Proposal Made to Change Name of School to Jayton - Girard District

The Jayton school board was to have held its regular monthly meeting Thursday night.

Jayton - Girard Independent School District.

Approval of contracted services of the education Service Center at \$1.00 per student.

Consideration of the Title I services, The signing of diplomas and awards.

Discussion of the driver education program. Pierce said "Roy Dodds has agreed to teach the course this summer."

We will have approximately 16 students. Tuition and salary to be set. Hall Wild has agreed to furnish a car. Goodall Ford furnished one last year.

About appointing an athletic director and football coach, the notation is made on the agenda, "Ralph Newton should be the man for the job. Some salary adjustment would be in order."

About a Spanish course he made this notation "Larry Hight has agreed to pick up a third teaching field, Spanish. We can fully utilize him with this area added to his field."

A bid has been submitted on areas of paving around the property of the school. The price is 75c per yard including grading, rolling and all preparation plus regular asphalt topping.

The school has been presented with a request from some of the Girard people regarding the use of the existing buildings at Girard. Pierce said "We can meet most of these requests."

Also he said that several persons have expressed a desire to buy some items at Girard that will not be used by the district or the community center. Probably an auction sale will be set.

Date for the opening of the swimming pool was to be set.

The Wade - Howard Wedding

Miss Mary Susan Wade and Howard I. Wink of Gulfport, Miss., were present. Lighted tapers and tall baskets of white gladioli and greenery adorned the altar. Wilma Hill, organist presented selections from Bach Schumann and Handel.

Given in marriage by her father, the bride wore a gown of white tulle and lace with a matching lace mantilla. She carried a bouquet of white roses. Mrs. Sara Kay Wade was her sister's maid of honor and only attendant. She wore a dress of pale green sheer silk with a white circlet veil, and carried a single long stemmed red rose. Wayne McGinnis served as best man. Ushers were Lance Wade of Lamesa, cousin of the bride, and Jack Butler.

For her daughter's wedding Mrs. Wade wore a two piece suit of pink silk shantung and Mrs. Wink wore a tangerine knit suit. Both wore corsages of white carnations. A reception was held after the ceremony with Mrs. Doug Howard and Mrs. Jack Butler assisting with courtesies.

Out of town guests included the bride's brother, Farley Wade of Issaquah, Wash., the bridegroom's uncle and aunt, Mr. and Mrs. Stuart McCaleb of Shreveport, La. and Mr. and Mrs. John Calhoun of Magnolia, Ark. The bride, a graduate of the Jayton High School received a B. A. degree in English from the University of Texas at El Paso and is now working on her master degree at the University of Arkansas.

Mr. Wink was graduated from South Mississippi College with a degree in English and received his master degree from the University of Arkansas where he is now working on his Ph. D. degree. He was recently elected to Phi Beta Kappa.

After a short wedding trip, Mr. and Mrs. Wink are at home in Fayetteville. VISITED IN LUBBOCK Mrs. Jack Williams, Melba Jones, Tommy Smith and Gary Williams visited in Lubbock last Saturday.

The theme of the meeting was "The Key is in your Hand" Mrs. E. A. Hodges THDA State vice president said this key is through faith in God, in yourself, in your fellow man, and in freedom.

Miss Claudia Williams, State Home Demonstration Agent expanding the meaning to include the keys of Education, Citizenship, 4-H and other youth, and leadership.

She said that we cannot stop with the past; the future is even more demanding. It takes our talent, knowledge and imagination to work for the improvement and change that will create a better "now" and "tomorrow."

Miss Judy Henderson, Childress County Gold Star Girl spoke on "Freedom's Challenge" - to maintain freedom and defend it. She stressed the individual in meeting this challenge. Not only must we rely on the gold in our vaults but even more on the iron in our bodies.

After a salad luncheon and a short entertainment, six counties presented THDA recommendations and a business meeting was held.

Kent County presented the Safety Recommendations by a skit included Mrs. Hugh Turner, Mrs. George Darden, Mrs. K. P. Brantner, Mrs. Lois Simpson, and Mrs. Earl Hahn who represented major home accidents.

Ninety five percent of all of the accidents involve a human element, forgetfulness, carelessness, procrastination, emotions, etc. Major household accidents involve falls, fires, and burns, suffocation, poisons, firearms, and poisonous gases. The women in the skit represented victims of these accidents.

They read safety rules to prevent these accidents from happening and to make our homes safer for all who live and visit them.

A total of 174 were present at the district meeting. Business included the discussion of state and national meetings, voting to use the \$100 4-H fund for District Camp at Brownwood and adopting a resolution to be presented at the state meeting that \$250 scholarships go to alternates of the three THDA scholarship winners.

The meeting adjourned after a summary of the day's accomplishments by Miss Fern Hodge, District Home Demonstration Agent.

Mrs. Pike Nichols and Mr. Hight, English and Speech teachers assisted the members with their demonstrations.

Good Rains Fall Here

Any rain is a good rain this time of the year, but the 2 or more inches of rain that fell in Jayton Monday and Tuesday was just about as well appreciated and did about as much good as that much moisture could possibly do.

Tuesday there was a slow down fall almost all day. Very little of it ran off.

Although the sun is shining and a few clouds hanging over head there are possibilities of yet more rain.

Wednesday morning farmers were counting the days when they could get in the field and go to work.

TO TRACK MEET Mr. Ralph Newton will take all girls that are interested to attend the track meet at Abilene Christian College, beginning May 9th by bus. The preliminaries will begin at 6 p.m. Friday and the finals will be Saturday evening.

BOUGHT SHOP Gerald and Sue Fincher have purchased the Alma Guest Shop in Haskell. They drive back and forth to work and will not move until after school. We really hate to lose this family from our community, but we wish them the best in their new business.

## GIRARD Pot Shots

People all over the country including the President are at last becoming fed up with all this student take over of the Colleges and Universities in the United States.

Pioneers would not stand for such law breaking, a horse thief was hanged from the highest oak tree, we may again experience the revival of the Klu Klux Klan and other groups who will take the enforcing of the law in their own hands if these Blacks and long haired whites who sit in march, riot and raise Cain in general are not stopped. We never had all this unrest until a dumb congress passed all this Civil Rights legislation. Now they are reaping what they have sown.

Mr. and Mrs. Carlos Dickerson spent last week end in Lubbock with their children.

Mr. and Mrs. Elvis Spradling and son from Ropesville visited his parents the Glenn Spradlings last week end.

Just three more weeks of school at Girard including this week, and there will be a big bar-b-q on the school grounds May 24th. After fifty nine years the school closes here for good. Many boys and girls who have graduated here have gone out in the world and made a name for themselves as teachers and business men and women as well as house wives and good husbands. Many graduates of Girard High have finished college and the fifty nine years have been well spent and it all started with a one room school house then in the Spur pasture and now the Girard town site. Hats off to all of the past trustees, students and patrons who stayed through good years and bad years and to the teachers down through the years a big thank you. Girard school will live on in memory and in deeds.

Rev. and Mrs. Victor Crabtree were luncheon guests last Sunday in the home of Mr. and Mrs. George Willis.

Funeral services were held Sunday at 3 p.m. in the Girard Church of Christ for Mrs. Louetta Gunn, 77, a long time resident of Girard and Kent County. She died in the West Texas hospital in Lubbock after a long illness. Officiating at the funeral service were Mike Cox and Gary Williams. Mrs. Gunn is survived by two sons and two daughters, her husband, Jim Gunn, preceeded her in death several years ago. Burial was in the Girard cemetery.

Attending at Home Demonstration District meeting in Childress on Tuesday of last week from Girard were: Mrs. Lois Simpson, Mrs. Hugh Turner, Mrs. George Darden and Mrs. Woodrow Hodges. From Jayton were: Mrs. K. P. Brantler, Miss Pat Nilson, HD Agent, and Mrs. Earl Hahn.

Mr. and Mrs. Larry Hight visited her parents in Hedley last week end.

Jimmy Bural drove a school bus load of local school kids to Wichita Falls last Saturday for contests in a meet in that city.

Mr. and Mrs. Lewis Williams are moving to Spur when school is out this month. Mrs. Williams has been teaching in the Girard school for many years. We regret to lose these folks from our community.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT (HJR50)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Constitution of the State of Texas, be amended by adding a new Section 50b-1 to read as follows:

"Section 50b-1. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Two Hundred Million Dollars (\$200,000,000) in addition to those heretofore authorized to be issued pursuant to Section 50b of the Constitution. The bonds authorized herein shall be executed in such form, upon such terms and be in such denomination as may be prescribed by law and shall bear interest, and be issued in such installments as shall be prescribed by the Board provided that the maximum net effective interest rate to be borne by such bonds may be fixed by law. (b) The moneys received from the sale of such bonds shall be deposited to the credit of the Texas Opportunity Plan Fund created by Section 50b of the Constitution and shall otherwise be handled as provided in Section 50b of the

Constitution and the laws enacted pursuant thereto. (c) The said bonds shall be general obligations of the state and shall be payable in the same manner and from the same sources as bonds heretofore authorized pursuant to Section 50b. (d) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution. (e) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment such acts shall not be void because of their anticipatory nature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The Constitutional amendment authorizing the Legislature to provide for additional loans to students at institutions of higher education under the Texas Opportunity Plan."

### Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT (HJR9)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section 49-d-1 to read as follows:

"Section 49-d-1. (a) In addition to Texas Water Development Bonds heretofore authorized to be issued by Sections 49-c and 49-d of Article III of the Constitution, the Texas Water Development Board is hereby authorized to issue \$3,500,000,000 in aggregate principal amount of bonds. No part of such additional bonds shall be issued prior to approval thereof by the vote of two-thirds of the elected members of both houses of the Legislature.

"(b) The proceeds from the sale of such bonds shall be deposited in the Texas Water Development Fund.

"(c) The bonds herein authorized and all bonds authorized by such Sections 49-c and 49-d of Article III shall bear such interest and mature as the Texas Water Development Board shall prescribe subject to the limitations as may be imposed by the Legislature.

"(d) The Texas Water Development Fund shall be used for the purposes heretofore permitted, by and subject to the limitations in said Sections 49-c and 49-d and in addition thereto for the purposes of developing water resources and facilities for the State of Texas, both within the State and without the

State of Texas. Provided, however, that financial assistance may be made pursuant to the provisions of such Sections 49-c and 49-d subject only to the availability of funds and without regard to the provisions in Section 49-c that such financial assistance shall terminate after December 31, 1962.

"(e) Under such provisions as the Legislature may prescribe, the Texas Water Development Board may receive grants and, in addition, execute contracts with the United States or any of its agencies, other states of the United States, foreign governments and others, for the acquisition and development of such water resources and facilities for the State of Texas. Such contracts when executed may be secured by the general credit of the state, and if so secured shall constitute general obligations of the State of Texas in the same manner and with the same effect as Texas Water Development Bonds. If facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment. The aggregate principal amount of Texas Water Development Bonds authorized herein and in said Sections 49-c and 49-d shall be reduced by the aggregate of principal payments committed under such contracts constituting general obligations of the state. The provisions hereof shall not be construed to limit the authority of the Texas

Water Development Board to execute contracts or issue revenue bonds when such contracts or bonds are not secured by the general credit of the state.

"(f) Texas Water Development Bonds and such contracts secured by the general credit of the state shall after approval of the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"(g) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on Tuesday, August 5, 1969, at which election all ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment broadening the powers of the Texas Water Development Board and the purposes of the Texas Water Development Fund; eliminating the interest limitations on Texas Water Development Bonds; raising the authorized amount of Texas Water Development Bonds by \$3,500,000,000; extending the maturity schedule on Texas Water Development Bonds; eliminating the procedures for curtailment and the curtailment date of financial assistance to be provided by the Texas Water Development Board."

# Maverick's hot! Any questions?

Measure it any way you like. By the crowds. The news stories. The sales. Few cars have caused a sensation like Maverick or broken so many records. Every day more and more people are asking questions about it. Here are the answers.

#### Q. Why did you build the Maverick?

A. We think of Maverick as another one of Ford Motor Company's answers to the gold drain. Now Americans who want small car economy don't have to send their U.S. dollars overseas.

#### Q. Why did you call it Maverick?

A. You know what a maverick is. A maverick breaks the rules. A maverick is different. Maverick plugs the big gap between the compacts and the imports. It has a wheelbase eight inches shorter than a '69 Falcon, eight and one-half inches longer than a VW 1500. Nothing else like it.

#### Q. Why did you make it this size?

A. Maverick pinches pennies, not people. We gave Maverick more leg room. More shoulder room. More luggage room. Good example: the front seat of a Maverick offers you nine inches more shoulder room than the front seat of the leading economy import and its trunk can handle all the luggage for a family of four, including a set of golf clubs.

#### Q. What do I get for the price?

A. You get your money's worth. A complete, built-for-Americans kind of car. Room. Hot styling. Color-keyed interiors. Even the heater is included. Some economy car interiors are about as luxurious as a park bench. Not Maverick's. You get plush seats. Cloth and vinyl upholstery with unique tartan plaid cloth inserts. You also get safety features like smart pull-out door handles. Strong safety door locks. Two-speed electric windows. Safety belts. Head restraints. Plus conveniences like armrests, coat hooks, lighted heater controls... important little things that add so much to your driving comfort.

#### Q. What about options?

A. You can get 'em if you want 'em. You can order integral air conditioning. (It's built in, not hung on.) Other options include 3-speed automatic or low-cost semi-automatic transmission, and a hefty 200 CID Six. But lots of people won't put an extra cent into this car. Because it's all there. A complete car all ready to drive home.

#### Q. What kind of gas mileage can I get?

A. That depends on you as well as the car. You can get as much as 25 or 26 miles per gallon—if you have an educated toe and the right road conditions. If you have a lead foot, or do a lot of city driving, you will

get a lot less. In tests by professional drivers at our tracks, where we do our best to duplicate actual driving conditions, Maverick averaged 22.5 mpg.

#### Q. What kind of power does Maverick have?

A. Maverick's Six lets loose 105 galloping horses. That's 52 more than you get in the 4-cylinder VW 1500. Maverick can cover 417 feet in ten seconds from a standing start. That means you can get up to highway speed in a hurry. When you enter a 70 mph turnpike, you won't feel like a retired bookkeeper thrust into the middle of a pro football game.

#### Q. If it has an eight inch longer wheelbase than the leading import, does it still handle and park easily?

A. Maverick can U-turn in a tighter circle (35.8 feet) than the leading economy import (36.0 feet). Maverick can slant through traffic like a halfback. It can turn on a dime and give you nine cents change. If you've been driving any other American car, you'll find Maverick's neat size adds up to 5½ feet to any parking space.

#### Q. Can Detroit really build a small economy car that's tough and long lasting?

A. It's not easy, but we did it. Maverick's unitized body construction makes it light, strong and durable. It's welded like a battleship. Rustproofing compound goes into deep crevices that never see the light of day. Then all that strength is covered with four coats of paint for lasting beauty. Result: one tough little car that's put together to stay together. (The service schedule in the Maverick owner's manual goes up to 108,000 miles or nine years; that ought to tell you something about its rugged durability.)

#### Q. How about parts and service?

A. Maverick is designed to be unusually easy to service. You're dealing with made-in-America parts and 6,000 easy-to-find Ford Dealers. Fast repairs and easy replacements mean extra savings in both time and money.

#### Q. Is Maverick really easier and less expensive to maintain than an economy import?

A. Definitely. Maverick oil changes come only every 6,000 miles and chassis lubrication once every 36,000 miles. The leading economy import recommends oil changes every 3,000 miles (twice as often as Maverick) and chassis lubrication every 6,000 miles (six times as often as Maverick). Those are

just a few examples of the many ways Maverick lessens inconvenience and lowers operating cost.

#### Q. Can I do my own maintenance work?

A. Yes, if you have an average amount of mechanical ability. The Maverick owner's manual contains 24 pages of detailed diagrams and easy-to-follow instructions for routine maintenance jobs you can do yourself, if you wish. You'll find it easy to change spark plugs, replace ignition points... plus many other do-it-yourself repairs and replacements.

#### Q. Can a small car be safe? And how safe is safe?

A. This small car incorporates the latest advances in engineering. Maverick's brakes are as big as a standard compact's—designed to stop cars weighing hundreds of pounds more. Maverick gives you weight... power... stability. Designed for American driving conditions.

#### Q. How does Maverick ride?

A. Here's where Maverick's longer, wider stance really pays off. You get a smoother, quieter ride. Maverick's tight, strong, unitized body helps eliminate squeaks and rattles. Special insulation blocks out road noise. The people who brought you a Ford that was quieter than a Rolls-Royce now bring you a small car that doesn't sound like a power mower.

#### Q. Is there an advantage in the fact that Maverick is really a 1970 car?

A. Slower depreciation is one money-in-the-pocket advantage. Maverick's 1970 model designation means it keeps its trade-in value higher, longer. (Maverick is built to be a good investment from the minute you buy it to the minute you sell it.)

Better come take a look at this one. You'll find it where the action is... right in there with other great Ford values like specially equipped Ford Galaxie 500's... Fairlans... Mustangs... Falcons.

You'll find them at your Ford Dealer's... the place you've got to go to see what's going on.

For an authentic 1/25 scale model of the new Ford Maverick, send \$1.00 to Maverick, P.O. Box 5397, Department , Detroit, Michigan 48211. (Offer ends July 31, 1969.)

**NUMBER FIVE ON THE BALLOT (SJR5)**

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 51-a of Article III of the Constitution of the State of Texas be amended, and the same is hereby amended so as to read as follows: "Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations herein contained, and such other limitations, restrictions and regulations as may be deemed expedient, for assistance grants to and/or medical care for, and for rehabilitation and any other services included in the federal laws as they now read or as they may hereafter be amended, providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance grants to and/or medical care for, and for rehabilitation and other services to or on behalf of: (1) Needy aged persons who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years; (2) Needy individuals who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps; (3) Needy blind persons; (4) Needy dependent children and the caretakers of such children. "The Legislature may prescribe such other eligibility requirements for participation in these programs as it deems appropriate. "The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, in providing rehabilitation and any other services included in the federal laws making matching funds available to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of state funds for such purposes; provided that the maximum amount paid out of state funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of such assistance payments only out of state funds on behalf of such individuals shall not exceed the amount of Eighty Million Dollars (\$80,000,000) during any fiscal year. "Supplementing legislative appropriations for assistance payments authorized by this Section, the following sums are allocated out of the Omnibus Tax Clearance Fund and are appropriated to the State Department of Public Welfare for the period beginning September 1, 1969 and ending August 31, 1971: Three Million, Six Hundred Thousand Dollars (\$3,600,000) for Old Age Assistance, Two Million, Five Hundred Thousand Dollars (\$2,500,000) for Aid to the Permanently and Totally Disabled, and Twenty-Three Million, Nine Hundred Thousand Dollars (\$23,900,000) for Aid to Families with Dependent Children. Such allocations and appropriations shall be made available on the basis of equal monthly installments and otherwise shall be subject to the provisions of currently existing laws making allocations and appropriations for these purposes. "Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may hereafter be amended to the extent that federal matching money is not available to the state for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enacts such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons. "Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes of patients whatsoever in any manner nor to administer or to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this state." Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday in August, 1969. At the election the ballots shall be printed to provide for voting "FOR" or "AGAINST" the proposition: "The Constitutional Amendment providing for assistance to and/or medical care on behalf of the needy aged, the needy blind, the needy dependent children and their caretakers; establishing Eighty Million Dollars (\$80,000,000) as the maximum amount that may be paid per year from state funds for assistance only; allocating and appropriating additional sums supplementing current legislative appropriations for assistance grants; and authorizing the Legislature to enact such laws as may be necessary in order that federal matching money will be available for assistance and/or medical care."
