NUMBER 45

Warren Silver to MC Pageant of Miss Burk Burnett

Mr. Warren Silver of KFDX Television will be Master of Ceremonies for the Second Annual Miss Burk Burnett Pageant. This annual event is being sponsored by the Modern Study club. Miss Glenna Landes, Miss Burk Burnett of 1959, will preside over the event and crown the new Miss Burk Burnett. The event will take place in the Palace Theatre on Sept. 1st. Due to difficulty in scheduling, the Pageant date has been changed from Aug. 18th to Sept. 1st. Tickets to the contest will go on sale next week and may be purchased from members of the Modern Study club. Reserve seat tickets are \$2.00 and \$1.50 and general admission tickets are \$1.00 for adults and 50c for children.

Methodist Church Church School To Begin Sun., July 31

The First Methodist Church of this city will begin its annual Vacation Church School on July 31st at the regular Sunday School session. Classes will be conducted daily during the following week, from 9:00 a. m. to 11:30 a. m. The final class session will be held on Sunday, 7th with a closing program to be presented at the Sunday evening church hour on the latter date. Mrs. Bill Simpson is director of this year's school and Mrs. George Yarbrough is her assistant. Many volunteer workers have pledged their time to this endeavor, which promises to be an interesting and worthwhile task. The course of study is "The Church," its importance in the lives of individuals, communities and nations. Also included will be handicraft choir rehearsals and refreshment breaks. The age limits are as follows: Children who were 3 years old before Sept. 1959 and those who have just completed the sixth grade of grammar school, and all children between these limits. If your child is eligible and particularly if you are not attending any church, we urge you to enroll him or her. Simply call 569-2251 or 569-3287 this week or bring your child to Sunday School next Sunday. Children are our most precious possessions and we can give them no better legacy than a firm foundation in Christian principal and a strong and abiding Faith in God.

He had been employed with the City of Luling Utilities as Electrician for many years. A member of the First Methodist church, he was also a veteran of World War II, having served in the U. S. Navy aboard ship. He was also a member of the American Legion. He is survived by his wife; three sons, A. Scott Morris, III, Tommy and Steve Morris; his mother, Mrs. A. Scott Morris, Sr. of Iowa Park; 2 sisters, Mrs. Clark Sutton of Dallas and Mrs. Clyde Mayo of Bonham. R. A. MOAKES NEW PASTOR OF CHURCH OF NAZARENE Rev. R. A. Moakes of Racine, Wis., has been called as pastor of the Church of the Nazarene here in Burk Burnett. He will move to Burk Burnett this week and will preach Sunday morning July 24th here. Mr. and Mrs. Forrest Green, Susan and Eddy vacationed in Kansas, Nebraska and Iowa.

FRIDAY IS D-DAY

Yes, tomorrow is D-DAY (Decision Day) in Burk Burnett. Tomorrow the Chamber of Commerce will conduct a drive to establish an Industrial Foundation in Burk Burnett.

Tomorrow is a day of decision for our community. We need a more stabilized economy. We need more citizens who earn their living right here in Burk Burnett. In short, we need industry.

Of course we are not the only town in America seeking new industry. The competition is fierce.

To meet this competition, to gain an inside track in industry, new industry in Burk Burnett, we need the monies to be obtained through the Foundation organization.

The Chamber of Commerce is underwriting all the expense incurred by the Foundation and will continue to do so. ALL money received by the Foundation will be used exclusively to induce the industrialization of Burk Burnett.

New industry means new jobs, new people, new homes, new income, a new outlook for the citizens of Burk Burnett.

When you are called upon we hope you respond generously, and with the enthusiasm inherent in Boom Town, U. S. A.

Workers will leave a kick-off breakfast Friday morning to make their calls for money for the Industrial Foundation, Inc., of Burk Burnett.

DOUBLE-RING VOWS REPEATED BY BURKBURNETT COUPLE JULY 16 AT THE FIRST BAPTIST CHURCH

In a double ring ceremony at the First Baptist church, Miss Clara Lafaye McDonnell recently became the bride of Charles Ray Darter. Rev. Leroy Meyer officiated.

The bride is the daughter of Mr. and Mrs. Clyde McDonnell of Burk Burnett. The groom the son of Mr. and Mrs. Harold Darter of Henrietta.

The sanctuary altar, outlined by a small white rope, was decorated with baskets of white gladioli and greenery flanked by two seven-branch candelabra holding tall white tapers.

Mrs. Maxine Creel, organist, and Mrs. Joe Bob Tyler, soloist presented wedding music.

The bride, given in marriage by her father, wore a gown of white silk organza over satin. The fitted bodice featured a square neckline, embroidered with sequins and seed pearls. Her long tapered sleeves ended in calla-lily points over the wrists. The full skirt of chapel length was highlighted by large sequin and seeded pearl lace medallions. Her fingertip veil of illusion cascaded from a rhinestone studded tiara. She carried a large white shattered chrysanthemums and lilies of the valley atop a white satin Bible from which long streamers cascaded.

Miss Nancy Darter, sister of the groom, and maid of honor, wore a light blue ballerina-length dress of silk chiffon. Her nosegay was white and blue carnations. The bridesmaids, Miss Janelle Sanders and Miss Catherine Ross, wore identical dresses of light blue organza over taffeta, fashioned with portrait necklines, defined waists and ballerina skirts. They wore white feathered bandeaus. Their corsages were white shattered carnations.

Nancy Campbell of Electra was flower girl. Wayne Darter, brother of the groom, was ring bearer. Jerry Darter, Henrietta was best man. Jon Evans and Mike Hoffman were ushers. The reception took place in the church parlor where decorations from the church were used. The refreshment table was covered with a white lace cloth over pink. The centerpiece was pink carnations.

Mrs. Conway Caver and Miss Judy Caver of Ft. Worth and Mrs. Ann Groves of Whitesboro assisted in the reception. The bride is a 1960 Burk Burnett High School graduate. She was a member of the Future Homemakers of America, editor of the High School 1960 Derrick, choral club, D. A. R. and Hall of Fame. The groom was graduated from BHS in 1958. He played football and was a member of the Future Farmers of America. He is attending Midwestern University and is employed by B. H. Alexander Jr. Construction Co. of this city. After a short honeymoon the couple will reside in Burk Burnett. The out of town guests attending the wedding were Mrs. Gene Groves, Whitesboro; Mr. and Mrs. Dick Evans and children, Temple, Okla.; Mrs. Faye Darter, Byars; Mr. and Mrs. Joe Bob Tyler, Wichita Falls; Mrs. Otto Arbogast, Orland, Calif.; Mrs. John O'Neal, Coalgate, Okla.; Kay Scott, Iowa Park; Daniel Schaffner, Henrietta; Mr. and Mrs. Conway Caver and Judy, Ft. Worth; Larry Westel, Henrietta; Mr. and Mrs. Thomas Campbell and family, Electra; Mrs. Morris Johnson, Walters; Reeford Darter, Randlett; and Mr. and Mrs. Harold Darter and family, Henrietta.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Although budget balancing is the most discussed of the problems facing the next Legislature many lawmakers expect redistricting wrangles may raise more blood pressures.

Legislature is required by the Constitution to re-define legislative districts after each federal census. It used to put off this troublesome task, but a 1948 law provides that if it fails to act in the first session after a census, a Legislature Redistricting Board shall take over. This insures, as it did in 1951 that the Legislature will redistrict, somehow, some way.

Battles will be between big city delegations who will demand more representation in line with their swelling populations and rural members who will try to hold on to as much as they can.

In their election campaigns, many representatives promised their constituents they'd go in there pitching for the home area. Members from growth areas said they'd go after extra representatives, state senators and congressmen.

A rural legislator told his people, "At least twelve rural districts will disappear in the next redistricting. I certainly do not want this district included in that twelve."

Incumbents cited their experience as an asset. Personal feeling often enters into redistricting, and lawmakers are notably reluctant to "squeeze out" a popular and respected senior colleague by erasing his district.

Home Insurance Cut—Beginning Aug. 1st, premium rates on certain types of homeowner's insurance policies will be cut 10 percent.

State Insurance Board announced the new lower rates would apply to the "home owners package" policies which account for about 80% of the home coverage sold in Texas.

Reductions were made possible because insurance companies have had a relatively low loss ratio of the package policies, 1st introduced about three years ago.

Board of Insurance also is considering a further lowering of credit insurance rates.

Many loan companies require borrowers to take out insurance payable to the loan company in case something happens to the borrower before he repays.

Two years ago the Board cut in half the rates that could be charged for credit insurance. It was charged that loan companies were making excessive profits on loans thru the insurance.

Board says that even now rates seem high, with losses running 27% of the premiums paid in. If losses run less than 50% of the premiums, rates are considered too high.

No Road Problem—Stiffer federal road inspections pose no problem to Texas says State Highway Engineer De Wit C. Greer.

New federal standards are no tougher than those Texas has insisted on all along. Scandals stemming from misuse of federal road building money in other states has caused the Bureau of Public Roads to tighten its inspection requirements. Greer said the new federal approach will necessitate no change in Texas procedures.

Texans who have been motorizing cross country during the summer vacations will not find this hard to believe. So noticeably superior are Texas roads to those of surrounding states that returning to Texas usually give a sigh of relief when they cross the state line.

Speakers' Battle Boils—Candidates for Speaker of the House continue their month-long battle of claimsmanship.

Rep. Wade Spilman added 5 to his list of House members pledged to support him and said this gave him a rather conclusive lead. Rep. James Turman of Gober claims a definite majority of 79. Votes of 76 of the 150 House members are needed to elect.

Spilman also has invited the House General Investigating Committee to look into charges that members were being sub-

Over 4 In. Rain Fell Here Early Wednesday Night

Beginning at six o'clock Wednesday evening and continuing for some three hours Burk Burnett received over four inches of rain.

Although all streets were flooded curb to curb, little damage was reported, except where sewer lines have been put in. Many bad washes left six and eight foot canyons across streets and alleys. Crews were out repairing the ditches as fast as they could be found.

Electric and telephone lines received several shorts. Repairs had most of the damage repaired by noon Thursday.

When Cost Becomes Prohibitive

Suppose the proposal to extend the federal wage-hour law to retail business—which has always been exempt—were passed? What would happen? Would marginal and unskilled workers—the kind extension would reach directly—be helped.

Something said by the head of a retail company which has 13 small stores in small communities may help answer this question. This retailer employs 39 high school students for Saturday work, evenings, and peak seasons. The students work part time and are paid less than the federal minimum wage.

The retailer was asked if he would continue to use the high school students if required to pay them the federal minimum. He said: "Definitely not. I like using high school students because it give the kids a chance to work. Besides, in the small communities where my stores are located—it is good public relations. But the cost of using kids under the Wage Hour Law is prohibitive. I've got my plans figured out, if covered by the Wage Hour Law. I can make my stores self-service and replace the 39 high school students with a lesser number of employees who are more capable of earning a higher hourly rate. I don't want to put these high school kids out of a part time job, but—"

What it all comes down to is that, if the law demands wage and hour standards, which are excessive in view of a workers productivity and value to the employer, the employment concerned will be pared to the limit. In the case of retailing, many kinds of marginal workers, in addition to high school students, would be hit, and hard.

Who Is Responsible?

Spending for national security takes more than half of each tax dollar the federal government collects from you. A man earning \$5,000 a year, reports the Citizens Public Expenditure Survey, pays \$240 a year for defense.

Virtually no one would oppose any needed amount of defense spending in today's unpredictable and dangerous world. But necessary defense spending is one thing—and wast in the defense system is a very different thing.

Sen. Douglas of Illinois, who wants an adequate defense as sincerely as anyone, recently presented a display to his colleagues. One item was a lamp socket which, he said, sell in retail stores for 25 cents but cost the Navy \$21.10. Another was a set of wrenches which can be bought from a tool company for \$3.98 but cost the Army \$29.00. Still another was a group of drill bushings worth 25 to 50 cents which cost the Air Force \$9.65. So it went. Auditors from the General Accounting Office, the Senator added, had checked and verified his statements.

According to Sen Douglas, the military waste as much as \$3,000,000,000 a year through present procurement practices. This huge sum of money, he pointed out, could be saved and used for missiles and other real defense purposes.

The nation is entitled to a dollar's worth of defense and military power for every one of the billion of dollars thus spent.

The Greatest Peace Force

Newsweek recently ran a feature article on foreign travel by American citizens. This year all records are being broken, and there's every likelihood that new record after new record will be set in years immediately ahead. As of now, we actually spend more on foreign travel than any other foreign commodity.

The big jet aircraft, by establishing new standings of speed and comfort, have captured travelers' imaginations, and are the primary reason for the dramatic rise in tourism. And these jets are doing more than just moving masses of people. An official of the U. S. Bureau of Foreign Commerce observes that there is a trend to travel off the beaten path, facilitated by the jets, and that this "indicates a new sophistication of American tourists." And a spokesman for a travel association has touched on an extremely important point. In his words, "Until recently the principal draw has been to see new places. But I think now the trend is to meet new faces as people try for a better understanding of their neighbors."

If that is the case, the jet age will truly be a blessing to the world. Nothing does more to breed suspicion and distrust than ignorance of other lands and other peoples, their hopes, their traditions, their beliefs, their national characteristics. And nothing can equal knowledge and person to person contact as a breeder of understanding and friendship. If this world is to finally achieve a real peace, greater forces than governments will be needed. And the most potent force of all can be informed peoples.

Mrs. Charles Boyd Hostess July 11th Of Dorcas Class

The Dorcas class of the First Baptist church met in the home of Mrs. Charles Boyd Monday, July 14th. President, Mrs. Boyd, presided. The opening prayer was by the teacher, Mrs. A. H. Lohofener.

Mrs. Leo Foster led the singing of Blest be the Tie that Binds. Mrs. Wiley Browning brought the devotional found in the 15th chapter of Proverbs. The key note was Be Happy and be thankful. Do good to others and you will be happy.

Mrs. Ray Mills, 2nd vice president, brought the entertainment for the evening. Everyone enjoyed her selections.

The hostess served refreshments from the lovely punch table to fifteen members and two service group members, Mesdames Minick and Jo Brookman.

After a short social time, members were adjourned by joining hands and saying their benediction. Lord watch between Thee and me while we are absent from another.

R. B. Tisdales 60th Anniversary To Be Held Sun. July 24th

Mr. and Mrs. R. B. Tisdale, who reside 1 mile north and 4 miles west of Cookie Town, Okla. will mark their 60th wedding anniversary on Sunday July 24th.

The couple's children will hold open house for their friends from 2 to 5:00 p. m. Sunday, July 24th. Everyone is invited.

Chester Howard, Reavis Wooten and H. L. McDonald are attending a fire school at Texas A and M College this week.

Plan Summer fun for all the family. Recreation and summer-time just naturally seem to go together. Wholesome recreation is a year-round need for old and young. More of us are realizing that fact all the time, according to Thelma Wirges, county HD agent. It's part of the training program in work with HD clubs.

Mesdames Ross Allen, Ray-Strawn and J. L. Graham have received special training in a district training school. They are now planning to work with Wichita County leaders. These leaders will teach recreation at the annual home demonstration club "Day Camp." Crafts, food and other activities will fill this annual event.

Simple, interesting homemade games are proving very popular with families according to this group of leaders. They provide double entertainment for family members—the fun of making the games and the hours of entertainment in playing with them.

"Homemade games", a bulletin compiled by two specialists, is being used widely by home demonstration and 4-H clubs. Some of the games might be made to use as gifts throughout the year.

You can get a copy of the bulletin from your county HD agent office, 305 Federal bldg.

Your family recreation for the summer may be some travel, if you are going away this summer take no more clothes than is absolutely essential, suggests your county HD agent. Traveling with light baggage is lots easier these days with all the new fabrics and finishes which make clothing so much easier to care for.

Make a plan and build your wardrobe around a basic color scheme. Well chosen separates and such small accessories as

scarfs, flowers and jewelry help vary your costume.

Take the type of clothes you know you like to wear. As useful as separates are to most women, if you don't like to wear them at home you won't like them away from home. The same thing applies to knitted suits & dresses. They are ideal for packing but remember you want clothes ideal for wearing, too.

Be practical but not drab. When in doubt, don't take that extra dress. If planning a family trip, Thelma Wirges suggests you put aside the road maps and travel folders long enough to place valuable household papers in order.

Loss of a valuable paper from theft, fire or carelessness could spoil your vacation. A safety deposit box at your bank is one of the best places for wills, stocks and bonds, insurance policies, family records of birth, marriage, citizenship, military service, deeds, leases, promissory notes and other documents.

A household inventory is another valuable record. Before leaving on your trip, make duplicate copies or bring existing one up-to-date. One copy can be placed in the bank box and the other kept at home. You will be glad you did if you have to settle a theft or fire claim.

Take with you a list giving the name of your automobile and hospitalization insurance companies. Include the number of each policy and the names and addresses of the agents.

If you carry traveler's checks, don't forget to make 1 or more lists of check numbers to be carried separately from the checks.

Mr. and Mrs. Harry Mayes were visiting Mrs. Mayes mother, Mrs. T. J. Potter in Anson, Tex. the latter part of the week. Mrs. Potter suffered a heart attack and was hospitalized but at present is improving.

Benny Lynn Garrett was dismissed from a Wichita Falls hospital Friday following recent surgery and has returned to his home in Snyder, Tex. He is the son of Mr. and Mrs. Levi Garrett.

The Esso Baltimore, Humble Oil and Refining Company's new tanker is taller than a five story building and more than two city blocks long.

SIGN OF MODERN LIVING

When you build or buy a new home, or remodel, be sure to check with your builder and electrical contractor to see that your home qualifies for the Live Better Electric-Medallion. This Medallion identifies a home as electrically modern—and a home that will stay modern for years to come.

New Princess Phone comes to town

I'd like to tell you about a brand-new telephone. It's called the Princess phone, and it is being introduced to the public for the very first time this month in towns we serve throughout the state.

How do you like the new look? Notice the oval base and smart styling. You might say the Princess looks regal.

I feel sure a number of you will want one or more of these lovely little phones. I'd like to tell you about the Princess' main features, because it's not very often I get a chance to write about something as exciting as this new phone.

First, it's little. Only 8 1/2 inches long and 3 1/2 inches high and wide, the Princess phone takes so little space on a living room table, a kitchen counter or bedside table.

Next, the Princess is lovely, in styling and in colors. It comes in the most lighthearted pastels I've seen in a long time—blue, beige, pink and turquoise—plus white.

Finally, the Princess phone lights up. The dial glows softly at night, lights up brightly when you lift the receiver.

Why not be among the first here to order a new Princess phone? Just call us at the telephone business office or see your telephone serviceman.

Call by number . . . it's twice as fast!

The Boomtown Bowhunters Archery club held their Grand Opening of the new target range at the western end of College St. Saturday, July 16th.

There were 48 archers registered for the shoot. The clubs represented for the shoot were: The Chisholm Trail Archery club of Duncan, Rush Springs, and Marlow, Okla.; The Deerslayers of Apache, Okla.; The Lawton Archery club, The Wichita Falls Archers, The Vernon Archery club, and our own Boomtown Bowhunters Archery club.

Everyone, we hope, enjoyed themselves and we were happy to have everyone there to participate in our Grand Opening.

In the men's expert "A" Division, the 1st prize, a trophy belt buckle, was won by Ralph Jesse of the Deerslayers, the 2nd prize a trophy bolo-tie, was won by Don Strickland of the Chisholm Trail Archery club and 3rd prize a trophy money clip, was won by Charles Souther of the Boomtown Bowhunters Archery club.

In the men's expert "B" Division, the 1st prize, a trophy belt buckle was won by Ben Ballard of the Lawton Archery club, 2nd prize, a trophy bolo-tie, was won by Elmer Cline of the Chisholm Trail Archery club, 3rd prize, a trophy money clip, was won by Jim Lindsay of the Boomtown Bowhunters Archery club.

In the Men's Bowman Division 1st prize, a trophy belt buckle, was won by Bob Gilmore of the Deerslayers, 2nd prize, a trophy bolo tie, was won by Harold Eddins of the Boomtown Bowhunters Archery club and 3rd prize, a trophy money clip, was won by Frank Durdle of the Boomtown Bowhunters Archery club.

In the Men's Archer division, 1st prize, a trophy belt buckle, Kermit Winter, of Vernon Archery club; 2nd prize, a trophy bolo tie, Chuck Gardner of the Lawton Archery club, and 3rd prize, a trophy money clip, Ed Morris of the Chisholm Trail Archery club.

In the Women's division, 1st prize a trophy belt buckle, Virginia Cline of Chisholm Trail Archery club; 2nd prize, a bolo tie, Rosetta Coffey of Lawton Archery club; 3rd prize, a trophy money clip Gladys Winter of Vernon Archery club.

In the Junior Boy's Division, 1st prize, a trophy belt buckle, Dennis Crow of Deerslayers; 2nd prize, a trophy bolo tie, Mike Cline of Chisholm Trail Archery club; 3rd prize, a trophy money clip, Gene Pace of the Boomtown Bowhunters Archery club.

In the Junior Girl's division, 1st prize, a Spidel bracelet by Carl's Watch shop, Burkburnett, Paulette Coffey of Lawton Archery club; 2nd prize, a badminton set, by Western Auto Store, Burkburnett, Sandy Lindsay of Boomtown Bowhunters Archery club.

Other prizes were for the most bull-eyes during the Chicago Round in the Men's division, a dozen hunting arrows, donated by Southmoor Sporting Goods Store, Wichita Falls, was won by two men who tied, Bob Gilmore and Henry Parker, both of the Deerslayers. The trophy for the woman with the most bull-eyes in the Chicago Round was by Virginia Cline of the Chisholm Trail Archery club. For the most bull-eyes in the Chicago Round for the Jr. Division, the prize which was a dozen target arrows, donated by the Southmoor Sporting Goods Store of Wichita Falls, was won by Dennis Crow of the Deerslayers.

A prize for the high and low score of the first half of the Flint Round, a new bowstring, donated by the Custom Bow Company of El Cagon, Calif., was won by Ralph Jesse of the Deerslayers and Wade Morris of the Boomtown Bowhunters Archery club respectively.

Prizes, a packet of bow strings wax, donated by the Custom Bow Co. of El Cagon, Calif., for the low score in the complete Flint round were given to: Men's division, Willis A. Garland of Boomtown Bowhunters Archery club; Women's Division Sandi West of Boomtown Bowhunters Archery club and Jr. division, Bruce Meyer of the Boomtown Bowhunters Archery club.

Prizes were also given for the lowest score in the combination of the scores of the Chicago and Flint Rounds. They were: Men's Division, a cigarette lighter, donated by Corner Drug Store of Burkburnett, G. B. Smith of the Boomtown Bowhunters Archery club; Women's Division, a silver candy dish, donated by Kruger's Jewelry Co. of Wichita Falls, Mary Durdle of the Boomtown Bowhunters Archery club.

We gave three door prizes by selecting their score card from out of a pot. A thermos pitcher donated by Herring Hardware and Appliance of Burk, won by Mary Durdle of the Boomtown Bowhunters Archery club. An Animal Target Mat, donated by the White Auto store of Burk, was won by Wade Morris of the Boomtown Bowhunters Archery club. An Ice Chest, donated by the Boomtown Bowhunters Archery club, was won by Sandi West of the Boomtown Bowhunters Archery club.

We wish to thank all of these business concerns for their donations and cooperation. We also wish to thank everyone who came to participate in the shooting or who just came to be a spectator for making our Grand Opening a success. Also a thanks goes to Owens and Brumley for the use of their tent.

Again we ask anyone who might know of a piece of property suitable for filed range, to contact our President, Jim Lindsay or any other club member. If any farmer of this area wishes to get rid of the rabbits or coyotes on his farm or any other type of predatory animal, please contact some member of the Boomtown Bowhunters Archery club and we will see if we can help some.

What's Fair About This?

Bowling News

On Sunday, July 17th, two women's teams and a men's team from Spudder Lanes in Wichita Falls challenged teams formed from Boomtown Bowl bowlers. One of the five women teams won two games of the three and won total pins. June Albin had the high game, 184, and the high series, 483. The other women's team from Boomtown Bowl won one game.

Many of the women who bowled against the teams from Wichita Falls were hesitant in joining the Boomtown Bowl team; but now several of the women want to form a traveling women's team from Boomtown Bowl. All of the women bowlers seemed to enjoy the contest very much. In fact, one team from Boomtown Bowl is going to Spudder Lanes next Sunday to have a rematch. Good luck girls.

The men's team from Boomtown didn't have quite a good showing as the women's teams, although, Bill Hix, one of Boomtown Bowl's outstanding bowlers rolled a high game of 235 and a high series of 569. Both the men and the women agreed that they all had a very good time and had met some very good bowlers and nice sportsmen.

The "Bowling News" Bowler of the week award goes to an outstanding women bowler in this area. Lorna Lowery carries a 163 average in the Friday night mixed league. She has rolled the high game for women in this league, a 231 and has the high women's series 562.

In the games against the team from Spudder Lanes, Lorna rolled a 213 along with her 538 series. Lorna is the type of bowler who can always be relied upon to reach her average nearly every time she bowls. Yes, Lorna is by far the best woman bowler in the Boomtown bowl area. If Lorna keeps going at her present pace she will make the male bowlers hustle to stay ahead of her.

Remember, all women who wish to attend the classes which will be taught by Esther Woods and Jack Aydelotte, AMF star bowlers should register with Boomtown Bowl. Call your reservation in or drop by Boomtown Bowl and leave your name at the counter. The women's instruction will be on Friday, July 29th at 1:30 p. m. Also all children who wish to learn the proper way to bowl and are between the ages of 10 and 18 are invited to join the classes for children.

Both Esther Woods and Jack Aydelotte have had much experience in instructions. Remember, the children should register also. The classes for the children will be on Saturday, July 30th at 9:00 a. m.

YOU'RE MISSING SOMETHING IMPORTANT

To your health if you have not tried Chiropractic for Rheumatism. This disease is responsible for more days lost from work than any other chronic disability except nervous and mental disorders. Rheumatism includes such conditions as lumbago, barsitis, wry or stiff neck, shoulder pains and many others.

RHEUMATISM results from misaligned vertebrae in the spine causing pressure on the delicate nerve fibres of the spinal cord and interfering with the vital nerve energy from the brain which powers every organ and cell in the entire body. Without this life-force brain power, the purification system of the body ceases to function properly. The kidneys, liver and skin cannot dispose of waste products. This waste collects in the muscles and joints causing a toxic condition and great pain.

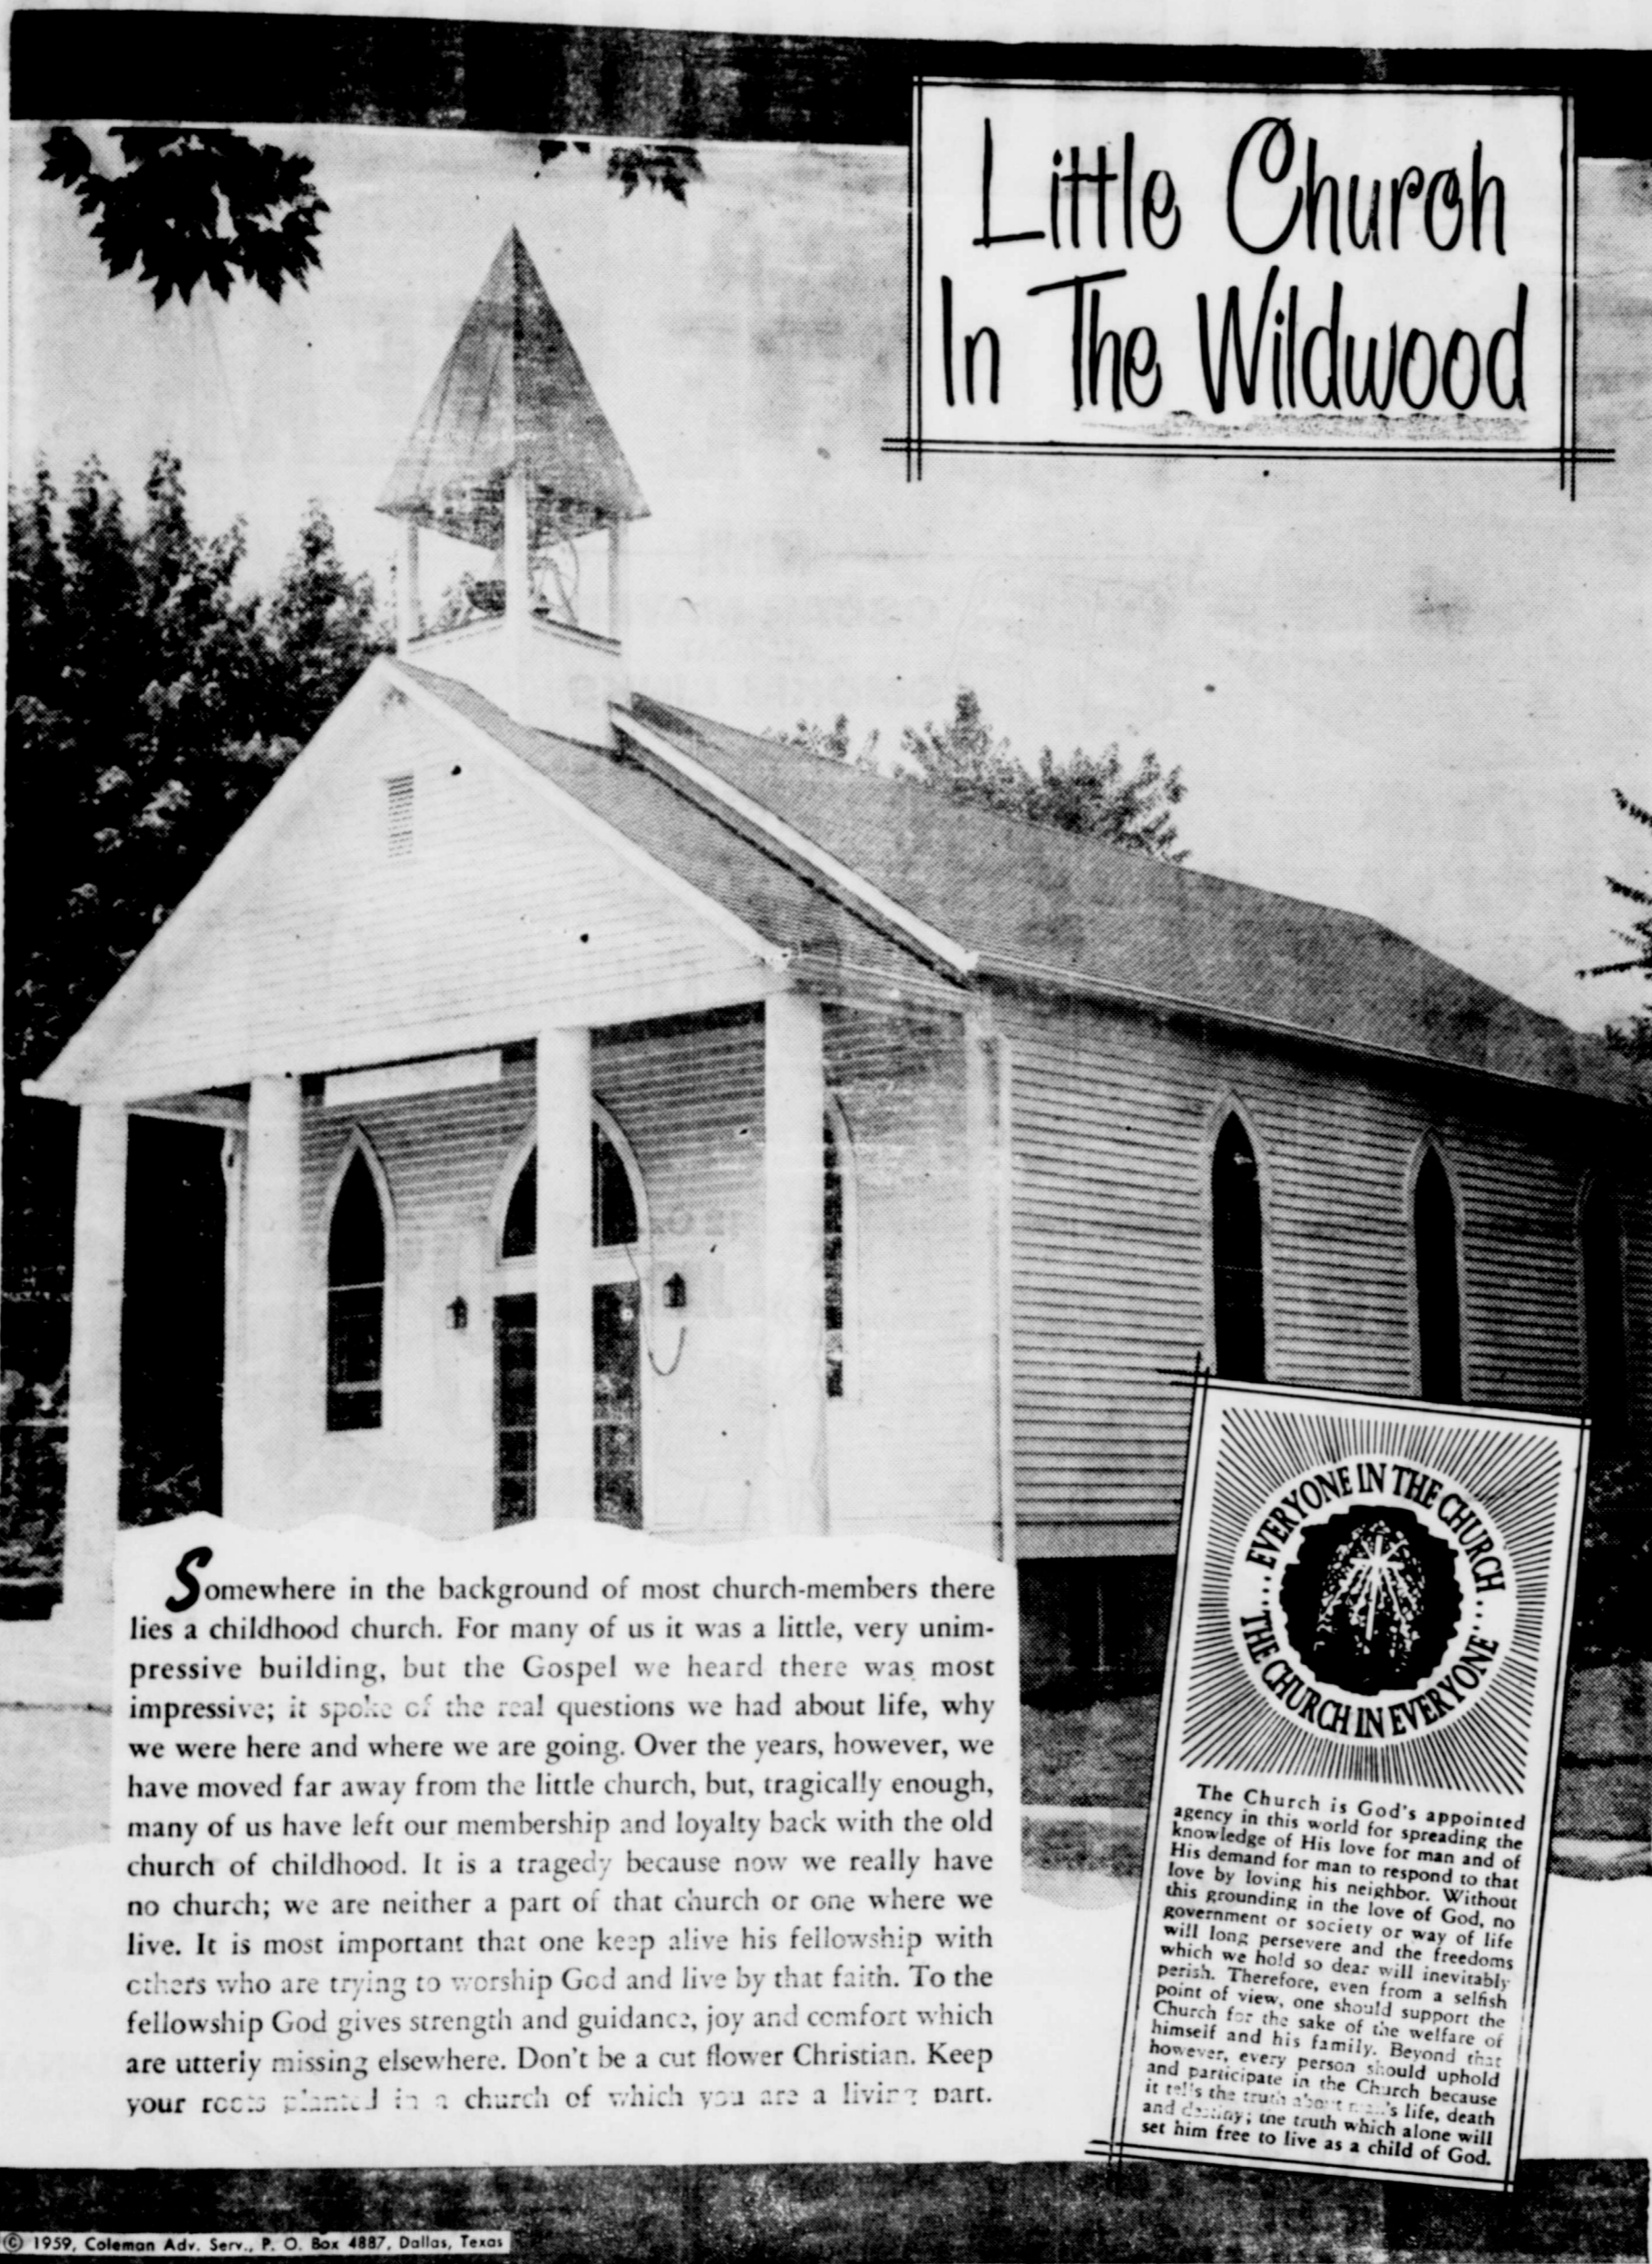

Correcting misaligned spinal vertebrae will relieve the pain of rheumatism, and complete restoration of other body functions is the natural result. If your present or past treatments for rheumatism have not made you well, why not investigate. What have you to lose except your rheumatism? Call today for an appointment.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

Little Church
In The Wildwood

Somehow in the background of most church-members there lies a childhood church. For many of us it was a little, very unimpressive building, but the Gospel we heard there was most impressive; it spoke of the real questions we had about life, why we were here and where we are going. Over the years, however, we have moved far away from the little church, but, tragically enough, many of us have left our membership and loyalty back with the old church of childhood. It is a tragedy because now we really have no church; we are neither a part of that church or one where we live. It is most important that one keep alive his fellowship with others who are trying to worship God and live by that faith. To the fellowship God gives strength and guidance, joy and comfort which are utterly missing elsewhere. Don't be a cut flower Christian. Keep your roots planted in a church of which you are a living part.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

FROM MY FRONT PORCH

The shamefully rigged quiz programs, the horrifying violence of some Westerns, the frequent shoddiness of "comedy" shows — television does have its faults, as who doesn't? But it also brings us many good things. And, conscience-stricken, it seems to be trying to bring more.

One such, of good, was the TV play, "Miracle on 34th Street." The pleasant and uplifting story revolved around the veteran (of old times, comedian) Ed Wynn, who portrayed the character who believed he was Kris Kringle and contended that all our problems could be solved by "love and consideration." And he proved it, in a fine piece of soul-warming acting.

It was doubly enjoyable to me, because behind the benign Santa Claus beard I kept seeing Ed Wynn, the gallant oldster who refused to let Hollywood shove him because of advanced age. He recently celebrated his "57th" birthday, at the same time admitting the accuracy of vital statistics which give him 72 years.

Seems that Mr. Wynn started in show business 57 years ago. He feels 57 — and so that's what he will likely remain for a long time to come!

I admire and applaud the courage and character of Ed Wynn. The same goes for Jack Benny, who's been "39" these many years because he feels that age, despite what the birth records say.

And there's Jimmy (Schnozzola) Durante, who's into his seventies and as spry, sharp and smiling as men half his age who sit around glibly listening to their arteries harden. It's he who has said, "The young in heart, they are ageless!"

Q. Do you have plans available for a sandbox with a sunshade?
A. The plans we prepared for this reader will, I believe, provide a rewarding do-it-yourself project for anyone who has small children. The sandbox can be cut, assembled, painted and prepared for use over the weekend.

It is 3 feet 10 inches wide, 4 feet long, has a bench on which youngsters may sit or place their "sand cakes" and digging paraphernalia, and an attractive sunshade.

No. 1 white pine is used in constructing all parts of the sandbox, except the roof and bottom, which are sections of 1/8-inch tempered pressed wood.

The only phase of construction which may puzzle an inexperienced home handyman concerns

Sandbox provides rewarding do-it-yourself project.

The angle cuts of the tapered sunshade and mortises suggested for special strength. These aspects are detailed in the free plans, though, and all cutting specified can be accomplished in seconds with portable electric saws designed for the home craftsman.

Accuracy, then, is your chief concern.

The 1x4 posts joining the sandbox and sunshade are fastened with 2-inch carriage bolts so the two sections easily can be disassembled for storage if desired.

All material used should be coated with a sealer before coloring with exterior paint, and screws and nails should be countersunk so no metal is protruding to catch and tear clothing.

When the work is completed, just add sand, relax and watch those youngsters beam!

Air conditioning in the winter? Mae Wilson thought I was fooling when I said on a cold day recently that air conditioning kept our home fresh and comfortable

throughout the year. I carefully explained to Mae that our home is equipped with a year-round gas air conditioner—a unit which heats in winter and cools in summer. Whether its heated or cooled air, its always fresh air, I said. Thanks to our year-round unit we never have to open a window. Mae thought it over and then began asking questions. "Doesn't that keep the house cleaner? Do you save money on cleaning draperies and curtains?" "Yes, of course," I answered.

Barnes Rites Friday In Burk Cemetery

Graveside services for Joseph Hays Barnes, 80, retired oilfield worker here, were at 10:30 a. m. Friday in Burk Burnett cemetery. The Rev. Roy Harris, assistant pastor of the First Baptist church officiated. Burial was in Burk Burnett cemetery.
Barnes, who was born Nov. 5, 1879, in Kentucky, died in a Wichita Falls hospital Wednesday. He is survived by one daughter, Mrs. Ralph Ludwick of Tampa; one son, F. L. Barnes of Hoisington, Kan.; eight grandchildren and four great grandchildren.

4-H Boys and Girls Set Camp July 21st

Wichita County 4-H boys and girls will have an opportunity to attend a one day joint camp, July 21st at the 4-H Barn.
Registration will begin at 9:00 a. m. A general assembly will be called at 9:30 a. m. to organize for the day. A fee of twenty-five cents will be charged to all 4-Hers and fifty cents for those who go in swimming.
Following a morning of recreation and swimming, four hours of workshops will be conducted on wild life study, safety and electricity, record books and leadership and social relations. Bryan Scherff and Donna Childers will be in charge of the wild life workshop; Elizabeth McKay and Jerry Lamb will conduct the workshop on social relations; Patricia Simons and Sonny Bentley will be in charge of record books and leadership workshop and Kenneth Johnson and Linda Bailey will have the safety and electricity workshop.
A western theme will be carried out. All those attending camp will bring picnic lunch. In the evening, the parents will bring a pot luck supper and join the 4-H clubbers. Organized entertainment at 9:00 p. m. will be followed by a vesper period at 10:00 p. m. which will close the camp.
Adults assisting with the camp are Jack Gressit of the Chamber of Commerce; Doyle Beavers of Texas Electric Co.; J. G. Simmons, dist. extension agent; Mrs. Helen Banks of Lone Star Gas Co.; and Mrs. Elizabeth Smith and Harry Cox, assistant

County extension agents.

News From The County Agent

Use a household spray containing either 5% DDT, 2% chlordane or 1% lindane inside the house. Apply thoroughly to baseboards, around doors and window moulding, behind pictures, under furniture, around the edges of rugs and in all cracks. Control ticks on dogs by dusting or dipping with lindane or chlordane according to directions on the label. Outside the home ticks may be controlled on the lawn and in other vegetation with sprays or dust or DDT, toxaphene, chlordane or dieldrin.

Use 10% DDT, 10% chlordane or 2% dieldrin dust at the rate of 20 to 25 lbs or 20% toxaphene dust at the rate of 10 to 15 lbs per acre where vegetation is sparse. Increase the dosage in heavy vegetation. If sprays are used, follow manufacturers' directions for mixing. Apply at the rate of 15 to 25 gal. per acre to lawns and 50 gal per acre to heavy vegetation.

Cockroaches are a problem in lots or homes. To control roaches inside of the home use 2 or 3% chlordane, 0.5% dieldrin or 2% deodorized malathion household spray. Malathion is effective against resistant German roaches and may be used for spot treatment at concentrations up to 5%. Thorough application is essential for roach control. Spray all cracks and crevices around and under the sink, in cabinets, around door facings and window sills. Give particular attention to the kitchen and bathroom. Remove dishes and cooking utensils before spraying. Allow spray to dry before replacing them. American & Oriental cockroaches usually can be controlled by spraying or dusting with chlordane or dieldrin underneath the house and other hiding places. Use 10% chlordane dust to 2% dieldrin. If a spray is preferred follow directions on the manufacturers' labels.

Ticks is another insect that is a problem during the summer months.

THINKS IT'S MARVELOUS
GAS MILEAGE "OUT OF THIS WORLD"**

Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting — "at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.

Survivors include two daughters, Mrs. Jessie Maddox of Houston & Mrs. Joan Hendricks of Los Angeles; and three sons, Charley Vanderburg of Ryan, Sandy Vanderburg of Burkburnett and Wallace Vanderburg of Terral.

Bowling News

Of the 20,000,000 people in United States that go bowling, only a few become proficient enough to become true professionals. Boomtown bowl is indeed fortunate in having two well known AMF exhibition professional bowlers and instructors, Esther Woods and Jack Aydelotte to come on July 29-30th. This is truly the time for all beginners in the sports of Bowling to learn the proper fundamentals. Esther Woods has been bowling for several years and carries a life time average of 187. Jack Aydelotte has rolled nine perfect games in his lifetime and has carried a 203 average for the past five years. In one of the biggest tournaments in the nation for men, the Masters, Jack has kept a 207 average. Both Esther and Jack are highly qualified instructors.

Jack and Esther will bowl a Match game against Jim Brown, winner of the 1960 Wichita Falls Classic tournament and the winner of the Women's Classic in Wichita Falls, who will be announced July 24th.

On Friday, July 29th, Jack and Esther will hold a instruction class for the woman bowlers in this area. The class will start at 1:30 and will end at 4:30. After the instruction period, free bowling will be enjoyed. One lucky beginner in the class will be given a new bowling ball.

On Saturday, July 30th, a class for the children will be given. This class will be started at 9:30. Two lucky children will be given a pair of bowling shoes each. All children between the ages of 10 and 18 will be in this class. Attention— all women and children who wish to be in these classes please notify Boomtown Bowl for registration. We must limit our classes, so please register.

One lady who bowls at Boomtown Bowl certainly does not need instruction. Lorna Lowery set a new women's high game last Friday night. She shot a 231. She carries an average in the 160's.

The men's tournament at Boomtown Bowl will be Aug. 6 and 7th. Entry blanks will be available in your local paper. The entrance fee is \$3.00 per contestant in each event. More information will be given later.

News From The County Agent

The Wichita County 4-H Encampment will be held at the 4-H barn in Wichita Falls on Thursday, July 21st. A very good program has been planned. All 4-H boys, girls and adult leaders are urged to attend.

July 24th through the 30th is Farm Safety Week in Texas. This same period has also been designated as National Safety Week by the President of the United States.

The Texas Farm and Ranch Safety Council points out that the purpose of the special week is to focus attention on the year round need for reducing the number of farm accidents and to cause those who can do something about the problem to act. The farmer and his family, says the Council, must carry safety into their everyday lives. Nationally, they add, farm accidents cost one and a quarter billion dollars annually, a sizeable sum anyway you take it.

The Texas-Okl. Fair will be held in Iowa Park Sept. 26 thru Oct. 1st. A real good fair has been planned for this year. A large number of club boys and girls will exhibit projects at the fair this year from Texas and Oklahoma.

A beef tour will be conducted in Wichita County for all club boys and girls on Saturday, July 30th. The group will see steers, lambs, beef heifers and pigs on the tour.

We are now ready to receive enrollment cards for the 1960-61 contest year in the Texas Community Improvement program. This contest is sponsored by the Electric Utility Companies operating in Texas and the Texas A. and M. College system.

Saturday, Oct. 15th is Rural Youth Day at the Dallas Fair.

You may pick up your 1960 guide L-145 Cotton Defoliation Guide at your County Agent's office.

Area Highway Patrol News

The Highway Patrol investigated 10 rural traffic accidents in Wichita County during June, according to Sgt. F. E. Webster, Patrol Supervisor of this area.

Property damage wrecks accounted for 8 of the total personal injury for 2 and none were fatal accidents. These wrecks caused a total property damage of \$4,100.00 with three persons injured and no lives lost.

Sgt. Webster pointed out that this brings the total for the year in this county to 4 killed, 56 injured, and property damage in excess of \$51,635. This compares with 3 killed, 91 injured, and property damage of \$112,749.00 during the first 6 months of 1959.

"Prior to July 1st there had been a total of 784 fatal accidents in Texas," Sgt. Webster said. From these accidents, 962 persons have died needlessly, he added.

Card Of Thanks

We wish to thank the many friends for their thoughtfulness and many kind deeds shown our family during the loss of our beloved one, Mr. B. A. Dorland. Your prayers, kind deeds and thoughtfulness will long be remembered by each of us. May God always be with you.

AFM Bowling Stars to Perform At Boomtown Bowl July

Rebekah Lodge No. 67

The Burk Rebekah Lodge met in the usual form with Jean McPhail, Noble Grand presiding Elizabeth Gragg, vice grand protem, Bessie McKnight, chaplain, Mary Cecil, secy, Cora Lee Harmon pianist & Cordie Lawrence warden. Minutes of the last meeting were read and approved. Sick members were reported on and the roll call of officers and absentees noted.

The noble grand requested that each member invite another member to our next meeting of those who aren't attending regular. She suggested this in order that we may get more interested in lodge. So all members try to get some one who isn't attending to come with you to our next meeting.

Refreshments will be served. Here's hoping that this "friendship nite will create an interest in more of our members into coming to lodge.

Some of the late model automobiles contain more than 100 parts made of Butyl rubber, a synthetic product which won widespread acceptance in the manufacture of inner tubes because of its ability to hold air 16 times better than natural rubber.

Accounting for almost one out of every nine automobiles in the United States, California tops all other states in gasoline consumption.
