BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, SEPTEMBER 29, 1960

NUMBER 3

MEN WHO DO THINGS
THAT COUNT . . NEVER
STOP TO COUNT THEM.

The 1961 Ford Galaxie Club Victoria (top), a new model in the Ford line that will be introduced to the public on September 29, features the crisp, fresh appearance that earned a gold medal from an international fashion authority for "functional expression of classic beauty." Ford's station wagon series includes the nine-passenger Country Squire (bottom) and introduces another new model—a six-passenger version of the Country Squire. The new Ford station wagons have a roll-down tailgate window, and the tailgate itself is seven inches wider than in 1960. All 1961 Fords feature new dimensions for greater maneuverability and such major engineering improvements as 30,000-mile lubrication, heavier, self-adjusting brakes, and longer-lasting bright trim and underbody parts.

1961 Fords Here Thurs., Sept. 29

The 1961 Ford features crisp new styling, new dimensions for greater maneuverability and major engineering improvements such as 30,000 mile lubrication, that will result in lower maintenance costs and more care-free operation.

James O. Wright, Ford Motor Company vice president & Ford Division general manager, said the new Ford, nearly four inches shorter & two inches narrower than in 1960, will offer "a completely new, fresh appearance in the classic Ford tradition of straight line design."

Mr. Wright also announced the 1961 Ford styling has been recognized for its "functional expression of classic beauty" by a world-renowned fashion authority. In Rome, Italy, against a backdrop of the new fashion center of the world, the Centro Per l'Alta Moda Italiana recently presented Ford Motor Company with a special medal honoring the 1961 Ford.

Mr. Wright said engineering and design improvements in the 1961 Ford make it "a car that virtually takes care of itself." Improvements include:

A new grease and lubrication system that extends the normal chassis lubrication intervals to 30,000 miles.

New heavier brakes that adjust themselves.

Specially processed underbody part, including galvanized body panels below the doors, that resist rust and corrosion.

Aluminized mufflers that are double wrapped for three times normal life.

A 250 per cent increase in the thickness of anodizing on aluminum surfaces for brighter, longer-lasting grille, headlamp and tail lamp trim.

"These features," Mr. Wright said, "Combined with Ford's Diamond Lustre finishes that never need waxing and the Full Flow oil filtering system that permits a 4,000 mile oil change intervals, will mean fewer inconvenient service stops & more savings with the new Fords."

The new Ford line, to be introduced by Ford dealers on September 29th, consists of 16 models in four series—Fairlane, Fairlane 500, Galaxie and station wagons. Added to the line are two new models, a Galaxie Club Victoria (two-door hardtop) and a six passenger Country Squire station wagon.

All six station wagon models, from the two door Ranch Wagon to the nine passenger, four door Country Squire with simulated wood paneling, have a roll down rear window in the tailgate. The tailgate itself is 7 inches wider than in 1960. The front facing third seat in nine passenger station wagons has been improved, and when not in use, folds quickly into the floor.

A power operated rear window is standard on the Country Squire models and the 9 passenger Country Sedan and optional on others.

Ford introduces a new 390 cubic inch Thunderbird Special V-8 engine in 1961 that is designed for effortless performance. The Thunderbird 352 special and the Thunderbird 292 V-8s as well as the Mileage Maker Six, all are designed to deliver greater economy on regular grade fuels.

Ford has improved all four transmissions for 1961, the manual, overdrive, two-speed Cruise-O-Matic and dual range Cruise-O-Matic. The Cruise-O-Matic transmission is equipped with a new vacuum control throttle valve linkage which provides smoother more precise shifting than before and elimination of periodic adjustment.

L. C. Straits Observe 60th Anniversary With Open House Wednesday, Sept. 21

Mesdames Troy Miller, E. B. Owens, Tom Harms, L. V. Richards, W. H. Pemberton and J. O. Malone, were hostesses to an Open House honoring Mr. and Mrs. L. C. Straits on their 60th Wedding Anniversary.

Over fifty friends called on the couple in their home, 417 S. Ave. B. in this city, Wednesday through the hours of 2:30 to 5:00 p. m.

Miss Cora Hinshaw of Winchester, Ind., and L. C. Straits of Pennville, Ind., were married, Sept. 21, 1900 by Rev. Jackson, a Quaker pastor in his home. The couple lived in Indiana until 1919 moving to Oilton, Okla., and then to Thrift, Tex. in 1920, where Straits was employed with the Texas Company Gasoline plant until his retirement two years ago, moving to Burkburnett to their present home.

Mr. and Mrs. Straits had two children, Mrs. Nettie Nelson and Jimmy Straits, both of whom have passed away. They have a daughter in law, Mrs. Gladys Straits of Wichita Falls and three grandsons, Bill and Bob, both of Odessa, and Rev. Jimmy Lew Nelson of Snyder, Tex.

Mesdames Owens, Miller and Harms alternated serving guests from an attractive refreshment table, covered with a maderia cloth. An arrangement of green carnations was the focal point. The grandsons of Odessa, gave the couple an appropriate and beautifully decorated cake for the occasion.

Mrs. Richards obtained names in the guest book.

Many lovely gifts and flowers were presented the couple and were on display throughout the house during the afternoon.

Mr. and Mrs. Straits are faithful members of the Thrift Baptist church of this city.

ROTARY CLUB

Town Hall Each Tuesday
12:00 Noon
Bryan Farris, President
Bill Donnell, Secy.

Bill Vincent was program chairman for the day and introduced Mrs. A. W. Voight who showed slides and gave an interesting talk on Alaska.

Thirty-five Rotarians and guests were in attendance. Dr. Sanguist of Ogden, Utah, was a guest of the club. Claud Meadows was a guest of Alvin Hill and Bill Doyle was a guest of George Byerly. Harold VanLoth introduced the guests from Wichita Falls.

Cliff Wampler will bring the program Oct. 4th.

Bryan Farris, Rotary president, gave a report of the one day district Rotary institute that was held in Graham, Sept. 23rd. Attending from Burk were Walter Riley, George Counter and Bryan Farris. These members state that they were exposed to a lot of Rotary by the counselor Reese Evans, past district governor at Ardmore, Okla. and Governor Bob Blake, Brownwood, Texas.

Our challenge is: (a) Encourage the club member to express Rotary in thought and action; (b) Challenge the club member to expand the scope and influence of Rotary within his own sphere of contact.

Police Training Program Set Up For Burk Police

Chief Kenneth Gage has announced that arrangements have been made with the Texas State Department of Public Safety, whereby that department will conduct an intensive training program. All members of the Burkburnett Police Department will attend the school and Chief Jack Green of Electra, has advised that four members of his department will also attend.

In addition, invitations will be extended to other Police Departments in the surrounding area. Chief Gage related that the school will be held in Burkburnett, beginning Oct. 3rd. Classes will be two hours each Monday and Wednesday nights from 7:00 to 9:00. There will be 10 hours of Traffic Law enforcement, 10 hours of Accident Investigations, and 4 hours of Laws of Arrest. Various phases of the program will be presented by qualified personnel of the Texas Highway Patrol.

LIONS CLUB

Town Hall Each Tuesday
7:30 P. M.

Ray Matherly, who has been working with Scouts and Cubs for a great many years, brought a most interesting program to Lions and their guests Tuesday night. Scouter Matherly attended the 50th Anniversary World Jamboree of Scouts held in Colorado Springs, Colo., this past summer, as Scoutmaster of Troop 81 composed of boys from the Northwest Area Council of Texas, composed of 13 counties. Four Scouts from Burkburnett made the trip with Matherly.

After giving many of the highlights of the encampment, Mr. Matherly showed colored slides taken during the Jamboree. Many of the scenes were aerial shots, showing the camp neatly arranged over 2000 acres of rolling range land, with snow covered mountains in the background.

Matherly told of the perfect discipline of 57,450 Boy Scouts while they were in camp. On one occasion, all 57,450 marched into the arena and were seated in 28 minutes. The arena was emptied and all boys back in their tents in the same length of time. An old army man said the feat couldn't be done in that length of time, but the boys showed him they could do it.

District Governor Lion D. L. Ligon was a special guest making his rounds of the forty-eight clubs in his district. He spoke to the club briefly, reminding members of their privileges as Lions to give service to others. He complimented the club upon its sponsorship of a Cub Pack and a Scout Troop.

Mrs. Skeet Hennis is slowly improving after a nine weeks illness following a heart attack.

Mothers Safety Patrol to Meet Friday at 10:00

The first meeting of the Mothers Safety Patrol was held last Friday, Sept. 23, in the home of Mrs. Harry Anderson.

The next meeting is to be held Friday morning, Sept. 30 at 10:00 o'clock in the Town Hall. At this meeting instructions on procedures will be given by members of the Texas Highway Patrol. All interested persons are urged to attend.

The Mothers Safety Patrol is working through both PTA's, with the co-operation and support of Kenneth Gage, Chief of Police and his officers; City Manager Clovis D. Mann; Mayor Geo. McClarty and the Commissioners; Supt. of Schools I. C. Evans, and the principals of the schools.

Any one wishing more information about the MSP may call Mrs. Anderson at 569-3001, or Mrs. N. G. Travino, 569-1127.

Mr. and Mrs. J. S. Adams of Monahans spent the past week here with his brother, Mr. and Mrs. J. C. Adams. The Adams are former Burk residents moving from here when the Gulf Co. moved out. He has been with the company more than 35 years.

Recent dinner guests in the home of Mr. and Mrs. J. C. Adams were Miss Sue Cosly of Wichita Falls, Miss Seil Jones of Denton and Lt. Bert Chambers.

Mr. and Mrs. Carl Hensz left Saturday for their home in Harlingen, Tex., following a weeks visit here with her grandmother, Mrs. Lerah Inman.

Chamber of Commerce to Sponsor Scout Organization Dinner Mon.

The Burkburnett Chamber of Commerce will be host to approximately 75 volunteer Scouters and members of prospective sponsoring institutions in Burkburnett. The purpose of the dinner is to consider the possibility of 11 local church, service organizations & businesses to use the scouting program as part of their overall program.

The dinner will be presided over by Bill Browning, chairman of the Chamber's committee for this project. Other members of this committee are Harold Wolfe and George McClarty.

The following institutions have expressed a desire to attend the get-together dinner: Lions club, First Methodist church, Volunteer Fire Dept. Rotary Club, First

Baptist church, First Christian church, Lutheran church, Cicero Smith, Lumber Co., Boomtown Archers, Preston Dairy, Harlin Mills Grain Co., and Boomtown Bowling Lanes. Any person interested in the scouting program as a part of their institution's program should contact Bill Browning or Jim Harwell. We have hopes that at least 10 new scout units may be organized as a result of this dinner.

At the present time there are approximately 215 boys and 115 adults registered in scouting in Burkburnett. We feel that the scouting membership in Burkburnett can be 500 boys by the end of the year. We hope that the whole community will make this the best scouting town in this part of Texas.

Checks Printed Each Monday

In the future the Star will print bank checks each Monday only at the regular price of one book, 250 checks, \$3.00, or two books, 500 checks, \$5.00.

We will print checks on days other than Monday at actual cost, which is \$5.65 per single book, or \$7.65 for two books.

As an extreme case, take the following situation: A customer is paying bills and runs out of checks. He calls the Star and wants some checks right now. We have a job on the check press which is taken off, the press washed up for red ink, the check type set, locked up, put on the press and made ready to print. After the checks are finished, the press must be washed again, the original job put back on, made ready and finished. We have lost almost three hours time, plus \$1.35 for the check stock, all for a measly \$3.00.

Hence the above Monday only check printing.

Five S-W Conference Games Broadcast Saturday, October 1

Five Southwest Conference football games will be broadcast Saturday by the Humble Company.

The Texas-Texas Tech game will be broadcast from Austin by Bob Walker and Dave Smith. Radio time will be 7:15 p. m.

The TCU-Arkansas game will be broadcast from Ft. Worth by Kern Tips and Alec Chesser. Radio time will be 7:15 p. m.

The Texas A&M game will be broadcast from Baton Rouge, by Ves Box and Eddie Hill. Radio time will be 7:45 p. m.

The Rice Tulane game will be broadcast by Eddie Barker and John Smith. Radio time will be 7:45 p. m.

Humble will also co-sponsor the NCAA telecast of the Syracuse at Kansas game. TV time will be 12:45 p. m. (CST.)

Quality Printing, Ph. 569-2191

Jacobs Rites Were Wednesday

Services for Aubrey A. "Jake" Jacobs, 66, who died Monday at his home here were held at 2 p. m. Wednesday from the Church of Christ with Tommy Swearingen, minister, officiating and William Wilhoit assisting.

Burial was in Burkburnett Cemetery under the direction of Owens-Brumley Funeral Home.

Jacobs, who retired from an instructorship in hydraulics at Sheppard Air Force Base last February after 12 years, was a cabinet maker at time of his death. He was with the Magnolia Oil Co. for 20 years before his employment at Sheppard.

Born in Indian Gap, Texas, Jacobs had lived in Wichita County since 1923 and in Burkburnett since 1931, when he moved from Electra. He was a member of the Church of Christ 50 years and served as an Elder several years of that time. Mr. Jacobs built most of the furniture for the class rooms for the new educational building of the church that was completed in 1957.

Survivors include his widow, Lila; two daughters, Mrs. Angela Carey of Snyder and Mrs. Jamie Gilbreath of Denver; three sons, Clark A. Jacobs of Groesbeck, Tex., A. A. Jacobs Jr. of Fort Worth and Ross L. Jacobs of Dallas; one sister, Mrs. Wilma Massey of Corpus Christi; 18 grandchildren and five great-grandchildren.

School Bus Drivers Presented Awards

I. C. Evans, Superintendent of Burkburnett Schools presented 6 awards of merit to as many school bus drivers today in a special ceremony before a general assembly of the student body.

The Award program, sponsored and conducted by the Texas Safety Association and local schools is designed to give public recognition to school bus drivers with accident-free records for the past school year.

Supt. I. C. Evans commended the six drivers and said "You have shown a true devotion to your work and interest in children."

Drivers who received certificates were: Dow Estes, Avon Fields, Jim Shaw, B. O. Willis, M. A. Gorham, Archie Faulk. The awards were signed by Supt. Evans, President E. C. Stokely and General Manager J. O. Musick, both of the Texas Safety Association.

SOME ORDER

At any time the oil business is highly competitive, all the way from production and refining to the retail dealer. Now, as an executive of a major oil company describes matters, competition has become much sharper and more deadly, due to the plague of ever supply.

This means, he says, that retail service station dealers and their suppliers have an "equally grave responsibility" to each other as well as to motorists. To quote him again, "The dealer who handles his station business grudgingly, pulling a long, sour face at any slightest demand upon him, is shortly going to find he doesn't have to bother with the business. There won't be any. The supplier who gives a short shrift to his dealers and treats them as if they were an annoyance had better ask his lawyer to start drawing up the bankruptcy papers now."

This executive was once a service station worker himself. He describes the successful dealer as a man who combines in one package "the talents of a sales manager, a crackerjack salesman, a mechanic, a cost accountant, a credit man, a personnel man, a tax attorney, a public relations counselor, a community leader, an advertising man, a psychologist, a judge, and a housekeeper." That's some order, but a great many people who fill the bill are operating service stations in this country today. They're the ones who know how to successfully meet the toughest kind of competition.

WHAT'S WRONG

During the next Congressional session a determined effort will be made to repeal that section of the Taft-Hartley Act which authorizes the states to adopt right-to-work laws—laws which guarantee that a worker can join or not join a union, as he so chooses, without coercion from either labor or management. So far, 20 states have adopted the laws.

If the coming effort is successful, unrestrained labor monopolies will be in the saddle with a vengeance. Compulsory unionism—which means that man must join or starve—will become the rule. And this would be only the beginning. Senator Byrd of Virginia, in announcing that he would oppose repeal of the section "with all my strength and ability," said: "Power breeds power, and labor leaders are insatiable in their demands for special privilege and special legislation for immunity. Repeal would be followed by a drive to repeal all protective provisions in the Taft-Hartley Act and other statutes in the whole labor field."

There's nothing anti-labor or anti-union in the right-to-work laws. All they do is to assert the principle that each individual has the right to decide for himself whether to join or not. As the Dallas Morning News observes, "If this is to remain a free country, what's wrong with that?"

SUMMIT OF SOMETHING OR OTHER

With the opening of the 15th session of the UN General Assembly, that international compound on the East River, shore of New York's Manhattan Island becomes the greatest living rogues gallery ever assembled in North America.

Khrushchev, Castro, Nasser, Tito, each with his personal convoy of thugs, collectively the biggest security headache in the history of the New York Police Department. Only Mao and Lumumba, those other ornaments among the world's "heads of state", are missing. And who knows but that the Congolese Whatzit will make the party, unless some of his followers are having him for lunch.

Unconfirmed at this writing is the rumor that Nasser and Tito will visit Washington. Asked at his press conference what would happen if Khrush and Fidel broke the parole which restricts their movements to Manhattan Island, for their own protection, Secretary of State Herter joined in the ensuing laughter before replying that he couldn't give a "definite answer" to a speculative question. Thus, these biddies may come along too for all anyone can say. No one asked why the travel restriction was ordered if he didn't think he could make it stick.

Chances that the inevitable Donnybrook in the Manhattan's No-Man's-Land will advance the cause of world peace are on a par with those for icecapades in the nether regions.

THE AMERICAN WAY

Let's Hear Him Answer That!

GRASS ROOTS OPINION

SHELBY, MONT., PROMOTER: "Strictly speaking, the nation's schools are not in a quantitative quandry. During this year's Senate investigations, it was brought out that of the 42,000 school districts in America, only 230 districts had reached their bonded limit. In other words, only one half of one percent of the school districts in the country have used their available resources to the fullest. "Let's take a long look at this gift offered to us by our politicians from our own taxes before we turn over control of our schools to unwieldy, unsympathetic, unconcerned federal bureaucracy. What the federal government supports, the federal government controls."

WEST POINT, MISS., TIMES-LEADER: "The American political tradition has always conceived of 'the people' as individuals, each endowed with supreme and equal worth by God. This revolutionary idea that each person has certain rights derived from an authority higher than any government was proclaimed in the Declaration of Independence and written into the Constitution. On it, Americans founded a nation in which government was to be the servant of the people, rather than their master. 'Only in recent years has the idea emerged that government is in a better position to bestow certain civil rights' than the Authority from which all such rights must stem."

Jr. Class Officers For 1960-61 Named

As the smoke cleared from the first political week held at the Burkburnett High School, the Junior class had elected its new officers for the 1960-61 school year.

The election stirred the interest of the class as evidenced by the many posters, campaign badges and materials seen throughout the halls of BHS.

After an extremely close election the following students were named to fill the various class offices: president, Jim Davey; vice pres., Linda Holt; Secy., Karan Burton; reporter, Patricia Simons.

From a field of 13 candidates the following were named new junior representatives to the Burk High School Student Council: Sue Revier, Sue Dempsey & Kerry Sexton.

Sponsors for the class are Mr. Alden Smith, Mrs. Dorothy Lewis, Mrs. Kathryn Holman, Mrs. Jean Rutherford and Mrs. Laura Powell.

With the election of our new officers, plans are now under way for our class activities to make this a successful year.

Our first major project, the Jr. class rummage sale, is now underway.

News From The County Agent

The following Wichita County 4-H Clubbers will enter broilers in the Texas-Oklahoma Fair this week: Sue Cantrell, Jimmy Davis, Jimmy Cheatham, Eddy Teas, Jerry Lamb, James Ray Goodwin, Jeff Barfield, Johnny Ferguson, Virginia Goodin and James Westmoreland, Jr.

The eighth annual Texas Peach and Plum Growers Conference will be held at the Memorial Student Center on the campus of Texas A&M College on Oct. 4th and 5th. This is an official shortcourse of the Texas A and M College in cooperation with the Texas Peach and Plum growers. This educational conference is specifically designed to present practical and useful information that will be of interest to the commercial fruit growers in Texas.

Pesticides and other agricultural chemicals should be stored in labeled containers and kept away from children, pets and irresponsible persons.

Chances are that you will soon be seeing a lot of bumper stickers that read "Boost Texas Community Improvement Program." Every family participating in the Texas program for Community improvement, in addition to lots of other folks who are helping boost this worthy effort, will have one.

B. T. Haws, county agent, says that more than 10,000 of the signs are being distributed all over the state as a means of calling attention to the program and its value to Texas Agriculture. The Community Improvement Program is being sponsored by the Electric Service Com-

You and Social Security

For the fourth time in six years Congress has passed amendments to the social security law which liberalize the protection afforded disabled workers and their dependents.

Under the 1960 amendments, approximately 250,000 people—disabled workers under 50 years of age and certain of their dependents—are now eligible for social security benefits. Until now only those disabled workers between 50 and 65 and their dependents were eligible for monthly social security payments.

Younger disabled workers are more likely to have families dependent on them than older workers age 50 and over. Before the change in the social security law, many of them were dependent upon public assistance payments which are financed out of general tax funds. It is estimated that \$28 million will be saved in public assistance payments during the next year now that many of these young disabled workers and their families are eligible for disability insurance benefits based on their past earnings and social security tax contributions under social se-

curity. It is expected that savings will be even greater in the years to come when fewer people who become disabled before age 50 will need help through public assistance.

If you are under 50 and have already had your social security record frozen, you will receive a letter explaining the new benefits and what you need to do about getting them for yourself and your dependents. Do not get in touch with your social security office at this time. It will only delay the district office in taking action to get checks to you and others who are eligible for payments under the new law.

However, severely disabled workers under 50 who have worked under social security, but have never applied to have their social security records frozen, should get in touch with their nearest social security district office now to inquire about their rights to payments.

To qualify for disability insurance benefits, a disabled worker must be so severely disabled that he is "unable to engage in any substantial gainful activity". In addition, he must have worked under social security for at least 5 years out of the ten years before he becomes disabled.

Benefits for disabled persons under 50 and their families can start with the month of October 1960.

How the Dist. Office Can Help. When the disabled worker ap-

plies for disability benefits at his social security district office, certain information about his age, education, training and vocational skills will be obtained. He will also be given a medical report form to take to his doctor or to the hospital or institution where he had care and treatment. These sources provide medical data about the workers injury or illness with particular reference as to how this affects his ability to work. When the completed medical report is returned to the district office the worker's entire record is sent to the State Vocational agency, which in most states, has been designated to make the decision as to whether or not the claimant is disabled within the definition of the social security law. The district office will be glad to answer disabled workers questions about his rights and responsibilities.

Charles Morris was admitted to Wichita General Hospital last Thursday for treatment. He is reported doing nicely now and hopes to be home in a few days. Charles is the son of Mr. and Mrs. Eldon Morris.

An Announcement By HENRY FORD II of importance to every buyer of a 1961 automobile

The warranty on all 1961
Ford Motor Company cars
is being extended to 12,000 miles
or one full year

"The 1961 line of all Ford Motor Company passenger cars will bring to the American market the finest automobiles ever produced by this company.

"Every Ford, Falcon, Thunderbird, Mercury, Comet and Lincoln Continental has been styled, designed, engineered and manufactured with three primary goals in mind: (1) Finest Quality; (2) Greatest Durability; (3) Most Reliable Operation.

"So confident are we of the success of our efforts to achieve these goals that the written warranty on all 1961 Ford Motor Company cars is being extended to 12,000 miles or one full year, which ever comes first.

"NO OTHER AMERICAN AUTOMOBILE CARRIES A WARRANTY LIKE THIS. The previous Ford warranty, traditional in the industry, was for 4,000 miles or three months.

"We urge every prospective purchaser of a 1961 car to visit his Ford Motor Company dealer and learn all about the dealer's new 12,000-mile or one-full-year warranty."

Henry Ford II

PRESIDENT,
FORD MOTOR COMPANY

ARRIVAL DATES:

SEPTEMBER 29: The New Ford Line. Sixteen all-new, full-size models with the classic Ford look. Ranging from the value-leader Fairlanes to six new trend-setting Galaxies.

OCTOBER 6: The 1961 Falcons and Comets. America's most successful compact car combination from America's largest producer of compact cars.

OCTOBER 6: The new Mercury line, with completely new styling and wider range of models.

NOVEMBER 3: Lincoln-Continental for 1961. America's completely new, distinctive luxury car.

NOVEMBER 10: Thunderbird. Unmistakably new for 1961, yet unmistakably Thunderbird.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

The Roots of MANY STORMS

These gnarled roots speak in tones of strength and stability. See how straight the tree stands despite the washing away of the ground from its base. The massive might of the roots has been made more magnificent by the victory won over each passing storm, for the well-rooted tree benefits by rain and wind where a weak tree is made even weaker or uprooted entirely. Life has much in common with the forest at this point. Storms of stress and strain further weaken a shallow life built on the sands of self interest, but a deep life rooted in the love of God comes through every trial better and stronger. If the storms of life are overwhelming you, drive your roots down deeper by giving yourself more fully to God and His service. Don't wait—go to Church Sunday.

Is something wrong with your life—
an inner, restless dissatisfaction? The
answer to every human problem comes
only from God our Maker. He alone
can forgive and reassure.
Through the church God has com-
mitted the provision and proclama-
tion of His forgiveness and redeem-
ing love. Without a church relation
no one is securely related to God.
*Everyone should be in the Church and
the Church in everyone!*

Texas-Oklahoma Fair to Feature Army Exhibit

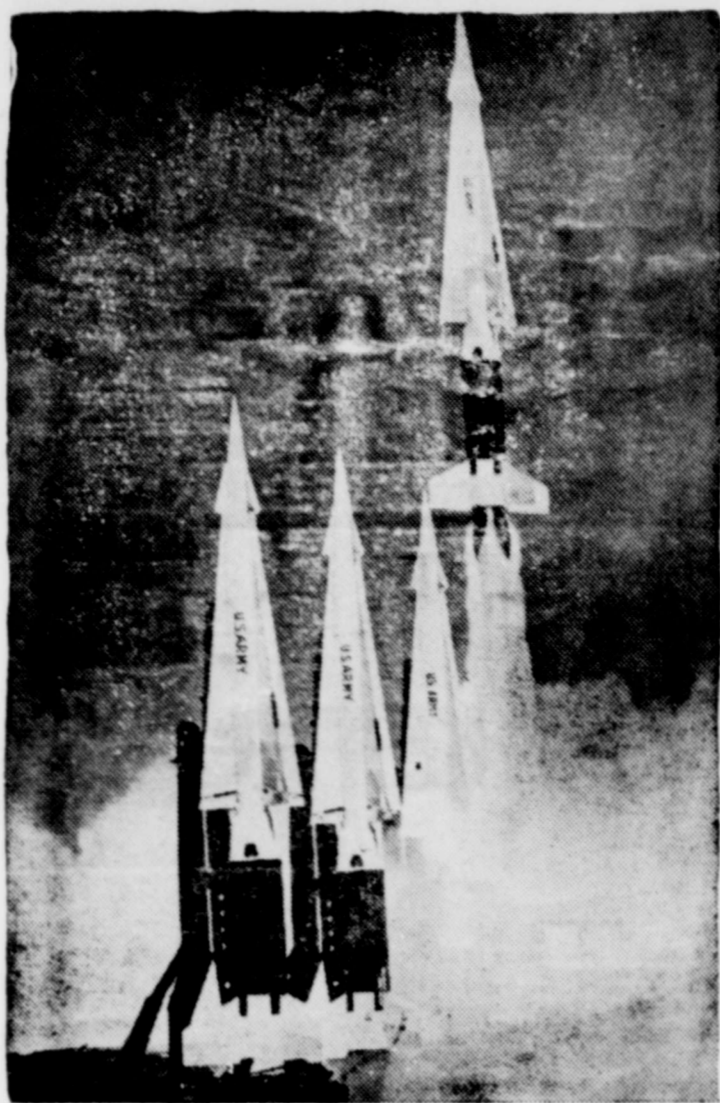

Visitors at the Texas-Okla. Fair Iowa Park, Sept. 26-30th, will get a first hand opportunity to learn about the latest missiles in the U. S. Army's arsenal for defense, it was announced today.

The Army's Chief of Information has announced that arrangements have been made with Fair officials to have the exhibit transported to Iowa Park with Army information specialists on hand to answer questions concerning the various missiles and space program.

Spotlighted within the exhibit are two actual missiles—the Army's famed Hawk, a low altitude anti-aircraft guided missile, and the SS-10, a unique wire-guided anti-tank missile now being appraised by Army Ordnance.

Tracing the history of rocketry from 1232 A. D. to the present era of missiles and satellites, the exhibit will feature colorful paintings and back lighted color photo murals depicting the Explorer satellite launchings, man-in-space research and the highly successful Army NASA deep space probe Pioneer IV—now in eternal orbit around the sun. A color motion picture showing actual firings of all Army missiles is also included.

The exhibit will feature scale models of the Army's lethal Nike family of air defense missiles and the medium-range ballistic missile, Redstone. Other models include such tactical weapons as Sergeant, Corporal, Honest John, Hawk and the uncanny LaCrosse. The U. S. Army

Official U. S. Army Photo

SECOND-GENERATION AIR DEFENDER—The Army's Hercules guided missile, successor to America's first operational air defense missile, Ajax, is on site guarding U.S. cities and defense installations in this country and overseas. It is air-transportable and more effective than the Ajax. Visitors to the U.S. Army Missiles Exhibit will have a first-hand opportunity to learn about the Hercules and other Army missiles when it is displayed.

developed Jupiter Irbm will also be featured. Army information specialists

will attend the exhibit to answer questions posed by the public. Admission is free of charge.

strong impact on the prosperity of our total agricultural economy. Meat purchases, he adds, accounts for a fourth of the money spent for food to be used in the household.

Under today's modern handling methods, milk is never subjected to the open air, but kept in a closed system. It travels from the milking machine thru glass or stainless steel pipelines to a closed refrigerated farm storage tank where it is cooled and held until delivered to the milk plant. It is transported in insulated tank trucks and is kept cold during delivery to stores or homes. Consumers must do their part to maintain the high quality of milk after it is in their hands.

Rats are one of the most destructive and dangerous farm pests. They not only destroy grain and other exposed foods and feeds but contaminate more than they destroy. They also are carriers of diseases and parasites and are expensive items to have on the farm. Local county agents working with rodent control specialists of the U. S. Fish and Wildlife Service are conducting rat control programs in many counties. Such programs are far more effective when carried out on a county or area basis instead of as a one farm operation.

Accidents are no respecters of time or place. They just happen. Be on guard against them all the time, says B. T. Haws, county agent. Emergencies can be nipped in the bud if you know what to do and have the necessary equipment. Haws says its good insurance to have these three "do's" done before accidents occur.

Have a first aid kit handy. Know how to use it. Visualize mishaps in advance and work out a plan of action.

Put your plan into action the instant disaster strikes, and keep your head. Delay might mean death. It's a good idea to learn first aid, because you can never tell when you may need it.

Go by your county agent's office and get the information he has on first aid and safety.

Leon Jennings For County Treasurer

Jennings says he can do the job, his experience in other jobs has given him the knowledge of the office.

He served as County Commissioner of Lynn County, Texas for two terms, did not seek re-election, served as Sheriff of Kiowa County, worked as Deputy Sheriff of Wichita County from 1953 to November of 1958, worked as Supt. for R. O. Green Construction Co. in 1959. He has never run for an office in Wichita Falls.

Give a new man a chance. Jennings and his wife own their own home and live at No. 18 Manchester Road. They have raised three boys, J. L. lives at Hobart, Okla., has worked for the R. E. A. Electric Co., for 12 years. Doyce lives at 16 Lobin Lane and works for the James Printing Co., Wichita Falls. Murry lives at 103 South Beverly and works for the Police Dept., Wichita Falls.

Jennings says it will be impossible for him to see everyone but would appreciate any support given him.

News From The HD Agent

Mrs. E. A. Moore is chairman of the Wichita County Foods & Nutrition Committee and reports plans for a Food workshop. This workshop is being planned to teach homemakers "The Relation of Food to Health." A doctor, dietitian, representative of the blood bank, a local home economist, a representative of the Civil Defense office and your county HD agent will present the workshop.

If interested in taking part, contact Mrs. Moore or Thelma Wirges, county HD agent, 305 Federal Building, Wichita Falls.

Are colds starting in your family? If so, Thelma Wirges suggests you check your daily menus to be sure you are including some foods rich in vitamins A and C.

Both these vitamins, she says, are effective in preventing the invasion of cold germs. That's because they help the linings of the nasal passages resist bacterial invasion.

These two vitamins, plus general good nutrition, help pro-

News From The County Agent

Kenneth Johnson, 4-H clubber from Burkburnett, won first place in the county with his 4-H record book on 4-H achievement. Kenneth will receive a trip to the International livestock show in Chicago in November. The trip is sponsored annually by City National Bank of Wichita Falls. Kenneth is the son of Mr. and Mrs. S. L. Johnson, Rt. 1, Wichita Falls.

Farmers in Wichita County are needing a good general rain for sowing alfalfa, winter legumes and small grain. Cotton harvest is in full swing. Cotton insects did lots of damage in some fields of cotton cutting the yield.

Mr. Albert Brockreide from Electra was elected chairman of the 1960-61 County Extension program building committee. Mrs. Howard Bentley from Burkburnett vice chairman and Mrs. S. L. Johnson, Rt. 1, Wichita Falls was elected secretary.

The Texas-Okla. Fair will be held at Iowa Park Sept. 26th to Oct. 1st. Many Wichita County adults, 4-H clubbers and FFA members will be showing exhibits at the fair.

Almost a third of the total income from farming comes from the sale of meat animals. B. T. Haws, county agent says fluctuations in livestock prices have a

vide resistance to all types of bacterial infections, not just colds. There are other benefits, too. Vitamin A improves the eyes' ability to adjust to light and dark; lack of it causes night blindness. Children need vitamin A for optimum growth and vitamin C for proper tooth formation and speedy healing of wounds and burns.

Good sources of the vitamin are dark green leafy and yellow vegetables, citrus fruits, tomatoes, raw cabbage and milk, butter, eggs, cheese, cantaloupes, strawberries and potatoes.

STATE CAPITAL
Highlights
AND **Sidelights**
by Vern Sanford
TEXAS PRESS ASSOCIATION

Texas needs a law to regulate the sale of pistols so that irresponsible persons can neither sell or buy them, says Atty Gen. Will Wilson.

Wilson told Texas' prosecuting attorneys at an Austin meeting that murders in Texas were up by 10% last year. One way to prevent these killings, he said is to keep pistols out of the hands of irresponsible persons.

Wilson recently held unconstitutional an old law requiring licensing of pistol dealers because of the way it was written, but said that he believed there should be such a law.

A lot of the money spent on catching and punishing law breakers might be saved, the attorney general suggested, if more were spent on prevention of crime.

Texas District and County Attorneys Association presented Wilson a life membership plaque during their meeting here in recognition of his leadership in law enforcement. Earlier this year Wilson was named top state attorney general in the nation by the National Attorney General's organization.

Highway Patrol Openings—Applications to fill 120 openings in the State Highway Patrol will be taken by the Dept. of Public Safety through Oct. 1st.

Applicants must be high school graduates or the equivalent and must pass a field service examination to be given in 16 different Texas towns. After acceptance, the prospective patrolmen will receive 16 weeks training at the Law Enforcement Academy in Austin.

Application forms may be obtained from any DPS field office or by writing DPS Headquarters, P. O. Box 4087, Austin.

Driver education in Texas pub-

lic schools might be a cooperative effort similar to that of the school program for speaking children.

This proposal was a recent speech by Smith, director of Highway Safety Driver education of public school systems, the goals many groups have pushed some time.

Smith noted that system may serve for teaching some local funds these plans see Smith said, we their success for cation to the dr program.

Burkburnett Riding Club

Two first place trophies are the result of two recent appearances of the Burkburnett Riding Club.

Sept. 10th the club won first place in the downtown rodeo parade at Jacksboro. An overcast sky added to the pleasure of the evening and a basket supper spread by the Jacksboro Lake side was enjoyed by the group, including Mr. and Mrs. Pete Niger, Capt. and Mrs. Drake and daughter, Mr. and Mrs. Hugh Preston, Mr. and Mrs. Wendell Goins, Terrell and Barends, Mr. and Mrs. Tommie Campbell, Carol Gilbow and son, Mr. and Mrs. Delmar Luke and Billy, Mr. and Mrs. Payton Cozby, Elmer Burns, R. C. Gilbow, R. G. Redman, Joe McCluskey, Frances Ooten, Bill Lyge and Mr. and Mrs. J. B. Griffin.

An additional trip Sept. 15th

to Henrietta won another first place trophy for the club. The visits each year to Henrietta are especially enjoyed because of the incorporation of the Pioneer Celebration and Reunion with their annual rodeo and again, as in previous years, the visiting clubs were treated to a delicious barbecue supper after the parade.

Those attending the Henrietta celebration were Goldie Tucker, who officiated as queen in the parade, Mr. and Mrs. Hugh Preston, Mr. and Mrs. Payton Cozby, Mr. and Mrs. Noel McGill and daughters, Mr. and Mrs. Jerry Miller, Elmer Burns, Claud Elliott, Joe McCluskey, Tommie Campbell, R. G. Redman, R. C. Gilbow, Monty Beasley, Frances Ooten, Walter Paul Cozby and Mr. and Mrs. J. B. Griffin.

SHAH NAY CAMPFIRE NEWS

The Shah Nay Campfire girls met Thursday, Sept. 15th at the home of Kathryn Reed. Barbara Koenig, president, called the meeting to order. Linda Fisher read the minutes and called the roll. Lynn Kelley collected dues. A two mile hike was planned for Saturday, Sept. 17th.

Sherri Garland served refreshments to the following. Linda Fisher, Lynn Kelley, Barbara Koenig, Treva Ladd, Karen Metz, Kathryn Reed, Diana Swan, Jan Vincent, Mrs. Russell Kelley, leader, Mrs. Bill Vincent, assistant leader and Charlotte Wallace, sponsor.

Charlotte explained the seven crafts and honors to us.

Treva Ladd, Reporter

Mr. and Mrs. Leslie McIntosh of Wichita Kans., visited in the homes of Mrs. W. E. Goins, Mrs. Hennis and Vada Bolin and Mr. and Mrs. C. Hennis Tuesday. Mrs. McIntosh is a niece of Mrs. Hennis. They had attended the funeral of Mrs. Jessie Hancock of Idalou, Tex.

Mrs. Jim Morris Hostess Sept. 21 University Club

The University Study club met in the home of Mrs. Jim Morris Sept. 21st at 2:30 p. m. President Mrs. J. D. Majors, brought the meeting to order and the club collect was repeated in unison. Minutes were read and approved. Mrs. Melton, corresponding secretary, read a letter from the Chamber of Commerce asking that our club give at least one hour of our time to the Community clinic which is scheduled for Sept. 29th. This is a worthwhile movement and is for the betterment of our community. We made plans to attend the Santa Rosa Round-up in Vernon on Monday, Sept. 26th.

Program chairman, Mrs. Melton, presented the following women who brought interesting and informative papers: Mesdames Marshall Young, Women's Roll in the Scene of today; and I. N. Witherspoon, Big Ear in Lost Valley.

The club adjourned to meet with Mrs. H. G. Williams as hostess in the home of Mrs. Joy Sessums Oct. 5th. Mrs. Crosley presented gifts from the club to Mrs. A. W. Newman, who will be leaving soon and to Mrs. Arthur Houser, our newest bride.

Delicious refreshments were served to Mesdames E. A. Burns, Kenneth Catlege, Bill Crosley, L. E. Harwell, L. W. Mathis, J. D. Majors, O. E. Melton, R. P. Reagan, S. S. Reger, J. H. Rigby, Joy Sessums, Arthur Houser, H. G. Williams, I. N. Witherspoon, Marshall Young, a visitor, Mrs. A. W. Newman and the hostess Mrs. Jim Morris.

Mrs. E. C. Hennis received word Sunday of the death of her sister, Mrs. Jessie Hancock in a Lubbock hospital. Mrs. Hancock had visited in Burkburnett several times.

Community 4-H Club Elects Officers Mon.

The Burkburnett Community 4-H Club met Monday, Sept. 19 at 7:30 p. m. The meeting was called to order at the Youth Center. All the 4-H members present filled out enrollment cards. A song was then led by Toni Ann Savage and Kay Stubblefield. Patricia Simons gave a demonstration on a dip to delight a teenage appetite.

The following officers were elected: Pres. Sonny Bentley; vice pres. Patricia Simons; Secy. treas. Sue Revier; council delegate, Ken Johnson and reporter Toni Ann Savage. The adult leaders present were Mrs. E. J. Simons, Mrs. Howard Bentley, Mrs. Frank Greer, Mrs. S. L. Johnson, Mrs. Gerald Savage and Mrs. J. H. Bentley. There were 35 4-H members present. Mrs. Elizabeth Smith was also present.

Patricia Simons passed her dip around and we all tasted it. The meeting was then adjourned.

Toni Ann Savage, Reporter

Mrs. Lillie Wellington is able to sit up now after a 7 weeks illness following a heart attack.

SHAH NAY CAMPFIRE NEWS

Saturday, Sept. 17th our leader, Mrs. Kelley and our assistant leader, Mrs. Vincent, took us on a two mile hike. We packed our own lunches, which we ate at Kathryn Reeds house.

Thursday, Sept. 22nd, Mrs. Kelley, Mrs. Vincent and Charlotte Wallace took us to the Gene Robertson Dairy where Mrs. Robertson showed us the cows being milked with electric milkers. We then watched the milk go through pipes into stainless steel tubs. After that, we pasteurized some milk at Mrs. Kelley's house.

Barbara Koenig served refreshments to the following: Linda Fisher, Sheri Garland, Lynn Kelley, Treva Ladd, Karen Metz, Kathryn Reed, Diana Swan, Jan Vincent, Charlotte Wallace, Mrs. Vincent and Mrs. Kelley.

Torsion spring heavyweight

HERE '61 CHEVY TRUCKS

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION

Chevy's '61 fleet swings in with a reputation made as the trucks that work more because they work more. The latest editions of the haulers have scrapped the I-beam axle and proved the important advantage of independent front suspension.

You'll find new models for '61—long wheelbase 4-wheel drive units—thoughtful refinements throughout the line. But the big news for '61 is nailed down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades.

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. The goes for any size Chevy, too—pickup, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power train options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again.

ages of 13, 14, 15, 16 at Boomtown Bowl. Leagues will bowl at 1 p. m. each Saturday at a reduced rate of three games for \$1.00. In order to sanction and have leagues worthwhile it is desired to have at least four members per team with eight teams of girls and eight teams of boys. Each league will be awarded trophies for the top two teams and other individual awards by Boomtown Bowl. Instructors and coaches will be on hand to supervise. Films or slides on the proper way to bowl will be shown immediately after leagues are formed. Teams will be made up after averages are established so that all teams are comparatively even. This will insure a good league. Remember all boys and girls bowling in these leagues are eligible to bowl in the Christmas and National tournaments held by the State and National Junior American Bowling Congress. These tournaments are handicapped and it is possible to get national honors.

Mother-Daughter League
A mother and daughter league is being formed to bowl on Fridays at 4 p. m. All mothers and daughters desiring to bowl in this league please sign up at Boomtown Bowl. League will commence October 7, 1960. This is a doubles league. There is room for only 16 mothers and their daughters, so please hurry and sign up. This league will only take 1 1/2 hours to bowl.

Regular Meeting of Jr. University Club Was Sept. 20th

On Tuesday, Sept. 20th, the Jr. University Study Club held its regular meeting in the home of Mrs. Billie Jane Brookshier. Mrs. Margaret Alexander called the meeting to order. Members repeated the club woman's creed, after which the treasurer's report was given.

Mrs. Frances Clement gave a report concerning our booth at the Lions Club Carnival. Mrs. Alexander appointed members to work at the booth. Plans were made for the club ummage sale to be held on Sat. Oct. 1st next to Boyds. Members voted to subscribe 140% to the Texas Clubwoman.

Mrs. Margaret Alexander and Mrs. Reba McLean will represent our club at the workshop in Vernon on Sept. 26th. Two new members were welcomed into the club. They are Mrs. Ruth Thompson and Mrs. Nita Day. Mrs. Allie McCullough gave the program on Irving Berlin. Mrs. Brookshier served refreshments to the following members: Mesdames Margaret Alexander, Becky Byars, Frances Clement, Nita Day, Barbara Kelley, Mary Jo Koller, Sammie Landrum, Rhee Marten, Allie McCullough, Reba McLean, Marilyn Robertson, Ruth Thompson, Joyce Taylor, Janice Vincent. Mrs. Margaret Alexander won the door prize. Our next meeting will be on Thursday, Oct. 6th in the home of Mrs. Joyce Taylor.

Leon Dulin Named Cartoonist for The Campus Chat

DENTON Tex., Special—Leon Dulin of Burkburnett has been named cartoonist for the Campus Chat, student newspaper of North Texas State College. The son of Mr. and Mrs. Bedford Dulin, 108 Smith, he is a senior physical education major. Dulin is also a member of the Baptist Student Union, T Club, Student National Education Association and the Quad Club.

Mr. and Mrs. W. E. Goins attended funeral services in Idalou, Tex., Monday for Mrs. Jessie Hancock.

Mrs. Floyd Jackson Helps Entertain Foreign Students

(Editor's Note: The following article was taken from the Oklahoma City Adviser and concerns a former Burk resident, Mrs. Floyd L. Jackson.) On Sunday, Sept. 11th, a bus load of 35 foreign students arrived in Oklahoma City at 7:30 a. m. enroute from Knoxville, Tenn., on a sight-seeing tour of the Middle West. In charge of programming entertainment and itinerary for the foreign students was Mrs. Floyd L. Jackson, wife of Supreme Court Justice Jackson.

Mrs. Loretta D. Pruett, Knoxville, Tenn., proprietor of a hotel for foreign students, arranged the tour so they could meet the people of the Middle West. Eighteen of them are from India; other countries represented are Vietnam, Malaya, Thailand, Iraq, Jordan, China, Korea, Guatemala and Morocco.

The Jacksons moved here from Lawton in 1955 and in 1956, Mrs. Jackson joined the World Fellowship Group at the YWCA. One of the first programs was given by three boys with sparkling personalities and boundless enthusiasm for our country. They were from Chili, Spain and Pakistan. Mrs. Jackson invited them to her home for dinner and that was the beginning of her interest in the FAA foreign students program.

When she organized the International Club in Lawton in 1949, her purpose was mainly to assist the homesick young foreign brides in orientation in finding housing, in English conversation lessons and showing them hospitality in her home and those of her friends. Little did she dream what the overwhelming response would be. For the past 11 years she has received more than 300 letters at Christmas time, all of which she answers. She has goddaughters and godsons all over the world, pictures of whom she displays proudly, never failing to remember their birthdays and to send gifts at Christmastime and on Valentine's Day. If the Jacksons accept all the invitations and pleas to visit them that pour in daily from their foreign friends, it will take a year for a complete around the world tour by jet.

Mrs. Jackson is a former resident of Burkburnett and was a teacher in the Public Schools here before she married Judge Jackson. She is the sister of Dr. C. J. Morrison, also of Burkburnett.

Mrs. E. D. Roderick Attends THDA Convention

The Texas Home Demonstration Convention met Sept. 14-16 at Brownsville, Texas. Theme of the convention was Forward Into The 60's. Registration of delegates and visitors was held Wednesday morning beginning at 8 a. m. A general assembly was held at 9:30. Invocation was given by Mrs. Wilmer Smith, president of the Texas Home Demonstration Assn. Dr. J. C. George, mayor of Brownsville, officially greeted the group. Mrs. Thomas Eagar gave, Rubs of the Convention. Redesigning Homes, was the title of an address by Rev. W. R. Fleming, pastor of Wesley Methodist Church of Harlingen. Lunch was held at the Civic Center. The afternoon consisted of workshops, on citizenship, education, health and safety and a tour in Mexico with dinner and entertainment.

Highlights of the Thursday meeting were elections in district meetings; an address by Mr. Sterling C. Evans, member of the board of directors of Texas A. & M. College, on the White House Conference; Family Life, by Mrs. Moulton Cobb; a general assembly; address by vice-president of Districts, Mrs. C. R. Berkly, Better by the Dozen; workshops on civil defense and recreation; and the 7:00 p. m. banquet at which time the new officers were installed.

On Friday morning during the general assembly, Mrs. Dylthia Benson spoke on Family Finance and family relations. Following her address, a general business meeting was held. Resolutions and recommendations were read, treasurers report, officers reports and invitations. Those attending from Wichita County were Mrs. V. C. Lamb, county council president; Mrs. George Griffith, THDA chairman; Mrs. E. W. Roderick, president of Hardin Club; Mrs. J. L. Graham, out-going THDA chairman of Wichita County. All reported having a wonderful time.

Mr. and Mrs. Virgil Wakefield and son of El Reno, Okla., were Sunday visitors in the home of Mr. and Mrs. Melvin Bailey and Floyd Wayne.

Current Literature Club Members Attend Board Meet

Seven Current Literature Club members attended the first annual board meeting and club work shop of Santa Rosa District, TFWC, in the Wilbarger Community Building in Vernon Monday, Sept. 26. The all day meeting and luncheon was well attended by club members from 14 counties.

Mrs. Phil A. Carpenter, President of Santa Rosa District, presided over the business, when members of her board, club presidents, and department chairmen were asked to report. Mrs. John Brookman, president reported for the Current Literature, Mrs. Ralph White reported for Club Mother, and Mrs. F. G. Jeffers reported for Poet Laureate. Both Mrs. White and Mrs. Jeffers were recognized for their state honors in June—Club Woman of the Year and Poet Laureate, respectively.

Mrs. C. M. Archer, historian, was unable to attend. One member, Mrs. F. G. Jeffers, was on the program. She was listed as Trick Writer, and read a poem that she has written for Santa Rosa District. A western theme was used throughout the program and decorations. Members attending were Mesdames John Brookman, Roy T. Magers, Ralph White, F. G. Jeffers, F. M. McMurtry, A. H. Lohoefer, and J. L. Caffee.

Card Of Thanks

I wish to thank all my friends and neighbors for the many kindnesses shown me during my stay in the hospital and since my return home. For your visits, flowers, cards and words of encouragement, I am indeed grateful. May Gods blessings rest on each of you in my prayer. C. O. Wilson, Randlett

Sandy Vanderburgs Entertained Friends At Dans Steak House

Mr. and Mrs. Sandy Vanderburg entertained a few friends recently with one of his famous pheasant dinners, at Dan's Steak House in Burkburnett.

Vanderburg raises pheasants as a hobby and for their table. After the delicious two course dinner, the party enjoyed the showing of 250 travel slides by their host.

Those attending the enjoyable affair were: Mr. and Mrs. Guy White, Magnolia Pipe Line Supt. of Wichita Falls; Mr. and Mrs. J. R. Tibbett, Gager foreman;

Mr. and Mrs. Bert Capps, retired Magnolia Pipe Line foreman; Mr. and Mrs. J. W. Buckalieu, Engineer of Magnolia Pump Station; Mr. and Mrs. J. T. Deckard; Mr. and Mrs. J. R. Ashton, and the Vanderburgs all of this city.

BUSY BEAVERS 4-H CLUB

The Busy Beavers 4-H club met Sept. 14th and 16th after school at the home of Mrs. Geerald Savage, their leader, to complete their record books for the year.

They also decided at this time to join the Burkburnett Community 4-H club and meet with them at the Youth Center for the organizational meetings.

PAINFUL . . . NAGGING BACKACHE

Since the beginning of time BACKACHE has been an affliction of men and women alike. Backache from fatigue, strain, over activity, inflammation of kidneys, and female organs, and little or no relief for it was known to man until the discovery of Chiropractic some 60 years ago.

The spine receives more punishment than any other bony structure of the body. Early recognition of spinal misalignments will minimize pain and disability and prevent or restore impaired function. The modern, scientifically trained Chiropractor is a specialist in correcting misaligned vertebrae and restoring the vital energy to remove the cause of BACKACHE.

GETTING 'BIG TEX' READY FOR THE STATE FAIR

They're getting "Big Tex," 52-foot cowboy "mascot" of the State Fair of Texas, ready for the Fair's big Diamond Jubilee Exposition Oct. 8-23. Top, cutting out material for Tex's giant-size blue jeans. Lower left, touching up his face. Lower right, the big fellow himself as he'll look at the Fair.

Randlett Baptist Church News

Members of the First Baptist Church of Randlett will be host to Homecoming and Dedication services this week-end, according to their pastor, Rev. Roy M. Clayton.

On Saturday night beginning at 7:30 an oldtime sing-song and fellowship service will precede a message by Rev. W. L. Trice of Longmont, Colo., one of four former pastors invited for the dedication.

On Sunday morning, classes will meet for Sunday School at 9:45 and dismiss at 10:30 after records are taken and visitors are recognized.

Rev. Tom Lutner who is now director of the Baptist Student Union at McNeese College in Lake Charles, La., will bring a message preceding the eleven o'clock message which will be brought by Rev. Olan Runnels who is now pastor of the First Baptist Church of Alford, Texas.

In the afternoon Dr. T. B. Lackey, Secretary of the Oklahoma Baptist Convention, will bring the dedicatory address.

The building just completed is valued at \$35,000.00 and the

pastor's home at \$5,000.00—all debt free.

The history of the church has been compiled by Mr. A. J. Cook of the Big Pasture High School and will be presented to the church and distributed to members and friends of the church.

Dinner on Sunday will be served to all who are present.

People from as far away as California are expected to be present. Four former pastors have been invited to help with the ceremonies. All former members are urged to attend and all friends are invited to be present.

Rev. Roy M. Clayton is the present pastor, having completed his first year as pastor in July. Records show that 20 people have been baptized into the fellowship of the church this year and two are awaiting baptism.

One feature of the new building is the baptistry scene, painted by one of their own members, Mrs. Reeford Darter. It has been acclaimed by critics as one of the finest to be found in Baptist Churches in a wide area.

The auditorium seats 275 people and there are 17 class rooms in the educational wing as well as two departmental assembly rooms.

DEVOL NEWS

MRS. C. O. WOODLEY Reporter
 BAPTIST CHURCH NEWS

"Be Ye Doers of the Word" is the theme chosen for the Thirteen Week Sunday School attendance Campaign which will begin this Sunday at the Devol Baptist church. The full date of the Campaign is Oct. 2nd thru Dec. 5th.

Those who attend at least 10 of the 13 Sundays will be awarded a copy of the Holy Bible. The Goal for attendance is 70 each Sunday. The class which has the best record each month will be designated as the Banner Class.

Sunday School Attendance on Sept. 18th was 70 and there was 34 in Training Union.

A Sunday School Teacher's clinic was held Sunday afternoon, Sept. 25th. Rev. Charlie Hargrave, Tillman Association Missionary, led the conference for adults and young people; Dean Burk led the intermediates and juniors and Mary Anne Burk led the primary, beginner and nursery. Attending were Robert Hopkins, Bryan Harrison, Sammie Harrison, Ernie Wood, Jackie Joyce Wood, Ruby Doty, Delores Dorton & Verta Stevens.

The Tillman Baptist Association Youth Rally will be held Sunday at the First Baptist church of Frederick at 2:30 p. m. All young people, ages 13-24 are invited to attend.

Attendance on Sept. 25th was 50 in Sunday School and 39 in Training Union.

PVT. RAYMOND BRANTLEY COMPLETES TRAINING SEPT 2

Marine Pvt. Raymond A. Brantley, son of Mr. and Mrs. D. W. Brantley of 602 E. 3rd St., Burkburnett, completed four weeks of individual combat training Sept. 2nd at the Marine Corps base, Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolitions, field fortifications & advanced schooling on weapons. Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers or with aviation units.

Surprise Shower Honors Mrs. Taylor Monday, Sept. 19th

A surprise pink and blue shower honoring Mrs. Edward Taylor was given by Mrs. W. E. Boydston in the home of Mrs. Bert Capps Monday night, Sept. 19th. Mrs. Boydston was assisted by Mrs. Sam Dickey.

Throughout the party rooms were decorations of large baby shoes and diapers.

Gifts were sent by eighteen who were unable to attend. There were twenty-eight hostesses.

A delicious refreshment plate was served to the following Mesdames: Harriet Lam, Charles Lanig, C. W. Prough, Billy Arrington, Otho Ryals, Martha Taylor, Claudine Boydston, Ruth Halsey, R. F. Daub, Darrell Nichols, Joe Nichols, Leetah Jennings, Lucille Hurst, Cecil Jennings, Bruner, Bert Capps, Sam Dickey and Betty Gentry.

TWEETY BLUEBIRDS

The Tweety Bluebirds held their first meeting on Thursday in the home of their leader, Mrs. Anita Cox. Mrs. Elizabeth Klozar, assistant leader, was also present. The girls selected the Tweety Bluebirds as their group name.

The following officers were elected: Jo Ann Cox, pres., Vickie Purvis, secy.; Deborah McPherson, treas.; Teresa Klozar, candle lighter; Belinda Wilson, reporter; Pattie Perry, song leader; Gay Lynn Hays, hostess. Refreshments were served.

Belinda Wilson, Reporter

ARROW HEAD CAMPFIRE

The Arrow Head Campfire had their garden club meeting Sept. 21st at Mrs. Brown's house. Mrs. J. B. Riley gave our lesson about flowers. We talked about flowers and what kind of vases would go with different kinds of flowers. All members were present. They included Jan Brown, Judith Bowles, Anita Foster, Phyllis Kiesling, Kathy Reasoner, Stephanie Slusher, Laquita Stout.

Kathy Reasoner, garden club reporter.

Area Highway News

A contract for illumination on U. S. Highway 287 in Wichita County has been awarded to a San Antonio firm, it was announced in Austin this week by the State Highway Commission.

Lloyd Electric Co., Inc. submitted the low bid of \$54,842 on the project. Illumination from Eighth Street to 1000' N. of present U. S. 287 is expected to take 880 working days, according to L. B. Dean District Highway Engineer at Wichita Falls.

Frank S. Craig, Resident Engineer at Wichita Falls will be in active charge of the project while it is under construction.

SWEET BLUE BIRDS

At the first meeting of the Sweet Blue birds, we had refreshments and chose officers. The officers are: Toni Aynn Gillis, candle lighter; Patti Karmos, wish leader; Roberta Pollard, vice president and Jean up; Faylin Pate, president; Cynthia Sands, treasurer; Deborah Taylor, secy. and reporter; Pamela Williams, song leader; Mrs. Pollard, leader and Mrs. Karmos, assistant leader.

Deborah Taylor, Reporter

John Herring of Burk and Cloud Smith of Crum, Tex., have returned home from a very successful antelope hunt in Wyoming. They bagged their limit the third day of the hunt.

DON'T Worry for the SCHOOL shoes NOW. Give us time in perfect repair for the long life.

SIMMONS SHOE REPAIRS

NOW PROTECT THOSE VALUABLE PAPERS FROM FIRE

Everyone Can Afford This New Fire Protection Chest at the lowest price

Your Bonds, Insurance Policies, Notes, Mortgages, Contracts, Income Tax Receipts, Birth Certificate, Discharge Papers, Leases, Rent Receipts, Your Will, Livestock Registration Papers, Canceled Checks, Stamp and Coin Collections, and many other things of personal and sentimental value, which would be destroyed (and could not be replaced) if you had a fire—and you could! There is one about every 20 seconds.

DESCRIPTION AND SPECIFICATIONS

Fire Protection Chest

Made of heavy gauge steel inside and out, all electric welded. Between these steel walls is 1 1-2 inches of solid

Fire Proof Vermicule Insulation

which has over 300,000 tiny air cells to the square inch. It has the universally used tongue and groove principle around the door with a 1 1-2 inch Fire Proof Seal completely around it. No chest, regardless of price, has a better insulation.

Outside Dimensions 14x11 1/2 x 7 1-2 in.
 Inside Dimensions 8 1-2 x 11 x 4 1-2 in.

Equipped with a heavy standard type lock, with 2 keys. Color, Gray, very attractive.

Tested One Hour At 1700 Degrees

What's NEW... at YOUR house?

Anything new in your home—furniture... rugs... appliances... clothing... a new TV, perhaps? And if they were destroyed by fire tonight, would your insurance meet today's higher costs?

Think it over. Today, you can cover in one policy most of the risks you face in your home—and you may save money, too. We will be glad to help you determine what kind of insurance you need, and how much, to cover your personal belongings and your home. Just give us a call. And remember, if you're not fully insured—it's not enough!

About Your... Social Security

Erton F. Tate, District Manager of the Wichita Falls, social security office announced today that the bill recently signed by President Eisenhower has made some very definite changes in the social security program. Most important of these changes is the one that provides that several disabled workers may be paid disability social security benefits at this age. He emphasized that those persons under age 50 who have already had their social security record frozen on account of their disability should get in touch with his office immediately to apply for the monthly benefits that may be paid them beginning with the month of November, 1960.

Another important provision of this bill that was signed into law recently is that the amount of work required to get social security payments has been reduced. Under the new law a person may become entitled to benefits by working a period of time equal to one-third of the time from the first of 1951 up until he reaches retirement age. The old law required that he work a period of time equal to one half of this time. Tate said that many workers whose claims have been disallowed in the past may now be qualified for benefits under this new provision.

Other provisions of this new law are that the benefits are increased for some children of deceased workers. These benefits, however, will be increased automatically and no application will be necessary for those children who are already receiving payments.

Another change provides that a wife may now qualify for social security payments after having been married for only one year. Under the old law three years was required.

There were several other changes made by this new law. Information concerning any of these changes and other questions concerning the social security program may be had by calling in person or writing to the social security office in Room 421 in the Post Office building, in Wichita Falls or telephoning 723-4141.

Tate urged that all interested persons who think that they may be affected by these changes get in touch with his office.

A useful addition to your car first aid kit is a dime taped inside the lid for use in case you need to make an emergency telephone call.

One reason Americans won't go Communist is that when they hear the shout, "Workers Arise," they think it's time for the coffee break.

I might go and live in Switzerland permanently. I have always dreamed of a country where the mountains are higher than the taxes.

The key you use most often will be easy to find on your key ring if you drill a second hole in it so that it hangs off center.

H. L. Rice Candidate For County Treasurer

I am a candidate for Treasurer of Wichita County in the write-in campaign. I feel that one announcing for office should give his qualifications because voters should judge whether the man fits the job. When a young man, I left my farm home to attend Draughtons Business College. Afterwards, I secured a position with large concerns where most of my life work was spent. This work consisted of general office work, joint inventory work auditing and checking branch offices and promoting sales. The depression of the thirties dislodged me as it did many others. In 1937 I accepted a job as deputy in your county tax office working for a salary no more than half of salaries now days. I resigned after eight years in the office. So, you can see I haven't had my head in the feed trough all these years.

Would you like to reach the end of a trip with an unrumpled look? Take along fresh clothes and change at a service station near your destination.

If you believe what the candidates say about each other, it will be hard to vote for anyone.

Time Schedules Announced for Community Clinic Sponsors Chamber of Commerce

The first of the one hour discussion groups will be the merchants group which will meet for breakfast at 7:30 A. M. at the Town Hall. This session is under the chairmanship of C. M. Archer.

At 9:30 A. M. at Town Hall the women's group will convene with co-chairmen Mary Northcott and Beverly Preston.

10:45 A. M. will see the discussion leaders meeting with the high school seniors at the High school, with chairman Roy Silkwood.

At 3:30 P. M. the professional group, including the school teachers, will meet at the High school. This session is under the leadership of Bill Vincent, Joe Janeke and I. C. Evans.

7:30 P. M. at the Town Hall will be the time for the agriculture group. This group will be made up of local and area farmers and ranchers, plus the agriculture business men of Burkburnett, to meet with Frank Kelley and W. Lockett.

8:30 P. M. is the last session in the Town Hall, the group will include all personnel of Sheppard Air Force Base who live in Burkburnett. This session will be chaired by Maj. Jane Sewell.

The purpose of these sessions is to better acquaint the people of this area with the workings of the Burkburnett Chamber of Commerce and to determine the area of need in the community where the Chamber can be most effective.

Discussions in each session will be led by Ralph Duncan, of the West Texas Chamber of Commerce. The results of the discussion in each group will be compiled to make up the Chamber of Commerce program of work.

C. A. Morgan, president of the Chamber of Commerce, said he was hopeful for a large turnout in order to make sure the new program would include the needs of the entire area.
