Merchants Stay Open until 8 p. m. From Dec. 1-23

Merchants are cooperating, not only in keeping their stores open until 8 p. m. beginning December 1st, but many of them will also have Christmas drawings. Jim Harwell, Manager of the Chamber of Commerce, hopes that the merchants will hold their drawing on December 23. Jim informed the reporter that he had received word from the North Pole that Santa Claus will be in town during the afternoon of December 23rd, for his annual Kids Party, therefore he is hoping that the merchants, that have not already made other arrangements, will hold their drawings between 2:00 and 3:00 o'clock on the 23rd. The Chamber of Commerce will make available a pickup with a loud speaker system for the drawings.

Charlie 'Dad' Smith Passed Away Saturday, Nov. 25

Charlie (Dad) Smith, died at his home, 67 Glendale, November 25, 1961, at the age of 91 years, 7 months and 10 days. He was born April 15, 1870 in Knoxville, Tennessee. At the age of eight years, he moved to Ft. Worth, Texas with his parents. Later they moved to Tishomingo, Oklahoma, where he met and married, Eula Edward, who preceeded him in death in 1942. In 1929 he and his family moved to Burkburnett, which has been his home ever since. He was a member of the Church of God, where he attended faithfully until the last few months, his illness kept him at home. Survivors include four sons, Shirley, Cecil, Jerry, Chock and one daughter Opal Porter all of Burkburnett, Texas. Six grandchildren and three great grandchildren. Services were held at the Church of God at 2:30 p. m., Sunday with Owens and Brumley Funeral home in charge of arrangements. Burial was in Burkburnett Cemetery. Bro. J. W. Jackson, pastor of the Church of God officiated. Pallbearers were: Louis Johnson, C. H. Underwood, W. E. Boydston, H. N. McAda, R. R. Parks and Arvel W. Schanlaub.

Christmas Needs For Wichita Falls State Hospital

Approximately 5,000 gifts are needed in order that each patient receive two new gifts. 1. Send gifts UNWRAPPED (otherwise our hospital must do so). 2. Include enough ribbon, paper and boxes for gifts donated if at all possible. 3. Separate gifts from other donations. This saves hours of work. 4. Send all donations to Volunteer Services, Box 300, Wichita Falls State Hospital, and marked "Christmas Donation." 5. List all donations, name and address of donor. 6. Freight companies will ship free to State Hospitals if marked "Charity." 7. Gifts needed AS SOON AS POSSIBLE, preferably before December 11th. 8. Monetary donations are urgently requested for Christmas needs and for meeting year round needs of the patients. (If you wish you may specify how you wish the funds expended.) Cash donations may be made payable to the following fund: "VOLUNTEER SERVICES FOR WICHITA FALLS STATE HOSPITAL." This money is distributed by your community's "Volunteer Service Council" after careful consultations with the hospital as to its needs. The purpose of the fund is to give our community an active part in helping the patients and to expedite the process by which funds can be utilized. Special bed patients and elderly patient needs—(Plus those listed above). Foot warmers, dressing gowns, bathrobes, slippers, shawls, suspenders, bedjackets (prefer open down front with long sleeves), Bibles and Testaments (large print), washable dolls, wheel chairs, hand lotion, bath powder, mild soap. Gifts for wards and overall needs of the hospital. (Consider giving a ward gift—one which can be used by many patients over a long period of time. Hard and soft candy for approximately 1,200 patients—to be used during Christmas. Contact Mrs. J. A. Johnson, Burkburnett, for any other information.

Area Citizens to Honor Texas Highway Commission

A luncheon in honor of the Highway Commission will be given at 12:00 noon on December 6, at the Wichita Falls Woman's Forum. Mr. Herbert C. Petty, Jr., Chairman of the Highway Commission, will be the speaker. Immediately following the luncheon, a ribbon-cutting ceremony will be staged to officially open the Red River Valley Expressway to Iowa Park. Tickets for the luncheon may be obtained from Jim Harwell, Manager of the Chamber of Commerce. Harwell urges all to go that can possibly do so, and to call him for the luncheon tickets.

Christian Church Dedication Day of The Parsonage

Sunday, December 3rd will be a big day in the life of the First Christian Church. It has been set as "Dedication Day of The Parsonage," which was purchased recently. Dr. J. W. Stewart, professor of Old Testament at Brite College of the Bible at Texas Christian University will be the guest speaker. Some will remember Dr. Stewart serving the local church while he was stationed at Sheppard Air Force Base during World War II. Now, he is considered one of the outstanding speakers in the Disciples of Christ Brotherhood. The public is invited to this service at the morning Worship Hour, 11:00 a. m. on December 3rd. The local minister, Rev. Wayne Black and his wife will have a reception at the new parsonage from two until four that afternoon for members and friends of the church. The parsonage is located at 500 Mimosa Drive.

Guess the Price Contest Set for Friday, 6:30 to 8

A "Guess the Price" contest will begin by downtown merchants, Friday, December 1st, with each merchant providing a window with merchandise displayed without prices. He will also provide ballots and ballot box inside his store, and the prize to be given away. Windows will be guessed by the public Friday evening 6:30 to 8:00 p. m., with winners being notified by each participating store. Jim Harwell, Manager of the Chamber of Commerce, also announces that the "Window Decorating Contest" will also begin December 1st, with the store windows being judged by the public. Windows will be judged on the over-all appearance of the store front. Ballots will be provided in the Burk Star, and the public will pick the best five. Winners will be announced in the Burk Star. The Chamber of Commerce, Texas Electric and the City have put up the Christmas Decorations. The large wreaths are being used this year, which will be lighted. No cross-street decorations are being used. The Chamber of Commerce bought hangers for the wreaths and the wire to light them. Merchants have been asked to pay 40c per front foot to help defray the expense.

Cub Scout Pack 151

Cub Scout Pack No. 151 held their monthly meeting at the Youth Center, Nov. 6th. Cub Master George Smith was in charge of the meeting, and the business of the Pack was completed at the first of the agenda. Marshall Weathersby received his Bobcat Pin, and Tommy Sutton went from the Wolf Book to the Bear Book. After the business part of the meeting was finished, the Committee Chairman, Neil Kreidler was introduced by Cub Master George Smith. Neil then in turn introduced the Den Mothers and gave each Den attendance recognition of its members. For the conclusion of the meeting, the Dens put on a most enjoyable skit, with their members really doing a fine job. The next meeting of Pack 151 will be held the first Monday at the Youth Center. All Cub Scouts and their parents are urged to attend. Mr. and Mrs. H. R. Hays are expected to arrive home Sunday after spending the past month in Florida.

NO MORE TIME TO WASTE

Driven by the need for a whole new arsenal of still undeveloped nuclear weapons, the Department of Defense and the Atomic Energy Commission have finally prevailed on the White House for what appears to be grudging permission to engage once more in essential atmospheric testing.

Such testing, by which the military is anxious to improve warheads for anti-missile missiles, develop more powerful and lighter warheads for ballistic missiles, proof-test weapons already developed and study atomic radio jamming, may now be undertaken, President Kennedy announced, "when effective progress is not possible without such tests."

To have gained this authorization is a tremendous accomplishment—in view of the worldwide fallout terror the Russians have stirred up, and even though it makes our self-imposed three year moratorium look tragically foolish.

A chance to recover this fumble—if we still have it—is more than we deserve.

Grass Roots Opinion

PLAINFIELD, IND., MESSENGER: "If proposals to provide medical services to persons drawing social security benefits is carried out as proposed the possibility of taxing people for other services seems unlimited. This is a far different thing than a pension. If workers are to be taxed regardless for health insurance, why can't they be taxed for housing insurance? Certainly the guarantee of a place to live is just as important as paying the doctor. How about another quarter of one percent to guarantee 'grocery care'? Some oldsters get involved in litigation.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

It is probably too early to draw definite conclusions, but it appears more than a little significant that since California enacted a "no limit" law, that the federally computed cost of living index shows consumer food prices on a downward trend.

About mid-year the California Legislature, following a long established Texas custom, passed a law making it illegal for anybody to limit quantities of the sale priced merchandise any one purchaser could buy.

It had long been the custom, principally by chains, to offer items far below the wholesale cost to induce people to come into the store. But to minimize their losses, it was always stated a customer could only buy one or two of the items.

But that is changed now. Under the law, if a retailer offers merchandise below the wholesale cost, his competitor down the street can drive up with a truck and buy out the entire stock for supplying his stores, and it is illegal to try and stop him from doing so.

Thus, at least in Texas, and now California, a lot of foolishness has been stopped.

Under the old system, in theory, the store would make up what it lost on these below cost leaders by marketing up higher priced items.

other goods which presumably the "hot special" buyers would purchase while in the store.

This worked out to be as fallacious as the theory that the more government spends, the more money there is in circulation, hence the greater the prosperity. Shoppers attracted to the stores on "hot specials" are usually price conscious, and determine quite readily whether other goods they intend to buy is higher than available some place else.

So, in order to make up for these losses, it was necessary to keep raising higher and higher the markups on non-special items. And like a dog chasing his tail, this resulted in an endless circle with retail food prices always inching upward.

But the passage of this new law seems to have reversed this trend, with price tags being changed along the shelves. While there is a dearth of "hot specials," there is also a lack of fantastically high mark ups on other items to try and make up losses on the specials.

The passage of the law also seems to have another effect.

Instead of trying to fool the buying public, the accent on staff training now is being placed on quality, courtesy, service, and fair pricing. And as already indicated, it appears that the California consumer, after at least twenty years of unwittingly financing abortive jungle warfare in food retailing, is benefitting in the process.

Who's going to pay the lawyer?
The point is that freedom of choice about personal matters is basic to our democracy.
CANTON, MASS., JOURNAL: "Some people think that just because a company is big, it has all the money it needs and can help support any cause, activity or government program that comes along. The money that keeps all these wheels turning doesn't grow on trees. It comes from human effort—human effort that is put to profitable use. We all depend on each other."
TONASKET, WASH., TRIBUNE: "If today's taxpayers had some of the gumption of their forefathers who made history with the Boston Tea Party, it wouldn't take long to call a halt to the wasteful and extravagant spending by governments which grow bigger and bigger and which exact more and more taxes to sustain their constantly expanding operations."

Forum Study Club Nov. 16th Meeting In Mills Home

A very interesting program "Christmas Customs" was presented by Mrs. Gene Bankhead at the November 16th meeting of the Forum Study Club in the home of Mrs. Don Mills. In addition to presenting the customs of many countries including Canada, Italy, Great Britain, Belgium, Germany, Norway, Finland, Russia, Mexico and Iran, Mrs. Bankhead gave the origins of the familiar customs used by Americans in their celebration of Christmas. Members answered roll call with "A Gift I'll Always Remember."

In the business meeting, conducted by the President, Mrs. Lonnie Taylor, the club voted to donate twenty dollars to the fund being raised by the High School Student Council to sponsor a Foreign Exchange Student in the Burk Burnett Schools. Members brought canned goods for a Thanksgiving basket to be given to a deserving family.

Plans were made for the next meeting, which will be a Christmas Party in the home of Mrs. T. M. Cornelius on December 14th. Refreshments were served by the hostess, Mrs. Don Mills, who was assisted by Mrs. Edwin Green.

Forum Study Club Honors Husbands

Members of the Forum Study Club honored their husbands and several guests at a Thanksgiving dinner at the Youth Center on November 11th. Hostesses for the evening were members of the Club Social Committee, Mesdames Don Mills, T. M. Cornelius and Wallace Landrum.

Following the dinner guests and members enjoyed games and square dancing. Those attending were Messers and Mesdames: Gene Allen, Gene Bankhead, James Brockhaus, Tom Burnett, T. M. Cornelius, Charles Goins, Edwin Green, Don Holtzen, Wallace Landrum, Don Mills, Lonnie Taylor, Joe Wolfe, Joe Kerr, Gerald Savage, Marvin Klinkerman and Finis Taylor.

BURKBURNETT... HISTORY

Revealed By The Star Files 10 Years Ago...

Jim Ady, Burk manager of the Texas Electric Co., was an honor guest at the electric company's annual Quarter Century Club dinner Monday night in Wichita Falls. Mr. Ady was presented a gold watch at the meeting.

Rose where they visited in the home of her mother, Mrs. Beasley's two brothers and two sisters joined them there to celebrate their mothers' 76th birthday. Mr. and Mrs. Beasley visited relatives in Fort Worth on their return trip.

John Alan Brookman and Bill Reasoner are expected to arrive here today from San Diego, Calif., for a visit with their parents. Both boys are in the Navy.

Miss Nathalie Foster spent the week end in Tulsa, Oklahoma, as the guest of Mr. and Mrs. Jack Tatum.

Charles Davis of Sussex, England, has been visiting in the home of his brother, Ralph Davis and family, in Burkburnett.

Burkburnett is now using the latest model packer type garbage trucks for picking up trash and garbage. The purchase of the truck is one of the first steps to comply with the recommendations of the State Health Department.

Fishermen Outnumber Hunters

There must be something to these outdoor sports of hunting and fishing, says B. T. Haws county agent. According to a survey conducted recently by the U. S. Fish and Wildlife Service, he says some 30 million people in the United States hunt and fish, and that fishermen outnumber the hunters by about 2 to 1.

Miss Nathalie Foster spent the week end in Tulsa, Oklahoma, as the guest of Mr. and Mrs. Jack Tatum.

About \$4 billion are poured into American economy each year by these outdoorsmen. This money is spent mainly for equipment, transportation, food and lodging, lease fees and licenses. American fishermen spent about \$3 billion in 1960, while hunters spent \$1 billion. Combined, they traveled 13.2 billion automobile miles.

From The Wichita County Agent

Use tight fresh wrapping for packaging fresh poultry. For the stores this is a sanitary self service sale prevents refrigerators or freezers from becoming contaminated. Mrs. W. J. Moore, county agent suggests the following precautions:

Loosely wrapped fresh meat, 3 to 6 days at 38 degrees F. (shortest time for fresh pork); loosely wrapped fresh poultry 2 to 3 days at 35 degrees F. (shortest time for cut-up poultry); loosely wrapped organ meats, such as liver, 2 days at 38 degrees F.

When fresh, unfrozen meat or

poultry reaches home kitchen, loosen the tight film for refrigeration. Often, it's better to re-tray, place meat on a plate, cover loosely with waxed paper or foil and put in the refrigerator. Chicken giblets, often packed in a separate bag under the pieces of cut-up chicken, keep best in the refrigerator out of the bag, loosely covered, and apart from the rest of the chicken.

Mrs. E. A. Moore is chairman of the Wichita County Foods and Nutrition Committee, and reports plans for a Food Workshop. This workshop is being planned to teach homemakers, "The Relation of Food to Health." A doctor, dietitian, representative of the blood bank, a local home economist, a food specialist and your county home demonstration agent will present the workshop.

If interested in taking part contact Mrs. Moore or Thelma Wirges, county home demonstration agent, 305 Federal Building, Wichita Falls.

Are colds starting in your family? If so, Thelma Wirges suggests you check your daily menus to be sure you are including some fresh foods rich in vitamins A and C.

Both these vitamins, they say, are effective in preventing the invasion of cold germs. That's because they help the linings of the nasal passages resist bacterial invasion.

These two vitamins, plus general good nutrition, help provide resistance to all types of bacterial infections, not just colds.

There are other benefits too. Vitamin A improves the eyes'

ability to adjust to light and dark; lack of it causes "night blindness." Children need vitamin A for optimum growth, and vitamin C for proper tooth formation and speedy healing of wounds and burns.

Good sources of the vitamins are dark green leafy and yellow vegetables, citrus fruits, tomatoes, raw cabbage and milk, butter, eggs, cheese, cantaloupes, strawberries and potatoes.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

THE JOY OF SHARING

There is pleasure in doing things with others. It may be looking at a picture magazine, or riding toys, or for parents it may even be sharing knowledge of the day's events that bring joy.

God's people have a desire to share with you in the greatest joy, that of worshiping together in God's House. ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Col. Steve E. Marchand

ters could save 90 to 95 per cent of the population in case of a nuclear attack, all except those within the blast area itself could survive a nuclear attack, if properly prepared.

Colonel Marchand called upon the P.T.A. members to interest themselves in Civil Defense for their own benefit. He explained why Civil Defense was beneficial to the community and to the individual in peace-time, as well as preparedness for enemy attack.

The Colonel, who has been active in Civil Defense for years, was very complimentary of the progress made in Civil Defense plans in Burkburnett. He closed his address by urging everyone to cooperate with their local Civil Defense Office. Your Civil Defense Director has access to all Civil Defense information, and will appreciate your interest and assistance in the local program," he said.

CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow for the passing of our beloved Dad. For the beautiful service, floral offerings, cards, food and other kindnesses, we are deeply grateful.

We especially wish to thank Bro. Jackson for his comforting words, May God Bless him and each of the others.

Col. Steve E. Marchand, State Officer, was the principal speaker at the Hardin Grade P.T.A. meeting held on Wednesday, November 21. Col. Marchand addressed an audience of P.T.A. members and explained the importance of our own survival.

Defense Program given leadership along with a definite program of preparedness that can and should follow.

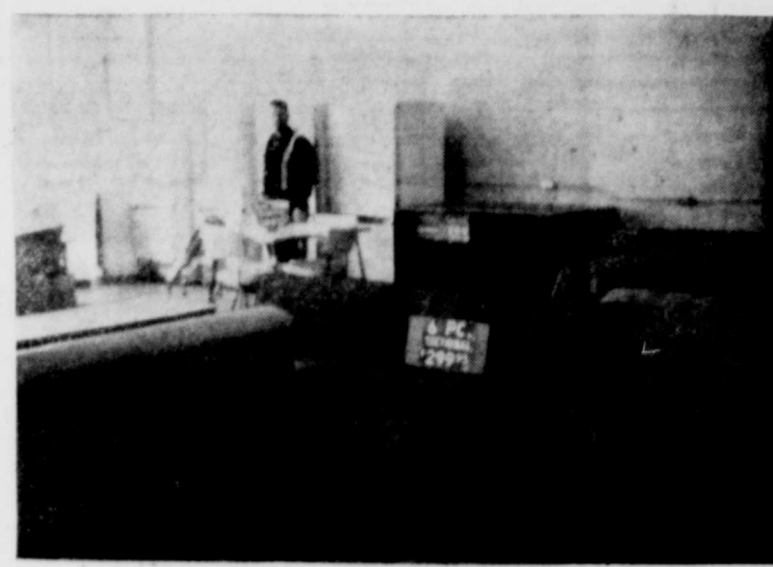

Besides a workable Civil Defense program, coordinated through the local CD director, fallout shelters play a very valuable part under the new program Col. Marchand said.

In his speech, Col. Marchand explained the radioactive substance which results from fallout after a nuclear explosion, and explained why fallout shelters

An additional store for display of furniture and appliances has been obtained by Bills TV and Appliance Store, 301 Avenue D. The new store space is located at 3rd Street and Avenue C.

The additional space was acquired for the convenience of the customer in their shopping, as the new and modern merchandise can be better display-

ed. Although the new store display has not been opened for browsing—other than window shopping—there is a possibility of the store being opened for the holiday shopping if the customers request it. If you would like to have the store opened, call the Bills at their appliance house at 301 N. Ave. D, Phone 569-3651. The Bills invite everyone to come in and visit with them.

Candle Making Demonstration Held For Mimosa Garden Club

A demonstration of the art of candle making was given by Mrs. Louise Archer to members of the Mimosa Garden Club as they met in her home at 516 Rosewood. Twelve members were in attendance.

Candle making has been a hobby of Mrs. Archer for about five years. She is skilled in making candles of all shapes, colors and sizes. She has demonstrated candle making to various civic groups, and recently held a workshop program for the Officer's Club wives at Sheppard Air Force Base. Mrs. Archer has been a resident of Burkburnett for several years and has been active in civic and community affairs. She is presently a member of the Current Literature Club. Those that know her say that helping others and sharing her interest and hobbies with others is a way of life with Mrs. Archer.

The project of the Mimosa Garden Club is to help with the Beautification of Hardin Park.

Members present for the meeting were Mrs. James Brady Jr., Mrs. Lewis Brocker, Mrs. W. W. Chambers, Mrs. Winston Freeman, Mrs. James Frye, Mrs. Cliff Hagstrom, Mrs. H. C. Preston, Jr., Mrs. Walter Riley and Mrs. Ralph White.

New club members, also present, were Mrs. J. K. Brewer, Mrs. Ronald Lebinski, and Mrs. Malcolm Radford, which are also new comers to Burkburnett.

VETERANS

Questions & Answers

Q—Is it too late for a disabled World War II veteran to receive vocational rehabilitation?

A—Disabled World War II veterans must have completed their vocational rehabilitation by July 25, 1960, except in cases (a) where the veteran was too seriously disabled to have begun earlier, (b) in cases where the veteran received an original discharge barring him from training, but whose discharge later was changed to make him eligible, or (c) in certain cases where the veteran was late in establishing his service-connected disability.

Q—What is considered wartime service during World War I?

A—Service between April 6, 1917, through November 11, 1918. For those who served with the U. S. Military Forces in Russia, the period is from April 6, 1917, through April 1, 1920.

Q—I have a GI loan. Can I get an amortization table from the VA so I can keep track of my interest, balance, etc., to facilitate my financial planning.

A—No, the VA does not have these tables. You might consult your lender.

Burkburnett Cadets Go To Houston

Three Burkburnett Civil Air Patrol Cadets went to Ellington Air Force Base for a Texas Wing Leadership Conference over the Thanksgiving holidays. The three Burkburnett Cadets that attended the conference belong to the Wichita Falls Civil

Air Patrol Squadron. The cadets that attended are as follows:

Cadet Second Lieutenant Donnie Culpepper, son of Mrs. J. E. Culpepper of Burkburnett, is President of Student Council, Vice President of National Honor Society, and a member of the high school band.

Cadet First Sergeant W. Howard Wooton, son of Mr. and Mrs. J. R. Wooton Sr., of 201 Mesquite Drive, is a member of National Honor Society and the high school band.

Cadet First Class A. Wade Morris, son of Mr. and Mrs. D. G. Morris of 212 Beech Lane, is a member of the high school Science Club and Band.

The conference stressed the importance of leadership and how to attain leadership. The conference ended with a tour of Ellington Air Force Base, National Headquarters of Civil Air Patrol, and a banquet and military ball.

Have Social Security Account Number If You Work

Many housewives and students who will be working during the holiday season, many for

the first time, should make certain that they are properly prepared to go to work, according to Erton F. Tate, Manager of the Wichita Falls Social Security Office.

If you are planning to work and do not have a social security number, now would be a good time to get one. If you work in employment covered by social security, you need a social security account number.

If you have had a number before, and lost the card, it is very important that you have the same number on your new card, so you will be properly credited with all of your earnings.

Women who have social security cards, but have married since they last worked, should be sure to have the social security office change the social security records. A new card with the original number but the proper name will be issued to each one.

Tate said that anyone who works in covered employment, including Santa Claus, must have a number.

Charles Wayne Boyd of Houston spent the Thanksgiving holidays with his parents, Mr. and Mrs. Charles Boyd.

Thanksgiving Day Nuptials Unite
Miss Judy Hofacket, Donald Craig

The home of the bride, on the Thornberry Road, was the setting for a Thanksgiving Day wedding at 4 p. m. of Miss Judith Ann Hofacket, daughter of Mr. and Mrs. Dan Hofacket and Donald Lee Craig, son of Mr. and Mrs. James O. Craig, all of Burkburnett.

Rev. James N. Johnson, pastor of Beverly Drive Methodist Church, served as officiant for the nuptials exchanged before a white wedding arch decorated with greenery and flanked by two large baskets of white gladioli and candelabra with white tapers. A white kneeling bench centered the nuptial space.

Providing the traditional wedding selections were Miss Treva Rickey, pianist and Miss Armelma Nations, soloist, both of Bowie, Texas.

The bride, given in marriage by her father, chose a floor-length gown of white hand-clippled Chantilly lace over white silk faille. The molded bodice featured a sabrina neckline of lace and the long fitted sleeves extended to points at the wrists. The scalloped lace bouffant skirt was accented by three bows at the back. A tiara of seed pearls and rhine stones held her shoulder-length veil of French illusion and she carried a white orchid surrounded by frenched carnations atop a white Bible.

The bride's only attendant was Mrs. Eddie Eastman, matron of honor, who wore a ballerina-length dress of pink organza over pink satin topped with a pink velveteen jacket. Her corsage was a cymbidium orchid.

Arthur Ekstine and Joe Slack of Archer City were the candlelighters. Eddie Eastman was

the best man.

A reception was held in the home immediately following the wedding. A white tulle cloth over pink satin featured the traditional decorated wedding cake. A pink and white arrangement of gladioli and stock adorned the table. Miss Joyce Fields of Burkburnett presided at the guest book and Miss Marilyn Craig and Mrs. Terry Moore assisted in the serving. Only close friends and relatives attended the ceremony and reception.

The groom's parents were hosts for a dinner at Underwood's in Wichita Falls Saturday following rehearsal. The betrothed couple and members of the wedding party were guests.

The former Miss Hofacket graduated from the Burkburnett High School in 1960 as valedictorian. She was a member of National Honor Society for three years, a member of the Future Homemakers of America, Future Farmers of America sweetheart in 1959, was elected to the Daughters of American Revolution Hall of Fame in 1959-60, senior favorite, best all-around girl and selected for Who's Who. She attended Midwestern University in Wichita Falls, majoring in secretarial science and is currently employed as secretary for L. T. (Tolly) Wilson in Wichita Falls.

A graduate of Burkburnett High School in the top ten, the groom was a member of the Future Farmers of America, National Honor Society and was active in many of the school activities. He is at present employed by Texas Electric Service Company and attends Arling-

ton State College where he is majoring in Electrical Engineering Technology.

Following a short wedding trip the couple will reside in Burkburnett.

Among pre-nuptial courtesies extended the former Miss Hofacket was a gift shower by the Friberg-Cooper Church women, a shower at the First Methodist Church in Burkburnett and a tea in the home of Mrs. E. E. Clack.

Mrs. John Robinson
Wesleyan Guild
Hostess November 7

The Wesleyan Service Guild met in the home of Mrs. John Robinson on November 7th.

Miss Ann Grady, president, presided. Mrs. Glen Schroeder read the minutes from the previous meeting. Mrs. Lucille Duvall gave the financial report. Each committee chairman reported on her months activities. Mrs. Tuel reported on the Guild's activities during the Week of Prayer.

The Guild decided to have a Christmas party and exchange gifts at the December meeting. Mrs. Duvall presented Mrs. John Robinson an honorary life membership in the Guild for her baby, Donna Lynn Robinson. The devotional was presented by Mrs. Charles Kirsh. The program was brought to the group by Mrs. J. D. Majors.

The hostess, Mrs. John Robinson, served delicious refreshments to Mrs. Celio, a guest, and the following members: Miss Ann Grady, Mesdames Jim Pirtle, Glen Schroeder, James Brady, Jr., Leslie Tuel, Earl Martin, Charles Kirsh, Lucille Duvall, O. M. Kelley, J. D. Majors, Morris Simmonson and J. M. Nichols.

The group adjourned with an invitation to meet with Mrs. Homer Gilbert on December 5.

Forum Study Club
Met October 19th

The regular meeting of the Forum Study Club on October 19th was held in the home of Mrs. Gene Bankhead.

Fourteen members answered the roll call—"Over the Back Fence."

The business meeting, conducted by the president, Mrs. Lonnie Taylor, included discussion of club cooperation in the support of the Foreign Student Exchange Program being sponsored by the High School Student Council. Plans were made for a basket to be given to a needy family on Thanksgiving.

Members made plans to attend the Federation Banquet, November 6th.

After the adjournment of the business meeting, refreshments were served by the hostess to the attending members.

School News

3-3—Mrs. Cleona Hardeman In arithmetic this week we have been learning how to subtract two-place numbers from three-place numbers. We have worked on these problems from our textbooks, in our workbooks, and on the board. Most of us have learned to do the problems well.

We have been working on our vowel sounds in reading. Learning the vowel sounds will help us to recognize new words by ourselves.

Our geography lessons this week have been about "corn." We are learning how corn is raised and for what it is used. In Science this week we have talked about water and its many uses. We have found out that water is necessary to life because people, plants, and animals must have water in order to live.

We have enjoyed drawing pictures of the different things for which water is used.

In language we have worked on using see, saw and seen correctly. We have learned that seen must always have a helping word to go with it. We have also practiced speaking clearly and loudly so that everyone can understand us when we speak.

We are practicing very hard on our writing. We want to write well on all the papers we do.

We enjoy working together and sharing with others. We like to do our work well.

3-5—Mrs. Irma Schmelz

Thirty-one of us in section five have been very busy the past weeks. In Arithmetic we have learned our combinations through eleven (11). We have learned how to add a two-place number and also to subtract these numbers.

In spelling we make a spelling booklet with an appropriate cover for the month. We try to spell all eleven (11) words correctly so we can put our booklet on the spelling bulletin board.

We are reading in our basal reader and supplementary readers. We are learning to make

book reports from library books we have read.

In English we are learning about nouns, capital letters, and correct use of saw and seen.

The Dairy Farm was an interesting study in geography where we made a diorama. In Science we have been studying cloth and its sources.

We have made a Thanksgiving mural, wrote Thanksgiving poems and learned some Thanksgiving songs.

4th Grade News—Vollmer

I am in Room 4, fourth grade. We are learning new things everyday. I am learning about uneven division in arithmetic. In English we are learning about verbs, nouns, adjectives and synonyms. In Reading we are learning new words and poems. In Health we are learning how to help our bodies in every way we can.

In Spelling we are learning how to write and pronounce new words. In writing we are learning how to write capital letters correctly. In Geography we are learning about people around the world and their ways of living. At 2.05 we learn how to be neat housekeepers. In Music we are learning new songs and also to read notes. In Art we are making pictures for Thanksgiving.

I have made many new friends.

—Lela Shoemaker

4-3—Mrs. Viola Reynolds
In our classrooms we are enjoying our work. We are learning to make our letters correctly, and how to keep our papers neat and clean.

In Spelling we learn sixteen new words each week. Sometimes we have spelling matches. The boys go against the girls. We have a very good time and learn while doing it.

In Arithmetic we are learning to divide and multiply by four's. We have matches in Arithmetic and it is helpful also.

In Geography we are building a farm. We will have a house, barn, chicken house, animals, people and silos.

In English we are learning how to write paragraphs correctly. We learn how to use periods, commas, and question

marks. In Health we are learning how to take good care of our teeth and the functions of the different teeth.

In Reading we learn how to use a dictionary and learn more about words. The following is a poem I especially like:

A wise old owl sat on an oak
The more he saw, the less he spoke
The less he spoke, the more he heard
Why can't we be like that old bird?
—Vickie Bryant

LaDonna Sheperd Hostess to Theta Epsilon

Theta Epsilon Sorority met November 27th in the home of LaDonna Sheperd. "The Happy Art of Receiving" was the devotional written by Bobbye Slusher and presented by Mary Tullis. She stated that most of us have already started preparation for the annual season of giving. So in preparation for that time, it is fitting that during the month of November we give a little advance thought to the opposite side of the art of giving, the way in which to receive. Psychologists say. Enjoying the gifts which are placed within our reach is one good way to insure our mental stability and peace of mind.

The program for the evening was under the direction of Marilyn Howard, "In Health and Health Education." Guests on the program were Mrs. Velma Williams, executive secretary for the American Cancer Society; and Dr. J. A. Davey. Mrs. Williams showed a film "Time and Two Women."

Dr. Davey gave an interesting and informative talk on cancer, an informal discussion followed the lecture.

During the business meeting, conducted by Lea Glisson, final plans were made concerning the style show, "Holiday Belles," which is staged for November 30th, in the Town Hall, at 7:30; fashions from the Elite Dress Shop will be modeled with approximately 30 models participating. Admission price is \$1.00 and proceeds will be used for welfare and philanthropic projects. Background music will be provided through the courtesy of Norsworthy Music Center of Wichita Falls, with Mr. James Green at the Organasonic Baldwin Organ.

Appearing on the program between style units will be Kathleen and Karen Reasoner, daughters of Mr. and Mrs. J. T. Reasoner, doing a modern jazz tap and ballet respectively; Karen Burton presenting a musical reading, and Evelyn Farris a vocal selection, accompanied by Maxine Creel.

The sorority would like to thank Mr. James Howard of Burkburnett for printing posters advertising "Holiday Belles."

All members participated in the closing ritual and delicious refreshments were served to Lea Glisson, Marilyn Howard, Helen Eaton, Pat Dunn, Helen Cornelius, Kathleen Brammer, Evelyn Farris, Ruby Van Loh, Ruth Hillegas, Velma Goins, Mary Tullis by the hostess LeDonna Sheperd.

Christian Women's Fellowship Met Monday, Nov. 27th

The Christian Women's Fellowship met Monday night November 27th at the First Christian Church with nine members present.

Miss Sadie Beth Tevis brought an inspiring devotional after a general discussion and study of the November issue of "World Call."

The C.W.F. paid \$25.00 to the building fund, which is currently being used to remodel the old parsonage into Sunday School rooms. They gave \$10.00 to the Quarter Club for the same purpose. Fifteen dollars was donated toward the purchase of choir robes.

Much time was spent in planning for coming Christmas events. Mrs. James Kincaid, president, presided.

The Worship Chairman, Mrs. Neal Hall, requested daily prayers by each one for the World Council of Churches, now in session in New Delhi, India, that there may be greater understanding among the peoples of the earth. This World Council meeting runs from November 18th to December 6th and represents 70 churches or denominations. A most enjoyable social period was held in the dining room with Mrs. Archie Ross and Mrs. James Jeffers, presiding. Those present were Mesdames James Kincaid, Wayne Black, Pete Wylie, Neal Hall, Shirley Brown, Jim Jeffers, Archie Ross, Henry Maloney and Miss Sadie Beth Tevis.

CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings and other kindnesses, we are deeply grateful.

Junior Forum Study Club Met Nov. 14th

Members of the Junior Forum Study club met Nov. 14th in the home of Mrs. Monty Knox.

President, Mrs. Bill Wood called the meeting to order and Mrs. R. A. Willingham read the minutes. Plans were made to have a rummage sale Saturday, Nov. 18th in front of Boyd's. The club also voted to give the high school student council a donation to help bring a foreign student to Burkburnett. This will be the club's project for the year.

Mrs. James Roderick won the door prize. The next meeting will be held Nov. 28th in the home of Mrs. R. A. Willingham, 405 Peach Dr.

Mrs. Knox served refreshments to Mesdames J. D. Hart, Bill Wood, James Roderick, Raymond Schroeder and R. A. Willingham.

Sardines are packed closely in a can because the fish are cheaper than the olive oil in which they are packed.

Bloodmobile To Be At American Legion Hall, December 6th

The Red Cross bloodmobile from Wichita Falls is scheduled to visit Burkburnett December 6th from 12 noon to 6 p. m. in the Frye-Vaughn American Legion Hall.

Dr. Joseph A. Davey, blood program chairman for Burkburnett, asked that churches, service clubs, womens clubs and individual citizens pledge their full support with donors who will share their blood for their families and the people of Burkburnett.

Jerry Thomas, general chairman for the Red Cross in Burkburnett, said blood for transfusions is a vital need and can mean the difference between life and death.

Donors are acceptable between ages 18 and up to 60. Unless they are married those under 21 require a written permit from their parents before they can give blood.

Donors in Burkburnett may replace blood used in Wichita Falls or most any hospital in the United States, according to George Clevenger, administrator of the Red Cross Regional Blood Program for this area.

A number of Burkburnett merchants have dressed a window containing a great number of items—with no price tags showing. The idea is to guess the closest to the retail price of the total items in the window. Last year this contest proved very interesting. In two instances guessers had the total price to the penny! So come down town next Friday evening, Dec. 1st, between 6:30 and 8:00 P. M., look the windows over and make your guess at the total price of each.

into a new nation that could rival the population, production, and power of even the United States.

I believe Canada should examine carefully the above possibilities, and consider some form of association with Western Europe. Perhaps it should join this European Common Market, a move which might eventually influence the United States to join. This could result in a North Atlantic Trading Area of great strength to the 'Free World.' **Canada and Prevailing Wages—**

Many in Canada feel that joining the Common Market would result in lower wages for Canada, in view of the lower wages prevailing in Europe. However, efficient workers can demand and secure high wages. I further believe that such a united front would do much to prevent Communism from working further westward.

We cannot have everything we want in this world, and we must have a spirit of "give and take"—economically, as well as militarily and politically. Also Europeans should realize that only by including Canada can Western Europe extend its trading borders to the Pacific Coast. It seems as if this could be a great advantage to the Common Market. The very talk makes me very optimistic.

Canada and Natural Resources—

Canada can supply Western Europe with oil, iron, copper, asbestos, sulphur, aluminum, nickel, paper products and even fishery products. One of the first projects may be to build a pipeline for crude oil from Western Canada to Montreal. Relations with Venezuela are now being cultivated by the United States. How this will affect Canada's oil prospect is an open question.

Thus far, large sums of money have gone from the United States into Canada to help develop these natural resources. Very little of Canada's imported money has been for industrial goods, but mostly for investments or speculations in

Outlook For the Future—

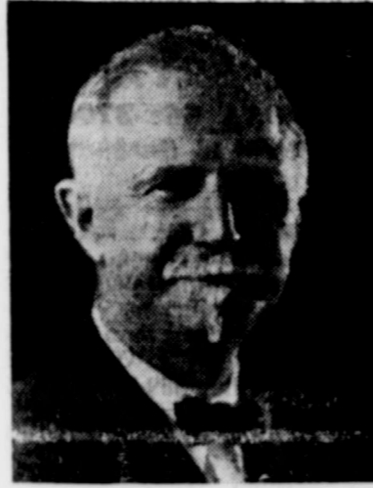

Factories may be built and go to decay; machinery may become obsolete; trade routes may change; but, at the worst, Canada's natural resources cannot be destroyed even though their exploitation may taper off for a few years. This means that Canada would profit from inflation and investments there could be a good hedge for those who are fearful of inflation.

In closing, let me remind readers that Canada's economic growth has taken only about fifty years and with her present political, social, and economic structure, this excellent growth should continue. Hence, businessmen and investors should be optimistic about the future of Canada, even with radically changing world conditions.

Lafayette presented the key to the French Bastille to George Washington and it may now be seen at Mt. Vernon.

Earliest New England houses were built of thick planks instead of logs as is generally believed.

Background Of Roger W. Babson

Roger W. Babson

American business has no more inspiring personality than Roger W. Babson, internationally known business commentator and investment advisor. An outstanding feature of his philosophy has been his life-long insistence on the importance of both religion and advertising in business. Born and reared in an old fashioned atmosphere of hard work and hustle on a

farm in Gloucester, Mr. Babson went to the Massachusetts Institute of Technology. Upon graduating, he turned instinctively to financial and business activities in which his father was engaged.

His exertions, however, undermined his health; he contracted tuberculosis and he was sent West "as good as dead". It was while he was convalescing from this dread malady that he worked out some of the possibilities and problems of business forecasting. His weekly releases are used by over 400 newspapers and his financial reports by 20,000 corporations and estates. His research work is carried

on by a large staff of experts.

Mr. Babson founded Babson Institute for Men; and in cooperation with the late Mrs. Babson, developed Webber College for Women, both nationally known educational institutions. Here young men and women may concentrate on the fundamentals of honest and efficient business administration. Later he founded a Midwest Institute of Business Administration, located in Eureka, Kans., the center of the United States. He has been active also in the establishment of other mediums of service to the public, such as the Gravity Research Foundation, located at New

Boston, New Hampshire.

Mr. Babson has probably done more than any other man to create among his millions of newspaper readers an interest in simple business problems, and to instill a broader vision in businessmen, enabling them to meet the ups and downs of the business cycle.

Benjamin Franklin was the 15th in a family of 17 children.

Jet-smooth ride

Jet-smooth ride, n. 1. The cloud-9 feeling of comfort that people in Chevrolets enjoy wherever they go. **2.** A supple Full Coil spring flexing at each wheel of a Chevrolet to absorb road shock. These are teamed with over 700 noise and vibration filters throughout the automobile so that the total effect is a ride of supreme quiet and smoothness. **3.** The reason why so many Chevrolet-owning families leave home ever so happily. **4.** A habit-forming pleasure for which no cure is known, wanted or sought.

new V8-skedaddle, n. 1. The result of touching an accelerator that's linked to one of Chevrolet's new V8 engines (also known as "six-skedaddle" when engine is Chevrolet's trusty 135-hp. Six). **2.** The moving power of Chevrolet's 1962 V8 engines. There are five of them, ranging from a standard 170-hp. version up to an optional-at-extra-cost 409-hp. powerhouse.

Body by Fisher craftsmanship, n. 1. The closest that a body manufacturer has come to the infinite care and skill of the jewelry maker. **2.** The art and science of designing and forming metal into the strong, solid body structure of the 1962 Chevrolet. Typical hallmarks are long, smooth sheet metal shapes without ripples or blemishes, neatly joined seams, and doors and trunk lids that are carefully shaped and fitted into place for easy opening and closing. **3.** Something you won't find in any other car in Chevrolet's field.

deep-well trunk, n. 1. The giant warehouse built into the rear of a 1962 Chevrolet. **2.** A trunk that loads at the bumper level and has a capacity of 29.7 cubic feet. It is built with an extra-deep recession in its floor so that it can easily accept odd-shaped outside objects.

slim-roof styling

comfort-high seats, n. 1. Thought by many to be the most comfortable things to happen to the bottom side of the human lap since dad's overstuffed armchair. **2.** Seats that are high enough to support and relax the thighs and weight-bearing muscles of the body (better for sitting, better for seeing). By providing resilient, deep-padded support throughout the backrest and seat itself, they bring on a remarkable feeling of comfort and well-being.

front fender underskirts, n. 1. An advance that's causing people to say things like "What won't those Chevrolet engineers come up with next!" **2.** Sturdy steel linings that are under the front fenders of 1962 Chevrolets to add extra protection against flying stones, mud, slush, road salt and that old bugaboo, corrosion. **3.** One of many ways the 1962 Chevrolet is built to stay beautiful.

rich new interiors, n. 1. One of the principal reasons why people step into the 1962 Chevrolets and promptly feel luxurious all over. **2.** An arresting combination of lovely, long-lived materials used in an elegant way to decorate the new Chevrolet's passenger compartment and tickle the fancy of its occupants. **3.** A harmonizing blend of the functional—such as the clean-cut, neatly ordered instrument panel—with the tasteful and the fresh.

slim-roof styling, n. 1. The clean-etched lines that typify the 1962 Chevrolet and contribute so much to its look of elegance. **2.** Sometimes followed by words such as "Wow!" and "Look at that, will you!" **3.** The happy result of inspired designers who are steeped in the art of using imagination and restraint.

One-Stop Shopping Center

One-Stop Shopping Center, n. 1. Where people go to get the most car for their money and get exactly the kind of car they want. **2.** A concentration point for the 33 cars Chevrolet offers for 1962. These come in three lines: The elegant new Jet-smooth Chevrolet which gives you just about everything you could hope to find in an expensive car—without the expense. The new-size Chevy II that brings you sensibility at its Sunday best via nine models, including a hardtop, sedans, a convertible and station wagons. The sporty new Corvair which retains the rear-engine traction and nimble steering that made it a rally star and adds many new touches to please people with sports-car fever and a budget to answer to. And the Corvette, which offers new refinements, new V8 power. **3.** Where '62 values are way up but prices are the same—or less—on comparably equipped models. **4.** A Chevrolet dealer's place of business, which includes a showroom manned by friendly and knowledgeable salesmen; a large, carefully stocked parts department; a modern service center where factory-trained mechanics ply

their skill; and best-buy OK used cars. **5.** The place where you enter a new world of worth in automobiles. **6.** Where most Americans go for a pleasant, instant cure the moment the new-car bug bites them.

Week of Prayer Being Observed At Central Baptist

Week of Prayer is being observed by Central Baptist WMU this week. Monday through Friday. Sunday morning, a beautiful scene of three wise men looking on a plaque made of cloth saying, Good Tidings To All People, was displayed stressing this week of prayer.

Sunday morning each woman of the WMU was handed a letter containing names of our prayer partners. Name of this letter was Love Lived, saying: Love is not something to be talked about but to be lived. Love is something you do. At this Christmas time, let us pray that our love and gratitude for the Christ Child who brought new life to us may be expressed as we pray and give showing concern for a lost world.

We urge every woman of our town to have a part in it. Love and live for Christ this week and this Christmas season.

Monday, the program Tidings of Great Joy. Special music will be provided each morning.

POEM

"Tidings of Great Joy," the angels said, and Shepherds, fearful, yet with joy, hastened to His manger bed, And saw God's light about Him shed. The joy that filled the Shepherd hearts overflowed And in haste they went to tell the news of the event of Christ The Saviour Heaven sent.

Those having special parts on the program each morning are Mrs. Gladys Blackwell, Mrs. Helen Loveless, Mrs. Shirley Eastman, Mrs. Dolores Todd, Mrs. Troy Miller and Mrs. McClure.

Each day directed prayer is given by Wanneha Bruce. The study of foreign countries includes Southern Rodesia, Spain, Nigeria, Latin America, the Orient, Japan, etc.

Wednesday night the following program will be given: Meditation music by Mrs. Kenneth Birdsong; songs by auxiliaries, pre-school sunbeams, primary sunbeams, junior G. A.'s, intermediate G. A.'s; Call to prayer by Mrs. A. V. Bruce, scripture reading; filmstrip, Tiding To All People, will be shown; Mrs. Jackie Kinnard, Appeal for offering; special music—church choir; closing prayer, Mrs. Kenneth Bradshaw.
