NUMBER 42

Tommy Wages Named Outstanding Young Farmer of Year By The Abernathy Young Farmer Chapter

Tommy Wages has been named as the Outstanding Young Farmer of the Year by the Abernathy Young Farmer Chapter. This award is presented annually to a deserving Young Farmer member.

Tommy is a very successful farmer, and has achieved this success through the use of modern farming techniques.

His crops include 300 acres of cotton, 140 acres of grain sorghum, 50 acres of wheat and 220 acres of rye for seed grain and grazing.

Tommy plans to diversify his farming operations this fall by including mother cows into his

operations to utilize roughage grown on diverted acres.

Tommy is married to the former Bobby Richards. They have one child, Cody Hayden.

Wages will enter the Area 1 Outstanding Young Farmer Contest in September. He will compete with Young Farmers representing each of Chapters in Area 1.

The Area 1 Outstanding Young Farmer winner will compete in the state contest.

Mr. Jerry Adams and Walter Cox, Vocational Agriculture teachers at Abernathy High School, are advisors of the local Young Farmer Chapter.

MISSIONARY CONVENTION SCHEDULED

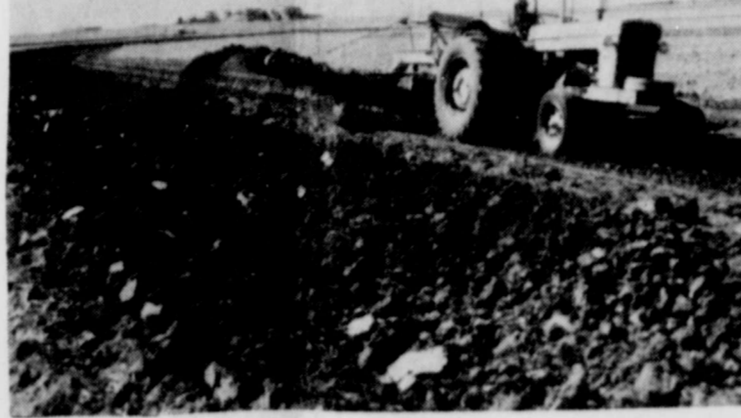

MISS RUTH RAWLINGS, Convention Speaker

Thursday and Friday, August 27 and 28th, have been designated as the days for the Summer Missionary Convention of the Abernathy Church of the Nazarene according to an announcement made by the Pastor Louis Schaap of that congregation.

Miss Ruth Rawlings, missionary to Japan for the Church of the Nazarene will be the featured speaker each evening at 7:30 p.m. Miss Rawlings is on furlough at this time having completed one term of service in Japan. While on her furlough, Miss Rawlings is doing deputation work across the nation speaking at local churches, Missionary conventions, and on District tours, where she speaks about her work in the missionary program of the Church.

Miss Rawlings is the daughter of the Rev. and Mrs. E. A. Rawlings, pastors of the Church of the Nazarene in Grassland, Texas where she is making her home during her furlough.

Pastor Schaap stated that the local congregation extends a warm welcome to the people of the community to share these services with a missionary emphasis.

From Last Week

Approximately four miles of parallel terraces have been installed recently on the Joe Lovelace farm about four miles north of Abernathy. Mr. Lovelace is getting cost share assistance through the Great Plains Conservation Program. This program is paying 70% or 7¢ per foot of terrace constructed. Joe plans to parallel terrace the remainder of his slopp-farm land next year. These terraces eliminate the post rows of odd areas every one associates with terraces. There is only one odd area in this system of parallel terraces on the Lovelace farm. Most of the terraces are designed to be level to hold any rainfall, but some are graded to keep them parallel.

Mr. Bob Riley is in the process of installing about 2 1/2 miles of these terraces on his farm west of Abernathy now. Mr. Fred Blumenstock is planning to parallel terrace his farm this fall. For assistance, the Soil Conservation Service can design, layout, and provide cost share assistance through the GPCP to help speed up the application of soil and water conservation practices.

TALK IN PRINT

(From Last Week)

Sunday was my first time to see honest-to-gosh real, live hippies. A van-load of them pulled into the drive at Mr. and Mrs. L. T. Nix's Shamrock Service Station. Three or four of them got out, leaving several others in the van. They bought a dollar's worth of gasoline and asked Mrs. Nix to give them a cash ticket on the sale. They browsed through the cold drink box, candy and peanut jars, etc. Each paid for "his or her" own purchase. They were not extra dirty and their clothes were rumpled no more than the usually ones you see on people traveling. I caught a glance at their luggage in the back of the van. The luggage looked expensive. (Better than the BFD's.) They had the usual long hair, some with beards, head bands and necklaces. It was difficult to tell whether all were boys, or some were girls.

Mr. and Mrs. Nix said they have had a number of cars of hippies stop in their station. They said on some occasions they would pool their money to pay the purchase of gasoline. "And all pay for the refreshments they get. They don't shoplift," Mr. Nix said.

Increased interest will highlight the showing of 1971 Ford's and Chevrolets in September. Chevrolet will introduce its new, smallest car, the Vega, and Ford will show its new, small car, the Pinto. The Vega and Pinto were built to compete with the small foreign cars that are flooding the American market. Abernathy Motor Co., Ford-Mercury dealer, will show the Pinto, and Reid Chevrolet the Vega.

An interesting sight on the Vega was given us by Andy Reid. He said a new assembly line technique, the "robot" is employed to weld the Vega together. The "robot" is programmed to reject all parts that are not perfectly aligned or of proper strength or shape. Each "robot" can perform work usually done by 33 men. To make certain the "robots" are on the ball, every Vega coming off the mechanized assembly line is thoroughly test-driven before leaving the factory.

This came to our PO box, without signature: "School days are here again."

New Program To Start At Center In Abernathy

A new program is being started at the Abernathy Neighborhood Center on Wednesday, Sept. 2, 1970. This will be instructed by Miss Connie Leal from Plainview, who is working with the Emergency Food Program.

This class is in conjunction with the Commodity Food program and it will be a cooking demonstration of one of the foods issued by Commodity foods. We hope to have good participation in this class and also that it will prove valuable.

We are setting up cooking facilities at the Center and are in need of a refrigerator, pots, dishes etc. If anyone has any of these things they don't need and would donate them please contact me at 298-2805. Esther Sepeda

Cafeteria Service At Graham's

Graham's Restaurant in South Abernathy now features cafeteria service at noon. The menu-waitress service also is available then and Ed and Sarah Graham invite you to try the new cafeteria service, and other food-serving services at Graham's Restaurant.

Dance Studio Opening Here

Billie Jo's School of Dance of Lubbock will open a studio in downtown Abernathy on Ave. D, next door south of Dale's Fabrics, or second door north of Lon Cleaners. In addition to dance instructions, there will be classes in twirling and trampolining. Registration will be held Saturday, August 29, from 12 noon to 1 p.m.

Cotton Promotion Group Meets At Hale Center Today

The Hale County Cotton Promotion Association will meet Thursday, August 27, 1970 at 1:30 p.m. in the Club Room of the Hale Center City Hall. All interested persons are urged to attend in order to discuss whether to continue the "The Hale County Cotton Association" as it is, if you have any ideas you would like to share, come to this meeting. Help us re-evaluate the efforts put forth and the progress made in the three years of promoting our product COTTON through this organized way.

Remember the place --- Hale Center-City Hall Club-Room August 27 - 1:30 p.m. Make your plans to attend.

Elmer Petty was a patient in Hi-Plains Hospital, Hale Center.

Let's watch out for the Little Guys, the Big Guys and the Bigger Guys. The flagman on the crosswalk is there to help you miss people, not to hit them. So, drive safely and watch out for the stop signs.

"It is better to be late to all your worldly appointments than to be early to the cemetery. If you don't like policemen, then call a hippie the next time you need help or protection. Thanks. -30-

BFD

Rites Tuesday For Mrs. Harp

A longtime resident of this community, Mrs. Beth Harp, 71, died about 3:30 p.m. Sunday after suffering a stroke.

Funeral rites were held at 3 p.m. Tuesday in Abernathy First Baptist Church with the Rev. Murry L. Brewer, pastor, officiating. Burial, under direction of Chambers Funeral Home, was in Abernathy Cemetery.

Fullbearers were W. C. Clement, Jr., Joe B. Lovelace, Ralph Wolf, Y. F. Snodgrass, Leland Phillips and Gid B. Adkisson, Jr.

Mrs. Harp was a native of Cameron and moved to Plainview in 1908 and Cotton Center in 1918. She had been a resident of Abernathy community since 1928. Her late husband, Earlton Harp, was a farmer.

Survivors include two sons, Elbert of Abernathy and Leon of Dallas; three sisters, Mrs. Forest Sagerser and Mrs. Vertie Stambaugh, both of Abernathy, and Mrs. Clarence Liles of Cotton Center; one brother, Truett L. Pool of Abernathy, and five grandchildren.

Mrs. Harp was member of Abernathy First Baptist Church, and had taught the Blanche Groves Sunday School Class there since 1930.

School Here Has Share In Grant

Congressman Bob Price was informed today that nine 18th District schools have received funds for education of children of migrant agricultural workers for the 1970-71 school year.

The amount of the grant requested was \$11,420,214. The amount granted is \$3,172,282. Although the program is approved for the total amount requested, funding may not be granted until Congress passes the Education Appropriations Bill for the fiscal year ending June 30, 1971.

The 18th District school districts receiving grants are: Bailey County (Muleshoe); Castro County (Dimmitt and Hart); Deaf Smith County (Hereford); Hale County (Abernathy, Hale Center and Olton); Lamb County (Petersburg).

NOTICE

At request of the band people, Abernathy Weekly Review subscriptions will not be sold by band students during the annual Antelope Band magazine subscription drive this fall. The volume of subscription sales has increased to the point of diminishing returns due to the intricate bookkeeping problem faced by the band people in selling both the magazine subscriptions and The Review subscriptions.

Area residents are urged to buy magazine subscriptions from the band members, and Abernathy Weekly Review subscriptions directly from the newspaper. Mail your checks for Abernathy Review subscriptions to P. O. Drawer D, or hand us your payments on the street, or bring them by The Review office. If the Review office is closed, you may place your subscription payment in the mail slot in The Review office door.

Due to the arrangement, The Review subscription rate for Hale and Lubbock Counties has been set back to \$3.50 per year, effective August 20. The \$5.00 rate for papers going to subscribers outside Hale and Lubbock counties will remain the same. (See rates top right corner of page 4.)

U. M. Y. PLAN WORK DAY HERE

The United Methodist Youth are planning a work day on Saturday August 29. This work includes washing cars, mowing lawns, cleaning houses, babysitting or any other required job. Those interested in having work done should call the Methodist Church or contact a Methodist Youth. Reporter

BROTHER DIES

A brother of Tom Johnson of County Line Community, William Robert Johnson, 58, Rt. 2, Lubbock, died August 18 in the emergency room of a Lubbock hospital after he became ill at his home. Funeral rites and burial were in Lubbock August 20.

Grid Workouts Underway Here

Having a week and two days of two-a-day workouts under their belts, the Antelopes of Coach Luke Nickerson are looking forward to their scrimmage with Ralls, this Thursday night. According to Coach Nickerson, the scrimmage will begin at 7:30 in Ralls. "We don't think of this as being a game, but more like a workout, and a chance to have contact work with someone besides ourselves," Nickerson stated.

The Antelopes will go into the scrimmage with several sports manned by inexperienced players. With fair starters from last year on the sideline with various injuries, the coaches are trying to fill their positions with the best boys available. Coach Kennedy, serving as Nickerson's top aide, explained, "We've got some boys in positions that are entirely new to them and we know they will make mistakes, but we've been extremely improved with their hustle and desire to learn." "They will gain valuable experience in our scrimmages, and will be a great help as for as depth is concerned when the other boys get back in a few weeks," he added.

Thirty-eight gridgers have reported for workouts and eight of these have been slowed by injuries. The others are according to Nickerson, in better shape than any town we've seen this early in the season. "We're pleased with their attitude, spirit, and hustle," he said. "We'll all know a lot more about our boys after our scrimmage with Ralls."

Led by seniors, Mike Kerr, Kirt Lane, Larry Klafka, Charles Johnson, Mark Harrison, and Keith Lambert, the Lope offense is concentrating on timing and assignments on blocks this week. Dave Davenport, Mike Hedges, David Lovelace, Jesse Webb, Bruce Kinast, and Jackie McLaugh make up the rest of the starting line-up on offense. Additional help comes from Larry Betts, Lane Harrison and Bobby Rogers.

Most of these boys double up on defense with some sophomores adding their services to the defensive unit. The coaches noted that they are especially pleased with the sophomores, most of whom will make up the Jr. varsity this year. Included in this group are Bobby Cuevas, Mike Cuevas, Mike Bridges, Dane Vickers, Earnest Johnson, Azael Gutierrez, Roger Phillips, Teddie Teeter, Jonny Megna, Larry Lutrick, Joe Evans, Steve Riley, Danny Barrera, David Loper, Dick Rogers, Wayne Barron, Manuel Trevino, and Andy Corning. Jimmy Parrish, a Jr. transfer from Cotton Center will be ineligible for the Jr. Varsity team. Coach Nickerson said, "This group of Sophomores has a lot of desire and seem to be way ahead of most sophomores. We'll be counting on some of them to add depth to our varsity especially when injuries force us to move some of them up."

The Antelopes on the Injury list include Johnny H. mphill, Ruwayne Struve, Steve Phillips all starters from last year. They are all recovering from knee injuries suffered during the summer and should be back full strength by district play.

Nickerson summed up his Antelope remark by saying, "We've had a good week of work and feel our young men have progressed a lot in a short time. Our defense seems to be a little ahead of our offense right now, but we think with more work our offense will be able to play more wide open especially when we get our passing game down."

The coach extended an invitation to all to attend the scrimmage and back the Lopes. He also said that all were welcome to come to practice sessions too. "We would love to have the parents and fans come up and see what we are doing. The coaches will always take time to talk about the kids and what we are trying to do; so come visit with us at the practice field or the field house."

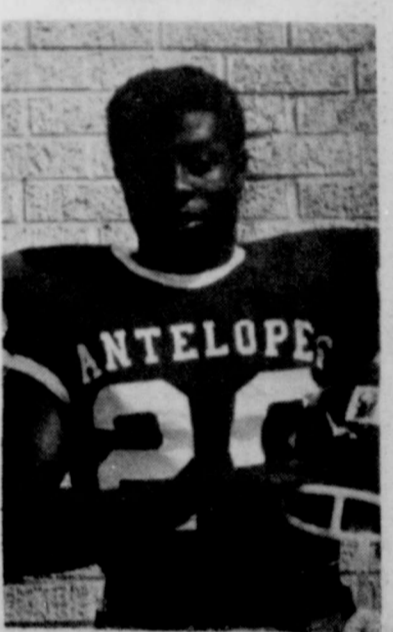

O. E. S. MEETING SET SEPT. 3rd

A stated meeting of Abernathy Chapter No. 877, Order of the Eastern Star, will be held Thursday, Sept. 3, starting at 8 p.m. Mrs. Brooks Speer, Worthy Matron, urges all local members to be present, and extends a welcome to visiting Eastern Star member.

ABERNATHY PUBLIC SCHOOLS August 14, 1970

Dear Football Fans:

Sale of Reserved Seats for the 1970 Football Season will begin August 17, 1970. Season tickets are \$8.75 per seat for the five regular season home games.

You may have the same seats that you had last year by mailing your check to Abernathy School Athletic Fund, P. O. Drawer E or by coming to the School Business Office (East Entrance of the High School).

Options will be held until September 4, 1970, after that date all tickets will be sold on a first-come basis. The first home game will be September 11, 1970.

Sincerely,

Earl Carter

Earl Carter Business Manager

NOTE: Reserved tickets for individual games will be \$2. each.

Back-To-School Party Is Held

The Annual AHS Back-To-School Party was held Tuesday night in the junior high school gym.

The twirlers were featured in an umbrella routine, and the cheerleaders in a pom-pom routine. Skits were presented by each class, and the cheerleaders gave a skit.

The Antelope, school yearbook for 1969-70, was distributed to purchasers.

All 1970 AHS graduates had an invitation to attend the party, which was sponsored by the AHS Future Homemakers of America Chapter.

RAIN, HAIL HIT AREA

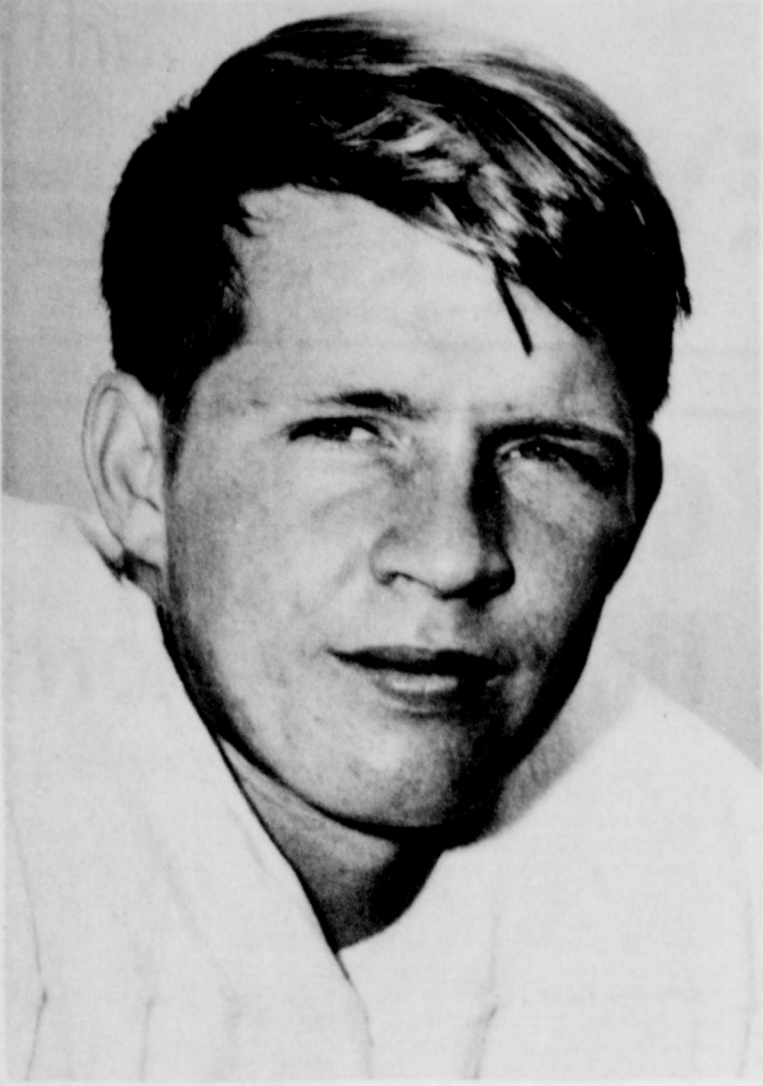

This area was hit by wind and rain, and in some areas by damaging hail late last week. Although "spotted", the hail did considerable damage to row crops, with the larger coverage being northwest of town plus other areas. The damage is not as widespread or complete as experienced June 13, 1969, when the entire territory was hit by hail. Helpful rains, without hail, fell in some parts of the area.

Receive Degrees From Texas Tech

Abernathians received degrees from Texas Tech University during commencement exercises there August 22. They are Mrs. R. R. (Mairian) Struve, Master of Education in Special Education; Wendell Walter Jones, Master of Education; Carolyn Diann Bryant, Bachelor Degree, Business Administration; Michael Duane Skipper, Bachelor Degree, Business Administration; Perry Jack Barton, Bachelor Degree, Engineering.

Mel Ryan Returns From Vietnam Duty

Mel Ryan, son of Rev. and Mrs. C. M. Ryan returned from a tour of nine months in the northern part of South Vietnam. He served in the Army as an Airborne Ranger. He reports that he is very happy to be home with the title of Mr. again. He will be entering Texas Tech this week.

BURL FULLER

When fall practice opens August 24 for the University of Houston Cougars, Burl Fuller will have another chance to crack the starting defensive secondary at right cornerback. A four sport letterman at Abernathy High School, Burl was an all-district and all-south Plains selection at quarterback... besides his football

talents, Burl advanced to the state meet as a pole vaulter. A red-shirted sophomore, Fuller finished as the number two man in spring drills and will have one more chance during fall practice to oust his major opposition, starter Ronny Peacock. Burl is a son of Mrs. Lois Fuller of Abernathy.

Display YOUR FLAG
BE PROUD THAT YOU'RE AN AMERICAN

Mr. and Mrs. Grady Rogers visited former Abernathians Mr. and Mrs. Clarence Nelson in Guymon, Okla., last weekend. They report that Nelson has a beautiful grain crop, and has had three inches of rain this month.

Jimmy Herring and children of Houston recently visited Mr. and Mrs. Paul Harra here. Mrs. Jimmy Herring, daughter of the Harra's, is working and did not get her vacation at this time.

Annual Rodeo Dates Are Set At Boys Ranch

An event that began in 1944 to help a group of boys will be held for the 26th year when the more than 330 young cowboys at Cal Farley's Boys Ranch put on their annual Boys Ranch Rodeo over the Labor Day weekend.

Competing with each other, the boys will ride bareback broncs, Brahma bulls, steers, calves and stick horses for the trophies and honors that are waiting for the winners. Every boy at the Ranch has some part in the rodeo, either as a contestant or working as an usher, parking cars, operating concessions or helping at one of the many behind-the-scenes jobs that makes the rodeo the only one of its kind in the nation.

"All of the boys have something to do in the rodeo," Ranch president Virgil Patterson says, "and they have been working

Mr. and Mrs. Dickie Herring visited his parents, Mr. and Mrs. J.B. Herring, in Wichita Falls last weekend.

hard to make it the best rodeo they have ever put on."

A special attraction of the rodeo will be a giant size barbeque beef sandwiches with all the trimmings that will be sold for \$1 to those wanting to picnic at the Ranch. This concession will be run by boys learning meat-cutting and cooking for their vocations. Soft drinks, pop corn and other refreshments will be sold by other boys.

Rodeo performances are scheduled for 2 p.m., September 6th and 7th. Tickets for either performance are available in advance at the Boys Ranch office, 600 West 11th Street in Amarillo or write Box 1800. Reserved box seats are \$2.50, general admission is \$1.50 for adults and 75 cents for children. All proceeds are used for the expansion of the Ranch.

HARRY MATHIS
... ENMU GRID STAR

THE ABERNATHY FLASH—Harry Mathis, Eastern New Mexico University senior from Abernathy, Texas, set a University football record last year by averaging 7.1 yards per carry for the Greyhounds. The team's leading rusher with 589 yards, Mathis was also the second leading pass receiver with 28 re-

ceptions for 419 yards. At 5-10, 170 pounds, Mathis is a 9.7 sprinter with great moves, and is expected to be one of the top rushers in the Southwest during the 1970 football season, when he switches from the wingback to the tailback position.

He is a son of Mrs. Olean Mathis of Abernathy.

This is also the time to let us know if you want an additional listing in this year's directory. One for your wife. Or a separate listing for a nearly-grown-up daughter. All it takes is a call.

AT FIRST MEETING

Ordinances Approved By New Deal's Council

(From Last Week)

By **PERRY FLIPPIN** Avalanche-Journal Staff
NEW DEAL—This infant municipality of 450 residents took its first step toward becoming a functioning political body Tuesday night with the initial meeting of its newly-elected town council.

Mayor Bill Fortenberry and the five aldermen unanimously approved the adoption of two ordinances—one designating some basic organizational measures and the other granting the council broader powers as specified in Title 28 of the Revised Civil Statutes of Texas.

Since New Deal has no town hall, the council agreed to conduct their meetings on the fourth Monday night of each month at the New Deal Community Clubhouse. Their next meeting will be Aug. 24. The council also appointed three major functionaries to help perform some of the town's duties. Those named included Mrs. Mary Ann Webb, town secretary-treasurer; A. C. Bowden, town engineer; John McNew, town tax assessor and

collector; and Dale H. Johnson, town attorney.

The adoption of the ordinance concerning Title 28 will give the council power to pass ordinances without 10-days' prior public notice, to exceed the one-half of one percent tax limit, and to use county tax rolls for town taxing purposes, Johnson said.

New Deal voted to incorporate in June, and later elected Fortenberry to serve as mayor and five aldermen to complete the town council. They are David Williams, T. J. Attebury, Berli Robertson, Bob Shropshire and Ray West. Ray Williams serves as town marshal. There are three farmers, two businessmen and one teacher on the council.

Besides getting organized, the councilmen explained several ways of raising town revenues. Among their considerations were utility franchises, a valorem property taxes, sales taxes and low-interest government loans or grants.

New Deal has no fire department or central sewage system—two items that are of major interest to the council.

Ag Center Field Day Activities Are Announced

LUBBOCK — This year's field day and open house at the Texas A&M University Agricultural Research and Extension Center at Lubbock will offer several unique features, according to Dr. I. W. Kirk and Dr. Jerry Johnson, chairmen for the event which is slated Sept. 15 beginning at 1 p.m.

Detailed discussions will be presented on cotton and grain sorghum varieties, weed control, narrow-row cotton and grain sorghum insects. These will be presented on special tours to particular field locations throughout the afternoon. Visitors may select any one or all of these tours.

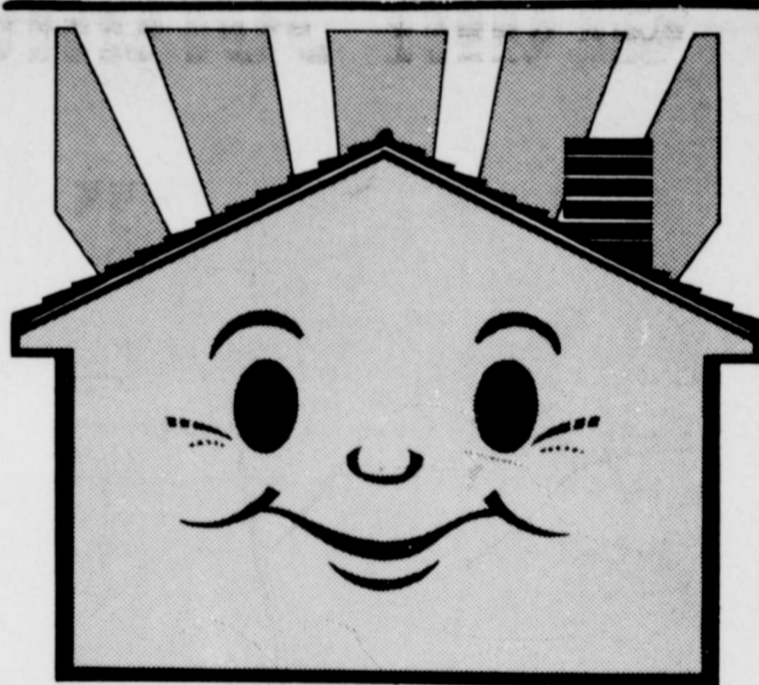

Also featured will be special displays in various phases of agri-

Former Abernathians Mr. and Mrs. Billy Deering and family have moved from Kingman, Ariz., to this address: 2824 Greenhills Drive, Kilgore, Texas 75662. Billy is a son of Mayor and Mrs. L.G. Deering.

culture who will be available for individual consultation. So, agricultural producers, homeowners and gardeners are encouraged to bring their questions on insect, disease and weed control, fertilizer use, irrigation or whatever for the "experts." Kirk and Johnson also encourage them to bring any plant specimens they may have.

A mainstay at the annual event will be general tours to the various field research plots on the Center's 300 acres, add the chairmen. This tour will give visitors a bird's-eye view of the many phases of agricultural research being conducted.

Displays and exhibits will also be featured for public viewing.

...ever notice? The nice homes are

TE

TE homes always seem to have a special atmosphere... the air seems cleaner, the comfort better... the livability likeable. In winter, comfort electric heating keeps floors barefoot warm and in summer electric air conditioning creates the relaxing feeling you crave at the day's ending. Many TE homes also have air cleaners, humidifiers and de-humidifiers... complete climate control. Your home could be a TE home... we'd be happy to see what it takes to make yours a TE home... no obligation.

*** TOTAL ELECTRIC**

P.S. No worry about electric power shortages here in our area. Reddy has plenty of electricity for your use... now and in the future. Use it... enjoy it!

FORMER TEACHER ATTENDS WORKSHOP

Mrs. Helen Troy Thomas was a participant in the 1970 Texas Tech Workshop for Special Educators held at Texas Technological University, from July 20-24. This statewide workshop was under direction of Dr. Bruce Mattson, chairman of Tech's Department of Special Education and explored job training for the disabled and physically and mentally handicapped at the secondary level.

She was one of some 150 educators from public schools in Texas selected to attend the five-day series of lectures and seminars sponsored by the Texas Education Agency (TEA) in cooperation with Tech. Other participants included vocational teachers, guidance counselors, teacher aids, and special education teachers who work with students at the secondary level.

Mrs. Thomas is presently employed as an Academics teacher in a Pilot Vocational Program in Big Spring High School. For over five years she was a fifth grade teacher in Abernathy Public School.

BAND STUDENTS AT CAMP
Two band students from Abemathy get some special attention at the annual Texas Tech University band camp from Jim Sudduth, a member of the band camp faculty. The students, from left, are Suzanne Tokker and Mitzi West. The camp will continue through Friday (July 24) and is being attended by more than 600 junior and senior high band students from a wide area of Texas and New Mexico. (Tech Photo)

Esther Sepeda Attends Public Affairs Workshop

I attended a workshop in Levelland, Texas, Friday Aug. 21, 1970.

The workshop was entitled Rural Public Affairs Workshop and was very informative and helpful in explaining how valuable a good Public Affairs relation is to our Community Action Program.

Mrs. Waugh who is a public affairs specialist with the O.E.O. (office of Economic Opportunity) stated that to have a good relationship between any program or project and the people of the community is to keep them informed. She stated, people get interested when they know what you are doing, why you are doing it and what you plan to accomplish by doing it.

Mrs. Waugh pointed out the three main sources of communication, newspaper, radio and television. She also pointed out that sometimes we overlook to show gratitude and consideration to our radio announcers and newspaper editors. She stressed the big task they face in trying to print or announce worthwhile and up to date information. She also stressed that they have deadlines to meet and we should consider this when we take in our news, ads etc. late and then get upset if they don't appear when and where we want them. Doesn't this sound familiar? Don't we sometimes have a tendency to take our news media for granted. Have we taken our local newspaper or radio station for granted? If we have lets make it up to them and this way we can be on the way to working towards a better public relations with everyone in our community.

Our local C.A.P. takes this opportunity to thank Mr. Buford Davenport for all the fine work he has done in helping us communicate with the people in our community through the Abemathy Weekly Review. ---Esther Sepeda

CARD OF THANKS

We wish to thank our many friends for the visits, flowers, cards and food during the recent illness and loss of our Loved One.
THE W. S. HOLLEMAN FAMILY

CARD OF THANKS

Our deepest thanks and appreciation to our many friends during our time of sorrow at the passing of our Mother and Grandmother, Mrs. Mae Swindell. For your visits, flowers, food and cards. Your kindness will forever be remembered. God bless each of you.
The J.B. Bradley family.

CARD OF THANKS

To all our friends and neighbors who extend our sincere gratitude for the many thoughtful acts of kindness and love which strengthened our beloved father and grandfather, during his illness and helped sustain us in our grief. The skilled and considerate attention rendered by the doctors, nurses, and aides, and the spiritual strength inspired by the ministers of Christ have helped so much to bring a degree of peace to our troubled hearts.
By the grace of God we hold your friendship in cherished remembrance, and we humbly thank-you.
Harold and Wilma Stillwell and children

Natural Gas Rate Increases Asked

AMARILLO — Pioneer Natural Gas Company Wednesday made application to the city officials of the cities on its West Texas system for an increase in the company's general service rate charged for gas delivered to domestic and commercial customers in those cities.

The application said if the cities acted affirmatively within the 60-day period provided by law, the company would accept a rate increase of 16.2 per cent rather than the 19.4 per cent requested.

Plainview is among the 36 towns in Pioneer's West Texas System. The rate increase request must be presented to Plainview's City Council for action. Next regular meeting of the Council is Sept. 7.

Cites Costs
In announcing the rate request, K. B. Watson, executive vice president of Pioneer said, "With the rising costs the company has sustained, it is an immediate need of additional revenue. To avoid any further delay and expense, an increase of 16.2 per cent would be acceptable although a rate increase of 19.4 per cent would yield less than a 7.375 per cent return on the fair value of the company's investment. As an indication of the problem," Watson continued, "the company was forced to pay an interest rate of 9.5 per cent on its recent borrowing of \$20 million. Watson also said the Texas Railroad Commission had determined the proper charge for gas at the edge of the cities to be 32 cents effective July 1, 1970, up from 28 cents.

"This rate adjustment will not result in increased revenue until the burner tip rate is changed. The rate rate increase was allowed in recognition of the company's increased cost in getting the gas to the communities through its transmission system. It does not include any consideration for the higher costs of distributing the gas within the cities," Watson said.

Below Average
The company said that either of the proposed rates would keep the consumer cost of gas on its West Texas system considerably below the State average for domestic and commercial use. The general service rate is applicable to this type service.

In the letter transmitting the application, the company referred to the current national publicity concerning the imminent nationwide gas supply shortage and assured the city officials that Pioneer has maintained an excellent gas supply and is capable of supplying new customers and increased requests for service.
