Girl Scout Fund Drive to Be Held Monday Night, 7:00 to 9:00 p. m.

On Monday night, July 17th from 7:00 to 9:00 p. m. there will be a drive to raise funds for the Girl Scouts.

The rapid growth of scouting in this area indicates that there is a need for this program. Girl Scouts started at Sheppard Air Force Base in 1953 with five troops and 102 members. In 1957 troops were organized in Wichita Falls. The first troop were organized in Burkburnett in 1959. Burkburnett now has three troops with 66 girls and leaders. At the present time in Wichita County we have 55 troops with 1,723 girls and leaders.

All of these troops have been operating as lone troops, without assistance from the National organization, since a council has never been organized in the North Central Texas area. Interested citizens from this area have long realized that in order to be able to give our girls everything the program offers, it is essential that we have a council. With this aim in mind citizens from towns in the North Central Texas area have been working as a development committee for about fifteen months in an effort to form a Girl Scout Council. Mesdames M. D. Glover, Don Lewis and Gilbert Tereck from Burkburnett have been serving on this committee for the proposed Girl Scout Council in this area.

There are many reasons why it is important that we have a council in this area, a few of which are as follows:

1. Scouting for more girls. (11,000 girls of scouting age are in this proposed council. Only 1,000 are in scouting now.)
2. Camping for all girls who want it.
3. Training for all adults.
4. Services for leaders in the form of ideas, news and professional help.
5. A council office to aid registration and keeping records.
6. A girl scout equipment agency.
7. A democratic method of operations. (An elected board of directors from citizens in our area.)
8. Help from the national organization.

Everyone is urged to contribute generously to this worthy youth program. All the money collected on this drive will stay in Wichita County.

Mr. and Mrs. Cecil Wheeler and Lynette of Amarillo were weekend visitors in the home of her parents, Mr. and Mrs. F. E. Scruggs. On Sunday they all attended the Wheeler reunion at Bowie.

New Manager at The Palace Theatre

Mrs. Pauline Varner is the new manager at the Palace Theatre, and she invites all to come around and see a good motion picture. She states the theatre will be clean, cool and comfortable and will afford the best in entertainment.

She expects to start an afternoon matinee mid-week and to also start a Saturday night prevue soon. She says she will appreciate any and all suggestions, but do come out and see a good show.

If you will give us your birth date at the box office she will mail you a birthday present. No, she does not need to know your age; just your birth date.

Irma Ned Riley Burk Entry In Miss Texas Pageant

Miss Irma Ned Riley, daughter of Mr. and Mrs. Walter Riley, 604 East 4th St., has been selected to represent Burkburnett in the Miss Texas Pageant to be held in Beaumont August 2-3-4-5. The winner there will go to Atlantic City to represent Texas in the Miss America contest. Second and third place winners will receive scholarships.

The pageant for Miss Burkburnett is held each year in September at the Palace Theatre, under the sponsorship of the Modern Study Club. The winner receives an expense paid trip to Beaumont to enter the Miss Texas contest.

Irma Ned is a 1961 Burkburnett high school graduate and plans to enter Texas Christian University in Fort Worth this fall.

Thrift Memorial Baptist Church Completes New Auditorium

Thrift Memorial Baptist Church, 814 Tidal St., has just completed their beautiful new air conditioned auditorium. The first regular service was Sunday, July 2nd. This building is valued at \$60,000 and has a seating capacity of 400. The architect for the building was Robert Hall Associates of Dallas, and the builder was Mr. E. B. Burton of Burkburnett.

The exterior of the building is accented by a stained glass window and double cross. The equipment room is completely separated from the main building preventing any noise in the services. This building is made an integral part of the total structure by the use of a solar tile screen. The main entrance is at the rear of the building since the parking lot will be on the back of the lot.

The interior of the building is accented by the use of laminated arches and indirect lighting. The colors chosen are soft and produce an atmosphere of worship. The new furniture was

England Services Scheduled Friday

Funeral services for Mrs. G. T. England, Sr., 72, who died Tuesday in her home, will be held at 2 p. m. Friday in the First Baptist church here.

Rev. Leroy Meyer, pastor, will officiate. Burial will be in Burkburnett Cemetery under direction of Owens and Brumley Funeral Home.

Mrs. England, a native of Indiana, had lived in this area since 1923. She was a member of the First Baptist church and Order of Eastern Star.

Mr. and Mrs. Marvin E. Hurst and daughter spent the 4th of July holidays in the home of his sister, Mrs. Roy Williams in Oklahoma, and his mother, Mrs. Lucy Hurst, in Burkburnett. Mr. and Mrs. Francis J. Hurst and 3 sons of Midwest City, Okla., and Mr. Louie Welch of Oklahoma were also 4th of July visitors. Marvin Hurst and Louie Welch were old schoolmates at Union Valley, near Cooke Town.

Work Of Communism In America To Be Presented At Baptist Church

4-H Day Camp Tues., July 18th

A special program on "The Work of Communism in America," will be presented at the First Baptist church at the 11 o'clock worship hour this Sunday. The program will be presented by a group of young people from Abernathy, Texas.

This program will be based on facts obtained from one who has spent much time in Russia studying their way of life. It points to the fact that our young people are not being taught democracy and patriotism as the youth of Russia are being taught communism.

The program will be a challenge for us to realize the effects communism is having in America. The public is invited.

Attention all 4-H'ers in Wichita County. July 18th has been set as the date for Wichita County 4-H day camp. Activities will begin with registration at 9:00 a. m. at the 4-H barn on Hampstead Lane, and will continue thru the day.

Following registration the campers are to depart for the swimming pool where they will use the rest of the morning swimming. After a sack lunch (Don't forget to bring one), will be a short period of folk games followed by workshops. Mr. J. G. Simmons, District Extension Agent from Vernon, Detective Moon Mullins, Wichita Falls Police Dept., and Mrs. Ann Golding, Wichita County Civil Defense Director, will be some of the work group directors. Subjects covered will include juvenile delinquency, Record books and 4-H work, Civil Defense and Parliamentary Procedure for 4-H'ers.

Work groups will break up for a family supper meal at 7:00 p. m. After everyone has eaten there will be a sing song and a skit contest among the local 4-H clubs.

The camp activities were planned by Sonny and Karen Bentley, Joy Witherspoon, Glenn Baxter, Jeff Barfield and Sherry Swearingen. All are members of the camp planning committee and attended District III Leadership camp at Buffalo Gap prior to being put in charge of the day camp.

Why Not Attack The Causes?

Juvenile delinquency now becomes, by executive order of the President, a responsibility of the Federal Government. Three Cabinet officers, Attorney General Robert Kennedy, Welfare Secretary Abraham Ribicoff and Labor Secretary Arthur Goldberg, aided by a former Olympic hockey star are to dream up and execute a five year Pied Piper act in reverse at an estimated cost of \$10 million for the first year.

Meaning no disrespect to these eminent sociologists, we think the Administration could do more for youth by reforming our wasteful, spendthrift government, reducing taxes and checking inflation so that a single paycheck might again support a family. If mothers could return to her traditional duties in our economically broken homes the forces of juvenile delinquency would receive a greater assist than Federal millions will ever provide.

This might even help adult delinquency.

Grass Roots Opinion

CONTRA COSTA, CALIF., GAZETTE: "Despite evidence that federal subsidization of farm electrification has long since outlived whatever legitimate purpose it may originally have had, REA plans to spend some \$340 million in fiscal 1962. REA is just one of many tenacious 'temporary' panaceas that pyramid big government into bigger government. Like Tennyson's brook, their expenditures flow on forever, draining the purse and enriching the ever-growing flood plains of bureaucracy."

DOVER, DEL., STATE NEWS: "One of the most dangerous aspects of growing Federal intervention in the personal lives of all of us is the quiet, almost sneaky, way it comes about. The most powerful point used in getting city fathers, all over the nation, to get on the Federal aid program is a simple one. 'Here is something others are using. We would be foolish to pass up this money and these advantages.' The facts are simple if we just remember them. Government does not create wealth. It creates nothing. It takes the fruits of efforts and production in the form of taxes. And we pay and pay and turn around and beg for the return of our own money."

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

At this point, there is no way of predicting what, if any, tax reform will come out of this session of Congress.

The nationwide membership of the National Federation of Independent Business has brought to the attention of Congress that both major political parties have pledged in their platform forms to provide independent business with tax incentives to C. W. Harder expand, to improve facilities to compete.

At the present time, it appears that if tax concessions are made in one direction, there must be additional income raised. Thus there is talk of closing loopholes, such as eliminating the first \$50 of dividends or interest income as tax free, or making it law that no salesman can spend more than \$25 per day for travel expenses, regardless of conditions under which he must operate, or making it federal edict a Christmas gift to a customer or client shall not be over \$10.

This probably is not picking in its extreme sense, as the extra taxes realized in this manner would perhaps not finance one day of the foreign give away schemes.

On this subject of more billions down the rat-hole, Rep. John Dowdy says "If we cannot get enough votes to eliminate the fraudulent foreign aid program, our government ought or at least reduce it."

But Congressman Tom

son of Maryland, in discussing the subject, is not after peanuts. He says "The closing of tax loopholes would permit the granting of tax incentives to small business. Small business represents the broad base on which entire economy rests."

But his idea of closing loopholes is the big ones, mainly the vast, huge profits of American companies in their foreign subsidiaries which go virtually, or completely tax free.

His contention is U. S. is losing billions in taxes on more than \$30 billion invested by U. S. firms overseas.

A leading business publication recently estimated Colgate-Palmolive now gets 53% of its business and 75% of its profit overseas. Standard Oil (N. J.) gets over 50% of its business, 66% of its profits overseas.

It is indeed ironic that recently Hickman Price Jr., assistant secretary of commerce, in a speech, chided American business for trying to compete for world trade with machine tools made before 1946, while practically all machine tools in Europe and Japan were made since 1950. He also announced with pride that he took part in this government's give away programs to build up more efficient foreign production, which he feels has caused the drain of gold from the U. S. It's astounding that it does not get through to him that you cannot tax U. S. business to building up foreign competitors, and expect American business to be able to afford the modernization to compete. It's somewhat like a bookkeeper embezzling the firm's working funds, then accusing the boss of trying to operate on too limited capital.

Capitol News

In a few weeks the tour school children who will be able to see in Texas history the most beautiful of the new buildings on the Capitol grounds. The State Library and Archives Building, now nearing completion on a site directly across from the Capitol. Many years history minders have decried the fact that these early documents had no real home. These documents were housed in a mouldy basement but. There many for their safety.

Now, the new edifice provides the state historic documents with a magnificent home. In addition there are quarters for the State Library and the General Land Office.

More interesting to the visitor will be the way in which Texas history is dramatized in the architectural decor of the building. On each side of entrance are six large flagpoles. From them will fly the flags of the nations which have ruled Texas—France, Spain, Mexico, the Republic of Texas, the Confederate States of America and the United States.

Embedded in the stone of the front are bright colored mosaic shields. These also represent the same six nations. Smaller bronze emblems decorate the heavy metal doors at the front. Across the back of the structure, even larger shields, bear-

ing the six nation's seals in colored ceramics, are mounted on the face of the building. Pink granite, the "official" stone for the state building, is used for the entire exterior. Carved in the granite across the left front are these words: "The People of Texas do now constitute a free, sovereign and independent republic and... we fearlessly and confidently commit the issue to the decision of the Supreme Arbiter of the destinies of nations." (Texas Declaration of Independence, 1836.)

On the right front side is carved: "All political power is inherent in the people and all free government are founded on their authority and instituted for their benefit." (First Constitution of Texas, 1846.)

Although the building has 4 floors, there are seven "stack floors" where the building is divided for storage of books and documents.

One end of the main floor will be devoted to the library. There you will find a charge desk and a large reading room. Another large room will house the archives. In it there will be a large work room where researchers may look at old papers.

Land office to be on the third and fourth floors, will have a

separate entrance at the south end of the building. (Building faces west.)

First floor lobby, like the capitol rotunda, will be a Texas showcase. In its terrazzo floor is the familiar wreath and star emblem of Texas. Main walls are polished granite and upper wall is sandstone. Above the center of the area is a huge, spectacular oval light fixture of red, white and blue colored glass in a sunburst design with a border of 50 stars.

Museum cases, recessed and lighted, are built into the walls around the lobby. Opposite the lobby entrance is a large bronze screen with 15 blocks on which are wrought designs that present a panorama of Texas development. There's an Indian with tomahawk, branding irons, dueling pistols, the first Capitol (a small frame house) an early locomotive and a windmill on the prairie. Last block shows a gushing oil well.

Building of the State Library and Archives Building was authorized by the Legislature in 1957 with an appropriation of \$2,500,000. Project has been carried thru by the State Building Commission for which E. E. McAdams is chairman and Gov. Price Daniel and Atty Gen. Will Wilson are members. Admiral H. R. Nieman is

director of the building commission.

State Archives Building is the fourth of the new edifices erected since the building program began in 1957. It is neither the largest nor the most expensive, but because of the historical designs, it is attracting the most attention. Those who have had an advance peek believe that it will as intended, be a fitting residence for the heritage of Texas' 125 years.

Brownsville, Tex., is the only city in the US that ever had an ordinance prohibiting camels on main street.

The largest ranch in the US is the King Ranch in Texas, with 970,000 acres.

Turkeys, roasts, and the heavier cuts of meat are especially good at this season.

Furthermore, you can use them to beat the heat and cut down work of summer meal preparation. And the results are delicious, nutritious menus that win the praise of family and friends.

Here's how:—You don't have to stay in a hot kitchen while a roast, or ham is cooking. Start them and then let them cook while you run errands—or sit with your family on the patio after dinner—while you're sleeping (if your oven has a timer).

The happy outcome—meat that is ready in advance for warm weather meals built around tempting slices of turkey, beef or lamb.

NEWEST FARM TOOL, the Farm Interphone, makes it possible to communicate easily with distant locations. One feature is outdoor loudspeaker-microphone which permits conversations between house and farmyard.

NEW FARM INTERPHONE CAN SAVE YOU TIME, STEPS AND MONEY

The new Farm Interphone combines conventional telephone service with an inter-communications system for the farm, chicken ranch, or dairy farm.
By making it possible for you to talk to and from distant farm locations, Interphone can save you steps and valuable time.
The basic Interphone package consists of a master telephone in the house, an extension phone in the barn, milk shed or other farm building, and a two-way long-range loudspeaker outdoors. You can add additional extension phones and outdoor speakers to fit your individual needs.
Phones are equipped with special loudspeaker-microphone units that enable you to talk on the inter-communications system without removing the receiver from the hook.
The Farm Interphone can save you many times its cost by helping you make the most of your time.
It's easy to use. The cost is low. And equipment is maintained in perfect working order at no additional cost.

If you'd like to know more about the Farm Interphone, call your telephone business office. We'll help you plan the system that best fits YOUR needs.

LITTLE FRIEND

Any mother can tell about a child's love for her doll, and the world of *PRETEND* that they live in. They confide in the doll, reprimand them, and care for them.

The church is a real and true friend. The church may be counted on in times of need, in times of trouble, and in times of sorrow. The church also wants to share in your times of joy.

"A friend loveth at all times."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Ours

Community progress and community cooperation go hand in hand.

New homes, stores and other buildings are constructed... young people learn the lessons of thrift... parents finance educational costs, medical bills, cars and appliances — and local business and individuals go forward together.

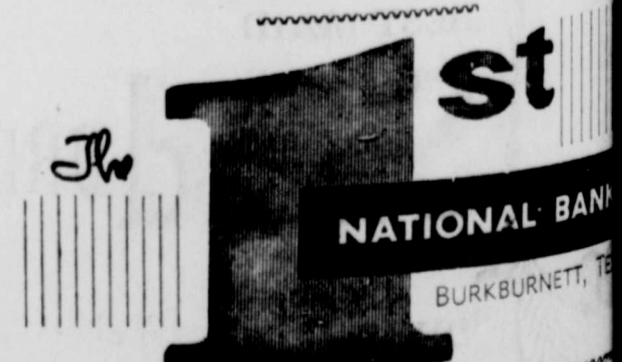

It gives us a feeling of civic pride to know that, through credit and other services, in every step of the financial progress of so many of our people, our bank has been privileged to have a part.

Working together for the progress of our community is your job and ours.

ROTARY CLUB

Town Hall Each Tuesday 12:00 Noon Bryan Farris, President Bill Donnell, Secy.

Briggs Todd

The Burkburnett Rotary club was host to District Governor Briggs Todd of Abilene on Tuesday, July 11. Mr. Todd, who is president of the First State Bank in Abilene, made his official visit to the local club. He will visit all thirty-seven Rotary clubs in District 579 which extends from Brownwood on the south to the Red River on the north, including Ft. Worth and Arlington on the East.

President Bill Vincent introduced Mr. Todd who discussed "Progress in Rotary." There are 29 members of the Burkburnett Rotary club and there are 2280 members in District 579. Members of the local club met Governor Todd in an assembly to discuss plans for the year's work. Mr. Todd was elected at the Tokyo Conference of Rotary International held June 1st.

Mr. Todd has 19 years of perfect attendance in Rotary and has been president of 3 Rotary clubs. He was president at Gilmer in 1939, charter president of the East Dallas club in 1948 and president of Southwest Abilene club in 1956. He is president and director of the First State Bank, Abilene; is a director of the Moran National Bank, Moran, and the Coahoma State Bank, Coahoma. He is a former president of the Greenville Avenue State Bank in Dallas. He was in banking in Gilmer 10 years before moving to Dallas.

Mr. Todd is a graduate of the University of Texas and of Rutgers University. He has been active in civic affairs in Abilene and is an elder in the Church of Christ. Governor Todd is a veteran of World War II. He was a lieutenant in the United States Navy. He and his wife, Marna, have two children, a son John Blake, a junior in Abilene Christian College and a daughter, Letitia, a student at Abilene High School.

Civil Defense Given More Emphasis By President Kennedy

Civil Defense, which has always been stressed as necessary to the proper defense of our country, but which has not received sufficient support from citizens, is now receiving more attention from the President.

President Kennedy has expressed a desire to establish an Office of Emergency Planning in the Executive Office of the President, and have the Air Force assume full responsibility for all air raid warnings, and the General Service Administration, all communication activities.

His advisers, however, are apparently disagreed over the type of shelter program to be adopted and Congress seems opposed, so far, to any appropriation for fallout shelters.

New Members Of Bluebonnet Club Honored June 28

The Blue Bonnet Garden Club honored three new members at a 9:30 Coffee in the home of Mrs. J. A. Johnson, 310 E. 4th Street, Wednesday, June 28th. New members are Mrs. Edith Holman, Mrs. Joyce Wood and Mrs. Winnie Short.

The breeze-way was decorated with summer daisies and Day Lillies. A short business meeting was held. 19 members and one visitor, Mrs. Elizabeth Brady's granddaughter, Elizabeth Irene Schmetzer of Wisconsin was present.

NEW OFFICERS INSTALLED AT MASONIC LODGE

Burkburnett Masons were treated to an unusual feature on Monday night when new officers of the Lodge were formally installed.

Under the direction of G. G. Tyler, a Past Master of Burkburnett Lodge, as Installing officer, J. H. Ferguson, Installing chaplain and O. R. Magee installing marshal, two sons of Mr. Magee, Luther D. and Billy R. were installed as Worshipful master and senior warden respectively of the lodge. The father, O. R. Magee, is a past master.

Other officers installed were R. W. Morine, Jr. Warden; C. M. Morrow, chaplain; E. D. Martin, and Raymond Rogers, Deacons; Adrain Dunn and John Mize, Stewards; and R. D. Cook, Tiler. Holdover officers were J. H. Ferguson, secy., and Archie Faulk, treasurer.

Following the installation and delivery of the formal charge to the new master and to the membership an hour of fellowship and refreshments were enjoyed. Some 35 members and visitors were present.

JESSIE C. BOHONNON ON SUMMER TRAINING CRUISE FOR ACADEMY MIDSHIPMEN

The radar picket destroyer USS Eugene A. Greene, operating in the Western Atlantic, is participating in an annual summer training cruise for Naval Academy midshipmen.

Serving aboard the Greene is Jessie C. Bohannon, seaman USN, son of Mrs. Lester F. Morris of Burkburnett.

While aboard ship, the "mid-dies" will be given instruction in seamanship, navigation, engineering and gunnery to help prepare them for a commission in the naval service upon graduation.

The destroyer visited Provincetown, Mass., for five days over the Fourth of July holiday period. This is the first time in several years that the ship has entered a New England port.

Mrs. E. E. Clack & son Kerry made a business trip to Dallas Tuesday.

Keep Vegetables Fresh—Store those fresh vegetables properly when you bring them from the store or garden. Otherwise, they will lose flavor, food value and appeal quickly says Thelma Wirges, County HD agent.

Refrigerate all vegetables except potatoes and dried onions as soon as possible after purchasing or harvesting. Exposure to air and light causes wilting and a great loss of essential nutrients.

Wash and clean vegetables carefully. Dirt may hasten spoilage. Drain off excess water, but store while moist for better crisping. Trim away bruised or spoiled areas to prevent rapid spoilage.

All leafy vegetables and broc.

coli, cauliflower, peas, beans, carrots, celery, green onions, radishes and cucumbers should have moist cold, store them in the crisper pan of the refrigerator in moisture vapor proof wrapping, such as aluminum foil, cellophane or plastic.

Never pare or cut vegetables before storing. Peas or fresh lima beans retain more vitamins if stored in the pod. Peas or fresh lima beans must be shelled in advance, store in tightly covered jar or plastic bag in the refrigerator.

For more information on vegetables, get a copy of Vegetables—selection, care, cooking from your county HD agent, 305 Federal building, Wichita Falls.

Wichita County homemakers seem to have good gardens in all sections of the county. Mrs. Albert Brockriede in the Puckin Center community, Mrs. J. D. Glasgow, Wichita Falls, Mrs. L. L. McHugh, City View; Mrs. E. J. Simons, Clara and Mrs. Sam Spencer, all seem to have a green thumb, along with good gardening methods to produce such an abundance.

News From The County Agent

The period from July 23-29, already proclaimed by President Kennedy as National Farm Safety Week, has been designated as Farm Safety Week in Texas by Gov. Price Daniel.

In his official memorandum, the Governor said, "The nations economy is dependent upon the continued well being and progress of our State's agricultural population. Accidents from farm work cause needless suffering, distress and loss of life each year among our rural families."

Plans in most counties for the observance of Farm Safety Week have been made and noted an increase in youth participation. This is especially gratifying since youth are often the victims of farm accidents. County extension agents and local 4-H adult leaders are given much of the credit for this improvement.

The Council is hopeful, Haws said, that all citizens will cooperate and participate in the local observance, for each is dependent upon agriculture for many of the necessities of life.

The poultry producer is in the business of converting feed into eggs and meat. Many of the decisions he makes can determine whether he makes a profit or losses money. This is where the records come in. County agent, B. T. Haws says the decision a poultryman makes can be no better than the information upon which he bases the decision. So naturally, Haws is a strong believer in records for a successful poultry enterprise.

See your county agent and discuss with him the matter of proper records.

Thomas McDonald Honored Recently At Farewell Party

Thomas McDonald, appointee to West Point, was honored by a farewell party held in the home of a classmate, Irma Ned Riley, 694 E. 4th. Assisting Miss Riley was Dutch Kepler, another Burkburnett High School classmate.

"West Point" was the theme for the decorations. West Point colors, gold, gray and black, were predominant. Approximately 25 guests were in attendance. A travel case was presented to Thomas as a going away gift.

Thomas, a 17 year old youth, recently graduated from Burkburnett High School, received his appointment to West Point upon nomination by U. S. Rep. Frank Ikard.

Thomas was president of his class both as a senior & junior. He was vice president of the Burkburnett High School student council during his senior year and a member of the council for two years. President of the Burkburnett National Honor Society chapter this past year, McDonald rated among the top 3 percent of High School students in the nation who participated in the National Merit Scholarship program.

Burkburnett Riding Club

The Burkburnett Riding Club has added another beautiful trophy to their impressive collection.

Thursday, July 6th., the club braved the July heat, loaded horses and gear and attended the opening day parade for the annual amateur rodeo show at Olney, Tex.

It is always a pleasure to attend the Olney Rodeo because of the cordiality of the Olney officials and the convenience of a permanent loading ramp. An unexpected pleasure for the Burkburnett group came with an invitation from the Weatherford club to join them in a chuck wagon supper.

The hospitality of this club is an example of the friendliness and good fellowship you will find among riding clubs everywhere.

No where will you find the friendliness in competition that is apparent in riding clubs and rodeo contesting.

Sue Drake was introduced to the audience along with other queens from winning clubs and a second place trophy was awarded the Burkburnett club at the official opening of the first performance of the rodeo.

Attending these events were: Mr. and Mrs. Pete Negri; Capt. and Mrs. Drake and Sue, Mr. and Mrs. Payton Cozby and Denise, Wendell Goins, Wendlyn Ann and Terrell, Stanley Cornstubble, Ruff Redman, Walter Paul Cozby, Joe McCluskey, Charles Bowles, Bobby Tedford, and Gilbert Smith, Frances Ooten, Claud Elliot, Mr. and Mrs. Noel McGill and daughters and Goldena Griffin.

Mrs. O. E. Melton Hostess July 10th Circle I, WSCS

Circle One of the Woman's Society of Christian Service met Monday, July 10th at 2:30 p. m. in the home of Mrs. O. E. Melton. Mrs. Beulah Hall was co-hostess.

In the absence of circle leader, Mary Browning, Mrs. Melton presided.

Mrs. Rigby brought the devotional from the first chapter of John, 1-17 verses.

Mrs. Caffee, program leader, used the theme, God's word and our World. Mrs. Hall gave a part entitled, Let the words of my mouth be acceptable; Mrs. Witherspoon, Taboo on Words; Mrs. Lowery, Words can speak louder than actions; Mrs. Morris, The Changing mind of Missions. Mrs. Caffee read the closing prayer.

Mrs. Grace thanked the circle for the flowers and cards she received during her stay in the hospital.

Mrs. Galloup reported on the proceeds from serving the youth meeting.

Mrs. Melton gave the closing prayer.

Refreshments were served to 13 members and one visitor: Mesdames, Jones, Witherspoon, Galloup, Caffee, Lawler, Rigby, Grace, Lowery, Bruce, Revier, Morris, Melton, Hall and visitor, Mrs. Ruth Dodson, president of the WSCS.

News has been received here that Mr. and Mrs. Robert E. Forney of Savannah, Ga., are the parents of a baby girl born July 11th. The baby weighed 6 lbs and 3 oz. and has been named Diane Annette. Mrs. Forney was a first grade teacher in the Burkburnett Schools last year.

Surprise Birthday Party Honors Mrs. Bertha Selph

A gesture of high esteem and friendship was demonstrated Saturday afternoon when a group of friends, neighbors and church members met at the home of Mrs. Bertha Selph on College street while she was absent from home. On her return she was greeted at the entrance with a chorus of voices wishing her a happy birthday. She was then escorted to a prepared room where a special arrangement of miscellaneous gifts met her eyes. There were many nice gifts from people who were unable to attend the affair. The occasion was in honor of Mrs. Selph's 62nd birthday.

There were approximately 15 present. They all enjoyed the refreshments of cake and lemonade which were furnished by the friendly group.

Birth certificates were issued to the following Burkburnett parents last week: Messrs and Mesdames:

- Mager Sales, boy,
- James Edward
- Glyn Thomas McNeill, boy,
- Jonathan Scott
- John Mac Barrett, girl,
- Kari Anne
- Willie Lewis, girl,
- Brenda Denise
- Gail Thurston Jackson, boy,

Sunday, July 9th found the Burkburnett Archery club on the Wichita Falls range. The event was a 28 target field round tournament. Though the weather was wet and the field muddy, there were six clubs represented with 40 archers registered for shooting. Ralph Jessy, Apache took 1st prize in the mens 325 class. Jim Marshall, Lawton, took 1st in 250 class. Larry Hicks, Burk took 1st in the 100 class. Mina Lindsay, Burk took 1st in the womens 75 class. Gladys Winters, Vernon, 1st in the womens open class. Roy Blevins, Wichita Falls 1st in the boys intermediate class. Janice Lindsay, Burk 1st in the girls intermediate class. John Parker, Wichita Falls, 1st in mens 175 class. A good time was had by all despite the rain and mud.

Next Sunday, July 16th everybody will be in Duncan, Okla. for the Red River Archery Association meet. Then on July 23 the Apache club will be the host to all the surrounding clubs.

Thursday night July 13th is the club meeting night for our Boowhunter Archery club. All persons interested in Archery are invited to come out and be with us.
