Schools and Utilities Illustrate City's Rapid Growth

Texas Ranger Force Increased To Sixty-Two

Ten top flight law enforcement officers took the oath of office as Texas Rangers today in the greatest expansion of the 138 year old organization since 1935.

The ceremony took place in the office of Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety and Chief of the Rangers.

The new Rangers were sworn in following completion of a week long refresher course in modern criminology at the department's Law Enforcement Academy in Austin.

"We are proud to have these fine officers on the Ranger force," Garrison said. "They were carefully selected from a field of some 400 applicants and represent virtually every area of the state. They bring to the force a total of about 140 years experience in law enforcement."

The Ranger force was increased from 52 to 62 by an act of the last session of the Legislature.

The new Rangers and their assignments are as follows:

Edwin G. Albers, 38, a former Texas Highway Patrol sergeant at Pampa, has been assigned to Canyon.

Alfred Y. Allee, Jr., 27, a former Highway Patrol at Corpus Christi, has been assigned to Del Rio.

Clayton W. Bednar, 37, former Highway Patrol sergeant at Lufkin, has been assigned to Liberty.

Glenn Elliott, 35, former highway patrol at Longview, has been assigned to Marshall.

Frank Godfrey Horger, 34, former Highway Patrolman at McAllen, has been assigned to Corpus Christi.

O. L. Luther, 45, former highway patrol sergeant at Bryan, will remain in Bryan.

Homer T. Melton, 51, former Knox County Sheriff and Police Chief at Benjamin, has been assigned to Benjamin.

Charles Albert Moore, Jr., 37, former Highway Patrolman and DPS Intelligence Agent at Dallas, has been assigned to Dallas.

William D. Wilson, 32, former Highway Patrolman and DPS Intelligence Agent of Austin, will remain in Austin.

H. A. White, 31, former Highway Patrolman at El Paso, has been assigned to Houston.

Miss America contestants must have a high school education.

School Enrollments

The 1950-51 school enrollment shows a membership of 942; 1957-58, 1358; 1958-59, 1537; 1959-60, 2358; 1960-61 2676; and the 1961-62 enrollment shows 2995; a gain of 2053 students since 1950.

The following departments have been added to the school since 1950. Latin, Choral Music, Public School music, School Nurse, Guidance Counselor, Curriculum Director, Extension of the commercial department to include Commercial Law and economics.

Approximately \$1,072,991.00 has been spent in connection with school construction and equipment for the new construction. This figure includes \$417,394 for the Sheppard-Burk School; \$145,394 for the High School addition; \$51,502 for the Booker T. Washington school; \$202,495 for the South side Elementary school and \$153,980 for Gym dressing area.

Lone Star Gas Co.

The Lone Star Gas Company had 1928 gas meters in operation in January, 1955. In Sept., 1961 there were 2773 gas meters, a gain of 845 gas meters. In 1955 they had 3 employees and in 1961 they employ six.

Texas Electric Service Company

In 1950 there was 1800 meters in operation and at present there are 3300. Number of employees on the payroll here in 1950 was 4; now there are 9 employed.

Southwestern Bell Telephone Co.

There were 1017 telephones in Burk in 1950. By 1961 the number had grown to 2470.

The new phone building on 4th Street was completed in July, 1957. Dial service went into effect Sept. 17, 1957, with 1512 telephones in service.

Direct dialing to Wichita Falls was added April 17, 1960.

Due to rapid growth of the city an addition will be made to the present building, probably in 1962 or 1963, according to C. A. Deuschle, local manager.

Underground conduit for local service was completed earlier this year. The line started on 4th Street, going down Avenue D to Tidal St.

Conduit has also been completed into Wichita Falls for long distance service and will be cut over in November. After the cut-over date, the old telephone poles and wires to Wichita Falls will be removed.

City Water Dept.

In 1951 there were 1500 water meters in use. At present there are 2597 in operation. The city water department was pumping an average of 459,000 gallons of water per day in 1951 the average now is 757,000. In 1951 there were 8 water department employees; today there are 15 water department employees. This includes two water office clerks in 1951, and today there are two water office clerks.

Burkburnett City and School Receives Spotlight at State Fair

City of Burkburnett and Burkburnett High School were honored by the State Fair as they participated in what was rated as Burkburnett Friday, Oct. 13th.

numbering into the hundreds, perhaps thousands, stood in the hot sun to listen to the band and watch it perform, applauding each number.

The reviewing stand was set up in front of the Hall of State for Burkburnett officials, who were guests of luncheon and style show. Those occupying the reviewing stand for the Torch Light parade were Mayor and Mrs. George McClarty, Commissioner and Mrs. Joe Crowley, City manager and Mrs. Clovis Mann and School Superintendent and Mrs. I. C. Evans.

Several other Burkburnett citizens were also in attendance at the Fair.

Interest in credit union loans is never more than one per cent per month on the unpaid balance.

Bi-County Council of P-T A Met Oct. 4 In Iowa Park

The Wichita Archer Bi-County Council of Parent, Teachers Association met October 4, at the Ethyle Kidwell Elementary School in Iowa Park. A coffee was held at 9:00, and the meeting was opened at 9:30 by Mrs. W. T. Zimmerman, council president.

Mrs. Bud Blankenship, Safety and Civil Defense chairman presented a most interesting and informative program. A panel composed of Mr. John Lemly of Wichita Falls, City Coordinator of Civil Defense; Mr. Melvis Moss, Wichita Falls Fire Department, and Mr. Ralph Brisco, Wichita Falls Texas Highway Department, were asked questions pertaining to their special field. Workable evacuation plans for schools, and receiving stations for evacuees fire drills, responsibility of school accidents and traffic problems around schools, were among the topics discussed.

Friburg P.T.A. was presented the banner for having the most in attendance.

Local unit reports were read, and the meeting was adjourned. The next meeting will be held January 3rd, in Electra.

Those attending from Burkburnett were: Mrs. Pauline Morine, Mrs. Doris Savage, Mrs. Melva Brady, Mrs. Neva Zimmerman, Mrs. Hazel Waddell and Mrs. George Smith.

Mr. and Mrs. J. M. Dodson of Grandfield, Okla., recently spent two weeks with their son, Earl (Pistol) Dodson and family, in Schertz, Tex.

He is currently stationed at Randolph AFB near San Antonio. Mrs. Earl Dodson is the former Alice Taylor of Burk and the couple have 2 daughters Candice 5 years old and Jona Lee, 3 years old.

Well over 70 per cent of the earth is uninhabited — the oceans, jungles, and deserts.

One of the above Football Queen candidates will be chosen and crowned as Football Queen Friday night during half-time activities at the game with Electra. L. to R.: Treva Mills, Freshman; Marty McAdams, Junior; Ann Jennings, Sophomore; and Sharon Nix, Senior.

Humble Broadcasts 4 S-W Conference Grid Battles Oct. 21

Four Southwest Conference football games will be broadcast over radio Saturday by Humble Oil & Refining Co. The Arkansas-Texas game will be broadcast from Fayetteville by Kern Tips and Alec Chesser. Radio time will be 1:45 p. m.

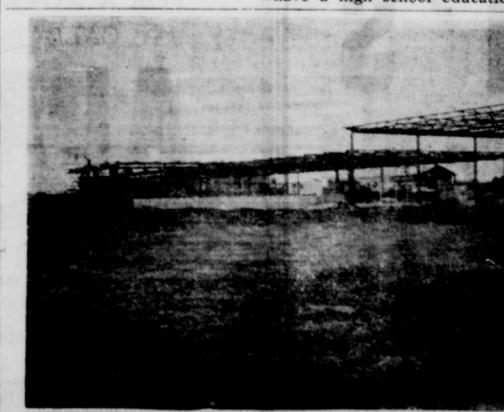

The TCU-Texas A&M game will be broadcast from Fort Worth by Ves Box and Eddie Hill. Radio time will be 1:45 p. m.

The Rice-SMU game will be broadcast from Houston by Eddie Barker and John Smith. Radio time will be 7:45 p. m.

The Texas Tech-Baylor game will be broadcast from Lubbock by Bob Walker and Stan McKenzie. Radio time will be 7:15 p. m.

Mrs. Paul Browning of Los Angeles, Calif., is visiting her sister, Mrs. Beulah Hall, and other relatives here for a few weeks.

Mr. H. A. Goodwin resigned from Civil Service September 20th due to ill health. He had worked under Civil Service for 15 years.

The construction of the new small Corrective Gyms, has begun at the High School Addition, which is presently being used as the Junior High School building. This construction is under the Virgil Mills Construction Co.

story and a half house almost completed in the Heights Addition on Cropper Road in the South town.

**Four-Town Industrial Committee
Met In Burkburnett, October 11th
To Plan Future Development**

The Industrial Committee of Electra, Iowa Park, Wichita Falls and Burkburnett, met at the Town Hall, Wednesday noon to unify their efforts toward securing new job opportunities in Wichita County. Alvin Hill, Burkburnett Industrial Foundation President, presided at the meeting of the 16 man group, that had as their goal the discussion of cooperating on a booth to be put in the Industrial Site Selection Show at Dallas next January.

Howard Maddox, Industrial Department of Texas Electric Service Company, from Fort Worth, was present to bring the committeemen up to date of new thoughts and trends in Industrial Development. Pending approval by the Board of Directors of the various Chambers, it was moved and approved that a committee be appointed to follow up and secure the space and booth. Rex Jennings, Jim Harwell, Tommy Lockridge and Luther Shaw were appointed.

Alvin Hill was selected chairman, Bob Mowery, vice chairman and Jim Harwell, secretary-treasurer of the committee to finance the project.

Those present were: Bob Mowery, Dub Johnson, Calvin Brooks, and Tommy Lockridge, Electra; Curtis C. Morgan of Iowa Park, Howard Maddox of Fort Worth, Bob Gaston, W. A. Hotchkiss, Ivan Allred and Rex Jennings of Wichita Falls, Alvin Hill, George McClarty, Buster Morgan, Jack Mathis, Winston Freeman and Jim Harwell of Burkburnett.

Bluebonnet Garden Club Met Oct. 16th With Mrs. Banning

The Bluebonnet Garden Club met in the home of Mrs. Ona Banning, October 16th, at 2:00 p. m. for a horticulture study and exhibit. With Mrs. Walter Riley, National Flower Show Judge, instructing on the different practices of flower show specimens. She described each exhibit, as to its qualities as a flower show entry, giving correct qualifications for it to win a blue ribbon. The demonstration was very educational. The exhibit was very beautiful in spite of the time of year, when our gardens are not at their season's peak.

Refreshments were served to the following Mesdames: Elizabeth Brady, Wilma Thaxton, Icie Howard, Gail Butts, Winnie Short, Earlyne Chambers, Lilly Neal, Velma Bohner, the hostess and guest speaker was Mrs. Walter Riley.

Velma Bohner, Reporter
Mr. and Mrs. Ray Mills visited her mother, Mrs. Garrett, in Abilene over the week end. Mrs. Garrett is reported to be improving following recent surgery.

Farm Bureau Annual Meeting Tues., Oct. 24th

The annual convention of the Wichita County Farm Bureau will be held Oct 24th at the First Methodist church Fellowship hall in Iowa Park, 7:30 p. m. according to Carl Moeller, president.

The farm leader said this will be the most important of the entire year for the local organization. Resolutions incorporating the thinking of the membership on local, state and national issues will be passed. Those dealing with local matters become the policies of the county Farm Bureau to guide during the coming year.

Resolutions dealing with state and national issues will be forwarded as recommendations to the voting delegates of the state convention to be held Nov. 12-15th in Galveston. There they will be acted upon and either accepted, rejected or amended. Those adopted become state Farm Bureau policies for 1962 on state matters and recommendations on national issues to the voting delegates of the American Farm Bureau Federation convention to be held in December in Chicago.

Only members of the Farm Bureau can participate in the organization's policy making process which begins with the local convention and culminates in the annual convention of the American Farm Bureau Federation. More than 1,600,000 farm families have an opportunity to have a voice in the formulation of the national Farm Bureau policies which are developed democratically thru the series of conventions. Three out of every four organized farmers belong to Farm Bureau.

After the local county FB forms its recommendations on state and national issues, it sends voting delegates along with other county Farm Bureaus to the state convention. Each county's voting strength is based on its membership. These representatives of county Farm Bureau approve the state policies for 1962 and the recommendations to the national convention. The Texas Farm Bureau in turn sends delegates based on its membership strength to the national convention where the national policies are adopted. Texas, the fourth largest state Farm Bureau, has one of the largest voting blocs at the national convention.

Many important issues are confronting farm people now, and it is important for farmers to express themselves on these issues in a manner that will enable them to be heard, the county Farm Bureau president said. He urges all members to attend the meeting and partici-

pate in the discussion and voting.
The president will review the activities and cite the accomplishments of the year. An annual financial statement will be given and new officers will be elected. As added attractions, a cash door prize will be given to some lucky person and a male quartet will render several numbers.

Unity Garden Club Met Wednesday

The Unity Garden Club met Wednesday, October 11th in the home of Mrs. R. C. Gilbou. Co-hostess was Mrs. Lloyd Cokindolpher. Fourteen members were present. The President, Mrs. Troy Miller, presided over the business meeting.

District No. 2 fall board meeting will be held in Greenville, Texas, November 7-8. Flower Show School No. 4 will be held, November 1-2-3 in Wichita Falls, Texas.

The club had invitations from the Green Thum Garden Club of Olney, Texas, to their flower show, October 12.

Mrs. J. D. Riddle announced that the Rummage and Bake Sale for October 21st, along the side street of Boyd's Department Store. The Bake Sale will be the main street at about the Manhattan Store.

The sale is for the benefit of landscaping the new junior high school grounds.

Helping to plan the landscaping are Mrs. Herman Miller and Mrs. A. L. Gilbow.

A lovely program was enjoyed by all members.

Theme chores and Joys of Early Autumn. Mrs. J. D. Riddle gave, "Plant Your Bulbs with a Plan." Mrs. B. T. Mabens, "Flowering Trees Are Beauty Bargains."

Hostess arrangement: "Autumn Glory."

Next meeting will be a luncheon honoring "Golden Age Guest" to be held at Town Hall, November 8th.

Santa Rosa District Workshop to be Held In Vernon Oct. 23

The Progressive Ideas Workshop of the Santa District of TFWC will be held in Vernon's Wilbarger Auditorium, Monday, October 23rd.

Federated Clubs of Vernon will share hostess duties. A coffee from 8:30 to 9:30 a. m., will honor all club women of the Santa Rosa District.

The South American theme will be carried out in decorations by the Junior Clubs of the district. Mrs. Loraine Kent will give a travelogue of her tour of South America which included the International Convention in Rio De Janeiro. Special guests will be Mrs. J. L. Gennings of Pilot Point, 2nd vice president of TFWC and Miss Eudora Hawkins of Abilene, Public Affairs chairman of TFWC.

Eight departmental chairmen will conduct the afternoon work shop known as the "buzz session." The work shop will

close at 2:30 p. m.
Hostess clubs suggested that it would be interesting for those who have costumes appropriate for the South American theme to wear them to the luncheon.
All club members and guests are urged to attend the work shop and luncheon.
A number of Burkburnett club women are serving on the Santa Rosa District board.

Hi-way Patrol Report for Sept.

The Highway Patrol investigated 12 accidents on rural highways in Wichita County during the month of September according to E. L. Stroud, Highway patrol supervisor of this area.

These wrecks accounted for 7 persons injured and a property damage of \$5,454.00.

The rural traffic accident summary for Wichita County from January through September of 1961 shows a total of 120 crashes. As a result of these crashes there were 4 persons killed and 86 injured. The estimated property damage amounted to \$80,577.50.

Shorter days and longer nights spell disaster on the streets and highways, Sgt. Stroud said. Next time you turn on your headlights, glance at your watch and see how much earlier you are using lights than you did only a week or two ago. And as time moves on during the next three months, carlights will be needed earlier day by day.

No matter what anyone may tell you as to how good a driver he is after dark, you had better take it with a grain of salt, because no human sees as clearly or as well after dark as he does in the daylight. Some people may see better than others, and some may not be bothered too much by bright lights in traffic; but if they will be honest with you, they will admit that they do not consistently employ the same driving tactics after dark as they do in the daylight. The veteran Highway Patrol supervisor added that night driving is different; therefore, it calls for a driving technique very different from that used during the daytime.

SHARON ANN BOYLE IN STATE UNIVERSITY MARCHING BAND

Sharon Ann Boyle of Burkburnett is one of 112 members of North Texas State University Marching Band this fall. Daughter of Mr. and Mrs. Nelson E. Boyle, 700 Meadow Drive., Burkburnett, Miss Boyle is a freshman music education major at NTSU. She was graduated last spring from Burkburnett High School.

Directed by Maurice McA Dow the band has gained a wide reputation for its performance at football games both on and off the NTSU campus. The marching group is reorganized into the Concert Band after the marching season and makes extensive tours each spring.

Christian Men's Fellowship Met Saturday, October 7

The Christian Men's Fellowship held their first official meeting Saturday night, October 7th in Fellowship Hall of the First Christian Church with thirteen present.

Kenneth Lile, president of the C.M.F. of the First Christian Church of Wichita Falls, addressed the group. His topic was: "Why A Men's Organization?"

In the business session, Bill Cansler was made president; W. K. Clayton, vice president; Wesley Lingo, secretary; and Gullye Bateman, treasurer.

The group voted to give a day of labor to remodeling the old city park. They decided to prepare and serve the Fellowship Dinner for the Church, October 14th.

Rev. Wayne Black gave the devotional.
The aim is to have every man in the church an active member of the group.

Weiner Schnitzel
Kartiffel Pfamkuchen
Gruener Salat mit Sauer Rahm
Bayerischer Aprikofen
Mais Kuchen
Kuchen

Getrank Wearcel Bier
The above was the menu served at the Fellowship Dinner at the First Christian Church Fellowship Hall by the Christian Men's Fellowship, Saturday night, October 14th.

The men had decorated the hall with orange and black crepe paper. The lighting was from tall candles in root beer bottles and a lantern hung centrally. During the meal and program German polkas and waltz music came from records on a record player.

Mr. and Mrs. E. A. Birkman of Clara were special guests. Mr. Birkman gave a prayer of grace in German then translated it to English. After the meal he gave a prayer of thanks in both languages. Then at the close of the program, he gave the Lord's Prayer in German.

Mr. and Mrs. Pete Wylie demonstrated the polka. Several couples joined in the dance. Fun was furnished when Mr. Louis Todd introduced the broom polka.

The men who served the meal wore white shirts, shorts and black suspenders. They were: Messers: Jim Harwell, Jim Kincaid, Pete Wylie, Archie Ross, Louis Todd, Paul Gilchrist, Jim Jefferies, Wesley Lingo, Herbert Halfeger, Waldo Huddleston, Bill Cansler, Charles Tipton and Bill Vann.

Mrs. Paul Browning of Los Angeles, Calif., and Mrs. Blake Browning of Burkburnett visited relatives in Fort Worth over the week end.

Installation Banquet Honors Workers Jan Lee Heights Friday, Oct. 13

"The Key to Church Progress" was the theme used for Jan Lee Heights' Banquet Friday, Oct. 13th.

Rev. Travis McMinn, pastor of the mission, gave recognition to the General officers. Recognition was also given to the Sunday School and Training Union workers by Mr. Odgen Givens, Superintendent of the Sunday School and J. D. Turner Training Union Director.

Mrs. Gerry Landrum, chairman of the Decorations Committee, chose "Unlucky Friday" as the motif for decorating, featuring black cats and broken mirrors and salt on the banquet tables.

Following the dinner, candle-lighting opened the services in the auditorium. Rev. McMinn performed a marriage ceremony relating the importance of Sunday School and Training Union to the Church.

Six keys representing motivation, standardization, administration, visitation, information and spiritualization were presented to officers holding key positions in the church.

Douglas Feazel from First Baptist church in Iowa Park, brought the message, speaking on "Adults - Key to Church Progress."

Three Seniors Get Commendations From Merit Corp.

Three seniors at Burkburnett High School have been honored for their high performance on the National Merit Scholarship Qualifying Test (NMQST) given last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

Mr. M. D. Groenewold, the school's counselor has announced that the commended students are: David Nelson, Katrina Wahking, and Harvey Wilds.

John M. Stalnaker, president

of the National Merit Scholarship Corporation stated:

"In recognition of their excellent performance on the National Merit Scholarship Qualifying Test, nearly 25,000 students throughout the United States are being awarded Letters of Commendation.

"The Letters of Commendation provide tangible recognition of the commended student's high ability," Mr. Stalnaker continued. "It is our earnest hope that the recipients will continue their education and thus benefit not only themselves but also the nation.

"The Merit Program has several objectives. One is the selection of Merit Scholars. However, we also strive to foster the pursuit of excellence among all students whose high performance indicates great promise. We urge the students honored today to make every effort to attend college, and to develop to the fullest their promise of achievement."

Newcomers Welcomed to Burkburnett

The Burkburnett Chamber of Commerce and the Greeters Service wish to welcome the following newcomers to our city:

Local Births

Birth certificates were issued to the following Burkburnett parents last week: Messrs. and Mesdames:

Mr. and Mrs. Harvey Elvin Landis, boy and girl
Landis, twins, Janice Marie and James Marion.

Timothy Jeffery Sparks, boy, Samuel Lee
Alvin Thacker, girl, Isabelle Thayer Sloan Hughes, girl, Rebecca Lynn.

John Dudley Wood, girl, Beverly Derece.
Billy Cranston Skinner, girl, Donna, Elaine.
Ross Stanley Watson, boy, Larry Allan.

M. L. Patterson, of Pats Electric Shop, working on some of the electrical appliances in his shop located at 313 Ave D. Mr. Patterson specializes in commercial, industrial, and residential wiring; lighting fixtures and repairs. Pat is always happy to look over any type electrical job and will give a free estimate.

Mrs. Neal Hall returned Friday from a visit to her daughter's family, Mr. and Mrs. A. D. Carithers and three sons of Rochester, Mich. While there she made a trip with the family along the shores of Lake Huron to Rogers City for a week end.

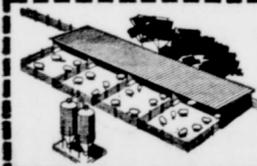

Mrs. Billie Littlefair is recovering from major surgery in the Goodall-Witcher Hospital at Clifton, Texas. Although she was seriously ill, her Burk friends will be glad to know she is out of danger.

Sheppard-Burk, Wichita Falls and Burkburnett Combine Forces in Fire Drill

The drill was held recently at the Sheppard-Burk School. Front row, left to right: F. D. Martin, Ass't. Station Chief, SAFB; Don K. Hill, Fireman, Wichita Falls; Bernice M. Parker, Fireman, Wichita Falls; W. A. Beaver, Jr., Station Chief, SAFB; R. A. Chism, Fireman, SAFB; Earl W. Rine, Fireman, SAFB; Don Hart, A-2el, Fireman, SAFB; H. R. Rich, Truck Engineer, Wichita Falls.

Back row, left to right: S-Sgt. George A. Birknpr, Center Hdq., Ground Safety; Claud Reed, Fire Marshall, Burkburnett; Major Julian F. Anderson, Head Ground Safety, SAFB; Lt. Col. Alfred D. Belima, Ex. Officer, Civil Engineer Group; E. C. White, Fire Chief, Wichita Falls; J. M. Childeur, Ass't. Fire Chief, SAFB; Hershel Johnson, Ass't. Fire Chief, Wichita Falls; H. L. McDonald, Chief of Fire Prevention and Inspection, SAFB; C. R. Andrews, Chief Instructor, Wichita Falls; S-Sgt. O. R. Goss, Instructor, SAFB.

Fire Prevention Week Oct. 8-14

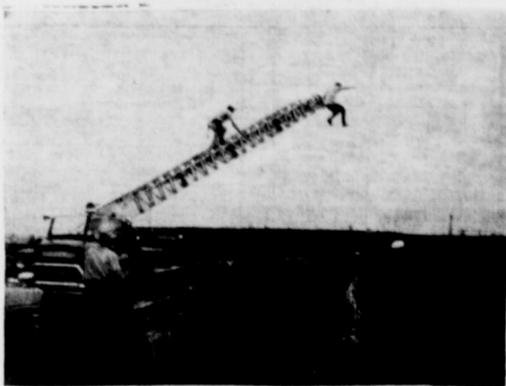

The 8th through 14th of October, 1961, was proclaimed Fire Prevention Week by the President of the United States. Fire Prevention Week came in being due to a terrible tragedy in Chicago on the evening of October 8, 1871. The fire gained a big headway by 10th of October, and since 1911, the week in which the month of October occurs has been set aside as Fire Prevention Week by a proclamation from the President of the United States.

by Mrs. O'Leary's cow kicking over a lantern into some hay at milking time. This terrible holocaust caused approximately 300 fire deaths and 9,800 persons were left homeless. An untold number were badly burned and maimed for life.

According to statistics, approximately 12,000 persons burn to death annually. The sad part of these figures are that old people and pre-school age children are the principal victims. Here are some more statistics to think about. Every day there are 920 fires in the United States; 33 deaths by fire; 8 store fires, 100 factory fires, 8 church fires, 9 school fires, 4 hospital fires. Every year it is estimated that 400 billion cigarettes are smoked—about 800,000 per minute.

At that rate, it takes only one cigarette in 2,000,000 to cause 2,000,000 fires per year. If you are a cigarette smoker, the best course to follow is to regard every cigarette you light as the one in two million that may cause a fire. We urge everyone to be more cautious as the nation's fire loss is running well over a billion dollars a year and affects our most sensitive spot (our pocket books.) We should also think about the protection of our loved ones BECAUSE DEATH IS SO PERMANENT.

Man accomplishes his best work under an annual average temperature of 62 to 68 degrees, if the climate is not too monotonous and there is some change between seasons.

Gary Koch, Wichita Falls Fireman, jumping off ladder in the Fire Drill at Sheppard-Burk School during Fire Prevention Week.

CARD OF THANKS

May I take this opportunity to thank my many, many friends for the beautiful flowers, lovely gifts and cards I received during my recent stay in the hospital and for the nice things done for me and my

family since my return home. Thanks again.
Mrs. E. J. Tatum
Mr. and Mrs. Troy Miller, Mr. and Mrs. H. Y. Müller and Mrs. Bud Ramsey attended the funeral services for Mr. Carlisle in Mineola, Texas, recently.

**Burk Study Club
Met Monday, Oct. 9**

The Burkburnett Study Club met October 9 at 8:00 p. m. in the home of Mrs. James Bohner. Co-hostess was Mrs. Jack Smith. President, Mrs. Harold Van Loh, called the meeting to order and Mrs. Howard Henderson, recording secretary, called the roll. Roll call was answered with department news. Mrs. Glen Bear, Council of International Clubs Chairman, announced the Jamaica Federated Club is raising funds to build a home for the aged. Mrs. F. A. Jamieson reminded the members to visit our State Parks this year and Mrs. W. H. Preston asked members to turn in their cards pertaining to the Cancer Check-up Campaign. The Home Life Chairman, Mrs. Jack Smith, encouraged members to enter The Vogue Sewing Contest and Mrs. James Bohner stated any member of a federated women's club may enroll for courses leading to ESO. The courses offered cover several fields of special interest to women.

The Burkburnett Study Club sponsors the Burkburnett Teenettes, a Sub-Jr. Club, and the members voted to pay their dues. Mrs. Philip Carpenter, president of the Santa Rosa District, assists the Teenettes. Mrs. Carpenter recently attended the Texas Federation of Women's Clubs workshop in Austin, Texas and it was announced that The General Federation of Women's Clubs had won the award for Dollars for Scholars.

A donation of several boxes of wearing apparel was made to The Wichita Falls State Hospital and a check was given to

the Sheppard Air Force Hospital recreation program.

Mrs. F. A. Jamieson was Leader for the evening. She introduced Mrs. Howard Henderson who spoke on "Unrest On Our Doorsteps." She stated Premier Krushchev has promised his people a wonderful future, the working women won't have to cook as there will be a communal kitchen, working hours will be shorter and there will be free lunches and free text books in the schools. Some of the Latin American countries are a threat to us. She stated our only exports to Cuba at the present are food and medicine.

Mrs. Glen Bear spoke on "Finland." She related that Finland was one of the first to introduce the eight hour day and to grant women equal political rights with men. She said there is no illiteracy there and citizens are guaranteed the protection of life, honor, and personal liberty, rights of property and privacy of the home. Helsinki has the largest bookstore in the world and more books are published and read in Finland per capita than anywhere else in the world.

The door prizes were won by Mrs. Jack Robertson and Mrs. W. H. Preston. The meeting was adjourned and a refreshment plate was served by the hostesses to the following members: Mesdames Glen B. Bear, Philip Carpenter, Jim Frye, Howard Henderson, F. Felty, Truman Garland, Alvin Hill, F. A. Jamieson, W. H. Preston, Jack Robertson, Rudolph Robinson, D. H. Smith, Harold Van Loh, and Pat White.

The rainiest place in the United States is the island of Kauai, Hawaii, where 472 inches fall annually.

Miss Patricia Simons represented Burkburnett as Miss Burkburnett at the Texas State Fair on Burkburnett Day, Friday, October 13. Miss Simons rode a beautiful float, prepared for her by the State Fair, in the Torch Light Parade, in which the Burkburnett High School Band, as well as other bands and floats participated.

Patricia was the second runner-up for Miss Burkburnett earlier this year in the Miss Burkburnett contest, and was winner of the title, Miss Congeniality.

**Gold Medallion
Is Proud Symbol
Of Modern Living**

The symbol being attached to the entrance of this new home signifies that it meets all the requirements for Gold Medallion Homes. It is electrically heated, thoroughly insulated, wired for "full housepower," well lighted inside and out, and has ample switches and outlets conveniently located in each room. It is equipped with an electric range and water heater, plus other modern electric appliances.

Statistics Dull?

These statistics aren't dull reading. They're quite impressive when you realize they pertain to just one Texas ranch:—Eighty-five thousand head of cattle on 940,000 acres. —Three thousand quarter horses. —Four hundred miles of hard surfaced roads inside the ranch's 1,500 miles of fence. —Eight hundred employees. —Three hundred windmills. A couple of Kentucky Derby winners. That's mighty big talk even though you know it's the great

King Ranch in the Magley of Texas. People from the area appreciate the ranch best, however, for the agricultural experiments that have come from it to cattle, re-seeding, conservation of wildlife, brush eradication from the ranch is perhaps known elsewhere for development of the outstanding Santa Gertrudis cattle are a cross between a horn and a Brahman. A lot of Texas brags come from this ranch.

Miss Cappy Kennedy, Miss Teenager, Wichita Falls; Miss Sue Revier, Miss Flame, from Burkburnett; escorted by Jerry Dale Mann of Burkburnett, at the FEX Store in Wichita Falls. Miss Teenager and Miss Flame presented the 10,000th membership card for the store.

This Week's Ideas — for Sportsmen

Chocolate was the favorite energy food of the Emperors of the Aztecs long before Columbus discovered America. When Cortez conquered the Aztecs in Mexico, he introduced chocolate to Spain. During the 17th century it became a luxury in many parts of Europe.

Nestle and other Swiss chocolate makers perfected the confection by adding milk to the sweetened chocolate. This new "eating chocolate" fast became the favorite energy food of athletes, explorers and sportsmen because it packs so much pep and food value into such small space and weight.

Today, milk chocolate bars are cheap, and even more delicious than ever. Hunters and fishermen habitually carry them to munch on the trail as a tasty substitute or supplement for lunch. Favorites are "Nestle's Crunch" Bar (which contains extra proteins in the form of crunchy rice) and "Nestle's Fruit 'N' Nut" Bar (which is packed with energy-building raisins and nuts). Sportsmen prefer the large-sized bars because they provide enough for all day, plus perhaps a chunk or two to share with friends.

For readers who would like a handy pocket-sized booklet which tells how to cook outdoors without bothering with pots, pans and dishes, here's a suggestion: Mail a postcard to "Joe Bates, Jr., Box 414, White Plains, New York" and just say "send cookbook". You'll get (absolutely free) an illustrated 36 page booklet on outdoor cooking which contains dozens of simple recipes and many ideas for making backyard and camp cooking easier and more fun.

OLD AND NEW — When old-fashioned night shirts and caps were in vogue, this cotton-cushioned innerspring mattress and matching box springs would indeed have been a novelty. Today such bedding means sound, restful sleep for millions of Americans.

WHO WOULDN'T SMILE? Linda Lackey, 1961 Maid of Cotton, smiles from among suitcases filled with fabulous cotton fashions, including daytime dresses and suits, winter coats, colorful sportswear, and elegant evening costumes. Officially opening this month is the contest to choose the 1962 Maid of Cotton, who will be outfitted in a similar wardrobe styled by the nation's top designers.

Wesleyan Serv. Guild Met Tuesday, Oct. 3

The Wesleyan Service Guild met in the home of Mrs. Jim Pirtle on the 3rd of October, 1961.

Miss Ann Grady, president, presided. Mrs. Glen Schroeder read the minutes from the previous meeting. Mrs. Lucille Duvall gave the financial report and stated that this month the foreign mission pledges from the Guild were due. The committee chairmen were called upon to report their activities. Mrs. Tuel stated that the latter part of October the W.C.S.C. would hold their Week of Prayer. Mrs. Melton announced that the first four-part study program of the year was to be conducted in Wichita Falls, according to a letter received from Mrs. Hugh Watkins. The subject of the study is "Latin America," the first and third lectures are to be held on Sundays, October 8 and 15 at 2:30 p. m., the second and fourth lectures are to be held on Tuesdays, October 10 and 17 at 7:30 p. m.

All Guild members are urged to attend.

The devotional was brought by Mrs. Homer Gilbert. The pro-

gram was presented by Mrs. Earl Martin.

The co-hostesses, Mrs. J. C. Parks and Mrs. Jim Pirtle served delicious refreshments to the following members: Miss Ann Grady, Mesdames O. M. Kelley, E. E. Cox, O. E. Melton, Charles Kirsh, Morris Simonsen, Earl Martin, J. D. Majors, Winford Henry, Homer Gilbert, James Brady, Jr., Jim Morris, Leslie Tuel, Glen Schroeder and Lucille Duvall.

NOTICE

Burk Chapter No. 655, Order of the Eastern Star will honor Past Matrons and Past Patrons at a stated meeting Oct. 24th. The meeting will be held in the Masonic Temple at 7:30 p. m. All Eastern Star members are extended a most cordial invitation to attend.

When you wonder if you still want to do all the things you've always wanted to do . . . that's middle age, mister.

VETERANS Questions & Answers

Q—I am an Air Force Reservist. Is it true if I am recalled to active military duty I do not have the protection of rights under the Soldiers' and Sailor's Civil Relief Act that returning servicemen of the other branches of service have?

A—This Act, passed before creation of the U. S. Air Force as an independent branch of the service, did not include Air Force personnel. However, subsequent legislation blanketed them for full coverage of rights extended other servicemen under the Act.

Q—How do I apply for an improvement loan on my GI home?

A—If your original loan was a VA guaranteed loan, contact your lender or holder of your mortgage. If you got a direct home loan from the VA, contact the VA Regional Office that made you the loan.

Q—What is the new deadline date allowing Korean veterans the maximum time to get a GI loan?

A—Korean veterans are allowed ten years from the date of their separation from service plus one year for every three months of their active wartime service in which to secure a GI loan. All have until Jan. 31, 1965, as a minimum date, whether their service would entitle them to that date or not. The maximum date beyond which a loan may be made is Jan. 31, 1975.

Q—Does the VA still operate

a hospital at Fort Logan, Colo.?

A—No, the hospital, buildings and most of the grounds have been turned over to the state and is no longer a VA installation.

Burk 4-H Club News

Our monthly meeting was held Monday, October 9, at 7:30 p. m., at the Youth Center. The meeting was called to order by Patricia Simons, president. Toni Ann Savage led our 4-H club song and Diane Bentley led our 4-H pledge. Toni Ann Savage, secretary, called the roll and read the minutes of the last meeting.

A report was given by Toni Ann Savage on her trip to the State Favorite Food Show in Waco, Texas. Patricia Simons also gave a report on her trip to Waco where she participated in the State Dress Revue.

At the Texas-Oklahoma Fair, our club entered a booth on electric wiring for a home and won second place and a cash award.

Kathy Savage was elected our song leader for this year. Donna Greer was elected game leader. Our recreation for the evening was a song-fest. After the singing we all enjoyed refreshments furnished by Mrs. Simons and Patricia.

The adult leaders attending the meeting were: Mrs. G. Savage, Mrs. Simons and Mrs. J. H. Bentley. Our guests were: Miss Thelma Wirges, Home Demonstration Agent, Mrs. Elizabeth Smith, Assistant Home Demonstration Agent, Mr. Harry Cox, Assistant County Agent and Mrs. Keith.

We are happy to announce that Mr. and Mrs. Endres will become 4-H adult leaders. Mrs. Endres with a sewing group and Mr. Endres with a group in mechanics.

The 4-H members present were Eddie Viavatene, Donna Greer, Debby Meadows, Toni Ann Savage, Kathy Savage, John Keith, Diane Bentley, Patricia Simons, Louise Bentley, Marian Bentley, Raylette Simons, Mickey Simmons and Michael Hodges. The new members are Ronald Knowles, Daryl Knowles, Joy Forrist and John Keith.

Diane Bentley, Reporter

The Burkburnett 4-H Community Club had a number of entries at the Texas-Oklahoma Fair this year. The electric group had a very good booth on wiring a home. The booth won second place and a cash award. Mr. Gerald Savage is the adult leader of this group. The members who worked on the booth were: Bill Byars, John Keith, Eddie Viavatene, Ronald Knowles, Daryl Knowles, Jay Forrist, Toni Ann Savage, Debby Meadows and Kathy Savage. The fixtures for the electric booth were donated by Mr. B. H. Alexander, Jr.

The girls from the club who won ribbons on their entries at the Fair were: Kathy Savage won third place on a dress and third place on her pillow cases. Toni Ann Savage won second place on her dress, second place on a skirt, second place on a blouse and third on sportswear. Donna Greer won third place on her skirt and second place on an apron. Dianna Mullins won second place on a gown. Marian Bentley won first place on her pothold-

Miss Carol Sue Revier, grand daughter of Mr. and Mrs. R. D. Pevier has been named "Miss Flame" Monday night at the Memorial Auditorium as part of Fire Prevention Week activities.

Judging in the contest was based on three qualities — beauty, poise and a display of talent.

The talent portion is a new addition to the contest. Formerly contestants were judged on beauty and poise alone, but the contest now is being conducted along the lines of Miss America pageant.

Entrants modeled both bathing suits and formals in addition to their talent performances.

Miss Revier was crowned by last year's "Miss Flame" Miss Mary Perez, who also entertained with a dance. Also taking part in the activities was Airman 2/C Elaine Duncan, who was chosen Miss Fire Prevention at Sheppard Air Force Base.

The new "Miss Flame" received a trophy, a bouquet of roses and several gift certificates. Sue gave as her talent a piano number "The Swan." She was vieing with 11 other contestants.

Other winners were Miss Lonna Kay Lester, first runner-up, Miss Paula Joan Connelly, second runner-up and Miss Jerry Beverlin, third runner-up.

Sue is a senior in Burkburnett High School this year, and was a candidate in Miss Burkburnett contest. She was named Miss Boomtown U. S. A., sponsored by the Student Council in the spring, and Miss Oil Boom, sponsored by the Electra Chamber of Commerce.

The Miss Flame show was sponsored jointly by the local fire department and Sheppard's fire department. Fire prevention week was officially opened Sunday in Wichita Falls with a fire fighting demonstration.

ers and third place on pickles. Louise Bentley won second place in sportswear. Diane Bentley won second place on pickles and third place on her apron.

Last Wednesday evening Eva Bingham surprised Cora Lee Harmon on the occasion of her birthday by inviting some friends. Songs were enjoyed by the group who came and all enjoyed the songs. This group included: G. W. Pemberton's, Earl West's; Boyd McClure's,

School News

Class News—6-1
Teacher—Louie Hall

The class of Room 16 had a class meeting on Wednesday, October 11, 1961. The president, Bill Zimmerman, called the class to order, but the minutes weren't read because the secretary, Donna Copeland, had left them a home. The topics discussed were: The class room's needs for a clock; the lateness of a bulletin board scene to be put up; the need to put students making D's off the committees they're on; and the need to have coaching teams for students behind in their studies. The class voted for putting students who are behind in their studies of their committees. The class voted against the coaching teams for the students who are behind in their studies. The meeting was adjourned.

Forum Club Met Oct. 10th
 Members of the Junior Study Club met at the home of Mrs. Terry Austin, Tuesday evening, October 10th. The business meeting was presided over by the President, Mrs. Wood. Mrs. James Roderick gave the devotional. Plans are being made for a Rummage Sale, to be held at the home of Mrs. Terry Austin, on October 20th.

of the last meeting. Mrs. Raymond Schroeder brought an inspiring devotional on Communism. The club voted to have Civil Defense as their program theme. After a lengthy business meeting delicious refreshments were served to Mesdames, Bill Wood, Terry Austin, R. A. Willingham, Wayne Smith, Raymond Schroeder, Monty Knox and two guests, J. D. Hart and John Robinson, and the hostess, Mrs. James Roderick. The door prize was won by Mrs. Terry Austin.

CARD OF THANKS

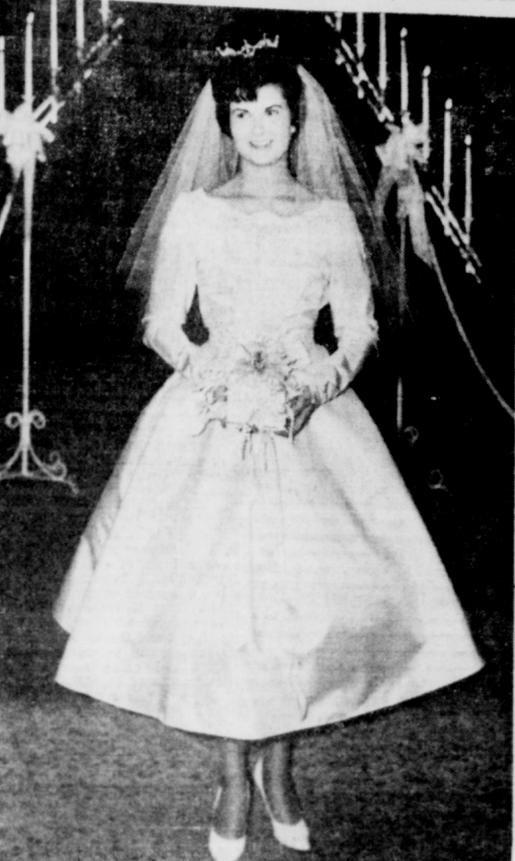

I wish to take this way of expressing my thanks to each friend and relative for their kind expression of sympathy to me in the loss of my son, Roy Lee Carlisle. The flowers, the cards, letters and calls have meant so much and may God bless each one in a special way in my prayer.
 Mrs. Mattie Carlisle 6-1tC

CARD OF THANKS

I am sincerely grateful to friends and neighbors for the many kindnesses shown me during my long stay in the hospital. The cards, flowers, prayers, visits and courtesies extended my family were sincerely appreciated.
 T. J. Willingham 6-1tP

CEREMONY IN BURKBURNETT UNITES MISS GARRETT, FIANCE

The chapel of the First Baptist Church of Burk Burnett was the scene of the recent wedding of Miss Evelyn Venitta Garrett and Charles Wayne Francisco.

Rev. Leroy Meyer officiated for the double-ring ceremony before an altar decorated with baskets of white gladioli and candelabra holding all white tapers.

Mrs. Leroy Meyer played traditional wedding selections and accompanied Roy Harris, vocalist.

The bride given in marriage by her father, was attired in a waltz-length white taffeta gown designed with a fitted bodice, scalloped neckline of lace, long tapered sleeves and bouffant skirt. Her waist-length veil of silk illusion was attached to a tiara of pearls and crystals. She carried a white orchid surrounded by shattered white carnations atop a white Bible, accented with white satin streamers tied in love knots.

Miss Janice Welborn, maid of honor, was dressed in a lavender silk organza frock over taffeta fashioned with scalloped neckline, short puff sleeves and a full skirt. Her small velvet hat with veil was the same color as her dress.

Jack Francisco of Wichita Falls and C. V. Howard of Randlett, Okla., were candle-lighters and also acted as ushers.

Kenneth Peters of Burk Burnett was best man.

The bride, daughter of Mr. and Mrs. V. P. Garrett of Burk Burnett, was graduated from

Burkburnett High School where she was active in the Choral and Dramatic Clubs, was a Junior and Senior Class Beauty and Queen attendant in the 1960 Boomtown Rodeo. She is active in young people's work at the First Baptist Church and is at present employed at the Burk Beauty Salon.

The groom, son of Mrs. Jessie Francisco of Wichita Falls, attended school in Grande Falls, Tex., and was graduated from Burk Burnett High School. He is now an 18-B 3.C Petty Officer in the U. S. Navy, stationed in San Diego, Calif.

A reception was held in the church parlor following the wedding. Mrs. R. L. Eidson and Miss Becky Archie assisted with hostess duties. The refreshment table was covered with a white lace cloth over lavender. A three-tiered wedding cake and an arrangement of white carnations decorated the table. A crystal punch set was used.

The couple made a short wedding trip to Dallas. The groom is attending a two-month training school in San Diego. After his completion of this, Mrs. Francisco will join him in Norfolk, Va., where he will be stationed.

Last Sunday Eva Bingham and Cora Lee Harmon went to the Dallas Fair with the Wichita Falls Rebekah Lodge, 236. Cora Lee Harmon played the piano for the 236 degree staff who put on a drill at the Fair. They went by chartered bus from Wichita Falls.

Mrs. Edwin Green Hostess to Forum Study Club Oct. 5th

A regular meeting of the Forum Study Club was held in the home of Mrs. Edwin Green on October 5th.

The meeting was called to order by the President, Mrs. Lonnie Taylor. Roll call "They're Doing It Now," was answered with new products on the market and new developments on the home or national scene.

Plans for a Rummage Sale held October 7th were made.

The club voted to consider participation in the program being formulated by the High School Student Council to sponsor a foreign exchange student.

Refreshments were served by the hostess, Mrs. Edwin Green, who was assisted by Mrs. Joe Wolfe.

Mrs. Gene Allen won the door prize.

Members attending were Mes-

dames: J. C. Adams, Jr., Gene Allen, Gene Bankhead, James Brockhaus, Tom Burnett, Winston Freeman, Edwin Green, Don Holtzen, Wallace Landrum, Eugene McNish, Don Mills, Lonnie Taylor, James Wickersham and Joe Wolfe.

Mr. and Mrs. L. W. Beckham have returned home after an enjoyable visit with their son, Mr. and Mrs. Jimmy Beckham, and children in Wentzville, Mo.

News From The County Agent

Brown patches on lawns is causing much concern in all areas of Texas, reports B. T. Haws, County agent. Even though it is much more common in high rainfall areas, it begins to occur during the summer in the Panhandle.

The disease first appears as brown circular areas from 4 to 48 inches in diameter. Because the fungus is most active on the outer border of these circular patches, the infected areas may take on a "smoke ring" appearance. During the latter stages of infection, circular patterns may run together and no longer be evident, says Haws.

Leaves usually start dying back from the tip and when they are sufficiently infected they may be easily pulled from the stem. After a few weeks, the grass tends to start growing back in the center of the brown patches. Rarely does the occurrence of this disease cause loss of stand.

Proper lawn management reduces the chances of a lawn being attacked by this fungus disease, points out Haws. Watering lawns in the late afternoon should be avoided, as should letting thick mats of grass clippings accumulate. Water should not be allowed to stand on the lawn, even if it is necessary to fill in low areas with soil.

Certain chemicals arrest growth of the disease organism

but none have been found that give complete eradication. Actidione R2, Terraclor, Ortho Lawn and Turf Fungicide, Terison-OM, Panogen Turf Spray and Merbam provide some measure of control, says Haws. Read and follow carefully the manufacturers recommendations on the labels of these products.

If you are planning any new construction on your farm, you will likely profit if you check with your county agricultural agent. He can tell you about the farm building plan service that is available from Texas A and M College and can show you what plans are available, says B. T. Haws, county agent.

The plans are for typical farm service buildings and homes which are recommended for the many different farm situations throughout Texas. The plans were developed over many years on the basis of research and field experience.

EAGLE FOOTBALL TEAM VISITED SHRINE CIRCUS IN W. FALLS SAT AFTERNOON

Last Saturday afternoon Joe Logan, with the aid of his assistant coaches Les Landers and Lonnie Taylor, loaded up their football team. The Eagles, and took them to the Shrine Circus in Wichita Falls.

The boys were thrilled with the wild animal show and of course the popular clowns.

Mrs. Logan, Mrs. Landers and Mrs. Taylor, accompanied their husbands.

Johnnie Herring, treasurer of the Little League Baseball and owner of the Herring's Hardware Store, receiving a \$50.00 check from Mrs. Jerry Thomas on behalf of the Modern Study Club. The check was given for the Little League Baseball program, which is the main project of the Modern Study Club for this year.

The Modern Study Club took charge of and operated the concession stand for the Little Leaguers during the summer.

This Sandwich Is Tasty

Ever try eating oranges and onions together?

"Well, if you haven't, try it," suggests Chef Bill Schmidt, Canadian National Hotels executive chef and supervisory chef at Jasper Park Lodge in the Canadian Rockies. "It makes the most cooling, refreshing sandwich you can serve."

"Take a slice of bread, butter it. Peel an orange, slice it, and place a layer of orange on the bread. Slice a large onion, and place a layer of onion on top of the orange. Top the sandwich with another slice of buttered bread. Cut and serve."

Chef Schmidt explains that orange and onion modify the strong taste of each other, producing a delicious cooling flavor for a summer-time sandwich. FNS

Port of King Cotton

Cotton has played a big role in the development of the United States as a world leader.

Texas' Port of Galveston has also played a big part in the development of our nation and Texas.

The first cotton ever to be exported from the United States left this country from our Galveston port. This municipally

owned port is the oldest water port west of the Mississippi River.

Not only well known shipppers, the Port of Galveston is a gateway for sulphur and cattle.

They say, "It's easy in referring to Galveston as the 'Port of Vacations' it is best known as the port of quickest departure."

It could well be called the "Port of Vacations" as tourists flock to this playground the year

WHO'S CRAZY? This pert young miss knows she doesn't need an umbrella because her hooded raincoat is treated with an improved water and stain repellent. An added advantage of this Scotchgard treatment used on many new cotton raincoats is that it doesn't need renewing after washing.

Family FINANCIAL PROTECTION

Policyholder Questions Answered by the Institute of Life Insurance

Q. What is a "waiver of premium" policy? I understand that it provides my life insurance free if I am taken sick.

A. Your description is not quite adequate. The waiver of premium clause is a provision that may be added to most life insurance policies, guaranteeing that the life insurance company will meet the premiums for you, if you are permanently and totally disabled from any cause. This holds true, even if you are disabled for life.

A large percentage of policies include this provision today and it does not cost much. The rate depends on your age, but it may run as low as 30 cents per \$1,000 of insurance at very young ages, to as much as \$5 per \$1,000 of insurance at the higher ages.

Q. The other day I read something about a lot of special features that could be added to existing life insurance policies for nothing or a very little. Could you mention some of these?

A. Yes. Some of the "free" additions that may be added to policies are: a common disaster clause, to provide terms of payment if both policyholder and beneficiary die at or near the same time; a contingent beneficiary, in case the beneficiary predeceases the policyholder; supplemental agreement to arrange special plans for benefit payment; retirement income provision for use of policy cash values; joint and survivor plan for retirement benefits, continuing benefits as long as either lives; plan giving right to withdraw portion of policy proceeds that have been set up as an income plan; automatic premium loan plan, where not already contained in policy; provision for use of policy dividends to purchase paid-up additions to the policy. Among the many provisions which may be added to policies at relatively small additional cost are: waiver of premium clause in case of permanent and total disability; double indemnity clause in case of accidental death; payor clause, to maintain premium payments for parent on child's policy, in case of parent's death; family income clause in some cases; likewise mortgage insurance clause; also educational fund clause; guaranteed insurability clause.

Carla Damaged Automobiles Are Not Bargains

Purchasers of automobiles have been warned to be on the lookout for vehicles with salt water damage from Hurricane Carla.

H. C. Pittman, executive vice president of the Texas Automobile Dealers Association, said, "According to reports received in our office, scores of persons throughout Texas are being victimized by unscrupulous bargain promoters who have purchased automobiles in the Gulf area, after they have been totaled by insurance companies and are reselling them in other parts of the state to purchasers who are unaware of the salt water damage."

TADA is a state wide organization of franchised automobile dealer, with headquarters in Austin.

We have received reports of persons who have made special trips to purchase quantities of these new cars, Pittman continued. After cleaning them up and removing the factory stickers they are selling them without advising the purchasers of the certainty of quick deterioration from salt rust. The public in the Gulf area is educated to this type of damage and therefore most of these cars are being sold in Central, North and West Texas.

"To protect themselves from such losses, automobile purchasers should beware of suspicious bargains and should buy their automobiles only from well known established dealers in their own communities, Pittman stressed. "No legitimate dealer would handle such a sale. This same type of unscrupulous activity cost many hard working families their life savings when they purchased automobiles bought in from Louisiana after Hurricane Audrey," he added.

NAVY AND YOU

Naval Reservists, the backbone of the peacetime Navy, are classified into two groups, the Ready Reserve and the Standby Reserve, who are liable for active duty only in time of war, national emergency or when authorized by law. A variety of training and experience is offered to Reservists in fields as: accounting, personnel work, aviation specialties, electronics, photography, radio, and others. Reserve participation will assist you in your vocation or avocation.

**Winners of Wolfe Ford Company's
Punt, Pass, Kick Contest Named**

First, second and third place winners in Wolfe Ford Company's Punt, Pass and Kick contest held Saturday, October 14, in which winners from each age group, six through 10, were named.

Front row, left to right: Joe Ray Karstetter, 9 year old, 1st; Jim Bob Sprague, 10 yr. old, 3rd; Steve Corbett, 6 yr. old, 3rd; Tommy Williams, 8 yr. old, 1st; Rickey Frazier, 9 yr. old, 3rd; Steve Stout, 7 yr. old, 3rd; and David Heintz, 6 yr. old, 1st.

Second row: Charlie Slaton, 6 yr. old, 2nd; Tommy Mills, 7 yr. old, 2nd; Doak McDonnell 10 yr. old, 2nd; Rodney Roberts, 8 yr. old, 2nd; Joe Hugh McGee, 9 yr. old, 2nd; Wayne D. Lockwood, 10 yr. old, 1st; and on the end is Billy Mize and Jimmy Davis, two of the helpers in the contest. Wendell Morrow, 7 yr. old, 1st place winner, is not shown in the picture. Harold Wolfe is behind the group, sitting in the 1962 Sunliner Convertible Ford in which he took the group for a ride over town.

Approximately 100 boys participated in the contest.

The Punt, Pass and Kick contest, sponsored by the Ford Motor Company dealerships, and locally by the Wolfe Ford Company, was held at the Bulldog Stadium last Saturday afternoon, October 14. Approximately 100 boys from ages 6 through 10 participated in the contest. First, second and third place winners for each age group were named.

The contest, which is being held throughout the nation, will result in 5 national P. P. & K. Champions. The National Champions will go on a "Tour of Champions" to the NFL Championship game with their dads and Ford Dealer sponsors. They will be accorded an official White House reception, be presented with a P. P. & K. Championship trophy and receive a football autographed by the NFL Championship team.

First place winners in each age group were David Heintz, 6 year old; Wendell Morrow, 7 year old; Tommy Williams, 8 year old; Joe Ray Karstetter, 9 year old; and Wayne D. Lockwood, 10 year old.

Second and third place winners in Saturday's contest were: Second place: 6 year old Charlie Slaton, 7 year old Tommy Mills, 8 year old Rodney Roberts 9 year old Joe Hugh McGee, and 10 year old Doak McDonnell. Third Place: 6 year old Steve Corbett, 7 year old Steve Stout, 8 year old Jimmy Spiek, 9 year old Rickey Frazier and 10 year old Jim Bob Sprague.

The contest was open for age groups 6 through 10, with a winner being named from each age group. First place winners received a complete football

uniform; second place winners received a warm-up jacket, and third place winners received a football. All the winners also received a ride over town in a 1962 Sunliner Ford Convertible driven by Mrs. Harold Wolfe, owner of the Wolfe Ford Company.

The score cards of the 5 first place winners will be sent to a central location where they will be compared with other winners' score cards from local contests in the same region. The outcome of these score comparisons will determine the Regional winner. There are 14 regions, corresponding to TV coverage areas for broadcasts of the 14 NFL teams' games.

From the Regional score comparison, five winners will be determined in each of the 14 regions (boy with the highest score from each age group). In all, there will be 70 regional winners.

In each region the five regional winners will be awarded a free trip with their dads, and their sponsoring Ford Dealer, to an NFL game played in that region. At this game, the five boys will pass, punt and kick again. Their scores will be recorded, mailed to the scoring center and compared with the five boys' scores from each of the other regions. The results of this comparison will determine the five national P. P. & K. Champions (one from each age group.) Winners of the national contest will be crowned National Champions—there will be five in all—one champ in each age group.

Judges and helpers in Saturday's contest were Jimmy Davis, Salesman for Wolfe Ford

TRAVEL TUNIC—Perfect for travel is this tunic-styled coat and matching skirt of lustrous cotton fallie in shades of grapefruit, lilac, or bone. The Reeves fabric is treated to shed rain.

Company, who served as Master of Ceremony; Bill Byars, Rondell Mullins, Billy Ray Mize, Cleo Askins, oJhn and Ruth Larsen.

The Punt, Pass and Kick contests are sponsored by Ford Dealerships, and is a youth activity in which all grade school boys, ages 6 through 10 can participate. The P. P. & K. program has been designed to create an interest in sports and physical fitness among American boys. In this connection, Punt, Pass and Kick has been recognized and commended by the President's Council on Youth Fitness, and has the whole hearted support of the National Football League.

Randlett News

By Mollie Ruth Elliott

Mr. and Mrs. A. R. Postelwaite, accompanied by Mr. and Mrs. Lynn Postelwaite, Mrs. Roselyn Ellis and children and Mrs. Willie Cozby, attended the wedding of Aldean Postelwaite and Miss Carol Lynn Hooper at Abilene, Texas, recently.

Mr. and Mrs. Herman Higginson of Lawton and Mr. Bill Dorton visited Mrs. Zaida Bryant Sunday.

Mrs. W. J. Morrow, accompanied by Mr. and Mrs. Payton Cozby and daughter, visited Mr. and Mrs. Herbert Struck and children, in Odessa Friday night until Sunday.

Mr. and Mrs. Aldean Postelwaite are visiting his parents, Mr. and Mrs. A. R. Postelwaite, here this week. He reports for duty on November 17th at Norfolk, Va.

Mrs. Reford Darter, counselor, and Mrs. Bill Harrison, assistant counselor, and the following YWA members; Janella Baber, Judy Clayton, Patty Nichols, Janie Eachler, Barbara Nolan, Nita Sue Bowles, Sharon Butler and Jo Ann Rhoads,

attended the State YWA Convention at Lawton Friday and Saturday at the Hotel Lawtonian.

Mrs. Flora Hatcher entered a Wichita Falls Hospital Sunday afternoon and underwent major surgery Tuesday.

Mrs. Verlon Conway of Burkburnett visited Mrs. R. H. Rhoads Monday.

Mrs. Lonnie Boles entered a Lawton Hospital last Thursday for treatment. She returned home Monday afternoon.

Mrs. A. M. Nason spent Wednesday night and Thursday with her granddaughter, Mr. and Mrs. Bobby Wilkerson and children of Burkburnett.

Mrs. Zaida Bryant was reported ill at her home over the week end.

Mr. and Mrs. Bill Harrison were reported ill at their home the first of the week.

Mr. Charlie Green of Weatherford and Mr. Sam Green of Poolville are visiting their sister, Mrs. W. J. Morrow, this week.

Mr. and Mrs. Clarence Watson visited Mr. and Mrs. Clyde

Cotter of Oklahoma City over the week end.

Mr. and Mrs. G. M. Stark and children visited her sister, Mrs. Perry Askew of Durant from Friday evening until Sunday afternoon.

Mr. and Mrs. C. E. Williams and Mrs. Una Bowman visited Mrs. J. S. Bowman of Burkburnett Sunday afternoon.

State Fair to End October 22

Texans will have their last chance to see the great State Fair of Texas "Exposition of Music" this weekend. The 1961 Fair runs through Sunday night Oct. 22nd.

The weekend will be jam-packed with special events and attractions.

The spectacular "Torchlight Parade of Music" will be presented on the fair grounds each evening at 6:45 p. m. The Sound of Music, the wonderful Rodgers and Hammerstein show which has already played to thousands of enthusiastic patrons, will have performances in the Music Hall at 8:30 p. m. Friday, Saturday and Sunday, with matinees at 2:30 p. m. on both Saturday and Sunday. The all new Ice Capades will give shows at 8:30 p. m. Friday, 1, 5 and 9 p. m. Saturday and at 1 and 5 p. m. Sunday.

The Texas Fall Arabian Horse show will be presented in the Livestock Coliseum Friday and Saturday and admission is free to everyone on the fair grounds.

The important junior livestock auction sales for steers, lambs and barrows will also be held Friday and Saturday and the youngsters who participate are expected to pocket upwards of \$150,000 in sales proceeds.

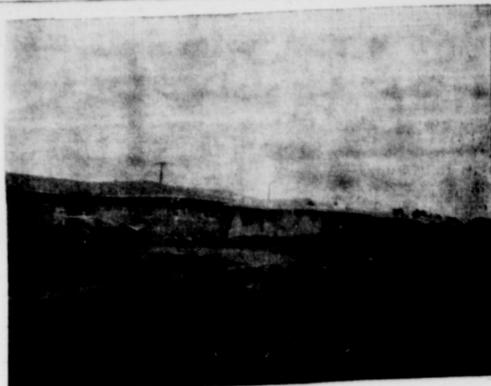

Sunday, professional football will hold the spotlight at the Fair. The Dallas Cowboys will play the Philadelphia Eagles at 1:35 p. m. in the Cotton Bowl in a National Professional League game.

Band concerts, the Mobile Sky Revue, Dixieland Jazz, western music and other free events are scheduled each day.

The Sewing Fashion Festival of free style shows will be presented in the Women's Building several times daily. Saturday is "Antique Doll Day" in the Women's Department.

There will be a free jazz concert in the Bandshell at 8 p. m. Saturday by the East Texas State College band. The North Texas Firemen's Pumper races will take place Sunday afternoon.

Many women are smart enough to ask a man for advice . . . but few of them are dumb enough to take it.

Looking East along the North side of Highland Dr. This is one of the newer additions in town, just off Bishop Road in the East part of town.

Patricia Simons "Miss Congeniality" Lives Up to Name

Burkburnett is very proud of Patricia Simons for saving the day for one of the High School Band Majorettes at the Texas State Fair on Burkburnett Day, and feel that she lived up to her title of Miss Congeniality, which she won earlier this year in a Beauty Pageant, in an admirable manner.

The High School Band didn't have much time to eat and visit the exhibits after their arrival at the fair, since their band concert performance was scheduled at 3:00 p. m. When the members started to get ready for the concert, one of the majorettes discovered she had left her tights back home.

Patricia, who is an excellent seamstress, immediately came to mind. After finding the proper material, Patricia used one

of the many sewing machines which were on display and proceeded to make her a pair of tights while hundreds came by to examine the machine display. While everyone was wondering if she could do the job in time for the concert, Patricia very calmly continued the project, completing it in ample time for the unfortunate and embarrassed majorette.

For taking time out from looking at exhibits and otherwise enjoying the fair, and being so willing to help a fellow student in time of need, the City of Burkburnett is very appreciative of Patricia Simons, and the Burk Star is very happy to spell her title, MISS CONGENIALITY, with capital letters.

No one so thoroughly appreciates the value of constructive criticism as the one giving it.

DEVOL NEWS

Karen Annette is the name chosen for the baby daughter born to A-1C and Mrs. Richard Anderson at the base hospital at Fort Devens, Mass., October 9th at 11:00 p. m. The baby weighed 9 lbs. 6oz. This is the Anderson's first child and the first grandchild of Mr. and Mrs. Frank McClendon, maternal grandparents. Mr. and Mrs. Anderson lived in Devol several years while Mr. Anderson was stationed at SAFB, but now make their home in Tyngsboro, Mass.

T Sgt. and Mrs. Gene Stine are parents of a baby boy born October 7th in Hawaii, where Sgt. Stine is now stationed according to word received here by Mrs. Stine's mother, Mrs. Avis Wood. The young man was named Jackie Lee and everyone was reported doing nicely.

Lester H. Hodges, the last of a Big Pasture pioneer family, died Wednesday, October 11th while visiting an aunt and uncle, Mr. and Mrs. H. A. Lambert in Arlington, Kansas. Funeral services were held Saturday, October 14th in Grandfield Methodist Church with Rev. Clair Payette officiating. Survivors include the aunt and uncle, Mr. and Mrs. Lambert of Kansas.

Earl Palmer, who underwent surgery last week in the Bethania Hospital in Wichita Falls, was reported doing as well as could be expected according to Mrs. Palmer who was in Devol a short time Sunday evening.

Mrs. Guy Hutson has returned home from Oklahoma City where she visited her daughter the past week.

Mr. and Mrs. Homer Tanner and daughter Karla of Apache are visiting Mrs. Tanner's mother, Mrs. Pearl Cates, this week.

The Young Womens Club met Monday in the Community Building to select a name for their newly formed club which will be known as the Devol Doers. Ten members were present as follows: Lucille Cole, Ann Stevens, Dolores Dorton, Maxine Wheeler, Linda Head, Dorothy Turner, Ruth Kirkpatrick, Helen Hopkins, Judy Tarpley and one guest, Grace Utte. Regular meeting time will be each third Monday.

NOTICE

Elective officers and committeemen of the Burk Little League Baseball will meet Monday night, October 23rd at the First National Bank at 7:30 p. m. A discussion of the ball parks and other important matters will be held.

Personnel Director Dallas Federal Savings & Loan Assoc.

THOMAS H. HARMS

Thomas H. Harms, a native of Burkburnett, has been appointed the personnel director of the Dallas Federal Savings and Loan Association according to an announcement by Lloyd S. Bowles, president. Dallas Federal is Texas' largest savings and loan association.

Mr. Harms graduated from the Burkburnett High School

in 1937, Hardin Junior College in Wichita Falls in 1939, and received his degree from North Texas State University. He has completed twenty years of active duty and retired as a major in the Regular Air Force on July 31, 1961.

Practically all of his twenty years military experience was in personnel administration, supervision and management. He served as instructor and administrator with the Baylor University AFROTC program 1957-1960. He was twice awarded the

Commendation medal for outstanding performance with Headquarters, Force, England, and Air Defense Command. He resides in Irving with his wife and

State Capitol News

charge any kind of waste into the waters of Texas without a permit from this board.

Sales Tax Time
 Merchants who have been collecting the new state sales tax will make their first payments to the state Oct. 31st, covering collections for September.

Payments will then go on a quarterly basis. Collecting stores get to keep one percent. If they make estimates and pay in advance for each quarter, they can take a three percent discount. Advance payments on the fourth quarter of 1961 will be due by Nov. 15th.

Comptroller Bob Calvert issued some more interpretations of the new law. If you pay the sales tax to the state on credit sales, and then charge them off as bad debts, you can deduct the tax on the tax return for the quarter in which you gave up on collecting.

Unless seller keeps books to show clearly what part of a credit sale is for the item, and what part is for interest, carrying charges and insurance, he must collect the tax on the whole price of the sale.

Shirt boards and clothing bags are exempt from the sales tax when bought by a clothing store for selling new goods. But laundries buying the same items would have to pay the sales tax on them.

A bottler would pay the sales tax on soda pop bottles when he buys them from the factory. But when you put a deposit on returnable bottles at the corner store, there's no sales tax on the bottles.

Paperbacks
 Students in 110 classrooms in Texas will be using some paperback school books in January.

Legislators, looking for ways to save money, told the State Board of Education to test out paperback school books and report back by 1963 on whether tax money can be saved.

The board will adopt new books at its meeting Nov. 13th. It will vote on 27 books recommended by a teachers textbook committee. Protests have been made by Rancher-Writer J. Evetts Haley of Canyon speaking for the Texans for America organization.

Tax Attacked
 Three gas pipeline companies brought suit in Austin to try to knock out the new tax on production of gas under dedicated reserve contracts.

designed to find out whether this new approach to the taxing of natural gas is constitutional. Suit was expected.

Two previous efforts to levy an additional tax on gas have been knocked out by the courts. Rep. Robert C. Eckhardt, Houston, devised this new method and believes it is valid despite some amendments he opposed on the grounds that they would weaken the chance of standing up in court.

More GI Loans
 Veterans Land Board advertised for bids for \$25,000,000 more in State bonds to expand the program of farm and ranch loans to Texas veterans.

Step up in the program was announced by Land Commissioner Jerry Sadler, who said tracts to be subdivided for sale to GI's will be appraised before the owner has surveys made.

Last Word
 Some 7,700 Texans got checks from State Insurance Liquidator C. H. Langdeau which brought to 39% their recovery from the bankrupt U. S. Trust and Guaranty Company.

The big insurance, investment and automobile sales firm which collapsed in 1955.

Langdeau has almost liquidated all the assets, but has pending a lawsuit in which he and Mrs. A. B. Shoemaker, wife of the president of the firm, are arguing as to whether a large Waco residence is her homestead or the company's.

So a proposition was made to the 9,000 creditors and claimants, settle for another two percent and charge off the rest of your loss on your 1961 income tax return. Of if you choose, hang on and perhaps get a little more if the state wins the lawsuit.

In all 7,700 took the 2 percent but 1,300 said they would wait and see.

As it stands now, Langdeau found \$7,100,000 worth of debts and deposits in U. S. Trust and Guaranty Company. He was able to scrape together only \$2,800,000 to pay on the claims.

Diggins Planned
 Archaeologists from the University of Texas will dig for Indian relics in seven parts of Texas which are soon to be covered with water.

culture are those to be covered by Sanford Reservoir on the Canadian, Amistad on the Rio Grande, McGee Bend on the Angelina, Navarro Mills on Richland Creek near Corsicana, Columbus Bend near Columbus on the Colorado, Livingston on the lower Trinity and Toledo Bend on the Sabine.

Fourth Term
 Political newsmaker of the week was Atty Gen. Will Wilson. He walked into the State Democratic Executive Committee meeting to charge that Gov. Daniel had made a deal with Secretary of Navy John Connally of Fort Worth by which Daniel would support Connally for governor and would himself run for lieutenant governor.

Wilson challenged Daniel to run for a fourth term (against Wilson), rather than to support Connally for the place "when he has barely got his seat warm in Washington."

Connally, in Texas making a speech, said he had no comment that he had quit reading fairy tales a long time ago.

Candidacy Announced
 Texas got the first announced candidate for the Democratic primary next May 5th. He is a young west Texan who set out to be a giant killer.

Keith Wheatley, 28 of Stamford, announced as a candidate against Railroad Commissioner Ben Ramsey for the remaining two years of the late commissioner Olin Culbertson's term.

Wheatley, an independent oil operator and son of State Rep. J. C. Wheatley of Haskell, said the little men in the Texas oil business are being starved out by the Railroad Commission's proration policies.

Short Snorts
 Gov. Daniel designated this week (Oct. 15-21) as Newspaper Week in Texas. He urged citizens to consider the contributions a free press makes to American democracy.

A total of 2,667 new jobs were created in Texas in August by the opening of new businesses. With 24 new manufacturing firms, 343 new jobs were opened in that category. Retail trade accounted for 1,792 new employees in 76 new firms.

Gov. Daniel reappointed H. H. Coffied of Rockdale to a third

term and Morris Roberts, Victoria publisher, to a second term on the State Board of Corrections. Leland Kee, Angleton attorney, was named to a six year term to replace Warren Bellows, Houston. This board runs the big and growing prison system.

News From The HD Agent

Brown patch on lawns is causing much concern in all areas of Texas. Even though it is much more common in high rainfall areas, it begins to occur during the summer in the Panhandle. By October, all areas of the state have been affected.

The disease first appears as

brown circular areas from 4 to 48 inches in diameter. Because the fungus is most active on the outer border of these circular patches, the infected areas may take on a "smoke ring" appearance. During the latter stages of infection, circular patterns may run together and no longer be evident.

Leaves usually start dying back from the tip and when they are sufficiently infected they may be easily pulled from the stem. After a few weeks, the grass tends to start growing back in the center of the brown patches. Rarely does the occurrence of this disease cause loss of stand.

Proper lawn management reduces the chances of a lawn being attacked by this fungus disease, points out Thelma Wirges, county home demonstration agent. Watering lawns in

the late afternoon should be avoided, as should letting thick mats of grass clippings accumulate. Water should not be allowed to stand on the lawn, even if it is necessary to fill in low areas with soil.

Certain chemicals arrest growth of the disease organism but none have been found that gives complete eradication. Act-dione R2, Terractor, Ortho Lawn and Turf Fungicide, Terison-ON, Panogen Turf Spray and Mierbam provide some measure of control. Read and follow carefully the manufacturers recommendations on the labels of these products.

For additional information, ask your county home demonstration agent for a copy of the bulletin "Home Lawns."

God Bless...

God bless Mommie, Daddie, and
all my friends at church...

"Hearken unto the voice of my
cry, my King, and my God."

God's word has a great deal to
say about prayer, for prayer is
our means to communicate with
God. Through prayer we can
give thanks, petition for our
friends, and seek God's wisdom
for our daily living.

Make prayer a daily practice in
your life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Local Businessmen Take Action With Congressmen and State Sen

Announcement of the ap-
pointment of Joe Allcorn
of the Owen-Brumley Funer-
al Home at Burkburnett
as chairman of the Burkburnett
Chapter of the National
Federation of Independent
Business, was made today
by George B. Taylor, Dis-
trict Manager of the Federa-
tion in this area.

Each business and profes-
sional man member of this
organization maintains a
voting membership, and is
polled by ballots regularly
throughout the year on bills
and issues that affect inde-
pendent enterprise at the
national state levels.

In an effort to do every-
thing possible to maintain
the American way of life,
and keep our free competi-
tive system of business, the
businessmen express their
own personal opinion on the
ballots each month and turn
them over to Mr. Allcorn,
who makes tabulations of the
number and the manner in
which they voted.

These tabulations are sent
with the underlying signed
ballots, directly to the desk
of Congressman Frank Ikard
at Washington, D. C., and to
State Senator George Mof-
fet. They are the only means
whereby independent busi-
ness and professional people
can keep in continuing, or-
ganized, personal, direct
contact with their national
and state legislators on mea-

asures that affect, local
nationally, free enter-
opportunities.
The National Fed-
of Independent Busi-
a non-profit organ-
that has the largest
dual membership of
business organization
United States and in-
dent business and in-
sional men of every
participate with votin-
berships, regardless
other civic or trade
tions.

Mr. Allcorn came
position from Coleman
as, where he had lived
years.
He is active in church
civic affairs, a member
the First Baptist Church
and the Lions Club.

Church of Jesus
Christ
United Pentecostal

The United Pentecostal church
of Jesus Christ would like to
invite everyone of the Apostat-
ic faith to come to the church
of the first borned, where the
bible is preached in its fulness
in the old fashioned way. Bible

PASTURE FFA NEWS

heifer. Jarvis also had first place pecans and Dennis Ressel had third place Super Triumph Wheat.

Hugh Lynn McCullough did well in the sheep division with second, third, and fourth place Suffolk ewes, first place and breed champion Suffolk ram, second place and reserve breed champion Suffolk ram and second place Hampshire ram.

Livestock, Dairy, Range, and Land Judging teams were sent by the Chapter to participate in the judging contests which were held September 30. The teams, however, did not place in the top three.

The Big Pasture FFA Band played an hour long stage show the last night of the Fair. This young group of boys, all dressed in flashy gold coats, entertained fair goers with an enjoyable variety of western, swing, and popular music.

The Chapters first meeting was held Thursday night, October 5, and the Greenhand initiation was the first order of the day. The second order of the day was the presenting of the FFA Sweetheart jacket to this year's Sweetheart. The jacket was presented to Miss Nita Sue Bowles. Sweetheart for 1961-62, but Miss Bonnie Williams, retiring Sweetheart of 1960-61. The FFA String Band performed a short program and refreshments were served afterwards.

NEW RANGERETTE Shirley Thaxton from Burkburnett strikes a fetching pose after having been selected for the 1961-62 edition of the Kilgore College Rangerettes. Topping the immediate appearances of the Rangerettes are performances at the Tyler Rose Festival, the Gilmer Yamboree, the Cotton Bowl, and area Christmas parades.

Burk Resident 38 Years Dies

A. P. Yeary, 78, a resident of Texas for 69 years and of Burkburnett for 38 years, died in a Wichita Falls hospital Wednesday afternoon after a long illness.

Yeary was born Aug. 3, 1883, at Jonesville, Va., and came to Texas with his parents nine years later.

He married Allene Clement Dec. 28, 1918, at Decatur, Tex. She survives. They moved to Burkburnett in 1923 and have lived here since.

The retired oil field worker was a member of the First Baptist Church here.

Services were held at 2:30 p. m. Friday from Owens-Brumley Chapel here. Rev. Leroy Meyer, pastor of the First Baptist Church officiated, assisted by Rev. Dewey Barlow of Lamar Baptist Church in Wichita Falls. Burial was in Burkburnett Cemetery.

Other survivors are a daughter, Mrs. Emma Tom Hansard, and a grandson, Bobby Hansard, both of 1208 Monroe, Wichita Falls; and two sisters, Mrs. Nora Furnish of Perryton, Tex., and Mrs. Myrtle Tuney of Austin, Tex.

Pallbearers were: Henry Anderson, Chester Anderson, Billy D. Anderson, Allie A. Dollar all of Wichita Falls, Texas; Bob Matthews, John Andrews of Burkburnett.

In one recorded case a chinook wind raised the temperature from four degrees below zero to 45 above in two minutes in the Eastern Rockies.

News From The County Agent

Rat killing season is here again. During the summer months the rat population is not too noticeable because they stay in the fields, close to their food supplies. They also stay close to their food supplies in the fall, but these supplies have been moved into barns and cribs thus concentrating the rat and mouse population around the farmstead.

This concentration presents quite a problem to the farmer but it also affords him the best opportunity for controlling these pests, says rodent control specialists of the U. S. Fish and Wildlife Service.

The first necessity in an effective rat control program is

sanitation. All debris, loose grain and other sources of shelter or food should be removed from the premises. After this has been done, poison baits should be placed in all areas likely to be frequented by rats or mice. The specialists recommend the use of anticoagulant type poisons, although others may be used.

Once the rodent population is under control, continued sanitation and the placing of a few poison baits will prevent reinfestation. These poison baits should be checked occasionally to make sure they are still in place.

The velocity of the world's maximum recorded surface wind was atop Mt. Washington, N. H., in April of 1934, when it reached 231 miles per hour before blowing away the anemometer.

Now A New World of Worth from Chevrolet

New Chevrolet Impala Sport Coupe

Lovers of good cars - what more could you want!

'62 CHEVROLET

Hasn't this one got it, though! Class. Freshness. Stretchout comfort. All the things you could reasonably want. Fourteen lovely, lively models to choose from, including a Sport Coupe with a roof line that's a dead ringer

for the convertible's. For "git," you can pick an economical 6 or your special favorite of five vigorous V8's (right up to two 409-cubic-inch powerhouses*). For putting that power to work just the way you

want it, there are four transmissions. More? Plenty. You've got the Chevrolet's Jet-smooth ride, cradled by a Full Coil spring at each wheel. Plenty of handy helpers like longer lived mufflers for all engines and a

standard-equipment heater and defroster. All this on top of Body by Fisher craftsmanship. Still more? You bet. And your Chevrolet dealer's just itching to tick it off for you firsthand.

*Optional at extra cost

New Chevy II 800 4-Door Sedan. Mmmmmmm!

NEW CHEVY II

Sensibility at its Sunday best in a totally new line of cars! Here's sturdy simplicity that saves you money in service and maintenance. A frugal 4- or satiny 6-cylinder engine (in most models). Mono-Plate rear springs that eliminate the friction of multi-leaf springs. Nine new-sized models including the soon-to-be-available hardtop, convertible and station wagons with heater and defroster as standard equipment—and with roominess that'll make many a full-sized car sit up and take notice. Pop into your Chevrolet dealer's and see what a pleasant turn driving's taken in the neat new Chevy II.

See the '62 Chevrolet, the new Chevy II and '62 Corvair at your local authorized Chevrolet dealer's

NEWS LETTER

Oct. 9, 1961
Schertz, Texas

Dear Sir:
Please renew my subscription to the Burk Star. I enjoy very much all the news of my friends and former neighbors.

It has been over six years since I have lived in Burk and many of the names and faces in the news are unfamiliar to me. I scan the pages thoroughly every week for a mention of an old friend, schoolmate, etc. It would be nice if more former Burk residents would share their news with all of us Star readers more often and keep in touch that way. I for one have been neglectful in this manner so guess I have nothing to complain about really.

Here's hoping that many others will take a few minutes to send a note to our growing hometown newspaper.

Alice (Taylor) Dodson
Yours Truly,
P. O. Box 394, Schertz, Tex.

Wesleyan Serv. Guild Met Tuesday, Oct. 3

The Wesleyan Service Guild met in the home of Mrs. Jim Pirtle on the 3rd of October, 1961.

Miss Ann Grady, president, presided. Mrs. Glen Schroeder read the minutes from the previous meeting. Mrs. Lucille Duvall gave the financial report and stated that this month the foreign mission pledges from the Guild were due. The committee chairmen were called upon to report their activities.

Mrs. Tuel stated that the latter part of October the W.C.S.C. would hold their Week of Prayer. Mrs. Melton announced that the first four-part study program of the year was to be conducted in Wichita Falls, according to a letter received from Mrs. Hugh Watkins. The subject of the study is "Latin America," the first and third lectures are to be held on Sundays, October 8 and 15 at 2:30 p. m., the second and fourth lectures are to be held on Tuesdays, October 10 and 17 at 7:30 p. m.

All Guild members are urged to attend. The devotional was brought by Mrs. Homer Gilbert. The program was presented by Mrs. Earl Martin.

The co-hostesses, Mrs. J. C. Parks and Mrs. Jim Pirtle served delicious refreshments to the following members: Miss Ann Grady, Mesdames O. M. Kelley, E. E. Cox, O. E. Melton, Charles Kirsh, Morris Simonsen, Earl Martin, J. D. Majors, Winford Henry, Homer Gilbert, James Brady, Jr., Jim Morris, Leslie Tuel, Glen Schroeder and Lucille Duvall.

A hurricane expends more energy in one second than the explosion of two or three hydrogen bombs.

Citron is a fruit originally from tropical Asia.

Blacktopping Improves Streets In Many Areas

Many areas in town have recently been improved with streets which have been blacktopped. Some of the areas were school bus or mail routes. All of the work was done by County Commissioner Clark Gresham's crew, through cooperation of the City and individuals.

The street in front of the new colored school was widened and surfaced. This was a welcome improvement.

The road from College St. South to the new Junior High got a much needed coat and sealer and the shoulders patched.

The parking area around the school is now completed.

The parking area at the new Jan Lee Heights Mission has been surfaced.

Bishop Road, going south of Sheppard Road, was widened and the shoulders repaired.

Gulf Road, carrying heavy traffic at times, has been widened and the shoulders surfaced.

SAFETY RULES

Prepared and Sponsored By
BURK STUDY CLUB

Parking Regulations - Vehicles must be parked parallel to curb unless angle parking is authorized by city ordinance. Vehicles wheels on curb side must be within 18 inches of the curb.

A sudden, rapid rise in the barometer can cause a ringing in the ears.

The fountain pen was invented by Waterman.

Former Burk Resident Dies

Mrs. Minnie Hudgeons, 84, long time resident of Burkburnett, died in an Electra rest home Wednesday morning.

Born May 26, 1877 at Whitesboro, she had been a resident of Burkburnett since 1913. She had been at the rest home about a year.

Mrs. Hudgeons was a member of the First Baptist Church of Burkburnett.

Services will be held at 2 p. m. Friday from the First Baptist Church with Rev. Leroy Meyer, pastor, officiating, assisted by Rev. Kenneth Bradshaw, pastor of the Central Baptist Church. Burial will be in Burkburnett Cemetery under the direction of Owens & Brumley Funeral Home of Burkburnett.

Survivors include two sons, Houston Hudgeons of Prewitt, N. M. and Cecil Hudgeons of Lubbock; two daughters, Mrs. A. K. Lassetter of Burkburnett and Mrs. Lena Dillingham of Marlow, Okla.; 35 grandchildren and several great-grandchildren and great-great-grandchildren.

James Mason, manager of Cicero Smith Lumber Co., has returned from San Antonio, where he spent a week of schooling on Home and Property Improvements, Building and Financing. He said one of the points stressed at the school was more advertising.

Letter to the Editor

(Ed. Note: We do not usually print, or even condone, unsigned letters. This letter, however, expresses the sentiments of so many that we felt this exception would be justified.)

Dear Editor:
My son plays football. His father and I believe high school sports build character and physical fitness, teaches good sportsmanship and develops abilities to get along with others. Incredible as it may seem, we consider these things more important than winning or losing.

Moreover, we have always been under the conviction that high school sports are designed for the benefit of the BOYS, not the fans. However, when we go to the games, we begin to wonder if our son is out on the playing field playing his heart out (or guts, if you prefer) so that some "fans" can come to the game and scream insults to the players and coaches from the stands. If the fans could only show a fraction of the sportsmanship that the boys display.

This particular type of "sideline quarterback" is in the minority, thank goodness, but they are so loud and obnoxious, they are an embarrassment to the majority of us who go to the games. We must remember that these boys are young and proud and a little common sense, with our support and encouragement.

District Clerk

Wiggins is married to former Miss Jan Mangum, Oklahoma. Three children, ages 10, 8 and 6. The new district clerk of World War I era served in the Pacific aboard Navy supply ship.

To Take Office
He attended Belle schools and business schools.

Wiggins is scheduled to take office Monday morning at 10 a. m. at the County Judge Temple's office.

"I am very happy to have this opportunity given me," Wiggins said. "Although I will always be grateful for her supervision and I wish her only the best."

Wiggins' appointment expires December 31. Duties of the district clerk include filing of all one and juvenile cases, three district court actions and notification of the district and county courts.
