Highways Your Voice

GLENN E. SCOTT

The newest method of handling distance telephone calls as described to members of the Rotary Club on Tuesday, Feb. 7, by Glenn E. Scott of the Western Bell Telephone Co.

A program, titled "Super-voice for Your Voice", was presented by J. H. Spence, manager of the telephone company.

A portable dial telephone system, Mr. Scott explained, demonstrated how long distance calls are handled.

Mr. Scott showed, by means of an actual demonstration, how long distance calls in many cities can be handled by million other telephones of an operator at the point.

He demonstrated the revolutionary "transistor", a new device that can do many of the things that the vacuum tube can do, and which in technical terms he explained is an important part transistors destined to play in the future of communication and electronics.

Mr. Scott also demonstrated the world's smallest "battery" — the so-called "power oscillator" — which produces an audible musical tone from 1-50,000,000 watt of current.

These and other demonstrations, Scott showed the Rotary Club how new telephone services are being put to use.

Evans introduced the Van Loh as a guest of honor, Harold Van Loh; Miss and Mrs. Esta Faye Hoffmann; and Mrs. Jim Spence; W. A. guest of Bill Milam.

Taylor Services Held Tuesday

Funeral rites for John C. Taylor, 80, who died at his home here Sunday, were held at 2:30 P. M. Tuesday from the Owens-Brumley Funeral Home chapel with the pastor of the Church of God officiating. Burial was in Burkburnett Cemetery.

A retired carpenter, Taylor was born Jan. 27, 1876 at Bowling Green, Ky. He was a veteran of the Spanish-American War.

Survivors include his wife; one son, E. R. Taylor, Burkburnett; one brother, Ed Taylor, Wichita Falls; one sister, Miss Clara Taylor, Bowling Green, Ky.; and two grandchildren.

How Much Fire Hose Could You Pay For?

How many sections of fire hose do you feel you could pay for?

Last Thursday afternoon when fire hose was strung across West 3rd Street, one car crossed the hose in two places before she could be stopped. For this lady's information, and for yours, that hose costs \$100 per section. If you straddle a connection you could ruin at least two sections. Since it is a violation of the law to cross a fire hose in a vehicle, you are not only subject to a fine, but are also liable for any damage done to the hose.

Another violation, Burkburnett people are guilty of is following the fire trucks. The law says you are subject to fine if you follow within 300 feet! Remember that the next time the fire trucks go down the street. The firemen, who are doing their best to get to the fire and assist in extinguishing it, are fed up with this practice, and they have 100 per cent backing of the Police Dept.

Kinnett-Butts Weddings Was Saturday Evening Event

In a Saturday evening ceremony, Miss Juanita Jean Butts became the bride of Danny Joe Kinnett in the First Methodist church in Burkburnett with Rev. Felix R. Kindel, pastor officiating.

Miss Butts is the daughter of Mr. and Mrs. S. M. Butts. He is the son of Mr. and Mrs. Willie Kinnett.

Arrangements of pink gladioli and white chrysanthemums beneath an archway of candleabra decorated the church. Miss Joan Fleming, soloist and Phil Baker, organist, provided traditional wedding music.

Escorted to the altar by her father, the bride wore a sheath dress of champagne lace over taffeta accented by large taffeta bow in back. Wearing a matching lace hat and accessories, she carried a bouquet of deep pink roses and a Bible which has been in the family since 1832.

Acting as matron of honor was Mrs. Don Short of Wichita Falls. She wore an aqua blue faille dress trimmed with rhinestones and carried a nosegay of pink carnations.

Mrs. Charles Miller of Iowa Park and Mrs. Don Joe Prescott of Burkburnett were candlelighters.

Don Joe Prescott was best man with Alex Mills and Don Elliott as ushers.

A reception in the home of the bride's parents followed the ceremony with Misses Peggy Clemmer of Walters, Lavonne Burns of Burkburnett, Mesdames Bill Tisdale of Wichita Falls and Robert Butts of Dallas as members of the houseparty. White stock and pink chrysanthemums decorated the refreshment table.

A graduate of Burkburnett High School, Mrs. Kinnett attended Midwestern University as a home economics major where she was a member of Phi Theta Kappa honorary fraternity.

Also, a graduate of Burkburnett high school where he lettered in football, the bridegroom is employed in Burkburnett following the couple plans to live following a wedding trip to Dallas.

A rehearsal dinner in the home of the bridegroom's parents was held Friday evening with Mr. and Mrs. Willie Kinnett as hosts.

World Day of Prayer Feb. 17th, 2:30 P. M.

THE WORLD DAY OF PRAYER will be observed February 17th, 2:30 P. M. in the Wesleyan room of the First Methodist Church with all denominations participating. There is a dream God has for Burkburnett. We can capture it, recreate it and impart it to others. The World Day of Prayer can leave Burkburnett more conscious of God than it was before February 17. We need your help—We are depending on you.

A nursery will be provided.

Notice Rebekahs

Don't forget the Valentine party Monday night, January 13 at IOOF Hall. Come dressed as a small girl.

Editor Burkburnett Star

Dear Sir:

I am writing you regarding my mother, Mrs. Linnie (Roy) Thornton whom we discovered had incurable cancer last October at the time of surgery.

We would like to express our appreciation and gratitude to the many dear friends in that vicinity who made her last three months here as happy and enjoyable as possible. Everyone was so kind to send her cards and write her notes, and it did a tremendous lot to help her through these last days to know that she had so many friends who still remembered her and thought enough of her to take time out of their busy days to drop her a note of encouragement or a cheerful card.

Mother passed away at 7:30 in the morning on the 31st of January, and we (the family), feel that she is so much better off, and out of her pain and suffering, that it was a blessing she did not linger longer.

Sincerely,
Oleta McGahan

Local Methodists To Observe 24 Hour Prayer Vigil

The First Methodist church of Burkburnett has been invited to be a link in the 1956 Prayer Chain of their denomination. The Prayer Chain started with midnight of December 31, 1955 and will end at midnight December 31, 1956. Local Methodists are to be responsible for the period beginning at 6:00 p. m. Feb. 14th and ending at 6:00 p. m. Feb. 15. Members of the congregation will take turns of thirty minutes or longer so that there will be someone in the church engaging in worship throughout the twenty-four hour period. It is anticipated that every member of the congregation unless providentially hindered will be in the church for worship sometime during that twenty-four period. A schedule is being worked out and periods are being assigned according to the preference of the individuals. Everyone, whether they have specific responsibilities or whether they are a member of this church or not is invited to take part. The Prayer Vigil is dedicated to the enrichment of the spiritual life of all people and a petition for God's guidance and blessings. The season assigned to this church is especially appropriate, since it will usher in the season of Lent.

Mr. and Mrs. J. J. Dwyer received word recently that they are the grandparents of a new baby boy, Robert Paul Dwyer born Jan. 3rd at LaJoes AFB in the Azores Islands. Parents are Capt. and Mrs. John Dwyer.

Believe it or not, but jeweled mouse-traps, sequined feather dusters and gold plated beer can openers are on the market.

Election Set For Feb. 25

County Attorney Donald Short Wednesday gave the green light to an unofficial election to be held at Burkburnett February 25 to pick a candidate for appointment as commissioner in Precinct No. 2.

The election machinery was set up Tuesday night here at the City Hall at a meeting of three voting precinct chairmen, County Judge Guy McNeely and Floyd Taylor, County Democratic Chairman.

The county attorney said at noon Wednesday he could find nothing in statutes to prohibit such an election.

The election is scheduled to fill the vacant Precinct 2 post on the commissioners court. The place was left vacant Jan. 29 with death of Commissioner W. T. Holman.

County Judge McNeely said he would appoint the candidate who received the majority of votes cast. If a majority is not gained in the first voting a runoff between the two top ranking candidates will be held March 3.

Voting will be held at the four Burkburnett polling stations. Candidates must file before February 15 and each candidate will be assessed his filing fee on a prorated basis figured on number of candidates.

The probable cost of holding two elections will be about \$500.00. The candidates must pay their assessments by Feb. 13, it was decided.

Up until Thursday morning only one candidate, Wendell Goins, had filed. It is estimated from eight to twelve candidates will qualify before the deadline for the office which pays the amount of \$7,421.88 annually.

The victor in the unofficial election will serve only until the regular general election Nov. 6 when a commissioner will be elected to complete Holman's unexpired term. The term expires Jan. 1, 1959.

Voters will be qualified by poll tax receipts or exemption certificates or affidavits of either. Persons over 60 years of age need no exemption certificates in Burkburnett.

Filing place for the candidates will be the home of F. T. Felty at 601 East Fourth Street.

BWC Met Tuesday For Mission Study In W. C. Davis Home

The Business Women's circle of the First Baptist WMS met in the home of Mrs. W. C. Davis for their mission program, Tuesday night.

The meeting opened with the singing "Rescue The Perishing" followed by a prayer by Mrs. R. P. Thaxton. Mrs. I. C. Evans, circle chairman presided over the business session. Mrs. Claude Reed, program chairman presented the following program "God Save America" with Mesdames A. L. Scott, A. B. Fields, W. A. Minick and Miss Hazel Waggoner taking part. The meeting closed with a prayer by Mrs. I. C. Evans.

Refreshments were served by hostess to the following Mesdames A. B. Fields, I. C. Evans, W. A. Minick, H. L. Lawrence, A. L. Scott, Claude Reed, R. P. Thaxton, Tripp, Marilyn Farrell and Misses Hazel Waggoner, Jewel Reed, Alma Capps, and Little Miss Betty Farrell.

Stofer Services Held In Devol

Final tribute was paid to Oles Stofer, 85, Sunday afternoon at 2:00 P. M. when friends and relatives gathered at the Baptist Church in Devol, Okla. Mr. Stofer passed away Friday night, February 3rd, at the home of a daughter, Mrs. Aileen Jeter in Wichita Falls. He had been in ill health the past four years.

Born December 23, 1870, near Humboldt in Allen County, Kansas, he had lived in Devol 37 years before moving to Wichita Falls in 1951.

A retired hardware merchant, Mr. Stofer was a member of the Unitarian Church in Oklahoma City and had been a member of the IOOF Lodge for 62 years during which time he held numerous offices in the organization. He was past president of the Texas-Oklahoma circle of Odd Fellows.

Rev. T. M. Jensen, pastor of the Grant Street Methodist Church in Wichita Falls, officiated and was assisted by Rev. M. O. McKinney, pastor of the Devol Church.

Interment in the Grandfield, Oklahoma, Cemetery, was under direction of Owens and Brumley Funeral Home of Burkburnett.

Graveside rites were said by the Grandfield IOOF Lodge with members from Burkburnett and Devol also participating.

Pallbearers were Robert Hopkins, Bryan Harrison, Jack McCasland, Aubrey Mayes, Frank McClendon and Melvin Crocker.

Survivors include three daughters, Mrs. Aileen Jeter, Wichita Falls; Mrs. Zala Byerly, Burkburnett; and Mrs. Clara Dunger, Phoenix, Arizona; one son, Orville Smith, Devol; one sister, Mrs. Nora Myerley, Rich Hill, Mo.; six grandchildren. Joe Bill Dodson, serving with the Navy in Alaska, Jimmy and Richard Jeter, Wichita Falls, Sally Young, Bakersfield, Calif., Orville Smith, Jr., Devol, and Rex Smith, Chicago, Illinois; and two great grandchildren.

Note of Appreciation

Mr. and Mrs. Billy G. Miller and family wish to express their sincere appreciation to the local fire department, to blood donors and to each and everyone who gave assistance in any way at the time of their unfortunate accident and during their hospitalization which followed. These kind deeds will always be remembered.

- NOTICE -

The Burkburnett Community Singers will meet Sunday, Feb. 12th at the Church of God from 2:00 to 4:00 p. m. Everyone is invited.

Ladies' Night Observed By Lions Club With Valentine Party at the Town Hall

Ladies' Night was observed by the Burkburnett Lions Club Tuesday night at 7:00 o'clock at Town Hall with a Valentine dinner party for their wives and guests. B. H. Preston, Jr., gave the dinner invocation.

Following the introduction of guests, President Francis Kauer introduced a fellow member, Rev. Leroy Meyer, who acted as Master of Ceremonies.

Fifty Attended C of C Luncheon

Approximately fifty members of the Chamber of Commerce met in the regular monthly meeting in Town Hall, with the president, George McClarty, in charge. Rev. Leroy Meyer gave the invocation.

Manager Weldon Wright read the minutes of the previous meeting, which were approved. C. A. Morgan of the Membership committee urged all workers to finish working their cards and turn them in as soon as possible.

Supt. Ralph Davis announced National Education Week will be observed the first week in March and asked all to visit their schools during that time. Standing committee chairmen were introduced and some made short reports.

Announcement of a 4-H Show for Cotton County and the Burkburnett area in the near future was made by J. V. Brookshear of the Civic Affairs committee. The Burk C. of C. contributed \$150.00 toward prizes in the show.

Attendance of local citizens at the Wichita County Red Cross Board of Directors meeting, which is to be held Tuesday, March 6th in Burkburnett at Town Hall was urged. The meeting will be held here as a courtesy to this city, and to better acquaint this area with the field and magnitude of Red Cross work in general. Representatives of all branches of Red Cross work, including the Military, will be in attendance. The meeting will be held in conjunction with the local Rotary Club.

Joe Janek New Director
Joe Janek was introduced as a new director to fill the unexpired term of W. T. Holman. Janek was elected at a directors meeting earlier Monday morning.

Mrs. Dale Boyd Serves Hot Coffee To Cold Firemen

Mrs. Dale Boyd was the true friend to cold firemen last Thursday afternoon when they fought a blaze on West 3rd Street.

With the temperature well below freezing, Mrs. Boyd stood at her front gate with a pot of hot coffee, and just as fast as it was gulped down, she raced in the house and made another pot! Nothing helps a wet, cold fireman any more than a good cup of steaming coffee.

The residence across from Mrs. Boyd's, most of the attic ablaze when firemen arrived, was saved, but water damage to furnishings was extensive.

Old Landmark Razed On 3rd St.

The recent razing of a frame building in the 300 Block on East Main Street in Burkburnett marks the passing of another of the old landmarks in the city. The building dated from approximately that first or second year of Burkburnett's existence and housed a drygoods store as its first business venture, which followed in turn by many and varied enterprises.

With the exception of two other buildings it was probably one of the oldest business buildings on Main Street. A new modern masonry structure is to be built on the vacated lot, by Gene Robertson of this city.

Postal Receipts Show Substantial Increase

Receipts at the Burkburnett Postoffice show a substantial gain, according to A. H. Lohoefer, Postmaster. The 1956 receipts are \$2,752.88 and for 1955 they were \$2,188.19 for the same period, a gain of \$46.69.

COSTLY CONVERSATION

Fifty-four years ago a courageous American President Theodore Roosevelt, said: "Speak softly and carry a big stick."

"Fifty-five billions of dollars ago, Washington decided to inaugurate the most lavish global handout since the dawn of man. This year alone its cost is nearly five billion dollars.

These were the points on which Eugene W. Castle, former newsmen, film-maker and author of "Billions, Blunders and Baloney," teed off on foreign aid and propaganda in an address before the commonwealth club of California the other day.

Today, as a nation, we are not speaking softly, says Mr. Castle, and the illusion that "torrents of words are a substitute for firm policies and needs" has cost us more than six hundred millions in the past decade. Even more important, he says, "it has cost us the respect of millions of foreigners who were once our friends."

Mr. Castle gives chapters and verses on the extravagance, ineptitude, duplication, conflict in our propaganda services, and recalls that we were once assured that the Marshall plan would save the world at a cost of 17 billions. But "that is fifty-five billion dollars ago and Mr. Harold Stassen since has stated that "we can not nor must we ever trim our aid to needy free nations, just for the sake of cutting our own budget."

Reminding his hearers of our 278 billion dollar Federal debt, Mr. Castle went on to say: "The one hope the communists have is that eventually we will go bankrupt. If this happens they expect to conquer the world without firing a shot."

Our only salvation from our mistakes, the speaker feels, is to balance the Federal budget, and do it now. He thinks there are probably 600 ways of doing this, but offers only six. Five of them you will find in most any discussion of the subject, the sixth we quote:

"Cut out all foreign aid. Eliminate the vast army that we maintain to keep the giving going. To put it bluntly, we can no longer afford to wet-nurse the world."

There's no harm in trying, and incalculable harm in not trying.

29 YEARS OF SEARCHING

Governor Brunsdale of North Dakota has something important to say about oil and oil men in relation to his state.

For almost 30 years, the governor observes, he had heard about oil in North Dakota, "the only trouble was that nobody had been able to find it". Many leases were arranged and wells drilled. But each attempt failed, with nothing to show except a series of costly and useless dry holes in the ground.

Then, the oilmen's persistence finally paid off in the spring of 1951. A successful well was brought in, and North Dakota became the 27th oil producing state.

It might be assumed that since then the oilmen have enjoyed a golden stream of profits. But hear what the governor has to say in this connection: "Strangely enough, oilmen have benefited least from North Dakota's oil. That is because, out of the 295 'wildcat' wells drilled in un-proven areas, only 22 were oil producers, the other 273 were 'dry holes'. To date, oil companies have invested over \$200,000,000 in our state. I know that it will be a very long time before they realize a profit on that investment.

Why do the oil people accept the tough odds inherent in their business? Governor Brunsdale also answered that question: "Because they know that, under America's competitive system, profits can be made if a reasonable amount of success is attained."

WHO BENEFITS MOST?

Who benefits most from the operation of American industry, that is, from capitalism?

A report from the American Economic Foundation is revealing. During the last 26 years for which figures are available, the payrolls of our corporations came to \$1,516,211,000,000. The dividends paid to the owners of the corporations, whose savings and investments made the payrolls possible, totaled less than one tenth as much.

In 1850, the share of the national income represented by salaries and wages was about 36 percent. Now it is about 70 percent, practically double.

Capitalism has done more good things for more people than any other economic system ever devised.

DEVOL NEWS

Mrs. C. O. WOODLEY

Last rites were held at the Baptist Church in Devol Sunday for Oles Stofer, who passed away Friday night, Feb. 4th in Wichita Falls at the home of his daughter, Mrs. Aileen Jeter. He had been making his home there since becoming ill with a heart ailment several years ago.

Mr. Stofer, who was preceded in death by his wife three years ago, was a prominent and respected citizen of this community for many years, owning and operating a general merchandise and hardware store until ill health forced him to retire. He was a member of the Unitarian Church in Oklahoma City and had been a member of the Odd Fellows Lodge for 42 years.

Rev. M. O. McKinney, pastor assisted by Rev. T. M. Jenson of Wichita Falls, conducted the service. Interment was in the Grandfield Cemetery.

Survivors include three daughters, Mrs. Aileen Jeter, Wichita Falls; Mrs. Zala Byerly, Burkburnett; Mrs. Clara Dunger of Phoenix, Arizona; one son, Orville Smith, Devol; one sister, Mrs. Nora Myerley of Rich Hill, Mo.; six grandchildren and two great-grandchildren.

Friday and was dismissed Saturday. Sunday visitors in the Woodley home were Mr. and Mrs. Dick McLain, Mrs. Gerry Campbell and Russ of Grandfield and Mr. and Mrs. Bob Woodley and children of Wichita Falls.

Mrs. Annie Glidewell, who was admitted to a Wichita Falls hospital last Monday for treatment of pneumonia, is said to be some improved at the present time.

The bright sunshine was a very welcome sight Monday morning after a siege of rainy weather, sleet and snow which we were all thankful for, however, as needed moisture for crops and garden.

Mr. and Mrs. Paul Stevens of Burkburnett were Sunday guests of Mr. and Mrs. Cole and Gory.

Mrs. Dolly Hardin was called to Dallas Thursday by the illness of her daughter, Jewel, who improved over the weekend. Mrs. Hardin returned home Monday.

Mr. and Mrs. Jesse Cates visited her brother, Henry Campbell, in Oklahoma City last

week. Mr. Campbell is seriously ill in a veterans hospital there.

John Sells has been reported on the sick list with a case of flu.

TURNABOUT SHOW AT PALACE

In keeping with the age old tradition of Valentine's Day, the Palace Theatre has not forgotten the importance placed on this day as far as the lovers of the World is concerned.

And this year, it's leap year. This is the year that the girl who has so longingly wanted her secret love to come forth and declare his devotion can break the rules of love and let the Knight in Shining Armour know of her devotion.

And to make it all in Fun, this year the Palace Theatre will have on Tuesday night, Feb. 14th a Leap Year Turnabout Valentine's Show. The time 10:30 p. m.

Because it is Leap Year, the girl must buy the tickets, she must pay for everything this evening set aside by the Roman

Gods for Lovers.

The movie! It's a secret. The Palace Theatre has booked a 'sneak Preview of an outstanding movie that will delight all sweethearts. Also the Movie is destined to be one of the outstanding motion pictures of the year.

So, Boys, how popular have you really been this last year. Is there some girl who thinks enough of you to pay your way.

And girls, here's your chance to make Young Love blossom in to full romance. Call up that boy you want so much and be his date for the evening.

Happy Leap Year Love — Oh My.

TELEPHONE TALK

by Jim Spence, Manager

The new year is a good time to look back — and to look ahead — so I thought you'd be interested in some recent statements by R. A. Goodson, general manager of the telephone company in Texas.

Mr. Goodson says that we plan to invest \$106 million for new construction in Texas in 1956 — the largest telephone construction program in the state's history. This is in addition to \$229 million for operating expenses and taxes.

What the Record Shows

The decision to go ahead with an unprecedented construction and improvement program is based on these factors:

The industrial production of Texas is several times greater than 10 years ago. Population has increased 12.25 per cent in five years. The construction industry in Texas remains strong, retail sales continue upward, and business is generally healthy.

Number of Telephones Doubled

Since 1945, the number of telephones in Texas has doubled. There are now more than 2 million telephones serving Texas, and 93 per cent of them are dial telephones.

The telephone company has spent \$760 million gross for construction in Texas since 1945. This expenditure has contributed much to Texas' growth. The annual payroll for 26,000 telephone people in Texas is \$103 million.

"Despite this growth," Mr. Goodson points out, "some families are waiting for telephones or higher grades of service. We're keenly aware of those people and we're doing everything possible to bring them service as quickly as possible."

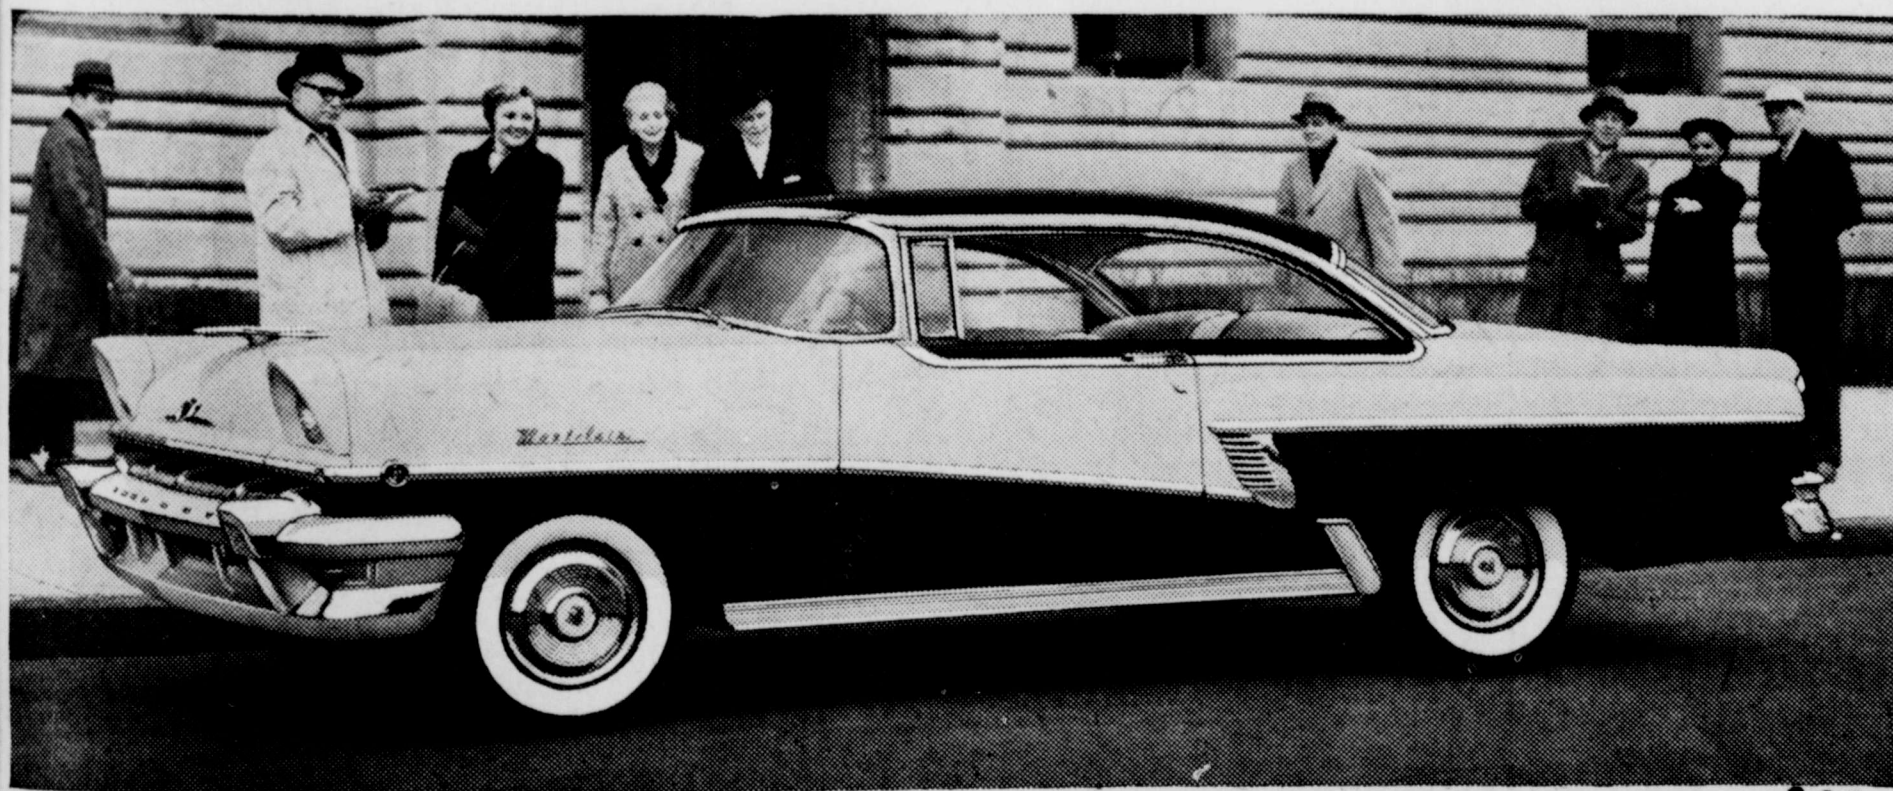

Our New Frontier

Texas was born of revolution, grew up with cattle and oil industries, matured and broadened in our generation. Yet, the new frontier ahead has greater promise than had the frontier of the past.

"Texas is facing its most interesting and challenging years," Mr. Goodson says. "The prospects are bright. That's why the telephone company in 1956 will undertake the largest telephone construction program in the history of Texas."

PUBLIC VOTES MERCURY "BEST VALUE IN ITS FIELD"

19th annual nationwide survey of car owners—by independent research organization*—shows Mercury leads its price class as "best value for the money." Whether you pick a Montclair, Monterey, or Custom, you get more car in four big ways!

1. NEW REFLEX-ACTION PERFORMANCE—Go, stop, pass, climb, turn. THE BIG M responds instantly to your every command, adjusts instantly to every road. We call it "reflex action"—a new kind of performance that makes all your driving easier, safer—and far more comfortable than ever before.

2. NEW BIG M BEAUTY—Here is fresh, clean, graceful beauty for the young-minded. Mercury's lines are long, sleek, road-hugging. New Flo-Tone color styling is radiant and dramatic. You enjoy a distinction in THE BIG M that is unmatched in Mercury's price class.

3. NEW SAFETY-FIRST DESIGN—You get the widest choice of safety features in the field. At no extra cost, there's an impact-absorbing safety steering wheel (an exclusive in Mercury's field) and triple-strength safety door locks. And optional features such as seat belts and padded instrument panel.

4. PROVABLE VALUE—Here's value you can see, and measure! Low first cost. Low operating costs. High resale value. And Mercury trade-in value has remained consistently high. No wonder Mercury was voted "best value in its field." Better see us soon. *Name on request

Valentine Banquet For Thrift Memorial Church Youth

Traditional decor of red and white hearts led the theme for a Valentine banquet at the Thrift Memorial Baptist Church Monday night. The event was the first of an annual affair honoring the youth of the church.

Sheriff Weldon Bailey as the guest speaker, admonished the young people present to develop good habits and regular church attendance as a preventive measure against future mistakes and correction.

The menu served by candlelight from red tapers in crystal candelabra carried out the Valentine theme of the program presented by members of the honored departments. Musical numbers were presented by Bill and Leta France; Baker and Carolyn Ford; Shirley Hodges; Jackie Wright; Rev. Baker and Sunday School Supt. Henry Hodges were presented in the program.

Humane Society Leaflet Free

The National Humane Society publishes a leaflet which explains the cause of the homeless animal population. According to the Society's surveys, more than 40,000,000 cats and dogs are with out homes now and the number is mounting rapidly.

The leaflet, entitled "They Preach Cruelty," offers advice to animal owners on conscientious care that will help to prevent the surplus cat and dog problem, the suffering of un-owned animals and the expense the problem causes tax payers. It can be had without charge in single copies or in quantity from The National Humane Society, 733 Fifteenth Street, N. W., Washington 5, D. C.

Dependent Children Of SAFB Personnel To Get Polio Shots

Dependent children of Sheppard Air Force Base personnel of ages five through nine whose parents request it may receive their first or second polio vaccine shot early in February.

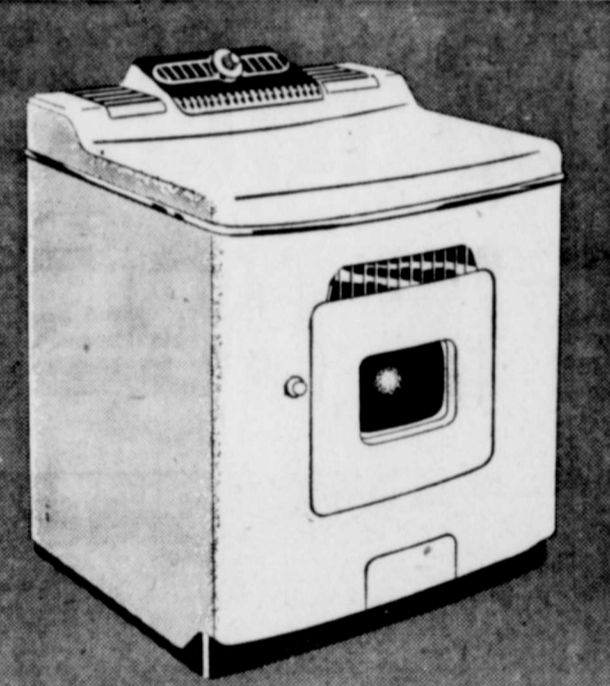

Sheppard AFB school children may receive shots at the school building following classes Feb. 3rd; other dependent children of the selected age group may receive them either Tuesday afternoon, Feb. 7th or Wednesday, afternoon, Feb. 8th from 1 to 3 p. m. at the Dependent's clinic. Children whose last names begin with letters A through L are scheduled for Tuesday and the others will receive them Wednesday.

In every case where the child is not accompanied by a parent, the officials points out, it will be necessary for the child to have the parents' signed statement requesting the immunization. Arrangements will be made later concerning second doses for those who require them.

You can't climb the ladder of success by jumping to conclusions.

it's NOT a really modern automatic laundry... unless you have BOTH!

the fast, economical automatic gas dryer

Rain or shine, day or night, you choose your own laundering time, no matter what the weather. Only the GAS dryer is fast enough to keep up with your automatic washer, it takes clothes as rapidly as they're washed, delivers them in minutes fluff-dried (with that sweet, clean, outdoors smell). What's more, much of your usual ironing is eliminated, for wrinkles are actually steamed out. There's no more clothes-line drudgery, no more soiled, sun-faded washing.

DON'T BE FOOLED

Almost everywhere in Lone Star Land... For what it costs to dry clothes 1 year electrically... you can dry clothes 7 years with flame-fast GAS!

the thrifty laundry-rated automatic gas water heater

A laundry-rated automatic GAS water heater is vital to every really modern home laundry. Correctly-sized, it gives tankful after tankful of really hot, hot water 3 times faster than any other heater. There's always plenty left over after washing for other household needs too. And the hotter the water the whiter the wash! You save money on bleaches and soaps — and you save laundering time, too!

Lowanna Camp Fire Girls Elected Officers

Iletha Herring was hostess to her group in the home of Irma Ned Riley when the members met in the first meeting of the New Year. After refreshments had been served by the hostess, officers were elected to serve the next term. Named president was Jo Ann Hervey, Charlotte Wallace was voted vice president, Irma Ned Riley was elected secretary-treasurer, Loretta Brocker was named to head the program committee and Shirley Hodges will serve as song leader.

The out-going president, Iletha Herring presided during the business meeting. Plans were completed for the skating party to be held Sunday afternoon at Skateland, Wichita Falls. Each member is to invite one guest. It was reported that the posters on the Polio Drive had all been placed in business houses. Members of the group are to distribute leaflets throughout the schools Monday, Jan. 30th.

Lowanna Members To Receive Honors At Sweetheart Party

During the Jan. 31st. meeting held in the home of Irma Ned Riley, the Lowanna Camp Fire group members voted to invite their fathers to a party to be held Feb. 14th. At this time, the Wood Gatherers Rank will be given Iletha Herring and other members will receive Honors as earned during a ceremony. The members decided to base the ceremony on a holiday theme. Loretta Brocker drew St. Valentine, Iletha Herring, St. Patrick's Day; Jo Ann Hervey, Christmas; Shirley Hodges, July 4th; Irma Ned Riley, Easter; and Charlotte Wallace, Thanksgiving. The ceremony will be planned and written by the members in order to comply with Rank requirements. Five of the members are working on their Fire Gatherers Rank and one on the Wood Gatherers.

Jo Ann, president, presided during the business meeting, af-

ter which members started work on their posters on the five wild flowers of Texas on the Conservation List. These posters are to be entered in the District contest for an award. A called meeting for Thursday afternoon was scheduled. A discussion was held on the skating party which the group had Sunday afternoon. A vote of thanks was given Mrs. John Hervey and Mrs. George Hodges for assisting with the party. Delicious refreshments were served by the hostess, Jo Ann Hervey, for the meeting.

The Texan Was Made For You!

It's your kind of car... this handsome, rugged Texan by Dodge! At the very first glance, you'll know this is true. And when you take the wheel and "give the gun" to its mighty, aircraft-type, Super Red Ram V-8 engine, your enthusiasm will burst all bounds. For the Texan boasts a power plant just like the Dodge that made automotive history on the famous Bonneville Salt Flats in Utah.

Surely you've read or heard recently how a '56 Dodge stock car shattered 306 world records for endurance and speed in that sensational 14-day, non-stop run. This officially witnessed performance covered over 31,000 miles of round-the-clock driving at an average speed of 92.86 miles per hour... the greatest distance at

the fastest pace any car has ever travelled! Now this handsome, flair-fashioned, specially-trimmed Texan offers you the same rugged endurance and the same eager power as the Dodge that established these records. What's more, you'll be in for your biggest surprise when you glance at the price tag. Big, powerful and luxurious as it is, you'll expect to pay perhaps a thousand dollars more than that tag reads. Yet here you'll discover that this Texan, with all its beauty and size and ruggedness, is priced right down with the so-called "low-priced three." Come and see for yourself. Never will you find a better "buy" nor make a better deal than your nearby Dodge dealer will give you today. Better not delay for the supply is limited

Wesleyan Methodist Pastors to Speak

Week of Feb. 12 through 14 has been set aside by the Wesleyan Methodist church as a week of self and sub-stitution. Featured during this week will be former pastors of the congregation. The leadership of the church anticipates a response to this observation and feels that it is unusual that they were able to obtain the five living former pastors of the church. The public as well as the membership of the church is cordially invited to attend. There will be special music at each service. The schedule of speakers follows:

Feb. 12th
7:30 a. m. Church School for children
8:00 a. m. Rev. Felix Kindel, Pastor
8:00 p. m. Rev. Dan Barron, Supt. of Wichita Falls

Feb. 13th

Mercury's newest model—the Montclair Phaeton—features extra eye-level visibility for rear seat passengers and unequalled ease of entrance and exit. It is a low-silhouette, four-door pillarless hardtop only 58 3/4 inches high and more than 17 feet long. The new Phaeton is powered by Mercury's safety-surge V-8 engine with 225 horsepower and a 9.0 to 1 compression ratio. A 210 horsepower V-8 engine also is available with standard transmission. Like all 1956 Mercurys, the new model has a safety steering wheel and five other "crash-tested" safety features.

News From Your Home Agent

Home Demonstration club demonstrators completed plans this week for their year's work. 14 women have made plans for work to be done in their own homes, to improve their business procedure. These women are working on family economy with the hopes of becoming better business women, which will surely include doing a better job of family planning.

Mrs. G. R. Belue from the Ray Home Demonstration club made plans as family economics demonstrator this week. Her plans for improving the business procedure of her home include the organization of a family file and keeping an expense record. Mrs. Belue made the record book following a leaflet available from your county home demonstration agent, Miss Thelma Wirges.

Good eating habits are concerned not only with the total food needed, for a day, but also with the distribution of that food over the day, and breakfast, as the name implies, breaks the period of longest fast. It comes, at a time when the body's store of all essential food values needs replenishing. The breakfast of every man, woman and child should furnish approximately 1-3 of the daily food needs, if they are able to work and feel well.

However, we know that there are millions of Americans that are eating either an inadequate breakfast or no breakfast at all. It is because of this that home demonstration club leaders are giving demonstrations on Better Breakfasts to home demonstration clubs. The leader recommends that:

Breakfast problems might be solved by developing an appetite make yourself eat less at night and a good breakfast for 10 days. For small children 10 min. of out doors before breakfast often helps. 2. Take time. Go to bed 15 minutes earlier and get up 15 minutes earlier. 3. Make breakfast part of a diet, breakfast is the most important meal when on a diet. Skimp on others. 4. Make Breakfast look good. 5. Take advantage of easy to eat foods. There are hundreds of mixes and packaged foods.

The leaders also remind club women that thousands of dollars and thousands of hours have been devoted to proving that people who eat a good breakfast work better, think better, react faster and are pleasanter, happier people.

Leaders giving these demonstrations are Mesdames B. J. Gattis, S. P. Allen, C. E. Russell, Sam Spencer, C. J. Cully, Aldon Huffman, M. L. Hillis, J. J. Lane, W. A. McClure, A. E. Bailey, R. E. Belue, T. C. Adams, B. E. Rogers and Earl Burch.

A colonel's wife at a Far East army post was remonstrating with a house boy over his habit, when bringing up the breakfast tray, of entering her dressing room without knocking. "No worry," said Ling. "Me allus look through keyhole first. If missy has no clothes on, Ling no come in."

Wesleyan Guild Met Monday For Regular Meeting

The Wesleyan Service Guild met Monday night, Feb. 6th in the Wesley class room for its regular monthly meeting. The meeting was opened with prayer by Mrs. Duval. President Mrs. Earl Martin, presided over the meeting.

Mrs. Leslie Tuel brought a good devotional service from 1st Jno 4: verses 7-8, 20-21. She also presented a very interesting and educational lesson on the World's Laborer Worthy of His Hire and Woman Workers. She was assisted in the program by Mrs. J. C. Parks and Mrs. Winford Henry. We were dismissed with prayer led by Mrs. Tuel.

Refreshments were served by the hostess, Mrs. Parks, to Mesdames Earl Martin, Leslie Tuel, Winford Henry, Chloe Wiggins, Lucile Duval.

Elmer Gene Tyler Home on Leave

Sp. 2-C Elmer Gene Tyler, son of Mr. and Mrs. W. J. Tyler, has been home on a fifty-four day leave. He left Feb. 2nd for Fort Dix, New Jersey, where he will await his re-assignment somewhere in Europe. Mr. Tyler has just returned from a sixteen month tour in Korea with the 84th Engineer Construction Bn. at Tague Won and the 185th Engineer Bn. (Combat) at Kimpo. He served as a cook with both of these battalions. This was Tyler's first tour of duty in Korea but not around Korea. Prior to this tour of duty in Korea he served four years in the Navy during which time he put in twenty months between Japan and Korea. He was discharged from the Navy in May of 1953 and enlisted in the Army in March of 1954. In October of 1955, he re-enlisted for three more years.

Rebekah Lodge Held Regular Meet Monday Night

Burkburnett Rebekah Lodge No. 67 observed a regular stated meeting Monday night with Marretta Simons, noble grand, presiding and Nellie Richards, vice grand, and Mary Frances Knox secretary in their respective stations.

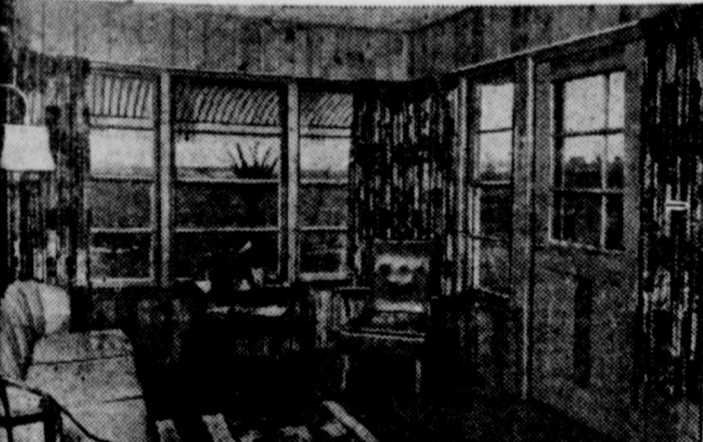

Minutes of the previous meeting were read and approved. The sick were reported on and a check was made of funds for the Polio Drive. A report will be sent to Mary Ranbarger Willis of Wichita Falls, general chairman of Rebekah Assembly of Texas.

The club voted to accept an invitation from Golden Rule Rebekah Lodge No. 164 which is honoring sister Lillie Alexander, president Rebekah Assembly of Texas on Tuesday night, Feb. 7th. The club also made plans for a valentine party Monday night, Feb. 13th to be held in the IOOF Hall. Members are requested to dress as kids.

Elizabeth Gragg was installed as treasurer for the ensuing term. Mary Cecil DDP, Bertha Wood DDM, Mary Frances Knox DDS.

The meeting adjourned and delicious home made cake and hot chocolate were served by Marretta Simons and Mary Frances Knox to thirteen members.

Turn Porch Into a Room

When enclosing a porch, the home-owner will generally find that the window units of ponderosa pine are easiest to install. They are fitted to each other at the factory for smooth operation and are chemically treated to prevent sticking. The friendly atmosphere of this enclosed porch is highlighted by the colorful draperies, lustrous pine paneling, and the handsome panel door.

Converting a porch into a year-round room may be the solution to the space problem of many homeowners.

According to A. B. Campen, building expert from Peoria, there are two main questions answered before going into conversion work. Is the porch in good condition? Will the space be gained to war-remodeling?

Campen says that frequently porches are only 8 feet wide. For practical purposes this is too narrow. It often is more economical in the long run to build a porch than to remodel a porch that is about 12 feet wide to make it a year-round room. There are some general things to look for in porch conversion:

1. Are the porch supports in good shape? If not, erect a masonry foundation.

2. Is the flooring in good shape? If the porch flooring must serve as

the base for the finish flooring.

3. Are the floor and walls insulated? The room will have two or three outside walls and will tend to be cold without insulation. Three-inch-thick mineral wool batts and blankets, or four inches of blown wool will add winter and summer comfort.

4. Will the new room get enough heat? The Coleman Heating Institute, Wichita, Kan., suggests that if the central heating system doesn't have the capacity to heat the extra space, a space-saving wall heater, a floor furnace, or a room heater can be added as supplementary equipment.

5. Is the roof weathertight? If not, a new roof of asphalt shingles will give long life. The shingles come in a great number of different colors to satisfy any color preference. Roofing on various parts of the house wears out at about the same rate. If the porch needs reroofing, chances are the main roof does too.

There's no substitute for a good breakfast.

The most nutritional-packed lunch in the world won't compensate for a skipped morning meal. The best balanced dinner won't carry you through in tip top shape till the noon meal.

Irrigation Methods To Be Announced

A program has been planned to give the latest information on irrigation, announced by B. T. Haws, county agent. It will be on Tuesday, Feb. 7th. The first session will be held in the afternoon beginning at 1:30 at Jack Ellis' farm located in the Irrigated Valley Unit No. 25.

There we will discuss actual problems in the field connected with flood and sprinkle irrigation. We will also visit the Gordon West farm where we will see and discuss Coastal Bermuda grass and winter pastures. The afternoon meeting will be over by 4 o'clock.

The night session will start at 7:30 at the Valley Farms Community House. The program will be as follows: Soil Conditioning and treatment, by Lester Brooks, Quality of Water by Dr. Carl Gray and Water Application and Water Management by Bob Thurmond, Irrigation Specialist from A&M College.

We are fortunate in getting Mr. Thurmond, who is an outstanding authority on irrigation.

Anyone interested in irrigation is urged to attend.

The judge was giving the defendant in a divorce action a rather stern lecture over his actions in abandoning his wife.

Concluding his remarks the judge said, "So I've decided to grant your wife \$40 per month." "That's fine judge," the worried defendant said, brightening. "You know, I think I'll try to slip her a couple of bucks every now and then myself."

"Violent Saturday" --- Palace Saturday

There is plenty of electricity in the air when Richard Egan and Virginia Leith meet on the eve of "Violent Saturday", in the new CinemaScope suspense thriller. The production, filmed in DeLuxe color, arrives Saturday at the Palace Theatre with Stephen McNally, Tommy Noonan and Lee Marvin in other co-starring roles.

A few months ago, in a former pastorate, there was a lovely young couple who came to the worship service in the morning regularly. But who never came to Bible School. One night I called on them and explained the need of scriptural study in the training department. From then on, they came to the Bible School but left immediately afterward. So, I had to make another trip to impress upon them the necessity of the morning worship and the communion service. The husband replied to me, "well preacher, we can attend one service a week and that's all!"

I wonder, during the great series of events that climax the coming of our Lord if that young family will attend only a few of them. Maybe they will be present in the resurrection and then let the marriage, supper, the judgement, the trip to Heaven and the worship of the King of Kings out. I hope they don't, but isn't that what they are doing?

We need you in the Bible School, Morning Worship, Evening Service and the others. They are for your benefit, not ours.

The Red Bud Junior Gardeners Observe Arbor Day

The Red Bud Junior Garden club has as its project for the coming year to assist in beautifying the Burkburnett School grounds. On Friday Jan. 27th the club purchased four sycamore

trees, three red buds, and eight red crepe myrtle bushes. These were planted Friday afternoon at the new primary building. Members of the group will be responsible for the summer care of the planting. The young girls, were assisted in the work by Mr. B. Farris, Agriculture instructor and two members of his class. At their regular meeting Monday, Jan. 30th in her home Irma Ned Riley, secretary, reported that cards of thanks had been sent to Mr. George McClarty, C. M. Archer, Louis Cashwheel and Walter Riley for making a donation towards the purchase of the trees. All members have entered the 1956 Junior Garden Club member's Poster Contest and are working towards winning the Ada Mead Wild Flower Conservation Award for the club treasury. The Junior Garden club is of the Lowanna Camp Fire Group and is sponsored by the Burkburnett Garden club.

During the workshop Jan. 30th, preliminary work was started on the posters. A called meeting will be held Thursday, Feb. 3rd as the posters must be completed prior to Feb. 15th. Delicious refreshments were served Loretta Brocker, Jo Ann Hervey, Ietha Herring, Shirley Hodges, Irma Ned Riley and Charlotte Wallace.

7. Second prize winner must complete around-the-world trip within two weeks, by October 31, 1956. Total cost of trip for two not to exceed \$5,000.
8. Contest subject to Federal, State & Local regulations.

OPPORTUNITY FOR YOUTHS

A wonderful opportunity for youngsters exists in the Reserve. The Army's all-important mission is to uphold the peace of the United States whether we be in a shooting war, or in peace. During times of peace the main job is to deter aggression. That can be done by maintaining a reserve that is both numerically and technically trained. There always exists a chance that any young man required to serve in Uncle Sam's Army. There are many men alive today, regardless of age, who have served in some war or in preparedness for same. It has now become a patriotic duty of every young man to prepare himself to defend his country. Some young men do this by enlisting in some branch of the armed services, some defer military services so that they may complete their education, by joining an ROTC unit. Others touch with the latest developments, and in training the national guard. Now comes a wonderful opportunity for youngsters to continue their education and at the same time serve their country in the Reserve forces. Usually it is a matter of self preservation. Uncle Sam discovered in World War II that untrained men were a liability. They had not learned to defend themselves. So, from a selfish standpoint, it behooves every young man to keep himself in fighting trim—to familiarize himself with wartime procedures, to know the latest weapons and warfare techniques. Now, thanks to the Reserve Forces Act of 1955 a young man of high school age can enlist in the reserves, for the time he serves, train only one night a week, go to camp for two weeks in the summer, and receive credit against his military obligation for the time he spends in Reserve training. After graduation from high school he serves six months' active duty receiving his training, following which he is ready to enter without further interruption. What better deal could a young man have than that offered in the U. S. Army Reserve?

Regional Manager Lone Star Gas Co.

E. L. Buelow, head of Lone Star Gas Company's San Angelo area of operations since Sept. 1, 1938, has been promoted to the post of regional manager of the company's West Texas Region of Distribution. M. L. Bird of Dallas, company vice-president, announced today. The appointment became effective February 1st. In his new position, Buelow will direct the gas service and maintenance operations in more than 100 communities, towns and cities in the company's newly-established West Texas Region of Distribution. These company-owned and operated distribution plants served more than 124,000 residential, commercial and industrial customers residing in an area extending from the Texas-Oklahoma border

der on the north to Sonora on the south, and from Snyder and Colorado City on the west to Wichita Falls and Ranger on the east.

Abilene, due to its location in the approximate geographical center of the West Texas Region, has been designated the site of Regional headquarters offices. Buelow will move to Abilene in the near future.

"Lone Star," Bird said, "adopted the regional plan of organization in its General Division of Distribution January 1st. Adoption of the new plan of organization will enable the company to make a more effective use of the regional principle for decentralizing certain managerial functions and responsibilities, thus increasing efficiency and flexibility at both regional and management levels."

Buelow, a 36 year veteran with Lone Star, joined the company as an accountant at Cleburne in 1920.

Lowanna Girls Have Full Feb. Schedule

Posters for the Wild Flower Conservation contest were completed when the Lowanna Camp Fire group met with Irma Ned Riley as hostess in her home Monday afternoon, Feb. 6th.

Applications for entry in the contest were filled out and mailed to District Two chairman in charge of the contest. Prior to the workshop President Jo Ann held a brief business session. Songs were led by Shirley Hodges. After the reading of the minutes of previous meeting, Secretary Irma Ned passed a colored picture made by Mrs. C.

F. Bohner of the group at a workshop last fall. The picture will be used in the Red Bud Junior Garden Club scrap book.

Charlott Wallace led the discussion on the proposed trip to Dallas early in March. The girls decided to discuss the matter further with their parents and vote on it at the next regular meeting. Plans were discussed for the Ceremonial to be held next Tuesday night, Feb. 14th, in connection with the Dad-Daughter Sweetheart party.

The Polio containers were collected from down town district and cafes and the money counted and turned over to Buddy Byars chairman of the Polio drive in Burkburnett. After delicious refreshments, the group adjourned until Thursday, when a called meeting will be held to practice the Ceremonial. All members were present.

93 Percent School Taxes Collected

Dow Estes, Tax Collector and Assessor for the Burkburnett Independent School District, reports that the tax collection for 1955, up to February 1st, was 93 per cent of total rendered tax roll. About the same as last year.

The split payment is used in the payment of taxes, so there will be quite a few taxes come in, in June. This should bring the total percentage for the year to 97 or 98 per cent.

A little mental exercise will keep you from getting a fat head.

WSCS Met Monday In Regular Session

The Woman's Society of Christian Service met for their regular luncheon and meeting Monday, February 6th.

Mrs. A. R. Bunstine, vice-president, presided over the business meeting.

Mrs. R. L. Gragg gave the devotional service from Proverbs 4:5-7 concerning wisdom from God.

The program under the direction of Mrs. Bill Haws, was presented. Mrs. R. C. Moser from the Friberg-Cooper WSCS gave a most interesting talk using the book, Plowshares and Pruning Hooks as her source of material. A skit showing that we, as Christians, must investigate and find the true facts of each of the labor and management was given. Those taking part in the skit were: Picket, Mrs. Joe Carter; Shoppers, Mrs. Howard Henderson and Mrs. Felix Kindel; Narrator, Mrs. Bill Haws. Mrs. Raymond Schuette presented Cold War for Youth, showing how communism is competing against the free world for

the molding of our youth; and that we must take more of an interest in our youth. A skit, Anti-ism was presented by Mrs. Raymond Schuette, Mrs. J. B. Foyce and Mrs. A. W. Newman. The meeting was adjourned with the singing of "America the Beautiful".

The luncheon hostesses were: Mesdames W. H. Holt, D. M. Lowery, R. D. Revier, I. R. Ragan. There were 27 members present and two guests, Mrs. R. C. Moser and Mrs. Grace Revier Randolph.

Circle meetings will be held at 3:00 P. M., Monday, Feb. 13. Circle No. 1, Mrs. A. W. Newman, 402 West College; Circle No. 2, Mrs. W. H. Holt, South Berry Street.

If hot air rises, as the scientists say, the atmosphere will soon be cleared of all these political speeches.

Experts Tell How to Choose New Windows

What can a window do for you? A window is about to build or remodel a house should ask himself this question.

According to the University of Small Homes Council, a window should be chosen for particular needs—light, heat conservation, beauty, view, privacy.

A window does all jobs equally well. Here are some guides:

Light—A horizontal window is wide but shallow spread. A vertical one will give a low but deep-penetrating light. The higher on the wall a window is placed, the farther the light will penetrate into the room.

Views on two or more walls will give light more evenly than one window area on one wall. Windows situated at the corners of the house do not admit as much light as windows of the same size located elsewhere.

Heat conservation—Wood is a good insulator. The inside of a window frame stays close to the room temperature, regardless of the temperature outside. Moisture will not condense on it as it will on a cold surface. This pre-venting of condensation is important. Picture windows, in general, are located in the south rather than the north wall. The south wall is the best wall. Heat loss is minimized.

Beauty—Windows, because they break up a wall surface, are an important factor in the architecture of a building. The current trend is to locate windows in groupings, rather than scattered. For purposes of coloring, the familiar ponderosa window is most practical. It can easily be painted and

new—Picture windows are used with discretion. A horizontal window may be used for panoramic views of the sea. A more vertical window or a smaller one may be preferable for less dramatic scenes. Privacy—Horizontal windows placed high on a wall, will give privacy and light.

DERRICK NEWS
The Annual staff of Burk Burnett has mailed their last installment of their yearbook, the 1956 Derrick, to the Taylor Publishing Company in Dallas.

The staff had previously sent in 108 pages in meeting the first two deadlines. According to Mrs. Finley, advisor of the staff, the student body will receive the 1956 Derrick the last of March.

This year's staff, composed of Juniors and Seniors taking journalism, include: Alden Smith, Editor in chief; Marilyn Penn, Wanda Redman and Marilyn Feltz, Tri-editors; Pat Bernethy, Louise Boyd and Jerry VanLoh, Business Managers; Peggy Terry, Jerry Gee, Vyvyan Morris and Celia Musgrave, Subscription and Advertising staff; Jeanne Smith, Norma Fleming and Rosemary Roark, Art and Layout staff.

DISTRICT OFFICERS MEET

Alden Smith, president of the Burk Burnett Student Council and

Billy Mize, a junior class representative and assistant district officer attended a meeting of the executive committee of the GreenBelt Student Council. The meeting was held in the Santa Rosa Cafe in Vernon with Ted Coleman, president of the Vernon group serving as host.

Saturday, Feb. 11th the Burk Burnett Student Council will attend a district meeting at Quannah Accompanying the council will be their sponsors, Mr. Silkwood and Mr. Farris.

SENIORS CHOOSE MOTTO

"Look Forward Triumphantly" Our senior class has adopted this phrase as their motto. These inspirational words are intended to instill in each member of the graduating class of 1955-56, the desire to succeed.

This motto was chosen almost unanimously over "Better Citizens for a Better Tomorrow" and "We are anchored in the Harbor the Ocean is before us."

The class also decided to retain their former colors, purple and white which stands for loyalty and purity. They changed

their class flower from white carnation to white roses. The rose is to be a symbol of their intense desire to do their part in making this world a better place in which to live.

NOTICE

If you live in or near Burk Burnett and would like to attend a banquet honoring the North Texas Exes, contact, Mr. H. J. Powell, phone 420-J. Friday, March 23, 1956 at 7:00 in Wichita Falls will be the time and place. The program will be conducted by Dr. Carl Mathews, NT President and Harold Farmer, Exes, Executive Secretary. Floyd Graham's stage band will provide entertainment. The price is \$1.75 a plate.

Note of Appreciation

We wish to express our sincere appreciation to friends and neighbors for the many cards, flowers and gifts Carl received during his stay in the hospital. Your kindnesses have meant much to us.

Grade School News

We are having a wonderful time at school this week trying to get around the corner and run outside for a few minutes for a few good snow balls before we are corralled back in the roof. This snow is the kind that will not soak through the leather and get the feet wet, besides we are on the run and it will not have time to stick on the shoes. We are hoping that the snow will stay on the ground until Valentine Day. That would make a wonderful day to say that we have had a white Valentine.

We are very busy getting all our work organized for the last half of the school year. Our first grade boys and girls are having a wonderful time in their new building. They are very proud of the building and are really taking good care of the building and the equipment. We have 154 students out in the New Primary building. We still have 518 students in the Hardin Grade school
