# Bulldogs Journey to Seymour To Decide District Champions

### Kick-off Time Set For 8:00 o'clock Don't Be Late

The 2A3 District Champion Bulldog team will be decided Friday night when the Bulldogs journey to Seymour to meet the Bulldogs of Seymour. Neither team has lost a game and this is the first conference game for either team. No other team in the district is in the running for the place.

After a disappointing 1st of the season the Bulldogs have bounced back to championship form. In their game at Childress last Friday they took command of the situation early in the first quarter and never eased the pressure until the final whistle.

Seymour has a dandy team from some of the comparative scores would seem to have the edge on Burkburnett. However, the dopsters favor the Bulldogs to cop the crown by two or more touchdowns.

### Large Crowd to Accompany Team to Seymour

Advance ticket sales indicate the Bulldogs will have plenty of backers at the game. The cold weather has not dampened the spirit of the fans one bit. Quite a block of reserved seat tickets came to the local High School office and Thursday morning plenty of near 50 yard line seats were available. The tickets are \$1.25 for reserved seats and 50c for students.

Pick up your tickets before Friday.

### Two-Man Booster Club

You might say a two-man booster club has been busy as well as week. Huck McDonnell and Ollie Ratliff are the busy duo. Ratliff is the busy one at the front of the Palace Cafe window with a multi-colored sign heralding the game coming up Friday night. Then he got busy and sold a page ad in the Burk Star urging attendance at the game.

Burk fans can save some extra walking by parking on the east side of the Seymour stadium and entering the east gate. The back seats are on the east side of the playing field.

### 2,086 Bales Cotton Ginned This Year Farmers Co-op. Gin

Paul Hooper, manager of the Farmers Co-op. Gin reports that 2,086 bales of cotton have been ginned from the 1955 crop. The grade of cotton coming in now is middling light spot.

According to Mr. Hooper, approximately 96 per cent of the local cotton has been gathered. If fair weather prevails, next week end should about wind up the cotton harvest here.

Wheat, most of it already up, looks good, but will soon begin to suffer for moisture. No rain has fallen in the past two weeks and the temperature has dropped to the low twenties the last three mornings.

### NOTICE

All P.T.A. members are cordially invited to attend a lecture on Education For Family Living by Mrs. Fred Hunt on Tuesday, Nov. 22nd, 1:30 P. M., in room 3 of the Burkburnett High school. There will be no admission charge.

Sgt. Arnold DeWayne McKinnis has returned to his base after spending a twenty day leave here with his parents, Mr. and Mrs. A. A. McKinnis and brother Donald. Sgt. McKinnis is stationed at the Marine Base in Quantico, Virginia, where he has been stationed since he returned from Korea in December of 1953.

### Parade of Progress On MU Campus Nov. 17th Thru 21st

See tomorrow today! That's the slogan of General Motors' all new Parade of Progress that will appear for five days on the Midwestern University campus, Wichita Falls. The huge traveling circus of science will open to the public on Thursday, Nov. 17, at 7 P. M. and will operate daily from 2 to 10 P. M. thru the following Monday, Nov. 21. Admission is free.

The Parade of Progress spells out in fascinating displays, in exciting words the accomplishments of modern science and engineering . . . and outlines the bright and happy future our research men and engineers have in store for the American family.

Traveling in twelve specially designed "Futurliners", ten tractor trailers, and 22 other trucks, station wagons and passenger cars, this huge cavalcade of 44 vehicles will bring entertainment and a deeper meaning of our way of life to thousands who visit it.

Featured is a 40 minute stage show in the "Aerodome" tent, only tent of its kind in existence. It is constructed like an inside-out umbrella with the ribs of aluminum on the outside and the silver, plastic coated canvas suspended on the inside. The result being a mammoth tent comfortably seating 1250 people with no wires, ropes, or anything to obstruct vision of the shows. Here spectators will see the "Cold Stove" that never gets hot, the "Motor that runs on Sunshine", the drop of water with a bang, and many other dynamic demonstrations of progress.

Wichita Falls is the only city in this vicinity that will be visited by the Parade of Progress on its current tour. The exhibition has just completed a 10-week tour of Canada which played to an audience of 860,000. Heading south for the winter, the show is scheduled to appear in California early in 1956.

### LIONS CLUB

Meets at Town Hall, 7:00 P. M. Each Tuesday

Francis Kauer, president, was in charge of the meeting. Rev. Leroy Meyers gave the invocation. The attendance was very good.

Roy Mitchell had charge of the program. He presented Jack Sneider and Bill Wood of Merrill-Lynch, Wichita Falls brokers, who showed a film pertaining to the stock market.

Also present were District Governor McDonald and Secretary John Kadwallendar of Ft. Worth. The Governor spoke to the group briefly and then met with the president and directors following the meeting.

The Lions Club annual broom sale will be held Thursday, November 17th. The broom truck will be by bank all day, then and Lions will make a house to house canvass later in the day.

### STORES TO CLOSE THANKSGIVING

Thanksgiving, Thursday, Nov. 24th is one of the holidays set aside by the merchants committee of the Chamber of Commerce.

Practically every business in town will be closed for the Thanksgiving holiday.

Mr. and Mrs. Mont Bowles, Jr., and children of Hobbs, N. M., visited his parents, Mr. and Mrs. Mont Bowles here this week and attended the funeral of his uncle, J. M. Bowles.

### FIRST TEXAS ENTRY

First Texas entry in the 1955 Maid of Cotton contest is blue-eyed Peggy Seay of Floresville. The brown-haired contestant is a student of the University of Texas majoring in home economics. She is presently on leave from the university studying speech and drama in San Antonio.

Peggy's high school and college years have been filled with honors and activities. At Pleasanton, Texas, High School, she was Duchess of Texas State Grange, "Best Dressed" girl, "Annual Queen," Lantana representative and "Favorite." A sophomore in college, Peggy was executive chairman of the dance committee in "Freshman Follies" and was "County and District Farm Bureau Queen."

The 1955 Maid of Cotton contest is open to any girl born in a cotton-producing state who has never been married, is between the ages of 19 and 25, and at least 5 feet 5 inches tall. Entry forms and complete information can be obtained from the National Cotton Council, P. O. Box 9905, Memphis 12, Tennessee. All entries must be returned to contest headquarters postmarked no later than midnight December 1, 1955.

The winner will be selected December 28 and will leave for a glamorous six-month international tour as goodwill and fashion ambassador for the cotton industry. She will visit more than 40 cities in the United States, Europe and Canada. The tour will open officially January 31 at Nassau, Bahamas.

Mr. and Mrs. A. C. Todd are the proud parents of a new baby girl, Vickie Rhae, born Friday, November 11th in a Wichita Falls hospital.

### Annual Fall Style Show Scheduled For Oct. 30th

Tickets went on sale last week for the annual style show sponsored by the Elite Dress Shop. The event will take place Wednesday night, November 30, Town Hall at 7:30 P. M. All proceeds will be used to redecorate the Town Hall.

Tickets may be purchased from any Study Club or Garden Club member or at the Elite Dress Shop.

### Lions Broom Sale Thurs., Nov. 17th

The Lions Club annual broom sale will be held Thursday, November 17th, from 9:00 A. M. to 7:00 P. M.

These are top quality brooms, manufactured at Grand Prairie, Texas by blind people. All kinds of brooms will be on sale: house brooms, warehouse brooms, also whisk brooms and floor mats.

The broom truck will be in front of the bank all day, with Lions on duty to serve you. In the evening Lions will make a house to house canvass in the residential part of town.

One of the top projects of the Lions club is sight conservation. Proceeds from this sale will go into the sight conservation fund. The sale will also give employment to the blind who make the brooms.

### Star Coming Out Early Next Week

In order that the Star force may have Thanksgiving off, the paper will be mailed next Wednesday instead of Thursday.

All news and advertising to appear in next week's paper must be in the office not later than Tuesday.

FOUND—Set of car keys near Grider Grocery on West Main. Phone 52.

### Burk-Seymour Tickets On Sale

Football tickets for the Burkburnett-Seymour game at Seymour Friday night may be purchased at the local High school tax office up until Friday noon. Reserved seat tickets are \$1.25. Students tickets are 50c.

Burk fans can save a lot of walking by entering the stadium at Seymour through the East gate, just back of their side of the field.

### Scout Skilloree Here Last Saturday

Comanche District Scouts and Explorers met at Town Hall Saturday night for a Skilloree. Following a meal of boiled weiners, brown beans, pickles, onions, buns, etc., the various groups got into their demonstrations and contests.

Scouts and their leaders were here from Electra, Kamay, Valley View and Burkburnett.

Special thanks go to Mr. and Mrs. Louis Johnson and daughter, Louis helped prepare and serve the meal, then they flew in and cleaned up all the dishes and the kitchen about midnight!

### Decorations For Christmas to Go Up After Thanksgiving

Down town Christmas decorations will go up here some time right after Thanksgiving.

The committee got started late on the project but it will look like Christmas when they get through. The committee is working hand in hand with City Manager A. W. Newman.

Prizes will also be offered for Christmas decorations in the residential part of town.

### City Wide Thanksgiving Service At Methodist Church Nov. 23rd

"O Give Thanks Unto the Lord." "Blessed be the Lord, who daily loadeth us with benefits—" will be the expression of our hearts as the residents of Burkburnett and the surrounding farm areas gather together at the Methodist church Wednesday, Nov. 23rd at 7:30 p. m. for our City Wide Thanksgiving Service.

As our pilgrim fathers invited their Indian brothers to partake of the feast of that first Thanksgiving, so likewise let us gather with our neighbors and friends to lift praise and thanksgiving to God the Father of us all!

### Burkburnett Rips Childress 54-0 Fri.

The Burkburnett Bulldogs kept their district 2A-3 slate unblemished with a solid 54-0 whipping over the Childress Bobcats in Childress Friday night.

Keeping to a single-wing offense throughout the game, the Bulldogs had little trouble solving a spotty Childress defensive line. Childress drove as far as the five for its only threat of the night, in the last three seconds of play.

Childress ball carriers were practically helpless against a stout Bulldog forward wall, gaining only 48 yards net rushing compared with an impressive 479 yards rolled up by the visitors.

Sterling offensive play was turned in by Donald McKinnis, 157 pound halfback, who scored five of the Bulldog TD's and Billy Mize, a consistent ground-gainer who added two more.

Burkburnett scored twice in the initial period, on a 32 yard sprint through left tackle by McKinnis, and an 8 yard plunge through the center by Mize. Lewis McDonald added both conversions for a 14-0 score.

Burk added another TD in the second stanza on a 15 yard run by McKinnis. McDonald's conversion was good to make the half-time score 21-0.

A 60 yard drive in six plays after receiving the second half kickoff brought the next Bulldog TD, with Mize making the final 10 yards. McDonald again converted.

A thrilling 45 yard run by half back, Ralph Adkins highlighted an 85 yard drive for the next visitor TD. It was McKinnis again for the final three yards.

Charles Boyd, right guard, intercepted a Bobcat pass on the Bobcat 49 to set up the next tally. After a five yard penalty, McKinnis raced down the sidelines 43 yards to score. The con-

### ROTARY CLUB

Each Tuesday Noon  
Town Hall

Ted Harwell introduced the guests and guest Rotarians. Rev. Felix Kindel gave the invocation.

Alvin Hill was responsible for the program and presented Oral Jones who introduced Tom Foley of Wichita Falls who gave a very interesting outline of the water situation and the proposed building of a lake near Henrietta. Mr. Foley stated that if the proposed project materializes, it will assure Burkburnett and surrounding communities of an adequate water supply.

Forty-four Rotarians and guests were present.

DEAR SANTA:  
I want a convoy truck, tool chest, gun holster, a robot that walks and talks, football jersey, electric radio station, big wagon, junior television set, baby boy doll, jail with keys, and a football.

Hubert Smith, 5 years old

version was wide again, but Burk held a 40 to 0 lead with minutes left in the third quarter.

McKinnis scored from four yards out and quarterback Jerry Hodges scored from nine yards for the last Bulldog touchdown. McDonald added both extra points from placement, and Burk claimed a commanding 54 to 0 lead with 40 seconds remaining.

F. A. Davis tossed a 56 yard pass to end Don Chism to the Burk 5 for the only serious Bobcat threat in the final seconds of play.

### HANDICAPS DON'T STOP THESE BOY SCOUTS

Members of Boy Scout Troop 23 in Dallas are celebrating a big event this Fall—the 10th anniversary of the troop at the Scottish Rite Hospital for Crippled Children, where a youngster with the desire to be a Scout is likely to become a reality regardless of the handicaps that might be involved. More than 1,500 Texas boys have started or continued their Scout work despite the fact they are patients at the hospital. Taking their Scout oath before starting their weekly meeting are some of the dozen members. Left to right, are 11-year-old Ronnie Vaughn of Weimert; Garry McCrary of Sherman, and Jim Kitchen, 15, of Carrollton. Standing (left to right): Hospital President John McKee, Dallas; Scoutmaster Dave Morton of the Dallas JayCees, and C. Russell Smith, Jr., of the Scottish Rite and Jaycees, sponsors of the troop.

## GRASS ROOTS OPINION

Dillon, S. C., Herald: "A dollar is worth only as much as it will buy. As the price of commodities goes up the value of the dollar goes down. As wages increase, there is a corresponding increase in commodity prices. Likewise, as wages decrease and buying power diminishes there is a corresponding decrease in prices. This is due to the proper functioning of natural economic laws. Man-made laws never have and never will be able to change these laws. And so how will it profit labor if wages are increased say 15 percent and the cost of living rises 15 percent? Economists who try to argue otherwise are merely throwing up a smoke screen to conceal the real facts."

Torrington, Wyo., Telegram: "The newspaper boy gets an education from his 'doing.' He learns to know people, he learns the ingredients of the process of preparing and distributing a product of vital importance to all Americans. That's why it happens so often that the ex-newspaper boy comes out a little ahead, by any standard of values. He has learned by doing."

Bishop, Calif., Inyo Register: "How are your horses today? Those 65 horses that do so much work around the house for you. The horses referred to are those used to designate the amount of mechanical energy, horsepower, used by the average American homemaker in her toaster, vacuum cleaner, electric washing machine, refrigerator and all those other wonderful adjuncts to the better life contributed by American inventive genius."

## THE PEACEFUL ATOM

Our newest industry is the harnessing of atomic power for peaceful purposes. It is an infant industry. Yet it "is enmeshed and intertwined with government to a degree not paralleled in history."

That statement was made by Robert McKinney, chairman of the Panel on the Impact of the Peaceful Uses of Atomic Energy. The panel, which is made of representatives of manufacturers, service enterprises, organized labor, and others, is to make an official report to the Joint Congressional Committee on Atomic Energy by next January 31st.

It is clear that national policy on atomic energy use must be made with the greatest of care. As an example, the highest hopes are held out for atomic generation of electric power. But the country certainly does not want, nor can it afford, a state-owned and state controlled atomic electric power industry which could operate only because of huge government tax subsidy. That would do tremendous damage to the industries, such as coal, which are the backbone of power production now, and in the view of most experts, will remain so far many years to come. The whole country would suffer.

Senator Anderson, chairman of the Joint Committee, has said: "We must make sure that individual initiative and enterprise are free to develop the atomic age, unimpeded by public or private monopoly." And the atomic energy industry must stand on its own feet.

## AMBASSADOR OF THE ICE

Before we gloat too much over the appointment of Rear Admiral Richard E. Byrd as head man in charge of all US activities ("Political, scientific, legislative and operational") in the Antarctic, it should be realized that this represents a belated effort to bring us up even with Britain, Australia, Chile and Argentina that now have bases on this three-million-square mile continent.

"Operation Deepfreeze," a four year expedition involving 1,800 men and nine vessels, is under the direct command of Rear Admiral George J. Dufek. It will establish bases and supply facilities and later participate in US research activities of the International Geophysical Year, 1957-58. But Admiral Byrd, veteran of two North Polar expeditions, and leader of all four US Antarctic expeditions, will be Senior Officer present, our Ambassador of the Ice.

It also represents the first colonizing in which there are not natives to subdue.

## YES, ADVERTISING PAYS

A retail grocers' association reports that of every 100 customers put on the books of any store in any one year, only 19 remain after 10 years. Citing this, the Sandersonville, Georgia, Progress, says: "Merchants who believe 'everyone knows where my store is' might ponder these figures and seek more new customers through planned newspaper advertising in the home town newspaper."

Competition is mighty keen in retailing these days, and the successful merchant must vigorously go after business. The home town newspaper is still the best place to advertise any store wares and attractions.

## WCS Met Nov. 7 For Regular Meet

The Woman's Society of Christian Service of the First Methodist church met at 10:30 a. m. on Monday, November 7th.

With Mrs. O. E. Melton assisting at the piano, the group sang "Work for the Night is Coming."

The opening prayer was offered by Mrs. R. L. Gragg.

The secretary, Mrs. D. M. Lowery, read the minutes of the last four meetings.

Mrs. Hugh Jones, treasurer, gave her report.

The program chairman, Mrs. Raymond Schuette explained the study for the day. "14th Annual Report of the North Texas Conference of the local Society presented the report of their corresponding conference officer.

Following the benediction, the

twenty-five members present adjourned to the basement luncheon. Mrs. J. M. Peterson presented the devotional program of the "Week of Prayer and Self Denial" and gave the opportunity to contribute to the offering.

The banquet tables were attractively set with the Thanksgiving motif being carried. The hostesses for the luncheon were Mesdames Blake Brown, Rigby, Tucker and Brumley.

## School Holidays To Be Observed

Thursday and Friday, Nov. 24 and 25—Thanksgiving holidays.  
Wednesday, Dec. 21st, 3:30 p. m. — Christmas holidays begin.  
Monday, Jan. 2nd, class will be resumed.

From where I sit... by Joe Marshall

## ...Makes a Man Healthy, Wealthy—and Tired!

Sandy Peterson's nephew Pete has gone back to college. He worked on Sandy's farm a couple of months last summer to get hardened up for football.

He seemed to enjoy farm life all right—but like most city kids it took him some time to get used to a farmer's schedule.

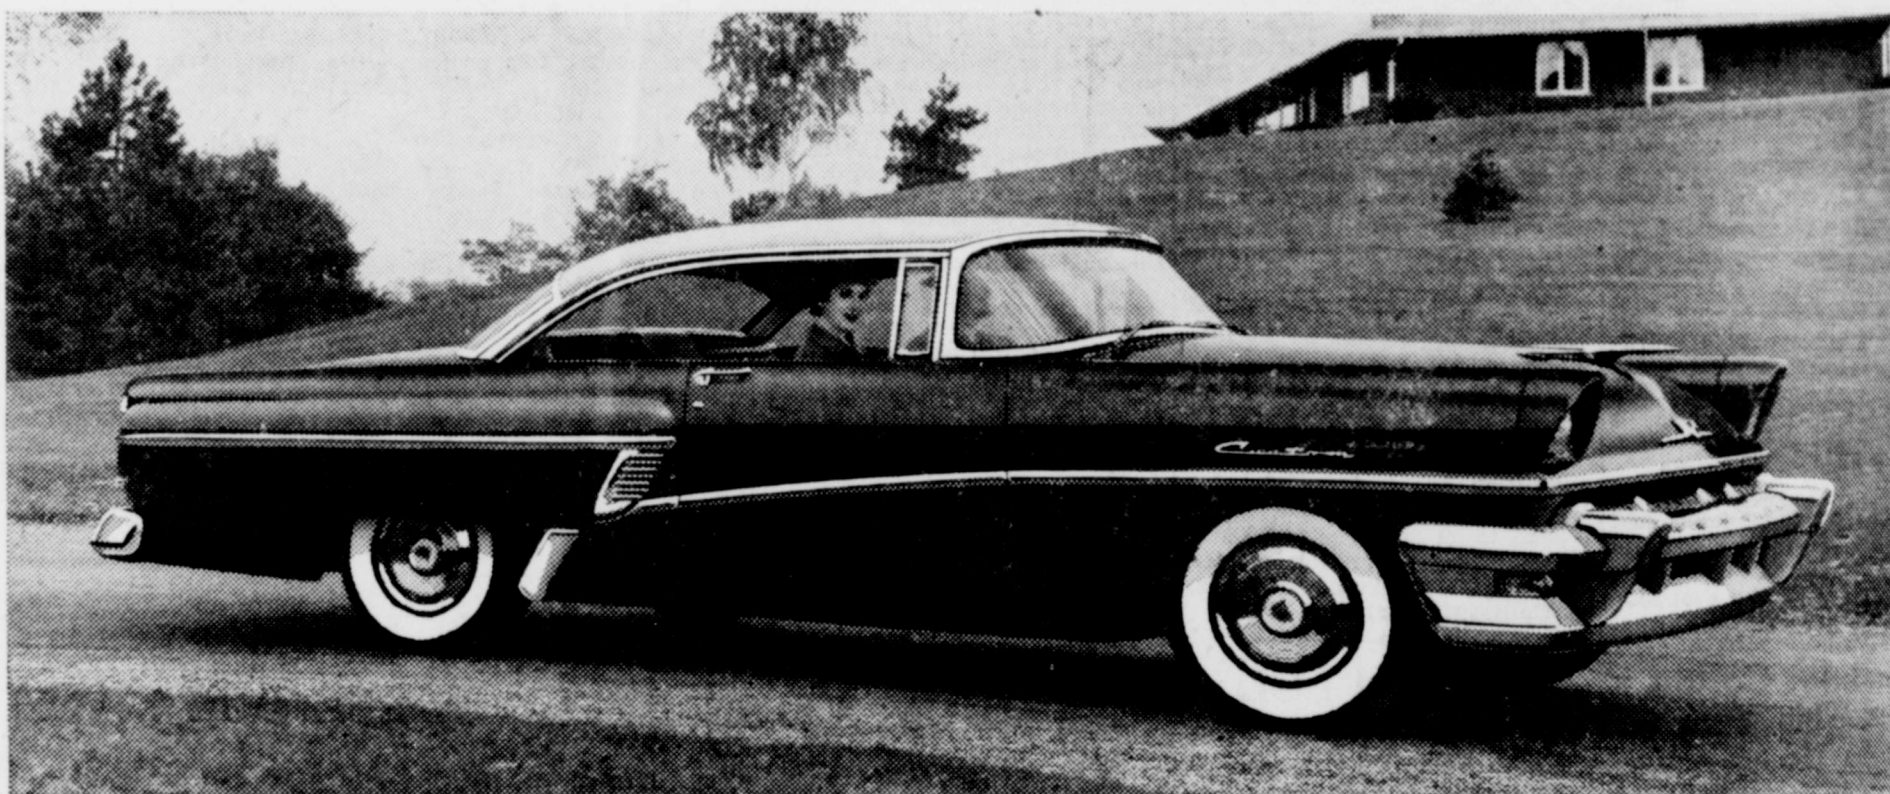

Sandy claims that when he went in to wake Pete—on the first morning—the boy looked up startled and asked what time it was. Sandy replied it was four-fifteen. "Gee," Pete murmured, "if we're going to do a day's work tomorrow you'd better get to bed!"

From where I sit, we must have heard a million stories like that. But they show how some people assume their customs are the only proper ones. To most city folks getting up at 4:15 seems odd, because they don't do it. Just like some people don't think enjoying a glass of beer is "right" ... because they happen to prefer another beverage and haven't waked up to the fact that everyone has a right to his own choice.

Joe Marshall

# New high horsepower! Low silhouette styling! In THE BIG M's lowest-priced Custom series

Newest model in the Custom series—the low-silhouette Mercury Custom hardtop.

Now you can drive home a Mercury with **BIG M** size, styling and performance at a price below many models of the low-price 3\*

Here's the year's biggest buy. Just wait till you see the price tag! For this year Mercury sets a new standard for style and power in its lowest-price Custom series.

**LOW-SILHOUETTE STYLING NOW IN CUSTOM SERIES.** The car shown above is the new Mercury Custom hardtop. It's only 58 3/4 inches high—the same low, sweeping silhouette available up until now only in Mercury's top-line Montclair series. And there are five more equally stunning Custom models to choose from—one

\*based on comparison of manufacturers' suggested list or factory retail prices, using the Mercury Medalist 2-door Sedan.

that's just the ticket for every need and budget.

**A NEW HIGH IN USABLE POWER**—All BIG M Customs have new SAFETY-SURGE V-8 engines—with the highest horsepower ever offered in Mercury's lowest-priced series. But what you'll notice most is the BIG M's greater usable power (torque). There's far more "lift" and "go" for getaways and passing—far more working power for driving ease and safety.

**NEW LOW-PRICE POWER FEATURES**—Mercury offers the widest choice of power features in the industry—and now at a new low price. With this low-cost Custom model you can easily afford the added convenience of power steering, power brakes, 4-way power seat, power windows and Multi-Luber—Mercury's exclusive-in-its-class push-button lubrication.

†In Montclairs and Montereys with optional Merc-O-Matic Drive

You get a fully power-equipped car at an economy price.

**3 SERIES, 13 MODELS IN ALL**—In addition to the Custom Series, you have 7 more models in the Monterey and Montclair series to choose from—with 225 horsepower available.† Why wait, when a BIG M costs so little? See us today.

### COMPARE THESE BIG M FEATURES WITH ANY CAR AT ANY PRICE

- New high in horsepower and torque.
- Improved ball-joint suspension for easy handling.
- Quick-response Merc-O-Matic Drive (optional).
- 10 new Safety-Engineered features—even the steering wheel is safer—its impact absorbing.
- New Flo-Tone color styling.
- More consistent value—Mercury tops its class in resale value year after year.

Nervous, Tired, Awake Nights?

Don't Feel And Look "Old Before Your Time" Any Longer

If you have that "Always Tired" Feeling, Sleeplessness, Constipation, Digestive Upsets, "False Old Age," Nervousness, Lack-lustre Hair, Loss of Appetite, Bad Breath, Failing Eyesight, Dizzy Spells...
STOP SUFFERING
If you suffer from any of these troubles, try Drag-NOT Tablets because the REAL cause may be weak, iron-poor blood or a system starved for Nature's precious minerals and vitamins. In just one day Drag-NOT Tablets' iron-rich and vitamin-rich elements are in your bloodstream carrying new strength and energy to all parts of your body.

FREE YOUR BODY
After a few days you will actually SEE the results. Watch your elimination as Drag-NOT Tablets' non-habit-forming ingredients help bring lazy organs back to work. The black, poisonous waste and impurities will begin to leave your body and you will enjoy wonderful new pep and sleep better than you have for months.
LOOK AND FEEL YOUNGER
Not only will you feel younger, but you will LOOK younger; lustre will start returning to your hair, you will relax, your eyes will sparkle and you will again experience the joys of life you thought you had lost.

HIGH POTENCY
High-potency Drag-NOT Tablets contain Iron and 4 other minerals, Vitamins B1, B2, B6, B12 and C, PLUS niacinamide, folic acid, calcium pantothenate, desiccated whole liver, natural yeast concentrate and stomach powder. No wonder that people who have taken Drag-NOT Tablets say to their friends, "No matter how long you have suffered nor what drugs or tablets you have taken in the past, try Drag-NOT Tablets."
GUARANTEED
If you do not feel better, and better and sleep better after taking your first bottle of Drag-NOT Tablets, we will refund your money. Price only \$1.95 for 30 month's supply.

Presenting
THE FINE LINE OF DISTINCTION I
NEW NINETY-EIGHT
by Oldsmobile
Oh-h-h! That Oldsmobile Ninety-Eight for 1956!
Never has any new car swept on the scene so smoothly... so powerfully... so magnificently!
New Starfire styling steps far beyond the ordinary in luxury and glamor. New Jetaway Hydra-Matic combines the smooth flow of fluid with the positive go of gears. And the new Rocket T-350 moves up in torque, horsepower and compression.
In every luxurious detail, here is distinction - in any company! It's on dramatic display at our showroom. We invite you to see it... and try it on the road.

Tips On Grazing Winter Pastures

The amount of winter grazing you get from small grains and annual clovers depends in a large measure upon the management practices used.

Give the young plants time to develop a hardy root system before turning in the livestock, says B. T. Haws, county agent. The plants should be at least six inches tall before they are grazed.

Haws says that rotation grazing gives the most efficient use of the forage produced by fast growing small grains and legumes. He recommends portable fencing for cutting the pasture into smaller plots because it is easy to move and inexpensive.

If weather conditions continue favorable and the grazing gets ahead of the livestock, mow the excess to prevent early booting. Too, if allowed to make too much growth, small grains are more susceptible to winter killing, says Haws.

Winter grazing usually is very succulent and a little dry hay should be provided to help balance the diets of livestock.

First year plantings of brome, orchard, fescue or perennial rye grass should not be grazed unless irrigated or grown on very fertile soil. This delayed grazing gives the plants a chance to become well established, says Haws.

And, finally, he adds, pastures are a cash crop and they should be managed as such.

Patients From SAFB Visit Flower Show

Eighteen patients from the psychopathic ward of SAFB visited the flower show at the Town Hall Nov. 3rd. They were accompanied by a nurse and two grey ladies of Wichita Falls who furnished transportation and drove for them.

Mrs. A. L. Gilbow, president of the Unity Garden club, and the other members of the club who went to SAFB hospital with workshop for patients in October as a part of the clubs therapy work, had invited the patients to the Flower Circus.

FASTEST KNOWN PAIN RELIEF FOR ARTHRITIC, RHEUMATIC VICTIMS—NOW AVAILABLE

Seven "Film-Coated" Ingredients Offer Positive Relief

The crippling, torturing, twisting pain of Arthritis and rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex. Ar-Pan-Ex was perfected by a noted scientist of a world-famed university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stabbing agony.

the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wracked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate points.

Nothing Like AR-PAN-EX Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions. Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

Why AR-PAN-EX Helps Ar-Pan-Ex does not dissolve uselessly in the stomach—avoids stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL CORNER DRUG STORE

Highway Patrol News

K. B. Hallmark, Jr., Commanding Officer of the Highway Patrol, released the County's Rural Traffic Summary for October

The Highway Patrol investigated a total of 26 accidents. The following breakdown: property damage, 7 personal injury, and no fatal accidents. Hallmark reported a property damage of \$13, with 9 persons injured and 1 killed. There is a decrease of 1 accident and 3 deaths for the same period of 1954.

Patrolmen of the Wichita Falls District of the Texas Highway Patrol contacted a total of 1676 traffic law violators during the months of October, 1955.

Capt. K. B. Hallmark, Jr., Commanding Officer reported that 580 of these were arrested while 1096 were warned for violation of the state Traffic laws.

Speed was the leading cause of arrest, with DWI second and Improper Passing ranking 3rd. Counties included in the Wichita Falls District are Archer, Baylor, Clay, Cottle, Hardeman, Knox, Wichita, Wilbarger, and Young.

How to be sure you are making the best buy in a new truck

- A new truck is an important investment. If you want to be sure you're getting the best buy, you've got to consider a lot of things: price, power, operating economy, good appearance—to mention only a few. Take price, for instance. Wouldn't it help you to know that you can buy a Dodge for surprisingly little money? Could be you didn't know Dodge trucks cost less than most other makes. Wouldn't it help you, too, to get the whole picture on truck power? The fact that Dodge Power-Dome V-8's outpower every other leading truck in the low- and medium-tonnage fields surely is important to your decision. And there are other Dodge advantages you'll want to think about—like the business-building beauty

- of Forward Look styling, and the long life that spreads low initial cost over years of dependable service. It all adds up to this: To be sure of your best truck buy, take a few minutes to talk to your Dodge dealer. Just a phone call will put the wheels in motion.

## Mrs. R. H. Henry Hostess Circle 2 Monday, Nov. 14

Circle two of the Woman's Society of Christian Service met Nov. 14th in the home of Mrs. R. H. Henry with Mrs. Jim Alexander as co-hostess.

Mrs. W. C. Gage presided over a business session after the song "Take Time to Be Holy," with Mrs. Henry at the piano.

Mrs. D. M. Lowery had charge of the devotional service following the scripture reading of Mark 16:9 and John 20:11-18.

Mrs. Bessie Scruggs, program leader, gave an interesting review of the work women have done down through the ages. The World Council of Churches which met in Evanston, Illinois, in 1954 proved that women from other countries as well as our own United States are taking on more church responsibilities. Mrs. A. R. Bunstine discussed how few women have served on top policy making boards of the church and quoted theologians as saying "We must encourage women to move in the direction of careers." If the church is to incite loyalty and wash its hands of responsibility (when women respond to a recruitment program), it has failed to meet its moral obligation. Mrs. Scruggs gave a Thanksgiving poem. After the singing of "Break Thou the Bread of Life," Mrs. Lowery led in prayer.

Enjoying the delicious refreshments were Mesdames L. W. Mathis, W. C. Gage, B. H. Alexander, Geo. Seruggs, F. L. Pilkenton, A. W. Newman, Hugh Jones, D. M. Lowery, S. S. Reager, E. L. Neal, A. R. Bunstine, Patton, J. M. Patterson, one visitor, Mrs. Fred Boden and the two hostesses.

Mr. and Mrs. Butler Westerfield of Waco visited friends here the first part of the week. Mr. Westerfield is a former superintendent of the Burkburnett public schools.

## Fashions In Sweaters

TRIMS OF ALL SORTS are featured in this year's sweater fashions, and for that ultra feminine touch, Jantzen offers Filigree Lace combined with luxurious new Kharafleece. The two young ladies pictured here present the sleeveless "Sugar Shell" and the long-sleeved "Sugar Scoop" for your consideration. Hand washable and wrinkle-resistant, both sweaters are tops in sheer beauty and are offered in a wide variety of colors that include turquoise, green, copper, gray, beige, white and black.

## Rebekah Lodge In Regular Meeting Monday Night

The Burkburnett Rebekah Lodge No. 67 met Monday night November 7th with Mary Frances Knox, noble grand, and Marretta Simmons, vice-grand, presiding. Mary Frances presided

over all the business. Plans were made for a Thanksgiving dinner to be held at the I O O F hall Thursday, Nov. 17th, 7:00 P. M. for the Odd Fellows, their families, Rebekahs and their families. The noble grand appointed a menu committee, Tullie Morris, Marretta and Mary Frances.

The next stated meeting will be Nov. 21st. Eleven members were present.

## Mrs. John Brookman Hostess to BWC Tuesday Night

The Business Women's Circle of the First Baptist Church met Tuesday night, Nov. 15th, with Mrs. John Brookman as hostess. The meeting opened with the group singing "Wonderful Words of Life." Prayer by Mrs. Ware. Chairman, Mrs. I. C. Evans, presided over all business.

A very interesting book review, "World Within a World," was given by Mrs. Avon Fields.

After the closing prayer by Mrs. C. B. Beldon, refreshments were served to the following: Mesdames W. C. Davis, I. C. Evans, Avon Fields, C. B. Beldon, Frank Kelley, Luke Warren, John Brookman, H. L. Lawrence, Carl Miller, W. A. Minick, R. P. Thaxton, Charles Ware, Nola Thorpe and Miss Hazel Waggoner and Miss Jewel Reed.

## Peach Tree Borers Are Active Now

Peach tree borers become active this time of year and may be controlled by using easy-to-apply methods, county agent B. T. Haws says. The peach tree borer is a very common insect in the Wichita Falls area and does lots of damage each year to peach trees.

The peach tree borer enters the bark of the tree and feeds on the cambium and inner bark at or below soil level. The adult lays eggs in the summer on the tree trunk and these eggs hatch in about ten days.

The borers may be detected in the trunk just above and below the ground line.

Both ethylene dichloride emulsion and paradichlorobenzene crystals are recommended as effective controls.

In applying ethylene dichloride emulsion grass and weeds should be cleared away from the base of the tree. The ground level should be built up well above where the borers are working in the trunk, and the emulsion should be worked into the soil. It is not necessary to remove the mound around the tree at a later date.

The material can be applied any time after the leaves shed in the fall until early April, provided the temperature is above 45 degrees and the ground is not too wet. Apply one-half pint of the diluted ethylene dichloride emulsion on the ground around the tree for mature bearing trees. For trees two to four years of age use one-fourth pint per tree. The liquid should be covered with a few shovels of dirt.

Parachlorobenzene crystals can be used without any preparation of the soil except to break the crust for 15 to 18 inches around the tree and to remove any grass or weeds. The crystals should be placed in a circle around the tree, about two inches from the base. For mature trees of average size, one ounce should be used; for unusually large trees, one and a half ounces are sometimes needed; for trees four to five years old, three-fourths ounce, and for trees one to three years of age, one-half ounce, or slightly less, should be used.

Immediately after the crystals have been applied, they should

## Prussic Acid Poisoning Time

The next few weeks may be considered as the critical period so far as prussic acid poisoning in livestock is concerned, says B. T. Haws, county agent.

Frost has already begun to kill and wilt plants in the county with danger from prussic acid poisoning likely to follow.

Prussic acid is a chemical which forms in members of the grass family, especially Johnson and sudan grasses and the sorghum group, following wilting. The old belief, points out Haws, that second growth sorghum grazing is particularly dangerous is not necessarily true. For, he says, the only difference between second growth and first growth grazing is that there are apt to be young, rapidly grow-

ing lush sprouts at this time of the year when frost or drought can cause wilting. If the second growth is not wilted, it is no more dangerous than 1st growth material for grazing.

Haws does say that caution should be exercised in putting livestock on susceptible plants following frosts.

Farmers and stockmen should be familiar with the symptoms of prussic acid poisoning so that a veterinarian can be summoned as soon as the first indications of poisoning appears. Time is important for even with early warning some animals may be lost. The first signs of prussic acid poisoning are rapid breath-

ing and a staggering gait. bloating doesn't necessarily occur or go along with acid poisoning.

Since prussic acid is a toxic material, it is safe to graze frosted or wilted fields within five to ten days following the cause of the frost. After the material has returned to normal growth or has cured following frost, it is again safe for grazing and fields should be utilized, says the county agent.

It's hardly reasonable to pose that thousands of workers on strike in this county suffering from invasion

ing and a staggering gait. bloating doesn't necessarily occur or go along with acid poisoning.

### Fidelis Class Met Monday Night

The Fidelis Class of the First Baptist Church held a business meeting in the home of Mrs. Venita Jernigan Monday night. Mrs. Betty Burk, president, presided during the meeting. Nine members were present.

Mr. and Mrs. Bill Hunter of Vandalia, Illinois, and Mr. and Mrs. Burl Howington of Lubbock, Texas, were Sunday guests in the home of Mr. and Mrs. H. Harris. Both couples are old time friends of the Harrises.

Mrs. Glen Howard and Mrs. W. H. Chambers and daughters Phyllis and Millie, all of Midland, Texas, visited their parents, Mr. and Mrs. H. D. Smith over the holiday weekend.

Mr. and Mrs. Norman Duke of Lubbock, Texas, visited his parents, Mr. and Mrs. Jack Duke, and other relatives here over the week end.

Splinters on the ladder of life are unnoticed until one begins to slide down.

### A Salute To 4-H...

A dramatic highlight of the National 4-H Club Congress unfolds as delegates parade before a huge audience at the International Live Stock Show in Chicago.

The 4-H spotlight will again be on Chicago when the top 1,200 boys and girls from all 48 states, Alaska, Hawaii, and Puerto Rico join with guests from foreign countries for the 34th National 4-H Club Congress, Nov. 27 - Dec. 1.

The Congress program consists of discussions by the delegates, tours of the City, banquets and top-flight entertainment features, and is highlighted with talks by outstanding speakers. The 4-H'ers also take part in press conferences and radio and TV appearances. Most of one day is spent visiting the International Live Stock Exposition where during the evening program the 4-H'ers present their annual parade.

Congress delegates are selected from the Nation's 2,150,000 4-H'ers through county, state and national competition. In Chicago, 180 will be named national winners in 29 award programs and will receive \$49,050 in college scholarships.

The Congress is made possible by civic-minded individuals, foundations and industries who in 1955 contributed over \$750,000 through the National Committee on Boys and Girls Club Work to support 4-H.

This year, 110,000 4-H members will be honored through National 4-H Award Programs. The awards consist of trips, medals, watches, U. S. Savings Bonds and other merit awards. In addition, funds are provided for leader training with the grants made through the National Committee. The Committee is a citizens' group which has been help-

Four huge H's are formed by the 1,200 delegates to the National 4-H Club Congress during the 4-H Parade.

### Veterans Administration

Q—I want to attend a State college that charges no tuition to students residing in the State. If I enroll under the Korean GI

Bill, will I have to pay the college any tuition?

A—You will be required to pay an amount based on the school's cost of teaching personnel and supplies for instruction. But this amount may not exceed \$10 a month for a full time student.

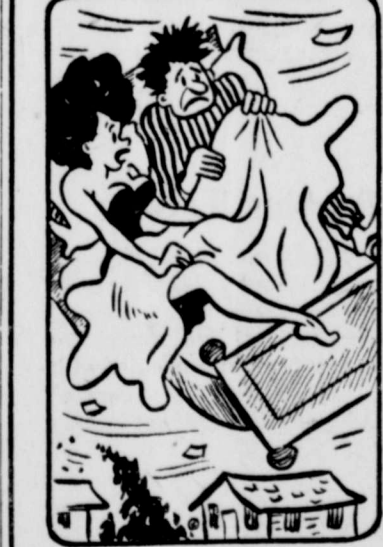

Q—I am a veteran of both World War II and Korea. I held on to my World War II term insurance, but I let it expire within 120 days after my Korean service ended in 1954. Originally I couldn't get it back, but now I understand there is a new law allowing me to replace it. Is there any deadline for replacing it?

A—There is a deadline for Korea veterans who has World War I or II insurance policies that expired within 120 days after discharge from their Korean service. You must replace your insurance no later than Nov. 28, 1955.

Q—I am an experienced carpenter, but I would like to take a carpentry course under the Korean GI Bill to brush up on my skills. Would this be possible.

A—No. Under the law, a veteran may not train for an occupation in which he already is skilled.

### ARE YOU FULLY COVERED?

Does YOUR INSURANCE Fully Cover YOU in case of violent WINDSTORM damage? The cost is low.

For full protection against WINDSTORM damage, YOU should have EXTENDED COVERAGE INSURANCE to protect your property and ACCIDENT INSURANCE to cover yourself and family. Why take chances on a big loss when you can cover yourself at little cost?

### Midwestern Offers 9 Weeks' Course In Adult Education

The Division of Adult Education of the Midwestern University college is planning the second nine-week classes which begin Monday, Nov. 21st. Twenty-three classes will be offered.

Dr. Louis H. Dobbs, Director of the Midwestern University Evening College announced today that the enrollment for the first nine weeks term exceeded all expectations. Approximately 245 persons were enrolled in the fourteen courses which started Sept. 21st.

Fourteen regular faculty members teach day and night classes, while the University employs eleven part time academic teachers and thirteen Adult Education Division teachers. Nine new Adult Education teachers are being added to teach during the second nine-week term. Dr. Dobbs stated.

### COURSES OFFERED

The Adult Education Division courses which will be offered beginning Nov. 21st include the following:

Monday classes — Beginning shorthand, intermediate shorthand advanced shorthand, real estate, transportation claims, navigation and soils and fertilizer.

Tuesday classes — Advertising everyday business mathematics parliamentary law, ceramics, geology, copper enameling and short story writing.

Wednesday classes — Typing (including beginning, intermediate and advanced), everyday English and Grammar and child development.

Thursday classes — Bookkeeping, personnel and business management, blue print reading, ceramics, oil painting, and home decorations.

Each course meets from 7:00 to 10:00 p. m. on the designated evenings for nine weeks. Dr. Dobbs, stated. The tuition for these adult education courses is \$15.00 per course.

Mr. and Mrs. A. S. McNeill of Fort Worth and Mrs. Nita Pettijohn of Wichita Falls were weekend guests in the home of their mother, Mrs. W. T. Vance.

### Wilbarger-Wichita Soil Conservation District News

Additional district cooperators farm ponds have been stocked with fish, according to Fenton Dale, chairman of the board of supervisors.

Frank Lentz, F. D. Miller, L. F. Miller and W. T. Miller who have six farm ponds received channel cats and bluegills at this delivery and will receive bass when they are available.

Arnold Holtzen, J. V. Brookshear, J. D. Huss, Ralph Swinford, August Hoefner, Otis Elmore, Mrs. F. R. Knauth, Joe Howard and Lee Weinger of Burk Burnett also received fish.

The Soil Conservation Service takes requests for fish for stocking ponds on District Cooperators farms and offers technical assistance on fertilizing and specie analysis.

Cliff and Terry Brogdon of Electra and owners of an irrigated farm four miles south of Iowa Park have overseeded 50 acres of Madrid Clover to oats and Madrid Clover. Brogdons used the district pasture dream drill for the operation.

Earl Burch, manager of A. A. Hereford Ranch, reseeded his alfalfa and fescuegrass using the district drill.

Farmers needing to use a drill that places fertilizer below the seed should contact John Sibley, Vocational Agriculture instructor of Iowa Park who serves as district custodian.

### SHE KEPT A DIARY OF TELEPHONE CALLS

Mrs. Martha Chance — homemaker, church worker, bowler, and keeper of a telephone diary that revealed an important fact.

### Mrs. Chance finds the telephone a young homemaker's best friend

What one service helps the homemaker through busy days more different ways than any other?

Mrs. Martha Chance is sure she knows the answer. Her telephone. Mrs. Chance recently kept a week-long diary of telephone calls made and received in her home. The results surprised her.

Mrs. Chance listed 95 calls during the week. Not only did her calls save time and energy in managing her home, but many were actually the start of a pleasant afternoon or evening out.

In Mrs. Chance's own words, "It's so easy to take your telephone for granted. You just don't realize how much it means to you until you stop and think about it as I have."

Mrs. Chance is right. Telephone service is a busy homemaker's best friend.

## The Meaning Of Christmas Seal Sale For 1955

Billions of pennies, but more than that, millions of people who look to the future, to a time when the killing, disabling disease to which mankind is heir will be defeated. This is the meaning of the 1955 Christmas Seal Sale.

Tuberculosis has been handed down through the centuries from the dawn of man. Only in this century have people said, "Stop. Tuberculosis need not be a part of our legacy to our children."

Organized efforts to fight disease are peculiarly characteristic of the 20th century. In the 19th century, charity on a personal basis was the rule; coins dropped in the outstretched hand of a crippled beggar, home made delicacies carried to a sick neighbor. Larger projects, such as the building of hospitals, were the province of men of great wealth. The idea that major efforts to alleviate suffering could be supported by modest contributions from the many glimmered only in the minds of a handful of far sighted people. The idea that the general public would support measures for the prevention of disease was rare indeed.

The winds of the new century however, brought new attitudes toward disease. Fatalism was replaced by hope. Tuberculosis had reached almost epidemic proportions in the growing American cities. Widespread among the tired, ill-fed workers in the crowded slums, it also reached into every level of society. Hardly a family escaped meeting tuberculosis face to face as chronic invalidism or as death itself. At the same time, knowledge about the disease had reached the point where it could be treated successfully, could even be prevented.

The discovery that the general public would vigorously support

organized efforts to protect their own and their neighbors' health soon followed. The leaders of the fight against tuberculosis found that pennies and dollars added up fast.

### THE 1955 CHRISTMAS SEAL CHILDREN

A boy and girl with rosy cheeks and happy smiles express the spirit of the Christmas Seal Sale in the simplest, most direct way. These are our children as we would have them, "healthy, secure, bursting with joy and eager to share it," in the words of the artist who designed the 1955 Christmas Seals, Jean Simpson.

These are our heirs. The world we pass on to them can be better than our world. It can be much worse. Faced with the gigantic forces of destruction unleashed by science, many feel that the future is beyond our control. We dare not promise our children a better world, because we feel helpless to do anything about it.

But along with destructive forces modern science has developed and will go on developing much that is constructive. The power of medicine to heal and to prevent disease is beyond the dreams of our forefathers. We can give this legacy to our children.

Tuberculosis can be eliminated as a major cause of disability and death in this country. This can be accomplished by full use of the knowledge and techniques

we now have and by intensive research for more knowledge and better techniques.

This we can do for our children: We can do our best to give them strong and healthy bodies and minds with which to face whatever may be in their future.

### CHRISTMAS SEAL ARTIST

Jean Simpson is one of the youngest artists whose designs have been chosen for Christmas Seals, and only the fourth woman designer since Emily Bissel created the first American Christmas Seal in 1907. Born in Philadelphia, she grew up in Surburban Narberth and studied at the Philadelphia Museum School of Art. Freelancing in New York since 1950, she has done magazine illustrations and covers, greeting cards, and commercial advertising arts. She is just beginning to paint for her own pleasure and that, she says is really hard work.

The 1955 Christmas Seals are her first drawings of children to appear in public. It seems to her that children would best illustrate the larger meaning of the Christmas Seal Sale. And so she designed two companion Christmas Seals, one showing a little boy against the blue of a winter sky, the other a little girl against a background of apple green. Carrying packages in

their hands, they convey the happy mood of Christmas giving. The red Double-barred Cross trademark of the National Tuberculosis Association, stands boldly behind them as a promise of protection.

### CHRISTMAS GIFTS

The Christmas Seal children come offering gifts this year, illustrating one of the oldest and most pleasant traditions of the season. The custom may be as old as civilization itself. People in many lands have celebrated the Winter Solstice as a season of joy. It is the time when the days begin to lengthen, the sun begins to shine with renewed power after reaching its lowest point of the year.

### THE MISTLETOE

The sprig of mistletoe which the Christmas Seal boy holds in his hand represents another pagan tradition that has become a part of Christmas. The ancient Druids of northern Europe and Britain regarded the mistletoe as a sacred plant. During the winter celebration the Arch-Druid, or high priest, climbed the oak tree and cut the mistletoe with a golden sickle, catching it in the folds of his robe. Sprigs were then distributed to the people to bring them the blessing of Nature.

A Scandinavian myth is the

basis for the custom of kissing under the mistletoe. The God Balder who could not be harmed by anything that sprang from fire, water, air or earth, was killed by a dart made of mistletoe. When Balder was restored to life, his mother Frigga decreed that the mistletoe should never again do harm. She is said to bestow a kiss on anyone who passes beneath the mistletoe. In ancient days if enemies met beneath the mistletoe they laid down their arms and kept a truce until the next day. In many homes the mistletoe is hung over the door and all who enter receive the pledge of peace and friendship sealed by a kiss.

In merry old England, a lad might claim a kiss from any girl who chanced to be beneath the mistletoe. But a berry had to be removed for every kiss. When all the berries were gone, no more kisses could be taken.

Sgt. Miles and family have moved from Ave. F to the Wherry Housing Project at S.A.F.B.

Mr. and Mrs. Harry Mayes and Carolyn visited relatives in Quannah Friday and attended the Burk-Childress football game in Childress Friday night.

## Representative of Social Security Coming to Burk

A representative of the Social Security Administration will be in Burkburnett on the following dates at the City Hall at 9:30 A. M.

Persons who desire information or assistance in Social Security matters are invited to meet with the representative.

TUESDAY, NOVEMBER 8th.

# A special message to truck drivers' wives

from your Ford Dealer . . .

This year, everybody is talking about *safety* in automobiles. And with good reason. The hazards of the road take more American lives *every year* than we lost in the whole Korean war.

So important things are being done to make cars safer.

But— isn't safety even more important in *trucks*?

If safety is important to the man who drives a car a few hours a day, isn't it even more important to the man (and his family) who drives a truck for a living?

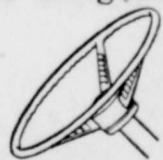

We think it is.

And we think you wives think it is. That's why we believe you'll be vitally interested in what *Ford* has done to make driving a truck safer for your husband.

Ford has taken the lead in safety with not just *one*, but a whole *family* of new safety features for America's trucks and cars.

What *are* these features that could be so important to you?

### 1. Lifeguard Steering Wheel

Ford's exclusive Lifeguard truck steering wheel is built in such a way that, in case of accident, it helps protect the driver from any contact with the steering post. This kind of "deep-center" steering wheel actually acts as a *cushion* in case of accidents.

### 2. Lifeguard Door Latches

Ford's Lifeguard door latches have a new "double grip" type construction. Their extra holding strength gives added protection against doors flying open in the event of an accident . . . to help *keep the driver in the truck* where he's twice as safe.

### 3. Seat Belts

You've read a lot about seat belts. You probably know that the Accident Research Center at Cornell University, the American College of

Surgeons and many other groups strongly urge that every owner equip his vehicle with seat belts. Studies *prove* that in *about one-half* of all accidents, injuries could be avoided or reduced by the use of seat belts.

Ford is the first truck manufacturer to make seat belts available (at low extra cost, for both new and used trucks).

In case of an accident, or sudden stop, a Ford Seat Belt holds the driver firmly in the seat. This greatly cuts down the chances of serious injury.

And remember—it isn't necessary to be driving fast to be seriously injured or thrown out of the truck in case of an accident. A sizable percentage of injuries of this kind occur at speeds of only 30 or even 25 miles per hour. (If your dealer happens to be out of seat belts temporarily, please be patient. He will have them shortly.)

### 4. Tubeless Tires

This year, tubeless tires are standard equipment on every Ford Truck. Tubeless tires do not prevent punctures. But they do help to prevent many blowouts. When a puncture occurs in a tubeless tire, the air is apt to escape very slowly. The driver has a greater chance to slow down and stop *safely*.

### 5. Power Brakes

What we call vacuum-booster power brakes make it possible for the driver to apply a lot more force to the brakes, faster and easier. This makes it possible to stop faster in emergencies. Power brakes are standard or available on every '56 Ford Truck.

### 6. High Visibility

A better view of the road—in front, behind and to the sides—can help the driver to spot trouble before it happens. A full-wrap windshield is standard on the new Ford Trucks for '56. The standard rear window is the *widest* on any truck . . . and a new full-wrap rear window is available at slight extra cost. All told, a new Ford Truck gives the driver one of the greatest all-around glass areas of *any* truck.

### 7. Reserve Power

A "slowpoke" truck can be a threat to highway safety—it is a stumbling block in the path of other traffic. Trucks should have enough power to keep up with the traffic stream. And they should have enough reserve power to pull out of emergency situations. So you will be interested to know that the new Ford Trucks for '56 have power increases up to 26%, to make sure drivers have all the reserve power they are ever likely to need.

Why should any man who drives a truck for a living take chances, *needless* chances, by not taking advantage of every available safety device?

To repeat—if safety is important to a man who drives a car once in a while, isn't it far more important to the man who drives a truck all day, for a living?

When a man drives a '56 Ford Truck—from Pickup to tandem-axle Big Job—he and his family have this peace of mind. They know he's driving a truck that gives him the *added protection* of exclusive Lifeguard safety features.

### IT'LL FOOL YOU!

Don't let this jacket fool you. It is not leather, but cotton with the look of leather, the National Cotton Council reports. Known as a "Weather-Mac," the jacket is in Clarence S. Brown's water-repellent Everglaze embossed cotton. It was designed by Spatz.

### Wives Rites Conducted Tues.

Funeral services for James Malcolm Jones, 72, who died at home Nov. 10th, were conducted at 10:30 a. m. Tuesday in Randall, Oklahoma, Baptist Church. Weldon Wrightman of Okla., officiated, assisted by Rev. Yarbrough, pastor of Rev. Methodist Church.

### Burk Resident Since 1920 Dies

Mrs. Anna A. Jones, 72, a resident of Burk Burnett since 1920, died in a Wichita Falls hospital at about 7:00 A. M. Monday. She had been in failing health several years.

Born at Carthage, Texas, she moved to Burk Burnett from Valliant, Oklahoma.

Funeral services were held at 2:00 P. M. Wednesday in the First Baptist Church at Burk Burnett. Rev. Leroy Meyers, pastor, officiated. Burial was in Burk Burnett Cemetery.

Survivors include four sons: Lawrence Gilbert, Burk Burnett; Clyde Gilbert, Medford, Ore.; Raymond Gilbert, Fullerton, California; and Roy Gilbert of Midlothian, Texas; two daughters, Mrs. J. C. Hartline, Valliant, Okla.; and Mrs. O. A. Nichols, Burk Burnett; four sisters, Mrs. H. J. Brown and Mrs. Lellie Wills, both of Burk Burnett; Mrs. Bill Robertson, Wichita Falls, and Mrs. Olen Applegate, Pittsburg, Calif.; and one brother, Raymond Collins, Glenwood, Ark.; one step-daughter, Mrs. Mabel Urquhart, Amarillo; two step-sons, Kaywood Gilbert, Hollis, Okla., and Russell Gilbert, Oklahoma City; 35 grandchildren and 33 great-grandchildren.

### Mrs. E. E. Welborn Hostess Monday To Fuller Circle

The Fuller Circle of the First Baptist Church met Monday in the home of Mrs. E. E. Welborn for a regular meeting. Mrs. Helen Grizzle presented the program.

Refreshments were served to the following seven members: Mesdames Paul Burke, Dyle Vaughn, J. F. Parrish, Jr., Gladys Carswell, J. D. Grizzle, Grady Walker, E. E. Welborn and one visitor, Mrs. Russel Lewis.

### DEVOL NEWS

Mrs. C. O. WOODLEY

Mrs. R. L. Wyatt was hostess Tuesday afternoon when the H. D. Club met at the club house for the regular meeting. Plans were discussed for a Christmas party to be held in December.

Refreshments were served to thirteen members. The next meeting will be Nov. 22nd in the club house, with Mrs. J. B. Stevens, hostess.

Mrs. Audrey Hill of Loveland directed games at a party in the club house Wednesday afternoon with Mrs. Guy Hutson as hostess. Mrs. Beatrice McClen-don and Mrs. Nora Wood received nice gifts as prizes.

Mrs. Della Lagrone of Texas City, Texas, visited Mrs. J. C. Cates Wednesday.

Mrs. Vera Ellis moved to Burk Burnett last week where she has bought a residence and will make her home there.

Mr. and Mrs. Bill Barrett of Oakland, Calif., visited her brother, Mr. and Mrs. U. S. Hill, Thursday.

A son weighing 7 lbs., and 14 ozs. was born Nov. 10th to Mr. and Mrs. Robert Hopkins in the Bethania hospital in Wichita Falls.

Mrs. A. S. Patterson returned home Sunday from Archer City, Texas, where she has been visiting with her daughter, Mrs. Landon Brown and family, the past two weeks and helped to care for the new granddaughters, Dinnah Ruth.

Mr. and Mrs. C. O. Woodley and Mr. and Mrs. G. A. Woodley of Wichita Falls, visited the former Mr. Woodley's brother, Tom Woodley, the first part of the week, who is a patient in a hospital in Booneville, Ark.

Mesdames Ralph White, A. L. Gilbow, A. W. Newman and Roy T. Magers of the Unity Garden Club attended the fall flower show Thursday, Nov. 10th, of the Founder's Horticultural Study Group of the Wichita Falls Garden Clubs of the Woman's Forum. The show was held in the home of Mr. and Mrs. Paul Hull, 2305 Farrington.

### Honors Won by Texas 4-H'ers

FOUR Texas 4-H Club members have won all-expense trips to the 34th National 4-H Club Congress in Chicago, Nov. 27-Dec. 1, for their outstanding records in the 1955 National 4-H Clothing, Food Preparation, Garden, and Home Improvement programs.

Texas' 1955 4-H Clothing champion is Regina Ann Cato of Vernon. The 18-year-old 4-H'er has made 134 garments in her club career. She will be the guest of Coats & Clark Inc. at the Club Congress.

Regina made a wide variety of apparel, ranging from aprons to a lined wool suit. She makes all of her own clothes and made dresses for her mother and grandmother. Besides silk and cotton dresses, she has made and lined a wool suit, corduroy jacket, blouses and hat.

Regina served as clothing demonstrator and play leader for her club. This year she attended the State 4-H Roundup as a county delegate and helped with the dress revue where she did the narration. Her leaders are Mrs. Willis Cato and Mrs. C. A. Schmaker.

Carol Ansley, of Fort Worth, has won state honors in the 1955 4-H Home Improvement program. The Sears-Roebuck Foundation is providing her trip to the Club Congress in recognition of the work done in making the interior of her home more comfortable and attractive.

In carrying out the project, the 16-year-old 4-H'er helped paint all the rooms in their house. All colors in the interior of the house were selected by Carol. She papered the kitchen and bathroom, and refinished kitchen furniture. She helped cover a chair and worked out a practical arrangement for her dresser drawers.

She is a member of the County Wide 4-H Club of Tarrant county led by Mr. and Mrs. William Watt.

Joanne Toepferwein, 17, of San Antonio, a 4-H'er for five years, has been named the state 4-H Food Preparation winner. Kelvinator will be her host at the National 4-H Club Congress.

Joanne has cooked and served over 2,900 meals and has helped with 261 others and planned almost 1,100.

Joanne has been a Jr. Leader under Mrs. R. L. Cook, has been president of the Northside Senior Club and has served on county committees. She has given 10 food preparation demonstrations, and cooks for a family of nine.

She is a member of the Girl Scouts, F.H.A. and other school organizations.

All these programs are conducted under the direction of the Cooperative Extension Service.

Mr. and Mrs. Wayne Darrow and Terry Wayne of Duncan, Okla., visited Mr. and Mrs. Harry Mayes Sunday.

Mrs. Manilla Franks and Margaret visited Mr. and Mrs. H. C. Dodson and Jean here over the weekend.

### Safe Driving Day Set for Dec. 1st

DECEMBER FIRST can be a milestone in the constant fight against traffic accidents and their resultant deaths, according to one of the top traffic safety officials in this area.

That opinion was given today by Captain K. E. Hallmark Jr., commanding officer of District No. 16, of the Texas Highway Patrol, which comprises the 12 county region with headquarters in Wichita Falls.

Captain Hallmark pointed out that December 1st has been designated nationally as S-D Day (Safe Driving) by Presidential proclamation and that Governor Shivers has issued a similar state-wide proclamation calling upon the citizens of Texas to join in a co-operative effort for greater traffic safety.

The head of the local area Patrol reminded motorists that strict observance and obedience of the traffic laws will assure a 24-hour period without traffic accidents on that day but, more importantly, it can set a pattern for year-round safety on the streets and highways.

"S-D Day can be a milestone in the constant fight against traffic accidents and their resultant deaths," Captain Hallmark said, "by showing, thru the co-operative effort of every motorist and every pedestrian, that the tragic loss of human lives and property is not an inevitable evil which must be tolerated."

Mr. and Mrs. Tom Harms visited their son Mike in Dallas Sunday.

### Wedding Shower Nov. 3rd Honored Mrs. Ralph Cozby

A wedding shower complimenting Mrs. Ralph Cozby, the former Miss Ronnie Bryan, was held Thursday evening, Nov. 3 in the home of Mrs. D. E. Cavender, 703 Glendale, with Mrs. Thomas Bryan assisting with hostess duties.

Party decorations carried out the bride's chosen colors of two shades of blue.

The refreshment table was covered with a beautiful Scranton white lace table cloth over a blue cloth.

School girl friends of Ronnie's presided at the guest book. After the presentation of gifts, refreshments were served to approximately thirty guests.

Mrs. J. M. Bryan and daughters, Mrs. W. L. Eidson and Mrs. Lahoma Wood, daughter-in-law, Mrs. Thomas Bryan and grandson, Mr. Jimmie Joe Bonham, all attended a wedding shower Nov. 8th in the home of Mrs. Harold Lindsey at Grandfield, Okla., honoring Mrs. Ralph Cozby, the former Miss Ronnie Bryan.

## "Gun That Won The West" Based On First Use of the Famed Rifle

The story of the Springfield rifle, one of the most exciting chapters in all frontier history, is retold in Columbia Pictures' **THE GUN THAT WON THE WEST**, filmed in color by Technicolor and coming to the Palace Theatre Friday and Saturday. It stars Dennis Morgan with Paula Raymond and Richard Denning.

THE GUN THAT WON THE WEST tells the important role the Springfield rifle played in putting down the last Indian rebellion which threatened the expansion of the frontier. The gun went on from there to prove, for more than a century, one of the nation's most valuable weapons of defense. It was, at the time of its invention the lightest, strongest and most practical breech-loader in existence. It fired fifty times in three minutes without heating or exploding, and its accuracy was unsurpassed.

The Springfield rifle has been carried by American soldiers in every war, from the Mexican and Indian conflicts of the 1840's through World War II. It provided protection and a means of obtaining food for pioneer settlers and for those who crossed the continent in the California Gold Rush. Manufactured in the government armory at Springfield, Mass., the rifles were carried by most of the Union soldiers in the Civil War. Confederate troops, in turn, were armed with a copy of the gun, made at Richmond, Va.

The story and screen play was penned by James B. Gordon. William Castle directed for producer Sam Katzman.

## Calvary Baptist Church

College and Ave. B

10 A. M., Sunday School. Classes for all ages. Bible lesson is Matt. 27.

11 A. M., Preaching Service. 7:15 P. M. Night Services. No one is compelled by law—man's or God's—to go to church. Anyone can go to any kind of church he pleases, and accept or reject anything he hears. This is a free country in these respects and that is the way it should be.

Man can completely reject all religious ideas, or make his own religious program. He can acknowledge his sins and turn in repentance and faith to the Lord Jesus Christ—or he can deny the veracity of the Bible, or hide behind a makeshift covering for his sins. You can do as you will. BUT you must still meet God in judgment. Heb. 9:27. Christian judgment, 2nd Cor. 5:10; Unsaved judgment, 2nd Peter 2:9; Rev. 20:11-15.

Come and hear again about Him who took your place in judgment.

## RANDLETT NEWS

By Mollie Ruth Elliott

Mr. and Mrs. T. J. Baber and Janella, Mr. Frank Etier and Mrs. Whick Parrack of Burkburnett visited Mr. and Mrs. Elden Etier at Albuquerque, N. M. over the holiday weekend. Mrs. Etier is seriously ill.

The Randlett A & B basketball teams journeyed to Apeahstone last Friday night. The B team won their game by a score of 56 to 48, with Donald Long drawing honor as high point man. The A team lost by a margin of 61 to 57. Cotton Davis made high score of 29 points. This was their first conference game.

Mr. and Mrs. Marvin Carter of Greenville visited her sister, Miss Tassie and Ruth Helen Hartwell, over the weekend.

Mr. and Mrs. Paul Bridges and girls of Wichita Falls visited Mr. and Mrs. F. W. Linkugel and Mrs. Mollie Elliott and sons Sunday.

Mr. and Mrs. Emmett Boles of Lawton visited relatives in Randlett Monday and attended the funeral of Mr. Mac Bowles here Monday afternoon.

Mrs. Minnie Wood of Floydada and Mr. and Mrs. Pete Wood and children of Estelina visited relatives in Randlett and Devoil over the week end.

Mrs. Beadie Chandler and Viola of Wichita Falls visited friends here Sunday.

Mrs. A. S. Nason spent Friday night and Saturday with her daughter, Mr. and Mrs. Wayne Boles and daughter, in Wichita Falls.

Mr. and Mrs. L. E. Ellis of Burkburnett visited Mr. and Mrs. R. H. Rhoads and family Sunday.

Miss Shirley Boles of Wichita Falls spent the weekend with her parents, Mr. and Mrs. Lonnie Boles.

Mr. and Mrs. J. W. Hicks and son of Burkburnett visited Mrs. Mollie Elliott and sons Sunday night.

Mr. and Mrs. Bobbie Wilkerson and children of Burkburnett visited Mr. and Mrs. Wade Shaw and sons and Mrs. Nomie Wilkerson and Eugene Sunday.

Mr. and Mrs. Johnny Bryant and children of Burkburnett and Mr. and Mrs. Dewey Cornstubble and children of Devoil visited Mrs. Zada Bryant and Mrs. Inez Hendricks Sunday.

Mr. and Mrs. Bennie Simoncini of Reno, Nevada, visited their niece, Mr. and Mrs. Homer Tanner and children, Sunday.

The Randlett-basketball boys were hosts to Chatta, Okla., on Tuesday night for two games. The B team won their game after playing two overtime periods. Final score, 45 to 43. The A team also won their game. Score was 55 to 49. Cotton Davis won high score with 23 points. This was their second conference game.

Mr. and Mrs. Arland Kinnard and sons of Wichita Falls visited relatives here Sunday.

The school masters of Cotton County held their meeting and supper here Monday night at the school cafeteria.

Mr. and Mrs. Frank Miller of Burkburnett visited his parents, Mr. and Mrs. Lee Miller, Sunday.

### Note of Appreciation

My sister, Mrs. Roy Thornton of 8142 Gardendale St., Paramount, California, has asked me to thank all her friends for the kind words of greeting and nice cards she received on her birthday. Several fine people who did not even know her responded to the appeal I made recently and it is appreciated very much. Each message is like a ray of sunshine to her. Would it be too much to ask that anyone who has time, just send her a few lines of greeting at their convenience? She can read but is not able to write. Her condition is as good as can be expected.

Gratefully,  
MRS. J. T. DAY

### Grade School News

We are moving into that time of the year when we should take inventory and see how well we have prospered materially physically and mentally during the past year. It is in that spirit of deep reverence that each of us should humbly bow our head and give our thanks for what we are, what we have and what we hope to be. All that we have gained has been for an exacting price of human bondage, material wealth and blood spilled fighting the battles that we might breathe that air of freedom.

Thomas Jefferson once said, "For the tree of freedom to thrive and prosper it must be bathed in human blood." It is very evident that Jefferson well understood the price that had to be paid for freedom, and the price for freedom today has been as costly as was in the days of this Great American. We should ever be on guard that we are thankful for our progress that we have made and ever search for better ways of living for all of our people.

### 4-H Recreational Program, Nov. 19th

The Wichita County-wide 4-H Recreational Program will have its first program Nov. 19, 1955 at the 4-H club center from 7-9:30 p. m.

The Wichita County Farm Bureau is sponsoring this program for the 4-H clubs of the county. The 4-H county council unanimously voted to accept the Farm Bureau proposal for such a program. There are to be folk games, square dancing, singing and other games for the 4-H-ers of the county as well as their parents. In fact, parents are urged to attend and join in the fun. The programs will be planned to accommodate every 4-H boy and girl of the county and his or her parents. They are planned for the third Saturday night of each month.

There are plans for a county-wide 4-H Christmas supper preceding the December program. Also plans for the future include amateur programs for the participation of talented 4-H members.

The county agents Thelma Wirges, B. T. Haws, Allen Turner and Nellie Cobb will help supervise this recreational program.

### Mrs. J. D. Ashton Hostess Nov. 9th Unity Garden Club

The home of Mrs. J. D. Ashton was the meeting place of the Unity Garden club Wednesday, Nov. 9th. Mrs. Paul Schroeder was co-hostess.

Mrs. Troy Miller, conservation and plant Texas chairman, urged the members to plant shrubs and trees.

Mrs. Herman Miller gave her horticulture report by presenting a poem, Planting a Tree.

Mrs. Roy Magers presented statistics of the flower show to the club. She said a grade of 92.83 was given by the judges on Flower Circus.

Mrs. R. W. Kent, therapy chairman, read a letter of appreciation and thanks for the work done by some of the club members in aiding SAFB patients in potting plants. Another workshop will be held with patients on Nov. 18th.

The club plans to aid in the sale of tickets for the style show at Town Hall Nov. 30th. The money from the show will be used to improve and redecorate Town Hall.

Mrs. Herman Miller, program leader, introduced a most in-

teresting program. Mrs. Kent, in discussing propagation by seeds, urged the use of good seeds. To prepare soil for tiny seeds, pour boiling water on sifted soil. Let drain and cool. Lay seed previously mixed with sand on soil and press down.

Mrs. A. W. Newman, demonstrated with cuttings how plants may be propagated. She used African violet leaves, succulents, geranium shoots and umbrella grass. She trimmed the head off the grass and put it upside down in water. She used rootone on cuttings before placing them in the prepared soil and sand.

Mrs. W. R. Milam demonstrated the layering of growing new plants from branches or shoots while still connected with the mother plant. For the new method of air layering, she split a branch, added a root solution, wrapped it in wet spagnum moss and then wrapped it with a new plastic film that has plant nourishment made to it. Roots will form in two to eight weeks.

Mrs. Ralph Brookshier demonstrated grafting and budding. She showed how to split the bark on the larger wood, insert the selected bud and wrap it for budding. By these methods, the growth and shape of shrubs

and trees can be controlled she said. New members welcomed at this meeting were Mrs. Carl Sutherland and Mrs. E. W. Hudson.

Guests were Miss Frances Miller of Charlotte, N. C. and Mrs. L. O. Campbell and Mrs. James Bohner.

Members and guests were served a delicious refreshment plate of chicken salad, pumpkin pie and coffee by the hostesses.

## Quarrel

By Cecil  
A wise Roman philosopher once said: "The quarrel of lovers means the renewal of their love."

wonderful acuteness every little indication of feeling in the other, the tone of the voice, the expression of the face, the touch of the manner and much more the words that are spoken and the thoughts which the words convey. When they part, these things are all remembered and brooded over until proportion and perspective are utterly destroyed and things that before had no significance take on portentous meaning.

Then begins the process of questioning and doubting. Does not this, or the other thing, seem to show a change, a shade of indifference? Perhaps the beginning of the end? Lovers in the moments of their most perfect happiness are often haunted by the thought that what is so supremely beautiful cannot endure and they begin to experience dread in the moments of their intense joy.

This brooding, this doubt, and this dread of the approaching end at last affect their conduct. And so they will write letters, perhaps accusing each other or regretting that they ever loved, and if they meet they will spend in questioning and accusation, the hours that might have been so precious to them both, until they actually think that it is all over and they separate, believing that they have really reached the end. Then they begin to be unhappy with an unhappiness so poignant that nothing else can compare to it. Life seems quite ended for them. They are restless and miserable and mirthless, and they lose sleep and they cannot eat.

Suddenly, there comes to each at about the same time, a sort of reaction, and they begin to accuse themselves. They recall each other's perfections, and all that has been lost. The woman reproaches herself bitterly for having thrown away, by her own unreasonableness, the most wonderful thing that has ever come into her life, and the man begins to call himself a brute; and for the moment both really see how pretty and how unimportant were the trifles that estranged them. At last something happens to bring them again together or they use little-half con-

scious stratagems for a meeting that shall be apparently accidental, and the very moment they hear each others voices, every thought of doubt is swept away in the great rush of tenderness and longing that overwhelms them and they fly into each other's arms and the woman cries and their happiness, from this very contrast with their wretchedness, is more intense and marvelous than ever. Then they beg for forgiveness each in turn, and they tell each that never, never again will they doubt or disbelieve.

So far they have justified the old saying that the anger of lovers means the renewal of their love. The trouble is, however, that they now enter upon a new stage of emotional suffering, the stage of self tormenting. When they part after the first joy of reconciliation becomes a little more remote, each begins to search and question in a new way, which is a despairing way. It may begin all over again, and there may be a second reconciliation or even a third glorious renewal of their trust and love. One might imagine that this intense emotional excitement, the eternal round of partings and meetings would, in the end, wear out their love. But love is very wonderful. If it be true and deep and perfectly sincere it

thrives through suffering and the very fact that a man and a woman have tortured each other unites them more firmly. It permeates their whole life with the thought and the presence of the passion that posesses them, and they go on and on until in the end they marry and their lives become really one, they learn to know each other perfectly, and little by little to put the morbidity of introspection and to come out into the sunshine of a lasting peace and trust.

In other words, when lovers' quarrels arise from causes that concern themselves alone these are never dangerous. They only feed the flame, and they give that unity of feeling and that continued consciousness of each other which can come to those alone who have not only thrilled with happiness together, but who have suffered and despaired together.

## Junior High News

Students of Junior High School spent the first holiday of the school year in a number of ways. Some students found time to go hunting, others got an early start to the football game, many spent the day loafing and watching television while others were more ambitious and spent the time earning extra spending money. For all it was a good day and we are now looking forward to the Thanksgiving holidays.

We feel that American Education week was a success and a profitable one for parents, students and teachers. One hundred and three parents signed the register and visited during the week. We appreciate your interest in the school and invite you back at any time. The student council members enjoyed

serving as a greeting committee for visitors.

The Burkburnett Garden club is financing the project of placing shrubs and bulbs in the planter located near the entrance of our building. They are also going to place flowers in each room monthly. We wish to express our thanks to Mrs. Melton and members of the Garden club for their efforts.

Mr. Koller's seventh and eighth grade social studies classes have been giving reports on projects completed in recent weeks. These

projects include such things as old guns, stockades, maps, oil derricks, the Alamo, Log Cabins, and other interesting things from American History. These projects and reports grew out of discussions in the regular class work.

John Ruddy and Frank Lintz of Wichita Falls were among the cattle buyers here Saturday at the regular Saturday sale at the Burk Livestock Sales Barn.

**Glamorous 1956 Appliances Coming For Frigidaire**

Glamorous 1956 Frigidaire appliances—featuring refrigerators with a unique new ice service and ranges with revolutionary smokeless flame-free ovens—were announced today by Frigidaire Division of General Motors.

Mason M. Roberts, GM Vice-President and head of Frigidaire, said that many new convenience features, exciting high fashion styling and five exterior colors are highlighted in the pace setting appliances. Smart new removable Decorator Panels are featured in refrigerators, ranges and food freezers.

There are 11 new refrigerators, 11 free standing electric ranges, three automatic washers, three dryers, and two upright food freezers. Production of all models is underway in Frigidaire's Dayton plants.

The new appliances will be unveiled publicly in thousands of stores across the country on Wednesday morning, Nov. 16th. Roberts said that engineering design advancements incorporated into the 1956 Frigidaire household appliances will give the homemaker a greater "lift for living".

**Elia Kazan's "East of Eden" Here Sun. - Mon.**

"East of Eden," Elia Kazan's production of John Steinbeck's best selling novel, will open at the Palace Theatre Sunday and Monday.

EAST OF EDEN, in Cinema-Scope and Warner Color, stars Julie Harris as Abra and introduces James Dean as Cal in what is said to be one of the most brilliant performances of any new star since Marlon Brando's advent. Raymond Massey, distinguished veteran of stage and screen, has the role of Adam Trask, the father, in this film play of twisted emotions and loyalties. Burl Ives, and Richard Davalos who plays Cal's twin brother Aron, head the capable supporting cast.

While the screenplay by Paul Osborn only concerns itself with the last part of the monumental novel, the studio advises that every tension of the complete novel has been successfully retained in this story of the love of two brothers for the same girl, the jealousy generated by the father's rejection of one son's love, and the emotional turmoil created by the brothers' discovery that their mother, long thought dead, is the notorious "Kate" proprietress of the "house on the hill".

All that is necessary for a divorce nowadays is a wedding.

**Annual Banquet of Federated Clubs Thurs., Nov. 10th**

The Annual Banquet of the federated clubs was held Nov. 10th in the Town Hall. Mrs. John Lilley, president of the Contemporary Study Club, was mistress of ceremonies.

Mrs. O. L. Clark gave the invocation. The program presented by Mrs. Leroy Meyers and Mrs. Ted Boya had as its theme giving thanks for our country, homes, churches and for Christ. Mrs. Meyers sang an appropriate song about each. Mrs. Sue Teel played the organ during dinner.

Fall flowers, greenery and candles were used to decorate the tables, stage and the entrance. There were eighty-five guests and club members attending.

**Contemporary Club Met Nov. 14 With Mrs. H. S. Thaxton**

At a meeting held November 14th in the home of Mrs. H. S. Thaxton, the Contemporary Study Club decided to buy gym clothes for a child who needs them.

Committee reports were read and approved. Special thanks and appreciation are extended to the clubs for the fine jobs done in arranging the federated banquet. Table decorations by the University Study Club and set by the Current Literature Club. Menu was chosen by the Junior University Club. Reservations were taken by the Forum Study Club. Stage decorated by Modern Study Club, and the program was arranged for by the Burkburnett Study Club.

Names were exchanged by the members for the Christmas party. In keeping with the American Education Week, Mrs. Harry Elliott presented a thought-provoking talk about Our American Heritage, saying "there is no week, day or hour when tyranny might not enter upon our country if the people lose supreme confidence in themselves", a quotation from Walt Whitman.

Delicious refreshments were served to Mesdames John Lilley, Leo Evans, Francis Beaver, Joe Parsons, Cliff Wampler, Harry Elliott, A. B. Fields, I. L. Smith, G. C. Beavers, P. O. Wise, M. D. Cheney, Joe Eastman and the hostess, Mrs. H. S. Thaxton.

**Mrs. J. B. Grace Hostess Nov. 14th To Circle 1 WSCS**

Circle 1 of the WSCS of the Methodist Church met in the home of Mrs. J. B. Grace Nov. 14th at 3:00 P. M. with Mrs. R. D. Revier as co-hostess.

The meeting was called to order by the president, Mrs. J. H. Rigby, who led in prayer. The meeting was turned over to Mrs. D. M. Morris, program leader, who gave the devotional taking her scripture from Gal. 3:26-28, followed by responsive reading by the group. A skit was given, Women In The Church, led by Mrs. D. M. Morris assisted by Mrs. W. H. Holt and Mrs. E. A. Browning. The program closed with prayer by Mrs. D. M. Morris.

A short business session followed. The meeting closed with the WSCS benediction. The Christmas meeting will be in the home of Mrs. Felix Kindel. Refreshments were served to the following members: Mesdames J. H. Rigby, J. B. Grace, R. D. Revier, D. M. Morris, W. H. Holt, R. L. Gragg, J. P. Lawler, B. A. Browning, Bill Caulthorn, Felix Kindel, C. L. Schoch and one visitor, Mrs. E. J. Reese.

**Card of Thanks**

We wish to extend our heartfelt thanks and appreciation to all our dear friends and neighbors for all their kindness during the sickness and death of our loved one. For the nice food, floral offerings and other kindnesses, we are deeply grateful.  
Mrs. J. M. Bowles  
Mr. and Mrs. Ralph Bowles  
Mr. and Mrs. Marion Bowles  
Mr. and Mrs. Gene Bowles 18-11P

It isn't so important what people say about you as it is what they believe.

**State Chairman Of Heart Fund**

SENATOR LYNDON JOHNSON will serve as the state chairman of the 1956 Texas Heart Fund during February, it has been announced by Dr. Kleberg Eckhardt of Corpus Christi, president of the Texas Heart Association.

Senator Johnson who now is recuperating at his Texas home from the effects of a severe heart attack he suffered last July 2nd, accepted the chairmanship of the February Heart Fund campaign with the statement:

"During recent months I have had reason to become personally aware of the scope of the life-saving work made possible by the voluntary contributions of funds for use in research into heart disease.

"In all seriousness, I doubt that I would be here now except for the application of medical knowledge gained from such research prior to the heart attack I suffered last July.

"The money contributed to the Texas Heart Fund, which is an integral factor in the work of the Texas and American Heart Associations, is an investment in human lives. I am confident that the people of Texas will make such an investment in generous measure this year, as they have in the past.

"This is a cause in which all of us can work together for the good of humanity. I know Texans will not fail to meet this challenge."

Dr. Eckhardt and A. L. Thomas, Dallas bank official and chairman of the board of the Texas Heart Association, announced their "pleasure that Senator Johnson has accepted the Heart Fund chairmanship. We feel certain that local Heart Associations and chapters affiliated with Texas Heart Association will increase their efforts to support the Heart Fund under Senator Johnson's able leadership."

Mr. and Mrs. Jack Foster of Shreveport, La., and Miss Nathalie Foster of Hardin-Simmons University in Abilene, Texas, visited their parents, Mr. and Mrs. Leo Foster, over the holiday weekend.

Mr. and Mrs. Donald Suttles of the USAF stationed in Victoria, Texas, visited their parents, Mr. and Mrs. Fred Germany and Mr. J. A. Suttles, over the holiday weekend.

**'White House' On Way Out**

From bathroom fixtures to telephones to houses, the swing today is to color. Faber Birren, noted color authority, reports:

"Fully 75 percent of all painted houses were white about a decade ago. Today, use of color has increased from about 25 percent of the total to well over 50 percent, and the percentage keeps rising.

"Probably the most active color trend has been in asphalt shingle roofing. Here the technical laboratory has provided a whole new palette of pastel hues, which have risen steadily in popularity, to a point where they now are preferred by two persons out of five."

However, the color consultant cites a survey of 1,600 homeowners in 12 widely scattered areas which indicates that deep-toned red, green, gray, and other traditional asphalt shingle colors remain the dominant choice for American roofs. The sole exception is pastel blue, to which the survey gives a slight edge over medium blue shingles.

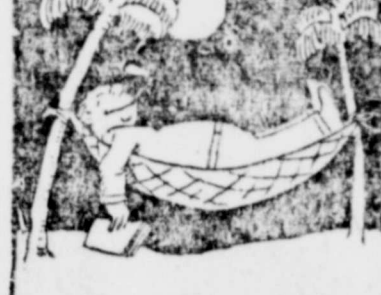

**SPANISH INFLUENCE**

Colorful cotton "at home" separates show their Spanish influence with ruffled braids on the pants and rows of ruffles on the blouse. The trim fitting pants are in cotton velveteen and the blouse is of lustrous cotton. They are designed by Serbin of Miami.

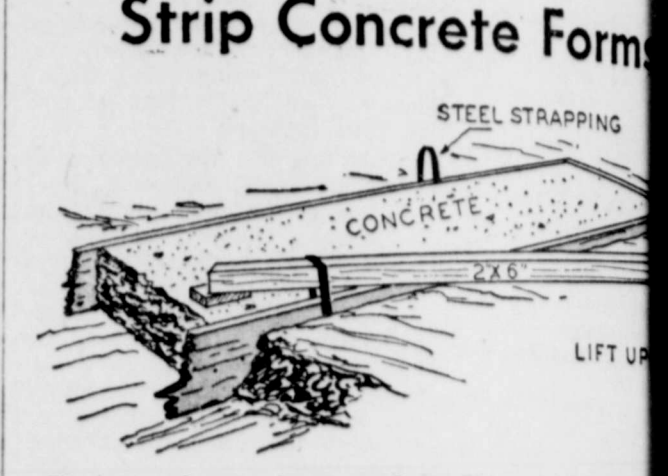

Never trust a woman who tells her true age. That woman would tell anything.

When a fellow is single he runs around and gets into a lot of trouble. After he is married he doesn't have to run around.

"He Advertised"

**Here's How to...**

The uses of concrete are endless—and so are the handyman tricks that go with it. One trick is to lay a concrete walk so that the wooden forms around it can be stripped out afterwards without gouging the soil. To do this, American Builder magazine suggests nailing steel loops to the forms beforehand. Then concrete hardens, they can quickly remove them by pulling a pole through the loops, as in the illustration. The loops will come up without trouble, particularly if loops have been greased inside of the forms.

**Start now to make your retirement easy.. through U.S. Savings Bonds!**

IT'S not hard to figure out what you'd like to do 10 or 20 years from now when it's time to retire—if you have the money. A trip to Tahiti—a home all your own with a garden for putting. Such dreams come true easily, if you start investing now in United States Series E Savings Bonds.

It's easy to save the U. S. Savings Bond way  
Join the Payroll Savings Plan where you work. Just tell your company payroll department how much you want to save each payday. They'll do the rest—saving out that amount from your check before you have a chance to spend it. If you're self-employed, invest in Bonds regularly where you bank.

It's safe to save the U. S. Savings Bond way  
There's no sense taking chances when it comes to retirement. Be smart and be sure. Bonds are one of the safest, surest investments in the world today.

It pays to save the U. S. Savings Bond way  
When held to maturity each Series E Bond pays an average of 3% per year, compounded semiannually. Now with the automatic extension privilege it will go on paying that same fine interest for 10 more years.

If you want your interest as current income, ask your banker about 3% Series E Bonds that pay interest semiannually by Treasury check.

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and
