Bob Cat Killed Near Burk Burnett

Bill Monson of 102 Lily Lane, shot and killed bobcat while cutting feed on the property of Mr. Rod-southwest of Farm Road 369, last Thursday. He is 22 rifle.

Monson's Jeep station wagon and the hunters returned home to show the rest of the family their trophy.

Pound Bobcat Killed Thursday

Bill Monson

Bobcat weighing approximately 40 pounds, measuring 30 inches from head to tail, was shot and killed by Mr. Bill Monson, southwest of Farm Road 369.

Monson discovered the cat cutting feed on the Rod-southwest of Farm Road 369.

Monson shot the cat with the tractor and it into a culvert where the frightened animal sought

both ends of the pipe with rocks to prevent escape, he returned with his 22 rifle.

Monson was accompanied by Sue Carol Candy 13, his daughter, and she went back to kill the

bobcat and hissed as the were removed to allow for firing.

Carol worried only that her dog might be attacked. The dog was of any type.

The brown and white spotted bobcat was laid in the rear of

Pot Luck Supper Held June 29th

A pot luck Salad Supper was held Monday, June 29th at 7:00 p. m. at the home of Mrs. Harold Sanders, which wound up the season for the Women of the Episcopal Church of St. John the Divine. A variety of salads, herb bread, iced tea and coffee were enjoyed by all.

Afterwards a short business meeting was held. Mrs. Harold Sanders, president of the women, appointed the following chairmen for committees: Devotions chairman, Mrs. John Morgan; United Thank Offering and Supply chairman, Mrs. Ashby Etheridge; Christian Education chairman, Mrs. Grundy Taylor; and Book of Remembrance chairman, Mrs. Jack Bainbridge. The schedules were made up for the church cleanup. Coffee hour and Yard duty. Plans were made for a welcoming dinner for Rev. and Mrs. Dalton and family. Basic plans were made for the reception at the Dedication when the date is set.

The women agreed to hold another bake sale in July on the main street of Burk Burnett. A date will be set later and announced in the paper. The women will even take orders for any baking, if called at 569-2274 or 569-2461. The women voted to give the money they made on the last bake sale to the vestry to pay for candles.

Mrs. Sanders closed the meeting with a prayer. The next meeting will be in September.

Mrs. Pat Southworth and children, John, Sue and Scott, of Dallas visited their aunt, Myrtle Hatch, here during the Boomtown Celebration. They were accompanied by Bob Round, a friend of Sue's. They all enjoyed the rodeo and other events.

If you know the answer, why ask the question.

Scout Troop 155 Presents Scroll to Church

Rev. Carrol Copeland, minister of the Methodist Church, receives the American Heritage Scroll from Scout Master Tom Evans, at the Scout Troop's (155) Court of Honor Ceremonies, which were held in the Fellowship Hall of the sponsoring church. The scroll signifies a "Strengthen Our American Heritage" program, which is being conducted by the troop.

Scout Troop 155 Court Of Honor Held At Methodist Church Recently

One of the highlights of the Scout Troop 155 Court of Honor, held in the Fellowship Hall of the Methodist Church, was the presentation of the American Heritage Scroll by Mr. Tom Evans, Troop 155 Scout Master, to Rev. Carroll Copeland, minister of the church.

In a very impressive ceremony, members of the troop were advanced in rank and received merit badges.

Advancing to First Class Scout was Eddie Gann. Bruce Blankenship, Allan McCollier, Fat Evans, James Mahaffey, Wayne Daub and Dennis Cotton moved to Second Class while Tom Floodworth, Tom Goodrich and Steve Slusher received Tenderfoot awards.

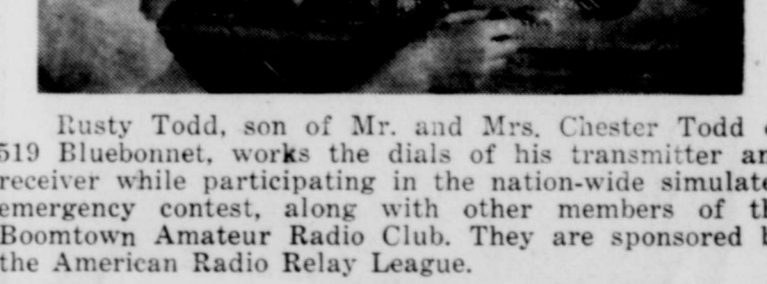

Receiving merit badges were the following happy scouts, Oliver McDonald, Wayne Petus, Michael Evans, Allen Farris, Eddie Gann, Fat Evans, John Strayhorn and Dennis Cotton.

John Strayhorn who recently attended the World's Fair accompanied by Rickey Landrum, gave a short talk about their trip and work done by them in the scout section. Rickey was unable to attend that night.

Mr. Oscar McPrile served as chairman of the Court of Honor.

After a short closing ceremony, refreshments were served by Sally Mitchell, Carolyn Copeland and Jan Brown.

Rusty Todd Works Transmitter

Rusty Todd, son of Mr. and Mrs. Chester Todd of 519 Bluebonnet, works the dials of his transmitter and receiver while participating in the nation-wide simulated emergency contest, along with other members of the Boomtown Amateur Radio Club. They are sponsored by the American Radio Relay League.

Boomtown Amateur Radio Club Has 24 Hour Practice Session

The Boomtown Amateur Radio Club had 24 hours of continuous practice over the weekend of operating their radios.

Called "Hams", they are licensed operators (by the government) and took part in a nation wide simulated emergency contest sponsored by the ARRL, American Radio Relay League.

Using two portable gasoline operated generators, loaned them by the Fire Department and Texas Electric Company, the organization transmitted and received from 5 p. m. Saturday until 5 p. m. Sunday, June 27th and 28th, in the press box of the Junior High School Football Stadium.

Temporary antennas were erected, such as would be constructed in a real emergency situation.

The Boomtown Amateur Radio Club was organized in October of 1960 and became a chartered member of the American Radio Relay League in 1962, which celebrates its 50th anniversary this year.

Members have spent much time and money building their own transmitters and receivers, which were given a good workout over the weekend.

Participating in the contest were Don McCullough, Bill Zimmerman, Karry Elliott, Chester Todd and his son Rusty, Tom Sutton, president of the club, all of Burk Burnett and two members from Wichita Falls, Richard Shouse and Bill Bain.

Bain is a First class Radio-Telephone Engineer employed by KWFT.

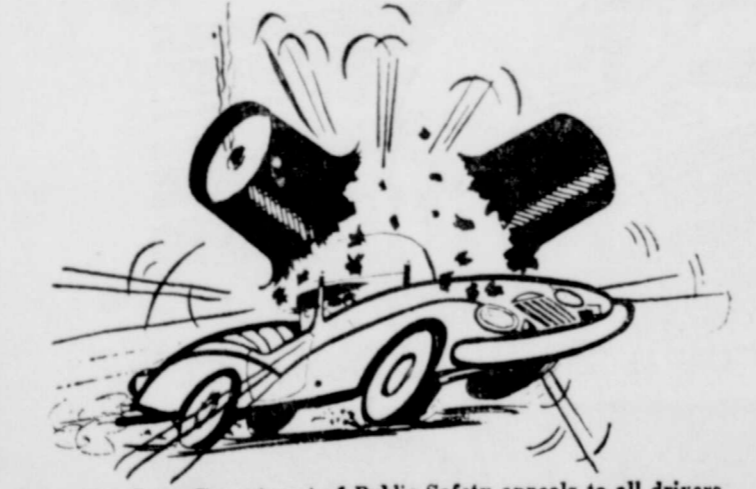

The aim of the organization is to be of assistance in emergencies and a credit to the community.

MISS OMA VAN CLEAVE AT HOME IN FORT WORTH, TEX.

The home and other property of the late Dr. and Mrs. H. S. Van Cleave, Sr., 511 East College, has been sold to Mr. and Mrs. Harry Wash of Tulsa, Okla.

Miss Oma B. Van Cleave will make her home in Ft. Worth, Texas.

Texas Dept. of Public Safety Begs for Caution Over the 4th

The Texas Department of Public Safety appeals to all drivers to mark this Fourth of July weekend as a time to review their driving habits in light of the fact that traffic accidents are at an all-time high. Serious accidents are more frequent in holiday periods, and it is estimated that 32 persons will be killed in traffic from Friday, July 3, through Sunday, July 5. This doesn't have to happen! Tragedy can be averted by remaining constantly on the alert for dangerous situations, by not taking chances and by driving in accordance with laws of safety.

While the drivers of Texas are making plans for 4th of July trips, the Texas Department of Public Safety is getting ready for "Operation Motorcade," a three day vigil of tabulating all traffic deaths in the state.

Major Harry Hutchison, Regional Commander of this area for the Department of Public Safety, reported today the state is approaching the mid-point in the year amid definite indications that traffic deaths will hit an all time high again in 1964.

"If we continue to take lives at the present rate, 1964 will become the most deadly year in Texas history for traffic fatalities," he said. "Motorcades" at this time are over 150 more than at the same time last year, and considering the trend of increased accidents and casualties, we have every reason to expect that traffic deaths will exceed the previous all-time high in Texas of 2,729 in 1963.

"Only 271 deaths in 1964 than in 1963 will make a total of 3,000 lives lost on our streets and highways in one year, an increase for the year of ten per cent over 1963." Deaths in traffic this year have consistently been in excess of fifty per cent over 1963, an indication that the 3,000 mark will be surpassed.

Hutchison said that "Operation Motorcade" will be placed in effect from 12:01 A. M. Friday, July 3rd and continue through 11:59 P. M. Sunday, July 5, 1964. In order to focus attention upon the added dangers of holiday travel when traffic is at a peak and as an integral part of the operation, which calls for maximum enforcement, additional personnel from other uniformed services of the Department of Public Safety will augment the regular Highway Patrol force. These patrolmen have been instructed to be extra alert for and direct their enforcement efforts toward those violations that are most often caused factors in traffic accidents. In addition every effort will be made to remove drinking drivers from the highway.

"Since police traffic supervision cannot cover the entire street and highway system in the State every minute of the day, the big hope for safe driving and accident prevention rests with the individual motorist," Hutchison concluded.

Wichitian First At Burk Rodeo

Jerry Watts of Wichita Falls took first place honors Saturday night in bareback riding during the Boomtown Rodeo at Burk Burnett.

Jack Stuckey, Lawton, and Bill Hood of Guthrie took second and third place honors, respectively.

Sue Drake of Burk Burnett and Neta Krebs of Vernon took a first place tie in the barrel racing event, with an average of 44.4 points. The girls split first place money and voted to stage a runoff for the buckle.

However, tragedy marred the sportsmanship runoff when Sue suffered a fall at the end of the competition and was rushed from the arena to a hospital with undetermined injuries.

Gene Reynolds of Burk Burnett walked away with first place money in the bulldogging event, followed by Johnny Ballard of Wichita Falls, second, and Lee Jones, Randlett, placing third.

Joe Lowrance of Sulphur, Oklahoma, was leading in the calf roping competition as the rodeo went into its final stages late Saturday night. Flip Cozby of Burk Burnett was leading in the bull riding division.

An estimated 3,500 rodeo fans turned out to witness the rodeo's final performance, many of whom were treated to extracurricular activity early in the evening when the Brahma bulls, used in the rodeo, broke out of their pens and scattered across the surrounding pastures before riders rounded them up.

One feature of the final performance was a "wild cow milking contest," won by members of the I. C. Evans School Board Range Riders Team.

WINNERS NAMED

Winners of the Green Stamps given away last Saturday by the Manhattan Dept. Store were Paul Turnbow, Karol Groves, and Mrs. Anna Freeman.

From 'Bury' To Borrow

Recent developments in Russia and in one of its satellites are steeped in irony.

That's because Premier Khrushchev has been compelled to try to bolster his faltering industrial output by instituting principles of free enterprise—the very system that he vowed to "bury".

Here are typical examples of the "copycat" trend: A new cash bonus arrangement for factory managers and workers has been installed in six major industries in an effort to improve quality, as well as, quantity production. (This is a far cry from the not-too-distant time when plant managers were reportedly "liquidated" for failing to meet quotas.)

A textile mill in Bulgaria, which was allowed to func-

tion very much in the fashion of a private American style plant, proved to be a rip-roaring success. It completed its yearly production plan six weeks ahead of time, made a substantial profit, boosted workers' earnings by 10 per cent and greatly expanded employment in the community. (Actually, this operation was a back-lash because the Soviet planners initiated it to "show up" the free enterprise system and their faces rivaled the red in their flag when the project hit the jack-pot and the Bulgarian public demanded that many more factories be allowed to operate in the same manner.)

While these moves represent only surface-scratching shifts in Soviet economic policy it certainly must be mighty embarrassing for Khrushchev to have tacitly acknowledged the superiority of our system by borrowing from it.

Roger W. Babson says: "... politicians and labor leaders want men to be manageable in units. Their goal can be far more easily achieved if individualism can be submerged. . . . In America's a-borning period, the rugged individual never let his private convictions be smothered by the group judgment of a committee, a board of directors, or even a political party. A man believed that 'one with God is a majority.' Democracy came from many hours of 'cracker-barrel' discussion in country stores where quiet reigned. Thinking requires quiet, and time enough to relax and chew things over."

A railroad spokesman says nothing less than total effort to strengthen and improve our national railroad system will suffice if we are to provide the kind of transportation that America must have to keep pace with its growing economy.

News From The County Agent

Important contributions are being made to stabilize wheat production and farm income by the outstanding test weight of new varieties of wheat. These varieties have been developed by the Small Grain Section of the Texas Agricultural Experiment Station.

Crockett, Tascosa and Caddo wheat varieties have produced an average test weight ranging from 2 to 4 pounds per bushel greater than varieties grown 10 to 20 years ago. This has resulted in the grower receiving No. 1 wheat prices most seasons. Normally No. 1 wheat sells from 3 to 10 cents more than No. 2 wheat which means an additional return of \$3.00 on each 100 bushels.

Comparative tests in Texas over an 8 year period gave an average test weight of 61.5 for Caddo, Tascosa and Crockett while Comanche, Tenmarq and Turkey averaged 58.5 pounds per bushel in the same tests.

Insecticides for use around the home come in many different formulations, each with specific uses and better suited for certain jobs than the other says B. T. Haws, county agent.

Insecticides may be used in several different ways, depending on the type of job to be done. Some of the more popular ways to use insecticides are as dusts, wettable powders, soluble powders, emulsifiable concentrates, oil solutions, granulated materials and aerosols and spray bombs.

Specific types of insecticide formulations may include baits, insecticide-fertilizer mixtures, insecticide-herbicide mixtures, and mothproofing agents, says

Swiss Knight Of The Road

Hans (Johnny) Siegrist, a 33 year old Swiss bus driver, was recently received at the Governor's Mansion where he is shown explaining the routes of the Gateway Holidays European motorcoach tours to Mrs. William Scranton, wife of the Governor of Pennsylvania.

Johnny toured the U.S. partly on the invitation of many of the friends he made among his American tour members and partly to accept a temporary winter job as a mechanic in Whittier, California. During his stay here he has received many honors, including a reception at the Swiss Embassy in Washington and a presentation in New York's City Hall. He was also commissioned an "Honorary General" by a group of retired

Army officers he had through Europe.

Johnny, who speaks fluently, loves the U.S. States. But he is also forward to returning to his driving job for the summer months for the thousands of American tourists who each year visit Europe. One of the popular tours offered by the Gateway Holidays is a 21 day tour of England, Holland, Belgium, Luxembourg, Germany, Italy and France. It is an overland travel by motorcoach, a comprehensive sightseeing program, the services of a multi-lingual manager, practically all accommodations with bath in first class hotels and a variety of evening entertainment. The cost of this tour including round-trip jet travel TWA from New York is just \$698. A total of 45 tours have been scheduled through November.

Information concerning tours may be obtained from travel agent, from TWA directly from Gateway Holidays, 10 East 44 Street, New York, N.Y. 10017.

Haws. The county agent emphasizes that directions for use of all insecticides be followed closely. Such things as dosage, time and rate of application, crops or livestock which are to be treated and waiting periods between treatment and harvest should be completely understood and followed, stresses Haws. Insecticides are essential in today's

agriculture, but they are hazardous if used carelessly.

Mr. and Mrs. Lloyd Roberts and family of San Diego, Calif., Mr. and Mrs. Quinton Roberts and family of Wichita, Kans., Mr. and Mrs. Henry Roberts and family of Granite, Okla., visited Mr. and Mrs. R. O. Brown over the weekend.

Mrs. John Duke and son Mike of Lawton visited her parents, Mr. and Mrs. T. E. Spannagel Sunday afternoon.

Mrs. J. D. Weaver, Mr. and Mrs. Melvin Manley and daughter of Nocona visited Mrs. C. H. Dunn Saturday.

Mrs. Earl Spannagel and Mrs. Paul Spannagel of Walters visited Mr. and Mrs. T. E. Spannagel Monday of last week.

Mr. and Mrs. A. L. Anderson accompanied by Mr. and Mrs. Edwin Anderson and children of Wichita Falls, visited Travis Anderson at Weatherford, Okla. Sunday.

Mr. and Mrs. Bob Williams and children of California, are

Did you know that a brewery played an important role in the making of the flag that inspired Francis Scott Key to write "The Star-Spangled Banner" 150 years ago this September? It's a fact! It was on a brewhouse floor that the stars were assembled on the 30' by 42' flag that was to float bravely over Fort M'Henry, Md., the stirring morning of Sept. 14, 1814, after all efforts of the British fleet to dislodge it had failed.

That momentous stand, largely by an embattled citizenry, included the town's merchants, newspaper editors, printers, clerks, bankers, and others, witnessed by Key, a Frederick, Md., barrister, led to his composing "The Defense of Fort M'Henry," a poem later to become our national anthem.

Under this bright banner, with each of its stars measuring 24 inches from point to point, Baltimore was to remain the only major American seaport that had not had an enemy flag fly above it.

The flag, much larger than those flown today, had been made immense on purpose, for Baltimore and citizens of the surrounding countryside wanted

One of life's jokes is that the people who scoff at materialism are often living beyond their incomes.

Early spurs, dating back to Roman times, were made of wood or bone.

Roller Coaster Spirit

There are days when we feel on top of the world.
Everybody loves us and shows it. Nice things are done
for us. Sunshine and happiness drenches everything.
And then there are other days — when we're blue;
people are busy. We're alone. We're afraid.
It might as well be raining. Nobody
knows the trouble we're in.
Needed is a little self-discipline, not a
lot of self-pity. We must learn to
face the fact that life is not always a
flowery bed of ease, and pleasure.
Children dodge hard places,
responsibility, and painful experiences.
A mature person stands on his own
two feet under God.
Time, insight, and the grace
of God can remove moun-
tains — and take away that
roller coaster spirit.
Begin the road to spiritual
maturity by attending
church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

BURK DRILLERS FINISH FIRST ROUND IN SECOND PLACE IN CONNIE MACK

Dropped into second place in the Connie Mack baseball chase by two straight losses, the Burk Drillers unloaded their big guns in Spudder Park Monday June 29th, and blasted the Sheppard Jets, 14-4, behind a 13 hit barrage, led by catcher Ricky Bridges.

Bridges delivered four hits in four trips to the plate and scored three of Burk's runs. Johnny Koller, with 2 for 3, and Fred Berry, with 2 for 4, were his closest rivals for hitting honors.

Bridges led off the first inning with a double and scored on Koller's two out single. The next batter up flied out to end the inning.

Burk scored again in the second, when Bob Hubble walked, went to third on a single by Bridges, and scored when Gary Owen hit a fly out to right field.

In a wild fourth inning outburst, the Drillers sent nine men to bat, and six runs across the plate with two out. With one out, Joe Montgomery walked to start the fireworks. Charlie Herring grounded out to first, Montgomery went to 3rd when Mike Musick was safe on an error. David Salter singled both runners home, then scored himself when Hubble hit a double to center. Hubble scored on a base hit by Bridges. Bridges came home on a hit by Owen, who likewise crossed the plate when Fred Berry got a hit. Berry was cut down trying to make it a double.

In the fifth inning, Koller led off with a double. Montgomery was hit by a pitch to gain a free pass. The first baseman booted a ball hit by Herring and the bases were loaded. Musick then took four balls to send in a run. Three straight outs followed.

In the bottom of the fifth, manager Ollie Ratliff, moved Koller from pitcher to second base and brought Musick in to pitch. Musick hit a streak of bad luck, giving up two hits, five walks and four runs. Koller came back to the mound and pitched the final out.

The Drillers added five more runs in the top of the sixth. Bridges beat out a bunt, followed by a walk to Owen. Berry drove Bridges home with another single. Koller drew a base on balls to lead the sacks. Then, Joe Montgomery brought in two runs with a base hit. The last two runs came as Herring singled Koller and Montgomery home.

In the bottom of the sixth, Koller struck out the side to end the game. His strike out total for the night was 10, bringing his season total to 46 in four ball games. His record is 3-1. The Drillers record is 5-2. For Burk it was 14 runs, 13 hits, and no errors. The Jets had 4 runs, 2 hits, and 5 errors.

Burk's two losses came at the hands of the Thunderbirds, 4-2, and the league leading Braves, 6-3.

URGENT REQUEST

Subscribers to the Burk Burnett Star and News are requested to check the expiration date of their paper which appears just to the right of their name and address and remit renewal fees accordingly.

Due to the increased postal rates, subscription notices are not mailed out in advance of the due date as has been our policy in the past.

Please check your expiration date today. We know you do not want to miss an issue of the paper. Under our mailing permit delinquent subscribers must be removed from the mailing list.

Roller Coaster Spirit

There are days when we feel on top of the world. Everybody loves us and shows it. Nice things are done for us. Sunshine and happiness drenches everything. And then there are other days — when we're blue; people are busy. We're alone. We're afraid. It might as well be raining. Nobody knows the trouble we're in. Needed is a little self-discipline, not a lot of self-pity. We must learn to face the fact that life is not always a flowery bed of ease, and pleasure. Children dodge hard places, responsibility, and painful experiences. A mature person stands on his own two feet under God. Time, insight, and the grace of God can remove mountains — and take away that roller coaster spirit. Begin the road to spiritual maturity by attending church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

BACK YARD BARBECUING—53 STORIES UP!

Sally and Sirio Tonelli enjoy the Chicago skyline from the balcony of their 53rd floor Marina City apartment while preparing barbecued chicken, baked potatoes and garlic bread on a covered brazier. The Tonellis have discovered that "back yard barbecuing" need not be limited just to families with back yards and patios. The kettle-shaped, covered barbecue acts as an oven and adjustable dampers enable our balcony chef to accurately control cooking temperatures. Covered barbecues are ideal for balcony cookouts because they are not affected by wind and are virtually smokeless. Manufactured by Weber-Stephen Products Co., Wood Dale, Illinois, the baked porcelain kettle is completely weatherproof (the legs are aluminum) and can be left outdoors the year 'round. Weber offers this important tip for better barbecuing. For cuts of meat, such as steaks, place the meat on a grill directly over a layer of hot charcoal briquettes. For whole meats, such as roasts or the chicken Mr. Tonelli is preparing, arrange the briquettes on either side of the kettle, with a foil drip pan in the middle. Place the meat on a grill directly over the drip pan. With the kettle lid in place, indirect heat will bake the food and juices will be cooked in, not out, for more flavor. What juices do escape will fall into the drip pan, not on the hot briquettes, thus eliminating flare-ups and most of the smoke.

PUT A TIGER IN YOUR TANK!

THE REAL STORY OF THE TORTOISE AND THE HARE...

NEW POWER-FORMULA ENCO EXTRA GASOLINE BOOSTS POWER THREE WAYS:

1 Cleaning Power! Dirt can clog even a new carburetor in a few months of normal operation—causing hard starting and rough idling. Your very first tankful of New Enco Extra will start to clear away these deposits—in new engines or old—to improve power and mileage.

2 Firing Power! Spark plug and cylinder deposits can cause misfiring, pre-ignition and hot spots. New Enco Extra neutralizes these harmful deposits—to help your engine fire smoothly, to help preserve the power of new cars and restore lost power to many older cars.

3 Octane Power! New Enco Extra has the high octane that most cars now need for full smooth performance without knocking.

You'll get all these extras with New Power-formula Enco Extra gasoline—it puts a tiger in your tank!

Happy Motoring!

Mary Moody Swain Died In Albuquerque Hospital, June 2nd

Mrs. Mary Moody Swain, a former Burkburnett resident, died in the Bataan Hospital in Albuquerque, N. M. while undergoing heart surgery June 2. She had been ill for several months. Burial was in Albuquerque where she had lived for the past 5 years, going there from Ft. Worth where they had lived for several years.

She is survived by her husband, Robert Swain and an adopted son, Harold; one sister, Mrs. C. H. Berry, Ft. Worth; one brother, Douglas Moody of Midland, Texas.

She was preceded in death by a sister, Mrs. Hallie Moody Dougan; a brother, Wm. (Bill) Moody; and her mother, Mrs. Emma Moody, only a few years ago.

The family of David A. Moody resided in Burkburnett from 1919 to 1934 or 1935. Mr. Moody passed away in 1928 while on a visit to Missouri.

Mary, Hallie and Doug finished their high school work in Burkburnett. Hallie was in the first graduating class from the high school about 1923. The family was very active in the First Methodist church, the school and civic activities.

Kiddies Parade Winners Announced

The Annual Boomtown Celebration Week Kiddies Parade was held Saturday afternoon at 3:00 p. m. in downtown Burkburnett.

Winners received silver dollars. Judged best in the girl's tricycle were Jane Marie Hobbs, Risa Reasoner and Kristi Nease; boy's tricycle, Randy Reasoner, Perry Smith and Bobby Johnson; girl's bicycle, Sue Carol Monson, Louise Pennington and Mary Ann Pennington; boy's bicycle, Rocky Griffin. Kyle Jarreau and Robby Reasoner.

The unique category winners were Phillip and Kenny Civiletto; Gary Metz, Eddy Green and Galen Austin; and Rene Johnson, and Beverly Sue and Frances Benson.
The mounted contestants winner was Gigi Griffin. Second and third places were won by Cindy Boles and May Bayers, respectively.
