GRASS ROOTS OPINION

MINEOLA, N. Y., NEWS: "America is headed for the biggest boom in the history of the world. Responsible & competent economists believe this is inevitable. They base their optimistic predictions on figures from the Bureau of the Census. A population of close to 200 million is expected by 1970. This increase alone might guarantee good times but the boom will come, economists say, not from the advent of new-born babies but from babies born in the last twenty years.

PIOCHE, NEV., RECORD: "While it would be cruel to accuse the parents of the victims of criminal negligence, the facts almost sustain the allegation. Hundreds of children are scalded to death because they could fall into steaming water. Other hundreds are burned to death and some of them die because they have been permitted to play with matches or left unguarded around dangerous fuels and fires."

CLARISSA, MINN., INDEPENDENT: "The German Social Democrats, the foster parent of all Socialist parties, repudiated the Communist Manifesto as out of step with modern times and accepted private enterprise and a free competitive market as the more desirable system in the modern world. The decision, taken by a vote of 324 to 16 at an extraordinary party congress, may well be a historic turning point and effect socialist if not communist thinking everywhere."

VICTORVILLE, CALIF., NEWS-HERALD: "To spenders, all government projects are important. But are they always as important as the private spending they prevent? Excess taxes represent unbuilt factories, new businesses not started, new clothes for the kiddies not bought, operations postponed and many other things that might have been taxes not so high."

EATON, OHIO, REGISTER-HERALD: "The National Safety Council has asked for church leadership to point out that accident prevention is practical religion, and that goodwill toward men can find no finer expression than behind the wheel of a car."

Question Of Value

Few people think much about it if a popular entertainer receives \$50,000 for a single performance, or if a singer signs a three-year contract for \$25 million. Yet many people are highly incensed if an industrialist, who may be responsible for the success or failure of an enterprise which employs thousands of people across the nation, is paid one-tenth as much.

This commentary on the vagaries of public opinion was made by Mr. Randolph F. Bannow, new president of the National Association of Manufacturers, in a speech to the 64th Congress of American Industry early in December.

Mr. Bannow was discussing the need for a good business climate if the United States is to maintain its leadership in the world. He said business climate is created by the attitudes and actions of government and labor unions, and above all by the public opinion which prompts these attitudes and actions. Somewhere along the line of American history, Mr. Bannow implied, a great many people have lost sight of the fact that business exists and works for their benefit.

The disparity in popular attitudes toward entertainers and business leaders is only a symptom of the real problem. Lack of public concern about the welfare of the nation's business and industry leads to government and union actions which restrict industry's productiveness. A hamstrung American production system cannot fight effectively in the production war which the Soviet Union has declared against us. Nor can it make its full contribution in supporting the high national living standard which enables us to be so generous to our entertainers.

Something To Think About

How do you want your next pay raise—in more money or in lower prices?

Dr. Ralph Robey, a nationally known economist, points out that since World War II almost every American worker has received a wage increase every year. The growth of output per manhour hasn't been enough to cover these increases, so business management has passed on part of the cost to the consumer in higher prices for products. Rather than continue to pay higher prices, consumers are turning to substitute products, many of them are made abroad.

"In my personal judgement," says Dr. Robey, "the time has come to start using the entire growth in output per manhour for a reduction of prices. This will not undermine the welfare of workers. It would mean that their present wages would buy more and more as the cost of living declined. That certainly is better than getting slightly higher wages which buy less and less."

Such a change in wage policy could not be made overnight. But it is something for wage earners, unions, business management, the government and all of us to think about.

Home Scene Study Club Christmas Party

Members of the Forum Study Club met on Dec. 17th in the beautiful home of Mrs. J. H. Rigby. Mrs. Revier was co-hostess. The president opened the meeting by having the group sing Jesus Calls Me. Opening prayer by Mrs. Gilbert.

Minutes were read and approved. A report was given on the grocery basket that was delivered before Christmas. Mrs. Cauthorn gave a devotional from Isaiah 60: 1-3 using the theme Mount of Olives. Prayer by Mrs. Cauthorn.

The lesson for the day was on Africa. Your light has come, was presented by Mesdames Morris, Gragg and Revier. A letter from a missionary in Africa was read also a testimony from a student studying in Southern Rhodesia, telling of some of the ways there. They have a conference and a society similar to our WSCS.

Mrs. Cauthorn gave a prayer to close the study of this meeting.

Delicious refreshments were served to 14 members.

Next meeting will be Jan. 18 2:30 p. m. in the Wesley Room of the Methodist church. We will continue our study of Africa and hope to have Mrs. Carl Morrison as our speaker for the day. You will surely miss a blessing if you do not attend.

Circle 1 WSCS Met Jan 11th For Study Of Africa

Circle One of the First Methodist church met Jan. 11th in the beautiful home of Mrs. J. H. Rigby. Mrs. Revier was co-hostess. The president opened the meeting by having the group sing Jesus Calls Me. Opening prayer by Mrs. Gilbert.

Minutes were read and approved. A report was given on the grocery basket that was delivered before Christmas. Mrs. Cauthorn gave a devotional from Isaiah 60: 1-3 using the theme Mount of Olives. Prayer by Mrs. Cauthorn.

The Glen Lowe Western Combo will appear in person this coming Friday night, Jan. 15th at 8:30 p. m. at the American Legion Hall, Post 264, Burkburnett. The doors will open at 7:00 p. m. and the dance will begin at 8:30 p. m. till 12:00 The public is cordially invited to attend this 3 1-2 hours of clean and wholesome entertainment. Come and bring your friends and neighbors so we can all get better acquainted. You may wear your western wear if you wish.

Members of the band will be very glad to furnish autographs for each and every one present. This is one of the finest western dance bands with that up-town beat. Glen Lowe is a fine entertainer who was formerly with Jack Frost. Last March, Glen formed his own western dance band and features several vocalists plus the beautiful female vocalist, Miss Nancy Miller.

Tickets will be on sale for 75 cents per person. Ladies must be 18 years of age or over and men 21 years or over. We are expecting one of the finest turn outs ever. Glen Lowe and his western combo have appeared throughout Texas at many fine clubs, Knights of Columbus, private clubs, American Legion posts, and many parts of Texas. If you like good clean and wholesome entertainment, don't miss the Friday dance. Legionnaires and wives are invited to bring guests and really make them feel at home.

Last Saturday night was named Jim Johnson night in honor of one of the finest men anyone would like to meet. Jim is one of the first members of this post 264 and has done a wonderful job serving as chairman of the child welfare committee here at

this post. He is still doing a fine job. He is known to everyone as just plain Jim. Our dance that night turned out to be a very successful one and was enjoyed by everyone present. Ed McClean's Starlight Quintet was the highlight of the evening.

Last Thursday night, Jan. 7th during the regular legion meeting over 35 members were present to decide on going to the March Convention at Haskell, Tex., to ask for the October, 1960 District Convention for Post 264 here at Burkburnett. This is a great undertaking for the American Legion Post 264 and the city in general. The outcome of this convention depends on the support of every legionnaire. Let's plan now to attend the March Convention at Haskell.

Also in our regular meeting last Thursday night, several issues were voted on and approved by members of the post. Several committees were elected to serve the post in important categories of their field of endeavor. Each committee is delegated its responsibilities and assignments. Fellows, if you are eligible to join the American Legion, we would love to have you become a member in our post 264 and will give you a hearty welcome. Mr. Francis Perry, our legion commander can be reached Ph. JO 9-3685 if you would like to obtain application for membership or contact your public relations officer, Buddy Mathis, 618 E. 4th St., or ph. JO 9-2218. He will be very happy indeed to assist you if you are eligible to join.

The next regular legion meeting will be Jan. 21st at 8:00 p. m. We would like to see every member turn out and bring someone who is eligible to join. James A. Lansdale is our entertainment chairman and William R. Goens will assist Buddy Mathis, our public relations officer, as the legion photographer. Goens is a newcomer who hails from Griffin, Ga., and is doing a splendid job in the post. Mr. Thaxton was elected our new finance officer winning the

election by a two vote margin over Mr. Terrick. Mr. Thaxton, a fine legionnaire, will fill the office formerly held by John Larson, another fine man very capable of that position who resigned due to an overload of work with personal business. Mr. John Larson has worked faithfully as the finance officer. The legion commander, Mr. Perry and all the officers under him along with all the members are very sorry to hear of Mr. Larson's resignation but do know he is still in the legion and will be attending the regularly scheduled meetings on the first and third Thursday of each month. Meetings start promptly at 8:00 p. m.

We urge every member to sign up at least two members each week and start a Go Getters banquet. Our judge advocate or legal advisor is Mr. Joe Janeke, known by all as just plain Joe. He is one of the finest men anyone can meet. He is willing to meet and greet anyone who has problems that he might be able to assist in solving. He has a friendly and courteous smile for everyone. We are proud to have men like that in our legion post 264.

Any member of the legion or ladies auxiliary who has any news or suggestions at any time may feel free to call upon your public relations officer, Buddy Mathis, JO 9-2218, and he is always willing to talk with you and hear what you have to say. We will do all possible to better the post and bring better and finer relationship between post 264 and our wonderful people and merchants of Burkburnett and the surrounding area. We want to thank the members of our city hall who worked in conjunction with our santa claus during the yuletide season. We also want to thank the Chamber of Commerce for the part they played in assisting our post santa claus during the Christmas season. Post 264 contributed 20 boxes of groceries to the underprivileged families of this city and surrounding area. We ask that God add his richest

blessings to these people.

Mr. Jim Johnson, chairman of the child welfare committee did a wonderful job during the past yuletide season with supervising in the distribution of the boxes of groceries to the needy and we would like to pause and say, Jim Johnson, you did a fine job. Jim was assisted by our post service officer, Mr. Floyd Fleming, Mr. Thaxton, who is now our finance officer, Mr. Snyder, our concession stand operator and caretaker, better known as Shorty Snyder and several more members of the post here in this city, along with ole santa claus. He went along to help bring tidings of good will to the little children as well as the elders.

We are sorry to know that Mrs. Mary Ferguson, wife of Sgt. Ferguson, instructor at Sheppard AFB has undergone surgery. However she is now reported doing nicely and we wish her a speedy and satisfactory recovery. They are members of post 264 and hail from Huntington, W. Va. They have 3 wonderful children, Charles, Linda and Elaine, and they are loved by everyone.

At this time we would like to welcome our members who were added to the membership roll the past weeks: S-Sgt. Corbett, S-Sgt. Busby, S-Sgt. Lansdale, Sgt. Goens, S-Sgt. Smith, S-Sgt. Powell, S-Sgt. Ferguson and a score of other members that will be congratulated by the next news release.

All the above mentioned are doing a wonderful job helping to decorate and tidy up the in-

side of the hall and we thank each and every member including their wives for working so faithfully and diligently. This pertains especially to T-Sgt. West S-Sgt. Lansdale and assisted by other members. T-Sgt. West and family are new arrivals here from South Dakota and we welcome you good neighbors. The best way to put this word of thought for all members of Post 264 is if you are interested enough to become a loyal and faithful member, help support it, and if possible, attend the regular meetings.

The Ladies Auxiliary of the American Legion Post 264 met last Thursday evening at 8:00 p. m. in the lobby of the legion building. A large number of the ladies auxiliary were present to bring up suggestions, ideas and issues to better the many different items of importance in conjunction with their own ladies clubs and also in conjunction with the legionnaires club. Any lady who is eligible or thinks she is eligible, please contact the president of the ladies auxiliary, Mrs. Helen Fleming, JO 9-3779, or the auxiliary secretary, Mrs. Mary C. Mathis, JO 9-2218. Ladies- You will never regret being a member if you are eligible.

The meeting was followed by a social in the reception room. Coffee, tea, hot chocolate, pop sandwiches, cookies, ice cream, etc was served. It was a meeting and a social that will long be remembered. Contact your ladies auxiliary president or the secretary today. The next meeting night is Thursday, Jan. 21st.

Forum Study Club Meets In Bankhead Home Recently

The Forum Study club met in the home of Mrs. Gene Bankhead recently for a regular business meeting with Mrs. Don Mills presiding.

The committees gave their reports and plans were made for the club to have the concession stand at the ham and bacon shoot on Sunday afternoon.

A decorating committee for the Chamber of Commerce banquet on Jan. 15th was appointed by the president. Mrs. Winston Freeman is to be chairman of the committee.

The program for the evening was a surprise stork shower honoring Mrs. James Wickersham. The honoree received many lovely and useful gifts. The door prize was won by Mrs. Wallace Landrum. Money from the door prizes this year is being given to the Community Achievement fund for beautifying the swimming pool grounds.

The benediction was given by Mrs. Winston Freeman.

Why Winchell Was Wrong on Rambler and Kenosha, Wis.

By Dickson Preston, Scripps-Howard Staff Writer
In The Houston Press

Five years ago Walter Winchell told a nationwide radio audience this small Lake Michigan city, Kenosha, Wisconsin, soon would be a "ghost town". He couldn't have been more wrong.

Today, Kenosha, no thanks to Mr. Winchell, is one of the boomingest communities in the whole booming USA.

Its factory payrolls are skyrocketing, its sidewalks filled with shoppers. Housing is so short people are sleeping in cars and jamming trailer camps. Schools are filled before they're off the drawing boards. Said Mayor Eugene W. Hammond:

"We've got problems, but they're the kind we'd welcome any day".

What hit Kenosha?—and Walter Winchell's crystal ball? It was, Kenoshans tell you today, a combination of two ingredients helpful to any city—a new idea and a willingness to work hard to make it become a reality.

The idea belonged to George Romney, president of the newly formed American Motors Corp. built around remnants of Nash-Kelvinator and Hudson. Winchell thought, with logic, that Nash and Hudson were headed for the scrap heap. Romney thought the time—1954—was ripe when the American public would go for a new, small car. He called it the RAMBLER, and its success is history. **HARD WORK DID IT**

The willingness to work belonged to a lot of people—to factory workers willing to put in a little extra effort, to union officials concerned with company survival as well as their own demands, to civic leaders ready to spend many hours building a community team.

This year (1959), American Motors has built 372,073 Ramblers—four times as many as its production of Nash, Hudson and Rambler combined in 1954. In 15 months, 6000 new production workers have swelled Kenosha's industrial payroll by nearly 50 per cent. Next spring, when expansion plans go through, there'll be an additional 3000 to 4000 jobs.

PLUS PRIDE OF WORKMANSHIP

What it means in terms of people is best illustrated by walking the streets where every third car is a Rambler bearing the slogan: "Made in Kenosha by Kenoshans".

Burkburnett,

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

their future begins NOW

These small boys have their lives before them. What they may become, heroes, or delinquents, is yet to be determined. Their future, nevertheless, begins now. Even at their tender years ideas are being absorbed which can guide the rest of their lives for good or ill. Your nearby Church has made provision to help you train these young minds. The Sunday Church School is for the benefit of your children. Give them every opportunity to choose fulfillment for their lives by choosing the right values. Go with your children this Sunday and every Sunday to the Church School; their future begins now.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of love by loving his neighbor. Without government or society or way of life which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

News From The HD Agent

As the Wichita County HD program begins a new year, it seems to be a good time to look back and see what was accomplished in the year just past.

Miss Thelma Wirges served as county HD agent the entire year. When she came to the end of the year she found that she had worked in 288 homes, received 461 office calls, received 1411 telephone calls, prepared 89 news articles and distributed 3986 bulletins. In addition to these, she conducted 247 meetings with a total attendance of 25,000. She also trained leaders that gave 186 demonstrations to 3154 Wichita County Homemakers.

Mrs. Elizabeth Smith and Mrs. Ethel Lynn Travis served as assistant county HD agents. The assistant agent does work with the youth program. In 1959, 656 4-H girls enrolled in demonstrations and 498 completed their work. 263 girls were in 4-H work for the first time.

Mrs. V. C. Lamb served as chairman of the county home demonstration council. The HD council reports that home demonstration clubs made many a varied accomplishments, some of which were: Had exhibits and a food booth at the Texas-Oklahoma Fair; had county day camp; Celebrated National HD Week with a luncheon, radio programs, exhibits and community meetings; Clothing and food preservation workshops were held; Kitchen improvement and foods and nutrition demonstra-

MRS. C. L. JENKINS

tions were carried; Contributed to T. B., Cancer and Polio Drives; Participated in Civil Defense activities; Held an achievement tour; Helped with work at the State Hospital and Exceptional Childrens center; and all 14 clubs carried a community

project. Mrs. Lamb will continue as council chairman in 1960.

4-H clubs carried demonstrations in clothing and foods and nutrition. County activities included: County demonstration contests, clothing workshops, a 4-H dress revue, a 4-H Rally and the Annual Achievement Banquet. Miss Patricia Simons was selected Gold Star Girl.

Wichita County HD club members and non-club members interested in clothing construction were included in clothing workshops. The county HD agent taught 66 leaders in 2 workshops. Information included was Fabric and pattern selection, findings, pattern alterations, trims, laying and cutting, marking and staystitching stitching, tailored buttonholes, shoulder pads, collars, sleeves, taping and joining skirt, waist, zippers, hems, belts, gussets and final pressing. 49 of these leaders taught 68 other homemakers the construction of a whole dress and 267 were taught individual construction methods. Leaders held 31 small workshops and also worked with individuals. Since taking part in the workshops the leaders have completed 255 garments. One dress revue was held, where 48 leaders modeled. 121 non-club members were reached by the clothing program.

In 1958 Miss Sadie Hatfield, homestead improvement Specialist from the extension service, gave training for 24 leaders on homestead improvement. 18 of these leaders continued their work in 1959. 14 leaders gave 15 home demonstration club demonstrations where 249 attended. 4 leaders gave 6 garden club programs where 116 attended. Information on landscape planning, insect and disease control, compost and mulch, fertilizers and planting shrubs were included in follow-up work.

Individual annual reports give the following results for home demonstration club members: 70 made and used compost; 112 growing shrubs from cuttings; 162 improved the home landscape; 188 pruned trees and shrubs; 98 used information on insect control. 3 homemakers made a landscape plan and are working on goals listed.

The home demonstration program also included work on kitchen improvement, demonstrations, program training and individual help were given on kitchen organization, floors and walls, care for your kitchen, kitchen lighting and window treatment and use your kitchen safely. Foods and nutrition help was presented on: Dairy Rich family meals, Family meals from one dish, Family meals to stretch the dollar, Meal in a salad and Eggs in family meals.

Freezing fruits and vegetables has been a major project for Wichita County homemakers. Thelma Wirges, county HD agent gave specific training to 14 leaders early this spring.

Leaders trained by the agent took over from there and have taught some 393 others how to freeze fruits and vegetables, how to package frozen foods and how to use a home freezer to the greatest advantage.

Demonstrations were given to HD clubs, small workshops were held and leaders worked with individual homemakers. The teachings were given to all interested homemakers, not just

club members. The leaders report they helped 132 women that do not participate in club work. The leaders found the homemakers they taught froze some 545 pints of vegetables as well as 670 pints of fruits.

Results of these phases of work are seen in the following summary of HD club annual reports:

1. 133 families improved kitchen organization by re-arrangement of shelves and equipment; half shelves, shelves, drawer dividers and other storage devices were added. Made kitchens larger and added new kitchens, built new cabinets and pantries.

2. 121 families improved care of the kitchen by installing new floor coverings, cleaning painted walls, cabinets and wood-work, cleaned paper and used housekeeping bulletins.

3. Improved kitchen lighting.

4. 97 made new kitchen curtains.

5. 73 used information received when buying new floor coverings.

6. 104 improved methods used for care of floors and walls.

7. 12 result demonstrators in kitchen improvement enrolled and 10 completed work. The other 2 partially completed.

8. 170 families used information to stretch the food dollar by better planning, use of home-made mix and use of more dry milk.

9. 168 families are using more dairy rich foods.

10. 198 used recommended methods, when freezing fruits and vegetables.

11. 83 used weight reduction information.

12. 132 prepared the meal in a salad.

13. 156 used the Texas Food Standard, when planning meals.

14. 100 families improved eating habits by eating breakfast, eating more.

15. 124 prepared the one dish meal.

16. 12 food and nutrition demonstrators enrolled, listed goals and completed plans.

As 1960 begins, a new year work has been planned by the Wichita County Program building committee and the sub-committees. Sub committee chairman for the past year led their group in planning for what is hoped to be even better than 1959. These sub-committee chairmen were Mrs. L. L. McHugh, foods and nutrients; Mrs. Gale Mitchell, clothing; Mrs. V. C. Lamb, HD club work; Mrs. J. L. Graham, home improvement;

& Mary Harwell, 4-H club work. Work has been planned for club and non-club members.

FORD'S ECONOMY TWINS FOR 1960

The Economy Choice of a lifetime — Two new Fords... Two new low-price fields...

Two wonderful new ways to go "The Finest"

THE 1960 FORD FALCON
Now there's both a new economy-size Ford and a large economy-size Ford.

The new economy size is the Ford Falcon—America's lowest-priced 6-passenger car. It's up to \$124 less than other 6-passenger cars in the compact field. It goes up to 30 miles on a gallon of regular gas. Servicing is easy and repair costs are low. You can even save up to 15% on your insurance.

And the Falcon is the one American compact car that is thoroughly proved for American driving. There's room for 6 people—luggage and all.

*Based upon a comparison of manufacturers' suggested retail delivered prices

THE 1960 FORD FAIRLANE 500
Now consider the large economy-size Ford, the Fairlane 500. Here is the most car per dollar ever built. The Fairlane 500 brings you fine-car styling, luxury and comfort, yet it offers Falcon economies like regular gas, 4,000-mile oil changes, double-life aluminum mufflers, and no more waxing. Like the Falcon, too, it brings you big price news: \$142 less than last year's popular Fairlane 500!

Come see, come save, come pick the Ford economy twin that saves and serves you best. Visiting hours as usual at your Ford Dealer's.

Dolan Hostess ary Fourth ern Study Club

Members of the Modern Study Club met Monday, Jan. 4th with Dolan for their regular meeting. Each member answered a question by giving favorable personalities. The minutes of the last meeting were read and the financial report was presented. It was announced that the Miss Burkburnett contest would begin in the future. A committee to plan this project was appointed.

Barbara Browning presented a very interesting program titled, "Our Need for High School, Midwestern University and State Support." After adjourning, president Reasoner reminded the members that Jan 31st was the deadline for paying poll tax and urged each member to do so. We also like to urge each citizen of Burkburnett to pay their taxes and vote during this important election year. Resolutions were served by the following: Mesdames Tommy Pett, Frances Smith, Doris Rita Hudson, Judy Pemevelyn Nichols, Selma Hellen Reasoner, Pat E. Beverly Riley, Sydney Barbara Browning and Arlene. A door prize was won by Sydney Askins.

Friendship Class Met With Mrs. J. Haley

The Friendship Sunday School class of the First Christian church met in the home of Mrs. James Haley, with Mrs. Ramon Scruggs as co-hostess, for their Christmas party.

The meeting was opened by singing Silent Night, with Cora Lee Harmon at the piano. A short business session was held which opened with a prayer by Mrs. Cecil. And the following officers were elected: Mrs. J. H. Cecil, teacher; Mrs. James Haley, president and secretary of the Sunshine fund; Mrs. Lloyd Ifland, vice president; Mrs. Ramon Scruggs, sec.-treas.; Cora Lee Harmon, reporter; Mrs. W. J. Bingham and Mrs. John English, Benevolence committee. Reports were made that the class had given two love baskets for Thanksgiving; \$5.00 to the little Gilbert girl, who was in a hospital; and \$10.00 to Russell Duvall to help with his Christmas fund.

Mrs. Ifland gave a beautiful Devotional from the 2nd chapter of Luke, then gave the Angels message, closing with prayer. Gifts were exchanged from a very beautifully decorated Christmas tree. Mary Jo Scruggs sang a special number, "We Three of Orient Are." The group sang several Christmas numbers. Following the program the hostess served a nice refreshment plate to the following members: Mesdames J. English, W. J. Bingham, Mary Cecil, Cora Lee Harmon, Minnie Wallace, Ollie Wills, O. M. Kelley, Marie Ifland, and the hostess and co-hostess, Mrs. James Haley and Mary Jo Scruggs.

Fellows who drown themselves in drink usually don't have far to sink.

Circle 3 of WSCS Met Tues. Jan. 5th

Circle 3 of the Methodist church met Tuesday evening, Jan. 5th in the church parlor. There were eleven members present.

Mrs. Marvin McDonald gave the opening prayer. The devotional was given by Mrs. Joe Alcot. The program was presented by Mrs. Don Lewis and was a continuation of the study of "Paul, Christian and World Traveler."

The meeting was closed by repeating the benediction. Refreshments were served by the hostess, Mrs. Marvin McDonald.

ARROWHEAD CAMPFIRE MET WITH JAN BROWN FOR CEREMONIAL JAN 6

Jan Brown was hostess to the Arrowhead Campfire Group when they met in her home on Wednesday, Jan. 6th.

During the business meeting new officers were elected as follows: Carol Dickson, president; Stephanie Slusher, vice pres.; Jan Brown, secretary; LaQuita Stout, treasurer; Candle lighters are: Peggy Anderson, Kathy Reasoner and Judith Bowles; Candle extinguishers are Anita Foster, Sylvia McDonald and Phyllis Kiesling.

A ceremonial was held after the business meeting. The girls formed a circle around the three Wohlend candles and after the lighting ceremony, each girl received the honor beads they have earned. We all joined in singing several folk songs. As the candles were extinguished, we closed by singing the traditional "Green Trees" and "Taps". Attending were Peggy Anderson, Judith Bowles, Jan Brown, Carol Dickson, Phyllis Kiesling, Sylvia McDonald, Kathy Reasoner, Stephanie Slusher, LaQuita Stout, Mrs. Page Brown and Mrs. Arnold Kiesling.

GUESTS IN J. L. HERRING HOME

Guests in the home of Mr. and Mrs. J. L. Herring on New Years Day were: Mr. and Mrs. J. L. Smith, Eugene Smith, Mr. and Mrs. James Smith and children, Dorothy Evans and children, all of Denton, Texas, Mr. and Mrs. Claud Smith and children of Krum, Texas, Elsie Mae Smith and children of Argyle, Texas and Mr. and Mrs. J. B. Self and children of Fort Worth. The Herrings were very surprised and pleased when their guests presented them with a number of lovely gifts for their new home.

Burk Sergeant Retires After Serving Air Force 20 Years

Three sergeants in the United States Air Force with a combined service totaled of over 70 years closed their careers with retirement from active duty at Sheppard Air Force Base, on the last day of 1959.

Master Sergeant Virgi S. King was assigned to the 3750th Technical School, 3770th School Squadron, as instructor of the communications center specialist course. In brief ceremonies at Tech school on Dec. 30th, Col. Roy C. Heflebower, school commander, presented the retiring airman with the certificate of retirement and a letter of appreciation from Brigadier General Thomas E. Moore, Base Commander.

Sergeant King retires after serving with the armed forces for 20 years, including seven and one half years in Japan. He came to Sheppard from Francis E. Warren AFB, Wyoming.

During his Sheppard duty, Sergeant King and his family made their home in Burkburnett. He and his wife, the former Betty David of Wilmington, Delaware, have 3 children, Sandra, Linda and David.

The Kings expect to make their home in Denver, Colo., or its environs.

Mr. and Mrs. C. E. Heiserman and family of Decatur, Ala., spent the Christmas holidays here with their parents, Mr. and Mrs. Jim Turner and Mr. and Mrs. Ed Heiserman.

SAFETY RULES GIVEN FOR TRACTOR DRIVERS BY THE TEXAS SAFETY COUNCIL

Now is the time to Winterize your tractor and again review the hazards facing the winter tractor driver, advises the Texas Farm and Ranch Safety Council. Tractor fatalities in 1959 were only 600 and in 1958 there were 1,200, a 100 percent increase.

Ice and snow should be cleared from platform, steps, axles and other points used for footing before mounting the tractor. Warm-up the tractor in the open to avoid being overcome by carbon monoxide. If you must warm-up the tractor indoors, open windows and doors for maximum ventilation, the Council warns.

Mr. and Mrs. E. W. Ramsey of Worland, Wyoming, and Mr. and Mrs. D A Ramsey and daughter of Morton, Texas, spent the New Year holidays with C W Ramsey and family.

Coming in APRIL!

You'll your calls to Wichita Falls *direct* —without long distance charges—
and you'll have a new **7-N** telephone number!

NEXT APRIL, you'll start enjoying the speed, ease, and convenience of DIRECT DIALING to Wichita Falls.

All long distance charges between Burkburnett and Wichita Falls will be eliminated, and you'll dial Wichita Falls numbers DIRECT — without calling the operator — just like a local call! Wichita Falls residents will dial you in the same way.

This change will make more than 45,000 telephones available to you in your LOCAL calling area, making your telephone service more valuable than ever!

You'll Get a New "7-N" Number
At that time, your telephone number and all others in Burkburnett will be changed to seven numerals (known as "7-N"), such as 569-2198.

Please Remember!
If you order stationery, cards, or other printed material listing your telephone number, please remember that your number will be CHANGED next April!

Numbers here must be changed so that Burkburnett and Wichita Falls will have the same type telephone numbering system, which is necessary to permit direct dialing between the two cities.

A new combined Burkburnett-Wichita Falls telephone directory, listing all the new "7-N" numbers, will be delivered to you just before the change. We will let you know what your new number will be as soon as possible.

WE ARE GLAD to bring these telephone improvements to Burkburnett, and we are sure you will be pleased with the expanded local telephone service it will enable us to furnish.
