The Antelope coaches had a most difficult job in choosing the Players of the Week for the Seagraves game. As Coach Nickerson put it. "We felt all our boys improved over the previous week, some more than others. We also think that as a team we put everything together against Seagravesdefense, offense and the kicking game.

Coach Kennedy stated, "All of our boys graded much better this game than against Petersburg, and as a team we graded nearly 75% on both offense and defense. This simply means we got the job done three-fourths of the time. This will usually be good enough to

The Antelopes showed they had come to play in the first few minutes of the game. After kicking off to Seagraves and forcing a fumble on the third play, the offense needed only three plays to score. Mike Kerr picked up 4 yards on a dive play, a pass to Bruce Kinast was incomplete, and then Dave Davenport hit Kirk Lane with a 26 yard bomb. The try far extra point was no good and the

Lopes led by 6-0. The expected reprisal by Seagraves never came as the aroused defense of the Lopes forced the Eagles to punt and proceeded to show that the first T.D. was not a fluke. Charles Johntra point and the Antelope fans saw that the scoreboard read 13 o. After the kick off the defense again held and forced Seagraves to punt a 42 yard pass from Davenport to Lane broke the back of the host team who had never loas a gome on their home field. Hemphills kickgave the Lopes a 20-0 lead with ve the Lopes a 20-0 lead with three minutes still left in the

first quarter. Seagraves drove 70 yards for their only T-D of the night just before the first period ended. The second and third quarters saw neither team able to score; but in the fourth quarter. Abernathy added two more touchdowns on a three yard run by Johnson, and a one yard plunge by Bobby Rogers. fullback Mark Harrison were the offensive standouts, while Larry Klafka and Bobby Rogers were chosen for the honors on ad defense. Lane caught two passes and both were big ones for touchdowns. One covered 26 yards and the other 42 steps. Kirk also played a top-notch game on defense, making eight tackles. Harrison picked up 47 yards rushing on 6 carries for an 8.0 average. He had two good runs of 18 and 20 yards that "came at times when we really needed a good gain to keep drives going."
Mark was praised by coach Nickerson for his blocking. "This has been the weakest part of Mark's football performance each game but he is making improvement on it. "Harrison caught one pass for 20 yards and was in on eleven tackles on defense.

Defensive standouts Larry K1afka, playing defensive end for the first time was a "big play" man, helping throw Sea graves ball carriers for several losses and covering two fumbles. Larry was in on 11 tackles in the game. Bobby Rogers. playing a linebacker position figured in on 9 tackles and was also prominent in making sure the Seagraves ball carriers didn't get through the line

of scrimmage. Other mentioned for their play, but were not consistant enough to take the honors were Bruce Kinast, (12 tackles), Ruwayne Struve (14 tackles), and Mike Hedges (16 tackles) on defense. Vega. Not just another little car, but one little car that does everything well. You get more room, more weight and more power than most little cars give you, yet the gas mileage is right in the same neighborhood with the best of them. Vegas come dressed up, too, not stripped to the bone so you have to add a lot to make them liveable. Drive one. You'll see.

Caprice. There's a double layer of steel in the roof, a steel guard beam in each door, power disc brakes up front, a new power ventilation system inside, a wheelbase two and one-half inches longer. You get the looks and comfort of a six- or seven-thousand-dollar car, but at Chevrolet prices. And that's the kind of change during these tight-money times that all of us can appreciate.

Avanishing tailgate. A big change in our big wagon. The window goes up into the roof, the Glide-Away tailgate vanishes beneath the floor. Out of sight. Out of your way for easy loading even in a closed garage or when you have a trailer hooked on.
