WHY WE CELEBRATE THANKSGIVING

A schoolboy can tell you the Thanksgiving celebration derived from the first thanks of the grateful Pilgrims. Very rarely are we reminded of WHY the feast was celebrated, or what caused their names to change. And THAT was really the discovery we often refer to as American history. It's a story that warrants frequent retelling. We know, the Pilgrims fled from Plymouth Rock in 1620 — after fleeing religious and economic persecution in England. According to Bradford's History of Plymouth Plantation, "from Governor Bradford's own log, the first thing he did was 'to erect ye first house for common use to receive them and their goods.' It was natural in those days to build a common house, in which food and other production would be stored. All property belonged to the people 'in common.' In other words, the Pilgrims were practicing the best thing in history to pure communism — 'from each according to his ability, to each according to his need.' Within three months, 100 of the 100-odd Pilgrims had perished. Even half of the strong Mayflower crew died before the ship returned to England the following April. After two horrible years of starvation and misery, the Governor summoned the leaders of the colony to a meeting. After much deliberation, they decided to try something that appeared heartless on the surface. Henceforth, instead of each man being responsible for his neighbor's well-being, they gave each family its own parcel of land. Private property came to Plymouth Colony — and the results were extraordinary. Bradford states: 'This had very good success; for it made all hands very industrious, so as much more corn was planted than otherwise would have bene by any meanse ye Govr or any other could use. The women now wente willingly into ye field, and tooke their little-ones with them to set corne, which before would aledg weaknes, and inability; whom to have compelled would have bene thought great tiranie and oppression.' Whereas each had resented working for others, now every individual had the greatest incentive to produce. The private enterprise system had been born, and it accomplished miracles — as it always had and always will. No wonder the Pilgrims were so thankful that first Thanksgiving Day. They had discovered the secret that man had sought for ages. And, as Governor Bradford told it, 'any general wante of famine hath not been amongst them since to this day.' This Thanksgiving, let us pray that God's mercy will give us an undeserved second chance. Let US discover the secret of plenty that comes from self-reliance and individual responsibility. Let us reconstruct the great system of private enterprise that we have allowed to slip away. And let us do it before it is too late.

Burk Drama Classes To Present Plays Monday, Dec. 2nd

The Burkburnett Drama Classes will present a night of one-act plays for your entertainment. The plays to be presented are "The Lottery," "The Portrait of Nelson Holiday," and "Roughly Speaking." The plays will be enacted at 7:00 p. m. Monday, December 2nd, at the Junior High Auditorium. Tickets may be obtained from any Drama Student or the Speech Department or at the door. Admission prices will be: Adult Tickets, 50c and Student and Children Tickets, 35c.

Humble to Broadcast 3 SW Conference Games Nov. 28, 30

Humble Oil & Refining Company will carry a radio broadcast of the great Thanksgiving Day gridiron battle, Texas A&M vs. University of Texas, Thursday afternoon. On Saturday Humble will sponsor the radio broadcast of two more Southwest Conference games. The Texas A&M-Texas game will be broadcast from Kyle Field in College Station Thursday by Kern Tips and Alec Chesser. Radio time will be 1:45 (CST). The Rice-Baylor game will be broadcast from Rice Stadium in Houston Saturday by Kern Tips and Alec Chesser. Radio time will be 1:45 p. m. (CST). The TCU-SMU game will be broadcast from Amon Carter Stadium in Fort Worth Saturday by Ves Box and Eddie Hill. Radio time will be 1:45 p. m. (CST).

There will be a three-day Beef Cattle Short Course on December 3, 4, and 5. The meeting will be held in the First Aid Room, 4th floor, County Courthouse. Each meeting will start at 7:30 p. m. We have a group of outstanding instructors and will be able to answer any questions you might have on beef production.

PROGRAM

Tuesday, December 3rd —
7:30 p. m. — 7:50 p. m. — Livestock Slaughter, Ebner Brothers Packing, Mr. John Ebner.
7:50 p. m. — 8:05 p. m. — Livestock Marketing, Charlie Davis, Wichita Falls Auction Barn.
8:05 p. m. — 9:15 p. m. — Livestock Diseases, Insects, Brucellosis Program, Dr. C. M. Patterson, Veterinarian, A&M University.

(Refreshments)

Wednesday, December 4th —
7:30 p. m. — 7:50 p. m. — Beef Cattle Production on Coastal Bermuda, Lester Brooks, Superintendent, Iowa Park Experiment Station.
7:50 p. m. — 9:00 p. m. — Pastures, Range, Management, Temporary Pastures, Brush Control, G. O. Hoffman, Range Specialist A&M University.
9:00 p. m. — 9:15 p. m. — Trend in Marketing, Roddy Peoples.
(Refreshments).

Thursday, December 5th —
7:30 p. m. — 8:45 p. m. — Beef Performance Testing, Beef Cattle, Cow and Calf Operation, L. A. Maddox, Animal Husbandman, A&M University.
8:45 p. m. — 9:15 p. m. — West Texas Feed Lot and Livestock Tour, Paul Beren. West Texas Feed Lot and Livestock Tour, Neal Johnson.
(Refreshments).

Burk Rotarians Visit In Electra

Some eighteen or twenty members of the Burkburnett Rotary Club went to Electra on last Friday, November 22nd for a Rotary inter-city meeting with the Electra Club.

The visitors were welcomed by Bob Holmes, president of the Electra Club.

Frank O. Hall, oil editor of the Wichita Times was the featured speaker and gave a very interesting resume of the oil industry of Wichita County and of the area.

Visiting members of the Burkburnett Club were introduced to the Electra Club by President Al Lohofener.

A return intercity meeting in Burkburnett is planned for early in 1964.

Girl Scouts Not Just A Girls Club

When a girl becomes a Girl Scout, she is doing more than joining a club. She becomes a member of a nation-wide and world-wide movement which is dedicated to the task of helping girls to grow into strong, reliable, and useful citizens of tomorrow.

When Girl Scouting touches a girl, it also affects a family, a community, and the nation. Your help is needed so this "magic touch" can affect more families in our community. The first Girl Scout fund-raising drive in Burkburnett will begin December 4th, according to Mrs. James W. Hammond, campaign chairman. Letters will be mailed to all Burkburnett residents explaining the campaign and asking donations be mailed to the Girl Scouts.

Only a year ago there was one Girl Scout troop in Burkburnett. Today there are eleven troops with a membership of 201 girls. The NorCenTex Girl Scout Council's membership is presently 2,211 girls and adults. In our country one out of seven girls is a Girl Scout. These 3 1/2 million girls are also members of the World Association of Girl Guides and Girl Scouts of 54 countries of the world. The scope and size of the movement, 5,000,000 strong, greatly indicates the driving influence of Girl Scouts in bringing about better international friendship and understanding in these critical times.

Each girl, upon becoming a member of the Girl Scout movement, pledges herself to do her best to "Do my duty to God and my Country, to help other people at all times; to obey the Girl Scout Laws." By living up to her "laws" she is to be trusted and loyal; useful and helpful to others; a friend to all; is courteous and obeys orders; is cheerful, thrifty, and clean in thought, word and deed.

Won't you answer your Girl Scout letter promptly so you can have a part in this great movement?

On the morning after a big night few of us are disposed to thank the host and hostess for a memorable evening.

Local Births

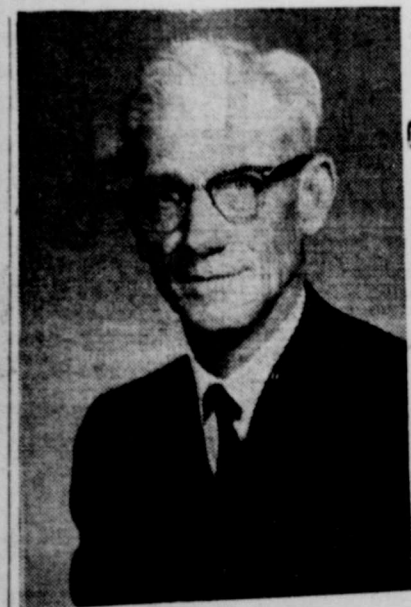

Birth certificates were issued to the following Burkburnett parents last week, Messrs. and Mesdames:

Jerry Wayne Kemp, girl, Terri Lyn.
Teddie Rex McDowell, girl, Pamela Ann.
Elon Wayne Hamilton, girl, Janna Marie.
Melvin Earl Silva, girl, Renee Jean.
Forrest Eugene Byford, boy, Stephen Forrest.

Unity Garden Club Flower Show Is Scheduled Dec. 5th

The Unity Garden Club of Burkburnett will hold their annual flower show "Holiday Beauty and Glamour" Thursday, December 5th in the Texas Electric Reddy Room. The show will be open to the public from 10:00 a. m. to 6:00 p. m. You are extended a cordial invitation to attend.

You'll have a box seat and more storage room aboard your boat if you use space under thwarts and seats for drawers to hold gear. It's easy to make wooden slide drawers. Or if you want the fast, fast, fast way to make 'em, use old anti-freeze or oil tin cans shaped to fit.

Dr. Carl E. Keightley To Speak At Burkburnett First Methodist Church

Dr. Carl E. Keightley will speak at Burkburnett First Methodist Church on Sunday, December 1 at the 10:30 a. m. Worship Hour. Dr. Keightley, a well-known minister throughout Texas, is editor of the Texas Methodist, the weekly newspaper for Methodists throughout the state. Especially well-known in Wichita Falls, Dr. Keightley served six years as pastor of the University Meth-

odist Church (University Church was formerly Grace Methodist Church which was downtown prior to relocation at the University site in 1955). As this is Commitment Sunday in our Methodist Churches, he will be speaking as a representative to the office of TANE. Dr. Keightley has been at First Methodist in Burkburnett on several occasions and just last Easter held Holy Week Services there.

Residential Christmas Contest Sponsored By Burkburnett Chamber of Commerce

The Burkburnett Chamber of Commerce will sponsor a residential Christmas Decoration Contest here this year., Buddy Byars, chamber manager, announced today.

Four prizes will be awarded this year. Texas Electric Service Company will give the first prize winner a Reddy Light, installed; the First National Bank of Burkburnett will give the second place winner a \$50.00 Savings Bond; third prize of a \$25.000 Savings Account will be given by the First Savings and Loan Association of Burkburnett and fourth place winner and Electric Blanket given by Texas Electric Service Company.

Bill Donnell, chamber presi-

dent stated, "our community will receive a great many benefits from an all-out effort in decorating our homes. The contest will provide pleasure for everyone participating and will help beautify our town at this season of the year and will foster a friendlier community spirit."

Burkburnett residents wishing to enter the residential Christmas Decoration Contest should fill in the entry blanks published in the BURK STAR and bring them to the Chamber of Commerce before December 21. Judging of the contest will follow four main categories: artistic merit (30 points), originality (20 points), lighting techniques (30 points), and ingenuity (20 points).

RESIDENTIAL CHRISTMAS LIGHTING CONTEST

Your Blood Can Save Lives

Our doctors are accomplishing wonderful things with blood, according to papers at the annual meeting of the American Association of Blood Banks in Detroit. By fractionating blood, for example, it is sometimes possible to treat two and even three patients with one unit. Electronic machines are coming along that may take over the tedious task of typing.

Busier than ever is the national clearing house system in which hospital and community banks and the Red Cross cooperate to credit blood given locally to distant relatives or friends. A boy with hemophilia, the dread bleeding disease, in Hawaii recently was credited with 49 pints given to the Central Florida Blood Bank in Orlando, where he formerly lived.

But it all emphasizes the continuing need for blood. Human blood comes only from humans. If you are between 21 and 60 and in good health, you can save lives by donating blood regularly at the nearest blood bank or collection center.

GRASS ROOTS OPINION

GLEN RIDDLE, PA., ROCKDALE HERALD: "Henry Ford was a restless, ambitious man—unwilling to be satisfied with the 'status quo.' As a result, he didn't do the things we'd consider normal. He didn't ask for subsidies or research funds from the government. Instead he worked hard, for very long hours, looking for ways to improve upon the 'status quo.' And as a result of his restless ambition, he discovered a way to put one of America's most precious luxuries within reach of every American family (the automobile)."

RIVERTON, WYO., RANGER: "A recent private study of the cost of providing one new industrial job reveals that an investment of more than \$20,000 is required for each man employed. The study is interesting and pertinent to local efforts at industrial attraction. Applying the formula broadly, a community that hopes to attract an industry with a 100-man payroll would have to raise money in the amount of \$2,000,000."

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Unless the Congress takes some immediate action, it is possible that in a short time it will find itself in the middle of another muddle even more serious than the postponed railroad showdown.

James Hoffa, the baron of the trucking unions, has already made it plain that before this year is out he is going for a master contract covering all trucking operations in the nation.

Since early in the year Congress has had before it a bill introduced by Rep. David Martin of Nebraska that would prohibit industry-wide labor bargaining.

Led down a primrose path by many issues of diversion, so far the Congress has failed to seriously face the problem which the nation faces.

The nation's independent business proprietors, voting through the National Federation of Independent Business, support this measure by a majority of 87%.

Obviously, as was quite widely discussed in the communist backed trade union movement in the early '30's, if control can be seized of the nation's transportation facilities, the nation is helpless.

Delay in acting can be dangerous. For example, in 1962, the Congress failed to take action on a bill introduced by Senator John Tower of Texas, which would have prohibited

unions from interfering with management decisions affecting the achievement of savings or economies from making use of modern developments. This, too, was supported by the nation's independent business proprietors by a majority of 95%.

Failure to act on this measure made it possible for the present railroad situation. And although no strike has taken place, the groundwork has been laid for extensive socialization of the nation's railroads.

Railroad management, with the diesel now replacing the coal fired locomotives, believes economies can be achieved by eliminating firemen, by changing some work rules. The unions threatened to strike. This would have paralyzed the nation.

So, an arbitration board is now at work, with the findings of this board binding on both sides. It is not conceivable that this board will turn down all of labor's demands to maintain "feather bedding," which only means higher freight rates to the consumer.

Thus, railroad management will end up with hands tied. Here then will be compounding of the evil that Senator Tower's bill was designed to correct. Not only will labor be compelling management to operate inefficiently, but it will now have government backing.

And if the Congress does not act on Rep. Martin's bill, there is nothing to stop Hoffa from becoming the most powerful man in America. It is little wonder that foreign dollar holders make greater demands on U.S. dwindling gold reserve in exchange. Nobody bets on a horse with three legs.

 legacy. These situations de-
 mand reputable lawyers rep-
 resenting both nurse and pa-
 tient . . . long in advance.

OLD DRUNK
 I was told that older people
 are becoming chronic alcoho-
 lics. Is this true? Or is this an-
 other way to criticize us?

Half Pint, Ohio
 For a Half Pint you deliv-
 ered a gallon of anger, didn't
 you! Alcoholism in the aged is
 getting more attention. After
 all, how are you going to
 overlook five million steady
 drinkers in this country, of
 whom almost one million are
 ladies? Let's face it: it would
 be impossible for some of
 them not to be older folks.

After forty, personal losses
 such as bereavement by death
 or divorce can contribute to
 drinking, says the psychiatrist
 at Kings County Hospital Al-
 coholic Clinic in Brooklyn, N.
 Y. Statistics showed 15 per
 cent of their new patients
 were men aged 50 to 60; and
 over nine per cent were old-
 er women. The N. Y. State
 Department of Mental Hy-
 giene upholds this picture
 with statistics that of 1,340
 first-time admissions to state
 hospitals, 94 were over 65.
 From San Francisco General
 Hospital, the Langley Porter
 Neuropsychiatric Institute's
 expert reported that at least
 one-fourth of the 530 elderly
 had a long history of alcohol-
 ism.

One southern state pioneer-
 ed this past summer with a
 "school" for alcoholic rehab-
 ilitation. One effort begin car-
 ried on is to explore drink-
 ing by older people. This is
 aimed not to criticize them,

Santa Rosa District Workshop Held in Burk November 21st

The Santa Rosa District of Federated Womens Clubs met in Burkburnett Thursday November 21st, in a Workshop Session. Fourteen counties with approximately eighty study clubs comprise this organization, according to Mrs. Grover C. Johnson of Wichita Falls, president.

Mrs. A. T. Carlton of Houston, Texas, State President of Federation was the guest speaker at the noon luncheon in Town Hall.

Coffee and doughnuts were served from an attractive table, through the courtesy of the Burkburnett Chamber of Commerce, in the Fellowship Hall of the First Methodist Church. Mesdames Harold Van Loh, James Roderick, N. C. Parker, E. C. Carpenter and G. C. Gambill assisted by the Hostess Club composed of the members

of the University Study Club registered the guests at 8:45 a. m.

The Theme of the Workshop was "The Road Ahead." The meeting was called to order at 10:00 a. m. in the Sanctuary of the church. Mrs. George McClarty, president of the City Council of Federated Clubs, introduced Mrs. Grover C. Johnson, president of Santa Rosa. Pledges to the United States and Texas Flags were led by Mrs. John Miller of Wichita Falls.

An inspiring Meditation was given by Rev. Carroll Copeland, pastor of the Methodist Church. Mrs. Jack Smith, vocalist, accompanied by Mrs. Bill Vincent sang "God Bless America." Special poems were written and read by Poet Laureate Mrs. Curtis Justice of Chillicothe,

Texas. A welcome was given by Mrs. George McClarty, James Frye, Mayor of Burkburnett; W. T. Donnell, president of the Chamber of Commerce and Secretary L. J. Byars. Mrs. W. Baxter Johnson, 1st vice president of Santa Rosa from Crowell gave the response.

"Off to A Good Start," roll call by approximately twenty-one club presidents who responded in a one minute report and department chairmen, coordinating agencies and state chairmen were introduced at this time.

A delightful and intriguing Polynesian Buffet Luncheon was served at Town Hall by ladies of the Episcopal Church. Mrs. H. C. Preston, Jr. and her committee was in charge of the palm trees, island flower settings with tropical fruit and greenery decorations which adorned the stage, entrance and tables. The members of the Modern Study Club, dressed in mumus with leis were hostesses. Mrs. W. C. Vann, of the Current Literature Study Club of this city, gave the invocation. Soft organ music was played by Mrs. Bill Vincent during the dinner hour and also accompanied Mrs. Jack Smith, vocalist, who sang several numbers from the play, "South Pacific."

Mrs. A. T. Carlton, state president, gave a very inspiring message following the luncheon.

The group reassembled in the First Methodist Church Sanctuary to continue the business. Special committees reported on Friendship, Club Ethics, Leader-

ship Development, Club Mother, Club Woman of the Year, Outstanding Club Reports and Several Public Affair Departments under the leadership of Mrs. Ralph White, chairman of Public Affairs.

Mrs. Lorraine Kent, general chairman of the Fine Arts Department, of Vernon, emphasized her departments and reports.

The following were named on the nominating committee to secure the Santa Rosa District officers for 1964-65. Mrs. Ralph White, chairman, of Burkburnett; Mrs. Clifford Graves of Paduach, Texas; and Mrs. Jack Howard of Quanah, Texas.

Mrs. Bill Sager resigned as district junior director and Mrs. Walter Sarrazin of Quanah was elected to fill the unexpired term.

Approximately 200 attended the Workshop sessions and luncheon.

Lutherans to Hold Services Thanksgiving Day

Moses said to the Israelites, "When thou hast eaten and art full, then thou shalt bless the Lord thy God for the good land which he hath given thee." Deut. 8-10.

In keeping with the purpose of America's national Thanksgiving Day, Grace Lutheran Church will hold a special service of thanks and praise to God on the morning of Thanksgiving Day. All are invited. The service begins at 10:00 a. m.

Special music for the service will be provided by the Grace Lutheran Kindergarten children and also by the Junior Choir. The service will be conducted by Rev. Phil Otten, pastor of Grace Lutheran.

EPISCOPAL CHURCH NEWS

The Rev. Alex Moffet, vicar of St. Mary's Episcopal Church of Wichita Falls spoke to the Women of the Episcopal Church of St. John the Divine at their regular meeting November 14 at the home on Mrs. John Morgan. Rev. Moffet spoke on the history, meaning and practice of confirmation.

The business taken up at this meeting concerned the luncheon the women served for the Federated Club Women's Workshop.

On Wednesday morning at 10:00 a. m. the Alter Guild of the Episcopal Church of St. John the Divine, 1000 S. Berry Street will hold a Corporate Communion with a guild meeting to follow.

The members of St. John the Divine invite the public to a special celebration of Holy Communion to be held Thanksgiving Day at 10:30 a. m.

Last Friday night at 8:00 p.

Chevy II Nota 4-Door Sedan

Now-'64 Chevy II...

with a V8 engine

Now you see it. Now you don't. When a Chevy II does that kind of disappearing act you know without looking twice: It's a '64 with a V8 engine.

That's right. A full-grown 195-hp Turbo-Fire V8.* It's available for the first time this year along with a choice of three other engines—the standard 4 (in 100 Series sedans), the standard 6 and a new 155-hp 6.* (And all of them maintain their high spirits on modest amounts of regular gasoline.) But the changes aren't confined to what

happens when you slip into the driver's seat. There are new styling features like the tasteful grille design and trim accents, for instance. And the larger self-adjusting brakes that further reduce upkeep on a car that already has a reputation of coming about as close to perpetual motion as anything on four wheels can get.

The place to get the full details on the '64 is your Chevrolet dealer's. And after you've got them, we hope you'll attend to one further detail yourself. Drive it. *Optional at extra cost

Ask about a SMILE-MILE Ride and the Chevrolet Song Book at your Chevrolet dealer's

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

CONTACT!

Kids do say the craziest things sometime... at a recent Ice Hockey game, my little boy said "Boy, how'd you like to be that puck?" Having just seen two big sticks slashing at it, I told him that I wouldn't care to change places at all. Now this may seem peculiar, but this set me to thinking just how much better off I am than that little old puck. In the first place I can move about at my own free will, and I have a mind to think with, and a soul... yes, its a real honor to be created in God's image. Also I can go to church each Sunday and worship God... now I love this and feel that it is a wonderful privilege. How about you... won't you be my guest at church this Sunday?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

HEALTH AND SAFETY TIPS

From The American Medical Association

TAPERING OFF FROM FOOTBALL TRAINING

At the end of the 1963 football season is at hand for all except the post-season and bowl game players and thousands of young players are soon to be released from rigorous training schedules.

Will they end their training this season? Or will they continue their training regimen for daily living? Obviously, the football players who wind up the season can be expected to keep up the hard training grind on their own initiative. But they must be aware of what happens when they suddenly break off exercise and return to a completely sedentary existence for the winter months.

In a comment issued jointly by the National Federation of State High School Athletic Associations and the Committee on the Medical Aspects of Sports of the American Medical Association, the experts point out that a year-round program of physical conditioning should be provided for all those interested in athletics. Maintaining strength, endurance and agility makes possible high performance levels and protection against injury. It also reduces the necessity of the trying early season period of crash-conditioning.

Of course, in many smaller schools some of the football players will promptly begin playing basketball at the end of the grid season, and their continued training is automatic. The others can help to keep themselves in shape by regular workouts in the school gym, by handball or squash and other indoor winter sports that require considerable activity.

Many football players who halt training abruptly find they are immediately confronted with a sharp increase in weight. This is because they continue the heavy calorie diet consumed during the football season. Regular exercise will help to control weight while tapering off somewhat on the training diet.

A training schedule is actually a comprehensive health education program, covering principles of personal hygiene, first aid, medical and dental care, rest and exercise, communicable disease control, environmental hazards and preventive procedures. These principles are a sound basis for a life-time "way of life" as well as good preparation for the next football season.

For those who shun elevators, there are 7,860 steps to the top of New York City's Empire State Building. . . The oldest capital city in North America is Mexico City, which dates to 1325. . . Chatham Hospital in Silver City, North Carolina, gives nurses caps to little girl patients — the idea is not only to keep the little girls happy, but perhaps plant the seed of interest in the nursing profession.

More than 77 percent of the men and 46.5 percent of the women in the United States now have auto-driving licenses. . . Professions that are predicted to grow faster in opportunities and income during the 1960's are medicine, dentistry, engineering, nursing, chemistry, physics, teaching, mathematics, accounting and social work. . . Airplane passenger service was inaugurated in the United States on May 3, 1919.

Perfect Pudding for a Party

This excellent steamed pudding is a perfect holiday dessert. Serve it hot with deliciously thick Foamy Sauce: Beat 3 egg yolks slightly and add 1/4 cup confectioners' sugar, 1/4 teaspoon of salt, 1/2 teaspoon of vanilla, and if desired 1 1/2 tablespoons of brandy. Beat until very thick and about the color of a lemon. Whip a cup of cream and fold into the egg mixture. Chill before serving.

Holiday Chocolate Pudding
1 cup mixed candied fruits and peels
1/4 cup water
1 1/2 tablespoons rum extract
1 1/2 cups sifted flour
2 teaspoons double-acting baking powder
1/2 teaspoon baking soda
3/4 teaspoon salt
1/2 cup butter or margarine
1/4 cup firmly packed brown sugar
1 egg
3 squares unsweetened chocolate, melted
1 cup milk

Combine mixed fruits, water, and rum extract in a saucepan. Bring to a boil over high heat; then reduce heat and simmer until all liquid is absorbed, stirring occasionally.

Sift together measured sifted flour, baking powder, soda, and salt. Cream butter; gradually add sugar, continue creaming until flour mixture and milk, beating well after each addition. Stir in fruit mixture. Spoon evenly into a well greased 2-quart mold. Cover tightly with greased aluminum foil and place mold in a pan of hot water. Bake in a moderate oven (375°F.) about 1 1/2 hours, or until a cake tester inserted in pudding will come out almost clean and pudding begins to pull away from the sides of the mold. Serve hot. Top with Foamy Sauce, if desired. Makes 12 servings.

schools some of the football players will promptly begin playing basketball at the end of the grid season, and their continued training is automatic. The others can help to keep themselves in shape by regular workouts in the school gym, by handball or squash and other indoor winter sports that require considerable activity.

These principles are a sound basis for a life-time "way of life" as well as good preparation for the next football season.

For those who shun elevators, there are 7,860 steps to the top of New York City's Empire State Building. . . The oldest capital city in North America is Mexico City, which dates to 1325. . . Chatham Hospital in Silver City, North Carolina, gives nurses caps to little girl patients — the idea is not only to keep the little girls happy, but perhaps plant the seed of interest in the nursing profession.

More than 77 percent of the men and 46.5 percent of the women in the United States now have auto-driving licenses. . . Professions that are predicted to grow faster in opportunities and income during the 1960's are medicine, dentistry, engineering, nursing, chemistry, physics, teaching, mathematics, accounting and social work. . . Airplane passenger service was inaugurated in the United States on May 3, 1919.

To the man who looks up, the sky is the limit.

IN HOLLYWOOD

By WILLIS E. STONE

The movie Museum, dedicated in Hollywood on October 20, 1963, will house the record of achievements of this glamorous industry. Dedication speeches pledged the revitalization of the movie business.

It will, however take more than passionate resolve to restore Hollywood's one time greatness. It will take opportunity—freedom of action and the right to self determination—to fill the pledge.

This freedom of action, the opportunity to do and prosper, has been politically removed from the movie industry and from others. Before these industries can be restored to the glory they achieved thru the American concept of free opportunity for all, the principle of liberty must be restored. Without it there can be no glory, no greatness, no growth—only the museum memories of what once was.

Cause

But how did our concept of opportunity vanish? Was it not when politicians voted themselves the power to dip into the pay envelope of all of us, in any degree whatever, as they themselves might determine? This is the historic method of destroying initiative. It has

been properly said that this "power to tax is the power to destroy." The individual income tax has this power.

To further the decline of privately financed picture production, the Federal bureaucrats invaded the business and became the world's greatest movie producer. Why should not this be so? It was our tax dollars which were used for capital, and government agencies are not required to contend with such items as interest, rents or taxes at any level, or with losses paid by our tax dollars.

Emphasizing the political domination of the film industry, a federal agency seized the General Aniline Co. in WWII, and refused to return it to its rightful owners for 20 years. This political agency thus became a principle producer of raw film stock, and as such held dominant control of picture production.

Effect

Such fantastic controls and penalties upon the movie industry caused producers to look elsewhere for opportunity, and they found foreign governments made fat with American "foreign aid" dollars, most anxious to transport movie production and jobs from the United States to their own lands.

To assist the flight of American industry to other lands, our tax dollars were again employed by the Organization for Economic Cooperation and Development (OECD) to help induce American producers, including movie producers, to move to

foreign fields. Various political pressures, subsidies, guarantees and immunities were offered.

As a result more than half of our motion pictures are being produced in foreign countries—and this includes all the big ones. The blight which has descended upon Hollywood, as it has upon other industrial centers, provided the incentive for impassionate pleas to restore the productivity of Hollywood.

As prologue to the dedication of the Movie Museum, a group called "Government Trade and Labor Experts" advanced the idea that the "elimination of foreign film subsidies" might provide a "partial cure for Hollywood's problems."

Solution

Actually such an approach does not constitute a cure. It is but a sop to an industry dying of political strangulation. The only possible way to rejuvenate the American movie industry, or any other industry, is to restore its freedom of action its opportunities.

To restore these virtues to in-

Fresh Idea from MRS BAIRD'S BREAD

COPPER BRIGHT
How to keep copper bright and pretty can be a problem. Some people use clear lacquer on small copper pieces to retard tarnishing. But when copper does tarnish and becomes discolored, rub it with a mixture of salt and lemon juice, or a mixture of salt and vinegar. You'll restore the original beauty and your copper will have a fresh sparkle in a jiffy.

holiday helper!

There are so many, many things to do getting ready for Christmas. But one thing helps make them easier — your dependable electric service. Thanks to modern work-saving electric appliances, there's less time spent on routine household chores, leaving more time for Christmas shopping and other holiday preparations. It's during the holiday season, when electricity does so much to save your time and conserve your energy, that electric service once more proves to be the biggest value in your home.

Current Literature Club Met In Home Of Mrs. John Brookman

"The magic word will be education in the years to come," stated Mrs. W. C. Vann, leader of the program on education, when the Current Literature Club of Burkburnett met in the home of Mrs. John Brookman recently, with Mrs. Harold J. Engel, as co-hostess. Mrs. Hugh Jones discussed "Libraries," local and state. She reported that several club members visited the school library during "National Book Week." Mrs. Harold J. Engel brought a paper on "Scholarships." The Club's McMurtry Scholarship girl, Shirley Reynolds, student of Midwestern University, and her mother were present for the program. Mrs. J. S. Vanderburg, discussed "School Drop-Outs" —

Bible Reading Program Urged

Residents of Burkburnett today were urged by the Rev. Phil Otten, minister of Grace Lutheran Church to join tens of millions of people on every continent in observing the twentieth anniversary of Worldwide Bible Reading.

This program, sponsored by the American Bible Society, is a spiritual bond among the peoples of the world who each day between Thanksgiving Day and Christmas had the same, pre-selected portion of the Bible. Frequently described as the "world's largest Bible reading class," the program offers a bookmark which lists a selection from the Bible for each day between the two holidays. The suggested Bible selections are listed below.

A distinguished board of laymen, among them the three living former Presidents of the United States, Herbert Hoover, Harry S. Truman and Dwight D. Eisenhower, sponsors the annual program.

The program was born during World War II when a lonely Marine on Guadalcanal wrote his family in Philadelphia to suggest that close spiritual ties could be maintained by agreeing upon selected Bible passages in advance and having each family read them on the assigned day. The society was asked by the mother to provide a list and did so. The next year, society officials decided to suggest the practice to others with relatives in the armed forces and the program subsequently grew into world wide dimensions in peace time.

This year, according to Rev. Otten, the program will be observed by millions of people in 40 countries and in dozens of languages.

This year's theme is "The Word of Truth." The program will start with the reading of the 100th Psalm on Thanksgiving Day and is climaxed by the reading of the Christmas Story from the Gospel of Luke on Christmas Eve.

THE BIBLE — THE WORD OF TRUTH (reading list follows)
NOVEMBER —
28 Thanksgiving Psalms 100
29 Psalms 133
30 Psalms 150
Continued Tuesday

BAND PARENTS CLUB THANKS ALL HELPERS

The Band Parents Club wishes to thank each one who had a part in the concession stand at the football game Friday night. This includes the workers, all who donated food, loaned appliances and the school custodians who helped in getting set up.

Also we thank the United Super Market for buying our unopened coffee, etc afterward. Each bit of assistance helped make it a success.

the reasons why, and suggested a number of ways to remedy this great tragedy.

"Statue of Liberty Museum," was discussed by Mrs. C. E. Lundberg.

As a memorial, club members voted to honor all the women in the Armed Forces of World War II.

"Pennies for Miles," the Club's Care Project, was reported by the Captains, Mmes. John Brookman and C. E. Lundberg. All monies collected were donated to "Care."

Mrs. Hugh Jones, International Affairs Chairman, reported "To Strengthen the Arm of Liberty." Copies of Historical and International Documents were displayed.

The Federation Counselor's report was brought by Mrs. W. C. Vann on "Home Reading Courses from the Texas University."

Christmas gifts will be received by Mrs. Marjorie Kauer for the Children's Center, Wichita Falls.

Mrs. F. M. McMurtry, president, announced that the club would meet December 5th, at the Lone Star Gas Company, Wichita Falls, for a Demonstration, "Keeping Christmas," by Mrs. Helen Banks, Home Economist.

Lovely refreshment plates, in keeping with the traditional Thanksgiving Season, were served to twenty members and three guests.

SENIOR CITIZENS AS BLOOD DONORS

Q. Should older persons (we are called "senior citizens") donate blood?
A. Most blood-collecting agencies will accept blood from donors who are between 18 and 59 years of age. The upper age limit is imposed in order to protect persons whose health might be impaired by the rapid loss of an amount of blood that represents 7 to 10% of their total blood volume. Therefore, people who are 60 or older are generally not accepted as donors.

MORNING GAGGING

Q. What causes morning gagging?
A. Mouth breathing probably causes much of the morning gagger's troubles. Mouth breathing during sleep can be due to blockage of the nasal passages because of infection, allergies, or some physical derangement. Mouth breathing tends to dry the normally moist, "slippery" throat tissues. Swallowing causes the parched, "scratchy" surfaces to rub together, thus stimulating the gag reflex. Treatment, as prescribed by a physician, might start with measures directed toward establishing and maintaining normal nasal breathing.

Remember — the diagnosis and treatment of disease is the function of the patient's personal physician.

We maintain full stocks of prescription drugs . . . have the professional skill to dispense them promptly . . . and the reputation to do so at reasonable prices.
