## 10 ft. Curbing Completed Here

A bit of street curbing has been done in the part of town, and in the process of approximately 4500 feet has been completed. The curbing is on Avenues C, D and E, 6th and 7th streets. Pete Bates is the contractor. Property owners are paying for the curbing. The City Engineer will co-operate in the blacktop. This type work is done, but it will be done next spring. Conditions are more favorable for pouring the concrete.

## Meeting Of Aid Class Monday Night

The Defense First Aid class organized last Monday at the Grade School auditorium was proud to note that the people were interested in the welfare of themselves and their families to come learn first aid. It is something you can do every day of the year. No one knows when your own life or the life of someone else may be in danger. It is something you can do for yourself and your family. As you have just two doctors in town and they are frequent out of town at the same time, it is something you should know but what you should know is that you should know if you know.

and gentlemen, if you help yourself and your family. Those who are interested in this class which will be held Monday night, Oct. 1st will be glad to have you. For more information contact civil defense in town or call 653, 244.

## Boomers League Title

Burkburnett Boomers won the League baseball play-off last Sunday when they defeated Windthorst 10 to 7. In the eighth inning Burk was 10 to 0.

Sykes and Tommy were the heroes for the 8th he slammed the run with two on base. He started the rally by hitting Burk out and gave them the title.

Sarah Duke of Tulsa, who was the weekend here with her brother, Mr. and Mrs. Duke.

## Department Starts Fund For New Fire Fighting Truck

A fund has been started to purchase another fire fighting equipment for the Burkburnteer Fire Department. The prolonged drought has increased the demand upon the department for fire fighting equipment going into the rural areas. At present the department has only one piece of equipment capable of fighting grass fires. This truck does a wonderful job, both in rural areas and in town. Most fires originating within the city limits are under control with the booster tank truck. Hooking up to a hydrant for more water. The truck, with an even bigger booster tank is needed. As our town grows and spreads out, equipment is needed to protect property from damage.

Contributions toward the new truck received are as follows:

Mr. Ramming \$ 5.00  
Mrs. Hinkle 25.00

Other contributions will be gladly accepted at the City Hall.

## Farm Meeting At Town Hall Tuesday, Oct. 2

There will be a farm meeting at the Town Hall in Burk Burnett beginning at 7:30 p. m. on Tuesday, Oct. 2. The purpose of this meeting is to elect a supervisor for Subdivision III of the Wilbarger-Wichita Soil Conservation District. Henry Vaughan is the present supervisor. His term expires in October and it is necessary to either re-elect Mr. Vaughan or elect a new supervisor.

Subdivision III includes all those owning land in an area beginning at Red River on Clay County line south to Wichita River then southwest along the river to Fort Worth and Dever railroad; then west to the west boundary of commissioners precinct No. 3 then north along Red River to Clay county line.

Those eligible to vote include all those living in Wichita county and owning land in the above described subdivision. Men and women can vote.

Virgil Woodfin, with the Iowa Park Experiment Station will discuss experimental work being carried on at the station. Both men and women are invited to attend.

## Burkburnett At Childress Friday

Burkburnett will journey to Childress Friday night for a football game with the Bobcats. It is a non-conference game.

Childress is reported to be on the weak side this year. The Bulldogs should be able to win this one.

Tickets for the game may be bought here at the High School Tax Office up until 4:30 Friday afternoon.

It is just about 100 miles to Childress. Leave early and drive cautiously. No major football games are scheduled in this area. That means the Highway Patrol will be concentrated along the route of the most traffic—between Burk and Childress.

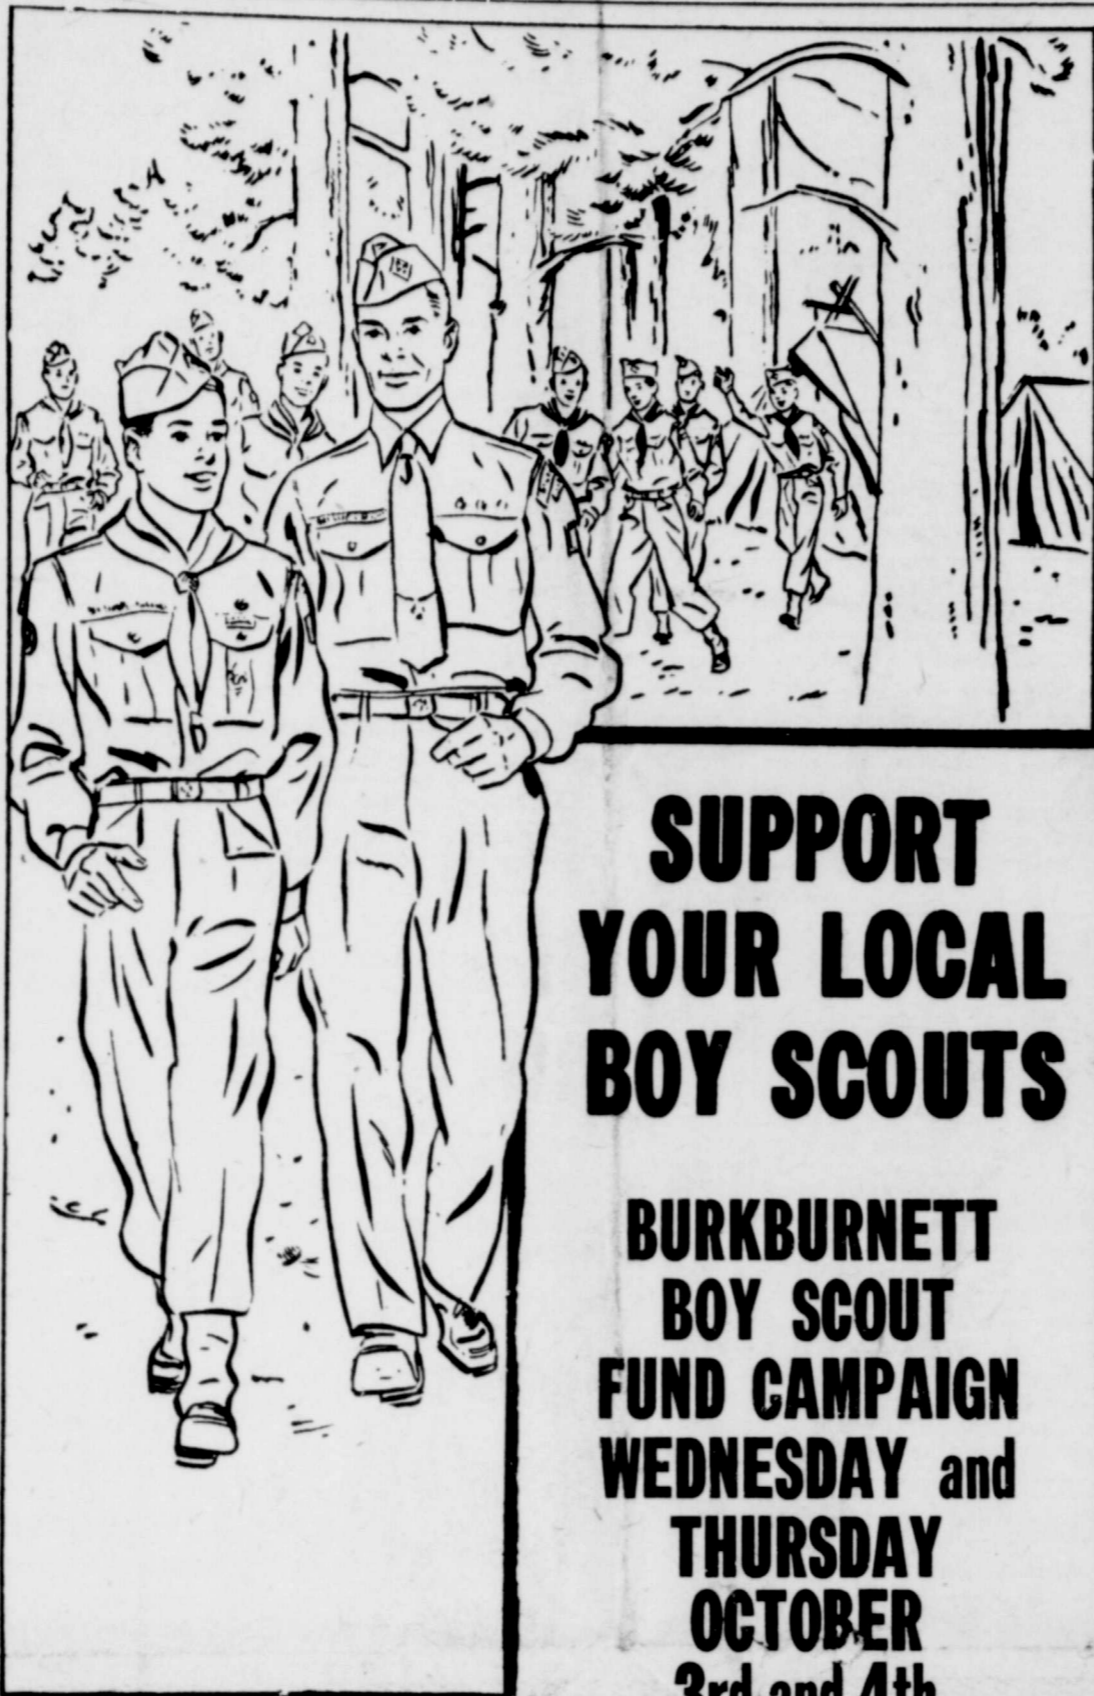

## Promotion Day At First Baptist Church Sunday, Sept. 30th

Sunday School 9:45.  
Morning Worship, 10:55.  
Training Union, 6:15.  
Evening Worship, 7:30.

One of the above mentioned services of particular appeal this week is the Sunday School hour. This Sunday is Promotion Day and we would like to have 700 present for this occasion.

We have organized three new Departments: Seniors, Beginners 2 and Juniors 2. It is important that everyone be present, be promoted, be presented with new literature, and know where their new Class shall be meeting.

## Miss Nancy Brooks Social Chairman At Decatur College

Miss Nancy Brooks, daughter of Mr. and Mrs. O. B. Brooks, Rt. 1, Burk Burnett, Texas has been elected Social Chairman of the School of Basic Education at Decatur Baptist College, Decatur, Texas.

Miss Brooks is beginning her second year at Decatur Baptist College, where she has been an active member of the School of Basic Education. She was elected the Class Favorite and was featured in the College Annual, The Summit.

## ROTARY CLUB

Each Tuesday Noon  
Town Hall

Virgil Brooks was responsible for the noon program and introduced County Commissioner Clark Gresham who gave a report on the roads that have been black topped, our equipment, and in general an overall picture of the condition of the Burk precinct. Mr. Gresham's talk was very enlightening.

Carl Morrison led the club in singing several club songs.

I. C. Evans announced the ball games for the next few weeks. President Robinson stated that a bus will leave the school house at 6:00 a. m. Oct. 7th for the trip to Dallas. Everyone going is requested to be there on time.

Morris Bookbinder introduced Bart Dorvant, guest Rotarian from Wichita Falls; Joe Bill Dodson, guest of George Byerly, and L. L. Ladd, guest of the club.

John Brookman will bring the program next week. Twenty-seven were in attendance.

Joe Bill Dodson of the U. S. Navy stationed in Adak, Alaska, arrived here Saturday for a two weeks visit with his mother, Mrs. George Byerly. Following his leave Joe Bill will be stationed in San Diego.

## Burk Lions Club Rummage Sale Begins Saturday

The Lions Club Annual Rummage Sale will begin Saturday, September 29th and continue through Saturday, October 6th. Location of the sale is in the building formerly occupied by the White House Grocery, next door to Garland Furniture Co. on Main Street.

To Pick Up Rummage  
Lions will begin Thursday (tonight) at 7:00 o'clock picking up rummage all over town for the sale. If you have rummage and have not been contacted, CALL 52 or any member of the Lions Club and the pickup will come by your house Thursday night.

Building Open Friday  
If you had rather deliver the rummage, the building will be open all day Friday. An attendant will be on hand to help unload your car.

Lion Francis Beaver has donated use of the building to the Lions. Many others have helped to make this annual event a big success.

Proceeds of the sale will be applied on Lions Club projects.

## NOTICE CHILDRESS TICKETS

Reserved seat tickets are available at the Tax Office for the game Friday night with Childress. Reserve seats will be \$1.00 student tickets 50c. General admission price will also be \$1.25 at the gate so if you plan to attend the ball game please pick up your tickets at the Tax Office before 4:00 p. m. Friday, Sept. 28. The Junior High and B squad teams will play Necona here Thursday night beginning at 6:30 p. m.

Mr. and Mrs. Paul Browning are scheduled to return home this week from a visit with their daughter, Mr. and Mrs. Jack Harris, in Los Angeles, Calif.

## Scout Fund Drive Scheduled Here for Next Wed.-Thurs.

Jack Mathis and Henry Connell, co-chairmen of the local Boy Scout Fund Campaign, will kick the drive off next Wednesday morning. They, along with their lieutenants and workers, plan to complete the drive in two days.

At the present time, Burk Burnett is leading the area in Scouting activities. They had the largest percentage of boys in summer camp and lead in percentage of advancements and progress in growth of units.

Two new Troops have been organized this month; a Scout Troop and an Explorer Troop. Scouting is really thriving in Burk Burnett, for the first time in twenty years. More and more boys are coming into the Scouting program. Burk has the biggest Cub Scout Pack in the area. New Cub Dens will have to be organized in the very near future to take care of the little fellows reaching Cub Scout age.

When the Scout fund solicitors call on you, greet them warmly and help with your contribution. They will be accompanied by little Cub Scouts, who need your help to carry on their program.

## New Management For Palace Theatre

Mr. and Mrs. C. L. Lance of Ringling, Okla., recently purchased the Palace Theatre here from the Frontier Theatres, Inc. of Dallas, Texas. The same policy of courtesy and the best film entertainment available will be carried out.

Mr. and Mrs. Lester Weldon of Ardmore, Okla., will operate the show. They are formerly with the theatres in Madill, Okla.

Show calendars will be mailed to all Burk residents this week.

Mr. F. T. Felty underwent surgery Monday in a Wichita Falls hospital.

## Funeral Services Were Saturday For Mrs. Ida Reynolds

Mrs. Ida Reynolds, a resident here 30 years, died of a heart attack Thursday afternoon in a hospital in Seminole, Texas. Mrs. Reynolds left Burk Burnett on Saturday to visit her daughter, Mr. and Mrs. Glen Sullivan in Seminole. She became ill and was admitted to the hospital on Wednesday and suffered the fatal attack about 4:30 p. m. Thursday. She was 75.

Born Oct. 4, 1880 in Llano County she came to Burk Burnett from Brown County, Texas, in 1926. She was married to Mr. H. S. Reynolds at Burnett in 1895. He died here in 1937.

Funeral services were held Saturday at 3:00 p. m. from the First Methodist church here with Rev. Felix Kindel, pastor officiating. Interment was in Burk cemetery. Grandsons served as pallbearers.

Survivors include 4 daughters, Mrs. Sullivan of Seminole, Mrs. Tom Harms and Mrs. Tom Key, both of Burk Burnett and Mrs. O. H. Buzbee, Iowa Park; 3 brothers, Alford and Raymond Bedford of Pittsburg, Calif., and Walter of Alice, Tex., one sister, Mrs. Houston Barker of Fort Worth; 13 grandchildren and 18 great grandchildren.

## Seymour Raps Bulldogs 26-0

Seymour Panthers proved too much for the Bulldogs here in the local football stadium last Friday night. It was a non-conference game.

Seymour scored once in each quarter and kicked two extra points, leaving the Bulldogs scoreless, 26-0.

Penalties were high on each side. No unnecessary roughness, just off-sides and a few clipping penalties. Burk was penalized 65 yards, while Seymour was set back 85 yards by penalties.

In first downs the two teams were even with 9 each. Yards rushing, Burk 141, Seymour 221. In the passing department, Burk had a good completion record, but the yardage was small. They attempted 16 passes, completed 10 for only 67 yards; had four incomplete and two intercepted. Seymour had 5 incomplete, one completed for 13 yards and a touchdown.

As the game neared the end, Burk's Doyce Walker raced off around right end and carried 65 yards to the 7 yard line. Seymour tightened up the line and held for three downs. When the game ended Burk had possession of the ball, only inches away from a touchdown.

## LIONS CLUB

Meets at Town Hall, 7:00 p. m. Each Tuesday

Jim Pirtle had charge of the program. He presented David Hooper in a number of vocal selections greatly appreciated by the club. Hooper was accompanied at the piano by Miss Blanche Butler.

Next week B. H. Preston, Jr., will bring the program.

## Rummage Sale

Tonight (Thursday) Lions will be out over town in pickup trucks, gathering up articles for the annual rummage sale, which opens up Saturday, Sept. 29th and runs through Sat., October 6th. Just call any Lion if you have rummage, and a truck will come by your house between 7:00 and 8:00 o'clock to pick it up.

If you had rather deliver your rummage, the building formerly occupied by the White House Grocery, will be open all day Friday.

Mr. and Mrs. Jack Duke have returned home from a very enjoyable vacation trip through eleven western and northwestern states. They visited their son Mr. and Mrs. Leon Duke and daughter in Billings, Montana, and toured points of interest in Yellow Stone Park, Seattle, Portland, San Francisco and the Grand Canyon.

## 447 Bales Cotton Ginned to Date

Cotton harvest will probably reach an all time low for this area this year. The dry weather has all but ruined a substantial part of the acreage planted.

Paul Hooper, manager of the Farmers Co-op. Gin, reports only 447 bales of the 1956 crop ginned at the local gin. Good years have brought in close to five thousand bales for the season. This year's cotton is middling light spot, with an estimated one-half of the crop already harvested.

## Carl Campbell Purchases Chevy Agency at Marlow

Carl Campbell, for many years in the auto supply business here, has purchased the Chevrolet dealership in Marlow, Oklahoma. Mr. Campbell took active charge of the agency some two weeks ago. He will continue to operate the Campbell Auto Supply here in Burk Burnett.

Campbell is immediate past president of the local Chamber of Commerce. He moved his family, wife and two daughters, to Marlow last Saturday.

## Importance of X-rays Stressed

Stressing the importance of yearly chest X-rays for all adults Dr. William L. Powers, president of the Wichita County Medical Society points out that at least 800,000 Americans are living today with tuberculosis that has been converted from an active to an inactive status.

Dr. Powers warned that none of the new drugs kills all the tuberculosis germs in a patient's body, although the drugs do slow up multiplication of germs. He emphasized that "unless the utmost precaution is taken, there is always danger that tuberculosis will flare up and the individual will become infectious again."

Citing the effectiveness of drugs and surgery used in treating the disease, Dr. Powers stated that "before treatment can begin, the disease must be found and diagnosed."

Health authorities, he stated believe that there are more than 150,000 Americans suffering from tuberculosis, whose disease has never been reported and are not under medical care.

It is a well known fact, Dr. Powers said, that tremendous progress has been made in saving lives of tuberculosis patients but progress in preventing the disease has been relatively slight, resulting from the people not realizing the importance of an annual check up. Dr. Powers cautioned that an X-ray every year, for every adult, is the best way to find tuberculosis in its early, curable stages and also to prevent new cycles of infection.

X-rays will be made in Burk Burnett, Friday and Saturday, October 12th and 13th.

## Burk Riding Club Placed First At Iowa Park Monday

The Burk Burnett Riding Club was first place winner in the gala parade that officially ushered in the annual Texas and Okla. Fair Monday evening in Iowa Park.

Burkburnett can well be proud of its club this year. The Riding club has not failed to place in any parade since they obtained their flags and chaps. Approximately 25-30 members make their appearance at these rodeos representing Burk Burnett.

The club trophies will soon be placed on display at the First National Bank here. The Riding club hopes to bring home another first when they make their appearance at Decatur, Oct. 6th. for the Wise Co. Centennial Celebration. Parade time will be 2:00 p. m.

## GRASS ROOTS OPINION

ALAMEDA, CALIF., TIMES STAR: "The recent success of American popular musicians who have toured Europe indicate that when our travelers properly typify American life and their fellow citizens, they are understood and welcomed."

PARK CITY, UTAH, RECORD: "There is no cut and dried formula for a country newspaper—we know papers that seldom print pictures on Page One. And we know papers that have almost as much art on Page One as they have copy—Some papers carry over stories on Page One. Others never do. Some papers run hundreds of little items reporting that 'Minnie Gooch went across the road for Sunday dinner.' Others read like small editions of the New York Times—if you are looking for variety you'll find it in the nation's press."

SALISBURY, N. C. POST: "Things are really looking up for the Soviet worker. Now he can no longer be thrown in jail for quitting his job—Under the new labor decrees those guilty of infractions of work discipline will not be hauled into court. Instead they can be fined, fired, demoted or deprived of bonuses and seniority by management. Grand, isn't it?"

## OBSOLETE HAND WORK

Signaling turns by hand is as out of date as driving gauntlets. Few drivers today know the difference between right-turn, left-turn and stop in the left-arm code. Such signals are rarely visible at night or in bad weather, and when it's really cold, who's opening a window for this purpose? In short, it just isn't being done.

The stop signal has been taken care of automatically for more than thirty years, but we're still fumbling on turn signals in this late day when they are increasingly important both to safety and to preventing traffic tangles and tie-ups. Since all modern cars, which constitute the great majority, are equipped with flashing turn-signals, drivers expect this warning and are taken by surprise when they encounter one of the older cars without this equipment.

But our traffic laws provide another hazard that is as outmoded as the hand signal. In some states turn signals are permissive, in others they are required under certain circumstances. But in none are they compulsory for all turns. Certainly the time has come when such signaling should be universal, and universally enforced. And the only adequate and universally understood turn signal is the flashing light.

To make such signaling compulsory would work little hardship on anyone. In the older cars, the installation of a single switch will adapt the taillights and parking lights into turn signals for less than the cost of unbending a fender. On second thought, perhaps we should say that such compulsion would work little hardship on anybody but the fender-straightener and the other artisans who are so busily restoring accordion pleated autos. On them, it might be rough.

The perilous and costly confusion over the subject of when and whether to signal, and how to do it, does no credit to the National Committee on Uniform Traffic Laws and Ordinances. It is clearly the outstanding national authority on traffic regulation. It has been producing model traffic codes for thirty years for the guidance of lawmakers at state and local levels. But it has not learned yet that one good turn deserves another, that all turns can be dangerous and that the day of hand-signals has passed.

## MORE HELL PAVING

The assurance of Secretary of State John Foster Dulles that the US will not shoot its way through the Suez canal are reminiscent of some earlier and now historic remarks of other leaders. In 1940, the late Franklin Delano Roosevelt assured the voters that "American boys will not fight on foreign soil." In a matter of days, his Republican opponent, Wendell Willkie, echoed this pledge. In 1916 Woodrow Wilson, who became the first American president to leave his country during his term of office, assured this nation that we were "too proud to fight."

The Dulles remark appears to mean that if Egypt objects to admitting a US vessel to the canal under the new "users" association scheme, that vessel is to proceed back through the length of the Mediterranean and around the continent of Africa to its eastern destination. Further, Mr. Dulles made it plain that the US would help the shippers of other nations to pay the added costs of the longer voyage.

We can believe the secretary when he says he doesn't intend to go into shooting a war. This nation did not intend to enter World War I, or World War II. Thus, our problem is not so much what we intend to do with respect to Egypt, as how we avoid involvement if and when Britain and or France yield to their inexplicably trigger-happy impulses. Plainly they expect us to rescue them again. And it is equally plain that if there is shooting, Russia will join the fracas, on Egypt's side.

We do not presume to know the answer, since Mr. Dulles (in the British phrase) has missed the bus. We do not even think it would help much if he were asked to turn in his suit. It could be cut down overnight to Thomas A. Dewey's size, and the hat would probably be alright as is.

Thanks to the inability, or unwillingness of Mr. Dulles to hang the heads of Sir Anthony and Monsieur Pineau together and talk some sense into them at the outset of the Suez hassle, we have contributed once more to the stature of the Communists and the Neutralists.

## Grade School News

We are hoping that in the near future the days will be somewhat cooler and maybe some rain that will help to keep a lot of dust out of the air. The mornings are very pleasant and cool, but by noon and during the afternoon the temperature soars close to a point equalled in the desert region of Arizona or California.

We are very busy with our school program and every room is decorated with fall scenery and getting ready for a lot of excitement. We are having a very difficult time of trying to jam all of the school program in to the short course of the school day.

## Changed Her Whole "Point of View"

Some local high school teachers spent the summer taking courses at the State University. They learned a lot, but one of them—Miss Williams—got homesick.

"To save expenses," she reports, "we chose a hotel that was clean but grim. When I found my window looked out on a coal yard—my heart just sank!"

But, when Miss Williams noticed a pot of geraniums on the window sill—and a note saying "Look at these instead. (signed) Last Occupant"—she decided to stick it out. She kept those flowers

watered and tended to things that much easier to next occupant.

From where I sit, it's often just as new customs often strange to us at first. For instance, if you're always with your meals you might odd that I prefer a glass of It's OK to prefer what's best to you... but also keep an mind on what's not.

Mrs. H. A. Goodwin Hostess Thursday To Friendship Class

The Friendship class of the First Baptist church met in the home of Mrs. H. A. Goodwin last Thursday. Mrs. Roy Anderson, president, presided over a short business session.

Mrs. C. E. Knight installed the new officers for the new year in a very beautiful service. She used a large white cross with a kneeling bench at the foot and a lighted candle. As each new officer came forward, they were given a candle to light from the burning candle and were instructed in their new duty. As each officer arose they formed a circle and lifted their lighted candles around the cross as Mrs. Mason sang the world song, The Light of the World is Jesus. All repeated the Lord's Prayer in unison.

New officers for the year are teacher, Mrs. R. P. Thaxton; president, Mrs. Sam Weaver; vice-president, Mrs. Clyde Peed; class minister, Mrs. O. M. Grizzle; secretary, Mrs. J. D. Kennedy; ass't sec., and treas., Miss Ella Billingslea; chorister, Mrs. Leo Foster; reporter, Mrs. J. C. Adams, group leaders, Mesdames H. S. Butts, Jim Ady, W. A. Minick, Reggie Kent, Will Teal, V. C. Skipwith, Roy Anderson, A. W. Coles, J. B. Wright, P. E. Friels, C. R. Chambers.

Other members and service group members present were Mesdames G. W. Varner, E. P. Capshaw, C. L. West, W. W. Browning, B. H. Preston, James Mason, C. L. Bowman, B. F. Hewell, Carl Miller, H. D. Smith, H. L. Lawrence, C. E. Knight, J. G. Cheney, W. B. Short, Lee Garner, Martha Brock.

Lovely gifts were presented to the teacher and president, who have been most faithful in their years work.

A lovely plate was served by the hostess, Mrs. Goodwin, and her co-workers.

Mrs. R. B. Swinford Hostess Sept. 24th Modern Study Club

Members of the Modern Study club met Monday night, Sept. 24th in the home of Mrs. R. B. Swinford.

Club president, Mrs. Lee Bavousett, called the meeting to order. Roll call was taken and each member answered with a brief report on her assigned subject. The minutes were then read and approved followed by a financial report by the treasurer.

Volunteers were taken to assist in the chest X-rays to be given Friday and Saturday, Oct. 12 and 13th at the Corner Drug store.

A motion was passed to make the business meeting brief in order to allow our guest speaker ample time to present his program.

A very interesting and informative speech was given by Mr. Collins, chief psychologist of the Wichita Falls State Mental hospital. His topic was Mental Health.

Mr. Collins stressed the need of the public to be informed about mental illness. He outlined the following factors: 1. To recognize the incidents relative to mental illness. 2. To become aware of the costs involved for adequate care. 3. To recognize who and when others need help mentally. 4. To reduce the fear involved when mental disorders arise. 5. To realize that help is possible.

In order to realize the mental illness situation more fully, Mr. Collins invited everyone to visit the state hospital.

At the conclusion of his talk, a question and answer session was held with all the club members participating. A gift was then presented to Mr. Collins by the club.

Refreshments of punch and cookies were served.

Following adjournment of the meeting, a stork shower was given Mrs. R. B. Swinford.

The door prize was won by Mrs. Billy Askins.

Mrs. Peggy Wilson Received Gift From S. W. Bell Employees

The Southwestern Bell Telephone traffic department enjoyed a farewell luncheon Tuesday in the home of Mrs. Floyd Wilson for Mrs. Peggy Wilson whose husband, PFC. John Wilson was transferred to Lubbock.

A lovely gift was presented to her by the employees. Also a lovely gift was presented to Mary Ellen Bankhead, who resigned last week.

Hostesses for the affair were Dorothy Wilson, Angie Randall, Esta Fay Hoffman, Ruby Plemmons, Harriett Lam, Gwen Metz, Mary McGee, Laura Joyce Fletcher, Peggy Gilbert.

Special guests were Mr. and Mrs. Roy Brown, Virginia and Kinney and Miss Lilley Roark.

Card of Thanks

We are sincerely grateful to friends and neighbors for the contributions of money and clothing and for all the kind deeds bestowed on us when our home was partially destroyed by fire recently. Your kindnesses have meant much to us.

Mr. and Mrs. Herman Green and family.

Mrs. Ted Averitt Hostess Sept. 20 To Forum Study Club

Mrs. Ted Averitt was hostess to the Forum Study club when it met in regular meeting, Thursday, Sept. 20th.

Following the year's course of study, "Our Texas Heritage," Mrs. Eugene McNish and Mrs. J. S. Looney presented reports on the establishment of the French and Spanish Colonies and the Anglo-American and German Colonies in Texas.

Mrs. Wallace Landrum, federation counselor, gave a report on recent developments in general and Texas Federation work.

The club voted to cooperate with the Red Cross in its program being carried on at Shepard Air Force base hospital, by contributing cookies to the hospital one Sunday each month.

To benefit the city park equipment fund, to which the club is making a donation, the Forum Study club will sponsor a drawing on Oct. 12th. Fifty dollars in merchandise from the Elite Dress Shop will be given to the lucky ticket holder. Tickets can be purchased from any club member for one dollar. The winner will not have to be present at the drawing to win. It will be held on Oct. 12th at 3:00 p. m.

Mrs. Marilyn Willard was welcomed to the club as a new member. Following the business session and program, Mrs. Averitt served a refreshment plate to Mesdames Edward Bankhead, Tom Burnett, Winston Freeman, Charles Goins, Ellis Gragg, Frank Greer, Wallace Landrum, J. S. Looney, Clyde McDonnell, Eugene McNish, Don Mills, Jack Northcott, Brack Preston, Jr., Hugh Preston, Jr., Lonnie Taylor, Charles Woodruff, James Wicker sham and Weldon Wright.

TELEPHONE TALK

by C. A. Deuschle, Manager

Visit Again By Telephone

At this time of year, vacations are over for most of us. And I suppose if you're like me, you are already looking forward to next year's. But it's a good thing to remember that those miles that took you hours to cover on your trip can melt away in seconds with a Long Distance call.

That way, you can thank your friends or relatives by telephone for all the fun you had during your vacation visit. They'll appreciate it, and will enjoy hearing your voice again.

Or maybe you met friends on vacation. There's really no better way of keeping in touch with them than by a friendly Long Distance call.

Rates are lower after 6 P. M. every weekday, and all day Sunday. This makes it easier to recall the happy vacation days all year long. Remember, too—call by number—it's twice as fast.

Why Run? Just Reach

Some time ago, I heard a good slogan for extension telephones. It was, "Why run for the telephone when you can reach for it?" It makes sense, too. You arrange furniture and appliances in your house so that they'll be convenient for you. Why not carry this convenience over to your telephone service?

Most homes could use an additional telephone. The kitchen and bedroom seem to be the most popular spots for families now enjoying life with two telephones.

The cost is small for an extension. An installation charge of \$1.25, and the monthly rate of \$1.00 can make you a "two telephone family."

Looking Up Words

You know, people sometimes use words for years before finding out exactly what they mean. Usually, they're pretty close, but it never hurts to dust off the old dictionary and look up a word.

I did it the other day to find out the definition of "value". We talk about value of service a lot in the telephone business, and I wanted to know once and for all just exactly what "value" meant.

In simple terms, it means "real worth". So if you stop and think a minute about how much the telephone does for you, we think you'll agree we're not misusing the word "value" when we talk about telephone service.

For, you see, a good part of the "real worth" of telephone service is the telephone's ability to help you do more things easier day after day.

Call by number. It's twice as fast.

High School 4-H Met Sept. 19th

The high school 4-H club met on Wednesday, Sept. 19th to elect new officers for the coming year. New officers elected are: president, Joan Clayton; vice-president, Barbara Turner; sec., Margaret Vaughan; reporter, Betty Carol Gentry; council delegate, Dovie Sue Taylor.

Only six girls were present for this meeting. One of their projects for the first few weeks will be to enlist new members in the club.

The next meeting will be Wednesday, Oct. 17th.

Mr. and Mrs. Fred Kirkham and children of Pennsylvania were visitors in the home of her parents, Mr. and Mrs. G. D. Broyles this week. Mrs. John Cox and children of Dallas were visitors in the Broyles home last week.

### Tokyo Style Jazz Heard In Stripes

One of the major sequences in Columbia Pictures' Three Stripes in the Sun, starring Aldo Ray, Phil Carey and Dick York and introducing sensational Japanese star Mitsuko Kimura at the Palace theatre takes place in a Japanese dance hall and night club. The new Columbia romance was shot on location in Japan and director Richard Murphy hired a real Japanese dance hall for the scene, and its 200 Japanese hostesses to play themselves. In addition, he also used 150 American enlisted men from nearby Camp Kobe for the day, to dance with the pretty Japanese girls, sit at tables and sip colored water. A further touch of realism for the sequence was the use of the night club's own dance band, a red-hot jazz combination of Japanese musicians. The real name of the Tokyo's night spot is "The Hollywood."

### Don't Run From A Rattlesnake ... Let Him Bite You!

Dutch Wolf is wondering whether it's better to run from a rattlesnake or just let him bite you. Dutch, a former resident of Burkburnett recently had to make that decision. He and a crew were on a drilling rig near Luling, Texas. A rattlesnake was noticed on the derrick floor and Dutch made haste to shut down the rig. In the excitement he ran into some of the equipment, broke some ribs and cut a gash in his head. Now Dutch is wondering if he handled the situation to his best advantage!

### Mrs. A. R. Bunstine Hostess Sept. 19th University Club

The University Study Club enjoyed the gracious hospitality of Mrs. A. R. Bunstine when they met in regular session on Sept 19. Mrs. I. E. Harwell, president, presided over a short business session and the chairman of the program committee introduced Mrs. Joy Sessums in a very interesting paper on automation. She began her most interesting subject by asking the question, What is Automation? Then she answered the question by quoting John Diebold, the author of the article, It is Neither a messenger of doom, nor a herald of Utopia, but it can mean a whole new way of life for all of us, bringing more jobs and a four day work week. She reminded us that black pessimists have pictured automation as a fifth horseman of the apocalypse leaving more unemployment and degradation of the human spirit in its wake she quieted our fears by telling us the good things it will do for the individual worker and for the nation as a whole. Mrs. J. M. Pogue was the second speaker and interestingly discussed sensible science. She quoted Oliver Wendell Holmes when he said Science is a first rate piece of furniture for a man's upper chamber if he has common sense on the ground floor. She gave us some peeps at things to come in the next fifty years and brought out so many interesting changes that have come during these last fifty years. Those enjoying the good program and the delicious refreshments were Mesdames E. R. Burns, B. N. Cauthorn, Bill Crossley, R. C. Tevis, S. S. Reger, J. H. Rigby, Reagan, Mathis, Bill Milam, Joy Sessums, F. R. Kindel, J. M. Pogue, W. H. Holt, I. E. Harwell, Laura Louise Tevis and the hostess, Mrs. Bunstine. Mrs. Bunstine's name was inadvertently omitted in the list attending the club breakfast at the home of Mrs. Burns on Sept 5th.

### What Is PTA?

A parent-Teacher Association is an organization of parents, teachers and other adults interested in the welfare of children and youth. It is non-partisan, non-sectarian and non-commercial. The objects of parent-teacher Associations are to promote the welfare of children and youth in the home, school church and community; to raise the standards of home life; secure adequate laws for the care and protection of children and youth; bring into closer relation the home and the school that parents and teachers may cooperate intelligently in the training of the child; to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education. The Hardin PTA membership drive is now in progress. The dues for one year are 50c per parent. Anyone interested in the things PTA stand for may join this association. If you are a parent of any child in Hardin Grade you will probably be called upon by the local room chairman, but if you are missed, the unit membership chairman is Mrs. Pat Chadwick, 606 East 4th st. The membership drive should be completed before Oct. 15th, so please joins as soon as possible. Mr. L. A. Hatch is reported to be slowly improving at the McKinney hospital.

### Card of Thanks

Words cannot adequately express my appreciation for the many kindnesses shown me during my stay in the hospital. The cards, letters and flowers were especially appreciated. Troy Miller

### BRAZOS DRAINS 6th of STATE

The Brazos River drains a watershed covering 44,600 sq. miles of Texas. In this area lives one sixth of the state's population. Mr. and Mrs. Bill Bean attended the football game at Cisco Friday night. Their son, Gary, a student at Cameron College, was on the football team.

### Devol News Mrs. C. O. WOODLEY

Among those attending workers conference at the Bethel Baptist church Tuesday were Mr. and Mrs. J. B. Stevens, Mr. and Mrs. W. C. Charboneau and Mrs. Gertrude Farmer. WMU Distrist meeting was held in Hollis Thursday. Those attending were Mesdames Lena Hinkle, Grace McClurkan, Belle Charboneau, J. B. Stevens, Gertrude Farmer, Hortense Monson, Eunice Lemond and Grace Uthe. District missionary Argus Burnett of Frederick preached at the local Baptist church at both morning and evening services Sunday. Andrew Brundridge, minister of the Church of Christ in Grand field, will hold a series of meetings in Devol the first week in October. If weather permits the services will be held each evening on the lawn of the hotel building. Everyone is invited to attend these services. Mr. and Mrs. Earl Dodd and Mrs. R. L. Wyatt, Sr., returned home Monday from the northern wheat harvest. They reported working through several states going almost to the Canadian line and experienced two recent snowfalls. Mr. and Mrs. Gerald Turley, former pioneer residents of Devol, but now living in Montana, and Mr. and Mrs. Will Gammill of Randlett visited Mr. and Mrs. W. C. Charboneau recently. Dean Wood of Long Beach, Calif., has been visiting his mother, Mrs. Nora Wood. Mrs. Wood and Dean spent last week in Ft. Worth. Mrs. K. L. Smith has returned home from Galveston, where she has been a patient in a hospital there. Mrs. Dolly Hardin returned home Sunday from Dallas where she has been visiting her children.

### More Irrigation Possible

Ten times as many acres on the Brazos River between Waco and Richmond can be profitably irrigated as is now the case, says the Brazos River Authority. A booklet published by the Authority states that 300,000 additional acres of bottom land could be irrigated if proper storage of Brazos run-off were provided. At present, only 30,000 acres are under irrigation. Adequate assured water supply is necessary to increase the irrigated land.

### LOWANNA

The Red Bud Junior Garden club of the Lowanna Camp Fire Group, was instructed on the care of bulbs for forced blooming indoors, when they met Sept. 18th at the home of Irma Ned Riley. Linda Gale Lawson, Program chairman, demonstrated to the members the proper way to plant the bulbs and cautioned against bringing them out to the light too quickly. The girls were told that too warm a room would cause excessive leaf growth and cause the buds not to open properly.

The new officers for the fall term were in charge of the business meeting held prior to the workshop. Charlotte Johnson, president, presided. The Whoelo Candle was lighted by the vice-president, Shirley Hodges. The song leader, Irma Ned Riley, taught a new song and led the girls in several old favorites. Jo Ann Hervey, secretary, read the minutes. She reported the group has bought and paid for the shrubs and bulbs for the Junior High School planter. Charlotte Wallace, Arrangement chairman has completed plans for the rummage sale to be held Oct. 6th.

For their September party, the members planned a "Pet Show." This will be held Sept. 29th at the home of Charlotte Johnson. Guest privileges will be extended members. Each guest may bring a pet to be judged. Ietha Herring, hostess for the meeting served refreshments of Cokes and cookies.

## From Your State Capitol

BY WERNER STANFORD  
Press Association

John Ben Shepperd of the press of Texas to the 1957 legislative session. They pertain largely to such laws as would have the land, insurance and other County scandals.

Shepperd whose term expires in 1957, addressed the 6th meeting of the Texas Association in Austin.

Other needed laws dealt with means of recovering money unlawfully expended or misappropriated; the riding of public records; requiring special audits; fixing penalties for filing false reports; establishing venue for the prosecution of any state official who refuses to testify on the grounds of self incrimination.

Shepperd emphasized his remarks with this statement: It is the duty of the press to keep the door of the public office open, to see that public officials remain public in every sense of the word. For this purpose, this country has created and maintained a free press.

**Fund Regulation Urged**—A bill to regulate labor union welfare funds is to be introduced in the next Legislature.

Rep. Tom Joseph of Waco said in a recent Austin statement he will back such a law. Supervision would be either by the Insurance Commission or State Banking Department, he said.

Joseph said he believed an excessive portion of welfare payments goes to union fund managers and too little to workers.

**Roads of the Future**—High way construction under the new multi-million dollar federal-state building program is designed to meet anticipated traffic conditions of 20 years from now.

State Highway Engineer D. C. Greer said crossroads and railroad crossings will be either separated or eliminated. Hills will be graded down to allow for speeds of 70, 60 and 50 miles per hour, depending on location.

Roads will be either four lane or two lane with right of way for two more.

Texas' share of the projected nation wide highway network will be 2,900 miles.

**Roughage Program Under Way** After numerous delays, drought hit Texas farmers now are getting federal aid to buy roughage for cattle.

Certificates good for \$7.50 per ton are being issued through nearly 200 county officers of the Farmers Home Administration.

Hay, cottonseed hulls, corn husk and corn cobs are classed as roughage. Already a price rise in hay has been unofficially reported.

One million dollars was allocated for the program. Some farm leaders have predicted this will not be enough, but FHA officials say more money would be forthcoming if needed.

**CROP FORECASTS DOWN**—Dwindling prospects in dryland areas have caused the U. S. Department of Agriculture to revise downward its estimate of Texas 1956 cotton crop.

Forecast now is 3,460,000 bales less than originally predicted, 579,000 less than the 1955 crop.

USDA's rice crop estimate also tumbled this month, from 11,977,000 bags (100 lbs each) to 10,841,000 bags.

Other forecasts: sorghum, 88,428,000 bushels; corn, 25,528,000 bushels; wheat 28,275,000 bushels; pecans, 25,000,000 pounds. Texas' 1955 pecan crop was 38,000,000 pounds.

**'PAPPY' TO RUN REGARDLESS**—W. Lee O'Daniel is going to "personalize" the general election ballot.

Immediately after the State Supreme Court announced that his name could not appear on the printed ballots, "Pappy" said it will be written in by the hands that rock the cradles, and their husbands and their grown sons and daughters.

Secretary of State Tom Reavly had refused to accept O'Daniel's filing as the nominee for governor on the ticket of the Constitution party because the former governor had been defeated as a candidate for the same office in the Democratic primary this year. And the court upheld Reavly's contention.

**SHORT SNORTS**—Index of prices received by the Texas farmers and ranchers has dipped two percent, according to the U. S. Dept. of Agriculture. At the same time farmers' living expense rose two percent. 22 more Texas counties have been designated drought disaster areas by USDA. Low bids totaling \$13,615,860 for 19 projects were received by the State Highway

Department in the September contract letting. Texas taxpayers made a \$23,319 profit on the recent sale of 34 tracts forfeited under the veterans land program. High bids totaled \$238,319. Still retained by the state are 23 tracts on which no bids or too low bids were received. Thefts committed in Texas have increased 14.8 percent during 1956, according to the Dept. of Public Safety. Murders and homicides have decreased slightly. Total so far for 1956 is 437. State Selective Service Headquarters reports draft registration through August, 1956, at 43,000, compared with 44,000 a year ago. Drouth is blamed by the Texas Forest Service for the quadrupled outbreak of woodland fires during 1956. Latest figures for the year show 43,000 acres burned in 2,103 fires, compared to 11,345 in 989 fires last year.

**THIS IS WHERE TOMORROW STARTS**  
A new "inner car" gives you a NEW KIND of FORD for 1957! Coming October 3rd.

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news... a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because... This is Where Tomorrow Starts... with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.

The New Inner Ford  
The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Choice  
Ford offers not only one, but two sizes of cars... each on its own extended wheelbase... each with its own body shell... each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious inter-

iors and elaborate trim. The Custom Series also includes a Business Sedan.

Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!

**The New Ford Look**  
That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine inches!

The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.

**The New Ford Performance**  
You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.

For "Six" lovers, we've got the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

**Here is where your own tomorrow starts**  
It starts at your Ford Dealer's showroom! The cars will be there on Wednesday, October 3. These are the best Fords of our lives. They are the first symbols out of Detroit of the new automotive age that is beginning for you.

This is where tomorrow starts—at your Ford Dealer's.  
This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!

## Burk High Band Winner Tues. At Texas-Okla. Fair

Pat McCabe Wins Top Twirling Honors

In competition with bands from Altus and Frederick, Oklahoma; Jacksboro and Seymour, Texas, the Burkburnett High School Band, under the direction of James C. Wickersham, was named sweepsstakes winner Tuesday in the triple event band competition held at the Texas-Oklahoma Fair at Iowa Park. Burk won first in marching and second in concert playing. The band was presented a sweepsstakes trophy for collecting the most points in the triple event.

The Burkburnett High School Band was topped only by the Frederick, Okla. High School band in the concert playing contest, in which each band was judged on the presentation of two marches. Burkburnett brought home the second place trophy for playing.

Pat McCabe, drum major, with the Burkburnett band, was awarded the first place medal as the best twirler in competition, which included two twirlers from each competing band, a total of ten. This is the second year in succession for Pat to win the first place honor.

Miss McCabe was also voted outstanding twirler at the Midwestern University Twirling School in July and placed second at Huntsville in August in competition with 600 other twirlers.

Pat in her second year as drum major, preceded by two years as majorette, is a senior student, and daughter of Mr. and Mrs. Eugene McCabe. The first place medal from the Texas-Oklahoma Fair this year is the fifteenth medal awarded to her in her four years of competitive twirling.

Burkburnett's second twirling entry, Barbara VanLoh, Junior majorette, was rated fifth in the ten twirling entries. She was awarded second place in last year's competition.

## WSCS Met Sept. 24 In Regular Meeting

The Woman's Society of Christian Service met Monday, Sept. 24th at 2 o'clock in the First Methodist church, for their regular scheduled meeting.

The opening song, Open my Eyes That I may See, was led by Mrs. O. E. Melton, with Mrs. R. H. Henry assisting at the piano.

Mrs. Felix Kindel, secretary of Status of Women, was in charge of the program. She was assisted by Mrs. Hugh Veach. They asked that each woman of the church ask herself this question, What if each woman in this church was like myself? And then to overcome any shortcomings and all work together more closely to further the Kingdom of God.

Mrs. Bessie Scroggs presided at the business meeting.

Members present were Mesdames Bessie Scroggs, Felix Kindel, W. H. Holt, W. C. Gage, A. R. Bunstone, R. H. Henry, O. E. Melton, Bill Haws, Hugh Veach, C. T. Bradford, Jack Mathis, L. W. Mathis, D. M. Lowry, Howard Henderson, J. M. Patterson, Hugh Jones.

The meeting was adjourned until Monday, Oct. 1st for the noon luncheon followed by the first session of the study "South-east Asia." Mrs. Hugh Veach will be in charge of the study. The hostess for the luncheon are Mesdames W. C. Gage, Bill Haws, R. H. Henry, F. R. Knauth, A. W. Newman, J. M. Patterson, J. R. Sprague.

Circle 3 will meet Oct. 2, 7:30 p. m. in the home of Mrs. J. L. Reagan, 608 Sycamore Road. Mrs. Hugh Veach will be her co-hostess. All members are urged to be present as a lot of very important business will be presented.

## Apache Ambush Sparks Vivid Frontier War

An exciting new outdoor action drama of the post-civil war frontier, when the Southwest was the battleground between bandits and cattlemen, renegades and soldiers, is thrillingly told in Columbia Pictures' "Apache Ambush," at the Palace Theatre. The film, which opens Friday, features Bill Williams, Richard Jaeckel and Alex Montoya; in its splendid cast are such other personalities as Tex Ritter, Adelle August and Movita In "Apache Ambush," Williams plays a former Union Soldier and Indian scout who undertakes to bring a giant herd of cattle up the Abilene Trail from Texas to Kansas.

"Apache Ambush" is packed with spectacular action and scenic beauty. The scenes of the cattle moving along the Abilene Trail are breathless in their scope and excitement; the battle scenes are especially tense and thrilling.

Performances are equally fine.

## Bluebonnet Club Met Sept 18 With Mrs. Velma Bohner

The Bluebonnet Garden club opened another club year Tuesday morning, Sept. 18th with a morning coffee at the home of Mrs. Velma Bohner with Mesdames Louise Ratliff and Maude Bohner as co-hostesses.

The new yearbooks were distributed and president, Mrs. Peggy Mathis gave the presidents greetings and welcomed one new member, Mrs. Bessie Waldrup. A short business meeting was held. Minutes of the previous meeting were read and dues collected. Zella Mills was appointed to fill Mrs. Maude Mathis' place on the scrapbook committee. Mrs. Louise Ratliff gave an interesting talk on the litterbug campaign. Mrs. Jessie Preston outlined the landscape project.

Mrs. Ratliff arranged the beautiful pink centerpiece for the refreshment table.

Coffee, cokes, donuts and cake were served to Mesdames Lou Ethel Boyd, Grace Markum, Louise Ratliff, Maude Teal, Bessie Waldrup, Peggy Mathis, Elizabeth Gragg, Florice Jeffers, Maude Bohner, Jessie Preston, Hattie Burns, Earlyne Chambers, Zella Mills, Lola Jones, Elizabeth Brady, Velma Bohner and Mary Cecil.

## Methodist Juniors Entertained Sat. With Banquet

One of the most enjoyable occasions of the year was the one held Sept. 22nd, when the juniors of the Methodist church were entertained with a delicious banquet on Saturday evening.

The tables were beautifully adorned with white and green mats and ivy and other fall flowers.

This was a party honoring our third year Juniors who will leave next Sunday for the intermediate department.

Barney Fudge was the young master of ceremonies and did a most excellent job of presiding and introducing the guests and the program.

The Rev. and Mrs. Felix Kindel and Aquila and Mrs. A. A. McKinnis, superintendent of the

childrens division, were present. Bro. Kindel gave the invocation. Gay Bangs was presented a piano solo and Jimmy sang a vocal solo. The sang several choruses by Mrs. O. E. Melton, department leader for the junior department. Those present were Dick, Barney Fudge, Neper, Stephen and Holly Glen Veach, Carmen W. Ellen Yarbro, Kay Zimm, Jimmy Moser, Ken Van Bangs, Perry Ellis, Sherry Mitchell Henry, Mark botham, Janet Mathis, Smith, Louise McDonald, Ellis, Margaret Faulk, Grove, Mary Mathis and Mrs. Jim Pirtle, supt. of the Mrs. Joe Nichols, Mrs. Foyce, Mrs. O. E. Melton, Mrs. Jack Mathis.

At the conclusion of the program, Barney asked the to join hands forming a circle and repeat the MYF benediction.
