BURKBURNETT, WICHITA COUNTY, TEXAS (76354) THURSDAY, FEBRUARY 6, 1969

NUMBER 22

Some of us have a busy day now and then. A very few keep busy everyday, from daylight to dark.

One of those very few is Rev. Richard Beaumont at St. Jude's Catholic Church of Burk.

In last Sunday's church bulletin, Rev. Beaumont listed some of his daily schedule for his congregation, telling them where he can be reached at certain times.

Here is the schedule. "My number in Wichita Falls is 692-1661. It rings only in my office/sleeping quarters at Notre Dame. If you get no answer during the school day, call Notre Dame, 692-6041 and leave a message or find out where I am. If you try after school hours and get no answer, try St. Jude's 569-1222.

"Ordinarily you wouldn't be interested in my usual schedule, but since you will probably have a hard time catching me (feel free to call my number after 10 p.m. if all else fails).

"I'll try to give you some idea of where I might be at certain times of the day. You might file this for reference.

"On school days, until about 8:50 a.m., in my office at Notre Dame. From 8:50 a.m. on my way to, at or coming back from Burk Burnett High.

"From noon until 2:00 p.m., in classes at Notre Dame. From 2 to 3 p.m. usual counseling in my office. From 3 to 6 p.m., almost anywhere, sometimes even in my office, and once or twice a week at St. Jude's.

"From 6:30 till 10:00 or 10:30 different places each night. Monday nights it will almost always be in Olney, 564-2474.

"Tuesday nights change around quite a bit, a meeting or basketball game are most common.

"Wednesday night I hope to make a regular night at St. Jude's, at least, until 8:30 and possibly as late as 10.

"Thursday night for a while at least will be kept for meetings at St. Jude's with different groups of the parish, such as the parish board meeting.

"Friday nights will vary quite a bit. Occasionally I go to Dallas or Fort Worth on Friday evening for a Saturday morning meeting.

"Weekends - Saturday morning and early afternoon I am usually in my office at Notre Dame or not too far away. If you get no answer, try again an hour later.

"Confessions at St. Jude in the afternoon, then to Olney Saturday evening. Sunday afternoon and evening, I usually try to unwind but it is frequently possible to get me at my office.

"Sorry to bore you with all this, but I do worry about you not being able to get hold of me.

"Thanks for your patience so far. I hope you can remain as patient in the future."

Now, how's that for a busy week?

Service Center Neighborhood Meeting Is Set

The Burk Burnett Community Service will have their Neighborhood Meeting February 10 at 7:30 in the Community Room of the center. Mrs. Geraldine Nolan, Public Relations Coordinator, for all centers, will present slides on the entire programming of our local and tri-county community action corp. These slides bring to light all phases of our program. The public is invited.

The center has a yardman with thirty years experience wanting work, if interested call 569-1831.

OPTIMIST CLUB HEARS TALK ON NARCOTICS IN BURK AREA

Wayne Sykes, President of the Burk Burnett Jaycees spoke to the Burk Burnett Optimists at Thursday's meeting at Ruth's Coffee Shop. Sykes in coordination with the local police and county officials has made an extensive study of the use of stimulants by a portion of our teenagers, and is working with this newspaper in bringing to the public an accurate picture of the problem.

Since both the Jaycees and Optimist work with teenagers they are eager to assist both the teenagers and local law enforcement agencies in eradicating his menace from our community. Sykes, stated that if we have the problem, we know who is using it, and where it is being used, our concern is not punishment of the users but the solution, which he is outlining in future articles in this newspaper. The main step in eradicating the use of any habit forming stimulant or depressant is first, know the signs and symptoms of those stimulants, particularly by parents.

Parents must know where their children are, who they are with and when they are expected back. Be sure and be there when they return, observe them for strange or otherwise irregular habits. Too, become knowledgeable with places and activities your children frequent. Both the Jaycees and Optimist sponsor activities at the Youth Center. They are chaperoned and enforce all rules of conduct established by the Board of Directors of the Center, but outside the center these youngsters are on their own. Although in many instances chaperones have gone outside to assist a teenager it is still the parents responsibility. All activities are open to the parents and clergy and their visits are encouraged, for a few minutes or all evening. If all those concerned would take just a few minutes, to observe first hand before repeating "hear say" nine-tenths of the "so called problems" would vanish into thin air. It is a fact, that if we expect the worst, and repeat the worst, then who will believe us when we do otherwise?

And third, cooperation of parents. If parents can't chaperone, or assist with the youth activities, their children participate in, then at least cooperate with those who do. It would make the job of those working for our youth a lot more enjoyable as well as giving the parents peace of mind, knowing where their children were and that they were being properly chaperoned and protected.

In conclusion Sykes stated that he and the Jaycees were available to talk with any group or club interested in helping to rid our community of any type of illegal use stimulants.

John Larson, president of the Burk Burnett Optimist Club commended the Jaycees and Sykes on this worthy project and pledged 100 per cent cooperation of the Optimist and called upon all parents and organizations to support this very important undertaking.

Here and There AROUND BURKBURNETT

Mr. Tommy Lee Hamilton of Hobbs, N.M., is in Burk attending to business and arrangements for the funeral services of his brother, Arthur Hamilton, who died in a Wichita Falls hospital Monday. Mr. Hamilton will be remembered as a son of the late Tom Hamilton and Mrs. Bennie Lee Hamilton of Burk.

Mr. and Mrs. Garland Johnston of Vernon and Mrs. J. W. Rumsey of Miles, Tex., along with Mrs. J. D. Majors and Mr. Monroe Prinzing of this city, attended the funeral Monday in Fort Worth for their niece and cousin, Mrs. Ralph Wallace, 46, of Crown Point, Ind.

Mrs. Wallace was the former Marjorie Prinzing. She had spent many summers here in the J. D. Majors home before her marriage to Mr. Wallace. She passed away Thursday in Crown Point. The funeral services and burial were in Fort Worth.

Mr. and Mrs. Oran Sirmos of Amarillo have moved to Burk Burnett and are making their home on North Holly. Mr. Sirmos is the father of Mrs. V. E. Pringle of this city.

Mr. Norb Zimmerman, who resides northwest of the city, underwent major surgery in the Wichita General Hospital Monday. He is reported doing satisfactorily.

Mr. A. H. Bazell received word Tuesday night of the death of his brother, Mitchell Bazell of Mobile, Ala. Burial was to be in Bayou LaBatre, Ala.

Mr. Bazell left Wednesday morning by plane to attend the funeral. Mitchell Bazell lived in Burk Burnett several years ago and will be remembered by many. He was an oil field worker.

Commission Hires Amarillo Firm To Study Renovation Program

Another step in the downtown renovation program for Burk Burnett was made Monday night when an Amarillo consulting firm was engaged by the city commission.

To make preliminary plans of the project will be McMerries and Associates. Their preliminary plans are expected to be ready for showing in about two months.

Monday afternoon, a group of merchants from the 100, 200, 300, and 400 blocks of East Third Street, met at the Corporation Court Chambers for an informal fact-finding session.

They heard Al Dillard, city commissioner, and Bill McMorries explain the project.

McMorries gave some case histories of projects completed. Thirty-seven persons were present.

The commission voted to allow the American Business Women's group in Burk to conduct a carnival on March 6 through 16.

In other action, the city commission appointed H. R. (Jingles) Hayes as summer recreation director, to coordinate use of recreational facilities in the city.

EMMETT HICKS RECEIVES AIR MEDAL

PHUOC VINH, VIETNAM (AHTNC) — Army Sergeant Emmett L. Hicks, 21, son of Mr. and Mrs. James W. Hicks, Route 1, Preston St., Burk Burnett, Tex., received the Air Medal last month near Phuoc Vinh, Vietnam.

Sgt. Hicks earned the award for combat aerial support of ground operations in Vietnam.

The sergeant is a squad leader with Troop D, 1st Battalion, 9th Cavalry of the 1st Cavalry Division (Airmobile).

His wife, Joan, lives at 2909 E. Carpenter Ave., Cudahy, Wis.

Robert Luttké's Unit Is Awarded

NORTH CARLESTON, S.C. — Staff Sergeant Robert E. Luttké, son of Mr. and Mrs. Edward Luttké of Rt. 1, Berrien Springs, Mich., has been recognized for helping his unit earn the U.S. Air Force Outstanding Unit Award.

Sergeant Luttké, a flight engineer in the 437th Military Airlift Wing at Charleston AFB, S.C., will wear the distinctive service ribbon as a permanent decoration.

The 437th was cited for exceptionally meritorious service during its combat air supply airlift operations around the world from July 1967 to July 1968.

This marks the third time in four years the wing has been honored as an outstanding airlift unit.

Sergeant Luttké, who has been on duty in Vietnam, is a graduate of Berrien Springs High School.

His wife, Toni is the daughter of Mrs. Wayne Todd of 906 Mimosa, Burk Burnett, Tex. Mrs. Luttké's father, Charles Brice, resides at 1191 Empire Central, Dallas.

Scouts Report To Governor

Each year, as a prelude to National Boy Scout week, outstanding scouts are selected to participate in the annual "Report to the Governor" at Austin.

Among the many scouts to take part will be three life members of Troop 155, sponsored by the First United Methodist Church of Burk.

These boys are Marc Foster, Phil Civiello, Garry Metz and Christ Strayhorn.

The boys will be making the trip today, according to Scoutmaster Tom Evans.

KITE FLYING SAFETY RULES ARE LISTED

Safety rules for boys and girls who fly kites were outlined by B. J. Vincent, manager for Texas Electric Service Company.

As explained by Mr. Vincent, the safety rules are: fly your kite out in the open where it won't get caught in wires, trees or TV aerials; use only string made of cotton, silk, linen, or rayon; use only wood in your kite frames, and fly kites only in good weather. You don't want to get them rain soaked and any kind of string can be dangerous when wet. If your kite should get caught in electric wires, call Texas Electric Service Company. They will send someone to get it down for you.

To further impress children that safety is all-important in kite flying, Texas Electric Service Company is providing posters for all school bulletin boards and announcements for school principals.

Profile . . .

The Burk Burnett police force numbered three men when Milton L. "Buck" Abbott joined up almost 15 years ago.

Today, the force numbers seven full time employees, one part time, and the complexities of the city grow along with the population.

Fines for various violations back then amounted to about \$45 a year. Today, they average \$1,000 a month.

Abbott has been Burk's chief for three years, and his capable law enforcement has drawn acclaim from city fathers and citizens alike.

Abbott was born a few miles south of town on June 11, 1913. He attended the old Knauth School, where Miss Cora Knauth was his first teacher.

The school was on the Knauth farm west of Burk. He served overseas with the 31st Division during World War II, and spent three and a half years overseas.

His wartime duties included those as a rifleman in a front-line company, and as a military policeman.

Enlisting immediately after Pearl Harbor, he was discharged in February of

"BUCK" ABBOTT

1947, and returned to Burk. He worked at the co-op in Iowa Park, and 11 years ago married the former Fanny Crabtree of Arkansas.

They met when she came to Burk to visit her brother. The couple lost their only son three years ago at the age of eight.

Abbott lists fishing and hunting as his main diversions when not occupied with his police duties.

He is a member of the First Baptist Church, the Men's Bible Class, the Odd Fellows, the American Legion and the Burk Chamber of Commerce.

While Burk is relatively free of juvenile crime, all residents must be constantly on the alert for suspicious or unconventional behavior of their children, the chief believes.

"Our children are our future, he says, and every effort to keep them on the straight and narrow path must be made, he says.

Tai Kreidler To Austin For Report To Governor

TAI KREIDLER

Tai Kreidler of Burk Burnett will head the delegation of scouts going to Austin this week-end on the Annual Report to the Governor. He was chosen "Outstanding Eagle Scout of the Northwest Texas Council" and was eligible to be chosen to make the trip to Washington, D.C. in the Report to the President.

This is new to scouting and each year one will go to Austin free from this 12 county area.

He will inform the governor of how scouting is progressing. The Eagle Scout is selected mainly by how much he has put back into the program both in time and by helping other boys.

Every scout should set his goal to become an Eagle Scout and compete for the "Outstanding Eagle Award," and make the Report to Austin.

Tai is a sophomore at Burk Burnett High School and belongs to Explorer Post No. 155 sponsored by the First United Methodist Church.

The seven-man Committee on Public Lands and Buildings will have jurisdiction over matters relating to all lands and buildings owned, leased or used by the State.

Vernon Stewart To Head Group

Austin — SP — State Representative Vernon J. Stewart of Wichita Falls has been appointed Chairman of the Committee on Public Lands and Buildings by House Speaker Gus F. Mutscher of Erenham.

In announcing the appointment, the Speaker expressed his pleasure in Stewart's acceptance of the chairmanship and said Stewart's 16 years of service have provided him with wide legislative experience and knowledge that will prove invaluable to the Committee and to House of Representatives. Only three Representatives can claim longer legislative tenure than the Wichita Falls House member.

Stewart was Chairman of the Committee on Juvenile Crime and Delinquency during the 60th Legislature. He is one of the Representatives for District 60, which is comprised of Wichita County.

The seven-man Committee on Public Lands and Buildings will have jurisdiction over matters relating to all lands and buildings owned, leased or used by the State.

Narcotics Charges Arrest Here May Be Contested In Court

Contest of the legality of the arrest of two men arrested here last month is being planned at their trial, reliable sources reported to The Burk Star yesterday.

The youths were arrested in their apartment here early in January.

Burkburnett police were at tempting to serve a warrant,

issued by county officials, on one of the youths. His companion was arrested as well, on possession of marijuana charges.

Trial date is Feb. 24, in Judge Stanley Kirk's 78th district court.

Pleas of not guilty were made by the pair. Rodney William Bailey and Charles David Hansard.

NO SURPRISE

What is a newspaper like in a country where there is no freedom of the press, no advertising, no dissent; a country where the press is but the sounding board of a dictatorship. The answer can be found in the comment of a U.S. writer, Rebecca Tarshis, recently returned from the Soviet Union, who had an opportunity to visit the headquarters of Pravda, official newspaper of the Soviet communist party. In an article in the Portland, Oregonian, she says, "Pravda . . . is not attractive by our standards. It has no comic strips, advice to the lovelorn, household hints, recipes, advertising, or any of the numerous other features that brighten American newspapers." She was told the primary function of Pravda is to crusade for the principles of communism. It is published in a giant government printing establishment. Its profits are turned over to the communist party.

There can be no free press in Russia, since there is no free enterprise to support it. The color and diversity of the U. S. press—and its independence—are products of the very things we hear criticized so often—advertising, promotion, private enterprise, the free market, competition, profits—things which do not exist in Russia. And without which there would be no free press. Thus Pravda is dull should come as no surprise.

The presidentially appointed National Advisory Commission on Health Facilities has made its report recommending ways in which the nation's hospitals and other facilities can best meet health needs. The Chairman of the Commission has said, ". . . If the voluntary system doesn't provide the services which people regard as a right then we can look for an insistence on some kind of centrally organized system. We don't think this country either needs or wants such a monolithic system."

The Threat Of Permissiveness

By THERMAN SENSING

While administrative changes will occupy the attention of Richard M. Nixon during his initial period in the White House, in time he will have to address himself to the underlying mood and spirit of the nation. He will have to exercise leadership in altering the tone and attitudes that have grown up during the last eight years. The reference is to the unfortunate — often tragic — atmosphere of permissiveness.

This permissiveness, which has appeared in the 1960s and been encouraged by the "liberals," is a cancer eating at the moral fiber of the nation. Nowhere is this more evident than in California, our most populous and affluent state. For all its wealth and emphasis on higher education, California is in deep trouble. It is trouble that is appearing at certain other points in the country. The trouble is seen by some observers as a forest fire, moving across the land.

California splendid colleges and universities, created by the generosity of the taxpayers, have been turned into battlegrounds by a minority of dissidents. The youthful society-workers represent only a small percentage of the population. Gov. Ronald Reagan, who is working hard for law and order on these campuses, estimates that only about two per cent of the state's youth are involved, at the most. Nevertheless, they have the capability of paralyzing great centers of learning and of denying education to those who seek it. The same phenomenon was observed last Spring, the Spring of 1968, at Columbia University in New York City.

The difficulty in dealing with those who seize classrooms and break into administration buildings lies in the permissiveness of many educators and other influential citizens. Offenders are excused on the alleged grounds that they are expressing themselves. Lawbreakers aren't punished at all, or receive only token punishment. Often the educational institutions have a built-in government structure that denies to the taxpayers any effective means of restoring order. It should be noted nationally, however, that the California voters recently rejected a tremendous new bond program for the state's centers of higher education. The voters apparently decided they weren't going to create more classrooms for the anarchists to seize.

Much more is needed, however, than a taxpayer rebellion. After all, the public wants the universities to improve; its desire is to oust the hippies and the communists from the campuses. Ways must be found in California and other states to get responsible faculties that don't attempt to propagandize and don't lend encouragement to lawbreakers and anarchists in their classes. In California, some of the teachers, as at San Fran-

cisco State University, aided and abetted the black power extremists who recently disrupted that institution.

The country at large also should look at the menace of drug addiction. Here again, the climate of permissiveness seems to be behind the frightening spread of the use of marijuana. The young often are told that marijuana is no worse than smoking tobacco or using alcoholic beverages. The truth, to be sure, is that marijuana alters the character of users, turning them into people who will lie or steal in order to obtain their wants. It conditions youngsters for the use of far more dangerous drugs such as heroin or LSD, drugs that destroy the mind and the body.

Despite the evil of marijuana, the nation hears familiar permissive arguments on the subject. The public sometimes is told that laws on marijuana should be relaxed and punishments should be reduced or eliminated. Parents are told that they should be "understanding" or "tolerant" if their youngsters become involved.

The country is suffering from an excess of tolerance regarding dangerous social changes. Instead of being "understanding" of users of marijuana, or of campus lawbreakers, parents and other adult citizens should take a tough approach to behavioral problems. The President of the United States also has to be concerned with these behavioral problems, for the nation is threatened from within by those who want to destroy all the ancient rules of a decent society.

Strip, Ladies, Strip!

Ladies, don't flip
If we ask you to strip.
We refer to the laundry routine,
Which you know, if you're hep,
Returns all the pep
To wash that looks grey and unclean.

The cause of the greys
Is detergent which stays,
Refusing to leave with the rinse.
And with washings, repeated,
It grows more deep-seated.
To remove it we give you these hints.

Washing soda's the cure—
Add a half cup to your
Every wash load of clothes
That have dulled.
Suds prove old detergent
Is there, so it's urgent
That all of it's thoroughly
Culled.

Repeat cycle again,
Until no suds remain,
That signals that every-
thing's clean.
With whites coming
Whiter
And colors much brighter,
Your wash line will turn
Neighbors green.

Former Resident Earns Honors

Paul T. Vicker, former manager of Midland Chamber of Commerce, who made Burkburnett C of C address about 40 years ago, now a McAllen news writer, contributes this story about a man reared in Burkburnett.

McALLEN, TEXAS — Les Gilmore, reared at Burkburnett, was cited as McAllen's outstanding man at the annual banquet of the McAllen Chamber of Commerce.

More than 900 people at the banquet heard Spencer Stocker, chamber vice president, read the citation naming Gilmore as outstanding man of the year.

Office Education Club Hears Former Students

Miss Sharon Holman and Mrs. Gail (Gilchrist) Moore were guest speakers at the Office Education Club meeting, held Tuesday evening in the National Room, First National Bank, Burkburnett. Former students in the Office Education program in Burkburnett High School, Sharon received on-the-job training at First Savings & Loan Association under supervision of Mr. Albert Dillard, Manager — training that Sharon feels directly responsible in securing her present employment with the Girl Friday Bookkeeping Service in Wichita Falls; Gail received on-the-job training and work experience at the Southside Elementary School under the supervision of Mr. Bill Weathered, Principal — training directly responsible for her present employment in the administrative offices of the school as secretary to Mr. Dan Shaffner, Curriculum Director. Both girls shared their experiences in job hunting, employment agencies, duties and responsibilities of their work, their salaries, money management, etc., with senior students, who next year will face getting their first job. Naturally, there is always high hopes that an incoming new administration, with a fresh approach, and a fresh viewpoint, can find new solutions to existing problems, develop worthwhile new programs.

But at this particular era in the American Republic the major problem often appears changing the minds of people.

A recently expressed line of reasoning concerning the medical profession is a curious manifestation of specious thinking.

The practice of medicine in these United States has long been of the highest order, and it has perhaps led the world in the development, and acceptance, of improved techniques.

This has largely been due to maintaining the highest standards of medical education which has largely weeded out those showing less than a high degree of aptitude.

In short, the philosophy has been that nobody has a right to practice medicine. Rather, sick people have the right . . . the right to know that whatever doctor they choose has been subjected to a most rigorous training in competition with other aspirants for a degree, with only the best qualified succeeding.

Therefore, it was somewhat

of a shock to learn from Lisa Hobbs in the San Francisco Examiner that there is now a demand from the Black Students Union to scrap this system.

As reported, the BSU has made a demand on the University of California Medical School, one of the nation's greatest, to lower the admission standards. The rationale here is there might be some members of the minority groups who due to other causes, did not make an outstanding showing in high school, but could become good doctors.

But in addition, the group also demanded that the requirements for graduating with a medical degree also be lowered for minority students.

Carried to its logical conclusion, this could lead to a lessening of the quality of all medical practice.

Or to be fair to the public, it could perhaps lead to medical degrees being classified as A and B degrees.

Of course then, it would only be fair to start a system whereby treatment by a doctor with a B degree would charge less. In fact, this would develop into a whole new field of surgeons who could advertise "Let Us Cut You at Cut-Rates." In fact, if the suggested course is followed, there is no limit to how silly things could get.

what's ahead in your electrical future?

An electronic oven that cooks a 5-pound roast in 30 minutes or less?

A dishwasher that cleans dishes with ultra high frequency sound waves?

A thermo-electric refrigerator that operates without a motor or compressor?

Is there an ultra-sonic dishwasher in your future? A thermo-electric refrigerator? An electronic oven? Whatever the future holds it seems certain that electricity will serve you in many new ways to make living more comfortable . . . more convenient . . . more enjoyable.

And whatever uses you will make of electric energy in the future, it's our job to see that you always have plenty of dependable, low-cost electricity available to you.

We take this job seriously. We're constantly planning and building ahead to provide the electric service facilities to take care of your future needs; and for the continued growth and progress of the communities we serve.

We're working hard to make your electrical future better in every way.

Contemporary Study Club Meets Recently For Valentine Party

The Contemporary Study Club met in the National Room Monday night for their annual Husband's Night Valentine Party with Mrs. Robert Norriss as hostess.

Entertainment for the evening was provided by Senior Girl Scout Troop No. 70 with Mrs. Lewis Bloodworth, as leader. Seven girls brought a patriotic program in song accompanied by Miss Connie Bloodworth on the guitar. Mrs. Bloodworth told about the accomplishments of the Senior Girl Scouts.

A short business program was conducted by Mrs. Lee Soper, president. She appointed a nominating committee to select the new officers and also the club voted to pay for having a piece of equipment erected at the Oil Park Museum and the club also voted to buy a piece of playground equipment for the 7th Street Park.

Refreshments were served to Mr. and Mrs. Cliff Wampler, Harry E. Elliott, John O'Dell, Jr., M. D. Cheney, H. S. Thaxton, Edgar Fulcher, Dan White, Lee Soper, Joe Boucher, and Mr. and Mrs. Robert Norriss.

Bennie Drake's Unit Is Awarded

NORTH CHARLESTON, S.C. — Staff Sergeant Bennie G. Drake, son of Mr. and Mrs. Glen Drake, 903 Mimosa Drive, Burk Burnett, Tex., is a member of a unit that has earned the U.S. Air Force Outstanding Unit Award. Sergeant Drake, an aircraft loadmaster in the 437th Military Airlift Wing at Charleston AFB, S.C., will wear the distinctive service ribbon to mark his affiliation with the unit.

The 437th was cited for exceptionally meritorious service during its combat and resupply airlift operations around the world from July 1967 to July 1968.

This marks the third time in four years the wing has been honored as an outstanding airlift unit.

Sergeant Drake is a graduate of Wichita Falls Senior High School.

LEOPARDS CINCH TITLE

The Booker T. Washington Leopards clinched the north zone championship of District 4-AAA Friday night when they outscored the Burk Bulldogs, 86 to 47.

Three Bulldogs hit in the double figures in the losing cause.

Landrum tallied 13, with Kinard and Rohr adding 11 and 10.

The game was the last home game of the basketball season for Burk.

They wind up the slate by playing at Vernon Tuesday

DENTAL HEALTH WEEK OBSERVED IN SCHOOLS

Dental Health Week was observed in Burkburnett Schools this week.

Mrs. Letha Moore, school nurse, said activities were planned for each grade in the elementary schools.

The first grade received literature and coloring books stressing dental health.

Second graders received literature and disclosing tablets.

These tablets are used after brushing to determine how well teeth had been brushed.

Third graders will hear talks by a local dentist.

Fourth graders received literature and the disclosing kits.

Fifth graders probably had the most interesting time of all. Each made a visit to a dentist's office to examine equipment and to see how it is used.

At Sheppard - Burkburnett school, a SAFB dentist spoke to the children on dental health.

In all cases, preventative care, rather than corrective care was stressed.

Films, film strips and posters also helped publicize the week, which is observed annually.

Donald Trotter Reenlists In Army

SCHWEINFURT, GERMANY (AHTNC) — Army Private First Class Donald W. Trotter, 19, son of L. L. Trotter, 575 Rosewood, Burkburnett, Tex., reenlisted for four years in the Regular Army Jan. 16 while serving with the 64th Armor, Schweinfurt, Germany.

Pvt. Trotter is a tanker with Company B of the armor's 3rd Battalion.

Sheppard Air Force Base has one of the most diverse missions of any base in the United States Air Force. It conducts flying training in both rotary and fixed wing aircraft; it conducts training for the medical services, and it conducts technical training in six career fields as well as the Field Training mission for the Air Force.

Sheppard AFB was named for the late Texas Senator Morris E. Sheppard, an advocate of military preparedness prior to World War II.

Lt. Don Kennedy Serving On Guam

Lt. Don B. Kennedy, formerly of Burkburnett, is serving on temporary duty assignments as a B-52 Electronic Warfare officer with the strategic bombardment wings at Andersen AFB, Guam and W-Tapco Airfield, Thailand.

Lt. Kennedy is participating in raids against enemy positions in South Vietnam. Targets are in filtration routes, troop movements, bunkers, base camps, and storage areas.

Lt. Kennedy is permanently stationed at Dyess AFB, Abilene, Texas, with his wife, Peggy, also formerly of Burkburnett, and daughter, Kathy.

Follow The Signs

Imagine yourself in a train depot in a foreign country, and the signs are in a language unfamiliar to you. You know that the signs are there to direct you, and you try to figure them out, but despite your best efforts you are not sure of your interpretation. The natural thing to do then, is to check with an attendant and have him explain things to you.

The Bible is a sign given to us, and directs us in a pathway of living. Interpreting these directions is not always easy, so the natural thing to do, should be to seek someone to help us. Our churches have many trained personnel who are familiar with the language of the Bible. Attend Church this week and follow God's way of life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

QUESTION OF THE WEEK

Do You Like Your Brothers And Sisters? Do You Ever Fight?

ASKED OF YOUNGSTERS
AROUND BURKBURNETT

BOB ANDRES — No, they're ugly, and I don't like them. We fight every day, over anything.

JUNE BYRD — I like all my sisters, but we don't fight any more because they are married. We used to fight a little.

TONY KNOX — I like them all, but we still fight all the time, but half the time I win.

SANDRA BARTLEY — We fight some times, and one time my sister threw a pepper shaker at me and blacked my eye. But I socked her one right back.

JOHN MAHAFFEY — I don't have any sisters, and I don't like all my brothers. We fight over almost anything.

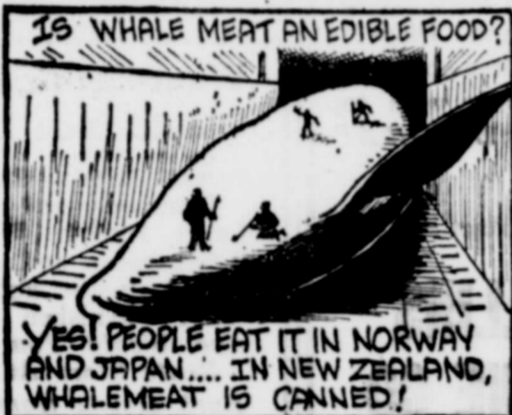

BRICKEY MILLER — I like my brothers, but we fight once in a while. Sometimes my brothers gang up on me and beat me.

Sergeant Luttkie In NATO Exercise

SPANGDAHLEM, Germany — Staff Sergeant Robert E. Luttkie, son of Mr. and Mrs. Edward Luttkie, Rt. 1, Berrien Springs, Mich., is a member of the 437th Military Airlift Wing contingent that has arrived at Spangdahlem AB, Germany, to support the massive NATO training exercise being conducted in West Germany.

Sergeant Luttkie is flight engineer with the C-141 Starlifter aircrews based at Charleston AFB, S.C., that transported U.S. personnel involved in the first of a projected series of annual exercises.

The operation includes the gigantic transoceanic airlift of 15,000 U.S. Air Force and Army

troops who redeployed from Europe to the United States last summer but who remain committed to NATO.

The maneuver, conducted as part of the U.S. contribution to increased NATO readiness, emphasizes orderly movement of

forces rather than speed and involves the largest overseas deployment of tactical aircraft for a peacetime exercise in USAF history. Air Force components flying F-4 Phantoms will primarily state out of Spangdahlem and Hahn Air Bases.

The sergeant, a 1954 graduate of Berrien Springs High School, has served in Vietnam. His wife, Toni, is the daughter of Mrs. Wayne Todd, 906 Mimosa, Burkburnett, Tex.

Modern Study Club "Painting No. 7" In Mrs. Nunn's Home

Painting No. 7 of the Modern Study Club was a "Home Management Mural." The meeting was held in the home of Mrs. Richard Nunn with Mrs. Sammy Cash as co-hostess. The roll call was answered with a home management problem.

All club women were challenged to "defend our freedom through defense and savings bonds" in a report from "The Texas Clubwoman" given by Mrs. Dale Lewis.

A program entitled "Maintaining an Efficient Household with the Least Amount of Energy and Resources" was given by Mrs. Gary Bean and Mrs. Eddie Eastman. They outlined an organized cleaning schedule to preserve energy and planning a workable budget to fit the family's objectives.

Committees continued planning for the "Miss Burkburnett" pageant to be held April 12 in the high school cafeteria.

Mimosa Garden Club Meets Recently With Mrs. Hardaway

The Mimosa Garden Club met Feb. 3rd. in the home of Mrs. Carl Hardaway. Mrs. Floyd Wilson presided over a short business meeting in the absence of the president, Mrs. Ralph White. Following the business meet-

ing, Mrs. Fred Thompson gave an interesting talk on "how to make an indoor castle." Artie Whitesides talked on "Save Gardening Space for New Tomato." "The Requirements for a Good Rose Garden," and "Planting of Gladiolus Carnus." February is an excellent time to begin planting your gladiolus. Mrs. Walter Riley gave an interesting sketch on Palo Duro Canyon State Park. Delicious refreshments were served by the hostess, Mrs. Hardaway.

Torino GT makes other cars that talk performance eat their words.

Calling a car a hot performer is one thing. Proving it is another. Torino GT performance speaks for itself. Just how loud is up to you—with six V-8 choices, from a standard 302 V-8 up to the big 428 Cobra Jet Ram-Air. (When this one talks, others listen.)

Torino GT shows it's heir apparent to the 1968 NASCAR racing champ. Special handling suspension. Wide-oval tires. Competition-style wheels. Stripes. The works. In SportsRoof, 2-door hardtop, and convertible models. And then there's Cobra. All muscle at a very low price.

In all, you have 16 different ways to go in Ford's intermediate line, from the hissing-hot Cobra to the handsome new Fairlanes. Every one a winner. Visit your Ford Dealer's Performance Corner soon. Very little talk—lots of action!
