NUMBER 36

Dodson Services Held

H. C. Dodson . . . 1909-1969

Final rites for Harry C. Dodson, publisher of the Burk Burnett Star and the Burk Burnett News, were held at 2:30 p.m. Wednesday at the Owens-Brumley Chapel in Burk Burnett with the Rev. Lamoin Champ, pastor of the First Baptist Church, officiating.

Interment was in Burk Burnett Cemetery.

Dodson was a resident since 1933. In 1944, he purchased the newspaper in partnership with John Brookman. Several years ago, he purchased the interest of Brookman and became sole owner and publisher.

Active in civic affairs, he was an active member and supporter of the Burk Burnett Chamber of Commerce, the

Burkburnett Lions Club, and had served as a member of the Burk Burnett City Commission for 4 years.

Illness left him largely inactive for the past several years, but among his hobbies and interest before that were hunting, fishing, gardening, and for a time served as Scoutmaster of the Burk Burnett post, although he had no sons in scouting.

His first love, however, always remained in the newspaper field, and the service he could offer to the community in aiding worthwhile civic improvements and changes.

His first venture into newspaper work was at Iowa Park at the age of 15. In those days, he commanded a princely sum

\$2.50 a week for a 9-hour day, 6-day week.

By the age of 20, he was in charge of the operations of 17 men, and his earnings skyrocketed to the astronomical sum of \$21.50 weekly.

It was at this stage that an opportunity arose to move to Burk Burnett. He accepted an offer of Fred Brookman to join the staff of the Burk Burnett Star.

In 1961, when John Brookman retired, he sold his interest in the Star to Dodson, and Dodson had reached his lifelong ambition—to be the owner of a weekly newspaper.

As with most small towns, the weekly newspaper is the only history of the community, and Dodson strived to record every event worthy of inclusion in the history. The files of the Star and the News contains many items of information about this history and progress of the city recorded nowhere else, many through the personal efforts of Dodson, and some through the help of the staffs he carefully selected and supervised.

In 1962, to keep pace with a growing community, Dodson decided to establish the Burk Burnett News, which was published each Tuesday to augment that Thursday Burk Burnett Star. This proved to be a prudent decision, and today the circulation of the News matches that of the Star, giving reader more news coverage sooner.

Dodson was born in New Mexico on September 14, 1909, reared in Kentucky and Iowa Park and was married to the former Bennie Lee Gates in 1939 at Eufala, Oklahoma.

The couple has one daughter, Mrs. Robert A. Neal, Jr., a teacher at Rider High School in Wichita Falls.

Other survivors, besides his wife and daughter include his mother, Mrs. Ella E. Dodson of Lexington, Ky.; two brothers, James of Lexington, and Maj. D. G. of Rapid City, S.D.; three sisters, Mrs. W. D. Goyer of Tyler, Texas, Mrs. G. S. Killpatrick and Mrs. Iva Frazier of Lexington, Ky.

Pallbearers were: Cliff Wampler, W. W. Sims, Jake Tibbets, John Alan Brookman, all of Burk Burnett; Jack Franks, Wichita Falls and J. Lewis Quick, Iowa Park.

Burk School Board Holds Regular Meeting

The certainty of increased enrollment in 1969-70 and the possibility of less federal assistance in that period was brought before the Burk Burnett School Board Monday night at its regular meeting.

Supt. I. C. Evans said federal funding as now proposed in Congress would cut \$233,558 from Burk Burnett's share of money due federally impacted areas. Additional representation, a letter from the board presenting the Burk Burnett situation and letters from school patrons to members of Congress were considered.

Special Meeting

A group of Burk Burnett Jaycees present at the board meeting pledged the support of their chapter in contacting members of Congress.

The board set a special meeting for Thursday to discuss construction of six new classrooms for the junior high school which has a prospective enrollment of 900 students for 1969-70. Evans was authorized to draw recommendations on the location and floor space of a combined office and storage building which the board also has under consideration.

Thirteen bus routes including those for transporting high school students from Friberg and Capehart to Burk Burnett were approved by the board.

In the classification of schools, Hardin and Southside Elementary schools were approved to teach first through fifth grades; Friberg and Capehart, first through sixth grades; junior high school, sixth through eighth grades; and high school, 9 through 12.

Teachers Hired

The board approved the employment of Mrs. Deanne Bowser and Mrs. Roberta Townsend as first grade and Ellen Campbell as second grade teachers and accepted the resignation of Mrs. Delores Hayek.

C. E. Lundberg, Dawson Owen and E. J. Tatum were appointed to serve as a tax equalization board.

Mrs. Betty Loveless, deputy tax collector, reported a total of \$190,824 received to date, including \$7,708 from the delinquent rolls.

Discussion of the possibility of recognizing teacher organizations to represent teachers in reporting to the board was tabled for more information, and recommendations of school principals concerning lesson plans were tabled until the July meeting.

Burk Bulldogs Drop First Game, 3-2, In District 4-AAA Playoffs

The Burk Burnett Bulldogs drew first blood, with a run in the first inning, but the Weatherford Kangaroos forged ahead, 3-2, in the opening game of a three game series for the District baseball championship.

The second game of the series was to be unreeled at Weatherford Thursday afternoon, with a double-header slated if a third contest was necessary to decide the champions.

The big bats of Miller and Newberry spelled the difference for the Kangaroos, as each blasted pitches over the fence for home runs. Newberry's blast came with a mate on base, in the fifth inning, to put the 'Roos ahead.

Bobbie Young, hurling the distance for the Bulldogs, yielded only five hits. One of the four hits the Bulldogs managed off visiting hurler McDavitt was a three-bagger by Mike Cardwell.

PERSONAL

Mr. and Mrs. Alfred Lange had as their guests Sunday, Mr. and Mrs. Joe Hull and Stephanie of Burk Burnett. AIC Larry Lang and AIC Rex Simmons of Carswell AFB in Fort Worth. All enjoyed a delicious barbeque dinner honoring Mrs. Lange on Mother's Day.

Young, despite the loss, pitched effectively, and with aid of fine fielding by his mates, left eight opposing runners stranded on the bases.

Burk's first run came in the first frame when Young singled, and Cardwell did likewise. Kinnard's high fly to right field gave Young the opportunity to slide safely into home amid the frenzied cheers of the home town boosters.

The second Bulldog score came in the sixth inning after Cardwell drew a free pass to first, and scored on Kinnard's sizzling single to right field.

Cardwell had advanced to second base on a steal, one of two thefts managed by the Bulldogs.

Cardwell collected two of the four hits credited to the Bulldogs, with Kinnard and Young accounting for the other two.

The loss seemed to do little to dampen the spirits of the 450 or so loyal Bulldog boosters who witnessed the struggle. "Wait until Thursday," seemed to be the consensus.

Meanwhile, Coach Jeanies had no comments, and would wait until later to name his starting hurler, or hurlers for the two crucial Thursday contests.

Summer Youth Activity Program Plans Underway

Burkburnett's summer youth activity program for 1969 promises to be one of the biggest and best in many years.

Jingles Hayes, program coordinator said that thus far, activities such as baseball, bowling, horseback riding, bait casting, golf, tennis and art lessons are being arranged with capable instructors for each category.

Parents and children will find keeping up with the schedules and activities much easier, too, thanks to the cooperation of the First Savings and Loan Association of Burk Burnett.

The First Savings will sponsor a weekly schedule of the summer events. The first appears today.

As far as practicable, the schedule will appear in the same spot in each paper.

Albert Dillard, president of the First Savings and Loan Association, expressed the hope that the schedule will increase attendance at the various functions, and also lessen telephone calls to the advisors and teachers for information.

KINDERGARTEN ECONOMICS

The word profit, except when applied to our own endeavors, still seems to be a dirty word. The stock criticism of profit never misses a touching reference to the "never-ending struggle . . . against encroachment by private interests seeking profit . . ." The obvious conclusion we are supposed to draw from this is that there are two kinds of people — the good people, commonly known as the public, and the bad people, the profit seekers.

This kindergarten view of people and profits contributes a lot to the buck-passing and misunderstanding that accompanies inflation. For example, one of the top labor officials in the country has said that business profits are far out of line. He argues that inflation could be stopped without increasing unemployment if these profits were cut. Apparently, he believes inflation should be controlled by regulating profits—or maybe eliminating them.

Two things are wrong with such reasoning. The first is that if profits are regulated, wages are next in line. Beyond this is the old truth that profits, jobs and progress are all wrapped up in one package—the incentive system—that has made the U.S. the most productive nation ever known. You cannot eliminate profits without eliminating the system.

The Sun Oil Company publications "Our Sun" stated, "Along with new residence halls, classroom buildings and the other expected buildings of academia, the campuses of colleges and universities across the country are sprouting multistoried parking garages. And for very practical reasons. According to a recent marketing survey, 40 per cent of the nation's more than 6.5 million undergraduates own cars. Campuses are attractive neighborhoods for service stations to be located near, too; about one fourth of student car owners use either their own or the family's gasoline credit card. They account for nearly \$40 million a month in gasoline sales alone, closing at least one gap between generations, transportation."

Girl Scouts Troop No. 45 Earn Cook Badges Recently

Girls from Troop 45 for three consecutive years have been taught their Girl Scout Cook Badge by Miss Marilyn Delp, Home Economist, of Texas Electric, in the Ready Room Kitchen. Texas Electric gives each girl a cook book with all of the requirements to earn the badge and furnishes the food for the meals that the girl scouts prepare each week.

Each Monday afternoon for six weeks the girls look forward with eager anticipation to a new adventure in the kitchen. They learn to measure properly dry and liquid ingredients; bake cookies, cupcakes; cook eggs several different ways, prepare one dish meals, main course, deserts etc. They learn how to properly use each item in the kitchen and to clean up after they have used them. Miss Delp instructs them in proper diet and meal planning. The girls gain a new independence through the patient help and instruction of Miss Delp.

ished the six consecutive one and half hour sessions she then prepares a meal for her family at home and thereby completes her Cook Badge requirements.

Receiving their Cook Badges this year were: Tina Bile, Marie Egnotom, Sandra Higinbotham, Elaine Hamilton, Debbie Lucia, Lynn McGraw, Dana McKinley, Susan Miller, Colleen Murphy, and Marsha Sharpe. Mrs. Hamilton graciously went to each of the lessons as our Troop Mother Representative.

FREEDOM

By Rebecca Catherine Lay
 Section 4-2

 Burkburnett, Texas

Freedom is our country and in other lands is very important. We are a very lucky country to have freedom.

Freedom is a word that some people haven't even heard. We always look back over the past and expect to find freedom. Sometime and somehow one day the world will have freedom. Until that day we will fight to get freedom.

News From The County Agent

Recent moisture in Wichita County has brought on more pasture weeds and they should be controlled in order to use the moisture to grow grass, reminds county agent B. T. Haws.

A heavy weed growth will prevent good grasses from growing and weeds should not be left to make seed crop, adds the agent.

Spraying now with 2,4-D will kill most weeds that have germinated and those which will germinate within the next few weeks. But, warns Haws care must be exercised in using this chemical since many crops now growing are susceptible to it and can be damaged.

In areas where chemical control is questionable due to growing crops mowing can be successfully used, says the county agent. This will prevent the weeds from making a seed crop, in most instances, and from shading out the grass and using the moisture now available.

Research has shown that weeds can reduce the growth of grass by as much as 50 per cent during the summer. Such a loss could mean short grazing for the stockmen in the weeks ahead.

One of the best weed control measures, points out Haws, is to fertilize, on the basis of a soil test, then control the weeds which are not choked out by the vigorous grass growth and the improved grass sod.

The 1969 Texas guides for controlling cotton insects are available to cotton producers through the offices of local county agent. Cotton insect control measures are designed to meet the needs of producers in the various areas of Texas. Due to differences in production practices, insect population pressure, insecticide resistance and production potentials, three different guides have been prepared to meet the needs of growers in the various sections of the state. L-508 was prepared for use of growers in the High Plains, Rolling Plains and Trans-Pecos areas.

Cotton growers are urged to pick up their copy of the new publication at their earliest convenience and to become familiar with recommendations made.

Uncle Charlie is very concerned about world problems...

We're very concerned about Uncle Charlie!

You see, being concerned is about as far as Uncle Charlie ever goes. He worries about this...he gripes about that...but actually getting out and doing something to solve some of those problems...well...that never occurs to him. So, the problems remain...some get worse...new ones arise...and good old Uncle Charlie always has plenty to voice concern about.

At Lone Star Gas, we believe in concern plus action. And we put that belief to work in the communities we serve, and for our more than one million customers. There are over 600 of us at Lone Star Gas, and we like to think there isn't an "Uncle Charlie" among us!

Plan a Picnic During Pickle Week

International Pickle Week is here again! It's being celebrated May 22-31. Members of Pickle Packers International, Inc. suggest you celebrate by going on a picnic. And, after all, what could be more appropriate? For when you think of a picnic you think of pickles.

Here are two ideas for pickle peppy foods for your next picnic. Picnic Ham-and-Eggers are sturdy sandwiches, easy to make and easy to eat. Egg filling, spiced with sweet fresh cucumber pickles and canned pimientos, is rolled up in slices of ham and then tucked in frankfurter rolls; the sandwiches are wrapped and chilled to be ready to go. What could be simpler? A tangy Dill Bean Salad would be good along with fried chicken or baked ham. You can actually put this together at the picnic spot if you wish.

PICNIC HAM-AND-EGGERS

(Makes 8 sandwiches)

- | | |
|--|---|
| 6 hard-cooked eggs, chopped | 1/8 teaspoon dry mustard |
| 1/2 cup chopped sweet fresh cucumber pickles | Dash Tabasco |
| 1/4 cup chopped celery | 1/4 cup mayonnaise |
| 2 tablespoons chopped canned pimiento | 8 slices boiled ham, about 1/4 pound |
| 1 tablespoon chopped onion | 8 frankfurter rolls, split and buttered |
| 1/4 teaspoon salt | |

Mix together eggs, pickles, celery, pimiento, onion, seasonings and mayonnaise. Spread a portion of egg salad in center of each ham slice. Starting at narrow end, roll up ham slice, jelly-roll fashion; place in rolls. Wrap in plastic food film and chill for picnic.

DILL BEAN SALAD

(Makes 4 servings)

- | | |
|----------------------------------|-----------------------------|
| 1 pound green beans | 1/2 cup dairy sour cream |
| Water | 2 tablespoons pickle liquid |
| 1 large onion, sliced | Salt and pepper to taste |
| 3 dill pickles, sliced crosswise | |
- Cook beans in small amount of water 5 minutes; add onion and cook 2 minutes longer. Drain and chill. At serving time combine vegetables with pickles and toss with remaining ingredients.

UNIVERSITY STUDY CLUB MEETS RECENTLY IN HARWELL HOME

"Safety and Health Our Heritage" was the program of the University Study Club when it met in the home of Mrs. I. E. Harwell.

The program was introduced by Mrs. J. D. Majors with the quote, "Remember, Today is the first day of the rest of your life."

Mrs. Joy Sessums presented a paper on "Stay Alive While Traveling On The Highways." Safety officials claim that statistics emphasize the need for action for safer streets. Mechanical defects are involved in about 4 per cent of fatal accidents. Road defects contribute to about 8 per cent of fatal accidents. Driver's problems account for the remaining 88 per cent, making this by far the most logical place to make major inroads in the death and injury toll.

Chronic bad drivers afflicted with alcoholism or anti-social traits are creating this black statistical problem.

Drinking drivers or drunken drivers were involved in as high as 68 per cent of the fatal 1-car accidents.

The Breathalyzer has been used in Texas since November 1968. The Breathalyzer not only helps in convicting drunken drivers, but assists in absolving a person who appears intoxicated but who may actually be suffering from epilepsy, a heart attack, an overdose of insulin or many pathological conditions.

Failure to make highways safer has come under great criticism. With the nation becoming a network of expressways, the lack of efficiency in constructing highways for safety is one factor in rising auto insurance rates.

San Francisco citizens got so fed up with high speed accidents on expressways that they halted freeway construction at the city gates and plunged into a multimillion dollar rail transit service serving the central city.

"Traveling In Good Health" was given by Mrs. Sam Shrum. She gave up-to-date advice on how to avoid sickness and what to do should you become ill.

First, the preparation for the trip abroad includes a physical examination. Your doctor can then take inventory of any potential health problems and advise you how to deal with complications that might arise. If you wear glasses, get an extra pair to take on the trip.

Because of reactions, most immunization shots should be taken well ahead of time of departure.

If you have a potentially serious medical problem, such as diabetes or severe allergies, you can register with Medic Art-Medic Art, a non-profit organization, maintains a 24-hour telephone service that accepts collect telephone calls from doctors anywhere in the world, and sup-

plies them with additional medical information.

Seasoned air travelers plan extra rest periods to adjust their biological time clocks to the "jet lag" and "jet leap" problems.

Most hotels will serve "bottled water." Avoid putting ice in your drinks and, in certain countries, avoid salads or other uncooked vegetables dug out of the ground.

In event you become ill, call on the American Embassy or consulate in the vicinity for the names of doctors consulted by their staff members. In more remote areas, often Peace Corps physicians or World Health Organization medical teams can suggest a doctor.

So plan your trip carefully, urged Mrs. Shrum, and have a marvelous time. Remember, it Marco Polo made it without any of the help you have, you ought to prosper.

Federation Counselor, Mrs. Fletcher Baber, conducted a symposium on the member's reactions and while they were listening to the Prayer of the Astronauts.

The president announced that five dollars had been presented to the Community Service Center.

The University Study Club will be responsible for the Table Setting at the Federation Study Club banquet.

The club members will meet at 12 o'clock May 21 at Furr's Cafeteria for their Friendship Day Luncheon.

The hostess, Mrs. I. E. Harwell, served delicious refreshment plates to Mmes. Fletcher Baber, J. D. Majors, A. R. Buntine, Marshall Young, Lewis Brocker, Sam Shrum, Bill Crossley, E. R. Burns, Joy Sessums, Bill Cauthorn, J. M. Pogue, John Rigby, Blake Browning and Newt Crane.

Court Of Awards For Girl Scout Troop Recently

The downpour Tuesday afternoon didn't dampen the spirits of Girl Scout Troop 45's presentation of its 1969 Court of Awards! Twenty-one Girl Scouts in Junior Green were presented to receive their badges and Signs of the Arrow and Star in a series of impressive, blood warming, ceremonies that afternoon.

Fourteen parents and several brothers and sisters witnessed a stirring spark of patriotism as six Girl Scouts presented a rousing opening flag ceremony, to begin their Court of Awards.

After Madge O'Leary, Assistant Leader, welcomed the families of the girls, Cindy O'Leary was pinned by Vera Oelschlagger, Leader, to make her a Junior Girl Scout. During the Investiture Ceremony the girls of Troop 45 rededicated themselves by repeating the Ten Girl Scout Laws and lighting Ten respective candles. As all Girl Scouts made their Girl Scout Promise Madge O'Leary lit three tall green candles signifying the three parts of the Promise — On my honor I will try: 1. To do my duty to God and my Country, 2. To help other people at all times, 3. To obey the Girl Scout Laws.

The "Sign of the Arrow" worn on the Badge Sash of a Junior Girl Scout shows that she has found her way along the path of Girl Scouting. She has had to learn to do many different things to earn the right to wear it. Troop 45 proudly presented it to these girls: Leah O'Leary, Marsha Sharpe, Lori Oelschlagger, Sheri Sutton, Jodi Stobbe, Dana McKinley and Sandra and Linda Higginbotham.

The "Sign of the Star" shows that a Girl Scout is prepared to go on to new and bigger adventures in Girl Scouting. A girl

follows her Girl Scout Laws and thinks about doing so when she wears this sign. Troop 45 presented this special sign to Leah O'Leary Tuesday afternoon.

The Girl Scout received the badges that they had earned camping out, tents and cabins, outdoor adventures, troop meetings, earned in special classes, and those earned at home with parental aide beginning in September and ending now in May. The girls served cookies that they had baked and strawberry-lemon punch from a table covered with green net. Centerpiece of Queen Elizabeth Roses graced their colors.

Two Rosebud Sprays tied with green satin ribbon were presented to each Mrs. Sandra Lucia, new Cadette Leader, and Mrs.

Rita Murphy, Burkburnett Girl Scout Cookie Chairman, as a surprise "thank you" from the girls and leaders of Troop 45.

After refreshments taps were sung and the colors retired. What a way to end an inspiring day!

We ask your cooperation on the enforcement of Ordinance No. 268.

All lots should be kept free of unsightly weeds and rubbish or other unsanitary matter.

Your cooperation to abide by this City Ordinance will be appreciated.

Refusal to abide by this ordinance can cost both time and money and could be a menace to not only your health but to the Community.

Let us all work together to keep Burkburnett both clean and beautiful.

Play Now, Pay Later

Everybody's doing it: "The Charge-It Cha-Cha-Cha" . . . just flip the credit card and aw-a-ay we go. If you want to see a

stuffed face—just hand a waitress or a salesgirl a piece of old-fashioned folding money instead of a credit card). Banks just recently realized that department stores were walking off with all the interest rates on monthly charges—so they started their own credit card "charges" system . . . and millions of depositors got a brand new set of "play now, pay later."

The great trap of the whole "charge-it-please" world we live in, is that we all secretly feel it's for free; one long, glorious birthday party with balloons—until that moment of truth when the bills roll in.

Like everything else, credit has gone overboard—and been sadly misused. In itself, credit is a sound and stable idea economically. The long-term buying of large-scale properties (like houses and cars)—the loans that make higher education possible where it wouldn't be otherwise—these are reliable backbones of our money structure.

But the temptation to buy things we can't afford—and will go broke paying for—is a dangerous trend of our times.

We women in the know are basic nest-builders and this kind of excess is more worrisome to us than the male of the species. Women get all the blame for spending spree. But, it's Mister Wonderful who picks up the check for a luncheon table of seven. Somebody (and that's you, dear) has to put some subtle brakes on this roller coaster.

That magic margin between what comes in and what goes out is the difference between comfort in your older years and sheer disaster. (Didn't make that up myself. Discovered it in a chat with a Travelers Financial Planner the other night.)

**FIRST BAPTIST
BEGINS
BUS ROUTE**

With a desire to reach every possible individual for Bible study and worship, the First Baptist Church is beginning a bus route effective Sunday, May 18. Those who need and desire this mode of transportation will avail themselves of it by being at the side of one of the streets along which the route is being established.

At 8:55, the bus will leave from 4th and D, go south on D to College and turn west. At Preston the bus will turn north, go to 3rd and turn west. The bus will make the circle along Vaughan and Terrace and back to 3rd. At Holly, the bus will turn north to 4th, then east to the church building about 9:10.

The second run will go south again on D, continue along Sheppard to Bishop, then left on Jewel, left on Ruby, right on Clover, and left again on Jewel and back to Sheppard. At Triangle Trailer Park, the bus will turn around and go on Sheppard to the Oklahoma cut-off. The route will continue north on the cut-off to E College, north on Kelly, west on Cottonwood, north on F, west on First, north on E to 4th and to the church building about 9:30.

The bus will go back for the return trip at about 11:45.

**Burk To Host
Firemen's Meet**

The Burkburnett Volunteer Fire Department will be the host town for the 72nd Semi-Annual West Texas Firemen and Fire Marshal's Association Meeting Sunday, May 18.

Good entertainment is planned for all and some excellent door prizes through the cooperation of Burkburnett merchants will be given away during the meeting.

The main speaker for the program will be Glen Shelton of Wichita Falls.

Registration will be held in Fire Station No. 2 which is located right by the water tower and Town Hall, from 10:00 a.m. to 1:00 p.m. There will be a free show for the kiddies at the Palace Theater.

The Welcome Address will be by Burkburnett's newly elected mayor F. R. McCandless and response by Reavis Wooten, president of the Association.

There will be competitive team events starting immediately after the program and business session is completed.

Everyone is invited to come out and show an interest in The Volunteer Firemen by being in attendance at the program and the competitive team races. There will be a fierce battle of towns in trying to grab off the nice trophies that will go to the victors after the events have been fought to a standstill.

We hope more of the towns and/or cities in the West Texas district will renew their spirit of firemanship and get back into the spirit of the meetings by attending and representing their city, whether they field a team to compete in the events or not. The West Texas district encompasses an area as far east as Gainesville and Rhomb, as far south as Graham and as far southwest as Aspermont. The district takes in approximately 10 towns, but seven or eight towns have been carrying the load and it is usually the same towns each spring and fall meeting. Let's all get out of the rut and take our rightful place in furthering fire protection for our homes and cities.

The club also adopted projects for 1969-70 including state and district projects sponsored by the TFWC.

In addition to the club scholarship fund which provides college tuition for one year, youth projects include sponsoring an entry in the Miss Burkburnett pageant; sponsoring poetry contests in the senior and junior high schools; and support of the Burkburnett Youth Center.

Among the civic projects are support of the Oil Museum Park, Friends of the Burkburnett Library, Heritage Week, and contributions to the SAFB therapy ward.

The meeting was held at the home of Mrs. Mallett with Mrs. McMurtry as co-hostess.

**9th Art Session For

Modern Study Club**

The Modern Study Club met in the home of Mrs. Charles Griffith March 24th for their 9th art session. The program entitled "A Self Portrait" was given by Mrs. Richard Nunn and Mrs. Sammy Cash. Members were shown how to change hair styles with wigs and wigs and given a lecture on make-up.

A Fashion for Fun style show featuring club members and their creations was also held.

FIRST HOLY COMMUNION was received by this group of youngsters at St. Jude's Thaddeus Catholic Church in Burkburnett. The event was held at the 11:30 a.m. Mass on May 4. Certificates were presented and refreshments were served after the Mass. Pictured is The Rev. Richard Beaumont, pastor; Jennifer Brown, Wanda Payne, Debra Thompson,

Toni Chesser, Catherine Hofemann, and Mrs. Gerald J. Martel, in the back row. In the center row are Richard Allen, Stanley Smith, James January, Vincent Bledsoe, Mark Faust and Donnie Smith. Front row, Barbara Couture, Cecelia Martel, Deborah Kwas, Patti Chesser and Anna Phelps.

Lone Star Gas Names Manager For Pipe Facility

Robert C. Mauer has been named manager of a plastic pipe manufacturing facility planned by Nipak, Inc., a subsidiary of Dallas-based Lone Star Gas Co. The appointment is to be effective June 1.

Mauer will be in charge of the design, construction and operation of the plant which will produce polyethylene pipe and fittings.

Site for the plastic pipe facility, now in the designing stage, has not been chosen. Mauer joined Nipak, Inc., as a senior mechanical engineer at company's petrochemical plant in Pryor, Okla. He will hold that post until his new assignment.

A native of Beaumont, Mauer graduated from Lamar Tech in 1953 with a degree in mechanical engineering. He is registered in Texas and Oklahoma as a professional engineer and is a member of the American Society of Mechanical Engineers.

Joe Musgrave and Ronnie Crain look on as Mayor F. R. McCandless signs a proclamation proclaiming May 19-26 Operation Clean-Up Week.

Operation Clean-Up Proclaimed By Mayor F. R. McCandless

May 19-26 has been proclaimed Operation Clean-Up by Mayor F. R. McCandless in official recognition of a town-wide spruce-up campaign sponsored jointly by the city and the Burk Burnett Community Service Council.

The campaign, which is headed at homes, business houses and public facilities, will be coordinated by the Burk Burnett Jaycees with Joe Musgrave and Ronnie Crain as co-chairmen.

In view of pending changes in the disposal of city-collected trash, city manager Gary Bean has urged all householders to make a thorough clean-up of tree limbs, shrub prunings and other burnable refuse.

The 1969 clean-up campaign is of additional importance because it will probably be the last one

in which the city will be permitted to dispose of refuse by burning it, he pointed out.

On July 1, state air pollution control regulations become effective prohibiting cities of over 5,000 population from burning trash. Until that date, material such as tree and shrub cuttings can be destroyed at the city dump near the river.

After July 1, the city must bury all refuse for which it is responsible. Land and equipment to comply with the new regulations are being acquired by the city, according to Bean.

Special collection of refuse by city trucks will begin May 26, with householders being asked to place all discarded materials near the location of regular garbage pick-ups.

Tractor Safety Demonstration Set For Friday

Members of the Burk Burnett Vocational Agriculture classes will have an opportunity to see for themselves the false sense of security man may have while operating a farm tractor. A graphic demonstration using miniature tractors and equipment will be used to illustrate actual occurrences at 9:30 a.m. on Friday, May 16, James Easter, vocational agriculture teacher, announced recently.

Slides will be used to bring to reality the causes of common natural occurrences under the direction of Joe Smetana, director and Ben Bullard, assistant director of the Texas Farm Bureau safety department.

Things that will be pointed out during the 45 minute program include (1) overturns and rearward upsets, (2) hitching and unhitching, (3) speed, (4) horseplay, (5) refueling, (6) use of the SMV emblem, (7) use of the roll-guard and crush-proof cab for operator protection, (8) seatbelts, (9) maintenance and (10) extra passengers, plus other contributing factors to accident prevention.

Approximately 1,000 farm people are killed each year on farm tractors and machinery, while over 750,000 or more are injured seriously. Texas farms are the scenes of some 25 to 30 tractor fatalities and 20 to 25 farm machinery fatalities each year.

Tractor and machinery safety has been added to the very popular fire and auto demonstrations

JOHN MAPLES, minister of the Iowa Park Church of Christ, spoke to the Burk Burnett Lions Club Tuesday. He told of his experiences as a missionary in South Africa for 12 years. (Personal Photo)

JOINING HANDS as chairmen of the Burk Burnett Lions Club broom sale are Bob Carter and Jess Whatley. Funds from the sale of mops, brooms and other items will be used for some of the club's many community services. The one-day sale will be conducted Saturday. (Personal Photo)

COMMUNITY INVITED TO VISIT NURSING HOME DURING WEEK

Member homes of the Texas Nursing Home Association, including Evergreen Manor of Burk Burnett, will actively participate in National Nursing Home Week sponsored by the American Nursing Home Association and member state organizations.

The main purpose of the observance is to encourage the community to visit the more than 700,000 aged and infirm in the nations' nursing homes.

"Our homes are joining in a unified effort with the 7,200 member homes of the ANHA in an effort to make sure not a single patient is overlooked", said Mr. Baker, President of TNHA.

Charles Grebs, administrator of Evergreen Manor in Burk Burnett, issued an invitation to the public to visit the home and the residents at any time.

MRS. PARKS RITES FRIDAY

Funeral services for Mrs. R. R. Parks, 61, who died Wednesday at her home following a long illness, will be at 2 p.m. Friday from Burk Burnett Church of God.

Officiating will be Rev. Aaron Farrar, pastor, and Rev. Wayne Blackshear, pastor of Northside Church of God in Wichita Falls. Burial will be in Burk Burnett Cemetery under direction of Owens & Brumley Funeral Home.

A resident of Burk Burnett since 1930, Mrs. Parks was born Nov. 6, 1907, at Sulphur, Okla.

Survivors include her husband; two daughters, Mrs. Helen L. Schanlaub of Burk Burnett and Mrs. Carol Edmond of Ardmore, Okla.; two sisters, Mrs. Ethel McElroy of Snyder, Okla., and Mrs. Alta May Strayhorn of Wood Bridge, Calif.; a brother, Wayne Price of Long Beach, Calif.; and six grandchildren.

Senkbeil Services To Be Friday

Services for Lt. Col. (Ret.) Carl Senkbeil, 61, former Burk Burnett resident who died May 7 in Canal Zone, will be at 4 p.m. Friday from Owens & Brumley Funeral Home chapel. A Sheppard AFB chaplain will officiate. Burial will be in Burk Burnett Cemetery. Sheppard AFB personnel will serve as pallbearers.

Senkbeil retired from the Air Force in 1960 after 32 years service. He was born April 1, 1908, at Cumberland, Md.

Survivors include his wife Opal; a stepdaughter, Mrs. Beverly Greene of Burk Burnett; five sisters and three grandchildren.

CARD OF THANKS

I would like to use this means of expressing my deepest heartfelt thanks and appreciation to each and everyone of my friends for their prayers, calls, cards, flowers, visits and gifts during my time spent in the hospital and convalescing at my home. A special thanks to Bro. Lamoin Champ.

IT'S BEEN A LONG YEAR

Just a little longer... and homework, and exams will be over and then VACATION TIME. It is so good to have something to look forward to... swimming, fishing, ball, all of those wonderful activities.

Yes, it is good to have something to look forward to. I look forward each week to an opportunity to worship with others in the House of the Lord. I look forward to the hymns of praise, to the time of Bible study, and to the message brought by God's servant. Why don't you join me this week at church and participate in these joyful moments.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Junior University Study Club Closes Year With Dinner

The Junior University Study Club of Burkburnett closed their year with a dinner at the Wichita Falls Country Club. The highlight of the evening was the installation of officers for 1969-1970.

New officers are Mrs. C. J. Lippard, president; Mrs. Gary Moore, vice president; Mrs. Shirlene Hatcher, corresponding secretary; Mrs. B. H. Alexander, recording secretary; Mrs. Wayne Lax, parliamentarian; Mrs. Bill Vincent, historian; Mrs. Brack Preston, treasurer; and Mrs. Billy Smith, reporter. Each new officer was presented with a corsage by the new president.

Others present were Mmes. Howard Clement, Bill McLean, J. B. Riley, Gene Robertson, Finis Taylor, W. C. Koller, Max Cardwell, Jean Cummings, Robbie Hancock, Zac Henderson and C. D. Landrum.

BURKBURNETT STAR

P-TA Council Meets Recently

Wichita County Council P-TA met in the National Room of the First National Bank of Burkburnett. Registration was at 9:00 with coffee and donuts served by Southside Elementary P-TA as hostess.

Mrs. D. O. James, president, introduced Mrs. H. B. Taylor, District 13 president, who conducted a school of information—pertaining to specific duties of officers and standing chairmen and duties of the council.

Officers are as follows: Mmes. D. O. James, president; Charles Kirkham, vice president; Joe McDonald, secretary; Rollin Roberts, historian; Grundy Taylor, parliamentarian; James Roderick, treasurer.

Standing Chairmen: Mmes. Ted Anderson, publication; Charles Kirkham, program; Dan Bullock, membership; John Chapman, publicity; Gerald Tidwell, character and spiritual life; Wayne Lax, legislation and citizenship; Charles Bartlett, youth protection; Ray Lunsford, paffer; Grundy Taylor, Gene Shaver and H. A. Kidd, budget and finance committee.

A White Elephant Sale was held to raise money for the activities of the council.

The finance committee is making plans for an evening at Funland in late August. Look forward to having a good time with your P-TA Council.

Modern Study Club Entertains Mothers

Mothers attending the dinner were Mrs. Bradley, Mrs. Davis, Mrs. Looney, Mrs. Bean, Mrs. Crane, Mrs. Owens, Mrs. Nix, Mrs. Mize, Mrs. Nunn, Mrs. Mills, Mrs. Wallace, Mrs. Thomas, Mrs. Yeargin, and a new club member, Mrs. Joe Duke.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT (HJRS)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 5, Article III, Constitution of the State of Texas, as amended, be amended to read as follows: "Section 5. The Legislature shall meet in regular session each year at such time as may be provided by law and at other times as convened by the Governor. When convened in odd-numbered years in regular session, the Legislature shall devote the first thirty days to the introduction of bills and resolutions, acting upon emergency appropriations, passing upon the confirmation of the recess appointees of the Governor and such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided that during the succeeding thirty days of such session the various committees of each House shall hold hearings to consider all bills and resolutions and other matters then pending; and such emergency matters as may be submitted by the Governor; provided further that during the following sixty days the Legislature shall act upon such bills and resolutions as

may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided, however, either House may otherwise determine its order of business during this session by an affirmative vote of four-fifths of its membership. "Regular sessions in even-numbered years, commencing in 1972, shall not exceed sixty days and shall be limited to legislation on the subjects of providing funds for the support of functions and activities of the state government and emergency matters submitted by the Governor in messages to the Legislature. At each regular session, commencing in 1971, appropriations shall be made for the support of functions and activities of the state government for the next fiscal year." Sec 2 The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on August 5, 1969, at which election the ballots shall be printed to provide for voting for -- against the proposition: "The constitutional amendment to provide for annual legislative sessions."

What size air conditioning unit should I buy?

How much will it cost to operate?

Can I add air conditioning to my central heating system?

What about insulation?

Looking for answers to your questions about air conditioning? Call us.

When you want information about air conditioning, give us a call. Our air conditioning specialists can give you accurate, up-to-the-minute facts about available equipment, proper installation, insulation and operating costs, although we do not sell or service air conditioning equipment.

They'll also provide you with useful tips on how to operate your equipment efficiently to keep the cost low. There is no charge for this advisory service. It's another of the ways we work to help you get the maximum benefit from your use of electric service.

Hardin HD Club Meets Recently

Mrs. Ora Johnson was hostess
to the Hardin Home Demonstra-
tion Club Wednesday, May 7th.
Mrs. Julia Roderick, the presi-
dent called the meeting to order
and Mrs. W. E. Goins said the
opening prayer.

Mrs. Johnson gave the pro-
gram on pictures used for wall
decorations. Mrs. Johnson is an
artist and she showed which pic-
tures were suitable for each
room in the home.

There were nine members pre-
sent, Mmes. Roderick, Askins,
Howard, Bolin, Goins, Hewell,
Williams, Jacobs and Johnson.

She served refreshments of
cookies and punch.

The next meeting will be in
the home of Mrs. Hewell and
Miss Wirges, County Agent will
have charge of the program.
