Chevy II's Are Introduced

Chevrolet this week introduces the Chevy II, a complete new line of cars with new dimensions in size and function for the American motoring public.

Chevy II is larger than the Corvair but smaller than Chevrolet's standard cars. It will feature nine models, including station wagons, a hardtop sport coupe and a convertible.

The new models, which represent the most complete line of smaller-than standard cars introduced in recent years, will go on display at Chevrolet dealerships, Friday, Sept. 29th.

Chevrolet General Manager E. N. Cole said the new line features "maximum functionalism with thrift."

He said "the Chevy II was designed to provide for the average American family and at the most reasonable cost. This includes not only the original purchase price but also more economical operating and maintenance expenses."

Burkburnett Schools Represented At Meeting In Austin

Burkburnett School Superintendent, I. C. Evans, and school board members, Weldon Nix, Floyd Marten, Roy Mitchell, Hugh Veach, and Vernon Duke, attended the Texas School Board and School Administrators meeting in Austin Sunday and Monday.

Discussions were held on various subjects including Federal Aid, State Aid, new school laws which will become effective in the near future, Tax administration, school problems and Visual aids to education. The latest building materials and equipment was also on display for the visitors.

Cerebral Palsy Clinic of Wichita Falls To Have Exhibit

The North Texas Cerebral Palsy Treatment Center of Wichita Falls will sponsor an exhibit at the Texas-Oklahoma Fair at Iowa Park beginning September 25, 1961. The booth, located in the Women's Exhibit Building, has been donated by A. J. Tanner and Son of Iowa Park.

The display will feature self-help toys and recipes. Mothers of cerebral palsy children will sell the recipes at a small cost to benefit the library of the new treatment center soon to be erected. Red Cross Volunteers also will aid at the booth.

Home economist for Texas Electric Service Co., Miss Amy Walker, selected the recipes from many submitted by the mothers.

Cheerfulness is often hard to take on an early Monday morning.

Adult Instruction Class Begins Sunday

Rev. Philip Otten, Pastor of Grace Lutheran church, Burkburnett will start an Adult Instruction class next Sunday evening, Oct. 1st at 7:30 p. m. in the church parish hall. The purpose of the course is to inform adults of the teachings of the Lutheran church on the basis of the Bible, preparing adults for church membership. However, those who attend the class are under no obligation to join the church.

The class will meet once a week for twelve weeks. Sessions will last about an hour and a half. Questions to be considered are: Where did everything come from, what does God expect of us, who is Jesus Christ, the meaning of Baptism, the Lord's Supper, why join a church, marriage, heaven, and many others.

The public is cordially invited to attend.

13th District PTA To Meet In Burk

Burkburnett will be host to the 13th District Congress of Parent-Teacher Association Thursday. Registration will begin at a coffee at 9:00 and the conference will be held in the First Methodist church.

Mrs. Red Lambeth of Vernon, president of the district, will preside. At 10:00 a. m. a panel on We Go to Work, will be composed of Mesdames E. E. Wood, J. I. Caswell, Charles Lloyd, Charles Howard and W. T. Zimmerman, will hold a discussion. Sitting in will be the president and Mrs. D. O. James, state vice president.

Two films, one entitled "You Can Survive the A Bomb" and "Safety on the School Bus", will be shown to those attending the one day session.

Guest speaker for the event will be Brad H. Smith, director of the Governor's Highway Safety Commission, Austin. Smith is the first state official to be designated as coordinator of the traffic problems in Texas. A native Texan, he has spent more than 30 years in newspaper, radio and television work and was publisher of the Weslaco (Tex.) News.

Smith is also a member of the Baptist church and has spent more than 20 years in Chamber of Commerce and other civic organizations and has been vitally interested in safety on the highway. Since 1958, Smith has addressed more than 200 traffic safety gatherings.

Following the traffic safety talk, Mesdames Woods, Lambeth and James will conduct a session entitled Let Me Think. Immediately after adjournment the executive board will convene.

Richard Lasseter, Lloyd Gray, Finish Recruit Training

Completing recruit training Sept. 14th at the Marine Corps Recruit Depot, San Diego, Calif. were Marine Privates Richard W. Lasseter, son of Mr. and Mrs. A. K. Lasseter of 606 E. 3rd, and Lloyd W. Gray, son of Mr. and Mrs. Monroe Gray of Route one, all of Burkburnett.

The 11 week, 4 phase training includes physical conditioning, history and mission of the Marine Corps, customs and courtesies, hygiene and sanitation and basic military subjects.

During the rifle range phase, intensified study and practice is devoted to the M-1 rifle, the Browning Automatic Rifle and the 45 caliber pistol.

Upon completion of the recruit training, the new Marines reported to Camp Pendleton, Calif. for infantry training.

STATE FAIR STAR

Star of the Rodgers and Hammerstein musical hit, "The Sound of Music," is lovely Florence Henderson, who plays the role of Maria. The show will be presented during the 1961 State Fair of Texas in Dallas, Oct. 7-22.

Local Births

Birth certificates were issued to the following Burkburnett parents last week: Messrs and Mesdames:

- Jerry Dan Baber, boy.
- Jeffrey Bentley
- Jack Lee King, girl.
- Julie Kim
- Glen Willard Kinder, boy.
- Timothy Ray
- John Orville Robinson, girl.
- Donna Lynn
- Alvin Wayne Smith, girl.
- Terri Marie
- Charles Milton Griffith, boy.
- Clay Allen

Mr. C. B. James of Hamilton, Tex., past president of U. S. Highway 281 Association, and Mr. Bill Wisdom of Stephenville, president of the Association now, were visitors in the J. C. Adams home Saturday. They were enroute to Red Cloud, Nebr., to the National U. S. Highway Association meeting. Mr. James' son, Keith was a former roommate of J. C. Adams' Jr.

Pictured above are Mr. and Mrs. Tom Flinn who were recently married in a double ring ceremony in the First Baptist Church with Rev. Leroy Meyer officiating. Mrs. Flinn is the former Miss Elaine Kinnett, daughter of Mr. and Mrs. E. M. Kinnett of Burkburnett. The couple has established a home in Henrietta.

Sidewalk Art Show Saturday, Oct. 14th

The Wichita Falls Art Association of the Woman's Forum invites all area artists to participate in its 14th annual Sidewalk Art Show to be held on Saturday, Oct. 14th from 10:00 a. m. to 3:00 p. m.

Registration headquarters for both adult and young artists divisions will be at the corner of Ninth and Scott streets in downtown Wichita Falls. There will be four divisions for young artists, ages 6 to 18. A nominal registration fee will be charged.

Original work in any recognized media may be shown, if it has not been exhibited in the show before. Ribbons will be awarded winners by judges in oil painting, water color, pastel, finger-painting, pencil, ink, crayon, mixed media, tempera and crafts.

Artists in the adult division will honor the judges with a luncheon at noon.

Mrs. J. D. Avis is president of the Art Association, and Mrs. Naomi G. Elmore is general chairman for the show.

FRED FEWINS HONORED IN WYLIE BROWNING HOME

Mr. and Mrs. Fred Fewin of Spearman, Tex., were honored with a salad dinner in the Wylie Browning home Monday evening. Mr. and Mrs. Fewin are former residents of Burkburnett. Mr. Fewin was a former Superintendent of the Skelley plant here. He is now serving in that same capacity at the Skelley Plant in Spearman.

Those enjoying the delightful affair were: Messrs and Mesdames A. H. Lohofener, John Brookman, Leo Foster, Claude Bowman, H. A. Goodwin, Arthur Houser, Will Teal, Wylie Browning and Mrs. Artie White, sides and Mrs. Brack Preston, Sr.

Rummage Sale

You are invited to attend a Rummage Sale at the Town Hall in Burkburnett on Saturday, Sept. 30th and Oct. 7th, sponsored by the Burkburnett Study Club. Come by and see our nice selection of clothing and household goods.

1,100,000 Ford Galaxies Sold

Nearly 1,100,000 Ford Galaxies have been sold since the car was introduced less than three years ago. "This strong sales achievement," said Matthew S. McLaughlin, Ford Division general sales manager, "is a credit to the fine styling and engineering features of the Galaxies and has prompted us to add another series, the Galaxie '500', to the line for 1962.

The Galaxie and Galaxie '500' are low price, luxury automobiles, a segment of the market which has demonstrated strong consumer interest in the last three years, Mr. McLaughlin said.

In its first year, the Galaxie as a single series in the Ford line of standard cars accounted for more than eight percent of the total industry sales. More than 464,000 Galaxies were sold in 1959 model year.

High public acceptance of the Galaxie has continued and during the 1961 model year, Galaxie sales accounted for 44.5 percent of the standard Ford total sales.

Legion Notes

A presentation of a "shot Gun Wedding" was held at the American Legion Dance Post 264, Burkburnett, Saturday night, Sept. 23rd, for Mr. Glen Hoover and Mrs. Lowanna Brown of Burkburnett. This was the penalty they had to pay for slipping off to Holliday and getting married without inviting any of their friends.

The wedding ceremony was conducted by Mitch Blair as J. P., assisted by Wayne Butler, sheriff, W. G. Snyder, Deputy and Carl Williams as Shotgun Slade. A certificate of the warrant and marriage license was presented to Mr. and Mrs. Glen Hoover during the dance.

Fun like this along with dancing from waltz to square is what you are missing if you fail to join us every Saturday night from 9:00 till 1:00. Dance music by Eddie Cerday and his western band. Admission is 99c per person.

Don't forget game night Friday nights. Snack bar will be open under the management of Mitch Blair, serving Coffee, Pop, Hot Dogs, also Barbecue, elk steaks Saturday night.

Commander Goens and Legionnaires cordially invite you and your friends this Saturday night.

Horse sense is what keeps horses from betting on people.

Fall Good Time To Have Motor Vehicle Inspect'n

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety suggested today the start of fall "is an excellent time to have motor vehicles safety inspected" in preparation for the winter driving.

The new 1962 Texas Vehicle Inspection Sticker is now available at the 5,000 official inspection stations in compliance with orders issued by the Texas Public Safety Commission. The order states that all vehicles coming under the provisions of the Vehicle Inspection Act must display the new sticker by April 16, 1962.

Garrison said that during the past three months mechanics at inspection stations over the state have undergone an intensive training program on the inspection of vehicles under the law.

There have been no changes in the Inspection Law from last year, he said, but we have re-examined every mechanic in the program to be certain he knows the procedure.

The DPS director noted that since the beginning of the inspection program 10 years ago, vehicles having a defect that was a causative factor in motor vehicle accidents have steadily decreased.

SAFETY RULES

Prepared and Sponsored By
BURK STUDY CLUB

Giving a signal does not relieve a driver from complying with right of way laws. The horn must be used when it will help to insure the safe operation of a motor vehicle, but shall not otherwise be used when on highway. The horn must be used where the view is obstructed within a distance of 200 feet on curves in mountains or canyons.

Parking Regulations — Brakes of unattended vehicle must be set and if on a grade the front wheels must be cut toward the curb or side of highway. The engine must be stopped if the vehicle is left unattended.

A Policy That Has Worked

There has been criticism of this government's long established merchant marine policy, from spokesman both within and without this country. Nothing is perfect in this imperfect world. But some of that criticism seems based on misunderstanding.

The head of a leading American steamship line has answered by describing some of the positive good that has come from our maritime policy. It has helped to build, maintain and replace modern merchant vessels, along with great shipyards, and to see that they operate on regular schedules on 33 trade routes which the government deems essential. This service is fast, frequent, dependable, and available for any class of cargo.

The Federal Maritime Board operates the National Defense Reserve Fleets, available in case of emergency, and provides maritime training for cadets at the U. S. Merchant Marine Academy. Specialized schools also are conducted in several major cities.

The steamship companies themselves, maintain some 300 offices abroad which not only handle their vessels, but offer very valuable trade development services to shippers.

The worth of all this can easily be evaluated. Early figures indicate that this year's U. S. exports will total \$20 billion and imports \$13 billion. And that isn't the end of the story by any means. Competition with foreign flag lines is tough and getting tougher. To get our fair share of the trade for our own bottoms is a big job at best. U. S. Maritime policy has been a potent and vital factor in keeping our flag flying on the seaways of commerce. It has been a policy that has worked, and has made an enduring contribution to wealth and strength of the nation.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

There are rumors of a new Federal agency being set up along the Potomac. It would be called the TDFACWMLTC.

This new agency would be an adjunct of the one already set up to administer the foreign give-aways. The full name will be "Taxpayers' Dough For American Citizens Who May Lean Toward Communism."

The proposed plan is that any American citizen can go to TDFACWMLTC section of the foreign give away and simply state that "while I am a great believer in democracy, unless I get \$10,000 I may have to become a communist." In due time, the citizen would get the \$10,000, to keep a believer in democracy from turning to communism.

This proposal, of course, is not receiving serious consideration but many think it no more far fetched than the device whereby nations all over the world have separated the American taxpayer from more than \$80 billion.

As Rep. Richard Roudebush, World War veteran with six battle stars says "Then came communist infiltration of South America. Our answer was \$600 million more in aid with the thought expressed 'Maybe if we pay off, they will go away.' Sen. Wayne Morse says 'Much of our trouble in Latin America stems from military aid we gave to many of its dictators.'"

And Congressman Richard Poff of Virginia, recently let loose quite a strong blast on

the foreign give ways which are taking via taxes, money from independent business needed to modernize and expand to meet in competition.

Rep. Poff says that the U.S. has given Communist Tito's Yugoslavia over \$2 billion including such items as \$14 million for a plastics factory, \$127 million for other "industrial projects" and, surprise of surprises, funds to build a nuclear research reactor.

Now in this case, it was known that Tito is a communist. But it was felt by Yugoslavia a little less communist than Moscow.

So what support has Tito given for more than \$2 billion according to Rep. Poff.

On the Cuban question Tito supported Castro, is trading with him, openly rebuked the U.S. Stand. Tito openly advocates seating Red China in the UN, when Lumumba was slain on the Congo organized demonstrations against the west, allows Soviet engineers to operate the Iron Curtain's biggest uranium mines, is now permitting Russia to build 10 missile bases in Yugoslavia.

And despite this record, even now there is a drive on in Washington to get even more give away billions of dollars for Tito to preserve this "friendship."

Thus, the fatuous proposal to give money to decent American citizens to keep them from being friendly with Moscow is not so far-fetched, perhaps after all. If a fellow like Tito can blackmail Washington, why shouldn't the home folks have the same opportunity?

BURKBURNETT.... HISTORY

Revealed By The Star Files 10 Years Ago . . .

Coach Bob Tyler and his football squad were guests of the local Rotary club at their luncheon last Tuesday noon. Coach Tyler introduced by Cliff Wampler, in turn presented the following boys to the club. Don Joe Prescott, Bill Bean, E. C. Mann, Donald Knox, Bennie Woodward, Harold Turnbow, Bowden Maben, Jack Bernethy, Arnold Oliver, Wendell Hale, Wayne Chambers, Donald Gee, James Kelley and Pude Fewin.

Announcement is made this week that Sam Lax has sold his interest in the Allis Chalmers dealership to R. P. Thaxton. Mr. Lax has been in this business for the past 12 years.

All of the Lions club street signs have been put up and poles painted. The interior of the City Hall and Fire Station have been repainted and cleaned up. We have put into service the new Police Patrol car which the first for Burkburnett.

Last Friday night the Temple, Okla. Tigers invaded the Bulldogs' den and riddled them to the tune of 26 to 19. Next Friday night the Bulldogs will play Henrietta on the local Gridiron.

President Woodrow Wright was in charge of the Lions club program last Tuesday night. A large percentage of members were present. Lion Harry Dodson had as his guest his daughter, Jeanne. Poodle Hudson

was the guest of John Page.
 20 YEARS AGO
 D. R. Peevey, who has been head of the local draft board here since its organization has resigned on advice of his physician and Frank Kelley has been appointed in his place.

The Two Joes Barber Shop, owned and operated by Joe Bryant and Joe Nichols, opened for business Monday morning in the building formerly occupied by Scruggs Cafe.

One nice thing about a sap is that he can be tapped by some ambitious woman just about as often as an old maple, come springtime.

Boys Lose Non-Conference Game to Vernon Lions 18 to 12

although out-gained by the Vernon-laden Burkbur- advantage of the quarterback Glen Burk Burnett pulled out an 18-12 over the plucky boys here last Friday.

at the end of the quarter, the Lions scored within the last minutes of the first half on passes 12-6 at half time.

scored another in the third and looked like they were on a runaway, but came back to score on a 70 yard

minutes later, sent back Harry Small Vernon punt and this way 75 yards touchdown, but a hold- nullified the

scored first on a 73 drive, with Curtis making the final four

yards.

Vernon's first score came with 1:34 left in the first quarter when Baxter completed a 25 yard pass to Ronnie Harvey, who was alone in the end zone.

The Lions scored again with 1:50 remaining in the first half. Baxter threw a 33 yard pass which was deflected by Bulldog safety man Loy Walker into the arms of halfback Larry Castleberry.

The Lions' final score was in the third quarter on a 69 yard drive which saw Burk Burnett receive 40 yds. in penalties. Baxter scored on a 10 yard run through tackle.

The Bulldogs scored their final touchdown in a 12-play series covering 70 yards. Senior fullback Jerry Barry took it over from one yard out.

Leading ground gainer for the Bulldogs was 140 pound fullback, Melvin Lindley, who amassed 129 yards.

NOTICE

All members of the Valley View, Okla., Baptist church are urged to attend an important meeting on Sunday, Oct. 1st, at 4:00 p. m. at the church. At this time plans will be made to dispose of the church furnishings and butane system.

Federal aid to education should start with teaching arithmetic in Washington.

The Gun Shop Has Varied Collection of Guns and Other Items

1. Mrs. Dorothy McCandless, displaying a portion of the gun collection.

2. The Gun Shop, 219 E. 3rd.

The Gun Shop, located at 219 E. 3rd, has been at its present location since June 1. The shop is owned and operated by Reid and Dorothy McCandless.

The McCandless' live in Randlett. They have two children, Dick, age 12 and Laura Ann, age 11.

The shop is a hobby that got out of hand—Mr. McCandless explains. He'll trade for "anything, even cash."

therefore his shop contains many other things as well as guns, such as a collection of Indian relics which at one time belonged to C. A. Gray, a Shoe Cobbler and long time resident of Burk Burnett; coin collection, coin books and folders, all types of electric appliances, typewriters, etc.

Of course, he also has many different types and makes of guns on display. In the display window sets a 2,000 lb. 3 in. Field Cannon, made in 1905.

Mr. McCandless is a civilian instructor at SAFB and doesn't work until after 3:00 p.m. Until then the shop is operated by his wife, Dorothy McCandless.

1962 Ford Light And Medium Truck Line

areas has made it necessary for businessmen to travel greater distances in delivering consumer goods. As a result, he said, the increase in total truck mileage and delivery man hours required is adversely affecting business profits.

Ford Division of Ford Motor Company has concentrated its entire 1962 light truck engineering effort on reducing truck operating costs.

John E. McLean, truck marketing manager for the Ford Division, said that "in a deliberate effort to help businessmen combat inflationary type operating costs, Ford has focused its prime attention on engineering improvements rather than body changes."

Mr. McLean explained that the continued movement of our population into vast suburban

"In our efforts to help businessmen offset this inflationary type operating expense, we have developed what might literally be termed a light and medium duty truck 'Business Fleet,'" Mr. McLean said. "The Ford 'Business Fleet' includes a complete selection of commercial vehicles that are designed to give maximum fuel economy and reduce required maintenance, while offering increased durability and reliability."

In Ford's 1962 Business Fleet, truck buyers may select any of six economy type engines, ranging in size and horsepower from

a 144 cubic inch 85 horsepower 6 cylinder to a 292 cubic inch 170 horsepower V-8. Each engine has been designed to provide maximum economy and power for specific types of hauling jobs.

Typical of the many truck engineering advancements that have been incorporated into the Ford Business Fleet are those built into the 1962 Falcon Ranchero and Sedan Delivery trucks.

The 144 cubic inch engine, standard on the Falcon trucks, incorporate all of the features that in 1961 enabled it to record the greatest gas mileage ever achieved for any "6" or "8" in the 25 year history of the Mobilgas Economy Run. In addition to its excellent mileage performance, the engine operates on regular fuel for lower cost per transportation

Mrs. J. B. Morris Hostess Sept. 20th To University Club

The University Study club met in the home of Mrs. J. B. Morris Sept. 20th. Mrs. Joy Sessums, vice president, presided over the business meeting in the absence of the president, Mrs. B. A. Browning. The meeting was opened with the club collect and singing of the Federation song. Mrs. S. S. Reger, parliamentarian, gave an interesting talk on club ethics and the history of the club collect.

A lovely refreshment plate was served to the following: Mesdames A. R. Bunstine, E. R. Burns, B. N. Cauthorn, Bill Crosley, H. C. Gilbert, I. E. Harwell, A. C. Houser, J. D. Majors, L. W. Mathis, O. E. Melton, S. S. Reger, J. H. Rigby, Joy Sessums, Carl Williams, H. G. Williams, I. N. Witherspoon and the hostess, Mrs. Morris.

Econoline van and pickup, the light duty one half, three-quarter and one ton pickups and the one half and three quarter ton 4 wheel drive. Medium duty trucks in the Ford Business Fleet include the conventional and tilt-cab series with gross vehicle weights ranging from 15,000 to 21,000 pounds.

The 1962 Ford Galaxie line features a crisp, fresh approach to Ford's classic styling. Shown here is the Galaxie 500 Sunliner convertible, one of twelve models in the Galaxie line. While the new Galaxie is slightly shorter and fractionally narrower than the 1961 model, the large passenger compartment is the same as 1961. Large door openings, coupled with Ford's convenient two-position door stops, make entering and leaving the Galaxie an easy and natural movement. The Sunliner top is anchored at each roof bow to prevent "ballooning" when underway. The vinyl-lined top is stowed under a color-keyed boot.

Mrs. John Brookman Guest Speaker At Theta Epsilon Sorority Meeting Mon.

Theta Epsilon Sorority of Epsilon Sigma Alpha International met for their regular meeting Monday evening in the home of Lea Glisson. Lea Glisson, president, opened the meeting with the opening ritual. Bobbye Slusher, chapter chaplain, presented a most interesting opening thought entitled Dear Ones All, asking the question how far do we see beyond the everyday commitments? She stressed that we must remember that the victor of the race is the group which succeeds in capturing the will and hearts of

"In Appearance." Guest speaker on the program was Mrs. John Brookman. Mrs. Brookman brought fashion from the Elite Dress Shop. The latest styles in Cottons, Wools and Jerseys, both sportswear and dressy dresses were shown. Also tips on purchasing various types of material and dresses was brought to our attention. The importance of a basic dress in ones wardrobe and how to "dress it up" was demonstrated. The meeting adjourned and all participated in the closing ritual. Door prize was won by Kathleen Brammer. Cakes and pecan cake were served. Members attending were Velma Goins, Ruby Van Loh, Kathleen Brammer, Bobbye Slusher, Evelyn Farris, Helen Cornelius, Mariyn Howard, by the hostess, Lea Glisson.

HARDIN P-TA

The Hardin PTA met Tuesday, Sept. 19th at the Hardin Grade School Auditorium with Mrs. R. W. Morine, president, presiding. The program included a tea honoring the teachers and new members. Refreshments of cookies and punch were served by the hospitality committee. The faculty was introduced and presented a carnation. Two cash awards of \$3.00 and a banner will be given to the rooms with the most mothers and fathers present. The banner to be displayed in the winning room until the next meeting. The winning rooms this month were Mrs. Earl Martin with 18 present and Mrs. Van Reenan with 10 present. A vote was made and carried that the meetings be held in the afternoon with the exception of one night meeting each semester. This will enable fathers who cannot attend day meetings to participate in two night meetings during the school year. The next meeting will be Oct. 17th. A free nursery is provided for mothers with small children. Please plan now to attend.

GARDENING FOR BEAUTY AND PLEASURE

A series of articles on "Gardening for Beauty and Pleasure" by Mrs. Roy Magers, will be a weekly feature in the Burkburnett Star. Mrs. Magers, whose home address is on Shannon Road, is chairman for the Wichita Falls Garden Club. Mrs. Magers is one of three accredited flower show judges in Burkburnett. She has been very active in Burkburnett and Wichita Falls in various club activities for several years. Among her many club activities she has devoted a considerable amount of time and effort to the Garden clubs. Her articles on "Gardening for Beauty and Pleasure" are of an informative nature, backed by experience and knowledge of the work.

GARDENING FOR BEAUTY AND PLEASURE

It's that time again—time to execute all the plans that have been made for the coming year. I sincerely hope each of you have had a delightful summer and are looking forward to garden club activities. This is the time to take inventory of your yard, pot plants, and vegetable gardens. Divide those perennials you meant to divide last year. You will grow better plants and larger blooms next year.

What shrub or tree does the garden need for a better over all picture or shade next summer?

Have you noticed the flowers that have resisted the heat of this summer and should be used next year and what flowers are not worth the struggle to keep them alive?

What plants can be potted and used in the home this winter? It is best to pot and set on the porch for several days before bringing them indoors. Do the pot plants kept inside need to be repotted before frost?

September is the time to root geraniums, coleus and bedding begonias for winter pot plants. Take the mature green tips of the geraniums about four to six inches long, strip off all bottom leaves, dip cut end into a rooting hormone and put it into a box of damp sharp sand in hole made with pencil, push sand up close around it and keep moist until rooted.

These plants bloom better and are smaller than trying to pot the large bedding geraniums. Do the same thing with coleus and begonias.

Late summer and fall is the ideal time to re-seed or plant an entire new stand of grass. Weeds are no great problem at this time and warm days and cool nights cause seed to germinate quickly.

If present grass is thick enough but seems to lack color

and vitality give it a shot of fertilizer now. A good commercial fertilizer applied to lawns at this time will enable them to grow quickly and color fully next spring.

Fall is also the time for transplanting. Dig out small trees and shrubs right after their leaves begin to drop off and before the ground becomes too hard for each digging.

After a shrub or tree is transplanted, resist the temptation to douse it with fertilizer. Just water the plant and let it alone until next spring. This waiting period allows time for delicate roots to take hold in their new location.

Gladiolus bulbs should be dug up and stored for the winter. A good storage space is a covered galvanized steel pail containing dry sand. The container keeps out rodents and moisture.

For those new homeowners who found gardening less productive this year than they thought it would be, now is the time to think about preparing the yard and garden for better results next year.

Buy Roman Hyacinths and Paper white Narcissi and plant them in bowls of gravel covered with water. Let the bulb be three-fourths above the gravel and not stand in water. Put in a dark place until all bulbs are rooted then grow in an east or north window. If this is done in September they will be in

bloom by Christmas. Colchicum bulbs can be in a window, or any place in about three weeks on short stems will grow the top of the bulb in water or soil is needed. Keep feeding the large chrysanthemum tea once each color shows in the

FORMER BURK R EVACUATED FROM

When they say Burkburnett residents at their word by and Keith McCormick evacuated from their in Johnson Bayou, grandparents, the J. fields here in They evacuated Sept. 17th. Just a few hours tides cut the island the mainland of Louisiana didn't return until

Electricity was Sept. 17th. Mrs. home wasn't damaged or much by the wind 3 miles on down the declared a total of further down the beach es from Johnson Bayou which was destroyed cane Audrey some. It took quite a while Hurricane Carla the Mrs. McCormick membered as the fo Stubblefield.

Tex. - Okla. Fair Will Have Army Exhibit Sep. 25

CAMERON STATION, Alexandria, Va. — The U.S. Army's Strategic Army Corps — more popularly known as "STRAC" — will be unveiled to area residents for the first time in an official exhibit to be displayed at the Texas-Oklahoma Fair, Iowa Park, Texas, Sept. 25-30, it was announced today.

Coming to Iowa Park by motorcade from Washington, D. C., the huge exhibit shows the Army's ability to cope with small, limited conflicts as well as all-out atomic war and forecasts weapons of the future projected to the 1975.

Spinning the historical and technological evolution of weaponry from man's earliest attempts to defend himself in the Stone Age to the present time, the exhibit points up Army success in meeting the challenge of the atomic-electronic-missile era. The operational weapons of today, shown in one area of this exhibit, from the basis for futuristic weapons predictions of two decades hence shown along an opposite wall.

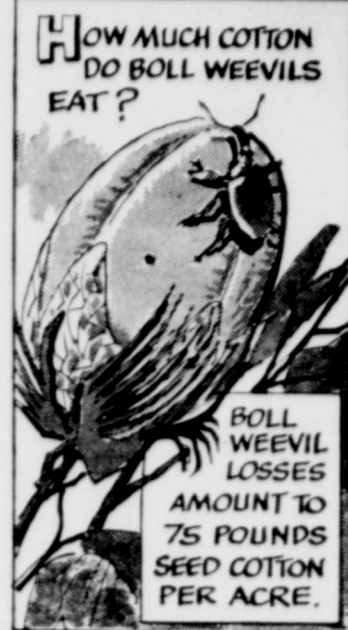

The exhibit, prepared by the Army's Chief of Information was designed to authentically inform the American public on the Army's ability to cope with present and future military problems. It explains the con-

cept behind the STRAC forces and emphasizes the Army's requirements for far-ranging mobility, long-ranging fire-power and wide-ranging communications necessary to achieve victory on the atomic battlefield. A unique three-dimensional sequence theater with voice narration describes the versatility of the Army's STRAC command and a color motion picture shows modern Army soldiers putting their weapons and equipment to use in actual maneuvers.

The Army's STRAC exhibit pays tribute to the teams of dedicated military and civilian scientists, soldiers and civilian industrial leaders who through their forthright and progressive efforts are helping America solve its increasingly complex problems of defense.

Army information specialists will attend the exhibit to answer questions posed by the public. Admission is free of charge.

with her son, Mr. and Mrs. Johnny Bryant and children this week.

Mrs. Earl Walker of Dallas and Mrs. Harry Griffin of Burk visited Mrs. O. O. Best Wednesday.

Carolyn Horton of Wichita Falls spent the weekend with her parents, Mr. and Mrs. Troy Horton.

Mr. and Mrs. G. M. Stark went to Durant Monday night to attend funeral rites Wednesday of Mr. Perry Askew, a brother in law of Mrs. Stark they returned home Wednesday.

Mrs. Mollie Elliott, Mrs. W. J. Morrow, accompanied by Mr. Charles Green of Weatherford, visited Mr. and Mrs. J. C. Wallace and children in Monday Sunday afternoon.

Jimmie Baber, Roy Dulworth, Joe Burton, Ben Martin and David Elliott all of Southwestern College of Durant, visited their parents over the weekend.

Mrs. Mollie Elliott accompanied by Mr. and Mrs. J. W. Hicks of Burk attended funeral services for Mr. Virgle Ford, a cousin of theirs, Tuesday at Springtown.

Teachers Introduced At Hardin PTA Tues

The Hardin Parent-Teacher Association held its first stated meeting Tuesday at 2:45 p. m. in the grade school auditorium.

Members of the faculty at the Hardin and Primary Elementary Schools here were introduced to the Association during the program which followed the business session. Mr. I. C. Evans, superintendent and Mr. Morris Simonson, principal were introduced by Mrs. James T. Brady, Jr., program chairman. Mr. Simonson then introduced the teachers, each of whom was presented a carnation. They were pinned by Mesdames L. V. Richards and Jim Frye.

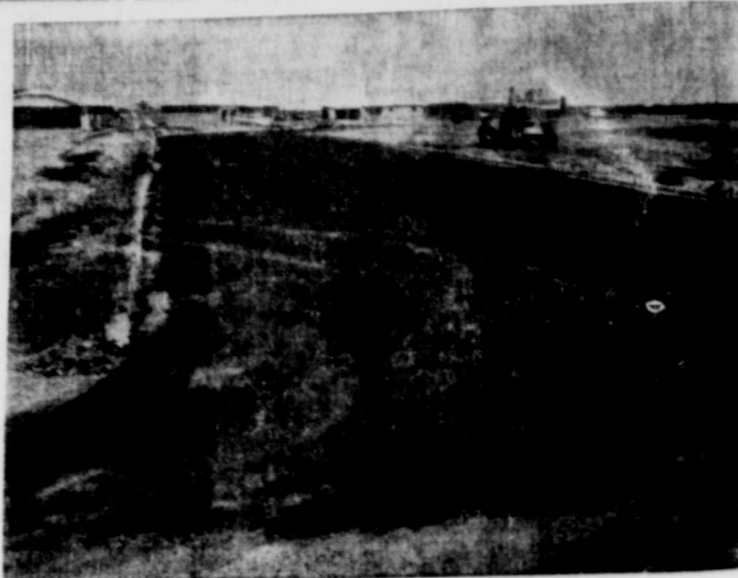

Mrs. R. W. Morine, president, presided and introduced the officers and committee chairmen as follows: Mrs. T. J. Hubbard, vice president; Mrs. Gerald Savage, secy.; Mrs. Douglas Svien, treas.; Mrs. Geo. Smith, parliamentarian.

Standing committee chairmen include Mrs. Brady, program; Mrs. Clifford Hagstrom, budget and finance; Mrs. Tom Moore, health; Mrs. Loren Cole, hospitality; Mrs. Smith, safety and civil defense; Mrs. Payton Cozy, attendance; Mrs. Norman Roberts, membership; Mrs. L. J. Di Marzio, publicity; Mrs. Ott Nunn, publications; Mrs. Hello Hooker, historian; Mrs. Carrol Copeland, spiritual education; and Mr. Simonson, legislation and council.

The devotionai was given by Mrs. Copeland. The association voted to have day meetings with one night meeting each semester. Mrs. Morine announced that a free nursery was provided in the building.

Mrs. W. T. Zimmerman, Bi-County council president, announced that District workshop would be held in the First Methodist church in Burkburnett on Sept. 28th. Registration to begin at 9:00 a. m. with the workshop beginning at 9:30.

Announcement was made that the membership drive is now on. The room which has the

Shown is Hazel Street, one of the new streets put in according to the City's regulations, with 1 1/2 inches of hot mix. This street is in Preston Heights Addition.

highest percentage of membership will win a \$10.00 cash award.

Room attendance cash awards were presented to Mrs. Martin for the lower grades and Mrs. Van Reenan for the higher grades.

Refreshments were served to over 200 who were in attendance.

Mr. and Mrs. Will Teal and Mr. and Mrs. Dick Chambers were weekend visitors at Lake Kemp. They report the fishing was very good Friday evening and Saturday morning until the barometer started falling.

The Ford in your future will be here tomorrow!

Starting tomorrow at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford—the car that fits his pleasure and needs as precisely as though it had been made to measure. For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as

a secret. With Thunderbird styling, Thunderbird power, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier fine cars. If you are looking for economy without compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. Wagon

fanciers will find unprecedented variety—from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

GALAXIE / 500 CLUB VICTORIA (foreground) . . . GALAXIE TOWN SEDAN (background) . . . The Galaxie / 500—new in name, new in luxury—is for those who want all of the elegant extras. The Galaxie makes it easier than ever

to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications

Brakes adjust themselves automatically. Special zinc coating protects vital body parts against rust and corrosion.

FALCON SQUIRE WAGON . . . Brand new for '62, it's sleek, sophisticated . . . and the only compact wagon of its kind. Inside, it is available with Futura bucket seats and a handy console! Outside, it has steel side paneling with elegant woodlike finish.

FALCON FORDOR SEDAN . . . Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 25-year history of the Mobilgas Economy Run. Falcon's low price for '62 makes it America's best compact value!

Friendly Homemakers Club News

The Friendly Homemakers met Sept. 21st with Mrs. Ray Knox.

Mrs. Knox was in charge of the opening exercises. The group sang Forever Boosting Club Work. The THDA creed was read.

Roll call was answered with Best Buy of the Year. Minutes were read and approved. Council delegate report was given by Mrs. Cheney.

Nominating committee of officers names for the coming year were accepted.

Merry Makers Home Demonstration club will entertain us on Oct. 27th.

Plans for the club booth at the Texas-Okla. Fair were completed.

Mrs. Lena Bell won the door prize.

Mrs. Cheney gave the lesson on Food Additives.

Present were Mesdames Lena Bell, Myrtle Masters, Frankie Knox, Elizabeth Sloan, Ruby Lanig, Jo Willis, Mattie Cheney, Evelyn Gray, Lurlene Lynskey, and visitors, Anita Bangs and Ruth McBride.

Current Lit. Club Holds Meeting In Wichita Falls Thurs.

The Yearbook Committee of the Current Literature club consisting of Mesdames A. H. Lohofener, John Brookman, J. L. Caffee and W. B. Short were hostesses for a breakfast at Uncle John's Pancake House in Wichita Falls Thursday morning.

Mrs. W. B. Short gave the invocation. Mrs. J. L. Caffee, leader, introduced the following program: Mrs. John Brookman, president, welcomed the members including two new members, Mrs. Ted Roark and Miss Ella Billingslea, and gave a talk, "Let's Take a Peek at the Yearbook" was given by Mrs. Lohofener, chairman, and she presented the course of study "Traveling Through Literature." Mrs. C. W. Boyd highlighted the counselor's report and Mrs. Short read the constitution and by-laws after which a short business session was held. A rummage sale will be held Sept. 28-29-30th.

Plans and projects for the new year were discussed and the club collect was read. Sixteen members attend-

The new Educational Building just completed for the Church of Christ. The new addition has 11 classrooms, (20 persons per classroom capacity), and a library. This gives a total of 26 classrooms for both buildings. The church has 44 teachers. Each classroom is complete with individual student desk art chairs.

The building is air conditioned, and was built at an estimated cost of \$15,500, and was completed and ready for use September 13.

The church is now under a program to have 400 in attendance for Sunday School. The minister is Eugene Gilmore.

ed including Miss Billingslea, Mesdames Boyd, C. R. Chambers, W. W. Chambers, Fred Hunt, F. G. Jeffers, Roy Magers, F. M. McMurry, W. C. Vann, R. W. White, J. S. Vanderburg, Ted Roark, and the hostesses.

Wedding Vows Repeated Recently By Miss Kay Rice and Ken Williams

A recent double-ring wedding ceremony performed at the First Methodist church united in marriage, Kay Rice, daughter of Mr. and Mrs. Sherwood E. Lee, and Kenneth H. Williams, all of Cheyenne, Wyo.

Dr. Kenneth H. Sausaman solemnized the marriage before an altar decorated with baskets of pink and white gladioli and lighted tapers in candelabra.

The traditional nuptial music and "Always" and "Because" was played at the organ by Mrs. Gordon E. Greene.

The new bride was attired in a street length dress of pastel pink sheer nylon jersey styled with softly draped scoop neckline and tiny cap sleeves. The dress was highlighted by a full skirt over taffeta and nylon net. Her short veil was attached to a matching circle hat. She carried a white Bible topped with pink rosebuds and stephanotis tied with white satin ribbon.

Honor attendants were Miss Joyce Bateman and David Beckwith. Miss Bateman wore a pastel blue dress with matching capulet and accessories. Her corsage was of pink and white carnations.

For her daughter's wedding, Mrs. Lee, chose a beige brocade sheath, bone accessories and wore a corsage of light and dark pink carnations.

A luncheon, immediately following the ceremony, was given

in the Walnut room of the Trail for 26 guests. The table was decorated with baskets of pink gladioli and white candles. The tiered wedding cake was decorated with pink rosebuds and topped with pink satin wedding bells and lily of the valley.

The cake was served by Miss Kate Ailor. Mrs. Robt. Curfman and Mrs. Darrell Hamner were in charge of the guest book and table arrangements.

The bride's going-away attire was a bright blue soft wool sheath dress with brown accessories. She wore the corsage from her bridal bouquet.

After a wedding trip to Chicago, Niagara Falls and Buffalo N. Y., the couple is at home at 627 Ridgeland, Western Hills addition.

Mrs. Williams attended schools in Billings, Mont., and was employed by DePaul hospital.

Williams, a graduate of University of Buffalo in New York is lead engineer in procedures group of General Dynamics Astronautics at Warren Air Base.

The new bride is the granddaughter of Mrs. N. H. Harris and the late Mr. Harris of Burkburnett.

Mrs. N. H. Harris will leave Friday for Abilene, Tex., where she will attend the 50th wedding anniversary celebration of her sister, Mr. and Mrs. N. E. Wilson on Sunday.

FRIDAY

A New World of Worth from Chevrolet for '62!

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

'62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Fresh-minted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Look inside the deep-well trunk. Then—head for the open highway. ■ That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work—with a pliant Full Coil spring cushioning at each wheel. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. ■ Hard-working helpers (like the new steel front fender underskirts that guard against corrosion) give this '62 its built-for-keeps beauty. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

Corvair Monza Club Coupe

THE '62 CORVAIR MONZA

Meet the car that puts sport in the driver's seat! Bigger new brakes and Corvair's renowned rear-engine traction offer just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

This jim-dandy's got the stuff that drivers dot on. ■ Backstage you have a standard aluminum air-cooled engine that turns up 80 hp. (or if you like more razzmatazz, one that uncorks 102 hp*). ■ Sure enough, there's independent suspension on all four wheels to keep the ride as amiable as ever. Inside, you'll find a heater and defroster, cigarette lighter, dual sunshades, front-door armrests and automatic choke as standard equipment on most models. ■ There are lots of reasons for liking what's new—and tried and true—in the '62 Corvair. And your dealer's eager to tick 'em off for you.

*Optional at extra cost.

Chevy II 500 2-Door Sedan

HERE'S THE NEW CHEVY II

Here's modern basic transportation in a totally new line of cars with all the solid, time-tested Chevrolet virtues—plus some surprises you've never seen on any car before. A full line of saucy new-size models. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

This plucky new Chevy II comes about as close as a car can to perpetual motion. ■ All nine models (station wagons, a hardtop, even a convertible will soon be available in the lineup) are designed to save you money and service. Major front-end sections, including fenders, bolt on for easy replacement in case of damage. The heater and defroster are yours as standard equipment. Tough—but ever-so-gentle—Mono-Plate rear springs eliminate the friction of old-fashioned multi-leaf springs. ■ And, maneuverable and sensibly sized as this Chevy II is, it gives you the kind of room that'll make many a "big" car wonder how it's done.

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

New Chevies to Be Displayed Friday, Sept. 29

Chevrolet's passenger car line-up for 1962 features extensive restyling and major mechanical changes for its standard models plus a new complete line of smaller cars to be known as Chevy II.

This will bring the company's 1962 passenger car line-up to 32 models, highest in its history, available in the Corvair, Corvette, Chevy II and standard Chevrolet lines. These cars will be displayed in Chevrolet dealerships, Friday Sept. 29th.

The new Chevy II is larger than the Corvair but smaller than Chevrolet's regular car. Station wagons, a hardtop sport coupe and a convertible are included among nine models in the new line which emphasizes simplicity in styling and maximum functionalism in design.

Although the Chevy II design is basically conventional it offers new front mounted four and six cylinder engines, integral frame and body construction with bolt on front end and an industry exclusive in tapered plate rear springs. Both three speed manual and automatic transmissions will be available.

From a styling standpoint the Standard Chevrolet for 1962 reflects the greatest change, although Corvair models and the Corvette will also feature a number of appearance changes as well as new exterior colors and interiors.

The new standard Chevrolet features a crisp, tailored look. The 1962 models have completely new sheet metal grille work, bumpers and ornamentation, as well as new exterior colors and restyled interiors. New roof lines for sedans and the Impala sport coupe also highlight the new styling.

A number of mechanical changes and modifications will improve performance, durability and economy of 1962 models.

Among the major changes are a new 327 cu. in. V-8 engine, a new weight saving Powerglide automatic transmission and tires with advanced two ply design.

The new V-8 engine is rated at 250 horsepower. It replaces the 348 cu. in. engine except for use in heavy trucks. Its performance equals the 348, but fuel economy and engine operat-

ing efficiency are both improved.

The redesigned Powerglide will be used with the new V-8 engine and both the four and six cylinder engines of the Chevy II line. Extensive use of aluminum helps save 85 pounds of weight.

The new tires give improved fuel economy and ride quality while retaining load carrying abilities, strength and durability of four ply tires.

Heaters and built-in front seat belt anchors are standard equipment on all 1962 Chevrolet cars. A limited slip differential and air conditioning are also available throughout the line of 32 passenger car models.

Adding to its fresh styling appearance, Corvair will have new twin ornamental grilles in front plus restyled emblems, tail lights and engine exhaust grille. As a result of the strong popularity of the sporty Monza models, the Corvair 500 station wagon will be replaced by a luxurious Monza station wagon with optional bucket seats.

Corvette for 1962 will display a different look thru a new body side cove treatment, as well as new radiator grille and emblems. The higher powered 327 cu. in. V-8 engine will replace the 283 cu. in. engine in this popular American sports car.

Highway Patrol Accident Report

The Highway Patrol investigated 15 accidents on rural highways in Wichita County during the month of August, according to Sergeant E. L. Stroud, Highway Patrol Supervisor of this area.

These wrecks accounted for one person killed, twenty persons injured and a property damage of \$6,555.00.

The rural traffic accident summary for Wichita County from January through August, 1961 shows a total of 120 crashes. As a result of these crashes there were 4 persons killed and 79 injured. The estimated property damage amounted to \$75,123.00.

With the starting of school the Sergeant reminds all motorists of the State law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may proceed past such school bus at a speed which is prudent, not exceeding (10) miles per hour, with due caution for the safety of such children."

Texas Taxes Are Not As Heavy As Other States

"The Star has received the following statement from Sen. George Moffett, concerning the new tax law:

"The tax law which became effective Sept. 1, has not only placed proper financial support under the states' school system, but also provides new money from which Old Age Assistance checks will be increased three dollars per month. The old people will now receive the highest average monthly checks ever received in Texas.

"Texas teachers will not only receive a substantial salary increase, but will also have one of the best teacher retirement systems in the entire U. S.

"The new tax bill also will, over a two year period, wipe out the pre-large state deficit. This deficit was caused in part by the heavy decline in the revenue from the crude oil tax, which now brings in thirty million dollars per year less than it did in 1957."

"However, the revenue from the tax on natural gas at the mouth of the well is rising slowly. It now yields over fifty-eight million dollars per year. Attempts to place a special tax on the natural gas leaving the state have twice been declared illegal by the Supreme Court, and it's doubtful that this kind of a tax can be made to stand up.

"All states joining Texas have a higher gasoline tax than our state, yet we have better roads. All neighboring states also have a state income tax, as well as a sales tax. Texas is better off taxwise than any of its neighbors. The Texas Legislature is slow to vote new taxes unless the need is clear. As time passes on the need for smoothing out the rough spots in the new tax bill will appear. The Governor has indicated that he will call another session to make proper changes. I hope this course is followed.

DEVOL NEWS

Mrs. C. O. Woodley, Reporter

Mrs. J. E. Parton of Duncan and Mr. and Mrs. Bill Smith and children, Susan and Phil of Okla. City visited Mr. and Mrs. K. L. Smith over the weekend.

Mr. and Mrs. Joe Bill Dodson and children of Wichita Falls are spending this week with her parents, Mr. and Mrs. A. J. Mays, while their son Britt is undergoing treatments for a virus from a physician in Frederick.

Robert Lee Wyatt arrived home from Culbertson, Nebr., where he has been employed the past year and is now enrolled as a student at OU in Norman.

Mrs. Pearl Coker has returned home after spending a week with relatives in Ft. Worth.

Mrs. Jesse Butler of Randall visited her sister, Mrs. O. L. Doty Saturday.

Mr. and Mrs. John Woodley of Dallas were guests this week of his brother, Mr. and Mrs. C. O. Woodley.

Mr. and Mrs. Don McCasland are remodeling a home they recently purchased and moved into town. The house is located on lots once owned and occupied by the late Mr. and Mrs. Uthe.

Mrs. Charles Morrow of Hollister and Mrs. Guy Hutson were Wichita Falls visitors Saturday.

Mrs. Reba Crawford and daughter Brenda, have returned to their home in Bryan, Tex., after being here with her mother, Mrs. R. A. Odom who recently underwent surgery. Mrs. Janelle Smart of Ft. Cobb was a weekend guest in the Odom home.

The 24th annual Letter Writing Week will be celebrated in Devol during the week of Oct. 1st to 7th, it was announced today by Postmaster Beatrice McClendon. "A letter is the most economical and personal way to extend greetings, communicate social news and exchange ideas the postmaster said. During Letter Writing Week, Postmaster McClendon suggested that you write at least two letters and urge correspondence to people in foreign countries as a means of promoting greater understanding among people of different nations.

Outdoorsmen's Quiz-Column

by Joe Bates, Jr.

Q. Can metal spinning lures be too bright — or too dull?

A. Very definitely they can. When waters are low and clear, and especially when the sun is out, a dull lure usually gets best results. In fact, using a shiny lure under such conditions may frighten fish, rather than attract them. The time to use a bright lure is on a cloudy day, and especially when waters are high and discolored. Many fishermen let some of their lures tarnish, and they polish them with a polishing cloth only when bright ones are needed. To keep them bright, dip them in plastic lacquer.

Q. Please name a low-priced metal lure that will take all kinds of fresh water gamefish.

A. Several famous lunger-lancers are in that class. One of my favorites is a quarter-ounce brass or gold-plated fish-shaped wobbler called the "Goldfish". This is an excellent distance caster which can be fished deep or on top. Its special curves produce a lively wiggle which tempts all varieties of fresh water gamefish. The "Goldfish" comes in several sizes and colors. My favorites are the "gold-plated Goldfish", for use on dull days, and the "Rembrandt Goldfish" for bright conditions. This latter model is painted to look like a trout. Both of these color schemes are killers for bass, trout, walleyes, pike, or what have you. When asking for "Goldfish" lures at your dealer's, check to be sure the name "Al's Goldfish" is stamped on the back. There are many imitations of the "Goldfish", none of which seem to produce as well as the original.

Q. Where can I get free booklets which tell how to catch fish?

A. Address a postcard to "Al Stuart, Indian Orchard, Mass." and ask for his folder called "Fishing Tips". Also send a postcard to "Joe Bates, Jr., 195 Algonquin Road, Des Plaines, Ill." and ask for the booklet "How To Catch Bigger Fish". Both booklets are free and will be mailed to you promptly.

Q. Do you recommend a spinner or a wobbler for catching fish when they are down deep?

A. Since spinners should be retrieved at constant speeds, they are preferred for near-surface fishing. Wobblers can be retrieved at varying speeds, and therefore can be allowed to sink deep, for jigging. An active wobbler like the "Goldfish"; for instance, catches fish when fluttering down; when being jigged near the bottom, or when being retrieved.

Chevrolet's Newest Line—the Chevy II

One of the nine models of Chevrolet's newest passenger car line, the Chevy II series, is this 4-door sedan which proudly reflects straight flowing lines with simply sculptured details. Recessed single unit headlamps, a choice of four- or six-

cylinder engines, and manual or automatic transmission are but a few of the many found in this new line. The Chevy II's, the complete array of 1962 Chevrolet make their public appearance on Sept.

Texas-Oklahoma Fair Exhibits To Be Varied and Educational

The Texas-Oklahoma Fair, the Greatest Country Fair on Earth, will live up to its title September 25-30, according to Fair officials, by having the most outstanding exhibits in its 33 years history.

The Agriculture Department will show all the Hybrid products in both irrigation and Dryland farming. The District Agriculture workers Council will have exhibits showing the great progress in Soil, Water and Scientific Farming and Ranching, along with 4-H and FFA exhibits in this same field.

The County Wide and Community Home Demonstration exhibits will have twenty five exhibits. The 4-H Girls will include the great progress in the field of Home Making.

This promises to be the Fair viewers most interesting and educational exhibits.

Mickey Mantle and Roger Maris may knock more than 60 home runs this season, but they will never break Babe Ruth's main record—being Mr. Baseball to American youth.

Hardin Home Demonstration club met in the home of Mrs. E. J. Simons west of the city.

Mrs. E. W. Roderick opened the meeting and roll call was answered by My Best buy of the year.

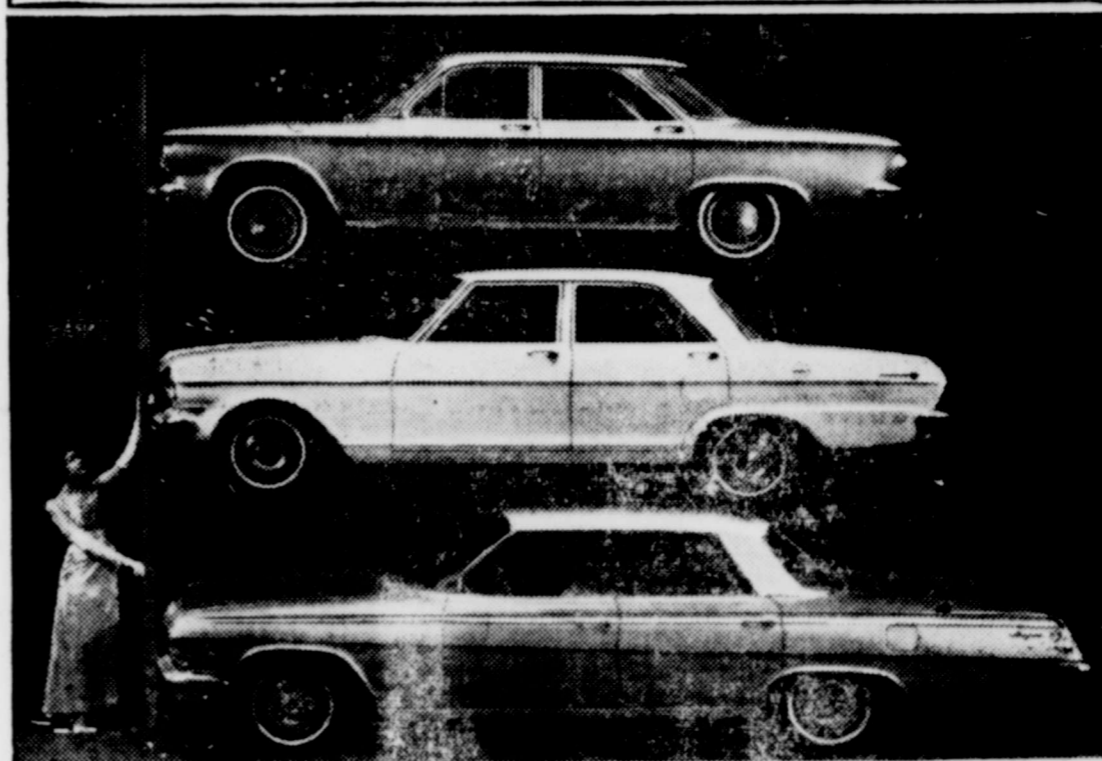

Ten members were present and 2 guests attended, Mrs. N. T. Crane and Mrs. Brayton.

The program of Food additives was presented by Mrs. A. A. Jacobs. The Compost Exhibit to be on display at the Texas-Oklahoma Fair was discussed. Lovely refreshments were served by the hostess. The next meeting will be in the home of Mrs. W. E. Goins, 218 4th St.

A man who has two wives to support may not be married to both. It may be that his son got married.

Greater choice as

Chevrolet Offers 3 Lines for 1962

The wide range of choices Chevrolet dealers will offer for 1962 is hinted in this three-car photograph. Pictured to compare over-all length are (top to bottom) the 180-inch Corvair 4-Door Sedan; the 183-inch Chevy II 4-Door Sedan, and the Impala Sport Sedan which measures 209.6 inches. They are representative of 32 passenger car models which Chevrolet dealers will start displaying September 29. The new Chevy II's low in on the same date as other Chevrolet-built cars.

Central Baptist WMU Met Sept. 18

girls will meet Saturday morning at 10:00 o'clock in the home of Mrs. L. L. Tally, 522 Sheppard Rd. All girls are encouraged to be there.

LESLIE TERRY HONORED IN PIRTLE HOME SUNDAY

Mr. and Mrs. Jim Pirtle were hosts Sunday to a dinner honoring Leslie Terry who leaves Oct. 15th for active duty with the National Guard at Camp Polk, La.

Those attending were Mr. and Mrs. Leslie Terry, Mrs. Mary Bell Terry, Mrs. Tommie Bryant and Bernice, Mr. and Mrs. Cliff Wampler and David and Gay Robin, Mr. and Mrs. Joe Eastman and Jim Joy, Mr. and Mrs. Eddie Eastman and Joe Mark, Mr. and Mrs. Dan Hofacket and Judy, and Don Craig, all of Burk Burnett, Mrs. Tom Pirtle, Randlett, Mr. and Mrs. Willie Pirtle, Grandfield, Okla.

Card of Thanks

I am indeed grateful to friends and neighbors for the many kindnesses shown me during my recent stay in the hospital and since my return home. Your flowers, cards and prayers were sincerely appreciated. May God bless each of you.

Mrs. Carrie Morris

Modern Study Club Begins Season With Brunch Sept. 23rd

The Modern Study club and guests enjoyed a lovely brunch in the home of Mrs. Donald Pemberton, Saturday, Sept. 22. Mrs. Jerry Thomas was co-hostess. Also assisting was Mrs. Jude Willingham.

The table featured a silver tea service on a white cloth, also there was a lovely assortment of decorative delicious foods.

We had a short business meeting afterwards. We will have a rummage sale on the sidewalks west of Monaghans Furniture, Saturday, Sept. 30, beginning at 9:00 a. m.

Guests attending were Genelle Lockett, Betty Garland, Donna Sloan, Peggy Felty, Barbara Parrack, and Juanita Willingham.

Members present were Lorraine Askins, Tommy Bavousett, Nancy Boardman, Martha Griffin, Mary Jo Hagstrom, Dorothy Harris, Pat McClure, Helen Reasoner, Frances Smith, Selma Wright, Judy Pemberton and Jo Ann Thomas.

Our first regular meeting will be at Pat McClure's, Oct. 2nd at 7:30 p. m. Francis Smith won the door prize.

EVERYONE LOVES A PARADE

To hear the band, to see the uniformed soldiers, to see the might of our tanks, to see the strength of our country, these things stir the heart and make us proud to be an American. Our God has made us strong and blessed us greatly, however our greatest strength is in the Lord. "GOD is our refuge and strength, a very present help in trouble." In these unsettled times we need to show our faith in the Lord, and speak with the courage of one whose father can do all things. Renew your strength each week by attending services in the Lord's house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere, and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Doughty-Melton Wedding Vows Re Tuesday At First Baptist

Miss Rosemary Doughty and Marshall Melton repeated wedding vows at 9:30 p. m. Tuesday in the First Baptist Church with Rev. Leroy Meyer, reading the ceremony.

Parents of the couple are Mr. and Mrs. Noble Doughty and Mr. and Mrs. Johnny Melton, of Burkburnett.

Mrs. C. R. Berry, Jr., sister of the groom, was matron of honor. Bill Melton was best man. Jerry Melton and Leon Melton ushered.

The bride was given in marriage by her father. She wore a floor length gown of silk organza apliqued with lace and sequins and lace mits. She carried a white bible topped with shattered mums.

A reception was given at the home of the bride's parents.

The groom is in the Navy stationed in San Diego, Calif., and will report back for duty Sept. 30th. The bride plans to join him there later.

weather serve as a reminder to have your furnace checked. It's a good insurance for continued comfort in the cooler months.

Living in a house? Here are suggestions on use of color from Thelma Wirges, county Home Demonstration agent, that will help you make the place look more spacious.

Use as few different colors in a room as possible. No more than three is a good rule. You can create an interesting room by using only one color. The secret lies in use of a number of different shades or tints of that color.

Here's a good way to enlarge the appearance of the room: Finish both walls and ceiling with a very light tone of a solid cool color—blue, green or in-between. Use the same color on baseboards, woodwork and doors. An especially low ceilings can be raised by use of a lighter tone than that on the walls.

Does work in your kitchen tire you? If so, why not check your storage arrangement for equipment and supplies. Con-

venient storage can save you lots of time and energy, reminds Thelma Wirges. Plan for the best use of space inside your kitchen cupboards. Here are suggestions offered by the agent.

Get rid of (or store some other place), all utensils and supplies you are not using. Store utensils, dishes and supplies at places where you first use them.

Store together the things you use together.

Use the easy to reach and easy to see spaces for things you use most often.

Place utensils, dishes, cutlery and food supplies so that moving one to get another is unnecessary.

Put only like kinds of things in front of each other on a shelf. Stack together only things of the same size and kind.

Plan to keep on the same shelf only things of about the same height.

Use your measuring stick, pencil and paper to fit storage space to things you store. Allow for clearance at the top and sides. One to two inches is needed at the top.

Make storage space easy to

clean. Shelves and partitions should be removable and surfaces should be smooth.

Keep in mind that you will need storage for future purchases.

Store mixing bowls, platters plates and pans of different shapes singly on shelves and in drawers.

To see some of the storage ideas, make the Home Demonstration Tour, Tuesday, Oct. 24th. Kitchen ideas will be seen in the homes of Mrs. Claude Taylor, Mrs. C. H. Arnold and Mrs. Bill Laik.

The smart wife with plenty of horse sense never becomes a nag.

Wilbarger-Wichita SOIL CONSERVATION DISTRICT NEWS

With the present moisture conditions being fully adequate over this area for the seeding of winter legumes, it should encourage farmers to increase their legume planting to include the extra acres being taken out of small grain production for 1962, states James Parks, Iowa Park Soil Conservationist.

Austrian winter peas are a legume adapted to all soils of this area. When seeded early, they provide good soil protection against wind and water

Cub Scout Pack 156

Cub Scout Pack 156 met Sept. 11th at the Youth Center. The Cub Master and Council from Pack 151 were visitors during the meeting.

Mr. Evans discussed points of business for the pack. On Sept. 23rd, the pack will gather up old toys to be repaired and given to needy children on Christmas. This year's "Good Turn" will be a joint operation of Pack 156 and the Kiwanis club. Old clothes will be solicited for a rummage sale. Sacks will be passed out on Sept. 27 and will be picked up on Oct. 1st.

New member, Michael Robinson was administered the Cub Scout Oath and became a member of Pack 156.

Awards were presented as follows: Tommy Williams, wolf badge; Eddie Martin, 1 gold arrow and 2 silver arrows to his wolf badge; Chris Kostamo, wolf badge; Don Ross, 2 silver arrows to wolf badge; Joe Landers, wolf badge and 1 gold arrow and 1 silver arrow; Kenneth Bailey, Bear Badge; Clarence Bevier, Bear Badge; Allen Farris, 1 gold and 1 silver arrow to wolf badge, a bear badge and 1 gold arrow; Ronny Fletcher, 1 gold arrow to bear badge; Michael Evans, Webelos badge.

Sept. 29th is Uniform Day. Scouts will wear their uniforms all day.

Next pack meeting will be Oct. 9th.

CARD OF THANKS

It is with deepest gratitude we extend this word of thanks for the many kindnesses shown us while our son, Gary, was in the hospital following a car accident. The cards, flowers and visits helped to brighten his days while convalescing. Your kindnesses will long be remembered.

Mr. and Mrs. Duke Owen and family

We've been watching so many mystery shows on TV that it's getting us. Last time we turned on the dial we unconsciously wiped our fingerprints off the dial.

HOW FAST CAN YOU GO IN A COFFIN?
Next time you are tempted to step on it, ask yourself this question! Last year, 40,000 died on our highways. In 3 out of 10 fatal accidents, drivers were speeding. Obey speed limits. Drive safely.
BACK THE ATTACK ON TRAFFIC ACCIDENTS!

Chevrolet Trucks Go To Diesel

Introduction of diesel power in medium and heavy duty models, two new larger displacement engines, broader power beam option across the line, lower hood lines for improved driver visibility, and extra heavy-duty optional front suspensions highlight the 1962 Chevrolet trucks.

Other features include re-styled radiator grille to include single 8-inch headlamps in all but three series, optional alternating current generators on gasoline models, and directional signals as standard equipment on all but one series.

Extended life mufflers are offered on all gasoline powered models. In the light-duty series, an aluminized shell inhibits its corrosion. Medium and heavy duty model mufflers feature gauge baffles for increased life.

This new line of 198 different models offers our customers the widest choice of trucks in our history." James E. Conlan, Chevrolet's assistant general sales manager for trucks, announced. "The need for more models designed for specific hauling jobs is typified by our entry into the growing diesel market in the medium and heavy-duty field with 15 new models."

Engines available for the first time in the 1962 Chevrolet truck line includes one General Motors diesel — a 212 cubic inch, in-line four, — and two gasoline V-8's of 327 and 409 cubic inch displacement. Four six cylinder engines and two V-8's are continued for a total of nine power plants. A 261 cu. in. six is being made available for the first time as a regular option in light-and-medium-duty trucks with manual transmissions, except forward control models.

Suspension systems for 1962 largely carry over the successful design introduced two years ago, featuring independent front wheel suspension with torsion bar springing. Minor modifications have been made for increased durability and capacity.

Honored with a birthday dinner in the home of Mr. and Mrs. A. P. Morris on N. Berry street recently were Mrs. T. W. Bennett and her sister, Mrs. J. C. Isham on Bonham, Tex. Those present were Mr. and Mrs. John Martin, Jr., and daughter, Jhonette of Randlett, Mr. and Mrs. A. J. Bennett of Houston, and R. D. Morris of Wichita Falls.

Copper and tin, properly combined, make bronze.
