to make the movie "Snow White
and the Seven Dwarfs."

VOLUME NO. 54

NUMBER 17

CITY HALL News and Notes

By Clovis D. Mann
City Manager

Our City installed an average of 15 new water meters each month during 1960. We ended the year with a total of 2421 meters in use. The water Department also installed 25 new fire hydrants and replaced 12. It should also be interesting to know that during 1960 we installed 19,651 feet of 6" pipe, 6,336 feet of 8" and 4,566 feet of 2". One 250,000 overhead tower and one 500,000 gallon storage tank were installed. The new sewerage plant was completed and 155,000 feet of sewerage lines installed.

The City Commission has extended the date for tie-on to sewerage line without a tapping fee being charged to May 1. After May 1st a fee of \$10.00 will be charged.

New sewerage rates have also been established. You will see them listed elsewhere in this paper.

103 Sewerage Permits have been issued since Jan. 1st.

Clovis D. Mann Named City Director of Civil Defense

Mayor George McClarty appointed Clovis Mann to head the City's Civil Defense. The appointment was confirmed by the City Commission in its meeting last Monday night.

Mr. Mann and Chief of Police Kenneth Gage, left for Austin Wednesday morning to confer with State Civil Defense officials, preparatory to setting up the Civil Defense organization for Burkburnett.

ROTARY CLUB

Town Hall Each Tuesday
12:00 Noon
Bryan Farris, President
Bill Donnell, Secy.

Alvin Hill introduced Mr. and Mrs. J. B. Wright, parents of Capt. Weldon Wright, guest speaker for the club and B. K. Watkins of Texas Electric Co., guest of Bill Vincent and nine visiting Rotarians from Wichita Falls. City Attorney Joe Jancke was program chairman for the regular luncheon. He introduced Capt. Weldon Wright, Chaplain in the U. S. Army, who spoke to the club on "The Most Controversial City in the World—West Berlin. It is also the most troubled city in all of Germany. Capt. Wright's remarks will long be remembered and we will all look forward to see what happens in West Berlin in the year 1961.

Al Lohofener gave the invocation and Geo. McClarty led the club in song. Forty members and visitors attended. Al Lohofener will be program chairman for Jan. 17th.

Royce Miller and Gary Wood To Attend Inaugural Jan. 20 In Washington, D. C. With Band

GARY WOOD

ROYCE MILLER

The University of Texas Longhorn Band, The Show Band of the Southwest, will be before the eyes of the nation as the leader of the Texas representatives to the President's inaugural parade in Washington, D. C. Jan. 20th.

Two chartered DC-7's will fly the bandmen to Washington. 128 members in colorful western uniforms and cowboys hats will be the first unit of the parade to follow President-elect John F. Kennedy and Vice-president-elect Lyndon B. Johnson. The only group ahead of the Texas Band will be the Massachusetts legation from Kennedy's home state.

Lyndon B. Johnson and The University of Texas Ex-Students Assoc. made this trip possible. The Ex-Students' Assoc. is financing the \$20,000 trip. On Jan. 17th, the Band will play for the inaugural ceremonies at the State Capitol in Austin. That night the Longhorn Concert Band will present a concert at the Inaugural Ball Reception honoring Governor Price Daniel and the other Texas officials.

Royce Miller and Gary Wood, sophomore students at the University will participate in these band activities. Royce, son of Mr. and Mrs. H. Y. Miller, is a Math major, while Gary, son of Mr. and Mrs. Harold Wood, is an economics student. Both of these students are from Burkburnett.

Sewer Tapping Fee Set Monday

The City Commission extended the date for tie-ons to sewer line without a tapping fee to May 1, 1961. The original date set was March 1st. After May 1st a tapping fee of \$10.00 will be charged.

Robertson Holstein Sets Milk Record

The Holstein-Friesian Association of America has announced and outstanding official production record by a registered Holstein cow in this area.

Kingsons Stratton Buster 4169777 owned by Gene Robertson, Burkburnett, produced 13,950 pounds of milk and 459 pounds of butterfat in 307 days on twice daily milking as a 4 year old.

Texas A-M College supervised the weighing and testing of production as a part of the official herd testing programs of the national Holstein organization. These programs provide continuing lactation and lifetime production records on every cow in more than 2,800 participating registered Holstein herds.

Turkey, France, Great Britain and Sardinia took part in the Crimean War against Russia.

Rev. Rathgeber Trinity Missioner January 15 to 19

Rev. Benjamin Rathgeber of Dime Box, Tex., is the Evangelism Missioner at Trinity Lutheran, Rt. 1, Iowa Park (Clara Community), of which Louis Boriack is pastor, from Jan. 15-19, services beginning nightly at 7:30 p. m.

Rev. Benjamin Rathgeber was born at Wichita Falls in 1934, July 9th. His parents are Mr. and Mrs. Carl Rathgeber of Wichita Falls. After attending county schools and St. Paul Lutheran School of Wichita Falls, he enrolled in the High School Dept. of Concordia College, Austin, Tex., in 1947. Graduating from Concordia Jr. College in 1953, he enrolled at Concordia Seminary, St. Louis, Mo., the same year.

Pastor Rathgeber vicarage was spent at Redeemer Lutheran Church of Harrison, Tenn. Graduating from the St. Louis Seminary in 1958 he accepted the call as pastor of Trinity Lutheran church, Dime Box & Christ Lutheran church in Loebau, Tex. In July of 1960 he was married to Miss Lois Kissman of Lincoln, Tex.

Rev. Benjamin Rathgeber will be the speaker during the Preaching - Teaching - Reaching Mission week at Trinity in the Clara Community. This Evangelism effort is being carried on by the Lutheran churches of Vernon, Wichita Falls, Burkburnett, Iowa Park, Electra, Olney, Bowie, Seymour and others on the same dates, services starting at 7:30 p. m. Each church has a different speaker who serves for the duration.

In case guests and visitors desire nursery service, it will be available.

Joan of Arc was 17 when she led the French army to the relief of Orleans.

Horse Sale Here Fri., Jan. 13th

There will be a horse sale at the Burkburnett Barn Friday night, January 13. The sale begins at 7:00 P. M. Horse sales are held here every two weeks throughout the year.

Bill White, manager, says they are expecting a good sale this week.

Services Sunday For Miss Lynch

Funeral services were held at 1:00 p. m. Sunday in the First Baptist church here for Miss Faye Lynch, 39, Burkburnett, who died Friday in a Wichita Falls hospital.

Officiating was Rev. Leroy Meyer, First Baptist pastor and Rev. Kenneth Bradshaw, pastor of Thrift Memorial Baptist Church. Burial under the direction of Owen and Brumley Funeral Home, was in Burkburnett Cemetery.

Miss Lynch, born in Frederick, Okla., had lived in Burkburnett most of her life. She is survived by her mother, Mrs. Bertha Lynch, Burkburnett.

Rev. Jeff Anderson Of Burk Dies Fri.

Rev. Jeff Anderson, 65 a resident of Burkburnett and pastor of the Church of God in Christ for 20 years, died Friday in a Wichita Falls hospital.

Survivors include two daughters, Jo Mae Gatewood, Burkburnett, and Mable Williams, Chicago, Ill.; a son, John Henry Brown, Burkburnett; a brother, Dave Anderson and a niece, Anna Johnson, both of Ferris, Texas.

Arrangements were under direction of Wells Funeral Home.

Rev. Marvin Koch Weldon Owens Missioner at Grace Featured Speaker Lutheran Church At C-C Banquet

The Rev. Marvin Koch of Copperas Cove, Texas, is the Evangelism Missioner at Grace Lutheran, 3rd and Ave E., Burkburnett, Pastor L. Boriack, Interim Pastor, from Jan. 15 to 19, the services beginning at 7:30 p. m. nightly.

This Preaching - Teaching - Reaching mission effort is being conducted by the Lutheran Churches of Wichita Falls, Vernon, Burkburnett, Iowa Park, Electra, Harrold, Olney, Seymour, Bowie and others on the same dates. Each church has a different guest speaker.

Pastor Marvin Koch, who is a native of Texas will speak at Grace. His birthplace is Floydada in 1922. From age 2-16 he lived in Mills County. At this time the move was made to Bangs in Brown County where he resided till called to military service.

His tour of duty was in Europe during World War II. He entered the Concordia Seminary of Springfield, Ill., in 1946 as a married student. Graduating in 1951 his first charge was St. John congregation at Lufe, Ark. Next he served Immanuel church at Jackson, Mo., till he became the pastor of Immanuel at Copperas Cove. At present time he is also conducting preaching services at Lampasas. Rev. and Mrs. Marvin Koch have four sons, ages 11, 9, 6, and 5.

Weldon Owens will be the featured speaker at the Chamber of Commerce annual banquet, Friday night, January 13. The banquet will be held in the school cafeteria, beginning at 7:00 o'clock.

Mr. Owens is the humorous folklorist and author of the Dallas Times Herald's popular daily feature, titled "Cross Country."

The speaker is a native of Teague, Texas, and has served in almost every department of newspapering since his "printer's devil" days as a child.

The country editor travels more than 50,000 miles annually assembling material for his column, a morning broadcast over KRLD and more than 100 after-dinner speeches a year.

1961 Officers Are Named for Burk C. of C.

At a meeting of the directors of the Chamber of Commerce, officers for 1961 were elected.

Bill Browning was chosen to head the organization for the coming year. He succeeds C. A. Morgan.

Other officers are: C. A. Morgan, 1st vice-president.
Harold Van Loh, 2nd vice-president.

A complete list of officers and directors appears in adjoining columns on this page.

Jim Harwell was re-elected manager, with a raise in salary.

Marjorie Hofacket was re-elected secretary. A proposed budget of \$15,500.00 was approved for 1961.

The State Affairs committee was instructed to study the proposed 1% payroll tax and make a report later.

There will be a luncheon meeting Friday, February 3rd, when a representative of the U. S. Chamber of Commerce will be a guest.

Dates for the 1961 rodeo will be June 15, 16, 17.

A frequent and annoying trouble with a budget is that you can't seem to.

Columbus died in abject poverty two years after his fourth voyage to America.

Lions to Hold Pancake Sale Sat., Feb. 18th

The Burkburnett Lions Club will hold its annual pancake and sausage event all day Saturday, February 18th.

Each year the club observes a pancake and sausage day. Last year Lions served more than 800 hungry guests during the fifteen hour day. Money from this sale will go into a special projects fund.

GAY BLUE BIRDS MEET IN FREEMAN HOME RECENTLY

How Did Citizen Of US Exclude Himself

What is an American? We in the United States claim it as our own adjective denoting nationality. But when we enter the other Americas it has a presumptuous ring. Are not the Canadians Americans—Or the Mexicans, the Central Americans and the South Americans—and even the residents of the isles in the Caribbean? The dictionaries are all in agreement that the term "American" relates to the Western Hemisphere. Therefore, why do the citizens of the United States usurp this term to the exclusion of the citizens of other countries in the Americas?

A professor of sociology in Milton College, a small private school of higher education in Wisconsin, has tackled this problem and sought to find the answer. He starts with the premise that "Americans" who travel abroad must, sooner or later, realize that we citizens of the United States are a people without a name simply because we are inaccurate when we call ourselves "Americans." He is a William A. Cornell and believes he has discovered a solution.

His proposal is that a new word be coined and put into circulation so that it will find its eventual way into the dictionaries. The suggestion is that the "American" hereafter designate himself USatesian—spelled with the double capitalization and pronounced "YOU-STATE-zian." "I realize that its pretty late to reform our national nomenclature," he concedes, "but late or early a mistake ought to be corrected wherever possible."

The professor overlooks the historic fact that it was the country, England, which gave the United States its claim to "American"—shortened as it was from "The American Colonies." We, having inherited it, justified our usage when we spread across a continent from ocean to ocean while the nations of South and Central America were dividing into separate political entities, each with its nationalistic designation.

But good luck to Prof. Cornell for his well intentioned proposal. Nevertheless, we'll lay dollars to doughnuts that if the professor could be around here 100 years from now he'd find these arrogant but equally well intentioned "Americans" still calling themselves "Americans."

7-0-1 Season

National Review supplies a significant report on the experience of the Right to Work laws (which provide that each worker can decide for himself whether or not to join a union, and is legally protected from coercion by either management or the union) in states where they played a role in last November's election: "The so-called National Council for Industrial Peace, an AFL-CIO front for compulsory unionism, made Right To Work an issue in seven states, in the hope of defeating candidates and incumbent who upheld voluntary unionism. In Indiana, Utah, Kansas, New Mexico, Vermont, Oklahoma and Virginia, Right to Work forces were swept to victory. In Delaware, voters elected a governor opposed to Right To Work while retaining a legislative majority in favor of it."

Putting the results in box-score form, Right to work had a 701 season—that is, it won seven contests, lost none and tied one. That's an impressive record by any standard. If Right to Work were a football team, it would have been a cinch for a major bowl! It looks as if the American electorate thinks people should have freedom of choice when it comes to unionism—just as they have freedom of choice in deciding to join or not to join other private institutions and organizations.

GRASS ROOTS OPINION

SHELBY, MONT., PROMOTER: "President-elect Kennedy had much to say on the subject of lost prestige. Statistics disclose that during the past five years under the American capitalist system, our national income totaled \$5 trillion. The workers' share of this was 67%; professional people (lawyers, doctors, teachers) 11.9%; farmers, 5.5%; landlords, 3.2%; bond holders, 3.2%; corporations 5.7% (gross income.)"

Whether or not this gives us the power to dazzle or charm or whether it promotes jealousy, we are not going to say. We don't even know that it promotes general admiration, but we would surmise that such an accomplishment might command respect, esteem and honor."

ELDORADO, KANS., TIMES: "Running the paper to please one's self is highly desirable. But most editors can't even do that. Every issue of their sheet is full of boneheads that only God knows how they got there. Moreover, editors truckle first to finicky subscribers, second to employee demand and third to Uncle Sam, who is always around with outstretched hand whether the place makes any money or not. As we say, if one can overcome those irresistible forces in the making of a newspaper, and please only himself, he should be credited with pulling the neatest trick of the year — any year."

CLARISSA, MINN., INDEPENDENT: "Fourteen of 21 nations invited to check their weather conditions coordinated with the eyes of the new weather eye, Tiros II, orbited by the United States, have shown an interest in cooperation. They will get relayed from Tiros for comparative analysis with their observations. The Soviet Union, one of the original 21 had not accepted when the weather eye was successful. It preferred to decry the Tiros as a spy satellite

News From The County Agent

There will be a Soil Testing demonstration at the Friberg-Cooper Methodist church on Friday, Jan. 13th beginning at 10 a. m. The group will meet in the annex of the church and then go to the Herbert Adams farm to take soil samples. All interested farmers are invited to attend.

Now is a good time to set out fruit trees and shrubs, if you are planning on setting some out. Be sure and purchase the varieties recommended for this area.

A fruit pruning and tree setting demonstration will be held on the Willie Morton farm, Friberg-Cooper community, Monday Jan. 16th beginning at 1:30 p. m. This program is being sponsored by the Wichita Falls Times and Record News and Friberg-Cooper community. Any one interested in learning how to prune peach trees and set out fruit trees is urged to attend. Mr. V. A. Randolph, Supt. of the Montague Experiment Station, will be in charge of the demonstration. It should be of interest to the folks that attended last year to see how much the trees have grown. Mr. Randolph will also discuss spray programs for peaches & plums.

We have a new supply of the 1961 Farmer's Tax Guide that you may pick up at the county agents office. They are free.

January and February is a good time to prune trees. A thumb rule to follow in pruning peach trees is to remove 2 to 4 inches of new growth. Be sure and cut out all dead limbs. Remove all pruned limbs from around the tree and burn them.

Have you ever had soil tested? Now is a real good time to do that job. It only costs \$2.00 You may carry your soil sample to one of the Soil Stations in the county and they will send it in for you. They also have cartons and instruction sheets.

Several Wichita County 4-H club boys and girls will enter steers and beef heifers in the Ft. Worth Fat Stock Show. The animals will go down to Fort Worth on Wednesday, Jan. 25.

The District Steer Show, sponsored by the Wichita Falls Junior Chamber of Commerce, will be held Feb. 8-9-10th at the 4-H Barn in Wichita Falls.

The number of layers on farms in the United States during the first half of 1961 will be less than the number of farms during the same period in 1960. This decline will result from the reduced number of chickens raised during the spring of 1960. This reduction in the number of layers is likely to be between 5 and 8% from the Jan. 1, 1960 level of 318 million.

A tight egg supply, smaller than the comparable 1960 monthly production, is the main reason for expecting that egg prices in the first quarter of 1961 will be relatively favorable to producers. Another reason is that 1961 will begin with egg prices at a relatively high level.

Because of the producers intentions expressed at this time it seems likely that turkey production will increase significantly from the 82.3 million birds produced in 1960. This being true, prices are likely to average lower in 1961, this is especially true after April.

BURKBURNETT... HISTORY

Revealed By The Star Files 10 Years Ago . . .

Mr. and Mrs. E. E. Hardin of Norman, Okla., spent Tuesday with Mr. and Mrs. J. C. Hinkle and family.

A building project to be undertaken by Farmers Coop Gin of Burk calls for a new \$125,000 plant here. The new structure and machinery will be located at the same old location corner of Ave B. and 4th St.

Dean Burk Receives Bachelor of Divinity From Southwestern

Mid-winter commencement exercises at Southwestern Baptist Theological Seminary, Jan. 20 will feature the address by Dr. Ollie Edmunds, president of Stetson University, De Land Fla. and the graduation of 127 students. One will receive combination degrees making a total of 128 to be presented. 85 by the School of Theology, 43 by the School of Religious Education, and 5 by the School of Church Music. Twenty states are represented in this years mid-winter class.

Students journey to Southwestern, the largest institution in the world for the training of religious workers, from 35 states and 12 foreign countries. Dean Burk is the son of Mr. and Mrs. E. M. Burke, 1101 N. 11th St., Frederick, Okla.

He is pastor of the Baptist church at Devol, Okla.

DEVOL NEWS

Mrs. C. O. Woodley, Reporter

Mr. and Mrs. C. S. Monson are visiting their granddaughter Mr. and Mrs. Paul Hammonds in Lubbock and getting acquainted with a new great grandson who was born Dec. 24th. Mrs. Hammonds is the former Yvonne Davidson.

Mr. and Mrs. W. H. Stevens transacted business in Frederick Saturday.

L. D. Keithly who has been quite ill in a Wichita Falls hospital was removed to the home of his daughter, Mrs. Jim Miracle in Grandfield Saturday.

L. E. Jeffreys was reported ill with the flu last week.

Raymond Hutson and Lenton McCleendon of Cameron College spent the weekend at home.

Mr. and Mrs. Joe Champion and children Jojo and Shirley spent the weekend visiting the Donnie Coker family in Bowie.

Mr. and Mrs. K. L. Smith were called to Sentinel, Okla., over the weekend by the illness of a relative there.

Mrs. Callie Baumhardt returned home Sunday from Wichita Falls where she visited relatives and also visited her step father, Mr. Moore who is a patient in a Wichita Falls hospital.

She was accompanied home by her brother, Mr. and Mrs. Edd Hillman and nephew, Don Hillman and daughter Cecilia all of Wichita Falls.

Mr. and Mrs. Dick McLain of Grandfield and Mrs. Eva Philippe of Wichita Falls were Sunday guests in the C. O. Woodley home.

Mr. and Mrs. G. A. Woodley of Wichita Falls were Devol visitors Saturday.

Mr. and Mrs. K. L. Smith, Mrs. Pearl Cates and Mrs. Pearl Coker were Wichita Falls visitors Wednesday.

Mr. and Mrs. Robert Hopkins have been remodeling their home with several rooms being enlarged and painted.

Devol Demonstration club will meet Thursday Jan. 12th with Mrs. Callie Baumhardt.

Mrs. Dolly Hardin is expected to be returned to her home after undergoing surgery in a Wichita Falls hospital last week.

Mrs. Ethel McCasland has returned home after spending the Christmas holidays in New Jersey with her daughter, Mrs. David Mulheren and family and visiting many places of interest.

BAPTIST CHURCH NEWS
The Tilman Baptist Association Workers conference will meet Monday, Jan. 16th at 6:30 p. m. in the First Baptist church in Snyder. All members in this area are encouraged to attend. The host church will serve supper and the song service will begin at 7:30.

A training union study course on Methods was conducted recently by Jr. union. The group met for an all day meeting at the church on Dec. 27th. Those who earned study course awards were Mike Garvin, Bryna Harrison, Rosemary Hopkins, Lenton Jeffreys, Billy Slabaugh and Dean Burk.

Attendance, Jan. 8th was 39 in Sunday School and 20 in Training Union.

Grandstands were first used at Circuses.

FUN... AND WORK

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Birth certificates were to the following parents last week: Mesdames:

Robert Allen Yow, Charles Bruce

Bridge Classes YWCA Wichita To Start Jan.

Many people in this area are asking about the disability provisions of the Social Security Act, Erton F. Tate, manager of the Wichita Falls Social Security District office, declared today.

These provisions have drawn the interest of some people who are temporarily out of work because of an injury, Mr. Tate continued. However the law was not written to insure the risk of temporary disability.

Mr. Tate explained that under the law the definition of disability is "inability to engage in any substantial gainful activity. The condition must be expected to continue indefinitely or to result in death. It can be either physical or mental, but it must be so severe that it is not likely to be improved by medical treatment to the point of making it possible to return to work."

An example might be a worker who breaks a leg. He knows he will probably be off the job for as much as three months. This might have some effect on his social security record, but when his whole working history is considered upon retirement, the effect would be small. This worker would have every reason to believe he would return to work in the foreseeable future. For this reason, his disability, because it is temporary, would not qualify him under the social security disability provisions.

On the other hand, a worker who discovers he has a severe case of tuberculosis that prevents him from doing any kind of work, has no way of knowing when he will be able to return to work. Therefore, he should contact the Social Security office to inquire about applying for benefits.

Mr. Tate noted there are other requirements that must be met before a worker's social security benefits can be paid. Among these is the work requirement which states that a worker must have social security credit for

Contract bridges for beginners and interested students are to start Tuesday, Jan. Thursday, Jan. 12th, at the YWCA in Wichita Falls. Both of these consist of eight two hour lessons. The lessons are being offered at 11:30 a. m. and 7 p. m. so that they are available to everyone. Mrs. Milton bridge instructor for the course will feature the count system.

All Burkburnett residents are invited to attend the course. For additional information call the YWCA, 725

Burk Study Club Meeting With Mrs. Henderson

The Burkburnett Study Club held its first meeting of the year Jan. 9th at the home of Mrs. Howard Henderson. Mrs. Claud Meadows was co-hostess. The roll call was answered with "Important Cities in Central America." Mrs. Philip A. Carpenter, Federated Counselor, gave the latest information on club reporting. The questionnaires and rules will be in the January and February Texas Clubwoman magazine. The club plans on having a workshop in the near future.

Mrs. Jack Robertson gave a report on the Thanksgiving basket given to a needy family. Mrs. Weylon Piper, chairman of the division of communication in the education department, urged the club members to work for better broadcasts for radio and television. She suggested we write to the sponsors or stations and let them know our preference.

The club voted to award two prizes to high school seniors entering the Art Talent Contest sponsored by Hallmark

Cards.
 The club sent letters to our State Representatives and State Senator endorsing Gov. Daniels Highway Safety Commission & Texas Safety Association program. Gov. Daniels points out new legislation is important on State Aid for Driver Education, A stronger Driver License Law, A chemical Test Law, Traffic Courts and An Increase of Texas Highway Patrol strength.

Mrs. D. H. Smith gave a report from the Health Dept. She said within the year a new polio vaccine to be given by mouth, will be developed and also a new vaccine will soon be available to prevent measles. Mrs. George McClarty, program leader introduced Mrs. Harold Van Loh, who gave a Devotional. Then she presented Mrs. Philip A. Carpenter, who displayed wooden plaques of Honduras, Mahogany, hand carved by the natives, book ends and money from Honduras. From Bolivia she displayed weaving, silver, handicraft and money.

Mrs. Carpenter stated Bolivia is the only country in South America except Paraguay without a sea coast. The highlands or altiplano, is the most widely known region of Bolivia. Land ownership is concentrated in the hands of a few persons or families whose homes are in the capitol city of La Paz. La Paz is the highest capitol in the world. It is over 12,000 feet above sea level. It has a population of about 350,000 and an estimated 424,162 square miles. It is about the size of Texas and

OFFICIAL NOTICE

In compliance with section 11 of Article 3912-I, as passed by the 55th Legislature, Regular Session, notice is hereby given that the Commissioners' Court propose to increase the annual salaries of County Officials, as set out in the following schedule. That said increase will be considered by the Commissioners' Court of Wichita County, Texas, on January 23, 1961.

Wesleyan Guild Met With Mrs. Coy Jones

The Wesleyan Service Guild met in the home of Mrs. Coy Jones, Jan. 3rd. Miss Lou Ann Grady presided. Mrs. Charles Kirsh read the secretary's report. Mrs. Lucille Duvall gave the treasurer's report. A very good report was given on worthwhile things done during the Christmas season. Food baskets were given to three families. Toys and clothes were included in two of the baskets. Two big boxes of clothes were given. Toys were given to a family of four children. A Christmas tree was taken to one family. Two of the very busy ladies took time out to make doll clothes to bring happiness to a little girl. One of the members held prayer in the home of a very needy family, who were very gracious. Flowers were sent to Mrs. Ida Willis.

Two members were absent from the group due to illness. Mrs. Homer Gilbert was not able to attend. Mrs. Ida Willis was in the hospital. The group hopes they will have a speedy recovery.

One member asked that the Guild consider a plan to fur-

nish Bibles to a Sunday School class. Mrs. Purdie invited the members to attend prayer meeting services each Wednesday evening at 7:00 p. m.

Mrs. Waneta Catlege and Mrs. Clyde Hayes gave the program entitled Christ Jesus, Himself, Our Heritage. Mrs. Catlege gave a prayer. Mrs. Hayes gave a vivid vision of Did You See Him? Mrs. Catlege gave the benediction to the program. The members received a blessing from hearing a lesson well done by two very qualified people. Sentence prayer followed. The meeting was closed by all members saying the Lords Prayer in Unison.

Delicious refreshments were served to the following members: Miss Lou Ann Grady and Mesdames O. E. Melton, Lucille Duvall, Joe Nichol, Chas. Kirsh, Leslie Toel, Jim Morris, J. D. Majors, Ruth Simonson, Jim Purdie, Clyde Hayes, Waneta Catlege, Earl D. Martin, Coy Jones.

Mrs. Catlege and Mrs. Melton will be hostesses for the February meeting which will be Feb. 7th. A good attendance is expected.

Card Of Thanks

I am sincerely grateful to friends and neighbors for the many cards, flowers, visits and telephone calls I received during my stay in the hospital. Your thoughtfulness has meant so much to me. May God bless each of you.

H. A. Goodwin

If you are nearsighted, you are myopic.

Legion Notes

Wilbur Snyder, Commander
Leon J. Dasher, Public Relations Officer

This Thursday night is not a regular meeting night, but would like you members to come to the Hall. Lets all get together & have a good visit. I want you all to know that I was well pleased with the turn out at the meeting last week.

As you all know this Friday night, Jan. 13th is Game Night at the Legion Hall and would like some support from my members. So don't let me down. Be at the game & enjoy an evening of fun. The public is invited and a free dance after games. Our snack bar will open under new management by one of our new members. I am looking for all of you Friday night.

CARD OF THANKS

I wish to express my sincere appreciation to the officers and members of Burk Chapter No. 655 OES and Burk Lodge No. 1027 for the flowers, cards and letters I received during my stay in the hospital. Your thoughtfulness will always be remembered.

Charles P. Skidmore

HOWARD CLEMENT, Agent
New Location — Next to Legion Ball

Mrs. Amy Walker and Miss Anna Bines, Home Economists for Texas Electric; Mrs. Ann Golding, Director of Women's Activities in Civil Defense and Miss Thelma Wirges, county HD agent.

Food for Health is the theme for the workshop, where such information as: Food for Older People; Food as Related to Blood; Food and its relation to Health; Preparation of Food to Save Food Value; Food for Civil Defense; and Planning Food for Health, will be presented. Mrs. E. A. Moore, chairman of the Wichita Council Food and Nutrition Committee says the workshop is open to all home makers interested in Family Health.

An apple a day may keep the doctor away, but it takes an orange a day or its equivalent to provide the Vitamin C recommended for maintaining good nutrition, according to Thelma Wirges, county HD agent.

A food consumption survey carried out by the U. S. Dept. of Agriculture showed that among more than 6,000 U. S. families whose food purchases were studied over a week's time, one in four was not receiving recommended quantities of Vitamin C. Except for calcium (obtained largely from milk) this was the nutrient most often short in diets judged in relation to nutritional goals recommended by the National Research Council.

Citrus fruits are rich enough in vitamin C to yield a days supply in one average serving such as a whole orange or a half grapefruit. But it also is present in significant quantities in cantaloupe, strawberries, potatoes, peppers, turnips, rutabagas, tomatoes; vegetables of the cabbage family like broccoli, brussels sprouts and cabbage; and in greens such as spinach, mustard and turnip greens. Of these latter fruits and vegetables, more than one average serving is needed to provide enough vitamin C daily.

Vitamin C is not stored in the body, reminds the agent. It should be supplied on a regular day to day basis. Every food contains some calories, the fuel needed to keep us moving. But some foods contain so many nutrients, vitamins, minerals and proteins, that every calorie is virtually loaded. Calories in meat, eggs, vegetables, fruits, milk and whole grain or enriched cereals are loaded with important nutrients that why they are so important even in reducing diets, according to Thelma Wirges, county HD agent.

Foods that contain a lot of fat and or sugar have less of the nutrients, but are high in calories. Excess calories can pile on pounds while your body is starving for some of the needed vitamins, minerals and proteins.

Learn to choose loaded calories. It can mean better health. An improved morale and appearance. Family members may enjoy rating their eating habits. Are You a Good Eater, provides an easy check list. It lists the foods needed daily and describes some of the most common symptoms for food deficiencies.

You can get a copy from your county HD agent's office, 305 Federal building in Wichita Falls.

A meteor is a disintegrated comet.

Texas motorists soon will be "seeing red" when they approach highway construction projects.

State Highway Dept. announced that the signalmen who direct traffic around construction projects will start wearing fluorescent red nylon vests and waving flags of the same bright material. Use of the new material has been adopted as an additional safety measure since it will be more visible, day and night. At night, flares will be used also. Same signals will be used by flagmen. Flag-holding arm fully extended horizontally means stop. Movement of the flagman's free arm means proceed.

Lake Succeeds Steakley — P. Frank Lake is new secretary of state, succeeding Zolie Steakley. Steakley was appointed associate justice of the Supreme Court.

Lake served as assistant secretary of state under Steakley for the past four years. An attorney, he formerly lived in Tyler. He is a lieutenant colonel in the Marine Corps Reserve, retired; married and the father of four children.

Poll Taxes Due — Texans have until Jan. 31st to pay the poll tax that will enable them to vote in 1961 elections. Despite 1961 being an off year, a major election will be held this year. U. S. Lyndon B. Johnson ended his 12 year career in the Senate by submitting his resignation to Gov. Price Daniel on the opening day of Congress.

Daniel appointed William A. Blakley of Dallas to serve until a successor is elected this spring. A special election to fill the office for the remainder of the term will be held April 4th. If no candidate receives a majority in the first election a run-off will be held from 30 to 40 days later.

In the last special senatorial election in April 1957, there were 23 candidates. Same sort of crowded field is expected this year with enough activity to give every poll tax payer his \$1.75 worth.

Inauguration Ceremony — Tuesday, Jan. 17th, Gov. Price Daniel and Lt. Gov. Ben Ramsey will be inaugurated. Since it is a third term for Gov. Daniel and a sixth for Lieutenant Gov. Ramsey, it will be "one of the simplest inaugurations in years, according to the Governors office. No parade is planned.

New Insurance Chairman — Former Dist. Judge Thomas C. Ferguson of Burnett has been named chairman of the State Insurance Board by Gov. Daniel.

Ferguson succeeds another district judge, Penn J. Jackson, who has returned to his bench in Cleburne.

New board chairman is also a former newspaperman, deputy district clerk, member of the Texas House of Representatives, mayor of Burnett and county judge. As he begins his service on the insurance board, one of the most pressing problems before it is whether to revise auto insurance rates.

Water Program Targets Set — Reorganization of the State Board of Water Engineers after the pattern of the State Highway commission has been proposed by Gov. Daniel.

Committee, composed of laymen to help in development of a state water program, endorsed broader lending authority for the State Water Development board. At present, the Board can grant loans to subdivisions for 1-3 the cost of a water project or \$5,000,000, which is less. A \$15,000,000 maximum is recommended by the Committee.

Church-School Conflict Appealed —

A group of Bremond citizens is appealing to the State Board of Education in protest of what it regards as a violation of church state separation. Bremond School District leases a Catholic church owned school building for use as a public elementary school and uses Catholic nuns as teachers.

This arrangement has been a source of controversy for some years. Finally a group of Protestant citizens brought the case before State Commissioner of Education, J. W. Edgar.

Dr. Edgar said he had no authority to prohibit the school board's hiring nuns, but he

strongly urged the district to get a school district owned building. Seeking more vigorous action, the protesting Protestants appealed to the State Board 2 elections to approve bond issues to build an elementary school in Bremond, a town of about 1,100 is located 70 miles southeast of Waco in Robertson Co.

Gas Dispute Before Court —

Texas Supreme court is considering three related cases involving whether a certain gas drilling process steps on neighboring property owners toes. Also at issue is whether the decision can be made in the courts or by the Railroad Commission. In all three suits, Delhi-Taylor Oil Corporation charges that operators using the sand-fracturing process in drilling are removing gas from beyond the limits of their lease. In sand fracturing, acids and liquids are forced into the ground to open crevices to permit escape of the gas.

Short Snorts —

Bexar County (San Antonio) Dist. Atty. Charles Lieck, Jr. has taken issue with the State Liquor Control Board on its new regulations governing private clubs. In a letter to the Liquor Board, Lieck was particularly critical of the regulation that permits board agents or peace officers to inspect a private club without a search warrant. Texas Republican Executive Committee will name a new chairman at its meeting, Jan. 16th. Thad Hutcheson, chairman since 1957, resigned.

Mr. and Mrs. Fred Key and son and Mr. and Mrs. Hugh Key and sons spent the holidays with their parents, Mr. and Mrs. Tom Key.

Lice on livestock are very common at this time of year. If you have lice you may spray with one of the following insecticides: 0.5% toxaphene or 5% methoxychlor or 5% malathion.

...the only car in its field beautifully built to go...

miles between lubrications

30,000 is the most famous number of the year. It's every '61 Ford owner's license to save. How can Ford do it? Conventional chassis lubrication fittings have been replaced with metal plugs that help protect each lubrication point against abrasive mud, dirt and dust. And then, for only about \$4 and about 20 minutes your Ford is ready for another 30,000! This is just one of the many ways the '61 Ford is built to take care of itself. Your Ford Dealer can show you more.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

Lubricates itself—You'll normally go 30,000 miles between chassis lubrications (which cost only about \$4.00 and take about 20 minutes) because Ford has replaced conventional grease fittings with a sealed-in lubrication system.

Cleans its own oil—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers... trapping more dirt than any other type of filter made.

Adjusts its own brakes—New Truck Size brakes adjust themselves—automatically.

Guards its own muffler—Ford mufflers are double-wrapped and aluminized to last three times as long as ordinary mufflers.

Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

Takes care of its own finish—Just wash and clean Ford's new Diamond Lustre Finish and it continues to glisten like new. It never needs waxing.

Only FORD is beautifully built to take care of itself

Changing Times Magazine Proclaims "Fabulous" 15 Years Are Ahead

By 1975, a nation that has grown to 230 million in population will have built an additional 22 million homes, cooked dinner in "miracle" kitchen, rely on ultrasonic sound waves to wash clothes, which will be made mostly of synthetics, eat meat that is tenderized on the hoof and frozen-dried fruits and vegetables, and drive cars of lightweight aluminum, steel or plastic, according to Changing Times, the Kiplinger Magazine.

The current issue of the magazine, looking ahead for the next 15 years, points out that ideas which may seem far fetched now are not nearly so remote as present day products—jet planes, dishwashers and disposals, antibiotics — were 15 years ago, at the close of World War II.

Examining the "fabulous fifteen years ahead," the magazine editors see a population growth from 182 million to 230 million; a gross national product in the neighborhood of a trillion dollars; inflation that will shrink the dollar another 25%; individual incomes that are up 50%. The most growth will be in the West, Southwest, Southeast and the upper tier of the midwestern states, they predict, with the biggest population boosts coming in small fry, teenagers and young adults.

All this growth, according to the editors, means more homes, more jobs, more schools. The working force will be around 100 million, over 30 million of them women. A higher percentage of them will be white-collar workers and the trend from farm to city and industry will continue. Professional people will be in demand and the coming construction boom will make jobs for contractors, carpenters, electricians, & plumbers. The government, particularly state and local government, will employ about 25% more people.

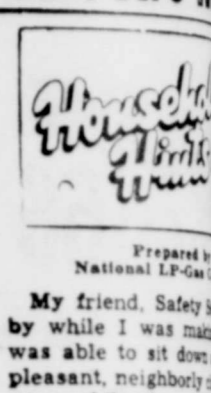

Phenomenal Computers

Computers will develop a phenomenal capacity to remember and analyze data, the article continues. They will be used in production, in management, in government planning, in medicine and in air travel. The electronics industry will make dramatic strides in developing machinery for data processing. Automated machinery, using electronics as its brain and hands, will take over much of the manual work done in factories.

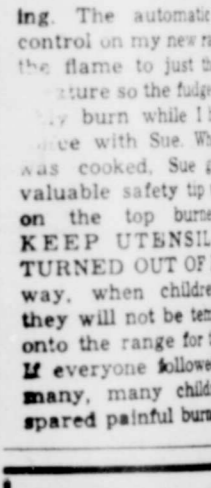

Plastic Houses

In housing construction, the editors predicted, builders will have to trim the price of construction to equalize rising land costs. One way will be more pre-fabrication of wall and roof panels, flooring, brick work and even plumbing and electrical assemblies. Houses will be made of plastic, walls, floors, exterior, even the roof, with colors molded in, thus solving the problem of painting and maintenance; aluminum panel switches may eliminate structural framework since they would be load bearing. Such walls, hooked up to an electrical current, could also be used for heating, as could decorative wall surfaces of aluminum. Porcelain-enameled aluminum bathroom equipment is on the way, as well as more lightweight aluminum appliances.

Quality Printing, Ph. 569-2191

My friend, safety is a valuable safety tip to be on the top burner. KEEP UTENSILS IN TURNED OUT OF THE way. When children will not be tempted onto the range for stoves. If everyone followed many, many children spared painful burns.
