Horse Sale Here Friday Night At Sale Barn

Bill White says they will have one of the biggest horse sales ever this Friday night, August 26th. It will be held at the Burk Sale Barn on East 3rd Street.

According to Mr. White, 100 horses have been booked for the sale.

Everyone is invited to the sale, which begins at 7:30 P. M.

J. Frank Kelley Receives Senior Fireman's Award

Fireman J. Frank Kelley has been awarded the Senior Fireman Award in the Burkburnett Fire Department by the Allstate Insurance Companies. The award presented by Chief Nix for representatives of Allstate, is in recognition of long and devoted service by safe guarding the lives and property in the community.

Kelley's outstanding dedication to duty merits the appreciation of all the fellow citizens in Burkburnett. He started with the Department in 1927 and has continuously served faithfully ever since.

Allstate began its search for the Senior Fireman in Texas about two months ago. A winner has not yet been selected as all fire departments in the State are being contacted and recommendations are still coming in.

The State's Senior Fireman (length of service), when determined in the next few weeks, will be guest of honor at a function either in Dallas or Houston and will receive a weekend expense paid vacation for him and his immediate family at the Lost Valley Ranch in Bandera, Tex.

Hughes Rites Were Sunday

Funeral services for Mrs. Theodosia Hughes, 88 year old Burkburnett resident who died in a Wichita Falls hospital Friday were conducted at 1 p. m. Sunday in Owen and Brumley Funeral Home Chapel in Burk.

Rev. Ray Marrow, pastor of the Calvary Baptist church officiated. Burial was in the Burkburnett cemetery.

A long time resident of Burkburnett, Mrs. Hughes is survived by two daughters, Mrs. Ruth Brewer, Fort Smith, Ark., and Mrs. Rhody Pearce, Enid, Okla.; five sons, Leroy, Doyal, George Emery and Norman C. Hughes, all of Enid and Libburn Hughes of Kilgore, Tex.

Mr. and Mrs. Jack Rogers of Oklahoma City, are the proud parents of a baby girl, Sheila Renee, born Aug. 16th. Mrs. Rogers is the former Beatrice Vernon, daughter of Mr. and Mrs. E. R. Vernon of Burkburnett.

Mrs. E. R. Vernon left Saturday for Oklahoma City to visit her daughter, Mr. and Mrs. Jack Rogers and new baby girl, Sheila Renee. She plans to be gone about a week.

FIRST SAVINGS & LOAN ASSOCIATION TO HOLD FORMAL OPENING SAT., 27th

The First Savings & Loan Association of Burkburnett will have its formal opening Saturday, Aug. 27th.

Burkburnett's newest business concern is located at 314 East 3rd Street, in the new Clement Building.

Saturday, all lady visitors coming to the office will receive orchids.

Free coffee and drinks will be served at the following places, compliments of the Loan Association:

Adams Drug Store, Burk Drug Store, Corner Drug Store and Henry's Bakery.

Officers and Directors

Harold Van Loh, President.
C. R. Meadows, Jr., Executive Vice-President and Secretary.
Mrs. Bennie Lee Dodson, Assistant Secretary.
Directors: D. C. Dodson, Jack W. Mathis, Dr. Rudolph R. Robinson, Jr., Dr. P. A. Carpenter, A. R. Hill, H. A. Mills, Glen Bear.

All savings accounts are insured up to \$10,000.00. Current dividend rate is 4%, paid semi-annually.

Burkburnett area people are cordially invited to attend open house Saturday, August 27th.

Beauty Pageant Tickets Available

Tickets to the Second Annual Miss Burkburnett Pageant are on sale downtown at Opal's Dress Shop or may be purchased from any member of the Modern Study Club. Purchase tickets now as only a few reserve tickets are left. They sell for \$2 and \$1.50. General admission tickets are available at \$1.00 for adults and 50c for children.

This event which is being held on September 1 will select the young lady who will represent Burkburnett at the Miss Texas Pageant in July, 1961.

Judo Will Be Demonstrated at Altus Festival

ALTUS AFB, Okla.—Fast action Air Force Judo will be demonstrated free of charge to the public during the Altus AFB Fall Festival at Craterville Park located by Quartz Mountain State Park.

A pair of black belt judo instructors will lead the exhibition in clean throws and the disarming of knife and gun bearing aggressors.

Judo is part of the training given to bomb crews on Altus Air Force Base for the purpose of self defense and survival.

According to A. 2c Robert Cassidy, a graduate from the Kodokan Judo School in Japan, judo is known as the gentile way, and originated as a Japanese sport in 1884.

Japanese and American teaching of judo is basically the same with only one major change and that is in Japan the pupil takes a vicious beating for two weeks and is then taught something about the sport. In the USAF, the pupil is first conditioned and is slowly brought up to proficiency.

Too wide a gap may cause a miss at higher speed and load. A final not from Champion—be sure the sparking surface of the electrodes are parallel, and have squared corners. A spark will jump the gap better from this type of surface than from a rounded surface.

NOTICE

Swimming instruction for women will begin Monday, Aug. 29th at the Burk Swim Club. Terry Gould, a qualified instructor will be in charge and the series of lessons will cost \$2.00. Register early with Mr. Gould or call Mrs. Ralph White or Mrs. H. C. Preston, Jr.

Enthusiasm is very high among the youngsters for the new swimming pool and it is a gratifying sight to those who have planned and worked for the fulfillment of a dream to see a bunch of happy kids frolic and playing in the water.

Response to call for cleanup, leveling and planting grass around the pool has been good and this work is progressing nicely, which leads to the thought perhaps there are others willing to make a contribution if they were aware of the need for specific items. There may be individuals who wish to donate metal lawn chairs, metal tables or small life preservers (some their children have outgrown) or there may be clubs or businesses which might give a table with an umbrella or a donation of money for the purchase of some item. If so, please contact Mrs. Ralph White or Mrs. H. C. Preston Jr.

Miss Clara Priddy and Mrs. C. R. Romines, aunts of the girl and O. H. Priddy, uncle, and Mrs. James McCann, cousin, all reside in Wichita Falls. Another cousin Mrs. Ernest Boswell, lives here in Burkburnett.

Mrs. Bradley's Rites Were Saturday

Funeral services were held at 4 p. m. Saturday in Thrift Memorial Baptist church here for Mrs. Willie Jean Bradley, 67, Burkburnett, who died Wednesday in a Wichita Falls hospital.

Rev. Kenneth Bradshaw, pastor, officiated. Burial was in Burkburnett cemetery under the direction of Owen and Brumley Funeral Home.

Mrs. Bradley, a native of Van Zant County, Tex., had been a resident of Burkburnett since 1918. She was a member of Thrift Memorial Baptist church.

Survivors are two daughters, Mrs. Bill Bryant and Mrs. Frank Carr, both of Burkburnett; five sons, Walter, Duncan, Okla.; Quentin, Corpus Christi; M. J. and Cecil, both of Burkburnett, and Billy Joe, Phoenix; two sisters, Mrs. Maude Cheek, Fort Worth and Mrs. Lillie Bell, Frost, Tex.; three brothers, Bob Mays, Greenville, Tex.; J. M. Mays, Bandlett, and Hardy Mays, Rockwall, Tex.; 22 grandchildren and 19 great grandchildren.

Mr. and Mrs. Tommy Goins and children have returned home from a weeks stay at Hot Springs, Ark., where they visited his mother, Mrs. Mary Ella Goins, who has been undergoing treatment there for the past two months. The Goins family also enjoyed water skiing on Lake Hamilton while they were there.

Actions of City Commissioners Mon., Aug. 23

Report From City Manager

Members of the City Council met in regular session Monday night and wrestled with the City's problems until well after midnight.

Briefly, some of the actions taken were as follows: Bid from Mathis Chevrolet Co. to paint both older fire trucks was accepted. Both trucks will be painted immediately.

Closed Williams Drive through the City Park which connects with Avenue D.

Work week for the City employees was changed from 44 hours to 40 hours, effective Sept. 1. A standby crew will be available for water connects.

Water Dept. During August the Water Dept. laid 3,926 feet of pipe, installed 12 water meters and five new fire hydrants, besides the normal maintenance.

Sewer crew now making special effort—since rains and settling—in going back over their territory, making needed street repairs.

Efforts are being made to get property owners to cut the weeds and grass on their vacant lots, to eliminate fire and health hazards.

Curbs at the schools and safety walks have been recently painted, prior to school opening Monday, August 29th.

Spray crew from the Wichita County Health Unit sprayed the city last week. The streets and alleys missed last week will be sprayed this week.

The City has had their mower going constantly recently to eliminate weeds from City property.

Frank Kelley Cited 3 Gallon Member

Frank Kelley, well known business and civic leader of Burkburnett was cited by the Wichita Falls Times and Record News Saturday for "unselfish service to others."

Over a 10 year period Kelley donated three gallons of blood at the Red Cross Blood Center.

In recognition of his life-saving contributions, a certificate of merit, signed by Rhea Howard, editor and publisher, and by John Estes, chairman of the Wichita County Red Cross Blood Program, was presented him.

Years before the Wichita County Red Cross Blood Bank was started in 1947, Kelley helped organize a blood donor group in the Burkburnett Volunteer fire department. His total blood donations including 3 gallons at the Red Cross Blood Bank amount to more than five gallons.

Kelley has been a resident of Burkburnett since 1919 when he moved here from Childress during the oil boom. He started his present grain and hatchery business 39 years ago.

During his 41 years in Burkburnett, Kelley has been active in many civic and community projects. He was mayor for eight years and a charter member and first secretary of the Lions club when it was organized in 1922. He is also a past president of the club.

He is the only active charter member of the volunteer fire department organized in 1927, and served on the city commission numerous times.

Kelley is chairman of the board of deacons of the First Baptist church where he and his wife, Mary, attend. He has also served as church treasurer for many years.

Praise was given Kelley by J. A. Jancke, chairman of the Red Cross in Burkburnett, and by Dr. Joseph A. Davey, chairman of the blood program. He was named a three gallon member of the Gallon Club and presented a drop-of-blood pin centered with a "3".

George Smitch New Assistant Postmaster In Burkburnett

Authorization has recently been received from Regional Operations Director, George A. Gray, of the Regional Office in Dallas, Tex., for the appointment of George Smitch to the position of Assistant Postmaster in the Burkburnett post office.

The appointment will become effective on Aug. 20th. Smitch will assume the assistant postmastership recently made vacant by the retirement of Luther Caffee on July 31st.

Smitch has been in the employ of the local office since Nov. 8, 1951 serving a large portion of that time in City Carrier work and more recently in Clerk work inside the office. He is a native of Burkburnett, a graduate of Burk High School and has served 4 years in the Air Force both in the U. S. and in Germany.

George, as he is familiarly known to his many friends, is an avid fishing and boating enthusiast and with his wife, the former Paula Stevens, and their two sons, Mike 8, and Scotty 5, spend much of his leisure time on the big lakes in the area.

The Smiths have their home at 606 E. 2nd Street.

Burk Lions Club Will Present Annual Carnival

The Lions Club of Burkburnett will present their annual benefit carnival on Thursday, Friday and Saturday, Sept. 22-23-24.

Proceeds will be used to further community activities.

There will be rides for all ages provided by Steinbeck Amusements, Inc. All booths will be run by Lions and other local clubs. Any club desiring to have a booth in the carnival, is asked to call Jerry Thomas, Lions Carnival coordinator, at phone 569-2221 or 569-3639.

Ada Jane Bryant Dies Fri. At Home

Mrs. Ada Jane Bryant, 83-year old resident of Burkburnett for 27 years, died at her home here Friday morning. She had been in poor health for several years.

She was born at Winnsboro, Tex., March 5, 1877 and moved to Burkburnett in 1933. She was a member of the Baptist church.

Survivors include three daughters, Mrs. Joe T. Herndon, Burkburnett, Mrs. H. H. Garrett, Wichita Falls and Mrs. Marion Carpenter, Altus, Okla.; three sons, Leo, Burkburnett, F. O. Fort Worth and T. L. Amarillo; 13 grandchildren and 12 great grandchildren.

Funeral services were conducted Sunday at 3:00 p. m. from the Owens and Brumley Chapel. Rev. Kenneth Bradshaw, pastor of Thrift Memorial Baptist church and Rev. Ray Marrow, pastor of Calvary Baptist church officiated at the service. Burial was in Burkburnett Cemetery.

Card Of Thanks

I wish to thank everyone for the many cards, letters, visits, prayers, flowers and other kindnesses shown me during my recent stay in the hospital. Your thoughtfulness will long be remembered.

Mrs. Lettie Roberts. 50-1tc

Long Live Good Drivers

TIME ADDED FOR GOOD BEHAVIOR. That's right good driving may add years to your life, as well as to other fellow's. What does the good driver do?

- He stops for the fellow who runs thru 'on the yellow.'
- He doesn't squeeze the reckless passer, but let him cut back into line.
- He'd rather get a wave of thanks than a dirty look from the other driver.
- He watches for the fellow who may pull out of a parking space without signal.
- He treats pedestrians, especially children, as though they were members of his own family.
- He shrugs his shoulders and gets out of the road-hog's way. Competing with him is too expensive.
- Courtesy Buys a lot of Safety—It's Highly Contagious, too.

"Mad Dog" into "Underdog"

J. Edgar Hoover, Director of the Federal Bureau of Investigation writes in a message directed to all law enforcement officials: 'We are faced today with one of the most disturbing trends that I have witnessed in my year in law enforcement, an overzealous pity for the criminal and an equivalent disregard for his victim. "This dangerous tendency is inherent in the various theories and systems now being suggested, many of which are aimed at making sweeping changes in our established methods of dealing with the lawless. "One proposal, which proponents attempt to justify from an economy standpoint calls for a vast decrease in the number of persons sentenced to prison. Other diverse schemes being propounded, if adopted, would have the effect of virtually opening the doors of our prisons or turning them into little more than restrictive resort hotels. These plans, of course, would remove the threat of the thing most feared by the criminal—punishment for his misdeeds. "Americans are noted for favoring the 'underdog.' But all too often we have witnessed a 'mad dog' transformed into an 'underdog' by certain people who quickly forget or choose to ignore the great suffering by innocent victims of hardened and professional criminals."

Cut Castro; Aid Cubans

"It is silly to pursue the chimera that if we do nothing, the Cuban situation, by some magic, will right itself. Such miracles do not happen. On the contrary, to be able repeatedly to kick Uncle Sam in the teeth and get away with it, is very contagious. Assisted by international Communism, this infection will soon spread to other republics, unless it is stopped summarily in Cuba." These are the sentiments of a seasoned diplomat and two fisted American who ought to know, Spruille Braden, former US Ambassador to Cuba and Assistant Secretary of State for Latin American Affairs during the Truman administration. These views, together with constructive recommendations of what to do, appear in Pan American Headlines, official publication of the Committee on Pan American Policy. Item number one on the Braden agenda is to sever diplomatic relations with "this disreputable Cuban regime." Next, responsible Cuban groups, both in Cuba and in exile must be given both financial and military aid. They are ready," says Mr. Braden, "to organize armed opposition to the Castro regime. The Cubans will free themselves, if the USA will promptly give them the means to do the job." We should recognize and assist a responsible anti-Communist government in exile, "just as we worked with the Free French and other exile groups during World War II." Further, he says, our emergency suspension of the sugar quota for this year must be followed by elimination of the price differential by which the US subsidizes this Red regime. Mr. Braden believes that: "If possible, we must take these steps in consonance with the Organization of American States, but with or without the OAS, we must do these things. We must make it crystal clear that we intend to defend the United States and this hemisphere, come hell or high water." Since we do not think our Secretary of State is listening, and apparently the President is satisfied that Brother Milton has Latin American affairs in hand, perhaps it is time to ask Candidates Nixon and Kennedy what they propose to do about Castro's thievery, threats and insults and the Communist Police State that he and Khrushchev and Mao are setting up under our noses.

BUDGET OUT OF BALANCE?

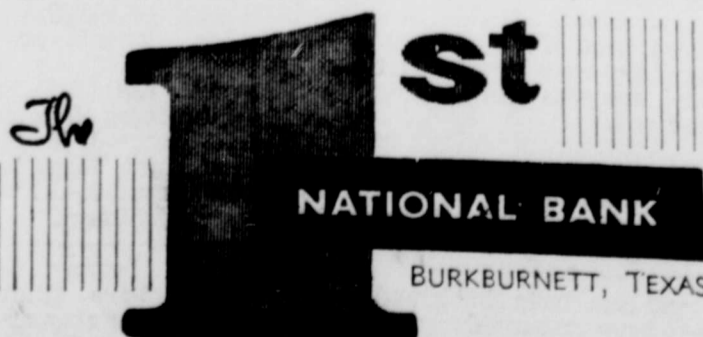

here's sure way to solve your problem!

Budgets out of balance probably cause more family arguments than almost anything else. Usually the trouble is that the amount budgeted for SAVINGS has a way of simply disappearing into the thin air. The argument then is about how or why this happened and who was responsible. The solution is as simple as this: If you would make it a practice to DEPOSIT your budgeted savings FIRST thing every payday, they couldn't disappear, and there'd be nothing to argue about. In the interests of family harmony and a growing bank account, always do your saving BEFORE you do your spending . . . starting very next payday.

DEVOL NEWS

Mrs. C. O. Woodley, Reporter.

Wedding vows were repeated Tuesday evening, Aug. 16th at 7:30 p. m. by Lorene Duncan and Bob Farmer in a simple but impressive home ceremony.

The bride is the daughter of Mrs. S. F. Thompson, Henrietta, Tex. and the groom is the son of Mrs. Gertrude Farmer of Devol.

Officiating at the double ring ceremony was Dr. Travis White, president of Midwestern University, Wichita Falls.

Traditional music was presented by a niece of the groom, Miss Sue Skaggs of Lexington, Mass.

The bride was dressed in a street length dress of antique taffeta with a small matching hat and veil. She carried a bouquet of coral and beige carnations.

Matron of honor was the groom's sister, Mrs. Douglas Skaggs of Lexington. Douglas Skaggs was best man.

The reception which followed the ceremony was directed by the groom's sister, Marguerite Glendenning of Wichita Falls. The serving table was covered with a beige lace cloth and the centerpiece was carnations in the bride's chosen colors of beige and coral. Mrs. Travis White served the three tiered wedding cake and Sylvia Duncan served punch. Trudi Skaggs and Connie Camp registered the 80 guests.

After a wedding trip to New Mexico, the couple will be at home near Devol where the groom is engaged in stock raising.

Major and Mrs. Weldon Hutson and children, Donnie, Joe, Ronnie and Susie of Springfield, Va., are visiting his parents, Mr. and Mrs. Guy Hutson and Raymond this week.

Lt. Col. and Mrs. Douglas Skaggs and children of Lexington, Mass., have been guests of her mother, Mrs. Gertrude Farmer and brother Bob Farmer, during August.

Mrs. Lloyd E. Smith and son Joed of Centralia, Kans., have returned to their home after visiting the C. O. Woodleys and other relatives and friends in Grandfield and Wichita Falls.

Mr. and Mrs. A. J. Mays and son, A. J. Jr., and Mr. and Mrs. Joe Champion and family spent the weekend at Pauls Resort on Lake Texoma.

Mr. and Mrs. J. W. Adams and family and Mr. and Mrs. Dariel Adams and family, all of Wichita Falls were Sunday guests of their parents, Mr. and Mrs. A. J. Adams and Charles.

Mrs. F. J. Uthe will leave Friday for Madison, Wisc., where she will attend the national meeting of Federated clubs. Mrs. Uthe is president of Cotton County Council of Federated clubs and also president of Devol Demonstrators.

Mr. and Mrs. Jesse Weaver of Edmond, Mr. and Mrs. Jim Spillers of Jacksboro and Mr. and Mrs. Jimmie Bryan of Wichita Falls visited their parents, Mr. and Mrs. Guy Hutson Sunday.

Mr. and Mrs. A. S. Patterson have returned to their home near Amherst, Tex., after a visit here last week.

Mr. and Mrs. T. P. Randall visited her sister, Mr. and Mrs. Carl Powell in Ft. Worth Friday and Saturday.

Bowling News

In the Friday night Mixed League, McClurkan Butane captured undisputed first place. Second place honors went to the Four K's while Western Dude clung to third place in the heated final night. McClurkan Butane also rolled the highest team series, 1964, and Western Dude took the high team game honors with a 723. The Okie Doaks and Western Dude took second and third place in the high team series and Magee and Janlee Farms, second and third in the category of high team game. Floyd Marten took high game honors for the men with a 232. He was followed by Buck McClurkan with a 224 and Grady Grizzle with a 223. The women's high game was rolled by Lorna Lowery, a 231. She was followed by Mary McClurkan, 192, and Lora Stevens, 192. Luther Magee rolled the highest men's series, a 590. T. D. Dantonio, 585 and Randall Hudson, 584, followed Luther.

The women's high series was again bowled by Lorna Lowery, a 561. Both Mrs. Lowery's high game and series are the highest that have been bowled at Boomtown bowl in league play. Lorna was followed by Lora Stevens, 506 and Mary Magee, 503. Janice Vincent improved her average more than any other woman bowler, 17 pins. Huck Mc Donnell raised his average 21 pins to be tops in the men's average increase.

The following men will receive trophies for bowling over 220: F. Marten, B. McClurkan, G. Grizzle, T. D. Dantonio, C. McClurkan, C. Stevens and L. Magee. The following women will receive trophies for bowling over 180: L. Lowery, M. McClurkan, L. Stevens, M. Robertson, G. McClurkan, M. Magee, and M. King.

During the final night of bowling, the Boomtown Mixed League got itself in a fine mess. Corner Drug Store has won first place, but second place is a four way tie. Yes, Vogue Cleaners, Landrum Construction, Westmoreland and Jones Construction and Carroll's restaurant are all tied for second place. A run-

off will be held to determine the winners of second and third place. The five men Commercial league will start Sept. 7th at 6:30 p. m. Sign up early and reserve a spot for your team. Contact Boomtown Bowl.

Entry blanks for the Boomtown Bowl House Tournament for men are now available at Boomtown Bowl. The tournament will be held Aug. 19, 20, 21, 27 and 28th. Handicap will be figured on 70% of the difference between 200 and your highest average at Boomtown Bowl. The five man team events will be held on Friday, Aug. 19 and 26th. Doubles and singles matches will be held on Saturday and Sunday of each weekend. Entries must be sent to Boomtown Bowl by midnight, Aug. 25th. Additional information can be obtained by calling Boomtown Bowl at 569-8139.

Driver Curbs Studied—

Ways to clip the wings of carry no insurance are being studied by a committee of the Texas Legislative council. Spokesmen for the casualty insurance industry told the panel they were opposed to a compulsory insurance law. They suggested that pressure could be exerted by such measures, revoking licenses, impounding cars, etc.

Committee also heard Department of Public Safety Director Homer Garrison, Jr., urge a system of traffic courts for Texas. County courts are completely bogged down by the appeals from traffic cases, said Garrison.

Highway Lease Prospects—

Chances of the state's earning money by leasing mineral rights along state roadways are not encouraging, a legislative committee found. Committee learned from a national survey that only 2 oil and gas producing states get income from leasing a way. One reported earnings of less than \$100; one of \$5,763. An attorney General's opinion recently held that the state owned mineral rights along the roadways.

But State Highway Engineer D. C. Greer reported there's not much demand for highway leases.

Short Snorts—

Texas Highway Commission has announced a policy of using only materials manufactured in the US for construction of roads & bridges in the state's highway system. Policy is to be reconsidered if shortages or sharp price increases develop in US made materials. Texas ranks well below most states in the percentage of personal income paid in state of taxes. Governor's State Finance Advisory commission found that Texas pay 3.9 percent of their per capita income in taxes, compared to a national average of 4.2 percent. Employment in Texas hit a all-time high during June, with wage earners totaling 3,522,800. This was an increase of \$45,700 from May, according to the Texas Employment Commission. State Comptroller Robert S. Calvert has requested that his office be given a two year appropriation of \$7,915,386. Present appropriation is for \$5,739,683. Calvert also said his

BULLDOGS OUT-SCRIMMAGE HENRIETTA 24-6

Burkburnett football fans got their first look at this season's A team in action Monday night as the Bulldogs out-scored the Henrietta Bearcats 24-6. Coach Robertson's young crew displayed a fairly strong defense as well as a moving ground offense.

Burk's first tally came early in the contest as end James Payne pulled a Henrietta pass from the air on the Cat's 30 and raced into the end zone. After that the Henrietta offense could not roll.

With the ball on their own 10 yard line, the Bulldogs started the down field march via a series of bruising ground plays. Drives by Johnny Morren, Harry Small, Rickey Taylor and Larry Armstrong took the ball to Henrietta's 40. Young Taylor then covered the rest of the distance.

The Bulldogs final two markers came along the ground route with Small going over both times, once from the 35 and later from the 30.

A pass from Bearcat quarterback Don Keith Lyons to end Billy Ray Williams accounted for Henrietta's lone six pointer. Defense standouts were Gene Pace, Donnie Boren and James Payne.

This coming Monday night at seven o'clock the Bulldogs scrimmage Bowie there. All Bulldog fans who can make the trip will be welcome and will see plenty of action.

department was operating in inadequate quarters scattered over three buildings and asked that the Legislature consider a state building for the department. Texas farmers received \$2,300,000,000 for their products last year, reports the US Department of Agriculture. This was a four percent drop from 1958. Top money maker was cotton, with sales totaling \$738,000,000. Forty two tracts of land forfeited under the Veterans' Land program will be offered for sale to other veterans Sept. 29th. Land commissioner Bill Allcorn said the tracts total 2,957 acres in 11 counties. Veterans wanting to file sealed bids can get descriptions of the tracts by writing the Land Office.

Decoy Missile Display at Altus Sept. 2-3-4-5

The elusive, aluminum skinned GAM-72, the Strategic Air Commands Decoy Missile, will be on public display at Craterville Park, Sept. 2-3-4-5th.

The GAM-72 or better known as the Quail will soon be part of the offensive hardware of the 11th Bombardment Wing at Altus AFB.

Although the Quail is only 10 feet long, it is powered by a General Electric J-85 turbojet engine. It is mounted on special racks in the bomb bay of the B-52 bomber, and is designed for inflight launching.

When launched from the airplane, the Quail produces a "blip" on enemy radar screens similar to that produced by the B-52 Stratofortress.

This diversionary missile will aid the big bombers in slipping into their assigned targets undetected.

TEXAS HAS TAJ MAHAL

The Mission La Bahia del Espiritu Santo, located in Goliad north of Corpus Christi, often is called the "Taj Mahal of Texas".

Established in 1749, the mission stands proudly today in a rare and enviable beauty, a reverent beauty that is only bestowed upon the great during the ages. Near the mission is the site of the infamous massacre of General Fannin and his Texas soldiers by the troops of the Mexican General Santa Anna.

Mrs. Carl Morrison and Mrs. J. C. Adams attended the Wills-Barnes wedding in Dallas Saturday. They also visited relatives in Fort Worth before returning home. Mrs. Morrison visited her daughter, Mrs. Harold Henson and family, and Mrs. Adams visited her sister, Mrs. J. R. Wilkinson, a niece, Mrs. Billie Lucas and her cousin, Mrs. J. C. Armstrong, who recently lost her husband in the forest fire in California.

Mrs. L. L. McHugh, a food demonstrator has a cellar packed with well preserved foods. Mrs. McHugh is always willing to share information with other interested homemakers. Mrs. McHugh was the first Wichita County homemaker to receive the Civil Defense Award for being prepared.

Freezing is a quick, easy way to preserve fresh vegetables and fruits. Thelma Wirges, county HD agent says freezing keeps the natural color, fresh flavor and food values of most vegetables and fruits better than other methods of food preservation.

Latest information on how to freeze and how to cook frozen foods is given in Extension Bulletin, Frozen Foods. Get a copy from your county HD agent's office or from a leader in your community.

Mrs. Claude Taylor has been most helpful to many homemakers with her wealth of knowledge on freezing foods. Mrs. Taylor has a supply of bulletins and is most free with her time and information.

Pickled peaches are colorful and tasty, especially as a relish. They are easy to prepare, so why not make the most of peaches while they are available. Direction for making 6 pints call for 8 lbs of small or medium sized peaches without blemish, ripe but firm enough to hold their shape in cooking. Other ingredients: 2 tablespoons whole cloves; 8 two-inch pieces stick cinnamon; 2 lbs sugar; 1 quart vinegar.

Bowling News

As the first week of bowling in the First Annual Boomtown Bowl House Tournament comes to a close, the ranking in each phase of the tournament are as follows: in first place the Boomtown kids have 5913 pins. Following them are the teams of Burton Construction with 5846 and the Metal Scrappers with 5729. In the double event Morgan and Sullivan are in first place with 1225. They are ahead of Gore and Morrison, 1173 and Moore and Moulder, 1166. Ronnie Moulder has a firm grasp on the singles first place with a 690. E. B. Burton, 636, and Johnny Jones, 627.

In the all-event honors, Clint Northcutt, 2480 has first place, while Johnny Jones, 2395 and James Sullivan, 2366 have second and third places. Friday, Saturday and Sunday will be the last three days of our tournament. The deadline for entry blanks to be sent to Boomtown Bowl is Thursday, Aug. 25th. Enter your team now and have a chance at the prizes.

The first week after Sept. 5th, will be the first week of Bowling for the Winter Leagues at Boomtown Bowl. Women's league Men's league and Mixed leagues will be started. Reserve a spot in this winter league for your team.

One of the most interesting leagues to be formed at Boomtown Bowl this fall is the Men's Seven Point league which will consist of 8 teams which will bowl at 6:30 p. m. Thursday. In this Seven Point league, the first team game each man bowls his individual opponent a single game. It is possible for the team to gain 4 points on the game because each team will consist of 4 members. On the second team game, each two men bowl two opponents a double game. In this second game it is possible to win 2 points. In the last team game, the team bowls together in a single team game. The team line-ups are made prior to bowling and is kept secret from opponent team until bowling starts.

Boomtown Bowl feels that the men with the most in common will be more likely to have an enjoyable time while bowling in a league. In keeping with this a Club league is going to be formed. This league will be composed of teams made from the Lions club, Rotary club and various other organizations from different communities in the North Texas and Southern Oklahoma area.

Wilbarger-Wichita SOIL CONSERVATION DISTRICT NEWS

The value of a good wheat crop cannot be measured entirely by bushels of grain, according to Duane Moss, Soil Conservation Service Agronomist. The straw is a good soil conditioner when it is returned to the land.

We are very fortunate this year in having a good crop of straw to help build up the land. Moss added. Most of the small grain fields have from one to three tons of straw per acre. The straw serves as a cover to hold down the soil temperature. During the last week of June soil temperature under good stubble was 94 degrees as compared to 116 degrees on bare ground and 103 degrees air temperature. A good cover of straw cuts down on the amount of water lost by evaporation. This means better moisture at planting time. It helps also to get more rain into the soil and thus reduces runoff and soil erosion.

A good stubble crop can be used by keeping a part of it on the surface to protect the land. The use of chisels and sweeps has become a part of many wheat farmers' regular tillage operations. By using sweeps it is possible to control weeds without turning all of the stubble under. This makes it possible to keep a cover on the

land until another crop gets big enough to offer protection.

There is no denying that heavy stubble can cause added trouble and expense. However, this time and money is not wasted. Returning straw to the soil helps keep it in condition to take water and produce good crops.

The annual Land Judging Contest at Texas-Oklahoma Fair, Oct. 1st will be co-sponsored by Wilbarger-Wichita Soil Conservation District. T. J. McGill, chairman of the board has announced.

Three team plaques and five individual medals will be awarded. Teams participating in the contest have ranked high in State and National contests. Byer's FFA land judging team placed first in Southwest Division of the National contest last April. B. B. Dean is team coach.

Teams determine land class by depth, movement of air and water in subsoil, texture, slope, erosion and drainage. A combination of these factors determine the capability class.

After a capability class is determined, contestants select the practices needed for complete treatment.

National score card and rules for land judging will be used McGill said.

Dr. Carl Gray of Midwestern University, Frank Duncan, Work Unit Conservationist for Soil Conservation Service of Vernon and Elvy Sargent are co-chairmen of the contest.

90th Rifle Co. In Calif. Camp

Wichita Fall's 90th Rifle Co. is in its second week of Marine Reserve training.

The 52 enlisted men and two officers, currently undergoing combat swimming, began training Monday, Aug. 9th. They arrived by plane Sunday at Lindbergh Field in San Diego.

Yesterday, the Reservists underwent rifle marksmanship and familiarization with the Browning Automatic Rifle. The Texans schedule calls for hand grenade school tomorrow and, Thursday, they'll study tank and infantry coordination. Friday the Reservists receive physical examinations and audit their service record books.

Here for two weeks, the 90th Rifle Co. will be but one of 31 units to train here this summer. In all, more than 5,000 reservists will spend two weeks of active duty at this 126,000 acre base which is just four miles from the Pacific Ocean.

The Company is commanded by Capt. Winfred Harris (106 Walnut, Duncan, Okla.) and 1st. Sgt. David Smith (1638 Best St., Wichita Falls) is top enlisted man.

Liberty call, this weekend, will enable the Lone Star Staters to take in many of tourist highlights in Southern California.

Ordinance No. 245

AN ORDINANCE DEFINING THE VARIOUS KINDS OF GARBAGE, REGULATING THE KINDS AND SIZE OF RECEPTACLES IN WHICH TO PLACE SAME, THE MANNER OF ITS PREPARATION AND WHERE IT MUST BE PLACED TO BE COLLECTED BY THE CITY GARBAGE DEPARTMENT, PROVIDING REGULATIONS FOR COLLECTION OF SAME, PROVIDING THE SERVICE CHARGES, AND A METHOD OF BILLING AND COLLECTION OF THE FEES; PROHIBITING THE MEDDLING, SCATTERING CONTENTS, PILFERING OR

JUNKING, WITH GARBAGE CANS, TRASH OR RUBBISH RECEPTACLES; PROHIBITING THE COLLECTION OF GARBAGE, TRASH OR RUBBISH BY OTHERS THAN CITY FORCES OR AGENTS WITHIN THE CITY LIMITS; AND PRESCRIBING PENALTIES; REPEALING ALL ORDINANCES IN CONFLICT HEREWITH; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF BURKBURNETT, TEXAS:

SECTION 1. This ordinance shall be known as the "garbage ordinance" of the City of Burkburnett, Texas. The word "premises" as used in this ordinance shall be taken to mean business houses, boarding houses, offices, theatres, hotels, restaurants, cafes, eating houses, tourist courts, apartments, sanitariums, hospitals, rooming houses, schools, private residences, vacant lots and all other places within the city limits of the city, where garbage, trash or rubbish accumulates in ordinary quantities.

The various kinds of garbage shall be defined as follows:

A. By the term "Kitchen Garbage" as used in this ordinance is meant, dry kitchen refuse, all meat, vegetable and fruit refuse, small dead animals and dead fowls, from any premises within the city limits.

B. By the term "dry kitchen refuse" is meant the solids after the liquids or slop has been drained off.

C. By the term "trash" as used in this ordinance is meant paper of all kinds, rags, old clothing, paper containers, old rubber, pieces of wood, boxes, barrels, crates, feathers, weeds, grass, tree limbs from any premises within the city limits.

D. By the term "rubbish" as used in this ordinance, is meant tin cans, bottles, glass, scraps of iron, tin, wire, or any other metals from any premises within the city limits.

SECTION 2. It shall be the duty of every person, firm, or corporation owning, managing, operating, leasing or renting any premises, or any place where (a) kitchen garbage or (b) dry kitchen refuse accumulates to provide a portable garbage can or cans constructed of galvanized iron, tin or other suitable materials with handles and a tight fitting cover of a capacity not less than twenty gallons or more than thirty-two gallons and the daily accumulation of kitchen garbage and dry kitchen refuse shall be placed in this or these garbage cans. It shall be the duty of every person, firm or corporation owning, managing, operating, leasing or renting any premises to place all trash or rubbish from said premises in boxes, portable cans, or other portable metal containers provided that the gross weight shall not exceed sixty (60) pounds. Any person desiring to place tree trimmings or hedge cuttings for collection shall cause the same to be securely tied for collection in bundles not heavier than seventy-five (75) pounds nor more than four (4) feet in length. These shall be placed with the other garbage and trash for pick up at the regular time for collection.

SECTION 3. Business houses, restaurants, cafes, eating establishments and other commercial establishments shall provide suitable containers for their particular needs. These shall be subject to the approval of the City Manager, and may not be used unless acceptable to him.

SECTION 4. After the enactment of this ordinance it shall be unlawful for fifty-five (55) gallon oil drums to be used as garbage containers.

SECTION 5. Rock, waste, scrap building materials, or other trash resulting from construction or remodeling; resulting from a general clean-up of vacant or improved property or resulting from sizeable amounts of trees, brush or debris cleared from property will not be removed by the City as a regular service, but may be done for the owner on payment of an extra fee. Exceptions to this are:

1. Trees, shrubs and cuttings will be carried by the City as defined elsewhere in this ordinance. 2. All types of trash, refuse, and rubbish will be carried by the City during any clean-up campaign which is proclaimed and authorized by the Mayor or City Commissioners. The owner, at his option, may have such debris removed at his expense by private haulers. In the event the owner desires the City to haul debris, a charge therefore, will be made at the rate approved by the City Manager of the City of Burkburnett, Texas.

SECTION 6. The authorized agents of the City of Burkburnett will not make collection of kitchen garbage, trash or rubbish or tree limbs where same is not prepared for collection and placed as designated by the terms of this ordinance and failure to comply with this provision will be an offense and each day's failure to comply will constitute a separate offense.

SECTION 7. The lids, garbage cans and other receptacles shall be kept in a sanitary condition and closed tightly at all times so that flies and other insects may not have access to the refuse contained therein and shall only be removed while emptying additional garbage or refuse therein, or while the Garbage Collector or person authorized in removing such garbage or unloading the same for disposal. The contents of all receptacles shall be so protected that the wind cannot blow out and scatter same over the streets, alleys, and premises of the city.

SECTION 8. It shall be unlawful for any person other than those designated by the city to collect or dispose of any garbage or to haul or transport or convey said garbage within the City of Burkburnett, Texas, except as specifically designated within this ordinance.

SECTION 9. The meddling with garbage cans, trash or rubbish receptacles or in any way pilfering, scattering contents or junkings in any alley or street within the city limits is prohibited.

SECTION 10. Garbage and refuse situated at residences shall be picked up twice per week.

All business concerns situated within the corporate limits of the city, shall receive a daily pickup.

SECTION 11. Rates for gathering and removal of garbage and refuse from all premises within the City of Burkburnett, Texas, shall be calculated on the following basis:

(a) Single family unit with alley entrance, \$1.50 per month (b) One family unit without alley entrance, where it is necessary to carry out refuse or garbage for more than 20 feet from property line, \$2.50 per month.

(c) Two family units on separate meters, per unit, \$1.50 per month.

(d) Apartment houses in one

building with three or more units, per unit, \$1.50 per month.

(e) Housing Developments to be charged per family unit, \$1.50 per month.

(f) Commercial and business establishments, regardless of location shall be charged at a rate to be established by the City Manager and by the Supervisor of Garbage Collection on the basis of cost of daily service according to actual time required but no concern shall be less than \$1.50 per month.

SECTION 12. The charges fixed or to be fixed under the terms and provisions of this ordinance and any contract that may be entered into by the City for the removal and disposal of garbage, waste or refuse, shall be charged against such person or person, owner, occupant or lessee, and the amount fixed shall be collected through the Water Department monthly, as the water charges are collected.

SECTION 13. If garbage pickup charge is not paid, water services will be discontinued to that customer until such time as garbage charge is paid.

SECTION 14. If water service is discontinued because of non-payment of water and/or garbage charge, then an extra charge of One Dollar (\$1.00) shall be made and collected before water service is reinstalled.

SECTION 15. All charges for service as outlined in this ordinance are the same for all establishments of like kind without regard for whether there is or is not a separate water meter for the house or residence, commercial or business establishment.

SECTION 16. Any person, firm or corporation who violates any of the provisions of this ordinance or who fails to provide the necessary garbage cans herein required, or shall allow

the premises to be a misdemeanor and a violation shall be fined not less than five (\$5.00) and not more than (\$200.00) dollars for each day of failure to comply shall constitute a distinct offense for each day.

SECTION 17. The garbage collector as used mean an employee of the City of Texas or other person under contract with the City for the removal and disposal of garbage, waste or refuse, shall be charged against such person or person, owner, occupant or lessee, and the amount fixed shall be collected through the Water Department monthly, as the water charges are collected.

SECTION 18. All parts of this ordinance published by the City by express resolution or by the City Secretary, or phrase of this ordinance declared unconstitutional or invalid for any reason shall be affected by the remainder of said ordinance.

SECTION 19. There are no ordinances governing the and disposal of industrial waste within the limits of the City of Burkburnett, Texas, which creates an emergency for the preservation of the health, safety and fare and requires ordinance shall take and after its publication on the September, A. D. 1960, accordingly so ordered.

home following the ceremony. The bride, a graduate of Burk High School is presently employed by the Swint-Boley Tailoring Shop of Wichita Falls. The groom is serving his time with the U. S. Navy which will be completed in 18 months.

After a short wedding trip to Oklahoma the groom returned to his station on the USS Shields in San Diego, Calif. The bride plans to join him there in a few weeks.

The former Miss Busby is the daughter of Mrs. Jack Lloyd of Austin, Tex. The groom is the son of Mr. and Mrs. Minyard Nixon of Burkburnett.

Fish hatcheries provide the right kinds and numbers of fish to pond owners for stocking purposes, says B. T. Haws, county agent, and he strongly advises against making any additions to the pond. The addition of fish from rivers, other ponds or the minnow bucket, he says, is a mighty good way to ruin fishing in a farm pond.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
 TEXAS PRESS ASSOCIATION

Parole Expansion Sought — Texas Board of Pardons and Paroles has a plan for saving the state some money.

But to do this, the board says it will need some more money to invest in enlarging the state's staff of parole supervisors. Since the paid parole system got underway in 1958, the board says it has saved the state \$3,000,000. It costs that much less to pay a supervisor to keep tab on a parolee than it cost to board and cloth a prisoner and make relief payments to his family.

The board feels it needs a 70 man parole staff, rather than the present 40 to do the job. For this, the board is asking an appropriation of \$1,466,819 for the next two years. This is an increase of \$480,863 or nearly a half million dollars over the present biennium's appropriation.

Board contends this extra investment will save the state \$2,500,000 in prison costs, plus offering a better chance of returning more men to useful, law-abiding places in the community.

Oil Flow Unchanged — Texas Railroad Commission has announced an eight day producing pattern for the Texas oil industry in August—the same as for July. Daily allowable will be 2,630, 069 barrels a day.

A majority of producers appearing before the Commission said there is still an oil glut in Texas and continued restriction is needed to protect the market.

Commission action came in the wake of a declaration by UT Bureau of Business Research director that oil is no longer king in Texas. Even with foreign import limits, said Dr. John Stockton, supply outruns demand so that production has had to be held down to 8 to 12 days a month for the past two years.

Stockton foresees no improvement. Texas, he said, must develop new industries to bolster its economy or lose out to more dynamic areas.

Parks Survey Set — State Parks Board has announced the Texas Research League will make a study of its operations and report to the next Legislature.

League is a privately financed non-profit government research organization which studies state agencies at their own request. State Auditor C. H. Cavness has recommended the Parks board hire an auditor to keep track of the receipts from concessions operated in state parks. Cavness also urged that the next Legislature act on a Legislature Council report presented to the 1959

session making recommendations for the continuing, expanding and abandoning of various parks.

Parks board has designated a new state park, to be known as San Marcos State Park to be located near the proposed Canyon Dam site on the Guadalupe River.

School Report Cards — State Commission on School Accreditation has weighed Texas public schools against state standards and found 54 wanting.

Inspection teams recommended disciplinary action against 20 schools and warnings of a need for immediate improvement by 34 more.

If a school loses its accreditation, the work of its students cannot be transferred to accredited schools with full credit.

Commission recommendations will be reviewed by the State Board of Education at its September meeting.

Traffic Toll Cut — While nationally the drop in traffic deaths for this year is one percent, Texas has improved by nine percent. Texas traffic deaths up to mid July of this year totaled 1,049, compared to 1,152 for the same period last year.

A veteran highway patrol officer said he believes the new auto insurance rates, which jump sharply for motorists with accidents of violations on their records, have contributed substantially to the better record.

But radar, he said, had the same effect until people got used to it and became indifferent again.

News From The County Agent

The sixth annual Range Camp, sponsored by the Texas Section of the American Society of Range Management, will be held at the Texas A and M College adjunct, Junction, Aug. 14-20. B. T. Haws, county agent, said a main objective of the camp to be attended by 32 outstanding 4-H and FFA members, was to make youth more familiar with the importance of maintaining and improving range conditions in Texas.

Warm weather brings insects of all kinds. Flies, ants, mosquitos, moths and other insects to endanger health, feed on fabrics, contaminate food and are general nuisances.

Use up to date control measures to fight these insects. A leaflet compiled by extension entomologists of Texas A and M College offers directions for choosing and applying insecticides.

This handy leaflet, "Texas Guide for Controlling Household Insects," classifies all major pests except the termite into specific categories relating to type of damage. Insects are illustrated for easy identification and concise control measures are given for each insect. Also listed are some important cautions to observe in using insecticides. Copies of the Texas Guide for Controlling Household Insects are available at your County Agent's office.

Drownings continue to make the headlines as a major cause of rural deaths. The Texas Farm and Ranch Safety Council urges all citizens to follow water safety rules and stop the needless losses.

Safety around farm machinery and the care that machines deserve go hand in hand. Every way of caring for your machines is based on your well being.

Here are some rules that apply first to good safety and second to good machinery care:

1. Reduce speed and increase care to avoid holes and ditches; when turning, on rough ground or on hillsides.
 2. Engage the clutch gently especially when pulling uphill, out of ditches or extra heavy loads.
 3. Always keep tractor in gear when going down steep grades.
 4. Correctly couple implements and loads every time you hitch up.
 5. Make sure the machinery is clean, adjusted and well oiled every time you use it.
- These are just a few "double meaning" rules that help to insure longer, more productive life for both you and your machinery. Follow them all the time. You'll never be sorry.

BURKBURNETT IS GOING TO CONTINUE THE

Community Birthday Calendar

THE PROJECT IS BEING SPONSORED BY THE BAND PARENTS CLUB

THIS WILL BE THE MOST INTERESTING AND INFORMATIVE CALENDAR YOU HAVE EVER SEEN IN YOUR LIFE

Everyone living in Burkburnett and the surrounding area may have their names printed on the Calendar — on the date on which your birthday falls

Everyone in the community will know when your birthday comes. (But it doesn't tell how old you are). And you will know when everyone else has a birthday. The Calendar will also show the Anniversary of the married couples in our community. It's going to be a lot of fun for everybody.

On the front of the Calendar will appear a picture of the Burkburnett High School Band.

There will be ads of local business firms on the Calendar.

The meeting dates of our local clubs and organizations will be listed. Church and School affairs, programs and Community social events will be listed on the dates they will occur. We'll all know in advance what's going on in the Community.

It was a great service to our Community last year and we know it will continue to be of value this year.

The Burkburnett Band Club is

going to ask each person to pay 25c to have their names listed on the Calendar. Your name will be printed on the date of your birthday. Each family may buy a Calendar for only 50c. (Extra Calendars may be ordered to send to sons in the service, or to relatives that live away, who would like to have a home town community birthday Calendar). Business firms may buy extra Calendars to distribute to their customers and friends and to use in their stores, offices or shops.

The proceeds from the sale of Calendars will be used for additional uniforms and instruments.

All listings must be in by OCTOBER 15, 1960

If you have not been contacted, please call Mrs. W. T. Zimmerman, Ph. 569-2843 or Mrs. V. H. Van Loh, Ph. 569-2379

Help us make this project an outstanding success and to make our friendly community even more friendly.

Miss Glenna Landes Is Aug. 21st Bride Of Donald McCullough

The First Baptist church of Burkburnett was the setting for the Saturday evening ceremony uniting in marriage Miss Glenna Landes and Donald McCullough, both of Burkburnett. Officiant for the 7:30 o'clock double ring ceremony was Rev. Leroy Meyer, pastor.

The former Miss Landes is the daughter of Mr. and Mrs. H. K. Landes, Burkburnett. Parents of the groom are Mr. and Mrs. D. C. McCullough, also of Burkburnett.

Vows were repeated before an archway covered with white wedding bells and greenery. Baskets of white gladioli and tall candelabra holding burning white tapers flanked the arch. Mrs. Leroy Meyer, organist, provided the traditional wedding selections and accompanied Miss Glenda Kay Simmons, soloist.

The bride, given in marriage by her uncle, Martin Wright, wore a floor length dress of white satin fashioned with white lace trim. The fitted bodice was designed with a scoop neckline and the long tapered sleeves ended in calla lily petal points. The tiered skirt was decorated with lace roses and seed pearls and swept to a wide court train. Her elbow length veil was caught to a tiara of seed pearls and she carried a white bible topped with a gardenia surrounded with white rose buds and white satin streamers.

Mrs. Dewayne Knight of Wichita Falls was matron of honor. Her dress of yellow polished cotton was styled with a scoop neckline, short cap sleeves and a full gathered skirt. Her head piece was white net in graduated circles and was accented with a white bow. She carried a basket of white carnations.

Miss Billie Bigbe of Wichita Falls was bridesmaid. Her costume was identical to that of the matron of honor. Flower girls were Gail Wright, daughter of Mr. and Mrs. Martin Wright of Burk and Linda Simmons, daughter of Mrs. E. H. Simmons of Burkburnett. They wore yellow organdy dresses with a round neck and full gathered skirt with a self made cummerbund. The girls wore wrist corsages of white carnations and carried small baskets of rose petals.

Tony Aulds was best man and

groomsman was Joel Dempsey of Burkburnett. Ushers were E. H. Simmons and Joel Dempsey. Candelighters were Randy Karstetter and Lloyd Simmons. Ray Leon Simmons was ring bearer.

The bride's parents were hosts for a reception held in the Mary Martha room of the First Baptist church. The refreshment table was covered with a white lace cloth over white linen. The three tiered cake was decorated with miniature bride and groom. The crystal punch service completed the setting. Mrs. Nathan Savage served the punch, Mrs. Martin Wright served the cake and Mrs. E. H. Simmons presided at the guest book.

Following a wedding trip to points of interest in Tex. including Austin, San Antonio, Houston, Corpus Christi and Galveston, the couple have established residence in Burkburnett. The former Miss Landes is a 1959 graduate of Burkburnett High School where she was majorette for the Burkburnett Bulldog band for three years. She was chosen band sweetheart, Jr. favorite, and editor of her school paper. Her twirling ability won her a scholarship to Kilgore Jr. College as feature twirler for the Kilgore Rangerettes. She was named Miss Burkburnett of 1959. This summer, she is teaching private lessons at Burk High School and plans to continue teaching.

Mr. McCullough is a 1959 graduate of Burkburnett High School where he played in the Junior High and High School Band. He won several awards, made all-region band in 1956-57 and 57-58 and was awarded a band scholarship to Midwestern University. He was awarded a certificate in recognition of membership in the all-senior honor band held at East Texas State Teachers College at Commerce, Tex. He is presently employed at the Wichita Falls State Hospital and is taking a course of study for psychiatric attendant. He plans to continue his education at Midwestern University.

The groom's parents were hosts for the rehearsal dinner Friday evening at the Palace Cafe. Nineteen attended.

CARD OF THANKS

We desire to express to our kind neighbors and thoughtful friends our heartfelt thanks for their many expressions of sympathy. The beautiful floral offerings were especially appreciated.

COVERED DISH LUNCHEON

The home of Mrs. Lena Mae Hinkle was the setting for a covered dish luncheon Monday honoring Mrs. Mattie Carlisle of Jarrell, Texas.

Others present to enjoy this occasion were Mesdames Ethel Beasley, Myrtle Minnick, Eunice Miller, Lena Warren and Mrs. Minnie Miller.

Federation Hints

SANTA ROSA DISTRICT

"What's In It—For Me? Why Do Women Join Clubs?"

The reasons are many and varied, ranging all the way from the purely social desire to form pleasant contacts with neighbors and friends who share the same interest, to an overriding passion for "getting things done", locally, nationally, internationally. An outgrowth of our characteristic American leisure time pattern, women's clubs offer the individual member a non-professional channel through which she can best realize her own capabilities and make her most valuable contribution of service. And for many women the woman's club holds the added unique quality of being exclusively "hers". Unlike the PTA and the many civic, church, political, social or welfare organizations she may join, in the woman's club she is never called upon to share the workload, or the limelight, with a man.

We have come to realize that satisfactory group action fills a vital role in the life of every individual. By helping each member realize herself more fully, the woman's club serves her and her community.

1. It offers a means of continuing education. Through programs on a multiplicity of subjects, through forums, discussions, workshops, lectures, she can keep on learning without the restrictions and the pressures of formal classroom attendance. She can broaden her knowledge of the world, keep up with the trend of the times, and learn how to better comprehend her role as well as her responsibility in a changing culture.

2. It offers help in family responsibilities. If "mother knows best" today it is because she has tried so hard to learn to deal with the intricacies and contradictions of human relationships. She has gone out of her home, in order to bring back into it the best information she can discover to help her find solutions to the many problems which threaten her family's security, from the questionable comic book to the forces of prejudice and dissonance which seek to undermine our faith in democracy. The scope of woman's traditional role, wife, mother, homemaker, has broadened today, and the old domestic skills will no longer suffice. The wife and mother who is uninformed, concerned only with her own four walls, cannot serve the best interest of her husband and her family.

3. It offers a forum where she can make herself heard. We live in what is probably the noisiest age in history, and the sound and fury often threatens to engulf us. Individual voices, even when they speak profound truths or champion worthwhile causes, are often weakened or drowned out completely. More and more women find it necessary to belong, to be part of a group, which stand for something in which they believe, which speaks for them and thru which they can make their feelings and desires known. Across the nation, woman's clubs provide such a forum.

4. It offers a means through which she can be an effective citizen. The democratic process demands that each citizen make himself personally responsible for the workings of government. Through the years woman's clubs have developed in their membership an awareness of civic and social responsibility and their achievement in these areas are impressive and inspiring.

Critics of women's clubs point out that they waste valuable time. Clubwomen, they insist, represent a staggering woman-power potential, an enormous reserve of energy which should be channeled into really productive areas.

You've heard this often, and you know that the answer must come from you and the millions of clubwomen like you. If you fail to give direction, purpose, meaning to a club, the fault is yours. Your lacking color and vitality, it is only because you yourself have made it so. See you next week.

JOHN M. PETERS GRADUATES AUG. 12 AT NAVAL TRAINING CENTER, SAN DIEGO, CALIF.

John M. Peters, son of Mr. and Mrs. G. M. Peters of 1214 Bishop Burk is scheduled to graduate from recruit training Aug. 12th at the Naval Training Center, San Diego, Calif.

The graduation exercises, marking the end of nine weeks of "boot camp", will include a full dress parade and review before military officials and civilian dignitaries.

Altus Air Force Base Sponsoring Fall Festival to Held Sept. 2-5

The biggest drive since the opening of the Oklahoma Territory started at Altus AFB today. Its purpose is two fold: First, to foster base-community cooperation for a common project; second, to sell advanced tickets for the Altus Air Base fall festival which will be held Sept. 2-5th at Craterville located at Quartz Mountain Park.

Each squadron on the base has been assigned a county within a hundred mile radius of Altus and every town situated in this circle will be contacted by teams of airmen by the end of next week.

Altus AFB, the first bomber missile base in Oklahoma, is sponsoring this festival to finance youth activities and recreational facilities for airmen which

are available only from non-appropriated funds. The big selling factor in the advanced ticket sale is that a \$2.50 book can be bought for \$2.00 and the tickets are good for all four days.

Advance tickets are now on sale at the Burk Star office, 417 Ave. C. Burk Burnett.

Admission, parking and entertainment will be free throughout the entire festival.

Some of the entertainment will be seen on the center stage at Craterville will include singers, the Fort Sill Band, a beauty contest, and many well known celebrities.

Altus AFB, the home of the famed 11th Bombardment Wing, holds out a welcoming hand to all those who wish to join in the Labor Day celebration.

Rodger E. Snider In Anti-Submarines Air Force Squadron

Rodger E. Snider, aviation machinist's mate third class, USN, son of Mr. and Mrs. Herman E. Snider of 205 Ave. D, Burkburnett, serving with Air Anti Submarine Squadron 38, took part in a joint Canadian American anti submarine warfare exercise from July 21 thru Aug. 3rd off the West Coast of the U. S. and Canada.

Two American anti submarine warfare groups headed by two aircraft carriers joined with 6 Royal Canadian destroyer escorts and supporting supply ships to provide the seagoing forces. Air units from Whidbey Island, Wash., Alameda and North Island, Calif., also joined in the operation.

The exercise was designed to train both nations' anti-submarine forces and to perfect techniques used in this type of warfare.

Mr. and Mrs. W. R. Stimpson recently visited in the home of Mr. and Mrs. Carl Hamilton in West Plains, Mo., and report having had a wonderful time. The Hamiltons are former Burkburnett residents.

Altus Air Force Base Sponsors Fall Festival to Held Sept.

At a joint meeting of representatives of surrounding communities in Oklahoma and Texas and officials of the Altus Air Base Festival plans were completed for a beauty contest to be held at the festival on 2, 3, 4, and 5th of September at Craterville Park.

Mrs. Dolly Hoskins, Miss America Contest representative from Oklahoma, presented guidance and information on the requirements for such a contest, the winner of which will be crowned as "Miss Atlas Missile." Prizes in merchandise totaling \$500 and a trophy will be presented the first place winner. In addition, the 1st runner-up will receive a prize of \$200 in merchandise and a trophy; the 3rd runner-up will receive a \$50 savings bond and the 4th and 5th place winners will each receive a \$25 saving bond.

Also a trophy will be awarded to the girl who has displayed the most congenial and cooperative attitude during the contest. Miss Congeniality, as she will be called, will be awarded this trophy on the votes cast by her fellow contestants. The name of the girl selected by the judges as Miss Atlas Missile will be submitted to Mrs. Hoskins for consideration as the Oklahoma entrant in the Miss America contest.

Merchants of Hollis, Snyder, Mangum, Granite, Frederick, Roosevelt, Lone Wolf, Hobart and Altus, Okla., and Vernon, Texas, will provide the trophies and all merchandise presented to the Miss Atlas Missile Contest winners.

Area Highway Patrol News

The Highway Patrol investigated 13 rural traffic accidents in Wichita County during the month of July, according to Sgt. F. E. Webster, Patrol supervisor of this area. These wrecks have accounted for 1 person killed, 8 injured and a property damage of \$6,515.00.

This brings the total for the year in this county to 5 persons killed, 64 injured and a property damage of \$58,150.00.

Prior to the first of this month there had been a total of 929 fatal accidents in Texas. These tragedies resulted in 1,134 persons losing their lives.

Sgt. Webster pointed out, "In order to arrive on time at your destination, start in plenty of time to allow for delays along the way."
