4H Girls Win Honors at District Contests at WF

By Mrs. Agnes M. Marrs
Kent County HD Agent

The 4H girls who represented the county at the recent district meeting in Wichita Falls were a credit to our County.

The Junior shrub identification team comprised of Kathy Favor, Frankie Harrison, and Joar Reed, made the highest score and Joan the fourth highest score.

One member of the team Johanna Gallagher was unable to attend due to a recent illness.

Joan had worked only a short time this year and made an excellent record for the time she had worked. Judy Elmore and Debbie Johnson won fourth in the poultry marketing and utilization contest.

All these girls are to be congratulated for the work they have done and for the awards they have won.

Each time a 4H girl works on a demonstration and competes in a contest she is acquiring skills which not only help her be a better person but she is broadening her experiences and working with large groups where she finds friends and learns more about 4H work. All 4H girls should be eager to enter different contests and award programs in order to add to their experiences and achievements as well as to gain knowledge.

All skills perfected in 4H stand one in good stead for enjoyment of the fuller life now and for greater accomplishment in the future.

The 4H work during the summer gives each girl an opportunity for achievement in various phases of 4H work, such as clothing construction, foods and nutrition, landscaping improvement, leadership, crafts, safety etc.

Mr. and Mrs. M. D. Fuller and Mrs. Billie Charles Digrell and L. Anne Marloch took Dobby Lee Dibrill to Stanford Wednesday to have his hard treated.

Mr. and Mrs. Wayne Reed and Mrs. Emma Lue Lamarr visited Mr. and Mrs. J. B. Gibson and children. Mrs. Laura Gibson Sunday and were supper guests of Mr. and Mrs. J. B. Gibson.

More than 51% of the shares of stock in the Spur Security bank were sold the first of the week it was announced.

The stock was sold to Ransom Galloway and his associates. Galloway, a Lubbock stock broker, is well known around the court house and the school, having handled a number of bond issues here.

Major stock holders in the Spur bank who sold their interests were Robert Lewis and Dr. Jones.

Lewis will be the president of the new Kent County State Bank in Jayton.

TEXAS HIGHWAY DEPT. TO HOLD OPEN HOUSE HERE

How does the Texas Highway Department use tiny glass beads to make your driving safer? Why do highway engineers cut circular holes in brand new highways? These are only two of the many fascinating aspects of highway engineering and maintenance that local citizens may explore on Friday, May 25.

On that day the Highway Department will hold Open House at the maintenance warehouse of Kent County as a part of National Highway Week May 20-26 announced Dale Moore, maintenance construction foreman of Kent County.

Any interested resident of the area may visit the maintenance warehouse in Jayton during the hours of 8 am to 5 pm and observe the daily functions of the public agency that is responsible for the care of approximately 132 miles in the county.

Moore said the open house will show the public how the highway department operates on a normal day.

"I would like to extend a cordial invitation to the citizens of this area to visit our open house" Moore said.

"Your neighbors who work for the Highway Department would like to show you through our facilities and demonstrate a few of the many tests and operations we conduct daily to care for the highways."

Visitors to the open house will see examples of the way radio communications and the various machinery and equipment used to maintain the existing roads in smooth riding condition and pleasing appearance.

Mayor Thos. P. Johnston has issued a proclamation declaring that May 20-26 will be observed as National Highway Week in Jayton and urges that special attention be directed to the needs of our highway system.

Dallas Kenady Is Bitten by Rattler

Dallas Kenady was bitten by a rattlesnake at his farm late Monday. The snake had crawled under the pickup, and when he walked up to the pickup the snake struck him.

Red Paine and another man were there and gave him first aid and took him to the Spur hospital. He spent one night in the hospital, and then went home.

He is getting around on a crutch.

Citizens Are Slow To Report Their Accidents to Patrol

A total of 33% of the rural accidents in Kent County are not investigated by an officer, a member of the Texas Department of Public Safety said Thursday.

He said for the year of '61 there were 24 accidents reported. Of this number the Texas Highway Patrol investigated a total of 15 or 67%.

The patrol made 8 arrests in these investigations, or an arrest rate of 53%.

The law requires that the driver of a vehicle involved in an accident resulting in injury to or death of any person shall immediately by the quickest means of communication give notice of such accident to the local police, of the county sheriff or the Texas Highway Patrol.

The patrolman said this is for three specific reasons, for education, engineering and enforcement.

Absentee Voting Now Going On

Absentee voting is now going on in the County Clerk's office in Jayton.

Any persons who think he may be out of the county on the day of the election may vote by absentee ballot up until three days of the election.

Persons may go to the office of the clerk and vote or may have a ballot mailed out of the county and vote before a notary public.

The ballot this year is the largest in some time with four state races, one district race, one county wide and two precinct races.

SOIL STEWARDSHIP WEEK

Soil Stewardship Week will be observed locally during the period of May 26 to June 3 according to Victor Arrington chairman of the Duck Creek Soil Conservation District.

Sponsored nation wide by America's 2900 SC districts and various national church organizations the purpose of the program is to urge rural and urban people alike to recognize the source and richness of the soil, water and related natural resources and as good stewards to dedicate themselves to the conservation of these priceless resources.

Water tests our sense of responsibility. It asks for care, requires our self discipline and responds to management.

GRAND PARENTS CLUB DRAWS WIDE INTEREST

By Mrs. Raymond Hooper
The grand parents club met at Clairmont May 11th with 22 present. The hostesses planned a tacky party and every one came dressed tacky. You really should have seen some of the tacky grand parents. Mrs. Odessa Jones and Robert Moore won second and third prize. Mr. and Mrs. Albert Walker won first prize and they were presented several nice gifts for their new home.

Several games were played and of course the old stanchy 42.

Our grand parents club is really getting known across the country. We got some mail from Chicago. Also a lady from Dickens County said she read about it in the Jayton paper. She said she wished she could go, for it sounded like we really had lots of fun.

Also some folks from Peacock had read about it and said they knew it was a lot of fun. So come on all of you Kent County people and lets have a good club and learn to love our neighbors better. A number were not there, some had sickness.

Glen Spradling was sick and could not come. Hope he is better.

There were no plans made for our next meeting except the hostesses, Mrs. C. C. Kimmell, Mrs. Jackson East and Mrs. McGaha. They will announce their plans at a later date.

Hostesses for the last meeting were Mrs. Robert Moore, Mrs. E. E. Spicer and Mrs. Robert Harrison. They did a very good job.

Everyone kept passing their glasses for more punch so you know it was good.

The new member was Mrs. Van North. We are very proud to have her join our club.

We had a visitor Mrs. Standridge from Calif. Glad she could be with us.

Others were Messrs. and Mmes G. H. Brown, Jackson East, Albert Walker, Raymond Hooper, Grady Jones, E. E. Spicer, Robert Harrison, Robert Moore, C. C. Kimmell and Clyde Long.

Mrs. Robert Harrison reported that her husband was not present because he had to stay home and scratch his cotton. Hope he got it up.
Looks like Kent County is

going to dry up and blow away if it don't rain soon. Let's hope it comes a good rain.

WAYNE A. STANALAND THANKS VOTERS

I want to say thank you to the people of this county for the privilege of having served as Commissioner of Precinct 4 during the past term, and am now seeking my second elective term.

In serving as your commissioner and a member of the Commissioners Court, I have tried to do you a good job.

The records of the Commissioners Court are public records and I invite you to check them at any time, or to visit with the court while in session.

I am deeply grateful for every vote cast for me in the first primary, and will appreciate your continued support.

To every voter in the precinct, may I ask you to give my candidacy careful consideration, and if you can see fit to vote for me in the runoff, I will appreciate it very much.

Sincerely
WAYNE A. STANALAND

TO THE VOTERS OF KENT COUNTY

I would like to take this opportunity to express my sincere thanks and appreciation to the people for having honored me to serve as your County Treasurer.

I shall do my best to do the job well and want you to know that you are always welcome to come in for a visit.
F. O. HARRISON

TO THE VOTERS OF KENT COUNTY

I want to thank each one of you for the support you gave me in the first primary election. I did not make a house to house campaign as I am sure you noticed, but felt like it would be better to use the time attending to the duties of the office.

The County, I feel, has made some very constructive progress the past three years, and with your continued help and support it can do even more in the future.

The rest of my time spent in office will be to try to make Kent County a better place to live.

Help make Texas First in personal income and job opportunities.

THE TEXAN TO PUT TEXAS FIRST

Letter to the Editor

Dear Editor:
Well, the first primary is over and we are coming to the second on June 2 to decide which of the two we will elect and it is the duty of every voter that voted in the first primary to vote in the second so that we shall all know the will of the people.

We should all lay away all personal feelings and study who is the best qualified for the place, the most useful to his community and the ones to work for the best interest of all the people and the ones who have stayed loyal to the Democratic party.

This election is very important to our community but we have to find out from other sources who is better qualified for our state offices.

We cannot listen to all the daily newspapers as they are generally for the one who is the most popular or who has the most big money behind him. But we notice the weekly papers usually go for the one who is for the best interest of the majority of the people.

I notice the Dallas News is for Mr. Connally and many of the dailies are following them. We know the Dallas News has been Republican for many many years, therefore we cannot trust them to be true to the nominees of our party should we beat them and their big money.

It takes more than money to elect a man, it takes the votes and plenty of them.

May we all be true to our party and pledge.

Personally, I believe if we will cast our votes for Don Yarbrough for Governor and James A. Turman for Lt. Gov. we will get a chance to be proud of them.

Yarbrough is for repealing the sales tax and paying enough to the old people and dependents on us for their daily food enough to live on and they both are reliable men.

Be sure and vote your convictions.

Girard News

By Mrs. Lola Wright

Mrs. Ola Boore, Clifford, Mrs. Louise Brooks, Mrs. Louetta Gunn, Mrs. Cliff Long, visited Thursday in the Rotan Rest Home with Mrs. Woodson, Mrs. Jackson and Mrs. Rucker recently.

Mr and Mrs Lynn Young of Abernathy spent the weekend in the home of his brother Mr and Mrs Dean Young a few days ago.

Bob Lewis was buried in Sweetwater Saturday where he has made his home for some time. He formerly made his home in Girard.

Gler Spradling spent several days in the Spur hospital last week.

Now with a rest in the elections farmers are very busy getting their land planted in places where they have the moisture. The weeds continue to grow.

Mr. and Mrs. Al Young of Snyder visited Friday with their parents Mr and Mrs Dean Young and also with Mr and Mrs Virgil Kilparick.

We wish to express our sympathy to the family of Bob Hamilton who was buried on Sunday.

The Hamiltons made their home near Girard for several years before moving to Jayton after he became ill.

Mr. and Mrs. Jake Swarngen who recently moved into their new home received a very nice house warming last Tuesday night the 8th when friends gathered bringing gifts and good wishes.

Mrs. George Taylor is home again after spending several days in the Rotan hospital.

A large crowd gathered in the home of Mr. and Mrs. Zeb Sailors Friday the 4th and enjoyed a weiner roast in the back yard.

Mrs Jim Wyatt, Mrs. Dear Young and Mrs Hugh Turner met in the court house Monday at Jayton and finished chairs they had been working on.

MEETING TO BE HELD FOR GIRLS BASEBALL PLANNING

GEORGE TAYLOR THANKS VOTERS

I want to take this means of saying "Thank You" to the good people of Precinct Two who voted for me May 5 giving me a place in the runoff June 2 for your Commissioner.

I appreciate this expression of confidence you have given me, and I feel that I am obligated to you to continue in the race and go into the runoff, ever though there may seem to be a wide spread in the votes, I am reminded of the old proverb "A winner never quits, and a quitter never wins."

I want to ask each voter in the precinct regardless of who you voted for in the first primary, to consider me further and if you see fit to vote for me and to elect me your commissioner, I will do my best at all times to serve you the people of the county and precinct to the best of my ability, and in a way and manner that you will not regret having supported me.

GEORGE TAYLOR

Mr. and Mrs. Bud Webb and daughter Karla of Lubbock visited her parents Mr. and Mrs. Elvin Lee here the past weekend and attended the Baccalaureate sermon for Eugene Lee at Girard Sunday night.

TO THE VOTERS OF KENT COUNTY

I have enjoyed serving you as County and District Clerk and feel that my experience in this office qualifies me to serve you better in the future.

You are welcome at all times in the Clerk's office, whether on business, to visit or just to browse around. You will find the records well cared for and in excellent condition.

I would like to thank each voter in the county for the courtesies shown me during my campaign for reelection to this office. I have enjoyed visiting with you and will try to see each of you again.

If I should fail, please regard this as a personal solicitation for your vote on June 2.

Sincerely
GERALD FINCHER

Mrs. Claude Kelley and daughter Maurine Dibrell was in Stamford Tuesday for checkup.

The girls of the fourth, fifth, sixth and seventh grades of this year and the mothers and fathers are urged to meet on Tuesday, May 22 at 7:30 in the evening in front of the Thos Fowler Insurance office. If it should be raining we will meet May 29 the same time and place.

Captains and other officials are to be selected. Let's help our children become good sports (a few of us, parents can even brush up on being better sports).

I think we should remember our girls are important as the boys.

If a child should happen to be hurt then you should be there to see about them. This is a must and we insist on your taking a part in girls activity. (What activities they have.)

If we parents are not interested enough in seeing our child make a base hit or a home run how can we expect other people to have the interest in them?

It will thrill the child to talk about it with you after going home. Then the thrill is shared with the ones they want to share interest with.

Let's get up out of the easy chair, help broaden the sportsmanship of our children instead of making ourselves broader sitting at home.

Mrs. Rex Alexander

TO THE PEOPLE OF PRECINCT NO. "2"

I wish to thank each and every one for the votes you gave me in the first primary and for any good words or deeds you have shown me during my campaign and will appreciate your support in the runoff election June the 2nd '62.

CARLOS D. DICKERSON

TO THE VOTERS OF PRECINCT TWO

I would like to take this opportunity to express my sincere thanks to the voters who supported me in the May 5th election and the courtesy shown me during the campaign.

I enjoyed visiting and talking with each and every voter in the precinct.

Thanks again
D. D. (Buck) Thompson

Livestock Survey Coming Soon

Postmaster Rex Alexander reminds rural patrons of the Post Office to be on the look out for June Livestock survey cards. Next week carriers will leave survey cards in a sample of boxes along their routes.

Assisting with the survey are Kathryn Smith of Route 1, and Truman Murdock of Route 3, Jayton.

Information from this survey will guide livestock and poultry producers in making important decisions, Alexander said.

Its reliability is probably its greatest single asset

When you build a quality truck, the inclination is to run around, asking users what they think of it. We do quite a bit of this.

It's a funny thing. You'd think people would talk mostly about the mechanical features of the vehicle--the good ride, its power, the double-wall construction, cab comfort, or tough tailgate.

These things get comment, of course, but they're consistently outnumbered by expressions of satisfaction with the dependability of a Chevrolet truck. Its greatest single asset seems to be the fact that it does its job well day after day without a lot of fuss or attention--and that's what impresses people the most.

Quality is the key to reliability. The next time you have to buy a truck, call your Chevrolet dealer and make your money go farther.
