

THE JAYTON CHRONICLE

VOLUME XVI

JAYTON, KENT COUNTY, TEXAS. THURSDAY NOVEMBER 26, 1936

NUMBER 48

County Agents Report

Wanted: Boys from WPA Families Between the Ages of 18 to 25

Mr. W. F. Shaffer, Jr., District Project Superintendent of District 13 whose headquarters is at Abilene, met with the County Agent on Monday for the purpose of discussing the possibilities of using N.Y.A. Boys for terracing work in Kent County this year. Mr. Shaffer stated he had written all the boys in this county who were registered with the NRS but he had failed to get a reply from all except two. This job pays \$10.00 for 50 hours work each month and offers the boy an opportunity to learn to use the farm level and also if he applies himself will put him in line for a better job later on.

The local County Agent has a list of farmers who want terracing done between now and the first of the year on a total of several thousand acres of land. In order to do this it will be necessary to keep the level busy at all times; so at least eight boys are needed in order to have two boys available at all times. These boys will be trained in the use of the level and supervised by the local County Agent.

All the boys in the county who are eligible for this work are urged to see the County Agent and he will take the matter up with the Abilene office and get them certified.

Farmers Wanting Terracing Lines Run Should Turn Their Names Into the County Agent

Few farmers dispute the value of terracing their land as a money making proposition for the present as well as the future. Kent County has very little land which will not be improved by terracing. Even the fields of the deepest sand should be run on the water level. This will help considerably to prevent the sand from blowing and cutting the crop off during its early stage of growth. And too, we can improve the production to a considerable extent.

If you have not already done so, please turn your name in to the County Agent along with the number of acres you would like to have terraced, in order that he may more intelligently plan the terracing work for this county this fall and winter.

Let's use these boys and get the work done economically while we have the opportunity and begin taking advantage of the increased production of terraced land over the straight rows for the coming year.

Feed in Shock Still Good For Trench Silos

A number of farmers have asked the local County Agent if feed in the shock is suitable to put in a trench silo. This feed will make good silage so long as it is not moulded. If a few bundles happen to be moulded just leave them out and put the rest in the silo. Standing in the shock will not hurt the feed for a silo. The only thing is that it dries out a little and must have more water added to bring it back than would have been necessary had it been put in when it was fresh cut.

Those in doubt as to whether or not their feed is suitable for a silo are invited to notify the County Agent and he will inspect it and advise them on the matter.

Meeting of Kent County Agricultural Association

The Kent County Agricultural Association held a called meeting in Jayton Saturday November 21st, for the purpose of electing a delegate to represent Kent county at the Farmer's meeting in Fort Worth on December 2, 3, and 4. The purpose of the Fort Worth meeting is to discuss the farm problems and to adopt whatever resolutions the farmers of high state wish to be included in the Farm program for 1937. Discussions being made on contemplated farm programs seem to have changed their trend from the emergency program made necessary by the seriousness of the depression to a more permanent or long time program, with the idea in mind of making the soil for future generations and offering to the farmers a way to offset, in a measure, the cost paid to the manufacturers.

The farm leaders are studying the possibility of including some form of insurance against drought and crop hazards in the future. They appear to be striving

Thanksgiving-

Centennial Celebrations Shift to Magic Rio Grande Valley

DALLAS — Texas' famous Magic Valley will command the Centennial spotlight in December, as the most glittering festival year in the history of American entertainment comes to a triumphant close.

With the Texas Centennial Central Exposition in Dallas preparing to close November 29, and with the Fort Worth Frontier Centennial having closed November 14, thousands are preparing to make the cross-Texas trek to the Rio Grande Valley where Mission, Harlingen and Weslaco are the Centennial's official hosts.

The Texas Citrus Fiesta, to be held in Mission, December 4-6 is a banner celebration on the Centennial calendar. Parades, style shows, bathing revues and many other events crowd the program. Exhibit A at this big show, however, as the events in Harlingen and Weslaco, will be the Magic Valley's incomparable climate and natural beauty.

The Valley Mid-Winter Fair, scheduled for Harlingen December 2-6, this year is a Centennial event of first importance. The beautiful valley will here display the wealth of its varied produce, but these exposition features of the fair will be balanced by many entertainment attractions.

The Weslaco Birthday celebration, calendared for Weslaco December 9-10 will offer entertainment novelties found nowhere else in the world. Here will be held the unique annual style show, in which contestants will wear dresses made only of fruits, vegetables, or flowers as they parade down an elevated board walk more than a block long. The city itself is an important attraction, the facades of the entire business center having been rebuilt this year to present the appearance of a Spanish village.

Far from the Magic Valley of the Rio Grande, however, other Centennial celebrants will gather in Anson, historic West Texas community, to participate in one of the most picturesque celebrations of the year, the Cowboys' Christmas Ball. For three nights and two days, beginning the evening of December 3, this folk festival of the west celebrated in story and song, will be alive with frontier gaiety.

Baptist Church News

On last Friday night several BTU contestants went to Anson for district tryout. We were happy to take away two blue ribbons. Those wearing them are Maxine Gallagher and Anna Sue Hembree. Others who won high honors were Mac Jones, Bobby Little.

Forty BTU members have signed up to attend the convention in Abilene Thursday and Friday and Saturday of this week.

Come to church Sunday and see a bonfire made with the last note on our church building. We have much to be thankful for on this Thanksgiving occasion. We are grateful to our building committee for the splendid work they have done. Now let's get our purses together and complete the auditorium.

—Reporter.

ing to build a better program which will be more suitable to all concerned.

Mr. J. M. Johnston was elected to serve as a delegate for Kent County. The association decided that since Mr. Johnston is representing Kent County that it was nothing but right but for the farmers of Kent County to pay his expenses on this trip. For that purpose the Association has assessed each Community Association of the county for its pro rata share of this expense money. It is understood that the money so collected, which is not used for this purpose, will be held in the treasury of the County Association.

Jayton Basketball Teams Winning Early Games

The past week end was filled with excitement as the boys went to Snyder and the girls went to the tournament at Idalou. The Star Telegram and Abilene Reporter wrote as if Snyder would be a hard bunch to handle as they had 10 men over six feet tall. However we decided to play them anyway. Upon arriving at the new gym we found they even had an orchestra to welcome us to the first game of the season. The "A" team of Jayton won their contest 37 to 12 while the "B" team won 12 to 2. Before the games were over, the pep squad of Snyder was yelling "We want a team—we want a team". Laying all jokes aside, we do expect plenty of competition from them as the season advances.

The girls left Friday afternoon for Idalou and arrived there in time to rest up before the first game with Snyder at 7:00 P.M. It was an easy game and we beat them 49 to 14. McKenzie was high scorer with 18 points. At 11:00 A. M. Saturday we were matched with Spade who had a good team but we beat them 28-15. McKenzie was again high point with 10 points.

In the third game we had a well known team as our opposition in the form of Southland. Probably most of you remember they beat us last year in Southland and we beat them in Jayton. We knew we had a hard team and the girls fought hard and fast to defeat them 23 to 20. Earnest led the scoring with 12 points. Both teams played a good clean game.

We played Southland at 6:00 and won the right to take part in the main event which was the final game for first place with Idalou. From about 7:00 until 9:00 the girls went to Mrs. Lowrey's home to rest up for the games which started at 9:30. The seats were filled and people were standing in every available space. The trophies were on the bench, the final touches were made and the game was on even though the player could hardly hear the whistle because of so many yelling voices which almost raised the roof at times. At the half we were leading by about 5 points but the game ended 21 to 21. The referee declared a 3 minute rest and then play 5 minutes more. The girls were already played out but they played another 5 minutes to find the score was again tied. The referee again said rest 3 and play 5. During that 5 minutes we scored 6 points while Idalou failed to score, thus winning the game 30 to 24 and winning first place in the tournament.

The following girls made the trip: Gallagher, Crider, Rose, Jay, Wright Earnest, Daniels, Lane, Williams, McKenzie, Davis, Jones and Stanley. They did some good playing and we are proud of them.

Frances Earnest and Lucille Daniels were given gold basket balls for winning places on the all-star team. Mr. Coons was given a medal for being the coach of the team coming the greatest distance and he was also awarded a gold basket-ball for coaching the winning team.

We were treated royally by the Idalou people and we expect to go back again some time. They have promised to be at our tournament in January and the Jayton folks will miss a good game if they don't see them play. They have one forward that scored 20 points against us but that was not so bad as she scored 46 against one of the other teams.

Dr. R. L. Alexander, Jack Alexander and Harmon May and B. J. Kellett of Girard, returned Wednesday night from a deer hunt in southwest Texas.

Walton Davis is on the sick list this week.

Don Bradley and family are spending today, Thursday, in Rotan.

Yes, We are Thankful

Now and then we hear some one remark—what have I to be thankful for? Peculiar question indeed. If we will allow ourselves to look back a short time only, we can realize we have so many things to be thankful for that we need an entire page to enumerate them.

Thankful we are among the land of the living. Thankful we live in this good United States, where peace and plenty reign, and hope burns eternal in the heart of man.

Thankful for the wonderful sunshine, for the storm clouds, for fair crops and fair prices for all farm products. Thankful that millions are at work today, where just a few years back tens of millions were formed in soup lines, and millions more were unable even to get soup.

Thankful no dictator has the power of life and death over us. Thankful that God smiles on this nation as on no other nation on the globe. No matter what one may think, say or do each and all of us have so much to be thankful for, words are useless when it comes to attempting to express our feelings in this respect.

To All County and TRC Caseworkers

There will be another enrollment of boys for the CCC camps during the month of January, according to information just released by C. J. Sweeney, District Administrator of the Texas Relief Commission, with headquarters at Abilene.

"To be able to give the War Department information as to the number of boys that will be available, it is requested that all who desire to attend immediately call at their County Relief or Welfare office and leave their names and addresses. Reports on the number of men available must be sent to Washington on November 30, although applications will be taken until December 21. However, some idea must be had as to just how many will be ready to leave when the time comes. This will possibly be the last opportunity for boys to make application for this training, and it is hoped that all who have a desire to attend will lose no time in registering with the least possible delay.

C. J. Sweeney, Dist. Ad.

Mrs. Branch Entertains Sans Souci Club

Members and guests of the Sans Souci Club were entertained in the home of Mrs. George Branch Wednesday afternoon.

After the game period, tea was served to Meses. Bill Cathey, Bake Robinson, Wade Thornton, Bill Vencil, Mack Woodrum, Eldon Wade and Miss Bess Robinson.

Mrs. Wade Thornton was presented high score for guests. High score for members went to Mrs. Mack Woodrum. The traveling duce prize was captured by Mrs. Bill Vencil.

First Tenants Helped To Farm Ownership

T. H. Scharff and family were the first of 200 in Texas to be accepted by the resettlement Administration for its "farm tenant security project".

The Scharff's are being helped to buy a farm in Grayson County with annual installments no greater than they were paying as rent on the same farm. In addition the farm is to be terraced and fenced, a new house to be built with modern conveniences, surrounded by trees and shrubs. This is made possible by three per cent interest and forty years in which to pay. Extension of this plan to a large percent of tenant farmers would be provided under the Bankhead Jones Farm Tenancy Bill, scheduled for action at the coming session of Congress.

Sky High Lands in Jayton, Dec. 3-4

The Methodist Missionary Society are presenting "Sky High", the thrilling drama of the skyways, for the benefit of paying for the pews in the new church. This three-act comedy with musical specialties has many featured choruses.

The following committees were appointed by Mrs. C. J. Robinson to work under the direction of Miss Mary Jane Roby, who comes to our city highly recommended. She has an A. A. Degree from Stephens College at Columbia Missouri, also an A. B. Degree from the University of Kansas where she majored in speech and dramatic Art.

The committees are as follows: Advertising: Mesdames Woodrum, Rainey and Talbott. Casting: Mesdames William Alexander, John Fowler, and C. J. Robinson. Ticket: Mesdames Merle Jay, H. Johnston and H. D. Black.

The casting committee has succeeded in securing the best talent in Jayton for this super show.

Sam the negro porter who "don't make no dust when he sweeps 'cause he uses de lox arm movement" is played by Johnny Hamilton. H. Cobb Wade is Walter Stephens, the builder and designer of the plane "Sky High." and is engaged to Eve Card. Shirley Shields is taken by Mrs. Eldon Wade and is Walter Stephens secretary and incidentally in love with him. Bedford, the snappy government man is Johnny Lewis. Doris Mae Semalt takes the part of Eve Card, an Air Hostess and is a flirt and out for money. Mrs. John Fowler as Mr. Stephens (Walter's mother) is an Irish woman who faints at the slightest excuse. Mr. Mack Woodrum is Sidney Carney. Mrs. Stephens teacher brother is also Irish and quite a "devil with the women". Detective Mockshaw is ably played by W. J. Hembree and is "looking for the other side of the room with Mrs. J. E. Sheibert as Mazie following him like a little dog. Mrs. Earl Hall is the gallant little gypsy. T. J. Williams is the handsome pilot Hunter. Bake Robinson as the announcer is the best announcer off the air.

Besides this superb cast there are beautiful girls singing and dancing like professionals.

As an added feature the Methodist Missionary Society are sponsoring a popularity contest of children from two to eight years. Each merchant will sponsor one child and will have a poster and a picture of this child. Each vote is one cent. So all you have to do is drop your pennies for your favorite child. The boy that has the most pennies wins a cash prize and the girl who has the most pennies also wins a cash prize. The contestants will be presented on the stage both nights of the play and the winners announced the last night. So watch where your favorite children are sponsored and vote for them. Everybody likes a parade so watch for one Saturday afternoon.

SKY HIGH, according to various reports is one of the most sensational dramas ever presented here.

There will be a different chorus presented each night.

The trouper's chorus consists of the following girls: Dell Landsdown, Alice Davis, Peggy Fowler, Dorothy Jones, Katy Crider, Mozell Gallagher, Pauline Hall, Bess Porter, Genie Smith, Doris Holley, Nettie Faye Shaffer, Mozella Mason.

Air Hostess Chorus is made up of Frances Earnest, Nadine Rose, Lucille Daniels, Jessie Vincent, Juanita Williams, and Pauline Brown.

The Dutch Chorus—Jimmie D. Howell, Marjorie Hancock, Cleo Hamilton, Sue Fowler, Ginger Callicoate, Betty Jo Woodrum, Jo Nell Williams, Myrtle Jean Browning.

Air Hostess Chorus Number 2—Mary Lou Matthews, Jim Claire Davis, Wynell Fuller, Maxine Gallagher, and Roxie D. Lewis.

The admission prices are very reasonable. Adults 25c and children 10c. Curtain at 8:21 P.M. So be there early to get a seat.

Win Again

The Jayton basket ball teams each won another ball game Tuesday night. The Peacock Teams were the victims. The Jayton teams so far this season have won all games played, and while they do not claim to be unbeatable as some teams do, they can safely say so if we are undefeated.

Alexander Home Sustains Heavy Damage in Fire

Wednesday afternoon the home of Dr. and Mrs. R. L. Alexander, one of the most modern and substantial homes in Jayton, was wrecked inside, when it is believed an oil stove in the kitchen exploded and scattered flames from the burning oil over one entire side of the house.

At the time of the fire starting, Mrs. Alexander and son Rex and the colored help were in the backyard busy rendering lard. When the fire was noticed, Rex ran into the house to phone in the alarm and found the phone already out of order and had to come to town to turn in the alarm and by the time the fire truck and help arrived the blaze had gained such headway the inside walls, ceiling and part of the roofing and part of the household belongings were past saving and most of the other furniture was water soaked and smoked damaged.

The Doctor and son Jack Alexander with Harmon May and B. J. Kellett of Girard left last Sunday for Southwest Texas on a deer hunt and had not returned home at the time of the fire. The two younger children were at school.

Just what the total damage will amount to we have not the slightest idea, but it will be heavy as there was not a thing in the house or about the house that did not have a slight damage either by fire, smoke or water. We are happy to say the building and contents were insured.

Evening Bridge Party

Mmes. George Stephens and George Branch entertained in the Branch home with nine tables of bridge Tuesday evening of this week.

Table markers and favors were in the Thanksgiving motif.

Other than the hostesses and their husbands, those enjoying games of contract were Messrs. and Meses. G. H. Brown, Bill Cathey, J. B. Earnest, Howard Johnston, Thos P. Johnston, W. K. Joiner, R. C. Patton, Dallas Kennedy, Ivey Murdoch, Bake Robinson, Charles Robinson, Wade Thornton, Bill Vencil, Eldon Wade, Mack Woodrum, and Dr. and Mrs. W. M. McLaury.

High score prize for the ladies went to Mrs. Mack Woodrum; for the men, to G. H. Brown. Low score for ladies went to Mrs. W. K. Joiner; for the men, to Wade Thornton. The travelling prize, given for a small all bid and made was won by Thos. P. Johnston.

Mrs. John Fowler Honoree at Party

Mrs. John Fowler, a recent bride, was honored with a gift tea by Meses. John Jones, O. W. Coats, Walton Davis, Tom Fowler, W. J. Hembree, Ivey Murdoch and F. J. Whitaker Wednesday afternoon in the home of Mrs. John Jones.

Mmes. Tom Fowler and F. V. Whitaker presided at the daintily appointed tea table where refreshments were served to sixty-eight guests who called during the afternoon.

One feature of the party was the unique favor placed on each refreshment plate, a miniature rolling pin.

The honoree was the recipient of a striking array of lovely and useful gifts.

1927 Bridge Club

Mr. and Mrs. Bill Daniels entertained members and guests of the 1927 Bridge Club at their ranch home east of Jayton, last Thursday evening.

The Thanksgiving theme was carried out in room decorations, tallies and table appointments.

A prize for high score for ladies went to Mrs. G. H. Brown, and low score to Mrs. J. W. Sewalt. Mr. Ivey Murdoch captured high score prize for men and Mr. J. W. Sewalt scored low for men.

A delicious refreshment was passed to the following Messers and Meses: G. H. Brown, M. S. Sandell, Bill Vencil, Van North, Wade Thornton, Glen Huls, J. W. Sewalt, Bake Robinson, Ivey Murdoch, Charles Robinson, Mrs. L. H. Mason and Mr. Frank Ewell of Carlton Texas and the Host and hostess.

L. F. Wade, Owner and Publisher

Entered as second class matter February 10, 1921, at the post office at Jayton, Texas, under the Act of March 3 1879.

SUBSCRIPTION PRICE PER YEAR \$1.50

Its Easy—

- There are still some ladies who'll put in a day
- Crowding to counters and turning away:
- Looking at stockings and trying on hats.
- Shopping for curtains, for sheets or mats—
- Gazing at manikins, propped in the aisles,
- Standing for hours and walking for miles:
- Watching the weather for fear of the wet,
- Dreading the dinner they still have to get!
- You don't have to do all these things any more—
- That's what the stores print advertisements for!
- You sit down at home in your favorite chair,
- Look through the paper—the bargains are there.
- Buy what you need, with the ads as your guides.
- Save your self trouble and money besides!

Letter to the Editor—

Editor of The Jayton Chronicle
Jayton, Texas
Dear Sir:
Texas raised her quota for the

National Democratic Committee but Kent county fell far short of its quota which was \$208.00 there being only \$32.00 contributed from the county.

The National Committee is in debt approximately \$500,000.00 and they have asked Texas to put up \$50,000 which is 10 per cent.

The state and national organization thought that the counties who fell short, now that the election is over, would want to help meet this debt. Won't you please, continue your efforts until your county meets its quota or the state raises the \$50,000. I would appreciate your continued efforts in this matter.

Very truly yours,
Tom Garrard.

Note: Those who feel they want to help make up this deficit in the National Campaign budget, hand your donation to the County Chairman or Thos. Fowler.

L. F. Wade, Co. Chairman.

Cotton continues to come to Jayton from points as far away as 60 miles. We do not know whether the local gins and buyers are making any money on this cotton or not, but they keep their gins running and this affords employment for several of the Jayton boys and brings considerable additional business to Jayton.

Remember the closing date of the bargain days for the Chronicle is December 5th.

Bill Jones will read the Jayton Chronicle for another as a result of taking advantage of our bargain sale Wednesday of this week.

Act Now! Renew your subscription to the Chronicle for another year while the bargain rate of 50c per year is on. Special rate expires date of December 5th.

LONG-HAULER CRASHES

This long distance trucker of tires and tubes from Akron, Ohio, had passed through four states with his 8-ton cargo when he crashed into a motor car with such force that the pleasure car was demolished and the truck overturned.

The press of the country-news-papers and periodicals—is lending every support to constructive programs for reducing the highway death rate, bodily injuries and destruction of property.

In the Southwest, 84 civic and trade associations have pledged a united front in demanding better state regulations to govern the operations of trucks on highways. These important trade groups are centering their attention on the need for sane safety laws and regulations to bring merchandising operations of itinerant trucker-peddlers under state jurisdiction.

NEWLYWEDS HONORED AT BRIDGE PARTY

Mr. and Mrs. Charles Robinson Jr., entertained last Saturday evening with three tables of bridge in honor of Mr. and Mrs. John Fowler.

After games of contract were enjoyed, a novel plate of "son-of-a-gun" followed by a dessert course was served to the following guests: Messrs. and Mmes. John Fowler, J. B. Earnest, Van North, Eldon Wade; Miss Elouise Wilson, Harold

Kenady and Anson Sewall.

Judge J. B. Earnest and wife and Miss Frances Earnest were Austin visitors this week, returning by way of Fort Worth and Dallas.

Get your Christmas Cards at the Chronicle office.

Last Saturday was perhaps the best day for the business men of Jayton in more than a year. Business was certainly back to the 1928 peak most of the day.

Hagins-Durham

On Sunday morning, November 22, at 9:30, Miss Cora Durham and Elmer D. Hagins were united in marriage at the home of the brides sister, Mrs. J. E. McKenzie Jr. of Jayton. Rev. Sidnef Cox officiated in the presence of several friends and relatives.

The bride is the daughter of Mr. and Mrs. Earnest Durham of the Duck Creek community and formerly of Jayton. She is an accomplished young lady. A former graduate of Spur High School and also a graduate of John Tarleton at Stephenville. She taught school for two years in Kent County near Jayton.

The groom is the son of Mr. D. D. Hagins and comes from a fine and prosperous family. He is also a grandson of the well known Judge Hagins of Jayton who was one of the first settlers of this part of the country. Elmer D. is a popular young person, a former graduate of Girard High school and a person of whom his community is proud.

The new McKenzie ranch home was beautifully decorated with fall chrysanthemums of yellow and orchid and with stands of lovely green ferns.

The hostess, Mrs. McKenzie served a delicious and well-planned wedding dinner to the following friends and relatives of the couple: Mr. and Mrs. Earnest Durham, Mr. and Mrs. Bill Daniels and daughter, Lucille, Mr. and Mrs. Nolan Gorder, Nolan Jr., and Jimmie Wayne, Mr. and Mrs. Hershel Durham, Duane and Beryl, Miss Nellie Sue Durham, Wilson Hagins and

Paul R. Bennet. Others attending during the ceremony were Mrs. O. L. Driggers, Miss Mary Pearl Hagins, Rev. and Mrs. Sidney Cox. These together with Mr. and Mrs. J. E. McKenzie Jr., and little son William Harvey Jr., joined together in showering the couple with good wishes as they left for a short trip to Lubbock, Amarillo and a few other places of interest.

They will be home soon to make their home among friends who wish them much success and happiness. —By one present.

SCHOOL NEWS

If some student was seen walking in the hall grinning all the time you could guess that he was looking at his picture which came in this week. They were distributed to the students to carry home to see if the parents wanted to buy them.

A Thanksgiving chapel program was given this morning by Mr. Stames group. It reminded us that Thursday was Thanksgiving and that we get out of school two days this week.

More than likely most of you will be confronted within the next few days with a very anxious salesman trying to convince you that you need to buy a ticket to the main attraction of the hour when the Palunhi Company comes to the Jayton auditorium next Monday night, November 30, for one night's engagement. The money will help pay expenses of the athletic year. We still owe on our suits and sweatsuits we bought last year and we are trying to pay athletic expenses out of the athletic fund as much as possible.

TO HOLD MEETING

Albert Smith of Lubbock

Albert Smith, from the Church of Christ at Lubbock, Texas will begin a meeting at Golden Pond school house, 12 miles east of Jayton, Tuesday night before the 1st Sunday in December. All are invited to come and hear this Gospel preacher.

Miss Elouise Wilson of Snyder, Texas spent the Thanksgiving holiday with home folks in Jayton.

Jones Drug has made some improvements on their front sidewalks since the last issue of this paper.

-THANKSGIVING DAY-

The people of Jayton and Community have much to be Thankful for this year - We have received many blessings. Our crops have been fair - new churches built - and the health of the country good - All these and many more we are thankful for. - So on this day let us thank our Maker for keeping us through Another -year! ! !
