Chamber of Commerce Luncheon Each FIRST MONDAY at Town Hall. Everybody Invited Each Pays for His Meal

ME 57

BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, MARCH 5, 1964

NUMBER 26

Luncheon Attended Monday Noon

Well attended Chamber of Commerce meeting and luncheon was held Monday noon at Town Hall. The meeting was presided over by Albert W. Zimmerman and followed by several presentations.

W. T. Zimmerman announced that envelopes for donations to the Crippled Children's Drive would be sent to members and that this is only way in which they are asked to give. She also invited everyone present to the North Texas Crippled Children's Treatment Center at 6th and Denver in Dallas.

James Frye is on the Seal Committee with Zimmerman.

Roy Silkwood, principal of Burk Burnett High School, announced "Open House" in schools and invited all to attend.

Buddy Byars, manager of Chamber of Commerce, announced the start of an Easter Egg guessing contest to be held in most stores. Each merchant will place a container of eggs in their establishment and the winners will be invited to guess the number of eggs therein. Prizes will be given to winners on March 30th.

The next board of directors meeting will be held on March 11th and not on March 4th as previously announced.

Jerry Thomas, president of Chamber of Commerce, presided at the recent meeting.

E. Williams **Training in Hawaii** **35th Infantry**

FIELD BARRACKS, HAWAII (AHTNC) - Army Sgt. E. Williams, whose wife, lives at 110 S. Avenue Burk Burnett, and other members of the 25th Division's 35th Infantry, are participating in the High Top II, a 5-week training maneuver which was held in February in Hawaii.

Members of the division moved to the island of Oahu to dig the lava beds of the Mauna Loa, on the island of Hawaii for the live-fire combined arms training exercise.

Sgt. Williams is a fire leader in Company B, 1st Battalion of the 35th Infantry Field Barracks, Hawaii. He served in the Army in June, and was last stationed at Fort Hood, Texas.

29-year-old soldier, son of Hazel B. Williams, 123 S. Street, Beatrice, Neb., graduated from Cleveland High School, Washington.

Political Announcements

Political announcements, in advance, will be accepted to run in this column at the following rates:

Office \$10.00
City Office \$15.00
State and State \$20.00
Charge also covers informal announcement, the formal announcement, not to exceed column, at any date the candidate desires.

Clyde Still Opens Portrait Studio On Avenue C

Burkburnett now has its own Portrait Studio. It is located at 418 Avenue C and is operated by Mr. Clyde Still.

Originally from Vernon, Mr. Still has been living in New York State the past seven years. While there he attended the Institute of Fine Arts in Brooklyn where he studied photography. The doors to the new studio were opened on February 29th.

Mr. Still spent ten years in the military. Eight of these in the Merchant Marines as a Marine Engineer and two in the Army.

He is at your service from 9 to 5 everyday during the week.

New Highway Maps Are Out

Brand new colorful 1964 official Texas highway maps now are available on request.

Texas Highway Department has made every effort to produce a more readable and convenient map. Type faces are bolder, and the national standard system of highway symbols has been followed in nearly all instances. Almost 7,000 miles of farm-to-market roads were deleted because of increasing complexity of the Texas highway system. Communities of less than 250 are not shown.

New map includes Ranch Road No. 1. It's the four-mile loop in Gillespie County leading from U. S. 290 to the ranch home of President Lyndon Johnson.

Free maps may be obtained from the Travel and Information Division of the Highway Department in Austin.

News from Nat'l. Rifle Association

BRIEF DISCUSSION OF THE MATCHLOCK

When the earliest settlers came to America the standard firearm was the matchlock, according to the National Rifle Association, a non-profit membership organization recognized as the governing body for shooting in the U. S. A muzzle loader developed shortly after 1450, it continued in use in Europe until about 1700, when it was replaced by the wheel lock, the first firearms to use flint and steel for lighting the primer. The matchlock was named for the "match," a wicklike piece of material that was lighted before use and then lowered by trigger action into a priming pan of loose gunpowder. Weather conditions had to be almost perfect for it to function properly.

CAR LICENSE MUST BE PICKED UP

If You Asked for a Special Number Under 1500

Mrs. Marjorie Hofacket and Mrs. Cassie Smith at the Chamber of Commerce auto license office, announce, their license plates and receipts under No. 1500 are getting out of hand.

Many people like to have a certain license plate number. The girls at the office are accommodating enough to comply with the request if possible. However, the favor runs into quite a problem as the numbers stack up.

If you have requested a special number under 1500, pick it up before Monday, March 9th. After that the number will be sold to someone else.

The car license tax office will be open this Saturday until 12:00 noon.

Jack Mathis and Hooney Thaxton At Corvaire Meeting

Mr. Jack Mathis and Mr. Hooney Thaxton are back on the job at Mathis Chevrolet after attending a spectacular mass driveaway of new Corvaire at Arlington, Texas sponsored by the Dallas Zone of Chevrolet Motor Division. Mr. Mathis is shown accepting the keys to his 1964 Corvaire from Mr. W. A. McKee, Dallas Zone Manager.

Along with 157 other Chevrolet dealers, Mr. Mathis and Thaxton made an extensive tour of the General Motors

assembly plant which recently added Chevrolet passenger car assembly to its responsibilities.

The factory inspection trip preceded a business session where the growing opportunities of the expanding youth market, multi-car families and the influence of women in today's marketing were reviewed for visiting dealers.

The opportunities for Corvaire sales in these markets were stressed since it is the only economical, rear engine, fun to drive car made in America.

City Council Hears Complaints About Stray Dogs

Presiding at the City Council meeting held in City Hall on March 2nd, was Mayor James Frye. Present were Mr. Jess Whatley, City Manager; Mr. Dick Chambers, City Secretary; Mr. Joe Janek, City Attorney; Mr. Claude Reed, Superintendent of the Public Works Department of the city; Councilmen Mr. Jack Alexander, Mr. C. L. Simmons, Mr. Harry Elliott, Councilman and Mayor Pro-tem and Mrs. Philip Carpenter, Councilwoman.

Minutes of the last meeting were read by the secretary and approved by the council.

Mrs. Philip Carpenter undertook the work of setting up a plan to improve the appearance of the cemetery. A building to house rest rooms and a plan of the lots for the convenience of visitors was also discussed.

City Manager, Jess Whatley has said that their will be new light bulbs in Hardin Park area very soon.

A progress report on the new water wells was given by Mr. C. L. Simmons. He said things are coming along fine.

A dog trap has been completed for the use of persons annoyed by roving neighborhood canines. Those having such a problem are asked to contact the police. If they can't catch 'em, perhaps the new trap can.

Keep your pets in their yards or tied or the big-bad-trap may get 'em! It does not harm the animal in any way, but I am sure a pet used to going everywhere he pleased would be very frightened.

All types of complaints are received by your City Council and this is one of them. It seems some noisy and odorous swine are causing a pastor to lose the attention of his congregation during services. The Aid has been asked of the city to eliminate this problem so that the Word of God will not have to compete with loud squeals and oinks followed by a stifling odor.

The Council has promised to attend the matter promptly.

The next City Council meeting will take place on March 16.

Mr. and Mrs. Frank Parker and Janis and Kenny of Oklahoma City visited relatives and friends here several days this week.

Cotton County Jr. Livestock Show March 2-3 and 4th

The Cotton County Junior Livestock Show was held in Temple, Oklahoma March 2-3 and 4. The First National Bank and the Chamber of Commerce shared in the participation of the excellent program for the betterment of Junior Livestock raisers of Cotton County, Oklahoma.

Approximately 450 persons attended the fine show.

Notice to Club Reporters

The Star-News does not like to be used as a tool as some of the clubs expect to use us.

Most of the clubs keep a scrapbook of the printed notices and pictures pertaining to their meetings. If a reporter gets a few weeks or even months behind with their reports they prepare all the reports at one time and bring them to us to be printed.

Each club gets points in state competition for their scrapbooks according to the amount and quality of their newspaper clippings. Frankly we are not interested in building up points for any club with a six weeks old club meeting report.

The meeting of your club is news only if printed in a reasonable time following the meeting.

Hereafter reports not in our office within one week of the meeting will be treated as yesterday's half smoked cigar.

We will not furnish back issues at any price to any club to bring their scrapbook up to date. If at least one member of a club is not interested in taking the paper and saving the clippings, then why should the papers have any interest in the project.

Burkburnett has probably more than 150 organized clubs. Your newspaper certainly cannot assume the responsibility of looking after that many scrapbooks.

Of course not all of the clubs are guilty of the abuse mentioned, but too many are.

Antique Show Woman's Forum March 12-13-14

An antique show sale, sponsored by the Woman's Forum of Wichita Falls, Texas, will be presented March 12th, 13th, and 14th in the Forum building. Time has been announced as 10:00 a. m. to 9:00 p. m. on Thursday and Friday, and 10:00 a. m. to 6:00 p. m. on Saturday. "Imagine being able to visit 30 antique shops from six states all under one roof," Mrs. Owen, Ways and Means Committee Chairman, told members of her committee at their first meeting to plan the event.

Display will include furniture, paintings, porcelains, copper, imports, pottery, jewelry, dolls, brass, books, Indian craft, silver, prints, lamps, glass, coins, pewter, iron, china, quilts, oriental art, guns, and an unusual collection of buttons.

Mrs. John H. Lynn, president of the Forum, said that this will be the fifth year the Forum has sponsored the show. It is scheduled as a benefit for the Woman's Forum.

The show is open to the public. A small admission fee will be charged. Tickets may be purchased from the ticket committee, the Forum office, or at the door. The tea room will be open, serving snacks, light meals and refreshments during the entire show.

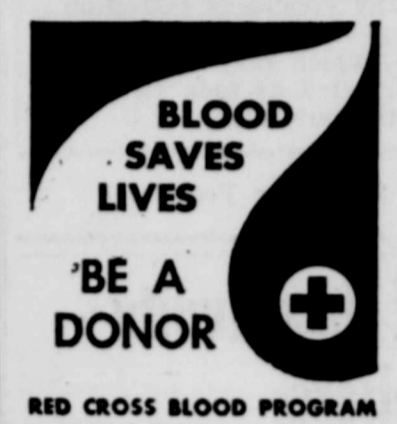

WHO CARES?

I cannot walk without artificial aid. My arms are useless as they hang by my side. No one understands me when I speak. I am a child. My mind is bright and alert and even though I cannot run and play or talk with the others, I am happy. All I need is your help and understanding.

Burkburnett citizens will be asked to help me this month through Easter Seals. There will be letters in the mail and coins through the school, you will be approached in no other way. Give generously when you see the Easter Seal, that might take my place in society and be a useful citizen. Who cares for a child?

Contributions may be sent to Board members, James E. Frye, First National Bank or Mrs. W. T. Zimmerman, 1110 E. Sycamore Road, Burk Burnett, or North Texas Crippled Children's Society, 516 Denver, Wichita Falls if you are not contacted.

Area Scout Council Reports Gain With 4,435 Cubs and Boy Scouts and Also 1,800 Adults Registered

Mobile Blood Bank Schedules Visit Here Wednesday, Mar. 11

The Wichita County Mobile Blood Bank will be in Burk Burnett Wednesday, March 11 for a regularly scheduled visit. The unit will be at the American Legion Hall from 12:00 noon to 6:00 p. m. Blood of all types is urgently needed. Won't YOU please make an effort to donate a pint of blood during the unit's visit in Burk Burnett?

Wichita County Singing Convention To Meet March 7-8

The Wichita County Singing Convention will meet March 7th and 8th in the Town Hall on East 4th Street in Burk Burnett, Texas. Saturday's session will start at 7:00 p. m. and Sunday at 11:00 o'clock. The Spirited Airs Trio of Lawton, Oklahoma and the Woods Quartet of Holiday, Texas expect to be there, as well as local talent and class singing. Lunch will be served at noon. The public is cordially invited to come and take part in any and all sessions with them.

Avis Caldwell, Secretary

The Northwest Texas Council, Boy Scouts of America, ended 1963 with 4,435 registered Cub Scouts, Boy Scouts, and Explorers representing 25.7 per cent of the available boys, according to the council's charter application for the coming year.

The report also shows that there are 1,800 adults registered as volunteer leaders. The total membership figure is 6235 according to Phil Bolin, the president of the Northwest Texas Council which serves a 13 county area in Northwest Texas.

Other high lights of the annual report indicates that 71 per cent of Scout unit leaders have basic training, 60.5 per cent of Boy Scouts had at least ten days and nights of Scout camping, and that there were 1,440 Cub Scout achievement awards, 1,011 Boy Scout, advancement awards, and 2,618 Boy Scout merit badges.

During 1963 the Northwest Texas Council organized 9 Cub Scout packs, 9 Boy Scout troops, and 4 Explorer units. A total of 153 Scout units are now operated by 109 institutions that have charters from the national organization.

Other major activities for the Northwest Texas Council in 1963 included the Annual Scout-O-Rama where 117 units displayed scouting in action. Thirty Scouts and leaders participated in the report to Governor Ceremonies in Austin. Eight Explorers and one leader made a six-week Pacific Cruise to Japan and other foreign parts. The Area IX Order of Arrow conference was held at Perkins Reservation with the local Order of Arrow lodge serving as host. Several special training and camping events were held by units and districts.

Rev. Ivy Bohannan Moving to Church In San Antonio

The Rev. Ivy Bohannan, pastor of the local Church of the Nazarene has resigned and he and his wife will be moving to San Antonio next week, where he will be pastor of Grace Church of the Nazarene in that city.

In announcing his resignation the Rev. Mr. Bohannan said, "Mrs. Bohannan and I have greatly enjoyed our stay in the fine city of Burk Burnett. Our association with the people of the city has been pleasant and our fellowship with the church has been the very best. We are not leaving because of any lack of unity and harmony in the church, but this opportunity in San Antonio opened up for us and we feel it is in Divine order for us to accept it, so we are reluctantly leaving the fine people of the Church of the Nazarene and the city of Burk Burnett.

The Bohannans moved to Burk Burnett the first part of December in 1962.

THIS IS A WARNING

Did you know that Burk Burnett has an ordinance against burning trash or garbage? There is a penalty of from ten dollars to one hundred dollars for violating this ordinance.

You may obtain a permit to burn leaves, or trash at the City Hall by signing same if all safety precautions are taken. If your garbage is not picked up, call City Hall.

You can only burn your trash at certain hours (with your permit), those hours are from 8:00 a. m. until 5:00 p. m. on week days. No burning is permitted on Saturdays or Sundays.

We know there are new residents in our town who may not be aware of this ordinance, so we take this means of informing those who did not know and to remind the others that we will be forced to start filing complaints against anyone who starts a fire without permission. Our fire rates have been increased five percent because of too many fires, so please abide by this ordinance and help your city and yourselves.

The People Want Opportunity— Not Welfare

My Dear President Johnson:

We, most of us little people, are pleased that you are interested in creating jobs so we can work; can bring home a pay check, spend it, and create prosperity.

We know what it means to be without a job. We know the joy of earning, spending, providing and spreading prosperity. We only hope that you know where jobs come from and how to produce them.

Jobs, Mr. President, come from profits. Reduce corporate taxes; permit faster depreciation of machinery; relieve business of costly bookkeeping for government; get government out of competition with tax paying industry; reduce government supervision to the minimum of necessity—and jobs will pop up faster than they can be filled.

We live in the country, Mr. President; "in the sticks," it would be termed in Washington. We do, however, talk with the men and women who are indeed the heart, soul and mind of the nation. Mr. President, these people do not want something for nothing; they do not want a paternalistic government. They want an opportunity to prosper, not a hand-out or welfare in any form. They want jobs to provide a living, not relief through government. They want to be able to pay their medical care, not have Medi-Care.

If you, President Johnson, have the vision, the willingness, and the courage to bring this great nation back to fundamentals, you will see a prosperity, a happiness, and a national strength never before accomplished in the world.

These are the fundamentals: a balanced budget; a sound dollar; government out of competition with business; low taxes; minimum of government functions; an elimination of all give-away programs; and the reduction of government supervision.

Adopt this sound policy, Mr. President, and you will serve mankind the world around and surely will be our greatest President.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

One of the most distasteful attributes of contemporary American life is found in the program of planned character assassination waged by the avant garde of the left wing whenever a target presents itself.

A new target has been set up, and it will be illuminating, as well as distasteful to watch how they seek to go about destroying an image.

For there is no doubt that Capt. Eddie Rickenbacker, the flying ace of Americans in World War I has long been a hero of youth.

Thus, he is a perfect target. For in his long cold dawn patrols over Flanders in insecure flying contraptions of that day he demonstrated to the world that American courage and resourcefulness demands respect. And thus he is a target, because in the eyes of the left wing, old fashioned patriotism, backed up with action, is not a desirable thing to flaunt before the world.

In World War II, although beyond the age when most men engaged in military activities, he again served his nation. And in the course of so doing, he was set down in the South Pacific with others in the aircraft crew and survived a long, arduous and tortuous ordeal in an open raft before rescue. And his unwavering belief in a Supreme Being is credited with being the major factor in

inspiring the others to hang on until help arrived.

Thus, he is a perfect target. Because to the strange mind of the left winger it does not set well for Americans to openly profess a belief in the Almighty. It might disturb the atheistic mentality of the communists, and give an image to the world that America is composed of God-fearing people.

And then of course there is the real shocker in Capt. Rickenbacker's background. He entered into the competitive hurly burly of the air transportation business, starting in its pioneering era, and developed quite a successful, efficient airline.

Thus, he is a big target, because with the same courage and determination that marked his heroic service to the nation, he built a successful business. No left winger likes anyone who can build a business.

And now Capt. Rickenbacker has retired to spend the years left to him by the Providence he believes in to promote the renewal of the American spirit of free enterprise patriotism.

He believes in the American system. He is opposed to foreign give aways. He is opposed to giving away American sovereignty.

In short, from left wing viewpoint, he is a dangerous man.

But in the months ahead as the smear campaign mounts against Capt. Rickenbacker, it will be important to bear in mind that he backed his beliefs with courage. He was a "doer." Let those who criticize come up with a comparable record.

GRASS ROOTS OPINION

EL DORADO, KAN., TIMES: "...the office of the Internal Revenue service at Wichita has received hundreds of letters and calls during the past few weeks regarding the proposed 1964 legislation. A large percentage of these inquiries is made in the belief that if, and when changes are made in the tax laws, the benefits will be immediate and reduce the 1963 taxes. Such belief is strictly untrue, declares Harry F. Scribner, the district director. Every taxpayer must make his full return for 1963, and get it on file as soon as possible. He will thus be eligible to receive tax refunds, if any, when the proposed tax bill finally becomes a law."

FINDLAY, OHIO, REPUBLICAN-COURIER: "Edmund Burke, the great English statesman, once was quoted as saying there were three estates in Parliament. Then Thomas Carlyle, the noted British essayist, added: 'But in the reporters' gallery yonder there sat a fourth estate more important far than they all.' When Carlyle wrote these words more than a century ago adding the press to the church, the peerage and the commoner, he was looking shrewdly into the future. He could see despotism on the march in countries with newspapers and news media under the thumb of government. He could see freedom on the march where the press was free."

Windows Can Work Wonders

"Probably no other single change can improve a house at such low cost as a large new window," says A. M. Watkins in his latest book, "The Complete Book of Home Remodeling, Improvement, and Repair," published by Doubleday.

The right window in the right place, he points out, can replace a small existing one to exploit a good view or greatly improve a room where there was nothing but solid wall before.

"Don't think of a window as merely a sheet of glass," Watkins says. "Think of it as a medium for letting sunshine, light and brightness flood into a room, as well as turning a dark room into a bright, cheerful space."

Watkins urges care in the choice of windows. Inferior windows, he warns, can be a source of chills and drafts. Two things to look for in a quality window are accurate fit and effective built-in weather-stripping, he says. Families in temperate parts of the country should use either insulating glass or storm windows to add comfort and heating economy.

Families who agree with Watkins and plan to use windows as a remodeling tool in their own homes would be wise to look into the wide variety of factory-made ponderosa pine windows available from local building supply dealers.

Quality wood windows are precision-made for accurate fit and low-cost installation. Built-in weather-stripping and carefully designed hardware contribute to draft-free comfort and lower heating bills.

Most people also prefer wood windows for their appearance. Condensation is much less of a problem with them because wood doesn't get as cold as metal.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

A THIRSTY LAND

Men have a thirst and a longing for goodness and righteousness. Even the most parched soul is touched by acts of kindness, forgiveness, and love. Jesus said, "Whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life."

May all who are thirsty for a oneness with man and with God find satisfaction and fulfillment by attending church this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Million Texas Homes Receiving '64 Easter Seals

This week and the next, more than a million Texas homes will be receiving their 1964 Easter Seals in the mail. Many of these people when they open their Easter Seals will no doubt ask, as well they should, "What do Easter Seals do?" The Texas Society for Crippled Children and Adults and its 90 local county Easter Seal affiliates want people to ask because they are proud to tell.

All right, just what do Easter Seals do? Well, they do a lot of things, but they all add up to one word — rehabilitation — preparing crippled children and handicapped adults for active, useful lives. This means months, often years of treatment so that a child can go to school or a man or woman can hold down a job.

The Texas Society and its local affiliates have nearly 30 treatment centers all over the state where handicapped people are being rehabilitated — but more are needed and the programs in the existing centers should be expanded to meet this ever-growing need.

It's a wonderful thing to see a crippled child walk for the first time. It's a kind of miracle — and although it doesn't happen overnight, it does happen at Easter Seal Centers all the time.

It takes lots of time, effort and money. Won't you share in a miracle?

The first step is YOURS, GIVE TO EASTER SEALS TODAY!!!

Peace Corps Test Placement Set for Sat., Mar. 14th

The Peace Corps has announced that the Peace Corps Placement Test, required of all applicants interested in serving overseas, will be given on Saturday, March 14 at approximately 825 locations in principal cities throughout the United States. The Test begins at 8:30 a. m. local time.

Over 5,000 qualified Volunteers are needed to begin training this summer, said Sargent Shriver, Director of the Peace Corps. The most critical skills in demand, he said, are in the fields of agriculture, health, engineering, construction and education — particularly math and science teaching. But the Peace Corps, he added, also needs people skilled in physical education, home economics, architecture, geology, social work, and several hundred other categories to fill additional requests from the 46 countries where the Peace Corps is now working.

The two required tests, the General Aptitude Test and the Modern Language Aptitude Test take about one and a half hours to complete. Applicants who have any proficiency in French or Spanish are asked to remain for an additional one-hour language achievement test.

Knowledge of a foreign language is not a requirement for taking the Placement Test or applying for Peace Corps service, officials said. Placement Test results are used, together with other criteria, in finding the most appropriate overseas assignment for each applicant. Therefore the Test is "non-competitive," and there are no passing or failing grades. Scores are not released to applicants, and no applicants may take the Test more than once.

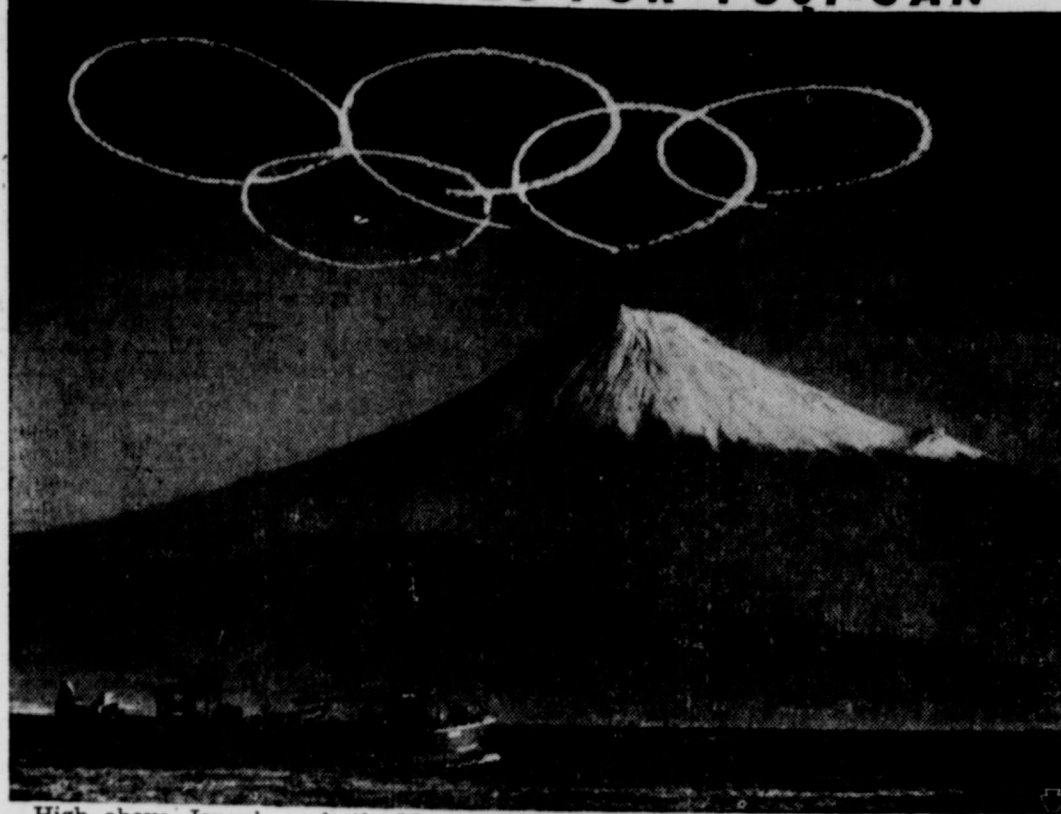

To take the Placement Test, applicants should bring with them a completed Peace Corps Questionnaire, if they have not previously mailed it to Peace Corps headquarters in Washington. Questionnaire forms are available from most post offices, college Peace Corps liaison officers, or from the Peace Corps, Washington, D. C. 20525.

Applicants who have not submitted a Questionnaire will be asked to remain at the test center to complete one immediately following the Test.

Basic requirements for all applicants are that they be American citizens at least 18 years of age. There is no upper age limit. Married couples may apply if they have no dependents under 18. A college degree is not required, but college or vocational training increases an applicant's potential contribution. Liberal arts college graduates with no special "skills" are often used as teachers and community development workers. Inquire at Wichita Falls, Room 412, Federal Building.

OLYMPIAN HALO FOR "FUJI-SAN"

High above Japan's majestic Mount Fuji, units of the Japanese Air Self Defense Force maneuver to create the Olympic symbol presaging the forthcoming XVIII Olympiads to be held in Tokyo this fall. Feverish preparations are now under way to insure that all facilities will be ready for the competitors and the anticipated thousands of visitors to the Games, which is being held for the first time in Asia.

Tourist Spending In Texas Tops Previous Record

Tourist spending in Texas climbed to \$532,000,000 last year, breaking all previous records.

To help keep the tourist dollars rolling in, Texas Tourist Development announced invitations to 36 leading travel writers to take a 1600-mile tour of points of interest in the state. Tour will take them to Six Flags Over Texas, the LBJ Ranch, San Marcos' Aquarena, San Antonio, Hill County guest ranches, Corpus Christi, Padre Island, McAllen, Reynosa, East Texas parks and forests, Lufkin, Nacogdoches, Houston, and NASA's Manned Spacecraft Center.

Attorney general has ruled that the agency may use its funds to advertise by radio, television, billboards and other media, as well as newspapers, and magazines. While it can use newspapers and magazines of national circulation only, no such limitation applies to selection of radio, television or billboards.

Mrs. Grady Fuqua Hostess February 26 Burk Garden Club

Burkburnett Garden Club met in the home of Mrs. Grady Fuqua in Grandfield, Oklahoma, Wednesday, February 26. It being a fairly new location to her, and her "wearing of the green" commemorative, carried out St. Patrick's motif in various corners of the home and in the refreshment plates.

She, as vice president, presided in the absence of the president, Mrs. J. B. Riley, and introduced a visitor, Mrs. O. W. Ford of Grandfield, and Mrs. Bigford of Burkburnett.

Following the business meeting, Mrs. Fuqua, introduced the leader for the day, Mrs. H. G. Williams. The lesson for the day was Conservation with one left over topic, "Tricks of low maintenance for the garden" was given by Sylvia Lohofener. She stressed mulching for holding the moisture, feeding lilacs at this time, spraying before the insects get a full start and pruning roses.

Mrs. Glen Bear lectured on State Parks stressing that we should keep them as natural as possible for preservation of wild life and holding the moisture for lasting steps to evade erosion. The laws set the land aside for this purpose. She stated that there are 38 national historical parks and 29 other national parks.

Mrs. A. R. Bunstine talked and showed pictures of national parks. Most of them were glacier, Yellow Stone, Sequoia, White Sands, Carlsbad Caverns, and Petrified Forest.

The newly elected president, Mrs. Lohofener, named her new chairmen for the new year: Programs, Mrs. John Brookman, Mrs. J. B. Riley, Mrs. Jim Pogue; Project, Mrs. Glen Bear; and Mrs. B. N. Cauthorn; Finance, Mrs. Jude Willingham and Mrs. J. C. Adams; Civic Cooperation, Mrs. M. E. Tallaferrro, Mrs. D. C. Dodson and Mrs. Joy Sessums; Reporter, Mrs. J. C. Adams.

A lovely Shamrock refreshment plate was served to seventeen members, two visitors, Mrs. O. W. Ford and Mrs. Bigford, and the gracious hostess, Mrs. Grady Fuqua.

Club Program Given By 4-H Club Girls

Three 4-H Club girls brought the Clara-Fairview Home Demonstration Club held Tuesday, March 3rd, 1964 at the home of Mrs. W. Ray Stimpson. The meeting was called to order by Mrs. E. J. Simons, president. A prayer was repeated and we sang, "May the Good Lord Bless and Keep You." The thought for today was, "The most wearing thing in life is having nothing to do." The minutes were read and treasury report given, and each committee chairman was called on for a report.

Mrs. Elmer Klinkerman told about her visit to the Children's Center in Wichita Falls. This center is the clubs project for this year. Mrs. J. H. Bentley made a motion that we take cookies or cup cakes to the children for Easter. It was seconded and accepted.

Dee Ellen Adams and Judy Klinkerman brought a Favorite Food to this meeting. Dee Ellen prepared a one egg cake, decorated with brown icing and coconut. Judy prepared a congealed fruit and vegetable salad. Each girl told how she prepared her dish, the vitamin contents of it, the cost of each serving. She gave a menu to go with her dish and gave the recipe for it. They also told some of the things they are learning to do in cooking class, such as learning to use measuring cups, sifting and reading recipes. Mrs. Claude Adams is the adult leader for their class. The girls will enter their dishes in the Favorite Food Show which will be held March 14 in Wichita Falls.

Diane Bentley gave an informative demonstration on Cotton. She told about the first discovery of spun cotton in 3000 B. C. How inventions have

helped make cotton an important crop, the different products made from cotton, how cotton lint is made into spun yard and cloth and the different materials made from cotton. Diane will give her demonstration at the Wichita Falls County contest on March 21.

A game was played and several prizes were won. Mrs. E. J. Simons won the door prize. Refreshments were served to our visitors, Mrs. O. J. Ensey, Mrs. Paul Loveless, Diane Bentley, Dee Ellen Adams and Judy Klinkerman and to Mesdames Mary Blauer, Newt Crane, E. D. Gellner, Elmer Klinkerman, E. J. Simons, Joe Slama, W. Ray Stimpson and J. H. Bentley.

Next meeting will be held March 17th, with Mrs. Slama as hostess.

Grace Lutheran Missionary Society Met March 3, 1964

The ladies of Grace Lutheran Missionary Society met for its regular monthly meeting on March 3, 1964.

The meeting was opened by singing Hymn, "Go to Dark Gathsemane." Mrs. Dickey gave the prayer.

On April 7th the Spring work Shop will be held at St. Paul in Wichita Falls. Since this falls on our regular meeting date the next meeting will be held on April 14. A called meeting will be held on March 15 to determine how many will be attending the workshop.

A motion was made and carried that a \$25.00 check be presented to the Lutheran Kindergarten, since this is the Society's yearly project. Also the "Praying Hands" ballpoint pens are on sale by the ladies to help raise funds for the kindergarten.

A special donation was collected and sent to Keith Miller who is studying to become a Lutheran minister at Fort Wayne, Indiana.

The program for the meeting was a special prayer service entitled "Mission to Private Worlds." Mrs. Frieling led this special service. Everyone participated. The meeting was adjourned with everyone praying the "Lord's Prayer."

Refreshments were served to fourteen members and one guest. Hostesses were Mrs. Rayford Young and Mrs. George Unger.

Unity Garden Club Hostess to Council Of Garden Clubs

The Unity Garden Club was hostess to the Burkburnett Council of Garden Clubs at the home of Mrs. R. C. Gilbow, March 3, 1964.

Roll call was answered by fifteen representatives of the member clubs.

Mrs. Carl Morrison, president, presided over the business session and appointed a nominating committee.

Mrs. Ralph White reported on the progress of plans for beautifying the new cemetery and made an appeal for donations from clubs and individuals who are interested in landscaping the plot.

The main topic of discussion was the Placement Flower Show "At Home with Flowers" to be held at the homes of Mrs. W. T. Zimmerman and Mrs. Jack Mathis on April 28, 1964. The horticultural specimen will be exhibited at the Reddy Room. The Flower Show schedules were distributed.

DEVOL NEWS

Mrs. C. O. Woodley, Reporter

Funeral services were held Sunday morning, March 1st at 10:00 o'clock in the Ahepatone Baptist Church for C. S. Monson, age 77, who died at his home near Devol, Friday night at 10:30 o'clock.

Mr. Monson, who had been ill several years, was born February 16, 1887 in Barton County, Mo. He was married to Miss Rosalee Glidewell October 21, 1911 and had been a resident of Devol Community about 60 years. Survivors include his wife, two sons, Tom Monson of Devol; Rev. Bill Monson of Burkburnett; one daughter, Mrs. Mary E. Reuscher of Dallas; fourteen grand children and eight great-grandchildren; a daughter, Mrs. Lillian Davidson preceded him in death several years ago.

His son, Rev. Bill Monson conducted the service. Rev. Monson is pastor of the Ahepatone Church. Burial was in the Devol Cemetery.

The Devol Demonstration Club met Thursday, February 27th with Mrs. Dollie Hardin in her home. Club opened with the hostess reading the devotional Matt. 6:28-34, followed by the Lord's prayer in unison.

Papers on Meat, Cereals and Bread and Dairy Foods were read by Buelah Miracle, Grace Uthe and Edna Wilkinson.

Mrs. Betty Dahms then gave a lesson in buying meat products and different cuts of meats.

Refreshments of cherry cake, Ritz sandwiches and coffee and cocoa was served two guests, Mrs. Dahms and Mrs. W. G. Howard of Walters and these members, Edna Wilkinson, Pearl Coker, Buelah Miracle, Willie Cozby, Clara M. Woodley, Ethel McCasland, Lillian Hutson, Billie Charboneau, Minnie Smith, Nora Wood, Grace Uthe and the hostess. The next meeting will be with Ruby Doty.

Mr. and Mrs. Harold Kirby of Wichita Falls visited Mr. and Mrs. W. C. Charboneau Sunday.

Announcement has been made of the marriage of Terry Morrow, son of Mr. and Mrs. Edd Morrow and Miss Dana Blubough, daughter of Mr. and Mrs. Blubough of Ponca City, Oklahoma, which took place in Oklahoma City on December 12, 1963. The young couple will reside in Oklahoma City, where they are both employed and where Terry is attending the S. W. Automotive College, where he will finish his schooling there in May.

Mr. and Mrs. Gordon Woodley of Wichita Falls are the proud parents of a baby girl born February 28th in the Wichita Falls General Hospital. The new arrival who weighed 6 lbs. 6 ozs. was named Terzah Alicia, her maternal grandmother is Mrs. Grace Allread of Electra and her paternal grandparents are Mr. and Mrs. C. O. Woodley.

Mr. and Mrs. O. H. Dickson of Wichita Falls visited their daughter and family, Mr. and Mrs. Tom Antwine over the week end.

Mr. and Mrs. J. B. Stevens attended funeral services in Wichita Falls Saturday for a brother-in-law, Prentice Graham, who died there Friday after a long illness.

Mrs. Joe Davis and sister, Miss Myrtle Doroty of Calera, visited friends here from Friday until Sunday. They were accompanied home by Mrs. Davis' brother-in-law, W. C. Davis, who will go into a hospital in Durant for tests and observation.

Mr. and Mrs. J. B. Stevens were in Oklahoma City Saturday to visit a granddaughter, Donna Hill, who was a patient in a hospital there.

Mr. and Mrs. A. S. Patterson and Mr. and Mrs. Dick McLain all of Grandfield were dinner guests Sunday of Mr. and Mrs. C. O. Woodley.

Mrs. Ethel McCasland and Mr. and Mrs. David Mulheren and children went to Chickasha Sunday to see and take pictures of the new road ways now under construction.

EARLY FILING

District Director Ellis Campbell, Jr., today urged all taxpayers in the Dallas District who have not already done so to file their 1963 tax returns as soon as possible. Mr. Campbell explained, "There is no time like the present to file your return if you have a refund coming and want to get it as soon as possible."

Mr. Campbell urged those taxpayers who do not have a refund coming to file early to expedite processing of returns and to help his office utilize as fully as possible the temporary help employed every year during the filing period.

The County Demonstration Committee invites homemakers, club members and the general public to a special interest meeting on "Food for Health," in the Texas Electric Reddy Room, Thursday, March 12th. Sponsored by the Wichita County Nutrition Committee, it will begin at 10:00 o'clock and last to noon.

Mr. Robert Beaver of 213 Beech entered the Veterans Hospital in Dallas, on Monday.

Mr. and Mrs. Bobby G. Mannen of 921 Highland Drive are the proud parents of a baby boy, born February 28th.

Mrs. J. T. Rankin of 602 Glendale, the agile little woman who celebrated her 90th birthday on February 25th, has 19 grandchildren, 11 great-grandchildren and seven great-great-grandchildren.

Mr. J. H. Winters of Ringling, Oklahoma, in town on business, has been visiting his sister, Mrs. J. O. Mallone of 401 So. Avenue B.

Mrs. M. C. Cotton, the former Sadie Ruth Mallone, and one-time resident of Burkburnett, has returned with her four daughters to again make this her home while her husband, S/Sgt. Cotton, does a tour of fifteen months at Goose Bay, Labrador. Mrs. Cotton and the children reside in a trailer-home in Svien Trailer Park.

Mr. Reavis Wooten, Fire Chief and employee at the Texas Electric Company, presided at a regular meeting of the Fire Department on February 26th. Routine business was followed by a practice drill and then pie and coffee was served.

Allen Cole, eight years old on February 27th, enjoyed a birthday party at his home on Saturday. He is the son of Mr. and Mrs. Loren Cole of 208 Beech.

Fire of unknown origin completely destroyed a barn on the property of Mrs. Arthur Evert at 730 W. 3rd last Saturday afternoon.

Mr. and Mrs. A. H. Lofener of 206 W. 4th will leave for Fort Worth to attend the Postal Convention to be held there on Friday and Saturday. They will stay at the home of his sister, Mrs. B. M. Croper, a former resident of this town.

Have you tried the Pizza at Bill and Toms Pizzas on the Oklahoma Cutoff? This new establishment is located in what used to be the C&M Cafe and is operated by Bill Harris and his son. Give one a try.

Another new business in town is the Portrait Studio of Mr. Clyde Still, located at 418 Ave. C. It is open from 9:00 a. m. to 5:00 p. m.

March 2nd, Monday, was a very busy day for the Fire Department. They were called out on eight grass fires and one trash fire. How the grass fires began is not known, but it seems appropriate to issue a word of caution to everyone to stub out cigarettes in the ash tray when driving and to break matches in half before tossing beside the road.

VETERANS Questions & Answers

A—A friend of mine takes "War Orphans Education" courses and her mother is living. How can she qualify as an orphan?

A—The War Orphans Education Program (which now also includes children of peacetime veterans under certain conditions) was set up for children whose veteran-parent died because of service-connected disabilities. For the purpose of the program, such children are considered orphans even though the other parent still lives.

Q—Are there VA hospitals in Alaska and Hawaii.

A—These are the only two states that do not have a VA hospital within their borders.

The average Irishman eats 3,510 calories a day, compared to 3,100 calories consumed by the average American.

A PICTURE PARADISE

Between 70 and 100 million people will attend the New York World's Fair in 1964 and 1965—nearly half of them armed with cameras. And what a field day they'll have! Under the symbol of the Unisphere there'll be exhibits from all over the world, displayed in exotic temples, glass and steel towers, serene gardens. Spectacular fountains and picturesque promenades will complete the unforgettable picture. A permanent photographic record will be kept by millions of visitors from all corners of America and the world.

One of the biggest and most imposing structures at the Fair will be Eastman Kodak's tribute to photography—a 363-foot long ultra-modern building with two theaters and 16 exhibit areas. Above it will rise an 80-foot tower, crowned by five giant brilliantly lighted color prints. An information center will answer all camera ques-

tions from loading to taking trick photographs.

At the opposite end of the tower, a moondeck rises eerily. It will be part of the open-to-the-sky second level from which the complete World's Fair panorama can be seen. Here, visitors will be able to shoot their own photos, from long range shots to dramatic close-ups—family portraits too.

No World's Fair ever had so much to offer each member of the family. No World's Fair ever had so much to offer the camera fan!

Spaniards revolutionized the economy of the American Plains Indians by introduction of the horse. They could round up buffalo herds and travel great distances with the new steeds. It changed them from an agricultural life to that of the hunter.

Contentment is something that depends a little on position but a lot on disposition.

"Civil Rights" Is 90% Control

I doubt if many Americans are familiar with the Civil Rights Bill, now before Congress. According to Dan Smoot, J. Edgar Hoover's assistant in Washington for nine years, it is a demand for absolute power by the executive agencies of the federal government. This Authority, in the hands of the Attorney General, would place the army, courts and tax resources of the Nation at his disposal, to control every citizen of the United States.

This so-called "Civil Rights" bill is 10 per cent civil rights and ninety per cent control—it benefits 10 per cent of the population of the Nation at the expense of the remaining majority (90%). If it is passed, it will transform our Republic into a dictatorship and change living conditions in every area. For, it destroys the PRIVILEGE OF free speech; FREEDOM OF the press; handling of private property by homeowners; realtor's sales of properties; CHOICE OF hiring and firing employees by business men; of farmers in placing tenants and hiring labor; IT AFFECTS seniority rights of those under civil service and in labor unions; the right of business houses and others, serving the public, to choose their customers; the right of property owners in selling or renting their personal properties; theatres and other places of entertainment to select their patrons; and the right of the States to qualify their voters.

Are we going to allow our public servants in Washington to vote us into such bondage? Our only hope is to inform as

many of our friends as possible to write their Senators, newspapers, radio and television stations and to keep informed, ourselves, to what is happening in our government. While Southerners are carrying the burden of the opposition, others are awakening to the fact that they are losing their basic freedoms. Among them is Mr. William Loeb, owner and publisher of a chain of New England newspapers. He is one of the organizers of "The Coordinating Committee for FUNDAMENTAL AMERICAN FREEDOMS, INC.," Suite 520-301 First Street, N.E., Washington 3, D. C. Write this Committee for one to ten copies of their informative, free booklet and learn firsthand about this legislation.

Future letters will give further information. WATCH.

Donnie D. Culpepper Selected as Flight Guide In Colorado

U. S. AIR FORCE ACADEMY, Colo. — Donnie D. Culpepper, son of Mrs. Valrie Culpepper of 414 Park Street, Burkburnett, has been selected as a flight guide with rank of cadet staff sergeant at the United States Air Force Academy. Cadet Culpepper will set the marching pace and direction for a unit of 36 men in executing the duties of his new position. He was named as a guide in recognition of his demonstrated leadership abilities. The cadet, a graduate of Burkburnett High School, is a member of the academy class of '66. Cadet Culpepper will be awarded a B. S. degree and a commission as an Air Force second lieutenant upon his graduation from the academy.

Miss Courtney Bryce Schroeder and Staff-Sgt. Walter Scotty DeFore United In Marriage Friday, Feb. 21

The Burkburnett Lutheran Church was the setting for the Friday, Feb. 21st ceremony uniting in marriage Miss Courtney Bryce Schroeder and S-Sgt. Walter Scotty DeFore. The bride is the daughter of Mr. and Mrs. Clarence W. Schroeder of 411, 9th St. of this city and parents of the groom are Mr. and Mrs. Walter C. DeFore of Fitzgerald, Ga. The Rev. Philip Otten, pastor of the Grace Lutheran Church, was officiant for the 6:30 p. m. double ring ceremony, before an altar which was adorned with tall baskets of white stock and greenery and candelabra on either side of the white kneeling bench. Altar vases filled with white stock formed the back ground. Providing traditional wedding selections was organist, Mrs. James Kinder of Devol, Okla. The bride, presented in marriage by her father, wore an informal oyster white imported diagonal weave silk with straight street length skirt. She wore long white gloves and white spodosie silk shoes and

carried a bridal bouquet atop a white Bible. Serving as Matron of Honor was Mrs. Richard Stallcup, wearing a beige silk sheath dress with matching accessories. Her corsage was of white feathered carnations. Attending the groom, as best man, was S-Sgt Howard H. Shaw of Electric, Ala. Tommy Young and Aaron Schroeder, brother of the bride, were ushers and candlelighters.

The bride is a 1962 Burkburnett High School graduate. She is a member of American Institute of Banking and is employed at the City National Bank in Wichita Falls, Texas. The groom is a 1956 graduate of Fitzgerald High School of Fitzgerald, Ga. A reception was held in the Parish Hall of the Church following the wedding. The table was covered with a white lace cloth and centered with an arrangement of white roses. The three-tiered decorated wedding cake was the focal point. Miss Patsy Koenig presided at the guest book. Mrs. Richard Nunn served punch from a beautiful crystal bowl set and Mrs. Walter Schroeder of Wichita Falls, sister-in-law of the bride served cake. Among the guests attending from out-of-town were Mr. and Mrs. Touie Schroeder of Wewoka, Okla. After a trip to Georgia and through the southern states, the couple will reside in Wichita Falls.

Those attending the club meeting were Mesdames, Tommy Reese, Oscar McBride, Haskell Draper, J. G. Cheney, P. F. Parrish, Sr., Dave Stephenson, Allen McCollier, Monroe Gray, Earnest Masters, Drue McBride and hostess, E. E. Bangs.

Friendly Homemakers HD Club Met February 26th

The Friendly Homemakers HD Club met February 26th at 9:30 a. m. Mrs. E. E. Bangs was hostess to the club meeting. Called to order by Mrs. Oscar McBride, president. Prayer by Mrs. McBride. After the business meeting and reports, Mrs. Thelma Wirges, County Home Demonstration Agent brought the program on "Cleaning Aides."

Recreation was planned by Mrs. Carl Sutherland. The next club meeting will be in the Texas Electric Reddy Room with a joint meeting with other clubs, March 12th.

Program, "Food for Health," planned by Wichita County Food and Nutrition Committee. The meeting will run from 10:00 a. m. to 12 o'clock. The committee would like club members and others interested Homemakers to attend.

Those attending the club meeting were Mesdames, Tommy Reese, Oscar McBride, Haskell Draper, J. G. Cheney, P. F. Parrish, Sr., Dave Stephenson, Allen McCollier, Monroe Gray, Earnest Masters, Drue McBride and hostess, E. E. Bangs.

Mr. and Mrs. Francis Beaver have received word that their son, Sp. 4 Francis L. Beaver, is expected home next week after a years tour of duty in South Viet Nam.

How fine life seems when we have a good job and good health.

Rebekah Lodge

By Cora Lee Harmon

The Past Noble Grand Club met in the home of Cora Lee Harmon last Thursday night. The meeting opened with a prayer and a song, "Rock of Ages."

The minutes of the last were read and approved. After roll call the members studied the Laws and By-Laws of the lodge. The un-written work was studied, also.

After all business was taken care of, the meeting closed with a prayer. Refreshments of cake and coffee was served by the hostess, Cora Lee Harmon. The March meeting will be in the home of Elizabeth Gragg.

Cora Lee Harmon attended Wichita Falls Lodge, 326 last Tuesday night. Two new members were initiated. Mrs. Weldon and Faye Bingham. Cora Lee Harmon was the musician for the installation.

Cora Lee Harmon attended the Cotton County singing in Walters, Oklahoma Sunday. Also, Mr. and Mrs. G. W. Pemberton were in attendance.

GENERAL FUNDS FROM BROWNE

"Federal funds" is described how a federal government to help finance to "federal funds" the federal gov- the money it so does out? money from many example, "federal been taken away derly people who difficulty financing bills; rents who would have sent their college — if only we kept the money

they earned.
3. From church goers who wish they could support their chosen churches with adequate gifts;

4. From worldly-minded citizens who would have enthusiastically used their own money to finance overseas charities, missionary work and other "peace corps" type activities;

5. From civic minded individuals who would have liked to help alleviate poverty and sickness in their communities — if only they could use their own money in their own ways;

6. From businessmen who wanted to expand and create more jobs — but who were forced instead to pay exorbitant taxes to provide "federal funds";

7. From ambitious Americans who wanted to develop new ways to produce new products at lower prices — to raise our standard of living;

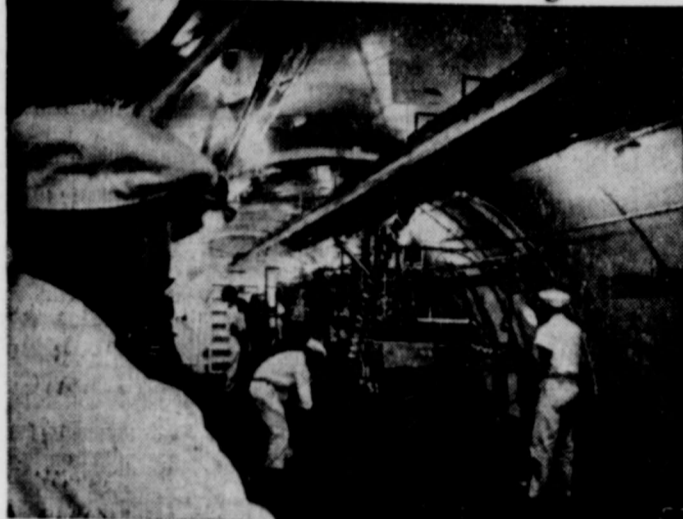

8. From builders who would have liked to construct new low-cost housing projects for those who can't afford their own homes;

9. From 189 million Americans who wanted to live their own lives in their own ways — voluntarily exchanging their talents, their products and their services to help each other.

10. In other words, "Federal Funds" comes from US!

If the federal government would spend more money only on activities authorized by the Constitution, we, the people, would have enough money available for our own medical care.

"Submarine" For Canning

The first basic change in canning techniques since the era of Napoleon has been unveiled in the food industry.

In a submarine-like chamber, 110 feet long, men and equipment work under super-atmospheric pressure to produce vastly improved canned foods.

The procedure was developed by Swift & Company and an exclusive license was issued for use and sub-licensing to Trenton Foods, Inc., whose headquarters is at Kansas City, Mo., and plant is at Trenton, Mo.

The key to the new process is the elimination of prolonged heating of the canned products. This permits retention of natural flavors and desirable textures, without refrigeration or freezing by the homemaker. The system opens the door to a wide variety of products such as meat, cheese and combined dishes with subtle seasoning and delicate sauces.

cans are heated for long periods in retorts, which can be considered as enlarged versions of the familiar pressure cooker.

The procedure at the Trenton, Mo. plant does away completely with retorting.

The new super-mechanized process utilizes a custom-built stuffer which introduces product into pipelines, leading to the pressure chamber.

In the pipelines, the food is raised in seconds to sterilization temperature.

Inside the tubular chamber, the food is put in cans. The pressure in the room is equivalent to that which a skin diver would experience at a depth of 41 feet. This permits filling and sealing the cans at temperatures of 250-255°.

For large scale feeding, this process has special advantages. Food in large cans has the same quality and taste appeal as in small cans, because of the rapid heating and sterilization.

Texas Parks to Receive Million \$ In Federal Aid

The Texas Parks and Wildlife Department has been notified that it will be eligible to receive over one million dollars in federal aid money during this fiscal year.

According to the Bureau of Sport Fisheries and Wildlife, which administers these funds, Texas will receive \$781,394 as Federal Aid in Wildlife Restoration money, derived from a federal excise tax on sporting arms and ammunition, which must be used to defray expenses of projects to help wildlife species.

An additional \$306,254 will come to Texas for fish restoration work under terms of the Dingell-Johnson Act which apportions to the states, revenues from a federal excise tax on sport fishing tackle.

Since 1938, the Texas Parks and Wildlife Department has received almost 16 million dollars through these two federal aid programs.

Under terms of both Acts, the state department pays the in-

tial costs of the project, and is reimbursed for up to 75 per cent of their expenditure with federal funds, upon completion of the project. Federal aid in Texas has helped finance the rehabilitation of Sheldon Reservoir and the acquisition and development of the Big Hill Bayou area, both near Houston; the trapping and transplanting of deer and turkey; acquisition of several game management and public hunting areas. In addition, notable research has been conducted on fish toxicants, aquatic herbicides, quail habitat and deer-livestock relationships.

Alice, Texas, was named for Alice King Kleberg, daughter of Richard King of the King Ranch.

The Alabama-Coustatia Indian Reservation occupies a 4,351-acre tract near Livingston, Tex.

Amber, a fossil resin, is found in many colors ranging from blue to the usual golden amber.

housing, education and other real needs.

TAXPAYER'S MONEY
But so much of our income is taken from us to provide "federal funds" for projects we have never "okayed," we have too little left to take care of ourselves.

So the next time you're told that "federal funds" will finance such-and-such project, just remember the millions of Americans who are being forced to do without the things they need and want.

Remember that the farm subsidy or new urban renewal project or loan to Communist Poland is being paid for with money that could have taken care of medical needs or edu-

tion or gone into the church collection.

That's where "federal funds" really come from . . . out of OUR pockets!

Medical and Dental Expenses

Special rules apply to deductions for medical and dental expenses on Federal income tax returns, Ellis Campbell, Jr., Director of Internal Revenue for the Dallas District, reminded taxpayers today.

Document 5020 which furnishes more detailed information on this subject is available upon request from the Internal Revenue Service.

CHEVELLE! by CHEVROLET—a great highway performer

Malibu 4-Door Sedan Malibu Super Sport Coupe
Malibu Super Sport Convertible Chevelle 300 6-Passenger Station Wagon
Chevelle balanced performance is best!
Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!
Chevelle means performance aplenty—standard 120-hp Six or 195-hp V8—and optional at extra cost, a 155-hp Six, a 220-hp V8, a new 327-cu.-in. V8! But Chevelle's performance means more. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride.
Chevelle lets you choose Power-glide*, 4-speed manual* or 3-speed manual transmission. Knowing how people like the custom touch, we wrote out a long list of extra-cost options. Knowing all this, what's keeping you from a test drive? Certainly not your Chevrolet dealer!
*Optional at extra cost

Medical Mirror
Better Health Through Knowledge

WATER ON THE BRAIN
Q. Is there any cure for water on the brain?
A. Some cases of hydrocephalus ("water on the brain") can be treated—others are almost hopeless. Doctors who have had extensive experience in this field usually offer the following advice. If the condition is getting worse but has not yet affected the brain, an operation may help. If the condition is at a standstill, the child should be given regular checkups to see if surgery will be needed. If the brain has been badly damaged, the child should simply be given the best care possible until the end. Operations to relieve "water on the brain" are difficult and not always successful, but some children are helped, even to the point of growing up in a perfectly normal way.

MILK-ON-THE-WRIST TEST
Q. Is the "milk-on-the-wrist" method a good way to test the temperature of a baby's formula?
A. No, but lots of mothers use this method. To feel the warmth of the milk on the wrist the temperature of the liquid would have to be at least 120°F. This is about 22 degrees hotter than the temperature of milk nature provides for the breast-fed baby.

Answers do not necessarily reflect the opinion of all doctors. The diagnosis and treatment of disease is the function of the patient's personal physician.

Quality . . . Professional Skill . . . Economy . . . these are three good reasons for having your prescription filled by our competent staff of pharmacists.
