keep heat in the oven and out of your kitchen. Electric surface units cut waste heat, too, because they heat by direct metal-to-metal contact with cooking utensils.

Find out now how cool electric cooking can be, and discover its other advantages, too. You'll like its cleanliness, accuracy and economy.

Burk Study Club Installation Dinner At Country Club

The Burk Study club held its annual installation dinner in the Arbor Room of the Country Club in Wichita Falls, Tuesday evening May 10th.

The tables were very beautifully decorated in pink and silver carrying out the club's 25th anniversary. Silver and pink strips of paper centered the tables and pink candles and arrangements of pink carnations were placed along the tables. Two silver bells filled with pink carnations formed the center piece. The place cards indicated the number of years each member had been in the club. Miniature silver bells tied with pink ribbons were used as the plate favors.

After the delicious dinner, Mrs. Neva Zimmerman introduced Mr. and Mrs. Michael Dacascio of Wichita Falls who entertained with several numbers on the accordion and violin.

Mrs. Glen Bear presented gifts to Mrs. Fay McClarty who gave the best program during the club year, Mrs. Virginia Carpenter, who had been the most valuable member and the traditional bracelet was presented to Mrs. Neva Zimmerman, the past president.

Mrs. John Brookman installed the new officers for 1955-56 with a candle light ceremony, which was very impressive.

President, Mrs. Harry Dodson, Vice Pres. Mrs. Phillip A. Carpenter, Recording Sec. Mrs. Jack Robertson, Corresponding Sec. Mrs. Archie Faulk, Treas. Mrs. Virgil Brookshear, Parliamentarian, Mrs. Glen Bear, Historian, Mrs. Sylvia Ramming, Press Reporter, Mrs. Jack Mathis, Art Chairman, Mrs. Joe Bob Tyler, and Federation Counselor, Mrs. Ralph Davis.

There were nineteen members and one guest present for the dinner.

Mrs. J. M. Patterson has been returned home from the hospital in Wichita Falls where she underwent surgery recently.

Mrs. Gage Hostess Homebuilders Class

The Homebuilders class of the First Methodist church met in the home of Mrs. W. C. Gage, Wednesday, May 11th for a covered dish luncheon.

After lunch, class president, Mrs. Gage, had charge and opened the meeting with the group singing Take Time to Be Holy and repeating the Lord's Prayer in unison.

After a brief business session and a report from the nominating committee, Mrs. H. C. Gilbert read an interesting letter from Mrs. B. M. Cropper, former president of the Homebuilders class, who is now president of a class of 100 ladies in Ft. Worth.

The Group was dismissed with prayer by Mrs. T. M. Jensen with a special remembrance of our sick.

Lunch was served to 21 members and five guests, Rev. and Mrs. Jensen, Mr. W. C. Gage, D. M. Lowery and Jaunita Smith. Next meeting will be with Mrs. Lawler the first Wednesday in June.

Mrs. Revier Hostess Children's Worker Wednesday, May 11

The Council of Children's workers of the Methodist Church met May 14th at 7:30 P. M. in the home of Mrs. R. D. Revier.

The meeting opened with a prayer by Mrs. Marvin McDonald. Mrs. McDonald also showed colored pictures of the life of Christ.

Council Chairman, Mrs. A. A. McKinnis, presided over the business meeting in which the minutes were read and treasurer's report given. Problems of the different groups were discussed. Vacation church school was discussed and date for this set, June 8th through 18th with commencement the following Sunday evening.

Delicious refreshments were served by the hostess, Mrs. Revier, to Mesdames A. A. McKinnis, Geo. Yarbrow, Joe Nichols, O. E. Melton, Darrell Nichols, Billy Jo Hudson, Cecil Schroeder, Marvin McDonald, Nelson Boyles, Ellis Gragg, Bill Flanagan, Jim Pirtle, Miss Nell Grady, Rev. T. M. Jensen and Kenneth Tucker.

Truman

By R. D. Laney

Mr. Truman has left the course of his past and to work to maintain the bipartisan era of good feeling. But his honeymoon period ended on August 4, 1945, after he had journeyed to Potsdam to ratify and to enlarge the concessions made to Russia at Yalta and Tehran by President Roosevelt.

On his return from Potsdam and with the opening of the campaign in 1946, Mr. Truman began playing politics. In the campaign of 1946 Mr. Truman pardoned vote thieves of the Pendegast machine. The prosecution was hampered by the stealing of ballots from the Kansas City, Mo., courthouse while Mr. Truman slept in a hotel a few blocks away. The theft halted prosecution of vote stealers who had worked to defeat an anti-Pendegast congressman Mr. Truman sought to defeat.

Not only were the Pendegast gangsters given protection, but the Truman parole board released four of the leaders of the Al Capone mob of Chicago. The trial of this legal jail delivery led to the justice department and to the White House. Mr. Truman won the 1948 campaign to the surprise of everyone, including himself. The coddling of communism had just begun to be revealed in its shocking colors of the Alger Hiss treason to the people, but Mr. Truman stalled it off for the election by dismissing it as "a red herring."

Dairy and Livestock Teams In Area Contests

The Burkburnett F.F.A. Dairy Products and Meat Identification teams attended the four area contests at Fort Worth last Saturday, May 6th. The dairy pro-

ducts team placed 10th and qualified for the State Judging contest to be held May 14th at Texas A. & M. Team members are Billy Ray Mize, Frank Morton and Alden Smith.

The meat team failed to place among the top four which will represent Area IV at the meet. Members of this team are Norman Morgan, Charles Darter and Herbert Lawson.

While at Fort Worth the boys attended the premier of the motion picture "Shotgun". They were able to see the stars in person, Miss Yvonne DeCarlo and Zachary Scott.

The Burkburnett F. F. A. boys will send two of its teams to A. & M. The Dairy Cattle team and Dairy Products team.

We wish both teams luck and hope they can bring home to Burkburnett the glory and honor she deserves.

Records of boys who are applying for the Lone Star degree were checked and Paul Wolf and Alden Smith were passed by the District committee and their records were sent on to Area.

For the first time in the history of the Burkburnett Chapter, the highest degree of rating was given the local Chapter. The gold rating is presented to the top 20 per cent of the 890 Chapters in Texas. This is an honor every Chapter strives for.

The meeting was adjourned and the boys enjoyed a nice

Mrs. J. S. Gore Hostess May 9th Circle 1, WSCS

Circle 1 of the WSCS of the Methodist Church met Monday afternoon, May 9th at the home of Mrs. J. S. Gore.

The meeting opened with singing We've A Story to Tell to the Nations, with Mrs. R. H. Henry at the piano, and Mrs. J. H. Rigby, leader, presiding.

The lesson was on Giving and Tithing.

Mrs. Rigby gave the worship program, Be Ye Doers of the Word. Mrs. G. D. Scruggs discussed the lesson subject, We Give Thee But Thine Own.

The circle all signed a get well card to send to our report, Mrs. Schoch, who is ill.

Mrs. Rigby announced the installation of officers to be held at the church next Monday.

The meeting closed with song, Take My Life and Let It Be.

Mrs. Gore served lovely refreshments to the following members: Mesdames Paul Browning, C. T. Bradford, S. S. Reger, G. D. Scruggs, R. A. Neal, F. L. Pilkenton, R. H. Henry, J. H. Rigby and J. S. Gore.

The circle then disbanded until a new list of members are chosen for the coming year.

A luncheon for the Unity Garden club was held in the home of Mrs. Troy Miller Wednesday, May 11th. Sharing in hostess duties were Mesdames Neal Hall, B. H. Alexander, R. J. Dunham and H. C. Gilbert.

The tables were decorated with beautiful cut flowers.

Mrs. Ralph W. White, club president, was in charge of the business meeting which consisted of yearly reports.

Mrs. Herman Y. Miller, scrapbook chairman, passed the book around to the members which enjoyed seeing the work they had accomplished during the year.

Mrs. R. C. Gilbow, chairman project committee, reported completion of plaques installed at the cemetery by Henderson Monument Co. of Wichita Falls.

We extend to them our gratitude for donating and installing them.

A copy of our year book together with clippings concerning work at the cemetery was placed in copper envelopes behind the marble plaques.

We thank every individual who had a part in this worthy project in any way.

Mrs. A. L. Gilbow, delegate to state Garden Club convention held in Corpus Christi, gave a most interesting report. Theme of the convention was We Give You Lilies or Contemporary Design.

It was announced that a fall board meeting would be held in McAllen, Tex.

Mrs. Roy T. Magers, historian gave a very interesting paper on years work.

Mrs. White thanked each one for their work and cooperation for the flower show Signs of Spring held in the den and garage of the home of Mr. and Mrs. Chas. A. Morgan on May 3.

Mrs. Paul Schroeder, parliamentarian, installed officers for 1955-56: Mrs. A. L. Gilbow, president; Mrs. W. R. Milam, vice-pres.; Mrs. A. W. Newman, sec.; Mrs. T. J. Campbell, treas.

Mrs. Gilbow appointed the following committees: Mrs. Neal Hall, Mrs. R. W. White, publicity; Mrs. Paul Schroeder, parliamentarian; Mrs. Bill Crosley, historian; Mrs. Troy Miller, conservation; Mrs. Herman Miller, horticulture; Mrs. W. B. Short, scrapbook; Mrs. R. T. The 1954 Texas Traffic Score

TEXAS DEPARTMENT OF PUBLIC SAFETY

The pine box score of Texas traffic deaths in 1954 was 2431. This was a 2.7 percent increase over the deaths in 1953 when 2,368 people were killed. Traffic fatalities in the nation in 1954 decreased 5 percent from 38,300 to 36,300. During 1954 someone was injured every 5 minutes and 7 seconds.

Traffic deaths on State and Federal highways outside of cities and towns have decreased three consecutive years. Thru March, 1955, there was an 11 percent decrease under the same period in 1954 which is a good start on a decrease for four straight years.

It is on these roads that Texas Highway Patrolmen of necessity do most of their work because 300 patrol cars cannot begin to cover 26,000 miles of state and Federal roads let alone Farm to Market roads and county roads.

On the State and Federal roads 1536 people were killed in 1951. In 1952 the toll was reduced to 1455 dead. In 1953 the figure was 1369 and in 1954 it was 1362. Thru March, 1955, the toll was 292 and for the same period in 1954 it was 329.

Texans Buying Savings Bonds

Texans bought nearly \$56 million worth of United States Savings Bonds during the first quarter of 1955, Nathan Adams and Ed Gossett, State Savings Bond co-Chairmen, reported today.

March sales of Series E and H bonds combined were \$15,129,724, 17 percent above the same month of last year, he said. The three month total of \$55,837,769 was 24 percent greater than the first quarter of 1954.

With a fourth of the year gone the co-chairmen's report stated, "we have attained 27.7 percent of our annual goal of \$201.9 million. Sales are traditionally higher in the first quarter, however, which means that we must step up our efforts in Texas in order to do our part in meeting the national goal of \$5.5 billion in '55."

Leading area in bond sales for the first quarter was District 3, in the Panhandle, including Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Parmer and Swisher counties. Sales of a little over a million dollars represented 43 percent of this district's annual goal. J. M. Wilson, of Floydada is volunteer district chairman.

On a basis of dollar sales, Harris County (Houston) leads the state, as might be expected, with E and H sales of \$7,856,657 for the first three months. This is 28.5 percent of the annual goal. Dallas County ranked second with sales of \$5,411,366, 23 percent of the 1955 goal.

Mr. Adams and Mr. Gossett called on the more than 1200 bond volunteers thruout the state to redouble their efforts, especially in those areas that are below the state average.
