APRIL 26 . MAY 1

TEXAS HIGHWAY DEPARTMENT

NUMBER 24

ABERNATHY CHATBER OF COLLERCE VE SLETTER

The Abernathy Chamber of Commerce held its first meeting of the new year at Grahams Cafe, 7:00 a.m., on April 6, 1971. Eighteen members and two guests were present.

The members voted to give Dr. Donald L. Bricker a \$50.00 gift certificate, a letter of thanks and an honorary membership to the Chamber for the very informative speech that he presented at our annual banquet. Lany rewarding remarks continue to be heard concerning the helpful program. (Approximately \$450. has been turned in for ticket sales -- 250 plates were guaranteed.)

Charles Bowen was very elated at being chosen Abernathy's Citizen of the Year. Hany areas of education have been furthered because of the interest shown by hr. Bowen and his wife.

J. D. Vineyard and Connie Chance, members of the Abernathy Riding Club, were guests and presented plans concerning the pens, lighting, judges stand, concession stand, holding pens, restroom facilities and other improvements being prepared by the Riding Club. These new facilities will be utilized by the 4-H and FFA as well as the Riding Club. They have planned a Horse Show for June 26, 1971. These facilities will be constructed on land located west of the bus sheds, ouned by Mrs. Thelma Wesley. The Chamber voted in a resolution to encourage this project. Then further plans are made by the Riding Club, they will meet with the directors of the Chamber. Consideration will be made at that time as to the investment that the Chamber might want to make in these facilities.

Y. F. Snodgrass asked the members for authority to have an audit report made. This request was granted.

On Hay 6 all Chamber members are invited and encouraged to attend a meeting in Amarillo under the direction of the Texas Industrial Foundation. We will be versed on how to attract industry to our town and area.

A July 4 Celebration Committee was appointed to bring a report at the next meeting on what we would do as a project during the 4th holidays. Cliff Merton, Bob Scott and Ray Sanders were appointed to serve on this committee.

Next Chamber meeting -- i ay 4, 7:00 a.m. at Graham's.

Service Grain Asgrow Dealer

Dennis Rhodes, manager, an-nounced the addition of the Asgrow line of grain sorghum planting seeds to the other var-ieties offered at Service Grain & Fertilizer Co. in Abernathy. Service Grain also stocks a line of the fine Asgrow garden

Cast Listed For AHS Senior Play April 30

Friday night, April 30th is the date set for the Senior play, "Her Adorable Imp". Tickets may be purchased from any senior class member. They are priced at \$1.00 for adults an 50 cents for students. TALK IN PRINT

YFS:cah

A project is underway by Abernathy Riding Club that deserves the support of the entire community. The Riding Club plans to build facilities on Mrs. Thelma Wesley's land west of the Abernathy School bus sheds that will accommodate the stock shows, use by FFA and s-H Club, rodeos and general livestock handling. The club plans to hold a Horse Show at the new facility June 26. See Chamber of Commerce president Y F. Snodgrass' C. of C. Newsletter and Connie Chance's news story elwhere in this paper for details of plans announced by the Riding Club for the new facility.

Abernathy community needs such a facility as proposed by the Riding Club. Give the club YOUR support.

-tip-For the past 18 years Lions Clubs of Texas have sponsored and songwriters Saturday in the definanced a summer camp at Kerrville for handicapped children. This year, something new will be added. Texas Lions Club will sponsor a special summer session, June 7 through June 25, for Diabetic Children. The Lions-sponsored camp will be held at the facilities of Camp Manison near Friendswood, between Houston and Galveston, where a diabetic camp has been operated for the past 14 years. The Lions Clubs are cooperating with the diabetes association of Texas in holding this special camp session. If you know of a handicapped child that might like to go to the Kerrville camp, or children stricken with diabetes who would kike to go to Camp Manison, contact Harold Thompson, president of Abernathy Lions Club, for further information. -tip-

Over-zealous enviromental and conservation enthusiasts can do more harm than good. One case in point is stopping work on the new jet airport to serve Miami and Miami Beach. Conservationists won their battle to save the everglades from pollution that, they said, would result from the new airport location. The current Miami International Airport is at the edge of the city, and has planes landing and/or takingoff every 30 seconds. In their ing footsie (or ping pong) with approaches, the big jets cir-Red China, the war in Vietnam cle over the ocean and come in over Miami Beach and Miami to line-up with the runways, hospital. Big, sturdy sorghum with high vield

K 275

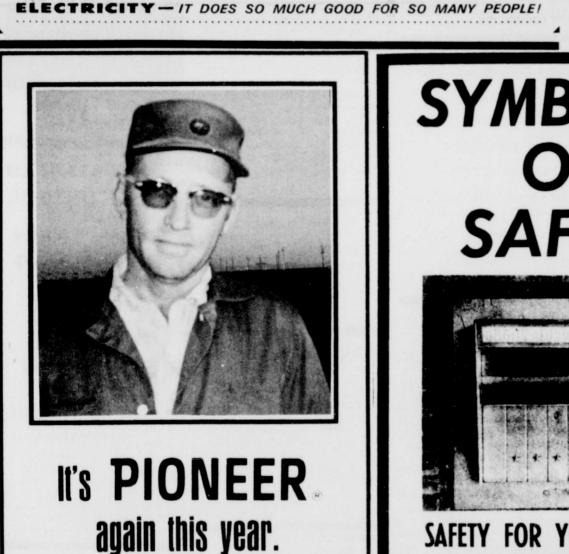

When all-round performance and high yields are more important to you than fancy appearance, NK 275 is the grain sorghum to plant.

This widely adapted Northrup King variety can be counted on to come through with superstar performance even under adverse growing conditions. NK 275 also tolerates maize dwarf mosaic and salt. Large heads are filled with red grain.

HAROLD W. THOMAS

HOMTHAU Phone 757-2705

potential ...

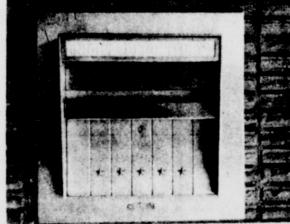

Here's why:

DALE COPPEDGE of New Deal produced 7,240 pounds of grain sorghum per acre this past year from 135 acres of Pioneer brand 845. He also produced a 5,000 pound-per-acre yield from 43 acres of Pioneer brand 848. Although he likes the early maturity of 848, he prefers 845 on the sloping ground. He reports that both stand well, are easy to thresh, and have good bushel weight. This year he expects to plant 845 or 846. Naturaly, we are pleased that so many good farmers like Dale Coppedge choose Pioneer brand hybrids.
