

THE JAYTON CHRONICLE

VOLUME XVI

JAYTON, KENT COUNTY, TEXAS. FRIDAY, NOVEMBER 13, 1936

NUMBER 46

Business on the Move in Jayton

This can be safely classed as business moving week in Jayton.

The Grocery stock of Bryant-Link company was moved the last of last week to the Landers and Gardner Store, just started the ball rolling. This week they have been busy re-modeling the store rooms, moving and re-arranging their Hardware and Furniture stocks and now they have one of the nicest stores of this kind anywhere in this part of Texas.

Over in the Robinson block, some real moving took place. The north building has been worked over and the grocery department moved into it, and Market fixtures added and from this date on it will be a complete Grocery and Market separate from the other departments.

They will re-arrange the middle store room, moving in their furniture with the hardware and the furniture room will be occupied by the Ladies WPA sewing organization with Mrs. R. A. Jay in charge.

And that is not all, The Lyles Variety Stocks has been moved to the store room back of the Jones Drug and a firm from Retan will open a new Grocery and Market in the Lyles building Monday of next week. All in all it's been a busy moving time for Jayton all this week.

Archer County to Get First Checks

COLLEGE STATION — Archer county farmers will probably be the first in the state to receive checks from the estimated \$38,000,000 to be paid Texas farmers for compliance with agricultural conservation plans made last spring, according to the announcement of the State agricultural conservation committee. Applications for grants have been prepared and are now in the county ready for producers' signatures.

In the whole state 243,000 work sheets were signed, covering approximately 25 million of the 35 million acres of crop land in the State. It is estimated that a large proportion of the farmers who signed work sheets will complete cooperation and receive checks.

Diphtheria Yields To Immunization

AUSTIN — With sporadic cases of diphtheria being reported from various communities in Texas, Dr. John W. Brown, State Health Officer, has issued another warning to citizens to be on guard. The importance, the value, and the effectiveness of diphtheria immunization of children, he said, is a well established fact to the medical profession of today and it is possible to say, without reservation that diphtheria is a preventable disease.

"Since diphtheria immunization is now a procedure of proved value," Dr. Brown said, "it places the control of diphtheria in our hands, but the greatest obstruction to elimination of diphtheria is delay."

"Mass immunization in schools and clinics has demonstrated that the people of a community may control the number of cases of this preventable disease and that immunization is a simple and harmless procedure. However, the fact that 134 cases of diphtheria were reported to the State Health Department for the month of October, shows that diphtheria is on the increase. The first week of October showed 27 new cases reported to the State Department, the second week showed 17, the third week 27 and the fourth week showed the alarming number of 63 new cases.

"The fact that diphtheria is most dangerous to the very young children, makes immunization not only a school problem but a pre-school problem. Parents who fail to observe a precaution which may prevent a fatal illness are taking a heavy responsibility. This immunization agent is absolutely safe to administer. There is only a slight local reaction, and practically no constitutional or troublesome after effects. It confers a life-time immunity in the majority of cases.

It is hoped that every community that has not already done so, will promulgate to wage a campaign to immunize all preschool and school children against diphtheria."

To the People of the 19th Cong. District

'Tis with grateful appreciation that I acknowledge receipt of the Campaign expenses donated by the Roosevelt-Garner campaign by the citizens of the twenty-five counties of the 19th Congressional District.

Dawson, Lynn, Lamb, Lubbock, and Terry counties contributed their full quotas to the fund and the other counties, with the exception of one or two, contributed in large measure their quotas but due to the rush in such large territory, it is impossible to state at this time just how much each county contributed. Suffice to say, however, that the large vote given to Roosevelt and Garner and the liberal contributions in the 19th Congressional District are gratifying to the National and State Executive Committees and to the District committee, and I want, on behalf of the State, National and District to thank all county committees and organizations and all voters who have contributed who have made possible such a wonderful victory for President Roosevelt and our own native son, vice President John Garner.

Tom Garrard, Chairman of the Democratic National Campaign Committee for the 19th Congressional District.

Fire Prevention Good Business

If you've ever suffered from destruction of property by fire, you'll know that nothing can fully repay you.

A fire insurance policy will rebuild a home. But it won't bring back keepsakes and the hundreds of irreplaceable articles that most of us gather through the years—articles with little intrinsic value. Nothing can. There are many things dollars can't buy.

As an insurance policy may replace a burned factory, but it can't pay for lost work, destroyed opportunities, depleted purchasing power. When workmen's incomes stop, the whole community feel it. It may be necessary for them to subsist on charity or relief, at the expense of everyone. Storekeepers suffer, property owners lose rent, savings are taken from banks, and so it goes.

When property is consumed it no longer pays taxes, and the taxes paid by all other property must be increased to make up the deficiency.

Cases are on record where a fire has destroyed a town's principle industry, and the result was that community progress came immediately to an end and stultification set in.

Every wise homeowner and business owner carries insurance, but if he is really wise, he will realize that his policy no matter how complete, can never completely pay for the results of a fire. He will realize that prevention is better than cure, and that systematic fire prevention, carried on by every individual as well as by authorities, is good business that keeps money in all our pockets.

Governor is Movie Actor in 'Rangers'

First Governor of any state to take a role in any feature motion picture is the genial, bronzed Chief Executive of New Mexico, Clyde Tingley, who appears in King Vidor's epic of the early Southwest, "The Texas Rangers," coming Wednesday and Thursday, November 18, 19 to the Palace Theatre in Jayton. Governor Tingley rides with Fred McMurray and Jack Oakie, principals of the film, as a member of the old Rangers organization.

Governor Tingley was enlisted to play a part in the picture by Vidor when the huge location company moved into the desert near Santa Fe for the more than two months required to make the film. He has a few brief "lines" to deliver, in a sequence in which the members of the Rangers sit down to a luncheon. Governor James V. Allred of Texas directed the opening scenes of the picture by long distance telephone, through a special line strung into the desert location for the occasion.

Mr. and Mrs. Bob Whitaker and Mrs. Geo. Rico and Nannie Beth had business in Lubbock last Saturday.

Intz Hart is visiting Mrs. L. J. Meyers this week.

Help Us to Help Others

Rev. R. Van Zandt Goes to Stanton

Rev. Raymond Van Zandt and family are moving to Stanton, Martin County, today where he will be the pastor of the Methodist church. Rev. Van Zandt has many warm friends here where he has done a great work during the past two years, the most outstanding of which was the leadership he gave the church which induced them to build a new place of worship that is a credit to the church organization and the town.

While Jayton Methodists are hopeful that he would return for another year, they rejoice to know that he has received a just promotion and wish for him and his, great success in his new location. The people of Stanton are getting a splendid pastor and preacher and a new family whom all will learn to love.

Gen. Motors Employees Get Boost in Pay

NEW YORK — Nov. 10 — More than 200,000 employees in General Motors corporation plants and offices joined today the swelling ranks of workers in American industry in line for year end bonuses and wage increases.

Dipping into profit gains resulting from industrial recovery, General Motors fell into step with three other giants of American business—U. S. Steel, Standard Oil of New Jersey and Chrysler—in giving workers and shareholders a large slice of this year's profits.

The largest of the nation's motor makers made its contribution to expanding purchasing power as follows:

It declared a "year end" dividend of \$1.50 a common share; it will distribute a Christmas payment to workers of \$10,000,000 under its "appreciation fund" and effective immediately, it will lift the pay of wage earners 5 cents an hour.

The wage adjustments were made, President Alfred P. Sloan, Jr., said, "in view of the fact that it is likely the current trend of business activity will continue, so far as can now be seen—at least as to 1937—and further."

Jayton Culture Club

The Jayton Culture Club met with Mrs. W. J. Herabree their November 4th meeting. A very interesting study of the lives and work of several southern poets was made.

The November 13 meeting will be at the home of Mrs. O. W. Coats. Every member is urged to be present.

Members not notifying the hostess of intended absence are subject to fine.

Mr. and Mrs. W. T. Humphries and Marlene of Seymour visited Mr. and Mrs. Mack Woodrum and children last week end.

Notice to Old Age Pensioners

AUSTIN — Our definite responsibility is to get assistance to the needy aged, and no deserving applicant or pension recipient in Texas should be afraid that we will overlook him, said Acting Director Orville S. Carpenter, of the Texas Old Age Assistance Commission, today, explaining re-investigating procedure required by the new pension statute.

The new law, House Bill 8, takes away requirements concerning property, cash ownership, and income as bases for determining eligibility. Entire basis of the new assistance law is the need of the individual. Aid contributed by other individuals, whether cash or free rent, free board, free medical care, or clothes, must be taken into consideration.

Later Investigation
"At present we are busy segregating cases in which recipients show no cash in the bank, no property owned, and no other income except that from the Commission. These cases will not be re-investigated until later because the old people would evidently be in need if they were off the rolls," Carpenter declared.

House Bill 8 requires that all recipients now on the rolls be re-investigated.

Investigated Immediately
"We have started already re-investigating such recipient on the rolls whose eligibility under the new law is doubtful because he has income, property, or is receiving assistance from some individual. However, it should be remembered that we will look at each of these cases with the question in mind: "Is this old person in necessitous circumstances?" he added.

Those Not On Rolls
"Of the applicants whose cases have not been investigated, or are in the process of investigation, we will ascertain those whose applications reflect need and then get to them first. Many of our policies will be determined by the fact that winter is coming and that the needy aged must be taken care of now and not six months from now.
"The evident intent of the Legislature was that assistance must go to the needy aged, and we will see that they get their grants as soon as possible," Carpenter stated.

W. L. Coons, our efficient public school superintendent, has our thanks for his renewal to the Jayton Chronicle handed us Thursday of this week.

Mr. and Mrs. H. J. Whately, Mrs. Babe Cox, Mrs. Z. Z. Chisem, Mrs. Dennis Etheridge were called to Tahlequah, Oklahoma last Friday to attend the funeral of their brother, Carl Peek who passed away there in a hospital.

Mr. and Mrs. Ivey Murdoch, Misses Mayme Morris Murphy, Nannie Beth Rice, Nettie Faye Shafer had business in Spur late Monday P. M.

Seek Assailant Of Dawson Man

LUBBOCK, Nov. 10 — South plains officers joined today in seeking the assailant who killed W. F. Peacock, aged storekeeper in the Grandview community 12 miles north of Lamb.

Peacock's body was found yesterday. He apparently had been slain late Sunday night. He lived alone and Sheriff Gus White of Dawson county said robbery was the most likely motive for the killing. According to White, Peacock usually carried more than \$100 on his person.

The aged man was killed by a blow on the head with an iron bar.

Red Cross Spends Over \$141,000.00

ST. LOUIS — The American Red Cross early this week completed rehabilitation work among 9,000 victims of the Concho valley and Brazos river floods of late September. This announcement was made today by Wm. M. Baxter, Jr., the agency's midwestern area manager, who placed total Red Cross expenditures at \$141,915. Of this amount \$47,277 was subscribed by Texas citizens, the remainder being appropriated by the National Red Cross.

During thousands of families from their homes when it left its banks on September 17, the Concho river seriously flooded parts of five counties. Two-thirds of the damage, however, was confined to San Angelo, where 800 homes were demolished or damaged by the flood. At Lampasas 200 residences were struck altogether 1,098 families turned to the Red Cross for assistance in this disaster, Baxter said.

Wages being the brunt of the Brazos river flood of September 27. Falls county also felt the effects of this overflow, but damage was not heavy. The Red Cross helped 1,057 families, most of whom resided in Waco. Since only 170 homes were seriously damaged, the task of rehabilitation was not as heavy as in the Brazos river flood, Baxter pointed out. Here the relief agency cooperated with the State Health Department in an immunization program.

In a statement to the 236 Red Cross Chapters in Texas, Governor James V. Allred last week called upon the citizenship to support the national organization in its November 11 to 26 Roll Call. His office cooperated with the Red Cross throughout both disaster operations.

"As you know" said Gov. Allred, "the existence of the Red Cross is dependent upon individual membership, enrolled annually during the organization's Roll Call. The objective this fall for Texas is 154,000 members. Attainment of this goal calls for a substantial increase over last year's enrollment, which totaled 120,426. Not only as Governor of our state, but also as an individual citizen, I sincerely hope that no effort will be spared in keeping the Red Cross at full strength by the achievement of our state membership objective."

Many See and Admire New 1937 Chevrolet

The center of interest in the auto minded people of this territory was the new 1937 Chevrolet displayed at the show room of the Mason Chevrolet Company in Jayton last Saturday. The car was a beauty and was admired and inspected by hundreds of people. Many others came in to see it the first of the week but it had been sold to E. E. Wallace Jr. of near Clairmont.

Orders were taken for three others to be delivered at an early date. A car load of these new automobiles are to be in next week and all may have the opportunity to see and inspect them and we have no doubt but what they will find a quick sale.

Mr. and Mrs. Odell (Bottles) Mason are the happy parents of a son and heir, born to them Wednesday night. All parties doing well, Grandma and Grandma Mason included.

Mr. and Mrs. Ely Self have a new baby boy in their home which came last Thursday night.

Dave Knutson and Brady Barkley of Mexico came in Tuesday to visit home folks.

Winners Announced In County Exhibit

Miss Clara Pratt, home demonstration agent from Dickens County who judged at the county exhibit in Jayton November 7, announced the following winners:

Canned Plums: First, Mrs. Edd Fuqua of Catfish; second, Mrs. Van North of Jayton; third, Mrs. Dick Sampson of Purham.

Peaches: Second, Mrs. H. D. May of Jayton; third, Mrs. E. Clark of Jayton.

Pears: first, Miss Mattie Howell of Catfish; second, Mrs. W. J. Lane of Jayton, third, Mrs. Matt Howell of Catfish.

Sweet Pickled Peaches: second, Mrs. H. Underwood of Lost Lake; third, Mrs. Van North of Jayton.

Beet Pickles: first, Mrs. H. D. May of Jayton; second, Mrs. Edd Fuqua of Catfish; third, Mrs. E. Clark of Jayton.

Cucumber Pickles: second, Mrs. E. Clark of Jayton; third, Mrs. Matt Howell of Catfish.

Watermelon Pickles: third, Mrs. Matt Howell of Catfish.

Greens: first, Mrs. O. C. Lowrance of Jayton; second, Mrs. H. D. May of Jayton; third, Mrs. Van North of Jayton.

Canned Beets: first, Mrs. Matt Howell of Catfish; third, Mrs. Van North of Jayton.

Field Peas: second, Mrs. Matt Howell of Catfish; third, Mrs. H. D. May of Jayton.

Green Beans: first, Mrs. Edd Fuqua of Catfish; second, Mrs. Ed Brown of Jayton; third, Mrs. E. Clark of Jayton.

Carrots: second, Mrs. H. D. May of Jayton; third, Mrs. Matt Howell of Catfish.

English Peas: first Mrs. E. Clark of Jayton; third, Mrs. Matt Howell of Catfish.

Kraut: first, Mrs. Van North of Jayton; third, Mrs. Matt Howell, Catfish.

Tomatoes: second, Mrs. Matt Howell of Catfish; third, Mrs. Edd Fuqua of Catfish.

Tomato Juice: first, Mrs. C. Darden, Jayton; second, Mrs. Edd Fuqua, Catfish; Third, Mrs. H. D. May of Jayton.

Berries: second, Mrs. O. C. Lowrance, of Jayton.

Green Tomato Relish: first, Mrs. J. A. Parks, Lost Lake; second, Mrs. W. J. Lane, Jayton; third, Mrs. O. C. Lowrance, Jayton.

Other Relish: first, Mrs. J. A. Parks, Lost Lake; second, Mrs. H. D. May, Jayton; third, Mrs. Matt Howell, Catfish.

Pepper Relish: first, Mrs. H. D. May, Jayton; second, Mrs. W. J. Lane, Jayton; third, Mrs. Matt Howell, Catfish.

Okra: second, Mrs. Matt Howell, Catfish.

Plum Butter: third, Polly Thompson, Girard; third, Billy Wade Wright Girard.

Preserves: second, Billy Wade Wright, Girard; third, Polly Thompson, Girard.

In Miss Pratt's comments at the open judging she stated that a product should not be given first place simply because it is the best exhibited. First places were not given in some cases. As a whole the women did not have first class products from their gardens to can, and this accounts for the lack of awarding first places in some entries. The beets greens and relishes entered were exceptionally nice. Miss Pratt said she thought field peas and watermelon pickles could be improved if directions are followed more carefully. She stressed the use of the directions in the government bulletins.

Produces Vegetables For Salads

The fall garden of Mrs. E. Clark of Jayton is producing a variety of salad ingredients that are important in the diet because they contain a quantity of minerals and vitamins.

Mrs. Clark has lettuce, radishes, onions, turnip and mustard greens from her garden now.

Mustard or turnip greens may be substituted for lettuce as a salad base when shredded, combined with chopped hard cooked eggs, and French dressing made of vinegar, salad oil, paprika, salt and sugar.

Mayme Morris Murphy, primary teacher in the Jayton Public school system, has been on the sick list this week, suffering from an attack of flu.

L. F. Wade, Owner and Publisher

Entered as second class matter February 10, 1921, at the post office at Jayton, Texas, under the Act of March 3 1879.

SUBSCRIPTION PRICE PER YEAR \$1.50

COUGHLIN OFF THE AIR

The Country sighed with relief when the Rev. Fr. Charles E. Coughlin, his National Union for Social Justice blasted loss from its eye-teeth by the Democratic explosion, announced that he was ceasing his political activities and would not hereafter be active on the air.

Less than ten per cent of the 'millions' he claims pledged to vote for the Union endorsed candidates, actually did so, the radio priest declared.

There is little doubt that public resentment against his bitter castigations of President Roosevelt caused many of his followers to desert him. It was resented by all classes and all sects, Catholics and Protestants alike.

Most people not active followers of Coughlin will be glad that he is off the air, and hope he stays off. The overwhelming democratic victory squelched the Coughlin and similar movements quite effectively.

Clairemont School News

The Halloween carnival sponsored by the P.-T. A. was quite a success. Everyone had a pleasant evening. Some thing over \$30.00 was cleared, which will be used in making the water more sanitary and putting in a lavatory.

The State Inspector, Mr. Wilson, visited school Friday. His visit was a very pleasant one.

A concert was sponsored Friday evening by Mr. Warren, who has been holding a singing school in Clairemont. A box supper which was held to provide funds for the singing school netted over \$40.00.

The P.-T. A. met last Wednesday and had a short program on Folk Music was rendered. This was fol-

Tom Fowler returned from Dallas Sunday afternoon.

FOR RENT — 480 acres, 6 miles from Jayton on Highway. Fair im-

M. L. DAVIS, BOX 14, CUBBER, TEX.

The new pension law, H. B. 8, has no eligibility loopholes as had the previous statute, Orville S. Carpenter, acting director of the Texas Old Age Assistance Commission, said today as he declared the new law much more humane and logical.

"Emphasis is placed upon need—actual need—rather than upon vague and inhuman yardsticks which previously kept some needy aged from receiving assistance and allowed others to be eligible when their sole claim was that they met requirements of the law," Carpenter explained.

GIRARD 4-H CLUB REPORT

Tuesday November 3, the Girard 4-H club girls met at the school

ASK US TO FIX A SEWING BOX and pay a thimble, scissors, tape measure, pins, needles, white thread, one kind of colored thread, a pencil, paper, a big sack, and some print cloth. We are going to select new officers the next meeting.

Notice

Statement of the President on Red Cross

The American Red Cross is close to the heart of every American. Its emblem symbolizes good will and neighborliness and brotherhood throughout our land. Its purpose springs from the deep seated desires of the people themselves, desires for restored orderly living and well being wherever disaster and calamity strike.

All of us are proud of the work which the Red Cross did this year after the spring floods and tornadoes. Urban dwellers and rural dwellers alike felt its ministrations in the areas devastated by wind and water as well as wherever disaster struck home in thirty-nine states.

The Red Cross program of service in disaster relief, in health work in behalf of disabled ex-service men, in leading our children to good citizenship through the Junior organization and in all of its work for humanity, reflects the generosity and spirit of helpfulness of our citizens. The greater the Red Cross grows in membership, the better this nation and world will be. The return of prosperity brings with it an added responsibility on the part of all of us toward our neighbor in distress. We must give in proportion as we have received. When the havoc of Again, from Armistice Day to

Birthday Dinner

Last Sunday a birthday dinner was given in honor of Mrs. Sophie L. Caldwell's 67 birthday at her beautiful ranch home east of Jayton. The dinner was served by Mrs. Newton Caldwell. Presents were presented to her by all her children and Mr. and Mrs. Glen Huls.

Those present were Mr. and Mrs. Bill Daniel and family, Mr. and Mrs. C. G. Sherrod and children, Miss Alice R. Daniels, Mr. and Mrs. N. K. Caldwell, Mr. and Mrs. Jack Daugherty, Mr. and Mrs. E. D. Durham and Jack Caldwell, Mr. and Mrs. Glen Huls and the honoree, Mrs. Sophie L. Caldwell.

Statement of the President on Red Cross

storm, flood, accidental injury or war visits men, women, or children, this beneficent agency begins immediately its mission to heal, to mend, to replace.

Thanksgiving, people everywhere will have an opportunity to join the Red Cross. By joining, every American has the privilege, through individual membership, of sharing in its great work, both local and national. Membership is an evidence of good citizenship. I urge that all who can do so respond promptly and generously to the annual Red Cross membership roll call.

—Franklin D. Roosevelt.

Lost: small red change purse between theatre and my home in Jayton. Finder please return same to me or leave at the Chronicle office.— Mrs. Virgil Dake.

Farm Agent's News Items

A number of Kent County farmers and ranchers are filling trench silos this week. Elmer Cade has filled two and is digging a third. He will have approximately 50 tons of silage when he gets all his feed down. W. J. Garrett is preparing to put down approximately 100 tons. Lawrence Mayer is filling another one.

In the past years the farmers have experienced quite a bit of difficulty in keeping this late-maturing feed. The trench silo has proven to be the solution to this problem. Why not silo this feed and be on the safe side.

Kent County Farmers to be Asked to Plan a Suggested Farm Program to be carried out in 1937

During the next few weeks every farmer in Kent county, who it will be possible for the County Agent to contact, will be given an opportunity to express his opinion and make whatever helpful suggestion he may have to offer for a Farm Program during the coming year. It is true that it will be impossible to use all of these suggestions, but we hope to send in some things which will be helpful to the group who will ultimately plan the new program.

Think this problem over and discuss it with your neighbors and we will do our best to formulate a county program which will be practical in Kent County and do the most good to the largest number of farmers.

Antelope Farm Meeting Well Attended

The Antelope Community Association entertained with a three-act play Wednesday night at its regular meeting. Approximately 100 people were present. All of whom seemed to enjoy the entertainment. Two songs were sung by Raleigh Beavers and Randolph East, Randolph ably assisting by strumming the banjo.

The group decided to elect their officers for the coming year and make plans for next year's work at their next regular meeting which is to be held December 9th.

Miss Vivian Dyer is visiting friends in Crossell this week.

—Reporter.

A preliminary report filed with the Texas Planning Board by the experts who are surveying the wool scouring industry of the nation indicates that wool scouring is feasible in Texas and that it can be made a paying venture.

Although there are 56 plants in the United States making poultry feed and agricultural lime from oyster shells, only two of the plants are in Texas, a state with a coast line of 624 miles, according to data compiled by the Texas Planning Board.

ROBINSON'S Grocery & Market

We have moved our Grocery store into the North Building and added a first class market. While we have not had time as yet to arrange it as we hope to, at the same time we are ready to take care of the trade in a reasonable manner.

WE EXTEND TO YOU — a pressing invitation to visit us in the new store room and see the improvements we are making.

We will have EVERYTHING you may want or need in your Saturday shopping trip. Fresh Meats, cured meats, hams, bacon, lunch meats, sausage, Roasts, either pork or beef, vegetables of all kinds, fresh seasonable fruits, etc. We will have many Special prices for Saturday that will appeal to the thrifty cash buyer.

WE WELCOME YOU to this new store old Customers, new customers, one and all alike will be given a hearty welcome.

A SECRET:- Tell no one, but we are arranging some special events. Be alert! Watch for our coming advertisements.

Thanks, folks, for your good fall business, thanks for the splendid way you have been meeting your credit obligations with us. We certainly appreciate this and hope to prove it to you by giving you better service than ever before.

We are doing plenty of re-arranging of our stores and stocks and it will take us perhaps ten days longer before we have everything up in ship shape.

But we are ready for your business with many new goods that have arrived this week. New shoes, new lines of work clothing, new piece goods and winter wearables. Some special low prices are in effect on many select articles—it will be to your interest to investigate.

Our Hardware and Furniture Department looks like they have been hit by a cyclone, but they will soon look like a first class establishment for we are working hard to get them re-arranged in a most attractive manner. Plenty of merchandise in there and plenty of good bargains and more coming to supply the growing demand of these improved times.

We are anxious for your business and will make your calling a pleasant past time.

The Corder Mattress Company
Jayton, Texas

LET'S BE READY

Yes, be ready for the cool weather that is just over the hill. It's coming and if it catches you with an empty coal bin, you hay suffer. We sell coal and would like to supply your fall and winter needs early. It makes it cheaper for you and easier for us. See us about that fuel supply today.

We also sell planting seeds of all kinds. Sow that winter pasture crop as soon as possible. It will pay you big dividends.

Jayton Feed Store

Don't take a chance

Prestone is a lot cheaper than a radiator and motor block. When we sell you the Prestone, we service your car Free Gratis. Is that something?

Is there anything you need or want done to your car we have it. Any make.

On School News

Last Monday, Mrs. Barfoot had charge of the chapel program. War time scenes under peaceful conditions were portrayed since Nov. 11 has been set aside as a holiday celebration of World Peace 18 years ago.

On Thursday we had a representative here taking pictures of the students. A picture of each student is taken and 8 pictures are developed and sent to the school.

On last Tuesday night the Jayton boys and girls had two more games with Peacock and the boys game was especially close but the victory was finally gained by our boys 16 to 9.

pectively. Croft led the Peacock team with 3 points. In the girls game Earnest led the scoring with 12 points but she was ably assisted by McKenzie, Gallagher, Daniels, Ross and Davis.

Miss Bernice Alexander who has been teaching in the Roby schools since the start of this school year has resigned from that place to accept a position offered her in the school system of Sweetwater.

Menhaden, a salt water fish which abounds in the Gulf of Mexico is exceedingly valuable for its oil yet there is little fishing for menhaden by Texans, according to the Texas Planning Board which discovered that fishing boats are sent into Texas Gulf waters for menhaden from Florida where the oil is extracted.

RESULT OF OVERLOADING

Kansas City, Mo.—Laden with an overloaded tonnage of steel, here is what happened to the highway of an outer-belt road leading into Kansas City. The right rear wheel cannot be seen as it is completely submerged in the concrete slab.

More than 100 non-metallic minerals have been located by the Texas Planning Board's mineral resources committee and efforts now are being made to determine the size and value of the larger deposits.

We read in the Abilene Reporter where Miss Jo Robinson of Jayton was one of the few in the Sophomore class at McMurry College making the honor roll this term.

Mrs. W. J. Wade and Med Wade went to Groom, Texas Saturday afternoon. Med will work for the White Deer newspaper for the present, while Mrs. Wade returned to Jayton, Wednesday.

Cool weather with some rain visited us over the week end and the first of this week that was followed by warmer weather and sunshine which was pleasing to all of us who are not as young as we used to be.

Mr. and Mrs. David Polk, Mrs. Robert Polk and son L. D. and Mrs. Harry Liefeste of Mason, Texas visited Mr. and Mrs. T. Johnson and children last week.

Mrs. Bertha Vandiver is taking Mrs. Floyd Green to Santa Anna today.

Mrs. Dolly Perry of Paris, Texas came in Thursday for a visit with her parents Mr. and Mrs. J. C. Miller.

J. C. Miller had business in Spur Thursday afternoon.
