Lewis D. Mann
Manager

Following are actions taken on various items considered by the City Commission in its regular meeting last Monday evening.

Mr. Mann reported that the following favorable action on the recommendations of the Planning Commission by requiring all new street paving to conform to the city's new paving specifications, even though the sub-division plat may have already been approved by the city. For the new specifications applied only to future plats submitted for approval.

This means that new streets begun in present sub-division tracts must have a minimum pavement of 1 1/2" hot-mix asphalt surface on a stable 6" flexible base. Truck bases will be required on more heavily traveled streets or thoroughfares.

Mr. Mann reported that the old light plant building to be used in the future as a municipal garage.

Called election for April 4th to fill two vacancies on the City Commission which will be caused by the expiration of term of office of Mr. Winston Freeman and Mr. John Page. Candidates seeking office must file by 5 p. m., March 3rd.

Considered a dog ordinance, which was tabled until the next meeting in order to permit more study by the Commission.

Received the monthly Corporation Court report for Jan., 1961. The report showed 27 citations issued for speeding, 12 for running stop signs, 2 for improper license, 1 for no driver's license, 1 failure to give right-of-way, 1 driving on wrong side, 1 simple assault, 2 improper muffler, 1 illegal parking, 1 failure to dim lights, 1 running red light. Corporation Court fines amounted to \$114 for January.

We hope everyone will participate in the Pancake and Sausage Festival this coming Saturday sponsored by the Lions Club. The Lions Club is due our warmest commendation for the many civic projects undertaken and accomplished. Plans are underway for trash receptacles for the downtown area. Other projects are under study. Our thanks to Bill Browning, president, and to a group of wonderful fellows.

City Planning Commission Met Thurs., Feb. 9th

The City Planning Commission met last Thursday afternoon, Feb. 9th, for their second meeting.

Much discussion was had concerning city-wide planning. An announcement was made that the first phase of the comprehensive city plan, being prepared by Joe Ward Engineers of Wichita Falls, was almost complete.

Only action taken by the Planning Commission in this 2nd meeting was their recommendation to the city Council to take whatever action was necessary to assure that all future street construction meet the city's newest paving standards, regardless of whether the sub-division plat has previously been approved by the city.

Members of the Planning Commission are: Mr. Alvin Hill, chairman; Dr. Jos. Davey, Mrs. Philip Carpenter, Mrs. Jack Mathis and Mr. Claud Meadows. Their next scheduled meeting is March 2nd.

Judy Roy Finalist For National Merit Scholarship Award

Judy Roy senior at Burk Burnett High School has been named Finalist in the 1960-61 National Merit Scholarship Program competition and has been awarded a Certificate of Merit.

Principal Roy L. Silkwood announced that she has received the Certificate which attests to her high academic promise.

The senior attained Finalist status by her distinguished performance on two tests and upon endorsement by her high school. About six-tenths of one per cent of the seniors in each state received the awards. Approximately 9,800 students in the 50 states and in the United States territories were honored.

The Certificate of Merit winners represent our most valuable national resource, our talented youth, said John M. Stalaker, president of the National Merit Scholarship Corporation. These exceptionally able students deserve the recognition and encouragement of every citizen concerned with the future of America.

The Merit Scholars to be announced April 27, 1961, will be selected from the Finalist group. She will receive scholarships from the resources of the National Merit Scholarship Corporation and from sponsoring business corporations, foundations, associations, and individuals. In 1959-60, 115 sponsors participated in the Merit Program.

March of Dimes Basketball Game February 20, 1961

On Monday Feb. 20th at 7:00 p. m. a basketball special will be presented for the people of this area solely for the purpose of attaining donations of any kind for the March of Dimes. All people are invited to attend free as the doors of the Burk Burnett gym will be opened at 6:30 p. m.

The Burk Burnett coaches and faculty will play host to the Electra coaches and faculty.

The now famous Burk Burnett hoopers boast of the fabulous Roy "Showboat" Silkwood, Jack "Fastbreak" Robertson, Walter "Let me shoot" Koller, Bill "Hook shot" O'Brien and the defensive master mind of J. T. Reasoner. James "Hussle" Pearson, Charles "Toddie" Wiggs, Dandy Dick "Capehart" Lindsey, and Bryan "Gimmie a shot" Farris, will also be on hand.

The Hometown folks will also thrill to the spectacular feats of coaches Jack Hess, Larry Price and Homer Young with the support of the Electra faculty. With such a star studded field, don't dare miss it.

Last but not least the game will be kept on the up and up by two most prominent officials in Basketball stands today, Glen (your walking) Lynskey and Duke (technical fowl) Owens.

Robert E. Hancock Accepted in Navy

Robert Edwin Hancock, son of Mr. and Mrs. Hancock, 511 Harriett Drive, Burk Burnett, was enlisted into the U. S. Navy through the Navy Recruiting Station, Wichita Falls on Jan. 26th and is undergoing training at San Diego, Calif.

Lions Club Big Pancake Festival All Day Feb. 18

An estimated 800 to 900 are expected to attend the Pancake Festival, to be held here in Burk Burnett, at the Town Hall, Saturday, Feb. 18, according to Bill Browning, president of the Lions Club. Plenty of pancakes, home-made sausage and coffee is the order for the day. Doors will open at 6 a. m. and serving will continue until 8 p. m. Prices are \$1.00 for adults and 50c for children.

This festival is an annual event sponsored by the Lions Club. Proceeds are used in helping to buy glasses for needy children and for other projects such as Sight Conservation, Park Beautification, and other community projects. At the present time plans are underway to place trash containers in the downtown area. All proceeds from various money raising projects are placed in a separate fund on deposit at the First National Bank and reserved for various community projects.

Helping as cashiers during the festival will be Mesdames C. M. Archer, Lahoma Wood, Arnold Oliver, Clovis Mann, Melvin Bailey and Mrs. Ruby Wooten. Helping in the kitchen will be Harry Dodson, chairman; Dick Chambers, Clovis Mann, Clark Gresham, H. D. Smith, and Haskell Draper. The Junior Class from Burk Burnett High School will wait on tables.

On behalf of the Lions Club Bill Browning, president, extends a hearty invitation to the public. Bring your wife, children and friends, Mr. Browning urged. He also extends, on behalf of the club, appreciation and thanks to Mr. J. C. Hinkle who bought, fed and butchered the hogs; making between 500 and 600 pounds of good home-made sausage.

Mr. and Mrs. J. C. Adams had as their week-end guests, Misses Jill Jones and Charlotte Jacks of Denton. Sunday guests were Mr. and Mrs. J. S. Adams and his nephew and son, Mr. Marvin Russell and Dickie, of Monahans, Texas. They were flown here by Mr. Russell to celebrate the birthday of J. S. Adams. It was a surprise to the Adams brothers courtesy of a son-in-law. All had a wonderful dinner and toured the town. Mr. Russell had not visited in Burk Burnett since his release from the Air Force. He was stationed in Scotland 3 years. This was Mrs. J. S. Adams first flight, now she says she will not be afraid to fly with so trusted a pilot.

Visiting Mr. and Mrs. Clark Gresham is Mrs. Gresham's brother, Wesley Smith.

Visiting the Buddy Byars was Mrs. Lorena Byars from Vernon. Mrs. Lorena Byars is Buddy's mother.

Mr. Clyde Feed is scheduled to undergo surgery Feb. 13th in General hospital.

New Telephone Directories Will Be Delivered Here This Week

Cover of the new directory is a color picture of an oil well and cattle scene. The color picture was taken on the J. S. Bridwell ranch.

The new directory contains listings for Burk Burnett, Henrietta, Iowa Park, Wichita Falls and Charlie. Alphabetical listings for the five cities in the directory appear in separate sections. Classified listings in the Yellow Pages have been categorized in one section.

Delivery people will not pick-up old directories at the time the new ones are left.

Telephone people issued their standard plea for customers to remove valuables from between the pages of their old directories.

About 76,650 copies of the new directory have been printed for this area.

The new book contains about 38,000 listings, compared with approximately 36,800 in the 1960 issue.

ROTARY CLUB

Town Hall Each Tuesday 12:00 Noon
Bryan Farris, President
Bill Donnell, Secy.

Twenty-eight Rotarians and guests were in attendance at a regular meeting on Tuesday, Jan. 7th. George McClarty introduced the visiting Rotarians.

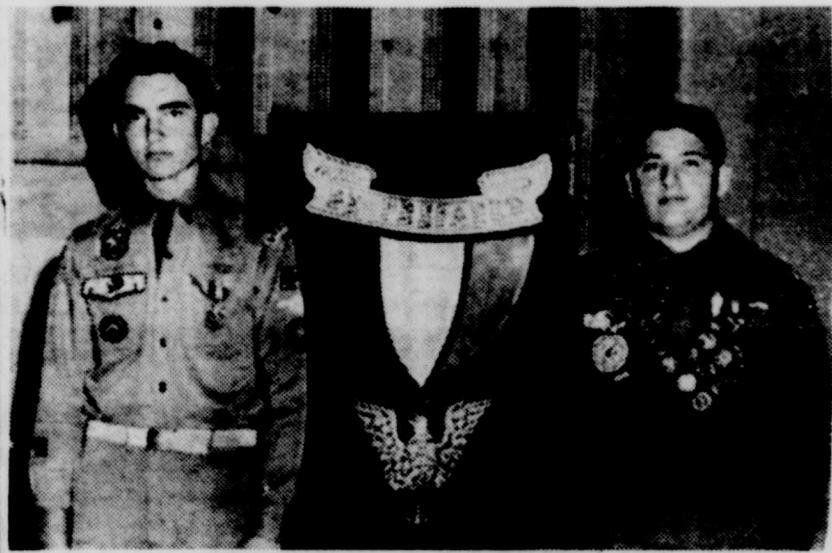

Mr. Morgan was responsible for the program and introduced Rev. Leroy Meyer, pastor of the First Baptist church. Rev. Meyer's subject was Play Ball. He stated that if everyone would practice the principles of ball players there would be a great change on this earth. Some of the rules he listed to help man enjoy a happier and fuller life on this earth were: Be the best man possible; Be the best player possible; Cooperation, pull together in one direction; Self denial and sacrifice; Have a vision for tomorrow; Enthusiasm and do something.

City-Wide Court of Honor Awards Two Eagle Scouts in Burk Burnett

MIKE MATHERLY

RICKY LANDRUM

Friday night the ambitions of two of Burk Burnett's leading Scouts were reached. Eagle Scout Awards were made to Ricky Landrum, son of Mr. and Mrs. Wallace Landrum and Michael Matherly, son of Mr. and Mrs. Raymond Matherly.

Ricky is a member of Troop 154, American Legion, of which his father was Scoutmaster for two years, and is now on the District Training Committee. Mr. M. D. (Doc) Glover is presently Scoutmaster. Ricky was 13 years old when he received the board of review. He has been to Perkins Scout Reservations for five years, to Colorado and Lake Texhoma for week long camps and is a member of the Order of the Arrow. Ricky already has attained five additional merit badges in excess of those needed for the Eagle Rank.

Mike is currently registered with Post 152 IOOF Lodge sponsor. The elder Matherly has been unit leader of his son in Cubs, Scouts and Explorers; he is now District Organization and Extension Chairman for the Chisholm Trail District. Mike

is a Senior at Burk Burnett High School, he has worked 2 years on the staff at Perkins Camp, he has attended camp six different years, and is also a member of the Order of the Arrow.

Both of these new Eagles will take the trip to Austin to make the report to the Governor with 38 other Scouts from the Northwest Texas Area Council.

At the Court of Honor, Merit badges were awarded to Matherly, Landrum and Rusty Ratliff, Troop 157. Larry Malone also of Troop 157 received his 2nd class badge. Marvin McDonald, District Advancement chairman, was in charge of the Court of Honor which was held in the First Methodist church. Joe Hughes, Council Eagle Board of Review Chairman from Wichita Falls was in charge of the Eagle ceremony. Assisting him were Eagle Scouts Frank Joiner, Post 15; Tommy O'Connor, Troop 13; and Jack Gardner, Troop 23; all of Wichita Falls. Adults assisting in the Eagle ceremony were Pete Jeffers, Herbert Salisbury, Jim Harwell and Ronnie Mullins.

Fire Department Hampered by Many Sightseers

Fire Chief, Harry Elliott, Fire Marshal Dick Chambers, and Police Chief Kenneth Gage warns against motorists following fire trucks to the scene of a fire. To do so is in violation of both the city ordinance and the state law.

Recently the firemen were hampered in getting to a fire because of motorists following the fire truck. By the time the firemen could get to the fire, sightseers prevented them from having easy access to the fire.

The Volunteer Firemen respond to the fire-call, using their own automobiles. They are required to have their lights on as a safety measure. Each fireman also has a tag on his car indicating that he is a fireman. Some thought has been given to having a red flashing light on the automobile, to be used exclusively on emergency runs. Nothing definite, however, has been decided.

"The desire to follow fire trucks is natural," Chief Gage explained. "It is, however, a very dangerous practice." Not only does it cause a traffic hazard, but could very easily cause a death, or the complete destruction of a home due to firemen being unable to reach the scene of the fire.

The police department will issue tickets to violators in the future. Motorists are warned to pull over to the curb and stop, not only to let the fire trucks through, but also to let the firemen through who will be driving their own personal cars with the lights on. It is just as important to pull over for these cars as it is the fire trucks, the fire chief explained.

Only 30 per cent Vehicles in Co. Inspected for '61.

Of the 54,112 registered motor vehicles in Wichita County only 30 per cent had been inspected to date, according to Captain Alan Johnson, Motor Vehicle supervisor, of the Texas Department of Public Safety.

Drivers are urged to have their vehicles inspected early to avoid the last minute rush. This time of the year is noted for adverse weather conditions which may be predominate during the next two and one half months. As a result the number of inspection days will be cut down since stations cannot inspect vehicles under these adverse conditions.

Texas law requires all registered vehicles in Texas to display a valid inspection sticker stated Johnson. All motorists not displaying a valid inspection sticker will be subject to a fine of \$1.00 to \$200.00 plus court cost.

Captain Johnson further advised that all licensed trailers having a gross weight exceeding 4,000 pounds are required to be inspected.

By having your vehicle inspected today, you will be driving a safer vehicle, Johnson pointed out.

Encourage U. S. Industry

There was a time when the main concern of management was production and marketing of a product, but that time has long since disappeared over the horizon of history. Everyone, from the popcorn stand proprietor to the board of directors of the largest corporation, must now reckon with forces that are outside the economics of running a business.

"In recent years," says the chairman of a major oil company, "the involved legislative, political and social problems of this country and the world have placed new and different obstacles in the path to successful business operations. Not the least of these are to be found here in the United States, the leading energy producer and consumer in all the world."

Even as consumer demands for the many products of the oil industry increase in astronomical proportions from year to year, the steady growth required to meet this demand is constantly threatened by the actions of government. For example, consider the continuing attack on percentage depletion. More than three decades ago Congress enacted a provision of the federal tax laws which recognized the unique problems of all extractive industries, including oil. This provision, which recognizes risks in finding and the depreciation in assets that follow the removal of every barrel of oil from a well, permits the producer of crude oil and natural gas to deduct 27 1/2% of gross income in computing his tax, providing the deduction be no more than 50% of net income from each producing property.

Percentage depletion has been a major factor in maintaining the oil reserves on which the petroleum industry and our oil driven economy are built.

America Growing Up

President Eisenhower's farewell address to Congress cited the necessity of preserving a sound currency and "bringing our balance of payments into more reasonable equilibrium—A year ago few people would have known what the President meant by referring to balance of payments. Now it is generally known to represent our loss of gold to other nations.

The American public has been growing up. Part of this growing up has come with the dawning realization that the United States is not invulnerable, either militarily or economically. Along with this realization has come an intensive effort on the part of business, industry and government to meet problems of foreign competition and restore "reasonable equilibrium" in the field of international commerce. An example of how private citizens can help restore this equilibrium is found in the operations of our American Merchant Marine.

The major overseas steamship lines of this country furnish unexcelled scheduled service to 400 major world ports. The freight and passenger rates of our ships are competitive with foreign lines. American flag companies maintain competent staffs, with full knowledge of overseas conditions, which are available to assist shippers with marketing and customer problems. By using American ships, shippers are supporting an indispensable American industry—a bulwark of national defense.

American flag ships contribute almost a billion dollars annually toward a more favorable balance of payments for the United States. They could contribute far more if American exporters and importers would avail themselves more extensively of the services of American ships. When an exporter utilizes American ships, he is exporting a service and contributing the dollar value of this service to a more favorable balance of payments for the United States. An importer can achieve the same objective by specifying shipment in American vessels.

Double Talk

When is insurance not insurance? The answer to that is the federal Old Age and Survivor's Insurance system. According to legal interpretation, social security benefits are no more than "gifts" handed out to social security recipients at the pleasure of the federal government. If you do not believe this, read the following testimony of the Social Security Administrator before the Supreme Court:

"The OASI program is in no sense a federally-administered insurance program under which each worker pays premiums over the years and acquires at retirement an indefeasible right to receive, fixed monthly benefit. The contributions exacted under the program are a tax. Consistent with the non-contractual nature of OASI benefits is the ruling of the Internal Revenue Service that monthly benefit payments are voluntary payments to the recipient by the government, a belief has developed, that benefits are paid as the result of a contractual obligation on the part of the United States government. This belief has been fostered to a considerable extent by publications and other statements of responsible officials of the Social Security Administration."

The Social Security Administration, for public consumption says: "Beginning January 1, 1960, 50c more social security tax

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

There seems but little doubt this first session of the new Congress with a new Administration, will be concerned about tax reformation.

In the past few years, most attempts, with a few exceptions, to adjust tax maladjustments have been met with the cry "the Treasury will lose." Thus, it would appear that the demands of the U. S. Treasury have become almost sacrosanct in nature. This is a dangerous point of view.

It will be much more to the point if all proposals to change the taxing regulations were to be considered from this point of view "what will this change do to stimulate the domestic economy of the United States?"

The northern neighbor Canada maintains a common sense attitude toward the welfare of its domestic business life.

For example, Canada recently did these things. They trebled the tax on dividends received by foreign parent corporations from their Canadian subsidiaries, and took the same action on the withholding tax on income earned by foreigners on Canadian stocks and bonds. They also put a special 15% tax on the income of branches of foreign owned corporations doing business in Canada.

Of course, the type of mentality in Canada that matches that which has so long prevailed in the U. S. State Dept. cries that these measures will discourage foreign capital from

coming into Canada. These walls are not cutting much ice with the government.

It has just gone ahead and offered new tax incentives to its own domestic business to encourage it to expand.

Canadian tax laws had provided that small corporations making \$25,000 or less per year, paid 21% tax, with 48% paid on earnings over that level. This, incidentally, corresponds with the U. S. rates of 25% and 52%. However, in order to give the small corporation a better opportunity, the firms can now earn up to \$35,000 per year before paying the higher rate.

In addition, they are permitting firms which develop new products, or new types of goods, to take the first year double depreciation on any capital investment made to produce this new wealth.

Of course, in the meantime, the northern tier of the United States is being flooded with cheap bread, baked in Canada by lower priced wheat. And in the timber areas, every cutting season Canadians pour into U. S. woods with their equipment bought in Canada, to take home more dollars to Canada.

Canada is also going to strengthen its protective tariff system. Some may claim Canadian government is unsound. Yet two world wars and Korea took a proportionately bigger drain out of Canada than they did out of the U. S.

Yet, Canada has lower taxes on business, and Canadian dollars, when exchanged for U. S. dollars, still bring a premium. It looks very much as if the U. S. government should take lessons from the Canadians on how to be "unsound."

on every \$100 you earn (and 50c more from your employer) provides: Monthly payments for you and your family at retirement, or when you are between age 50 and 65 and severely disabled, for more information on your RIGHTS and BENEFITS see your social security office."

As one actuarial authority observes: "When statements as self contradictory as these are issued by or collaborated in by the same government agency, it is certainly time for the public to take an interest in what is going on." This is doubly true when proposals are impending to extend social security to include "Free" medical care.

Mr. Roy Magers has returned to his home on Shannon Dr. after having surgery in the hospital. He has been receiving visits from many well wishers. Out of town guests have included: Mr. Magers brother F. Adair, Mr. Mafers brother, F. P. Magers, both from Ft. Worth and their daughter from Houston, Mrs. S. F. Shofner.

Visiting in the N. H. Harris home were the Huchins family from Nocona.

Mr. Bill Bean is still in the General hospital.

A GOOD APPEARANCE

Inborn in us is a desire to appear neat, clean, and attractive to others. We groom our hair, and wear attractive clothes. But let us not be concerned only with the physical appearance, for the light that shines from within is greater than any beauty treatment.

"...man looketh on the outward appearance, but the Lord looketh on the heart."

Attend Church Sunday.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Paul McDonald Gets Nomination for Military Academy

Congressman Frank Ikard, Representative from the 13th Congressional District of Texas, announced the nomination of Paul Thomas McDonald, son of Mr. and Mrs. Marvin T. McDonald, Box 871, Burkburnett, to the United States Military Academy.

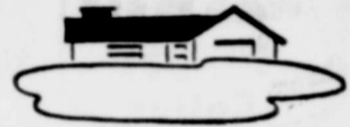

Congressman Ikard stated that his nomination will make it possible for Paul to take both a physical and mental examination in an effort to qualify for entry into West Point in July, 1961. In Burkburnett High School, Paul was active in most phases of the school extra-curricular activities including offices in the National Honor Society, Junior and Senior class President; was District Declaration Champion as an Eagle Scout. He states he is interested in nuclear physics.

The Garden Year

(Taken from Cheer Magazine, January issue).

January brings the snow,
Makes our feet and fingers glow.
February brings the rain,
Thaws the frozen lake again
March brings breezes, loud and shrill
To stir the dancing daffodil.
April brings the primrose sweet
Scatters daisies at our feet.
May brings flocks of pretty lambs
Skipping by their fleecy dams.
June brings tulips, lilies, roses,
Fills the children's hands with posies.
Hot July brings cooling showers.
Apricots and gilly flowers.
August brings the sheaves of corn,
Then the harvest home is borne
Warm September brings the fruit;
Sportsmen then begin to shoot.
Fresh October brings the pheasant;
Then to gather nuts is pleasant.
Dull November brings the blast;
Then the leaves are whirling fast.
Chill December brings the sleet,
Blazing fire and Christmas treat.

Evangelist At Bapt. Church 26--Mar. 5

26th years of age, Evangelist Freddie Gage of Houston, has earned a prominent place in the annals of Evangelism in the Christian Ministry. Gage is leading one of

the most potent Evangelistic teams in Southern Baptist history.

Since 1951 more than 2,000,000 persons have gathered to hear him in the 250 local churches and city-wide campaigns he has conducted. Over 21,000 have united with Southern Baptists under his dynamic preaching. He has addressed more than 300 high schools and college student bodies. Attendances have shattered all records in Southern Baptist churches where he has led campaigns.

FREDDIE GAGE

Radio and TV have carried his messages to thousands.

The Houston Chronicle by Stan Redding — The well dressed handsome young man stood resolutely under the huge sign, "God Can Do Anything," his arms outstretched in appeal to the crowded church.

Won't you come, young people, and give yourself to Christ? The young preacher beseeched in a firm voice, his eyes sweeping the congregation. God can do anything. The young Reverend was a pretty good living proof himself of that statement.

For a cop had to look twice these days and do his looking in the church to recognize Freddie Gage, former Houston Hepcat, a typical juvenile delinquent. But 'the Cat' is no more. In the place is Evangelist Freddie Gage, an ordained Southern Baptist Minister, recently tagged as America's foremost young preacher.

Freddie lived a hoodlum's life until his conversion, Jan. 28, 1951. He was becoming known to most of Houston cops by his first name. He was arrested by police on numerous occasions.

LED TEEN-AGE GANG
He was tried in court in 1948 and sentenced to Gatesville Reform School. Was later paroled to his father. A person who evidently should know, he says there is but one cure for delinquency and that is the saving power of Jesus Christ.

Freddie is married and the father of three sons. He has been lauded by police and church men across America.

Visiting in the home of Mr. and Mrs. Tommy Swearingen the past week was Jo Ann and Henry Scoggins.

Gospel Singing At 1st Bapt. Church Feb. 26--Mar. 5

JIMMY SNELEN

Gospel singer, Jimmy Snelen, 26 of Dallas, Tex., comes from a family, who for many years have been faithful workers in Southern Baptist churches. His dad, an active Deacon and minister of music, his mother a lovely, devoted Christian, gave him a wonderful Christian home and background.

Jimmy came to the realization that even as a child he needed a Savior, so as a nine year old junior boy, he yielded his heart to the Lord. Since that time he has taken an active part in the church and dedicated his unique talents and brilliant personality to Christ.

While a music major at Hardin-Simmons University, he was vocalist for the school world famous band and a member of the A Capella Choir. He furthered his voice study at Baylor University. You will be inspired as have congregations across the nation when you hear the heart warming songs, soul stirring "spirituals" and his golden trumpet. His dynamic approach to religious music has made him a greatly beloved musician. His winsome personality and spirited song leading make the song service a "never to be forgotten experience."

Not only does Jimmy possess a tremendously rich baritone-tenor voice, but he also plays the piano, organ and his trumpet treats will thrill you. He has been a recording artist with the noted Word Record Company of Waco, Tex., some four years, and recently has a new release entitled "Peace in the Valley." It is a 12 inch LP 33-1/3 RPM containing 14 of Jimmy's best loved and requested songs.

Because of his many remarkable talents, he is said to be one of the most versatile men in gospel music today.

Six years ago, Jimmy joined Evangelist Freddie Gage and has been labeled, "Freddie's right arm." Together they are one of the most highly successful and noted teams in Southern Baptist history.

Jimmy has a faithful devoted wife and two lovely daughters ages 7 and 4. They make Dallas their home and are members of the First Baptist church.

DEN 7, PACK 755

Den 1, Pack 155 met in the home of Mrs. Scoggins, their den mother, Wed. afternoon. The den opened the meeting with the promise. They then worked on this month's theme. The meeting was closed with a song.

The following members were present, Joe and David Knox, Randy and Mike Holland, Noel Trevino, Alvin Scoggins and William Rabon.

DEN 2, PACK 156

Dr. Bob Sims was seen in Wichita Falls buying music for the "Boottowners" (municipal band). Also visiting in Dr. Sims home was his brother, Herbert or else there was a double exposure.

Members present were: Billy Anderson, Eddie Martin, Ronald Letcher, David Hubbard, Mike Martin, Lester Eddins, Donald Brown and Charles Hubbard.

Refreshments were served by Donald Brown.

Charles Hubbard, Keeper of the Buckskin.

Legion Notice

The Blood Bank mobile unit will be in Burkburnett on March 1st at the Town Hall, says Joe Jancke. Dr. Davey states that he will have the telephones ringing for donors. The mobile unit will be here from 12 to 5:30 p. m.

The Civil Defense program was discussed at length at our last meeting. It is the legions opinion that the civil defense program needs quite an alteration.

The 42nd anniversary of the American Legion is March 14 and 15th. Post 264 has set the date for our anniversary to run concurrent with the legions. Some say that Post 264 was formed in 1922 or 1923.

Frances L. Perry, past post commander, will start his 33 post tour this week campaigning for vice district commander. The post plans to send out teams to these 33 towns to properly represent Mr. Perry. This will serve as a good will tour for the post also.

Feb. 16th is our all important meeting so every member is urged to turn out this Thursday and give your moral support to the endeavors of the working legionnaires. We need it. A pat on the back or a handshake, a well done Buddy, means a lot because that is all a legionnaire can expect for his long hours of hard work.

GAME-O every Friday at 8:00 p. m. Anyone can play 10 games for \$1.00 plus black-out.

Last Rites Were Held Saturday For Buddy Bowles

Funeral services were held Saturday afternoon in Owens & Brumley Funeral Home here for Carleton Elma (Buddy) Bowles, 49, who died Friday of injuries received in a shooting at Waurika, Okla., Thursday night. Burial was in Burkburnett Cemetery.

Bowles, a farmer, had lived in Burkburnett 25 years. He was a native of Ft. Worth.

He is survived by one son, A. B. Amarillo; his mother, Mrs. Mary Bowles, Dallas; two brothers, Al, Ft. Worth and Lloyd, Dallas; and three sisters, Mrs. Vivian Haynes, Dallas; Mrs. Jackie Talbert, Slaton, Tex.; & Mrs. Mildred May, Ft. Worth.

Blakley & Tower Lead In Campaign For U. S. Senator

Senator William A. Blakley of Dallas and John G. Tower of Wichita Falls are the leading candidates in the U. S. Senate race according to a private poll conducted by the Beldon Associates, well known Texas research organization.

The statewide survey announced Saturday also showed Blakley is the favorite in several possible runoff combinations.

Attorney General Will Wilson of Dallas ranked third in Beldon's poll. State Senator Henry B. Gonzalez of San Antonio was fourth and Congressman Jim Jim Wright of Ft. Worth was fifth.

Blakley leaders said the poll bears out their contention that Blakley, now serving an interim term in the Senate, is "the leading Democrat in the race." They declared he will "substantially lead Republican Tower or any other candidate."

In the event of a runoff between Blakley and Tower, the poll showed Blakley leading with 47% to Tower's 30. 23% of the voters said they were undecided.

In a Blakley-Wilson runoff, Blakley would lead with 40% to attorney general's 33.

If Blakley and Wright should be in a runoff, Beldon's poll showed Blakley would win with 54%. Wright runoff strength was 15%; undecided, 31.

One of the interesting findings was the relatively small undecided vote for this period in a statewide campaign.

In a comparison of all candidates' names on a "recognition" basis, Blakley and Wilson were equally well known, 81% of persons polled were familiar with Blakley's name; 81% with the name of the attorney general, who has just recently made his third statewide race for that office. Tower was next in "voter recognition" with 76%; then Gonzalez, 60; Wright 47; Maury Maverick, Jr., of San Antonio, 46. Other candidates showed little or no recognition. Here is how candidates rank-

Mr. Howard Clement, Developer and Builder In Burkburnett

The Magnolia Park Addition, Circle Plaza, Selena Heights, Ashton Addition and the Clement Additions are just some of the many areas which have been developed by Mr. Howard Clements, another one of our local developers.

Mr. Howard Clement has lived in Burkburnett most of his life, coming from Decatur with his parents at the age of 2. He resides at 714 Maple Ave with his wife Francis, and his four children, Carolyn, 18; Randy, 13; David, 10, and Steve, 10 months.

Mr. Clement has in his building operations some 45 to 50 men, most of whom are subcontractors. Most of his houses are of the Conventional type, although he does have FHA and VA. His houses range in price from \$5,000 to \$20,000. He will, of course, build to suit each individual, regardless of price range. He makes it easy for a person to own a home as he carries most of the mortgage and insurance through the "Howard Clements Insurance Agency."

Mr. Clement is an active member of the Chamber of

Baptist Church Plans \$100,000 Building Near New Junior High School

Citizens of Burk Burnett are fortunate to live in a community with some 14 or 15 churches. One of these is the First Baptist church where Rev. Leroy Meyer is the pastor. Meyer resides at 313 Ellis with his wife, Hazel and two children, Martha, age 11, and Bruce, age 11. Meyer's great ambition was to be an all star athlete. He entered the University of Oklahoma where he majored in Journalism and played both probaseball and football. He also played baseball with the Chicago White Sox. Later, when he felt the need to preach, he entered the Southwestern Seminary in Ft. Worth, where he

Church Buildings, Corner East 4th St. and Ave. D

completed his work for the ministry. He served as Director of Music and Educational Director for a church in Oklahoma City in 1941. He began preaching full time in 1942; coming here from Hugo, Okla., in September, 1956. The First Baptist church here is now composed of some 1,200 members, and has an average attendance of 700 in Sunday School. Plans are now underway for the construction of a \$100,000 building which will be located across from the new Junior High School. The building will be constructed by the Brice Burton Construction Company and will be of light brick. The building will be called the First Baptist church Extension. Mr. Meyer is an active member in civic affairs. He has been Chaplain for the Volunteer Fire Department for 5 years, and has also been President of the Little League Baseball for the past two years. He is also a member of the Lions club. Mr. Meyer believes the future of Burk Burnett depends upon the active participation of each individual for the coming year. "You get out only what you put in," Mr. Meyer said. The First Baptist church is located at the corner of Ave. D. and 4th streets. The church started a 12 week campaign for building their Sunday School attendance to the goal of 864. They plan to accomplish this on an award basis with an award being given to the persons attending 10 out of 12 Sundays. Each Department Superintendent will receive a flower (plastic) for each Sunday's perfect attendance, and at the end of the 12 week period he will have a bouquet of flowers for his class room.

THOUGHT FOR THE WEEK

REV. LEROY MEYER
Pastor First Baptist Church

"Blessed is that nation whose God is the Lord (Psalm 33:12) "The Wicked shall be turned into Hell and all the nations that forget God. Psalm 9:17. God has made a clear and definite promise in His Word to bless all the nations that honor him. History has demonstrated that God keeps his promises. The history of our own nation is evidence to this truth.

We should take inventory of the constructive forces that have made us a great country. Especially should we do this in these days when the world is torn by atheism and communism and when there are some within the borders of our nation that would discard the Faith of our Fathers & the high standards and high ideals of the past.

It is not the size of a nation that makes it great, not the number of its population, not its wealth, not the size of its armies and navies. There is something far more important. Not man, but only GOD can make nations great and strong. When Roger Babson was conferring with the president of a certain South American Republic, he was asked what made the difference between North America and South America. He pointed out that the early settlers of South America came in search of gold, while those that first settled in North America came in search of God.

The fathers of our nation were men of God and have handed down to us a great heritage. A nation's greatest possession is God. A nation's greatest peril is to forget the laws of God and to disobey His commandments. "Righteousness exalteth a nation, but sin is a reproach to any people." (Proverbs 14:34).

We today are the best dressed nation in all the world. We

are the best fed nation in all the world, and we have the best government in all the world in spite of the fact that we often have the best politicians in office that money can buy, and it takes more money to buy some than others. Yet our government is far superior to that of any other nation in the world.

The father of our country was a man of prayer. When Washington went alone and knelt in the snow at Valley Forge, God heard his prayer and gave his ragged and hungry little army the victory.

When the assembly met to draw up the Constitution of our nation, history tells us that there was much arguing and quarreling. They were getting nowhere until the wise men of the Colonies suggested that they take time to pray. After they had prayed, the quarreling stopped and in a very short time the Constitution guaranteeing our liberties was completed.

Through the years our nation has honored God and as long as we continue to do so God will continue to bless us as a nation but the same Bible that makes this glorious promise also warns of the danger in forgetting God. The same Bible that says, "Blessed is that nation whose

God is the Lord," also says "The Wicked shall be turned into Hell and all the nations that forget God."

Great nations in the past that felt secure were destroyed because of sin. Ancient Egypt, Babylon and Rome were destroyed more from enemies within than from foes without. We today are fast following in their footsteps. The increasing drunkenness and adultery, crime and lawlessness, irreverence, profanity and the many other existing evils are but the "Handwriting on the Wall."

We are becoming too sure of ourselves, too conceited, and too selfish. We need to take warning from God's Word: "Because I have called and ye refused, I have stretched out my hand and no man regarded; but ye have set at naught all my counsel and would none of my reproof I will laugh at your calamity. I will mock when your fear cometh.

If we mock God by our irreverence and indifference to His Cause and His church and disobedience to His commands, we can't expect Him to hear us in our hour of distress. Before it is too late we must take warning. "The wicked shall be turned into Hell and all the nations that forget God."

Snow Scenes February 5th-7th

Burkburnett experienced another snow and ice storm Feb. 5th through 7th, and to the delight of children, closing the schools on Tuesday the 7th. The fact the day would have to be made up was of no concern at present. The day was

spent in throwing snow balls, skating and building snowmen. Above pictures show a scene taken on N. 4th street, and Sally Jo Mann, 507 Shannon, spending her school day building a snow man.

Burdens We Must Bear

The Following is an editorial taken from the Wichita Record News, Feb. 7th:

Have you ever caught yourself explaining yourself? If its any comfort, everyone does it. You've been gruff and so you explain your rudeness with, "The Pressure of these days is enough to make anyone gruff". You forget an appointment and you explain, "Things have piled up so much that I'm fortunate if I remember my own name."

This is only the minor part of the problem. The real difficulties arise when we try to explain our moral delinquencies in the same manner.

Let a person start explaining his alcoholism, or the family rift, or the loss of concern for wastage of time and talent, and it usually adds up to the monotonous recital of a person's attempt to explain irresponsibility.

We live in a time when we've learned much concerning the circumstances which can influence a man's personality. Yet when a person shrugs off responsibility he misses and abuses that which which we have learned concerning environmental or inherited tendencies.

It is an ancient truth that the father's sins have set the children's teeth on edge. It is just as ancient a truth that a man is morally responsible. There's nothing to gain & everything to lose in sloughing it off with the excuse that a childhood was unhappy or there were certain fancied

When we shrug off deficiencies instead of confronting them we have taken the first two steps toward the loss of our right to live as free men. Should this present tenuous peace ever break down into a hot war, a stringent discipline would be demanded of all of us.

It was the faith of our founding fathers that we might be people who could develop inner constraints which would enable us to live as free men with a minimum of external restraints and that we could have this inner constraint in any circumstances.

It is inherent in our religious faith that we shall have to bear our neighbor's burdens; but first a man must bear his own burdens. For in bearing his neighbor's burdens, he discovers the need of a redemptive love that can sustain him.

Mrs. W. E. Owen is ill and in the hospital.

TELEPHONE TALK

by C. A. Deuschle, Manager

HOSPITAL CARE BY TELEPHONE

Each day a number of interesting or unusual communication problems cross my desk. While this one didn't happen here in Burkburnett, I think you'll find it interesting, too.

The day after Thanksgiving, a young mother was hospitalized. She needed medication and complete rest. Everything went well until she began to miss her three little girls who were too young to visit her in the hospital. To make matters worse, she worried about not being able to do her Christmas shopping.

When the nurses discovered what was troubling her, they had a quick remedy. A phone was placed next to her bed. She talked with her children every day . . . and, what's more, did all of her Christmas shopping by telephone. It's stories and services like this that make it possible for us to advertise like this: "You name any communications need, Southwestern Bell has a service to meet it."

"NOW HEAR THIS . . ."

Remember this old phrase made famous by the Navy? It was used to gain attention of crew members in all parts of the ship when new orders or instructions were communicated. When answers were required, all the crew members had to do was "speak up."

Now the folks in Burkburnett may have a similar communications system for the home. It is called the home interphone and offers many advantages to save time and needless steps. For instance you can talk from room to room, call people to the phone, even answer the door without leaving the room you're in.

Near each phone in the home is a small speaker which broadcasts the caller's voice. The person called can answer through a small microphone located in the base of the phone.

If you'd like more information about the home interphone, just call the telephone business office—or ask any telephone service man.

KEEP AN OPEN LINE

Once in a while a child or a household pet will cause the receiver to be off the hook. When this happens the phone is automatically closed to all incoming calls.

To make sure there are no lost calls to your home, it's a good idea to occasionally check the phones in rooms where the children play.

Members Selected for Newly Formed Municipal Band

Second auditions for the municipal band were held at South Center Monday evening with 30 more applicants participating. This brings the total number of auditions to around fifty. Auditions were held in Town Hall Monday evening, Feb. 6th.

Enthusiasm was very high as Mr. Sims, band supervisor together with assistance from Bruno Sawyer, Ray Irvin, Herbert Sims and Mr. McQuade listened to the individuals auditioning and assigned places in the band. After auditions were completed and placements were made the band played several numbers with Mr. Sawyer directing. Mr. Sawyer played for several years with Barnum

and Bailey, Ringling Brothers Circus band. He was highly pleased with the potential of our city band.

Dr. Sims stated that practicing would begin immediately. The band, so far, is composed mostly of young people. Dr. Sims is very pleased with the interest shown by the young people, and is confident of the future. He pointed out, however, that adults are also invited and urged to join the band.

Meats stay juicy...

...In the draft-free heat of a flameless electric oven

HERE'S WHY: A flameless electric oven requires no oxygen to operate, so there's no draft of constantly changing hot dry air to evaporate savory juices. You cook with sealed-in heat. As a result, more of the natural juices stay in the meat, there is less shrinkage and the meat tastes better. You'll like the speed, accuracy, ease and cleanliness of electric cooking, too. It's your modern, better way to cook because it's flameless. See your electric range dealer.
