## Floy Barfoot Funeral Held in Lamesa

Floy Barfoot, 66, died Friday of last week at 1:20 p. m. in the Methodist hospital in Lubbock, after a lengthy illness.

Funeral services were held at p. m. in the United Methodist Church of Lamesa with Rev. Alvis Cooley, pastor officiating.

Burial was in Lamesa Memorial Park under the direction of Brannen Funeral Home.

He was born in Louisa, Texas July 25, 1908 and moved to Jayton with his family in 1910.

He attended the Jayton Public Schools and was a charter member of the first organized school in Jayton and later attended North Texas Agricultural College.

He married Rachel Langston in 1934. Barfoot had lived in Lamesa since 1938 where he owned and operated a jewelry store. He joined the Metho-

dist Church at an early age during an evangelistic meeting conducted by the Rev. Lockett Adair, and the Rev. Thomas Rocket.

He was a veteran of World War II and was a member of the American Legion.

Survivors include his wife Rachel of Lamesa, his mother Mrs. John Barfoot of Jayton, a sister Mrs. Erma Black of Rotan, two nieces Sue Barfoot of Lubbock and Jodie Stegall of Midland. A nephew John W. Barfoot of Dallas, a great niece and nephew, Bill and Ann Barfoot of Dallas. He was preceded in death by his father, and two brothers.

Among those attending the funeral from Jayton were Mr. and Mrs. Hallie Wade and Sandra, Mr. and Mrs. Med Wade Mr. and Mrs. Floyd D. Hall, Zephie Brown of Jayton, and Mrs. Howard Thomas of Spur.

## Kenny Kidd Wins The Football Contest

All the winners in the football contest had only one game missed, and it was decided on the tie breaker.

First was Kenny Kidd with a score of 12, second was Alfonso Trevino with 42, and third P. E. Cleveland.

Quite a few missed

only two games. They were Gus Fincher 50, Rickey Martinez 28, Brad Dibrell 48, Delton Cleveland 38, Karen Smith 17, Ronnie Cheyne 56, and Bobby Kelley 35.

This contest is made possible by the merchants listed on the contest page.

## Honored On Birthday

Paula Mayer was honored with an 18th birthday dinner Sunday at the home of her grandmother Mrs. Emma Muns.

Others present were Mr. and Mrs. J. H. Ma-

yer and W. L., Lisa York and Tommy Graham of Aspermont.

Highlight of the dinner was a large cake made to look like a drum major.

## Wedding Plans Told

Mrs. T. J. Mueller of Snyder and Mr. Richard Brownlee of Oklahoma City announce the engagement and approaching marriage of their daughter Becky to Vick Burk, son of Mr. and Mrs. Joe D. Burk of Rotan.

A Jan. 3rd wedding is planned in the First

Methodist Church of Rotan.

Becky is a 1974 graduate of Jayton High School and is now employed at Stimson Drug in Snyder.

Vick is a 1973 graduate of Rotan and is now a student at Tarleton State University in Stephenville.

## Jaybirds To Host Forsan Here Friday

### Jaybird Band Goes To Marching Contest

On Wednesday, Nov. 6, the Jayton Jaybird Marching Band will participate in the Class B Marching Contest. The contest will take place at Shotwell Stadium in Abilene.

The band's No. 1 rival will be Bronte. A No. 1 rating must be

achieved in marching, concert, and sight-reading before the coveted Sweepstakes award is given to a band. The band marches at 2:18 p.m. Wednesday afternoon. Be a Jaybird Band Booster and come to cheer the band to a No. 1!

### The Democrats Have Big Day Tuesday

Jayton and Kent Co. voters Tuesday joined Texas and the nation in a general landslide for the Democrat candidates.

Governor Briscoe was given about a two to one margin over his opponent former Mayor Jim Granberry of Lubbock, and it was about

this margin all over the State.

Ray Farabee won easily over Republican Mary Kirchoff of Plainview.

One of the best Democratic victories was Jack Hightowner's victory over veteran Republican Congressman Joe Price of Amarillo.

### County Agent Warns Of Insect Danger To The Home

Cooler weather means that yard and garden insects will begin seeking a warmer place to spend the winter. And that place will likely be man's abode--the home.

Most common among these "household invaders" are earwigs, crickets, millbugs, spiders, pillbugs and certain cockroaches. In addition to their presence, many of these invaders will damage fabrics and feed on food products. Some are also capable of transmitting disease-causing organisms from place to place within the home.

an aerosol spray bomb containing Baygon, DDVP, diazinon or malathion.

Before using any type of insecticide, be sure to read the label closely and to follow directions. The use of any chemical should be based on the presence of an insect problem. Do not treat where a problem does not exist or has not existed in prior years.

All county offices in Kent were closed on Tuesday because of the General Election.

Unofficial rain fall figures for the past week put the total moisture at 0.40 inches.

Please call in your news to 7-3593 or to 7-4941. Thanks.

Mrs. Odell Harrison has been sick this past week with a very bad cold.

Randy Hall was home Friday visiting his parents Mr. and Mrs. F. D. Hall.

Happy birthday Bill Vencil!

Good news. W. L. Mayer's German Shepherd now has 12 new puppies born Saturday.

W. L. Mayer and Lisa York went to Stamford Saturday.

The yearly outbreak of chicken pox is on in the community right now.

The old Joe Benavides home burned down Friday night.

Brooks' 66 Station had a fire in the back of the garage Sunday night.

Mr. and Mrs. Marvin Cheyne have moved to the Byrd place on the Aspermont highway.

The Jayton Jaybirds went down to Bronte on Friday, and attempted to bulldog the Longhorns, but rather got trampled underfoot, and lost their title hopes for the year. Losing 26-0.

This week they are wrapping up an addressing their wounds, to play hosts to Forsan in another big battle.

They have saved the worst for the last this year with three big guns Bronte, Forsan, and Lorraine all stacked up at the end of the season.

This will be the final game of the season.

Be sure and be there and boost the Birds on to victory.

The Lady Jays went to Rule Tuesday night for a game, and will be in Stamford Saturday morning, Nov. 9th.

### Steers Placed On Feed For Spring Calf Show

Eleven steers were weighed in for the rate-of-gain contest in the Kent County 4-H Club Stock Show. The steer with the most gain from Saturday, the 2nd of Nov. to the weigh-in on the 21st of February will receive special recognition.

Calves weighed in Saturday at the 4-H Barn in Clairmont as follows:

Shelley Williams, Angus, 980.

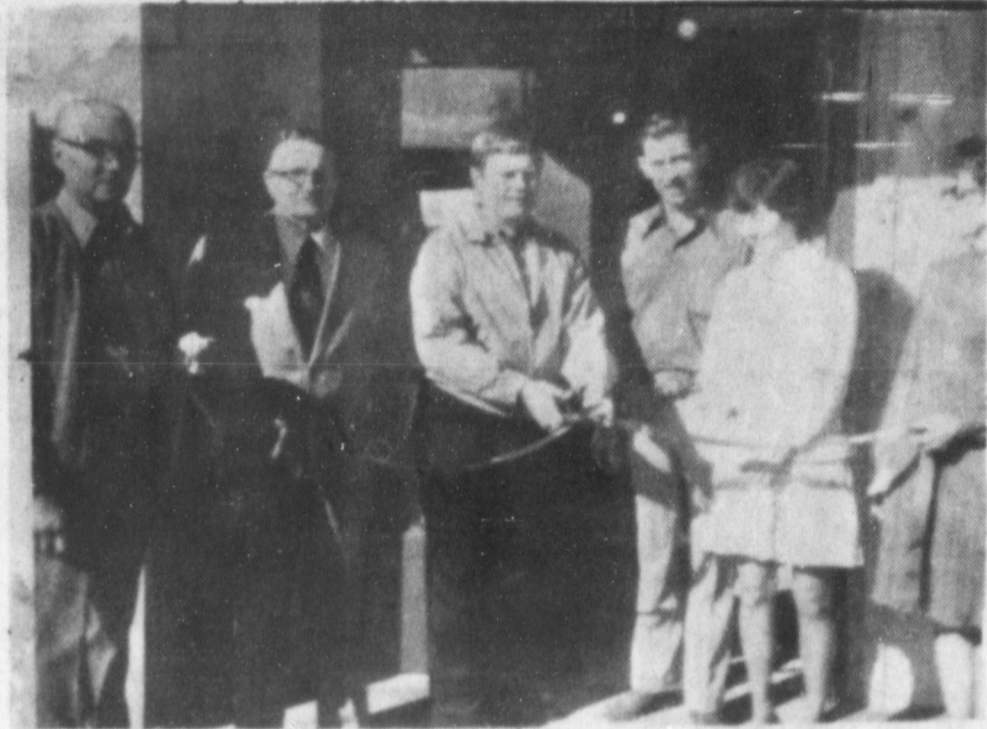

Chris Williams, yellow Charolais, 987.

Chris Williams, brown Charolais, 711.

Rena Bural, black white face, 639.

Bim Bural, red white face, 680.

Livestock Production Down... Fewer Broilers, More Layers... Harvest Progressing... Ranges in Good Condition

**CATTLE SALES** in Texas were down extensively the past two or three months, according to the Texas Crop and Livestock Reporting Service. In September, 449,000 head were sold through Texas auctions, 26 per cent below a year ago and eight per cent below sales in August. Sheep sales through auction barns were 67,000, compared to 75,000 a year ago and 74,000 the previous month; and goat sales in September in Texas auction barns were 23,000 head, which was 30 per cent below September, 1973 and 34 per cent below August sales. Hog sales were up to 43,000 in September, 1974, which was 16 per cent above the same month in 1973. During the three months of July, August, and September of this year, 755,000 head of cattle were placed on feed in Texas feedlots, and that was 29 per cent fewer than a year ago; and 933,000 head were sold from Texas feedlots during that time, 14 per cent below sales for the same period last year. On October 1, there were 1,599,000 head of cattle being fed for slaughter in feedlots, compared to 2,323,000 head at the same time in 1973, a decline of 31 per cent. During September, 1974, there were 131,848 head of cattle and calves shipped out of Texas and 98,122 head shipped in. Shipments out were 53 per cent below shipments out during the same period of 1973, and shipments in were 38 per cent below shipments in during the same period in 1973.

**THE HATCH** of egg-type chicks increased in September by 12 per cent over the same month a year ago, reaching 2,000,000; but the hatch of broilers dropped to 12,612,000, 11 per cent below September, 1973 and nine per cent below August's hatch. Heavy breed turkey poults hatched during the week ending October 19, 1974 totaled 113,000, which is 64 per cent more than the same time in 1973. Heavy breed turkey eggs set totaled 170,000, which was 16 per cent less than a year ago and four per cent less than the previous week. In nine turkey-producing states including Texas. There were 1,544,000 eggs set for turkey poults during the week ending October 19, 1974, compared to 1,741,000 at the same time last year. There were 756,000 turkey poults hatched in the same states during the same week, compared to 752,000 in 1973.

**DESPITE SOME** rainy weather, harvest of Texas crops continued during the last weeks of October. The harvest of the first crop of rice is complete and over a third of the second crop has gone to the dryers. Sorghum harvest is about two-thirds complete, despite the slow down on the High Plains due to rains and cold weather. Cotton harvest is about 26 per cent complete, soybean about 15 per cent complete, peanuts about 55 per cent, and pecan harvest is gaining speed. (Pecan prices are reported holding steady at 30 to 35 cents for natives and from 40 to 55 cents a pound for improved varieties.) In the Valley, picking of oranges and grapefruit continues, and planting of lettuce, onions and cabbage is going on. Harvest of lettuce and carrots resumed in the High Plains after the wet weather, and okra, tomatoes, beans, green onions, greens and collards are being harvested in North Texas. Cucumbers, bell peppers, and cabbage are being picked in the San Antonio-Winter Garden areas.

**AS MIGHT BE** expected, Texas ranges are in good condition and wheat and oats are making good progress. Hay baling is continuing in many areas of the State as weather permits. Most cattle are in good condition. Some new screwworm cases have been reported over the State, including one in the Cross-Timbers area. Cattlemen are urged to be on the lookout for screwworms, and to send samples of any suspected cases to the laboratory in Missi-

**FAMILY LAND HONOREE**--Agriculture Commissioner John C. White congratulates one of the 268 Family Land Heritage honorees who attended Oct. 14 ceremonies at the State Fair. Despite bad weather about 1,000 people showed up for the first annual event. White passed out certificates to honorees.

I disagree with the idea published that high food prices are the main cause of inflation.

True, high food costs are bad, but the one thing responsible for high prices, more than anything else, in my opinion, is the damage done to the economy by the enforcement of EPA (Environmental Protection Agency) orders.

The EPA has some very idealistic program this is true, but what is the benefit of an ideal atmospheric condition, if there is no one around to enjoy it?

Everywhere you inquire or look you will find all kinds of industry and business, large and small, are under tremendous, and sometimes impossible financial situations they are required to meet to satisfy EPA orders.

Many businesses are being required to spend almost as much, in some instances, and sometimes even more to conform with EPA guidelines, than their original business investments.

All this extra expense and costs, must be passed on to the customers, or else they must close their doors.

In the automobile business, alone, just look at the advance in the cost of vehicles just to take care of the gadgets that have been put on to satisfy EPA.

And many of these items the public thinks are simple wastes.

The EPA forced a great many of the big industrial plants to change over from coal to petroleum fuels, and about the time they get the change over accomplished, they are hit in the face with fuel shortages, and sharp rises in prices.

A lot is being said these days about the extra bite the so called middle man is taking

in the processing of food and other items. You may be sure one of the reasons for this is the added costs they are out simply "in order to conform."

A trial judge in Chicago has severely criticized HUD (Housing and Urban Development) with being cold and unsympathetic for foreclosing on thousands of mortgages on the homes of poor people.

U. S. District Judge Hugh G. Will made this statement in a pretrial opinion on a law-suit by nine low income families with HUD backed mortgages.

HUD statistics show nationwide, that as of last April the agency had foreclosed on 78,000 single family homes and in Chicago alone the HUD owns 2,200 vacant homes repossessed.

This amounts to one in five under the low income mortgage insurance program.

The judge said he saw no reason for the high foreclosure rate, which contradicts the aims of the program set out by the Congress.

At one point the judge wrote: HUD seems insensitive to its responsibilities to establish and enforce procedures reasonably calculated to protect the mortgagees (borrowers) from premature foreclosure.

### CHUCK WAGON BAKED BEANS

- 1/2 cup barbecue sauce
- 1/2 tsp. dry mustard
- 1 tsp. chili powder
- 1/2 tsp. garlic salt
- 1/2 cup butter
- 1 lb. dried navy beans
- 1 tart apple, chopped
- 1 small onion, chopped
- 1/2 lb. sliced salt pork
- 1/2 cup strained honey

Wash beans, cover with water and soak overnight. Cook slowly in salted water about 30 minutes, drain, saving cooking liquid. Put apple and onion in 2-quart bean pot; add half the beans and top with half salt pork. Add remaining beans. Mix honey, barbecue sauce, mustard, chili powder, garlic salt and butter with 2 1/2 cups cooking liquid; pour over beans. Top with remaining salt pork; cover. Bake in 375-degree oven 1 hour. Reduce heat to 275 and continue baking 5 hours. Add more bean liquid or hot water. During last half hour uncover. Yield: 6-8 servings.

## COFFEE, TEA AND CORNPLASTERS

There aren't many of us left who remember Sixbey's General Store. It was more than a store; it was a gathering place, a news bureau, a bright spot in a boy's summer afternoon.

You would come in from the hot dusty street, and the shaded store was cool. Immediately you encountered a tantalizing blend of scents — apples, licorice, spices and smoked ham. Grown-up conversation enhanced your feeling of excitement as they viewed and reviewed town happenings. You always took a long time to decide between a chocolate or a lemon drop, so that this exciting visit could be prolonged.

Our town has changed since then. For those of us whose memories linger in Sixbey's Store, it hardly seems the same place.

Yet one thing's the same. At the corner of Elm and Main, St. Mark's steeple still points skyward. Man's need for God never changes. And the Church remains constant as it teaches the truths of God's love and presence.

# SWEETWATER SAVINGS ACCOUNTS INSURED UP TO \$40,000

The federal insurance coverage on individual savings accounts has been increased to \$40,000 by an act of Congress. Your Sweetwater Savings account not only pays the maximum allowed by law but it is insured up to \$40,000 by the FS LIC, an agency of the Federal Government. A family of four can insure their savings up to \$560,000 by using joint, individual and trust accounts. Ask a Sweetwater Savings officer about our family insured savings plans.

New FS LIC insurance coverage effective November 27, 1974

Join the fun. Guess the winners. Nothing to buy. Just circle the teams you think will win, fill in your name and address, and bring it to the Chronicle office, or get it into the mail before 5 p. m. Friday. Everyone is eligible except employees of the Jayton Chronicle, and members of their families.  
Use this from here in the paper. Come by the office and we will give you a free form. Or, write it out on a piece of paper, in the same order as printed here, and that will do. The editor of the Jayton Chronicle is the sole judge as to the winner. In the case of tie, the amount will be shared. Be sure and mark the tie breaker score, which we will use in an attempt to break the tie. That is all there is to it, and you have a lot of fun. This contest is sponsored by the firms listed on this page. They are supporting the Jayton Jaybirds, Champions, all the way.

Kent Co. Nursing Home News

The residents of the Kent County Nursing Home had a special treat Sunday afternoon. Mr. and Mrs. Henry Harris of the McAdoo Baptist Church brought the Youth Choir of that church to sing for thirty minutes. The exceptional talent and the excellent direction of Mrs. Doris Neff, who accompanied the group on the piano, provided a most enjoyable and inspirational song service.

ness of these young people and the adults who came with them. Peggy Gibson, La Rue and Denise Cleveland, visited Miss Yeager this week.

Mrs. Stella Morrow Day of Spur visited R.S. Green.

Our sincere thanks to Mrs. Glenda Bradley for the cake she sent.

Other Sunday visitors were Mrs. Daisy Barton, Mrs. Hobart Hoggard, and Mr. and Mrs. Elbert Walker.

Mrs. Cass enjoyed a visit with her son, and Mrs. Price was visited by her daughter.

POPULATION GROWS AT SURPRISING RATE

Make a quick guess. If a country's population increases by 3.5% a year, will the population after 40 years be 150% of what it was at the start? More like 200% or 300%? Or would it be 400%?

Make your guess now, before reading further.

South of our border, in Mexico, population experts and government leaders are very familiar with the answer. They are aware that at present Mexico has a population of 56 million, and that if the present 3.5% growth rate continues, the population will double every 20 years as it has done in the past two decades. So 20 years from now, if population was unchecked, it would be 400% as great as it was 20 years ago!

The Mexican government has set in motion a far-

reaching program to reduce the high population growth through family planning education.

President Luis Echeverria issued a call to the Church, medical profession and scientists and heads of family to cooperate in fostering responsible parenthood to restrain the population ex-

Texas Hog Industry To Limit Production

AUSTIN-Responding to the feed price pinch, Texas hog producers are planning to farrow fewer sows for 1975.

According to Agriculture Commissioner John C. White, the spring decreases are necessary to keep the hog industry alive. The result will be lower supplies and higher prices for early 1975.

"Hog producers, like all livestock men, are caught in the feed supply and price bind," White said. "With the expected 1974 grain yields down, coping with the feed situation headache is the overriding concern in the hog industry."

Around 930,000 hogs and pigs were reported throughout the state on Sept. 1. Market hogs accounted for 790,000 of

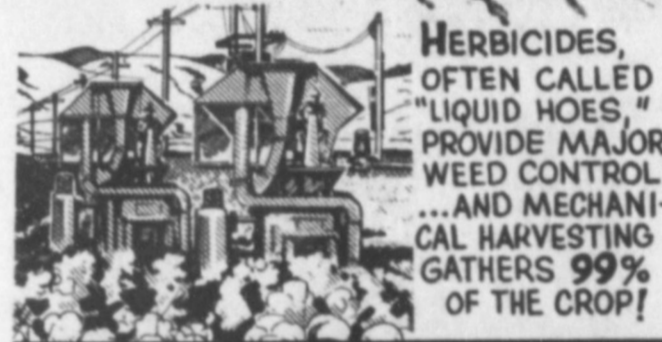

the total, down 15 percent over a year ago. The remaining breeding stock is down 16 percent over last year.

White said hog prices in the state are expected to be stable into spring with possibilities for an increase toward the end of the year due to the downward supply trend.

State hog slaughter is down slightly over the total for the same period last year. Nationally the picture is expected to remain moderately over a year ago with prices seasonably lower.

SPACE-AGE COTTON FARMING IS A MECHANIZED MARVEL!

MULTIPLE-ROW PLANTERS DO PRECISION PLANTING ON AS MUCH AS 100 ACRES A DAY... WHILE COMBINING SEVERAL OTHER OPERATIONS AT THE SAME TIME...

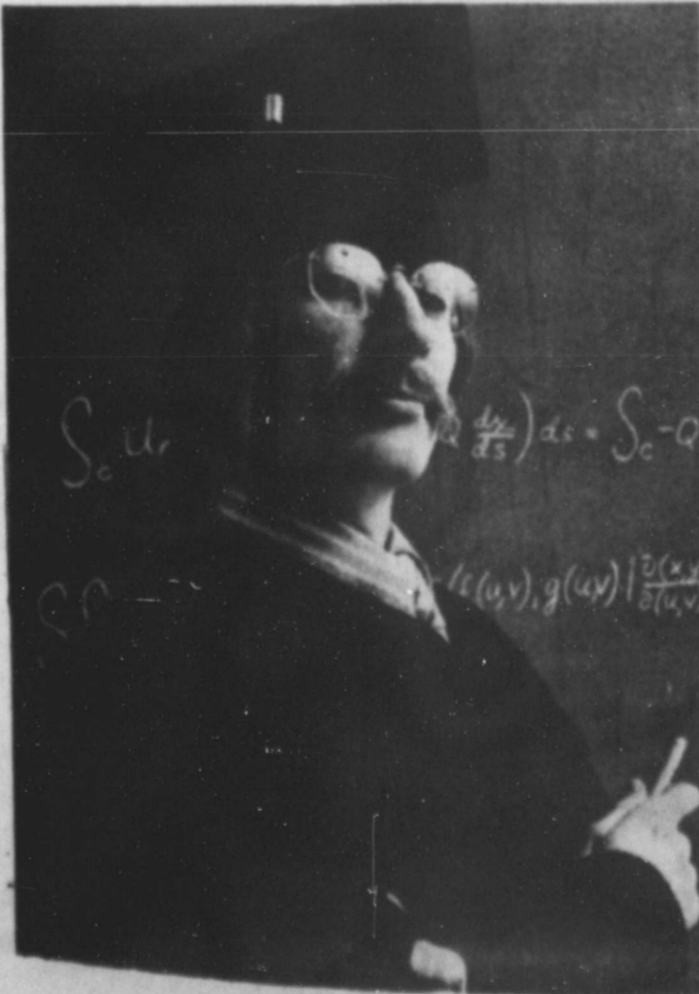

HERBICIDES, OFTEN CALLED "LIQUID HOES," PROVIDE MAJOR WEED CONTROL... AND MECHANICAL HARVESTING GATHERS 99% OF THE CROP!

THESE AND OTHER SCIENTIFIC PRACTICES HAVE MADE IT POSSIBLE TO PRODUCE A BALE OF COTTON IN 22.4 MAN-HOURS AS COMPARED TO 140 JUST 25 YEARS AGO!

IT NEVER FAILS

A little simple arithmetic about a Math major.

The cost of a higher education is getting higher. In fact, you could end up spending close to \$20,000 to put your child through college. So maybe you should consider U.S. Savings Bonds. They're one of the most dependable ways to build funds for an education. All you have to do is join the Payroll Savings Plan where you work. Then an amount you specify is set aside from your paycheck and used to buy Bonds. Say your child is 3 years old now. If you buy a \$75 Bond a month through Payroll Savings, by the time he's 18, you'll have \$16,048 tucked away. A solid sum to get him started. See? A little simple arithmetic can add up to a lot. Make the chances of your child's college education more secure. Join the Payroll Savings Plan now.

Blue Cheese-Broccoli Casserole

Sauces are the splendor and glory to many recipes, the secret of making particular foods so much more tasty. This special blue cheese sauce dressing makes for an unusual and delicious sauce for a broccoli casserole. Serve with a roasting chicken, white wine, and your meal will certainly be a delight to the palate and family alike.

Here is the recipe as developed in the Wispride Test Kitchen:
1/2 cup butter
1/2 cup flour
1/2 teaspoon salt
1/2 teaspoon pepper
1 cup milk
1 teaspoon Maggi Seasoning

Preheat oven to 350°F. In small saucepan, melt butter; add flour, salt and pepper; mix well. Gradually blend in milk, stirring constantly, until slightly thickened. Add Maggi Seasoning and Wispride Blue Cold Pack Cheese Food; stir until smooth. Place broccoli in 2-qt. baking dish. Spoon cheese sauce over top. Sprinkle with cracker crumbs. Bake at 350°F. Time: 25 minutes. Makes 6-8 servings.

\*When using fresh broccoli, blanch 10 minutes in boiling water.

Farm Census To Be Taken Soon

Kent County farmers should begin getting their records in shape for the 20th nationwide Census of Agriculture which will be conducted during the first part of 1975 by the Bureau of Census. Farmers will receive their report forms by mail early next January. These should be completed and returned promptly.

Questions will ask for acreage of cropland harvested, quantity and market value of major crops produced, acres irrigated and means of irrigation, acreage treated with pesticides, lime and other chemicals, acreage fertilized by kind of fertilizer (dry, liquid, gas).

Questions on livestock and poultry will cover the number of each kind on the farm as well as the number sold and the sales value.

Details will also be requested about farm products produced or marketed under contract, about hired and contract labor and the number of workers and cash wages paid, and about any injuries to workers.

Expenditure questions will also cover amounts spent for feed, fertilizer, pesticides, lime, gasoline and other farm fuels, machine hire, and livestock and poultry purchases. Information will also be sought about the various types and uses of

land, services, custom work provided other farmers, or payment for participation in government farm programs.

These two types of report forms being prepared include one for farms with sales of \$2,500 or more and less detailed form for farms with sales of less than \$2,500. However, regardless of the form a farmer receives, need answer only the questions that apply to his operation.

Federal law requires that every report is confidential, and may be used only for statistical purposes.

Ex-Student Officers Meet

Jayton Ex-Student Officers met Tuesday night to close out the 1974 homecoming and get ready to turn the reins of activity over to the new slate of officers. The next homecoming will be in '76 since it is held on alternate even years.
