

# THE JAYTON CHRONICLE

Volume XXVII

Jayton, Kent County Texas

Thursday, February 20, 1947

Number 8

## Sidelights From Washington

By GEORGE MAHON

I was rather pleased to read in a Texas newspaper today that George Mahon is one of the hardest-working men in Washington these days. I don't want to enter into a controversy with the press and cannot therefore deny the statement.

Speaking of denials, we were having a hot argument in the Joint Senate-House Budget Committee the other day when Congressman Knutson, a blustering Republican leader, shouted that if the Republicans didn't do so-and-so they could be rightfully accused of talking through their hats for the last ten years. Senate Democratic Leader Barkley of Kentucky spoke up very quietly and said, "Well, I would like to say to the gentleman that I am in no position to deny that."

My main work lately has been in connection with the effort of Congress to slash the budget and reduce Government spending, an essential requirement for our national well being. As a member of the Joint Senate-House Committee to do the spade work on the job and report to Congress, I have attended all the meetings. At the final meeting last Friday, I voted against the 6 billion dollar cut which was proposed and approved by the Committee. I made a speech in opposition to the action of the Committee, asserting that the Republican members had concealed from the Congress and from the American people the facts and figures as to just where the cuts were to be made. I said that the report would be meaningless and ineffective unless backed up with an itemized list of the major cuts. Senator Taft agreed with me on this point and to demonstrate his good faith, he himself gave some specific figures as to where he could support a reduction, but the figures were inadequate and inconclusive. The Armed Forces, he thought of one billion dollars would be cut. My thought is that some military appropriations can be made, but not that much. In the military should be made in personnel and in Army construction, but not in such things as military personnel, research and development, and aviation.

At any rate, it is estimated by those best acquainted with the facts that if the 6 billion dollar cut actually goes into effect, the Army and Navy will be decidedly reduced, the Federal road program will be curtailed, the school lunch program for next year will be abolished, the administrative expense of the Veterans Administration will be reduced by 200 million dollars, AAA payments already committed will be reduced by 100 million dollars, authorization of REA loans to local Co-Ops will be reduced by more than 125 million dollars, the Soil Conservation Service will be pared down, support prices for agricultural crops will be jeopardized.

The Department of Agriculture on a percentage basis would take the most drastic cut of any agency. I have said to my colleagues here that Government economy was in the interest of Agriculture but that it was poor economy to try to balance the budget out of the hide of the farmer, and I could not go along with the Republican-sponsored plan for Agriculture.

In the meeting last Friday, 102 Members of the House and Senate were permitted to participate. We made a motion to permit members of the press to listen to the proceeding so that a full report could be given to the people. The motion was voted down. A motion was made that 3 billion dollars of the 6 billion

## Marriage Vows Read For Joe E. Cox Mae Natalie Cross

Marriage vows were exchanged Friday afternoon, February 14th at 3:00 o'clock for Mae Natalie Cross daughter of Mrs. Agnes Dinneiz of Paulsbo, Washington, and Joe E. Cox of Rotan, Texas son of Mr. and Mrs. J. R. Cox of Jayton, Texas, at the home of the groom's sister Mrs. Wilson Hagins. Reverend L. R. Stuckey of Jayton performed the double ring ceremony. The bride chose for her wedding attire a powder blue suit with brown accessories and wore a hat of pale pink flowers, she carried a white bible and a white lace handkerchief. For something borrowed she wore her mother's rhinestone clip. The brides only attendant was Mrs. Wilson Hagins, sister of the groom, attired in a rose and blue dress with black accessories. Wilson Hagins served as best man. At the reception which followed, Mr. Elmer D. Hagins of Spur and Mrs. Wilson Hagins of Gilpin presided at the bride's table, which had a three tier wedding cake and punch. Guests attending the wedding were: Mrs. Z. Z. Chisum, Mrs. Lillie Ethridge, Mrs. Mabry McAteer, John W. Cave, Miss Mildred Pugh, Mrs. Bobbie Jack Ethridge, Mr. and Mrs. J. R. Cox, all of Jayton. Mr. and Mrs. Elmer D. Hagins of Spur, Diane Cross, Mr. and Mrs. Wilson Hagins and daughter, and Mrs. D. D. Hagins of Gilpin. A reception for the family and a few friends was held later in the afternoon at the home of Mrs. W. D. Cave at Jayton. Mrs. Wilson Hagins and Miss Jimmie T. Cave attended the bride's table. The guests were the Bride and Groom, Mr. and Mrs. Joe E. Cox, Diane Cross, Mrs. Mabry McAteer and daughter Helen, Mr. and Mrs. J. R. Cox, Miss Mildred Pugh, Mr. John W. Cave, Mr. D. D. Hagins, Sue and Lue Cave, Mr. and Mrs. W. A. Hagins and daughter, Mr. W. D. Cave, and the hostesses Mrs. W. D. Cave, Miss Jimmie T. Cave and Mrs. Terrell.

After a short honeymoon the young couple will make their home in Rotan, Texas.

dollar expenditure reduction be applied on the public debt. This motion was likewise voted down. Senator Barkley, on behalf of three Members of the Senate, and Cannon, Doughton and myself of the House, offered a motion that no income tax reduction be considered by Congress until we had passed the major appropriation bills through the House and had actually demonstrated that the proposed savings would be made. This motion was likewise rejected.

The whole controversy has now gone to the floor of the House and Senate. It will be confusing to try to follow this controversy. But I hope that many needed economies will be made and Government spending reduced, without the impairment of essential Government operations. Everybody wants to cut expenses and reduce taxes. The argument comes over the extent of the cuts and where they are to be made.

The Bureau of the Budget has recommended the spending of 37 1/2 billion dollars next year, but Congress thinks that's 'oo much and we feel the people agree.

One day last week General Omar Bradley came down and said he needed 2 billion dollars in additional funds for the Veterans Administration. We are going to provide part of the money now and more later when he needs it. The OPA has 14,000 employees and plans to spend 28 million dollars for operating expenses between now and July 1st. But we are asking Congress to reduce this expenditure by one-half, recapturing some of the funds appropriated for OPA before the President lifted most controls last November.

One of the Members of our Committee said he got a letter from a man in his District in Missouri a few days ago which began like this, "I'm so mad at the OPA that I am shouting to my stenographer as I dictate this letter."

As this session of Congress gets under way, clashes between Democrats and Republicans become more pronounced, but this is understandable because we live in a Country where men in and out of public are permitted to have different opinions and freely express them. This is unlike Russia where Joe Stalin in his District recently was elected by a vote of 110,691 to nothing.

George Branch had business in Abilene last Friday.

Guests of Mr. and Mrs. Bob Moore last Sunday were Mr. and Mrs. Bill Williams of Stamford, Tex.

## PICTURE NEWS OF THE WEEK

A howl comes not from the dog, this time, but from 1-year-old ROBERT GEORGE EISERMAN, when ten Cocker Spaniel puppies back him into a big armchair. Look well at this man for he is one in millions. JOHN C. SCOTT, New York World War II veteran, is fighting like a Trojan to make the government stop giving him a pension. An eye injury is the point of contention, Scott claiming it happened before military service, the government insisting on paying a pension. Quadruplets born to MRS. CHARLES HENN, JR., Baltimore, Md., were one month old before the mother was allowed to snuggle them in her arms. Apt pupil at a new employees' winter golf school at Seiberling Rubber Co., Akron, O., is pretty ADELYN SUMNER. Next summer she'll brighten the fairways of the company's recreation-center country club.

## District Conference To Be Held At Rule Texas

The Methodist Stamford District Conference will be held at Rule, Texas, Tuesday February 25. The opening service will be at 9:00 A. M. This Conference is the half-way mark on the short conference year.

The annual conference will be held May 28th at Amarillo, Texas. Those who are members of the District Conference by virtue of the office they hold in the Methodist Church are: Elbert Walker, Sunday School Superintendent; H. B. Patterson, Charge Lay Leader; Beryl Murdoch, District Steward; G. H. Brown, Delegate; Mrs. M. V. Jay, President of W. S. C. S.; and Mrs. J. S. Hinds, Chairman of the Wesleyan Guild.

The pastor, Rev. M. E. Fisher, has extended a cordial invitation to all who will, to attend this conference at Rule, Texas.

The Laymen's Banquet held at the Methodist Church last Wednesday night was teemed a great success, with 32 men attending.

## Mrs. Sam Matthews Honored With Gift Tea

Mrs. Sam W. Matthews was recipient to a Gift Tea Friday afternoon in the home of Mrs. M. D. Fuller.

Eighty guests were registered in the lovely white Bride's Book by Mrs. H. D. Wade.

Valentine cake, open face sandwiches and coffee were served from a ecrú lace-laid table, which was centered with beautiful cut-flowers and candles in crystal holders.

Hostesses for the afternoon were: Mesdames M. D. Fuller, Floyd Hall, H. D. Wade, Dallas Kenady, P. D. Allen, G. H. Brown, Tom Fowler, Bill Daniels, Maurine Dibrell, C. R. Kelley, and Glenn Hancock.

## UNDERGOES OPERATION

In the latter part of January Mrs. Wm. M. Meador of Jal, New Mexico underwent a major operation at the Lubbock Memorial Hospital.

Mrs. Meador's operation though serious, was not an emergency, and had been postponed for some time because of the illness of their son, Royce, who had been under treatment of the doctor there since last June, and who underwent an emergency operation in Lubbock the 27 of last September.

Both parties are doing nicely.

## Will Gardner To Retire March 1st

We were informed this week by Mr. Will Gardner, that he will retire, after fifteen years in the grocery business in Jayton, March 1, 1947. He also informed us that he has sold his interest in the Gardner Bros. Store to Mr. Barney Gardner.

Mr. Will Gardner came to Jayton from Girard in 1932 and purchased half interest in the store from Mr. Landers. In 1938 Mr. Barney Gardner came to Jayton from Swenson and bought Mr. Landers' interest.

From that time the store has been under the ownership of Will and Barney Gardner.

Barney says he will operate the store to the best interest of his customers as of always.

Mr. and Mrs. Will Gardner will continue to make Jayton their home.

## A Surprise Birthday Dinner

Mr. M. E. Beaver was honored with a surprise birthday dinner by his children at his home in Jayton last Sunday.

Mr. Beaver was 80 years young the twelfth of February having lived in Kent County for 35 years.

Mr. and Mrs. Beavers are both natives of Missouri and have been married 58 years. They have raised 10 children. Five boys and five girls. One boy died in infancy and the oldest child died at the age of 41, 1946.

Mr. and Mrs. Beaver came to Kent County in 1912 in a covered wagon from Erath County.

Children that were present for the occasion were:

Mr. and Mrs. R. E. Beaver and family of Girard, Texas; Mr. and Mrs. Clay Beavers and children of Stamford, Texas; Mr. and Mrs. Don Ray Jones and family of Lubbock, Texas; Mr. and Mrs. Hub Beaver and family of Lubbock, Texas; Mr. and Mrs. T. J. Stephens and family of Hale Center, Texas.

Children that were unable to attend were:

Mr. and Mrs. J. H. Smith of Port Lavaca, Texas; Mr. and Mrs. Jess Craig of Paris, Texas; Mr. and Mrs. J. H. Ratliff, of Fort Sumner, New Mexico.

Other guests were Mr. and Mrs. Waldon Stephens and Mrs. J. T. Stephens of Girard, Texas.

After several beautiful days of "shirtsleeve" weather, old man winter got a new hold, and once again gave this area snow flurries, sleet and freezing temperature.

## Infantile Paralysis Drive Donations Total \$608.53

In the final report from C. R. Kelley, Kent County Chairman of the Infantile Paralysis Fund, the donations had reached the grand total of \$608.53. This is an increase of \$42.87 over the money received in 1946.

Much of the credit for this increase in donation should go to the committee members of each community for time, energy and money given to this worthy cause.

Special credit should be given to the Higgins community and their committee member, Mrs. Fuqua. With only eight families in the community their donations totaled \$50.50. This should be a record for the other communities to shoot at next year, but all Committee members in the various communities and towns of the County have worked most energetically as the results of the drive indicate.

The following are some final reports from various organizations and communities of the county.

Girard Baptist Church, previously reported	\$48.28
Polars	\$5.05
Higgins	22.00
Claremont	50.50
Jayton Methodist Church	69.06
Oil Mill	35.25
Samenach Customers	5.00
School Collection	11.86
Glenn Hancock	3.32
Johnny Hamilton	5.00
Gordon Hamilton	5.00
Kent County Mercantile can	5.00
J. W. Sewalt	1.13
J. W. Sewalt	2.50
LUZON and HARMONY:	
Mr. and Mrs. N. L. Lauderdale	\$3.00
Mr. and Mrs. T. O. SoRelle	2.00
Mr. and Mrs. Lee Teague	.50
Mr. and Mrs. Ebbie Jones	1.00
Mr. and Mrs. T. Barbee	2.00
Carl Don Goodrum	1.00
Mrs. F. T. Williams	.25
Mr. and Mrs. Gaines Smith	1.00
Mr. Harris Smith	\$1.00
Mark Cave Jr.	1.00
Mr. and Mrs. W. E. Shipp	1.00
Mrs. Bessie Shipp	1.00
Mr. and Mrs. Mark Cave	2.00
Mr. and Mrs. Elmer Cade	3.00
Mr. and Mrs. Freddie Jones	3.00
Mr. and Mrs. Jim O'Rourke	.50
ELLIS	
Mr. Jay Atking	5.00
Mr. Al Powers	2.00
Mr. Elmore	.50
Mr. Bennie Cariker	.34
Mr. J. R. Croore	1.20
Mr. W. A. George	2.00

## New Business Opens In Jayton

Billy Ray Taylor and Gordon Cheyne have opened a Service Station and Garage in the L. O. Mayer Buildings, south of the Coffee Pot Cafe this week. They will handle Panhandle Products.

These two young men are well known in Jayton and need no further introduction.

Billy Ray is an ex-service man with one year overseas service to his credit.

They tell us they are equipped to service all makes of cars, trucks and tractors.

We welcome this new business to Jayton and wish for them much success.

## Weslyan Guild Hold Regular Meeting

The Weslyan Guild met February 12th in the home of Mrs. Newton Lewis. The Meeting was called to order by the chairman. Opening prayer by Mrs. Lee Parker.

During the short business meeting we decided to answer the roll call by a "Thought of the Day" or a scripture. Our new meeting time will be at 7:30 P. M.

We will have a "Come as you are Breakfast" in the near future.

The devotional was given by Mrs. Ray Hoover.

Discussion of our new hand books by Mrs. J. S. Hinds.

The meeting was then turned over to Mrs. Parker who directed several interesting games.

The next meeting will be held in the home of Mrs. Hinds, February 26th. All members are urged to attend.

After the meeting Mrs. Lewis served a delicious refreshment plate. —Reporter.

## NEW AND RENEWALS TO THE CHRONICLE

Annie Harris, Girard.  
R. E. Beaver, Girard.  
J. M. Head, Rule.  
Mrs. W. T. Elliott, Girard.  
Wm. M. Meador, Jal, New Mex.

## Swing Of Southwest Farm Markets

Strength featured the farm markets last week, as most commodities held their own or sold at higher prices, according to the Production and Marketing Administration, U.S. DA. Weak spots appeared at some livestock terminals, however, and feed continued downward.

Cattle moved at mostly fully steady to higher prices at southwest terminals although beef steers and yearlings were weak at Fort Worth, and calves showed some weakness at San Antonio. Good to choice calves brought \$18.50 to \$22.25 per hundred at San Antonio; \$17.00 to \$20 at Fort Worth and Denver, and \$17 to \$18.50 at Wichita. Medium to Good cows turned at \$12 to \$14 at San Antonio and Fort Worth; while common to good kinds sold for \$11.50 to \$14.50 at Wichita and \$11 to \$14 at Denver.

Hogs netted mostly 25 to 50 cents advance for the week at Texas markets, but were only steady to even lower at other southwest points. The week's ton was \$23.50 at San Antonio; \$24.50 at Fort Worth; \$25.85 at Wichita; and \$26.25 at Denver.

Sheep ruled steady to strong at Southwest terminals except for weakness on fat lambs at Denver. Good and choice lambs moved at \$19 to \$20 at San Antonio; and \$21.50 to \$22.60 at Wichita. Medium and good kinds brought \$20 to \$22 at Fort Worth and \$22.50 at Denver. Wool sales were limited largely to revalued lots heavily discounted for moth damage or deterioration. Contracting of spring clip mohair in Texas had reached about a half-million tons.

Grain strengthened materially last week. Wintry weather reduced marketing and demand continued active. At Fort Worth and Galveston, wheat and white corn were each about a nickel higher than the previous period, while yellow corn gained three cents. Oats were up two cents per bushel, and sorghums three to six cents per hundred lbs. Rice markets continued firm, with domestic and Cuban demand active. Feedstuffs showed a steadier tone, but wheat millfeeds, gluten feed, and cottonseed meal continued their downward trend. Hay supplies were sufficient for immediate and nearby needs, and quoted prices remained unchanged.

Fair to good demand for seasonal-increasing supplies of fresh eggs held prices mostly steady at Texas markets at 35 to 36 cents per dozen. Denver reported light demand and weaker prices. Demand for poultry was also good and prices were little changed. Receipts were only moderate except for plentiful supplies of broilers. Shipments of the latter from Arkansas and South Texas moved at 28 to 30 cents per pound at Dallas.

Fruits and vegetables sold stronger in the Lower Rio Grande Valley last week, as most prices were reported higher than a week earlier. Cabbage weakened Wednesday, but remained above the previous period. Boxed Valencia oranges gained \$1.50 to \$2.00. Shipments were hindered by a shortage of railroad cars. Colorado potatoes and Louisiana sweet potatoes held about steady. Spot cotton prices advanced around \$1.50 per bale last week.

## Notice Of City Election

Persons wishing to be candidates in the City election to be held on Tuesday, April 1, 1947 should file their names with Thos. Fowler, City Secretary by March 5, 1947 in order to have their names placed on the ballot.

Offices to be filled in the election are Mayor, five Aldermen and City Marshall.

## NICE GIFT

Thanks to Mr. Wendell Bedrchk of the Abilene Reporter-News the Chronicle was the recipient of a new book, "Governors of Texas", this week; published by the Abilene Reporter-News. As there were only 750 copies of this book printed, we are very proud of our copy, and find it very interesting reading.

Mr. and Mrs. B. J. Kellett spent last Sunday in Midland, Texas with their children, Louis Kellett and wife and Miss Alma Kellett. Mr. Kellett had the honor of driving to Midland a new '47 Chevrolet, which Louis had purchased from Mason Chevrolet Co. in Jayton.

John H. Montgomery who is attending Texas Tech at Lubbock spent last week end in Jayton with his mother Mrs. J. H. Montgomery.

Subscription, One Year, \$1.50

### NOTICE TO PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm, or corporation that may appear in the columns of The Jayton Chronicle will be gladly corrected when called to our attention.

Young people didn't know what age is, and old people forget what youth was.

Many a defect is seen in the poor man.

In spite of the fox's cunning, his skin is often sold.

An editorial, "Politicians and Glass Houses," from the Nolan County News:

Some state officials, in and out of Texas, continue to talk about the bureaucrats in Washington. They overlook the fact that there exists in Austin—or in the capital of any state—bureaucracies probably as vicious as those they condemn in Washington, only those operating in state capitals may be on a lesser scale than those existing in the national capital.

Nearly every community in the state has some experience with the bureaucrats that exist in their state capitals. Any project planned by a community which may rely on and require state participation, usually requires the community to engage in a bit of political fengling to attain.

Too often the accepted practice has been for a community to send a delegation to the state capital to see the particular department involved in the proposed plans. The delegation is made up of the most influential persons in the community. They go armed with a "brief" to back up their requests. If the delegation is "influential" enough, their "brief" will be given "favorable" or due consideration.

No matter how well known the community's problem may be—or how beneficial it may be to the entire state, chances are the particular state department's interest in the program will be in proportion to how much political influence the community, or its delegation may have.

There are few instances of a community receiving any substantial financial aid from state departments without requests are made by a delegation of citizens. Before we can cast stones at the bureaucrats in Washington, we ought first to consider those living in glass houses in our own state capitals.

It was at Round Rock that Sam Bess met his fate—and I almost did.

I never go through the picturesque little town, 19 miles north of Austin but what I think of an afternoon in the summer of 1934 when, as my car rounded a curve in the old, twisted highway, there was a spot wet from a shower and the machine began skidding. Another auto was approaching and only by the most strenuous effort was I able to avert a collision; then car and I wound up, right side up but in the ditch and on the wrong side—if there is a right side of a ditch to go into.

In case the state associations of history and literature want to mark the spot, you can see it on the old road, off to your right and below you, about 20 yards after you have crossed the big overpass on your way to Austin.

A sign in the little town of Salado calls the public's attention to the old stage coach inn, established in

1852. Can you remember, back in Model T days, when Henry's product had only one wind-shield wiper and the driver had to use one hand to operate it.

Paul Bol on, Capital City newspaper-radio commentator, has written a most interesting book, "Governors of Texas." It is artistically illustrated and handsome in appearance.

Senator O'daniel was quoted by the papers as saying, in substance, that all the Roosevelt legislation ought to be repealed. Among the laws passed during President Roosevelt's administration were social security, guaranty of bank deposits, crop payments to the farmers and old age pensions.

### HAS A BROKEN HEART A FUTURE?

There's no such thing as a broken heart

In the breast of maids and men. Oft' they're bruised until they bleed By our own or another sin, In the image of God we were made, This image can never be changed, Though the body of clay May be broken and maimed, God's image remains always.

This life is full of ups and downs, More downs than ups, Let's don't forget Christ bore the cross,

And drank from the bitter cup. If mother Eve had been content And not gone snooping for a thrill Her posterity would have escaped Many galling ills.

Proverty and privation and all kinds of aches

Prove hoine discontented And falling for a snake.

Adam was a weakling Or he'd have crushed the Serpents head.

Since the fall of Eve and Adam Man's nature hasn't changed,

When He's caught making eyes He lays it on some dame.

Painted flappers like the spiders, Are ever weaving subtle traps

To ensnare unsuspecting youth, Sugar dads and gray grandpaps.

With good intentions, but full of sin, Like silly flies they swarm around

Until they all fall in. Oft' unfaithful loved ones,

By their greed or lust, Desecrate this most scared things.

O Lord, who can we trust? Thank God they can't break our hearts,

Only cause them to ach and bleed, When they'r trampled underfoot

By their unholy deeds.

— M. E. Pond, Jayton.

A new drug, chloriquine, discovered and perfected by U. S. doctors and research chemists, promises new advances in the treatment of malaria, a Veterans Administration consultant has reported.

Dr. Edwin S. Kagy, tropical medicine specialist from Tulane University, discussed the new drug during a conference of VA doctors and consultants in Dallas.

"Chloriquine is much more effective than drugs formerly used and lacks the toxic effects of quinine and atabrine," Dr. Kagy said.

For the Pacific veteran who returned to the United States without signs of tropical diseases, the doctor had a cheerful word.

"The chances are very slight that these veterans will become ill as a result of their tour of duty," he said.

The number of veterans hospitalized by the Veterans Administration reached a new all-time high near the end of January, VA reported.

The report disclosed that a total of 119,845 veterans were receiving treatment at VA hospitals and homes and in non-VA hospitals under contract to VA.

Veterans with service-connected ailments are given top priority for VA hospitalization, but veterans with non service-connected disorders are hospitalized only when beds are available and if they say they cannot afford treatment in other institutions.

By GRAHAM HUNTER

TEXAS PUBLIC SCHOOLS

(This is the last of a series of articles about the Texas Public Schools.)

A minimum beginning salary for degree teachers of \$2,000 per year in Texas that will be requested by the Texas State Teachers Association of the 50th Legislature is not out of line with what is being done in other states and with the ability of Texas to pay.

On November 5, the citizens of California, a state that already ranks second among the states of the country in school support voted almost 3 to 1 to raise the minimum teachers salary from \$1,800 to \$2,400. The proposal was in the form of a constitutional amendment. Beginning with the school year September 1, 1947, no California teacher, rural or city, will receive less than \$2,400 per year.

Michigan voters, on November 5, approved a constitutional amendment allocating \$30,000,000 additional revenue from state sales taxes to local school districts.

Oregon voters approved an initiative. Oregon voters approved an initiative basic state school fund sufficient to produce \$50 per capita for each person in the state between the ages of 4 and 20.

Utah voters approved a constitutional amendment which will provide an estimated \$4,000,000 increase in state aid schools. This will make it possible for the state of Utah to pay not to exceed 75 per cent of what the entire school program cost. Utah now pays 45 per cent of the total school costs.

The state of Arkansas, next to the lowest in the family of states in the amount spent on a per capita basis for school support, is launching a program to increase the salaries of teachers in 1947 by \$300 each.

Washington state has on its legislative program a proposal to increase the minimum salary from \$2,200 to \$2,400.

The state of New York ranks first in per capita expenditure among the states of the country. Yet, they propose at their forthcoming session of the legislature an emergency appropriation sufficient to give each New York teacher outside of New York City not less than \$2,400 effective this year with comparable legislation to meet the needs of the teachers of New York City.

Hundreds of school boards throughout the country have already, during the course of the school year, provided substantial salary increases for teachers. Texas is no exception in this instance. Records of the Texas State Teachers Association show that 278 independent districts have granted salary increases from local sources for the current school year, but 3,000 school districts in Texas coming under the provisions of equalization or rural aid are prohibited by law from increasing teachers' salaries from local funds.

The maximum salary of some 16,900 teachers in these schools with a Master's degree and 10 years of experience is only \$1,458.

Denver Colorado recently raised the minimum salary from \$1,200 to \$2,280 for teachers without experience. The maximum for teachers with Bachelor's degrees was increased from \$2,880 to \$3,650, and the maximum for teachers with a Master's degree was raised from \$3,080 to \$3,850.

A comparison of salaries of teachers in Texas with the average earnings per full time employee in private industry and other professional activities discloses some interesting facts. The average salary of classroom teachers in Texas in 1945-46 was \$1,593. The average earning per full time employee in private industry in 1945 was \$2,242. The average annual salary of civilian federal employees in 1945 was \$2,595. The beginning salary in the professional and scientific service of the federal civil service is \$2,645 for the college graduate without experience. Salary studies have shown that the median professional employee in the federal service is classified in Grade 3 with a basic salary of \$4,150. By 1945, per capita income in the various states of the country had increased 113 per cent while the teachers' average salary had increased 31 per cent.

About 95 per cent of the substance in grass comes from sunlight, air and water. The remaining five per cent is made up of nutrients from the soil.

TABULATING MACHINE OPERATORS NEEDED

In order that services rendered by the Veterans administration in West Texas may be expedited, Walter R. Byrd, VA regional personnel officer at Lubbock, issued a call for tabulating machine operators.

International business machines are being installed in the regional office in an effort to conserve time and to improve service to veterans of this area. Machine operators are seriously needed, Byrd said.

Salaries range from \$1,954, to \$2,644, annually.

Those who have had experience with IBM equipment should complete Form 57, application for federal employment, and forward it to Personnel officer, Veterans administration regional office, Lubbock. Form 57 can be obtained at any first class post office.

A big saving on groceries equal big interest on money you don't loan.

West Side Gulf Station, M. Yandell, Dickens, Texas.

Texas turkey growers plan to reduce production of turkeys in 1947 five per cent below 1946, due to high feed prices and little change in turkey prices, the Bureau of Agricultural Economics reports.

The present wartime price-support program will end December 31, 1948.

At least eight million boys and girls will get meals this year under the National School Lunch Program the Production and Marketing Administration estimates.

From 1941 to 1946, living costs of farmers went up 70 per cent. Forty per cent of the farm land in the nation is in farms of over 1000 acres.

A dollar or two spent for vegetables seed pays big dividends in food, health and economy.

Uncle Sam Says

"Where on earth did my money go?" How often have you voiced this question, half in wonder, half in dismay! It's so easy to fritter away ready cash. A dollar here—and a dollar there—and in the end nothing to show for it. And yet saving for the things you want—a new home, travel or future security—is easy and effective simply by allotting a portion of your income either through the payroll savings or by arrangement with your bank for the systematic purchase of United States Savings Bonds. Dollars go, your bonds grow. When you buy Savings Bonds regularly, you are building the nest-egg for whatever you've set your heart on.

Connie Patterson has been on the sick list this week.

Ray Gardner of Aspermont, Texas had business in Jayton Monday of this week.

- Shell 20 to 30 bushels of corn
- Cut and elevate one ton of silage
- Grind 100 to 500 pounds of grain, depending on kind and fineness of grinding
- Shear 25 sheep
- Saw one cord of wood
- Turn a grindstone for 3 hours
- Pump 1,000 gallons of water
- Run a sewing machine for 30 hours
- Run the washing machine for the largest family washing
- Milk 20 to 25 cows with a portable milking machine or 10 to 15 with a pipe line machine
- Cool 100 pounds of milk
- Separate 2,000 pounds of milk

Can you think of anything else of such value that costs so little?

## West Texas Utilities Company

**Contents Of House Bill No. 277**

Among the many bills dropped in the legislative hopper at Austin seeking to cure the evils inherent in strikes is one relating to strikes by utility employees introduced by the Honorable Claud Gilmer of Rock Springs, Speaker of the House of Representatives during the last regular session.

Mr. Gilmer's bill applies only to water, gas, and electric utilities and proceeds on the theory that the maintenance of water, gas and electric service are absolutely essential to the life, health and safety of the people, and that it is the duty of the state to prevent any person or group of persons from wilfully destroying or damaging the facilities used in rendering the service.

His bill further provides that although any employee or group of employees have the right to strike or quit work at will, it shall be unlawful for any person or persons, whether employed or not, to interfere with the ingress or egress of any employees to or from any property of any utility by picketing, or to harass or intimidate any employees who are willing to work in order that the service may be maintained.

Under the terms of the Gilmer bill, it is a felony punishable by a penitentiary sentence for any person to wilfully wreck, destroy, or sabotage any plant, equipment or facility of a water, gas or electric utility.

Mr. Gilmer's bill applies to utilities furnishing water, gas and electric service whether the utility be a private corporation, a municipality or a state agency, such as a River Authority.

This is to take care of such situations as happened to the L.R. C.A. this past year when service to a good many towns there was interrupted and also such situations as the Pittsburgh power strike.

**An Old One But Still Good**

Decatur, Mich. — Herschel Campbell renewed his subscription to the Decatur Republican recently. He also sent the Republican publisher the following letter explaining how it was possible:

"In reply to your request to send a check, I wish to inform you that the present condition of my bank account makes it almost impossible. My shattered financial condition is due to Federal laws, state laws, county laws, corporation laws, brother in laws, mother in laws, sister in laws and outlaws."

"Through these laws I am com-

**Robot Brain Rivals Man's Mind**

**AN ACE OF BRAINS**, an electronic, mechanical "brain," surpassing in many ways the human mind, is being created in Britain. Deriving its name from the initials of Automatic Computing Engine, it will use 18,000 tubes, 5,000 switches and cost \$400,000 to complete. Capable of supplying 1,000,000 calculations an hour by the pressing of a few keys, Ace, according to 34-year-old Dr. A. M. Turing, one of its four British creators, has "implications so vast that we cannot conceive how it will affect our civilization." Pictured above is a mechanic working on a section of Ace. Another of its creators is Professor D. Hartree, of Britain's famed Cambridge University, who helped with Ace's U. S. "brother"—the American Eniac machine.

elled to pay a business tax, amusement tax, head tax, income tax, food tax, furniture tax and excise tax. Even my brains are taxed. I am required to get a business license, car license, hunting and fishing license, truck license and a dog license."

I am also required to contribute to every society and organization which the genius of man is capable of bringing to life; to women's relief, the unemployment relief, the gold digger's relief. Also to every hospital and charitable institution in the city, including the Red Cross, the black cross, the purple cross and the double cross."

"For my own safety I am required to carry life insurance, property insurance, liability insurance, burglar insurance, accident insurance, business insurance, earthquake insurance, tornado insurance, unemployment insurance, old-age and fire insurance."

"My business is so governed it is no easy matter for me to find out who owns it. I am inspected, expected, suspected, disrespected, rejected, dejected, examined, re-examined, informed, required, summoned, fined, commanded and com-

elled until I provide an inexhaustible supply of money for every known need of the human race."

"Simply because I refuse to donate to something or other I am boycotted, talked about, lied about, held up, held down and robbed until I am almost ruined."

"I can tell you honestly that except for a miracle that happened, I could not enclose this check. The wolf that comes to many doors nowadays just had pups in my kitchen. I sold them and here is the money."

**HOME IS IN YOUR POCKET**

WHEREVER YOU ARE you can be in touch with your home, office or farm with the aid of a two-way, cigarette-pack-size radio set now being produced in Britain.

Named Tele-radio, its inventor, Michael Kasia, demonstrates it on the right. The set is in the top pocket of his coat, and the power-pack in the bottom. Unseen, the aerial is sewn in the lining. If necessary, all the equipment can be concealed and operate behind the lapel.

With the help of a British cigarette pack and ruler, the size of the set is pictured below. The pack is on the box on the left of the picture; the ruler (behind the hand) shows the set's length as under 4".

The sets are built so that several can operate in the same area without interference, and have tiny tubes adapted from those used in Britain's radar-controlled anti-aircraft shells used during the war.

**Big Blow A Good Test**

College Station, Texas. — "The big blow" that swept across West Texas January 29 had its points—it was a good test of the Texas farmer's soil conservation work.

Bailey County Agricultural Agent J. K. Adams reports that the duster, called by old timers "the strongest puff of wind that has hit Bailey County in many moons", would have caused ten times as much soil damage if it had come along before the days when farmers knew how to protect their land from wind erosion.

Most Bailey County farmers were ready for it, Adams says. They left tubble in the fields after the grain sorghum harvest, and let late weeds stay on the ground to help anchor down the top soil. The farmers are realizing the value of vegetative cover as a protection against wind erosion, says Adams, and to prevent sneeding up moisture loss, they are not in too big a hurry to get their land opened up.

The County Extension agent is working with the Soil Conservation Service in promoting Bailey County's soil conservation program.

Supt. Hinds attended a district meeting at Sweetwater, Texas last Thursday.

L. H. Nason had business in Wichita Falls, Texas Monday of this week.

Mrs. Mary Jones of Lubbock, Texas visited her mother Mrs. Lou Emma Jones in Jayton last week end.

**BUDGET HELPERS FOR THE HOUSEWIFE**

Although more meat is available today, Mrs. Housewife can continue to make good use of the meats she relied on during the period of scarcity. There are a number of these which offer many opportunities for variety and at the same time are easy on the budget.

The meats pictured above are excellent examples. Most housewives include them in their family meals, but more often than not the ways in which they are served are very limited.

As a matter of fact there are almost endless possibilities for using these meats in preparing dishes that are different. A few suggestions are given here.

**Meat Cups — Creamed Potatoes**  
Combine 1 pound ground beef, 1/4 cup dry bread crumbs, 1/2 cup milk, 1 teaspoon salt and 1/2 teaspoon pepper. Line ungreased muffin pans with meat mixture to a thickness of 1/4-inch. Fill with creamed potatoes and bake in a slow oven 45 minutes.

**Meat and Potato Roll**  
Combine 1 1/2 pounds ground meat, 1/2 cup cracker crumbs, 1 egg, 1/2 cup milk and 1/2 teaspoon pepper. Spread on waxed paper to 1/2-inch thickness, making a rectangle about 6 x 10 inches. Spread with 2 cups mashed potatoes (use sweet potatoes if meat is pork). Roll like a jelly roll. Place in roasting pan and bake 1 1/2 hours in a moderate oven.

**Meat-Potatoburgers**  
Combine 1 pound hamburger, 2 cups coarsely grated unpeeled potato, 1/2 cup diced onion, 1 1/2 teaspoons salt and 1/2 teaspoon pepper. Mix well. Shape into 8 patties and broil or pan-fry slowly until done.

**Liver Chop Suey**  
Cut 1 pound liver in 1" x 3/4" strips. Cook in 4 tablespoons lard or drippings 5 minutes. Add 1 cup sliced celery, 1 cup sliced onions. Cook 5 minutes. Add 1 can Chinese vegetables and liquid and 4 teaspoons soy sauce. Simmer until meat is thoroughly cooked, about 1/2 hour. Season, thicken. Serve over hot rice.

**Liver Spoon Cakes**  
Cook 1 pound sliced liver in 1 tablespoon drippings in frying-pan about 5 minutes. Grind liver; add 1 teaspoon salt, 1/2 teaspoon pepper and 2 eggs, well beaten. Mix well. Drop by tablespoonfuls into hot shallow lard or drippings. Brown well on both sides.

**Liver Loaf**  
Cook 1 1/2 pounds sliced liver in 2 tablespoons drippings 5 minutes. Grind liver. Combine with 1 cup bread crumbs, 1/2 cup milk, juice of 1/2 lemon, 2 tablespoons tomato catsup, 1/2 cup pork sausage, 1/2 teaspoon paprika, 1 small onion, finely chopped, 1 egg, beaten, 1 teaspoon salt, and 1/2 teaspoon pepper. Mix well. Turn into a loaf pan lined with bacon. Place bacon strips on top. Bake in moderate oven, 1 hour.

**Frankfurter Spaghetti**  
Slice 1 pound frankfurters in 1/4-inch pieces. Brown frankfurters and 1/2 cup diced onion in 1 tablespoon lard or drippings. Add 1 teaspoon salt, 1 teaspoon allspice, 1/2 teaspoon cloves, 1/2 teaspoon pepper, 1 1/2 cups tomato juice and 3 cups cooked spaghetti. Simmer until thickened. Brown 1/2 pound whole frankfurters. Serve around spaghetti.

**Frankfurter — Green Bean Casserole**  
Slice 1 pound frankfurters, 1/2-inch thick. Brown in 3 tablespoons drippings. Stir 5 tablespoons flour into drippings, add 2 cups milk and 1 teaspoon salt. Cook until thickened. Add 1 tablespoon Worcestershire sauce, 1/4 cup grated cheese and 2 cups green beans. Combine with frankfurters. Bake in moderate oven 40 minutes.

**Barbecued Frankfurters**  
Arrange 1 1/2 pounds frankfurters in shallow pan. Pour Barbecue Sauce over them. Bake uncovered for 30 minutes in a moderate oven. To make Barbecue Sauce: Brown 1 medium onion, chopped, in 2 tablespoons margarine or butter. Add 2 tablespoons vinegar, 2 tablespoons brown sugar, 4 tablespoons lemon juice, 1 cup catsup, 3 tablespoons Worcestershire sauce, 1/2 tablespoon prepared mustard, 1/2 cup water, 1/2 cup chopped celery, salt and red pepper. Simmer 30 minutes.

**1946 AMENDMENTS TO THE SOCIAL SECURITY ACT**

Wives of a number of retired workers will benefit from one of the 1946 amendments to the Social Security Act, according to an announcement made today by Ralph T. Fisher, manager of the Abilene Office of the Social Security Administration, Step-children and adopted children of certain retired workers will also benefit.

Under the Social Security laws, benefits have previously been denied the wife of a retired worker unless the marriage occurred prior to the date the husband became 60 years of age. Effective January 1, 1947, this age limit has been removed and the wife can be eligible if the couple has been married for 36 months or more and if the wife is 65 years of age or older. Wives of retired workers who would qualify under this amendment should get in touch with the nearest Social Security Administration Field Office at once.

In the past a step-child of a retired worker has not been eligible under the Social Security laws unless the worker was married to the child's mother before the worker became 60 years of age. Under the amendment, this age 60 limitation was removed and the adopted child or step-child is recognized if the adoption or marriage took place as much as 36 months before the application is filed. In cases where benefits have been denied step-children or adopted children who may now be eligible, the parent should get in touch with the nearest Social Security Administration Office as soon as possible.

Mrs. Sue Trimble of Hunnington Beach, California, Mrs. C. C. Hill of White Deer, Texas, Mrs. Jessie Hall and children of Phillips, Texas, and Mrs. E. A. Bybee and children of Phillips, Texas visited Mr. and Mrs. C. V. Wright last week end.

**DAUGHTER BEATS MOTHER**

In relieving the discomfort of children's simple chest colds by using Durham's Nu-Mo-Rub, the modern Guaiacol-Camphor chest rub. Doctors agree that its 29% Guaiacol-Camphor formula is a decided improvement over Mother's old-fashioned Eucalyptus style salves. Try Nu-Mo-Rub for croupy coughs. Double the purchase price refunded if you do not find Nu-Mo-Rub more effective. In 35c and 60c jars at your Druggist or

**Gardening Pointers**

College Station, Texas—High cost of living and the low price of a vegetable garden makes home gardening a smart move this year, says Extension horticulturists of the Texas A. and M. College.

Giving pointers on February and March plantings, the horticulturists say that such vegetables as English peas, beets, carrots, spinach, lettuce, Irish potatoes, sweet corn and cabbage should be planted early. These are cool season plants, and may be planted in Central, East and West Texas. In the southern part of the state, it may be advisable to substitute other plants, such as mustard or Swiss chard, for these cool season vegetables.

The horticulturists warn gardeners not to plant the entire garden now. Space should be left for tomato plants, pepper plants, butter beans, okra and eggplants. These vegetables can be started now in a plant bed, however, and given protection on cold days. Six or eight weeks later they'll be ready to transplant in the open garden. This practice will give the slow-growing, frost-tender plants a good head start, and make it possible for the gardener to have them out in the garden and producing vegetables from six weeks to two months earlier than usual.

Home gardeners can always call on county offices of the Extension Service for help on any phase of gardening, the horticulturists say.

**CARD OF THANKS**

We wish to express our thanks and appreciations to our many friends and neighbors for the help given us and the many acts of kindness during the illness and death of our baby and grandbaby. We especially appreciate Mrs. Dibrell in her kindness and help. We feel that we cannot thank you enough. May God bless each of you.
