## Les Butts to Serve County Judge

Les Butts, a native of County and practicing in Wichita Falls, has had the Burk Burnett Star endorse his candidacy for the County Judge, subject to democratic Primary May

on the basis of his record in the general practice since he was licensed in 1949, and his background of training in government economics, Butts cites as Special County Judge in numerous occasions in Wichita Falls and Odessa he practiced law for in the early 1950's. Admitted in January of this year, he was chosen by the jury to serve in three cases of the Honorable Grap- Purcell, Jr., to become a judge for this district.

Butts among his fellow judges has served as judge of both the Wichita and Ector County Bars, is a past president of the Backstone Club and has been a Director of the State Bar of Texas, as well as State Bar Committee member. He has assisted in the maintenance of the armed forces. Maintaining active interest in the preservation of "American Life" Butts was chairman for "Law Day" and currently is 1962 Co-

Edgar Scout, Butts maintained a life-long interest in Scouting, Hi-Y and youth activities. He is president of the Senior High School Department of the First Presbyterian Church, director of the Y's Men's Association and member of the Wichita County Mental Association and member of the Heart Association for 1962. During World War II, served 26 months overseas as a sergeant in the "Fortress" squadron of the Eighth Air Force in Europe and was decorated with a Bronze Star medal for outstanding achievements. Butts maintains an interest in veterans' affairs and served as First Vice Commander of his American Legion

son of Mr. and Mrs. John well known Wichitans in 1911. Butts attended public schools, is a member of the National Society upon graduation from high school in attended Texas Tech University and a Bachelor's degree in law with a minor in history from the University in 1942. After serving in the Air Force he law school at the University in 1949. While in law school he served on the Law Council.

is the grandson of Mr. John T. Butts and Mrs. George H. Whor- well known pioneer of Wichita Falls. He is a nephew of Reverend Patrick Henry form- Wichita Falls, and of Mrs. D. W. Whorton having recently as a machinist with Wil- Co. father of three children Butts has a "close to

## Jan Lee Baptist Extension Revival to Begin Sun., Apr. 29

Rev. Carlos McLeod is pastor of First Baptist Church, Silverton, Texas. He is married and has two daughters. Before coming to Silverton, he was pastor of Hillburn Drive Baptist Church in Dallas. Rev. McLeod is a graduate of Wayland Baptist College and Southwestern Seminary.

REV. CARLOS McLEOD

He is a wonderful evangelist and marvelous pastor. His messages will be heart-warming to all who will attend. We, at Jan Lee, are fortunate in having Rev. McLeod during these days to lead and direct our services.

Mr. C. D. Rogers is music director of First Baptist Church in Iowa Park. Before going to Iowa Park, Mr. Rogers had been music and youth director in some churches in Wichita Falls. Mr. Rogers also teaches school in Wichita Falls.

We are very happy to have him coming to direct our singing during our revival. Our morning services will begin at 9:30 and our evening services at 7:30. Graded prayer meetings will be conducted at 7:00 each evening.

Rev. Travis McMinn and all members of Jan Lee invite you to attend each and every service.

Week end guests in the home of Mr. and Mrs. H. C. Gilbert were Mrs. Howard and her daughter, Mr. and Mrs. Beldon Bangs and three children of Oklahoma City, Mrs. Beatrice Parish of Houston, Mr. and Mrs. Gede Schweer and children of Bay City and Mr. and Mrs. Thomas of Holliday.

home" interest in our young people, and pledges to devote a great amount of time and energy in the event of his election as County Judge to the many matters that concern our youth. Butts believes that study should be made regarding the establishment of a Vocational School in Wichita County, and expressed in the "Voters Guide" of the League of Women Voters his willingness to head such a study in the event of his election. He also favors the establishment of a Youth Center in all of the cities and towns in Wichita County as one step toward solving the so-called problem of "juvenile delinquency."

However, Butts is of the firm conviction that the matter of "adult delinquency" deserves perhaps even closer a study, for "Our children are in great need of good and better examples by which to live."

Butts' children are Charles Butts, Jr., 16, a sophomore at Wichita Falls Senior High, who recently was cited by the Attorney General of Texas for his outstanding presentation before the Hi-Y Youth in Government Legislature at Austin. Also, young Charles has been active in Amateur Guild at the high school and has become well known himself over the county while campaigning for "His Dad" for County Judge. Robert, age 12, and Diana, age 7, while yet too young to distinguish themselves with their achievements, are excellent students and are pulling for "Dad's election on May 5th."

## Wichita County Project Show Sat., April 28th

The Annual Wichita County Project Show will be held Saturday, April 28th in the Texas-Oklahoma Fair Ground at Iowa Park, from 9:00 a. m. to 1:30 p. m. The contestants must enter their projects by 9:00 a. m. and judging will begin by 9:30.

FHA and 4-H boys and girls will be eligible to enter their projects and attractive ribbons will be awarded for first, second and third places. First and second place showmanship plaques will be awarded in the livestock division.

Mr. R. L. Farr of Iowa Park will serve as general chairman of the show.

This annual show is sponsored by the Wichita County Farm Bureau and they will serve lunch to the entrants and the department workers at noon.

A program has been planned and awards will be made shortly after noon.

Mr. Farr urges the public to visit the Texas-Oklahoma Fair Grounds and see the projects of our Wichita County boys and girls.

## Peacock Services Were Wednesday

Funeral services were held from the Hampton-Vaughan Funeral Home Chapel in W. Falls Wednesday at 4 p. m. for Roy M. Peacock, 36, who died Monday in a Wichita Falls hospital.

Rev. M. O. Evans, pastor of the First Baptist Church in Holliday, officiated. Burial was in Crestview Memorial Park. Pallbearers were John Ralston, W. L. Rice, Virgil Miller, Don Duty, Don Sanders, Don Smith and Don Bailey.

## Burk Residents Are Urged To Vaccinate Pets

The increasing number of rabid skunks in Burk Burnett and Wichita Falls has become a source of alarm for citizens here this spring. At least three rabid skunks have been killed in Burk Burnett and several in Wichita Falls.

Two little Burk Burnett girls and one boy are undergoing a series of inoculations at this time after having come in contact with skunks known to be rabid.

Burk residents are urged to have their dogs, cats and other pets vaccinated immediately if they have not received shots within the past year. By taking this simple precaution you may save the life of your pet, or more important the life of your child or someone else's child.

## Permits And Inspections

It has been brought to the attention of the City Commissioners that numerous electrical and plumbing installations are being made without the proper PERMITS AND INSPECTIONS. The INSPECTION SERVICE is designed for the Protection of Life and Property by having your installations inspected, you the citizen, are receiving your share of a service which you are paying for.

Electrical installations are inspected to determine if there is danger in the way in which the installation is made. Our modern electrical appliances cause more load to be placed on the wiring in our houses and businesses. Many of our older homes were wired for lights and very light appliance load. As we, the citizenship, buy more and larger appliances, that installation which was safe for lights and small appliances is not adequate for the heavier loads which are placed upon it.

Plumbing inspections are made to determine if an installation has been installed in a correct and safe manner. Gas leaks can cause a waste of gas thus causing high bills besides being very dangerous. Proper size of pipe and proper installation of the same, can insure the owner of less trouble.

It is the duty of the inspection department to see that electrical installations are grounded, to see that hot water heaters are vented, to see that gas pipes are large enough for the load, to see that proper size electrical wire is installed and numerous other inspection services.

All electrical wiring, sewer lines, water lines and gas lines should be inspected before they are covered up. You are subject to fine if lines or wiring is covered up before inspection. Applications for permits should be taken out with the inspection department before a job is started. In the past, permits could be purchased any time during a working day, but on May 1st, 1962, the inspection department will begin staying open to receive applications for permits from 8:00-9:30 a. m. and from 1:00-2:30 p. m.

You, the citizen, should demand an inspection for all installations whether the work is done by skilled labor, appliance dealers or unskilled labor.

## To The Voters Of Precinct 2

I am a WRITE IN Candidate for Justice of the Peace. Your support will be very much appreciated. I promise to work with the people for the people, and to play no favors. Justice to one, Justice to all. Would like very much to be remembered at the polls Election Day, Saturday, May 5th.

Most people here in Burk Burnett call me Bill or Shorty, so if you will just take the time to write my name in on the ballot, you will never know how much it will be appreciated.

Bill (Shorty) Snyder

## RODEO NEWS

Floyd Marten has already sent out letters to all the riding clubs in this area, inviting them to participate in the parade the first day of the rodeo, Wednesday, June 13th.

Riding clubs, with their colorful western attire and beautiful horses, add much to the parade and rodeo each year. It is not unusual for clubs to come more than one hundred miles to join in the celebration.

Tickets for the rodeo, June 13-14-15, are on sale now. Nine ladies' clubs have joined in the sales effort and more are expected to come in later.

Each club receives ten percent of the gross amount of their ticket sales. The money earned goes back into civic projects sponsored by the many clubs.

Reserved seats are handled on an order basis. The customer orders the desired number of tickets, stating a preference as to row and section. The order taker goes to the Chamber of Commerce office and gets tickets as near as possible as to location.

Tickets will NOT be on sale at the C. of C. office until May 21st. This will give the clubs an opportunity to earn as much money as possible for their projects.

Clubs which picked up children's admission tickets are asked to exchange them at the C-C office for new ones. There was an error in age limit on the first ones.

Burkburnett will go Western Friday, June 1st to generate rodeo spirit at home and abroad. As rodeo time nears C. J. Lippard and his gang of cattle rustlers will have a nice tank of cool water to accommodate the mavericks unbranded with Western garb.

## Henry Anderson Seeks County Judge Office

HENRY J. ANDERSON, JR.

Henry J. Anderson, Jr., a practicing attorney in Wichita Falls for more than 25 years, has authorized the Burk Burnett Star to formally announce his candidacy for County Judge of Wichita County subject to the Democratic Primary May 5.

An active and popular member of the Wichita County Bar Association, Anderson is probably best qualified for this judicial post of any of the candidates. He has an outstanding record of service in and out of the courtroom in the cause of his profession.

Anderson came to Wichita Falls with his parents in October, 1913, when he was less than two years old. He attended Wichita Falls public schools at Alamo, Reagan Junior High, then Zundelwitz Junior High and was graduated from Wichita Falls High School in 1929.

As Student Popularly known as "Babe" Anderson, he lettered in basketball and tennis in 1928 and 1929 and was captain of the basketball and tennis squads in 1929; then played basketball in 1930 at Wichita Falls Junior College. At the University of Texas, Anderson turned to scholastic endeavor and received his law license in February, 1937, and was graduated that year. While in school at Austin he married Miss Dorothy Styles of Houston in 1936.

Originally he was associated with the late A. H. Britain in the practice of law for six years and during this time represented Wichita County Water Improvement and Control Districts 1 and 2 in numerous matters in and out of court. He was in military service in 1942-44, returning here to be an assistant county attorney under Woodard Bass until January, 1947.

He joined the late John Davenport in the practice of law until Davenport was named judge of the 89th District Court and since that time has been in the private practice of law with offices in the City National Bank Building under the firm name of Anderson & Latham.

Service On several occasions, Anderson has served as special County Judge and through his practice of law has had extensive experience with the Wichita County Commissioners Court. His practice has included the full field of law.

An honorary life member of the Elks Lodge and a leader in its youth programs, Anderson is a past District Deputy Grand Exalted Ruler of the Texas Elks Lodges. He is a member of Faith Lodge 1158 AF&AM, a member of Maskat Shrine Temple and a 32nd Degree Scottish Rite Mason.

Anderson is a member of All Saints Episcopal Church and is a member of the Vestry and is the Church Chancellor. Anderson is a member of the Wichita County Bar Association, the State Bar of Texas, and the American Bar Association.

Family Anderson and his wife have three children, Terry, a freshman at Midwestern University; Hank, a student at Barwise Junior High School, and Carol, a student at Fain School. They live at 4311 Lake Park Drive. His parents, Mr. and Mrs. H.

## ANOTHER WORLD

Arthur Temple, Jr., president of the National Lumber Manufacturers Association, has something worthwhile to say about this nation's tax system and the Washington "climate" as it applies to private enterprise. He warned men of American business that this country's economic future stands to be taxed, restricted, and harassed into the role of a secondary economic power in the world.

Lumber, like so many other basic industries, is plagued with special and urgent problem of its own. But it also shares the general problems which harass and, in some instances, hamstring business as a whole. As an example, he pointed to the increasing competition we will have to meet in world markets—a competition characterized by the swift and dramatic development of the European Common Market concept.

It is often said that we should meet this new competition by modernizing our productive plant—by demonstrating that American know-how and capital and ingenuity can offset such elements as the low industrial wages generally existing in other countries. But this requires money—vast sums of money. As Mr. Temple puts it, "We have been losing American supremacy for lack of profits to plow back into business and for lack of assurances that our productivity will be permitted its proper outlet."

This is not the world of 20 years ago—or even the world of five years ago. We must compete with our international friends, as well as with our communist enemies. Government policy, in matters of such specifics as taxation and such intangibles as the attitude toward productive enterprise, needs to recognize that fact, and very soon.

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Probably no sincere person opposes basic principle upon which United Nations was founded—preserving peace.

Many people even today think that is the sole effort of the UN. Few people realize that when the United Nations was set up, the internationalistic "do-gooders," the home grown starchy eyed theorists, working as termites in the foundation of a building, not incorporated into the UN, a host of socialistic activities totally unrelated to preservation of peace.

One of these operations was setting up of UNESCO, formally known as United Nations Educational, Scientific, and Cultural Organization.

In a recent meeting in Paris, where the current educational, scientific and cultural activity seems to be setting off plastic bombs, UNESCO drafted a treaty which would put all education under U.N. jurisdiction.

The New Orleans Chamber of Commerce, in a strongly worded resolution, has called upon the U. S. States government to take immediate and positive action to stop any American participation, or discussion, in the schemes hatched in the Paris meeting of UNESCO.

Under the plan set up by UNESCO, it would control all types and levels of education in all nations of the world, and would be given the authority to select "competent authorities" who would in turn lay down standards of education to which all public, private and religious

schools would have to conform to be permitted to operate.

Thus, Russia, for example, would have a major part in saying what should be taught in the public schools of the United States, and even more ludicrous is the idea that Russia would also have a voice in saying what is taught in the religious schools. While perhaps Harvard might be able to "co-exist" under such a system, it is quite doubtful that Notre Dame could.

In addition, since the UN was founded, 44 new nations have joined up. In some of these, cannibalism is still being practiced. It is difficult to predict what high school home economics courses would teach if some of these nations had a say.

One of the newest nations to join the UN, the Congo, only had seven university graduates in the entire country. Yet this nation could under UNESCO also have a voice in saying what should be taught in the public schools of Iowa.

Generations of dedicated Americans have worked to develop in U.S. a system of universal free education not duplicated any other place in the world. The system probably still has some imperfections.

But it is certain the system will not be perfected by turning control over to world organization composed in part of communists, cannibals, headhunters, others of that ilk.

While every member of Congress believes in preserving the peace, Congress should speedily investigate these offshoots of the United Nations such as UNESCO which have as their sole aim internal control of the United States.

## Grass Roots Opinion

DUBLIN, GA., COURIER-HERALD: "The formation of the European Common Market is not only posing a gigantic headache for the United States; Soviet Russia sees in a pact, that starts an economic alliance, a potential of military unity the Reds don't like. While we are trying to tailor our economy to fit in to pattern of the future of the European Common Market, the Reds are taking the offensive in an attempt to disrupt it before it gets really united and operating."

# COOK COOL with a FLAMELESS ELECTRIC RANGE

Electric cooking is cool cooking because it's flameless and keeps waste heat at a minimum. Electric range surface units transfer heat by direct contact with utensils. They send their heat into the utensils and the food, not into the kitchen air. And because an electric oven requires no oxygen, there's no constant flow of air through the oven, expelling heat into your kitchen. Start now to enjoy another of the benefits of modern electrical living. See your electric range dealer and enjoy cooler cooking... electrically!

**Man's Proven Experience Gives Lead In Race**

of the important races decided in the May 5 Primary will be for Governor.

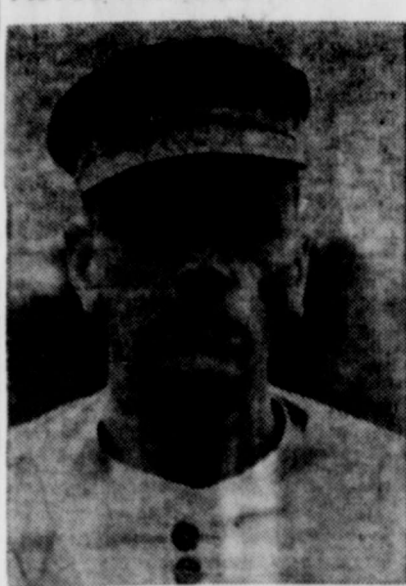

"Jimmy" Turman of Wichita County is the leading candidate in a field of five candidates, all statewide polls.

Turman is the only candidate with experience in organizing a legislative session, formulating state laws and conducting day affairs of a legislative house.

Turman, a former, holds three degrees; taught in both public schools and universities; has four terms in the Legislature, the last as Speaker of the House.

Turman was the first time Turman was elected to the people for the office.

**W/O BILLY D. IVEY TO COMPETE IN RIFLE AND PISTOL MATCHES**

Marine Chief Warrant Officer Billy D. Ivey, son of Mr. and Mrs. Dee E. Ivey of 607 Ave. B, Burkburnett is one of 400 competitors in the Eastern Division Rifle and Pistol Matches at Camp Lejeune, N. C., scheduled to end April 28.

The Elliott, Wirgman and Edson trophies are offered the individual and team winners of the Lejeune shootoff.

The men lucky enough to place in the Eastern Division will be eligible to compete in the Marine Corps Matches beginning May 14th, at Camp Pendleton, California.

**CARD OF THANKS**

Our heartfelt thanks to everyone for their kindness and consideration at this time of bereavement over the loss of our mother.

Roy Allen Moore  
Mrs. Derestine Wisinger

**Boy Scouts Tour SAC Command At Sheppard AFB**

At 8:30 a. m. on Monday, April 23, 1962, twenty-two Boy Scouts with three guests and four leaders with A 3C James McPugh, as guide, toured the fire extinguisher repair shop and SAC Command at Sheppard Air Force Base.

M Sgt. Geertz let the boys sit in on a class of firemanship which he was teaching to about twenty-five airmen. The demonstration was very worth while as the boys plan to have a booth at the Scout-O-Rama, May 11 and 12 on firemanship.

We immediately went to the 4245th Strategic Wing Command Post where Senior M Sgt. Qualls explained how the command functions in the Strategic Wing. We saw where all the officers report to the command on accomplishments of the day and plans for the next twenty-four hours.

From there we went to the T-2A ultrasonic trainer, where the instructor explained the workings of this mechanism to the boys.

After this we went to the personal equipment shop where Chief M Sgt. Jarrel explained how the oxygen system works. He then showed the boys a pilot's personal and survival kit in case he should have to parachute. Chief M Sgt. Jarrel then showed the boys the latest in flying gear and parachute equipment.

We then went to the job control, which is nerve center of the maintenance of the B-52 craft. Senior M Sgt. Woods explained in detail how this department works.

The boys were then marched to the flight lines. Groups of five got to tour the B-52, Tail No. 066, which is named the City of Wichita Falls. We got to see all the mechanisms, ejection seat, with survival kit attached, and all the other things we had been told earlier.

As a finale the boys witnessed a dual takeoff of the B-52's which were not more than 200 yards away. When the second aircraft was barely off the ground and directly in front of the boys, the pilot tipped his wings in salute to the Boy Scouts of America, Troop 155, Burkburnett, Texas.

The boys attending were: Rickey Bailey, Walter Craft, Jimmy Creel, Mike Evans, Charles Hubbard, Rusty Hubbard, Joe Knox, Rickey Landrum, David Mahaffy, Johnny Mitchell, Gary Mullins, Oliver McDonald, Wesley Noggle, Gary Peters, Wayne Peters, Robert Humphrey, John Robinson, Rudy Robinson, John Strayhorn, Gary Sandacz, Craig White and Bill Zimmerman.

Guests were: David Hubbard, David Knox and David Strayhorn.

The Adult Leaders were: J. D. Hart, Scoutmaster; Richard Dalton, Assistant Scoutmaster; Ray Knox and W. T. Zimmerman.

**HOW FAST CAN YOU GO IN A COFFIN?**

Next time you are tempted to step on it, ask yourself this question! Last year, 40,000 died on our highways. In 3 out of 10 fatal accidents, drivers were speeding. Obey speed limits. Drive safely.

**BACK THE ATTACK ON TRAFFIC ACCIDENTS!**  
Published as a public service in cooperation with The Advertising Council

by Kate Johnson, Home Economist  
Kuryl Kate Corporation

Your kitchen range is a cook's best friend. Treat with loving care and your range will stay sparkling bright and new-looking for years. Remember Kate's simple rules:

1. Cold liquids and a hot stove don't mix! The enamel surface of your stove will crack if wiped with a cold wet cloth when heated.
  2. If the pan fits, use it. If it doesn't—watch out! When burners are level with the enamel, do not use pans larger than the unit or the enamel may become overheated.
  3. Acid foods such as fruit juice, tomatoes—even milk—can scar or pit enamel. Wipe up spills immediately.
  4. Removing congealed foods calls for extra persuasion. Remember, enamel surfaces scratch easily. A Kuryl Kate pot cleaner coaxes stubborn spills off the surface, but won't scratch the finish.
- For a beautiful range, follow Kate's advice. And for beautiful party decorations, favors and gifts to make at home, write for a free copy of the Kuryl Kate Decorating Idea Book, 2215 South Michigan Avenue, Chicago, Illinois.

**Friendship Class Met Thursday, April 19th**

The Friendship Class of the First Baptist Church met Thursday, April 19 in the home of Miss Ella Billingslea, with other members of Group One as co-hostess.

Mrs. W. B. Short, president, opened the meeting with prayer. Mrs. C. R. Chambers read the minutes, group reports were made and the treasurer's report read.

Mrs. B. F. Hewell, program chairman, presented Mr. Sam Spencer of the Cashion Community who showed an inspirational film, "The Bible Story of Easter." The film was in two parts; part one, "The Cup of Sorrow," showed Christ with his disciples at the Last Supper before his betrayal and other scenes; part two, "The Day of Gladness," depicted the resurrection. A record player narrated the events.

Mrs. R. P. Thaxton closed the meeting with a prayer.

As a token of appreciation the Friendship Class presented Mr. and Mrs. Spencer with a lovely pot plant.

Refreshments were served to the following members. Mesdames R. P. Thaxton, Jim Ady, E. R. Burns, Hubert Butts, C. R. Chambers, B. F. Hewell, W. V. Combs, J. D. Kennedy, R. W. Kent, Clyde Peed, W. B. Short, H. D. Smith, Jim Turner, J. B. Wright, Frank Simmons, Earl Van Deren, Lee Garner; Misses Addie Dickson and Ella Billingslea; one service member, Mrs. H. A. Goodwin; and guests, Mrs. Warren Peach, Mr. and Mrs. Sam Spencer.

**FIRST PLACE WINNERS**

The team representing Boomtown Bowl in the Women's Wichita Falls City Association Tournament rolled into first place with a 2702 series. The annual tournament was held at Spudder Lanes on April 7, 8 and 14, and 15.

Trophies and cash prizes will be presented to the team members and sponsor at the annual banquet to be held on May 19 in Wichita Falls. Members of the winning team are Rita Hudson, Mary McClurkin, Robbie Nelson, Al Lauer and Billie Bujak.

**CARD OF THANKS**

We wish to express our appreciation to everyone for their comforting words and expressions of kindness during our time of sorrow.

May God richly bless each of you.

Mrs. Patsy Wunderlich  
Mr. and Mrs. D. C. McNeill  
and Family.

**Theta Epsilon Elects Officers**

Theta Epsilon Sorority met April 23rd in the home of Helen Eaton, with Kathleen Brammer as co-hostess. The meeting was called to order by the President, Lea Glisson, and the opening ritual was given.

The devotional for the evening "Don't Wear a Mask," was presented by Chapter Chaplain Bobbye Slusher. Scripture reading was from First Samuel 16:7. "But the Lord said unto Samuel, Look not on his countenance, or on the height of his stature; because I have refused him; for the Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart."

During the business meeting reports were given concerning the Ways and Means Projects. Mrs. Jim Frye was the lucky winner of the dress given away April 14, by the Sorority from the Elite Dress Shop. We would like to thank the people who helped to make our Ways and Means Projects successful this past year.

Plans are being made by members to attend the State Convention of Epsilon Sigma Alpha, May 18, 19 and 20, at the Driskill Hotel, in Austin, Texas; eight members from Burkburnett plan to attend.

A report concerning the Community Council meeting was given by Helen Cornelius.

Theta Epsilon will be co-sponsor with the Contemporary Study Club in sponsoring Miss Vickie Turner for parade queen. The sorority will also be represented in the Rodeo Parade.

Perfect attendance awards will be presented May 14, to Kathleen Brammer, Lea Glisson, Ruby Van Loh, LaDonna Sheperd, and Evelyn Farris.

Election for the 1962-63 officers was held and the following will be installed May 14:

President, Helen Cornelius; Vice President, Bobbye Slusher; Recording Secretary, Bobbie Klinkerman; Corresponding Secretary, Patsy Adams; Treasurer, Lea Glisson.

Members enjoyed looking through the years' scrapbook compiled by Evelyn Farris. The theme chosen to portray the

years work was "A Deck of Cards." Each page is outstanding with red or black felt numbers representing the different cards and suits; pictures of each hostess and of each program chairman, as well as publicity articles, add to the completion of the scrapbook.

The door prize was won by Marilyn Howard.

The closing ritual was given and delicious refreshments were served to Mrs. Lea Glisson, Ruth Hillegas, LaDonna Sheperd, Bobbye Slusher, Evelyn Farris, Bobbie Klinkerman, Marilyn Howard, Mary Tullis, Ruby Van Loh, Helen Cornelius, Patsy Adams, Pat Dunn, by the hostesses Helen Eaton and Kathleen Brammer.

Tex Allen and family of Oklahoma City spent the Easter week end here visiting relatives and friends.

Mrs. C. O. Woodley, Reporter

Mr. and Mrs. William Miller and children, Charla Beth, Ver-ta and Mark of Grandfield were Monday guests of her parents, Mr. and Mrs. J. B. Stevens. Mr. and Mrs. M. J. Bishop and sons Joe and Perry of Irving, Texas, arrived Sunday afternoon for a visit with her parents, Mr. and Mrs. Stevens.

Mr. and Mrs. J. B. Stevens attended dedication services at the First Baptist Church in Frederick Saturday evening and Sunday morning. Mr. Stevens was a charter member of that church and helped work on the first building the congregation met in at that time.

Mr. and Mrs. Marshall Char-boneau and son and her moth-

er, Mrs. Brown all of Wichita Falls visited Mr. and Mrs. W. C. Charboneau Sunday.

Mr. and Mrs. Leonard Harms of Austin, Texas, visited Mr. and Mrs. U. S. Hill over the week end.

Mr. and Mrs. Hill and Mr. and Mrs. Harms were Easter Sunday guests of the Hills' daughter, Mrs. Francis C. Rabble and family in Wichita Falls.

K. L. Smith left by plane from Wichita Falls Monday for Seattle, Washington, where he will attend the World's Fair and visit a son, Bud and family near Tacoma, Washington.

Mr. and Mrs. Raymond Smart of Fort Cobb spent the week end with her parents, Mr. and Mrs. R. A. Odom.

Mr. and Mrs. Jimmie Bryon and daughter, Connie of Wichita Falls, Mr. and Mrs. Charles Moran of Hollister and Ray-

mond Hutson of Cameron College were Easter guests of Mr. and Mrs. Guy Hutson.

Mrs. Nelma Wood and Bob of Lawton and Melt Rogers of Anadarko were Friday and Saturday guests of their parents and grandparents, Mr. and Mrs. O. G. Weaver. Mr. and Mrs. Weaver were Sunday guests of Mrs. Wood in Lawton and returned Melt to his home in Anadarko.

Estel Betts or Vernon visited his sister and brother-in-law, Mr. and Mrs. W. H. Stevens Sunday.

Mr. and Mrs. Ted Randall of Burkburnett, Mr. and Mrs. Bob Woodley, Cathy and Carol, O. L. Bridges, Kay, Mary, Stevie and Martha were Sunday guests of Mr. and Mrs. C. O. Woodley.

Mr. and Mrs. Roland Baumhardt and children Lou Ann, Louis and Lisa of Amarillo were

week end guests of his mother, Mrs. Callie Baumhardt and sister, Mrs. F. G. McClendon and family. Lenton McClendon of Stillwater spent Easter at home.

Mr. and Mrs. Andy McCasland and children spent Easter Sunday in Lawton with relatives.

Mrs. Nora Wood has been returned home from the Frederick Memorial hospital where she underwent treatment several days last week. She is reported doing nicely at this time.

An announcement of the birth of twin boys has been received from Mr. and Mrs. Bobby Rose of Smithfield, North Carolina. Bobby was stationed at SAFB four years and lived at 119 Ave. C while here.

**TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE**

**SCIENCE and GOD**

Not too long ago, a man determined from accounts in the bible that oil could be found in certain areas of bible lands . . . now this country is rich in oil wells. In the past, vigorous arguments arose between some scientists and bible scholars, however with the passing of time, new discoveries in science have helped us to have a better understanding of God's word and now most scientists and bible scholars are in accord. God's word has not needed to be proved, for it will stand forever. "For the earth shall be filled with the knowledge of the glory of the LORD, as the waters cover the sea." ATTEND CHURCH AND STUDY GOD'S WORD.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**SADIE BETH TEVIS TO WED  
M. E. TALIAFERRO IN JULY**

The engagement of Miss Sadie Beth Tevis and Marvin E. Taliaferro, both of Burkburnett, was announced at a tea Thursday afternoon in the home of Mrs. Carl J. Morrison of Burkburnett.

Miss Tevis is the daughter of R. C. Tevis of Burkburnett and the late Mrs. Tevis and the granddaughter of Mrs. C. G. Tevis of Wichita Falls and Longview.

Taliaferro is the son of Mr. and Mrs. J. B. Taliaferro of Pleasanton, Texas.

Mrs. P. A. Carpenter and Mrs. Walter Riley were co-hostesses for the tea. The decorative theme of wedding bells and spring flowers in the bride's chosen colors of pink and white were used throughout the party rooms.

The refreshment table, covered in a net lined with taffeta cloth, held a pink satin-covered pole from which cascades of white wedding bells, flowers and pink satin streamers extended to the table. The names of the engaged couple and the wedding date were inscribed on the ribbon streamers.

Mrs. J. C. Taliaferro, the prospective bridegroom's mother; Mrs. H. L. Ziegler of Longview, aunt of the bride-elect; Mrs. Jim Dunbar of Alice, Taliaferro's sister and Mrs. John F. Tevis and Miss Laura Lou Tevis, aunt and sister of the bride-to-be, were in the house party.

Others assisting were Meses. James H. Harwell, James W. Kincaid, Jr., James H. Jeffers, and Jerry McClure.

The wedding will take place July 14th.

Miss Tevis graduated from Texas Christian University and Taliaferro is manager of the C. F. Wacker store in Burkburnett.

**COLOR CHOICE**

According to the Southern Pine Association, the shape and size of the room should be considered in selecting colors for wood paneling.

"Cool" colors, like pale grays and light blues, will make a small room look larger. "Warm" colors, like brilliant gold, give an oversize area a sense of greater intimacy and seem to bring the walls closer.

The natural golden color of Southern Pine paneling can be changed to any one of the user's choice thru an appropriate "stain" finish. The applied color looks just as natural as the wood's own and does not obscure texture or grain.

**Meadow Lane Club  
Met March 20th With  
Mrs. Jim Maag**

The Meadow Lane Garden Club met in the home of Mrs. Jim Maag Tuesday, March 20. The meeting was called to order by the president, Mrs. Cliff Wampler and roll call was answered with "The Flower of My Birth Month."

The club voted to sponsor Miss Pat Ann Mills, daughter of Mr. and Mrs. Don Mills, for Parade Queen.

A nominating committee, Mrs. Wayne Landrum and Mrs. Wallace Landrum was appointed by the president.

The club welcomed a new member, Mrs. Edd Lynskey.

Mrs. Wallace Landrum, in charge of the program, instructed members in making lovely little pin cushion hats.

Members then participated in a jewelry auction. Mrs. Don Mills was auctioneer.

Mrs. Cliff Wampler won the door prize.

Lovely refreshments were served by the hostess, Mrs. Maag to Mesdames Cliff Wampler, Wallace Landrum, Edd Lynskey, Don Mills, Gene Turner, Wayne Landrum, Joe Davey, Marie Sullivan and a guest, Mrs. Joe Crowley.

At the April 17th meeting in the home of Mrs. Don Mills roll call was answered with "A Sign of Spring."

Mrs. Wallace Landrum, chairman of the nominating committee presented the following candidates for the 1962-63 officers: President, Mrs. Morris Cheney; Vice President, Mrs. Gee Turner; Recording Secretary, Mrs. Marie Sullivan; Corresponding Secretary, Mrs. Wayne Landrum; Treasurer, Mrs. Don Mills; Reporter-Historian, Mrs. Wallace Landrum; Parliamentarian, Mrs. Joe Davey. The nominations were accepted by the club.

Mrs. Jim Maag, in charge of the program, assisted members in making bird cages for artificial flowers.

The door prize was won by Mrs. Jim Maag.

Delicious refreshments were served by the hostess, Mrs. Mills, to nine members and a guest, Mrs. Edwin Green.

**WOOD ROOF DECK**

According to the Southern Pine Association, wood roof decking provides both roof structure and ceiling in many contemporary homes.

**STATE CAPITAL  
Highlights  
AND  
Sidelights  
by Vern Sanford**

Austin, Texas — Next week some 2,500,000 Texans will make up their minds whom to cast their ballots for among a huge list of candidates for local, district, state and federal offices.

Prime interest is in the governor's race, where five Democrats and two Republicans are hoping to replace Gov. Price Daniel. The governor is working hard to see that they don't.

Down the list, to the office of precinct chairman, there are more candidates than in many years. This is due primarily to the "open race" for the major state offices — namely those of attorney general and lieutenant governor. These openings have allowed those down the line to try to move up while at the same time leaving lesser offices open.

Also on May 5, the two parties will hold precinct conventions. They will name delegates to county conventions. County delegates, in turn, will name delegates to state conventions to be held in September. This is where party platforms will be written.

Big side-bar issues on May 5 will be the referendums on horse race betting and poll tax repeal. These will appear on both the Republican and the Democratic ballots. Also on the GOP ballot is the question whether Padre Island should be developed as a state park. Results of the balloting on these referendums are not binding. But they provide a public opinion poll and legislators are likely to follow the mandates set out by the voters.

**Daniel Backs Imports Limit**—Governor Daniel sent telegrams to the governors of the other 31 oil-producing states, and asked them to join in supporting an oil imports limitation amendment. U.S. Congressman Tom Steed of Oklahoma introduced the proposal. It would require oil imports to be cut to the 1956 ratio with U. S. production.

At the 1957 Governors' Conference, Daniel was successful in getting 32 gubernatorial signatures on a petition to Pres. Dwight D. Eisenhower, urging mandatory import controls. But he feels that nothing has been done to prevent imports from supplanting domestic production.

Daniel said that the recent schedule of eight-day allowables in Texas has resulted in a loss of more than \$100,000,000 in tax revenue for the state. May will be another eight-day producing month.

**Agriculture War On**—About 40,000 bushels of sweet potatoes worth \$100,000 are in danger of being ruined by the sweet potato weevil according to State Agriculture Commissioner John C. White. Some 1,200 growers in 10 counties plan to join the state in a two-month battle against the pest.

About \$15,000 will be spent to dust sweet potato crops and some 100 storage houses in An-

derson, Cherokee, Houston, Leon, Madison, Nacogdoches, Rusk, San Augustine, Shelby and Trinity counties.

White says the war against the Kaphra beetle, which devours grain, has been won at a cost of \$100,000. But every precaution is being taken to prevent another invasion from out-of-state.

On the positive side of the planting problems, the agriculture commissioner said South Texas cotton farmers have been given a 10-day extension — to midnight April 30 — to plant, or replant where seeds failed to germinate because of unusually dry weather.

**No Secrets Allowed in Schools**—A Texas law that says that public school authorities can suspend or expel a student who solicits members for a fraternity, or other secret society, also prohibits other organizations from doing so. Attorney General Will Wilson has so ruled.

The law allows the formation in schools of Boy Scouts, Hi-Y, Girl Scouts, DeMolay, Rainbow Girls, Pan-American clubs, scholarship societies, and other "kindred education organizations sponsored by state or national education authorities."

But any "public welfare" group which isn't on the list of specifics is forbidden.

**Boat Traffic Big Problem**—As warm weather inspires the owners of 177,082 motor boats to launch their crafts on Texas' lakes and streams, the problem of boat safety comes to the fore. The boat safety committee of the Sportsmen's Club of Texas plans to study the matter with Rep. Ben Atwell on April 27. Atwell has been directing questionnaires to all sports-

men's clubs to determine where and how boating accidents occur. Survey is to see if the Boat Safety Act passed by the 56th Legislature contains practical plans for accident prevention.

Henry J. LeBlanc Sr., president of SCOT, called a meeting of the Board for the same day in Fort Worth. There members will review the McGee Bend Dam project and other U. S. Corps of Engineers' plans which relate to impoundments on drainage systems in the state.

**New Highway Markers**—The 57th Legislature failed to appropriate funds for advertising Texas' tourist attractions out of the state. But the Texas Highway Commission has come up with a dazzling device for pointing out places of interest to travelers once they get in the state.

Historic sites and other spots of unusual interest will be pointed out by big cast-aluminum markers, such as those used in Virginia. These markers will be erected at roadside parks and turnoffs, so drivers can pull over and read the legends at leisure.

Markers are three feet wide and four feet, 10 inches high, and look like they're made of Swedish steel. They'll be mounted on six-foot aluminum poles.

Two already have been erected at a cost of \$1,000 each. One, placed two miles northeast of Tyler, marks the site of the largest Confederate Army prisoner of war camp west of the Mississippi. It was paid for by the grandson of a Union soldier who spent some time there.

The other was purchased by the Odessa Chamber of Commerce to point out the famous Meteor Crater near Odessa.

On May 4, a third plaque will be set up at McCamey. It will mark Castle Gap—the old Butterfield State pass.

Attorney General ruled that such markers are necessary for maximum use of modern high-

ways, and thus okayed the expenditure of state funds for future plaques.

Cost of plaques can be reduced to \$700 each in mass lots.

A committee headed by George W. Hill of the State Historical Survey Committee and composed of representatives from the Highway Department, the Parks Board and the Game and Fish Commission screens all recommended sites. About 100 spots are being considered right now.

**SHORT SNORTS**

Governor Daniel picked Lewis Spears of the Texas Education Agency to represent him at the White House Conference on the Youth Fitness Program.

A Dallas law graduate, Robert E. Wade, scored an average of 87 1/4 to make the highest grade of the 145 applicants who recently passed the 1962 Texas Bar examinations.

Odessa won second place in the National Cleanest Town contest. Honored also were six other Texas cities — Devine, Brazoria, Pleasanton, El Paso, Fort Worth and San Antonio.

The Texas Animal Health Commission finished the fiscal year with a \$38,388 balance from its \$654,880 appropriation. Although the commission can accept private donations for its brucellosis eradication program, no contributions came through

in the year ending in 1961.

Twenty-two U. S. men have been invited to part in a panel discussion at the May 17 convention of the Independent Producers and Royalty Owners Association in Houston.

**MUTUAL FACTOR**

While there are several different species of Southern pines, they have several mutual characteristics, the most notable strength. All species are prized for their high strength with climate a prime contributing factor.

Because of the long and abundant rainfall and producing region, pine trees have a high production of "summerwood", darker, denser element of annual growth ring. This, in turn, is a source of strength.

An atheist cannot find for the same reason a cannot find a policeman.

## Says Texas Dumping Ground for Bad Foods

A housewife's chances of getting a "bad egg" at the supermarket is only one in a million, Agriculture Commissioner John C. White said this morning.

Years ago, she ran the kitchen, and she was finding her family about quality eggs in every basket she served," White added.

75-year-old John White, seeking re-election to

## Chip and Dip with an Oriental Air

Every hostess and guest appreciates the advantages of having the chips and dip together and this gayly colored pair called Mandalay will bring its own zest to a party. The Oriental red glass is accented with brass and wood handles. The small dish may be detached from the large one so each may be used separately for other purposes, the large one for fruit, perhaps and the small one for jams, nuts, etc. The set is about \$4.98. By Jeannette Glass.

## JUNIOR HIGH BULLPUPS WIN

The Burkburnett Junior High Bullpups won the 9-AA District Softball Championship for the second straight by beating Sheppard-Burk 8-1.

Dean Thompson, Doug Gray and Charles Herring led the hitting attack with three hits apiece. Doug Renfro was the winning pitcher as he pitched a two-hitter.

Before Sheppard-Burk got their first hit, he had retired eighteen men in a row.

Mrs. Clarence Mertins of Stephenville was greeting friends in Burkburnett Monday.

Chevy II Nova Station Wagon—with Body by Fisher finesse that fits big families and small parking places.

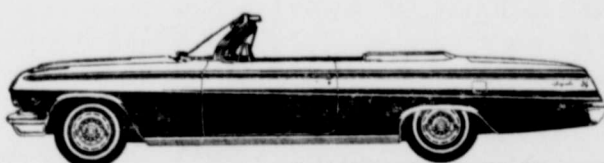

## NEW CHEVY II NOVA WAGON

Liveliness and loads of fun at a low, low price!

Who ever thought a wagon could have such a compact price—and still be so doggone generous with load space. This one's got a longer load floor than any compact—over 9 ft. with second seat and tailgate down. Plenty of room and plenty of zoom (thanks to the spunky six in this classy Nova). And there are two other just-as-roomy Chevy II wagons to choose from—including America's lowest priced 3-seat station wagon.

\*Based on manufacturers' suggested retail prices.

Thoughts of warm weather beginning to whet your wanderlust? Well, the buys are warming up, too, at your Chevrolet dealer's. And what beautiful ways he's got for getting away! Eleven new-size Chevy II models. Fourteen regal Jet-smooth Chevrolets. Plus a nimble crew of sporty Corvairs. So come on in and pick the one for your kind of fun. You won't find a better selection of sizes and sizzle anywhere.

**NEW IMPALA CONVERTIBLE**—You're in plenty good company if you pick this breezy beauty. It's America's favorite top-down way to travel. And it has the kind of room, richness and riding comfort that have many an expensive car wondering how Chevrolet does it.

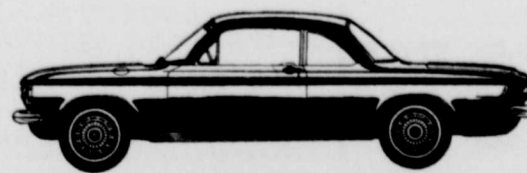

**NEW BEL AIR 4-DOOR SEDAN**—Get a load of this one's clean-etched styling and spacious comfort, and you've got a good idea why Chevrolet is America's most popular buy. Most popular at trade-in time, too, since Chevrolet traditionally returns the highest resale dollar in its field.

\*Based on used car prices published in the National Automobile Dealers Association USED CAR GUIDE.

**NEW CHEVY II 300 4-DOOR SEDAN**—Luxury and liveliness never came together so beautifully at such a low price. Room for a full-grown tribe of six—bag and baggage. Plus easy-riding Mono-Plate rear springs and other new ideas that won the Chevy II Car Life magazine's coveted Engineering Excellence Award.

**NEW CORVAIR MONZA CLUB COUPE**—It's as easy to handle as it is to own. Rally-proved steering and road-clinging traction. And—included in its budget-pleasing price—are front bucket seats, deep-twist carpeting and a whole raft of sporty features at no extra cost.

See the new Chevrolet, Chevy II and Corvair at your local authorized Chevrolet dealer's

Burkburnett, Texas

the state's top agriculture post-cited the new Texas Egg Law as an example of new legislation he inaugurated for the protection of the consumer.

"Protection of the family budget is also a major goal of the department," said White. "The Weights and Measures Law is enforced on commercial scales, pre-packaged foods and many other items to make certain the housewife is getting full value for her food dollar.

"Last year, more than 400,000 pre-packaged meats and some 100,000 grocery scales were among items checked to guarantee full measure. Even the local gasoline pump is inspected to make certain it is giving out a whole gallon," Commissioner White said.

"We are still fighting a major battle against improper labeling and confusing food packaging practices, however,"

White added. "Many buyers pay dearly for a lot of air in a pretty box. My goal is to get more strength in some of our food packaging legislation."

The young commissioner said he was especially proud of the fact that Texas is no longer a "dumping ground" for poor quality or unhealthy foodstuffs from other states. "We fought hard for laws which now serve as a watchdog for quality on such important food items as eggs, fruits and vegetables," said White.

"It is this type of protection which I seek to continue assuring the people of Texas as their commissioner of agriculture," John White said.

### SAVE YOUR YOUNGSTER

We closed a column recently with this tip, but it's so important we'll open this one with it. Sure, you know the old Boy Scout trick of following a stream if you ever get lost. But this may be the first year you're taking your boy (or girl) in the woods with you. The woods seem a lot bigger to them than you. Explain to him now, right now, that a stream ALWAYS leads somewhere and an endless circle through the woods leads only to panic and exhaustion.

Mr. and Mrs. F. E. Scruggs had as week end guests their daughter, Mr. and Mrs. C. K. Wheeler and daughter Lynette of Amarillo.

**Henry Anderson**  
Continued from Page One

J. Anderson, live at 1800 Speedway. His father, a veteran tax official here for 40 years, has served nearly 35 years in the tax assessor-collector's office for the City of Wichita Falls and the Wichita Falls Independent School District.  
In his official statement, Anderson assured the voters of Wichita County he would give a full measure of his professional legal skills and his personal and patriotic service to the duties of this office.  
**Statement**  
Anderson said:  
"The important office of County Judge for Wichita County needs the full experience of a mature and stable lawyer, and I shall give my full attention to the judicial and administrative duties in cases before this court and matters presented to the county commissioners court.  
"Wichita County is becoming an important medical center and as county judge I intend to work closely with the medical profession to further encourage and promote this county as a medical center.  
"The county judge should work closely with the commissioners in setting the county tax rates and values. I have had much experience with the tax problems in Wichita County and I feel I am amply qualified to protect the property owners of this county.  
"Experience is always the most important factor in choosing a judge. I expect to run on the record of my experiences as an active practicing attorney in Wichita County for the last 25 years. I respectfully ask each voter to ask your own lawyer about my qualifications.  
"I will appreciate your vote and every effort in my behalf for this office and will always keep myself and this office available for the needs of every citizen seeking such services."

**Fallout—What it means to you**  
Many readers are concerned and confused about the effects of radioactive fallout. The most often asked questions are, "What are the dangers of fallout?" and "Should I build a shelter or not?" During the next several weeks Medical Mirror will discuss these problems which confront us all.  
As of early 1962, fallout levels resulting from nuclear tests were not sufficiently high to cause undue alarm for public safety. However, federal, state, and local authorities have kept a watchful eye on the situation in order to institute any necessary protective measures.  
**Effects Of Exposure**  
Scientists have learned much about the effects of exposure to intensive radiation by observing people who have been accidentally over-exposed and from studies on animals. On the other hand, little is known about the effects of prolonged exposure to low levels of radiation, such as that which comes from the earth itself and from outer space ("background" radiation), that from radioactive industrial wastes, or that due to fallout from nuclear explosions. It is generally agreed that there is no level of radiation exposure below which harmful effects may not occur to at least a few people, where a sufficiently large population is involved. This is known as the "nonthreshold" concept.  
More about fallout next week

**Medical Mirror**  
Cabbage Juice  
Altitude and Hearing  
Q. I have heard that use of cabbage juice can cure stomach ulcer. Is this true?  
A. Tests with fresh cabbage in treatment of peptic ulcer have been conducted for some years. The anti-ulcer factor called vitamin U. Some doctors claim a high percentage cures when fresh cabbage juice is used with an ulcer diet. However, the cabbage juice treatment still experimental.  
Q. I live in a western (altitude, 6000). The man whom I purchased a home aid said that my hearing would improve as much as 50 per cent by living at sea level. Is this true?  
A. So far as we know there is no scientific evidence that pressures commonly experienced would have any effect on deafness.  
Send questions to Science Editor, P. O. Box 1174, Lawrence, Kan.  
It's wise to have a family physician. Then, if an emergency arises, you will not be a stranger to him. And remember, friendly and competent help will be glad to serve your prescription needs.

**DEN 1—PACK 156**  
On April 24th we had our weekly meeting with our Den Mother, Mrs. Mary Rupard and Mrs. Florence Gann.  
We had our opening ceremony and then we went to the Scruggs Greenhouse where Mr. Scruggs showed us all of his plants. He explained how flowers are grown, which bugs are harmful and how to care for flowers and plants. We want to thank Mr. Scruggs for his time and patience.  
Refreshments were furnished by Len Brown and served to Eugene Lucas, Kenneth Bailey, Ray Holley, Randy Green, Jack Rupard and Ronnie Gann.  
Ronnie Gann, Keeper of the Buckskin
