Mr. Billy Jenkins Appointed New Rural Carrier

BILLY JENKINS

Announcement was made this week of the appointment of Mr. Billy Jenkins as Rural Mail Carrier for Burkburnett, effective Saturday, March 13th. The appointment was made by the Rural Appointments Division of the U. S. Post Office.

Jenkins replaces Mr. J. T. (Pat) Brady, who retired in December following approximately 28 years service.

Jenkins has been employed at the local post office for the past 5 years. Prior to this position, he had served 4 years in the U. S. Air Force. He is married and has two children, David Lee and Teresa Ann. They reside at 110 N. Harwell.

He is a past president of the local Letter Carriers Association.

His parents, Mr. and Mrs. J. B. Jenkins, are former Burkburnett residents now residing in Byers, Texas.

NOTICE

The Southside School PTA will meet in the school, Monday March 15th at 7:30 p. m.

The speaker will be Mr. Billy Earl Askins. His topic will be "Teaching Techniques."

Next year officers will be elected at this meeting, so please make an effort to attend.

Burk Girls Placed 3rd In State Play

The First National Bank of Burkburnett women's semi-pro Basketball team made the best showing an area team has ever accomplished by finishing third in the state tournament at Houston.

The women cagers from Burkburnett won over the Pasadena and San Antonio, 34-24 and 42-32, before closing to the defending state champion Dallas Crestettes 46-24 after trailing only 18-17 at the half.

In the consolation bracket, Burkburnett won over the Dallas Telephone Belles 47-28 and downed the Corpus Christi Cardinals 45-36 in the Consolation finals.

Lola Byars, a forward, who scored in double figures every game was picked on the all-state team and presented a trophy for the honor.

April 15 Deadline For Vehicles To Be Inspected

There will be no extension of the Motor Vehicle Safety Inspection deadline of April 15, 1965, announced Captain Alan Johnson of the Motor Vehicle Inspection Service, Texas Department of Public Safety, for this area.

"Only two million of the five and a quarter million registered vehicles in Texas have been inspected. This leaves over three million vehicles to be inspected in about five weeks," said Captain Johnson. Many thousands of vehicle owners can expect to wait in long lines in order to get their vehicles inspected by the April 15 deadline.

It is almost apparent now that many vehicle owners have waited too long for the inspection stations to safety inspect their vehicles by April 15. "Any driver operating a vehicle registered in Texas that is required to be inspected, on public roads after April 15 without a valid 1965 inspection sticker will be operating in violation of the law," stated the Captain.

The DPS supervisor said, "The purpose of the motor vehicle inspection program is to discover any maladjustment which might become a link in a cycle of events leading to an accident, and by removing the link, prevent the accident."

Bulldog Booster Club To Meet Mon., March 15th

The Bulldog Booster Club is having a called meeting Monday night, March 15th at the Burkburnett Bank, at 7 p. m.

New officers for next year will be elected to take office August 1st. Coach Bill Froman, newly hired Head Football Coach, will be at the meeting.

Booster Club President, Joe Salter, urges all members, interested fans, and parents of all boys participating in football to be present.

Field and Stream Annual Banquet To Feed 1200 Thurs., Mar. 25th

Clarence J. Bizet Candidate For City Council

I came back to Burkburnett because I liked it and I am running for the city council because I believe I can contribute time, talent, and effort to Burkburnett.

A comprehensive plan for Burkburnett entitled "Land Use Studies" in April of 1964 describes our city as the bedroom for Wichita Falls and Sheppard Air Force Base.

The survey, 39 pages long, lists the good and bad frankly; blames no one, credits no one, and makes recommendations. The citizens and their representatives need, therefore to correct deficiencies and improve weakening areas.

The survey's neighborhood desirability study graded Burkburnett on quality of housing, land use compatibility, schools, parks, streets, shopping facilities, maintenance and appearance, traffic, parking and street layout and odors, dust, fumes and noise. The city scored 68 percent average adequate.

In my opinion one area that can be improved without money is public support and interest. In one portion, the survey notes, "In order for any of the general programs or methods for improving housing conditions in the city outlined above to work, it will be necessary to have almost complete public interest and support. Within each of the neighborhoods (11) there should be an organization devoted to the improvement and protection of that particular neighborhood. Either the city government or some city-wide organization, such as the Chamber of Commerce or a local citizens group, should foster the organization of these neighborhood associations."

Public interest and support is fostered only when activities of the city council and the city planning commission are comprehensively told to the citizenry. This must go beyond making the information available to the public. The public is usually complacent.

If elected, I shall make efforts, individually and through the council to arouse public interest and support; to urge continuance and follow up work on the recommendations of the survey; to use the survey to qualify the city for an urban renewal program; to seek specific industrial zone; to expand our water system in sufficient amounts to entice industry and home owners; to build more recreation areas; to have the city participate in the library and museum project; and to explore the possibility of adopting the February 1965 Subdivision Ordinance to the already established 11 neighborhoods.

The big date has been set and all 1200 family members of the Northwest Texas Field and Stream Association are now anxiously awaiting the annual Wild Game Feed and Banquet of this sportsmen club.

Richard Adams, General Banquet chairman, stated that March 25th at Midwestern University in Wichita Falls, the Big Feed Lot, will start at 7:00 p. m. Quail, Pheasant, Dove, Duck, goose, venison, elk, and other such wild game will be the featured item plus lots of fresh Catfish and Red Snapper.

John Barnard, Jr., President of this group for the past two years stated that the featured entertainment is being kept a closely guarded secret. The mystery guest is sure to entertain and everyone has been assured of no "long-winded" speaker.

Ticket co-chairmen George Walker and James Lane remind everyone that tickets for 3 dollars each can be purchased by mail from P. O. Box 4184 in Wichita Falls, or for advance tickets visit any business displaying the gold and black banquet placards.

Joe Tom White, the newly elected president of the Northwest Texas Field and Stream Association assured everyone of a fast moving program of good food, family entertainment, fishing and hunting fellowship, and a program that won't last any great length.

There will be only 1244 seats available and early ticket holders will be the only ones assured of getting a seat.

The Maskat Temple Clowns will entertain the kids and Kirkland's of Wichita Falls, will present a ladies special style show of sportswear.

The date is March 25th at 7:00 p. m. at Midwestern University in Wichita Falls, Tex.

WOULD-BE SUPERMARKET DICTATOR

News Note: Right of food shoppers' free choice threatened by restrictive legislation.

LET THE CONSUMER DECIDE

With the re-introduction of the Hart Bill for federal regulation of the packaging and labeling of food products the American consumer's right of free choice is once again threatened.

The restrictive nature of the legislation is readily seen in its provisions. It would:

- Establish the weights and quantities for the sale of products.
- Eliminate "cents-off" and other bargain promotions.
- Limit merchandising practices and what can be shown on the package cover.
- Establish standard "serving" sizes.

Actually shoppers already have all the federal protection they need against deceptive practices. The Federal Trade Commission and other agencies and bureaus are extremely diligent in that area and can be expected to continue their operations without any supplementary legislation.

The average housewife is a shrewd buyer and needs no help from a Washington bureaucrat to make her marketing selections. Besides dictating her choice of product sizes and weights, the Hart Bill could very well drive prices upward, since any standardization that required re-packaging would be certain to raise manufacturing production costs.

Thus putting an "unseen federal regulator" in each super-market will only serve to frustrate the shopper and put an added drain on the food budget.

INFLATION IS HERE

The one-hundred-cent dollar of fiscal 1939 — when the gross public debt and guaranteed obligations of the U. S. A. stood at \$49.89 billion — is now worth 44.8 cents, according to Virginia's Rep. Richard H. Poff while the nation's obligations now total more than \$312.5 billion.

In a revealing tabulation of the nation's fiscal posture from 1930 through 1946, the Old Dominion Congressman presents, year by year, a statistical sermon on the wages of Federal extravagance.

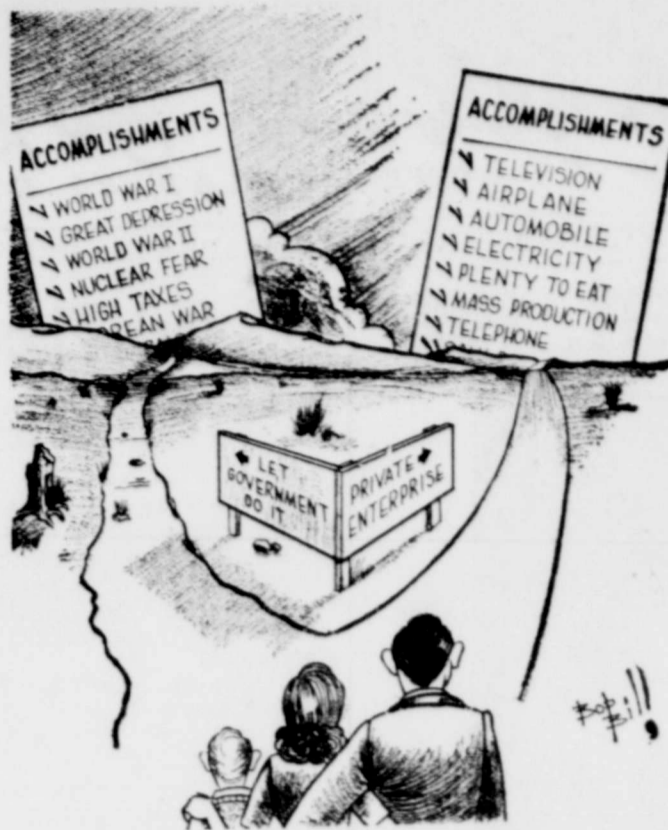

In all these 35 years, budget surpluses have occurred just seven times — deficits 28 times. In only one year out of four, in all this time, has the government of the United States taken in more than it has spent! At the end of 1964, the red ink figure for the period stood at \$287.29 billion, annual interest on the public debt at \$10.666 billion.

Inflation is not something to fear. It is HERE. It is something to fight — NOW.

The average use of electricity in the American home reached a record high of 4,677 kilowatt-hours last year, 235 kwh more than in 1963. At the same time, the average price per kwh of residential electric service reached a record low, decreasing from 2.37 cents in 1963 to 2.31 cents in 1964.

A Blue Cross release states that whooping cough, which is almost 100 per cent preventable, causes more deaths in the first year of life than measles, scarlet fever, diphtheria and polio combined.

Six Sheppard-Burkburnett Students Present Skit At Teachers Meeting In Vernon, Texas

(Official U. S. Air Force Photo)

SHEPPARD AFB, Texas — TELL OF SCHOOLS AROUND THE WORLD—These students presented a program entitled "Little Red School House Around the World" for teachers at the District VII, Texas State Teachers in Vernon Friday. All told about foreign schools they had attended. From left to right are Dennis McCredie, Richard Mitchell, Lang Havey, Kimverly Meyer, Susan Starke and Susan Fulgham.

The Ladies Mobil Club met for its monthly meeting in the home of Mrs. Jean Price, 801 Easy Street on March 2nd. The President, Mrs. Virginia Prough presided over the business meeting, and it was voted to do something for the elderly people at Harrelson's Nursing Home. Games and refreshments were enjoyed by the following members, Mesdames: Wanda Allmon, Mary Hellen Shipman, Dorothy Wileford, Helen Foster, Betty Renfro, Clara Turner, Christine Cullison, Virginia Prough, Pauline Bellamy, Jackie Dark, Jacquie Harper, the hostess, Mrs. Jean Price and one visitor, Viola Cormier.

Pecan Tree Is Choice Tree To Plant This Spring Says USDA

If you plan to plant trees this spring, Texas' state tree, the pecan, might be a wise choice. One of the most widely adapted trees in Texas, the pecan serves a dual purpose. Not only is it a stately tree, but if properly cared for, it can produce good, edible nuts, says B. G. Hancock, Extension horticulturist at Texas A-M University. "One of the most important decisions to make is the selection of a proper variety," says Hancock. "Hundreds of varieties are available but only a few are specifically adapted to given areas and interests. Mahan and Stuart varieties are most widely used for shade purpose because of their strength and desirable habit of growth. Mahan is the most widely distributed variety. It can be grown in practically every area of the state. Stuart is best adapted to the Gulf Coast and Eastern and Central Texas. Choctow, one of our new USDA varieties, shows promise of being a good all purpose shade tree on the Gulf Coast, Eastern and Central Texas. Desirable and Successful varieties are popular where production of high quality nuts of primary importance. However, because of their structural growth habits, neither is ideal for shade purposes. They are best adapted to Central and East Texas. Wichita, Western Schley and San Saba Improved are good varieties for nut production in West Texas. If given the correct cultural care, ample moisture and the proper nutrient elements, pecans can add much to our lives, said Hancock. Not only do they add beauty to our homes, they also greatly increase the value of property and may well serve as a heritage to future generations.

Texas is 620 miles wide.

Six students of the Sheppard Burkburnett Elementary School presented a skit entitled "Little Red School House Around the World" during the District VII, Texas State Teachers Association meeting held in Vernon Friday.

The students are all dependents of military personnel at Sheppard and they told of attending schools in other lands and what the schools were like. Some of the schools were the natives ones, while others were schools conducted for the military dependents.

Susan Fulgham told about the schools in England; Lang Havey discussed the schools in Guatemala; Kimberly Meyer, the schools in Okinawa; Dennis McCredie, the schools in the Philippines; Susan Starke, the schools in France and Richard Mitchell, schools in Japan. This was given for the Intermediate Teachers Section of the convention.

PIRATES NEAR?

The jolly roger, the ancient flag of the pirates, threw fear into every ship that sailed the high seas. These armed robbers sought to raid every ship they came across. None was safe when they were near.

The Bible teaches that there is a devil called Satan who is a robber and a thief, who "goes about like a roaring lion seeking whom he may devour." (1 Peter 5:8) But when the pirate threatens, we need not be afraid. We are encouraged by Romans 8:38 & 39: "For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come; nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord."

Our faith in Christ can overcome Satan's fiery darts. Through Him we can overcome all. We invite you to attend the Church of our Lord this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Mrs. C. O. Woodley, Reporter

Mr. and Mrs. R. J. Carr of Wichita Falls visited Mr. and Mrs. K. L. Smith Sunday.

Mr. and Mrs. James Turner and children, Terry and Mike of Lawton were Sunday guests of his brother and family, Mr. and Mrs. Junior Turner and daughters, Linda and Rebecca.

Lenton Louis McClendon of Dallas spent the weekend with his parents, Mr. and Mrs. F. G. McClendon. Mrs. McClendon who returned home last week from a Wichita Falls hospital is able to be up and about and reported doing nicely.

Mrs. Jim Spillers and two children of Jacksboro, Mrs. Raymond Hutson and baby of Chattonooga and Mr. and Mrs. Charles Moran of Hollister visited Mr. and Mrs. Guy Hutson Sunday.

Mrs. C. O. Woodley has returned home after spending the month of February with her son CWO Charles Woodley and family in Riverside, Calif. Visitors Saturday night and Sunday in the Woodley home were Mr. and Mrs. John Woodley of Dallas, Mr. and Mrs. Dick McLain of Grandfield, Mr. and Mrs. Gordon Woodley and daughter Tirzah, Mr. and Mrs. Bob Woodley and twins, Cathy and Carol and Mr. and Mrs. Charles Lee Bridges all of Wichita Falls.

Mr. and Mrs. Floyd Uthe spent Sunday with their daughter, Mr. and Mrs. Charles Shipnough and family in Henrietta, Tex.

BROWNIE TROOP 40 TO HAVE SKATING PARTY

We Brownies have been as busy as bees getting ready for the banquet for our Fathers and other guests. The banquet theme is "Hands Around the World," and our troop will represent Japan. We've learned a Japanese song in Japanese and also in English, thanks to a very nice lady, Mrs. Kumiko Smith.

In observance of Girl Scout Sunday, March 7th, we wore our uniforms to Sunday School and Church.

Next Monday we are having a skating party at the Orbit Rink. We are inviting our sister troop of Junior Girl Scouts to go with us.

There are 24 girls in our Troop. Our leader is Mrs. Miles, and is assisted by Mrs. Greer.

Big Pasture Riding Club

The Big Pasture Riding Club had their March meeting, March 1st in the home of Mr. and Mrs. Donnie McGill of Devol.

Plans were made for a Trail ride and weiner roast on Red River for all the club members and anyone who would like to join. The ride will start at the McGills Saturday afternoon at 1:00 a'clock March 27th. Heads of the trail ride are Mr. Bryan Harrison and Mr. Bob Farmer. The board committee for the eats are Mrs. Harrison, Mrs. Farmer and Mrs. Turner.

New officers were elected for 1965. They are: President, Donnie McGill; Vice president, Jr. Turner; Secy-Treas., Lil Horn; Sweetheart, Linda Turner; assistant sweetheart, Barbara Gresham; Parade Marshal, Bob Farmer; Board of directors J. W. Dorton, L. C. Gresham; Reporter, Mrs. J. W. Dorton; assistant reporter, Mrs. Betty Gresham;

The new members in the club this year are, Mr. and Mrs. Emerson Hyman and Terry of Randlett; Mr. and Mrs. L. C. Grasham and Barbara of Grandfield; Mr. Payton Cozby and Denise of Burkburnett; Richard McCluskey of Temple.

Antique Book Is Treasured By Peggy Glandon And Son

Peggy Glandon is an inquisitive and persistent soul who believes completely in the Biblical quotation, "Seek and ye shall find."

In doing some research recently, Mrs. Glandon came upon a story entitled "Horace Mann," "A True Disciple," which interested her. It was the story of Mann's impoverished and sad boyhood and of how, at an early age, he aspired to rise above such a status. It also tells how, "in a dark era with ignorance and injustice he envisaged the progressive evolution of man, individually and collectively, toward an ultimate goal of enlightenment."

The story about Mann told of how a book he read, "The Constitution of Man" by George Combe, changed the whole course of his life.

This, in turn, inspired Peggy to read the book which Mann had read. She browsed through libraries and bookstores to no avail. However, a local book dealer gave her names of two dealers who might have the book. Eureka! Six months later she got the book—for less than \$10. It was published in 1842 (the first printing was in 1828.)

Mrs. Glandon's enthusiasm is shared by her son, Mike, 16 year old junior in Burkburnett High School, whose vim also matches his mother's.

Northwest Texas Council Boy Scouts Development Campaign Starts Fri.

JERRY THOMAS

JACK SMITH

The Burkburnett Founders and Special Gifts divisions of the campaign will have breakfast at 7:00 a. m. in the Burkburnett Bank Community Room. Jack Smith, chairman of the Founders Division will preside. Jerry Thomas, chairman of the Special Gifts Division, will also be a part of the program.

The Campaign goal for the 13 county Council is \$350,000. These funds will be used to improve the Perkins Reservation, develop the 725 acre camp site south of Amon G. Carter Lake and construct a new Council Service Center.

Approximately 4700 boys participate in the scouting program in the Northwest Texas Council. 831 of these boys are in the Chisholm Trail District of which Burkburnett is a part.

A New Study Club Is Formed For The Rebekah Lodge

A study club for the Rebekah Lodge No. 67 was organized Monday night, March 8th at the IOOF Hall.

The following officers were elected: Bessie Stubblefield, President; Pauline Bellamy, Secretary-Treasurer; Clara Turner, Reporter.

The meeting of the club will be held the second Monday of each month and all members of the Rebekah Lodge are urged to attend.

Snacks are becoming a national pastime, it seems. Since this is true, it is important that nutritional needs, as well as appetite desires, be considered.

After school or party refreshments for children should be geared to their needs. Crisp, crunchy fruits and vegetables, or cold meat cuts in attractive shape will fill the craving for food and add some much needed nutrients to the young folks diets.

Teenagers, who are often lacking in calcium will find a flavored milk drink welcome most anytime. Try serving frosty eggnoys with a side dish of cheese dips.

Snacks form an important part of the food intake of the older folks, too. Although the older person no longer needs food for growth, he needs good repair and maintenance foods. Calorie needs are lower, but the need for protein and calcium still remain high. Fruit kabobs, tiny meat sandwiches, or meat soups will be especially welcome during an evening TV program.

Snacks which provide added calcium, protein and vitamins, without an excess of calories will be the winning answer for all age groups. The benefit derived from this kind of eating is life long—the best of good health.

California is 770 miles long.

Police Action

You'll have more action in your duck blind if you police empty shells around it. Glitter of brass will spook birds every time.

Pheasant Hunt

In season, if you're driving down a road and see a pheasant quick drop something to mark the place (An empty shell will do) Then you'll know exactly where to start the hunt for Mr Ringneck.

Low calorie foods can be tasty, provided you select and prepare them for fine flavor, says Thelma Wirges, county home demonstration agent.

Fresh fruits, vegetables, cottage cheese and lean meats are cited as examples. All are the makings of good meals, and not necessarily fattening ones.

Remember that you add calorie value to these foods when you dress them up with mayonnaise, whipped cream, gravy, rich sauces or other fats or sugars. Specialists suggest weight watchers use spices to season vegetables instead of rich cream sauce, butter or margarine.

Use a little salt and vinegar or lemon juice on your green salad instead of salad dressing. Or use a low calorie dressing. Each tablespoon of mayonnaise adds 90 calories.

Fruit is always a wise choice for dessert. Have an apple or an orange at 75 calories, a half grapefruit for 45 calories. Choose apple pie or a piece of cake and you get approximately 350 calories.

Remember that daily meals should include the basic foods necessary for good health. Milk, meat, fruits, vegetables, cereals, candies, fats, salad dressing and breads. Go slow on pastries rich sauces when you need to cut calories.

Forget your own personal dislikes when shopping for baby food. By serving your baby a wide variety of foods, you can help establish good eating habits for a lifetime, according to Miss Wirges. Some stores offer a choice of some 70 different items on the baby food shelf.

Selection ranges from cereals of rice, barley, oatmeal and mixed grains, through a variety of vegetables and fruit, beef, pork, lamb, veal, liver and tuna. You will also find things as custards and puddings. Even sterilized egg yolks are available, ready to serve "as is" or mixed with formula or other foods.

Left over foods keep well in their own containers. Actually the inside of the jar, sterilized during processing, is considered as safe for storage as other containers. Just cover tightly with a aluminum foil or waxed paper and store in the refrigerator.

Texas Day Program Given At Burk Study Clubs March Meeting

A Texas Day program was featured at the March meeting of the Burkburnett Study Club held in the home of Mrs. M. E. Bean, with Mrs. Jack Smith as co-hostess. The President, Mrs. Glen Bear, opened the meeting and roll call was answered with a "Texas Book I Have Read."

Mrs. Bear reminded the members to attend the Santa Rosa District convention April 1-2 in Memphis, Texas.

Mrs. Howard Henderson read a letter from Mr. Vernon Stewart, thanking our club for being interested in the Women's Rights Amendment.

Mrs. George McClarty, Federated Counselor, announced the Inter-American Conference will be held April 14, 15, and 16th in San Antonio. Mrs. William H. Hasebroock, our GFWC President, will be the guest of honor.

Mrs. E. Y. Buckner was program leader for the evening, beginning with the Salute to the Texas Flag. She introduced Mrs. D. H. Smith, who spoke on "Texas Historical Museums."

Texas history is being accomplished by the Texas Historical Foundation, a non-profit educational corporation, financed entirely by contributions of public spirited individuals, firms and corporations of Texas, through whose support the State of Texas and all visitors gain a deeper appreciation and understanding of the History of Texas. Mrs. Smith listed sixteen Texas museums, the county and towns in which they are located.

Maxine Creel, Legislative chairman, reminded the club members to vote Saturday, April 3rd in the School Board Trustee election at the old High School. Also the City Council election, Tuesday, April 6th at Town Hall.

The door prizes were won by

Mrs. E. Y. Buckner, Francis Felty. Refreshments were served by Mesdames Glen Bear, Bohnner, E. Y. Buckner, Carpenter, Malina, Francis Felty, James Howard Henderson, W. Berry, E. D. Potter, G. Clarty, Hugh Preston, Roye, D. H. Smith, Loh, Dorothy Preston.

Mrs. Mollie R. Elliott, Reporter

The Daisy Club met with Mrs. R. C. Brown March 2nd. The afternoon was spent quilting. Meeting was called to order by vice president, Mrs. Paul Hooper. Devotional was read by Mrs. R. O. Brown from Matt. 9:16, after which all members repeated the Lord's Prayer in Unison. Roll call was answered by "A New Fabric I Have Used." Minutes of the last meeting were read and approved. Treasurers report was given. Mrs. Betty Dahms gave an interesting and informative talk on Using today's fabrics. Motion was made by Mrs. Nomie Wilkinson that we quilt 4 quilts for outsiders. This was seconded and carried. Plans were made for going to Anadarko for the Southwest District Council meeting March 23rd. White elephant was drawn by Mrs. Lee Miller. Motion was made by Mrs. W. R. Baldwin that club adjourn to meet March 16 with Mrs. Paul Hooper. Another quilt was to be quilted. Refreshments of cake, coffee, cocoa and candy were served to one visitor, Mrs. Betty Dahms and the following members, Mesdames C. O. Wilson, A. L. Patterson, G. L. Pfeifer, Paul Hooper, C. B. Ressel, R. O. Brown, Ruby Hooper, Wayne Ressel, C. H. Thompson, W. R. Baldwin, Lee Miller, R. Underwood, Henry Kinnard, Jess Butler, B. B. Menz, Nomie Wilkinson, Fay Postelwaite, Ola Austin, R. C. Brown, Johnnie Robinson, Ben Ressel, T. A. Kinnard.

Her father's '65 Ford.....rides quieter than her father's Rolls-Royce

Rolls-Royce owners enjoy one of the world's finest handcrafted luxury cars. Ford owners enjoy the world's finest popular-priced car. Proof?

By test, Fords rode even quieter than a Rolls-Royce. And quiet means quality—the '65 Ford XL is remarkably strong, well-designed, solidly built. Prove it with a test drive... you will find...

New Quality ■ 100% new body—strongest ever on a Ford. Frame tunes out irritating road vibration ■ New suspension puts a big ultra-soft coil spring at each wheel

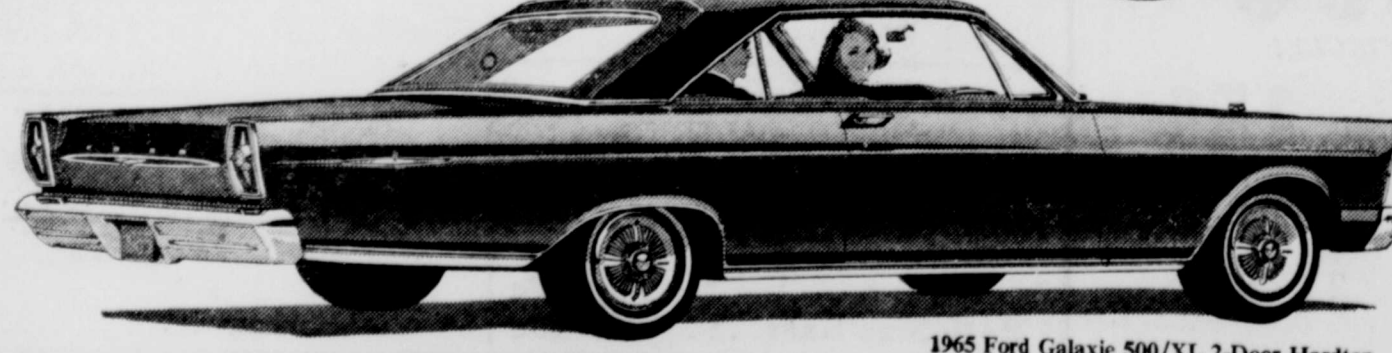

New Luxury LTD's ■ Decorator interiors, thick nylon carpeting ■ Walnutlike vinyl inserts on doors and instrument panel ■ Rear-seat center arm rests, five ash trays (4-door hardtops), padded instrument panel

New Power ■ Big, new 289-cu. in. V-8 standard in XL's and LTD's ■ New BIG SIX—biggest Six in any car, std. on other Galaxie and Custom models

Visit your Ford Dealer and take a test drive soon!

*Leading acoustical consultants conducted tests in which 1965 Fords (Galaxie 500 Sedan, XL and LTD Hardtops) with 289-cu. in. V-8 engines and automatic transmissions rode quieter than a new Rolls-Royce. Tests were certified by the U.S. Auto Club.

Test Drive Total Performance '65 Best year yet to go Ford!

Southwestern Bell is going to extend its service literally, to make rural phone service even better than it is. And the difference for most customers will be immediately noticeable.

For example, in many exchanges, suburban telephone service boundaries are being extended miles farther into the countryside to make higher quality phone service available to more people. And hundreds of miles of new telephone cables will go into replacing "open wire" lines, making them impervious to moisture,

these new cables provide hi-fi clarity plus greater dependability (phone wires inside them are safer from storm damage and weathering).

Undertaken at a cost of nearly half a million dollars, these rural service improvements are part of this year's massive construction effort (our biggest ever). An intensified program to further improve the quality of the fine telephone service you now have, whether you live in town, on a farm or ranch. You might call it a communications bonus from Southwestern Bell.
