Capehart School Advertised For Bids

Twelve Rooms and Cafetorium

The Burkburnett Board of Education of the Burkburnett Independent School District has completed all plans and specifications for a twelve class room elementary school and cafetorium to be constructed adjacent to Capehart Housing Project. The planning for this school has been completed since September 19, 1958, when the school board was notified by Air Force officials that it would be necessary for the school to be built off of federal property.

The land for the school site had to be secured by the Burkburnett School District and plans had to be submitted to Texas Education Agency, United States Department of Health, Education and Welfare, and to Office of Housing and Home Finance.

The recommendations from these agencies have been coordinated into a final set of plans for twelve classrooms, auxiliary rooms, office space and cafetorium. The school will have facilities for some 350 students.

The plan of architecture to be used will harmonize with the type being used in the Capehart Housing Project. The building has been planned for expansion for additional classrooms should need arise for additional classroom space.

The Burkburnett School District appreciates the fine cooperation of Sheppard Air Force Base authorities in expediting efforts and plans for school facilities for children of Capehart Housing Project.

Red Cross Annual Campaign Date Set

Annual fund and membership drive of the American Red Cross in the Burkburnett area will get under way the second week in March this year with the members of the Forum Study Club directing the drive under the leadership of Mrs. Hugh Preston, Jr., the president.

The club is completing assignment of areas to various groups and all supplies will be in their hands for the opening day, the date to be announced later, according to Mrs. Preston.

Jeanne Dodson On Honor Roll At Midwestern Univ.

Barbara Jeanne Dodson, a 1958 graduate of Burkburnett High school, has been named to the University Honor Roll for the fall semester at Midwestern University, Wichita Falls. To make the University Honor Roll a student must have a "B" average.

Miss Dodson is the daughter of Mr. and Mrs. H. C. Dodson of 133 Lilac Lane, Burkburnett. She is a freshman at Midwestern studying piano and theory.

Burk Residents Urged to Give Blood at the Red Cross Center

For more than 10 years Burkburnett residents have shared in the life saving benefits of the Wichita County Red Cross Blood Center.

Each year about 150 pints of blood are used by the people of this community.

It cost the Red Cross \$8.00 a pint to prepare the blood before it can be delivered to the hospital for the patients who are waiting for it.

This means that in any given year the Red Cross will spend at least \$1,200 on the residents of Burkburnett in processing the blood they use.

Hospitals make a charge for the work of their staff for cross-matching the blood for the patient and for transfusing it. This does not include any charge for the blood itself.

The importance of an adequate supply of blood for this community cannot be over emphasized.

Blood on hand when a mother hemorrhages in childbirth, or other emergencies such as car accidents occur, is often the difference between life and death.

The county wide Red Cross blood program needs two types of support:

1. Annual fund drives to keep it in operation. The blood bank has no income except from the annual Red Cross and United Fund drives.

2. Blood donors to replace the blood used. The blood bank is operated on the honor system. Patients who use blood should see that it is replaced by their relatives and friends.

Failure to make prompt replacement can result in death for the next patient in an emergency. There is no substitute for blood.

Blood center officials said Burkburnett has a number of donors who have given a gallon and more of blood and are members of the exclusive Gallon club. They also said that in some years as much as 40 pints have been unplaced, which may have forced other patients to go without the blood they needed.

April 15th Is Deadline For Car Inspections

Residents of Wichita Co. were reminded today that the 1959 deadline for having their motor vehicles inspected is midnight, April 15th.

Captain Alan Johnson, of Motor Vehicle Inspection Service, Texas Department of Public Safety, stated today there are 43,662 motor vehicles registered in Wichita County; of these 30 per cent have been inspected.

Drivers are urged to have their vehicles inspected early to avoid a last minute rush. This time of the year is noted for adverse weather conditions which may be predominate during the next two and one-half months. As a result the number of inspection days will be cut down since stations cannot inspect vehicles under these adverse conditions.

"Passenger cars are inspected for brakes, lights, reflectors, horn and windshield wipers; while commercial vehicles are inspected for the above plus additional items required by law," Johnson said. "In 1958 approximately five out of every one hundred accidents were caused by a mechanical defect; therefore, owners are urged to have their vehicles inspected as soon as possible."

Local Citizens Invited to Visit Schools Mar. 2-5

The way of American life and tradition has been the life blood of democracy. We have taken for granted the rights, privileges and beliefs for which our forefathers set forth as the American way of life. It should ever weigh on our conscience that we owe more to democracy than we are receiving if our way of life is to exist.

The future of America has been invested in an informed populace, and the ability of the individual to work toward the aims of society. Our Public Schools have been invested with the responsibility of teaching the principles of educational training that is necessary if democracy is to survive.

We invite you to take a few minutes and visit in your school March 2-5. All buildings will be open Tuesday, March 3rd from 7:00 to 8:30 P. M.

Earl D. Martin is local chairman of Public Schools Week.

Mrs. Brack Preston Hostess February 13 Forum Study Club

The Forum Study Club met Friday, Feb. 13th in the home of Mrs. Brack Preston, Jr.

President, Mrs. Hugh Preston, Jr., and Mrs. Winston Freeman were chosen delegates to represent the club at the district convention in Mineral Wells, March 2-3-4th. The club made plans to entertain the husbands with a box supper on Feb. 27th. Preparations were discussed for the annual fund and membership drive of the American Red Cross in the Burk area which will be March 9th from 7:00 to 8:00 p. m. This year, the members of the Forum Study club are directing the drive.

Mrs. Brack Preston, Jr., was responsible for the program. She presented Mrs. Leroy Myers who spoke on the Part Our Homes Play in this Rocket Age.

Mrs. Don Mills won the door prize.

Delicious refreshments of Valentine motif were served to Mesdames Joe Wolfe, Lonnie Taylor, Tom Burnett, Winston Freeman, Charles Goins, Forrest Green, Eugene McNish, Don Mills, H. C. Preston, Jr., Brack Preston, Jr. and Leroy Meyer.

PROCLAMATION

Today, more than ever before, the importance of schools is being realized by an awakened public. A new perspective has been taken on by us, both in scientific and liberal arts fields.

We rush to train scientists and place satellite space, however, it is important to realize that our public schools will furnish our children of tomorrow with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

An effort to make Texas public schools the best in the Nation, the citizens of our community are urged to take an active interest in the systems and to cooperate with the respective boards, superintendents, principals and teachers.

For the past nine years Public Schools Week has been set aside as a special time each year. Parent visitation is encouraged and each year is urged to recognize the tremendous importance of our public schools.

WHEREFORE, I, as Mayor of the City of Burkburnett, do hereby designate the week of February 2-6, 1959, as PUBLIC SCHOOLS WEEK.

My official recognition whereof, I hereby affix my signature this 24th day of February, 1959.

Sioux Indians Seek Aid From Russia

The proposal by a Sioux Indian leader that the Russians lend his group \$5,000,000 obviously was conceived as a stunt, but it could work. If the Russians want to achieve a mast propanganda stroke, they can use this request to do it.

The United States government has been oh, so very solicitous of the natives in Ubangi, Pago Pago, Communist Yugoslavia and Communist Poland. It has urged billions in aid on them, saying, if effect, "Go ahead and take it. Don't be modest. There's plenty more where it came from."

All the while, there have been millions of Americans, including the Indians, in dire need. For years Indians in many parts of the country have been begging for help. But aid to the Indians never has come a popular vote-getting issue, so their pleas have fallen on deaf ears.

There has been a great hullabaloo about integration in this country in recent years. But has anyone done anything about integrating the Indians into the American society with full rights and privileges? Has any liberal leader bemoaned the fate of the Indians living on reservations in desperate circumstances?

There's at least one very good reason why the bureaucrats in Washington, who are responsible for a major portion of the do-good programs of the federal government, haven't raised the issue of integrating the Indians. The bureaucrats handling Indian affairs would be without jobs if there were no Indian affairs to handle.

It's a shame that the American people would have to suffer embarrassment over an incident like the Sioux leader appealing for Russian aid, but it's their own fault. They've elected to Congress men and women who think the same way the bureaucrats do. When enough of the American people get sick of what is happening in Washington, then perhaps they will force a change.

The change isn't going to start in Washington. It must start at the grass roots with the people.

Stop The Merry-Go-Round

Most adults clothe the merry-go-round with nostalgic memories of carefree childhood. Perhaps they're fooling themselves. We may all still be riding one.

Current proposals from Washington call for a new boost in the federal gasoline tax, to 4½ cents a gallon, to make up an expected "deficit" next year in trust funds for the highway program. This tax was raised to its present 3 cents a gallon rate in 1956 to finance most of the same program, or so we were told. Before that, there was a hike in 1951 to help underwrite the Korean War and one in 1940 for World War II. Originally, the levy was enacted as a "temporary" budget balancing device in the thirties.

Round and round we spin, at such a fearful and wonderful rate, blurry-eyed we might lose sight of landmarks. One of these is the rocky crag of common sense.

If the federal government is going to tax the motorist to raise money which the state in turn—to qualify for federal road funds—has to match by taxing the same motorist, where do we truly stand. Perhaps on the threshold of extinction of the motorist, a fatal blow to an automobile civilization.

Fortunately, in this case, the argument for a federal gasoline tax increase falls flat on its long bureaucratic nose. It just happens that the federal gasoline tax and other special automotive taxes are bringing in about \$1.5 billion more a year than Washington is spending on the road program. So much for the "deficit" in highway trust fund.

Moreover, the present federal gasoline tax, added to steadily climbing state motor fuel taxes, already amounts to a staggering 41% sales tax on a commodity most of us use every day.

Unless we call a halt to the process, however, the merry-go-round may become the only form of transportation for many. Running a car will be too costly, and those who can keep one operating may cut a lonely figure on the deserted Autobahns.

GRASS ROOTS OPINION

PAWHUSKA, OKLA. NEWS: "No where in the world do the people and the press enjoy so much freedom and have so many privileges as in the United States. Much of the freedom that we have, and should hold dear, is due to our newspapers. For, as the great political philosopher, Thomas Jefferson said, "Our liberty depends on the freedom of the Press, and that cannot be limited without being lost."

NOWWICH, N. Y. CHENANGO UNION: "The increase in the number of bankruptcies may not mean that business, in general, has gone to pot. It does mean that some people have stuck their necks out too far. The creditors lose all chance of collecting and the debtors suffer the humiliation of being declared insolvent."

PONTIAC NAMED CAR OF THE YEAR

"Pontiac with wide-track wheels is the best combination of ride... handling... performance and styling of any '59 car" —The Editors of Motor Trend Magazine

In making its annual automotive award, the staff of Motor Trend Magazine, leading automotive publication, tests and evaluates all new cars. Here are quotations from the April 1959 issue:

"The stability of the 1959 Pontiac is the outstanding automotive advance of the year. Everyone considering a new car should experience it."

"It's the best balanced passenger car in America. We firmly believe that in moving the wheels farther apart, to develop the widest stance of any American car, Pontiac has created an entirely new sense of balance and handling security."

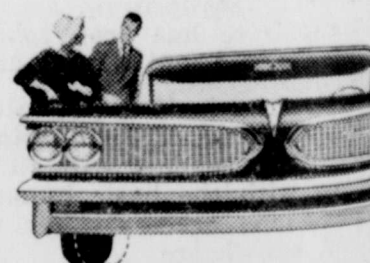

"Pontiac's lines are clean, simple and beautiful. It has a fleet look, a trim appearance. The wide wheel design contributes greatly to its

over-all integrated styling. Any comparison with narrower track cars readily shows the difference."

"For the economy-minded, an efficient new engine. The new 420E Tempest economy engine offers remarkable performance along with exceptionally high mileage while operating on regular grade gasoline."

"Pontiac is again tops in performance, based on our extensive road testing. Acceleration is outstanding, yet the engine is unusually quiet and smooth."

Your nearest Pontiac dealer will be glad to let you road-test this award-winning automobile on your own. You'll see why it's the year's most talked-about car!

THE ONLY CAR WITH WIDE-TRACK

Wheels are five inches farther apart than any other car. Not the car, Pontiac's grip on the road, hugs tighter corners. Sway and lean disappear, ride is balanced, steadier. Handling is easier with a new confidence, a comfort. Pontiac gives you roadability no other car can offer.

**University Club
Met Feb. 18 With
Mrs. J. M. Pogue**

The University Study club met on Feb. 18th in the home of Mrs. J. M. Pogue with the president, Mrs. Bill Crosley, presiding. After the club collect, a brief business session was held. A letter was read requesting the members to sign a petition and send to our Congressman asking him to support the Drivers Education Bill SB 37 and HB 246 which will make a state wide drivers education program possible in Texas. Our president was elected delegate to represent our club at the convention in Mineral Wells, March 2-3rd. Several others plan to go for one day.

Mrs. A. W. Newman presented the program for the afternoon on Conservation. Mrs. Bunstine discussed Water Conservation; Mrs. Harwell, Soil and Forest Conservation; and Mrs. Tevis, Wildlife Conservation.

This was a most interesting program as each of these women very ably brought out the main facts pertaining to their subject.

The hostess served a delicious refreshment plate to the following: Mesdames Brocker, B. Browning, Burns, Cauthorn, Crosley, Harwell, L. W. Mathis, Melton, Newman, Reagan, Rigby, Sessums, Tevis and Laura Louise, Young, Witherspoon and the hostess, Mrs. Pogue.

**Theta Sorority
Met Feb. 23 With
Mildred Good**

Twelve members of Theta Epsilon Sorority met Monday night, Feb. 23rd in the lovely home of Mildred Good with Cleoma Simmons as co-hostess.

The meeting was opened by the president, Evelyn Farris. The Sorority voted to help the Forum Study club with the Red Cross drive with Patsy Adams as chairman.

Eight members plan to attend the District Six meeting which will be in Iowa Park Sunday, March 1st.

The program ESA members and your chapter was given given by Wanda Enloe, Margie Winkles, Evelyn Farris and Bobby Klinkerman.

The George Washington birthday theme was used and refreshments were served from a table covered with a red linen tablecloth which featured a lovely coffee service and the centerpiece simulating a cherry tree. Members present were Bobby Klinkerman, Margie Winkles, Vicki Brown, Patsy Adams, Betty Carter, Frances England, Charlene Smith, Evelyn Farris, Velma Goins, Wanda Enloe, Mildred Good and Cleoma Simmons.

Betty Carter won the door prize.

Note of Appreciation

I wish to express my deep appreciation and sincere thanks to the Freindship class of the First Baptist church, to the Eastern Stars and those I work with on the base, for the flowers, cards and visits, gifts and other acts of kindness shown me during my stay in the hospital. Your kindness will always be remembered
Mrs. Fred Lynch

That's what users say of Golden Esso Extra gasoline . . . and truer words were never spoken!

Golden Esso Extra will improve the performance of any car in any price class.

It is a modern gasoline of highest octane rating and exceptional purity, formulated with special chemicals from Humble's great Baytown refinery. It gives superior anti-knock performance; it burns cleaner than any other gasoline; it eliminates "bucking" when you start and "rumble" as you run; and it adds the power and response

that make driving safer and—yes, more fun! As one Humble customer puts it, "Golden Esso Extra wakes up your car!"

The cost is only pennies more than the cost of gasoline in the middle-price range (about a nickel a day on the average), and you get a dividend of improved performance on every mile you travel. Any car in any price class.

See for yourself—fill up with Golden Esso Extra under your neighbor's Humble sign. Every time!

Future Farmers of America

WEEK, FEB. 21-28

Wichita County Association of Future Farmers of America is celebrating its 36th anniversary week of Feb. 21-28. The week will be celebrating FFA week during which activities throughout the nation will be publicizing FFA work. Future Farmer, a boy who has enrolled in an agriculture class to receive instructions in farm stock, poultry, farm machinery, parliamentary procedure farm problems, was organized on a level in 1923 and in 1929. It was born of a desire to assist in becoming established in farming projects, to stimulate agricultural interest in vocational education, and to provide prizes for students in various agricultural fields.

The past year fifteen members from the Burk Burnett area received recognition for their achievements in chapter activities. They were through active in chapter activities to learn how to conduct part in public meetings.

ings, how to speak in public, how to solve their own problems and how to assume civic responsibilities. The foundation upon which the FFA organization is built includes the development of agriculture leadership, citizenship and cooperation.

FFA is a non profit non political farm youth organization with voluntary membership. It constitutes one of the most effective agricultural teaching devices that has been discovered up to the present time. It is 100 per cent American in its outlook, has no outside affiliation and there is no secrecy in connection with any of its activities. It is organized vocational education on a farm youth level: Improved agriculture, better local communities, a more satisfying farm home life and more efficient farmer-citizens are emerging as a result of the boys experience.

MARTHA BRYAN YWA'S

The Martha Bryan YWA's observed YWA Focus Week Feb. 9-11 by giving a semi formal tea in honor of prospective members. It was held in the Mary Martha room of the First Baptist church. Charlotte Begeman, president, opened the meeting and extended a warm welcome to the guests.

Dee Ann Welborn then introduced the speaker for the evening, Mr. Gavin Vaughn, Educational director of the church. He brought a very inspiring message to the group.

Refreshments of spiced tea and cookies were served by Janella Sanders and Dee Ann Welborn.

Guests attending the tea were Etta Lee Brandon, Julia Henry, Sally Walbrech, Shirley Overton and Margie Potts. 14 members were present.

Wednesday evening the YWA's met in the First Baptist church. Mrs. George Abdouch spoke to them and presented pictures and slides of Alaska. It was also very enjoyable. There were 15 members present at this meeting.

It's well to forget the past because the future will give you plenty to worry about.

News From The HD Agent

Mrs. W. E. Karstetter, home-stead improvement leader and demonstrator has recently started work to improve her own home landscape. Mrs. Karstetter represented the Park Area HD club at a landscape training meeting, given by Miss Sadie Hatfield, Extension service from A & M College. Following this training, Mrs. Karstetter passed the information on to her club and to individuals.

Just this month, Mrs. Karstetter started a demonstration in her own yard. She first took a look and found the thing many a homemaker would find, if she would take a look at her own landscape. Mrs. Karstetter found a bunch of dead looking plants across the front of her house, a cedar planted in the center of the yard, shrubs too close to the house and old walk no longer used.

With the help of the county HD agent, Thelma Wirges, Mrs. Karstetter drew a plan and began work. To date, the walk has been removed and will be used in a patio as a part of the outdoor living area. The cedar has been removed, which makes the yard look much larger. Lawn area never need to be broken

with beds or specimen plants.

Now for the big step. Mrs. Karstetter had all the deciduous plants moved from the front of the house. These have been moved to various areas in the back. She is now adding evergreen shrubs to the front of the house. In selecting these shrubs she selected shrubs to fit the design of the house, shrubs adopted to this section of the state and planned for a variety of color and texture.

For many homemakers, it is hard to keep flowers and bulbs away from the front. Just take a look right now and you can see they are not pretty all year. Mrs. Karstetter planned a special area, in the back for these. All shrubs in the Karstetter landscape are 3 to 5 feet from the house. They will not have the problem of shrubs growing out of their space. You might take a look at your own landscape. Most likely you will see some changes to be made.

Some 100 leaders have enrolled in advanced clothing workshops. The advanced clothing workshops are for all Wichita County Homemakers interested in learning advanced dressmaking. The 100 enrolled will serve

as leaders and will be trained by Thelma Wirges, County HD agent. The leaders will teach some 150 others, the information they receive.

Preworkshop meetings were held in Electra, Burk Burnett & Wichita Valley last week. Instructions were given on Pattern fabric and equipment. Pattern alterations were also taught.

The leaders will all construct a dress in the workshops that will start next week.

The Wichita County Program Building Committee will meet Thursday, March 5th at 7:00 p. m. in the Wichita Valley Farms.

Mrs. Edgar Schubert and sons James and Edgar, Jr., and daughter, Annette, and Mrs. Elbert Markgraf and daughter Debbie of Seguin, Tex., were weekend visitors in the Jack N. Reed home.

believe in the old time power of
God to save, deliver, heal and
meet your every need. We ex-
tend a special invitation to the
children for all of our services.

Farm Bureau Slates Drive For Members

Ten dollars is a small fee to
pay to protect an investment
amounting to thousands of dol-
lars, but that's all a member-
ship in Farm Bureau costs, ac-
cording to Terry Brogdon of
Electra, president of the Wich-
ita County Farm Bureau.

Mr. Brogdon announced that
the local county organization is
staging its annual membership
drive beginning Feb. 23rd with
a kick-off meeting of the mem-
bership workers and their wives
at the First Methodist church
Educational building at 7:30 p.
m. in Iowa Park. Mildred Shivers
organizational Director, Texas
Farm Bureau will be the speak-
er. Mr. Shivers came to Texas
from the Tennessee Farm Bu-
reau and is well known through-
out the southern states for his
Farm Bureau activities.

The county farm leader de-
clared that membership in Farm
bureau is best assurance that
a farmer or rancher has that his
economic future is protected.

"Farm Bureau is owned and
controlled by its members and
is primarily designed to safe-
guard and promote agricultural
interest on the local level, in
Austin and in Washington," Mr.
Brogdon said. He explained that
one of the benefits a member-
ship in Farm Bureau buys is full
time representation in the state
Legislature and national Con-
gress.

Three out of every four or-
ganized farmers and ranchers in
this nation belong to Farm Bu-
reau, he explained. And our or-
ganization spares no effort to
obtain maximum membership
participation in the develop-
ment of policies that guide the
organization on all levels.

The Wichita County Farm Bu-
reau has set a quota of 525
member families for 1959. Last
year the organization had 364
enrolled.

Joe Cunningham of Wichita
Falls, is the county membership
chairman. Community chairmen
working on the drive are: Burk-
burnett, Henry Vaughan, C. A.

Morgan and J. C. Hinkle; Electra
Ed Foster, Jr., Cliff Brogdon, C.
H. Arnold, Fred H. Lalk, Carl
Moeller & T. H. (Dutch) Eckel-
kamp; Iowa Park, Loyd Bell,
Cletus Moore, Will Spruiell, Joe
C. Price, Jr., Loys D. Barbour,
Carl Williams and Tom Pace;
Wichita Falls, Frank Krajca, Dr.
Raymond Hander, Mrs. Faye
Bridges, Max Carpenter, Jack
Brazeal, W. T. Jenne, Connie
Nolen, Wymore Downing, W. M.
Morton and Pete Powell.

County President Brogdon
said that this county's member-
ship drive is part of a statewide
effort to gain enough to place
Texas in fourth place in the
national standing among state
Farm Bureaus.

It's possible that a college ed-
ucation doesn't always pay, but
that doesn't release Pop from
his financial obligation.

Self made men should be
more careful in selecting the ma-
terials they use.

C. O. WOODLEY
Carl Coker was hostess of the regular meeting when it met in her home at 1015 S. 10th St. The meeting was held on Wednesday, Feb. 25, 1959. The program consisted of a business meeting, a prayer, a reading of the 27th and 28th chapters of the Bible, and a song. The meeting was well attended and a good time was had by all. The next meeting will be held on Wednesday, March 11, 1959, at the home of Mrs. C. O. Woodley, 1015 S. 10th St.

Friberg P-T A Met Recently

The Friberg P-T A met recently in the school cafeteria with the president, Mrs. Pete Goodin, presiding.
Mrs. R. C. Moser gave the devotional for the day.
The secretary-treasurer, Miss Jerry Roberts, gave her reports. The reports of the different committees were also given. Four members completed a parliamentary course taught by Mrs. D. O. James, District 13 president.
A course in Family Life was set for Feb. 23rd at 3:30 p. m. at the school.
The election of a nominating committee included Mrs. Bob Stewart, Mrs. Kathryn Daniels and Mrs. R. C. Moser.
The program was given by the first and second grade students. It included a skit on Indian Life and Indian songs. Mrs. Jerry Roberts is the teacher.
Mrs. Jackson's 5th and 6th grades won the room award.

2509 Students Enrolled East Texas State College, 1959

Official registration figures released today by Registrar John Windell show 2509 students enrolled at East Texas State College for the 1959 spring semester.
The number indicates a 9.6 per cent increase over a similar period in 1958 when 2428 students were registered.
Fall registration showed 2607 students enrolled. The 98-student drop in spring enrollment is below normal. The registrar said normally the decrease would be in excess of 10 per cent below the fall enrollment.

Local Births

Birth certificates were issued to the following Burkburnett parents last week: Messrs and Mesdames:
Wallace Burl Landrum, boy, Jeffrey Carl
William Albert Wood, girl, Dorinda Renee
Grover Junior McElvain, boy, Teddy Glenn
LOTTIE MOON GA'S
The meeting was called to order at 3:50 p. m. by Virginia Stamps. Carolyn Trevillion led us in our opening prayer. We said our GA allegiance then sang "We've A Story to Tell to The Nation." Roll was called and the minutes were read. The meeting was then turned over to Mrs. Landrum. Several girls dismissed us in our closing prayer. Fourteen were present.

Frisky Blue Birds Visited Star Office Wed., Feb. 18

Twelve members of the Frisky Bluebird group and one visitor paid a visit to the Burk Star office Wednesday afternoon. Following a tour of the office, the girls then went to Butler's 5 & 10 Variety Store. Mrs. Turner presented the girls with some bubble gum. Leaders of this group are Mrs. Dorothy Coyle and Mrs. Jean Matthews.

WA HAN KA CAMPFIRE GIRLS

We had our regular meeting Feb. 10th in the home of our leader, Mrs. Rambo. We practiced our program for the banquet. The girls decided to make sock dolls for the children at the hospital. We will bring the materials from home to make the dolls. The girls decided to take turns bringing refreshments for the meetings. Everyone was present.

Miss Bessie Woodall, who is a house guest of her sister, Mrs. E. N. Miracle and Mr. Miracle, was reported quite ill last week but seemed somewhat improved Monday.

Tax Man Sam Sez:

The chances of Junior getting a better education than Dad on how to prepare an income tax return are pretty good. In the Dallas District 771 high schools and colleges have more than 2600 teachers instructing some 75,000 students. The material prepared by Internal Revenue Service is excellent material and can be used by any teacher without too much trouble. However, the Texas Society of Certified Public Accountants are cooperating with the Internal Revenue Service and the schools to provide a local CPA wherever possible to hold a question and answer period with the teachers and the students at the end of the course. The CPA's are taking time out during their busy season when they are ordinarily filing tax returns for Dads to go to the school and try to answer some of the skull-busting questions. This sort of cooperation in educating our young Texans is proof of the sort of country we live in.
Visitors in the J. L. Kinney home last week were Mr. and Mrs. W. M. Edwards, Mr. and Mrs. Herring and Mrs. J. A. Norwood all of Electra, and Mrs. Bob Schuler of Borger, Texas.
