NUMBER 36

Is Sought To Help Build Memorial To Texas Founders

Burkburnett Star has joined the other 500 members of the Texas Press Association in an appeal to the people of this state to contribute one million dollars to build a memorial to the signers of the Texas Declaration of Independence. The monument is in the form of a museum of Texas history and will be located at Old Washington-on-the-Brazos where the declaration was signed. This is a state park in Washington County, northeast of Brenham. Plans call for a building with a tower rising hundred feet into the air topped by a powerful light visible over several miles and to be known as "The Texas Freedom." An appeal will be made to the public to contribute to the fund. Burkburnett Star will contribute to the fund. The Texas Independence Day Organization at Burkburnett is sponsoring the project. The Texas Press Association is sponsoring the project and asks members to take part.

Mrs. F. Jeffers Forum Writers Contest Winner

Mrs. F. G. Jeffers of Burkburnett was winner of the Woman's Forum writers' department spring poetry contest according to an announcement made Thursday. Mabel Kuykendall, outstanding Texas poet and editor, was judge for the department's contest which Mrs. Jeffers won with her entry "When Shadows Creep." Second place winner was Mrs. Frank W. Michaux with "Waiting" while Mrs. F. W. Wright of Iowa Park was third with her poem "New Year's Prayer." Mrs. Jeffers, department chairman announced that the spring fiction contest sponsored by the department is still open and forum members wishing to submit short stories should get in touch with her or other officers of the writing group.

Hardin P-T A Met Tues. Night For Regular Meeting

Hardin P-T A held its first night meeting Tuesday, March 6th at 7:30 P. M. The meeting was scheduled early in the month as part of public education week. There were approximately 278 parents present who were invited to visit the classrooms and view the work being done by the children. A regular business session was opened by the reading of the Objects Collectively. New officers for the coming term were elected as follows: Mrs. R. C. Moser, president; Mrs. Arlis Youngblood, vice-president; Mrs. J. S. Looney, secretary; Mrs. Everett Westbrook, treasurer.

Following the business, Mr. Ralph Davis gave a talk on Public Education Week. A lovely program was presented by a number of grade school children giving selections on the piano and singing popular songs. Mrs. Willis' second grade room won the room count with 40 parents registering as guests. Refreshments were served after the entertainment.

Seniors Entertain Juniors At Party

Friday night, March 16th, in the Burkburnett High School gym, the senior class entertained the Junior class with a sock hop. Beginning at 7:30 the group enjoyed dancing and fun until 10 p. m. Refreshments included punch and cookies made by the seniors.

During intermission the group was entertained by the Burkburnett Dugarettes as they did their version of the record Dunaree Doll. This group includes Alden Smith, Wanda Redman, Karan Prechel and Charlotte Simons.

Chaperones for the party included Mr. and Mrs. Roy Silkwood, Mr. and Mrs. George Baker, Mrs. Ralph Davis, Mr. and Mrs. R. W. Finley and several of the senior mothers.

Card Of Thanks

I wish to take this means of expressing my sincere thanks for the many cards, flowers and visits I received and for the prayers that were offered in my behalf during my stay in the hospital. May God bless each of you.

Brother Of Burk Woman Killed In Calif.

Word has been received here of the death of Donald R. Price, brother of Mrs. James Gellner of 515 Rosewood Drive. Mr. Price was killed in a car accident at Corona, Calif., March 4th. His body was shipped to Grand Junction, Colo., for the funeral services.

Mr. Price was born at Sams, Colo., in 1933. He was graduated from the high school at Delta, Colo., attended Mesa College in Grand Junction and finished his BA degree at Western State College at Gunnison where he majored in physical education and was captain of the football team. He was a member of the Elks Lodge and the Methodist Church. On Nov. 11th, 1954, he joined the U. S. Navy and at the time of his death he was a 3rd class petty officer in the U. S. Naval Hospital where he would have graduated from corpsman school in May. While in the service he won the Honorary Award and was chosen for the Naval Academy at Annapolis, Maryland.

Survivors include his mother and father and two brothers and two sisters.

Burk Students Won One-Act Play Contest in Seymour

Burkburnett High School's one-act play, Fog in the Valley, under the direction of Mrs. Vera Tippens, swept all the top honors at the district 2A-3 play contest held at Seymour High school last Tuesday night.

The play won the overall approval of the judges to win first. The judges praised the play to stir emotion. Praise was also given the costumes which were typical of this period.

Rosemary Roark was named best actress of the contest. Rosemary did an excellent portrayal of Judith Carson, the widowed step-mother. In last year's spring contest Rosemary was named the 2nd best actress.

Gad Garland, who played the part of Clim Bailey the rich farmer, was named the best actor for the 1956 contest.

Ronnie Greely, who was the defiant step-son, walked away with the second best actor role.

Second place in the contest was Quanan who presented the play Bread.

Pat Bernethy played the part of a young girl in love with Norris; Louise Boyd portrayed a neighbor woman about 40 and Phil Beaver played the part of a country preacher. All of the members of the cast are to be commended for their fine performances.

The play will be the district entry in the regional contest to be held in Dallas in April.

Mrs. Paul Browning is reported to be improving following surgery in a Wichita Falls hospital last week.

Beaner Garland was a recent business visitor in Wichita Falls.

LET'S CHECK IT

With April rolling around, we've come upon spring again, a time for cleaning the attic, digging around those flower bulbs, and painting the window screens.

And something else we ought to pay attention to. Along with all this refurbishing, don't overlook the old physiological machine, that body of yours. It's time to check up on your health, we're reminded by the American Cancer Society, which this year is using a catchy slogan, "Fight Cancer with a Checkup and a Check."

What this means, of course, is quiet obvious. The ACS needs your cooperation in doing two things — getting enough money together to keep scientists working on a way to beat cancer permanently and getting such folks as you and me to go and have a physical examination.

Why a physical checkup? Because it's the best way to find whether anything, including cancer, is wrong with you. Cancer can creep up on you quiet like, and you don't know you've got it until it's got you.

So take a day off from beating those rugs and see the doc. Tell him you want a thorough examination to make sure you don't have cancer. And about that check, the Cancer Society says it isn't insisting on that. If you do not trust banks, it's all right with the Society. Make out a money order and send it along. Or just good old plain coins of the realm will do. Everybody ought to get into the act, because cancer is everybody's business and we can't depend on just the check writers to do something about it. All of us have got to help.

Send your contributions to Cancer, care of your local post office, no holds barred, any kind of dough, a check if you've got one, but anyway don't forget the checkup or you might be checking out permanently.

DDT FOR LITTERBUGS

For the first time since mass packaging, and the mass movement of Americans over the landscape began, we can cherish something more than a pious hope that our highways and byways and seashores and sylvan dells can be delittered, and kept that way.

American industry, whose genius took our foods out of the barrel and put them in packages, invented millions of new products (also in packages) for our comfort and convenience, gave us containers for milk and beer and soda pop that we don't have to take back to the store, rescued us from germs via the paper cup and the tissue handkerchief and gave us the means of ranging wither we list over the country-side, is facing up to a moral responsibility.

Keep America Beautiful, Inc., a new non-profit corporation is now in business to tackle the litter problem on a long range nation wide scale. It is financed by industry and supported by state and local highway, park and sanitation boards, and by 35 national organizations including the Chamber of Commerce of the United States, the Boy Scouts of America, the National Council of state Garden clubs and the Izaak Walton League.

In a telegram of commendation, Commerce Secretary Sinclair Weeks said: "The task is too big to expect a solution from individual groups. It would seem that industry from which have come so many ingenious devices to contribute convenience to modern living, can supply the impetus for a long range educational campaign to tell the public not only how to use these conveniences, but how to avoid misusing them."

For five months prior to its official launching, KAB engaged in a nation-wide study of the litter problem that has amassed more information on the subject than has ever been collected before. It is discovered that American taxpayers are spending \$30,000,000 a year for picking up litter, a pitifully small proportion of it. And this does not include the cost of garbage and trash collection in cities. 43 of the 48 states have litter penalties, ranging from \$1 to \$1,000 and from 10 days to six months in jail, but there are few arrests anywhere and no coordination of state efforts.

William C. Stolk, chairman of KAB's Board of Directors says: "The untidy habits of a segment of our population can be corrected only by education leading to mass disapproval of litterbugs and the mess they make."

So, with the help of KAB, we shall now start picking up after ourselves, and others, keeping on tap a Bronx Cheer for anyone who tosses so much as an empty match book on our scenery.

New Hi-Way Maps Are Now Available

The new 1956 edition of the Official Highway Travel Map is now available. D. C. Greer, state Highway Engineer, announced in Austin today.

The map has many new features and contains a wealth of information on Texas. Greer said Most of the topographical relief was removed from the map last year so that more essential information can be read easily and quickly. The growth of the Texas Highway System at the rate of about 3,000 miles a year has made it necessary to gradually remove some of the less important information to make room for the increased mileage, he said.

In addition to the highways and the mileage between various points, the Travel Maps show state parks with recreational facilities, historical state parks, roadside parks, Altitude and the Highway Travel Information Bureau. The pictorial side of the map features scenes of general interest both to Texans and out-of-state tourists, with every section of the state represented.

The Austin office of the Highway Department, the 25 district offices, and the seven Travel Information Bureaus near the state's borders all have maps available for distribution. Special map cards for requesting a map may be obtained at the tax collector's office when license plates are purchased.

Texas Safety News

There is no connection between the purchase of automobile license tags and the safety inspection of passenger vehicles, Executive Director G. C. Morris of the Highway Safety Council of Texas reminded motorists today.

One reported reason for the delay of some motorists in having their automobiles inspected this year seems to be a misunderstanding about new license plates and safety inspection stickers being issued together, Morris said. There is no connection whatsoever.

Deadline for purchase of 1956 license plates is April 1st, Morris pointed out, and the inspection deadline is April 15th.

It is not necessary, he added, to show any certificates of inspection to secure license plates.

Morris reported that the highway safety council's continuing check of authorized inspection stations indicated that inspections had increased rapidly during the first two weeks of March but, he added, any motorists who wait until April for the safety inspection will face a long waiting line.

News From The Congress

By FRANK IKARD

The proposed budget submitted by the President for the fiscal year beginning July 1st and which is now being considered by the Appropriation committees of Congress reflects that a typical tax dollar is spent as follows: 62c of it goes for National security. Of this 62c, 18c is spent for the purchase of planes, ships tanks and weapons, and 3c for military research and development, and approximately 2 1-2c for research and development in the field of atomic energy. The remainder of the National security expenditures go for the pay and support of the people in the military and the operation and maintenance of equipment, military construction and military assistance and support. 11c of the typical tax dollar goes for the payment of interest on the National debt. 7 1-2 goes for veterans' services and benefits which include 4 1-2c for compensation and pensions for veterans and 1.2c for hospital and medical care, 1c for education and training, and 7-10 of 1c for unemployment, loans, insurance, etc. 5c of the tax dollar is spent on the price support program. The remainder will be spent for the proposed soil bank, soil and water conservation, agricultural research, etc. Labor and welfare requires an expenditure of 4 1-2 out of our tax dollar, a little over 2c being sent to States for aid to the aged and needy. About the same amount is proposed for the Federal aid to education program. The programs dealing with highways, roads, rivers and harbors, aviation, civil defense, slum clearance and business aids require an expenditure of 3c. Also 3c is charged up to international affairs. It takes another 3c for the operation of the Government itself as the care of Government property and buildings, the cost of the FBI and enforcement costs, the operation of the Congress and Judiciary, as well as the governments of the Territories, the Weather Bureau and personal retirement funds. The remaining 1c is spent for the other operating costs of the Federal Government.

Within the last year the mails have been flooded with vile and obscene pictures, writings, and advertisements which have been called to our attention frequently. We have taken this matter up with the Post Office Department since it violates all rules of common decency and it has created a real National problem. A step in the right direction toward prohibiting this sort of material being sent through the mails was the creation of a Special Committee here in Congress to investigate this situation and draft legislation that would control its movement in the mail.

Local Births

James Lee Taylor, boy, Melvin Lynn
Jerry Clifton O'Mary, girl, Jan Deloyce.

From Your County Agent

Farm records have been referred to by a farm management specialist of the Texas Agricultural Extension Service as the eyes and ears of the farm business. They reflect, said B. T. Haws, county agent, how the business is doing and may prevent many costly management or expansion mistakes.

On the average from the investment per worker totals about \$15,000. Investments in land, machinery, livestock and other essentials needed for agricultural production makes the present day farmer a capitalist of considerable means. His investments are often larger than those of many urban businesses. Our high

competitive commercial farming says Haws, makes record keeping mandatory as a protection for our investments.

Too, records make the job of completing the yearly income tax report much simpler and can save money, expense items that are not recorded often are overlooked or forgotten at tax paying time and for every \$5.00 item missed, the average taxpayer paid \$1.25 in taxes he didn't owe, said Haws. Even the cost of a good farm book is deductible as a legitimate operating expense.

Farm families said the county agent, who have improved the efficiency of their farming operations have found records to be the key to their success. They have taken the guess work out of their business.

Many types of record books are available but Haws calls attention to the revised Texas

Farm Record Book which is now available for a small change. This book is designed to aid farmers not only in keeping a complete record of the farm but also for making tax and social security reporting easier. Local county extension agents can supply details on how and where the books may be obtained.

Den 6 Held Regular Meeting Thursday

Den 6 of the Cub Scouts had its regular weekly meeting Thursday afternoon. The members worked on paper mache boats and deep sea diving helmets and also painted sea turtles.

A new member, Oliver McDonald, was welcomed into the club.

Most of the rooms are getting ready for the Easter Holidays that will soon be here. Many of the rooms are building Egg Trees and decorating them with many bright colors and well dressed Easter Eggs. The boys and girls have been doing a very big blowing job on the eggs getting ready to decorate and placing them on the trees.

Our Fifth Graders are getting ready for a very special program that they will give on the 29th of March. Each of the rooms will have a part on the program. Many of the parents have indicated that they will be here to watch the Amateur hour and enjoy the fun.

SUPER SUPPER
CASSEROLE

LOOK likes this easy supper casserole that combines ground beef, frozen peas and mushroom soup with a topping of crumbled noodles. A blend of flavors is wonderfully satisfying. Brown ¼ cup chopped onion and ½ pound ground beef together until beef is browned. Cook one package frozen peas, following directions on package; combine with beef and onion. Add 1 can mushroom soup and ½ teaspoon Worcestershire sauce; mix all together. Put in greased quart casserole, sprinkle cup crumbled Chinese noodles over top. Bake at 350 degrees F. for 30 minutes. Serves 3-4. For news of food and menu planning, see the current issue of LOOK Magazine.

WELCOME TO OUR SERVICES

Mrs. Maude Bohner Hostess March 14 Hardin HD Club

Hardin HD club met March 14 at the home of Mrs. Maude Bohner. House was called to order at 2:00 p. m. with the president in the chair.

The meeting was opened with the song Stand Up For Jesus, and prayer by Mrs. M. R. Hewell. Reports from the various committees were heard and Mrs. Veda May Krusemark gave a report from the county council. Roll call was answered by 19 members. Two new members were welcomed into the club.

A discussion on civil defense was held. Mrs. Thelma Wirges, county agent, was present and gave a very interesting talk and demonstration on the keeping of record files. All household records should be kept on file for future references. There were 10 minutes of recreation then club adjourned.

Delicious refreshments were served. Club will meet March 28th at the home of Mrs. John Enderli.

Burk 4-H Club Met Wed., March 14th

On March 14th, the Burkburnett High 4-H Club held its regular meeting.

The president, Charlotte Simon, presided. Mrs. Nellie Cobb talked to the girls on better grooming.

After a short business session the meeting adjourned. Two members, Karan Prechel and Alden Smith, were absent.

NOTICE

A special civil defense program will be held at the American Legion Hall Thursday night, March 29th at 7:30 p. m. Both men and women and high school students are urged to attend. Presidents of garden clubs, study clubs and civic organizations are given a special invitation.

Sermon: "United We Stand."
Evening Service — 7:30 p. m. (Acts 10).

Have you voted yet? NO, we are not referring to the recent election held in our city. We are referring to the votes cast in the election of life daily.

Did you know, that every time you fail to attend church on the Lord's Day you have voted to close the doors of that church? Did you know that every day you remain outside the fellowship of Jesus Christ that you are voting for evil to completely control the world? Did you know that everytime you fail in your obligations as a tither that you are voting ministerial leadership and pastoral care out of the lives of other christians? Did you know that everytime you fail your family in the relationship as a christian leader you are voting to send your family to eternal condemnation. We could go on and on. But, we think you see what we mean. Incidentally, how did you vote Sunday?

Mrs. Beth Dorsey underwent emergency appendectomy at a Wichita Falls hospital this week.

Mr. and Mrs. Bill Bean and Gary spent the weekend in Lubbock.

Friendship Class Met In Home Of Mrs. W. A. Minick

The Friendship class of the First Baptist church met with Mrs. W. A. Minick recently for a regular meeting and social.

Class song, Have Thine Own Way, was led by Mrs. Beldon and accompanied at the piano by Mrs. Roy Magers. Prayer by Mrs. Carl Miller.

Mrs. Paul Browning, Mrs. B. L. Turner and a sister-in-law of Mrs. Roy Anderson, were reported on the sick list. A special birthday song was sung for Mesdames Wright, Miller, Coats and Kennedy.

Minutes of the previous meeting were read and approved. Miss Billingslea gave the treasurers report.

One visitor, Mrs. Burrow, was introduced to the group. Mrs. J. B. Wright and Mrs. A. W. Coles were appointed to select Easter gifts for someone that we voted on.

Mrs. W. B. Short brought the devotional service. It was the story of Solomons painting of Christ. Only those who were there can understand the full beauty of the picture. Mrs. Short is an outstanding story teller and her melodious voice leaves one spellbound.

Mrs. Chambers led the games for the day. It was a telegram to teacher, written and using words from letters in Easter Sunday. Each was signed and read to Mrs. Thaxton.

Lovely refreshments were serv

ed to 18 members: Mesdames A. W. Cole, Chambers, H. D. Smith, Agnes Boyd, Leo Dudley, Roy Brock, Thaxton, Jim Ady, Roy Anderson, Wright, Lester Coats, Mary Wood, J. D. Kennedy, Will Teal, H. L. Lawrence, Miss Ella and Annie Laura Billingslea, service members, Mesdames Carl Miller, C. B. Beldon, Roy Magers, W. B. Short, Lee Garner and one visitor and the hostess, Mrs. Minick.

Grade School News

Mr. R. L. Silkwood, principal of Burkburnett High School, attended the district teachers conference last week at Sweetwater. Mr. Silkwood was elected to serve as voting delegate from the Burkburnett School district. The meetings were held at Sweetwater High School and a number of hotels. Teachers and administrators from district 11 attended the annual spring conference and discussed many subjects connected with school work.

Shorthand Class Enters Contest

Last week Mrs. Powell and her 14 shorthand students entered a contest. This contest was sponsored by the Esterbrook Fountain Pen Company and the BHS girls will be competing with girls from all over the United States. In the contest each girl was required to write a certain set of copy with an Esterbrook Fountain Pen. The company sent a fountain pen to be used when writing the article. If the Burkburnett girls win, each girl will be presented with an Esterbrook and the teacher, Mrs. Powell will receive a large trophy.

The BHS girls are now taking dictation at 90 words a minute and in the near future several of the girls will probably start seriously thinking about entering the interscholastic League event for shorthand students to be held at Quannah High School.

Cage Meet Slated For Burkburnett

A three day independent basketball tournament will get underway here Tuesday when four games are unreeled in Burkburnett Gym, Country Owens, tournament director, announced Sunday.

Owen said 12 teams tentatively have been scheduled for the double-round robin event, which will feature four games on both Tuesday and Thursday and two games Saturday night. Pairings will be made Monday.

Owen's Burkburnett All-Stars will have the services of two Midwestern University cage standouts to bolster their squad, with O'Neal Weaver and Rogers Morgan having indicated they will join the team, the coach stated.

Tentatively slated to participate in the tournament are independent teams from Henrietta, Electra, Vernon, Knox City, Sheppard Air Force Base, Grandfield, Okla., University Methodist church of Wichita Falls, Valley View and Walters, Okla.

First game will be at 6:45 p. m. Tuesday, Owens said.

One thing can be said for today's dollar. It has plenty of buying power.

Safety-First in the Swiss Alps

In Switzerland - where every man's a soldier - the advent of winter adds still another task for the country's hardened troops. Here, a seasoned patrol, members of a mountain brigade, makes an ascent high in the St. Gotthard Region of the Swiss Alps keeping tabs on existing snow conditions in the area.

Continual training received by Swiss Army Units is credited for the exceptional fitness of her soldiers whose diligent patrolling and precision-perfect action on snow blanketed alpine slopes has maintained a near perfect safety record among daring, high-altitude skiers and mountaineers.

COME IN TODAY! LET US SHOW YOU HOW YOU CAN MOVE UP TO BIG M POWER, SIZE AND PRESTIGE FOR ONLY TWO OR THREE DOLLARS MORE PER WEEK

Only two or three dollars more per week! That's all it costs to move up from the "low-price" field!

And instead of a small car, you'll be driving THE BIG M. A car that's bigger in length, bigger in wheelbase, bigger in width. Close to two tons big!

Then, too, you'll be getting the advantages of Mercury's blazing 312-cubic-inch SAFETY-SURGE V-8 engine. The extra comfort and luxury of Mercury's interiors. And fine-car features such as ball-joint front suspension, a 4-barrel carburetor, an impact-absorbing steering wheel. And much more—all at no extra cost.

So stop in our showroom. Check our amazing trade-in allowances. We can offer you a deal you'll boast about for years.

Let us show you how easy it is to move up to

Burk Couple Exchange Vows In Church Rites, March 2nd

A home in San Diego, Calif., will be established by Cpl. James Thomas Willingham and his bride, the former Shirley Jean Fink of Burkburnett, whose marriage took place Friday, March 2nd, at 7:30 p. m. in the First Methodist church of Burkburnett. The pastor, Rev. Felix Kindel, solemnized the vows.

The bride chose a waltz-length gown of white lace of taffeta and a small fitted headband decorated with pink flowers was her headdress.

Frank Nickel, cousin of the bride, gave her away. Miss Donna Ady of Burkburnett, who wore white nylon over blue taffeta and net, with a small blue hat and a no-egay of blue carnations, was maid of honor. Richard Arlen Willingham of Burkburnett was best man; Ray Ady and Leon Willingham were ushers.

The soloist, Mrs. Ann Ragan, was accompanied by the organ by Mrs. Maxine Creel.

Baskets of white and blue carnations with white tapers in candleabras were used to decorate the church parlor where the reception was held. Mrs. Keith McElwain served at the punch bowl, Mrs. Danny Kinnel, the cake, Linda Willingham presided at the guest book.

The bride is the daughter of Mrs. Edna Fink of Burkburnett and a graduate of Burk High School.

The groom, son of Mr. and Mrs. George Willingham of Burk graduated from the local high school and is now serving in the Marine Corps at San Diego.

...battle for interposition begins in Texas next week Tuesday meeting in the State Democratic Committee will answer Allan Shiver's proposal of the interposition question in the primary ballot.

...also are to be made party's legal subcommittee of the Texas Committee on Segregation. Both have studying the suggester interposition referendum.

...Shivers is expected to join his crusade federal encroachment by the legislature a mandate committee at a night meeting which all Democrats from Austin area are invited.

...Shivers will visit various parts of the state without regard to party lines to gain wide support for the interposition movement.

...on the executive committee agenda will be the laying groundwork for the upcoming election battles. Liberals-loyals have indicated clearly that intend to fight the conservative leadership at party and state meetings.

...Sam Rayburn's pro-Texas Democratic delegates are chosen will support Senate Leader Johnson as the favorite candidate for presidential election won general approval.

...made chairman of the convention was endorsed by liberal brought no reply from conservatives.

...GOP Plans Strategy

...Republicans will bypass holding of primaries this year they will concentrate on general election.

...their Austin meeting the executive committee agree to nominate by convention; hold precinct conventions in 8th county conventions in Houston and the state convention 22nd in Houston; and focus efforts on the re-election in November of President Eisenhower and Dallas Congressman Bruce Aibers, Texas Republican congressman.

...delegation to the national GOP convention is expected to be solidly pro-Eisenhower but the touchy question of presidential nominee is carefully avoided.

...Stretching Debated

...health officials are in agreement over a proposal to third polio shots in order to end the dwindling vaccine supply to more people.

...shot plan was endorsed by public Health Service in Houston. Such a plan would cover the still-short supply of vaccine to cover 25 to 30 million children, officials said.

...Henry A. Holle, Texas commissioner, turned down. He said the difference between two shots and one would be the difference in having paralytic polio or having it.

...supply is almost exhausted. However, a rush order of 1,000 cubic centimeters of vaccine is expected to arrive at the end of the month. One cubic centimeter is sufficient for one child.

...while 11 new cases of polio are reported in Texas during the year's total to date.

...FFA Boys Active

...than 38,000 boys now are active in FFA chapters in high schools. So reports B. Taylor, executive secretary of the Texas Vocational Culture Teachers Association.

...best FFA chapter is at Burnett High School in San Antonio where there are 186 members.

...national awards have been given to chapters in Clifton and Burnet. Clifton boys won the national gold emblem rating in a row. Five FFA chapters from Burnett won the National Farmer Degree this year.

...About Half of Texas drivers have obtained auto insurance stickers so far this year. 150,000 cars a week will be checked between now and April 15 deadline.

...George C. Menzies died from a heart attack last January, while working an experiment with bats. He was married and had four children.

Notes from County Ag. Agent and HD Agent

Poor food habits and practices are the most common cause for poor nutrition. Miss Thelma Wirges, county home demonstration agent says that many folks fail to eat enough of the protective foods such as vegetables, fruits and proteins. Others are guilty of overeating, particularly rich, non essential food.

Poor food preparation which results in loss of values is another cause for poor nutrition. Hasty meals and the failure to take time to eat in a relaxed enjoyable atmosphere can result in diet deficiencies and poor digestion of food. In some instances, failure to plan for good nutrition because of lack of knowledge or effort may be responsible for poor nutrition.

Poor food habits and practices can be changed. Information on good nutrition is available to all. Start by checking your family's diet and food habits.

The Texas Food Standard is a recommended guide for planning for daily family food needs. Get a copy from your county home demonstration agent.

The Willie Morton family completed their farm and home inventories this past week. These inventories will be a great asset as they make plans for their work in Farm and Home Development.

Mr. and Mrs. E. J. Simons plan to start work on the landscape for their lovely home, as part of their Farm and Home Development work.

Mrs. A. E. Bailey worked with county extension agents, Inez Wirges and B. T. Haws, this past week. They worked on pasture and feed requirements for livestock, as well as plans for improvements for the home. Mrs. Bailey is serving as a Farm and Home Development demonstrator.

An estimated 6,200,000 acres of Texas crop and pasture lands were under irrigation last year. Grain sorghums and cotton were the leading crops irrigated.

The USDA has purchased 137,177,450 pounds of pork since last November when the purchasing program was commenced.

From 1950 to 1954 the number of farms in the U. S. with some chickens four months or older declined 19 percent. In the fall of 1954, 71 percent of the nation's farms had on hand some chickens.

Farm and urban families grew an estimated 567,000 home gardens last year. B. T. Haws, county agent, reported these gardens produced an estimated \$39 million worth of vegetables. The 1956 gardening season is here.

B. T. Haws, county agent, reports that cotton grown from seed treated with a new systemic insecticide, Compound 3911, has been protected against thrips, aphid, spider mites and leaf miners for four to six weeks from date of planting. Two plants located in Waco are equipped to treat cotton planting seed with the new compound. The cost is approximately \$3.00 an acre.

Unity Garden Club Met Recently For Regular Meeting

Mrs. J. B. Ady and Mrs. R. W. Kent were hostesses to the Unity Garden club's regular meeting.

Mrs. Zaida Frazier was welcomed as a new member.

Mrs. W. R. Milam, president, conducted the business meeting. A bake sale will be held March 31st. Mrs. T. J. Campbell was named chairman and will secure a place to hold the sale. Plans were made for the spring garden pilgrimage to Chandor's White Shadow Gardens in April.

Mesdames Milam, A. W. Newman and Herman Miller will represent the club at the district two convention of Texas Garden Clubs, Inc., on March 20th in Ft. Worth.

Mrs. Newman, president-elect, named Mesdames Roy Magers, Troy Miller and W. R. Milam to serve on the Burkburnett Council of Garden clubs next year.

History and publicity scrap books have been completed and entered in the state contest by the club chairman, Mrs. W. B. Short, history and Mrs. Herman Miller, publicity.

Mrs. B. H. Alexander, program leader, presented a very interesting program on flower show practice in preparation for the spring flower show to be held at Town Hall, May 11th. The theme will be Books and Flowers. A successful Flower Show was given by Mrs. Roy Magers, nationally accredited flower show judge. She told of the importance of proper cutting and grooming specimen flowers for the show and the reason for cutting flowers in the late afternoon and immediately plunging into deep water to harden that they would last longer and be in better condition for the show. She also named the types of flower stems that needed to be cut and before placing in water.

Accent on foliage was very ably given and demonstrated with an arrangement by Mrs. A. L. Gilbow who is another of the clubs national accredited flower show judges. She stressed the color and texture of foliage material to be used in flower arrangements for the flower show.

Mrs. Paul Schroeder presented a very clever parliamentary drill in the form of an old time spelling bee.

The hostess served a lovely refreshment plate to sixteen members.

Mrs. Bessie Scruggs, local delegate of the WSCS, and Mrs. O. E. Melton, district promotion secretary, are attending the 15th annual meeting of the Womens Society of Christian Service North Texas Conference in Dallas this weekend at the Kessler Park Methodist Church.

Mrs. B. B. Six Hostess March 19 Gay Ladies Club

The coming of spring and the Easter season predominated the atmosphere at the lovely home of Mrs. B. B. Six for the March 19th meeting of the Gay Ladies Garden club. Colorful arrangements made by the hostess centered the dining and coffee tables. Mrs. I. R. Reagan assisted as co-hostess.

A short business session was conducted during which the club constitution and by-laws were read. Roll call was answered with helpful hints for the home and garden. Mrs. Chester Todd, the outgoing president, was presented a personal gift from the club in view of her outstanding achievements as president for the past two years.

Those present as guests were Mesdames O. L. Reed and P. R. Durham.

A very interesting program on Accent and Repetition in Arranging was presented by Mrs. Charles Woodruff. Previous to the meeting she had made an all green arrangement illustrating form. White accessories and flowers were added to show how accent could be achieved. The repetition of colors in a formal arrangement using yellow roses and magnolia leaves was achieved by adding an accessory and a base the same color as the container.

An Easter bunny nestle cluster of ivy was the door won by Mrs. Ray Hyde. Delicious refreshments of decorated cake squares and punch were served to the members and two guests, hostess and Miss Pamela. The young daughter of the hostess who ably assisted her mother. The next meeting will be 16th with Mrs. Charles W. as hostess.
