BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, MAY 21, 1959

NUMBER 37

Formal Opening Manhattan Department Store Friday Morning May 22nd 9 a. m.

The newest thing in Burkburnett is the completely modernized Manhattan Dept. Store owned by D. C. Dodson. He purchased the store in 1945.

On hand to greet people when they attend the grand opening Friday, May 22nd, will be C. M. Archer, manager. Archer came to Burkburnett to manage the old Manhattan back in 1945, just after he was discharged from the Coast Guard. He had had several years' experience with a large department store prior to entering the service.

The new Manhattan is really new—from the front door to the back and from the floor to the ceiling. A list of the improvements made include: acoustical ceiling, tile floor, slimline fluorescent lights, refrigerated Servel air conditioning, and latest type open display fixtures for self-service. The front of the building is clear vision type, trimmed with Mosaic tile. A new signature sign adds dignity to the front of the store.

According to Mr. Dodson and Mr. Archer, new lines of nationally advertised merchandise have been added to the former brand names carried by the store, and other new lines will be added from time to time.

Every one is extended a cordial invitation to attend the grand opening Friday. Many door prizes are offered.

Troy Miller has been returned to his home here from a Wichita Falls hospital and is reported slowly improving.

Organizations Are Working to Use Swimming Pool Money New \$35,000.00 Project

Spring, the grass is green and the weather is warm. As you probably know, the swimming pool is almost up and running. The organizations are working to use the money from the pool to build a new swimming pool.

The proceeds from this race will be given to the pool fund. Other clubs are selling rodeo tickets and the club selling the most tickets will win for the Queen of their choice. The Rodeo Queen will be presented in the arena at each rodeo performance. The money made from this source will also be given to this fund. The Rotary club is selling chances on a beautiful fiberglass boat, motor and trailer for the pool's benefit.

The boat is on display in the window of Wolfe Ford Motor Co. Tickets are \$1.00 each or six for \$5.00. The outfit will be given away the last night of the rodeo in the arena. It is not necessary to be present to win.

Mrs. Ralph White, James Brady, Floyd Marten, Joe Crowley and many others have worked long and diligently organizing and promoting the idea of a swimming pool for the youth and grownups of Burkburnett and there are at least one hundred sixty people who also believe that Burkburnett is a wonderful place to live and raise their children and that it is worth a great deal of time and effort to provide a swimming pool at home instead of having to drive to Wichita Falls to take their children swimming.

If you are interested in helping with this project please contact Mrs. Ralph White or James Brady at 409 Ave C. Your help is desired and appreciated.

GRASS ROOTS OPINION

BARTOW, FLA., THE POLK COUNTY DEMOCRAT: "We do not forecast anything like the experience of service men in France, who in 1917 were able to exchange \$200 in United States money for 1000 francs and who now could exchange the same 200 bucks for 84,000 francs—but it does provide food for thought as we approach nearer to unsavory inflation in our own country—actually, money is worth only what it will purchase."

ROSHOLT, S. D., REVIEW: "Your Uncle Sam makes money making money—this year more than \$40,000,000 on the coins it turned out in the fiscal year starting July 1st. Profit is made because the metal that goes into the coins costs less than their face value. For instance, the Government uses only 12 cents worth of metal for every \$1 worth nickels. Now the question is, does Uncle report this profit on the long or short form?"

CORVALLIS, ORE., GAZETTE-TIMES: "We have great sympathy for the trials and tribulations of the newspaper reporters. They have a difficult job and have to pick and choose a great deal of the time between what to put into a story and what to leave out because of space limitations. Somehow, though, when it comes to writing labor news, private industry seems to take the beating. It wouldn't be fair to say this is because many reporters belong to a labor union themselves, most of them are too conscientious to let this effect their reporting. But it seems that always in the first part of any story the labor spokesman is quoted and the private industry man never gets heard from at all."

Tibetans Are Neighbors Now

Toiling over the roughest terrain on the globe, down off the "roof of the world" into the sanctuary of India have come ten thousand Tibetans, worn and starving, sick and wounded, to join the 8,000 refugees who had preceded them. And more will follow.

To save the lives of those who escape the Red Chinese terror, Chairman Lowell Thomas of the American Emergency Committee issued a nationwide appeal for financial aid, for food, clothing and other supplies, and noted particularly that "medical aid is desperately needed."

Within 48 hours, a swiftly organized emergency shipment of life saving drugs, Terramycin, penicillin and others—the first response of American industry to the Committee's appeal—was loaded aboard a Pan American Airways jet for London and immediate transshipment by air to New Delhi consigned to India's Central Committee for Tibetan Relief. This was the first shipment of a supply of drugs made available by John E. McKeen, president of Chas. Pfizer and Co., Inc. on which the Committee may draw as needed—up to \$350,000 worth.

In thanking Mr. McKeen for the assistance his company has rendered, Chairman Thomas reported that within a few days of the Committee's appeal, more than \$700,000 in supplies and funds had been pledged. At this writing, just a week from the original plea, pledges of cash total \$125,000 and supplies \$750,000.

Pfizer's speedy response will remind many Americans of the company's swift action in the tragic days of the near successful Hungarian Revolution in October-November of 1956 when it supplied large quantities of wonderdrugs to the International Rescue Committee. These, too, were flown overseas by Pan-American as a part of its contribution and smuggled from Vienna into Budapest before the border was clamped down by ruthless Reds.

From no other country in the world could such massive assistance from private business (including other pharmaceutical manufacturers besides Pfizer) and private citizens spring in so short a time. Most impressive of all, perhaps, is the fact that aid to the Tibetan refugees is just one more demonstration of the Ordinary American's unflinching readiness to help the under dog. The Reds, both Chinese and Russians, whose bloody tyranny has provided us so many opportunities, should ponder this. It may be our secret weapon, the present day manifestation of the spirit of '76.

Eye Opener

Does anyone still believe the fiction that most of the cost of government is borne by the well-to-do, and that government spending isn't of much consequence to the rest of us?

If so, something said by an official of a leading manufacturing company should be an eye-opener: "Few people realize it, but 84 percent of all the revenue obtained by the personal income tax comes from the basic 20 percent rate and only 16 percent of the revenue arises from progression. If the income presently taxed in excess of 50 percent were taxed only at that rate, the direct loss in revenue to the government would be just \$734 million, is approximately 1% of federal revenue collections."

THE AMERICAN WAY

Wasteful Overflow

A Labor Super Monopoly

Just suppose you picked up your newspaper and read that the owners of all the bus lines, airlines, rail lines and steamship lines, were organizing so that when one made any demands on shippers or travelers, they would all stand together, and if the objective could be accomplished in no other manner, they would tie up the transportation of the nation until they got what they wanted. Not only would they tie it up, but they would seek to prevent any one else from rendering such service. It is pretty obvious what would happen in such a case. The anti-trust laws would be invoked and the government would probably call out various branches of the military service to keep the trains, airplanes, buses and ships operating and the principals would face fines and jail sentences.

Tying up the transportation system of the nation by its owners is beyond imagination. They are not subject to any of the anti-trust laws that affect the carriers so their labor bosses can work to form a grand alliance dominating every form of commercial transportation.

We read that an unprecedented teamster led monopoly is taking shape in the face of all the disclosures of the McClellan Committee. Reports in the press indicate that Congress fears to pass corrective legislation that will in any material degree bring union combines under the same laws and regulations that affect every other business and individual in the country. Development of the teamster's super monopoly is as frightening to contemplate as is the struggle between the communistic and the free world.

Announcer for Rodeo June 16-18

BUD TOWNSEND will serve as your rodeo announcer this year. He is a veteran announcer who started out at the age of 16. He began his rodeo profession as a bull rider, but his brother, Dr. Bill Townsend of L. S. U., insisted that he quit riding bulls. One day, Bud was at a small rodeo in Ringgold, Texas, and the announcer failed to show up, so Bud took over the job and has been at it ever since. He has attended school at Decatur Baptist College and Midwestern University. He works each year from coast to coast, including such top rodeos as Chief Joseph Days in Joseph, Oregon; The Black Hills Roundup in Belle Fourche, South Dakota; Little Rock, Arkansas; Baton Rouge, and Alexandria, Louisiana. He is an official of the R. C. A. and serves in the capacity of Contract Spokesman.

Olen Baley Placed Fourth In State Judging Contest

Mr. B. A. Farris, Jr., Teacher, Vocational Agriculture Burk High School, Dear Mr. Farris:

In checking the individual scores of contestants in the State Livestock Judging Contest I find the following scores for the Burkburnett FFA team.

Olen Bailey 557
Willie Morton 552
Ronnie Moulder 490.

This places Olen in a tie for 4th high individual. Willie had a higher score than the individuals announced as individual award winners and who received awards. I am therefore ordering him a 10th award and Olen a 4th place award medal. I shall mail it to you as soon as it arrives.

Please express my regrets to Olen. He should have received his award the day the results were announced. Please also accept my apology for having permitted the error to get by. The members of the tabulating committee overlooked some of the high scoring individuals when selecting them.

I hope this method of handling the situation is satisfactory. If there are any questions please write.

Sincerely,
J. R. Jackson,
Associate Professor, Chairman,

Bluebonnet Club Install New Officers Tuesday, May 12

The Bluebonnet Garden Club met May 12th in the lovely home of Hattie Burns for their May luncheon. Gail Butts, Lou Ethel Boyd and Earlyne Chambers were co-hostesses for the occasion. The invocation was given by Bertha Johnson. Table decorations for the lovely luncheon were spring flower arrangements.

Following the delicious meal president Velma Bohner, called the business meeting to order by having the members repeat the club invocation. One visitor and two new members were welcomed. Assistant secretary, Maude Teal, read the minutes of the last meeting. Reports of the various committees were heard. Treasurer, Hattie Burns, gave a report of the years finances. It was also reported that 12 members and one visitor attended the Pilgrimage April 28th, to Benson and Rogers Gardens in Wichita Falls, had lunch at Luby's Cafeteria and visited experimental station in Iowa Park.

Velma Bohner was program leader for the day. Roll call was answered with my favorite program of the year. Elizabeth Gragg gave the history of our club which was very interesting.

Mrs. Peggy Mathis installed the new officers using a miniature musical instrument as her theme. She presented each officer an instrument as follows: president, Lou Ethel Boyd; vice-president, Grace Markum; Recording Sec., Zella Mills; assist-

Founder of Mrs. Baird's Bakery To Celebrate 90th Birthday Sat.

On Saturday, May 23rd, in Ft. Worth, Texas a birthday is being celebrated—the 90th birthday of Mrs. Ninnie L. Baird, whose life proves once again that America rewards the old fashioned virtues of courage, determination and devotion.

Not that this unassuming woman considers herself remarkable. She is much likely to talk about her four sons and three daughters, her 23 grandchildren, 43 great grandchildren and two great great grandchildren than about the fact that the baking business she started in her home kitchen has grown to be the largest independently owned baking business in the nation.

Her neighbors had always praised the bread she baked. So in 1908 Mrs. Baird, using her own wood burning range, started baking bread to sell. Her children helped her, the two oldest boys delivering the still warm loaves in baskets to their customers.

More people wanted the loaf they were calling Mrs. Baird's Bread, so a larger range was bought. Later a little bakery was built in the back yard of the Baird home, and a horse drawn wagon was bought to make deliveries. As the sons grew to man-

hood it became obvious that the demand for the kind of bread Mrs. Baird baked called for volume baking facilities.

First one larger bakery was built, then others, until today there are five great modern bakeries turning out Mrs. Baird's Bread and cakes in key Texas cities. Every step of their operations is personally supervised by Mrs. Baird's sons and their sons, all trained in Mrs. Baird's own tradition: To bake an even better loaf tomorrow than the one baked today.

As chairman of the board of Mrs. Baird's Bakeries, Mrs. Ninnie Baird still keeps a watchful eye on products that's made her name a household word across the broad expanse of Texas. She will take time out today to receive a scroll signed by 1,500 admiring employees to mark her 90th birthday, while Texas and the nation applaud this woman who built her baking skill and her motherly determination into a great business enterprise.

Burk Salesman Signs Scroll for Mrs. Ninnie Baird

Dale Spitzack signs a scroll which will be presented to Mrs. Ninnie L. Baird on her 90th birthday. Mrs. Baird, founder of the baking organization which bears her name, will be 90 Saturday, May 23. Spitzack is a salesman who serves grocers in the Burkburnett area for Mrs. Baird's.

KEEPING PACE WITH GROWTH

City grows, its living, shopping, transportation, recreation needs change and grow. Burkburnett is growing at a fast rate, and more growth and development is just around the corner. Just last week, 70 new homes were counted under construction in Burkburnett. In 1960, extended area telephone service between Wichita Falls and Burkburnett will be a reality.

Engineering additions to the Burkburnett and Wichita Falls area is under way, as well as work on connecting roads. A major outside plant estimate costing \$1,000,000 and placing of 6,450 feet of 600 pair cable to Sheppard Road and new additions along the Dallas Highway is on the way.

Some of the things we at Southwestern Bell are doing to keep pace with the communication needs of a growing and changing Burkburnett.

Make It A "Holiday" Weekend With A Long Distance Call

Each year, many of us had a three-day weekend celebration Day fell on Friday, and it'll be the same year when it comes on Monday. But this year, we threw us a little curve and Decoration Day fell on Saturday. This cuts out the chance for a three-day trip to see friends or family. A holiday is a family get-together day, several friends have told me they still plan to "get together" on a long distance call over the week end. The next best thing to visiting in person," one friend told me, "and we can make quite a few out-of-town calls for the cost of traveling over the weekend." It makes sense to me, and I hope many of you will join our Decoration Day weekend here in Burkburnett. Long distance call to friends or family. You know, rates are lower after 6 p. m. week-end day Sunday. And when you call, call station-to-station. That way, you'll be able to make three calls for the price of two. That's a real saving!

IT'S FUN TO PHONE

Often do we use the phone "just for the fun of it." You ever stopped to think how many times a call has been the beginning of a lasting friendship? Pleasant evening with neighbors? Often tell me of calls they made "just to hear" the other person. Chances are good they've probably done the same. Chances are good they'll do it again.

That's easy. Because it's fun to phone.

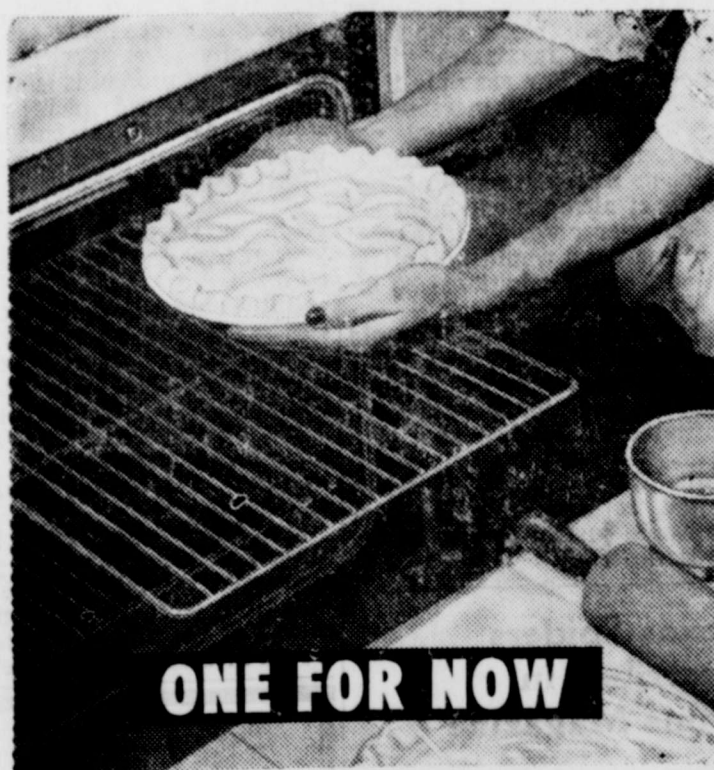

Call by number. It's twice as fast.

You can bake ahead and cook ahead for future meals... with an ELECTRIC FREEZER

You can save hours of cooking and baking time by making smart use of your Electric Freezer. Instead of baking one pie or cake, for example, make two or three while you have the ingredients out, and freeze the extras for future use. And when you prepare a dish like stew, chili, meatballs

or meat pie, double or triple your recipe and freeze the surplus. By planning and cooking ahead you soon accumulate a freezer full of tasty meals that need only warming to serve. You'll find your Electric Freezer saves shopping trips, too. And it stretches your food budget by letting you take advantages of food specials and in-season low prices.

Deloris Fleming, Raymond Clement Plan August Vows

Mr. and Mrs. G. W. Fleming of Friona, Tex., are this week announcing the engagement and approaching marriage of their daughter, Deloris Faye to Raymond Earl Clement, son of Mr. and Mrs. L. B. Clement of Bowie...

The wedding has been scheduled for Sunday, August 23rd at the First Methodist church in Burkburnett. Officiating minister will be Rev. T. Herbert Minga, Methodist District Supt., Denton, Texas.

Miss Fleming is a 1956 graduate of Burkburnett High School where she played on the basketball team three years. She attended Friona High School for one year in 1954 and for the past two years has been attending North Texas State College at Denton.

The groom-elect is a 1956 graduate of Bowie High School where he was a member of the football team for four years and track team three years. At the present time he is a senior physical education major at North Texas State.

Whether you eat them in preserves, on ice cream, in a pie, a shortcake, or fresh with cream and sugar, it's berry time. Why not freeze some strawberries or dewberries now while they are in season to enjoy later during the non productive months?

Rev. and Mrs. T. F. Keesee and Cheryle, Mrs. Bonnie Milsted and Jan and Mr. and Mrs. W. B. Sanders, all of the Burkburnett Church of the Nazarene, and Mrs. Madlyn Downey of Bethany, Okla., attended the NYPS and NFMS Convention and District Assembly in Lubbock, Texas, May 11-15.

Freezing is Quick Way to Preserve Fresh Vegetables

Freezing is a quick, easy way to preserve fresh greens, asparagus and other spring vegetables. Thelma Wirges, county HD agent says freezing keeps the natural color, fresh flavor and food values of most vegetables and fruits better than other methods of food preparations.

For best results, select fresh tender vegetables right from the garden while they are at the right stage of maturity for eating. Other factors that influence quality are preparation, packaging, freezer loading and length of storage.

Latest information on how to freeze and how to cook frozen foods is available from your HD agent and trained leaders.

Leaders were trained for food preservation workshops in 1959. This spring, leaders received additional training. Leaders have copies of the latest frozen food bulletins, have prepared educational exhibits and are planning method demonstrations for HD clubs and special meetings for non club members.

Leaders giving club and special demonstration this year are: Mesdames A. A. Brockriede, C. E. Nolan, Pete Wyatt, P. S. Swinford, O. A. Melton, A. W. Scarlett, W. O. Wall, Claude Taylor, E. J. Simons, J. A. Fouts, Lester Brooks, Raymond Krull, T. C. Adams and John Morgan.

Plans for this leader training program were made by the Food and Nutrition Committee. Committee members are Mesdames L. L. McHugh, E. F. Flugler, Guy Ragland, Solon Downing E. A. Moore. For help on Food preservation contact a leader or your HD agent.

Whether you eat them in preserves, on ice cream, in a pie, a shortcake, or fresh with cream and sugar, it's berry time. Why not freeze some strawberries or dewberries now while they are in season to enjoy later during the non productive months?

Ask your HD agent for a copy of B-175 Frozen Foods, for specific instructions on freezing berries and other foods. It is berry time at the Albert Brockriede home. The Brockriedes have berries in spite of no moisture while they were growing.

Parade Queen Candidate

The Jr. University Study Club is sponsoring Miss Suzette McLean as a parade queen contestant in the forthcoming Boomtown Rodeo.

Suzette is the daughter of Mrs. Imogene McLean and W. H. McLean of Burkburnett. She is a sophomore at Burkburnett High School and plays a cornet in the High School Band.

Parade Queen Contestant

PATRICIA SIMONS

The Hardin Home Demonstration Club has announced that Miss Patricia Simons is their candidate for Parade Queen. She is the daughter of Mr. and Mrs. E. J. Simons of Burkburnett. Patricia is a freshman in Burkburnett High School, member of the high school band, choral club, FHA, CYO and has won many honors in 4-H Club work.

News From The County Agent

How can an individual farmer determine the right amount of fertilizer to use to obtain the most profit? This will depend on the soil type, climatic condition expected, past management and the amount of capital the farmer has to invest, says B. T. Haws, county agent.

Besides the yield increases, other factors which determine the rate of fertilizer to use are the cost of the fertilizer, price expected for the crop and the amount of capital available, he noted.

The most profitable rate of fertilizer to use will depend on the price expected for the crop. If prices appear to be good, more fertilizer can be used profitably if prices are uncertain and apt to be low, fertilizer use would not be as profitable and less should be used.

The cost of producing the crop too influences the most profitable rate of fertilizer to use, Haws said. Certain fixed costs are associated with the growing crop. The land has to be plowed, seedbed prepared, seed purchased and planted, the crop cultivated, insects and disease controlled and the crop harvested. These costs are fairly constant and can be estimated.

Fertilizer rates are not the most profitable just because maximum yields are reached. From the standpoint of fertilizer use, it is desirable to stop fertilizing before maximum yields are obtained. For example if 90 lbs of Nitrogen will increase the yield of corn to 109 bushels per acre compared with 87 bushels where no nitrogen was used, but 120 lbs of nitrogen will yield 112 bushels per acre, the 3 bushel yield increase would not offset the cost of the additional 30 lbs of Nitrogen.

If capital is limited, it would be advisable to fertilize at a rate short of maximum net profits. If capital is available, it is more profitable to fertilize at a rate which will give maximum net profit. Even though capital is limited, returns from fertilizer use would justify borrowing the funds needed.

Texas Spiders Described in Game Magazine

There are only two dangerous spiders in Texas—the black widow and the tarantula—according to an article in the April issue of "Texas Game and Fish magazine". The article, written by Janey Bell and illustrated by Don Hague, covers the field of native spiders, under the title of "Nature's Extravaganza."

The best hunters, trappers & fishermen in the world probably are spiders, the article points out. Although governed solely by instinct spiders obtain their prey in a fascinating variety of ways, weaving webs, stalking and leaping, dipping in the water or camouflaging themselves for an ambush. And food, not fun, is their objective.

Most of the better known spiders are listed in the article, which tells something of their appearance and habits. The wound and the treatment of spider bites also are described. It also tells how spider webs have been utilized by man for numerous purposes. For instance, overlaid spider web has been used as a bandage to stem the flow of blood from wounds. Artists have used the web fabric as a canvas for their paintings.

Forum Study Club Entertained May 7 By Betty Taylor

Mrs. Lonnie Taylor was hostess when members of the Forum Study Club met in her home May 7 for a regular meeting. The president, Mrs. Hugh Preston, Jr., presided over the business meeting.

Historian, Mrs. Wallace Landrum, presented the club history. This is Your Club Life, which she patterned after TV show, This is Your Life. Beginning when the club was born in 1952, she briefly sketched the past and worked up to a more complete history of the current year. She illustrated her program with colored slides taken throughout the years at the various club activities.

Mrs. James Wickersham won the door prize.

Attending were mesdames Eugene McNish, Hugh Preston, Jr., Brack Preston, Jr., Don Mills, Winston Freeman, Joe Wolfe, James Wickersham, Don Swan, Gene Bankhead, Huck McDonnell, Forest Green, Wallace Landrum, Tom Burnett, Jack Northcott, Charles Goins and Lonnie Taylor.

Mrs. Johnnie Herring and Teresa and Mrs. M. D. Herring attended funeral services in Denton last week for Mrs. Johnnie Herring's uncle, Benson McDaniel.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Senators and representatives will have only a brief breather between regular and special sessions of the Legislature. Gov. Price Daniel announced that lawmakers would convene again the first of next week.

Big question around the Capitol now is how many special sessions will be needed to solve the state's tax problem. Since the lawmakers failed, during their 120 day regular session, to erase the \$65,000,000 deficit and balance the budget for 1960-61, that chore will be No. 1 on their agenda.

Only matters specifically offered by the Governor may be considered during a special session of the Legislature, and all legislation started during the regular session must start over, practically from scratch. Revenue raising proposals will have to be introduced again in the House, heard in committee etc, before they can go to the senate.

Bill would grant a teacher's certificate good for one year to any bachelor's degree holder, whether he had had teacher training or not. Certificates could be renewed twice. After that, the applicant would have to take 12 semester hours of teacher education.

Miss Maud Isaacks of El Paso, herself a teacher for many years sponsored the bill. Professional educators were divided on the merits of the plan. Some said it would increase qualified personnel; others, that it would attract to Texas the misfits and ne-er-do-wells from "all the freshwater colleges in the nation."

Highway Zoning—Both houses moved quickly toward passage of a bill to protect smaller roads from heavier truck loads. Gov. Daniel asked for such regulation when he signed the bill to increase permitted truck loads from 68,420 to 72,000 pounds.

The man who itches for fame has a lot of scratching to do.

Sonny Bentley Is Junior Member of Shorthorn Ass'n.

Sonny Bentley, 312 Hayworth St., Burkburnett, Tex., has been awarded a Junior Membership in the American Shorthorn Association, oldest purebred live-stock organization in America.

Purpose of the group is to collect, verify and preserve pedigrees of Shorthorn and Polled Shorthorn beef cattle and to promote greater use of the breed.

Shorthorns led the purebred movement to America the first cargo landed at Virginia in 1783. The breed spread rapidly thru out the country eventually replacing the longhorn cattle on the western ranges. The Polled, or naturally hornless, strain was developed after the Civil War. Shorthorns have received international recognition for improvements in today's beef animals.

Miss Ruth Ann Vickrey To Wed Glyn Thomas McNeill June 5th

Mr. and Mrs. Eugene Vickrey, 620 West Main, Healdton, Okla., announce the engagement of their daughter, Ruth Ann to Glyn Thomas McNeill, son of Mr. and Mrs. D. C. McNeill, of Burkburnett.

The wedding will be June 5th at 8:30 p. m. in the Shell Street Church of Christ, with Roy M. Hannah officiating.

Miss Vickrey, valedictorian of the 1957 class at Healdton High School, is currently mporing in elementary education at Abilene Christian College, Abilene, Tex.

In college she has been a member of Omega Rho Alpha, honorary freshman English society; the ACC band and the Sooner club for students from Oklahoma. She is also on the dean's honor roll.

Her fiance, a graduate of Burkburnett High School, received a BS degree in marketing and

general business from Abilene Christian college in 1957. He was affiliated with the Sub T-16 social club for men, Gamma Epsilon, and the North Texas club. He was also listed on the Dean's honor roll.

He is presently doing graduate work at ACC while on an educational leave of absence from Magnolia Pipe Line Co.

Following their wedding, both will continue their education at Abilene.

Childrens Council Met May 12 in Home Mrs. W. B. Halsey

The regular meeting of the Council of Childrens workers of the First Methodist Church was held on May 12 in the home of Mr. and Mrs. W. B. Halsey. Meeting was called to order by Mrs. Page Brown, president, and final plans were made for the vacation church school. Mrs. Yarbro gave a lovely devotional, then the meeting was adjourned. After the business session, Mr. and Mrs. Halsey were surprised with a house warming party. They received many lovely gifts. Those attending were Mesdames A. A. McKinnis, Tom Boyd, George Yarbro, Frank Greer, Jean Manley, Jim Pirtle, Page Brown, Darrell Nichols, and Misses Nell Brady and Jean Smith.

The only buried treasures most people have are the good resolutions they have laid away.

Miss Pat Clack Was Entertained Saturday, May 16th

"A Punch Party" in the home of Mrs. Ralph White on Saturday, May 16th was given in honor of Miss Pat Clack who is graduating from Burk High School this spring.

The refreshment table was covered with a cream colored linen cloth and was centered with an arrangement of pink amaranth and gladioli and a silhouette of seniors and a diploma. Crystal appointments completed the setting. Favors were miniature graduation pins. The honoree, her mother, Mrs. E. E. Clack, and the hostess were presented carnation corsages. Mrs. White was assisted with hostess duties by Mesdames A. H. Lohofener, Paul Browning, and C. M. Archer.

The guest list included twenty-four of Pats school mates. Miss Clack plans to enter the University of Texas this fall.

Regular Meeting of Modern Study Club Was Monday, May 18

Monday night, May 18, the Modern Study Club met in the home of Mrs. Dori O'Brian for a regular business meeting.

After opening the meeting in regular form, floor ideas were discussed and a flat committee named. A rodeo concession stand was also discussed and a committee appointed to work out the details.

It was announced that the annual installation program and dinner will be held at the Holiday Inn in Wichita Falls.

Mrs. Selma Wright gave a program on New Orleans, La.

Mrs. Barbara O'Mary won the door prize.

Co-hostess Jean Dolan served refreshments to the following members: Barbara O'Mary, Barbara Browning, Evelyn Nichols, Judy Pemberton, Rita Hudson, Selma Wright, Frances Smith, Sydney Askins, Jill Hensley, Dorothy Harris, JoAnn Thomas, Mary Joy Hagstrom and Helen Reasoner.

Burk Rebekah Lodge No. 67

Lodge met in usual room with the Noble Grand presiding.

Sick members were reported on and the lodge accepted a vote to send cards to them. A brother has been reported very ill and a request made for some of the Old Fellows to sit up at night with this brother, Mr. Meyer.

Members of the Wichita Lodge 236 were welcomed and the District Deputy President was given the honors after her commission was read by the secretary.

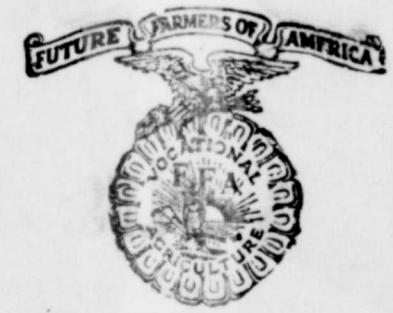

The business of the lodge taken care of and down to the good of the order; a reobligation ceremony carried out by the members and the visitors. A very beautiful and impressive service, it was.

A report was given on the school of instruction for secretaries, as well as other officers of the lodge, which was held in Electra recently. Myrtle Russell held this school and one thing she impressed on the members; and, it was this fact of how all Rebekah Lodges must work with the Sovereign Grand Lodge. Miss Russell's teaching was very well done.

Those from Burk in attendance were Mr. and Mrs. Cecil Bessie McKnight and Cora Lee Harmon.

Several of our members gave a short talk under the good of the order.

After closing of the lodge refreshments of cake and punch were served by Bessie McKnight committee.

Local F. F. A. News

Larry Elliott and Jo Bob Penn attended the Area IV FFA Convention in Stephenville, Texas, May 15 and 16. They were the voting delegates representing the Burk Chapter in helping to select the area sweetheart, entertainment and state officer candidate. Area IV selections will be entered in the state meet to be held in Austin the third week in July. Mr. Farris, adviser, attended the meeting with the boys. Reporter, Jimmy Wolfe.

Current Lit Club Officers Installed

Installation of the officers of the Current Literature club was conducted by Mrs. F. G. Jeffers using beautiful colored leaves and stressing the importance of each office. She asked each officer to do her best to fill her office and inspired the group to do their best in the year 1959-60.

Officers installed were: president, Mrs. C. M. Archer; vice president, Mrs. John Brookman; recording sec., Mrs. W. W. Chambers; corresponding sec., Mrs. Marjorie Kauer; treasurer, Mrs. Fred Hunt; reporter, Mrs. C. R. Chambers; Historian, Mrs. J. L. Caffee; critic, Mrs. A. H. Lohofener standing in for Mrs. Jeffers; parliamentarian, Mrs. Roy Magers; counselor, Mrs. W. B. Short.

Mrs. Archer presented Mrs. Jeffers with a beautiful hand-pointed plate. Sixteen members were present at this meeting.

Mr. and Mrs. Ollie Vogel of Vinita, Okla., were week-end visitors in the home of Mrs. Ann Vogel.

Monroe Ridings who was injured in a car accident at Seminole on Mothers Day was released from the hospital there Friday and is expected to return home this week.

MRS PETERS CAMPFIRE GROUP GO ON HIKE

Last Tuesday, Mrs. Peters' group of Campfire Girls hiked from the grade school to the Jangle Farm. Mr. and Mrs. Gene Robertson showed us through the dairy where we saw the cows being milked while they listened to music and we also saw the new milking platform under construction. We tasted the fresh milk after it came through a cooling process. We all enjoyed this very much.

Then we hiked back to Mrs. Robertson's and ate sack lunches in the yard. Those present were Candy Logan, Jan Robertson, Susan Green, Cindy Westbrook, Judy Kauer, Marilyn Peters, Donna Greer, Adrienne Davey, Margaret Janeke, Jime Eastman our guardian, Mrs. Peters and Mrs. Greer.

KITOWA CAMPFIRE

The Kitowa Campfire girls met Thursday, May 15th in front of the grade school. Mrs. Halsey and Mrs. Beavers took us to Prescott Park. There were nine girls present. We had our Woodgatherers ceremony and then we received our beads and certificates. After supper, some of the girls went to the river to explore.

After the girls returned to town, a group of them went over to Carliss Fisher's house and held a little ceremony for her because she wasn't able to attend. The whole group has now completed their Woodgatherer's rank.

Local Births

Chevy pickup pulls through "bottomless" pastures to keep stock fed!

At the Hall Bros. Dairy Farm, Montgomery, Ala., they say this 4-wheel drive Chevy will go anywhere to keep stock fed—even through hub-deep muck that makes it a fight all the way. And yet after a full year of it—no mechanical trouble of any kind!

That Chevy pickup may not win any beauty awards (till it's cleaned up). But it's sure walking off with the top prize for dependability. And that's standard Chevrolet procedure. Put a Chevy truck to work and it keeps

on working until you say quit. Not before. We aren't claiming that every Chevrolet truck is turning out to be a miracle-worker and averaging 100,000 miles before a valve job. (Even though some are going 150,000!) You're sure to find, however, that you can't buy more truck dependability at any price. And that's borne out by the fact that more truck owners put their faith, and their payloads, in Chevrolets than in any other make. Take your load and schedule figures to your Chevrolet dealer. He'll specify the best way to handle both and save in the bargain.

No job's too tough for a Chevrolet truck!

Now's the time—see your local authorized Chevrolet dealer for a real truck buy!

E. V. Thornton Gets Noggin Skinned In Argument

This week we had another letter from E. V. Thornton, 'way up Camas, Wash. We are thinking seriously of requiring him to subscribe to the Star on a six months basis. That way we would hear from him at least twice a year, because he sends a letter along with each renewal check. To hear him tell it, Thornton is always having trouble. If it isn't the government, taxes, or d'Yankees, something else always fouls up the deal. Some day we hope to drop in on E. V. for a visit. When he sees the size of our appetite, all his other troubles will seem small. Here is the latest: Camas, Wash. May 13, 1959

BURK STAR:
Enclosed is my check to cover renewal. I am late—way late in fact. I have no excuse, except that I have been broke.

But I am happy—happy not to be in jail! It so happens that my renewal date falls just after April 15th, which I think has to do with income tax. A very unhappy thought.

I'll tell you. A long time ago over south of Randlett, Okla., one spring morning I met Major Oneil in the road. He said, 'I am hunting me another Half Cropper. I have one, and he gets all he makes, and half what I make. If I get me one more I can come out even'.

This past year, either the federal government or the State of Washington found one too darn many Half Croppers, and I didn't come out even.

Which really is only half the story of me being broke. An argument I had cost me too. We were in a company meeting over here and somebody told a joke about a dumb Sweed. It went over pretty good, so I told one about a nigger in Texas. Which it turned out was the wrong thing to do. One guy in there came over and demanded that I apologize. I always believed in fair play, so I said "You apologize to Sweed Anderson and I will apologize to you". Well we got in this argument and when I came out of the first aid place, here was this policeman that said I owed him some money for busting that nigger's nose. These Yankees sure have a rotten sense of humor. In fact they have crazy ideas about lots of things.

Again I am sorry to be late.

E. V. Thornton

Parade Queen Contestant

KAREN BURTON

The Modern Study Club is sponsoring Karen Burton for parade queen of the annual Boomtown Rodeo. Karen is a freshman at Burk High School, was voted class favorite this year, is a cheer leader, member of the choral club and plays cornet in the band. In Junior High, she was a spelling bee champion two years and was football queen one year.

Karen is the daughter of Mr. and Mrs. E. B. Burton.

Parade Queen Contestant

Miss Lafaye McDonnell

Miss Lafaye McDonnell, daughter of Mr. and Mrs. Clyde (Huck) McDonnell is being sponsored by the Forum Study Club for parade queen of the Boomtown Rodeo.

Lafaye is a junior in Burk High School, has been in the Hall of Fame for two years, a member of the FHA and choral club for three years, the Burk High Band for five years and is now a majorette of the band. She was an honor student of her class in the seventh grade and valedictorian in the eighth grade. Lafaye is on the Bulldog Groll and Derrick staffs in journalism and has played volleyball for one year. She was recently elected president of the FHA for 1959-1960.

Builders Class Entertained By Dorcas Class

The Dorcas Class of the First Baptist Church entertained the Builders Class recently in the home of Mrs. Luke Warren on Fourth St. Group four were co-hostesses for the evening. The house was beautifully decorated with syringa, sweet peas and shasta daisies which were grown by the teacher, Mrs. A. H. Lohofener.

President, Mrs. W. C. Davis, presided in the absence of Mrs. Ray Mills. Mrs. A. C. Harris introduced the numbers on the program. Mrs. Claud Bowman opened with prayer. Mrs. F. A. Wilkinson brought the devotional on Mothers, the most important person from the beginning of time. Mrs. Lee Foster and Mrs. A. C. Harris sang two beautiful duets. Mrs. Lohofener gave a short story which was very interesting and Mrs. A. C. Harris gave a humorous story by a colored preacher on "Ol King Solomon" and all his wives.

The occasion for the party was to entertain the mothers of the Builders Class who are the jewels of our golden age. Thirteen "Mother Guests" were introduced by thirteen members of the class and escorted to the dining room where lovely refreshments were served.

The guests were Mesdames Hattie Buchanan, C. D. Ware, Flora E. Bentley, Belle Germany, Nola Thorpe, C. O. Walling, S. W. Darland, W. J. Wright, R. E. Carnes, J. H. Ferguson, E. Hicks, F. M. McMurry and Miss Oma VanCleave.

Seventeen members and the gracious hostess, Mrs. Warren were present.

Too many girls show everything but common sense.

Card Of Thanks
I am sincerely grateful to friends and neighbors for the many cards, flowers, gifts, visits and phone calls I received during my recent stay in the hospital and since my return home. Your thoughtfulness will be long remembered.
Mrs. Mary Helen Smith. 37-1tc.

Den 2, Pack 155
Den Two held their weekly meeting Thursday, May 14th at Mrs. Ramanos home. We planted ivy in the planters we made for our mothers. Bill Zimmerman gave us a report on his dinner with the Lions Club. Bill was chosen from our Den to give a report to our sponsors on our dens projects.
Keeper of the Buckskin, Kevin York.

NOTICE
Members of the Burkburnett Garden Club will tour the Hughie Rose Garden and have luncheon at the Canton Cafe in Vernon May 27th. All members are to meet at the home of Mrs. Walter Riley on Fourth Street at nine o'clock Wednesday morning, May 27th.
