

Burkburnett Star

LIKED BY MANY—CUSSED BY SOME—READ BY EVERYBODY

BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, JUNE 28, 1956

The never-ending cycle. More laws, more lawbreakers; more lawbreakers, more laws.

To the rich man it is acute laryngitis; to the poor man it is a cold.

NUMBER 50

Chamber of Commerce Luncheon Each First Monday at Town Hall Everybody Invited Each Pays for His Meal

Grade Students Immunized
September

Required of all students entering the first grade in September, that they shall be immunized against small pox, diphtheria, whooping cough, and tetanus. Parents with children entering the first grade in September are urged and requested to get in touch with their physician so as to have immunizations completed.

Person Moves
to Offices

For the past several days Dr. Harrison has been moving his offices from the old building in the First National building to the new Clinic at 501 East Third St. Dr. Harrison's office is on the corner of Main Street and Avenue from the Lee House. His offices were ready to receive patients today (Thursday).

Willard Offers
Lessons

Marilyn Willard of Burkburnett announces that she is giving piano lessons in her home.

Willard is a very accomplished pianist. She has been playing for 15 years in which she won many superior ratings in Oklahoma City. She competed in piano contests and participated in recitals in Oklahoma.

Willard is a graduate of Southwestern State College, Durant, Oklahoma, where she was awarded a degree. While attending there she was also taught piano.

Services Friday For
Burk Man

Funeral services were conducted for the late Mr. F. A. Burkburnett, a former Burk resident, at 3:30 p. m. Wednesday in Dallas.

Funeral services were conducted for the late Mrs. M. E. Burkburnett, 74, and was employed at the Humble Refinery here.

The infant died Monday in an Odessa hospital.

NOTICE

The Police Department has orders to start watering on water using for outside watering in all lots, except on their days to water, and in all lots after 9:00 P. M.

If you have a private well that you are using, PLEASE put up a sign where it can be seen from the street and that it might save embarrassment.

Our water situation has shown some improvement this week over last week, but Tuesday night was just considerable ground. Another couple of days like that and we will be running out completely in the evenings like last week.

A large majority of the people are co-operating on the rationing program and for that we and myself are sincerely grateful and will greatly appreciate your continued cooperation.

Matt B. Riley of Burk Dies

Matt B. Riley, 77, well known farmer and stock raiser of Burkburnett died in a Wichita Falls hospital Tuesday morning following a lengthy illness.

Riley had long been interested in moves for betterment of the community. He and Mrs. Riley had made their home on their farm north of Burkburnett for years.

He was a member of the First Baptist church and the Men's Bible Class in Burkburnett and member of the Masonic fraternity.

Born in Springdale, Ark., Aug. 19, 1879, he moved to Wise County Texas in the early 1900's and came to Burkburnett in 1917 where he resided until his death.

Survivors are his widow; a son, Jewell; a grandson, J. B. Jr., and a granddaughter, Mrs. Harold Brackett; a brother; a sister and one half-sister; and several nieces and nephews.

Services were held at 2 p. m. Wednesday from the First Baptist church with Rev. Leroy Meyer, pastor and Rev. Miles B. Hayes, former pastor, officiating.

Burial was in Burkburnett Cemetery under direction of Owens & Brumley Funeral Home of this city. Pallbearers were Harold Preston, Jim Ady Will Teal, A. R. Hill, C. W. Mullins and W. W. Browning.

Burk Oilers Collecting Funds

Members of the Burkburnett Oilers baseball team visited several of the merchants Saturday trying to raise enough funds to complete the season. They didn't have time to see everyone last Saturday, so there will be a group this Saturday to see the ones who were missed last week.

The response was very good, and if the club does as well this Saturday as last, there will be sufficient money to buy the necessary equipment and complete the season.

Infant's Funeral Held Here Wed.

Graveside rites for Susan Kay Dodson, infant daughter of Mr. and Mrs. Donald K. Dodson of Odessa, Tex., were held at 10 a. m. Wednesday in Burkburnett Cemetery.

Rev. Felix Kindel, pastor of the First Methodist church here officiated.

The infant died Monday in an Odessa hospital.

Survivors in addition to the parents include a sister, Ruth Ann of Odessa; and grandparents Mr. and Mrs. D. C. Dodson, Burkburnett, and Mr. and Mrs. Walter Muesch Torrington, Wyo.

Owens & Brumley Funeral Home of Burkburnett were in charge of arrangements.

Mr. and Mrs. Robert Todd and children of Anson, Texas, visited her parents, Mr. and Mrs. Lee Beckham and other relatives and friends here last week.

Mrs. Jo Poole of California visited Mrs. W. T. Vance last week.

Don't Gripe at City Officials

Folks, let's talk cold turkey for awhile. Burkburnett has a water shortage and the only immediate relief will have to come from above—the good Lord could send a good rain about every two weeks until fall. That is the only source of relief, and there is no use bellyaching about it and abusing the City Commissioners. They are helpless—YOU are the only one who can do anything about it in the future, too. If YOU continue to withhold your full support from the City—YOUR City—don't expect any big change for the better.

If the City had five times as much water at the pump station as it now has, the situation would remain the same as it is now unless YOU do something to help. Why doesn't the City put in bigger lines? That's where YOU come in. Where is YOUR PART OF THE MONEY?

Let's clarify the above a little and maybe we can determine where YOUR part of the money for improvements is going. For many years the only source of revenue the City has had to make the improvements YOU want, has come from the City Light Plant. Why? Until recently, EVERY penny of tax money HAD to go on bonded indebtedness and interest on the debt. Now a small portion of taxes can be used by the City as the Commissioners see fit. But compared to the needs of the City, that small amount is not a drop in the bucket. Electricity can be had in Burkburnett from two sources. From YOUR City Municipally owned Light Plant or from a utility company. The product is the same. It comes to you in the form of lights, power or heat. It is metered out exactly alike. The price is the same. If you use 100 kilowatts, regardless of the source, the price is the same to the penny. If you use 1,000 or 10,000 kilowatts, the same holds true. The bills would be identical, regardless of which company you got it from. So far everything looks equal, doesn't it? Brother, that's where the picture changes, and fast. If you are using City electricity, every cent of the net profit stays in Burk. It will come back to you in the form of better streets, more water, a new police car now and then, perhaps a new fire truck, or more street lights. If you are not using City electricity, then EVERY cent of net profit from your electric bill goes OUT of town. Not one red cent of it will ever come back to you in the form of civic improvements you want. Citizens that is the picture. Many of you are evidently satisfied with it, or you would do something about it. Don't raise hell with somebody else for a situation you are responsible for.

We have been trying to run our City in this fashion: Fifty men own a service station. Twenty-five of them buy all their gas, oil, accessories and wash and grease jobs from THEIR station. The other twenty-five get all their car and truck needs from a competitor across the street, then drive across the street to THEIR station and demand free windshield cleaning, free sweepout, and seem to think they are entitled to a free wash and grease job quite often. The latter group gripes and belly-aches constantly because THEIR station doesn't do more for them. Why, the place needs painting and fixing up. It needs some new expensive automatic gas pumps. Why doesn't the directors of the little company hire some more help so the bellyachers can get faster free service? That is Burkburnett exactly, to a T and in a nut shell!

If your neighbor put money in the bank and you did not, would you expect the banker to let you have some of your neighbor's money, and get angry if he didn't? Yes, some of you would. You get angry with your City officials because they can't give you the improvements you want—and YOU are the one who has tied their hands by not contributing to the only source they have of getting money to spend for YOU on the things you WANT.

Many angry people have called the City officials recently wanting to know why they didn't have any water. Eight out of ten of those angry people are not supporting THEIR City Light Plant. What room do they have to gripe? The Commissioners are not spending any of their money that should go for improvements so what right have they to say where money should be spent? The cold hard facts remain unchanged: If you don't put anything in the kitty you sure won't have anything to draw out. It would be far more appropriate for the Commissioners to call up the non-supporters and demand to know why there was no money to run the city.

A few who read this are going to be hopping mad. That's all right. Go ahead and get steamed up. You certainly have no right to be angry with me. I am doing ten times more for you than you are doing for yourself. I support the City 100% in every way. You and I are the only people who can make this a better town. If we work together we can have things just about like we want them. I have been and will continue to do my part. What about YOU? I really need some help from YOU.

Harry Dodson

Special Meeting Of Legionnaires Tonight at 8 P. M.

There will be a special meeting and election of officers at the Legion Hall Thursday night (tonight) at 8:00 P. M. Important matters pertaining to the local Post will be discussed and delegates will be elected for the state convention to be held in Dallas. Sol Glickman will be in charge.

NOTICE

Since Wednesday, July 4th is an official holiday and the Star will be closed that day, all news items and advertising must be in by Tuesday noon next week.

Gladys Miller, a nurse at the Bethania hospital in Wichita Falls is vacationing in Tyler, Houston and parts of Louisiana.

Of special refreshments which will be served in a good old fashioned way.

Commander Thaxton requests that all Legionnaires be present for this meeting.

4-H Club Members Recently Attended District 4-H Camp

Alden Smith of Burkburnett 4-H and Charles Musgrave of the Friberg 4-H club were among the six delegates who attended the district conservation camp held last week at Buffalo Gap near Abilene.

Accompanying the Wichita County delegates were Miss Thelma Wirges and Mr. B. T. Haws, county agents; Mrs. Nellie Cobb and Mr. Truett Henning, assistant agents; and Mrs. Herbert Krusemark of Burkburnett, an adult leader.

The district camp, sponsored by the Federal Cartridge Camp this year was conducted by Miss Fern, Mr. J. A. Seofield and the agents of the district. Short courses were offered in safety, wild life, soil conservation, plant life, entomology, citizenship and recreation. Charles was enrolled in safety while Alden took part in recreation.

Swimming, square dancing and vespers were highlights of the camp conducted by members of the district council of 4-H members.

Alden and Mary Ann Stewart of Wichita Falls led singing at the Tuesday morning assembly held at the camp tabernacle.

Purpose of the camp is to train 4-H leaders and the Wichita County delegates will have a chance to demonstrate their leadership when they will be in charge of the county camp to be held Friday, June 29th at the 4-H Center in Wichita Falls.

Services Today For Mother of Mrs. R. D. Owens

Funeral services were conducted Thursday morning at 10:00 A. M. in the Owens & Brumley Funeral Home Chapel in Fort Worth for Mrs. Cordelia Taylor, 83, who passed away in a Fort Worth hospital early Wednesday morning, June 27th. Burial was in Albany, Texas.

Mrs. Taylor had been a resident of Fort Worth about ten years.

Survivors include two daughters, Mrs. R. D. Owens, a former resident of Burkburnett and now of Fort Worth; Mrs. E. B. Strippling of Fort Worth; two sons, J. C. Taylor of Olney and C. N. Taylor of San Antonio; 8 grandchildren and several great-grandchildren.

Thursday Showers Give Some Relief From Heat, Drouth

Momentary relief from drouth and heat came early Thursday morning in the form of a soft, ground soaking rain. The showers began about 2:30 A. M., adding two tenths of moisture before 6:00 A. M. Other showers started about 8:00 A. M. and are still falling as the Star goes to press.

Water consumption has almost doubled from the City mains in the past few hot dry days. At some hours of the day parts of the City were completely out of water. There is plenty of water for household use, but people with promising yards have drained the lines in an effort to save grass and shrubs.

A greater understanding of the water shortage is needed at this time. If people running two or three hose on their yards could realize that some of their neighbors can not even get a drink of water from their household faucets, then the importance of the looks of their yards might be seen in a different light. Cooperation, understanding, and a better spirit of sharing will relieve the situation greatly. A beautiful yard is something to admire, but its beauty fades if you know the water you put on it has kept some housewife from cooking supper, washing the dishes and other uses classed as necessities around the house.

Dr. and Mrs. C. T. Bradford have returned home after several months visit in Amarillo.

Mrs. L. O. Campbell is visiting her son, Mr. and Mrs. Robert Campbell and children in Midland this week.

Burk Youth Dies In Rig Accident

A Burkburnett youth was killed instantly Monday when his head was struck by moving parts of a pump on an oil well.

Killed instantly was Frank B. Huffman, 19, Burkburnett. His skull was crushed by the arm on a Parkerburger Pump unit in operations on Nat Aikens et al well on the Drill Well Oil Company lease about four miles east of Burkburnett.

Huffman was member of a two man well servicing crew of Coke Brothers Well Servicing Company in Burkburnett. His brother, Lonnie, 23, was the second member of the crew.

The brothers were preparing to set up a rod-pulling machine to the unit while the pump was in operation. The older brother was driving the truck carrying the rod-puller and the younger brother was giving directions as he backed it toward the pump.

It is believed the younger Huffman's clothing was caught by the swinging counter-weight on the pump and he was pulled under the swinging metal.

Judge H. M. Newman, Wichita Falls Justice of Peace held an inquest on the well site at 4:20 p. m. Judge Newman said the youth's skull was crushed.

The accident occurred at 3:15 The youth lived in Burkburnett six months prior to the fatal accident, and he was member of the Baptist church.

Funeral services were held at 4:30 P. M. Wednesday from the Owens & Brumley Chapel with Rev. Fred Ferraez, pastor of the Church of the Nazarene, officiating. Interment was in the Randall, Oklahoma, Cemetery.

He is survived by his parents, Mr. and Mrs. Charley Huffman of Burkburnett; two brothers, Lonnie, and Roy Huffman of El Monte, Calif.; 8 sisters, Misses Ruth Huffman, Gladys Hussman, Bertha Huffman, Mrs. Bonnie Milstead and Mrs. Marie Addison all of Burk, Mrs. Clara Neil and Mrs. Ruby Tulos of Durant, Okla., and Mrs. Katie Lee Taylor of Waurika, Okla.

City-Wide Revival July 30 Thru Aug. 4.

Everybody is sincerely invited to attend each night, The City wide Revival meeting planned July 30th through August 4th. The Ministerial Alliance, composed of ministers of the Methodist, First Baptist, Thrift Baptist, Church of God, Assembly of God, Church of the Nazarene and Christian churches, will present a true and living Christ to a real and dying people in voices of concern for the "old-time" christian Gospel. One of the ministers will preach each night with Bro. Leroy Meyer leading the singing. There will be Hymn singing, choir numbers and special music each night. The most wonderful and profitable way of expressing Christian Grace is to make it real and liveable in the light of all people. We will count on all members of all churches in the city to support the meeting with their heartfelt prayers and attendance.

The meeting will be held in Bulldog Stadium behind the high school. Mr. Ralph Davis, Supt. of Schools and Mr. Dow Estes are cooperating wonderfully in helping the preachers to get the things rolling. Cicero Smith Lumber Co. has donated the materials to build a platform on the field. In other words, the whole city of Burkburnett is catching on fire for this truly wonderful event. It is hoped that the stands will be filled each night and all will receive a blessing from Heaven. Pray with us will you?

Burk Cub Scouts To Get Awards

Promotion Awards and demonstrations of achievements and skills at 7:00 P. M. Monday will be held at Sand Beach Pool. All parents are urged to bring their Cubs and attend.

These are the Cub Scouts who have been taking swimming lessons this summer.

There will also be life saving demonstration by Red Cross instructors. No admission charge.

Guests in the home of Mr. and Mrs. J. D. Owens this week are Mrs. Ray Noble and daughter, Lenell and niece, Lameta Goodwin of Kerens, Texas.

Open Air Revival Pentecostal Church Of God This Week

The Pentecostal Church of God is holding an Open Air Revival at their new location on the Okla. home cut-off, second house south of Owen Service Station.

Rev. D. Landers of Colorado Springs, Colo., is the Evangelist. Come and be with us and enjoy the blessings of God. Bring your musical instruments and special singing.

Former Burk Woman Killed

Mrs. Mae Buchanan Brumme, 62 former Burkburnett resident was killed Thursday afternoon in an automobile accident about 14 miles southeast of Canyon, Texas.

Mrs. Brumme was returning to her home in Tulsa after a short trip to Dumas and Amarillo when her car was in collision with an auto driven by Mrs. Jack Foster. According to investigating officers, the crash occurred when Mrs. Brumme turned her car from a farm road onto a two way side road. Her body was recovered 10 feet from where the vehicle came to a stop. Both cars were demolished.

Mrs. Foster was injured, but her condition was not considered serious.

Mrs. Brumme was born in In-Okla. She came to Burkburnett in 1919. In 1939, she and her husband moved to the Panhandle where they owned and operated several large ranches.

Survivors include the husband, Henry Brumme of Tulsa; one son, Lloyd Morell of Boise City, Idaho; two daughters, Mrs. F. C. Johnston, Stinet, Tex., and Mrs. Betty Lou Miller of Chenault, Okla.; her mother, Mrs. Hattie Buchanan of Burkburnett; one brother, J. M. Buchanan, Lone Wolf, Okla. six grandchildren and a great-grandson.

Services were held at 4 p. m. Saturday at the Warren Funeral Home chapel at Canyon. Burial was in Amarillo Cemetery.

NOTICE

The Chamber of Commerce office will be closed on Saturdays through July and August.

Mrs. Glen Bear and Mrs. Walter Lacy attended funeral services in Dallas Sunday for Mr. R. C. McElheren, a former Burkburnett resident. The McElheren children, Marian and Martha returned home with Mrs. Bear and Mrs. Lacy for a visit.

GRASS ROOTS OPINION

HURLOCK, MD., NEWS: "Keep America Beautiful, Inc., has been laboring mightily for more than two years now to make the riders and drivers of our more than 60 million motor vehicles more thoughtful. Unless we can curb our bad habits and substitute the good habit of thinking of the other fellow, we are in grave danger of transforming the convenience and sanitation of modern packaging into a Frankenstein that can suffocate us in a blizzard of trash. In the simplest terms, we've got to stop being litterbugs.

CHETOPA, KAN., ADVANCE: "Speaking of living within our means, it would seem that the Labette County Commissioners are entitled to a pat on the back. They have kept the County's expenses well within the income rather than trying to hike income at the expense of the already burdened taxpayers. This cannot honestly be said of a lot of Boards of County Commissioners."

INTERNATIONAL FALLS, MINN., Daily Journal: "Other producers groups, especially those with surplus problems, can take a lesson from what the dairymen are doing. Their determination to help themselves is to be admired in an era when most people automatically turn to Washington for relief from every imaginable kind of distress.

DILLON, S. C. HERALD: "The Daily Worker maintains that it has operated for years without making money. It seems appropriate that a Communist publication should operate in the red."

ANYBODY OBJECT?

A state governor who believes in getting to the heart of things once said: "Nobody objects to high taxes except the people who have to pay them."

We'll soon see whether he was right. Starting July 1 (if Congressional formalities are on schedule) the federal gas tax jumps to three cents per gallon. Purpose of the higher rate is to finance the national highway program there's been so much tub-thumping about.

The motoring public has been exposed to plenty of pictures and stories about the "dream" highways this program is supposed to build. They haven't heard so much about the gas tax increase that goes with it. When they buy gasoline, on or after July, and find the tax rate has gone up another cent, they'll be face to face with stern reality.

The "dream" superhighways will be completed far in the future. The higher gas tax will be with us here and now and will stay with us for at least the next 16 years, according to the plan.

Furthermore, this federal gasoline tax is stacked on top of a high state gasoline tax. The two together make a very tall and ugly looking totem pole.

The federal tax cost of this highway program will top \$38 billion. The gasoline tax part of it alone will be over \$29 billion, or about 77 percent of the total. If Mr. Gasoline Consumer uses his vehicle just the average amount he will shell out more than \$360 in federal gas taxes alone over the program's financing period.

How will he take this?

Some politicians think nobody objects to high taxes any more, not even the people who have to pay them. They believe years of heavy taxes have numbed people so they don't care. There's a theory going the rounds that the average taxpayer ought to be plumb grateful for any crumb of his own earnings the tax-spenders are kind enough to let him keep, after they've gorged themselves on his money for this project and that program.

It will be interesting to see how folks react on July 1. What will they say when they drive into their favorite gas station and come face to face with a new tax on gas. When will they object to pyramiding tax on tax?

19 PROFIT MINUTES

Anyone who thinks typical businessmen devote much or most of their time to counting the profits would do well to read a report made by the National Association of Manufacturers.

The average manufacturing company, this report shows, spends most of the working day paying off the cost of doing business, materials and supplies, wages and salaries, taxes, etc. Only about 19 minutes of that 8 hour day are left in which to earn profits. And only about half of those 19 minutes result in dividends for the owners, the rest of the "profit minutes" are used for reinvestment in the business.

By contrast, wages and salaries take two hours and 19 minutes, taxes a trifle more than 43 minutes. The workers and the tax collectors do a lot better than the owners when it comes to dividing up the money business takes in.

Burkburnett . . . History

Revealed By Star
Files 15 Years Ago...

Mr. and Mrs. Emil Schroeder left Monday for St. Louis, Mo., to visit relatives and friends. They will be away about three weeks.

Miss Joan Garby of Farmer Texas attended the celebration and spent the weekend with Mr. and Mrs. O. B. Wofford.

Jimmy Harris is visiting his aunt in Longview this week.

Mr. and Mrs. W. T. McDonald have returned to their home in Memphis, Tenn., after a visit with her parents, Mr. and Mrs. G. C. Henson. Mr. McDonald will enter a law school in Charlottesville, Va., soon.

Mr. and Mrs. Jack Logan of Houston were here during the celebration for a visit with relatives and friends.

Dr. and Mrs. Trad of Greenville, Tex., visited with Mr. and Mrs. Ray Hill over the weekend. Dr. Trad was a former captain stationed at SAFB.

Doris Holtzen is spending the summer with her parents, Mr. and Mrs. Arnold Holtzen. She attended school in Austin during the winter.

Maxine Inlow spent the weekend in Dallas visiting friends.

Jack Peed suffered a broken leg in a motorcycle accident last week.

Mr. and Mrs. Charlie Grace of Ft. Worth spent the weekend in Burkburnett.

A man usually leads with his chin when his mouth is wide open.

From where I sit... by Joe Mather

Junior Gets "Pinned" Down

Junior Baker and friends are all set for their circus. Look for their advertisements on neighborhood trees.

The kids have had problems in staging the event. The biggest was the admission fee. Junior wanted to charge five cents, Mrs. Baker thought it would be much nicer if they charged five pins.

So Junior held a meeting with his Directors—then told his mother they'd taken her advice. The ads now read: Giant Circus in Baker's Backyard. ADMISSION FIVE PINS PLUS FIVE CENTS TAX.

From where I sit, that's an example of a mighty important point—if you want things to go out your way, then you had better let the other fellow have choice, too. For instance, if taste should happen to me, say, iced tea... then you ought to yourself to see that those prefer beer, buttermilk or whatever you get to enjoy their favorite beverages, too. After turn about's fair play.

Joe Mather

Most modern truck V8's ...and the pounds prove it!

Pound for pound, the most powerful truck V8's today are Chevrolets. That's one way you can tell they're the most modern V8's going!

Chevrolet's modern short-stroke V8 truck engines do more work for their weight than any other V8 in any truck today!

That means they carry around fewer pounds for power they develop. (They weigh up to 200 pounds less than other comparable engines!) It means, too, that less of the maximum truck G.V.W. consists of engine weight—and more is devoted to payload.

Stop by and let us give you the facts on Chevrolet's compact, super-efficient truck V8's.

Weigh the facts...
and you'll choose today's most modern trucks

Wasted weight is engineered out of Chevrolet truck V8's!
The ultra short-stroke of Chevrolet's truck V8's makes possible a rugged yet compact cylinder block. Modern design cuts down engine weight and increases engine efficiency.

More power per pound means more power for your payload!
Since less power is used in moving engine weight, a bigger proportion is available for moving your payloads. You get hour-saving performance on the job. And modern V8 power saves dollars, too!

There's a modern V8 for every Chevrolet Task-Force truck!
There's a powerful, deep-breathing V8—either standard, or optional at extra cost—in every Chevrolet truck model. Horsepower ranges as high as 195 for fast, efficient high-tonnage hauling.

Chevrolet Task-Force Trucks

Anything less is an old-fashioned truck!

Mrs. Lena Warren Hostess Tues. BWC

The BWC of the First Baptist church met in the home of Mrs. Lena Warren on Tuesday, June 19th.

The meeting opened with the singing of Blessed Assurance, followed by a prayer by Mrs. Claude Reed.

After a short business meeting, Mrs. Ralph Davis brought a very interesting and difficult bible lesson on Personal Revival. She interpreted the scriptures in such a manner as to make them easily understood.

Since the community Missions project for June was Remembering Aged Ministers, the BWC remembered our own Bro. Strange with a nice basket of canned goods.

The meeting was closed with a prayer by Mrs. Carl Miller.

Those present and enjoying fellowship were Mesdames C. B. Beldon, Frank Kelley, H. L. Lawrence, Carl Miller, W. A. Minick, Claude Reed, R. P. Thaxton, I. C. Evans, G. W. Varner, Ralph Davis, J. W. Liles, Miss Myrtle Capps and the hostess, Mrs. Lena Warren.

Card of Thanks

I wish to express my heartfelt thanks to my Burkburnett friends and neighbors for their many acts of kindness during my bereavement in the loss of my daughter, Mae. A special thanks for the beautiful floral offerings. God Bless each of You.

MRS. HATTIE BUCHANAN

Modern Study Club Installation Dinner Was Monday Night

Members of the Modern Study club met Monday night in the home of Mrs. Donald Pemberton, the outgoing president, for installation of new officers. Each new officer was presented with a lapel pin representative of the office she will hold during the coming year. Mrs. Pemberton gave a short talk as she made the presentations.

Newly elected officers are: president, Mrs. Lee Bavousett; vice pres., Mrs. Cliff Hagstrom; recording Sec., Mrs. Billy Askins; Corresponding Sec., Mrs. Joe Hensley; Treasurer, Mrs. Darrell Nichols; parliamentarian, Mrs. Randall Hudson; Historian, Mrs. Don Kirkham; publicity reporter, Mrs. J. T. Reasoner.

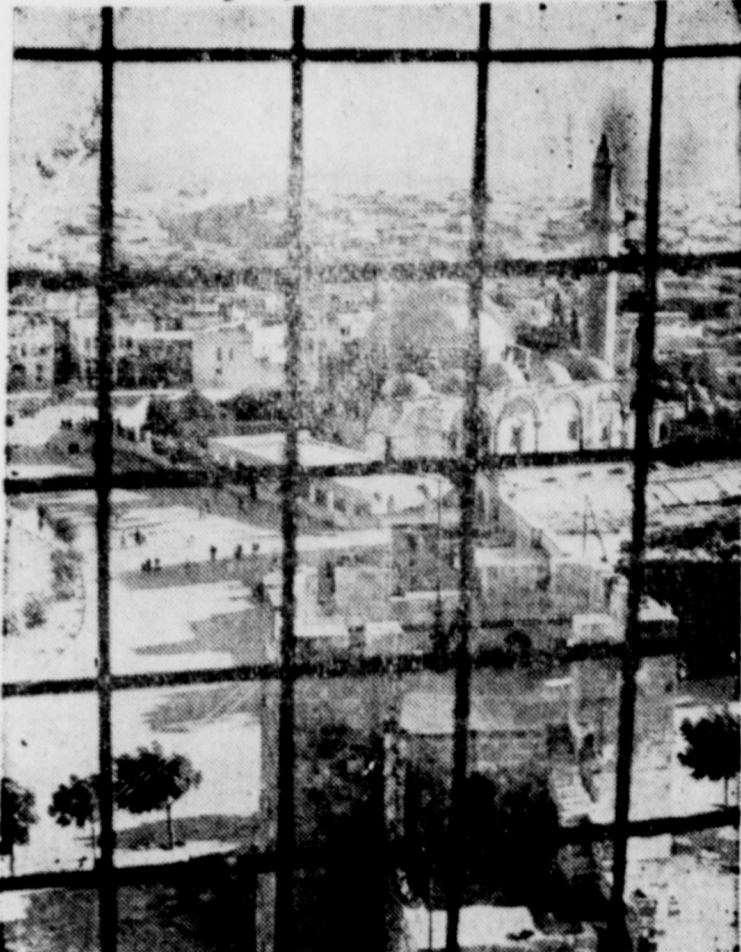

Mrs. Randall presented Mrs. Pemberton with a lovely candy dish on behalf of the club. Gifts were awarded Mrs. R. B. Swinford, who was voted the hardest worker in the club last year and Mrs. J. T. Reasoner for having perfect attendance all year.

Club then adjourned and members met at the Beverly Drive Inn in Wichita Falls where a delicious dinner was enjoyed by all.

Mrs. G. E. Kress and daughters Phyllis and Joan, left Wednesday for Sidi, Slimane, North Africa, where they will join Mr. Kress who is stationed there. They will make their home in North Africa for the next several months.

Wedding Announcements. Call 52

City of the Caravans

NORTH SYRIAN CAPITAL: The largest and most picturesque city in Syria, one of the Bible Lands, is Aleppo, 226 miles north of Damascus near the Turkish border. For at least 3,000 years it has been one of the leading centers of the caravan trade bringing the riches of the East. Here you see the great Mosque of Zachariah as photographed from the barred windows of the Citadel. This minaret is reputed to be the most beautiful in all Syria.

DEVOL NEWS

Mrs. C. O. WOODLEY

Seven members of the Devol Demonstration club were entertained Wednesday by the Prospect club in the lovely country home of Mrs. Joy Smith east of Walters. Getting acquainted with each other and visiting occupied the ladies from 11:00 a. m. until noon when a delicious chicken dinner was served by the hostess club. Games were enjoyed in the afternoon.

Members of the Devol club making the trip included Mesdames J. B. Stevens, W. C. Charboneau, Claud Lemond, Ed Morrow, A. S. Patterson, C. O. Woodley and Warren.

Mrs. T. C. Dillow was admitted to a Wichita Falls hospital Sunday where her condition is reported as being serious.

Mr. and Mrs. F. J. McClendon and family have returned home from Archer City, where he was employed for awhile.

Mr. and Mrs. Jesse Patterson of Tyler, and Mrs. Ves Burlington of Wichita Falls visited their cousins, Mr. and Mrs. A. S. Patterson and Mr. and Mrs. C. O. Woodley Saturday.

Mrs. Callie Baumhardt of Wichita, Kans., is visiting her daughter, Mrs. F. J. McClendon and family.

PARTY-BOUND MAID

The 1956 Maid of Cotton, lovely Pat Cowden of Raleigh, N.C., would decorate any party in this glamorous date dress designed by Celi Chapman. The sophisticated fashion is in Hope Skillman's sheer cotton chambray, intricately pleated and frosted with insets of lace. The dress is cut soft and full with a summertime neckline, covered shoulders, and a billowy skirt. This is one of the smart cottons created for the Maid's wardrobe by 42 famous designers.

Mr. and Mrs. J. W. Bronham were called to Paris, Tex., last week by the serious illness and death of her sister, Mrs. Margaret Carroll of Grandfield.

Mr. and Mrs. Jack McCasland have returned from Shaw AFB where their daughter-in-law, Mrs. Andy McCasland, underwent major surgery last week. They were accompanied home by their little grandson, Tandy, who will spend the summer here.

Mrs. J. E. Dickson is reported as being somewhat improved at this time. Her son, Charlie of Levelland, Tex., and granddaughter, Mrs. Forest Conrad of San Angelo are with her now.

Glen Maltbys Are Honored Sat. With Farewell Party

A farewell party honoring Mr. and Mrs. Glen Maltby was held at the home of Mr. and Mrs. Emmitt Hancock last Saturday evening. The Maltbys are moving to Kermit, Tex., where he was transferred by Maglonia Pet. Co.

A lovely gift was presented to the honorees by fellow employees.

Following the presentation of the gift, refreshments were served to Messrs. and Mesdames Coy Jones, Leland Lane, John Rogers, E. H. Whiteside, J. W. Stubblefield, Ervin Drake, Reuben Shaw, Emmitt Hancock, Mrs. Millard Bryant, Mrs. Bundy, Mrs. Geo. Hodges and Mrs. Bradley.

Co-hostesses for the affair were Mesdames Emmitt Hancock, Coy Jones and McCafferty.

Mrs. Mary Ruth Roney and daughter of Lawton spent a few days visiting her father, Mrs. C. A. Gray last week.

Inviting YOU

This invitation is cordially extended to you and your family to visit our church, enjoy the fellowship, and participate in the worship.

Modern Study Club Has Family Night At Sand Beach

On Thursday night, June 21st, a called meeting of the Modern Study club was held in the home of Mrs. Darrell Nichols. Mrs. Lee Bavousett, newly elected president, presided over the meeting.

Final arrangements were made for the picnic and swim party to be held at Sand Beach.

On Saturday night, June 23rd members and their guests assembled at 6:30 p. m. at the home of Mr. R. B. Swinford before departing for Sand Beach.

A refreshing swim in the pool was enjoyed prior to refreshments being served. Chili dogs and soda pops were thoroughly enjoyed by the nine attending members and their seventeen guests.

Another family night is planned for Saturday night, July 14. This will be an ice cream supper at the home of Mrs. W. L. Palmer with Mrs. Bill Reasoner as hostess.

You Name It — We Have It or Will Get It

How you can be a "guest at your own party" ...with an Electric Food Freezer

Parties take planning and preparation to run smoothly. With an Electric Food Freezer, you can pre-cook and freeze party menus days or weeks in advance . . .

avoiding last-minute rush and giving you more time to spend with your guests. Party sandwiches, hors d'oeuvres and canapes can be made ahead of time and frozen. Taken out of the freezer before serving time, they'll be as fresh and tasty as when first made. You can pre-cook and store whole meals, all kinds of cookies and cakes, out-of-season dishes to delight your guests. Even store extra ice cubes or chill

a whole case of soft drinks in just minutes. For informal get-togethers, make a large batch of your pet specialty — spaghetti sauce, chili, chow mein — or have a quantity of hamburger patties on hand.

ready for the charcoal broiler. With modern "freezer living," entertaining's quick, easy and much more fun! Electric Food Freezers are available in either chest or upright models, in a size that's just right for your kitchen space and food storage requirements . . . see them at your favorite appliance dealer's.

Freezer Living... is Leisure Living!

EVOL NEWS

C. O. WOODLEY
 Mr. C. Dillow who has been sick for some time, is somewhat improved. His daughter, Mrs. Claud Coe, returned to her home in Killbuck, Texas.
 Mrs. E. Dickson sustained injuries when she fell at her home Monday. She was being treated comfortably after undergoing treatment by her physicians.
 Mrs. Monk Nunn returned to her home in Kermit after a visit here. They were accompanied by her mother, Mrs. Coby for an extended period.
 Sue Griffin of Wichita, is visiting her grandparents, Mr. and Mrs. L. A. S. Patterson and family of Archer. She spent the weekend with her mother and Hale at Amherst and Hale, Texas.

Mr. and Mrs. J. C. Cates left for Hot Springs, Ark., last week to be at the bedside of Mrs. Cates' sister who is critically ill.
 J. R. Adams recently purchased the lot where the C. O. Woodley residence formerly was and plans to build a home there soon.
 Devol Demonstration club met in the club house Thursday for the regular meeting. The next meeting will be June 28th when the year book program will be presented by The Lady and the Law. Hostess will be Mrs. Adele Patrick.

Clean Nesting Materials Can Save You Labor

More than half the work on a poultry farm is made up of collecting eggs and getting them ready for market. Dirty eggs provide the greatest problem to the poultryman, says B. T. Haws, county agent.
 Clean litter and correct management of nests offers the greatest opportunity for preventing egg soilage. One nest should be provided for every four hens, especially in the warmer Texas climate.
 A good nest size is 12 inches wide, 14 to 16 inches deep and at least 14 inches high, says Haws. This is large enough for comfortable laying space. Nesting trays at the bottom of nests should be four to six inches deep providing enough to hold a good cushion of nesting material, he adds.
 Nesting materials should be fine and high absorbent. Results of a Missouri study of seven nesting materials show that where a fine material such as shavings, oat hulls, sawdust of excelsior was used the percent of clean eggs ranged from 83.4 to 86 percent. Where coarser materials such as ground corn cobs, sugar cane pulp and straw were used

clean egg percentage ranged from 77.6 to 79.7 percent. It was found that it took more time to clean the nests when straw was used than when shavings was the nesting materials.
 A higher percentage of clean eggs was obtained from darkened nests, states Haws. Ninety-one percent clean eggs were gathered from dark nests whereas 82 percent clean eggs were secured from well lighted nests.
 Eggs gathered four times a day showed a percentage of 85 percent clean eggs, where only 59 percent clean eggs were secured when gathered only once.
 The poultryman who gives the nests uncommonly good care will profit from the savings in time needed to clean eggs and in the increased market value when sold to the trade, says Haws.

Rock Hudson Kept Busy By The Film Makers

Rock Hudson, who with Cornell Borchers and Sammie Davis in the Technicolor drama, NEVER SAY GOODBYE, opening next Monday-Tuesday at the Palace Theatre, would be unavailable before the camera for the next three years if the studio consented to the contract thus far requested. Hudson has completed five top-notch Technicolor films recently opposite Hollywood's

top leading ladies—including Jane Wyman, Arlene Dahl, Ursula Thies, Anne Baxter, Barbara Rush and Miss Borchers. "Even if Rock didn't do a single loan-out," say his mentors at U-I, "we'd have enough good story properties right here at the studio, suited to the Hudson talents, to keep him busy well into 1958."

Sgt. Ottoway Of A. F. Recruit Office In Burk Mondays

Sgt. Jack Ottoway of the US Air Force Recruiting Office in Wichita Falls announces that he will be in Burk Burnett each Monday from 1:00 to 3:00 p. m. Those who desire information concerning the Air Force may leave their name and address at the local post office and Sgt. Ottoway will contact you in person on that day, or you may contact him at his office in the Federal Building in Wichita Falls Monday through Friday from 8:00 a. m. to 5:00 p. m. and Saturdays from 8:00 a. m. to 12:00 noon.

Sgt. Ottoway also states that the Air Force is in need of qualified musicians to play in the air force bands. Auditions will be given at SAFB through the Air Force Recruiting office in Wichita Falls. Phone 2-8911 for appointment.

Mr. and Mrs. Harry Mayes and daughter have returned from a two weeks vacation in Abilene, Anson, Amarillo and Pampa. They report an enjoyable trip but rather warm weather.

Mr. and Mrs. C. W. Gilbert are the parents of a new baby boy born Wednesday June 20th.

M-Sgt. Joseph Wooten of the USAF returned home Thursday from a one year tour of duty in Greenland.

Mr. and Mrs. Geo. Yarbro are the parents of a baby girl born Sunday, June 24th. The baby has been named George Ann.

Mr. and Mrs. Ivan Friedls have returned to their home in Eunice N. M. after a weeks visit here with their daughter. Mr. and Mrs. Charles Goins and son, and other relatives and friends.

Mrs. Raymond VanLoh was returned to a Wichita Falls hospital Sunday where she is undergoing treatment.

Mr. and Mrs. A. J. Harris attended a family reunion in Dallas Sunday.

Mr. and Mrs. R. P. Mathis and children of Baton Rouge, La., are visiting in the home of Mr. and Mrs. L. W. Mathis and Mr. and Mrs. Jack Mathis this week.

Mr. and Mrs. Ray Mills spent Sunday with their daughter, Mr. and Mrs. J. Anthony and family in Vernon.

Ping Lundberg was returned to his home here this week from a Wichita Falls Hospital.

Mr. and Mrs. Glen Strickland of Oakland, Calif., visited in the home of Mr. and Mrs. B. L. Turner and other friends here recently.

Mr. and Mrs. Jack Grubbs have returned from a very enjoyable two weeks vacation in Canada and the New England states. They also visited their son, David who is in school in Connecticut.

Dr. and Mrs. P. A. Carpenter attended the American Medical Association meeting in Chicago, Ill., last week.

Mr. and Mrs. J. L. Caffee are visiting in Hammon, Okla., this week with his mother, Mrs. J. L. Caffee, Sr., who is seriously ill.

NOTICE

The City Commission of Burkburnett, Texas, sitting in regular session Monday, June 18, 1956, enacted Section Two of Ordinance No. 317.

SECTION 2. The City Council shall have the authority and does by these presents, have the authority, in order to conserve the shrubs and trees of the citizens of Burkburnett, to zone the City of Burkburnett, and through Proclamation, to allow the people of Burkburnett in these zones to use water for specified purposes set out in the Proclamation.

The zones and the days that each zone may use water for the purpose of watering shrubs and trees are as follow:

ZONE 1. To water on Sunday between the hours of 6:00 A. M. to 9:00 P. M. AREA west of railroad tracks and south from West 3rd Street.

ZONE 1A. To water on Monday between the hours of 6:00 A. M. to 9:00 P. M. AREA west of railroad tracks and north of 3rd Street.

ZONE 2. To water on Tuesday between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks and North of Third Street.

ZONE 3. To water on Wednesday between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks and laying between Third Street and Glendale Street, considering Hayworth Street as an extension of Glendale Street.

ZONE 4. To water on Thursdays between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks laying between Glendale Street and Tidal Street.

ZONE 5. To water on Fridays between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks laying between Tidal Street and Sheppard Road, (Wichita Highway.)

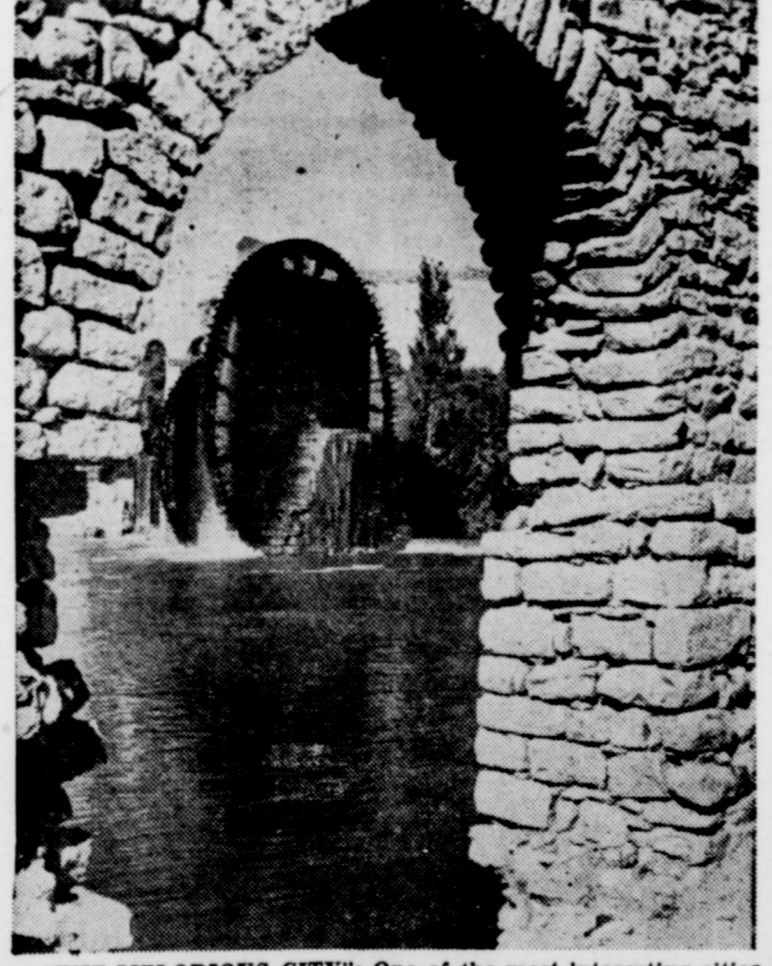

ZONE 6. To water on Saturdays between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks and South of Sheppard Road.

This is an experiment to see if we now have enough water to allow limited watering. If it is found that there is not sufficient water, then Section Two of Ordinance No. 317 will be revoked and the new watering Ordinance will be enforced again.

The City Commission has asked me express their appreciation for the co-operation given in the past and again to ask for your continued co-operation in using as little water as possible under the above plan.

A. W. NEWMAN, City Manager

Wooden Water Wheels

"THE MELODIOUS CITY": One of the most interesting cities in Northern Syria is Hama, located about half-way between Damascus and Aleppo. This ancient community is nestled among willows and poplars on the banks of the Orontes River, Hama's most distinctive feature are the 2,000 year old wooden water wheels which scoop water from the river and deposit it on the land to irrigate crops. The creaking of these day and night without ceasing has given Hama the name of "The Melodious City."

Mrs. Mike Harms Honored June 1st With Shower

Lovely shades of pink were used in the decor of the Wesley Room in the First Methodist church when Mrs. Mike Harms, the former Miss Ruth Redmond of Arlington, Texas was honored by friends and relatives with a wedding shower on Friday, June first.

Mrs. Bill Vincent presided at the register and secured the guests names for the brides book. Delicious pink cookies and punch were served on a very decorative pink lace cloth. The table was centered with a lovely arrangement of pink gladiolus. Mesdames Billy Askins and Danny Kinnett presided at the refreshment table.

The program for the evening was presented by Mrs. F. T. Felty, Sr., Mrs. Billy Askins rendered two lovely and appropriate vocal numbers. Mrs. Askin was accompanied by Miss Nathalie Foster. Mrs. Danny Kinnett gave a very clever reading and presented the bride with an array of lovely gifts. The hostesses gifts for the bride were a Universal coffee maker and toaster. Hostesses for the affair were Mesdames Danny Kinnett, Edna Fink, Ray Mills, Dubby Thompson, Herschel Warren, S. E. Askins, George McClarty, Jack Northcott, Fred Hunt, F T Felty, Sr., Billy E Askins, Virgie Ferguson, Bessie Kirsh, J L. Caffee, Opal Gamblin, R. C. Gilbow, C. E. Jones, Marshall Young, Manse Butts, Tom Campbell, Hubert Butts, O. E. Melton and V. E. Parrack.

The wedding was an event of Saturday, June 16th in the First Baptist church in Arlington, Tex.

ROTARY CLUB

Each Tuesday Noon Town Hall

Rev. Felix Kindel was responsible for a very delightful program Tuesday at a regular meeting of the club. Virgil Brookshear introduced Rev. Kindel's program. Mrs. Sylvia Ramming, who in a most charming manner talked on How to Survive Hospitality. Guests in the Home and How to Overlook Bores. All 38 members and guests enjoyed the talk and are looking forward to an early return of this talented and gracious lady.

Joe Jancke introduced the guests and guest Rotarians.

George McClarty will be responsible for the program next week.

George Counter was a guest of John Brookman, Jim Armstrong, guest of Rudy Robinson, Hugh Preston, Jr., guest of Hugh Preston.

LIONS CLUB

Meets at Town Hall, 7:00 P. M. Each Tuesday

Vice-President John Durham was in charge. President Winton Freeman is attending the International convention in Miami, Florida.

Eugene Cypert was the guest of Andrew Suttles. Jack Robinson had as his guest Max Mathis.

Roy Magers introduced the program for Winford Henry. He introduced Blanche Butler, who presented Irma Ned Riley in a piano solo, and Max Crowley in two vocal numbers. The numbers were enjoyed and Miss Butler was complimented for bringing the program on such short notice.

Next week W. H. Holt will be in charge of the program.

Mrs. H. W. Fowler is a patient in Wichita Falls General hospital this week.

NOTICE - 4-H CLUB MEMBERS

The annual county 4-H encampment will be held Friday, June 29th beginning at 9:00 a. m. at the 4-H Center in Wichita Falls on Hempstead Lane across from McGaha school. All Wichita county 4-H members are urged to attend. Bring your swim suit and a sack lunch. Each family is asked to bring a covered dish for supper and attend the evening recreation. For any information, call Alden Smith, 691-W-2, Charlotte Simons, 694-J-1 or Karan Prechel, 690-J-2, for further details.

Notes From The County Agent And Home Agent

Shipping losses can be cut by giving fat hogs a cool, comfortable ride to market. Using sand for bedding and wetting it down before loading will help make such a ride possible, says B. T. Haws, county agent.

More than half the work on a poultry farm is taken up by collecting eggs and getting them ready for market. Dirty eggs create the greatest problem to the poultryman, says B. T. Haws, county agent. Clean litter will help solve the problem.

The cotton crop in the county looks good at the present time. Most farmers received good stands. Farmers are urged to make weekly cotton insect check in their fields. Thrip and grasshoppers are doing some damage.

Trunk spraying of peach trees should be done between July 1 to 15 to keep the peach tree borer out of the trunk. The adult lays eggs in the summer on the tree trunk. Borers enter the bark and feed on the cambium and inner bark at or below soil level. Make 3 spray applications at 30-day intervals. Spray the trunk with 8 pounds of 50 percent DDT or 1 pound of 25 percent lindane or 2 pounds of 25 percent dichlorin in wettable powders in 100 gallons of water. It is important

COTTON BAG SEWING IDEAS FEATURED IN BOOKLET

"Sew It Yourself With Cotton Bags," a new 24-page booklet published by the National Cotton Council, contains Simplicity patterns for summer apparel, ideas for home decoration, and information on the National Cotton Bag Sewing Contest at 54 state and regional fairs. Free copies are available from National Cotton Council, Box 9905, Memphis, Tenn.

Burk Oilers Blast Midway 11-5 for 10th League Win

The Burkburnett Oilers ran their victory string to six games Sunday by defeating Midway 11-5. The win Sunday gave the Oilers their tenth league victory against only one defeat. Lloyd Potts and Junior Woods were the big offensive show for Burk as Potts collected two doubles and three singles, and Woods chipped in with a triple and two singles. Wayne Sykes, who has now won ten league games against a single loss, pitched a neat six hitter. He got good support from his teammates as they collected thirteen hits and came up with several good defensive plays.

Members of the 1956 Burk Oilers are Lloyd Potts, Tommy Shields, Don Inman, Junior Woods, Dan Owen, Wayne Sykes, Grady Graves, Byron Key, Kenneth Wise, Lee Keen, Rip Ludwig, Jack Elridge and Tip Cannedy.

The line score:
Midway 000-002-201-5-6-5
Burk 013-014-011-11-13-3

Ethelyn Johnson Attending H-SU

The first summer session at Hardin-Simmons University began June 4th and will extend through July 12th. There is one student from Burkburnett enrolled in this first session.

Besides numerous courses offered to undergraduate students, Hardin-Simmons University offers courses leading to graduate degrees, summer band school, boys activity school, driver education, girls' swimming school, piano clinic, recreation program and a workshop in string methods at various times during the summer.

Students from Burkburnett doing graduate work at H-SU include Ethelyn Johnson.

Burkburnett Oilers Baseball Schedule

June 24 — Burk at Midway
July 1 — Brotherton and White (Wichita Falls) at Burk
July 8 — Burk at Electra
July 15 — All Star Game (Site to be selected)
July 22 — Burk at Iowa Park
July 29 — Windthorst at Burk
August 5 — Burk at Montague
August 12 — Randlett at Burk
August 19 — Burk at Bowie
August 26 — Ryan Okla. at Burkburnett.

All games begin at 2:00 p. m. Visitors in the home of Mr. and Mrs. J. W. Reasoner last week were Rev. and Mrs. Lee Collum of McFarland, Calif., Mrs. Jo Poole of Porterville, Calif., Mrs. T. F. Barnett of Kansas City, Kans., and Mrs. Harrold Gardner of Dallas.

Texas Insurance Board Chairman Issues Statement

It is somewhat amazing to me that there should be the necessity for this message to you.

It may be that we are too close to the forest to see the trees—or it may be that the subject of insurance in Texas has been one in which politics has played more than its fair share—or it may have been an indefatigable interest on the part of newspapers and other media.

But regardless of the reason the fact remains that there has been a great deal of adverse publicity to the industry. Public concern indicated desirability for a speedy, searching and strict solvency examination of all Texas insurance companies before the state's deadline for re-licensing them on May 31, 1956.

Such an undertaking by normal procedures, requires several years. But the Board of Insurance Commissioners, in the public interest, set in motion extraordinary emergency measures to do the job in a few months.

It enlisted the aid of the public accountant and certified public accountants of Texas in auditing all Texas companies. It additionally required a sworn statement of the officers of the companies, certified to by the auditor, attached to their annual statement, reflecting the year-end transactions, the real estate holdings, financial transactions between affiliate corporations, if any, and other specific questions under authority of Article 124 of the strong new Texas Insurance Code passed by the last Legislature. This gave our actuarial and examination division the information and knowledge necessary to accurately and adequately pass upon their annual statements.

Company by company, the commission applied its rigid tests and required exacting answers. No company was approved for re-licensing until the commission was satisfied it was sound and solvent.

"APPROVED" has thereby become a word more important than ever before to the state, and to the Texas insurance industry and to the public. It is a stamp in

Sphinx and Pyramids of Egypt

ONE OF SEVEN WONDERS: The Sphinx and Pyramids of Giza, situated a short ride outside Cairo, are among the enduring of Egypt, one of the Bible Lands. These massive monuments built nearly 3000 years before the birth of Christ and were known as Tombs for the Kings of Egypt. Here an American girl takes a camel ride and gazes into the distance at the other Pyramids of Giza before returning to the delights of modern Cairo.

which the public can have confidence. It was awarded—not lightly—only to the deserving. The public can have confidence, too, that Texas will not relax its vigilance. The state's new insurance code—one of the strongest sets of insurance laws in the nation—gives the commission broadened power to regulate the industry as effectively as any state I know. The commission is enforcing this code vigorously and will continue to do so.

It will take, as you would probably realize, additional time before this new insurance code will reap its full toll and have its ultimate effect. It is contemplated some additional companies will merge, consolidate or reinsure under the laws' rigid requirements and the board's strict enforcement and regulation. By these means they will

strengthen their position. It is believed that any company, therefore, now "proved" and re-licensed either in or out of state of Texas deserves credit rather than criticism.

We assure the citizens of this great state of Texas of those who may deal with us as a Board or the industry as a whole, that our effort is directed toward the maintenance of a sound economy which will be to the progress of the state. No one should demand more than is reasonable. J. Bryan Saunders, Chairman, Texas Board of Insurance Commissioners

Ride To Market Can Cut Shipping Losses

Shipping losses can be cut by taking hogs to market, says county agent, suggesting that hogs be taken to market before loading and unloading. A long one, sprinkling and again wetting while enroute will help hogs more comfortable. If the weather is hot, broken ice scatter on the bedding will help. The bedding will help represent a loss in feed, and money and such as get the profit from an animal in a hurry, says the agent.

the animals avoid crowding, separate boars, stag and large from small hogs in transit and load and unload slowly to avoid injury to the animals.

Feeding rations which do not provide enough minerals to produce hogs with strong bones is also listed by Haws as a contributing cause of injury. Slop-fed hogs and those that have received too much "fill" just before shipping shrink more than other hogs.

Finally, says the agent, a good feeding job, profit-wise that is, can be nullified if deaths and injuries are permitted to take their toll. A dead hog is worthless regardless of the kind of feeding job done and those injured enroute to market are docked when offered for sale.

NOTICE

The Federated Missionary Society will meet in the home of Mrs. W. R. Carswell Friday, July 6th at 2:30 p. m. Mrs. C. B. Beldon and Mrs. B. L. Turner will be hostesses.

Mr. M. C. Chapman and daughter and granddaughter of Jacksboro, were Burk visitors this week. They are former residents of Burkburnett. They also visited in Houston, Galveston and Austin during their vacation.

COTTON BAG CASUALS

This leisure time ensemble was made from cotton containers which package feed, flour, and other staple farm products. Two sacks in a splashy modern print went into the overblouse, and two bleached cambric bags were dyed black for the fancy pants. The outfit was made from Simplicity patterns 1088 and 1059. Cotton bag wardrobes of summer fashions styled by McCall and Simplicity patterns are available for special shows from the National Cotton Council, P.O. Box 9905, Memphis 12, Tenn.

News From The Congress

By Congressman Frank Ikard

A plan to provide a better means for attack on water pollution was recently passed in the House. During the debate of this proposal, it was revealed that since 1920 the volume of industrial refuse and untreated human waste discharged annually into the waters of the country has increased by 83 percent. This, of course, creates many health hazards and diminishes materially the amount of safe and useable water available. In the meantime during the same period our National water needs have skyrocketed and it is estimated by 1975 we will require as much water as we are using today. The bill which received favorable action in the House contains provisions to increase technical assistance to the States in dealing with water pollution. It will intensify research to develop better methods of waste treatment and strengthen enforcement against industrial pollution of interstate streams. It also provides matching grants to municipalities for construction of needed treatment works.

Most of the appropriation bills that will be considered by the Congress during this session have already passed the House. If cuts in spending made by the House stand up, it appears that the appropriations will total a little over Two Billion Dollars less than the amount requested by the president in his budget for the operations of the Government for the next fiscal year.

It has been estimated by the Bureau of Internal Revenue that more than four million farmers will be eligible for refunds of Federal taxes paid in gasoline used in non-highway farming operations under the new law enacted during this session of Congress. Full information on this can be had from the County Agricultural agents.

This session of the 84th Congress is rapidly drawing to a close. It might be of some interest

to know that this year the House has enacted 117 public bills, 163 private bills, and up to the first of this month, has been in session a total of 79 days.

Visitors this week were Mr. and Mrs. Hunter Kirkpatrick and daughter, Miss Sandra Kirkpatrick, Mr. and Mrs. Charles Pro-

thro and son, Vin Prothro, Mr. and Mrs. Harley F. Goble, Mr. and Mrs. J. R. Terrill and daughter, Miss Joe Ellen Terrill and son, Alan Terrill, Miss Joella Terrill Butler, Mr. J. Walter Friberg, Mr. K. C. Spell, Mr. James L. Hanry, Mr. J. B. Jarrett, Mr. J. S. Bridewell, Mr.

Jerry Vinson, Mr. Henry A. Thomason, Mr. Bernard Martin, and Miss Nancy Page, all of Wichita Falls.

Auto manufacturers plan to make a million station wagons this year in 57 models; they sold 700,000 in 1955.

Many Happy Returns Of The Day!

This is the best anniversary our U. S. Savings Bonds ever had

Just 15 years ago, in May, 1941, millions of Americans started buying Series E Savings Bonds through the U. S. Treasury Department. Those Bonds were called Defense Bonds in that troubled time. And if you were like most people, you bought them to help your country.

College educations paid for by Bonds. Retirement day brightened by Bonds. Yes, there have been many, many happy returns — thanks to United States Savings Bonds.

Just stop and think. If you had bought just one \$50 Bond a month at \$37.50, every month since the beginning of the Bond Program, your investment would be worth \$8,242 today. Start buying one \$50 Bond a month today — and 15 years from now you'll have a cash reserve of \$8,372.

So don't delay. Sign up for Payroll Savings where you work or buy Bonds regularly where you bank. Make sure that you get in on these happy returns.

15 Years of making dreams come true — through U. S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

Students Work On Summer Projects

Twenty girls at Burkburnett High School are currently working on summer projects in homemaking. Class projects have been working with pre-school children in a play school for the past month, and craft work with textiles, reed and metal.

Home projects which continue all summer are individually planned to include various parts of homemaking as food preservation, meal preparation, budgeting, sewing, home improvement, and others.

Those enrolled for this extra half-credit course are: Pat Christian, Nancy Fleming, Judy Gellner, Myrna Hoffman, Glenna Landes, Shirley Marshall, Patricia Mason, Joyce McBride, Wanda Morris, Pat Powell, Charlene Preston, Covie Price, Shirley Raley, Gayle Sanders, Patsy Sanders, Pat Shipman, Doris Sites, Dovie Sue Taylor, Elaine Walden and Dee Ann Welborn.

Card Of Thanks

May we take this means of expressing our thanks to each one who sent flowers, extended sympathy and sent food during our sorrow in the loss of our father and grandfather. We especially want to thank Dr. Carpenter for his kindness and services rendered and Bro. Hays and Br. Burkhart for their kind words of comfort. May God's richest blessings be with each of you.

Mr. and Mrs. J. M. Goins and family.
Mrs. August Kuehl and family.
Mr. and Mrs. W. E. Goins and family.

Mr. and Mrs. B. H. Alexander, Sr., visited relatives in Midland and Pecos, over the weekend.

How much of this \$40,000,000,000 pie belongs to you?

THIS YEAR is the 15th anniversary of U. S. Savings Bonds, the greatest financial success story the world has ever seen.

Since May, 1941, 40,000,000 Americans have saved \$40,000,000,000 in Savings Bonds. That's an average of \$1,000 per investor. Do you own your share?

If not, you're missing out on a real money-making opportunity. For every \$1.00 invested in U. S. Series E Savings Bonds will pay you back \$1.80 in 19 years and 8 months. What's more, every dollar invested in Savings Bonds is absolutely safe, not subject to market fluctuation. And every dollar invested in

Bonds earns you 3% interest, compounded semiannually, when held to maturity (9 years and 8 months). Plus the same good interest rate for an additional 10 years, should you so desire.

Look ahead to the next 10 or 15 years and see what a regular investment in Savings Bonds will mean to you. A new home. A college education for your son. A retirement income.

You owe it to yourself to start investing in Savings Bonds today — either on the Payroll Savings Plan where you work or at your bank. The bigger the slice of this \$40,000,000,000 pie that is yours — the better off you'll be.

15 YEARS OF MAKING DREAMS COME TRUE -- THROUGH U. S. SAVINGS BONDS

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and

Crusader Castle of Knights

MIDDLE AGES RELIC: The Krak des Chevaliers, as it is in French, is regarded as the most magnificent of all the of the Crusaders. It was built by the Frankish Knights of Europe in about the 11th century A.D. in their struggle for the Holy Land from the Moslems, and dominated the valley leading to the Mediterranean. It was an almost impregnable stronghold, consisting principally of two massive walls by a moat, but it fell to the enemy in the end. Situated in Syria a few miles north of the Lebanese border, it can be by motor car in about three hours driving from Beirut or
