

All About Nothin'

Phil Harris and members of his orchestra are due to be aboard the 1:40 passenger train through here Thursday afternoon (this afternoon) reports said. Harris' orchestra, featured on the Jack Benny radio program, is to be at the Nat in Amarillo tonight.

Chas. Williams accused the Review of being in error last week when it was stated that Ed Hardin raised six or seven hundred pounds of fine grapes on his place here this year. Mr. Williams declared that MRS. HARDIN, and not Ed, is the one responsible for the good fruit yield.

Those Review want-ads went to bat last week and scored heavily for the ones investing a quarter in them. One drew four replies and another received five. Try a REVIEW WANT-AD when you want to buy, sell, or trade.

Mrs. Fern Meester, owner of Fern's Beauty Shoppe here, was married to Allen Aune in Mason City, Iowa, Thursday, reports said. She is to return here to dispose of her business and get her daughters, Hilda Mae and Donna Faye Meester. Mrs. Aune is a daughter of Mr. and Mrs. A. Zeman of this city.

Irrigation wells are being drilled and tested on the Ted Watts, Wylie Wilkinson and F. Fuchs farms.

E. B. Lindsey says this country will not make a real crop until after we have had a fall so wet that we can hardly gather the crops in the fields. We need this seige of rains, he says, to put back into the ground the deep sub-soil moisture which has been absent since drouths back in the early 1930's. Lindsey, owner of a grain elevator here, believes irrigation wells will be a great boon to this area.

Of those who last week-end made a guess at the time Abernathy would receive its first 1940 bale of cotton, E. G. Thompson came nearest the correct date. He guessed Sept. 4 and Will Darden brought in the initial bale Sept. 2. Darden who started the 1939 season August 30, deserves the title of Abernathy's "First Baler."

Assessed valuation of the Abernathy County Line school district is \$3,582,519, said Kenny Rankin, the school's business manager. There are about 159 sections of land in the district.

J. Sam Lewis, farm writer for the Avalanche-Journal publications, visited here Tuesday morning gathering news on his annual tour of the South Plains.

Flanking New Deal's attractive campus on the north is Mrs. A. L. Faubion's beautiful flower garden composed mostly of huge dahlias.

WHY THE PRINTER LEFT TOWN
Before machines came into use in newspaper plants all type was set by hand and quite often a printer would show up intoxicated. One morning an editor handed a printer copy of a wedding announcement and a notice of an auction sale. Here is what was found in the proof:

"Wm. Smith and Miss Lucille Anderson were disposed of at public auction at my farm 1 mile east of a beautiful cluster of roses on her breast and two white calves, before a background of farm implements too numerous to mention in the presence of about 70 guests, including 2 milch cows, 6 mules and 1 bob sled. Rev. Jackson tied the nuptial knot with 200 ft. of hay rope and the bridal couple left on 1 good John Deere gang plow for an extended trip with terms to suit purchasers. They will be at home to their friends with 1 good baby buggy and a few kitchen utensils after 10 months from date of sale, to responsible parties and some 50 chickens."

Abernathy Weekly Review

ABERNATHY, HALE COUNTY, TEX., THURSDAY, SEPTEMBER 5, 1940

VOLUME XX, NO. 14.

Program Monday Morning To Open New Deal Schools

New Deal public schools are to open for the 1940-1941 school year Monday morning at 9 o'clock. An opening program, which was not complete at press time, is to be held in the high school auditorium at 10 o'clock Monday morning. Superintendent A. L. Faubion extended a welcome to everyone in the community to attend the opening exercises.

Registration in the high school and grades will be conducted Monday. School buses are to make scheduled runs that day.

Faculty Members Named

Members of the faculty and subjects they are to teach are: A. L. Faubion, superintendent, math; J. B. Johnston, high school principal, math and science; R. E. Horsley, social science and coach; Leo Meier, vocational agriculture; Mrs. Mildred Billingsley, home economics; Lucille Cox, social science, physical education and girls coach; Mr. Eaton, orchestra, band and public school music.

The school board was to have named a teacher for the English department in a meeting Wednesday afternoon. Previously they had elected Pauline Coe, who taught at Pylon last year, to that position, but she resigned to accept a place in a Lubbock school. Mrs. Z. B. Lee, who taught English in high school last year, resigned at the close of the last term.

Grade school instructors are: V. A. Cross, principal and math; Mrs. Aura Hamilton, English; Nora Potter, social science; Montez Snider, spelling, writing, art; Mrs. L. E. Settle, third grade; Mrs. C. R. DeArmond, second grade; Etta Robinson, first grade; Mrs. Gertrude Batton, first and second grades.

With the English teacher in high school named, the schools will have 16 faculty members.

Scholastic count for the district is 481 children.

Members of the faculty are to meet at the school at 9:30 o'clock Saturday morning, Mr. Faubion said.

R. E. Horsley is to coach New Deal's football squad, the Lions. Miss Cox is to coach the girls in activities including basketball.

School is to open at 9 a. m. and close at 3:40 p. m. with lunch period from 12 to 12:40 p. m.

Mrs. Buri Jackson is to have charge of the school cafeteria located in the grade school building.

Senior, or advanced science is a new subject to be offered this year. Children six years of age before September 1, 1940, will be eligible to enter school this year.

Walls and woodwork in the high school building have been refinished. The school has seven buses, six which are used on routes and one utility machine. The buses are in good condition. Drivers are Bill Nesbitt, foreman, Macom James, Monroe Jeffcoat, Mr. Shipman, J. D. Farrier, and Homer Hazle.

Nesbitt succeeded Bruce Caldwell as foreman of the buses. Caldwell was relieved of this duty to give more time for work in the school buildings and on the campus. He is to be assisted by Hazle.

DOVE SEASON OPEN

Hunting season for doves, in the Panhandle, opened Sunday, for a two-months run. Southernmost Plains counties included in the area opening Sunday are Yoakum, Terry, Lynn, and Garza.

The remainder of Texas, with the exception of the lower Rio Grande valley, opens Sept. 15.

The daily bag limit has been reduced from 15 to 12, and the possession limit has been set at the same figure.

PROGRAM MONDAY OPENS SCHOOL HERE

A large crowd attended the program in the school auditorium Monday morning which opened the 1940-1941 school term here. Talks were given by R. Lee Snider, new superintendent, Mrs. J. C. Hurst of the Parent Teachers Association, G. G. Gilliland, member of the school board and Noel Johnson, a senior student.

Enrollment at noon Wednesday totaled 504 with 188 in high school and 316 in the grades.

The school news section, under the direction of Miss Evelyn Stallings, journalism teacher, is to start in the Review next week.

J. D. Daniel of Denison visited in the C. D. Daniel home Monday.

Hugh Herbert Stars in Free Show

Hugh Herbert, famous for his woo-woo-ing, is featured in the merchants free show, "La Conga Nights," at the Rita theatre Saturday afternoon. Dennis O'Keefe and Constance Moore also have featured roles in the picture.

Local merchants provide this free program as a trades day attraction. Three programs, to which everybody is invited, will be given. The first show is at 1:00 p. m., the second at 2:20 and the third at about 3:40.

Thought For The Week:

We the people of America cry for Democracy. It would be well for each of us to examine our own behavior to see if we are truly living by the principals on which Democracy is founded. How many of us know what those principals are; are we teaching our children to know?

CHAPMAN MOTOR CO. SHOWS 1941 PLYMOUTH HERE

Chapman Motor Co., local dealership for Dodge and Plymouth passenger cars and commercial units, Saturday placed on display a model of the 1941 Plymouth automobile. Plymouth features 19 important advancements in the new model. This year's Plymouth is in three groups, the special deluxe, deluxe and the Plymouth, or the lowest priced model which replaces the Roadking of 1940.

Included in the 19 important advancements are these features: change of horsepower from 84 in the 1940 models to 87 in the 1941 cars, new powermatic shifting, new one-piece hood with lock inside, counter-balanced trunk lid, new safety rims on wheels, new transmission and axle ratio, new two-tone color combination on special deluxe sedans and new two-tone upholstery.

Douglas Chapman, manager of the company, plans to attend an advance showing of the 1941 Dodge automobile in Oklahoma City, September 25.

ALVIN HARDIN BUYS FIRST 1941 MODEL

Alvin Hardin early this week bought the first 1941 model car sold in Abernathy. It was a 1941 Plymouth special deluxe tudor sedan purchased from Chapman Motor Co., local dealer for Dodge and Plymouth.

Wesley Harris drove the first 1940 model, a Ford deluxe tudor sedan, which was sold by Abernathy Motor Co. in October of 1939. Dutch Crow drove the first 1937 car here, a Plymouth deluxe tudor sedan.

MAJOR ATTRACTIONS SET FOR LUBBOCK FAIR

LUBBOCK, Sept. 5—Visitors to the Panhandle South Plains Fair, September 30 to October 5, inclusive, in addition to witnessing the \$100,000 Entrada of Coronado as the night grandstand attraction, will be able to view one of the highest-class attractions ever seen, in front of the grandstand each afternoon. This afternoon performance will be absolutely free.

Fair officials announced late last month the possibility of a free afternoon grandstand attraction but assurances were not given until the signing of a contract this week.

Two School Days

At the same time announcement was made by Fair directors of the continuance of two children's days this year. Wednesday and Thursday, October 2 and 3, are the two days which have been designated.

Catalogs Being Mailed

The 1940 catalogs will go out in the mail the first part of next week at which time entry blanks will also be mailed. Already some entries have been received in the Agricultural department and superintendents in that department anticipate excellent exhibits.

NFLA MEET SET SEPT. 17

Motion pictures showing various phases of Home Demonstration and 4-H Club work will be featured on the entertainment program at the annual meeting of the Abernathy National Farm Loan Association, to be held at Rita Theatre, in Abernathy September 17, W. A. Richter, Secretary-Treasurer of the association said today.

FOOD STAMP PLAN IN OPERATION

With the opening of a food stamp plan office in Plainview Tuesday for issuing stamps to eligible relief clients, Hale county's part in the movement to use farm surplus products got underway. All Abernathy food stores are co-operating in the program, and can explain ramifications to those eligible to receive the stamps.

Jack Bramlett, plan organizer for the Federal Surplus Marketing association, gives information on the plan in the following paragraphs:

Certain reminders were repeated by Bramlett Saturday as preparations were begun to issue the stamps.

Attempt has been made, he said, to send personal notifications to all of those who are eligible to obtain the stamps. Because of the possibility that some may have failed to receive such notices, he explained that the most important fact to remember is that stamps will be issued only to persons on relief.

Those people include all who are on rolls of the Works Projects administration; those awaiting assignment by the WPA; persons on general relief; and those who receive old age assistance. All cases, he added, must have been cleared through the City-County Welfare which is the sponsoring agency of the city and county for the stamp plan.

As explained on previous occasions, the stamps are in two colors—orange and blue. Each stamp has a value of 25 cents. They are contained in small booklets exactly like those in which ordinary postage stamps can be bought.

The orange stamps must be purchased, and they can be used to buy any kind of good—but only food—that the participating grocery store, meat market or other retail food establishment may have in stock.

With the orange stamps, the blue stamps will be given free. They can be used to buy foods which have been designated as "surplus commodities." There are approximately 19 such surplus commodities, of which 12 to 15 should be found in a well-stocked grocery store. Among surplus commodities are such foods as certain fresh vegetables, certain fruits, dried beans, flour and cooking fats.

Bramlett emphasized that free blue stamps will be issued only to those who buy orange stamps. However, the number of blue stamps given will vary with the need in individual cases.

In most cases, one blue stamp will be given with each two orange stamps bought. That will apply particularly to WPA enrollees and others who receive wages or other income. They will be permitted to buy \$1 worth of orange stamps per week for each member of their families, receiving 50 cents worth of blue stamps with each \$1 purchase.

However, in the case of people with very low incomes or with no incomes at all, the purchase of \$1 worth of orange stamps may entitle them to several dollars worth of blue stamps—and if they haven't the dollar, that may be obtained through the welfare association. However, Bramlett explained, all such cases have been or will be carefully investigated.

Bramlett warned that the use of stamps is regulated severely by law, with jail sentence and fine being provided as a penalty for violation.

"However, we expect mistakes to be made, especially at the start," he declared. "We do not intend to penalize those who make honest mistakes, at least until they have had opportunity by actual experience to familiarize themselves with operations of the plan."

SPIRITUAL RETREAT PROGRAM PLANNED

All ladies who are interested in the growth of Spiritual Life in the community are invited to attend a Spiritual Life Retreat program at the Methodist church Thursday, Sept. 12, from 10 a. m. to 3 p. m. Bring your lunch and enjoy a quiet hour from 12 to 12:45.

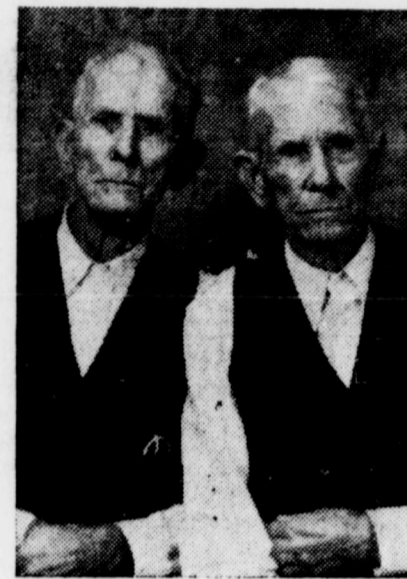

Leaders for programs during the day are: Mmes. N. C. Hix, M. O. Hood, George Ragland and S. R. Merrill.—Mrs. W. A. Richter, Spiritual Life leader.

MASONS MEET SEPT. 12

A stated meeting of Abernathy Masonic lodge is to be held in the hall here Thursday night, September 12.

Antelopes Meet Petersburg In First Grid Game Sept. 20

85-Year-Old Twins Visit Relatives Here

Pictured above are T. J. Jones, left, and G. W. Jones, right, 85-year-old twins of Hugo, Okla., who recently visited relatives here. They told the Review that they probably were the oldest twins living in the United States today. They were the second oldest until recently when death separated a set of 86-year-old twins of Kansas, it was stated.

T. J. (Thomas Jefferson) visited his daughter, Mrs. Dave Fly, who resides on a farm northwest of town, and G. W. (George Washington) visited in the homes of his grandchildren, Mrs. A. L. Stone and D. L. White, who also reside on farms northwest of town.

The Jones twins were born April 3, 1855, in Howard county, Arkansas.

After being out for more than ten years, football is receiving an enthusiastic welcome upon its return to Abernathy High school this year. School officials, patrons and students alike are looking forward to an interesting grid season.

Coach Ralph Stevenson plans to pit the Antelopes against opponents in nine games starting September 20 with a battle with Petersburg here and closing about November 15. Games with five schools have been scheduled: Petersburg here Sept. 20; Sept. 27, open; Oct. 4, Ropesville, there; Oct. 11, Amherst, there; Oct. 18, Meadow, here; Oct. 25, Anton, there. Three dates in November are open.

Stevenson, who is to be assisted by Sam H. Davis, said about 45 boys have reported for football. New equipment has been purchased and will be used in games with left-over suits being used in practice.

SPECIAL

The Abernathy P. T. A. has its first meeting Thursday night, September 5, at 8:00 o'clock. This is to be a "Get Acquainted Party" and we are inviting everyone to come and get acquainted with every one in your community. We are proud to have Mrs. H. G. Stinnett, Plainview, President of the 14th district of P. T. A., with us to speak to us about "The Scope of Parents and Teachers Work."

You might bring along your annual dues which is 50c and someone will be glad to accept it.

We extend to everyone a special invitation.—Reported.

First Bales Of 1940 Cotton Abernathy Monroe

Bringing in the first 1940 bale at 3 p. m. Monday afternoon, Will Darden set a record by producing the first bale for two consecutive years. He brought in the first 1939 bale of cotton August 30. He farms four miles west of town.

The initial bale of the season was ginned free of charge at Abernathy Farmers Co-op gin. Gathered from about 40 acres, the 2,550 pounds of cotton in the bur turned out 660 pounds of lint and 1,150 pounds of seed.

Darden estimated he had about one other bale open.

Producing the first bale of the season entitles Darden to the premium given by Abernathy businessmen. The amount he receives will be published along with the names of the contributors next week.

The half and half cotton graded middling bright 13-16. Market price was about 8.25c and seed was selling for about \$19.

With ginning of the first bale, H. H. Anderson, new manager of the Co-op plant, saw the gin in actual operation for the first time. He moved here in May of this year from Lueders where he was manager of a co-op gin for five years. The plant here is in good condition for the season.

J. J. Caudle's new gin was to be completed and ready for service this week.

T. B. Stone, who is starting his 27th ginning season in Abernathy, said his plant, which was installed here a few years ago, has been completely overhauled and in fine condition for the new season.

NAZARENE REVIVAL CLOSED SUNDAY

A successful summer revival was closed at the Nazarene church here Sunday evening after a 12-day run. Rev. A. F. Laing, pastor of the Lubbock Nazarene church, preached in the meeting.

Sunday school time for next Sunday has been advanced to 9:30 a. m. and will close at 10:30 o'clock to allow the congregation to go to Lubbock where Rev. Bud Robinson, nationally known Nazarene minister, is to preach at 11 a. m. in the Nazarene church at Fourteenth Street and Avenue Q.

RAIN FALLS THURSDAY

Rain in scattered sections Thursday brought additional aid to crops. Heaviest fall, ranging from an eighth to three-quarters of an inch, was east and north of town.

Clay Barger, who farms four and a half miles southwest of Monroe, brought the first 1940 bale of cotton to Monroe at about 5:30 o'clock Tuesday afternoon. It was ginned free of charge by W. O. Fortenberry who gave Barger a premium price of 10c per pound for the 595 pound bale of lint. The 1,600 pounds of half and half cotton came from 18 acres. Seed weighed 620 pounds. It graded strict middling 13-16.

A premium list was made for Barger.

C. L. Covey, farmer four miles south of Monroe, brought the second bale to Monroe at about 5:45 p. m., approximately 15 minutes after Barger arrived. Fortenberry ginned it free of charge and gave him the premium price of 10c per pound. Gathered from about 20 acres, Covey's 1,860 pounds of half and half ginned out a 600-pound bale of lint and 825 pounds of seed. Grade and staple was similar to Barger's bale.

J. R. West brought in Monroe's first bale of 1939 cotton September 1.

Mrs. W. E. Bryant of Pecan Gap is visiting in the homes of her sons, Jess and W. M., here this week.

SCHOOL OF NURSING

REASONS WHY
So many women choose to cook Electrically

Mary INSISTED ON CLEANLINESS
"I'm through with smudge, smoke and grime in my kitchen," said Mary. "I'm going to cook with heat that's clean as sunshine."
Jane HAD TO WATCH HER PENNIES
She figured, rightly, that a Westinghouse Automatic Electric Range would pay for itself in savings.
Ruth WAS PROUD OF HER COOKING
So she chose the Range that would help her to surpass her greatest triumphs in cooking fine foods for her family.
Helen WANTED TO SAVE TIME
Club member, dress shopper and movie fan, Helen chose the Range that will give her new hours of freedom from cooking worries.
Betty WANTED TO MODERNIZE HER KITCHEN
As the first step she chose a beautiful streamlined, Westinghouse Automatic Electric Range with all the newest and most approved features.

**BROGDON INFANT
DIES FRIDAY**

An infant son of Mr. and Mrs. Jack Brogdon of Monroe died Friday morning after birth the previous night. He weighed 4 pounds 8 ounces. Graveside rites were read by Rev. M. W. Peticolas, jr., pastor of the Monroe Baptist church, Friday afternoon. Burial was in Memorial Park cemetery, Lubbock.

**FOOD STAMPS
ISSUED IN LUBBOCK**

Food stamps in Lubbock county are to be issued under the direction of W. H. McKelvey, issuing officer, at 1209-A Avenue G in Lubbock.

TO BUILD 5TH WAREHOUSE

W. O. Fortenberry, Monroe ginner and warehouseman, plans to build a fifth warehouse north of those located by the Santa Fe railroad tracks. To have 10,000 square feet of storage space, the new warehouse, 100 x 100 feet, will bring the total warehouse space to 50,000 square feet on the Fortenberry yard. The warehouses are bonded and insured.

In his ad in this Review, Fortenberry announces a complete service of government loan cotton this year. A cotton compress is located in one of his warehouses.

Fortenberry's two gins are in good condition and are ready to receive cotton.

S. B. Campbell, manager of the Farmers' Co-op Gin of Monroe, said his plant is in good shape and is ready for the new season.

**BLACKWELL-HARRELL
SERVICE READ**

In a double ring ceremony Miss Fleda Harrell, daughter of Mr. and Mrs. John H. Harrell of Monroe, was married to Mr. John Earl Blackwell at Chickasha, Okla., at the parsonage of the Lubbock First Methodist church of Lubbock at nine o'clock Sunday morning. Dr. L. N. Lipscomb officiated. Attendants were Donald Chapman of Thalia, and Mrs. E. J. Exum, the bride's sister of Monroe.

Guests were Mr. and Mrs. John H. Harrell, Mr. and Mrs. J. F. Allman, another sister of the bride, Mr. and Mrs. E. J. Exum, John Neill Harrell, Charles Dale Harrell, Miss Mildred Mallett, Mr. Willis James, Mr. Donald Chapman, and Miss Norene Elam.

Mr. and Mrs. Blackwell will live in Sacramento, Calif., where he is associated with the Wahlworth hardware company as an accountant.

Mrs. Blackwell attended Texas Technological college where she was a junior student. She was graduated from New Deal high school.

Mr. Blackwell was graduated from Texas Technological college last June. He took his degree in business administration.

Mr. and Mrs. Blackwell, accompanied by John Neill Harrell, brother of the bride, E. Exum and Billy Harvey left Monday for Sacramento. The boys are to return after a visit on the West Coast.

**REVIVAL TO CLOSE
THIS WEEK**

Guy Young said the revival in progress at the Monroe Baptist church probably would close late this week. Pastor M. W. Peticolas, jr., is preaching in the meet, which opened August 25.

BIBLE CLASS

Due to conflict with the Baptist revival in progress at the Monroe church, the Women's Bible class was not resumed Monday night as previously planned. Mrs. R. E. Harvey, a member of the class, said it probably would be held at the Baptist church Monday night.

MONROE NEWS

Edwin Lee Thompson bought a two-room house and two lots from E. W. Matejowsky Saturday. The property is located west of the M. Z. Holland residence.

PLANT MORE TREES!

**FARMERS & MERCHANTS
DISCUSS ROAD, FOOTBALL**

Improvement of the south County Line-Abernathy road and Abernathy High school's entry into the football battle were subjects of discussion during a meeting of the Farmers and Merchants club Tuesday night in the home economics cottage.

D. O. Williams and W. A. Richter of the club's road committee reported co-operation of all landowners contacted for right-of-way easements. Only a few are left to see, and the committee expects to have their co-operation.

Plans are to make an 80-foot road of the now narrow lane which is used extensively by school buses, residents of this area and tourists seeking a short-cut to Littlefield. Plans are to extend the improvements from the highway here through County Line to the Lubbock-Hockley county line. Anton residents are working to secure similar improvements on the west end of the road connecting it with the Anton-Littlefield highway.

Abernathy High school's football game scheduled here Friday, Sept. 20 with Petersburg was talked in the meet. Plans for stores here to close for the game, which will start at 2:30 p. m., were discussed. A giant pep rally with a huge bonfire Thursday night before the game is being talked.

The club considered sponsorship of Knot-Hole gang here.

Support of the Parent Teachers Association and attendance of the meeting at the school Thursday night (tonight) was asked.

Next session of the club is to be held Tuesday night, Sept. 17, with the NFLA stockholders at the Rita theatre.

HOLD MEET AT TUCO

Approximately 35 members of the Plainview Lions club held a meeting at Tuco Wednesday night. They inspected the plant.

NOTE TO FARMERS

Farmers who frequently have business with M. O. Hood, Abernathy vocational agriculture teacher, are notified of his new quarters in the school building. Mr. Hood can be found in his agriculture room in the basement of the school. Outside entrance to Hood's room is on the west side of the school building and is the south door of the three leading into basement rooms.

**LOLA DEANE HUDSON
MARRIED TO DOYLE SMITH**

Complete details were not available at press time on the marriage in Hale Center Tuesday night of Miss Lola Deane Hudson, a daughter of Mrs. Orlean Church of that city, and Doyle Smith of Abernathy.

Smith, a son of Mr. and Mrs. Walton Smith of this community, recently purchased the Arno Struve home here. He is employed by Consumers Fuel Association of this city.

Further details of the wedding will

be given next week.

LAKEVIEW NEWS

(By Glenn Harrison)

The Methodist meeting closed Sunday night. Rev. Ollie Apple of Petersburg conducted the services. There were 15 conversions and seven additions to the church.

Mrs. Norman Matthews gave a surprise birthday party for her husband Monday night, Sept. 2. Ice cream and cake were served to the following guests: Mr. and Mrs. J. A. Lutrick, O. A. Tooker, J. H. Benefield, S. M. Harrison, Ben Kelley, Gene Matthews, Oran Rhodes, and Misses Orene Rhodes and Nita Beth Lutrick.

The Lakeview school opened Monday morning with many of the patrons attending the opening exercises. The teachers are Mr. and Mrs. H. M. Simmons, Mrs. Verna Humber, and Miss Janice Thompson. Seventy-five children are enrolled.

R. A. Daugherty has recently completed installing an irrigation well on his farm. The well was unusually good from the first time it was tried. Although the well has not been tested, most observers are confident that it is pumping at least 1,000 gallons per minute. Irrigations wells are also being installed on the farms of A. B. Colwell and Jim Fitzgerald. These will bring the total number of wells in the immediate vicinity to approximately sixteen. E. L. McCaugh and Oran Rhodes plan to put down wells in the near future.

This is the dispersing season for the young people of the community. Winston Matthews returns to A. & M., and Warren Driver returns to West Texas State College at Canyon where he will be enrolled as a senior. He is Senior Representative to the Student Council. Charles Lutrick will enter Tech. W. A. Amerson will return to Asbury Seminary at Wilmore, Kentucky, where he is doing graduate work. Preston Mitchell has returned to his teaching duties at Kaffir, and Glenn Harrison will begin his teaching duties in the Plainview High School on Sept. 9.

Mrs. O. A. Tooker entertained the WMS with the social meeting of the month Tuesday afternoon. The Bible quiz was conducted by Mrs. Matthews. Sandwiches, punch and cookies were served to the following guests: Mmes. P. W. Mitchell, R. A. Daugherty, J. H. Benefield, S. M. Harrison, Fred Benefield, Gene Matthews, Robert Camp, A. B. Colwell, and Norman Matthews.

Lamar McKenzie recently bought the half section of land owned by Mrs. Grace Cuthrell of Dallas. The place has been farmed for the past nine years by H. M. McLeroy.

Mr. and Mrs. George Brewer will leave for Austin Saturday to carry their little son, David, to the state school for the deaf and dumb.

**COUNTY FEDERATION
TO MEET HERE**

The Hale County Federation of

Women's clubs is to meet in the home economics cottage here Saturday, September 28, at 2 p. m. The 1935 Study club is to be hostess to the meet.

Mrs. John L. Harral of this community is president of the county organization. Mrs. H. F. Godeke, Lubbock, district president, is to speak on the program.
