## Womans Club Style Show Is Well Received

The style show sponsored by the Womans Club last Thursday night was a success both socially and financially. The stage setting, with a background of tarleton drapes in pastel shades and arrangements of matching flowers and gilded ferns was accomplished by Mrs. Charles A. Roe, chairman, assisted by Mrs. Travis Johnson and Mrs. Charles Cleveland. Mrs. Fred B. Hunt was general chairman for the event. Fashions were shown by the M. O. Simon Co. of Victoria with Mrs. Ann Pilcher serving in the capacity of commentator.

Mrs. Norvell Jackson was the announcer and introduced the "specialty numbers" which included a toe dance by Joy Roe, cowboy songs by Abner West and H. B. Ramsey Jr., to the accompaniment of the guitar and the ukelele, and a group of songs by Perry Horine of Corpus Christi, accompanied by Ran Wilde. Mr. Horine also led the assembly in the singing of old ballads popular at the turn of the century.

Leading the first group of "Young Hopefuls" were David and Shelley Poe Roaten in cowboy attire, complete with shootin' irons. They were followed by the Taylor Twins, Charlyne and Caroline in print play clothes, Martha Ann Johnson, Rose Ann Cabaniss and Craig Taylor in Sunday School attire and Debra Rogero in shirt waist dress, the very correct trend in fashion for the six year old. The Jeffries twins, Jeanette and Jennifer, brought up the rear in their pretty fluffy party dresses. Sallie McCord modeled a squaw dress and Phyllis Ayers, Susie LeBlanc, Mary Lou Johnson, Terry Ankele, Cynthia Highfill and Jerry Lynn Harrell presented a colorful array of prints, plaids, pixie hats and jackets suitable for the grammar school group.

Models for the junior miss were styled by Mary Martha Shivers, Barbara Barnard and Nancy Court, and were equally becoming to the young wearers.

Intriguing styles for the back-to-college group were presented by Dawn Olsen, Idabelle Batson and Sally Fields with the emphasis on cottons in black and white tones and gay stripes worn with smart accessories designed for Rush Week.

Modeling suits and dresses, both for sports, afternoon wear and more formal occasions, were Mrs. Steirly Rozzell, Mrs. J. D. Griggs, Mrs. James B. Jackson, Mrs. O. A. Carroll, Mrs. Roscoe Johnson, Mrs. Roy Lee Hart, Mrs. Travis Bailey, Mrs. Arthur Bracht, Mrs. H. F. Elliot, and Mrs. T. J. Johnson. These ensembles featured solids, striped and plaid cottons and silk worsted materials in various hues with harmonizing accessories to meet the demands of milady's wardrobe for the coming fall season.

Mrs. Rozzell also modeled the "second day" dress in the wedding trousseau of Mrs. A. L. Bruhl's grandmother.

Proceeding the entry of Mrs. James Bracht in bridal attire, Mrs. Grady West sang "Because", accompanied by Ran Wilde.

Door prizes, donated by the M. O. Simon Co., were awarded to Mrs. Fred B. Hunt, Mrs. W. G. Terry, Mrs. Annie Bell, Miss Carol Currie and Mrs. Pressler, of San Antonio.

Following the show, the guests were invited to a garden party presided over by Mrs. Harry Traylor, Mrs. Joe Johnson and Mrs. A. C. Glass. Arrangement of bougainvillea and periwinkles enhanced the beauty of the crystal service from which punch and cookies were served and light was furnished by decorative hurricane lamps.

The Woman's Club wishes to extend thanks to Perry Horine, Ran Wilde, Ceylon's Flowers, the choir of the First Presbyterian Church for postponing their rehearsal so that Mrs. N. F. Jackson might be announcer for the evening and to all participants in the style show, as well as committee members, by whose co-operation the event of a success.

## Surprise Party Climaxes 16 Years of Unselfish Community Service

Following the business meeting of the Aransas County Emergency Corps, of which the Rockport Fire Department is a part, Miss Iris Sorenson was presented with an honorary life membership in the Corps, and a fireman's badge, by Fire Chief Richard Fox. The members of the Rockport Fire Department also presented Miss Sorenson a beautiful sterling silver cream and sugar set, in appreciation for the unselfish zeal that she had shown as secretary-treasurer for the past 16 years.

Due to pressure of other duties, Miss Sorenson resigned as secretary-treasurer during the business session and Jack McDavid was elected to that office. Charles Ankele was elected president and Gilbert Hill, vice-president for the ensuing year.

According to an old custom in the department, Mr. and Mrs. Gary Smith, newlyweds, were also given a good-luck present, and Charles Ankele, past chief of the fire department, was presented with a gold inscribed billfold, for five years meritorious service.

The complete set of minute books which Miss Sorenson turned over to the new secretary-treasurer are in truth a history of Rockport. In them are the names of practically all of the prominent citizens and business men who have governed and built Rockport. They record the floods, fires and storms which have occurred in this community, as well as the social and civic affairs sponsored by the department.

In her acceptance remarks, Miss Sorenson complimented the press personnel on their faithfulness to the high standards of the department and impressed upon them the fact that they are a part of the most important service organization in the country; that each member should feel proud to belong to a volunteer fire department, as these organizations are respected and praised everywhere, for their unselfish work, and are encouraged and protected by the laws of most every state in the Union. Miss Sorenson urged the members to carry on the good work for which their predecessors had struggled to provide equipment.

Fire Marshall Osborn proposed to the members that each one submit, in writing, a working plan to simplify and coordinate the duties of each member in answering an alarm, these plans to be used by the fire chief and his assistants in evolving a master plan more particularly adapted to our own community.

Wives and sweethearts of all the members had been invited and quite a few were on hand to enjoy the dutch lunch served after the meeting.

New members of the department were informed that money spent for all social gatherings was not taken from the operating funds of the department—which is maintained by grants from the city and county, gifts and donations from citizens, and fund-raising activities of the fire department. All moneys spent for department social activities is taken from the dues and fees paid in by members.

## Rotarians Hear Navigation District Plans Discussed

Members of the Rockport Rotary Club heard a very interesting program at their regularly weekly meeting Wednesday noon at the Methodist annex, when A. C. Glass, program chairman introduced Norvell Jackson and Dick Picton, members of the Navigation Board, who presented the proposed changes of the Navigation District.

The statement of policy as presented to the Rotarians by the board members follows:

**Statement of Policy**  
In consideration of the general need for improved and expanded harbor and allied facilities in Aransas County, the Aransas County Navigation District has held open meetings to evaluate those needs and to determine the wishes of the people concerning them; has engaged the consulting engineering firm of Lockwood & Andrews to prepare an engineering report and master plan of development for additional navigation and allied facilities; has distributed the engineering report for general public knowledge and information; and now proposes to seek public approval of and issue bonds to finance the immediate construction of the first and principal increment of the recommended long range development of the district's facilities. Prior to embarking on this program, it is the desire of the district to issue the following statement of policy:

1. It is the object of the district to provide out of initial funds for the completion of Fulton Harbor according to the plan accompanying the engineering report, with such minor modifications that have since been approved by the district.

2. It is the objective of the district to initiate the development of the "Cove" south of Rockport in such a manner as to provide for the development of those recommended industrial, commercial, and pleasure craft facilities described in the engineering report; the extent of work will be limited only by the amount of funds available from the forthcoming sale of district bonds.

3. The district will provide for the paving of existing streets and parking areas around the Rockport Harbor and for dredging to deepen the harbor; spoil from the dredging will be used insofar as possible to build up the beach north from the harbor. Two or more groins across the beach area to retain the spoil will be considered.

4. When the indebtedness incurred by the forthcoming sale of bonds has been cleared, the district will support the issuance of additional bonds to complete the "Cove" development to the extent considered most expedient and necessary at that time.

5. In addition to constructing the beach and recreational improvements incident to the harbor facility above, it is the intention of the district to purchase Frandolig Island and provide for its ultimate development as described in the engineering report. Sufficient funds will not be available for this acquisition immediately, but the recommended development of the island is part of the long range program of the district and if necessary, additional bonds will be voted later when purchase negotiations now under way are satisfactorily concluded.

6. In event actual construction costs for the completion of each or any phase of the initial construction is less than anticipated, all monies remaining from the forthcoming bond issue will be utilized for the other recommended projects in the overall program. In event costs for the work exceed the monies earmarked for all three projects, the district will complete Fulton Harbor and expend the balance of available funds at the district have advised that a 45c levy based on an average taxable valuation of \$15,000,000 will require these bonds in slightly less than ten years. Present valuation is about \$17,500,000.

7. Segregation of commercial and pleasure craft and their confinement in any one harbor will not be attempted; any movement of these craft from their present berthing harbor to another will be voluntary.

8. The district intends for the public to vote on extending the present 45c tax levy and the issuance of bonds in the amount of \$415,000. Bond counselors for the district have advised that a 45c levy based on an average taxable valuation of \$15,000,000 will require these bonds in slightly less than ten years. Present valuation is about \$17,500,000.

9. The district through its commissioners will ask the public to

## March of Dimes Drive Will Be Conducted Here Aug. 16 Through 24

The emergency March of Dimes drive will begin here and throughout the nation on Monday, Aug. 16 and will continue through Aug. 31.

Mrs. Roy L. Hart is chairman for the local drive and will be assisted by Mrs. Charles T. Picton, Mrs. Simon Lee Sorenson, Mrs. Seth Steele, Mrs. Roy Hinton, and Mrs. S. F. Jackson.

This committee will meet before the opening date for the drive to complete final arrangements.

Better care is being given polio patients today than ever before, but the cost for each patient increases each year.

In 1953, national headquarters emergency aid amounted to \$9,740,847 which in addition to almost \$20,000,000 from chapter treasuries, brought the patient aid bill to \$29,734,000. Even so, there were 1,639 chapters had unpaid bills of \$6,200,000 at the end of 1953, and the number of polio patients to date in 1954 is much higher than in 1953.

Polio is striking more older people today, and is no longer an exclusive disease of children. In 1953, 22 per cent of all polio patients reported were over 20 years of age.

The Rockport chapter has had three big expense cases which has depleted its funds and it will have to appeal to the National Foundation for Infantile Paralysis for assistance.

Persons of any color, race or creed, whether carrying polio insurance or not, will receive any assistance necessary for their recovery—first from the local chapter, then from the national foundation.

## School Trustees Have Regular Meeting

Trustees of the Aransas County Independent School District had their regular monthly meeting Tuesday night. They accepted the resignation of two teachers, Mrs. Dora Lawrence because of ill health (subject to resignation in writing), and Mrs. Florence Coakrell resigned because of home duties. This makes four vacancies still to be filled.

The board authorized the contract to the low bidder, the Alamo Iron Works of Corpus Christi, for a hurricane type fence around the new football field.

An Aug. 6 a contract was made with the Sinton Electric and Hardware Co. to put lights on the new football field, and to Fred Austin, to move the seats from the old field to the new one.

The final budget for the 1954-55 school term was approved. The budget for the current operation of the school next year is \$267,431.00. The grand total budget including capital outlay and debt service is \$336,767.93.

to vote to levy a 10c tax to be used by the district to do maintenance and to carry out minor expansion and/or improvement programs which are constantly needed. It is not intended to ask that tax to be levied until the proposed construction is completed. That would place the actual levy not before the 1955 tax paying period and possibly not before the 1956 period.

## Water, Sewer Bids To Be Opened Tuesday at 2 p. m.

The city council met in regular session Tuesday night with all members present.

Bids for the construction of water and sewer improvements, and two high service water pumps will be opened at 2 p. m. Tuesday, Aug. 17, instead of 7:30 p. m. as originally planned. This change was made so that more contractors would be able to bid on this work due to the fact that another nearby city is also opening bids at 7:30 p. m.

Current bills were read and approved for payment.

A water tank service company was employed to remove rust and paint the overhead storage tank.

The new budget was discussed and approved.

## Speeders Charged In Justice Court

The State Highway Patrol, Texas Department of Public Safety, was active in and around Rockport last week. From Aug. 5 through Aug. 8, twelve tickets were issued and complaints filed in Judge C. O. Bailey's Court.

The one local offender was a 14-year-old minor charged with running a stop sign, operating a motor vehicle without muffler and not having a drivers license. The trial of minors being under jurisdiction of the county judge, this case was transferred to county court, by Judge Bailey.

During the week the sheriff's department arrested five persons charged with misdemeanors. These were also tried in Judge Bailey's court and fined for being drunk in public, fighting and vagrancy.

Miss Dyche Bride of Gorman Wiseman

In a double ring ceremony at 8 p. m., Aug. 7, in the First Presbyterian Church at Fort Stockton, Miss Peggy Dyche, daughter of Mr. and Mrs. K. B. Dyche of Fort Stockton, became the bride of Gorman L. Wiseman, son of Mr. and Mrs. D. H. Wiseman of Smithfield, Texas.

Dr. Thomas Brewster, pastor of the First Presbyterian Church, officiated.

The bride, given in marriage by her father, wore a gown of tulle and hand-clipped Chantilly lace over satin. The molded bodice was finished with a small collar fastened demurely at the throat, and the bouffant skirt was emphasized with wide pointed lace down the band-aisle skirt to form the fan-shaped train worn over hoops and crinolines. She wore a circular veil of illusion and carried a white orchid on top of a white Bible.

Miss Luann Dyche was her sister's maid of honor. She and her other attendants wore identical frocks of heaven blue crystalettes. The off-shoulder neck lines were finished with small self bows, and the bouffant skirt of unpressed pleats were waltz length. They carried pink glanzias.

Following the ceremony a reception was held in the Fellowship Hall of the church.

Both Mr. and Mrs. Wiseman graduated in May from TCU and he received his commission as second lieutenant, July 30.

Out-of-town guests at the wedding included the bride's grandmother, Mrs. U. L. Kane of Rockport.

TEXAS COMES FIRST

WITH

ALLAN SHIVERS

AND ALLAN SHIVERS IS FIRST WITH TEXANS BECAUSE:

**PUBLIC SCHOOLS:** As a State Senator, Lieutenant Governor and Governor, Allan Shivers has supported, sponsored or signed every major piece of legislation during the past 20 years. The Texas public school system today is more outstanding than ever before. He believes Texas must continue to meet the growing needs of our schools.

**WATER CONSERVATION:** Allan Shivers is a strong, outspoken advocate of water and soil conservation. He has a far-sighted program in this important area and the proven leadership to carry it through. "Soil and water conservation constitute our Number One domestic problem," he said recently.

**PRISON REFORMS:** Administration of the Texas Prison System today is recognized by experts as among the best in the nation. Allan Shivers began working toward this goal when he first took office, realizing that the system was classed as one of the worst in the nation. Remarkable progress has been made but, at the same time, the net cost per man per day to taxpayers has been reduced 50 per cent.

**STATE HOSPITALS:** One of Allan Shivers' first official acts as Governor was to call a special session of the Legislature to appropriate \$20 million additional administrative funds and \$35 million in building funds to improve deplorable conditions then existing for the unfortunate patients. "We have made great progress," he said recently, "and the program must be carried on."

**INSURANCE REGULATION:** As far back as 1951, Allan Shivers recommended strengthening of insurance laws to protect the public. Action is being taken to weed out unsound companies. The clean-up campaign launched by his administration will be continued.

**OLD AGE ASSISTANCE:** Allan Shivers, as a State Senator, wrote the first Texas Old Age Assistance Law. Two years ago, he promised the old people of Texas he would seek a constitutional amendment to increase old age pensions. That amendment will be voted on by the people next November. Allan Shivers carries out his promises.

**ROADS:** Allan Shivers was one of the original sponsors of the farm-to-market road system in Texas. During his administration, more miles of farm-to-market roads and state highways have been built than in any other comparable period. He believes highway construction and maintenance should keep pace with a growing Texas.

**TIDELANDS:** Allan Shivers courageously battled for years to return to Texas school children the tidelands, rightfully owned by Texas but unjustly seized by the federal government. He helped achieve a conclusive victory and, since then, the tidelands already have added \$32 million to the state's Permanent School Fund.

**LOCAL GOVERNMENT:** Allan Shivers believes government should be kept as close to home as possible. He is firmly convinced that the Supreme Court should give local school boards maximum latitude in handling the many difficult, varied problems that, in future years, will grow out of the segregation decision.

**ECONOMY:** Despite the vast improvements that have been made, Texas still ranks among the lowest in the nation in per capita state taxes. Unlike most states, Texas operates on a cash basis without either a sales tax or state income tax. Allan Shivers is opposed to both.

**CLOSE TO PEOPLE:** Allan Shivers has visited in nearly every section of Texas as Governor because he likes people, enjoys talking with them and profits from their comments and advice. As a result of his genuine interest in people, he and his fine family have become known and loved throughout the State as representatives of the highest type of Christian citizenship.

**THE FULL PROGRAM:** Allan Shivers already has been recognized as one of Texas' great governors, and as one of the best in the nation. He wants to complete the dynamic, positive program for Texas started with his leadership. Upon the solid foundation already built, and with his demonstrated ability to get the job done, the people of Texas can enjoy state government at its best during the next two years.

**SHIREMAN Will Work for YOU!**

No matter where you live, anywhere in any of the 19 counties of the 14th Congressional

District, Bill Shireman will be working for YOU if you elect him to Congress.

No matter who you are, regardless of race or religion, Bill Shireman will respect

and seek your opinions and help you solve your problems.

As a State Senator he has won the confidence of

all sections of his district because he works for ALL.

The following letter speaks for itself.

**"Represents Entire District"**

"In Willacy County we have found out how effectively Bill Shireman represents his entire district — not just his home county.

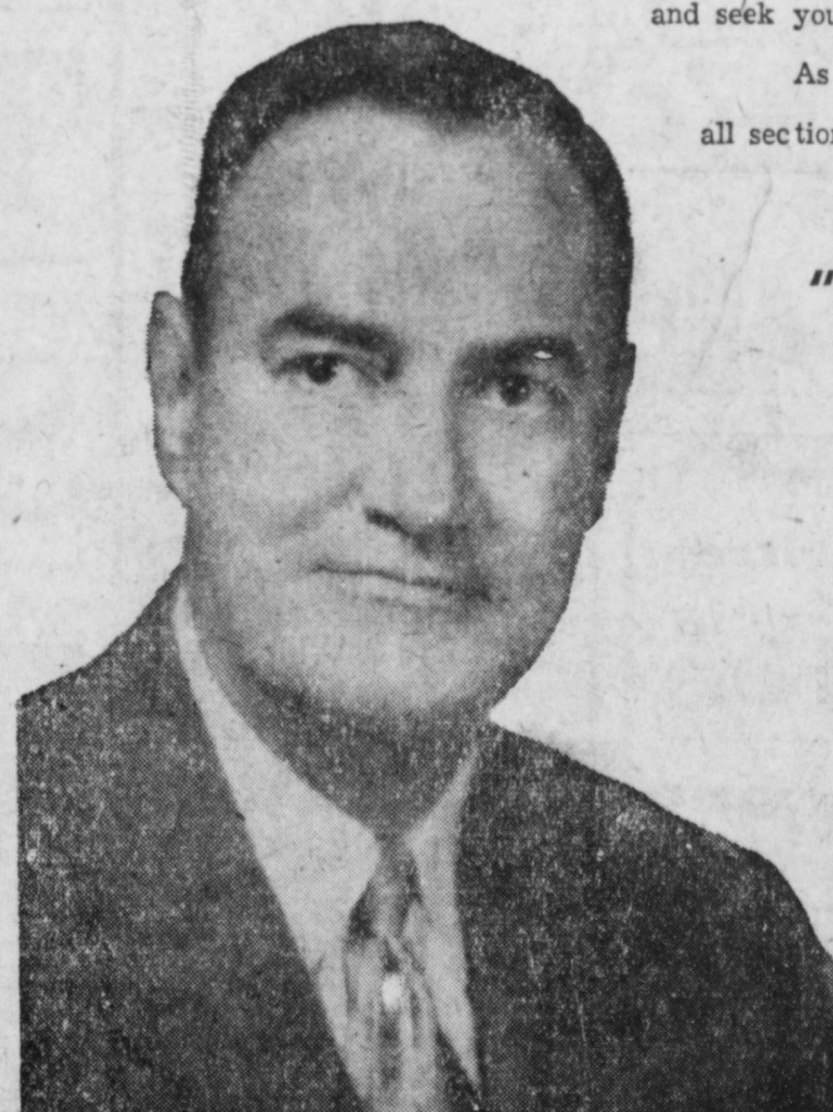

"We are at the south end of Shireman's present state senatorial district, a long way from his home in Nueces County.

"Since he has been our state senator Shireman has been here frequently. He has made himself familiar with our problems. When proposed legislation would affect us he has always made a sincere effort to learn our opinions and to be guided by what is best for most of us.

"We will not be in Shireman's congressional district. We hate to lose him as our state senator, but we recommend him to the people of the congressional district as a sincere, hard-working and effective representative."

 IS THE MAN FOR CONGRESS

(Political Advertisement Paid For By Joseph Malec, Campaign Manager)

During the past week, several signs such as the one pictured above have appeared in Corpus Christi. All bear the same legend: "Send Shireman from Corpus Christi to Congress."  
 Such an appeal, we realize, might be regarded in cynical political quarters as "good politics" on the ground that it tends to stimulate hometown loyalty. In the race for the 14th District congressional nomination, it might be regarded by those same people as particularly good politics because Corpus Christi contains the biggest hometown vote.  
 But I have entirely too much respect for the people of Corpus Christi and all the rest of our nineteen-county district to believe that they will tolerate such an insult. Our people are fair people. Our area is a versatile area. And our fairness and our versatility are the very roots of our strength, our progress, and our prosperity.  
 John J. Bell has promised to give equal and forceful representation. And he has backed up that pledge with a record of 18 years of fair and constructive service in the Texas Legislature in behalf of all of South Texas, including Corpus Christi.  
 I say it doesn't matter where a candidate lives so long as he is the best candidate and so long as you know from his record that he will serve you well. I say, too, let's turn our backs on those who would divide us. Together, we have moved ahead. Together, we will continue to move ahead with John J. Bell as our congressman.
