Chamber of Commerce Luncheon Each FIRST MONDAY At Town Hall, Everbody Invited Each Pays For His Meal

VOLUME 62

BURKBURNETT, WICHITA COUNTY, TEXAS (76354) THURSDAY, MARCH 27, 1969

NUMBER 29

Laura Bloodworth is Our Little Miss Burk Burnett. Laura was sponsored by the Youth Center.

Lori Park was the winner in the "Little Miss LaPetite" Contest, part of the Little Miss Burk Burnett Contest held last Saturday night. Lori was sponsored by Preston Dairy.

Talent Winner in the Little Miss Burk Burnett Contest was Barbara Ramsey, shown here with Lori Park. Barbara was sponsored by Burk Insurance Co.

Laura Bloodworth Is Crowned 'Our Little Miss Burk Burnett'

Laura Bloodworth, an 11-year-old, was crowned "Our Little Miss Burk Burnett," at the first pre-teen talent pageant here Saturday night.

Sharing honors were Lori Parks, 6, who was crowned "Miss LaPetite of Burk Burnett" and Barbara Ramsey, whose singing earned her the title of

"Miss Burk Burnett Talent." Runners-up in the "Our Little Miss" category were Janice Lindsay and Tracy Marten. Janice was also elected Miss Congeniality by the girls in her group.

Runners-up for the "LaPetite" crown were Leslie Smiley and Melissa Adams.

Judges were: Charles King, Wichita Falls; Dixie McIver, Fort Worth; Miss Jonnie Kay Johnson, Miss Wool and Mohair of Texas; Major Richard Shropshire; W. A. Hotchkiss, Wichita Falls.

Donna Colburn acted as Mistress of Ceremony.

Deborah Meadows was the \$50.00 bond winner, having sold the most tickets.

PLEASANT VALLEY CHURCH TO HAVE FELLOWSHIP

The Pleasant Valley Baptist Church (South Huntington Lane, Wichita Falls) invites all their friends to be with them in their new home on Sunday, March 30. An all day fellowship will be held with dinner served at noon and singing in the afternoon.

Pastor, Earnest (Pete) Boswell

HERE and THERE AROUND BURKBURNETT

Westmoreland and son, Phil and daughter, Pam of Anson visited Mrs. Westmoreland's aunt, Mr. and Mrs. Harry Mayes also her niece, Mr. and Mrs. James Huffaker and girls over the weekend. Phil is a sophomore in Hardin-Simmons in Abilene and Pam plans to enter Midwestern University in Wichita Falls in the fall.

Career Day Set At MU For Area's Senior Students

Announced by Henry Dvorken, Chairman:

On Saturday, April 19, a Career Day will be held at Midwestern University, Wichita Falls, Texas, which will be open to all area high school seniors. The Career Day program, sponsored by the Wichita Falls Chamber of Commerce, is designed to acquaint students with the potential of and preparation for a particular career field.

A majority of the high school seniors probably have not made a definite decision as to which career they will prepare for after graduating from college. In many cases it is difficult to find a person qualified to give accurate information about a profession or career. The Career Day program will offer a student some 25 different categories including law, medicine, electronics, teaching, airlines and many others. The program will feature a well-qualified professional in each of these areas to answer any questions. The student will be able to select any three careers of the 25 offered and attend a 20-minute session on each one of them.

Not only will the student be able to find out about his future in a particular career, but he also will be able to find out what preparation is required and which schools offer such preparation. The program is expected to be both informative and entertaining. A special feature of the program will be an opening talk by Mac Percival, field goal specialist for the Chicago Bears. A tour of the Midwestern University campus guided by some of the school's fraternities and sororities will provide a close look at the college environment. For entertainment during lunch, plans have been made to have two bands that have achieved a great deal of popularity among the younger set.

In order to insure that careers of special interest are covered, students have been asked to pre-register with their high school counselor. Further information can be obtained from your principal or counselor, or you can write to the Wichita Falls Chamber of Commerce, P.O. Box 1860.

THANK YOU

We wish to thank our many friends for their kindness in honoring us with such a lovely house warming on Sunday, March 16th. The lovely gifts that were presented to us and the welcome extended to us as new residents of Randle mean so much to us and will always be remembered.

Mr. and Mrs. John L. Williams and Emma Jewel

72 Animals Are Vaccinated In Program Here

The Agri-Business Committee of the Burk Burnett Chamber of Commerce, in a two week Pet and Animal Vaccination Program, vaccinated a total of 72 animals, according to committee chairman Gad Garland.

"With the bad weather prevailing for both weekends we are still deeming the program a success, and according to Raymond Brown, D.V.M. who gave the inoculations, the committee vaccinated a lot of pets that otherwise would not have had any type of medicine care.

This type of program is of the utmost importance as it helps to eliminate a health disaster that could be created by an outbreak of rabies within our city.

Sex Education Program Slated

A Christianity and Sex Education program will be held at the Memorial Auditorium in Wichita Falls Friday night, March 28, 7:30 p.m.

The program will be: "The Proper Place for Sex Education" by Charles Paek, pastor Faith Baptist Church, Tulsa, Okla.

"Satan, Sickness and Sex Education" by David F. Webber, Radio Pastor Southwest Radio Church, Oklahoma City.

Panel Discussion: Mr. and Mrs. Charles McFarland, officers in Sanity on Sex, Oklahoma City, Okla. Two local Wichita Falls residents will also be on the panel. Questions may be presented from the floor.

Members of all churches and faiths are welcome. Please — no children under college age. There will be no admission charge.

Henry Kinnaird Rites Are Held

Services for Henry Kinnaird, 72, who died Monday in a Wichita Falls hospital, were at 2:30 p.m. Wednesday from First Baptist Church in Randlett, Okla.

The Rev. Jerry Couch, pastor officiated. Burial was in Burk Burnett Cemetery under direction of Owens & Brumley Funeral Home of Burk Burnett.

Born Sept. 9, 1896 in Indian Territory, Kinnaird has been a resident of this area for 48 years.

Survivors include two daughters, Mrs. Margie Oliver of Burk Burnett and Mrs. Edna Lewis of Randlett; two brothers, T. A. of Randlett and Tom of Grandfield, Okla.; a sister, Miss Mable Kinnaird of Duncan, Okla.; two grandchildren and two great-grandchildren.

Burk Resident 43 Years Dies

Mrs. Alta Fay Spillers, 73, died Tuesday morning in a Wichita Falls hospital. She had lived in Burk Burnett 43 years.

Services were at 3 p.m. Wednesday from Owens & Brumley Funeral Home chapel in Burk Burnett. Ed Morris, minister of the Church of Christ in Burk Burnett and Paul McClung, minister of Faith Village Church of Christ of Wichita Falls, officiated. Burial was in Burk Burnett Cemetery.

She was born May 5, 1895 in Tennessee and was a member of the Church of Christ.

Survivors include four daughters, Mrs. Louise Gresham of Wichita Falls, Mrs. Maurine Hourigan and Mrs. Lee Bavourette, both of Burk Burnett, and Mrs. Pershing Gillner of Randlett, Okla., four sisters, four brothers, 17 grandchildren and three great-grandchildren.

Local Products To Be Displayed

The Industrial Committee of the Burk Burnett Chamber of Commerce will have a Products Display honoring our local manufacturing companies in the window of the Teaxs Electric Company throughout the first week of April.

This display, according to Jack Aaron, Chairman of the Industrial Committee will consist of various items that are manufactured in local plants.

Companies with items on display will be: Ciba Pipe Systems, Neer Mfg. Co., Texas Reinforced Plastic, Jim Houston Championship Rodeo Equipment, Farmers Co-Op Gin, Riley Machine & Supply, Preston Dairy, Williams Petroleum Co., Mobil Oil Co., Henry's Bakery and The Burk Burnett Star.

We appreciate these people the year around, but let's put forth a little extra effort and get acquainted with the managers of these Industrial firms and their employees.

Come by and view this window so that you will be familiar with the different products manufactured in Burk Burnett.

Needs Playground Equipment

The Community Day Care Center is in need of playground equipment for the children.

Anyone desiring to donate trading stamps or money toward this equipment, please call or mail to Mrs. M. D. Cheney, 509 Oak, Ph. 569-3566 or Mrs. Jack Ruppard, 815 Easy Street, Ph. 569-1130.

We will be glad to pick them up.

A QUIET SUNDAY

As holidays go, perhaps Easter is imbued with more of a feeling of peace and tranquility than any other. This year Easter falls on April 6. The simple pleasures of the children's Easter egg hunt will be combined with Christian observance of the resurrection of Christ.

One of the greatest pleasures of Easter is the awareness of the new spring season that it brings to all of us. The quietness of Easter Sunday somehow seems to muffle the normal discordant clatter of everyday life. For a few hours, we can find composure in small tasks and small enjoyments. The tree-lined streets of many communities are a haven of solitude on Easter Sunday. The flowers and the songbirds, which go unnoticed and unheard by the average passerby during a noisy weekday, are suddenly there as reminders that nature and its creatures have no fear of the city.

The origin of the customs of Easter go back to antiquity, as does the symbolism of the Easter egg. Whatever Easter meant to the ancients, the gentle touch of Christianity has added a special meaning for modern man that makes itself felt on one quiet Sunday of each year.

TOOLS OF OPPRESSION

A recent news item in the New York Times reports that, "The Castro Government has ordered two million members of its vigilance committees to intensify surveillance over the remaining six million Cubans." This is like having two million policemen to maintain order in New York City. Today Cuba represents police statism with vengeance.

Perhaps it is a good thing to have Cuba—a prime example of political oppression—a mere 90 miles from the U.S. doorstep. It should be a lesson to a nation whose people have never known oppression, political persecution, or feared unrestrained police authority—a people who may have grown a little careless with the liberties that were virtually handed to them on a silver platter by our country's founders.

FACT AND OPINION

The National Federation of Independent Business, Incorporated, observed, "The federal income tax law is so complicated, as a result of repeated congressional additions, that it runs 930 pages and is 'explained' by some 17,000 pages of court decisions and Internal Revenue regulations. Average taxpayers cope with this maze as best they can. Simplicity is one goal of those seeking income tax reforms."

News From The County Agent

As the daily temperatures become warmer, small grain producers should keep a watchful eye on greenbug populations. At temperatures around 40 to 80 degrees F, individual greenbugs can reproduce from two to eight young per day. Large populations can be built up over a short period of time (three days to a week) says B. T. Haws, county agricultural agent.

Both wingless and winged greenbugs may be found in a field. All of the greenbugs in Texas are females and produce living young. When heavy popu-

lations develop in a field, or the field is in stress from lack of moisture, large numbers of winged greenbugs are developed and these aphids migrate from these fields to infest other fields. Therefore, greenbugs can establish themselves in uninfested fields in a short period of time.

Plants that are growing well and have plenty of moisture can withstand larger populations of aphids than plants that are not growing well or are suffering from lack of moisture. Generally when there are 200 to 400 greenbugs per linear foot of row in small grain fields where the plants are four to eight inches high, these greenbugs are beginning to cause economic losses in production. As the plants increase in size, larger populations of greenbugs can be tolerated.

John F. Parrish In Korea Exercise

FT. BRAGG, N. C. (AHTNC) — Specialist Four John F. Parrish III, 23, whose parents live at 1106 Comanche Drive, Burk Burnett, Tex., and a member of the 82nd Airborne Division from Ft. Bragg, N. C., is participating in the U.S. Strike Command's Exercise Focus Retina in Korea.

Focus Retina, designed to test the rapid reaction capability of Strike Command forces based in the U.S., will link some 7,000 soldiers and airmen from the U.S. and Korea in the largest airborne assault operation in history.

Paratroopers of the 82nd were flown from Pope Air Force Base, N.C., on March 14 and jumped into Korea 31 hours later, approximately 40 miles south-east of Seoul.

Following the parachute assault, the division joined Republic of Korea Army forces and U.S. forces stationed there for ground attacks on simulated enemy units.

The exercise is scheduled to end March 27.

Mesquite control reduces competition to native forage plants and also results in increased production, says county agent B. T. Haws.

Both chemical and mechanical methods are useful tools in mesquite control. During the past 20 years, more than 20 million acres of mesquite on Texas rangelands have been controlled by chemical and mechanical methods. But to control the mesquite is not enough. A well-developed grassland management program is necessary for long-term range condition improvement.

Due to the many seeds dormant in the soil, mesquite will continue to be a major problem. Therefore, a complete program must be carried out over a 10 to 15 year period or longer to keep forage production high and the mesquite under control.

For further information on maintenance control problems, control methods and economic returns from range management and mesquite control, obtain a copy of Fact Sheet, L-766 available at the county agent's office. There free for the asking.

CAPT. HARRY SMALL EARNS D.F.C. FOR VIETNAM ACTION

CAMP HOLLOWAY, VIETNAM (AHTNC) — For heroism in combat aerial flight, Army Captain Harry C. Small Jr., whose parents and wife, Brenda, live at 306 W. First St. Burk Burnett, Tex., received the Distinguished Flying Cross in recent ceremonies at Camp Holloway, Vietnam.

Capt. Small was cited for action last Aug. 2 while serving as mission commander of a fire team of two helicopters supporting an infantry ground patrol engaged in battle with a strong enemy force.

Unable to locate the enemy positions due to heavy rain, he requested the patrol to pin-point them by firing tracer rounds. He then began to place heavy, accurate fire upon the insurgents and forced them to break contact.

Capt. Small continued to make

devastating gun runs on the enemy, despite the intense ground fire directed against him. When he ran low on fuel and ammunition, he returned to his base for resupply and then remained on station over the friendly patrol until victory was assured.

Capt. Small is now a platoon commander in the 351st Aviation Company. He has also received the Army Commendation Medal for valor, the Soldier's Medal for non-combat heroism and the Air Medal.

4-H Girls Have Cooking Meeting

The first year 4-H Cooking Girls had a meeting on Thursday, March 13 in the Texas Electric Reddy Room. The girls present discussed the bread group which people need basic foods from each day. The girls made peanut bars and discussed the nutrients supplied by the cookies. They talked about giving the 4-H programs for the Home Demonstration Clubs next week.

The girls present were Evelyn McCalip, Rhonda Ward, Connie and Janice Harmon and Marian Bentley and Judy Klinkerman, junior leaders.

BURKBURNETT AND FRIBERG VOTERS APPROVE MERGER OF TWO SCHOOL SYSTEMS

School district voters in Burkburnett and the Friberg community overwhelmingly approved consolidation of the two systems in a special election Saturday.

Total vote was 229 for consolidation and only six against. The Friberg vote was 51 for and five against while Burkburnett voters authorized the proposal 178 to 1.

Official canvass of the results will be held at Monday's regular meeting of the Wichita County Commissioners Court in the courthouse.

Consolidation of the two school systems will not become effective until the first of September, however, Boards of trustees for each system will continue to operate independently until that time.

I. C. Evans, superintendent of schools in Burkburnett, said his system currently has about 3,545 students with 924 of these in high school and the remainder in grades 7-12 and 71 in grades 1-6.

Evans said plans call for the Friberg School to continue to serve children in grades 1-6 next fall but high school students in the system would attend Burkburnett schools.

F. T. Felty served as presiding judge in Burkburnett for the election while W. T. Jenne was presiding judge in the Friberg community.

The consolidation of the schools mean students within a 187 square mile area — 127 miles in the Burkburnett system and 60 miles in the Friberg system — will attend the Burkburnett High School.

Burkburnett's school district has an assessed property evaluation of \$13 million while Friberg has an evaluation of about \$1 million.

'719,242 SAFB Contracts Let

SHEPPARD AFB, Tex. — Construction contracts totalling \$719,242 have been awarded since December 15, 1968 for projects at Sheppard Air Force Base.

These include one Military Construction Project for \$570,300, and nine operation and maintenance contracts for a total of \$148,942.

The MCP project was the Airman's Open Mess which was awarded by the U.S. Army Corps of Engineers on December 30, 1968.

The Operations and Maintenance contracts were awarded through the Civil Engineering Group at Sheppard. The contracts and their prices consist of projects to alter the bowling alley, \$9,550; repair tennis courts, \$9,400; paint interior of five buildings, \$9,560; test stand, \$17,478; maintain and paint various base buildings, \$22,500; maintain various buildings, \$29,428; alter building 197 for on-the-job training, \$21,987; alter maintenance dock at building 2410, \$21,460; and air condition airmen dormitory, \$10,519.

Nancy Walker Is 'Jacket' Pledge

DENTON, Tex. — Nancy Dale Walker of Burkburnett is among 21 North Texas State University students selected to pledge Green Jackets.

Green Jackets is a women's service organization whose members are chosen from each major organization on campus.

Miss Walker is the daughter of Mrs. Betty D. Walker and a sophomore physical education major.

COUNTY H-D AGENT NEWS

An ounce of prevention is the cure for mildew, according to Thelma Wirges, county home demonstration agent.

During the cool weather cooking, clothes drying and using unvented gas burning stoves put moisture in the air. The hydrogen in the gas combines with oxygen in the air to form water, and this in the form of vapor. Vapor inside the house condenses into water in cooler areas and on cold surfaces. Window panes, slab floors and walls may become wet and may go unnoticed until mildew forms.

This can endanger the outside of the house. Vapor can seep through walls to the outside. It may condense on the inside of painted siding causing the siding to become wet. When wood becomes wet, the paint can and goes looser and curl.

Humidifiers help with mildew problems. Open windows for better ventilation or more air circulation by using a fan will relieve some dampness.

Miss Wirges says venting gas heaters will save your paint outside and inside, your wall paper, carpeting and clothing. Venting carries most of the moisture out.

Forum Study Club Holds Meeting In National Room

Members of the Forum Study Club met for a regular meeting February 27 in the National Room with Mrs. Wallace Landrum as hostess.

The meeting was called to order by the president, Mrs. Jack May.

Committee reports were given and Mrs. J. C. Adams Jr., gave a report on the Federated Council meeting.

Officers elected for the 1969-1970 year are Mmes. Bill Freeman, president; Charles Greb, vice president; Tom Nicklas, recording secretary; Wallace Landrum, corresponding secretary; and Stan Owens, treasurer.

The program was given by Mrs. Lonnie Taylor, "Good and Bad Modern Furniture."

Refreshments were served to Mmes. J. C. Adams, Jr., Gene Allen, Gene Bankhead, Bob Carpenter, Jack May, Joe Ray McCluskey, Tom Nicklas, Stan Owens, Pat Smiley, Lonnie Taylor, Joe Wolfe and Wallace Landrum, hostess.

Self-cleaning ovens progress as better cleaning, and different designs are developed.

A new catalytic process of cleaning the oven costs one-fourth what the original type of self-cleaning process does.

Miss Wirges, county home demonstration agent, says a special chemical treatment on the oven walls prevents soil from adhering or baking to the oven interior. Soil can be wiped off easily.

Some manufacturers have found the new process eliminated the need for oven insulation. This will increase oven capacity and reduce repair incidence and cost.

Self-cleaning ovens are taking new shapes, too. One range has a sliding cover for the control panel on the front, double door on the upper oven in the eye-level two oven models, a new sculptured front and a lift-off top for cleaning.

The sliding-control panel permits placing the controls in front where they are more visible and accessible without reaching over burners. They are safe from playing children.

Another manufacturer has developed a two-level oven range with all gas baking and broiling units in both upper and lower ovens. Usually upper ovens on two-level oven gas models are electric.

Manufacturers state that white sells about 60 per cent more than all other colors but builder business uses 90 per cent in color. Avacado runs a little ahead of harvest gold in color choice with homemakers.

Mr. and Mrs. W. J. Gray are building a new kitchen and are serving as a demonstration family this year. A self-cleaning oven is one of the pieces of equipment included in their plans. In addition to equipment plans have been made for storage, space arrangement, cabinets, finishes, and a convenient eating area.

Rattlesnake Hunt Set At Mangum April 11, 12, 13

The Mangum Chamber of Commerce has announced the fourth annual Rattlesnake Derby to be held at Mangum, Okla., on April 11, 12, and 13. The Flea Market will again be held this year in conjunction with the rattlesnake hunt. These, plus other special features, are planned to provide interest and entertainment for the entire family.

Since the Mangum hunt is still relatively new, many large "rattlers" remain in the extensive hunt areas. This was evidenced by the hundreds of snakes caught last year. New hunt areas are opened up each year.

Only one person was bitten last year, however, special precautions will be taken again this year to assure proper indoctrination for hunters and medical attention for those who may get bitten. Cash prizes and trophies will be awarded hunters catching the largest, smallest, most pounds and most snakes. Marked snakes worth \$25.00 each will be released in the hunt areas.

The Flea Market, operated very successfully the last two years, will again be held around the Courthouse square. This flea market is open to dealers of all types.

VOTE ON APRIL 5

This is my town too. I am very proud of having the opportunity of calling Burkburnett my home. I am very thankful for the public spirit as reflected by the citizenry of Burkburnett in wanting to provide for a better town. I have a deep desire of doing my part and lend my efforts toward making that objective come true. The town will prosper and grow in civic spirit as each of us contribute our fair share and equal part.

The Burkburnett Public School System shares in this responsibility and we are proud of the programs offered towards this ultimate goal. The most important asset of our community is involved in our youth and the programs that provide in helping our youth to grow up. It becomes a solemn responsibility of each citizen in our community to accept his fair share of leadership and work towards established goals of Democracy.

We are very proud of our levels of education as developed in our Elementary, Junior High and Senior High School. To observe our youth in their activities makes each of us proud of the leadership that we are providing. We are especially proud of our extra-curricular activities, as beginners band in Hardin Grade School, for the complete band program as directed by Mr. Charles Gregory at Junior High. We are especially proud of the band program provided at Burkburnett High School and proudly point to the accomplishments of these boys and girls, as being one of the better High School band programs in the state of Texas.

We are very proud of our coaching staff and the leadership that it is providing our young boys and girls in Junior and Senior High School.

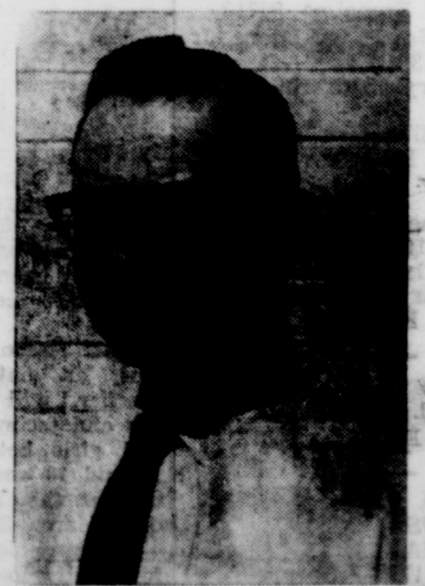

We are very proud of our vocational programs in High School and seek to make each program more involved into the processes of training our young boys and girls in a livelihood that they can live by in adult life. We hope to expand our vocational programs to new avenues that will include plans that each boy and girl may adjust more to activities for adult livelihood.

We need to re-evaluate and consolidate our ideas and help back up leadership that is being provided for these programs and let our directors know that we favor and will work strongly toward the goals of developing our youth.

Sincerely,

JOHN B. GILL

GOT A HUNCH? HAVE A BRUNCH!

Having friends over for Sunday or holiday brunch is growing in popularity. A buffet arrangement makes "hostessing" a ball without buffeting the hostess. For the main attraction serve bacon and eggs fondue fashion, accompanied by Tip-Top toast and plenty of piping hot coffee. Today's recipe: Cheese fondue, American style.

BRUNCHEON FONDUE

- 4 eggs
- 3 cups milk
- 3 cups shredded Cheddar cheese
- 3 teaspoons Worcestershire sauce
- 1/4 teaspoon Tabasco sauce
- 2 tablespoons minced onion
- 2 tablespoons minced green pepper
- 1 teaspoon salt
- 1/4 teaspoon paprika
- 5 slices Tip-Top bread, cubed
- 6 slices broiled Canadian-style bacon

Beat eggs well in large bowl. Beat in remaining ingredients except bacon. Pour into 8" x 8" x 2" baking dish. Set in a shallow pan and fill to about one inch with hot water. Bake in preheated moderate oven (350°) for about forty to forty-five minutes or until the fondue rises, sets to a delicate yet firm consistency and is golden brown. Garnish with bacon.

Yield: 6 generous portions to be ladled out with a Sunday kind of love.

Big Pasture FFA Chapter Holds Slave Sale

On March 17 at 7:30 p.m. at the school cafeteria the Big Pasture Chapter of the Future Farmers of America held their annual FFA Slave Sale.

There was a Fish Fry held before the sale. The chapter officers cooked the meal consisting of fish, baked beans, potato chips, and lots of different kinds of pies.

The officers are as follows: Mike Vache, president; Paul Baber, vice president; John Wood, secretary; Frank Booher, treasurer; Terry Hyman, reporter; and Billy Slabaugh, sentinel. Gary Coles, parliamentarian and Mike Rupe, photographer gave what assistance they could to help the others.

We also received help from the Sweetheart, Miss Clarita Holt and her attendants: Miss Emma Williams, Miss Danna Goode, and Miss Suzanne Vache.

There was also some help from some older sweethearts: Mrs. Walton Holt, Mrs. Clarence Vache, Mrs. Emerson Hyman, Mrs. Robert Boston, and Mrs. Albert Nolan.

The sale was started by our own high school principal, Mr. Emerson Hyman.

The total amount received from our slaves was \$1,037.50. We would like to thank all of our friends along the Red River for coming out and supporting us.

Losing Weight Easier in Spring

Spring is the perfect time for dieting. Extra hours of sunshine give a lift to the spirits and a longing to be out-of-doors. Once out in the fresh air, you are apt to take a long walk or grab a bicycle and pedal down the road. Both of these activities are great for stepping up the metabolism and burning off those excess calories.

Vacation trips and the prospect of wearing a bathing suit again are also good prods to shedding unwanted pounds. A small amount of discipline in April and May will be rewarded at the lakeshore in July.

Women, however, often face a disheartening problem despite careful dieting. It is the four to seven pounds in water-weight that many women accumulate during the course of their premenstrual week—an amount large enough to nullify the good looks of any bathing suit.

Dr. William Shaul, director of the Medical Research Division of Whitehall Laboratories, has estimated that premenstrual tension affects as many as twenty million American women.

Periodically, despite the most careful program of diet and exercise, certain changes take place in a woman's body that may cause it to store up excess water and add what gives the impression of bloat.

This temporary excess weight often expands the waistline and tummy and brings with it a feeling of nervousness and irritability. However, medical research knows the why and how of this periodic weight gain and has come up with a boon for the woman who adds water-weight.

After more than ten years of research on premenstrual tension and its discomforts, Whitehall Laboratories now has an effective, safe medication to help prevent this monthly water build-up and its accompanying waistline bulge. This medication, a tablet, called Trender, is now available throughout the country

and can be had without a prescription. Approved by the U.S. Food and Drug Administration, Trender helps excrete excess water during the premenstrual period so you can be diet slender every day of the month.

Too, for the woman who consoles herself for premenstrual nervousness and irritability with a box of chocolates, Trender has two additional ingredients to fend off pounds, an analgesic and an antihistamine to deal with headache and feelings of nervousness or depression.

Taken four to seven days before the start of a period, Trender can make you feel and look better every day of the month, twelve months of the year. The weight you diet away in Spring will stay lost.

Local Club Seeking Contestants For 'Miss Burk Burnett' Pageant

The Modern Study Club is currently seeking young ladies between the ages of 16 and 26 for their 1969 Miss Burk Burnett Pageant. The young lady must be 16 before Sept. 1 and not over 26 by Sept. 1, 1969.

A first in the pageant will be the selection and crowning of a Junior Miss Burk Burnett along with the Miss Contest. This Junior Miss Contest is being held in conjunction with the Miss Burk Burnett pageant due to the younger girls not being able to compete for the title of Miss Burk Burnett. This is a rule set forth by the Miss Texas Pageant committee that an entry in

the Miss Texas Pageant would be a graduate and 18 years of age before Sept. 1.

This year's pageant promises to be one of the best yet. Get your ticket now from any member of the Modern Study Club.

Thomas Brown Of Burks Is Pledged

DENTON — Thomas Jackson Brown of Burk Burnett is among the pledges of the 16 social fraternities at North Texas State University this spring.

Brown, son of Mr. and Mrs. Guy J. Brown, 1402 Shady Lane, is a pledge of Sigma Nu. He is a freshman accounting major.

PERSONALS

Mr. and Mrs. Alfred Lange and Mr. and Mrs. Joe Hull and baby daughter visited Mr. and Mrs. Charles Morris, Warren and Dana in Oklahoma City Sunday. Mrs. Morris is the daughter of Mr. and Mrs. Lange and the sister of Mrs. Hull.

THURMAN B. ALLISON
For Board Of Trustees, Place 6

Notice is hereby given that the City of Burk Burnett will accept sealed proposals for City Depository for the Fiscal year 1969-70: Proposals will be opened at the first regular meeting in April in accordance with Article XI, Section I of the City Charter:

MRS BAIRD'S

Stays Fresh Longer

GENUINE ENGRAVED Wedding Invitations. \$12.50 per 100.

LOCAL MEN IN VIETNAM

Listed below are the names and addresses of local men who are serving with the U.S. Armed Forces in Viet Nam. We are sure they would appreciate receiving letters or cards from Burk Burnett residents regardless of whether you know them or not.

The Burk Burnett star-News will be glad to publish the names of other local men in Viet Nam if parents or friends will call 569-2191 and give us this information.

City's Summer Recreation For Youth Is Planned

The City Recreational Program is shaping up in remarkable fashion. The school is now compiling information from questionnaires of some 2,500 youths who expressed their desires for summer recreation.

Soccer, a relatively new sport in the area, is now being played by a portion on the Catholic Park by some of the 149 that expressed their desire for that sport.

Golf lessons by Ronnie Phillips, an outstanding pro and teacher, will outline his methods and technique to all 87 boys and girls between the ages of 12 and 18 and all interested adults at the Youth Center, Friday, March 28th at 4:00 p.m.

A search is being made daily for adults to instruct the youth from art to marbles. Adult participation is a definite requirement to success.

Hardin P-TA Holds Meeting

Hardin P-TA met Tuesday, March 18. Mrs. John Devine gave the devotion following the pledge to the flag. Mr. Evans spoke on the election concerning the Friberg-Burkburnett consolidation. Miss Henry from the Mental Health Association was the speaker.

The following officers were elected for the 1969-70 school year: President, Mrs. Alvis Kee; First Vice-President, Mrs. C. B. Smith; Second Vice-President, Mrs. James Holly; Third Vice-President, Mrs. Grundy Taylor; Fourth Vice-President, Mrs. Eddie Reed; Secretary, Mrs. Philip Cosby; Treasurer, Mrs. J. C. Allen, Jr.

The program for the April meeting will be a musical presented by the fourth grade, under the direction of Mrs. Boles.

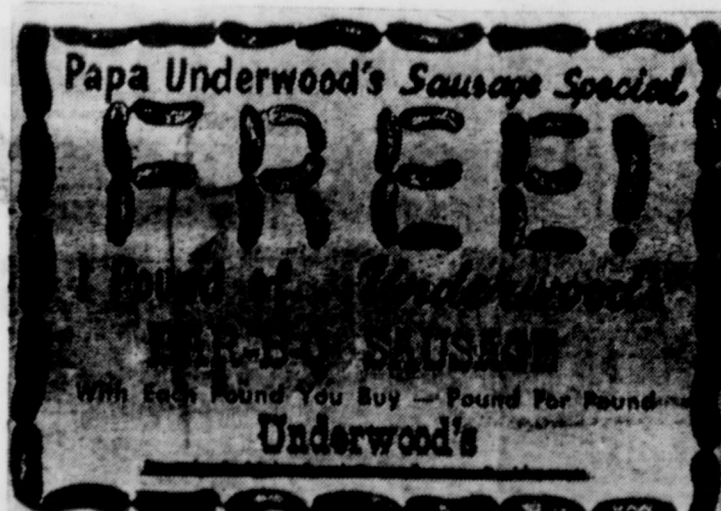

Local Fireman At Conference

MEMPHIS, March 18 — H. L. McDonald of Burk Burnett, and of the SAFB Fire Department, attended the 41st Annual Fire Department Instructors Conference in Ellis Auditorium, March 18-21 for four days of study and discussion of latest fire prevention and fire control methods.

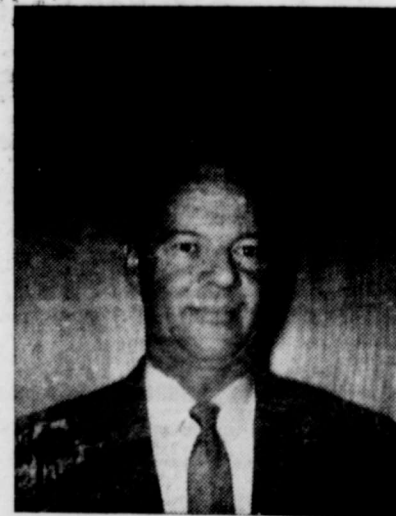

The Conference this year gave close study to protection of property against riots and other civil disorders from the industrial, retail, insurance, police and fire department standpoint. Other program subjects included fire department public relations, fire research, highrise buildings and problems of fire department training and administration.

They also attended USAFE Armed Services Conference at Sheraton-Peabody Hotel, Monday, March 17.

God's Purposes

If you were having a picnic at the lake at approximately this spot, you might say, "Well, why did the engineers leave those trees in the water when they made this lake? They create such an eyesore. I can see no purpose in it." Yet, fishermen tell us that the fish love those old tree stumps and roots and that you can almost always find fish swimming in the dark recesses around and between these trees.

So many times we question God's wisdom in allowing some things to be and other things to come to pass. But God is good and his purposes are wise. The very thing that seems useless to us, might make us marvel if we could see with Heaven's eyes.

As Isaiah reminds us, "For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts."

But he also wants us to know that his thoughts are many toward us and that everything works toward our good and our salvation. If we had no conflicts, and no questions, we would never have the opportunity to step out on faith.

Come to church Sunday and learn of God, his purposes, and the unsearchable riches of his love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CEREAL TOPS THIS BREAKFAST CAKE

Freshly baked and warm from the oven, this tender crumbed cake is irresistible to even the most finicky of breakfast eaters. Or serve it at lunch as the accompaniment for a tangy fruit salad; or for dessert with a warm fruit compote.

Its cake-like texture and flavor is enhanced by sour cream. The baked on golden crisp topping of TEAM Flakes is studded with nuts and sweetened with cinnamon-sugar.

As with many quick breads, it is best served right after baking.

BREAKFAST CRUNCH

- | | |
|------------------------------|------------------------------|
| 3/4 cup granulated sugar | 1/2 teaspoon baking soda |
| 1/2 cup butter or margarine | 1/2 teaspoon salt |
| 1 egg | 1/4 teaspoon ground nutmeg |
| 1/3 cup dairy sour cream | 1/3 cup milk |
| 1/2 teaspoon vanilla extract | 1 1/4 cups TEAM Flakes |
| 1 1/4 cups all-purpose flour | 1/4 cup chopped walnuts |
| 1 teaspoon baking powder | 1/2 teaspoon ground cinnamon |

Cream 1/2 cup sugar with 1/3 cup butter or margarine until light and fluffy. Thoroughly beat in egg. Stir in sour cream and vanilla extract. Sift together next five ingredients. Alternately stir into creamed mixture with milk. Pour into a greased (9-inch) square baking pan, spreading evenly to sides. Melt remaining butter or margarine; mix with TEAM Flakes and walnuts. Combine remaining sugar and cinnamon; stir thoroughly into cereal mixture. Sprinkle over batter. Bake in a preheated moderate oven (350°F.) for 30 to 35 minutes, or until done. Makes 1 (9-inch) cake.

DEVOL NEWS

By MRS. ETHEL McCASLAND

NATIONAL F.H.A. WEEK TO BE OBSERVED HERE THIS WEEK

FOCUS ON POSITIVE ACTION is theme of National F.H.A. Week which will be observed by Burkburnett Chapter, Future Homemakers of America, March 23-29. They join 1550 chapters throughout Texas in carrying out special projects and activities during this week to give exposure to what youth is doing in a positive way to promote the principles of good citizenship.

There are more than 600,000 members of this national organization for home economics students in over 12,000 junior and senior high school chapters throughout the country. These young people are preparing themselves for the responsibilities of leadership through such experiences as serving on committees, planning and presenting programs, planning and carrying out individual and group projects, presiding at meetings, and working with others in both

school and community. Such participation helps prepare them to be responsible, contributing adult citizens and work toward good home and family life.

Miss Mildred Reel, National Adviser for F.H.A., summed up the purpose of the organization this way: "As an integral part of the home economics education program in the high schools, Future Homemakers of America projects learning experiences beyond the classroom into the homes and lives of the individual members. Our aims are to help develop the teenagers' abilities through activities and projects that relate to the individual and the family. By so doing we are helping to develop leadership qualities in the individual and strengthening family life."

The F.H.A. chapter at Burkburnett has scheduled a number of activities in observance of National F.H.A. Week. According to Kathy Smith, president, the plans include Teacher Appreciation Day on which members of faculty will be honored. Gifts to nursing home, display at Burkburnett Bank, and display in schools showcases.

Future Homemakers of America is a non-profit, self-supporting organization, officially sponsored by the U.S. Office of Education and the American Home Economics Association. High School home economics teachers serve as advisers to the more than 12,000 F.H.A. chapters.

TO THE VOTERS OF BURKBURNETT

I, Claude Reed will be seeking your votes for a place on the City Council for the coming term.

I held a place on the City Council in 1960 and resigned to accept the position as city inspector, which position I have held for the past eight years. I am now asking for your vote and influence in the coming election, my name will be placed six on the election ballot.
