Baby Born In Car Due To Icy Roads

The stork proved faster than an automobile early Sunday morning when a Burk Burnett man delivered his wife's baby while enroute to Wichita General Hospital.

Trenton Mills, 41, was about one mile north of the Red River Bridge in Oklahoma when his 21 year old wife, Betty Jo, told him "stop the car."

Mills told of he and his wife visiting in Randlett, Okla., with father, W. T. Mills when his wife complained of pains.

"Roads were so slick with ice that I Couldn't drive more than 20 miles an hour. About 5 a. m. just more than a mile from Red River, Betty Jo told me she going to have the baby right there in the car. And she did."

"I picked the baby up and spanked her then she started breathing. I wrapped her in a bathrobe and drove into Burk Burnett. The police took us to the offices of Dr. Phillip Carpenter."

Mills said Dr. Carpenter completed the work and complimented him for his job. An ambulance then took Mrs. Mills and the baby to Wichita General Hospital. Mills rode along with them.

The baby weighing 4 pounds, 14 ounces and mother were reported "doing fine" at General late Sunday night. But Mills was still shaken up over his experience.

Said Mills: "Betty Jo took it all in stride, but I wouldn't want to have to go through that again."

Mills said he had read of such deliveries in books but said in all instances there had been several persons on hand.

The Mills have four other children—three boys and a girl. He said they were all born in hospitals.

Mr. Mills wishes to express his appreciation to the Burk Burnett police department and Dr. Carpenter for their services.

Hardin H-D News

Hardin HD Club met Jan. 23rd at the home of Mrs. E. J. Simons for an all day meeting. A penny luncheon was held at the noon hour. Twenty members answered roll call. Three visitors and Mrs. Thelma Wirges, county agent, were present.

Visitors were Mesdames C. J. Smothers, June Hillis and Bert Spley who has moved to Odessa and the club presented her with an electric clock as a golden wedding anniversary gift.

Klinkerman - Lacy Vows Repeated In Clara Lutheran Sun.

Baskets of white gladioli, chrysanthemums and fern flanked by tall white tapers, decorated the altar of the Clara Lutheran church for the marriage of Patricia Ann Lacy of Burk Burnett and Gerald Klinkerman of Electra, Texas.

Rev. Louis Boriack, pastor officiated at the Ceremony Sunday, Jan. 20th at 3 p. m.

Given in marriage by her father, W. J. Lacy, the bride wore a waltz-length net gown over taffeta. Her shoulder length silk illusion veil was secured by a white cap. She carried an orchid on a white Bible.

Maid of honor, Miss Pat McCabe, wore a blue waltz length frock, a pink hat and carried a pink nosegay.

Mrs. Maxine Creel was organist and Mrs. Joe Bob Tyler was soloist.

Best man duties were performed by Jerry McCabe of Burk Ushers were Mike Lacy and Harold Klinkerman.

The reception was held in the church Fellowship Hall, which was decorated with white gladioli, mums and fern. The refreshment table was attractive in lace, with floral arrangement, crystal punch set and large white cake in the form of an open Bible. Misses Norma Teel, Harriet Moore and Vyvyan Morris served.

The bride, the daughter of Mr. and Mrs. W. J. Lacy of Burk, was a senior in Burk Burnett High school. She was chosen school beauty in her junior and senior year and has been active in all school functions.

The groom, son of Mr. and Mrs. Oscar Klinkerman of the Clara community, graduated from the Electra High school and attended Midwestern University of Wichita Falls.

The couple will make their home in Victoria, Tex., where he will be in business.

Prenuptials

Twenty-seven hostesses honored the bride pre-nuptially with a shower in the Wesley Room of the Methodist church. Members of the house party were Mrs. Jerry Thomas, Miss Pat McCabe, and Mrs. Morris Bookbinder.

Miss Kay Morrison furnished music and a trio, Billie Sanders, Vyvyan Morris and Patsy McCabe, accompanied by Carol Benton sang.

Mrs. O. E. Melton presented the gifts to the honoree. Approximately 60 guests attended.

Card Of Thanks

Thanks to each and everyone for the many cards, the visits and the flowers which I received during my recent illness. I am very grateful for the many kindnesses of friends and neighbors.

GRASS ROOTS OPINION

WASHINGTON, IOWA, Evening Journal: "Iowa's right to work law has now been in effect ten years, but efforts to repeal it have been constant and will continue, no doubt. But the argument that such a law was designed to bust the unions has already been lost. The unions have been doing alright under the law. Wages have been going up steadily and membership increasing."

DENVER, COLO., Mining Record: "Human labor is the greatest expense item in the production of anything. Big business cannot purchase labor at any less cost than can small business—and in many instances small business can secure labor cheaper than can big business."

KIMBERLY, IDA., Advertiser: "Giving blood is similar to taking out insurance. But it is more than that. For in sharing our blood, we share a part of ourselves. It is a means of reaffirming the brotherhood of man."

FRANKLIN, IND., Republican: "Independent of all alliances and other divisions of the world into rival camps, the United States and India together can make strong cause in behalf of a world morality."

More Push For American Youth

Latest word from the White House on youth fitness—a subject now under study by a Presidential Council, suggests that the bicycle may be mightier than the dumbbell.

In a discussion of the program with Vice President Nixon, who is chairman of the President's Council on Youth Fitness, President Eisenhower is reported as expressing "particular interest" in more bike riding, and recalling the extensive use of bicycles in Europe.

Thus it is expected that the forthcoming pilot programs in health building to be conducted in three key cities will include increasing the number of cycle paths in public parks as well as other new facilities for body-building recreation.

In the meantime, bicycling receives a nudge from the inaugural parade featuring a float depicting the American family riding what we presume are American made bicycles.

But today and every day, in the National Capital the Council's executive director, Dr. Shane MacCarthy and his five sons are conducting a pilot operation of their own in pedalling five miles on their bikes each morning. And the former World War II Naval officer, who has taught at three universities and served in four departments of the U. S. Government, says the bike trains minds as well as muscles. People who ride together, he says, understand each other better. Which, of course, is the idea of family bicycling.

The Council on Youth Fitness springs from the President's concern over the poor showing of American youth in muscular "minimum fitness test." Half of those taking it in the U. S. failed while 80 percent passed in Italy, Austria and Switzerland, countries where the bicycle is both recreation and transportation.

The Council is on record that the push button age has deprived us of needed physical activity that automation affects rural as well as urban residents and that "The strength of our nation tomorrow is the fitness of its youth today."

With these facts no one can quarrel. So, perhaps all of us, as well as junior, had better get on our bikes.

TAXES CAN BE CUT

The eyes of the nation will be turned toward Minnesota as its legislature begins consideration of drastic tax revisions designed to make the state more attractive to business and industry. The new proposals are the outcome of a 14 month study by a twenty-man committee appointed by Governor Orville Freeman and are contained in an 800 page report on "Taxes and Economic Growth in Minnesota" submitted at the end of the year.

The committee, composed of seven business men, seven labor representatives, four representatives of the state's major farm organizations and two specialists from the University of Minnesota, unanimously recommended complete abolition of the personal property tax. These are the taxes on manufacturers' inventories, grain and livestock held by farmers, and the nuisance tax on household goods which is expensive to collect and unproductive in toto. For wholesalers and retailers, the tax rate on inventories would be reduced.

Total tax relief, from these and other recommendations, is estimated at thirty million dollars a year, yet the committee sees no breakers ahead in balancing the state budget. The recommendations include a system for restoring to local county and town government losses resulting from the tax revisions, and forecast extra income from its proposed withholding plan and other revisions in state income tax procedures.

Most important, the committee, to a man, is confident that adoption of their ideas will give the state the expanding economy toward which they have been toiling. In this achievement, there is assurance of ample tax money and mounting, state-wide prosperity.

"L'Etolie du Nord" (Star of the North) as Minnesota calls itself, may well, through this study, become the Pole star by which the fiscal navigators of the other 47 states can steer a safer course toward that Ey Dorado of whirring machines, fat pay envelopes and shining faces that all are seeking.

In showing how taxes can be made fair and equitable, those Minnesota patriots, representing the diverse viewpoints of business, industry, agriculture, labor, property owners, Democrats and Republicans of varying shades of political opinion, have rendered distinguished service to all America.

SURVIVAL 'HARDWARE'

FCDA Stockpiles Would Aid U. S. After Huge Attack

One of the world's largest "hardware dealers" edison merchandise, has an 80,000-ton "inventory" which is constantly increasing, and hopes that none of the "hardware" will ever be used.

This vast stockpile of machinery and supplies, housed in 65 warehouses across the nation, is the Federal Civil Defense Administration's store of items which would be urgently and immediately needed if the United States were ever attacked.

IT INCLUDES such widely diverse items as medical supplies and blood "expanders" (chemicals which augment whole blood), portable emergency hospitals, gasoline-operated pumps, generators and water purifiers, and radiological "survey meters" for detecting fallout.

FCDA warehouses of all types are located from 25 to 100 miles from most major target areas in the nation, the size of the stockpile depending on the size and potential need of the target city.

While FCDA stockpiles are primarily for man-made disaster, they have also played a vital role in some recent floods.

The cities of Easton, Stroudsburg, and Scranton, Pa., depended on emergency pumps and purifiers for their city water in August 1955. FCDA medical supplies and 600 cots alleviated human suffering in Marysville and Yuba City, Calif., in December 1955, while pumps boated out inundated Yuba City.

STOCKPILE of emergency supplies in Federal Civil Defense Administration warehouse is carefully marked and stored, so that supplies most urgently needed after an attack can be moved more quickly. (FCDA Photo)

FAMOUS Esso Extra GASOLINE

gives extra anti-knock performance in modern engines

Modern cars, especially the 1957 models, have engines with high compression ratios.

Even at this altitude, these engines require the extra performance of Humble's famous Esso Extra gasoline.

It's the best premium gasoline you can buy... with extra anti-knock performance... extra power... extra protection against vapor lock... extra mileage... extra quick starting and warm-up.

Fill up with Esso Extra gasoline under your neighbor's Humble sign — it's famous for performance.

Prevent "the knock you cannot hear" — use famous Esso Extra gasoline.

Engineers call it "trace knock," a knock so faint that only a trained technician can hear it. But like all knocks, it robs your engine of power, forecasts engine damage. If yours is a modern car in any price class — especially if it's a 1957 model — prevent "trace knock" with Humble's famous Esso Extra gasoline.

Notice of Election

THE STATE OF TEXAS
 COUNTY OF WICHITA
 Burkburnett Independent School District:
 TO THE LEGALLY QUALIFIED RESIDENT ELECTORS OF BURKBURNETT INDEPENDENT SCHOOL DISTRICT:

TAKE NOTICE that elections will be held within said Burkburnett Independent School District on the 16th day of February, 1957, at the place and on the propositions more fully set forth in the resolution adopted by the Board of Trustees calling said elections, substantially as follows:

A RESOLUTION
 BY THE BOARD OF TRUSTEES OF BURKBURNETT INDEPENDENT SCHOOL DISTRICT, CALLING ELECTIONS ON THE PROPOSITIONS OF THE ADOPTION OF CHAPTER 528 ACTS 1955, 54th LEGISLATURE, REGULAR SESSION (SENATE BILL NO. 116), ON THE ISSUANCE OF \$120,000.00 OF SCHOOLHOUSE BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF AND ON THE LEVY OF A MAINTENANCE TAX.

WHEREAS, there has been presented for the consideration of the Board a Petition signed by at least twenty persons praying that elections be held on the propositions hereinafter stated; and

WHEREAS, it appears to the satisfaction of the Board of Trustees and the Board of Trustees officially finds that said Petition is signed by at least twenty residents, qualified electors who own taxable property in the School District and who have duly rendered the same for taxation on the tax rolls of the School District; and

WHEREAS, it appears that the Petition conforms to the law in all respects; and

WHEREAS, it is necessary and desirable that two separate elections be called in order to submit said propositions in accordance with law;

THEREFORE, BE IT RESOLVED AND ORDERED BY THE BOARD OF TRUSTEES OF BURKBURNETT INDEPENDENT

INDEPENDENT SCHOOL DISTRICT:

SECTION I

(a) That a separate election be held in Burkburnett Independent School District, at which election the following proposition shall be submitted to the resident, qualified electors of the School District for their action thereupon:

PROPOSITION

Shall the provisions of Chapter 528, Acts 1955, 54th Legislature, Regular Session (Senate Bill No. 116) be adopted by and be applicable to Burkburnett Independent School District?

(b) The ballots of said election held under Section I of this resolution shall have written or printed thereon the following:

PROPOSITION

FOR THE ADOPTION OF CHAPTER 528, ACTS 1955, 54th LEGISLATURE, REGULAR SESSION (SENATE BILL 116) 'AGAINST THE ADOPTION OF CHAPTER 528, ACTS 1955, 54th LEGISLATURE, REGULAR SESSION (SENATE BILL 116)'

Concerning said proposition, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

(c) All the resident, qualified electors of the School District shall be entitled to vote at said election held under Section I of this resolution.

SECTION II

(a) That a separate election be held in Burkburnett Independent School District, at which election the following propositions shall be submitted to the resident, qualified electors who own taxable property in the School District and who have duly rendered the same for taxation on the tax rolls of the School District for their action thereupon:

PROPOSITION NO. 2

Shall the Board of Trustees of Burkburnett Independent School District be authorized to issue the bonds of said school district in the amount of \$120,000.00, to become due and payable serially in the amounts and years as follows:

\$ 9,000.00	1958

Grade School News

We have been patiently wait-
ing for a good snow to come
along and give our reading stor-
ies the right atmosphere and
also to provide the thrill of
throwing a big snow ball. We
hear about the big time of get-
ting out in the snow and run-
ning rabbits and catching snow
birds, but we are beginning to
think that these stories of deep
snow might be just wild stories
that have been handed down
from the far distant past and
stretched to fit the imagination
of one extrovert trying to out-
do all fanciful tales of the neigh-
bors. But it would be great just
to find the snow deep enough to
build a big snow man.

PASSENGER CAR STYLING comes to the trucking business in Ford's 1957 Style-side Pickup. It typifies revolutionary changes in new Ford trucks which Ford dealers display February 1. Full-width styling has more than just "eye appeal." It widens the truck's load area by 20 inches, and adds 25 percent more load capacity than old-style models offer. This pickup is one of nearly 300 models in the 1957 Ford line which ranges upward to huge extra heavy duty models.

LOOK! NEW FORD TRUCKS for '57

LOOK again! They're modern through and through

The boldly modern styling you see just hints at how deep-down modern the '57 Fords really are!
New Ranchero rides, handles and looks like a modern car. It's a rugged truck that carries over half a ton—more than many standard pickups. Ford's all-new Tilt Cab Series brings modern design to the big-truck field. It's America's lowest-priced* Tilt Cab line.
New Ford pickups back up their modern styling with higher power, completely new cabs, a new kind of ride. Style-side bodies are biggest of any pickup.
The trucks shown here just touch the sweeping changes in the new Ford line for '57. See your Ford Dealer for complete details on the truck to fit your job.
*Based on a comparison of factory-suggested list prices.

NEW cabs—completely new—stronger, roomier, smarter! New wider windshield. New inboard step, new Hi-Dri ventilation.
NEW hydraulic clutch standard in all models from pickups to tandems. Easier to operate—works like hydraulic brake. Clutch and brake pedals are suspended type!
NEW Style-side pickup bodies standard at no extra cost. America's biggest pickup bodies! Side loading's far easier with full-width body.
NEW riding comfort! Big new roomy cabs, completely new chassis suspension and increased visibility improve handling ease.
NEW chassis strength! New frames, up to 15% stronger. New sturdier front and rear axles! New higher capacity springs!
NEW power advances! Higher horsepower, freer breathing, higher compression ratios, new Super-Filter air cleaner. Short Stroke engine design—V-8 or Six, in every model!

For '57 and the years ahead—

Identical Twins Celebrated 90th Birthdays

Special to the Star
Mrs. A. H. Lohofener

Parents and visitors in the large and spacious home of Mrs. Preston H. Johnson, on Sycamore Drive in Burnett will be rewarded with a most unusual and interesting visit.

Johnson home is also the home of Mrs. Eva Cunningham and Mrs. Evie Barnes, identical sisters, who have already celebrated their 90th birthday. They have made their home Mrs. Johnson, Mrs. Cunningham's daughter, since the death of Mr. Cunningham in 1917.

The twin girls were born in Burnetts Mills, N. Y., October 26 to Mr. and Mrs. Wilbur Woodruff.

Mr. Johnson was married March 1, 1900 to Dan Bromley. One child was born to the couple, who is Mrs. Mary Wright of Freeland, Michigan. Mr. Bromley passed away and Mrs. Johnson was married in December, 1900 to Mr. Phillip Cunningham of Mt. Alto, Pa., where she lived for several years.

Mr. Johnson also had three other children, two of whom passed away in Burnetts Mills in 1921 at the age of 10 and 11. Mr. Johnson, who lives in Burnetts Mills, Texas, and Mrs. Chatham of Burkburnett, Okla., family moved to Burkburnett in 1919 where Mr. Cunningham was an oil field driller for many years. He passed away in 1930. Mrs. Cunningham has been an ardent reader and fine seamstress. She also does wonderful art for singing and still sews, making aprons and gifts for friends and does much of the family sewing and mending.

Clara-Fairview Community Meet

The Clara-Fairview community held their regular monthly meeting recently with a good attendance.

County Agent B. T. Haws showed slides of other communities' outstanding accomplishments. The ones that were admired the most were a community center that was built, one church that was built and one that was remodeled, a picnic ground that was cleared off, fishing ponds, fences repaired, roads graded and many others that made a community neat and made one feel proud to be a part of.

Miss Thelma Wirges pointed out the importance of having a community organization, knowing how to appreciate your neighbors, working together, helping one another when in need, learning things that make for better living from your neighbors.

Plans were made for this year's work, giving our community the well kept neat appearance.

Games were played and refreshments were served. Next meeting will be Feb. 21 at 7:30 p. m.

Shrub planting time is near. A motion was made to have an authority on shrubs and trees demonstrate the right way to plant and when, also landscaping. Will see you at the meeting.

These remarkable twins both see and hear well, are very interesting conversationalists and keep up with the current events. They share the same combination bed and living room and are inseparable. Mrs. Johnson states, you might see a light in their room at any hour of the night and they will be reading, which is remarkable at 90 years young.

Devol News

Mrs. C. O. WOODLEY

Mrs. Willie Cozby was hostess in her home Thursday afternoon when the Devol Demonstration Club met for their regular meeting. Mrs. Betty Dahms H-D agent, was present and gave a very interesting lesson on Looking Ahead in '57, and led the open discussion in checking score sheets for the outlook factor and farm conditions in Oklahoma. Two new members, Mrs. Minnie Smith and Mrs. Dollie Hardin, were welcomed into the club. The new yearbooks were received, also each one present was presented a booklet on family fare food management and recipes. Refreshments of cocoa, coffee cake and ice cream were served to two visitors, Mrs. Dahms and Mrs. W. C. Copeland and members, Mesdames Lillian Hutson, Beulah Miracle, Eunice Leonard, Lucile Morrow, Edith Patterson, Beatrice McClendon, Ethel McCasland, Clara M. Woodley, Manda Warren, Mattie Hale, Nora Wood, Dollie Hardin, Minnie Smith, Callie Baumhardt and Mrs. Cozby. The next meeting will be Feb. 14th with Mrs. W. C. Charboneau.

Mrs. Andy McCasland was honored at a miscellaneous shower Thursday evening in the home of Mrs. C. O. Woodley with the following ladies as assistant hostesses: Mesdames Danny Parton, Dick McLain, Floyd King, Evelyn Spence, Myrtle Meadows, Vernon Speirs, Earl Dodd, A. J. Mays, F. J. Uthe, Robert Wyatt, A. S. Patterson, V. E. Lagrone, Frank McClendon, K. L. Smith, R. A. Odom, Willie Cozby and Dollie Hardin.

Mrs. McLain and Mrs. Lagrone served cake and coffee to the guests. Mrs. Grace Uthe secured names for the guest book. Mrs. McClendon had charge of the gift display. About twenty-five friends attended the party and others who could not be present sent gifts.

Mr. and Mrs. C. O. Woodley were honored with a birthday dinner Sunday, Jan. 20th in the home of their son, Mr. and Mrs. Bob Woodley in Wichita Falls. Others present were Mr. and Mrs. G. A. Woodley, Mr. and Mrs. Charles Woodley and Linda of Waco and Mr. and Mrs. T. P. Randall of Burkburnett.

Mrs. W. C. Charboneau and Mrs. J. B. Stevens attended a W.M.U. meeting at Snyder Thursday.

Mrs. W. C. Copeland of Dimmet, Texas, was a guest last week of her niece, Mrs. E. N. Miracle and Mr. Miracle.

Mrs. A. S. Patterson spent last week end with her son, Mr. and Mrs. Garland Patterson and other relatives in Littlefield, Texas.

This community was visited by a severe cold and sleet storm over the past week end confining everyone in their homes unless it was absolutely necessary to be out.

Mr. and Mrs. A. S. Patterson and son Garland transacted business in Frederick Saturday.

Burk Garden Club Luncheon Jan. 23
Home Mrs. Pogue

Members of the Burkburnett Garden Club held their annual January luncheon on Wednesday, Jan. 23rd, in the home of Mrs. J. M. Pogue with Mrs. J. L. Caffee as co-hostess.

Meeting at 12 o'clock noon, Mrs. Roy Magers, member of the Unity and Wichita Falls Garden Clubs, presented a program on facts, tips and ideas on informal table setting. Following her lecture, Mrs. Magers analyzed tables which had been set by Mesdames Glen Bear, P. A. Carpenter, D. C. Dodson and Tom Britton.

During the business meeting following lunch, officers were elected for the years 1957-58 and 1958-59. The policy of electing officers for two year terms was instituted with the original request of the state and national organizations four years ago.

Those elected to lead the Burkburnett club for the next two years beginning June 1st, are Mrs. Walter Riley, president; Mrs. Bill Cauthorn, vice-president; Mrs. Tom Britton, secretary; and Mrs. Glen Bear, treasurer.

In the absence of Mrs. C. M. Archer, flowershow chairman, Mrs. J. B. Riley announced the committees for the clubs' flowershow to be held April 24th. The place and details will be made public at a later date.

Mrs. W. J. Tyler and Patsy spent the week-end in Houston visiting Mr. and Mrs. D. G. Salinas and family.

NOW... ENJOY FULLY-AUTOMATIC COMFORT WITH AN

ALL-ELECTRIC Heat Pump

The All-Year Air Conditioner that "thinks for itself"

Maintains any selected temperature the year around—automatically

- Switches from heating to cooling or back again, as needed, without attention
- Eliminates seasonal startups and shutdowns of heating and cooling equipment... just set it and forget it!

Imagine a home in which the indoor temperature stays at the level you like best - from season to season, from day to day, even from hour to hour - all automatically - without lifting a finger.

That's the kind of automatic comfort you can enjoy with the All-Electric Heat Pump. Using only air and electricity, it both heats and cools from a single compact unit - switches automatically from heating to cooling or back again, as needed, to maintain perfect comfort the year around, regardless of weather changes.

With the Heat Pump, there's no manual start-up or shutdown of heating or cooling equipment... no discomfort from unseasonably warm or cold days. And because the Heat Pump is all-electric, it's clean, modern, convenient - an investment in better living that adds permanent value to your home.

For additional information, phone, write or come by for your copy of the free booklet, "Electric Heating Today". It tells about the Heat Pump and gives helpful information about all types of electric heating.
