## TAXES ALWAYS INCREASE

You can say one thing with virtual certainty about taxes — they always increase.

Take the social security tax as an example. The combined employer-employee rate, with each paying half, was 2 per cent on a maximum of \$3,000 a year in earnings when the plan went into effect in 1937. Now the rate is 6 per cent on \$4,800.

This isn't all. The tax is scheduled to reach 9.25 per cent in 1969 — without increased benefits. If benefits are increased, the tax will have to be boosted still farther, and applied to higher income levels.

## GRASS ROOTS OPINION

DILLON, MONT., EXAMINER: "A recent suggestion . . . urging tax subsidies for newlyweds marks another crackpot attempt to demote Americans into a class of think-not, know-not, do-not clods, stripped of the last vestiges of self-respect, ambition and pride of accomplishment."

VIRGINIA, MINN., NEWS: ". . . In his major speech on the Berlin situation, Kennedy directed himself specifically to the matter of the people's response to the enlarged defense effort. He told Americans . . . that they have borne such burdens willingly before and 'will not flinch from the task now.'"

" . . . the speech would have been better had the President declared a desire to cut down the non-defense expenditures of the government and to halt further assaults on taxpayers by sharply curtailing the many bureaucratic items which come under expanded welfare. This country may yet have to fight and if and when it does first things must come first."

## WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

The action of the Justice Dept. in securing a Grand Jury indictment against three big U.S. combines on charges of monopolizing and price fixing practices on the three major "wonder drugs" could well become a milestone in anti-trust enforcement.

It is manifestly not proper, not fair, to attempt to predict what the verdict of a court will be in a case like this. Trial by newspaper is not in the American tradition.

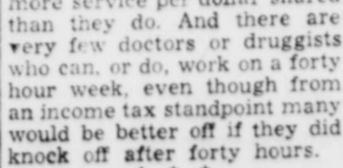

But regardless of what verdict is finally given, it is quite an encouraging note that not only has the Justice Dept. taken this action of inquiry, but that Sen. Estes Kefauver has for some time been investigating the drug situation, as well as the Federal Trade Commission.

There can be no question but what America has the best medical care system in the world. In addition, people have free choice of doctors, free choice of pharmacists, with no bureaucratic control.

Yet periodically, there crops up in public life those who would change this system for some fussy plan in which the government would become heavily involved. The excuse always is that medical costs are too high.

There is perhaps some justification that at times medical costs are expensive. But the unanswered question is "what

makes them high?" The most important people in medicine are the American doctors and druggists. And while there are perhaps some exceptions, taken by and large, there is no segment of the nation where service per dollar shared than they do. And there are very few doctors or druggists who can, or do, work on a forty hour week, even though from an income tax standpoint many would be better off if they did knock off after forty hours.

In a major siege of illness, the doctor's fee is usually the smallest part of the cost the patient pays, yet there are always some politicians and bureaucrats who would have the public believe they can get more faithful and cheaper medical care through some grandiose governmental scheme.

Thus, the pending case against the three drug firms could go a long way toward establishing where responsibility lies for high medical costs.

This pending case has some very interesting aspects. It has always been the hue and cry that the modern drug costs so much because of the research costs in developing them.

Yet of the three firms charged by the Justice Dept. one is engaged primarily in industrial chemicals, one of the others is chiefly known as a proprietary drug house, yet they not only have apparently bought up control of these wonder drugs, but old line pharmaceutical houses, and druggists, are forced to buy from them.

Thus, this case could become a most vital one to all Americans.

## BURKBURNETT.... HISTORY

Revealed By The Star Files 10 Years Ago . . .

Chief of Police Willis Bartley, Night watchman, Homer Provence and Night watchman Jim Turner, and Pete Bryan have been very patient with the open disregard for the safety of our citizens and school children by the majority of motorists. The clamp on traffic violators is being closed beginning Friday morning October 26, 1951. Hereafter if you violate any traffic regulation in Burk Burnett, be prepared for a trip to the City Hall, or the Justice of the Peace Court, or the County Court. Let your pocketbook and conscience be your guide. From here on out, no more courtesy tickets, no more begging and pleading

— just plain, businesslike enforcement.

Highlighting the Burk-Seymour game Friday night, Oct. 26, will be the crowning of the 1951-52 Football Queen, Patsy Lundberg. Patsy's attendants will be Joyce Stewart, Marilyn Walkup, Carol Campbell, Brenda Howard, Wilda Miller and Faye Lane.

According to Chief of Police Willis Bartley, there are entirely too many dogs running over town which have not been vaccinated, and have no tag of identification. These dogs, many of which hang around the grade school, are creating quite a

hazard to the little ones. Beginning Friday morning, October 26th, we found running loose does not have a vaccination tag, will on sight. It is regrettable measures must be taken, but the situation is hazardous.

## Here is the most exciting new toy of the year!

The **ENCO** Energy Rocket  
 Only \$2.95\* with coupon from your neighbor in a HUMBLE uniform

This Humble exclusive is a fascinating toy. So safe and easy to use, a small fry of six can run it. So much fun, even Dads will monopolize it.

Its principal parts are of Esccon, Humble's tough new plastic. It's battery powered, easy to assemble, (and the car is securely held together by screws). Simply start it, place on track and after a turn or two, throw the switch. The car zips down the side-track into a plastic bumper and wh-o-o-o-sh! The rocket zooms toward the ceiling (but doesn't hit it).

Ask for a coupon at the Humble sign in your neighborhood today. Mail with \$2.95\* (cash, money order or check) to address on coupon.

\* (plus State tax where applicable)

Without coupon—You can buy the ENCO Energy Rocket without a coupon for \$5.95. Mail cash, money order or check with name and address to Rocket, Humble Oil & Refining Company, P. O. Box 1944, Houston 1, Texas.

## Over 400 Attend At Homecoming

Over 400 ex-students of Burkburnett High School were entertained by a winning football team, coffee's and teas, receptions, a bus tour of the city, climaxed by a banquet Saturday evening.

Homecoming activities began with registration Friday afternoon followed by a homecoming parade in which the Burkburnett High School Band and a float from each high school class participated. Winners of the floats were announced Friday night at the ball game as they were again paraded on the field during half-time activities. The Senior float was named winner of first place and second place went to the Junior float.

Other half-time activities included the crowning of the Homecoming Queen, Miss Sharon Nix, daughter of Mr. and Mrs. Weldon Nix, was crowned Football Queen by Donnie Culpepper, President of the Student

Council and escort to Miss Nix. The football team honored the ex-students by rolling up a score of 32 to 6 over the Electra Tigers.

The banquet Saturday night was held in the High School cafeteria. A welcome address on behalf of the Student Council was given by Donnie Culpepper. Vernon Duke, a member of the school board and president of the Alumni Association directed the evening's program.

A gift was presented to Mrs. T. Guy (Fannie) Willis, a graduate of the 1912 Class and to Al Lohofener, Class of 1914, as the oldest students present. Another gift was presented to Mrs. Clarence (Turner) Heiserman, from Decatur, Ala., and Mr. Jack Daniel from Pecos, as the 2 coming the furthest distance. Marcella (Logan) Elliott was crowned Homecoming Queen. A musical skit was presented by Dorothy Duke, Karen Burton, Peggy Dot Mills and Mrs. Leroy Meyers. Among the guests present were Mrs. Jessie Ollie (Willis) Allen, mother of Mrs. Virginia Carpenter, who attended Nesterville School in

giving step by step progress to the present day.

The evening's program came to an end with the election of officers and announcement of the next Alumni meeting in two years. Following were elected as officers of the Alumni Association: F. T. Felty, Jr., President; Gene Robertson, Vice President; Mrs. Bill Vincent, Secretary; Mrs. Hugh C. Preston, Jr., Treasurer; and Mrs. Sidney Askins, Reporter.

### Bullpups Lose To Electra Tigers Thurs.

The Burkburnett Junior High Bullpups lost their first game of the season to the Electra Tigers Thursday night, October 19th at Tiger Stadium. The Tigers came back in the fourth quarter to score and win 12-6 after the half had ended in a 6-6 deadlock.

The Tigers scored first as Butch Kinder romped 50 yards for a touchdown. The conversion failed.

The Bullpups Gary Lindley turned in on the scoring as he ran 40 yards for the touchdown. The conversion failed. Second quarter play was a hard-fought offensive and defensive battle.

The Tigers scored in the fourth quarter as Butch Kinder, who proved to be an offensive threat all night ran 10 yards for the touchdown. The conversion failed.

The Bullpups couldn't start rolling as the game ended 12-6 in favor of the Tigers.

Outstanding on defense for the Bullpups were Dean Thompson, Gary Lindley, Oliver McDonald and Wallace Robinson. The next game for the Bullpups will be at Bulldog Stadium October 26, against the Olney Cubs.

### HARDIN P-TA

The Hardin Parent Teachers Association met October 17th at 2:45 p. m. in the Hardin Grade School Auditorium.

Mrs. Copeland of the Methodist Church gave the devotional, entitled, "Beatitudes for Parents." Mrs. Morris Simonson led the prayer.

After the minutes of the last meeting were read, and other committee reports were given, the following new recommendations were made, voted and accepted by the group:

1—The Parent Teachers will give a banquet honoring the teachers in the spring.

2—A musical program to be given by the school children and Mrs. Reagan (music teacher) in charge.

The President, Mrs. Morine and Mrs. Smith were elected as delegates to attend the state convention in Houston next month.

The following instructional courses will be offered: Courses in Civil Defense, (You may call Mr. Mann for further information). Courses on Education for Family Living. All members interested, call Mrs. Waddell.

Mrs. Schmelz's room won the \$10.00 membership award. The paid membership at present is 517.

Mrs. Martin and Mrs. Hall won the attendance award.

Judge and Mrs. Graham Purcell were guests, and Judge Purcell gave an interesting and informative talk for the unit. Judge Purcell complimented the Burkburnett school on the manner in which the truency problems are handled here, few of which come to his attention.

The group voted to help in the drive to screen literature now available to our children.

The meeting adjourned at 4:00. Refreshments were served by the hospitality committee to approximately 176 members.

The next meeting will be a night meeting, November 21st, at 7:30 p. m. The nursery will

## Burk Upsets Electra 32 to 6

### Bulldogs Score On Last Minute Of Play

they picked up 69 yards rushing. Lindley got the Burk touchdown route moving in the third period as he scored from three yards out on a handoff from quarterback Dale Lewis. The drive had started on the Bulldog 42 with halfback Curtis Moore lugging the ball 27 yards during the drive. Jerry Barry added the extra points on a run.

**Barry Scores**  
Sophomore defensive back Johnny Koller put the next Burk touchdown march into motion, swiping a pass from Tiger quarterback Larry Reck at the 45 and returning it to the Tiger 25.

Lindley picked up 18 yards on a slash to the line and Barry scored as he circled the end for six yards. Points after run was no good.

The fumbling Tigers handed Burk its final TD, bobbing the ball at its own 26.

But Eli Keep recovered for the Bulldogs and the running game of Henry Bauch, Barry and quarterback Lewis put the ball on the four. Henry Bauch broke into the scoring column with a four yard dive into the end zone. The point after touchdown attempt failed and the Bulldogs held a 32-0 lead with four minutes remaining in the game.

Two passes good for 22 yards and two 15 yard penalties against the Bulldogs set up the only Electra tally. Quarterback Larry Reck threw to J. B. Darland for the aerial yardage and the running of Lawrence Crow put the ball on the Bulldog four.

It took the Tigers four plays to score after bringing the ball down to the four. A last ditch pass on fourth down from the 11 to J. B. Darland was complete and the sure-fingered Darland fought his way to the goal for the score with 32 seconds remaining in the game. Point after run failed.

**Third Loss for Tigers**  
The game was a thrilling upset for the Bulldogs, victorious only once this season. It was the third loss in succession for the Tigers who had started the season by blanking three opponents.

The Bulldogs out passed, out-

### Mayor Welcomes Students On Student City Gov't Day

The Burkburnett High School students who were to operate the city government Monday, October 16th, met early that morning at the Town Hall to receive a welcome by City Mayor George McClarty.

In extending the welcome to the group, Mayor McClarty expressed the interest of the city council in the program and assured the group of full cooperation of city officials. He invited the group to not only ask questions as they participated in the various activities of the day, but also to observe and look for things on which they could make suggestions or recommendations. He further assured them that any recommendation they made would receive careful consideration from the City Council.

Clovis Mann, City Manager, explained the city organization to the group. He drew the organizational chart on the blackboard and explained the function of each position.

Mann also told the students that they would be graded on interest, sincerity, and courtesy to the public, and that a report would be made to the school officials.

## DAMAGE DONE TO PUBLIC PROPERTY THURSDAY NIGHT

Considerable damage by vandalism was done to street signs and park equipment Thursday night after the Pep Rally bonfire.

A picnic table bench in the park was broken to pieces. Street signs were either bent out of shape, pulled up and carried away, or otherwise destroyed. It was estimated that several hundred dollars in damage was done.

Clovis Mann, City Manager, called out the reserve, and special police for Friday night to assist the police department in helping to prevent a repetition after Friday night's game.

Mann stated that he regretted very much the necessity of calling on special police to protect the property that belongs to all the citizens. He feels that only a few that have no regard for the rights of others, are in-

involved. He asks other students and citizens to be on the lookout for such vandalism, giving assurance that violators will be prosecuted under the law.

# what's new?

everything but the name!

You've heard rumors, talk, guesses about an altogether new kind of Ford to be announced in a few weeks. Now here are the facts. You will want to consider them carefully, because *this car is like no other new car you've seen this year*—unique in size, unique in price, unique in the advantages it offers you. Body, engine, transmission, suspension—the very proportions of the automobile—everything is completely new, everything but the name. We sincerely believe it will be one of the great Fords of all time.

- Right size, right price right between Galaxie and Falcon**  
The name is both familiar and famous. We have called it the Fairlane 500 after one of the most popular Fords ever built—but only the name is the same. In every other respect nothing's borrowed, everything's new.  
Just right for just about everybody, the newest of Fords is in a class by itself. It will bring you big-car room, luxury and performance in a car that competes with the compacts in price and economy. It is priced well below the Fords that used to bear its name. It is priced under many compacts.
- New unitized body... shaves bulk... saves room**  
As a first step in building the new Fairlane, Ford engineers took a fresh look at the proportions of the American automobile—and realized it was time to change the relationship between inside room and exterior size. They started with a full-size passenger compartment. They would not settle for less—because this was designed to be, above all, a fine car. At the same time they wanted to get rid of all automotive fat—those extra inches of steel that make some cars hard to park and expensive to run.
- The solution: a completely new unitized body that gives you room on the inside and eliminates bulk on the outside.**
- New room, new comfort, new luxury**  
On the inside the new Fairlane 500 is actually bigger, roomier than the majority of the cars on the road today.  
On the outside everything is different. With one foot less to park, the Fairlane 500 is the trimmest, sleekest automobile you have ever seen or driven.  
Inside and out, it is in every respect a fine car, giving you every important luxury you want in full-size fine cars. Even the smallest details have been planned and executed with a jeweler's concern for precision.
- Twice-a-year maintenance**  
Routine service has now been reduced to a minimum—30,000 miles on many items, no more than twice a year or 6,000 miles on the rest.  
The new Fairlane 500 will travel 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications. You go two years, or 30,000 miles, without changing engine coolant-antifreeze. The car adjusts its own brakes, saving you those time-wasting little trips to the garage.
- Introducing the world's first economy V-8**  
A new foundry technique, perfected by Ford, made possible a completely new V-8 engine of precision-cast iron, almost as light as engines made of less economical, less durable lightweight metal. Developed exclusively for the new Fairlane, the new Challenger V-8 is the world's happiest combination of performance and economy. Crisp, quick and eager, its thrift is a delightful surprise!  
If you're looking for even greater savings, your natural engine choice would be the new Fairlane Six. Many compacts would envy its gas mileage figures.
- The first of a new generation of automobiles**  
You have seen cars that were supposed to be in a new class—the intermediates—but which turned out to be slightly enlarged compacts or somewhat abbreviated big cars. The car you haven't seen yet is the first fine car that puts economy first. It will be at your Ford Dealer's in a few weeks. See it then.

**E. S. A. NEWS**

Theta Epsilon Sorority of Epsilon Sigma Alpha International, met October 23rd, in the home of Patsy Adams. Lea Glisson, president conducted the opening ritual.

Bobbye Slusher, chapter chaplain, gave an interesting meditation on "Ghost." The different Halloween customs, kinds of fear and how to overcome them were covered in the talk. She stated, "In a confused world veering between war and peace, economic stability and inflationary insecurity, it is hard to distinguish between the ghost of propaganda and the fleeting ghosts of truth. This to must be done if the ghosts of failure are to be kept from our national doorway." Many ghost forms from universal to mankind's history exist—various scripture readings concerning the ghosts of ill health, the ghosts of loneliness, ghosts of poverty, ghosts of discouragement, and the ghosts of death concluded the meditation.

During the business meeting which followed, the sorority voted to cooperate with the local PTA to band the sale of obscene literature from our local magazine counters.

A style show is scheduled for November 30th, 7:30 p. m. in the Town Hall. The style show will be presented by the Elite Dress Shop. The public is invited and tickets may be purchased for one dollar from any sorority member. The proceeds will go toward our Chapter welfare and philanthropic work. Members plan to attend the District VI E. S. A. meeting, which will be held November 5th, at the Polynesian Village.

**Family Night Held Sunday Oct. 22nd At Grace Lutheran**

Approximately sixty-five parents and children gathered at Grace Lutheran Parrish Hall for an evening of Fellowship, Sunday evening, October 22nd. The evening was sponsored by the Women's Missionary Society. The committee in charge of arrangements was Mrs. O. H. Frieling and Mrs. W. L. Dickey.

The group enjoyed playing Forty-two dominoes, and cards. Mrs. Sylvia Ramming and Miss Patsy Koeing entertained the children with story book film strips, finger plays and other games.

The Walther Leaguers served delicious refreshments, consisting of sandwiches, cookies, coffee and lemonade.

The evening was climaxed with a sing song of secular and spiritual songs led by Mr. O. H. Frieling with Mrs. Sylvia Ramming at the piano. Pastor Otten closed the evening with a short devotion.

**Ladies Night Observed By Lions**

Last Tuesday night was "Ladies Night" for the Lions Club. Approximately 40 guests enjoyed dinner among decorations featuring the Halloween theme.

Morris Simonson had charge of the program, presenting James Wickersham and the High School Stage Band, with two vocalists, Sally McClain and Karen Burton.

The evening's meeting was conducted by Jim Frye, president of the club. It was announced that Harold Drayner would be program chairman for next Tuesday night.

## BAROMETER for the FUTURE

Webster says that a barometer is an instrument  
measuring the weight or pressure of the  
atmosphere, foretelling and measuring changes  
of weather and altitude.

If God were to place a barometer on our lives,  
would we be cold, lukewarm, or on fire  
for the Lord. The past we can not change...  
the future is up to us.

"... what doth the Lord thy God require  
of thee, but to fear the Lord thy  
God, to walk in all His ways, and  
to love Him, and to serve  
the Lord thy God with all  
thy heart and with  
all thy soul." ATTEND  
CHURCH REGULARLY

The Church is God's appointed agency in this world  
for spreading the knowledge of His love for man and  
of His demand for man to respond to that love by  
loving his neighbor. Without this grounding in the  
love of God, no government or society or way of life  
will long persevere and the freedoms which we hold  
so dear will inevitably perish. Therefore, even from  
a selfish point of view, one should support the Church  
for the sake of the welfare of himself and his family.  
Beyond that, however, every person should uphold  
and participate in the Church because it tells the truth  
about man's life, death and destiny; the truth which  
alone will set him free to live as a child of God.

BURKBURNETT, TEXAS

ing. Oct. 17th of their activities during Student Government Day, Monday, Oct. 16th. They expressed their appreciation to the Lions Club for sponsoring such a program, explaining how much they had been benefited by their participation. They requested that the Lions club continue the program by making it an annual affair.

The students were told at the beginning of the day that they would be graded on interest, sincerity and courtesy to the public, and that a report of their grade would be made to the school. All the city department heads submitted a report of excellent on all students along with many commen-

datations of the students. Roy Silkwood, High School Principal, expressed his appreciation to the Lions club stating that not only the participating students profited by the program, but that it was also beneficial to the entire high school. He assured the students that they would be given "A" for their participation in the days activities, based upon the recommendation of city officials.

### Newcomers Welcomed to Burkburnett

### Lions Club Orders School Safety Signs

Ten attractive safety signs were ordered by the Lions Club for Burkburnett school areas.

Five will be placed in the area of the South Side Elementary School; two in the area around the High School, two at the Junior High School on Kramer Road and one in the area of Booker T. Washington School.

The club also voted two signs for Sheppard-Burk School area, however, the Wichita Falls City Traffic Engineer rejected the signs. The Traffic Engineer explained that school safety signs throughout Wichita Falls had to

be uniform, and that he was afraid that these would not harmonize with the other signs in Wichita Falls. The Burk-Sheppard school is within the Wichita Falls city limits.

The signs should be delivered within 3 weeks. They will read, SCHOOL ZONE, DRIVE CAREFULLY.

In other action the Club voted \$100.00 to the BHS Student Council for the Foreign Student Exchange program.

Voted to participate in the Hardin Park Development program and accepted an area of the park for development.

**A. F. & A. M.**  
Stated Meetings First and Third Monday at 7:30 p. m.  
At the Masonic Hall  
School of Instruction

J. H. FERGUSON, Secy.

The High School Students being welcomed by Mayor George McClarty before taking over the operation of Burkburnett City Government. Twenty-four students participated in the program.

## '62 CORVAIR MONZA

### NEW FACE, SAME SPORTING HEART

We might as well tell you straight off: Corvair's the car for the driving enthusiast. Think that lets you out? Maybe. Maybe not.

Until you've driven one, you really can't say for sure, because Corvair's kind of driving is like no other in the land. The amazing air-cooled rear engine sees to that. You swing around curves flat as you please, in complete control. You whip through the sticky spots other cars should keep out of in the first place. (Especially this year, now that you can get Positraction as an extra-cost option.) You stop smoothly, levelly with Corvair's beautifully balanced, bigger brakes.

And Corvair's found other new ways to please you this year. A forced-air heater and defroster are standard equipment on all coupes, sedans and both Monza and 700 Station Wagons. So are dual sunshades and front-door armrests and some other goodies. You'll note some new styling, inside and out. Nice. And safety-belt installation is easier, too, and cheaper. Another extra-cost option well worth considering is the heavy-duty front and rear suspension; it turns a Corvair into a real tiger.

So you can see we haven't really done much to Corvair this year. Why on earth should we? If this car, just as she is, can't make a driving enthusiast out of you, better take a cab.

And here's America's only thoroughbred sports car, the '62 CORVETTE. We warn you: If you drive a Corvette after your first sampling of a Corvair, you may well end up a two-car man. And who could blame you?

See the '62 Corvair and Corvette at your local authorized Chevrolet dealer's

## Lydia Schoppa In State Finals Farm Bureau Queen

An attractive Wilbarger County girl will represent 17 counties in this area in the state finals of the 1960 Texas Farm Bureau queen contest November 13 in Galveston.

She is Lydia Schoppa, daughter of Mr. and Mrs. Erwin Schoppa of Harrold. Lydia was selected District 3 Queen in a contest held recently at Vernon.

At the state contest, which will be held in conjunction with the 28th Annual Convention of the Texas Farm Bureau, Lydia will compete with 12 other district winners for the state title. The winner will receive \$500 to cover expenses for herself and a matron escort attending the American Farm Bureau Federation convention in December in Chicago. In addition, all district queens will be presented beautiful wrist watches.

A junior at Oklaunion High School, Lydia is vice president of the Future Homemakers of America, president of the 4-H Club, reporter for the Junior Leaders 4-H Club, junior class favorite, a member of the pep squad and high school chorus and plays basketball and volleyball. In addition, she has been football queen candidate twice, candidate for FFA Sweetheart, 4-H secretary-treasurer, and FHA vice president.

Active in church activities, Lydia is secretary of her church's young people's organization, sings in the church choir and helps direct the children's choir and is a substitute Sunday School teacher.

Teachers of the 7th and 8th Grades. Mr. A. E. Principal; Hal Mabry, Lucille Campese, Percy W. B. W. Lindsey.
