BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, SEPTEMBER 1, 1966

NUMBER 52

Chamber of Commerce Luncheon Each FIRST MONDAY At Town Hall, Everybody Invited Each Pays For His Meal

The vacation-bound car is "loaded" — with luggage and more passengers than usual — adding to the driver's distractions. Liberty Mutual Insurance Companies relate.

HERE and THERE AROUND BURKBURNETT

Monday visitors in the home of Mr. and Mrs. Johnnie Herring were her parents, Mr. and Mrs. Smith, her sister, Mrs. Evans, also a nephew, Wayne, all of Denton. Mrs. and Mrs. Ray Collins, and Ray from Los Angeles, Calif. visited his parents, Mr. and Mrs. Geo. Cullins and relatives here last week. His correspondent for NEC is Los Angeles.

Karen Lennard of New York arrived this week to attend at the Midwestern University in Wichita Falls. Karen attended last year and will enroll as sophomore. She is the daughter of Lt. Cdr. Dick and Mrs. Thruft. Mrs. Kraen will visit with her grandparents, Mr. and Mrs. L. B. Horst of this city to commute to MU.

Mr. and Mrs. E. H. Arker of St. Louis, Mo. stopped here one day last week to visit with acquaintances with a few days. They are enroute to the Goetztes and other friends in the Clara Community. Arkerbauer is a former resident of Clara. Her father, Rev. W. Horstman was pastor of Trinity Lutheran Church several years. They left here in 1917.

Mr. and Mrs. Melvin Keil of Burkburnett accompanied by their daughter, Mrs. Don Mobley of Oklahoma City will leave on a visit and tour of the Northeastern States. Mr. Keil was born in Minnesota and is planning on visiting his wife.

Johnny Herring accompanied his son Charles to War-Okla Tuesday where Charles will enroll in Connor's Junior College. He has been awarded a two-year athletic scholarship in football.

Mrs. V. V. Stevens removed to Wichita Falls. Her father Mr. Guy T. England who has been living in the Mission Nursing Home will be home with them in Wichita Falls.

Mrs. Maggie Paris of 637 E. St. who has been a bedridden for several years observed her 84th Birthday August 29. Her children, Mrs. Lucille of Midland, Mrs. Mattie and E. D. Paris and family Odessa remembered their mother with gifts, phone calls, red roses, and an arrangement of gladioli. She also received many cards and calls from many friends here. Her daughter, Loretta, of the provided her with a beautifully decorated birthday cake. Mrs. Carl Morrison, assisted Mrs. A. E. Brown and Mrs. Riley entertained a group of Rotary-Anns, honoring the wife of the Rotary District Governor, Mrs. Oida Blanken of Abilene, with a delightful coffee and Chat-Tue morning. The Morrison was attractive with several floral arrangements.

Wayne Jones of Dallas moved in the homes of Mr. and Mrs. C. A. Moreman and Mr. Mrs. Bennie McDonald last week.

Mrs. Duane Adams and three children, formerly of Burkburnett, Tex. where he was employed by Texas Instrument left Dallas Sunday by plane for San Francisco, Calif. Duane entered Stanford University to work on his Doctor of Philosophy Degree. Before their departure they made a short visit to friends in Burkburnett, his father, Mrs. Herbert Adams, Petrolia and an Uncle and Mrs. O. T. Adams in Wichita Falls. He attended school here and graduated from Burk High School. Mrs. Lucille Duvall and Mrs. Gilbert visited Mr. and Mrs. Atlas Gilbert and friends in Wichita Falls last week. Mrs. J. and Polly Moreman of Abilene, Tex. visited his parents, Mr. and Mrs. C. A. Moreman here last week. Mrs. and Mrs. W. C. Davis, Marilyn Farrell and daughter Betty visited Mr. and Mrs. Atlas Gilbert and several Texas points of interest during home Saturday. Mrs. Mary Belle Terry and her husband, Mr. and

Mrs. Walker Hatcher left last week for an extended vacation trip to California and touring the Northwest.

Mrs. John Brookman accompanied Mrs. Jerry Brookman and children to their home in San Diego, Calif. They left Monday morning. Mrs. Jerry Brookman had been here visiting her parents, Mr. and Mrs. Bill Penn and the John Brookmans. Jo will return home in a few days by plane.

Mr. Charles Chambliss who was the energetic and popular Young People's Recreational Director of the First Baptist Church here through the summer months has finished his work here and has been elected to represent the Sophomore Class in Hardin-Simmons University Senate in Abilene, Texas for the coming Academic year. Charles' parents reside in Wichita Falls.

Among the out-of-town relatives and friends attending the funeral services of Mr. Joe Dunham Thursday were Mrs. Etta McNeely, David and W. E. McNeely of Amarillo; Miss Lois McNeely of Amarillo; Mrs. W. R. Karkalitis and Mrs. Naomi Crawford of Fort Worth; Mrs. Lee Willis of Duncan, Okla.; Mr. and Mrs. Harvey J. Blalock of Clinton, Ark.; Mrs. Larry White of Levelland, Tex.; Mrs. Etta May Jackson of Pampa; J. E. Neely of Calif.; Mr. and Mrs. Winslow of Aday and sons of Byers, Tex.; Mr. and Mrs. Amy Summers, Mr. and Mrs. Lewis Davis and daughter, Mr. and Mrs. Lester Howard, all of Taorinberry, Texas; Mr. and Mrs. Murphy Dowdy and Mr. and Mrs. Claude Dowdy of Charlie, Tex.; Mr. Earl White and daughter, Mrs. Mary Urbka of Seligman, Calif.; Mr. and Mrs. Cecil Leeke of Holiday, Tex.; Mr. and Mrs. Woodrow Wright of Bovina, Tex.; Mrs. Weldon Wright of Lawton, Okla.; and Jimmy Wright of Lawton, Okla.

Mrs. Herbert Adams, formerly of Burkburnett has moved to Petrolia, Texas. She will attend the Woman's Missionary Union House Party in Waco this week. The Bloodmobile will be sponsored on the Wednesday visit by the Current Literature Club. Duties have been assigned to the different members. Fruit juices will be furnished by the Masonic Lodge. Milk by the Preston Dairy, Rolls and pastries by Henry's Bakery. The merchants are always very cooperative in furnishing these supplies.

The Blood Center is hoping to receive a large amount of blood on this visit. Burkburnett, a city of this size, and using the large supply that is needed here, should give at least 100 pints of the lifesaving item. As one member has so well expressed it "It is more blessed to give than receive."

The Bloodmobile will be at Burkburnett Bank Community Room on Wed., Sept. 7th from 12:30 to 6:30 p.m.

Local Youth Wins \$800 Scholarship

Milburn Lee Coleman, son of Mr. and Mrs. L. M. Coleman of Burkburnett, has been awarded an \$800 scholarship to attend a Kansas City osteopathic school, State Sen. Jack Hightower said Saturday.

A native of Burkburnett, 1961 graduate of Burkburnett High School and graduate of Midwestern University, Coleman has been working in the water department laboratory for the City of Houston. Attending the school — which begins Sept. 1 — is the fulfillment of a "lifelong ambition" for Coleman. He already has moved to Kansas City with his wife, the former Faye Sharp of Wichita Falls, and their child.

Hightower said he was notified of the award by Elmer C. Eaum of Austin, chairman of the Texas Association of Osteopathic Physicians and Surgeons.

Burk Schools Have 3,263 Students

Carrying an umbrella and wearing a note pinned to her collar, First Grader Carla Green arrived for her first day of school Tuesday. She is attending Hardin Grade School. Her teacher is Mrs. Essie West. Carla is the daughter of Mrs. Beverly Green.

A total of 3,263 students are enrolled in Burkburnett Schools this semester, according to I. C. Evans, superintendent. This is an increase of 347 students over last year.

Hardin Elementary has 867 students and Southside, 393. Sheppard-Burkburnett enrollment is 478 and Junior High students number 756. 769 students are registered at Burkburnett High School.

Burkburnett Schools Are Named To Fallout Shelter Pilot Project

I. C. Evans, superintendent of schools at Burkburnett, has announced that the Burkburnett Independent School District has been selected as one of 10 school systems in the U.S. for a pilot project in fallout shelter analysis.

The National Education Association has been commissioned by the Office of Civil Defense to conduct these pilot projects to test procedures for a possible full-scale program offering technical services to all schools. The Denton State School at Denton was among the other schools selected, and was the only other school system selected in Texas.

Arthur L. Mahony, associate in safety education for the NEA, will be in Burkburnett during the week of Sept. 19 in the interest of the project, Evans said. The purpose of the 10-pilot project is to determine the best method of utilizing the services of qualified architects and engineers in improving the fallout protection available in the nation's schools.

Locally the analysis will identify and suggest the best shelter area for the population in each school, make recommendations for modifying existing facilities to provide shelter, and review future school construction plans for the incorporation of shelter facilities.

The professional analysts' services to participating schools are given without cost to the school district and are advisory services only. The letter of notification received by Evans stated in part, "In view of your interest in school disaster protection, I suggested that Burkburnett be included in the 10 schools. Since there are values to be accrued without cost by those school districts which participate, it seems most logical and equitable to select those with excellent civil defense programs."

Hardin P-TA To Host Meeting

Hardin P-TA will be hostess for the Wichita-Archer Bi-County Council meeting to be held September 2, 1966 at the First Methodist Church in Fellowship Hall.

A free nursery will be provided. Coffee will be served at 9:00 and the meeting begins at 9:30. A school of instruction will be given.

All interested persons are invited to attend.

Johnny W. Jones Stationed At Imperial Beach, California

Imperial Beach, California (FHTNC) Aug. 19 — Aviation Antisubmarine Warfare Technician Third Class Johnny W. Jones, USN, son of Mrs. Millard H. Jones of 508 Dot, Burkburnett, is serving as a member of Helicopter Anti-Submarine Squadron (HS)-6, based at the Naval Auxiliary Air Station, Ream Field, Imperial Beach, Calif.

His squadron when on maneuvers is based aboard the antisubmarine support aircraft carrier USS Kearsarge (CVS-33). The squadron's primary mission is to seek out and destroy enemy submarines.

Notice

The Chamber of Commerce luncheon has been postponed until Sept. 12, due to the Labor Day holiday, it was announced by Chamber of Commerce President Joe Salter.

Teague Reunion Is Held Sunday

The Annual Teague Reunion was held Sunday, August 28th in the Town Hall of Burkburnett. Family members met for a covered dish luncheon and special service on Acts 27-29 was brought by Rev. J. W. Hardin of Fort Worth.

Officers of the Teague Reunion for the following year were elected as the following: President, Eugene Sloan; Vice-President, Waymon Lee; Secretary, Mrs. Kenneth Sloan; Treasurer, Dewayne Knight. Committees of program and recreation were also appointed. A collection was taken for necessary phone calls and reservations for future reunions.

It was voted on for the next Teague Reunion to be held the second Sunday of August, 1967. Everyone is to bring a basket lunch and song service will start at 10:30 a.m.

The following family members were present: Mr. and Mrs. G. R. Sloan and children of Burkburnett; Mr. and Mrs. Eugene Sloan and children of Chickasha, Okla.; Mr. and Mrs. Kenneth Sloan and children of Burkburnett; Rev. and Mrs. J. W. Hardin of Fort Worth; Mr. and Mrs. Norman Cantwell of Burk; Mr. and Mrs. B. E. Teague of Graham; Mr. and Mrs. Floyd Teague of Jermyn; Mr. and Mrs. Vernon Teague of Olney; Rev. and Mrs. A. B. Teague of Wichita Falls; Mr. and Mrs. Waymon Lee and children of Fort Worth; Mr. and Mrs. Gene Oatman and children of Loving; Mr. and Mrs. Dewayne Knight and children of Wichita Falls; Mr. and Mrs. Leo Watts of Wichita Falls; Mr. and Mrs. J. C. Whitworth of Durant, Okla.; Mr. and Mrs. Edgar Knight of Burk; Mrs. Jay Lee and granddaughter of Olney.

A total of 43 were present.

Opportunity Workshop Enjoys Fishing Trip August 25th

About 15 members of the Workshop were guests of Mr. and Mrs. Frank W. Wood at Kay Bub Lake Thursday afternoon, August 25. Though the catch was light, an excellent time was had by all.

A barbecue luncheon was served in the evening. Workshop members are enjoying a week's vacation, work will resume Monday, August 29. Bow making, footstools and Rocking chairs are the mainstay of the shop at present.

Big fishermen on the trip was Mrs. Velma Schmitt, Rose Nelson and Mr. Homer Anderson. G. Lemon, the only Burk member got skunked. No wonder, he left his lucky pole home.

Rummage Sale

A Rummage Sale will be held Saturday, September 3 at 406 2nd St., behind the Christian Church.

A few of the items for sale include: 1 joint 2" galvanized pipe; Console TV set; light dolly; nice desk; men's and woman's clothing and shoes; floor lamps, table lamps and desk lamps, chair and lawn chairs, tire pump; paint; cook stove; windows, 30x40; doors; pup tent; rugs; full size bed springs; electric appliances; rabbit ears; 35 ft. TV antenna; and a lot of odds and ends. Any of these items may be seen before Saturday by calling L. R. Todd, 569-3474.

MAGERS TO LAS VEGAS

Mr. and Mrs. Roy T. Magers will leave September 5th for Las Vegas, Nevada, where they will attend the 1966 business meeting of Great Southern Life Insurance Club.

Mr. Magers is one of a select number of Great Southern Life Insurance representatives taking this expense-paid trip.

Mr. and Mrs. Harold Bible, Susan and Harold, Jr., of St. Louis, Missouri, attended the Yarbro-Baber wedding at the First Methodist Church here Friday night.

Burkburnett Kings Open League Play Saturday Night At Sheppard When They Meet Dallas Rockets

By DEE UNDERWOOD

The Burkburnett Kings officially open the 1966 Texas Professional Football League season this Saturday night at Sheppard Air Base, when they tackle the Dallas Rockets in the Base's Labor Day weekend program. Kickoff time is 8:05.

Only servicemen and their dependents and Burk King season ticket holders will be admitted to this one game. Season tickets are now on sale and may be secured from any King player, or the First National Bank, the Burkburnett Bank, the Chamber of Commerce, Joe & Joe Barber Shop, Adams Drug or the Burkburnett Star.

The Kings come into this contest after a highly successful exhibition game against the Odessa-Midland Comets last week, and will be given a slight nod to drop the Rockets, who lost their one exhibition game. While the Kings were trouncing the Comets, 26-0, the Rockets were being pounded 28-7 by the Sherman-Denison Jets.

The Kings proved to be strong offensively and defensively, rolling up 368 yards total offense while holding the Comets to a 149 yard total. Hard-running halfback Jerry Bettis led the offense, scoring two touchdowns and passing for 173 yards in 10 carries. Quarterback Eugene Guthrie tossed to split-end Mike Davenport for the other touchdown.

The Kings are high on Bettis this season, of course, but they have some more men who have proven to be pleasant surprises. One such is Davenport, a former Iowa Park Hawk, who can catch a pass and run after he catches it. Of course, in that department, there is the redoubtable

able Sonny Gossett, a lad who snared 14 TD's last season from his flankerback position. Rounding out the pass receivers is tightend Drayton Lieb.

Doing the passing is four-year veteran Guthrie, who threw for eighteen counters last year, along with Bettis, who is much better known for his running power. A real good surprise at fullback is Bill McAlister of Electra, a fine, hard runner.

The offensive line is led by Co-Captain Ron Strange at right tackle, Willie Taylor at left tackle, Phil Fancher at left guard, Elwin Richert at right guard, and Robert Walker at center.

The defense has many bright spots, especially in the secondary, with Granville Chandler, Jim Campbell, Jerry Jack Terrell and Jackie Lee. There are four good hands competing for linebacking jobs, including Buddy Meadows, Norman Collingsworth, Jack St. Clair, and Jackie Miller. Doing defensive line work are James Morris, Dude Smith, Mo Galyan, Norman Jones, Lynn Huff, Larry James, and Dub Gibson.

The game shapes up to be a real dandy. The two clubs met twice last season, with the Kings outlasting the Rockets in two squeakers. Fine half-time entertainment will be provided by the world-famous Apache Belles and Band and the Sheppard band. The Belles will perform on CBS Television Friday night when the Dallas Cowboys host the Minnesota Vikings in exhibition play.

The following week, Sept. 10, the Kings will host the Oklahoma City All Stars here in Burk in an exhibition game. Then it's back to league play the following week as the Kings will host the Odessa-Midland Comets.

Medical Service School Members Speak At Lions Club Meeting

Speaking on heat disorders to members of Lions Club, Aug. 30, were Sgt. Dan Young and Sgt. C. B. Smith of the Medical Service School, Sheppard AFB.

Defining the difference in heat exhaustion and heat stroke, Sgt. Smith explained symptoms and treatment of both disorders. He emphasized the need for quick action to save the life of heat stroke victims, a disorder characterized by hot, dry skin and high fever. The immediate lowering of the victim's body temperature by sponging with water, packing in ice or whatever means are available, is vitally important, Smith said. No liquids should be given, as this will only aggravate the condition.

Heat exhaustion, a much less serious disorder is caused by excessive perspiration and the resulting depletion of salt from the body. The skin of heat exhaustion victims will feel cold and clammy to the touch. Treatment for this disorder includes the replacing of lost fluid and salt. Recognizing the symptoms and knowing what to do for heat disorder victims can save many lives.

LABOR DAY - A TIME TO THINK

Labor Day, to be observed on September 5th of this year, marks the termination of summer, in the minds of most people. It is the last long holiday of the season and is a time for the final outing of swimming, picnicking, boating, or just loafing. The meaning of Labor Day is lost for many in the frantic pursuit of fun. Never before have so many people been able to enjoy the leisure, the luxuries and comforts we see around us in these United States. The rights of labor have never been so certain, nor its obligation to act in a responsible manner more necessary. We must not become insensible to the time honored virtues of thrift, competence and pride in a job well done.

These are the things that have made possible the turning of Labor Day into a holiday of fun and leisure. These are the things that Labor Day commemorates, and if the nation is to survive in its greatness, they will be needed as never before in the years to come. They are needed now desperately to back up the men in Viet Nam, let alone all future advancements in space, science, industry and technology. Think of these things as you go to the beach or to the mountains this Labor Day.

LABOR DAY RESOLUTION

LABOR DAY

How many of us pause and reflect on the significance of American holidays? To some they are merely a numeral on a calendar, to others an excuse for a long week-end — when cliff dwellers take to accident-cluttered highways to get away from the city streets, when suburbanites come to the city to celebrate.

On Labor Day we should reflect on significant social and economic changes — the better standards of living we enjoy, the shorter work week, the improved working conditions. Today, American families have more leisure time than ever before.

During this holiday pause, we should consider how we might invest some of this leisure time toward helping our fellowman. There is a great personal satisfaction in participating in organizations like the Boy Scouts, the YMCA-YMHA, women's clubs, parent-teacher groups, 4-H clubs and other similar groups.

Let us show our appreciation to those who have made Labor Day possible by volunteering to assist our community in making it a better place to live and to work.

Fatality statistics on file in the Portland Oregon, Traffic Safety Commission show that 33,000 persons died in this nation last year of head injuries received in traffic accidents. The same report estimated that some 16,000 of these deaths could have been prevented by the use of seat belts.

Harry C. Small, Jr. Commissioned As 2nd Lt. In U.S. Army

Fort Sill, Okla. (AHTNC) — Harry C. Small Jr., 21, whose parents live at 306 W. First St., Burkburnett, was commissioned an Army second lieutenant after graduating from the Officer Candidate School at the Artillery and Missile Center, Fort Sill, Okla., Aug. 16.

Gunnery was the primary subject taught during the 23-week course, designed to prepare men for officer duties in field artillery survey and transport, communications, map and aerial-photo reading, electronics, counter-insurgency, and leadership.

Lt. Small entered on active duty in January, 1964.

The lieutenant is a 1962 graduate of Burkburnett High School.

EVENTS OF YESTERYEAR

From The Burkburnett Star 10 Years Ago

A water emergency was put in effect by the City Council this week. All car washing and outside watering will be prohibited until such time as the situation is improved.

Jack Robertson, Assistant Football Coach for three years, has been elevated to head Coach. Joe Bob Tyler, local coach, has resigned and accepted a coaching job in Wichita Falls.

Mr. and Mrs. Will F. Ramming of Clara celebrated their 55th wedding Anniversary Tuesday, August 14th with a family dinner with only their children present. Those attending were: Mr. and Mrs. Ray L. Reeves of Lawton, Okla., A. J. Ramming of Pampa, Tex. Mrs. Quinton Howard of Burkburnett, Mrs. Jack Albright of Oklahoma City and E. A. and Wilbur Ramming of Clara.

Thirty-five students in Texas Tech Engineering Division are candidates for Bachelor's Degrees at the end of the summer session Aug. 24th. The list announced by Dean John R. Bradford, has students from six of the Division's seven departments. The candidates include Charles Ray Caffee, Architecture (design option) of Burkburnett.

Mr. and Mrs. J. L. Parker and son of El Paso, Tex. are here visiting his father, Mr. George Parker and brother, Mr. and Mrs. Frank Parker and children this week.

Army Reserve Warrant Officer James T. Brady will complete two weeks of active training at Fort Polk, La. 9th. Frady is a member of 871 Engineer Aviation Battalion regularly stationed at Wichita Falls.

Major and Mrs. R. M. Donall with children Marjorie Bobby will leave Sept. 1st for London, England, where they are now stationed, for 20 months on the Continent touring 40 countries. Last year they toured Scotland. They will be home in the U.S.A. and Burkburnett, May, 1957. Mrs. Donall is the daughter of Mr. and Mrs. M. A. Jennings.

RODS IN COMBO
Ads often offer "combination" casting and spinning. Such a rod, if of high quality can be used as a makeshift in an emergency. But for results use casting rods for casting and spin rods for fishing.

CHOOSING A CAMP TRAILER
There are so many trailers on the market today that the novice camper is certain to be bewildered. One user suggests that the most useful trailer for a camper is one that has built-in conveniences, such as bunks, gun and fishing rod racks, and that measures 17 to 19 feet in length.

PICTURE THIS!

SET YOUR SIGHTS ON FALL

Wondering about the fashion angle for autumn? Far-out clothes are out. The look is swinging and sporty with a trend toward a natural waist. Coats are large and comfortable over suits, slim over dresses. Culottes and pants suits are popular. Fall colors are fresh and flattering; mauve, apricot, camel, green, blue and metallic shades of copper, silver and bronze. Hairlines are shoulder length, softly turned up. Capes go anywhere, anytime, like this handsome wool outfit by Haymaker. With the cape, it's perfect for daytime doing. Subtract the cape and add a pin to the stunning turtleneck top for late-in-the-day. Available in camel with dark camel or gold with dark gold trim.

Accessories are vital; selected with care they add just the right touch. An accessory that goes everywhere and lets you capture the action, while missing none of the fun, is a movie camera. Smart looking, slim new models, like the Kodak Instamatic Movie Camera, are easy to carry and load instantly—even in bright sunshine. They take a new kind of movie film for sharper, clearer home movies than ever before. Just drop in the film cartridge, aim and shoot. It's as simple as that. Pick a bright, sunny day for shooting your first home movie—brilliant autumn hues provide a colorful background this time of year. Set the scene by taking an overall view—this establishes where the action takes place. Include plenty of close-ups to add variety and visual impact. Even with inexpensive equipment you can get sharp movies from as close as 3 1/2 feet on a bright day.

Want to get into the picture yourself? It's easy. Most cameras have a lock on the camera button which keeps the camera running without your help. Just set it on something firm, aim, lock the button, and join the group in front of the camera. After a few seconds, walk out of the scene, and release the button. It's so easy to take home movies. Film the fun this fall and enjoy it season after season.

A COLLECTION OF COOL
Free entertainment for Dallas area residents and a showcase for young musical combo groups will be provided in a new program which blasted off Saturday night, July 30, in the Band-

shell. The Bandshell will be open from 8 to 11 p.m. each Saturday night through the summer, with three or four combos making up the program each week. John Carmichael, recreation supervisor of the

City Park Department, will handle the booking of musical groups. Combos wanting to appear should telephone his office (Taylor 3-7630) by Tuesday of the week in which they would like to appear.

Most Appetizing Housing Ideas First Served Up in Luxury Suites

If you want to step into the future to see what next year's homes will offer, just visit one of the luxury apartment houses being built today.

The latest conveniences and work-saving appliances now being lavished on wealthy tenants of New York's Sutton Place, Chicago's Lake Shore, San Francisco's Nob Hill and other swank residential districts soon will be enjoyed by families in less expensive homes and apartments throughout the country.

Builders of luxury suites set the taste standards for housing by adopting the latest improvements as soon as they become available. These inducements, such as self-cleaning or easy-cleaning electric ranges, are used to lure tenants from older apartments and away from competitor's new buildings. Suite designers also must make the most of the limited space in their kitchens, while reducing the housewife's chores to a minimum.

Once the new conveniences have proven their value in luxury apartments, they start appearing in model homes for new communities. Ex-tenants wouldn't buy a new house if they had to give up their work-saving appliances. Owners of older dwellings also wouldn't go to the expense of trading up to new homes if they didn't have the latest improvements.

Many of the standard features of today's development model house gained their initial popularity in de-luxe apartments. At the top of this list are such desired items as central air conditioning, automatic dishwashers, built-in TV and phone outlets and on-site recreational facilities for residents of the community.

The hottest ideas in new housing have been cooked up in the kitchens of apartment buildings. Among the recent

The newest kitchen features are carefully planned to create an attractive decor and utmost convenience in this modern luxury apartment. The wall oven, counter-top range and refrigerator-freezer, along the left wall, are flanked by abundant counter space for preparing meals. An electric dishwasher is adjacent to the sink, while a clothes washer is placed against the rear wall.

additions to kitchens in new homes are color-coordinated appliances, larger-capacity no-frost refrigerator - freezers which take up less space than older units, built-in ranges and wall ovens, and built-in tables.

A study of leading luxury apartments now being built and rented in cities throughout the country, shows that great emphasis is being placed upon newly-perfected electric ranges and ovens. Automatic electric ranges have been improved with push-button and dial temperature controls and surface cooking elements which maintain the desired temperature. Built-in single or double ovens have controls which turn on at the pre-set time, turn off auto-

matically and maintain food at a serving temperature—all while the homemaker is away.

The new apartments emphasize the easy-cleaning features of electric ranges and ovens which simplify one of the dirtiest jobs in the house. Many electric range models have teflon or chrome walls, disposable foil linings and pull-out walls and floors. Racks, grills and oven doors are removable.

Some apartments feature self-cleaning electric ovens which completely burn away all traces of soil, grease and spilled food with a high-heat cycle and leave nothing but a trace of ash to brush away.

SPECIAL HOLIDAY SAFETY MESSAGE
From The Texas Highway Department
Travel And Information Division, Austin

Labor Day marks the final holiday of the summer. Many thousands of travelers will be on the highways during the long weekend for one last outing before school starts.

The Texas Highway Department strives to make travel along the 67,000 miles of Texas highways as safe and convenient as possible. Construction areas pose special hazards, even though every effort is made to make these locations as safe as possible.

The enclosed bulletin pinpoints current construction areas. One or more of these projects may be in your area. We urge you to call to the attention of your readers and listeners. Repeat it as often as possible during the holiday period. Include a reminder to observe warning signs.

Above all, urge safe driving everywhere to make this a happy, safe holiday.

Your cooperation in rendering these public services

throughout the year is appreciated by the Texas Highway Department.

MORE LEAN MEAT ON STEERS

Frank Orts, Extension meats specialist at Texas A&M University, says the amount of lean meat on steers is increasing. In the last four years, lean meat on steers is increasing. In the last four years, lean meat on steers has increased three percent, he says. Fat thickness is less, too, he says. Reason for the changes: ranchers are selecting and breeding for leaner, meatier type animals.

Burk Kings To
Open New Season
At Sheppard

SHEPPARD AFB, Texas — The Burkburnett Kings, defending champions of the Texas Football League (TFL), will open their 1966 season with a league game against the Dallas Raiders, Sept. 3, on the Base Athletic Field. Game time is 8:05 p.m.

In compiling last year's 11-1 won-lost record, the Kings were led by several of Sheppard's personnel.

On the way to the championship the team played nothing but the highest caliber of ball and the best competition in the area.

One of the most outstanding opponents was the Oklahoma All-Stars made up of seven all-Americans including local stars Jim Grisham and Larry Schields.

Five of the players on the All-Star team signed professional contracts for this season.

The TFL, although it has only been recognized for the last five years, has rapidly caught the eye of many NFL owners and coaches, and by the 1967 season, all teams in the conference will be affiliated with an NFL team.

Those teams they have shown an interest in the Kings include the Dallas Cowboys, Green Bay Packers, Minnesota Vikings and the Kansas City Chiefs. As of now, the Burk team has not committed themselves in any manner to any team.

Also in the future plans is a league expansion which would include New Orleans, Houston, Oklahoma City, Corpus Christi

and Hammond, La. If the league is successful in its plans, two divisions will be established.

Sheppard's participating with the Burk team are: 1st Lt. Elwin R. Rickert, 2nd Lt. Drayton Lieb, 1st Lt. Jerry Bettis, SSgt. Norman Collinsworth, A3C Richard Hofst and A3C Dennis Dugger.

With the exception of the game to be held on base, all home games will be played in Burkburnett. Admission for service personnel is \$50.

Transportation will be provided to and from the games by bus. The buses will leave the service club and all students attending the games must contact their squadrons.

WARNING

Burkburnett School will open Tuesday morning, August 30 for the 1966-67 term. Motorists are reminded that the speed limit is 15 m.p.h. in front of all schools. Fines for speeding in the school zone range from \$10.00 and up. Your cooperation will be appreciated.

HOWARD CLEMENT, Agent
New Location — Next To Legion Hut

Arthritides are most susceptible to quackery and faddism, because knowledge and treatment of arthritis is limited, Texas regional staff members of the Food and Drug Administration emphasize.

They estimate that more than \$250 million a year is spent on such useless cures as filtered sea water, alfalfa tablets, "immune" milk, "glorified aspirin" and similar concoctions, all of which are rejected by medical science.

This means that \$50 a year of misplaced hope is spent by the average arthritis sufferer.

While no specific diet in itself will cure arthritis, it is important to follow good basic nutrition, Thelma Wirges, County home demonstration agent, emphasizes.

All foods needed for the arthritis patient can be found in local food markets. The alluring array of modern convenience

Bridal Shower Is Held In Honor Of Miss Vicki Turner

A miscellaneous bridal shower was given in honor of Miss Vicki Turner, bride-elect of Robert Dillard, on Wednesday, Aug. 24, in the home of Mrs. John Page. Hostesses with Mrs. Page were her daughter, Jean, Mesdames Paul Fisher, Finis Taylor, Betty Davey, Roy L. Eridges, R. C. Gilbow and Tommy Olds, and Misses Carliss Fisher, Sheila Davey, Patsy Koenig and Carole Yarbrow.

Mrs. Tommy Olds and Miss Carliss Fisher served at the refreshment table, which was covered in white nylon net over a white cloth and centered with a flower arrangement in green and white. Miss Sheila Davey registered guests.

Thirty-three guests attended the shower. Special guests were the bride-elect's mother, Mrs. Gene Turner, and Mrs. Mildred Dillard, mother of the bridegroom.

foods may appear to be a boon to the homemaker whose energy and function are limited. However, the homemaker needs criteria to evaluate the many products available, first in terms of nutritive values and costs and then in terms of palatability, keeping qualities and suitability for use in family menus.

Patients with osteoarthritis, gout and some other rheumatic conditions may be overweight. A physician generally prescribes a calorie-restricted diet for them. Weight control is of special importance for persons with arthritis, since extra pounds put an added burden on the weight-bearing joints, aggravate the pain, make movement more difficult and may even accelerate the progress of the disease.

Black Plastic And Cantaloupe Yields

The use of black plastic as a mulch has produced almost fantastic cantaloupe yields in a Waller County demonstration. So far this year, Roland Dreahn has harvested 1,490 pounds of melons from his two demonstration rows compared with 60 pounds from two identical rows, except for the plastic. Burl Richardson, Waller County agent, says benefits from the use of plastic are moisture conservation, warmer soil for earlier planting and faster germination and weed control.

IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

Cooperative Hi-Jacking

MR. JAMES R. HOFFA is urging labor leaders to work toward common expiration dates

Dr. Kershner

in major cities and key industries. He wants them to cooperate in putting our major industries and cities under the pressure of simultaneous multi-union strike threats. In this way he says the unions can achieve large contract gains.

If this policy were adopted, it would be equivalent to a plot among organized labor leaders to hi-jack the remainder of society. It could only be effective because a large part of the public does not belong to labor unions. If we all belonged to unions, a policy of this kind would only result in all of us paying more for the various goods and services which we consume.

It should never be forgotten that labor now gets about ninety percent of all the money earned by the American corporations available for distribution between labor and owners. How much more does Mr. Hoffa think labor can get by further encroaching upon the ten percent now going to owners? If labor should get it all, it would mean only about one-ninth more than labor gets at present. But if owners received nothing, there would be no incentive for them to save, and we would soon run out of capital. If the owners' share is squeezed much lower than at present, shortages of capital will grow worse.

It should furthermore be remembered that every good job in America requires the investment of about \$22,000. Somebody must save this capital, or jobs will not be available. No one is going to save unless he is relatively certain of some reward for his self-denial.

If Mr. Hoffa will think the matter over carefully he will see that the owner's share, as a reward for saving and risk-taking, cannot be reduced much more without destroying the incentive to save. That would of course force us into a totalitarian economy where the government did the saving by withholding production from the workers. Surely, Mr. Hoffa does not want a Chinese or Russian form of Communist economy. Let him beware that he does not bring it upon us by excessive demands.

Becoming bored on a long auto trip, a small boy suddenly said to his father, behind the wheel: "I wish you'd let Mom drive. It's more exciting."

how can you be sure your child has proper light for home study?

CHECK YOUR HOME STUDY LIGHTING NOW

For proper study light from a table lamp, use at least 150-watts of illumination. The lamp should be tall enough to spread light evenly over the work area and should be properly shaded to shield the eyes from the light source. A diffusing bowl is recommended to soften the light and prevent glare. If your children's study light doesn't meet all these requirements, visit your dealer's and see the new study lamps. Good home study light protects against eyestrain and fatigue... makes learning easier because seeing is easier.

★ Honor God Sunday
★ Honor Labor Monday

SPECIAL DAYS . . . Monday has been set aside by man as a day to honor labor. Throughout the year, man works hard and deserves this recognition and rest. However, even before man saw this need for rest, God set aside one day a week for rest and worship. Attend church each Sunday. Worship the Lord in His house, on the day that He set aside.

"And God blessed the seventh day, and sanctified it: because that in it He had rested from all His work which God created and made."

Prevents Head-On Collision

... every damaged rail in the median safety barrier on Cleveland's busy Lakeland Freeway. (This picture is a record of a head-on collision that was prevented. The tough steel guard rail keeps vehicles in opposing lanes apart. Installation of this type median barriers on all of the nation's 10,300 miles of as-yet-undivided four-lane highways could effectively reduce the nation's annual toll of head-on collision fatalities.

News From The County Agent

Farmers are urged to make weekly cotton insect checks in their cotton fields. Boll worms, cabbage looper and boll weevils are insects usually found in our cotton fields. If you do not have the 1966 Texas Guide for Controlling Cotton Insects L-218, call the County Agent's office and we will be glad to mail you a copy.

Now is a good time to take a soil sample for fall sown crops. This will take a lot of the guess work out of the amounts and kind of fertilizer to use under crops. You may pick up a soil sample box and an information sheet free at the County Agent's office. An information sheet should accompany each sample sent to the laboratory. Soil samples may be sent to the Soil Testing Laboratory, Seymour, Texas or Soil Testing Laboratory, A&M University, College Station, Texas. The cost of the soil sample is \$2.00 each.

Some farmers in the county will probably be planting some small grain the latter part of the month of September depending on moisture and weather conditions. The varieties of wheat recommended for the Wichita Falls area are: Improved Triumph, Bison, Caddo, Kaw, Scout, Tascosa, Warrior, Crockett and Concho.

Varieties of oats recommended are: Bronco, Cimarron, Dubois, Mustang, Norline, Wintex Excel and Wintok.

Varieties of barley recommended are: Chase, Cordova, Harbine, Harrison, Roger, and Will.

Are you interested in Swine Production? If so you will want to attend a swine meeting in the County Court Room in Wichita Falls on September 15 at 7:30 p.m. Dr. Donald B. Hudson, Swine Specialist from A&M University, will be the main speaker. Anyone interested in swine production is invited to attend.

More Room for JFK School in Berlin

Students file past the model of the new home of the John F. Kennedy School in West Berlin, scheduled for completion by 1970. The German-American community school was re-named for the late President who captured the heart of every Berliner on his visit to the divided city in 1963.

Now in its sixth year, the school in the American sector of Berlin has thrived as a unique experiment in bilingual education that also teaches youngsters from many lands how to live together in greater understanding of one another's cultures.

Opened in 1960 with two classrooms and 57 pupils, it now has 671 students in kindergarten through the seventh grade. The new building, to cost nearly \$4 million, will add junior and senior high school classes and accommodate 1,260 boys and girls.

The students hail from 30 countries, including the United States and Germany. Their teachers comprise 17 Ger-

mans, 10 Americans, and one each from Britain, Holland and Egypt. This makes it possible to combine the best of different educational systems to create something entirely new.

"JFK" has become so popular that some German parents register their future offspring at Kennedy even before the arrival of the stork. One German father observes, "It's ideal for my son to learn to live without prejudice." To quote an American working in Berlin, "It gives my daughter two languages and the best of both cultures." His daughter says simply, "I love it."

\$26,400 In Prize Money Offered To Horsemen At Fair

Nationally famous horsemen riding and showing for \$26,400 in prize money will offer peak entertainment to visitors at the 1966 State Fair of Texas Horse Show in Dallas October 8 through 23.

"The 1966 horse shows will bring to State Fair Coliseum the most complete performance program ever presented in Dallas," announced Joseph B. Rucker Jr., executive vice president and general manager of the State Fair.

"Featured during the 16 days will be the performances of American Saddle, Standardbred and Tennessee Walking horses, Shetland ponies, Arabians, Golden Pleasure, Appaloosa, Cutting and American Quarter horses."

The shows will present nine beautiful senioritas from Mexico in a colorful and spectacular carousel during twelve of the performances October 8 through 16. Expert equestriennes, the senioritas will represent the Republic of Mexico's National Federation of Charros at the State Fair of Texas. Dr. Jose Yslas Salazar, Federation President, has arranged the Dallas visit.

The senioritas from Mexico will ride during the following performances: 2 p.m., Oct. 8-9 and Oct. 14, 15 and 16; at 8 p.m., Oct. 8, 10, 11 and 12 and at 7:30 p.m., Oct. 13, 14 and 15.

The show program October 8 through 11 will present five and three gaited saddle horses, fine harness, walking and roadster horses and Shetland ponies. Arabians and Golden Pleasure horses will monopolize arena spotlights October 13 through 16. The Appaloosa Show is October 17 and 18.

The annual Open Cutting Horse Contest is set for October 19 and 20, with first go-round the first day, the second go-round and finals the second day. American Quarter horses will perform the last four days of State Fair, October 20-23.

Club Committee Has Meet, Outlines Plans

The Yearbook Committee of the Contemporary Study Club met recently in the home of Mrs. Harry Elliott. Plans were made for the coming year. The first meeting will be held September 13th in the home of Mrs. Robert Norris, Mrs. H. R. Thaxton, Co-hostess.

W. O. Chadwick Services Are Held
William Oscar Chadwick, 79, of Burkburnett, died Sunday night in a Burkburnett nursing home.
Funeral rites were held at 2 p.m. Tuesday from First Baptist Church, Rev. Lamoin Champ officiated. Burial was in Burkburnett cemetery under direction of Owens-Frumley Funeral Home.
Survivors include six sons, J. W. and J. A., both of Wichita Falls, Albert of Henrietta, Ben F. of Sunnyvale, Calif., W. O. of Farwell, Tex., and Marion C. of La Habra, Calif.; six daughters, Mrs. Ruth Tate of Roanoke, Tex., Mrs. Inez Livingston of Merced, Calif., Mrs. Jimmie Robertson of Randlett, Okla., Mrs. Syble Smith of Oildale, Calif., Mrs. Mae Hunter of Wichita Falls, and Mrs. Lillian Hill of Loop, Tex.; two sisters, Mrs. Geneva Ford of Longview, Tex., and Mrs. Syble Hayes of Graham, Tex.; 54 grandchildren and several great-grandchildren.
Pallbearers were: Eddie Hunter, Mike Chadwick, Robert Paul Robinson, Eoboy Chadwick, James Chadwick, Kenneth Chadwick.

Local Births

Mr. and Mrs. Wendell Gene Gray, 1211 Bishop Road, announce the birth of a baby boy. They have chosen the name Gary Doyle, for the new arrival.

Contemporary Study Club Meets Recently

The Contemporary Study Club held a called meeting August 24th in the home of Mrs. Harry Elliott. Gifts were presented to two members who are moving, Mrs. Jim Maag and Mrs. Oran Wilson. Eight members attended.

ACKNOWLEDGEMENT FROM HARRELSON NURSING HOME

We acknowledge with gratitude the following gifts given to Harrelson's Nursing Home: Watermelons, given by Mrs. Joy Sessums, 138 Rose Ave. Fotted plant and cut flowers, given by the Catholic Church of Burkburnett. Magazines, given by Mrs. Mildred Case, 1301 Bishop. Watermelons, given by Mr. Sam Dickey, of East 2nd St.

Card of Thanks

I should like to express my very sincere thanks and gratitude to my friends and neighbors for all the thoughtful and kind things they did for me while I was in the hospital and since my return home. For the calls, visits, flowers, cards and every helpful thing you did for me, I say "thank you very much."
Mrs. W. C. Vann

Card of Thanks

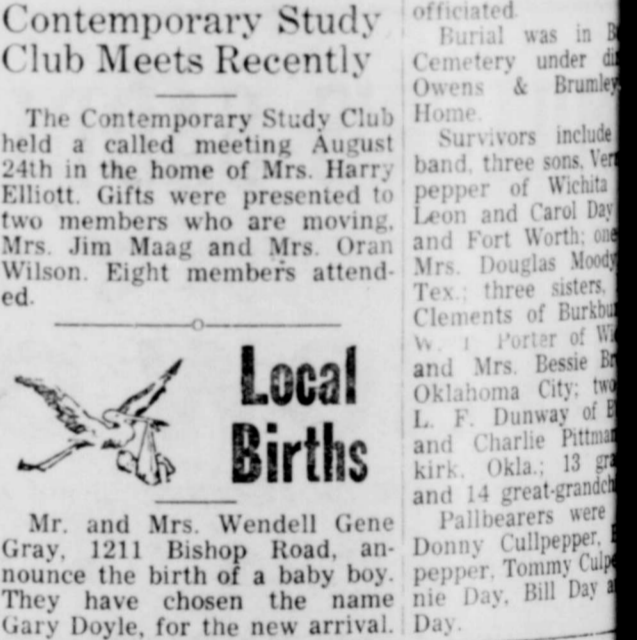

I wish to express my sincere appreciation to everyone for the cards, flowers and visits I received during my stay in the hospital and since my return home. A special thanks is extended to Bro. Champ for his visits and prayers. Your thoughtfulness will always be appreciated.
