UNDERWOOD
Burkburnett Bulldogs have worked hard lesson last Friday and this week they practice what they preach, as they attempt to take the Iowa Park Hawks at Iowa Park Friday night. Game time is 8:00 p.m. in Bobby Gilbert

Bulldogs have worked hard to correct mistakes that helped them downfall. The field this week is eager and ready to lick the hands of last years Hawks. Their crease in a little better carry out this feat, record thus far.

It is a tough, fast game by air or land. The Bulldogs have worked hard to correct mistakes that helped them downfall. The field this week is eager and ready to lick the hands of last years Hawks. Their crease in a little better carry out this feat, record thus far.

For his doctorate, Dr. Beyer received a grant from the United States Department of Agriculture to work on rubber-bearing goldenrod. He has also done research in the petrified woods of Yellowstone National Park and East Texas.

Dr. Beyer resides at 3208 Milby Ave., Wichita Falls, with his wife, Ruth and their two sons, Bradley and Bryan.

MU Professor Is Honored

Dr. Arthur F. Beyer, chairman and professor in the department of Biology at Midwestern University, Wichita Falls, has been chosen advisor emeritus to the MU Student Senate. As Faculty Member of the Year in 1964-65, Beyer was also honored as the first person at Midwestern to hold this position.

Professor at Midwestern for 15 of 17 years of teaching, Dr. Beyer has been chosen faculty member of the year four times and faculty member of the month five times. In addition to advising the Student Senate, he has also sponsored Circle K and Alpha Phi Omega, service organizations, and Beta Beta Beta, an honorary fraternity for biology students.

Holding a doctorate from the University of Cincinnati, Dr. Beyer is a specialist in the fields of botany, morphology, ecology and plant propagation. He has been listed in the American Men of Science, Who Knows and What, Leaders in American Science, and Who's Who in the Southwest.

The Big Pasture Riding Club is sponsoring a Hootenanny at 8 p.m. Saturday, October 9 in the grade school auditorium, Big Pasture School, Randlett. Music by the Electro Tones of Randlett.

National 4-H Club Week Is Observed Here

This week is National 4-H Club Week.

I would like to explain a little about 4-H Club and What it has to offer. All boys and girls from the age 9 through 21 years are eligible. 4-H Club is free, it doesn't cost anything to join and we do not have any dues.

Our Burkburnett 4-H Community Club meets on the second Tuesday of each month at the Youth Center starting at 7:30 p.m.

Our adult leaders are Mrs. J. H. Bentley and Mrs. Elmer Klinkerman. These ladies just supervise through the year. The meetings are conducted by boys and girls. This teaches them leadership and responsibility. We have guest speakers or let the children give the programs each month.

We have volunteer adult leaders for projects throughout each year.

Some of the projects are Sewing, Cooking, Child Care, Electricity, Dog Care, Beef, Poultry, Rabbits and Pigs. There are many other things that we can choose from also.

I would like to encourage boys and girls to meet with us at our next meeting and take part in our 4-H Club program and bring your parents with you.

Singer To Be At Baptist Church During Revival

Steve Taylor, an evangelistic singer from Greenville, South Carolina, will be at the First Baptist Church for Revival services the week of October 4-10.

Mr. Taylor has fifteen years experience in evangelistic music. He has ministered in over 500 Revivals in churches and city-wide crusades. Appearances include state and national conventions. Many churches have invited him back for repeat engagements and he has served in the same church as many as seven times.

In addition to leading the choral and congregation music, Mr. Taylor is a tenor soloist and plays trumpet.

Weekday services during the October 4-10 Revival are set for 9:30 a.m. and 7:30 p.m. with regular Sunday services at 10:40 a.m. and 6:30 p.m.

P-R-O

WHAT IT IS...! WHAT IT DOES...! HOW IT FUNCTIONS...!

The Burkburnett Chamber of Commerce is a voluntary organization of citizens who are investing their time and money in a community development program—working together to improve the economic, civic and cultural well-being of the area.

Any citizen who is interested in helping to develop the Burkburnett area (which means more money—more businesses—more jobs and better living for everyone) is eligible to be a member of the Burkburnett Chamber of Commerce. The dues structure is designed to permit the smallest business or any citizen to be a member.

The Chamber of Commerce is NOT tax supported. The work of the Chamber is financed by the investment of the members who support it on the basis of their ability to pay and their interest in the progress of the area.

The Burkburnett Chamber of Commerce is a service institution and an action organization. It provides a medium through which people can take effective action for the progress of the community.

It helps to create job opportunities through stimulation of industrial and commercial growth, for established and new firms.

It seeks the improvement of community facilities—streets, highways, parks, schools, and marketing facilities.

It works toward developing the agriculture and agricultural industry of the area.

In all these functions, the Chamber of Commerce is serving as a branch-a-partner-of every business and every professional person in Burkburnett. The Burkburnett Chamber of Commerce functions through working committees which are the backbone of the organization. Money, planning, inspiration and guidance are useless unless the members work vigorously on the committee of their choice.

Careful study is made of community needs and an action blueprint, the program of work, is designed. The goal of the program is always to create more dollars for more people and to improve the economic welfare of all. Every member has a voice in determining the economic welfare of all. Every member has a voice in determining the policies and projects and every member is needed to work on an active committee to get the job DONE.

IT TAKES TWO... YOUR CHAMBER AND YOU!
Almost 200 firms and individuals are voluntarily participating in and paying for the activities of the Burkburnett Chamber of Commerce. These far-sighted boosters are dedicated to the task of building our economy.

A better business atmosphere is being brought about by the coordination of local interests and those of the various levels of government.

Our determination, our interest, our attitude and our performance takes two—Your Chamber and You.

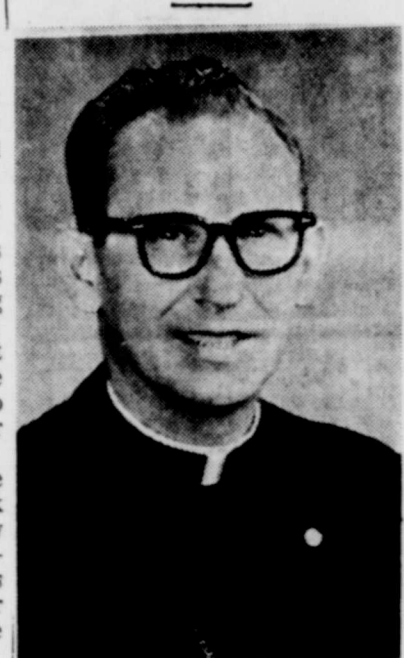

NOTICE

Mr. Charles M. McGilvray, County Supervisor of the Farmers Home Administration, will conduct a preliminary discussion on building a local water system at a regular meeting of the Clara-Fairview Organized Community, Thursday, October 7, 1965, at 7:30 p.m. All interested persons are invited to attend.

DOWNTOWN PEP RALLY TO BE FRIDAY FOR BULLDOGS

A Downtown Pep Rally will be held Friday at 6:00 p.m. at the corner of Ave. C and 3rd Street. All fans, boosters, parents and students are urged to be on hand to see the Bulldogs—a good send-off to Iowa Park for the Hawks at 8:00 p.m.

Vicar Is Assigned Here For Local Episcopal Church

The Rev. W. A. Gerth

On September 10 The Reverend Walter A. Gerth was reassigned by The Rt. Rev. C. Avery Mason, Bishop of Dallas, as Vicar of the Church of Saint John the Divine, Burkburnett, and also as Vicar of Trinity Episcopal Church, Henrietta. Father Gerth will also serve the Episcopal Mission Station in Bowie, St. Patrick's.

Father Gerth is a native of Mt. Clemens, Michigan, attended the Mt. Clemens public school system, the University of Kentucky, and Union College Barbourville, Kentucky. He is a graduate of The Episcopal Theological Seminary in Kentucky, located in Lexington, Kentucky. Father Gerth is married to the former Enid A. Trundley, of Huntington, England. They have two children, a son, Walter A. Jr. who is now a member of the United States Air Force, and a daughter, Rosalind Marie, 16, a senior in the Henrietta High School.

Before coming to Texas, Father Gerth served as Pastor of St. John's Episcopal Church in Corbin, Kentucky for five years. When he came to the Diocese of Dallas, Texas, he served as Vicar of St. Paul's Episcopal Church, Olney; and as Vicar of the Church of Saint John the Divine, Burkburnett. Later he was assigned as Priest-in-charge of The Church of the Holy Spirit, Graham; and St. Peter's by-the-lake, Possum Kingdom Lake, Texas.

The Gerth's will reside in the Vicarage located at 815 Ikard St., Henrietta. Father Gerth has been a Kiwanian for many years, and 1964 Past President of the Corbin Kiwanis Club. He is interested in civic affairs and hopes to be involved in, and take an active part in the civic life of our community.

Dow Estes to Be Honored By the Rotary Club

Dow Estes will be honored Tuesday noon at the regular Rotary luncheon. Mr. Estes is the second leading citizen to be recognized by local Rotarians since they instituted the program in September. Kenneth Gage, Chief of Police, was the first to receive the Rotary honor.

Mr. Estes, tax assessor-collector of taxes for the Burkburnett Ind. School District, has spent most of his working career in and around Burkburnett.

The committee in charge of arrangements is composed of A. R. Hill, Harold Kennedy, Harold Wolfe and George Counter.

Horse Shows To Be Held Every Other Saturday Thru Dec.

Seven Playdays and Horse Shows will be held at the H. L. Gage Indoor Arena, Highway 369, Wichita Falls.

The first show will be held Oct. 2. They will continue every other Saturday thru December 18, starting at 10 a.m. Trophies and ribbons will be awarded at each show. The contestant with the most combined points thru all seven shows will, at the last show, receive a hand-tooled trophy saddle and the runner-up will receive a \$50 belt buckle. Entry fee is \$1.

Local Boy Named Officer In MU Elite Drill Group

J. D. Hart of 509 Tidal, a senior mathematics major at Midwestern University, Wichita Falls, has been named training officer in the Praetorian Guard, an elite student drill team at the university.

The Praetorian, representing the top military science students at Midwestern, travels to and hosts several colleges during the school year. Established in the spring of this year, the Guard is an honorary society which provides precision drill teams for exhibition, hono guards, parades and ceremonies. It also sponsors a competitive marksmanship team, sport patrol acute squad and a girls' drill team.

Thursday, Sept. 23, 1965, the Burk Freshman won their second game in a row by beating the Lawton Eisenhower Freshman, 34-0, in Bulldog Stadium. The game was the opener of a doubleheader, which saw the Junior Varsity tumble, 14-6, to the Ike J. V's. The Freshmen now hold a 2-1 record.

The game started like a defensive battle, but on their second series of downs, the locals began the fireworks. John Robinson was the big gun for the Frosh, as he ran two touchdowns and a conversion, and passed for another touchdown and a conversion. Ricky Kinnard ran one touchdown and took the pass from Robinson for another. Lanny Walker also ran a touchdown and Wendell Hobbs took the pass from Robinson for a conversion.

The Freshman defense was doubly tough with Hobbs, Wilkinson, Robinette, Nunn, Thornton, Jenkins, Hinkle, Walker, Hammond, Robinson and Kinnard. They allowed Ike but one first down until the reserves took over in the fourth quarter.

Earlier in the week, the Junior High had split with Eisenhower, the 7th grade losing, 6-0, and the 8th grade dropping the Eaglets, 8-0.

Hugh Bruce Preston scored the 8th grade's touchdown on a 70 yard pass play from Robby Young.

The Freshmen are coached by Dean Karnes and Dave Brewer, the 8th grade by Granville Chandler, the 7th grade by Stan Owens, and Ray West and Bob Carpenter coach the Junior Varsity.

The Freshmen's next game is here Thursday, Oct. 7th against Rider at 5:30.

SAFB Commander To Be Speaker C-C Luncheon

Brig.-Gen. Edward H. Nigro, Commander of Sheppard AFB Technical Training Center, will be the featured speaker at the Chamber of Commerce monthly luncheon Monday, October 1st.

Chamber of Commerce members and guests are cordially invited to attend.

Mr. and Mrs. Nathan Harrell and Boys, Larry and Van, of Woodland Park, Colo., visited their daughter, Mr. and Mrs. Clarence A. Brown and new granddaughter, Kimberly Ann, in Kamay, Texas, last week, and also visited friends in Burkburnett. The Harrells are former Burk residents and have just recently moved to Colorado.

Jaycees Give \$50 To Jr. Hi Council

THE BURKBURNETT Jr. High Student Council was recently presented with a \$50.00 check from the Burkburnett Jaycees. This money will be used for activities and projects for the 1965-1966 school year. Sponsors of the Jr. High Student Council are Dan Carson, Juanita Groves and Carl Law. Pictured above left to right are: Sara Collins, Vice President of the Jr. High Student Council; Dan Carson, one of the student council sponsors and Tom Nicklas, a representative of the Burkburnett Jaycees.

4-H HAS SOMETHING FOR YOUR CHILDREN

Adjusting to change is one of the toughest demands modern society makes on every man, woman and child in the United States. Schools, churches, business, government and civic organizations are all involved because they influence the thoughts and actions of their particular clientele. Today's children are especially vulnerable. They can be directed on the broad path of consummate understanding or shunted along the narrow byways of prejudice.

For more than half a century the 4-H Clubs have endeavored to guide the youth of our country through the four-fold program of developing Head, Heart, Hands, and Health to better living. So far, 4-H has touched 23 million men and women. Currently there are 2 1/4 million boys and girls between the ages of 9 and 19 who are members of the 94,800 clubs in every county throughout the 50 states.

During National 4-H Club Week (September 26 — October 2), the nation pays tribute to 4-H, to the club leaders, parents of 4-H'ers and county and state extension service workers. We add our good wishes to all who encourage, train and guide 4-H boys and girls EVERYWHERE. And we do mean everywhere, for 4-H is no longer confined to farmers' sons and daughters.

During the past decade 4-H has quietly adjusted to change: Families leaving the farm for towns and cities; city folks moving to the country, the mushrooming of suburbia; the unprecedented advance of technology and science; the expanding interests and needs of youth.

According to a breakdown of 4-H enrollment supplied by the Federal Extension Service, U. S. Department of Agriculture, 46 per cent of the total membership come from farm homes, 32 per cent from rural non-farms; and 22 per cent from urban homes. All races and creeds, and families of all economic backgrounds are represented.

Among the broad goals of 4-H are to gain knowledge and skills. Strong emphasis is placed on leadership, citizenship and upgrading of personal standards. Projects are many and varied. Members learn to sew, cook, tend a garden, care for livestock and household pets, use safe practices at all times in the home, school, recreation, on the highway and farm.

There also are projects in photography, entomology, economics, public speaking and nutrition. They learn-by-doing method helps to give the youngsters a pretty good start toward a future career. Many go on to college as the result of project experience, and some are aided through 4-H scholarships.

The 4-H Clubs do not take the place of formal education or parental guidance and responsibility. But they do help. The fact that in 4-H there is literally "something for every boy and girl" makes 4-H unique, and commands the respect, support and cooperation of residents of the communities it serves, and business as well.

If your sons or daughters are of 4-H age, why not contact your county extension office and get them enrolled in a club. You'll be glad you did.

GRASS ROOTS OPINION

SANTA PAUL, CALIF., CHRONICLE: "The steady pressure of inflation is being felt in the pocketbooks of each of us. Inflation is not an abstract thing. The fiscal policies in Washington fan the fires, and we pay more for the goods we buy. Unbalanced federal budgets nibble away at the value of the dollar. Housewives are finding this out the hard way."

HARRISVILLE, W. Va., RITCHIE GAZETTE: "Senator Robert C. Byrd . . . says that modern meteorologists, armed with electronic devices such as radar, laser beams, and computers . . . may eventually be able to modify the weather — thus possibly altering man's natural environment and changing the course of civilization . . . Judging from bureaucratic controls of every other type that we are familiar with, we can think of no good effort that would result from a bureau's control of the weather . . . We should all start praying, 'Please, Mr. Government, try to get the moon if you will, but leave rainmaking and the sunshine to God — He's managed to come through virtually in the nick of time, always, up to now' . . ."

GREENSBURG, IND., TIMES: "Popular sympathy for the plight of underprivileged Negroes in the United States has taken a terrific drop . . . due to the savage uprisings in Chicago, Los Angeles and numerous other Northern cities. One progressive Negro has stated that the civil rights cause has been set back twenty years."

REMEMBER FREEDOM

By Willis E. Stone

Chairman, Liberty Amendment Committee of the USA

Does history repeat itself? Are we involved in the folly which history warns us to avoid?

Edward Gibbon, in his historical masterpiece describing the Decline and Fall of the Roman Empire observed that: "In the enjoyment of plenty Romans lost the memory of freedom."

This explains the process by which the Romans, and people in countless other times and places surrendered to tyranny.

Are we different? Are we such "freedom loving" people that it will not happen here? Are we who dwell in this "home of the brave" indeed brave enough to repel efforts to subjugate us, or do we just live with the problems? Have we already been seduced into acceptance of a new order?

We may truthfully contend that we have resisted the long chain of encroachments upon our freedoms—but resistance is not rejection. Ask yourself if we have rejected any of the alien philosophies of tyranny. Are present conditions the same as those you once knew? Is an honest recollection of our traditional liberty a fair guideline for subordinating the conduct of our lives to the edicts of the newly born federal bureaucracy?

Freedom is not the product of political permission. Our Declaration of Independence asserts we are "endowed by our Creator with certain unalienable rights." Are these endowments still in our possession? If we fail to remember what they are, how can we preserve them?

Remember It

We must REMEMBER FREEDOM if we are to have it. We can not do this by living with a long procession of encroachments, trying to modify them one by one, and thus pushing from our minds and hearts the memory of freedom.

Plutarch, historian of the ancients, contended that freedom was lost in every nation by a "little and little" process which left no clue as to when the "little" became total, and the people were adjusted to tyranny, even while resisting.

Recent correspondence from a devoted advocate of freedom revealed that we appear to be following this identical pattern. His letter stressed that, had the Constitution been enforced, we would not now be in the difficult situation of resisting the latest political edict, and at the same time trying to evaluate the vast benefits to us all that would result from restoring the Constitution to full force and effect by applying the LIBERTY AMENDMENT.

It would seem the first requisite for regaining freedom, or for preserving any semblance of it, would be to REMEMBER FREEDOM.

Visualize It

To objectively do this, each American should seriously ana-

lyze the impact upon his life and business that would result from putting the Constitution back into full force and effect.

With such an understanding of the endless benefactions freedom would bring, we might then look for the means of attaining them. It would lead us to carefully consider the LIBERTY AMENDMENT which is designed to attain a single purpose. It would not alter the Constitution, but would give it force and effect. It would fortify every basic power that properly belongs to government. It would get government out of

direct and privileged competition with its own citizens and cut the costs of government in half. It would repeal the federal individual income tax.

Write for a free brochure from the Liberty Amendment Committee, 6413 Franklin Ave., Los Angeles 28, Calif. It will help you to REMEMBER FREEDOM.

WOLFE NUPTIALS ARE READ IN BURK-
BURNETT CEREMONY AT FIRST BAPTIST CHURCH

A bias fold of velveteen defined the lines at center back with a bow. She wore a velveteen Dior bow on her head and carried a nosegay of Yuletide roses.

Bridesmaids, dressed like the maid of honor, were Misses Tona Nix, Jime Eastman, Rita Moore, Linda Wood, all of Burk Burnett, and Miss Kelly Mulligan of Wichita Falls, sister of the bridegroom.

Best man was David Mulligan of Tulsa, Okla., brother of the groom. Groomsmen were Joe LeBus, Darr Jackson, Carr Staley, Wichita Falls; Guy Cowden, Holliday; Gregg Nowlin, Slaton.

Ushers were Jackie Cornelius, Mickey Cornelius, Rusty Kinnett, all of Burk Burnett and Ronnie Davidson of Wichita Falls.

Candlelighters were Hugh Bruce Preston and Danny Nix. Flower girl was Tracy Hudson and Kirk Wolfe, brother of the bride, was ring bearer. After the reception, rice bags were distributed by Jan Robertson and Carol Faulk from a table covered in white organza and centered with a miniature tree which held pink net rice bags and two love birds.

The reception was held by the bride's parents in Burk Burnett Bank Community room. A white organza cloth covered the bride's table which was decorated with an arrangement of white carnations around a 17-votive cup candelabrum. White wedding bells and lily of the valley were arranged in pink and vintage satin ribbons draped from corners of the table.

A matching organza cloth covered the registration table and a bouquet of white carnations also was on the table.

Those assisting with the reception were Mmes. T. M. Cornelius, Weldon Nix, Finis Taylor, Brack Preston, Hugh Preston Jr., Joe Kerr, Joe Crowley, all of Burk Burnett; Mrs. Ronnie Hankins of Bowie, aunt of the bride; Mrs. Charles Aston, aunt of the bridegroom; Mrs. Joe Francis and Mrs. Lloyd Thomas, all of Wichita Falls; Mrs. David Mulligan, Tulsa, Okla. and Mrs. Bill Warren, Irving.

A rehearsal dinner party was held Friday evening at the Wichita Falls Country Club with Mr. and Mrs. E. D. Mulligan, the groom's parents, as hosts. Pink flowers and white bells with greenery were used in decorations. The bride and groom's table was decorated in vintage taffeta covered in pink net, a bouquet of pink roses and daisies and silver candelabra.

Mrs. Mulligan is a graduate of Burk Burnett High School where she was twice named All School Beauty, class beauty FFA sweetheart, friendliest girl homecoming queen, football princess and 1963 Boomtown Rodeo Queen. She was also a class officer, office assistant, member of the Choral Club, Science Club and Teenettes Study Club.

Mulligan was graduated from Wichita Falls High School where he was a member of National Thespians Society and the

swim team. He attended Texas Tech and is enrolled in Midwestern University. He is employed by Kay's Jewelers.

Groves Circle Met Recently In Home Of Gerry Burton

The Blanche Groves Circle met Wednesday morning Sept. 22nd in the home of Gerry Burton. This was the last meeting of this year and we are looking forward to our new

year of opportunity and study. The meeting was called to order by our circle chairman, Mrs. R. P. Thaxton. Mrs. Mae Van Deren read the minutes which were approved.

Mildred Dodd read the scriptures from Psalms, which was followed by prayer by Margaret Parrish.

Sue Vaughn led the program on Stewardship, speaking on Existing Opportunities, stressing that God provides results, as Christians who are faithful in the Lord's Work bring their tithes and offerings to Christ. Dedicated giving increases the

stature of the giver, and sustains and advances missionary work.

Frances England spoke on "New Opportunities and Emergency Opportunities" and Marie Hinkle led the members in a very helpful discussion of the churches and its goals and gifts.

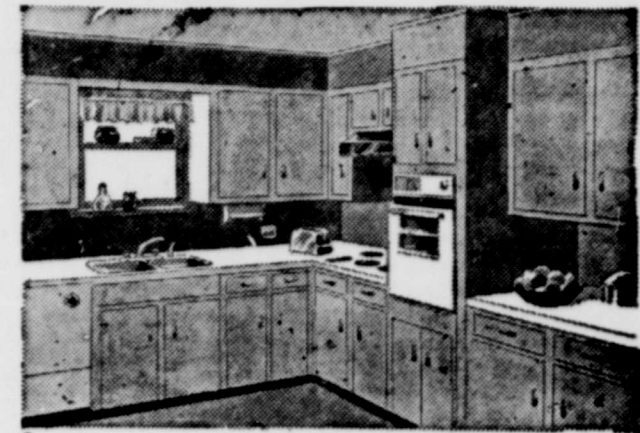

Lovely refreshments were served to: Margaret Parrish, Gail Butts, Mildred Dodd, Mae Welborn, Mae Van Deren, Frances England, Sue Vaughn, Marie Hinkle, Mrs. Thaxton and Gerry Burton.

Mrs. Van Deren closed in prayer.

National 4-H CLUB *Week*

To all the 4-H Club members of this area
our sincere thanks and congratulations.

From sewing to stock-raising, it's the 4-H Club way to "learn-by-doing" . . . for a better Club, a better Community, a better country. Through their Head-Heart-Hands-Health program, 4-H'ers pledge themselves to year-round goals, that they may be ready mentally, morally, spiritually and physically for the important tasks ahead. This community depends on their services, their leadership today . . . and tomorrow. During National 4-H Club Week, September 25th through October 2nd, it's a privilege to say, "Thank You" for their efforts and achievements.

We Salute **4-H CLUB** *Members*

and follow directions carefully when you use any of these products, urges the agent.

There is an art to laundering knit clothing, and you can become an expert in no time. Reading the labels carefully before laundering avoids wash day hazards says Thelma Wirges, county home demonstration agent.

When buying cotton knits, be sure they are made by a new process which compresses the fabric and makes it highly resistant to shrinkage. Wash in warm water to reduce shrinkage.

Select a low-to-moderate setting and do not allow the cotton knits to get completely dry, as his causes shrinkage, also. Remove the garments from the dryer, then gently pat and pull into shape.

Acrylic or nylon knits may be dried completely in the dryer with relatively little shrinkage. But don't leave them in a turn-off dryer as they are apt to wrinkle badly.

Because agitation has a tendency to felt wool fibers, the woolen knits should be hand washed by gently squeezing rather than rubbing and wringing. Wash them in lukewarm water or in cold water, using a special cold-water detergent. Block them for drying, and dry flat.

Are you one of those average women who dislikes ironing more than any other household task?

To find out the real image of the American woman, a study was made recently, using the fact-finding facilities of a Gallup survey, and 2,300 women were asked 207 questions.

Ironing leads the list of household tasks they disliked, according to the study.

With all the new-labor saving equipment, there may be much for you to do to make the ironing job more pleasant, emphasizes Thelma Wirges.

First, are you a careful shopper? Do you look for easy-care garments? Often they are more expensive, but do you consider the time, energy and money up-keep as an added cost of the garment?

Second, do you train family members to care for their own clothing? They may not be able to do as good a job at first as you can do, but they are receiving valuable preparation for a satisfying future. Are you more valuable to these young people by doing a beautiful job of ironing their clothes — or would it be worth more to them to do their own so that you can spend that time having fun with them?

Third, do you have good equipment? Are you comfortable when you iron? Have you trained yourself to sit in a chair with your back well sup-

ported and your feet on the floor while you iron? Is the board at the right height? Do you iron while you visit with family members or while you watch your favorite program? Attitude is important — look for ways to make the job more pleasant.

The Attorney General Of Texas

Dear Harry

I just want you to know of my deep gratitude for the support which your outstanding newspaper gave to our recent Attorney General's Youth Conference on Crime.

As you know more than 1600 young people from all over Texas came to Austin to study the problem of juvenile crime in this state, and to recommend ways in which this alarming rise could be halted. Their behavior while in Aus'in

was completely beyond reproach, and they rendered valuable service to their State in carrying out these important responsibilities.

Your local delegation played a large role in these proceedings, and it was a great honor to meet and become associated with them. I hope that all of your area citizens will continue to support these delegates as they begin to implement these ideas, gained at the State Conference, at the local level.

Again, my thanks to you for your help.

Yours Very truly
Howard Clement

Are You Playing the Game?

THE WORLD SERIES IS ABOUT HERE! All season is here again. The world is fond of athletic contests. IN THE GAME OF LIFE, WHO OF US TAKES PART. How are YOU, at this important game?

Paul views the Christian's life as a race (1 Thimans 9:24ff). By hearing, believing, repenting, and being baptized for remission of sins, Corinthians had entered the race (Acts 18:8; 2:38). BUT—DID THEY IMMEDIATELY RECEIVE THE CROWN? No, and neither did

only those who, "looking unto Jesus, run with endurance the race," and finish the course, receive the crown, and with us, strive to win the game.

4-H Club Week To Be Observed By County Clubs

National 4-H Club Week will be observed by 4-H Club members in Wichita County, September 25 to October 2nd. The head-heart-hands-health youth are among 2 1-2 million members of 94,800 clubs in rural, small town, urban and suburban areas throughout the 50 states and Puerto Rico. Among the special 4-H Week activities planned for Wichita County are radio broadcasts on all networks, television appearances, exhibits set up in local department stores and newspaper articles explaining 4-H Clubwork.

Among aims of this year's 4-H Week observance are to encourage more young people, 9 to 19 years old, to join or form 4-H clubs; acquaint more parents with 4-H and enlist their cooperation; urge a larger number of capable, public-spirited men and women to volunteer as 4-H leaders; recognize the important part played by friends of 4-H locally and nationally, and express appreciation to them.

Aiding club members with 4-H Week events here and elsewhere will be 367,000 4-H local leaders, who guide 4-H work in their communities throughout the country. They will be assisted by 138,600 older 4-Hers called junior leaders.

More information on 4-H, or 4-H Week, is available from any county agricultural extension agent, 4-H club agent, or Extension home economist. In this vicinity, inquiries may be made by phone, or visit to the County Extension office at 305 Federal Building, Wichita Falls.

Singer Sponsors 4-H Course On Sewing Machine

Special — Whatever is worth doing at all, is worth doing well, observed an ancient philosopher. And it is on this premise that one of the learn-by-doing programs offered by 4-H is based. It teaches 4-H leaders and members how to properly use a sewing machine to obtain perfect results.

The aim is to acquaint home sewers with the mechanics of the machine such as how to thread, regulate stitches and tension, use the right needle and thread for different fabrics. New developments in textiles produce fabrics which not only challenge one's skill and imagination, but heighten the enjoyment of creative sewing, said Mrs. Joyce Foulds, a clothing specialist.

Cooperating with the Extension Service in training personnel and volunteer 4-H clothing leaders is The Singer Company. Specially prepared training manuals and other assistance are provided by the company where and when requested.

Since the program was introduced 11 years ago, more than 76,000 extension persons and leaders have taken the course. They, in turn, have taught nearly 380,000 girls enrolled in the 4-H clothing program.

Last year alone, some 22,000 women and well over 44,000 girls benefited from this special training, according to the National 4-H Service Committee.

Information On Tax Returns Available To Public Schools

TAX MAN SAM SEZ: Each year Internal Revenue furnishes material for our Nation's schools to teach several million high school and college students how to prepare the income tax returns. The order blanks for this material will be going to the Nation's school principals within the next few weeks. If you have had as much trouble with your tax return as most of us claim we have, might pay to encourage your principal to make sure the Junior learns how to prepare his tax return. There's not a use in the whole family being ignorant about this tax business.

The newly constructed courthouse tower at Six Flags Over Texas looks similar to the historic Parker County Courthouse (insert) built in Weatherford, Texas in 1885. The only difference being that the Six Flags courthouse in reality is an ice plant which produces 4,500,000 pounds of ice each season for the Park's usage. After Labor Day, September 6, Six Flags will be open on Saturdays and Sundays only until the season ends on November 28.

ICE COLD AT SIX FLAGS
The clock on the newly constructed courthouse tower at Six Flags Over Texas signals the beginning of two important changes for visitors to the famed tourist attraction located in Arlington, midway between Dallas and Fort Worth.

Number one is that all decisions emanating from within the courthouse will be frozen as in reality this building now houses Six Flags' very own ice plant.

The second change is that following Labor Day, September 6, Six Flags will commence its fall schedule of operating on Saturdays and Sundays only from 10 a.m. to 10 p.m. in September and from 10 a.m. to 8 p.m. during October and November until the season ends on November 28.

The ice plant, built earlier this year, was thought to be unsightly by Park officials so they called in Dallas' leading

theater set designer Peter Wolf of Peter Wolf Associates, who came up with the idea of building a replica of an old Texas courthouse to cover the ice plant.

Park officials decided on historic Parker County Courthouse in Weatherford, Texas, which was built in 1885. Six Flags artists proceeded to make detailed sketches of the courthouse which were converted into building plans.

The Six Flags courthouse-ice-house stands 63 feet tall and affords visitors a nostalgic view of a typical Texas courthouse in the 1880's. And behind this facade the Park reaps the benefits of some 4,500,000 pounds of ice produced each season for use in soft drinks, chilling drinking fountains and in numerous other capacities.

As the summer operating schedule draws to a close, attendance at Six Flags is 1,288,202 up from 1,254,577 the same time last season.

Mrs. Ruby K. Russell of this city visited Tuesday and Wednesday in the home of her sister, Mrs. Maude Hill of Wichita Falls. Two of their nieces, Miss Ethel Jo Nixon of Oak Ridge, Tenn. and Miss Grace Louise Wooten of Arab, Ala. were also visitors in the Hill home.

Mr. and Mrs. Leo Dudley and Mr. and Mrs. H. R. Hayes will leave Friday for Houston, Tex., where they will attend a football game in the Astrodome and will also go deep sea fishing. The Dudleys will visit their daughter and husband, Mr. and Mrs. Albert Braeden in Baytown, Texas.

Mrs. J. T. Brady Sr. underwent ear surgery Tuesday in the Wichita Falls General Hospital. She is reported as resting well.

Mrs. Lewis Wood of Dallas and sister, Mrs. Elsie Parker of San Diego, Calif., visited their long time friends, Mrs. A. C. Houser and Mr. Houser and Mr. and Mrs. Lee Cooper Monday. Mrs. Wood will be remembered by many as Pauline Gentry and Mrs. Parker, the former Elsie Gentry. They lived in the Cashion-Cooper Community years ago.

Miss Linda Wood, who is a freshman at Oklahoma University at Norman, spent the weekend visiting her parents, Mr. and Mrs. Harold Wood and friends. She also participated in Barbara Wolfe's wedding Saturday evening.

Mr. and Mrs. J. H. Cheney have returned home from Pampa, Texas after a visit with their daughter and husband, Mr. and Mrs. Marshall Geisler. Mr. Geisler is recovering nicely following surgery last week and is able to be home again.

Mr. and Mrs. A. H. Bazell left Saturday for a visit with friends in Eunice, New Mexico and their grandson and wife, Dr. and Mrs. Bob Hayes and family and also a great grandson, in El Paso, Texas.

Mr. and Mrs. Dutch Wolfe and Mr. and Mrs. Cliff Ghee of Murfreesboro, Tenn., spent Monday with Mrs. 'Jettie' Gilbert. They were enroute home from a trip to California and points of interest in the West.

Mrs. Hattie Burns had as her guests in her home Saturday and Sunday, her grandson and wife, Mr. and Mrs. Royce Smith and her 15 month old great

grandson, Tony Smith of Norman, Okla.

Mr. Ed E. Clack of Burkburnett and sister, Miss Bobby Clack of Abilene, Tex., have returned from a delightful trip to Mexico City. They went by train and Ed very highly recommends going via that comfortable high class mode of travel.

Past Noble Grand Club Holds Meeting In Harmon Home

The last Past Noble Grand Club meeting was held in the home of Cora Lee Harmon during the month of August. In fact this was the second meeting of the year for the club. Sister Jean McPhail requested to be hostess for the club since she was here on her vacation. And, this was her first visit during this year and she was in attendance during our regular lodge session, also. Jessie Eaves, Past Grand President, was in charge of the meeting. After the roll call of officers, minutes of the last session were read and approved. Sister Jessie conducted a question session, which was of much interest to all concerned. And the sick members were reported on. The lodge was to have presented Sister Jean with her twenty-five year pin at the last regular lodge meeting. But, at that time the pin was with the lodge secretary, Sister Jessie Eaves. So, the pin was presented to Jean at this Past Grand meeting, by the lodge secretary. After the conclusion of the meeting refreshments were served to: Eva Bingham, Elizabeth Gragg; Bessie Stubblefield; Jessie Eaves; Pauline Bellamy; W. J. Bingham; Amos Eaves;

George Bellamy; M. of Guthrie, Okla.; J. McAllister, Okla.; J. Harmon, Cora Lee assisted Jean with the menu of cake, coffee and punch. All expressed themselves as having a most enjoyable evening. At the conclusion of the meeting Cora Lee play numbers on the piano.

expand their ideas, and with the help of extension agents, develop a county-wide program. District 4-H Councils, composed of delegates from each county, are the planning groups for the districts. The Texas 4-H Council, composed of delegates from each district, meets to develop ideas and plans for the 4-H Club work in the State. Other opportunities available include county and district 4-H Camps, 4-H Roundup, Texas 4-H Junior Leadership Training Laboratory, National 4-H Congress scholarships and awards.

4-H Club members learn to be independent, yet cooperative and participate in a democratic society. 4-H work aids young people in useful, happy living through "helping them to help themselves."

4-H Club work is National and international. 42 countries have programs similar to 4-H club work.

A list of projects that boys and girls can participate in are as follows:

Electricity, Automotive, Photography, Dog Care and Training, Entomology, Recreation, Horse and Pony, Bicycle Care and Safety, Woodwork, Foods and Nutrition, Clothing, Time or Money Management, Home Furnishings, Wildlife, Health, Safety, Horticulture, Forestry, Livestock; beef, swine, sheep, dairy, poultry; and crops.

DEVOL NEWS

Mrs. C. O. Woodley, Reporter

A large crowd attended church services Sunday morning at the Baptist church in Devol, for the beginning of a week of revival services. About 50 were reported present for Sunday school and 150 for worship. Services begin each evening at 7:30 and a prayer service each morning at 9 with visiting afterward. Sunday School each Sunday at 9:45, church at 11 and evening service at 7:30. Evangelist Bob Meredith of Louisiana is holding the revival with Obie Hokinson as song leader.

Mr. and Mrs. F. G. McClendon and Gillis visited Guy Hutson in the Frederick hospital Saturday afternoon and Mr. and Mrs. K. L. Smith and Mrs. Dollie Hardin were visitors there Sunday afternoon. They report Mr. Hutson's condition as remaining about the same.

Mr. and Mrs. C. D. Wooten of Clute, Texas visited Mrs. Ethel McCasland Sunday.

Mr. and Mrs. A. J. Adams visited relatives in Rush Springs Sunday.

Mr. and Mrs. George Douthitt and Mrs. Clifton Barnett of Electra and Mrs. W. M. Harrison of Grandfield visited Mr. and Mrs. F. G. McClendon and Gillis Sunday.

Mrs. C. O. Woodley spent the weekend with Mr. and Mrs. O. L. Bridges and family in Wichita Falls.

Mrs. Darry Clemmer of Dallas and Mrs. David Elliott of Lawton were Sunday guests of Mrs. John Wyatt.

Mrs. Maxine Wheeler entertained a group of young children Friday afternoon after school in honor of her daughter, Valerie, on her ninth birthday. Games were played, and birthday cake and ice cream were served to Becky and Lonnie Dorton, Sherri Terrell, Dianna, Donnie, Debbie and Donna McGill, Jimmie Adams, Gillis McClendon, Debbie and Mike Powell, Vicki and Tommy Wheeler and the honoree.

Mr. and Mrs. Charles Shingpaugh and children of Henrietta visited her parents, Mr. and Mrs. F. J. Uthe Sunday.

Mrs. V. E. Lagrone visited her brother and family, Mr. and Mrs. Jim McClendon in Oklahoma City over the weekend. She was accompanied by her granddaughter, Miss Johnette Helms of Temple.

Mr. and Mrs. J. D. Eubanks of Norman visited her mother, Mrs. Pearl Coker and other relatives over the weekend. Mr. Eubanks returned home Sunday while Mrs. Eubanks remained for a longer visit.

Lester Coker was admitted to the Veterans Hospital in Oklahoma City Sunday for treatment.

Functional Combination

Many housewives like the family room close to their kitchens. On occasion, it's feasible to combine the two.

According to Southern Pine Association, combination kitchen-family rooms let the ladies supervise their children's play

without interrupting cooking chores. The areas can be separated by simple devices such as wood storage cabinets which offer view of the space beyond. New patterns of Southern Pine paneling are easy to apply and lend a pleasing three dimensional impression to brighten the walls.

NOTICE

A meeting will be held Thursday night, Sept. 30th at 7:30 p. m. at the First Christian Church, 214 Ave D. for all interested parents and prospective Cub Scouts for Pack 152. All boys ages 8-11 are eligible for the Cub Scouts. These boys and their parents are urged to attend the meeting and find out what the organization has to offer.

REACHING NEW Heights

Man has explored most of the earth, and has now set out to conquer space.

While achieving these marvelous works, let us not forget our creator.

"When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; what is man that thou art mindful of him? and the son of man, that thou visitest him? For thou hast made him a little lower than the angels, and hast crowned him with glory and honour. Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet..."

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Girl Scout Troop 50 Completed Cemetery Project

A Conservation Project of planting an evergreen this spring completed the service project and gave Girl Scout Troop No. 50 the badge "My Community."

Mrs. Marie Ruetch, leader, and council members for Troop 50, Mrs. Dorothy Bizet, Mrs. Ruby Wooten, Mrs. Ogie Wilson and Mrs. Dorothy Cole, directed the following young members in the planting of a large Wax Ligustrum inside the

brick entrance at the cemetery: Carla Cole, Debbie Bodine, Cathy Bizet, Alicia Ruetsch, Jana McGee, Janice Sammons, Sharon Wooten, Donna Wilson, Kathleen Sanders, Susan Hayes, Alice Fowler, Vera Alice McGee, Debbie Steele and Theresa Parks. The troop repeated the conservation pledge as part of the shrub planting ceremonies, as follows: "I give my pledge as an American to serve and faithfully defend from waste

the natural resources of my country—its soil and minerals, its forests, water and wildlife." Members of the cemetery beautification committee present and accepting the gift of shrubs were Mesdames R. C. Gilbow, J. Troy Miller and Ralph White. The committee expressed their appreciation for the thoughtfulness of the troop for assisting in the beautification project.

Theta Epsilon Held Brunch In Home Of Mrs. Bruce Sheperd

Theta Epsilon Sorority members and guests were entertained Saturday morning, September 25, 1965 with a brunch in the home of Mrs. Bruce Sheperd, 711 Pecan Avenue.

A group consisting of Mrs. Sheperd, Mrs. Clarence Bridges,

Mrs. Clyde Slusher, Mrs. Cloyd Adams and Mrs. Quinton Howard sang an original song, "Lucky You, Lucky Me, We're ESA."

The History of ESA was given by Mrs. Bridges to the members and pledges, Lena Curtis, Freida Barrow and Peggy Bruno. Another pledge, Zelma Southerland was unable to attend the brunch.

Brunch, consisting of orange

juice, coffee, bacon, sausage, eggs, hot biscuits, blueberry muffins and jellies was served buffet style to the following members and guests: Mrs. Cloyd Adams, Raymond Brammer, Clarence Bridges, Aderan Dunn, Bryan Farris, Quinton Howard, Elmer Klinkerman, Clyde Slusher, J. A. Tibbets, Jr., Jack Barrow, Lena Curtis, Melba Hanks, Peggy Bruno and hostess, Mrs. Sheperd.

Kitchen Window Will Be Featured At State Fair In Dallas

The Texas Kitchen Window, a feature of proven popularity is scheduled for its fourth annual presentation at the State Fair of Texas, October 9 through 24.

According to Mrs. Leah Jarrett, director of the Women's Department, the daily food demonstrations will be held in the air conditioned Women's Building daily during the full run of the Fair.

Opening the series this year will be Sandra Simes, home economist and cookery specialist, representing the National Live Stock and Meat Board. The first two days of the 1965 Fair Miss Simes will conduct two demonstrations on meat cookery daily, the first at 1 p. m., another at 3 p. m., for the Meat Board in cooperation with the Southwestern Cattle Raisers Association.

During the remaining 14 days of the Fair there will four demonstrations daily at the Kitchen Window section of the Women's Building given by other participating groups. Showings on these days are scheduled for 11 a. m., 1, 3 and 5 p. m.

The other associations and groups will be giving actual preparation methods for recipes related to their products or subjects such as nutrition, will be the North Texas Producers Association and American Dairy Association of Texas, Dallas County Home Demonstration Clubs, Rice Council for Market Development, Texas Turkey Broiler Council, Dallas County Negro 4-H Girls, Texas Pecan Growers' Association, the National Pecan Shellers and Processors Association, Texas Beekeepers Association and the Ladies Auxiliary of the Texas Beekeepers Association and the Texas Lamb Council and the Woman's Auxiliary to the Texas Sheep and Goat Raisers' Association.

Turbine Truck Styled For Space Age

One of the many new features of the experimental highway transport Turbo Titan III recently unveiled by Chevrolet Motor Division is the clean exhaust of the gas turbine engine. Marie Haughton, above, holds a hanky over the wide exhaust stream without trace of smudge or odor.

Other functional innovations of the fiberglass and steel "truck of tomorrow" include powered swing-up windows which open automatically with the door key; retractable turn signals; pedestal-mounted steering console with horizontal twin-dial steering; retractable square-lens triple headlamps mounted vertically with special turnpike beam; astronaut seats; full carpeting; air conditioning; radio telephone and FM stereo radio.

An important safety feature is a powerful automatic braking

device which uses the turbine's compressor to retard the vehicle on downgrades. The gas turbine engine operates on any type fuel, but functions best on kerosene or diesel oil. It delivers full power with virtually no adjustments, starts instantly in any weather and requires no radiator, water jacket coolant or anti-freeze. When testing is complete the unit will probably be placed in a commercial trucking industry operating conditions.

INTERNATIONAL FENCING TOURNAMENT Hungary Student Beats Olympic Champ

Wladimiro Calarese of Italy, Olympic champion at the 1956 Olympic Games in Melbourne, was defeated by Tibor Pesza of Hungary in the final of the Martini & Rossi Sabre Tournament. Calarese, who had won the world title in 1964, was outclassed by the younger Pesza, who had won the world title in 1963.

Wladimiro Calarese accepts the Martini & Rossi Sabre Trophy from Bruno Torti, United States representative for M & R. The trophy was presented to Calarese by Torti after the final of the tournament. Calarese, who had won the world title in 1964, was outclassed by the younger Pesza, who had won the world title in 1963.

Step Up Search for Former 4-H'ers Who Qualify for Alumni Awards

The Federal Extension Service estimates that there are 23 million former 4-H Club members in the United States today. So it is safe to say that in each of the nearly 3,100 counties and districts within the 50 states reside thousands of men and women who were 4-H'ers.

It is these people whom the national 4-H alumni program seeks to honor locally and nationally through its recognition awards. The program is conducted by the Extension Service and supported by the Olin Mathieson Chemical Corporation. Participants sought are persons who have demonstrated leadership, service to youth, adherence to 4-H principles and success in their occupation or profession.

Businessmen, homemakers, farmers, teachers, public officials and others have received alumni awards during the 13 years they have been offered. The main task, according to the National 4-H Service Committee which cooperates in the program, is to make a concentrated effort to keep in touch with former 4-H members. Names of persons can be sent to the National 4-H Service Committee.

Health and Safety Tips From AMA

There may be an increase in influenza in the United States next winter.

Many of us can avoid a bout with the flu by proper immunization.

The forecast for the coming season is based on the two to three-year periodicity of the disease, says the Journal of the American Medical Association. The last major outbreaks were in 1962-63, and on the West Coast, in 1963-64.

Immunization is particularly recommended for certain high risk groups. These groups include:

- Persons at all ages suffering from chronic disease, such as rheumatic heart disease, other heart and circulatory problems, respiratory ailments such as asthma and emphysema, and diabetes.
- Persons in older age groups. Influenza deaths are higher in those past 45, and much higher in those beyond 65 years.
- Pregnant women.
- Patients in nursing homes and chronic disease hospitals.

Vaccination should begin in

September and ideally should be completed by mid-December. There should be two doses, about two months apart, to provide full protection. However, the interval can be reduced if an epidemic threatens. Maximum immunity comes about two weeks after the second dose. Those vaccinated within the past two years will need only one booster dose this fall.

The vaccine in common use this season offers protection against five different types of virus, all capable of causing influenza.

The vaccine will not insure complete protection against influenza, but it has shown for some years a marked degree of protection for a large majority of those who receive it.

Ask your doctor about influenza protection for you and your family.

Burkburnett Riding Club News

The Burkburnett Riding Club had a Trail Ride last Sunday, they rode out west of town to the Payton Cozby Estate. After the ride they had a cook-out. A good time was enjoyed by all. There were 31 members present.
Next meeting will be Monday, Oct. 4 at 7:30 p.m.

June Jeanine Gilmore Selected As Member Of OCC Chorus

June Jeanine Gilmore, daughter of Marion Eugene Gilmore, of 208 First Street, Burkburnett, has been selected as a member of the Oklahoma Christian College Chorus of Oklahoma City.
The 42-member chorus, according to Sam Haynes, director, is planning two tours during the school term. Other plans include a program of Randall Thompson's works on December 12, a spring concert with the OCC band, and performances at the OCC Stepping Stones' Harvest Fair and the Oddfellow's State Memorial Service.

Oklahoma Christian College is located on a 200-acre campus in northeast Oklahoma City and has become the state's fastest growing four-year college. The college, primarily a liberal arts college, offers degrees in five major fields with pre-professional training in many other fields.

Burkburnett Club To Open National Week

Burkburnett 4-H Club is one of nearly 2000 4-H clubs in the United States that will be participating in National 4-H Club Week, September 23-29.

4-H is an informal school education for people between the ages of 19. It is the Youth of your County Extension and carried on in cooperation with your state land-grant university and the Department of Agriculture.

4-H is designed for girls who want to do adventurous things. The local Burkburnett meets with boys and girls monthly at the Youth Center on the second Tuesday of each month. The club is in the direction of Mrs. E. E. Erman and Mrs. J. E. In addition to the which includes, business and education for each boy and girl on a project, or a special group in which they are specially interested. A special interest group last year were electric grass study, clothing and child care. They meet twice monthly at school or in the Oddfellow's State Memorial Service.

Now, more urban youth to 4-H clubs than ever before. With the many opportunities offered to youth, you are invited to attend your meeting or call the Extension Office for information on how you can benefit from 4-H Club.
