ABERNATHY WEEKLY REVIEW

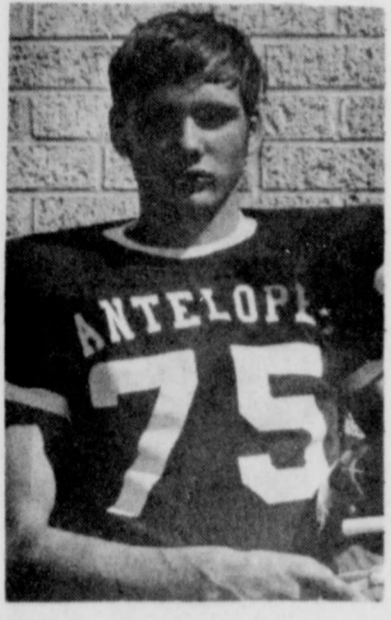

Volume 49

Hale County - Abernathy, Texas - Lubbock County THURSDAY, OCTOBER 15, 1970

Number 49

Antelopes Trim 'Horns, 41-13; Play Mustangs at Olton Friday

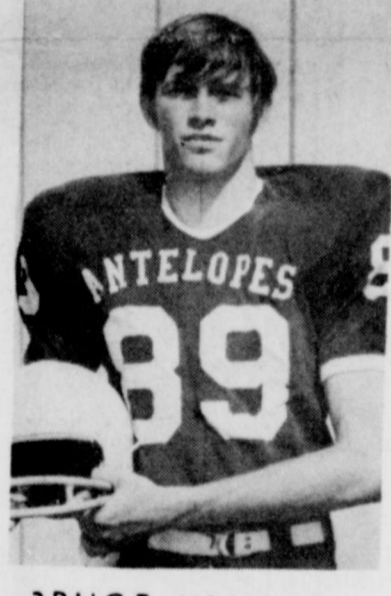

Players Of The Week

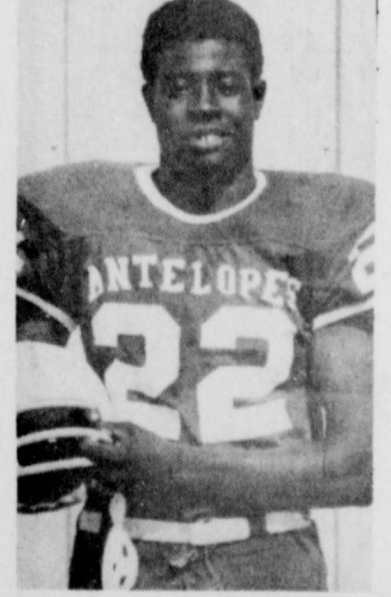

STEVE PHILLIPS

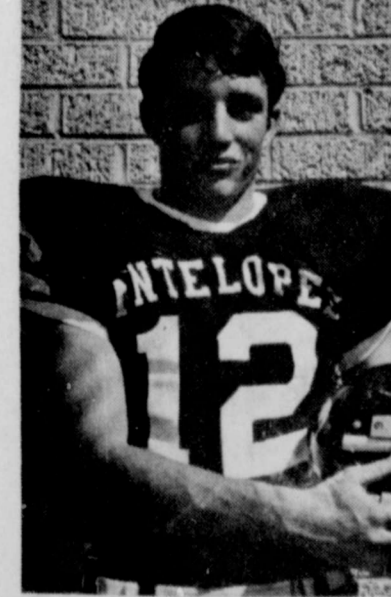

DAVE DAVENPORT

BRUCE KINAST

CHARLES JOHNSON

MIKE KERR

With the score tied 13-13 midway into the third quarter the Antelopes unleashed a devastating running attack highlighted by the efforts of Charles Johnson to pull away for a 41-13 victory over the Lockney Longhorns. For two and a half quarters it was any body's game.

Lockney wasted little time getting on the scoreboard as they returned the opening kickoff 90 yards and kicked the extra point to take a 7-0 lead with only 14 seconds game. But the Lopes came right back and marched the ball 65 yards in 12 plays to tie the game up. The touchdown came on a one yard run by Mark Harrison and Johnny Hemphill added the extra point.

The Antelopes picked up another first half score on a one yard plunge by Johnson. The kick for the bonus point was blocked and the Lopes took a 13-7 lead in a half-time.

In the third period the Longhorns tied the score on a drive that covered 70 yards, and ended with a 6 yard run by Q.B. Tony Ford. Larry Klafka broke through to block the try for the extra point and with the score tied 13-13, the Antelopes came to life.

Johnson electrified the Antelope fans, and left tackles stream all over the field, with a brilliant 52 yard run that put the Lopes ahead to stay. Hemphill kicked the point and the Lopes lead 20-13. As soon as the defense held the Longhorns and got the ball back, Johnson showed the first wasn't luck as he again turned on the speed to cover 61 yards and give the Lopes a 27-13 lead after Hemphill kick.

In the fourth quarter, Mike Kerr taking over at quarterback for Dave Davenport, led the Antelopes to two touchdowns. The first came on a six yard runner by Kerr after a beautiful fake to his fullback. The second came on a one yard blast by Johnny Hemphill, with Mark Harrison kicking the extra point.

Over-all the Antelope offense rolled up 464 yard rushing and 12 yards passing for a total of 476 yards - their best offensive production of the season. Johnson led the ball carries with 307 yards, with Mark Harrison collecting 88 and Kerr 55.

On defense the Lopes gave up 249 yards to Longhorn ball carries. In first downs the Lopes held a wide margin 28-15. This week the Antelopes will face their biggest test of the season, their journey to Olton to take on the undefeated Mustangs in the top battle in district 3-AA. Olton, paced by the passing of Jr. sensation Steve Stockdale, and the running of sophomore Keith Workman, have been most impressive in defeating Tulsa. Mule shoe, Tahoka, Friona and Littlefield. Abernathy scouts report that they have a very spirited and aggressive ball club. "Workman is the best running back we have seen this year some observers say he is the best on the South Plains and Stockdale is better than he was last year," coach Campbell stated.

Last year the Antelopes handed the Mustangs one of their two district defeats. This year Olton is primed for revenge and the Lopes know they are tough. It should be a game that no true football fan would want to miss.

JUNIOR VARSITY

The Abernathy JV's played one of their best games in a losing effort to Littlefield. The Lopes spent the better part of the first half inside their own 10 yard line, and did not allow Littlefield to score.
Littlefield was able to score their only touchdown in the 3rd quarter. The Lopes were able to move the ball against Littlefield and did score once in the fourth quarter but it was called back because of a penalty.

Abernathy's outstanding offensive players were Steve Phillips, Bobby Cuevas, and Mike Kerr. The outstanding defense players were Roger Phillips, Mike Bridges, Bobby and Mike Cuevas, Jesse Webb and Dick Rogers.

JUNIOR HIGH
The 7th and 8th grade Yearlings played host to the Mustangs from Lockney last Tuesday and came out with one victory and one defeat.

KATHE McCLENDON Receives Double Honors in 4-H Work

Kathe McClendon Named State 4-H Champion in Home Management

Kathe McClendon, a Hale County 4-H'er who doesn't fool around when it comes to keeping house, has been named state 4-H champion in home management for 1970. The state 4-H Club office has announced.

As tops in the state, Kathe will receive an expense-paid trip to the National 4-H Congress in Chicago, Ill. Nov. 29 to Dec. 3. At the 4-H Congress, she and other state winners will compete for \$600 educational scholarships to be presented to a blue award group by Tupperware, a Division of Dart Industries Incorporated of Orlando, Fla. donor for the awards program.

Kathe, 15-year-old daughter of Mr. and Mrs. Wayne McClendon of Abernathy, has been involved in 4-H work seven years.

"When I first started in 4-H," she said, "I conducted two projects - foods and clothing. Since then I have made a few additions." Her additions number 10 projects, ranging from child care and gardening to swine and entomology. "I have carried my home management project three years," she added.

Junior Leadership
Kathe's honors in all project areas include five medals, four first places, one blue ribbon and

Kathe McClendon To Present Program at Texas State Fair

Miss Kathe McClendon, daughter of Mr. and Mrs. Wayne McClendon of Abernathy will be presenting a program at the State Fair in Texas, October 20th, in the Texas Food and Fiber Pavilion, Dallas, Texas. Miss McClendon was State 4-H winner in the Clothing Educational Activity, which she will be presenting at this time.

Her presentation will be actual steps in the tie-dye process. Because her audience will consist of approximately 200 people, her demonstration will be shown by colored slides. She will display T-shirts, blue jeans, a blouse and a wall hanging, to show the varied and attractive uses of tie-dye. She will demonstrate the rosette and donut knot, the sunburst, and how to gather an article for a stripe.

Kathe is very active in many projects in 4-H work, the Abernathy 4-H Club, and Hale County 4-H Council. She also is a Project leader, as well as playing basketball and being a cheerleader at Abernathy High School.

Miss McClendon's trip is sponsored by the Plains Cotton Growers, Inc., and she is being assisted by Joanne Thurber, Consumer Education Specialist, and Mr. Bill Bearden, Area Information Specialist, both with the Texas Extension Service.

Teen Center

The Abernathy people have cooperated with the leaders of the Teen Center in a marvelous way. The center now has the following items for enjoyment and relaxation 4 vending machines, snooker table donated by Paul and Olivette Harsal, pool table donated by Dr. Priddy and others, ping-pong table given by Jim Bob Smith, ping-pong table donated by the Methodist Church, color TV and stereo provided by Cliff Newton at a very very low price. Carpet for the TV room given by Mr. and Mrs. Bill Corning. Water cooler provided by Rudolph Struve at a very low cost, two divans, one free and on inexpensive, provided by Jimmy and Fannie Mae Bruce, labor on cabinet work donated by Buck Cecil, carpenter labor donated by Robert Lisenbee

one award in local, county and district competition.

One 4-H project that has especially influenced Kathe is junior leadership.

"As a result of the things I've learned in my junior leadership project, I'm now a volunteer worker at the State School for the Mentally Retarded in Lubbock," she said. "Also, when I finish high school, I plan to major in special education because of my leadership experiences, and I believe my 4-H work will back me up all the way."

Qualities Demonstrated
Kathe's qualities in leadership have not only been demonstrated in 4-H work, but in school and the community as well. At school she is a member of the band, varsity basketball team, FHA, drama club and a cheerleader. As a community member, she has worked in the Head Start program two years.

"Kathe is truly an outstanding 4-H'er," one 4-H leader said. Mrs. Kate Gamble, county Extension agent, and the local 4-H Club leaders have helped Kathe with all her 4-H projects. "I do respect and love 4-H a lot," Kathe said. "and I try to live by the club's motto - to make the best better."

Funeral

Among out-of-town relatives here for the funeral of Mrs. R. A. Lutrick recently were her brother and sister-in-law, Mr. and Mrs. Eskel Sanderson of Desert Hot Springs, Calif. Sanderson resided here for a short time as a very young man, and is a close friend of Mr. and Mrs. George Ragland.

THE TRAFFIC FLAGMAN
He does not smoke or drink or use cigars he only tries to stop cars in cold or hot or wind or rain he is always out there just the same.
He is not handsome but he is friendly and brave always, thinking of a life he can save, and as he flags the cars in his daily tours the life he saves could be yours.

When he waves you through gently so you won't have to stop don't think he is awful because he is dressed like a cop.
He is there to help you as much as he can little boy, little girl woman or man so you try to help him by doing your part and there will be no hard feelings in mind or heart.

Mr. and Mrs. Leo White of Plains spent the weekend in the home of her father Edd Nelson and with their daughter Mr. and Mrs. Donnie Shafer and Holly. Mr. White attended a meeting in Lubbock for county agent. They returned home Saturday afternoon as Mr. White is superintendent of Methodist Church on Sunday mornings.

The County Line Hobby and Birthday Club started their fall meetings with the club meeting at the home of Mrs. G. W. Nelson at 2 p. m. Thursday with 5 members present. Nazarenes To Host Fourth Sunday Singing

A fourth church has joined in hosting the fourth Sunday singing meetings here. The Oct. 25 singing will be at Abernathy First Church of the Nazarene. Floyd Shipman, a member of that church, was appointed to make arrangements for special numbers during the Oct. 25 singing, to be held from 2 p. m. until 4 p. m.

Other host churches for the singing are Lakeview Methodist Church, Assembly of God Church and Northside Baptist Church, both in Abernathy.

GIRL SCOUTS

The annual Girl Scout Fund Drive is now underway for Abernathy. The drive is critical because of our inability in the past to raise our share of the required amount for Caprock Council. The drive leaders have decided to have some fund raising projects. Five hundred patriotic label flags pins will be sold for a \$1 apiece. Please be receptive when a local Girl Scout asks you to buy a flag pin. We must pay our share of the Council expenses which cover Camp Rio Blanco, a fabulous facility to which our girls have access, leadership training sessions over the area, help and equipment at the Lubbock Scout Office, and many other services. The Girl Scouts are also considering compiling and selling a birthday and anniversary calendar.

By subject, the proposed amendments relate to: (1) censure and removal of judges; (2) authority for mixed beverage law; (3) assessment of farm, ranch and forest lands; (4) reconstitute State Building Commission; (5) county road bond and assessed valuation; (6) increase value of homestead exemption from forced sale; and (7) authority to consolidate functions of government.

SP4 JAMES C. PAYNE

Sept. 25---Army Specialist
Four James C. Payne, son
of Mr. and Mrs. Cliff Payne,
Star Route, Hale Center, Tex.,
received on Sept. 7 the Bronze
Star Medal near Cu Chi, Viet-
nam.

tinguishing himself by valorous
actions. The Bronze Star Me-
dal, adopted in 1944, recog-
nizes acts of heroism performed
in ground combat against an
armed hostile force.
Spec. 4 Payne received the
award while assigned as a driver
with Company C, 2nd Battal-
ion of the 25th Infantry Divi-
sion of the 25th Infantry Divi-
sion's 22nd Battalion of the 25-

TALK IN PRINT

A professional man, experi-
enced in the battle against the use
of heroin, says: "A clinic (fight-
ing use of heroin) in a big town,
and no knowledge (as obtained
through the clinics) in the smal-
ler towns, simply pushes the
peddler of dope out of business in
the big town. So he goes to the
smaller towns."
Those who say "It can't happen
here" are naive. Certainly,
I doubt that it will happen here,
but it is possible that it could.

Nominations for the distinc-
tive and unusual signatures on
checks coming in to The Re-
view: those of John E. Keivitz,
Preston Northcutt and Robert
A. McAlister. Would-be check
forgers would have a heckuva
time trying to duplicate their
signatures.

AHS Antelopes bands for ele-
ven of the last thirteen years
have won first place in Class
AA in the Panhandle South
Plains Fair Parade in Lubbock.
The Avalanche-Journal recently
published a letter to the
editor from a patron of the
Frenship School at Wolforth
critical of the fair parade band-
judging and of our band. In
fairness to the officials of the
Frenship School, let the
record show that they had not-
ing to do with the letter being
written or published.
The patron who wrote the
letter to the A-J probably is as
strong in her support of the
Frenship band as we are the
AHS Antelope band. I know
how sensitive patrons can be
about their school bands. I
had an experience along that
line. Years ago when the AHS
Antelopes were in a regional
playoff game in Jones Stadium,
I was in the press box. During
the half-time show when the
AHS Antelope band was march-
ing on the field, some knothe-
aded newsman in the press box
made this cutting remark: "too
much sex and not enough sax"
referring to the eight majorettes.
That was before our marching
band had as many members as
we have today. I highly re-
sented the remark. There's no
such thing as too many pretty
girls twirling with a band.

There are many reasons for
"keeping your cool." A doctor
in Little Rock, Ark., has
come up with the best reason
for not getting mad. He ad-
vances the theory "that ex-
cessive and misdirected anger
is the major cause of early
death."

Warning Number Two: De-
mocrats, if you want to keep
Preston Smith as Governor of
Texas, you'd better work for
him in October and go to the
polls and vote for him in No-
vember.
-tip-

Governor Smith's opponent,
Republican nominee Paul Eg-
gers, made a mistake when
he tried to make political hay
out of the Governor's walk
out on the militant hecklers at
the University of Houston.
I believe that more public
figures should walk out on
the college hecklers. It serves
as an embarrassment to the
college officials, and it might
lead them into taking strong
measures against the rudi-
e students.
