

### Important Test Suit Is Being Tried In Lubbock This Week

The trial of what would be one of the most far reaching law suits ever to be heard in West Texas began in Lubbock Wednesday in U. S. District Court. The suit seeks a cost depletion income tax allowance on all underground water used for irrigation farming. It was filed by Marvin and Mildred Shurbet of Petersburg. It is actually a test case on behalf of the High Plains Water District.

# THE JAYTON CHRONICLE

NUMBER 68

JAYTON, KENT COUNTY, TEXAS

FRIDAY, JANUARY 5, 1962

There Are No Mourners!

VOTE

HENRY D. T.

## A Pioneer Is Gone

A pioneer of Kent County died a horribly death this week and was put away with out any pomp or ceremony. This pioneer had printed a history of Kent County, which was complete for more than a 40 year span, and including every phase of life and people of all walks of life. This history recorded the social, physical and spiritual activities of the people of this county for all this period of time, taking note of when the people were born, when they started to school, their participation in community activities; when they married and how they fared in life and then recorded their death.

and it should feel at home there, for a many of its pieces have been there from time to time to be repaired by his welding craft. The "new" press put in to replace it, is not really a new one, but is "new" in Jayton. It has been no easy task to take out one press and install the other and still try to get out the paper. When you get this issue of the paper and read it, no

doubt you will say that the other press did a better job of printing than this one. We will very likely run into many problems getting all the adjustments made, but within a few weeks we hope to get it to humming and to improve the overall appearance of the paper. You will notice the paper has taken on a different appearance and size. We hope you like it.

## New TV Plan Is Discussed

Do you want better television reception. Floyd Hall was outlining to us one day this week a plan that might possibly give the answer to the problem of weak pictures that most Jayton people have.

business of installing what he calls retransmitting equipment, which will pick up the signal and then retransmit it. Hall said the estimated cost for a one station deal would be about two thousand dollars and for two stations might run up around three thousand.

## Lamora Page Is Candidate For County Clerk

Lamora Page of Girard Thursday authorized the Chronicle to announce that she is a candidate to the office of County and District Clerk of Kent County subject to the Democratic Primary May 5. She said that she planned to try to see every resident of the county in the interest of her candidacy and asks that you keep her in mind. Her formal statement will appear at a later date.

This man offers to come here and make a test to see if it would be feasible. If after making this test, and he decided that it could be done, then he would guarantee the results to be favorable if he went ahead with it.

He told Hall that the operation or maintenance of the project would be very small. If you think you would like to check up on such a project talk to Floyd Hall.

## Runoff Election For Congress Set For January 27

Governor Price Daniels has set Saturday, Jan. 27 as the date for the runoff election to name a Congressman for the 13th Texas district made vacant by the resignation of Frank Ikard. This election will see Wichita Falls District Judge Graham B. Purcell, a democrat, opposed by Wichita Falls business man Joe Bailey Meissner, a Republican. In the first primary, of the 26,639 votes cast Purcell polled 8,960 votes to 6,740 for Meissner. Ikard, who had been Congressman for 10 years resigned to accept a position with the National Petroleum Institute.

Ten Schools Participating

## Annual Basket Ball Tournney in Progress

Jayton, Girard, Guthrie and Rotan boys teams all won their opening round games in the tournament here Thursday, and go up into the championship bracket. Losers were Patton Springs, Old Glory, Peacock and Roaring Springs. In the girls division, winners were Jayton, Old Glory, Roaring Springs and Guthrie. Losers were Patton Springs, Girard, Peacock and Rotan. Paducah and Rule teams were not scheduled Thursday. In the final game Thursday night the Jayton boys won an easy victory over the Patton Springs Rangers 54-15. The Jaybirds were led by Cecil Hallum with 19. Harold Murrell made

7, Merle Smith 10, Virgil Judy 6, Cleburn Murdoch 4, William Smith 2, Ricky Kyle 2, Woody Byrd 2 and Tony Morris 2. The entire Jayton squad got into the game. Epling and Hughes each had 4 for the visitors. Jayton made 17 points in each of the first two quarters 14 in the third and six in the finale with the reserves in the game. Patton made 4 in the first quarter went scoreless until the half, made 5 in the third and 9 in the last quarter. The Jayton girls won a low score contest from Patton Springs, 24-15. The contest opened with both cold at the basket and Patton led 3-2. The locals hit a little better the second quarter making 9 while Patton made only 2 giving them a half time lead of 11-5.

## Poverty and Death In Surroundings of Plenty

Each year our nation gives hundreds of millions of dollars to foreign countries which is basically to build up our political prestige in these nations. Each year the people of the United States, through their individual churches send and spend millions of dollars to foreign mission work and programs, in an effort to reach their own particular brand of religion or christianity to the people of these foreign countries.

Here in KENT County we spend thousands of dollars in our schools each year, for the purpose of teaching and educating our children and fitting them to be better citizens. Each year, out side of the school we spend hundreds and sometimes thousands of dollars for other causes that are for the benefit of the young people and their betterment.

In the two final quarters the lady Jaybirds made 9 and 4, while Patton made 7 and 3. Claudine Kelley made 11 to lead the Jayton group. Dianne Murdoch hit the basket for 8 points and Sharon Moore added 7. For Patton Glenna Blasingame made 6. In a good game Thursday night the Girard boys rolled Old Glory 52-29. Girard outscored the Stone-wall County team in every quarter 14-8, 13-6, 13-6 and 12-9. Joe Bill Phillips and Gene McWaters led the Girard group with 12 each. Arnett Hooser had 11, Dewayne Hooser 8, Eugene Lee 2, Bill Williams 1, Arnold Hollingshead 4 and Doug Smith 2. The Girard girls were nosed out by Old Glory 34-32. Old Glory led at the end of the quarter 12-11. Girard had a cold second quarter and fell behind at the half 24-15. The Girard girls staged a come back in the third period making 13 while the Old Glory girls were only making 3, but were outscored 7-4 in the final period which found them two points behind at the end of the game.

## Jayton Jaybirds Win Three Games From Rule Tuesday

The Jayton Jaybirds won a trio of games from the Rule teams in the R U 1 e game on Tuesday night of this week to renew operations after the holidays. The boys won 65-49, the girls 36-18 and the B boys 51 to 35. Harold Murrell was high for the boys with 18 and Dianne Murdoch led the girls with 14.

## February 1st Is The Deadline For Paying Poll Tax

All residents of Kent County are urged to pay your poll tax this year. In order to be able to vote you must pay the poll tax before February 1st, or in case you will be 21 some time this year you must get an exemption. There will be a number of important elections this year, and you will want to vote in each one of them. In order to do so you must have the poll tax receipt.

## March of Dimes Helps Dry Youngster's Tears of Pain

Anthony Ryan wasn't normally a crybaby. But at 10 months he began crying almost incessantly, and at times even screamed. His loving parents in Philadelphia were nearly out of their minds. With four other small children, the household was pandemonium. No one appeared to know precisely what was causing the infant's dreadful paroxysms of pain.

Eight months and countless tears later, the cause of Anthony's agony was at last diagnosed as rheumatoid arthritis, seemingly afflicting every area of his tiny body.

ON EAST COAST, Dr. John D. Bridgers, director of March of Dimes Arthritis Treatment Center at Children's Hospital, Philadelphia, examines Anthony Ryan, 12 years.

ON WEST COAST, identical twins Cathy and Carol Gile, 7 years, are greeted at March of Dimes Congenital Defects Clinic in University of Washington Hospital, Seattle.

It's 11 years now since Anthony was stricken. He will limp the rest of his life; he cannot play baseball today with the other boys in the block, and he is still in a great deal of pain. As a matter of fact, until just a short time ago he couldn't even turn his head.

Science has not yet licked the problem of Anthony and of thousands of children like him. There is still no simple, accurate test for the early diagnosis of rheumatoid arthritis, although the outlook is hopeful. But many rheumatologists would agree today that had modern diagnostic tools been available to him, and had Anthony been examined immediately by a "team" of specialists in the medical and allied professions—the group of orthopedists, pediatricians, laboratory research scientists, physical therapists and others now available in March of Dimes-financed treatment centers in many parts of the nation—Anthony today might be skating with the other kids on the frozen pond at the bottom of Prince Circle where he lives.

There are tens of thousands of Anthonys and Cathys and Carols in the United States today. One reason The National Foundation—March of Dimes—turned to these diseases three years ago is that almost 700 babies are born each day in this country with significant birth defects, accounting for more than 21,000 deaths each year. Crippling rheumatoid arthritis affects 30,000 children and adolescents—apart from the overall toll of 11 million American victims of rheumatic diseases. An increasing number of sufferers from these two cruel handicaps are receiving treatment from the specialists "teams" at March of Dimes-financed chapter clinics. As more funds become available additional centers will be established to provide medical care for even more victims of chronic crippling disease.

## Funeral For Mrs. Newberry Here Today at 2

Mrs. Ethel Newberry, 71, wife of S. M. Newberry of Jayton died about 7 o'clock on Wednesday afternoon. She had been in ill health for some time.

Funeral services have been set for Friday afternoon at 2 o'clock at the First Methodist Church in Jayton. Interment will be in the Arlington community cemetery.

Mrs. Newberry had one daughter Mrs. Vardiman of Snyder.

CONGRATULATIONS TO: Mr. and Mrs. Gary Huffines who are the parents of a baby girl born Dec. 30 at 6 pm at the Spur hospital, weighing 7 lbs and 8 oz. She has been named Keri Yvette. The Huffines have one other child a son named Brian Dean. Mrs. M. E. Bonds was carried to Hamlin Hospital last week end.

According to a traffic count made this past year this road has more traffic on it than any other road in the county. Brick walls are going up on the \$175,000.00 Rest Home in Jayton. It should be completed and ready to occupy before the end of the year.

If you enjoy politics, this year will be a dandy. There is the prospect of the hottest races for some of the state offices this year than there has been in some time.

History may repeat itself, and see Price Daniel and Ralph Yarborough slugging it out for the Governor of Texas. To give added color will be Lyndon's hand picked man John Connally of Fort Worth, and a West Texan Marshall Farmyb.

All members of the Texas legislature will be up for reelection this year, and with a special session just getting under way.

The floor of the House and the Senate will probably be the setting for a lot of campaign speeches during the next 90 days.

Governor Daniel does not seem to be very popular with the law makers and it is certain to be a shaky leadership that he will give to this session. His number one project is to take dormant funds away from the banks and give them to the state. The banks of the state are opposing this with every force they have at their command.

The first real test for the Kennedy Administration at the state will be metered as the congressmen and Senators go before the voters, and the connection between them and administration, and how they went over.

Don't forget to pay your poll tax this time.

JoAnn McWaters of Girard was high point with 18. Team mates Betty Dyer made 9 and Gen Hager 4. For Old Glory Peggy Pringle had 20. In the preliminary rounds of the tournament Thursday afternoon, the following games were played:

The Guthrie boys edged out Peacock 35-34 in a game that saw the lead change a number of times. Peacock was ahead at the quarter 7-5 but had dropped behind 18-16 at half time. By the end of the third quarter Guthrie held a 28-22 lead, but let Guthrie make 7 which was one point too many.

Ronny Dickerson for Peacock was highpoint in the game with 14 and Curtis Smith led the Guthrie Cougars with 13. Rotan clobbered the Roaring Springs boys 49-19. Rotan led 11-6 at the end of the first quarter and 25-12 at half time. In the third period Rotan made 9 while Roaring Springs was making 4.

Bill Ashton of Rotan was top scorer with 22. Ronnie Davis topped the Roaring Springs group with 8. In the girls division Guthrie rolled Peacock 55-28. Guthrie took a strong 14-3 first quarter lead and never did lose it. However Peacock had a strong second quarter making 12 points, but they let Guthrie loose for a big 21 point quarter making the half time score 25-12.

So-4 Alex Ray Long and wife of Ft. Polk, La., Hansford Long and wife of Abilene, Karen and Janice Long, Bobby Pruitt and wife and children of Kermit spent Christmas holidays with their parents Mr. and Mrs. Clyde Long.

Attend the Cotton Bowl in Dallas Charles Richards and Cecil Hallum were in Dallas over the week end. Charles, who is sports editor of the Torador, Texas Tech student paper, represented the Torador at a meeting at SMU Friday afternoon of Southwest Conference sport writers.

Saturday night they attended the Texas Sportswriters Hall of Fame presentation. Then Monday they were guests of the Cotton Bowl as Texas University won that affair. Cecil went along with him as his invited guest. The Cotton Bowl contest was his first college football game to witness.

They returned to Jayton Monday night and reported a very enjoyable trip. In the girls division Guthrie rolled Peacock 55-28. Guthrie took a strong 14-3 first quarter lead and never did lose it. However Peacock had a strong second quarter making 12 points, but they let Guthrie loose for a big 21 point quarter making the half time score 25-12.

So-4 Alex Ray Long and wife of Ft. Polk, La., Hansford Long and wife of Abilene, Karen and Janice Long, Bobby Pruitt and wife and children of Kermit spent Christmas holidays with their parents Mr. and Mrs. Clyde Long.

**Important Test Suit  
Is Being Tried In  
Lubbock This Week**

The trial of what would be one of the most far reaching law suits ever to be heard in West Texas began in Lubbock Wednesday in U. S. District Court. The suit seeks a cost depletion income tax allowance on all underground water used for irrigation farming. It was filed by Marvin and Mildred Shurbet of Petersburg. It is actually a test case on behalf of the High Plains Water District.

The suit has been eight years in preparation. It was filed last February.

The purpose of the suit as explained by attorneys is to prove that water under the southern part of the high plains is a natural deposit and is being mined just as oil, gas, gold or any other natural deposit.

The actual cash allowance figure for the tax year 1959 and involves only about \$300.

In round numbers there are approximately 20,000 irrigation farmers utilizing 60,000 irrigation water wells on 5 million acres of land in a 47 county plains area.

The precedent growing out

of the suit, if Shurbet wins would affect anyone with a similar set of circumstances.

Mr. and Mrs. Frank Sandell and Eddie of Greeley, Colo.; Hershel Thompson of Lubbock; Mr. and Mrs. Milton Sandell, Jr. and Sandra of Hamilton; Mr. and Mrs. Dewey Sandell of Abilene; Sonny Sandell of A&M College, Mrs. Mamie Ewell of Hamilton, Mr. and Mrs. Bill North, Jan and Carol of Gainesville were the guests of Mrs. Milton Sandell over the holidays.

Sandra Sandell of Hamilton, Bill North of Gainesville and Mrs. Van North recently returned from Silverton, Colo. where they visited W. H. Sandell and Mr. and Mrs. Glen Sandell.

**Texas Political  
Calendar for 1962**

As we begin the new year with its important primaries, and general elections, here are some of the important dates you will need to take special notice of.

Jan. 31, the last day to pay your poll tax.

Feb. 5: Deadline for politicians to get their names filed for a place in the party primary, either Democratic, Republican, or what ever party, for precinct, county, district and state office.

This must be filed with the county chairman of the party.

In Kent County the Democratic chairman is M. V. Jay. If the Republican Party has any sort of organization in Kent County it hasn't been announced publicly.

April 15 absentee voting begins.

May 1, Absentee voting ends.

May 5: First primary election for both Democrats and Republicans. Also precinct conventions for both parties.

May 12, county conventions for both parties.

May 13, absentee voting begins for second primary of the runoff.

May 29 absentee voting ends.

June 2 Second primary, for both parties.

Sept. 18. State conventions.

The small daughter of Mr. and Mrs. Rox Short is back at home after being treated at the Stamford hospital.

**Rites in Girard  
For Mrs. Davis**

Funeral services were held  
Tuesday of last week in the  
Girard Baptist Church for Mrs.  
Susan Adeline Davis, 71 who  
died Dec. 21.

Rev. Lee Hills of Somewater  
ministered at the service.

Mrs. Davis was born in Mas-  
son County, Texas, and had  
resided in Kent County from  
1915 until 1942 when she moved  
to Brownwood. She was a  
member of the Pentecostal  
Church.

She was survived by her  
husband, three daughters, Mrs.  
L. P. Burrow of Pasadena,  
Texas; Mrs. George Smith of  
Girard and Miss Zettle Reynolds  
of Brownwood; two sons  
Thomas Gura, Pasadena and  
B. J. Altmeyer, of Albuquer-  
que. Twenty nine grand child-  
ren, and 22 great grand child-  
ren.

pallbearers were Robert  
Franz, Lonnie Williams, F.  
Rich, Tom Hancock, Car-  
los Dickerson, and Elmer  
Long.

Burial was in the Girard  
Cemetery.

**State Prison  
Rolls Continue  
Upward Climb**

A report from the Texas pris-  
on system, shows an increase  
at the prison of 15 during the  
month of November. There  
were 545 brought in and 500  
released. The total prison pop-  
ulation on Nov. 30 was 11,897.

Coming in were 480 new pris-  
oners, 41 parole violators, and  
54 miscellaneous.

Let out were 230 discharges,  
187 paroles, 3 escapes, 4 con-  
ditional paroles and 73 mis-  
cellaneous.

**CARD OF THANKS**

To our many friends who  
were so very kind to us during  
the illness and death of our  
dear mother, grandmother and  
great grand mother, words can  
never repay you for what you  
did for us.

For the many cards, gifts,  
the visits and flowers that bright-  
ened her days in the hospi-  
tal, for the beautiful flowers  
and food and every act of kind-  
ness we will be forever grate-  
ful.

God's richest blessings on  
each of you is our prayer.  
The family of Mrs. Lou  
Cheyne.

**How Use Of Water May  
END YOUR  
CONSTIPATION  
WORRIES**

As you grow older, your system be-  
gins to dry out. This is true of your  
digestive system, and it may lead to  
constipation. Serravallo's, taken daily  
with plenty of water, produces a  
smooth gut that provides the proper  
moisture, bulk and peristaltic stimu-  
lation to help end your constipation  
worries.

Serravallo is the all-vegetable lax-  
ative and that restores hard, dry food  
waste and forms a firm, regular  
elimination. Serravallo is entirely dif-  
ferent from harsh chemical pills,  
salo, bran or oils. Take Serravallo  
daily with water and enjoy regular  
elimination or your money back.

**HERE ARE 2 OF THE NEW  
JET-SMOOTH CHEVROLETS**

WHICH ONE IS THE CONVERTIBLE AND WHICH THE HARDTOP?

Top one's our new Impala Sport Coupe whose steel roof line is a dead ringer for the Impala Convertible's below. But after rich new styling, what? In glamor and go, comfort and craftsmanship, here's all you'd reasonably expect of an expensive car. Except the expense.

Slip inside a Jet-smooth Chevrolet, relax and just notice how good you feel. Ready for action? Just flick the key and let'er purr (your choice of two standard engines—a 135-hp 6 or 170-hp V8—or optional-at-extra-cost V8's way up to a 409-hp mile-shrinker). That gentle cradling motion you enjoy is Jet-smooth ride at work. And the rich interior and neat craftsmanship are Body by Fisher at work. Have your dealer give you the whole story. That's the work he loves best.

See the new Chevrolet, new Chevy II and new Corvair at your Chevrolet dealer's One-Stop Shopping Center
